DOWN TO BUSINESS — Liberal helpings of sausage, ham, beef, beans and other good things to eat were piled on the plates of the visitors as they filed through the two chow lines which were set up to provide the picnic lunch.

Ethicon Has Big Day At Park, Golf Course

Hundreds of employees of Ethicon and their families were the guests of the Bronte community last Saturday when the firm held its annual family picnic in the local county park.

Bob Becker, picnic chairman, said everything went off fine and those present were most favorably impressed with the beauty of the park and with the facilities provided in the area.

Below is a copy of a telegram received by Mayor Royce Lee:

AD-LIB-BEN

Mayor Royce Lee told The Enterprise this week that anything he had said about this being "The Year of the Horns," was in reference to the Bronte Longhorns. He challenged anybody to refute a statement like that.

As a matter of fact, the mayor almost acted as if there were no other Longhorns in existence, and if so, he didn't know anything about them.

He did add that he saw a pretty good ball game at Austin Saturday.

Conda Richards and yours truly have been pretty well beat over the head for years by the mayor about results of football games between Texas Tech and Texas, but we have both acted like real gentlemen about the fracas in Austin this year. We have been able to hold our exuberance in check so well that we hardly ever mention the game except when we're talking to somebody.

Inflation seems to have everyone in its choking grasp. We have noticed its creeping inroads on our profits have increased considerably. Regretfully, we are taking a serious look at a price raise in subscriptions and advertising rates. This very thing only adds to the vicious circle of higher prices on everything, but a business has to keep up or go down.

COUNCIL TO MEET

Bronte city council will meet in regular session Thursday night at the city hall.

Mayor Royce Lee said anyone who has business with the city is invited to attend.

"Please accept Ethicon's appreciation to the City of Bronte, Texas, for making it possible for our employees and families to spend a most enjoyable day in your fine city. You have outstanding park and civic facilities for which you have every reason to take pride in. We also appreciate the very fine hospitality extended us as a company and as individuals. Thank you, Ethicon Inc., San Angelo, Texas."

A large number of the visitors, particularly the youngsters, toured Bronte's new school facilities, and favorable comments came from them.

Softball games, tennis matches, volleyball, golf, fishing, treasure hunts, pony rides, along with lots of loafing and visiting took up the day for the visitors. The noon meal was catered by a firm from San Angelo, and lots of good food was served till plates were heaped high. Refreshments were available at several points in the park area throughout the day.

Martin Lee, mayor pro tem for the day, read a proclamation issued by Mayor Royce Lee, and presented it to Brent McQuirk of Ethicon.

Mayor Lee said this week that "it was a privilege to have these people visit our city and park." He added, "The good will and favorable impression these folks received in Bronte might make them want to come back and stay longer."

PROCLAMATION — Mayor Pro-Tem Martin Lee presents a proclamation he has just read, welcoming Ethicon employees to Bronte, to Brent McQuirk of Ethicon. The paper told how glad Bronte was to have the visitors here last Saturday.

Horns Start District Play Friday Against Jaybirds

The Jayton Jaybirds will invade Stephenson Field Friday night to kickoff District 4-B competition for themselves and the Longhorns. It will be the second home game of the season.

Bronte is expecting to win the game, but "we're not looking for a pushover," said Coach Cecil Toliver. "Jayton has shown a lot of improvement in its last two games," the coach said, "and we are expecting a good ball game."

The big Longhorn team is still rated the No. 1 B team in Texas this week by the Harris Rating System. Playing strength is still

listed at 110.3, the same as last week, since the Longhorns were idle last Friday, and were given no opportunity to raise or lower their rating.

Toliver said he had some ill-

Newspaper Week To Be Observed Over United States

There are three or four hundred "weeks" in the year, and one of them is National Newspaper Week. It is the one week in the year when newspapers pause long enough to reflect on their accomplishments, their hopes and purposes, and their roles in the social and economic life of their communities.

Perhaps they might report some of these reflections to their readers, if they come up with something really worthwhile and have time to write their own story.

Next week will be observed as National Newspaper Week.

"Newspapers Get Things Done" is the theme of National Newspaper Week, emphasizing the many activities in which newspapers are engaged in addition to gathering and distributing the news.

Since the first newspaper was published in the United States they have been "Freedom's Sentinels" by keeping a watchful eye on government, clarifying public issues, and using their influence as constructive forces for community growth and development.

Good newspapers make good communities and vice versa.

BANK TO CLOSE OCT. 12 FOR COLUMBUS DAY

First National Bank in Bronte will take a holiday next Thursday, Oct. 12, in observance of Columbus Day.

No business will be transacted, according to E. F. Glenn, executive vice president. He asked that the firm's customers take care of their needs earlier in the week so they will not be inconvenienced by the closing.

Laymen will take over the services of the church next Sunday. E. L. Hurley, church lay leader, is in charge of the arrangements. Ushers are Steve Badley, B. E. Modgling, A. N. Rawlings and O. H. Willoughby.

ness in his squad the first of the week but added he believed everybody would be in shape to play Friday night.

District Play Starts

Other members of 4B will start district play this week also. Only exception is Trent. In addition to the Jayton-Bronte game here, Hermleigh will be at Forsan; Loraine will be at Roby, and Trent will play Central Catholic (Sat.).

Last Week's Results

Bronte, Loraine and Jayton had open dates last week. Forsan took Grandfalls, 34-0; Hermleigh downed O'Donnell, 32-6; Roby fell to Central Catholic 35-18, and Trent went down to Wall 13-8.

Doug McCutchen is still No. 2 scorer in the area Class B competition, with 51 points. Ronnie Finley of Loraine is tops with 54.

Homecoming Set For October 28

Plans have been announced for the 1967 Homecoming of Bronte ex-students and teachers. The event will be held Saturday, Oct. 28.

Special attention is called to the change in date for the football game between the Bronte Longhorns and Trent. Originally set for Friday, Oct. 27, the game has been moved to Saturday, Oct. 28. Eddie Alexander, vice-president of the Ex-Students Association, said this week that events for the special occasion will begin at 5 p.m. with a pep rally in the new gym. Following at 5:30 until 7, will be a Hospitality Hour in the school lunchroom. The football game will begin at 8 p.m.

Halftime ceremonies will include crowning a Homecoming Queen and Football and Band Sweethearts.

Alexander said no invitations will be mailed to exes this year, but everyone who reads the Enterprise and knows of exes who may not know about the Homecoming should notify them.

A 25 cent registration fee will be charged to help take care of expenses.

Benny Corley of Crane is the president of the Ex-students.

Alexander said all ex-students and teachers have a cordial invitation to attend the Homecoming.

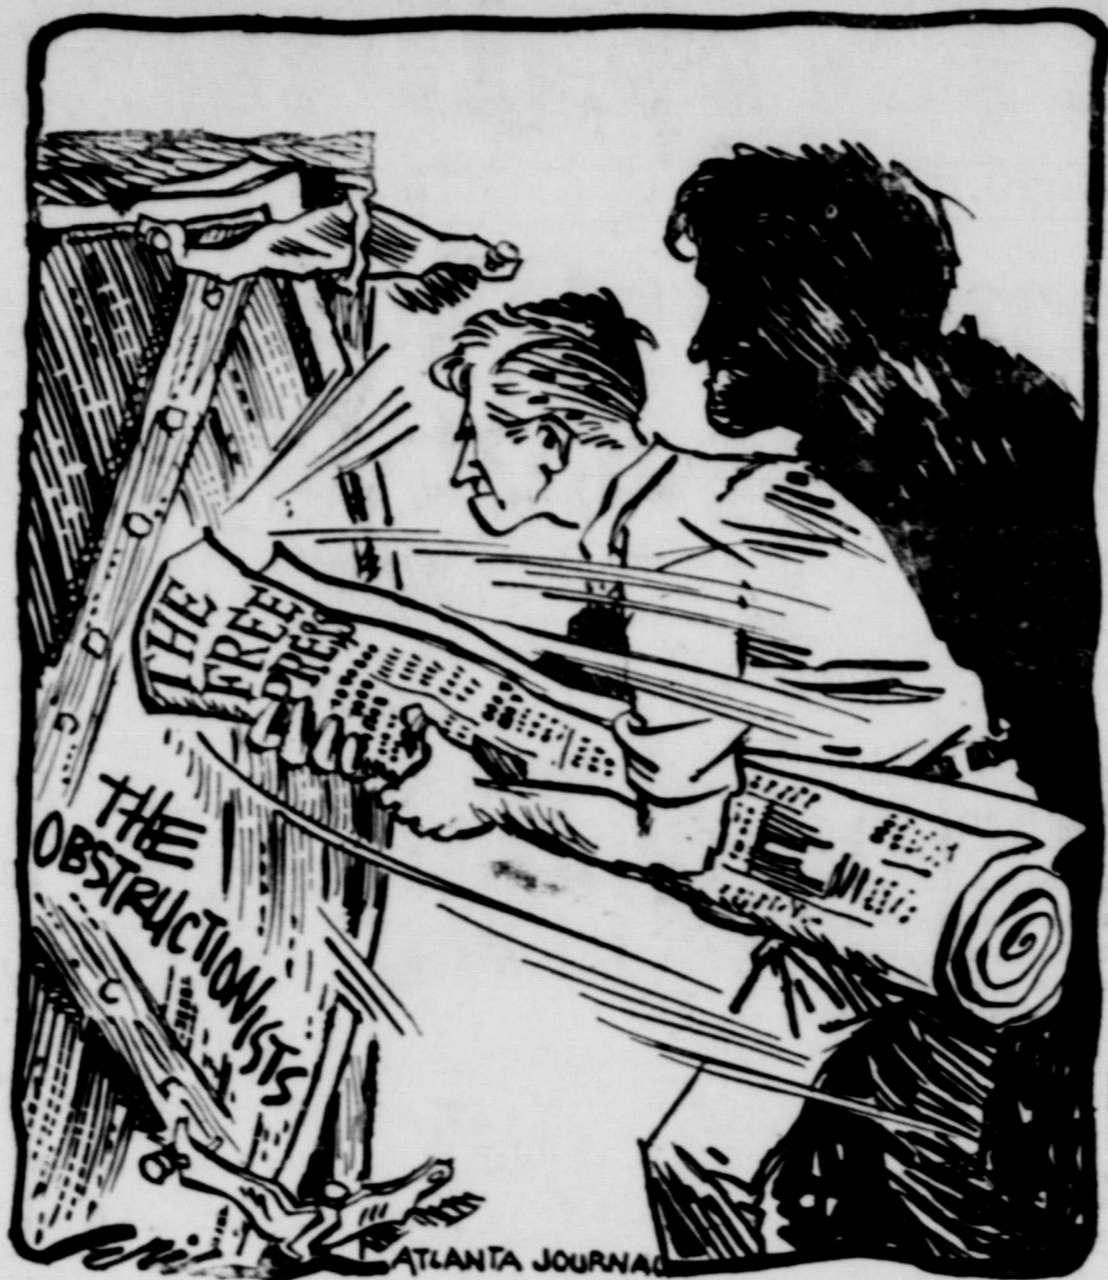

Harding To Speak To Noon Lions

Representative Forrest Harding of San Angelo will be present today for the meeting of the Noon Lions Club at the Methodist Church. Harding will bring Lion members up-to-date on happenings in the Texas legislature. All members are urged to be present.

Clothing Drive in Progress

Both Bronte Lions Clubs are sponsoring a drive for clothing to be sent to the hurricane victims in the Rio Grande Valley. Good, used clothing of all types will be accepted. Donations may be brought to the Charles Ragsdale barber shop for packing or donors may call any member of the Lions organizations.

HAVING FUN — Children of Ethicon employees are having a big time riding the merry-go-round in Bronte's County Park. The kids kept this and other playground equipment busy most of the day.

Social Security Benefits Emphasized

Many people think social security means only retirement benefits and Medicare for older people.

But that is not the whole story, according to Bob Logan, social security representative who visits Robert Lee and Bronte. Social security can also mean a lot to younger people, he said and also can help a young disabled worker and his family receive cash benefits or monthly checks to young widowed mothers and their children.

Logan explained young people

earn protection under social security while they work. Their social security contributions go into trust funds for safekeeping until the time when earnings are stopped or reduced because of retirement, death or disability. Protection is also built up for health insurance at age 65.

For more information or pamphlets about the social security program, Coke county residents may contact the district office at 300 W. Harris in San Angelo, or see Mr. Logan in Bronte Friday, Oct. 7 from 9:30 to 10:30 a.m. or in Robert Lee from 11 a.m. until noon.

Important business transacted included the decision to sponsor and offer several new projects to interested boys and girls in the county. The new projects selected were riflery, wildlife, automotive, photography, knitting, and woodwork. The projects such as foods, clothing and feeding carried out in the past will still be open for enrollees.

Leaders are now being recruited. Anyone interested in helping in any of these activities are asked to contact the local county Extension office or any of the officers of the Leaders Association.

Coke County Pioneer Day Set For Next Thursday

A Pioneer Day celebration and dedication of a historical marker will be held Thursday, Oct. 12 in Robert Lee. A luncheon will be held at noon in the Recreation Hall of Robert Lee County Park and the dedication program will be held on the courthouse lawn, site for the marker.

The marker commemorates the Fencing War, which ran ram-

pant in West Texas in the early 1880s and probably reached a climax in 1883 when L. B. Harris had 10,000 cedar posts and two railroad carloads of barbed wire burned at a site three miles west of Robert Lee. Earlier, Harris had 40 miles of barbed wire fence cut between every other post. The Odom family, who ranched in the Fort Chadbourne area, also had

fences cut during this era.

Through the efforts of Mrs. Bryan Yarbrough, chairman of Coke County Historical Survey Committee, it was decided by state officials that the official marker commemorating the Fencing War should be erected in Coke County.

Elton Mims of Water Valley, well known Coke County historian, will deliver the main address of the dedication, giving a short history of the Fencing War. The Robert Lee School band will play for the program and the Bronte Youth Choir will sing. Robert Lee Boy Scouts will present the flag. A complete program will be announced in next week's paper.

Pioneers who have been in the area 50 years or more are invited to attend the luncheon and everyone in the area is invited to the program, which will begin at 2 p.m. Plates for the luncheon will be \$1.25.

Reservations Necessary

All persons who plan to attend the luncheon are requested to make reservations not later than Tuesday, Oct. 10. Reservations may be made in Robert Lee with Mrs. Fay C. Roe at the courthouse, or with Mrs. Yarbrough. In Bronte reservations can be made by contacting Ben Oglesby at the Enterprise office.

COUNTY JUDGE'S PROCLAMATION

WHEREAS, the series of events which have led to the development of Coke County have been of immeasurable historical significance:

and WHEREAS, it is the inherent responsibility of every citizen to recognize and appreciate this heritage which is ours to enjoy; and WHEREAS, it is of paramount importance that our County History be appreciated and preserved in a manner befitting the dignity and respect due our forefathers whose toils and labors have resulted in a heritage worthy of recording, marking and preserving

and WHEREAS, Coke County Historical Survey Committee, cooperating with the Texas State Historical Survey Committee and the Texas Historical Foundation, in their RAMPS program, has designated Thursday, October 12, as a special day in which to honor our Coke County Pioneers; to honor our schools by the presentation of historical gifts; and to dedicate a historical marker which tells the story of the "Fencing War," and highlights some of the earliest history of Coke County.

NOW THEREFORE, I, W. W. Thetford, County Judge of Coke County, do hereby declare Thursday, October 12, 1967, as Coke County Pioneer Day and call upon all citizens to cooperate wholeheartedly in this Coke County History Appreciation Program.

Coke County Historical Survey Committee met at 4 p.m., Friday, Sept. 29, in the conference room of the courthouse in Robert Lee. The following members were present: Mrs. Bryan Yarbrough, chairman; Sterling Lindsey, Elton Mims, Mrs. Fay C. Roe, Mrs. C. E. Arrott and Ben Oglesby, members.

The discussion, for the most part, centered around the planning of a Pioneer Day and dedication of a historical marker commemorating the Fencing War. Date for the event was set for Thursday, Oct. 12.

It was decided to have a luncheon at the recreation hall in Robert Lee County Park, honoring the county's pioneers. Following the luncheon, the group will move to the courthouse and the marker dedication program will begin at 2 p.m.

Elton Mims will make the principal address, giving a short history of the Fencing War. Robert Lee School band has been invited to play and Bronte Youth Choir has been invited to sing on the program.

Other business included a motion by Mrs. Roe and seconded by Mr. Mims to make Mrs. R. E. Dudley of Abilene an honorary member of the Coke County Historical Survey Committee. It passed unanimously.

Mr. Mims moved and Mr. Lindsey seconded a motion that a letter of appreciation be sent to Rep. Gene Hendryx of Alpine for his work in promoting tourism in the state and particularly in West Texas.

Mr. Mims spoke on a project of the Edwards Plateau Historical Association in restoring an old German house which is located in the area to be designated as Lyndon B. Johnson State Park. Mr. Mims asked for the support of the Coke County Committee and the committee agreed to assist the Edwards Plateau Association in any way possible.

Mrs. Yarbrough led a discussion on the committee's progress in purchasing markers for the county, and expressed the hope that the committee would be able to meet its quota.

Are you interested in knowing more about personal color and color in home decoration? If so, you may want to sign up for a Color Workshop to be held in Robert Lee beginning on October 19.

Only a limited number of ladies will be accepted for the class. Those interested may enroll in the three to four session workshop by mailing a card or calling Mrs. Fay C. Roe, County Home Demonstration Agent.

The class will be filled in order of registration and is open to any person in the county.
