6 Longhorns On All-Dist. IIs

NICE KITTY — The Rev. president of Bronte Noon Lions Austin Masterson (center) Club, holds a Lion cub which is the mascot of Carlsbad Lions Club. The infant king of the jungle was brought to Bronte

on a tour by the Rev. Father Vincent Dougntes (right) and the Rev. W. M. Miller, Catholic and Protestant Chaplains respectively, at McKnight State Hospital at Carlsbad.

Kids Get Holiday When Pipe Leaks

Students of Bronte School were treated to an unplanned holiday Monday and Tuesday when classes were dismissed because of a break in a water main.

Preliminary reports Monday morning said that the basement of the school was flooded by the break, but Supt. C. B. Barbee said

there was only one spot, in the teachers work room, where water dripped on anything.

A pump designed to take care of a much larger flow of water than was escaping from the broken pipe was installed in the new building to prevent damage from water. Barbee said the pump did its job well and there was no damage to floors, walls or any other part of the new installation.

The trouble developed when the line which runs under the breezeway between the elementary and high school buildings gave way. Earthen fill was placed under the pipe and metal scraps secured it to the floor of the breezeway, when the new building was constructed. However, the supporting fill material gave way placing all the strain on the supporting straps, and they too gave way, allowing the pipe to part at a joint.

Barbee said school had to be dismissed because water was cut off, done away with rest room, lunch room, drinking fountain and heating facilities.

Repairs were started Monday and water was turned back on in time for classes to meet Wednesday at the regular time. Repair work will continue until the situation is completely corrected. Barbee said.

AD-LIB-BEN

Next week's Enterprise will be chock full (we hope) of Christmas greeting ads, features and letters to Santa Claus. It's always a lot of fun to read the letters from Santa. Setting them in type does spoil some of the originality of the efforts by youngsters, but we hope to preserve them in their original form insofar as possible. We hope you enjoy them.

Congratulations to the Bronte Longhorns who were selected on all-district teams. We really thought there should have been at least 11, but then you can't have everything.

All the boys who made the team, plus those who received honorable mention, we think are most deserving of the honor.

Don't forget, this is the time of year when Santa Claus may be watching from anywhere.

TWO DIRECTORS TO BE ELECTED FOR DISTRICT

Two directors for the Coke County Kickapoo Water Control and Improvement District No. 1 will be elected in an election set for Tuesday, Jan. 9.

The election will be held in the City Hall with Noah Pruitt as election judge. Polls will be open from 8 a.m. until 7 p.m. Directors must be 21 years old, a resident of the district and must own taxable property in the district.

Terms of Norman R. Kiker and D. K. Glenn are expiring.

Bronte Longhorns of 1967 hogged the limelight when coaches of District 4B made their all district selections recently. The Bronte lads placed 11 of their team members in the 22 places required to make up the offensive and defensive teams.

Five of the Longhorns were picked for a spot on both teams, to fill 10 of the positions, and the other place went to the offensive team.

Making both teams were Davis Corley, offensive and defensive end; Brian Richards, offensive tackle and defensive line-

man; Victor Brock, offensive guard and defensive linebacker; Doug McCutchen, offensive back and defensive linebacker; David Glenn, offensive and defensive back. Don Hageman drew the other spot as center for the defensive team.

Honorable mention went to wingback Charles Masterson and to end Keith Morris.

Corley was the unanimous choice for end on both teams, while McCutchen was unanimous choice for back on the offensive team.

The complete all-district team

selections follow:

Offense

Davis Corley, end, Bronte; J. N. Munoz, end, Loraine; Brian Richards, tackle, Bronte; Bernie Finch, tackle, Hermleigh; Victor Brock, guard, Bronte; Ronnie Ponder, guard, Trent; Don Hageman, center, Bronte; Doug McCutchen, back, Bronte; David Glenn, back, Bronte; Larry Hellums, back, Trent; Tom Chorn, back, Hermleigh.

Santa Coming Sat.

Santa Claus will be in Bronte Saturday afternoon, it was announced this week by Bronte Jaycees. The bearded gentleman will be here Dec. 16 and 23 to delight the youngsters of the area.

Jaycee President Martin Lee said that the group will not sponsor a merchants drawing this year. He said, "The Jaycees worked up this program the last two years as a favor to local businessmen. It drew lots of people into town and we thought it was fine for the business community. However, we had some gripes from several businessmen

and decided not to try it this year."

Lee said that all the kids in the area have an invitation to come to town the next two Saturdays and visit with Santa Claus.

Norma Pruitt Wins In Wool Contest

Norma Lynn Pruitt, daughter of Mr. and Mrs. Noah Pruitt, Jr., was given an honorable mention in the junior division of the Make It Yourself With Wool contest held last Saturday in San Angelo. The district contest covers several counties with a number of contests in junior, senior and adult divisions.

Miss Pruitt, a sophomore in Bronte high school, made and modeled a 100% anglo wool A-line dress in hot pink, fashioned with a rolled collar and elbow length sleeves, lined with crepe. She wore a matching hat, black shoes and gloves and carried a pin striped umbrella.

Of her entry the judges commented: "costume and its accessories give a total effective impact of correctness in appearance and construction workmanship."

Misses Janet Lee and Cynthia Robinson were also contestants in the wool competition. Miss Lee, daughter of Mr. and Mrs. Clyde Lee, made and wore a 100% wool flannel coat dress of off white with stand up collar, elbow sleeves and black buttons. She wore black vinyl boots and tam.

Miss Robinson, daughter of Mr. and Mrs. Roy Robinson, modeled a blue tent dress, made of bonded wool, fashioned with stand-up collar and long sleeves. Her accessories were black.

Mrs. Royce Fancher, Bronte homemaking teacher, was advisor to the girls.

Both Bronte B teams, boys and girls, won consolation trophies at the Eola tournament last weekend.

The boys lost 80-41 to Rowena in their opening game, then came back to defeat Paint Rock 70-35 and Miles 47-38.

Bronte placed three players on the all-tournament teams. They were Willie Zuniga, Melissa Lee and Mary Jane Morrow, guard for the girls team.

Greetings To Run In Next Enterprise

Next week's edition of The Enterprise, which will come out Dec. 21, will be the annual Christmas greeting edition. Most Bronte merchants will carry greeting ads in the paper, wishing a happy holiday season to their friends and customers.

Merchandising, Too

Since three full shopping days will remain before Christmas when next week's paper is published, merchants are also invited to give one final push to their Christmas sales by running merchandise ads in the paper. For assistance in working up copy, please call 453-2001. Latest art work is available for presenting Christmas gift merchandise.

The Enterprise of Dec. 28 will be printed immediately after next week's edition comes off the press. The week after Christmas is the only one in the year in which the staff can take a short vacation, and the New Year's paper will be printed early to make this possible. Anyone who work is available for presenting greeting or merchandising ad is requested to contact the office during the next few days, so the copy can be prepared in time to be included.

The cooperation of everyone in meeting this unusual schedule is asked and will be greatly appreciated.

Sharon McCutchen District Runner-up

Miss Sharon McCutchen, sweetheart of the Bronte Future Farmers of America chapter, was chosen runner-up in the district contest held last Thursday night in San Angelo. Miss McCutchen, 16, is the daughter of Mr. and Mrs. Joe McCutchen and is a junior in Bronte high school. She was recently selected as Gold Star Girl for Coke County 4-H club work.

The FFA boys, sponsored by J. T. Henry also attended the district awards banquet. Awards earned during the year were presented to the various chapters.

Miss Carolyn Cole of Sterling City was named district sweetheart.

THE COLLAPSE OF AN EMPIRE

It seems that things get a little darker each year on the British Empire, the mighty Lion on which, not many years ago, the sun never set. What happened? Despite comparatively humane and enlightened rule, England has lost nearly all its possessions. Huge British cartels were permitted to control the resources of these peoples, leaving them no opportunity to develop their own enterprise. If England had had anti-trust laws, the British Empire would today be its once powerful self.

Living Christmas Tree

How about a year-around Christmas tree?

Your Christmas tree can serve a dual purpose: with lights, brightly colored balls and tinsel it adds holiday spirit to any room, planted in your yard it can bring additional years of enjoyment.

Buy an evergreen which is balled and burlapped or grown in a container. After Christmas plant it in the yard.

The tree should have a straight trunk, uniform shape and fairly dense foliage. The foliage should not feel dry.

Lack of good color and fragrance indicate excessive dryness.

Do not keep the live Christmas tree in the house more than seven days. Store it in an unheated place until decoration time. Then place the root ball in a container large enough to allow several inches of damp sawdust or peat moss around the ball.

Put the tree in a cool corner away from the fire place or heating vents. Always carry the plant by the soil ball, never grasping the trunk. The soil's weight can damage the roots.

Outside, plant the tree at least 20 feet from the house where it can not be crowded by other trees.

Home Notes

Bringing up a cook in your family? How about a Christmas present just for her new role. Give her her very own cooking outfit — an apron, potholder, perhaps a bowl or cookie sheet, and her cookbook. Several books are out now especially designed for the young cook. They have simple recipes, cute ideas and are easy reading. And don't forget Dad's little helper with outdoor cooking. He might like an apron, mitten potholder and some utensils himself.

Need help with December menus until Christmas? Let the U. S. Department of Agriculture help you with their plentiful food list. Top spots go to oranges, grapefruit, grape juice, cabbage, broiler-fryers and turkeys. Watch for specials on them.

Weight-watchers, bird-sized breakfasts or skipping whole meals is for the birds. Eat a good breakfast and learn enough caloric arithmetic to even out your day's quota over the three meals. Normally active housewives need 2,100 calories (age 20 to 35) and 1,900 (age 35 to 55).

For best cooking to conserve food nutrients remember these three R's: reduce amount of water; reduce cooking time; reduce the amount of surface area exposed.

Emery said the dividend checks would be mailed about January 15th to the association's 400 farmer-rancher stockholders.

The San Angelo Association is one of the 73 farmer-rancher owned associations in Texas served by the Federal Land Bank of Houston.

The local association makes land bank loans in Coke, Irion, Reagan, Sterling and Tom Green counties. The directors are C. E. Arrott, president, Bronte; J. H. Johnston, vice president, Water Valley; A. J. Sefcik, Vancourt, Wm. C. Pfluger, San Angelo and J. C. Reed of Sterling City.

Coke Livestock Protective Association Elects New Officers At Meeting

New officers for 1968 for the Coke County Livestock Protective Association were elected during the annual meeting of the group last Saturday night at the County Park in Robert Lee. A barbecue supper was served.

C. E. McGuire, vice president, presided at the business meeting in the absence of the president, Paul Coulter. Elected to serve

the association for the next year were:

Paul Burns, Robert Lee. President; Gorman Walker, Robert Lee, vice president; Tom Lear, San Angelo, secretary and Roy Tinkler, Robert Lee, treasurer.

The Board of Directors consists of M. C. Hendry and L. B. Menielle, Precinct 1; C. E. McGuire and Ed Cumble, Precinct

2; Cooper Chapman and Finis Harmon, Precinct 3; and Tom Lear and Gorman Walker, Precinct 4.

Purpose of the association is to combat and discourage thefts of livestock of all types in Coke County. There is only one charge to become a member and that is two cents per head of sheep, goats or hogs, and ten cents for each head of horses or cattle in the members breeding stock, or a flat sum of \$3.00, whichever is the greater. Officers do not

anticipate any additional charge unless the \$1,000 reward for arrest and conviction is paid.

Applications for membership can be secured through the office of Sheriff Melvin Childress at the courthouse, or through the president or secretary. Members are entitled to display the \$1,000-reward sign on their gate.

Winter Weather Arrives In County

Winter has arrived in West Texas and Coke County has had its share of the cold weather during the past several days.

Better than two inches of snow fell over the area Saturday night, to give a real Christmas look to the landscape. However, most of it melted Sunday. Sunshine Sunday, Monday and Tuesday warmed things up considerably, but cloudy, cold and dismal weather greeted Coke residents Wednesday morning.
