County 'Surplus' Not Really Surplus

The story in last week's issue of this newspaper about the 1972 Coke County budget might have caused a misunderstanding of county finance in the minds of some readers.

The story said "there should be a surplus in all funds at the end of the year of \$276,128.01. The 'surplus' led some readers to believe that the county would have this amount above what will be needed to operate during the following year. This is not the case at all, since this balance actually is the money which will be used to operate the county during 1972.

With tax collecting time beginning Oct. 1, most county tax money is in by Jan. 1, but the money collected during this three month period makes up practically all the funds available for operation during the fiscal year beginning on Jan. 1.

Services Held for Edd Caperton, 76

Funeral services for Edd Lewis Caperton, 76, of Abilene were held at 3:30 p.m. Thursday in Elliott's Chapel of Memories in Abilene. He died at 8 p.m. Tuesday in Hendrick Memorial Hospital there.

He was a member of Fairmont Methodist Church in Abilene and was a veteran of World War I. He attended school at Maverick and grew up in this area.

Survivors include his wife; two daughters, Mrs. John Snipes Jr. of De Soto and Mrs. J. E. Stallings of Nederland; three grandsons; two brothers, Emmitt Caperton of Bronte and Bedford Caperton of Washington, D. C.; three sisters, Mrs. Lizzie Wood of Baird, Mrs. Lillian Carlton of Ballinger and Mrs. Genie Fort of Del Rio.

Kids to Receive Immunizations

Second round of immunizations will be given Bronte children at school next Tuesday, beginning at 9 a.m. The first series was given on Sept. 7.

They will be given for polio, DPT, measles and rubella. Preschoolers are welcome to take part in the program. The immunizations will be administered by John Black of the State Department of Health, and Mrs. John R. Harris of the Bronte Hospital.

Under new state law, all school children must have the immunizations. School officials stressed that it is not necessary for the children to take them at school; they may take them elsewhere, but it is necessary that they receive them.

Revival This Week At First Baptist

A revival meeting continues at First Baptist Church here with the Rev. Bob Perrin, pastor of First Baptist Church in Dublin, doing the preaching. Kenneth Coates, minister of education at Pioneer Drive Baptist Church in Abilene, is leading the singing.

Morning services, through Friday, are at 7 a.m. and evening services are at 7:30 p.m., except for Thursday when the meeting was moved to 6:30, because of the football game. Services will continue through Sunday. The Rev. Harry Morris, pastor, invited everyone to attend the remaining services.

MARTY MAYER WILL SPEAK TO METHODISTS

Marty Mayer, former Bronte High School English teacher, will be in charge of the 11 a.m. worship services at First United Methodist Church Sunday.

Mayer has been here this week visiting friends following his release from the U. S. Navy. He has been stationed in DaNang, Vietnam, and also in Japan.

Following his vacation, Mayer will work with the Campus Crusade for Christ, an interdenominational Christian movement. He will work with the military division in San Diego, Calif.

The Rev. Fred Brown, pastor of the Methodist Church, invited everyone to attend the Sunday services. Mayer was English teacher here in 1967-68 prior to his service in the Navy.

AD-LIB-BEN

Coke County commissioners were asked Monday by the publisher of this newspaper how they felt about a project to repair and sealcoat the streets of Robert Lee and Bronte. Their answer was that they would like to see such a project effected, and that they would like to have some expressions from Coke County citizens on the matter.

We would like to suggest, if the citizens are interested in safeguarding and keeping up their paved streets, that they petition the Commissioners' Court to hire an engineer or other suitable person to investigate the cost.

After an estimate of the cost is received, then a decision could be made as to whether or not the people can afford to have the work done. It would be a start on something that needs to be done soon. Hundreds of thousands of dollars are at stake and the longer we wait, the more it will cost.

CBC Roundup Is Going Well

The roundup of members at Central Baptist Church, or the CBC Choral, is going well, according to the pastor, the Rev. Pete Patterson.

The campaign was kicked off with a barbecue Saturday night and the promotion day Sunday had the next to highest attendance in the past year.

Next Sunday's services will honor the primary and beginner groups and the Sunday, Oct. 17, services will be conducted by the youth department. The Rev. Bill Rogers of San Angelo will be speaker.

Patterson said, "Everybody is invited; we're especially looking for you."

MORE RAIN SUNDAY

Heavy rains again fell on this area Sunday, bringing from 1.5 to 2 inches of moisture to the Bronte area. Inch-plus rains were reported over most of the county, and also to the east into Runnels County. The thunder-showers were kicked off by a cool front that passed through this area. Cloudy and cool weather prevailed the first of the week, with cloudiness decreasing on Tuesday.

Blackwell Suffers First Loss of 1971 Season

The Blackwell Hornets lost their bid for a successful homecoming football game last Saturday night when Ira pinned a 42-18 setback on the hosts.

Ira's Rick Cox led the scoring as he ran for three touchdowns and kicked three conversion points.

For Blackwell, Tommy Bledsoe, Don Boyd and Matt Clark each

picked up one touchdown.

The loss leaves Blackwell 2-1 for the season, and 0-1 in district play.

Go to Trent Tonight

The Hornets take on the Trent Gorillas tonight in a 7:30 p.m. district contest to be played there. The Gorillas are 2-2 in season play and 1-0 in district competition.

In other District 3-B action last week: Hermleigh 47, Fluvanna 24; Trent 60, McCaulley 34; and Highland 40, Hobbs 6.

This week's schedule includes Ira at Fluvanna; Hermleigh at Highland; and Hobbs at McCaulley.

The Highland Hornets are now rated No. 5 in the state.

American Newspapers

National Newspaper Week is much more meaningful in the United States than it would be in any other country, because nowhere else in the world is freedom of the press as well established or as jealously guarded as it is here.

It is not by accident that a free society depends upon a free press and vice versa. The two are inseparable.

In fulfilling their responsibilities as honest chroniclers of the news, American newspapers perform a more important service than informing the public about affairs of politics, commerce and human failures and accomplishments, vital though these efforts are.

The free press stands as a roadblock between the unorganized individual citizen and organized society which threatens to swallow him in its excesses. Let a voice of honest dissent arise, and the newspaper is there to record it. Let bureaucracy try, in a thousand devious ways, to put something over on an unsuspecting public and the newspaper is there to expose it.

Let a national cancer reach the dangerous stage, and newspapers serve as meeting grounds for arguments seeking a course of action. Let a major calamity strike a part of the people, and the newspaper leads in lending a helping hand.

It is not easy—at time, it is most difficult—to act faithfully as an adviser to so many masters and yet be subservient to none. The American exercise of the right of a free press is not perfect, but the fact it is the best there is was not achieved easily.

Freedom of the press is not the exclusive property of the newspapers. It belongs to each citizen and can endure only as long as he recognizes and practices his part in the whole scheme of things.

National Newspaper Week is not so much a time for celebration as a time for renewed dedication to the essential principles for which this and every American newspaper exists.

Regardless of how difficult the problems of an era may be, so long as the free press exists and prospers, a primary tool for their solution remains in the hands of the people.—Ft. Collins, Colo., Coloradoan

NEWSPAPERS *growing with America*

Public Notices Became Important As Country Grew

Reader's Digest, some years ago, reprinted this announcement from a country newspaper: **Anyone found near my chicken house at night will be found there next morning.**

That was a public notice. Since the beginning of time, men have found it necessary to communicate to others, information of importance to all.

When America was young, life was simple. People, of necessity, lived close together. When one man had a message for several others, he usually knew where to find them. If the message must cover a wider area, the town crier was employed to inform one and all. The system was adequate.

But then America began to grow. People moved out over a wider and wider area. The spreading of vital information became more difficult. For a time the accepted means was the posting of notices in public places. If the persons concerned happened to head it, objective was accomplished.

But America grew more—and more—beyond its founders' wildest dreams. Problems having to do with land ownership, debts, estates, purchases, elections, improvements, began to arise as America became big business.

Then was born the "Public Notice." As they always have, when needs regarding the public welfare have arisen, the newspapers of the country took on an added chore.

Today's newspaper is the chief medium for Public Notices of all kinds. Those notices are there for your information and protection and your guidance. They contain news — of your friends and neighbors, of public affairs that affect you as an individual and as a member of your community. They have grown out of a necessity for one man to in-

form others of his intentions. They are printed in the newspaper so that all men may KNOW and be able to live together in a well ordered society.

Some such notices are now required by law. Others are pub-

lished simply because one person wants his fellow citizens to know where he stands. In any case, they are there for YOUR information—and they must be read by YOU in order to serve their purpose.

Has Your Insurance Program Kept Pace With Today's Inflation?

Have you considered that today's inflationary prices may have made your insurance inadequate? Come in, let us check your policies and see if the amounts would take care of replacement in case of fire or other disaster.

Horns Top Eden, 20-12

The Bronte Enterprise

October 8, 1971

It was a rough and tumble affair at Eden last Friday night with scads of penalties, but the Longhorns emerged victorious, 20-12. Two of Bronte's counters came on blocked punts of the Bulldogs, one by Gary Skelton and one by Jim Dan Raughton. A pass from Alan Barbee to Raughton accounted for the other Bronte touchdown.

First Quarter

Darrell Fort kicked off to the Longhorns and the ball was spotted at the 30. Mike Arrott and Bobby Skelton made 5 each for a 1st at the 40. Kim Barrett made 6 and Skelton added almost 4, just short of the 1st. An Eden penalty provided the 1st on the 45, then a motion penalty against Bronte moved it back to the 40 for a 1st and 15. A 9 yard pass play was about all there was in the next series, so Arrott had to punt. It was killed on the 20 by

G. Skelton and Andy Eubanks. After 3 tries and faced with a 4th and 5, Eden punted but it was blocked and Gary Skelton scooped up the ball and went in for the counter. Bobby Skelton's kick was good and the score was 7-0.

Bronte was offside on the kickoff and Skelton had to kick over. The ball was carried back to the 45. Mike Eureste and Oscar Villarreal gained 10 for a 1st at Bronte's 45. Villarreal was the big runner as the Bulldogs marched up the field, making 1st downs on Bronte's 14 and 3. Quarterback Fred Rodgers kept the ball on 1st down and made better than a couple of yards, then he went through the middle for the remaining distance to score for the Eden lads. A pass try for extras was knocked down by Lynn Lawhon and the score was 7-6.

B. Skelton was downed on the 33 after taking the kickoff. Barrett carried for 6 and Arrott added 6 more for the 1st on the 45. Two plays later the quarter ended with Bronte having a 3rd down and 6 to go.

Second Quarter

The Horns bogged down, Arrott kicked to Villarreal on the 10 and he was tripped up on the 15. Eden was penalized half the distance to the goal on a clip, then Bronte drew a 15 yard fine to give Eden a 1st on the 25. Eureste and Villarreal made a 1st on the 35, then Eden lost 5. With a 1st and 15, the Bulldogs drew a 15 yarder for holding. Jerry Graves and Gary Skelton did some powerful defensive work on the 3rd down try and the Bulldogs had to punt from the end zone. Again, it was blocked and taken in by Raughton for the 6 points. PAT failed and the score was 13-6.

Both teams failed on the next series of downs and Eden had the ball with a 3rd and 8, when Rodgers tried a pass, only to have it intercepted by Arrott. He was nailed on the Eden 30. Arrott picked up another 8, then Graves went to the 15 for a 1st down. Arrott and Barrett added 3 yards to the 12. Then Barbee tossed a pass into the hands of Raughton for the third TD for the Horns. B. Skelton's kick was good and the scoreboard said 20-6.

The kickoff and one play ended the 1st half.

Third Quarter

B. Skelton kicked off to Villarreal and with the help of a face mask penalty against the Horns Eden had a 1st on their 48. The Bulldogs began moving the ball and made a couple of 1st downs. The Bronte defense tightened and the ball went over to the Horns on their own 25. Eden drew a face mask penalty and pass from Barbee to Barrett moved the ball to the Bronte 48. A couple of plays later Rodgers intercepted a pass and went the distance for another Eden touchdown. Try for extras failed and the score was 20-12.

A bad bounce on the kick off pushed the Longhorns back to the 14. A pass to Raughton was good for 9, and B. Skelton made the 1st on the 26. Skelton then made 3, and Raughton caught a pass but it was called back and the Horns were penalized, bringing up a 2nd and 12. Barbee threw the ball to Lawhon for 8 and

Arrott made the 1st on his 44. A pass for B. Skelton made another 1st on the 32. Arrott ran for 14 and a 1st on the 18, then the Longhorns were fined 5 yards. Skelton went around the end for a 1st on the 7. The drive ended there, however, as Shan Click intercepted a pass and took off for the Eden 34 yard line where B. Skelton stopped him. The Eden team couldn't make 10 yards and Bronte took over close to the 44. The Horns tried 3 downs, then Arrott punted to the 18. The quarter ended 3 plays later with Eden owning the ball with a 3rd and 13.

Fourth Quarter

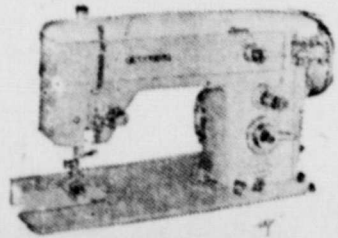

Eden punted but it was called back and they were penalized 5. The second punt went to Barrett who ran it to the Eden 35. However a clip was called and the ball was moved back to the 50. The Horns failed to make their 1st and Arrott punted to Villar-

real who was stopped on his 32. Eden kept possession of the ball for a good while and moved it as far as the Bronte 43. But, penalties and losses moved it back into the Eden end of the field. The Bulldogs had to punt and Raughton blocked it on the Eden 39 yard line. The Horns ran a series, but didn't make 10 and the ball went over on the Eden 30. Eden moved to the Bronte 45, and it was from there that B. Skelton intercepted a pass and ran it back to the Eden 35. The Horns got off one play before the clock ran out. Score: Bronte 20, Eden 12.

Game notes indicate that Mike Arrott was in on tackles time after time, playing a fine defensive game. Others mentioned include G. Skelton, Louis Martinez, B. Skelton, Barbee, Raughton, Graves, Eubanks, Barrett, Danny Carper, Lawhon and Brad Reed.

Well Groomed Scholars

Schools bells are ringing and suddenly clothing lists and new schedules materialize. During this annual reorganizing period, it's good to include an evaluation of cleanliness practices. The summer emphasis on casual living usually means that regulations for both bedtime and careful grooming slip a little. And, re-establishing routines and priorities as the school year begins helps to get the household in good running order.

The first consideration is the up-an-out schedule for each family member. Then there are the individual personalities to dovetail into the bathroom-breakfast scene. There are those who seem to awaken immediately as their feet touch the floor. Others require a 15 minute warmup period before embarking on the day. So if several scholars have to be off to school at the same time, put the speedier members ahead of the slowpokes in the shower, face washing, tooth brushing lineup. Or awaken the pokey a little earlier if need be so that he will have plenty of time to get going.

Insist that each person clean up after himself. It doesn't take that much longer to put things in order. And there's no reason for mom to wander into a room of floor based wet towels and toothpaste spattered washbasin.

Speeders and dawdlers also exist while tending to grooming. Sometimes the quick to rise are also the ones who like to luxuriate too long in the shower and throw everyone off schedule. A night before, long-as-you-like tubbing may be in order.

Naturally, dad deserves first choice for convenience. And if he

is one who likes to ease into the morning—and only one bathroom is available—everyone else has to make the best of it and do more before bedtime preparation.

Clean skin and teeth, combed hair, freshly laundered clothes and a nutritional breakfast are the best daytime start a mother can give her family. So it's worth scheduling and getting up early to accomplish.

Mrs. J. B. Cole moved from Bronte to Brenham this week, and will live there near the home of her daughter.
