Longhorns Travel to Eden for Friday Game

The Bronte Longhorns will be after their second win of the season Friday night when they travel to Eden to take on the Bulldogs. Kickoff time is 8 p.m. and local fans are urged to travel to Eden and back the Horns.

The Longhorns looked good last Friday night in their season opener in taking a comparatively easy 20-0 win over traditional foe, Robert Lee. It was the second year in a row for the local boys to shut-out their cross-county rivals.

Eden has dropped two games this year and will be battling to get into the win column against

the Longhorns. Menard dropped them in their opener, 38-6, and Early mauled them 59-0 last weekend. The Longhorns take on Menard Friday of next week at Menard.

The Abilene Reporter-News' rankings this week gave the Longhorns the No. 1 spot in the Big Country Class B rankings. They also moved up to No. 19 in the Harris poll. They had been ranked No. 2 and 24.

3-B GAMES

CITY SALES TAX EFFECTIVE OCT. 1

Local merchants and their customers are reminded that the 1% sales tax for the City of Bronte will go into effect Oct. 1. The tax was voted by a large majority last April.

The 1% tax for the city will be added to the 4% tax which most customers already pay, making a total of 5% which will be added to most local purchases.

First National Bank of Bronte has ordered some of the new tax schedules and The Enterprise is now in the process of printing them. The bank will give the new 5% tax tables to their customers as a public service.

Mayor R. T. Caperton said the Bronte City Council hopes the 1% tax will furnish Bronte with needed revenue without an increase in city property taxes.

Longhorns Shut Out Robert Lee Steers, 20-0

The Bronte Longhorns unleashed a strong running attack last Friday night and a stout defense to blank the Robert Lee Steers for the second straight year, 20-0. Though losing heavily by graduation, the Horns seem to have found able replacements, and could once again be an outstanding Class B team.

The Longhorns carried a 13-0 lead to the locker at the end of the first half and a beautiful 85 yard punt return by Wayne Coalson in the early part of the fourth quarter iced the game away. Kerwin Denton and Randy Parker scored the other two Longhorn touchdowns, and Denton hit two of three EP tries.

Though dominating the first quarter, the Longhorns could not get into the end zone until Denton scored his TD from the 4 yard line early in the second period. The touchdown was set up by a fine pass reception by Parker from quarterback Nelson Coulter. The play carried to the Steer 24 and covered 45 yards. From there Turney Coulter and N. Coulter moved the ball to the 4 from where Denton carried it over.

Some confusion on the EP try caused the ball to go awry and the score remained 6-0.

Following the kickoff by Clint Porter the Steers went to work and moved the ball to the Bronte 19 yard line. Facing second and 10, the Steers went to the air. The ball was picked off in the end zone by Coalson and Robert Lee's most serious threat of the night was turned back.

The local boys immediately went to work with T. Coulter picking up 5. Then Denton broke loose on a beautiful run to cover 59 yards and set up the Horns on Robert Lee's 16 yard line.

Following a delay of game penalty N. Coulter found Parker in the end zone for 6 more points. Denton's kick was true and the score read 13-0 with just over a minute left in the first half.

Once again the Longhorns dominated action in the third period but could not score. N. Coulter, T. Coulter and Denton, along with Billy Ren Lee and Coalson, picked up good yardage, but could not get the ball into the end zone. Then came the fourth quarter

and the score that put the icing on the cake. Shell Williams, an outstanding punter for Robert Lee, boomed the ball over Coalson's head. Coalson chased it down on the Bronte 15 and set sail up the side line. Some beautiful blocking cleared the way and 85 yards later the Longhorns had 6 more points. Denton kicked the EP to make it 20-0.

The remainder of the game saw little action with the ball exchanging hands several times and neither team able to mount a scoring drive. Final score: 20-0.

The Longhorns outgained the Steers on the ground 224 to 90 and in the air 88 yards to 2. Bronte had 17 first downs to Robert Lee's 9.

Outstanding play on both offense and defense was turned in by N. Coulter, Parker, Bobby Frazer, Coalson, Eliseo Sanchez, T. Coulter, Lee, Darron Koenig, Denton, Keith Eubanks, Mario Gonzales, Mark Lee, Porter, Paul Cervenka, John Hibbs and Donald Butler. Almost all of the Longhorn squad saw some action and did a creditable job.

The state ad valorem tax of ten cents on \$100 valuation is continued as the source of revenue for the Fund. The ten cent higher education tax may be changed by law within the ten cent maximum. The legislature may allocate by law a portion of the Higher Education Fund to certain state vocational and technical institutes. The article provides that the public education system must furnish each individual an equal educational opportunity, but a school district may provide local enrichment of educational programs exceeding the level provided by the state consistent with general law. Authority to issue Permanent University Bonds is continued but the bonds may not exceed 30% of the Permanent University Fund.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the EDUCATION PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976, except Article VII, Section 9, which becomes effective January 1, 1979.

PROPOSITION NO. 5 ON THE BALLOT

Revising the finance provisions of the Texas Constitution. Article VIII, Finance, is amended to:

Provide that state taxes may be levied and collected only by general law and to prohibit any state ad valorem tax on real property or tangible personal property except the ten cent tax provided for in Article VII and a

political subdivision may increase this amount. The legislature by law may exempt from ad valorem taxation certain property owned by veterans' organizations, non-profit water corporations, and persons in need because of age or disability, and economic circumstance. The legislature may also exempt property to preserve historical, cultural or natural history resources. Taxpayers are provided a new method of correcting inequitable tax assessments by paying ad valorem taxes under protest and suing for a refund in a district court. State debt may be authorized by law only if approved by a two-thirds vote of each house of the legislature and submitted to and approved by a majority of the qualified voters of the state voting on the question. Public funds and public credit may be used only for public purposes and no public funds or public credit may be used to influence the election of a public officer. The article prohibits a retail sales tax on agricultural machinery or parts, fertilizer, feeds or seeds, prescription drugs or medicine, or food, except food sold by restaurants for immediate consumption. An assessment voted by marine food or agricultural producers on their product sales is not a tax if provision is made for the individual producer to receive a refund of the assessment when the producer does not desire to be assessed.

lished for operating purposes for cities and counties and the legislature is required to fix debt limits for cities, towns, counties, and school and community junior college districts.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the LOCAL GOVERNMENT PROVISIONS of the Texas Constitution."

Provide the basic requirements relating to public officeholders such as the official oath and residency requirements. The provision defining the separate and community property of spouses is retained, and the protection of a homestead from forced sale is continued. The legislature is required to protect certain personal property from forced sale. Current wages for personal service are not subject to garnishment. A private corporation may not be chartered except under general law, and no bank may engage in business at more than one place in this state. The legislature must provide for the regulation of bank holding companies. The present system of local-option elections for the prohibition or sale of alcoholic beverages is continued. The legislature is required to prohibit lotteries and gift enterprises but may permit certain bingo games and raffles. The presently existing provisions for retirement benefits of teachers and other public employees are modified to allow the state to con

Spain Retires FROM Florida. OR, HOW AMERICA picked up FLORIDA for \$5 million.

No luxury hotels. No drinks served at the pool. Just sand and palms and alligators. And a lot of fighting for it that destroyed property throughout Florida.

Americans in Florida figured Spain owed them \$5,000,000 in property damages.

Our government offered to pick up the tab for Spain, if Spain would retire from Florida. Spain accepted. And was out.

You know, money from our citizens helped pay for things back then. And it still does.

Today, you can help with U.S. Savings Bonds. And at the same time, they let you build savings. Easily. Automatically.

This happens when you join the Payroll Savings Plan, or buy Bonds where you bank. Year after year, you accumulate more and more savings. And it can add up to a bundle.

So maybe you'd better start this week. Because, someday, you'll have to retire, too.

Now E Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes, and federal tax may be deducted until redemption.

Denture problems?

OraFix holds dentures better because it spreads better.

Tests prove OraFix® spreads better than the other leading denture adhesives — cream or plastic. Other adhesives can leave gaps between dentures and gums. So food particles and air can get in causing dentures to slip. But OraFix spreads better so it can fill even tiny gaps. Result? OraFix seals and holds dentures tight.
