Oct 1st 1902

Dear Rustler.

After waiting some-  
times I shall write a few lines.

We are having plenty rain on the Plains now, and grass is good stock are fat, and if the weather does not get colder than it was last year, most of the stock can go through the winter without feeding there was but little rain in June and July, in consequence of which crops are light feed crops will make about half a crop some cotton on the plains will make a fourth a bale per acre.

After spending a little more than a year in this country, I think it a very fine part of the state and a man who is able to buy a section of land, and a young man can do well here, working for wages.

Mine & Mrs. Fair's health has improved since, we come to the Plains.

I spent a month traveling in Kansas this summer. Have been helping in protracted meetings since my return from Kansas we had some grand meetings several conversions.

I visited J. D. Hallmark recently. He is doing well has a good home, and nice bunch of cattle mules and horses.

Mrs. Hallmark visited her mother (Mrs. Fair) recently she has two nice intelligent, sweet children a girl, and a boy.

Would love to see the Coke county people.

Glad to learn of Bro Simpson's grand meeting, on Robert Lee charge.

Wishing the editor, and all the readers of the Rustler success.

success, and happiness, in this life, and a home in Heaven I shall sign off. Yours Truly,

Geo. F. Fair.

# THE RUSTLER SUPPLEMENT.

## FROM VALLEY VIEW.

Mr. editor.

I am not a candidate for any office, neither am I riding the political poney, nor the war, horse. But as this is a campaign year and the election is drawing near. I would like to offer a few thoughts to the voters, of our country. Voters: when you enter the sacred precinct of the ballot box and are about to discharge the most sacred duty that has yet fallen to the lot of man to perform, remember, the responsibilities that are upon you. The vote you are to cast, is freighted with good or evil, not only to yourself your family and your country, but perhaps to unborn millions. Consider that through the unwise use of the ballot in your hands, the temple of liberty may be undermined to its fall. Our fathers marched to the ballot box in their days and next the questing that arose.

Their zeal and watchfulness avoided fatal mistakes, they knew no sacrifice too great to be made in behalf of freedom and progress. Jefferson and his co. workers solved the problem of the ages and provided a government with all safe guards necessary to the perpetuation of liberty. He fore saw however, dangers that would arise and he cautioned the people against them.

Other rates: On the 3rd we were blessed with a verry good rain which renewed life in the growing vegetation, but the temperature feels to day, like Jack frost. might give us a call soon, and that would mean death to some of our feed crops.

cotton picking is almost over with, cotton has yielded fairly well averaging about one fourth bale per acre.

The Valley View gin will make the record of something over one hundred bales.

A number of our youngsters, attended the wild West show at San Angelo. All report having enjoyed the occassion verry much.

Mrs. C. A. Collett, was on the sick list last week its reported that she is convalescent, at this writing.

Mr. T. A. Houston has sold his cattle to Mr. Tol Cowley, of San Angelo.

The Valley View school building is nearing completion and when completed, it would be a credit to and community.

Success to you Rustler.

Long Tom.

## NEW HOPE NEWS.

Editor Rustler:

I will give you the news of our community.

People are gathering their cotton now.

Crops. are sorry in this part of the county, except Mito Maize and kaffer corn, but the people will have enough feed for their stock.

Sunday September 28, Mr J M Wimberly and Miss Earnest Kirkland were united in marriage Judge Graham officiating After which the young people enjoyed a singing Miss Pearl Hamilton and Hattie Kirkland rendered some nice music on the organ and this is not all; for the groom parents gave a supper that was enjoyed very much by our young people.

Messers John and Asa Ross made a trip to Decker this week.

Mr. and Mrs. Russell, of Decker, was down at New Hope the first of the week.

Mr L F Scarborough and family, of Sango, visited their daughter, Mrs. B. H. Ross last week.

Rev. W. C. Burr made a trip to the metropolis of Coke this week.

Prof. Gilbert, of Olga, has been employed to teach our school this year

I will close for fear this finds its way to the waste basket.

New Hope Hoosier.

There is no danger of such letters as the above going to our waste basket.

## To The Voters of Coke County.

There has been a certain element working verry hard to try to fool the people in the sheriff race in trying to make them believe their candidate for sheriff is the only man that stands any show for the office this is a pretty slick scheme but I dont think the people of Coke county are going to swallow it the people in my end of the county are told by these

schemers that Blackwell is a good man and would make a good sheriff and they themselves would like to vote for Blackwell but he stands no show this is the scheme that is being worked against Mr. Blackwell now to try and fool the people and defeat Mr. Blackwell now I want to say right here that I have talked with as many people of Coke county as any man except the candidates and I find that Mr. Blackwell is beyond a doubt the strongest man in the race for sheriff today and he is also gaining ground faster than any man in the field and I am glad to know that the people are now seeking the man that will make the best sheriff instead of the man seeking the office I have no ax to grind in suporting Mr. Blackwell he is no kinsman of mine neither am I expecting a deprey ship from him but as an humble citizen I simply have the best intrest of coke county at heart and would like to see her offices filled with the best men we have men that the management and finances would be safe in their hands and men that will enforce the law as found on the statute Books of our country.

J. D. O'Daniel.

## Obituary.

In memory of Mrs. Geneva Tannehill (Nee Strawn) who, departed this life, Sep., 27th, 1902 she was married to Ben Tannehill the third day of Dec 1875 in Collico county Texas, and in the year of 1876 moved to creath county Tex, and lived there till the year 1890, when moved to Coake county Tex. She was Converted and joined the Babtist Church at 16 years of age, lived a consistant member untill her death, She was 46 years old the 18 of July 1902.

She called the writer to her bedside the day before she past away and told me it was finished. I asked her if she was ready? She said: yes her way was clear and she was willing and waiting.

A precious one from us is gone a voice we loved is stilled, a place is vacant in our home which never can be filled.

God in his wisdom has recalled the boon his love had given and though the body molders here the soul is safe in Heaven.

Tis hard to break the tender chord, when love has bound the heart, tis hard so hard to speak the words; we must forever part. Dearest one, we must lay thee, in the peaceful grave's embrace, but thy memory will be cherished, till we see thy silent slumber, peaceful in thy grave so low, thou no more will gain our number thou no more our songs will know, yet again we hope to meet thee when the day of life is fled, and in Heaven with joy to greet thee, where no farewell tears are shed. We all have a precious treasure and mine is the upturned face of one who has now departed lifes sad and toilsome race when I look into that patient face, past days comes back to me. Oh! how she labored day by day, that we might happier be and when the hand of affliction fell heavy in sickness and care, to lighten our trouble and suffering with deeds of love she was there. When I stood by the open coffin, far a look which must be my last, on the calm and tranquil features from which pain and care had passed, when the heralds of death are sent forth, and I am called to appear on high, may I meet my sainted wife and mother, in that home beyond the sky.

Written by a true friend and sister in Christ.

Mrs. M. J. Myers.

Mr. Wm. Turner, father of Messrs. Stanley, Harley, Ainslie and Wiltred B. Turner, died at McLaughlin ranch, near Water Valley, last Saturday afternoon. The funeral took place Sunday afternoon. A more extended notice was unavoidably carried over to next week's Press.—S. A. Pres.
