The Bronte Herald Says it look to us like as Beeman is such a good ad Rustler he would be able to get more than 3 small display cards from his home merchants but this is all his paper contained last week.
 We will just state that the reason our merchants does not advertise more, is because they are just simply too busy to write up the copy. It isnt because our space is too valuable to publish their ads.
 Aint the Editor of the Bronte Herald a Rosster, we wonder how he can find time and have space in his valuable paper to host Robert Lee.

Ye Editor was certainly surprised when he looked over the valuable columns of the last weeks Herald and failed to find the expected Obituary, but it was a glad surprise however. And since editor Howell is so busy we wont fear any danger here after.

BEAUTIFUL COMPLEXIONS.
 Are spoiled by using any kind of preparation that fills the pores of the skin. The best way to secure a clear complexion, free from sallowness, pimples, blotches, etc., is to keep the liver in good order. An occasional dose of Herdine will cleanse the bowels, regulate the liver, and so establish a clear, healthy complexion. 50c at H. H. Pearce's.
