SUN STROKES IN STRAWN SAGE SILVER

A new Brown said a pay action was discovered last week in Sun No. 2 H. L. Brown, northeast of Silver. On a one-hour drillstem test last Fri­day from 5,650-6,000 ft. No. 2, Brown, worth close to 500,000, 465,760 ft. was shut down last week, test 145-HAA-145. The company is considering taking the well. It is in the center of an NNW line 150-A, 100-A out of the east part of the Janesville field at Silver. Operators will go on to the line next week and were drilling ahead Wednesday at 5,012 ft. In the well.

Some Room For Improvement

Delays in getting long distance calls through, failure of switchboard operators to handle long and distance calls promptly and efficiently, poor service on many rural lines, and failure of the company to provide prompt repair of the lines, were among the complaints offered.

The old switchboard was worn out was advanced as a possible reason for poor service. Suggestions were made that a new dial system might correct the situation, and the company was quoted to station a lineman in Robert Lee.

Robbins noted ROD number in the nature of their complaints, and was told that dissatisfaction was general and centered most place of the service.

Local Youths Win High Honors At Angelo Stock Show

Coke county FFA and 4-H youths made a fine showing in the big Angelo Stock Show last week. Two Angus steers from Robert Lee took the championship and reserve in the light weight division, while a Brangus steer was 1st in the heavy Angus class.

Robert Lee FFA chapter with 80 local youths had by far the largest number of entries in any group or county. They also showed in harness.

Bill Carwile of Robert Lee FFA was 1st in his light weight crossbred class. Donald Snyder was 15th on his heavy crossbred entry. All show animals were natural.

Champion Angus steer was owned by Bill Simpson, 4-H club member, and 15-year-old son of Mr. and Mrs. Marvin Simpson, owners of Black Gotti Angus Farms of Robert Lee. His 790-pound steer was sold at $50 per pound.

Second on his light weight crossbred lambs was Melba Austin, 15th on his heavy Angus class.

3rd place for light weight sheep went to Mrs. A. D. Fields.

There will be an election of delegates, and also the council chairman, and expenses will be paid by the HD Council.
Bad Record Causes 40 Pct. Boost In Insurance Rates

Robert Lee fire insurance rates will be nearly 40 per cent higher the coming year. This information was made public this week by local insurance men from the State Fire Commissioner. Reason for the large rate increase is because of the city's bad fire record for the past year.

Effective March 1, 1951, and continuing to Feb. 29, 1952, a charge of 45 per cent over the standard rate will be effective on all policies covering property located within the city limits of Robert Lee. Previously a discount of 20 per cent was allowed from the regular rate.

Robert Lee has too many fire losses in recent years and insurance rates are based on the fire record. Insurance of $10,000 was paid on the Casey garage fire, and $5,000 to Mrs. V. V. Lowery, whose offering building was damaged. Several burning house fires also helped bring up the total to a large figure. The Luther Spokes house which burned a year ago was insured for $4,000.

W. B. Cobl, local insurance man, says the rate may be decreased if our fire record is kept up for a few more years. It will take at least three years to get back our former good record.

EASTER SUNRISE SERVICES

Easter Sunrise Services will be held again this year on the mountain at the ranch home of Mr. and Mrs. Henry Weaver, south of Robert Lee. Singers are requested to meet at the Baptist church next Sunday at 8:45 to organize and rehearse a community choir for the Easter Services. All denominations are urged to take part.

SILVER NEWS

Mr. and Mrs. Elmer Lowe have sold their service station in Ramsey, Texas. They came here from California City in May 1948 and took over the station from J. C. Cannett. They wish to state they have enjoyed their stay in Silver and appreciate the people and money given them. They will live temporarily on a place south of Woodlands.

Eliis Hanig, engine operator at the Sun station in Silver, left early Saturday for San Diego, Calif., for two weeks of naval basic training. He is a member of the Sun Willow reserve unit. Mrs. Hanig has gone to visit her parents, the S. N. Crowleys, at Tulsa, Okla.

Mr. and Mrs. Chester Self of Pampa spent the weekend here with the former's parents, the Adams.

Jim Berdodini, Sun pipeline employee, returned home Saturday after spending four days in Root Memorial Hospital in Colorado City.

Dode Holland has been added to the staff of service employees at the Sun gas plant, and for the present is listed as a mechanic. He and his wife are living in Robert Lee.

Rexie Haynes, field plunger man with Sun pipeline here the past year, was recently transferred to the Ingalls terminal. L. K. McElroy of near Ingalls is his new plunger man.

Raney Jamerson, who bought and moved Ladd Lockwood's service station in the Sun Elliff area, was sworn by Sheriff Jones, to work on the job. He and wife will own the business, as he was a mechanic on the station when it was a Sun service station in the early fifties. He and his wife are both native Silverites.

John March, 19, of Mr. and Mrs. Silas of East of San Angelo, recently visited with home folks. He is a student at San Angelo Junior College.

Desiree Knapp, daughter of Mr. and Mrs. W. L. Carst of Silver, has elected the Air Force and is stationed at Greenville, Miss.

Dr. Robert Maynor, who is with the 86th Tank Bn. in Germany, has been there three years. Mostly had colds and flu.

He and have been your own item in the special box at Okan Drug. Please have them in by 11 a.m. each Tuesday.

TO WED—Miss Esther Lousen Allen is to wed Walter T. Jones March 24, it has been announced by the bride-elect's parents, Mr. and Mrs. R. B. Allen of Silver. Miss Allen is a graduate of Robert Lee High School and is now attending San Angelo College, where she is a member of Lambda Tau sorority.

Mr. Jones, son of Mr. and Mrs. Sher- els. You will not be left with seed on his requirements now. Our supply is limited, try just a few hundred boxes. You will not be left with seed on your hands if it doesn't rain. We will want it and pay you a profit. FRED MCDONALD, JR.

ROBERT LEE, TEXAS
Here's What Soldiers Fighting In Korea

Think About The Red Cross

When we were surrounded and had to fight our way out of the trap, we were taken into the aid station. We had lost all our personal belongings. From the aid station we were taken to an evacuation and there flown to the field hospital, Ascon City. The first person that I saw in the field hospital was a Red Cross worker. She went among us on the litters and gave us cigarettes, candy, and toilet articles, soap and towels, but even more important she talked to us and helped us in a hundred ways; she arranged our bandages, fixed our blankets and made us comfortable.

Later, when we were flown to Japan the first thing we saw when we arrived at the air base was a mobile unit of the Red Cross. I don't know how many cups of coffee I drank or how many sandwiches and donuts I put away but it was a lot. Cigarettes and candy were there also. At the hospital in Japan the Red Cross again was the first thing I saw. Again we were treated as though we were kings. I realize now that it wasn't so much what we received as the way in which it was given.

Every day we had a visit from the Red Cross worker in the hospital; she furnished us everything from magazines to writing letters home for those who couldn't write. I could go on for pages, but it still wouldn't do those people justice. They were always cheerful and seemed to want to go out of their way to help you.

When I returned to the United States it was the Red Cross who furnished the money for my plane from San Francisco to Shreveport. They understood that in Korea a man may not get paid for months. I myself have not been paid in full since last July. Mrs. Hart, my gratitude knows no bounds for what I have received from the Red Cross and I know of others who have had the same wonderful treatment. I have also heard those who tell of the bad things that the Red Cross does. It may be true that some Red Cross workers are not what they should be. In every large organization there is usually some person who give the organization a bad name. All I know is what I have actually seen and experienced myself. Never have I had to pay for one thing that I have received from the Red Cross and I have no knowledge of the Red Cross ever trying to sell anybody anything.

You will find enclosed my contribution for the Red Cross for the year 1951. While I realize that it is small, if everyone in the parish would contribute the same amount it will go a long way. If they could see with their own eyes what I have seen the Red Cross do, I know they would help also.

Yours truly,

(Signed) DAN A DELANO

Dear Mrs. Hart:

I have meant to write before this to express my appreciation for the wonderful way in which the American Red Cross has handled my own personal problems. However, I do know the circumstances under which I was brought home. From the aid station we were taken to an evacuation and there flown to the field hospital, Ascon City. The first person that I saw in the field hospital was a Red Cross worker. Elsie Carvels spent the weekend in the home of her brother, J. L. Carvels, and then went to Stepping City. She spent the last few weeks in San Angelo recovering from an operation.

HSU Enrollment Drops

Aldine—Two students from Robert Lee are among the 1600 students enrolled at Hardin-Simmons this spring. They are Paula D. Reeves, daughter of Mr. and Mrs. John D. Reeves, and John Miller, daughter of Mr. and Mrs. W. M. Miller. Opening classes began January 31 and will continue through May 28. University officials report a decrease of approximately 200 from the fall semester, largely due to men called into the armed services.

Miss Juanita Bibbs and her friend, Rob Bean, were down from Big Spring for a weekend visit with friends and relatives.

Charles Beasly, who is stationed at Ft. Hood in an armed tank division, spent Sunday in the parental C. W. Beasly home. Mrs. Robert McGhee of Lubbock motored to Ft. Hood on Sunday and brought her nephew to Robert Lee, and then took him back to camp Sunday evening.

$115,282,344

Damaged highways, such as the Texas highway shown in this picture, are a hazard to the safe operation of automobiles, farm trucks and other motor vehicles.

It costs three times as much to build roads that will withstand the loads of big trucks now being operated on them than it does for the smaller trucks and automobiles.

Latest records show $115,282,344 was spent on Texas highways for the year ending August 31, 1950.

A bill sponsored by the big truck operators is before the Texas Legislature. This bill proposes:

(1) to increase the load limit from the present 48,000 pounds to 72,000 pounds, and

(2) to increase the maximum truck length from 45 feet to 50 feet.

Recent official highway tests at La Plata, Md., sponsored by the U. S. Bureau of Public Roads, the highway departments of eleven states and the District of Columbia, effectively demonstrated that as trucks increased in size and load, roads cracked up and "died" more quickly.

We need to safeguard our highways for Civilian and Military use. "Increased heavy loading might seriously disrupt the effectiveness of essential routes in an event of all-out war," according to T. J. Kaiser, director of the Ohio Highway Department and Chairman of the La Plata road test committee.

The big truckers want the taxpayers to con- tinue providing expensive highways for them to use as "rights-of-way" for their own, selfish, personal gain.

This is A TUG-OF-WAR BETWEEN THE BIG TRUCKERS AND THE TAXPAYERS OF TEXAS!

Automobiles and small trucks do not require extra strong, extra costly highways. The truth is, that the big truckers are putting the "pinch" on the pocketbooks of the Texas taxpayers.

Get the facts. Mail the coupon below for your copy of "The Case of the One Per Center," and for a reprint of the article published in TIME, January 22, 1951, about the La Plata highway tests.

NOTICE
My place south of Robert Lee has been posted and $50 Reward will be paid for the arrest and conviction of any person or persons trespassing upon my property without permission.

Robert Lee Grid Star—Bill Roach, left, president of the Robert Lee Quarterback Club, presents Dan Hamilton, senior and co-captain of the 1950 Steer football squad, the annual outstanding player award. Hamilton was voted the honor by 27 teammates at the annual Robert Lee football banquet held Tuesday night.

Steer Prospects Good
Although Robert Lee loses eight first stringers by graduation, Coach Charles Dennis will have some excellent material to take their place. Sophomores in the backfield will be Dennis Duncan and Bill Heron, a couple of weakbacks. Norman Roberts, only freshman on last year's team, who played a great game at end, will be shifted to the backfield. Others with experience heading the line include Billy Carville, Wesley Robertson and Garland Davis. Licenses who lettered the past season are Milben Wink, Clemons Montgomery, J. B. Brown, Rover Wallace, Addie Strain, Elmer Greathouse, Bobby Robertson, Marvin Simpson, J.ick Mitchell, Addison Davis, Elmer Greathouse, B. G. Wood, W. S. Less and Dale Westrip. Seniors who have completed their high school football days are Walden Loflin, W. W. Davis, Jerome Stockwell, Tommy Kolpach, Bobby Hoot, Ronnie Baker, Donald Hamilton and Donald Meador.

Mrs. Wojtek Hostess
To Mary Marthas

The Mary Martha Class of the Baptist Church was entertained Tuesday for a business meeting and luncheon in the home of Mrs. Victor Wojtek.

Mrs. Wood Children, president of the group, conducted a Bible quiz. Mrs. Ernest Stewart sang "I Heard the Voice of Jesus Say." After the business meeting lunch was served to 29 ladies and several children.

Wendels and wife of Trendon were recent guests in the parental Mildred home. Mrs. Wendels is the former Mildred Mox. Wendels is employed on a Scurry county bridge project with the State Highway Department.

Wallace Ross has been promoted to Private First Class, after only two months of service with the armed forces. He is stationed in the Air Force at Kresser Field, Miss., and is studying radio.
