Good Stuff Store Portales, : : New Maxico

ways have the very best stuff that can be bought and the reason we can sell so much cheaper than our competitors is because we buy for E got Big Stores at a Time, and we buy our goods direct from the Manufacturers and a do not have to give jobbers prices for them. Our buyer will start to Coingo, St. Louis and othes Eastern Markets about rebraary 15th whose he will meet a buyer from each one of the other stores and will buy more goods and better goods than has ever been brought to Portales before. We are getting better acquainted with our tinde and know more what they want and will do our best to get everything that our friends and customers want

Trade at The Good Stuff Store.

Just received, a nice lot of Red Seal inghams in the very Newest Patterns, also a shipment of Calico, which we will still sell at per yard

5 Cents.

Ye bought this before Calico went up and we will give our customers the benefit of it.

Dress Goods.

We have just received a few Patterns of our Wool Dress Goods for Spring. They are new colors such as the new Green and Dark Ked, Navy and the latest shades in Tans: also have them in the Checks and Stripes. Prices per yard

\$1.00 to \$2.00.

This Store is this Home of the Hart-Shaffner and Marx Clothing. The kind that fits well. The kind that wears well. The kind you always find made in the latest styles. They are guaranteed to be all wool. Prices from

\$18.00 to \$30.00.

We are exclusive agents in Por tales for Spero Michael & Son Clothing Mea's Suits from

\$7.50 to \$25.00 Boys' Suits from \$1.50 to \$8.50.

We give you more goods and better goods for your money than any other house in town. And wl en you are in town we want you to come in and get acquainted with us. If you don't want to buy anything make this your stopping place while here. We are always glad to show you through our large stock so will know where to come when you want to buy.

\$ 50.000. 5.000.00 3.823.51 50.000.00 100,270.30

Last Thursday, February 11th Mr. A. S. Casgrain, Hydraulic and Mechanical Engineer for the Howe Engine Co. of Indianapolis, Ind., and Mr. J. W. McQueen agent for the same company for New Mexico and Arizona, called on our City Council with a view to ascertaining the facilities available in fighting fires in Portales, N. M., and determining that this city is absolutely with out fire protection, and that the citizens here are anxious for ome modern fire fighting appar atus suggested that if satisfactoy with the council and the citi ens that they would bring owerful and modern fire fight ng engine here to demonstrate so that the people here can deermine for themselves just what ervice such a system could be Portales.

The engine if installed here fill reduce the rates of insurance rom 15 to 25 per cent, and this reduction in rates in one year uld offset the cost of the sy-

The system that these gentle men will demonstrate here is identical to the one now in service at Pecos City, Texas, and an idea as to the power and efficiency of this machine can be gathered by watching it work.

This Company is bringing this machine here at their entire risk and they are satisfied that they can satisfy even the most skeptical as to the efficiency and need of such a machine for the protection of this city.

The machine and demonstrating equipment complete will be here within thirty days and then the citizens of Portales will be nvited to witness the demontration and can so determine ust what such a system can do

The Howe Engine Company ave been in the manufacture of re fighting for over 35 years nd their engineers state that he machine which will be demenstrated here represents the result of these many years of practical experience in the manafacture of fire apparatus and in the actual experience of their experts in nearly all of the large fire departments of the United States and Canada,
