Wolf Starters Are Announced

Coach E. A. Kimmins tomorrow night probably will start seven lettermen, two squadmen and two new men as the Dalhart high school Wolves open their season against the invading Stinnett Rattlers.

The game will open at 8:00 under the lights on the new turf field in Rita Blanca stadium, on the shores of Rita Blanca lake.

There is still a little doubt about Herman Jenkins, 152-pound senior, who is listed as a probable starter at left guard. He has been suffering with flu and may not play.

Junior Keller, 183-pound senior tackle, is not playing because he has had his tonsils removed. He may be ready to go against Tucumcari at Tucumcari next week.

Kimmins emphasized that the tentative line-up announced this morning will remain tentative right up to game time. In addition to Jenkins, it includes Captain Gallett, left half; French, left end; Bearden, center; Profitt, right tackle; Martin, right half; Thomason, tailback. These are all one-year lettermen with exception of Gallett who has lettered two years.

Ogle, left tackle; and Keyser, fullback, are squadmen. Rookies are Kennison at right guard and Payne at right end.

This line-up averages slightly over 155 pounds. The Stinnett outfit reportedly averages around 138.

C. Of C. Board Meets Tonight

Chamber of commerce directors at 7:30 will study the increasingly acute farm labor shortage in an effort to help farmers and stockmen, and also expect to hear several new proposals bearing on community projects, it was authoritatively learned this morning.

Directors moved their meeting up from tomorrow night so as not to conflict with the Dalhart high school football opener tomorrow night at 8:00 against the Stinnett Rattlers. The game will be under lights on the new turf field in Rita Blanca stadium.

Defense Police Set-Up Forming

AUSTIN.—Gov. Coke Stevenson, chairman of the National Defense Committee for Texas, today announced that defense police mobilization is proceeding under Col. Homer Garrison, Jr., director of the department of public safety.

Col. Garrison is contacting each sheriff, police chief, constable and other law officers to get an inventory of the personnel and equipment available for handling any emergency. This is the first step in the mobilization, Gov. Stevenson explained.

Gov. Stevenson said he and Garrison also have invited the cooperation of county judges and mayors.

Only Trace Of Rain Falls Over Dalhart

Apparently the occasional misty moisture that has been falling over Dalhart since early morning is more or less local.

The U. S. field station at noon reported .09 of an inch. The Denver and Rock Island railroads said none of their stations in this area had reported rain.

Road Bond Bill Finally Passed

AUSTIN — The House today completed legislative action on a road bond servicing bill, and then without a dissenting vote adopted a resolution inviting Charles A. Lindbergh, buddy of Isolationist Senator Wheeler, to stay out of Texas.

The House by a 138-1 vote concurred in Senate amendments to the road bill which will replace the two year act that expired Sept. 1.

The measure, now ready for Gov. Stevenson's signature, has these main provisions:

1. It will continue using one cent of the state's four-cent gasoline tax to retire county bonds spent for construction of state-designated highways.

2. It will give half of any surplus from the one-cent division to the highway department, and will prorate the other half among counties.

The resolution directed at Lindbergh said the best interests of all concerned would not be served by his coming to Texas. Several members argued against the resolution, but there was no dissenting vote.

New Lt.-Governor Given Appraisal

AUSTIN — Acquaintances appraise the new acting lieutenant governor of Texas as friendly, quiet, well-dressed and a bachelor, besides being an experienced and capable lawmaker.

He is 41-year-old E. Harold Beck of Texarkana who automatically became lieutenant governor when elected president pro tem of the Senate last week.

Coke Stevenson, of Junction, named lieutenant governor in the last election, was automatically elevated to the governor's chair when W. Lee O'Daniel won in the special election to name a successor to the late Senator Morris Sheppard.

Beck has had a steady climb in politics. He started as Texarkana city judge, then served as Bowie county judge and a member of the House before being elected to the Senate.

Rotary Is Defense Minded, Says Farley

AMARILLO — The 127th District of Rotary International has bought defense savings bonds, and so has 32 of its member clubs, reports District Gov. Cal Farley of Amarillo.

In addition, he said, most every club in the district and scores of Rotarians personally have contributed to the British Relief Fund, sponsored by Rotary International.

Contributions to this fund are sent to Rotarians in England, many of whom have suffered great loss and privation.

It is also a Rotary policy to render aid to Rotarians in all war-torn countries, but Germany and Italy have banned Rotary clubs in their own and conquered countries.

GOV. PHILLIPS IN DALHART

Oklahoma Governor Leon Phillips, Senator Ray Jones, Jim Garibaldi of the Oklahoma Highway patrol and Foster Estes of the governor's office staff in Oklahoma City stopped in Dalhart for lunch today. They were en route to points in southern Colorado.

The Dallam County Land Use Planning committee yesterday adopted resolutions asking for an 85 per cent parity grain sorghum loan rate, the same as on corn and wheat; and also asked that grain sorghum parity benefits, commensurate with those on corn and wheat, be established next year.

Similar action has already been taken by the Dallam County AAA committee and Defense Council and by the farm bureaus of Dallam and Hartley counties.

Malcolm Stewart, Middlewater, chairman of the Hartley County AAA committee and Defense Council, has indicated those two organizations will soon act on the issue.

This is the first year a sorghum loan has ever been allowed. One was announced several years ago, but was cancelled before it became operative.

Grain sorghum producers, concentrated almost entirely on the Southwestern High Plains, sought a loan rate of 56 cents per 56-pound bushel or \$1 per hundredweight. The Commodity Credit Corporation a week ago announced a rate of 40 cents per bushel for No. 1 grade, and 38 cents for No. 2. Most sorghums according to local farm leaders, will grade No. 2.

S. O. Metz, of the Coldwater area, yesterday emphasized that actually the No. 2 loan rate is only 31 cents, because of a 7-cent-a-bushel storage charge. Metz is vice chairman of the land use planning committee and presided yesterday in the absence of Chairman Roy Wharton of the Bunker Hill country.

The committee, in asking for the higher loan rate and parity benefits, pointed out that the sorghum farmer contributes to the national wealth and welfare in the same proportion as the corn, wheat, cotton, rice and peanut farmer.

They also emphasized that grain sorghums admittedly have 90 per cent the feeding value of corn, which has a loan rate of 79 cents a bushel, on the 85 per cent of parity basis. On the same basis, the wheat loan rate in Dalhart is 91 cents. Estimates are an 85 per cent of parity rate on sorghums would be about 71 cents.

The committee likewise stressed figures in a Federal Land Bank chart showing more farm foreclosures in the grain sorghum area than in any other. Lack of an adequate loan program and parity benefits, it charged, are mainly responsible.

The State Land Use Planning Committee was among state and national groups being contacted directly by the Dallam group.

Search Pushed For 3 Soldiers

CROSS PLAINS, TEX. — Using airplanes and bloodhounds, 50 Texas Rangers and peace officers today pressed an ever-widening search around Cross Plains for the three soldiers who broke from the guardhouse at Camp Wolters, near Mineral Wells, early this week.

The trio apparently still hold their hostage, Corporal John A. Stinebaugh, Greenville, whom they overpowered to make their escape. Four men, officers said, appeared in the cafe robbery at Ranger Monday night.

An abandoned car found near Cross Plains shifted the search to this area. Bloodhounds assertedly have not picked up a trail.

Nazis Strike Ahead

Germany today drove three long columns deep into Russia's vitals, while President Roosevelt asked the U. S. congress for more lend-lease money to assure an uninterrupted flow of aid to the anti-Nazi nations.

The President asked for an immediate appropriation of \$5,985,000,000 to carry the lend-lease program through June 30, 1943. He requested a continuance of the power to give lend-lease aid to any country, the protection of which is vital to U. S. defense.

The requested appropriation would make possible, observers said, lend-lease aid to Russia. However, the procedure so far is to arrange advance credits for the Reds.

Reporting on the original \$7,000,000,000 lend-lease appropriation made six months ago, the President said \$6,280,000,000 are now in the allocation, obligation, production or delivery stages.

German spearheads, north and south of Kiev, and across the lower Dnieper river are striking increasingly deeper into the USSR today, Berlin said.

The advance has been so rapid in some sectors, it said, that Nazi troops have trapped Red soldiers, far back of the main front, who were boarding trains to move up to the fighting lines.

Nazis said they were not trying to capture Red soldiers, but were only taking officers so that the main forces would be left rudderless and subject to later capture or annihilation.

The two spearheads being driven eastward north and south of Kiev further threaten to isolate it, and also form two more sides of a huge quadrangle in which Nazis say 250,000 to 300,000 Red soldiers are virtually trapped. The Nazi lines west of Kiev form the third side of the quadrangle.

Germans are said to be hammering heavily at objectives that, if taken, will pinch the Crimean peninsula off from the Russian mainland.

Nazis claim they are making steady progress in the Leningrad

Palomino Show To Reach New Peaks

ABILENE — The Palomino Horse Show, part of the West Texas Fair in Abilene Sept. 28 to Oct. 4, will be more spectacular and colorful this year than ever, believes Dr. M. T. Ramsey, show chairman.

For one thing, he said, Palominos are steadily becoming more attractive. "Even since our 1939 show," he continued "many breeders have developed and bred their Palominos to a point where types are more definite and colors are more perfect."

Sponsored by the Texas Palomino Association, entries in the show are restricted to registered Palominos, Dr. Ramsey reminded. Entries last year totalled 200 and so far this year are running ahead of 1940 figures. Inquiries, or reservations, or both, he said, have come from 16 states and the Republic of Mexico.

New Excuse—Accelerando

SAN FRANCISCO (UP) — Pretty Miss Alice Morgan, 20-year-old singer, arrested on a speeding charge, had a new one to tell the judge. "I had just got a job," she explained, "and I was so happy that I was singing in tune with the car. Well, the music kept getting faster—accelerando, you know—and I had to drive faster to keep the motor in tune with the music."

Announcing . . .

Our Late-Frost Department

Along with the many services we try to render our customers we are announcing this week a new department, in charge of a capable crew of workers, assisted by hundreds of farmers and several business men.

This new department will have headquarters around the little natural gas stove in our private office and will meet regularly beginning the last week in this month. It will be known as the "Late-Frost Department of the Fox Hardware Co. Inc." and will have one purpose only: that is to delay the first frost of the year as long as possible.

A meeting of this department has been called for Sept. 29. Any frost that might appear prior to that date will not be officially accepted and a protest will immediately be wired to Congress and the President. The "Late-Frost" department will absolutely not be responsible in any way for a frost that appears prior to Oct. 21 and it will have to be very light at that time to receive any consideration from our department.

At our first meeting it is likely that a frost will not be ordered before November at the earliest and it is possible that we will delay it until almost Christmas. It is our opinion that a frost is not altogether unnecessary sometime during the year and we offer no serious objection to one, providing we have the privilege of naming the date. But we are tired of depending upon the weather man and accepting what he has to offer when he offers it. We believe in fighting for our rights, and if we ever had a right to ask for a late frost it is this year.

Now while we are going to offer this service to our customers we are not in a position to guarantee results. We would recommend that you not depend upon the "Late-Frost Department" too strongly, but go ahead and get that McCormick-Deering harvesting equipment ready for that bumper feed crop now. And if you desire to join our new department we have a few openings left. The salary depends upon results obtained, but we'd suggest that you get ready for a hasty retreat from this section in the event we get an early frost.

Happy Relief From Painful Backache

Many of those gnawing, nagging, painful backaches people blame on colds or strains are often caused by tired kidneys — and may be relieved when treated in the right way.

The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood.

If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, rheumatic pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Doan's Pills, a visit with her mother, Mrs. B. F. Randel, and her brother, Bernice. Mrs. C. C. Moore had as her guest recently her sister, Mrs. Molly Gooch of Ara, Okla.

Beef Upside-Down Pie

Broadcast by Mary Lee Taylor, September 11, 1941

2 cups ground beef (1 lb.)	2 tablespoons hot shortening
1 1-2 cups day-old bread crumbs	10 1-2 oz. can condensed tomato soup
1 cup Fat Milk	1-2 cup water
1-4 cup finely cut onion	2 cups prepared biscuit flour
1 1-4 teaspoons salt	
1-8 teaspoon pepper	

Put in bowl the ground beef, bread crumbs, 1-2 cup milk, the onion, salt and pepper. Mix thoroughly, then divide into 12 portions. Dip hands in water and shape each portion into finger-like patties. Turn on oven and set at very hot (450°F.). Brown patties on all side in hot shortening. Arrange patties like spokes of a wheel in bottom of a deep 9-inch pan. Pour tomato soup and 1-4 cup water into pan used for browning patties. Heat to boiling point, then pour over and around patties. Let stand. Put prepared biscuit flour in bowl. Stir in with fork remaining 1-2 cup milk diluted with remaining 1-4 cup water. Turn out dough onto lightly floured board. With floured fingers, pat dough into a round. Knead a few seconds, or until dough is smooth. Roll into a round 1-2-inch thick and measuring same size as pan containing patties and sauce. Put dough on top. Bake about 20 minutes, or until top is brown. Turn out on serving plate. Serve at once. Serves 6.

earned it. Tommy the Cork came down to the Justice Department, badgered Thurman Arnold's subordinates, brought out the fact that was being considered as the next Solicitor General, shined up to his old friend Attorney General Biddle.

In the past Assistant Attorney General Thurman Arnold has kicked over the traces like a balky mule whenever anyone attempted to interfere with his trust-busting program. Several times he has threatened to resign, even insisted on indicting Bill Hutchinson, head of the AFL Carpenter's Union, and other labor leaders for violating the Sherman Anti-Trust Act — an indictment which got the White House very sore indeed.

But this time Thurman was more docile. Maybe this was because Tommy the Cork is a very close friend. Again, Earl I. McClintock, vice-president of Sterling Products, was Princeton '12, and an old friend of Thurman Arnold's Princeton '11. Anyway, Tommy got his clients off with a fine of \$26,000 and a press release which sounded like "be a good boy now and don't do it any more."

Note. — Homer Cummings was frequently criticized by Tom Corcoran for not being a crusading New Deal Attorney General. But Cummings, now a Washington lawyer, spurned a \$100,000 retainer from General Aniline, which is controlled by the Nazi I. G. Farbenindustrie, and is a partner with Sterling Products in owning the Winthrop Chemical Company, also prosecuted by the Justice Department. Cummings told the Nazi-controlled company they had no chance of forming a trust arrangement to escape wartime seizure by an Alien Property Custodian.

CAPITAL CHAFF

Some of Thurman Arnold's Trust-Busting subordinates will soon hand in their resignations as a result of the new appeasement policy toward the Sherman Anti-Trust Act. . . Earl McClintock executive

of Sterling Products, was in the Alien Property Custodian's office during the last war when the U. S. A. seized valuable German chemical patents. After the war, McClintock helped form a company which took over these patents—but went back to close cooperation with Germany.

He has been one of the champions of little business in the national defense set-up.

*** PAPPY'S (UNCLE SAM'S) PAYROLL ***

In addition to "passing the biscuits," Senator "Pappy" O'Daniel of Texas, also has become a specialist at passing the gravy.

Pappy's biggest problem since becoming a Senator has been getting Uncle Sam to pay the salaries of his hill-billy band, which supplies the musical background for his Sunday radio recordings. But at the pace he is going, it won't be long until he has it solved.

Four members of the band are already on the federal payroll. Bundy Bratcher, a cornetist, is doubling in up as an elevator operator in the Capitol at a \$125-a-month salary. Winsome "Texas Rose" Richardson Pappy's girl vocalist, gets \$105 a month in the folding section of the Senate document room.

"Caesar" Hubbard, a fiddler, and Bill Perrin, leader of the band, hold down \$145-a-month jobs in the Senate post office. Their chief duty is selling penny postcards to the tourists trade.

A fifth hill-billy, "Klondike" Hubbard, (brother of "Caesar,") a bass fiddler, expects to land something soon with Pappy's help.

Note.—Friends are suggesting a new theme song for Pappy's band, to the tune of "It Ain't Gonna Rain No More":

"Oh, pass the biscuits, Pappy,
"And pass the gravy, too—
"We'll gratefully lol
"On the federal payroll,
"As we sing and play for you."

Ed ACTORS

Whenever labor or business shows such utter disregard for the welfare of the people as was shown in Kansas City Wednesday it is high time that the government step into the picture and call a halt to strikes.

It probably matters little to those men seeking higher wages or shorter hours for themselves that in order to make their employees realize their true value it would probably cause the loss of some lives. They didn't think about the little fellow gasping for breath in the electric iron lung when they decided at twelve o'clock at night to shut off that breath. If the boy should die, and the doctors seem to think that he might despite the heroic effort of his nurses to keep life in the crippled body by artificial respiration those responsible for that death would be the laborers that walked out of that city power plant and refused to work.

It might have been brought home to those men a little closer had only a small percent of their wives been confined to hospitals where the future sons and daughters of these men were about to be brought into the world. And if, during the "black-out" these same wives had been called on to give birth to those children without the aid of modern medical science.

The same disregard for the welfare of the nation has been, and is continuing to be, shown by striking workmen throughout the nation. The fact that we are virtually involved in a war where the lack of production of machines may mean the loss of hundreds of thousands of lives as well as the freedom that the men take such tremendous advantage of, seems to affect them not at all. There is a demand for more wages and shorter hours and it must be given regardless of consequences.

Let it be said for labor that it

LAFF-A-DAY

"Tom told me somebody wrote my name and telephone number on the wall in here. I've got to change it, as my number's been changed!"

suffered much at the hands of business. During recent years the situation has been reversed. Business made the mistake of thinking it was too big to be criticized and learned to its sorrow that such was not the case. Evidently labor is headed over the same rough road. Any movement, either in labor or capital, that relies upon force for its success is opposed to the theory and principles of individual freedom that most of us are willing to sacrifice our lives to maintain.

The Big Four Brotherhoods have shown the way to settle disputes between employees and employers. Recently the Brotherhood voted to strike but they knew that before such a strike would be called that a mediation board would be appointed by the President and that the chances were that no strike would

ever be called. They are confident that all points in dispute will be settled long before the time called for a strike.

There are "big shots" in both groups—labor and capital—who at the moment they can't get their own way are willing to destroy anything that stands in their path. That type of leadership is being removed from both groups. Each group has a great responsibility to this nation, particularly right now, and if either forgets that responsibility the people will long remember. Let's have sane, fair and reasonable consideration on the part of both labor and capital before they decide to throw every responsibility they can onto the public overboard in order to serve their own selfish motives.

'Sin' Series Of Sermons To End

The Church of Christ Evangelist Roy Lanier of Fort Worth will deliver a sermon on "Salvation from Sin" tonight at the 8 o'clock service, Guy V. Caskey, Dalhart minister, reminds.

Last night's topic was "Punishment for Sin". An enthusiastic crowd attended.

Tomorrow night Lanier will deliver the final sermon of the series on "Sin", the subject being "Forgiveness of Sins." The revival will continue through next week, ending Sunday, September 28.

The song service is under the direction of the local minister, Caskey.

C. Vincent Hall To Lecture Sunday

C. Vincent Hall, world traveler and lecturer who is visiting schools in the Dallam-Hartley area, will lecture and present colored movies Sunday night at the Dalhart Christian church, J. C. Jordan, minister, announced today.

"From Galilee to Jerusalem, Following the Footsteps of the Christ" is the subject. The Christian church extends a cordial invitation to the public to attend, Jordan said.

Mrs. Alva Robinson, Mr. and Mrs. Glendon Robinson and family and Sardis Robinson were in Texhoma Sunday to visit Mr. and Mrs. Bob Evans and family.

School Grads Special Defense Meeting Slated

Men interested in becoming Cadets but who have withheld their application of insufficient formal education are asked to inquire about plan for high school graduation.

Leo Cawthorn of the recruiting office has recommended to accept applications from men between the ages of 17 and 27 who have only high school education. If ten men, with proper recommendations and certificates, pass the physical examination, a "refresher course" benefit will be offered at Dalhart High School.

Each flying cadet will get \$100 a month in addition to clothing, board, medical attention. They graduate and get their wings. They will get a bonus of \$100 for new uniforms. Cawthorn said.

Men who are interested in proposed "refresher course" school subjects are asked to contact Corporal Cawthorn at the city hall any time between 8:00 and 12:00 each morning and 5:00 in the afternoon.

Special Defense Meeting Slated

E. Byron Singleton, Amarillo attorney, chairman of the 18th Congressional District Defense Bond committee, has announced a luncheon for all county representatives and committeemen in the Amarillo Hotel at 11:45 a. m. Sept. 29.

Plans will be formed for launching a sales campaign on defense bonds and stamps throughout the district, Singleton said. Frank Scofield, Austin, representative of the U. S. Treasury department and state chairman of defense bond and stamp sales, will be the principal speaker.

Mrs. Elmer Elliott and B. N. Richards, Singleton said, are the Dallam county members of the 18th District committee and will be responsible for making the required number of Dallam reservations for the luncheon before Sept. 27.

The Dallam County Defense Bond committee is J. T. Mann, Jr., chairman, Geo. E. Walker, F. B. Farwell, Lon McCrory, Jack M. Wade, E. B. Gregg, Blake Bolton, B. N. Richards, all of Dalhart; Roy Wharton, Bunker Hill; Herbert Green, Conlen; H. H. Andrews, Texline; Lyall Murdock, Kerrick.

Singleton said he wanted all representatives and committeemen to attend the Amarillo meeting.

part in a one-day tournament the local committee is making plans for such an event.

In one-day tournaments the players each play a total of twenty-seven holes, the first eighteen being match play and the last nine being medal play. This guarantees each player the opportunity of playing no less than 27 holes. Usually the entrance fee is fifty percent less than in two-day tournaments.

One-day tournaments have been held at Guymon, Liberal, Perryton, Hooker and Hereford in the Panhandle this year. If one is held in Dalhart it will probably mark the close of the golf season here with the possible exception of some strictly local contests.

Hole Halved in One

LONDON (UP)—A hole was halved in one on the Honor Oak and Forest Hill Golf club's course by R. J. Derwent, a Brockley dentist, and J. Rankin, dental student at Guy's hospital. Two years ago a similar feat was accomplished.

Longevity Credited to Calm

SALT LAKE CITY (UP)—An even, calm disposition is the secret of longevity, Mrs. Herbert J. Grant, wife of the president of the L.D.S. church, declared here as she celebrated her 82nd birthday.

Dalhart Baptists Meeting Today

Delegation from the Dalhart church today attended opening sessions of the Trans-Canadian Association convention in Dalhart.

Service on Christian Education by Mrs. J. P. McBeth of the morning service. Rev. D. Riley of Morse was in charge of special music; Rev. L. Stinnett delivered the afternoon a board meeting of the Men's Missionary Union were held; the District of J. C. McKenzie of Amarillo. Mrs. Royal Pendleton discussed work of the women. Rev. Riley, Buckner Orme.

During the song services at night, E. Baccus of Stinnett on Brotherhood; Rev. E. Stratford, Training tomorrow will be made by Kenneth Marshall, pastor of Dalhart church; J. P. McBeth; Rev. E. L. Bowman, Burton Craig, Sunray; L.

One-Day Golfing Tourney Talked

Because several out of town players who participated in the annual golf tournament of the Dalhart country club stated that more players from home towns would take

D. Morton, Dumas; and Rev. Lloyd Garrison, Channing, Mrs. Oliver D. Riley of Morse will be in charge of special music.

Dr. C. Gordon Bayless of Pampa will deliver the morning sermon.

assault. There is no doubt that Germans have moved up fresh forces and are keeping the city under a day and night attack by land, air and sea.

Reds, however, said their forces are still successfully holding the main defenses, and have recaptured several villages in strong counter attacks. Soviets assertedly have lost 30,000 men in one Leningrad sector. Reds say they have smashed huge Nazi forces in that same general area, but Berlin scoffs at the claim.

An authoritative London source today estimated Germany, in killed, wounded and missing, had lost 2,000,000 men on the Russo-German front, and that Russia had lost 3,000,000.

GRAND RAPIDS, Mich. (UP)—Police searched Paul F. Bishop and removed his personal belongings when he was arrested. Bishop then reached in his mouth and pulled out his upper plate. "Do you want these, too?" he asked.

IN THE ARMY NOW! WHY AND HOW
By S. T. Johnson

If I should assert, which I do, that the Army and Navy are singularly free from favoritism, someone will be sure to jeer, "Yeah, what about the Roosevelt boys? Did they get their commissions the hard way?"

To that I ask, "Is that the best you can do?" The two elder Roosevelt brothers now hold Captain's commissions in Army and Marine Corps, the two younger are junior, very junior, officers in the Navy. Franklin, Jr., and John earned their commissions by entering the naval reserve officers' training course, a path which many of their age also traveled to commissions. Elliott and James seem to have had easier paths to the privilege of wearing Sam Browne belts and taking salutes. I doubt that they would have received their captain's

Or persons claiming any title or interest in South one-half of Section 116, Block I-T, T. & N. O. Ry. Co., Dallam and Sherman Counties, Texas, under and by virtue of deed executed to Thos. Tinsley of McLennan County, Texas on March 13, 1890, and recorded in transcribed Volume A, Page 354, Deed Records Dallam Co., Texas;

Greeting: You are commanded to appear and answer the plaintiffs' petition at or before 10 o'clock A. M. of the Monday next after the expiration of 42 days from the date of issuance hereof, such date being the 27th day of October, 1941, before the Honorable District Court of Dallam County, at the Court house in Dalhart, Texas.

Said Plaintiffs' petition was filed on the 3rd day of September, 1941. The file number of said suit being 2794, in which suit, Sadie Belle Landis and Ulrich F. Landis are plaintiffs; and Thos. Tinsley, the heirs and legal representatives of the estate of Thos. Tinsley, if deceased; the unknown owners or claimants of South one-half of Section 116, Block I-T, T. & N. O. Ry. Tinsley of McLennan Co., Texas on March 13, 1890, and recorded in transcribed Volume A, Page 354, Deed Records Dallam County, Texas; are defendants.

Plaintiffs' suit is an action in trespass to try title to recover title and possession of the South one-half of Section 116, Block I-T, T. & N. O. Ry. Co., partly in Dallam, and partly in Sherman Counties, Texas, containing 320 acres, more or less.

Plaintiffs sue for a damage in sum of Two Hundred and no-100 Dollars, and for rents in the sum of Two Hundred and no-100 Dollars per year, and costs of suit in Writ of restitution.

Plaintiffs plead the three, five and ten years Statute of Limitation.

Issued this the 10th day of September, 1941.

Given under my hand and seal of said Court, at office in Dalhart, Texas, this the 10th day of September, 1941.

bars so easily if their last name was not Roosevelt, parents' address, 1600 Pennsylvania Avenue, Washington. My impression is that they could have been more modest, shrinking violets than they have been. Both have had foreign assignments that other far more capable but lesser known officers would have given their eye teeth to have had. And both have sounded off to reporters of foreign newspapers upon subjects that both the President and the Secretary of State have kept exceedingly quiet about—an exhibition of talking out of turn which would have brought stiff official call-downs to other officers.

I think it would have been a splendid thing had at least one young Roosevelt taken his chances with the draft, like, say, another famous son, Winthrop Rockefeller, who went through the Selective Service drill and is now a Sergeant—not a Captain, or even a Second Lieutenant. But I can't paw the air with rage that four Roosevelts are commissioned officers while some 1,600,000 plain Joe Doakes who are soldiers and sailors are not. I can't take the four Roosevelt boys that seriously. We've other things far more serious to think about. To build up into an issue of momentous consequence the question of whether two of them earned their present commissioned rank is even more out of perspective than the probable favoritism which got them there in the first place.

So long as they remain the only glaring examples of favoritism thus far that can be raked up and so long as they haven't done the Army or the Marine Corps any harm, I'm content. Things could be a lot worse than that. Next case, if any. Meanwhile, here's the mail.

J. N. M., Beverly, Mass.: What does "orderly room" mean? It's the company headquarters

and office. Sometimes it isn't very orderly.

V. A. C. Moline, Ill.: Does soldiers' mail go free?

No, but a number of bills aimed at that have been introduced in Congress.

Guilloud Funeral Held At Denison

Ernest Guilloud of DeRidder, La., formerly of Dalhart, was called to Denison Friday by the death of his mother, Mrs. Marie Guilloud. Guilloud was in Dalhart at the time of her death.

Mrs. Guilloud, 74, died Thursday afternoon at the home of her daughter, Mrs. Fred Prestage in Denison. Funeral services were conducted Saturday afternoon with Rev. James E. Spivey and Rev. Ray Short, Presbyterian ministers, officiating. Burial was at Denison.

Mrs. Guilloud was born in Lyss, Berne Parish, Switzerland. She came to America and, in 1890, married Henry Guilloud of Avenches, Switzerland, at Georgetown, Texas. Her husband died in 1933.

Survivors include five sons, Henry, Sam, Lee, Fred and Eugene, all of Denison, and Ernest of DeRidder; a daughter, Mrs. Prestage of Denison; twelve grandchildren, one of whom is Mrs. Carl Ashlock of Dalhart; and several sisters in Switzerland.

Episcopal Service To Be Held Sunday

"Waste Products Redeemed" will be the sermon-subject when Rev. Edgar W. Henshaw, minister, preaches Sunday at St. James Episcopal church in Dalhart, it was learned today.

"The service will be that of Holy Communion", he said, "and the church extends a cordial invitation to all persons, particularly those who have no definite church commitments, to attend the service".

Revival Sermons Are Announced

Rev. W. E. Fisher, Perryton, who is conducting a series of services at the Pine Street Methodist church in North Dalhart, will speak on "God's First Question to Woman After the Fall" tonight at 7:30.

This morning at 10:00 he discussed, "The New Testament Type of Church." Tomorrow morning's topic will be "Soul-Winning—Our Responsibility."

Rev. Fisher and the pastor, Rev. R. H. Campbell, and Mrs. Campbell are conducting services for children at 4:00 each afternoon, Monday through Thursday; young people's services, 7:00 each evening.

Rose Festival To Be October 9-12

Free to all visitors October 9, 10, 11, and 12 at the Texas Rose Festival in Tyler will be the rose field tours and garden pilgrimages, continuous each day of the fiesta. These trips will bring visitors in close range of vast fields that contribute to the Tyler area's annual production of between 18,000,000 and 20,000,000 rose bushes. These go into every state of the union and into many foreign countries.
