

H. E. 'PAPPY' LOMAN ON RETIREMENT DAY
... After 50 years with the railroads

Rites held for 'Pappy' Loman, railway agent at Hart 24 years

H. E. "Pappy" Loman of Hart, retired railroad station master, died at 5:45 p.m. last Thursday in Plains Memorial Hospital. He was 80 years old.

FUNERAL services were held Sunday at 2:30 p.m. in the First Baptist Church of Hart, with Rev. C. T. Cunningham, pastor, and Rev. G. C. Applegate of Lone Star, a former pastor of the church, officiating.

Burial was in Hart Cemetery under the direction of Lemons Funeral Home of Plainview.

Mr. Loman retired Nov. 1, 1966, after 50 years in the railroad business. Before his retirement, he had been the station master at Hart 24 years. He also served as the town's US Weather Bureau observer and Western Union tele-

graph operator. His telegraph signature, "HF," was one of the best-known in the area.

HIS WIFE, Myrt, is the news correspondent for the Castro County News, Plainview Daily Herald, Lubbock Avalanche-Journal and Amarillo Globe-News.

Born Dec. 1, 1888, in Longview, Ill., Mr. Loman started his railroad career in 1903, at the age of 16, with the Chicago-Eastern Illinois Railway in Jamesburg, Ill. He also worked for the Rock Island and Santa Fe lines before starting his long career with the Fort Worth & Denver.

Mr. Loman was the first telegraph operator at Lubbock when the Fort Worth & Denver extended its lines from Plainview and Lubbock.

His first wife died in Hartley in 1927. They had two children, both of whom preceded him in death. His daughter, Mrs. Jimmie Brown, died in Hart in 1954, and his son, Wayne, died Jan. 4, 1968, in San Diego, Calif.

IN 1930 Mr. Loman married Myrt Pistole in Lelia Lake. They moved to Hart from Goodnight in 1942, and he helped build the community to its present status as an incorporated city. He was a charter member of the Hart Lions Club.

Upon his retirement three years ago, Mr. Loman said his most gratifying memory was that his 50-year career was never marred by a railroad tragedy.

Mr. Loman is survived by his wife, Myrt; two grandsons, Corky Stringer of Riverside, Calif., and Skeet Stringer of Anaheim, Calif.; a granddaughter, Mrs. Jackie Frye of St. Louis, Mo.; a niece, Mrs. Charles Fanakos of Shampaign, Ill.; and a nephew, Raymond Loman of Newman, Ill.

PALMBEARERS at the funeral were Theron Morrison, Ed Bennett, Bud Steiert, L. J. Rice, Roy Porter and Kenneth Warren. Honorary palmbearers were W. A. Hawkins Sr., E. L. Jobe, Miles Cox, Hubert Maples, Pop Hendrix, Robert Brooks, Jess Newman, Levi Benning, and Elmer Gray and Roy Pyeatt of Tullia.

Ushers for the service were H. L. Cheatham, Lanny Tucker, J. D. Rogers and Boots Rogers.

Dimmitt to host PGA event Monday

Eighty professional and amateur golfers are expected to compete here Monday when the Castro County Country Club hosts the West Texas chapter of the Professional Golfers Association in a pro-am event.

LOW BALL will be the game, and men will receive half their handicaps up to a maximum of 18 strokes. Ladies will receive their full handicaps to a maximum of 36 strokes.

Club Pro Bud Posey said players may register from 8 a.m. until 2 p.m. Monday. Entry fee is \$11 for professionals and \$6 for amateurs.

Grand Jury's inaction irks law officials

In an unexplained and unprecedented action Monday, the new Castro County Grand Jury, the new over every case before it, leaving two defendants to spend another month in county jail and a third free on bond until their cases come up again for action in November.

Law officials were irked by the Grand Jury's inaction.

SINCE Grand Jury proceedings are secret, only the 12 men on the new Grand Jury know why they adjourned without taking action on the three pending cases.

However, county officials have indicated that they feel that several members of the Grand Jury may not have understood what their official duties were, so deferred action until their duties are outlined for them again by the district attorney.

It is the first multi-racial Grand Jury here within any county official's memory. The new investigative body is made up of eight Anglos, two Mexican-Americans and two Negroes, all men. The makeup of the new Grand Jury reflects the District Court's efforts to attain racial "balance" to conform to recent legal trends and interpretations.

THOSE whose cases were passed over by the Grand Jury Monday were:

—Donald Lake, 18-year-old California youth, who is in county jail under \$10,000 bond on a charge of illegal possession of a narcotic.

—R. C. Willard, Dimmitt farm worker who is in county jail under \$2,000 bond on a charge of theft by bailee in connection with the alleged theft of a pickup from the Woodrow Nelson farm Saturday.

—Hector Rodriguez, 18-year-old Dimmitt man whose wife has filed bigamy charges against him.

COUNTY LAW OFFICERS sounded off about the Grand Jury's lack of action on the three cases Monday.

"The county is going to have to pay to feed those guys (the prisoners) for another month now while we wait for somebody to make a decision," said Justice of the Peace Elvon DeVaney.

"I was so mad I didn't know what to do," said County Attorney Robert Butnyn. "It isn't as though the Grand Jury has to serve as judge and jury on these cases. All it has to do is look over the evidence and determine whether there is enough evidence against a defendant to send the case on to District Court."

SHERIFF Jack Cartwright said, "If the Grand Jury knew how small our jail is, it might have handled the situation differently. Besides the fact that it gets pretty crowded up there on Saturday nights, we'll be feeding those guys (the two jailed defendants) for another month until Grand Jury action is taken on their cases."

Enchilada feast slated Sunday

St. John's Altar Society of Hart will hold an enchilada dinner Sunday at the Hart school cafeteria.

THE DINNER will be served from 12 noon to 2 p.m.

Tickets may be purchased from any Altar Society member, or at the cafeteria door Sunday. Admission will be \$1.50 for adults and 75 cents for children under 12.

A father who feels Dimmitt's public schools practiced racial discrimination in his fifth-grade son's class placement is fighting a \$57-a-day battle with the schools and courts while holding his son out of school.

THE CASE is expected to come to a head the first week in November when Pete Aguirre, 603 SW Fourth St., will face a county court jury trial on charges of violating the state's compulsory school attendance law.

Meanwhile, the schools are filing a separate complaint against Aguirre each day his son is absent from classes. Each day's complaint constitutes a separate offense, to be tried separately in court.

If Aguirre is found guilty of violating the state's compulsory attendance law, the punishment schedule calls for a \$5 fine for the first day's offense, \$10 fine for the second day, and \$25 for each day's charge thereafter, plus the standard court costs of \$32 on each day's charge.

UPI ranks Cats No. 7 in state

United Press International this week ranked Dimmitt's Bobcats as the No. 7 Class AA football team in Texas.

IN THE Dallas Morning News poll, Dimmitt held its No. 9 ranking this week.

- Here are the UPI's Top 10:
1. Lufkin Dunbar
 2. San Antonio Randolph
 3. Iowa Park
 4. Georgetown
 5. Jacksboro
 6. Reagan County
 7. Dimmitt
 8. Klein
 9. Columbus
 10. Ballinger

Services held for Lemme infant

Gravestone services were held Monday afternoon for Joseph Alfred Lemme, infant son of Mr. and Mrs. Fred Lemme of Dimmitt.

Joseph Alfred died in Plains Memorial Hospital at 9 p.m. Sunday, four hours and 15 minutes after his birth.

Ronnie Parker, minister of the Bedford Street Church of Christ, conducted the graveside services at 4 p.m. Monday at Castro Memorial Gardens. Dennis Funeral Home was in charge of arrangements.

Joseph Alfred is survived by his parents, of 621 NW Seventh St.; two brothers, John and James; and his grandparents, Mr. and Mrs. John Blankenship of Duncan, Okla., and Mr. and Mrs. Bud A. Lemme of Borger.

THE CHARGES originally were filed in Justice of the Peace Court, but were transferred to County Court Wednesday of last week after Aguirre appeared before Justice of the Peace Elvon DeVaney and pleaded nolo contendere — meaning he did not contest the charge but reserved the right to appeal the case to County Court.

Aguirre has until Saturday to file his appeal in County Court.

At issue is the class placement in North Elementary School of Aguirre's son, Orlando. The boy was in the fourth grade last year, and this year was assigned to a "low fifth" class that was composed entirely of Mexican-American children.

NORTH Elementary Principal Emmett Broderson said the boy's placement was based on the recommendation of his previous year's teacher, his achievement test score and his reading ability. This is standard procedure in the school, Broderson said.

"The particular low fifth class that this boy was assigned to was all Mexican-American children," Broderson said, "but we have other low fifth classes that include Anglos and Negroes."

AFTER THE school refused the Aguirres' request that their son be transferred to a class "with some white children in it," Mr. and Mrs. Aguirre took the boy out of school four weeks ago.

After three days, the school filed truancy charges in Justice of the Peace Court. Aguirre and his pastor, Father Rafael Chen of the Immaculate Conception Catholic Church, appeared before Justice of the Peace DeVaney and requested a jury trial. The case was postponed twice, then last week was sent to county court after Aguirre's nolo contendere plea in JP Court.

An attorney who reportedly represents a San Antonio-based civil rights group investigated the school's placement procedures last week.

MEANWHILE, the schools are filing a new charge against Aguirre daily and he is appearing and posting \$25 bond each day.

Ballots still being counted

Melvin Barton of Dimmitt, vice-president of the Grain Sorghum Producers Association, said this week that the tabulations won't be completed until Thursday "at the earliest" on the grain sorghum "check-off fee" referendum.

MAIL BALLOTING closed Monday. In addition to voting on the proposed nickel-a-ton assessment to expand research and promotion of grain sorghum, producers were asked to elect a 12-man board of directors from among 24 nominees.

FARM TOUR MEMBERS STUDY CORN ON DALE MAXWELL FARM
... At microphone is Leon New, Extension irrigation specialist

Farm tour members told

Restocked Buffalo Lake can be fished by April

Buffalo Lake, which was chemically "killed out" last spring to eliminate rough fish, has been restocked with 400,000 channel catfish, largemouth bass and walleye pike, and will be ready for fishing again next spring.

THOSE MAKING the annual Castro County Farm Tour last week heard the good news from Paul Ferguson, wildlife manager at Buffalo Lake.

Ferguson was the main speaker after the tour luncheon at Nazareth, and told how wildlife, as well as farm land, needs a sound conservation program.

"Last spring we treated the lake with rotenone to kill off the rough fish, and started restocking it two weeks later," Ferguson told an audience of 100, which included three classes of Nazareth school students.

"WE have now put 400,000 game fish in the lake," Ferguson said. "Most of them are channel cats, but we also have stocked many black bass and walleyes. We hope that by April we'll have fishing

available again at Buffalo Lake." He said three-fourths of the lake's visitors are "the fishing crowd."

He added, "Judging from our net surveys, the newly stocked fish are doing very well."

THE NEXT big wildlife event at the lake will be the annual arrival of huge flights of geese and ducks, Ferguson said.

"Our winter waterfowl tours will begin in mid-December and go to mid-January," he explained. "During this period you can visit the lake and we'll show you how we band birds, determine their age, and so forth."

He added that the 7,677-acre Buffalo Lake National Wildlife Refuge — the southern part of the lake area — is closed to vehicles "but is open to individuals who want to walk in and observe the wildlife and take pictures."

TO MAKE the lake more serviceable, Ferguson said, the Department of Interior is constructing new lighted rest rooms, new picnic tables and barbecue grills, and

a new headquarters and service building that should be completed by Thanksgiving. Also, he said, a second entry location is being constructed near the dam.

Ferguson's slide show and speech concluded the half-day tour program, which included stops at five farms to study crops and conservation practices.

After the fried chicken luncheon, which was served in the Nazareth American Legion Hall by the Legion Auxiliary, those making the tour also elected new representatives to the boards of the Running Water Soil and Water Conservation District and the Plains Cotton Growers.

HARRY BIRKENFELD of Nazareth was elected to succeed Leonard Wilhelm as the Zone 1 director of the conservation district. Birkenfeld will serve a five-year term, and will join Robert Hawkins, Fred Axe, Ernest Sammann and Ernest Brockman on the board.

Edd McLeroy, vice-president (See FARM TOUR, Page 15)

Fire hazards -- worthless junk that's costing you money

If you want to see a city change its character, get off the street sometime and drive slowly through the alleys.

The well-scrubbed face of the town disappears quickly, and is replaced by a series of potential infernos.

YOU DON'T have to go into the older, run-down parts of town to find major fire hazards. Anywhere between the city's main streets will do.

You can find stacks of old lumber, oil pools, junked cars and trucks, oiled power poles rising from forests of weeds, stacked-up cardboard boxes. And there's

the ever-constant problem of summer — thick weeds growing along fences and buildings, forming mosquito breeding beds now and fire hazards later.

Most of this junk, debris and growth is worthless and useless. But you're paying extra for it, anyway, as long as it's there.

"THE NEXT time the state insurance inspector comes in and counts these fire hazards, they're going to be figured into the insurance rates here," said Fire Marshal Guy Waldrop. "These fire hazards will affect the rates of everybody in the city. 'Also,' he said, 'where there's a

building that's a fire trap, the man next door will have to pay a lot more for his insurance."

The main factor that affects city-wide insurance schedules is actual fire losses — and Dimmitt, during 1969, has had its highest fire losses in six or seven years.

"THE INSURANCE companies don't pay for these losses — they only act as the handling agencies for your money," Waldrop said. "A major fire causes the rate to go up until that fire is paid off, then the rate drops again. The entire city pays for every fire through increased rates."

He explained, "We had a fire

not long ago that caused more than \$10,000 damage. The rates are going to be raised over the entire city until that \$10,000 loss is made up, over and above the regular rate. After the city has paid \$10,000 extra to the different insurance companies, then the rate will go back down again, unless we have another major fire. In that case, the cost of that one will be added onto the rates, too."

FROM 1961 to 1969, Waldrop said, Dimmitt businesses and homeowners paid \$172,591 in fire insurance premiums, and the insurance companies paid out

\$73,267 in fire losses in Dimmitt.

"The insurance companies are guaranteed a profit," he said, "and they averaged \$20,000 a year gross profit in fire insurance during the last five years. They would have made the same profit with or without the fire losses, because the rates for the whole town go up until the losses are made up."

He explained that the city's fire insurance rates are set by a "key rate" and a "fire loss credit" system.

THE "KEY RATE" is set by balancing the city's fire hazards with the city's ability to cope with them — its number of fire trucks

and firemen, water pressure, etc.

This sets the 100 percent base for insurance rates in the city.

Then, if the city holds its fire losses down, it gets a "fire loss credit" which is deducted from the "key rate," bringing down the insurance rate.

Dimmitt has built up a good fire credit during the years. Waldrop said, and the city-wide fire rates now are only 85 percent of the "key rate" figure because of low fire losses.

"THIS MEANS we've been getting a dollar's worth of insurance for 85 cents because our fire losses have been held below the

normal level for a town this size."

But because of the fire losses during 1969, Waldrop said, the city's insurance rates will probably go up by 5 percent, to 90 percent of the "key rate." This means that all fire policy holders in the city will pay for the 22 fires that have occurred in Dimmitt this year.

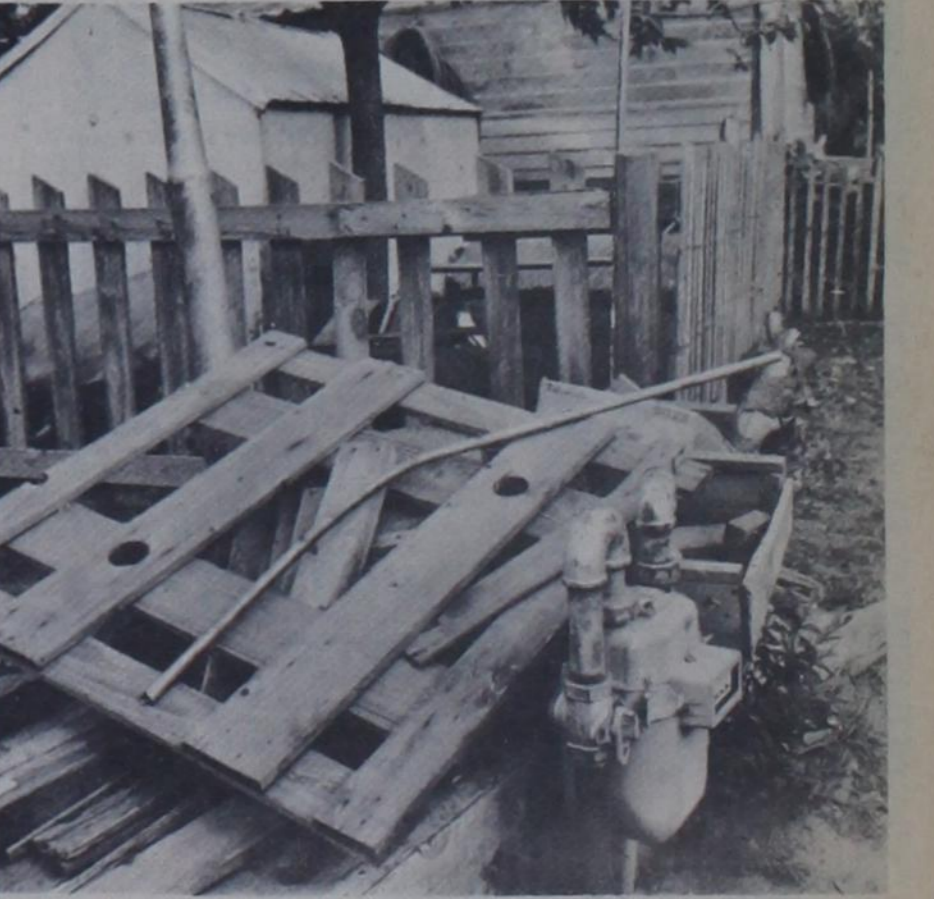

Another thing that hikes the city's insurance rates, Waldrop said, is the wood frame building — whether it's new or old.

"YOU SHOULD try to keep any frame business buildings from going up," he said. "As long as that frame structure is there, you're going to be paying higher rates because of it. If it burns, the loss will be a lot more, and your rates will go up because of the drop in your fire credit."

He urged each business man to have a fire-drill procedure "or at least an understanding with his employees" on the exits, operation of extinguishers in the building, etc.

He also urged parents to work out a fire escape system for their children and wives at home.

And, mainly, he urged home and business owners to clean up their property, unless they want to continue paying for the junk.

Sheffy's chatter

By MYRTLE SHEFFY

Why go to the mountains to see the trees? Just look at the big maple and magnolia trees on the west side of Pearl Sadler's house...

AND THERE are meetings and parties galore. A nice get together was Saturday night at the Hereford Country Club.

The kids, all hundreds of 'em, go to the Baptist fellowship hall after the ball game, to the hootenannie. There is talent, games and food.

Donna McGowan was the honoree at a shower and tea Saturday in the home of Ruth Jackson. Many ladies helped with this party.

Bill and Kathryn Birdwell and son Jim went to Lubbock where Bill attended a Plains Ginners business meeting held at the Country Club. Jim says his dad and

the other boys played a little golf. Bill did very well. Mrs. L. V. Cole was the birthday girl Sunday, and husband L. V., daughter Sherri and their son, and Loli Ortiz, Miss Hunter and Miss Parker took her out to dinner.

JIM AND Linda Roberts were hosts at a dinner Friday evening. Guests were the families of Jerry Watts, Bob Goss, and Ben Holcomb. Then they all went to the Dimmitt Bobcat football game where the energetic boys out-ran the Friena Chiefs.

Mr. and Mrs. J. O. Smith and son visited relatives in Rotan last weekend. Jo is the smiling lady at Colonial Inn Restaurant. This was a family reunion.

Dr. and Mrs. Lester Vick of Amarillo and Dr. and Mrs. George Bob Vick of Los Angeles, Calif., were recent guests of friends Mrs. Pearl Sheffy and Mr. and Mrs. John Merritt. George Bob teaches philosophy at Los Angeles College.

Mr. and Mrs. Lester Vick of Amarillo and Dr. and Mrs. George Bob Vick of Los Angeles, Calif., were recent guests of friends Mrs. Pearl Sheffy and Mr. and Mrs. John Merritt.

Dr. and Mrs. Lester Vick of Amarillo and Dr. and Mrs. George Bob Vick of Los Angeles, Calif., were recent guests of friends Mrs. Pearl Sheffy and Mr. and Mrs. John Merritt.

BILL MEYER and family have bought the house on Dulin Street across from the Harrissons. Bill is education and music director at the First Baptist Church.

The annual meeting of the W.M.U. was at the First Baptist Church at Earth Thursday. Going from here were Mmes. C. G. Maples, A. T. Morgan, Jack Howell, June Odom, Deroy Catos.

Mrs. Bill Williams went to Earth last week to attend the Methodist Crusade for Christ.

Bertha Vereen spent the weekend at her home in Sudan. She has two sisters there. Bertha is a nurse for Dr. Bill Murphy.

Allan Webb has a broken nose. Mrs. Oneida Hutto and Mrs. Buenea Shwen went to Dallas recently to attend Texas Home Demonstration Convention.

The theme was "The Key is in Your Hand. You can do what you try to do," and who is busier and does more than farm women?

Margie and Mack Wiggs of Weatherford are here for a visit with the McLean family. All had dinner together at the Colonial Inn Restaurant - Bob McLean, Sal and Alice DiCuffa, Ira and Emily Clingsmith and Ira's brother S. D. Clingsmith of San Francisco.

Mrs. Fannie Clingsmith has moved to West Gate Nursing Home in Hereford. That is a unit of Kings Manor.

THE WSCS had lunch at the Methodist Church Wednesday. A big cake was served honoring all the fall birthday girls.

Mrs. Opal Bearden, also, whose day was Wednesday. Rev. and Mrs. Gonzales and several ladies from St. Luke's Church and Mrs. Reissnyder of South America were special guests. Sara Northern of Amarillo was there also.

Dewey and Ola Wright and daughter Dorothy, visited his sister Alma Gipson at Quanah. They all went on to Bowie and

That box may be the gravy!

Food packages that may become part of the meal may soon be available.

MANUFACTURERS may even offer a choice of flavored boxes, wrappers or bottles to complement or spice up meals, reports Gwendolyn Clyatt, Extension consumer marketing specialist.

The containers are dissolvable proteins that become part of the gravy under cooking temperatures.

Newport ancestor and antique hunting. Len Villegas is in John Seely Hospital at Galveston getting well following leg surgery.

He had a bad bone fracture and will be there for several weeks. Mrs. Dionicio Villegas and children live at 601 Front Street.

MRS. JOE CARVER attended the funeral of her Grandfather Collar, near Tampa, Fla. Mrs. Carver flew there.

Mr. Charles Vandiver has been teaching the art class at Dimmitt High School, while Sue Broderson is recuperating from surgery.

Mr. and Mrs. B. M. Nelson and Mrs. and Mrs. Don Nelson attended the funeral of L. E. "Pappy" Leman at Hart Sunday afternoon.

Mrs. E. B. Wright moves to Fairview this week. She will live at Villa Apartments.

Monday, a group of friends went to Mrs. Clarence Beardens for a bon voyage party for Mrs. Wright. Mrs. Wright is a member of the Methodist Church and the Order of Eastern Star.

Beth and Jack Hodges and three children of Panhandle were weekend guests of her parents Mr. and Mrs. Ramond Hance.

Mrs. and Mrs. Clinton McCormick of Lubbock visited their daughter Oma Dee Heard, Dan and the children.

MRS. JACK HALE of Monahans is a guest this week in the home of daughter Katy and Don Kruse. Have you ever seen the big Saml Park near Monahans?

Mrs. Laura Weems of Olustee, Okla. is here for a visit with daughters, Mrs. Mac McRee and Mrs. Maxine Mundell and their families.

The Singing Blue Birds, a group of Camp Five Girls, enjoyed a hamburger cookout at the home of Fred Jr. and Bobbie Bruegel.

Stephanie Love as leader assisted and Juanita Bruegel was lady in charge of outdoor activities. Attending were Kyline Collins, Jean Bradford, Jo Beth Bates, Heidi Bruegel, Susan Arequjo, Diane Love, Suzie Cluck, Libby Crooks and Shelly Tam Minnick.

The Ray Rileys have been seeing about the cows down at the Bonham ranch lately. The Jack Gregorays went out to Wilcox, Aiz., on business, I hear.

Sue Miller and her mother Mrs. G. L. Blanton went to Tucumcari to visit sister and daughter Evelyn Whitesides, then on in to the New Mexico hills to see the beautiful color foliage and aspen trees.

YOU ARE invited to a birthday party for Mrs. Dora Houtchens Sunday, Oct. 12, 3 to 5 p.m., at the community room at the bank. Mrs. Hestand, her daughter, says bring no gifts, just come for a visit and cup of coffee.

Mrs. Houtchens' children will host this party. They are Mr. and Mrs. Marvin Boyd, Mr. and Mrs. Roy Stafford, Charlie and Mary Hestand, Mr. and Mrs. Percy Merritt, Mr. and Mrs. Doyle Houtchens and Charles Houtchens of Alaska if he can come.

The Charlie Hestands and Dora Houtchens attended a golden wedding party Sunday for his sister and husband Mr. and Mrs. Homer Thrash at Altus, Okla.

PATSY BOSTICK and R. K. Osborn were married Sept. 24, at Altus, Okla. The Osborns and his parents have a discount store here.

Mr. and Mrs. R. K. Osborn will live at 107 Fifth Street. Her parents are Mr. and Mrs. L. W. Farris of Hart.

Mrs. Cecil Dennis is on the sick list. Get well soon Trudy and get after these litter bugs who

are messing up the town with trash, weeds and broken bottles, etc.

Don and Katy Kruse were weekend visitors in Dallas, business I hear.

PROBABLY 300 people went to help John and Meta Wagner Stork celebrate their 50th wedding anniversary. All of their children and most of the grandchildren were there.

Cake, punch and coffee were served to the guests by the granddaughters. I saw Dale Leinen, a grandson of the Storks. He introduced us to Linda Ayers of Carizo Springs, both students at Texas Tech. Dale says they plan to marry one day soon. And Zula Wood Gilliam of Abilene was there. She is the adopted mother of John Hardy Wood, the postmaster. Eunice Stork of Amarillo, and John's sister Annie Belden of Fort Worth and daughter Carolyn Weber, her husband Chet and two of the children came also.

The Hereford folks that we saw were Mable Wagner, Hazel Sparks, Mr. Pinkert, Tom M. L. Simpsons Jr. and Sr., Frank and Rosa Arner, who came by Dimmitt and had supper with son Fred and Ramona Arner. I saw Mrs. T. B. Cox of Hart, Ben Scott and Ned Neeley, a school friend, both of Amarillo were there also.

The Storks received many lovely flowers, gifts and a big money tree. Many Dimmitt people were there too.

MRS. URSHEL Umberson, who has been recuperating from a recent heart attack at the home of son Dale at Alamogordo, N.M., will be home next week.

The Lee Starfords have been touring Canada for a few weeks. They write that the foliage on

the trees and scenery is beautiful, but they are slowed down by much rain.

Mrs. Green Erskine of Pacific Grove, Calif., and Mrs. Lucian Erskine of St. Louis, have been here for several days attending to their farm interests. They stayed at a motel but visited many friends, the Clucks, Burkett and others.

Swain and Katy Burkett are home from a trip to Fort Worth. They visited son David, his wife, and two granddaughters and grandson.

I heard this Sunday that Bill Simpson is hauling sugarbeets for Joe Nelson and Nina is having to milk the 40 cows, but they do have machines, not like I used to have to take the milk from them.

Swain and Katy Burkett are home from a trip to Fort Worth. They visited son David, his wife, and two granddaughters and grandson.

Bible Thoughts A HAPPY MARRIAGE By Ronnie Parker Marriage has been Divinely instituted. It was God who made woman from Adam's rib and "brought her unto the man" (Gen. 2:22). It was God who told them the meaning of marriage. "Therefore shall a man leave his father and his mother, and shall cleave unto his wife and they shall be one flesh" (Gen. 2:24).

Judge presents program to 4-H

By **MRS. JACK RISTER**
The 4-H Club met at the Bethel community center where Judge Raymond Wilson presented the program last week. Glenda Rickerd was hostess. Others adults attending were Sandra Bagwell, Goldie Stanton and Mrs. Wilson. Mr. and Mrs. Joe James of Wolfpath, Mrs. L. V. Waldrop of Sundown, and A. L. James of Whiteface, were visitors in the Earl Walker home Sunday. They are all Mrs. Walker's cousins. Mr. and Mrs. Eugene Brewer and Sheri of Baileyboro, and Mr.

and Mrs. Earl Walker visited Mr. and Mrs. Jack Rister Sunday.
★
THE FIRST Baptist Church W. M. U. met last Tuesday morning at the church. Attending from the community were Charlene Howell, Sue Howell, Birdie Neill, Merle Morgan, and Francis Smith, Mrs. Don Abbott of New Mexico and Miss Lina of Colorado showed missionary film. Denise Smith celebrated her second birthday last Friday. Rusty Rickerd had to have his cast repaired last Wednesday. The doctor reports him to be doing fine.

The view from your library

By **VIRGINIA NEWSOM**
One overdue library book doesn't seem like such a serious matter on the face of it, but when some 60 people fail to return books and in many cases move, then you begin to see a different picture.
THIS PAST week I spent a total of some eight to ten hours sending out these overdue notices. There are approximately 80 books in the community that belong back in your library. The monetary value of that many books would be in the neighborhood of \$200 to \$250. Now this becomes a serious problem. We are striving to give you a better library and a wider selection of books. It stands to reason that if we have to continually replace books that are not returned, it cuts down on the new books we are able to offer you.

Glenda Rickerd and Irene Keating were in Amarillo Monday. Kay Young and Sue Howell attended a Sunday School class salad supper Friday night at the First Baptist Church. Merle Morgan and Charlene Howell attended a WMU Associational meeting at Earth Thursday.
★
MR. AND MRS. Moss Howell, Mr. and Mrs. John Howell, Mr. and Mrs. Charles Henery and Kelvin of Friona, and Mr. and Mrs. Herbert Howell of Bovina, were all Saturday dinner guests in the Jack Howell home.
Mr. and Mrs. Charles Wales and family met after the ball game Friday night in the home of her sister and family, the Goldman Dyers for a get together.
Mrs. A. T. Morgan visited Mrs. R. R. Morgan of Amherst last Friday.
Mrs. Jimmy Ivey and Mrs. Wesley Barnes of Lazbuddie, Mrs. Bill Curry of Ropesville, Mrs. Ed Buchanan of Paducah, Ken., Mrs. Royce Barnes of Denver, Colo., and Mrs. Charles Harris of Turkey, visited with Mrs. A. T. Morgan on Tuesday, and attended a party that she gave in the afternoon.
Terrell Ott of Earth and Max Hastings of Dimmitt were guests of Ricky and Randy Morgan on Friday night.

Also in view of the fact that we have a limited number of hours the time spent in continually trying to retrieve books, takes time away from other more constructive tasks that need our attention. I'm sure if you will consider this matter you will find a few minutes out of your week to return your books.

★
OUR STORY Hour started off on the 3rd of Oct. with 14 children in attendance.
DeNise Dobbis celebrated her birthday by bringing several little girls to Story Hour. We are short on little boys, so if you have one just sitting around on Friday, why not bring him down for an hour of fun? We start at 1 p.m. each Friday afternoon, and would welcome your child there.
A passing thought for the week: A book may be compared to your neighbor, if it be good, it cannot last too long; if bad, you cannot get rid of it too early. — Brooke.

Bobcats sock it to Friona, 27-0

By JIMMIE CHAPMAN
Dimmitt's Bobcats got their District 3-AA race off to a successful start Friday night at Bobcat Stadium by beating the Friona Chiefs, 27-0, their lowest score of the season.

AGAIN it was the Bobcat defense that proved the difference in the district opener as the fast-running Bobcats were stopped from very many long gains by the tough Friona defense.

Players who have seldom made the headlines this season turned in fine defensive games for the hometown eleven. Randy Griffitt, Andrew Garza, Kenny Doss and Roy Thomas turned in stout defensive efforts for the locals, and along with the old reliables of Nelson Chavers, Danny Newton,

Loy Wylie and Randy Schumacher, it was enough to hold the big Cheifains to the debit side on the scoreboard in their first district encounter.

Friona was not without its outstanding players, either, as the line that was headed by 202-pound Denny Carthel held the Cats to their lowest output of the season.

FRIONA'S heralded back, Isidore Cordova, was stopped repeatedly by the Bobcats but Danny Kendrick, Donnie Lewellen and Bill Bailey (whose name was not even on the program because he had just been moved up from the B team), gained considerable yardage through the Bobcat line.

The Chiefs were stopped completely in the air in the second half, completing only one pass, and that one lost six yards.

Roy Thomas again led the Bobcats in their scoring and also on yardage gained on the ground, but Chavers again had the most yardage per try for the Cats. Thomas gained exactly 100 yards in 17 carries for Dimmitt, but Chavers was the most damaging on his thrusts through the middle, gaining 97 yards in only 14 carries.

Dimmitt took the opening kickoff on its own 20, and after three smashes into the line by Thomas and Chavers and an incomplete pass by quarterback Bill Sanders, Thomas burst through the middle and raced 57 yards for the first touchdown. Mark Cleavinger kicked the extra point and with only 1:45 gone in the first quarter, the Cats were ahead 7-0.

Three plays later, after the Chiefs had moved the ball out to their 32, Chavers hit Friona's Wesley Clark with a bruising tackle and an alert Kenny Doss fell on the ball at the Friona 37 to give the Cats another scoring opportunity.

After a couple of smashes into the line by Thomas and a seven-yard gainer by Newton, the Cats were resting on the 16. Sanders hit Cleavinger with an 11-yard pass that put the Cats on the five-yard line.

THOMAS TOOK the ball over the left side for the score and Cleavinger kicked the extra to give the Bobcats a 14-0 lead with only 4:45 gone in the opening frame, and it looked as though the game was going to be another high-scoring affair for the Cats, who had been averaging 45 points per outing.

But there was no more scoring in the first period, although there were two good defensive plays by the Cats as Doss and Wylie teamed up to ride down Bill Bailey after he had gone through the line, and Randy Schumacher and Andrew Garza stopped quarterback Danny Kendrick for a two-yard loss on fourth down and one, to stop a Friona drive on the Dimmitt 33.

Friona mounted a drive early in the second period, but Garza batted down one pass on the 50-yard line and on the next play Thomas intercepted a Kendrick pass on the Dimmitt 46. The Friona line, headed by Carthel, stopped the Cats on three plays and Mark Cleavinger got off a 45-yard punt that went to the Friona 8-yard line.

THREE different Chiefain backs tried to make yardage, but Dimmitt's line would have no part of that and forced the Chiefs to punt. Gary Langford broke through the middle to block Carthel's punt and Loy Wylie came in from the side to pounce on the ball in the end zone for the Cat's third touchdown. The Bobcats were penalized 15 yards af-

ter the first extra-point try, but Cleavinger again made his kick good from the 18 and the Bobcats had a 21-0 lead.

This score stood up until half-time, although the Chiefs twice got drives underway. Schumacher and Cleavinger batted down a pass to foil the first drive, and Loy Wylie and Garza put a rush on Kendrick on a fourth down play to stop the other.

The third quarter saw no scoring but a lot of action. Schumacher broke through once to throw Kendrick for an 11-yard loss; Garza batted down two passes over the middle; and pass interference was called on the Cats at their own 21 to give the Chiefs a first down, but the defense held and took over four plays later, back at the 31-yard line.

EARLY in the fourth period, Garza and Griffitt knocked Cordova loose from the ball and Gary Langford recovered on the Friona 39. Sanders gained 16 yards on a keeper, but the drive was halted at the Friona 25 when Cleavinger missed a pass from Sanders in the end zone.

Friona mounted a drive late in the fourth period that carried to the Dimmitt 34. But on the first play from that point, Griffitt and Thomas teamed up to throw Cordova for a seven-yard loss, and the Chiefains were stymied. Davis Carlton tried a field goal two plays later from 45 yards out, but it was wide and short.

The Bobcats gained 15 yards on runs by Thomas and Sanders,

then Chavers blasted over left guard and went 65 yards to paying dirt, stiff-arming two tacklers away. Cleavinger kicked into the end zone and the ball tried to perch atop one upright before falling away, no good.

THIS MADE the score 27-0 with 2:49 remaining in the game.

Wylie stopped Cordova with a fine tackle at the Friona 41 on the kickoff return, and on first down Chavers threw Rick Davis for a four-yard loss. Dimmitt drew a 15-yard penalty for piling on, but this was to be the Chiefains' final first down of the night. Their futile passes went incomplete, mostly due to heads-up defensive play by Doss and Thomas in the secondary. The Chiefs punted to the Dimmitt 15, and the Bobcats ran out the clock.

Hart suffers first loss at hands of Vega, 15-10

Hart's Longhorns absorbed their first loss of the season Friday night, dropping a 20-15 decision to the Class A Vega Longhorns.

PLAYING on their home field, the favored Vega crew built up a 12-0 lead before Hart got on the scoreboard in the second period to make it 12-8. Vega increased its advantage to 20-8 in the third, but Coach Doug Higgins' Longhorns kept fighting and cut it to 20-15 in the fourth, then mounted a desperate drive that carried to the Vega 38 before the final buzzer stopped it.

After returning the opening kickoff to the 45, Hart picked up two first downs before the drive bogged down at the Vega 25. Three plays later, Vega's Jackie Richardson swept around end and rambled 55 yards for the first Vega touchdown. The home team tried a two-point conversion run but Hart's defense stopped it.

The first quarter ended with Vega ahead, 6-0.

VEGA STRUCK again early in the second, using three completed passes in a row to put together a 68-yard scoring drive. The touchdown came on a 16-yard pass. Again, the running conversion attempt was foiled by Hart's defense.

Hart retaliated quickly. After returning the kickoff to Vega's 38-yard line, Hart scored from 35 yards out when quarterback Harold Bennett fired a second-down pass to end Quincy Hawkins. Jerry Heller limbered up his passing arm on the conversion attempt and tossed a strike to Donnie Black for a two-pointer to trim Vega's lead to 12-8 at halftime.

The two teams settled down to a defensive battle in the third quarter. Late in the period, Vega picked up a first down on Hart's 7 and appeared headed to paying dirt, but the Hart defense rose to the occasion once again and held on the 1-yard line.

BUT TWO plays later, Hart's offense committed its fatal miscue, fumbling at the 8-yard line. Vega fumbled at the 8-yard line. Vega recovered and with the help of a across a touchdown and added a two-point conversion to increase its lead to 20-8.

Midway in the fourth, the two

teams again exchanged fumbles—but this time at Vega's end of the field. Hart drove to the 10, then bobbled the ball away, but three plays later Vega fumbled it back and Hart took over at the Vega 20.

Four plays later, fullback Danny Smith fought his way into the end zone from two yards out, and the point-after kick was good, making the score 20-15 in Vega's favor.

HART TRIED desperately, with time running out, to push another touchdown across for an upset

victory. But the clock ran out with Hart on Vega's 38.

Thomas captures 'Bobcat' honors

Roy Thomas, speedy halfback and defensive safety, was named the "Bobcat of the Week" for his outstanding performance against Friona Friday night.

HE WAS announced as the week's top player by Head Coach Brown L. Smith at Monday night's meeting of the Dimmitt Athletic Booster Club.

Smith noted that Thomas scored two of Dimmitt's four touchdowns in the District 3-AA opener against Friona Friday night, including one of his patented long-range sideline bursts for 56 yards.

Thomas also was lauded for his defensive play against the Chiefains.

THE SENIOR halfback is now the leading scorer in District 3-AA, with 50 points in four games, and is among the top scorers in West Texas.

Thomas was a guest of the Dimmitt Lions Club at its noon meeting Tuesday.

Thirty-seven sports fans attended Monday night's Booster Club meeting to see the game film of the Dimmitt-Friona bout and hear coaches' reports on the week's football games.

COACH Al Lemons reported that the seventh grade team defeated

Three from here enrolled in LCC

Three Dimmitt students are enrolled for the fall semester at Lubbock Christian College.

THEY ARE Keith Gross, son of Mr. and Mrs. Oscar Gross; Garland Jarvis, son of Mr. and Mrs. A. G. Jarvis; and William Street, son of Mr. and Mrs. Donald Street.

LCC is a private liberal arts college now entering its 13th year. It is a four-year college, offering bachelor's degrees in 14 major fields of study.

LOOKING FOR a home to rent or buy? The best deals are on the News classified page, the county's most complete home listing.

Seventh graders top Canyon, 26-0

Dimmitt's seventh graders struck for 22 points in the first half and added a pair of safeties in the fourth quarter to clobber the Canyon Whites, 26-0, in a conference game last week at Canyon.

THE DIMMITT junior high boys' play in a year-old league that is made up mainly of Class AAA schools in the area.

The victory was the second for Dimmitt's seventh graders against no losses or ties.

Robert Mayberry started the Dimmitt scoring with a 45-yard TD run on the third play of the game. Later, Mayberry broke loose again on a 30-yard scoring jaunt to give Dimmitt a 14-0 lead at the end of the first period.

IN THE second, Dudley Woolen lofted a 22-yard scoring pass to Robert Calhoun to increase Dimmitt's lead to 22-0 at halftime.

Dimmitt's defense accounted for the rest of the points.

After a scoreless third quarter, Kenny Talley broke through in the fourth to score a two-point safety in Canyon's end zone, making it 24-0. A few minutes later, Brad Sanders, Max Wohlgenuth and Terry Young joined forces to score another safety, hiking the final tally to 26-0 in Dimmitt's favor.

DIMMITT Coach Al Lemons listed Robert Mayberry, Robert Calhoun, Dudley Woolen and Brad Sanders as the game's offensive standouts. Leading Dimmitt's defense were Brad Sanders, John Cook, Tim Patton, Kenny Talley, Max Wohlgenuth and Terry Young.

Beauty Mist

Beauty Mist Panty + Hose does the unbelievable! It's what you've dreamed about but never thought possible. Separate panty and stockings you can wear together with the waist-to-toe smoothness of perfectly fitting panty hose. All without buckles, snaps, grippers, garters! What made it possible was Beauty Mist's development of an exclusive hold band on the leg of the panty. It keeps the matching stockings securely in place, yet is not binding on the leg. Because panty and stockings are available separately, you create your own perfect fit. And if you get a run, all you have to buy is a pair of replacement stockings.

PANTY SIZES	
Small-Medium	32"-36" hip
Large-Extra Large	37"-41" hip

STOCKING SIZES	
Petite-Medium	4'11"-5'5" height
Tall-Extra Tall	5'6"-5'11" height

PANTY—100% Nylon exclusive of elastic in leg and waist band. STOCKING—100% Nylon.

Panty + Hose Sets \$2.50
Refill Hose \$1.15
Colors: Taupe Mist, Blond, Mist.

Nazareth loses to Bovina, 75-20

Nazareth's Swifts absorbed their third loss of the year Friday night, coming up on the short end of a 75-20 score against the Class A Bovina Mustangs.

'Hunting Guides' should be in soon

The 1969-70 Texas Hunting Guide is now in the mail to license deputies and regional, district and field offices of the Texas Parks and Wildlife Department.

THE DEPARTMENT printed 600,000 of the guides, which contain hunting season information on deer, turkey, javelina, squirrel and quail.

Quails season and bag limit information in the guides is for general law counties only. Seasons and bag limits for regulatory counties will be set at the next Parks and Wildlife Commission meeting sometime in October.

Regulatory county information on quail will be published in a supplemental guide.

This year's guide also contains information concerning the special archery season, which begins in many counties Oct. 1.

The Castro County Clerk's Office said Monday it had ordered copies of the guide to be shipped Sept. 25, but had not yet received them.

ed a home game; the Swifts will go to Happy Friday night, then will play host for the first time Oct. 17 against Alamo Catholic of Amarillo.

Bovina started strong Friday night, putting 20 points on the board in the first period. A touchdown run by Jimmy Harris and scoring passes from quarterback Roy Ramirez to Mike Beauchamp accounted for the three early TDs.

But the Swifts retaliated as quarterback Gene Schmucker scored on a three-yard run, then passed to end J. C. Pohlmeier for two extra points.

IN THE SECOND, the Mustangs passed the touchdown tray around to its other runners Steven Wiseman and Stuart McMeans carried into paydirt.

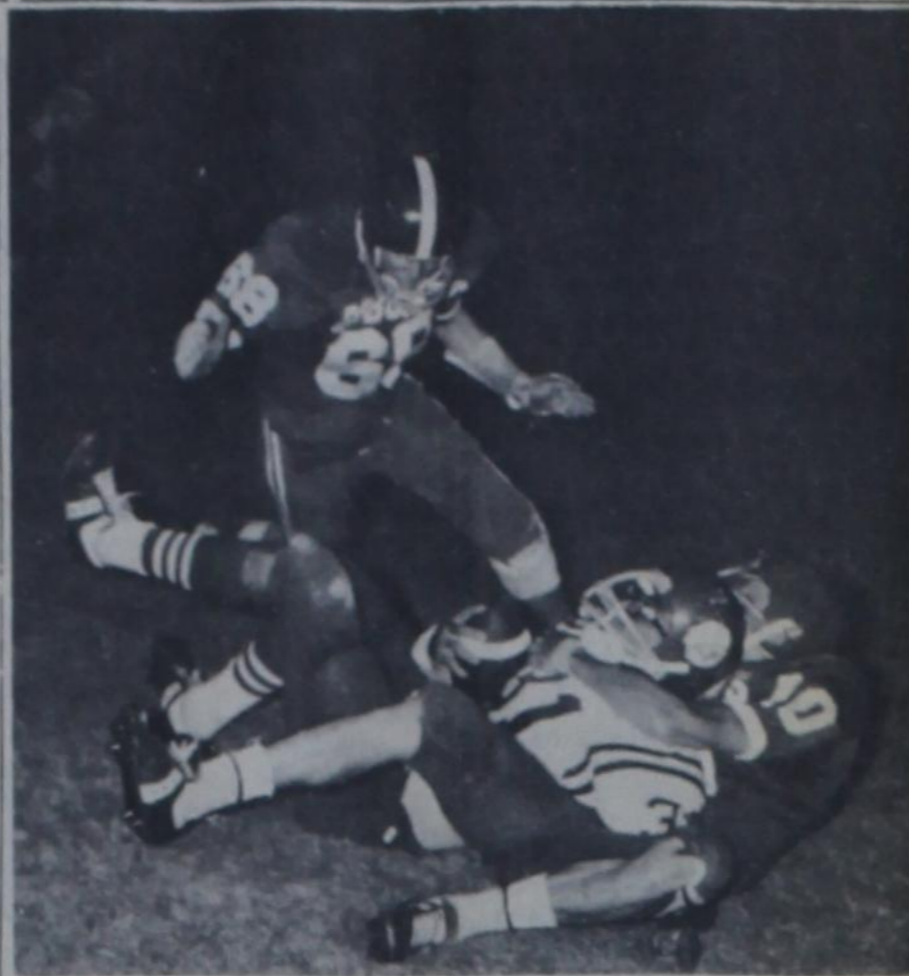

Schmucker added six points for Nazareth in the second, making the halftime score 33-14.

Bovina ran wild in the third, as McMeans garnered three touchdowns on long runs and Beauchamp added a fourth.

Randy Chisum and Jimmy Harris scored for Bovina in the last quarter.

THE SWIFTS, still fighting, scored the final touchdown of the night when Schmucker connected with Billy Hoelting on a 16-yard scoring pass.

Bovina is still undefeated, with a 4-0 standing, and Nazareth now owns a record of three losses and a tie.

WHOA! — Dimmitt's Mark Cleavinger (10) rides Friona's Isadore Cordova to the ground, bulldogging style, to stop the touted Chieftain fullback for no gain in the third quarter of Friday night's District 3-AA opener here. Closing in on the play is linebacker Randy Schumacher (68). Dimmitt won the contest, 27-0.

Bobcats have score to settle when they visit Olton Friday

The shoe is on the other foot this year, and Dimmitt's Bobcats hope to use it to kick Olton's Mustangs around Friday night.

FOR TWO YEARS Dimmitt has had to be Olton's bridesmaid in District 3-AA. But now the Bobcats are bidding high for the District 3-AA marbles, they're the conference co-favorites, they're undefeated, they're state-ranked, and they want Olton's scalp.

The Mustangs, meanwhile haven't had it so good. They've won one game, lost two and tied one.

BUT THIS YEAR'S Mustangs, despite the fact that they're rebuilding under a new coach, won't be pushovers. They're the inheritors of a long, rich dynasty and they still know the ABC's of winning football. The squad is built around a junior varsity that posted an 8-1 record last year.

An upset over the high-flying Bobcats would erase their bad early-season memories and make the Mustangs the talk of the area once again.

Olton lost its District 3-AA opener Friday night, falling to the strong Abernathy Antelopes, 21-7.

THE MUSTANGS' pre-district opponents were all Class AAA teams. In their opener, they lost to Levelland, 19-7, and the second week they tied the hot-and-cold Canyon Eagles, 9-9. They picked up their only victory two weeks ago, bombing winless Muleshoe, 40-0.

The man on the spot in Olton this year is Jerry Blakely, new Mustang head coach. In a town that had seen its football teams win 19 while losing only two in the past two years, Blakely took over a squad that had only two starters and four other lettermen returning from last year's district championship herd. No less than 20 seniors who had been part of the Big Blue Dynasty had received their diplomas and hung up their helmets just before Blakely arrived, and the new mentor was faced with a big rebuilding job.

Then, before the season opened, the Ponies lost two probable starters — quarterback Mike Parsons and tackle Lynn Gullett — with broken bones.

THE ONLY lettermen back are Barry Cowart, Gary "Bull" Durham, Johnny Arroyos, Alfred Garcia and Mickey Crewder.

Cowart and Durham started as defensive linebackers last year, but saw little action on offense. This year, Blakely has moved the 156-pound Durham to the fullback post on offense, and has put the 173-pound Cowart at tailback.

Rounding out the Mustang backfield are slotback Alonzo Springer, a 140-pound junior, and quarterback Steve Stockdale, a 158-pound sophomore.

PROBABLE offensive starters in the Mustang line Friday night are Luis Rey, 151 junior, and Mickey Crowder, 163 junior, at ends; Cecil Oursbourn, 192 senior, and Alfred Garcia, 177 junior,

at tackles; Art Tollett, 163 senior, and Gary Dickenson, 145 senior, at guards; and Jim Key, 173 junior, at center.

The Mustangs are plagued by a lack of depth, inexperience and "absolutely no speed," their coach said. His brightest thoughts are toward the future as he guides his young team through the 1969 grid wars.

Defense has been the Mustangs' long suit this year. Abernathy's 21 points Friday night were the most Olton has allowed any opponent so far. The Pony defense, anchored by Cowart and Durham, has given up only 49 points while the offense has scored 63. So the Olton record is still respectable.

THE MUSTANGS, obviously, would just love to make their record more respectable with a victory over the Bobcats. They'll have the extra stimulus of Homecoming to boost them.

But the Bobcats, who have been short-changed by the Mustangs in the District 3-AA "game of the year" for the past two seasons, have several strong reasons of their own for wanting a victory Friday night. Mainly, they'll want to beat Olton because it's Olton.

The second act of the District 3-AA drama will get underway at 7:30 Friday night in Olton Memorial Stadium. It will be only the second away-from-home game for the Bobcats, who have enjoyed the luxury of three home games in a row.

Colts outlast D-Frosh 28-22

Dimmitt's freshmen fought an uphill battle against Olton last Thursday night but couldn't quite pull the game out of the fire as the Colts handed them their fourth loss, 28-22.

The non-conference game was played at Olton Memorial Stadium.

Dimmitt matched the host team in first downs, 15 to 15, and made one more penetration, six to five, but Olton struck for 22 points in the first quarter and Dimmitt could never catch up.

Olton marched 65 yards for the first TD and added a two-point conversion to take an 8-0 lead.

But Dimmitt fought back, with Jerry Chance racing 65 yards to paydirt. Kenny Ringo added a two-point to knot the score at 8-8.

THEN OLTON took a commanding lead with a 50-yard scoring pass and a 40-yard touchdown drive to make it 22-8 at the end of the first.

Dimmitt kept chipping away, cutting Olton's lead to 22-14 in the second period with a 45-yard drive that ended with Jerry Chance scoring the touchdown.

Olton got a quick touchdown in the third on a 60-yard punt return, putting Dimmitt on the short end of a 28-14 score.

DIMMITT came back with a 45-yard drive, with Kenny Ringo scoring the TD and adding a two-point conversion to make the score 28-22 at the end of the third quarter.

Then the game, which had been an exciting swap-out scoring battle, turned into a defensive bout in the fourth quarter, with neither team able to cross the goal line again.

Dimmitt coaches Roy Blair and Don Parker praised Jerry Chance and Terry Newton for the defensive efforts.

Dimmitt's freshmen will go to Tulla for their next game at 5:30 p.m. today (Thursday).

Community honors Storks

By Mrs. Florence Albracht

Mr. and Mrs. John C. Stork were honored Sunday at a mass at 10 o'clock in Holy Family Church on their 50th wedding anniversary. Rev. Father Stanley celebrated the mass and bestowed many special blessings on the couple. His heartwarming sermon was enjoyed by all.

"Take Our Bread" and "How Great Thou Art" were sung at offertory and at the closing by four of the couples daughters, Mrs. Virgil Pohlmeier, Mrs. Jim Bell, Mrs. Bill Hill, and Mrs. Dennis Heiman. They were accompanied on the organ by Allan Pohlmeier, grandson of the Storks.

Hosts for the dinner and reception at the community hall following the mass were the couples seven daughters, Mrs. Florene Leinen of Dimmitt, Mrs. Virgie Gerber, Mrs. Dorothy Pohlmeier, Mrs. Viola Pohlmeier of Tulla, Mrs. Jean Bell of Fort Worth, Mrs. Evelyn Hill of Hart, and Mrs. Dolores Heiman. Dinner was served to the family and close friends and was followed by a presentation "This is Your Life," by Eugene Gerber, oldest grandson of the couple. The couple have 45 grandchildren and all but six were able to be at the celebration. They also have four great grandchildren.

The former Me'a Wagner and John Stork were married Oct. 6, 1919 in Holy Family Church in Nazareth.

Several granddaughters presided at the serving table, which was centered by a 4 tiered cake.

In the afternoon a reception was held for the couple in the community hall and many friends and out of town visitors came to congratulate the couple and wish them many more happy years together.

PHILIP ACKER is still in St. Anthony's Hospital in Amarillo, where he had major surgery last week. He isn't recovering as fast as was expected.

The Order of Martha met in the home of Mrs. Jack Litsch on Tuesday afternoon, Sept. 30. Thirteen members enjoyed the afternoon sewing and visiting. 48 small altar linens were finished to be sent to Extension Society for the home missions. Linens for our church were cut out to be sewn by the members.

The Catholic Daughters held their regular monthly meeting Wednesday evening in the community hall. Plans for the banquet to be held Sunday Oct. 12 were discussed. This banquet will celebrate the 25th anniversary of the Catholic Daughters Court here and the charter members will be given special recognition and receive pins.

All members of the Court and their husbands, members of the Knights of Columbus and their wives are invited. A mass will be celebrated at 5 p.m. followed by the banquet which the Nazareth P.T.A. will serve. The Knights of Columbus will sponsor a dance in the evening after the banquet, celebrating Columbus Day.

MR. AND MRS. Bob Everest of Los Angeles visited the Greg Hoeltings on Thursday and spent the night with them on their way to Canada. They are the in-laws of Denis Hoeltling. In the evening the Leroy Hoeltings of Amarillo and Ray Schmuckers enjoyed a visit with them in the Greg Hoeltling home.

Marvin Hoeltling, who is a senior at Texas A&M, had the privilege of being one of the college representatives to accompany the Texas Aggies to West Point for the Army and Aggie game, which the Aggies won 20-13. He also enjoyed a sightseeing trip around New York City.

Joe Venhaus is in Methodist Hospital in Lubbock where he had major back surgery Friday. He will have to be flat on his back six weeks and would enjoy getting cards I'm sure.

Enjoying the day with Al Hoeltling Sunday were Mrs. Ann Bowlers of Tulla and Mrs. Geneva Miller of Plainview. They all attended the golden wedding reception for Mr. and Mrs. John Stork. The Donald Detters of Claude also visited with them in the afternoon.

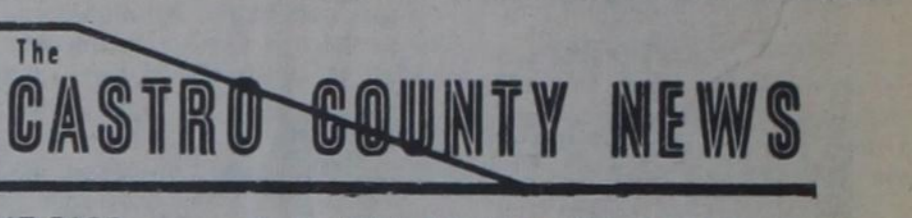

Connie Aberant spent the weekend with Anna Beth Hoeltling here. They are both students at Texas Tech College. Connie is living in San Antonio now but spent most of her school days here.

Lots of football fans went to Bovina Friday night for the game which Bovina won 75-20. We had several injuries and Harold Schacher is still in Plains Memorial Hospital in Dimmitt.

KENNIE AND Cynthia Schulte are the proud parents of a baby boy, born in Plains Memorial Hospital the past week.

Little Chris Brockman, son of the Allan Brockmans of Hereford, after ten weeks in the hospitals in Amarillo was able to come home Sunday, but will have to go back every day for a while for treatments. He seems to be slowly improving.

Mr. and Mrs. Keith Huseman of Sunnymede, Calif., are spending a couple of weeks here with his family, the Philip Husemans. On Sunday, Oct. 5, Mr. and Mrs. Robert Ringo and family of Amari-

MR. AND MRS. G. B. DUNCAN
To be honored Sunday

50th anniversary reception planned

Mr. and Mrs. G. B. Duncan, Dimmitt and Robert Duncan of Amarillo — all attended Dimmitt schools. The Duncans have four grandchildren.

Mr. Duncan is a painter and interior decorator, and does oil paintings of landscapes for a hobby.

HOURS will be 3 to 5 p.m., and all friends of the couple are invited.

Assisting with the reception will be the Duncans' granddaughter, Mrs. Evelyn Ann Heins of Plattsburgh, N.Y.

THE FORMER Lillie Belle Bailey and Mr. Duncan were married Oct. 12, 1919, in Nocona. They have been Dimmitt residents since 1930, and their three children — Mrs. Hill, Glenn Duncan of

Nov. 8 date set

Mr. and Mrs. R. L. Laxson Jr. of Lubbock have announced the marriage of their daughter, Wanda, to Harold Spencer, son of Mr. and Mrs. Noah Spencer of Route 4, Dimmitt.

THE COUPLE will repeat wedding vows at 2:30 p.m. Nov. 8 in the Central Baptist Church of Lubbock, 18th Street and Avenue M.

Miss Laxson, a 1969 graduate of Lubbock High School, is employed by Travelers Insurance Co. in Lubbock.

Spencer, a 1967 graduate of Dimmitt High School, is a Specialist-5 in the US Army and is stationed at Fort Hood, Texas.

Shower honors Donna McGowan

Donna McGowan, bride-elect of Ronnie Hathaway, was honored with a tea and shower Saturday afternoon in the home of Mrs. Kenneth Jackson.

INCLUDED in the receiving line were Miss McGowan; her mother, Mrs. Margie McGowan; and Hathaway's mother, Mrs. Edd Hathaway.

The honoree's sisters, Sherri and Dee Ann McGowan, registered guests while Nancy Jackson and Sherry Cole served coffee, cake and punch. The serving table was covered with a gold linen cloth and centered by an arrangement of white mums, accented by small bride and groom.

ASSISTING with hostess duties were Meses. Herman Burress, Eub Sheffy, Dale Prather, L. V. Cole, Howard Cook, M. L. Simpson Jr., W. W. Jones, Ned Smith, James Wohlgenuth, DeWayne Ludder, V. C. Hopson, Vaden Kirby, Bobbie George, Andy Schumacher, Alvin Frazier, Troy Kirby, Sandy Parsons, Don Newman, Gene Sealey, and Billie Gwen Davis and Bea Hawkins.

Out of town guests included Mrs. Gary Hathaway of Friona, Mrs. Mickey Hathaway of Plainview and Mrs. David Bradley of Farmington, N.M.

On the Go

MR. AND MRS. Jack Boren and Mr. and Mrs. Hub Jones of Lubbock visited recently with Mrs. R. B. Boren.

WHY were your story and picture printed free in the News? Because advertising paid the cost. It's another good reason to shop Dimmitt first!

MRS. LONNIE DALE WAGNER
The former Karen Paulette Kenmore

Vows are exchanged in Nazareth church

Before a marriage altar decked with white gladioli, Miss Karen Paulette Kenmore became the bride of Lonnie Dale Wagner at 7 p.m. Wednesday in the Holy Family Church of Nazareth.

FATHER Stanley Crocchiola officiated at the double-ring ceremony.

Parents of the couple are Mr. and Mrs. Darrell Kenmore of Dimmitt and Mr. and Mrs. Lawrence Wagner of Nazareth.

Karla Mobley, cousin of the bride, served as maid of honor. Bridesmaid was Linda Wagner, sister of the groom.

BEST MAN was Gene Irbeck, and the groomsmen were Kenry Wagner, brother of the groom. Ushers were Tommy and Jimmy Hoelting.

Mrs. Leonard Conrad provided traditional wedding music at the organ before and during the ceremony, and accompanied Mrs. Truman Touchstone, who sang "Ave Maria" and "The Wedding Prayer."

Given in marriage by her father, the bride wore a formal wedding gown of white peau de soie designed with a Sabrina neckline and long tapered sleeves. An Empire waisted bodice was accented with motifs of Chantilly lace flowers and seed pearls. The floor length skirt of peau de soie and the chapel sweeptrain, attached at the waist, also were accented with Chantilly floral lace. The butterfly veil of triple tiered illusion was secured by a headpiece of Chantilly lace leaves, edged in pearls and crystal. The bride wore a single strand pearl necklace and carried a bouquet of white roses and carnations with white streamers.

Her attendants wore matching

Vows set Saturday

Juanita Ewing will become the bride of Gary Wayne Evans Saturday at 8 p.m. in the Lee Street Baptist Church of Dimmitt.

MISS EWING is the daughter of Mrs. Mabel Ewing of Dimmitt, and Evans is the son of Mrs. Billie Jo Evans of Dickens.

All friends and relatives of the couple are invited to the wedding and to the reception which will follow in the Claude Yates home, 211 NW Fifth St.

Beta Sigma Phi sends gift bags to 25 servicemen

The Alpha Epsilon Tau chapter of Beta Sigma Phi sorority sent 25 "ditty bags" full of gifts to servicemen in Vietnam last week.

DONATING usable gifts for the bags were the Dimmitt Jaycees, TG&Y Store, C. R. Anthony Co., Parsons Rexall Drug, Carver Pharmacy, Dimmitt Super Market, Taylor & Sons Grocery and Cobb's Department Store.

Mrs. Tina Rawlings prepared the bags, with Mrs. Mary Bechtel coordinating the gift list.

"CHARM—Your Inner Beauty" was the program topic at the chapter's meeting last week, with Suzie Ellis presenting the program.

They emphasized that good poise makes one more attractive and builds self-confidence.

Mrs. Bud Hill was a visitor at last week's meeting.

Refreshments were served by Mrs. Nancy Ross and Mrs. Gail Ratcliff.

Socially Yours

Semi-tailoring workshop planned

A semi-tailoring workshop will begin at 4 p.m. Tuesday in the courthouse assembly room.

SPONSORED by the Castro County Family Living Committee, the workshop is open to all women who have basic sewing skills. Six sessions will be held, with one each Tuesday and Thursday afternoon in October.

Anyone wanting further information may phone 647-3455.

Study shows economies larger feedlots enjoy

Large commercial cattle feeding operations with 10,000-head or more capacity enjoyed a cost advantage over smaller feedlots in Texas and Oklahoma during 1966-67, especially over those with less than 1,000-head capacity.

A RESEARCH report, "Costs and Economics of Size in Texas-Oklahoma Cattle Feedlot Operations," Bulletin 1083, just released by Texas A&M University in cooperation with the US Department of Agriculture, points out that the effect of location on feeding costs within the Southern Plains, and the effect of the various cost components on cattle feeding operations.

Dr. Raymond A. Dietrich, assistant professor of A&M's Department of Agricultural Economics and Sociology, said the recent upsurge of cattle feeding in Texas and Oklahoma has raised numerous questions concerning economies of size in feedlot operations, the effect of location on feeding costs within the Southern Plains, and the effect of the various cost components on cattle feeding operations.

Accordingly, a study was designed to analyze these questions. It represents the second phase of a comprehensive economic analysis of cattle feeding within the Southern Plains. An earlier study provided a detailed analysis of management practices and cattle feeding systems in Texas and Oklahoma.

THE STUDY shows that feedlot investments in fixed facilities varied by size of feedlot and feeding area. Total capital investments in equipment and facilities averaged about \$35 per head of capacity. The two largest which accounted for more than one-half of the total fixed investments, were pens plus associated equipment and milling equipment.

Dietrich stated that variable or operating costs accounted for 95 percent of the total feeding costs in the Southern Plains during 1966-67. Annual fixed costs made up the remaining 5 percent.

Feed, which accounted for more than 80 percent of the total variable costs, was the most important variable cost item. Variable labor costs and interest on feeder cattle accounted for about one-half of the remaining variable costs.

Depreciation costs and fixed labor represented about 60 percent of the total annual fixed costs.

FEEDLOTS with a one-time feeding capacity of 1,000 head experienced total annual fixed costs equivalent to about 2.4 cents per pound of gain, compared with 1.4 cents per pound of gain for feedlots with 10,000-head capacity.

One of the major contributors to lower annual fixed costs per pound of gain in the larger feedlots was the level of feedlot utilization rates.

Feedlots with 10,000-head and over capacity generally exhibited utilization rates above 75 percent, compared with utilization rates of 50 percent and lower for feedlots with less than 1,000-head capacity. However, the competitive advantage due to size declined when feedlot utilization rates were held constant at consecutively higher levels.

Based on 1966-67 grain sorghum production and various assumptions regarding feed use, grain sorghum available for feeding in Texas during 1966-67 was estimated to be sufficient for finishing approximately five million head of cattle, or about triple the number of fed cattle marketed during that period. In addition, feeding cost differentials between feeding areas and available sources of nearby feed supplies suggest that cattle feeding will continue to be concentrated most heavily in the Texas and Oklahoma Panhandle areas.

THE STUDY suggests that increased emphasis will be placed on a high degree of feedlot utilization rates as feedlots increase in size and are faced with increasingly larger capital investments in fixed facilities. The proportion of cattle fed on a custom basis will probably increase above 1966-67 levels, when almost 60 percent of the cattle were fed on a custom basis in the Southern Plains.

Copies of the publication, Dietrich said, are available from the Mailing Room, Department of Agricultural Information, Texas A&M University, College Station, Texas, 77843.

Mrs. Jerri Cook

Former Hart lady gets LVN degree

A former Hart resident was a member of the recent graduating class at Memorial Hospital School of Vocational Nursing in Dumas.

SHE IS Mrs. Tommy Cook of Cactus. The former Jerri Sullivan, Mrs. Cook is the daughter of Mr. and Mrs. H. H. Sullivan of Hart. Commencement exercises were held Thursday night, Sept. 25, in the First United Methodist Church of Dumas.

Mrs. Cook, a 1955 graduate of Hart High School, is the mother of three boys — Kelly, 11, Kevin, 8, and Kerry, 5.

Square Dance Tips

By BILL HARMAN
The Dimmitt Promenaders had visitors from Lubbock, Kress, Plainview, Amarillo, and a couple from Weskan, Kan., Tuesday night at the regular weekly square dance. Sid Perkins did the calling with guest tips by Leon Collins and Jimmy Wordler.

HOT couples for the evening were Jimmy and JoLynn Martin and Darryl and Linda McLain. The door prize was won by William Bellinghausen.

Square dance lessons are being taught from 8 till 9 and the regular square dance begins at 9 p.m.

Visitors are always welcome to watch the whirls and twirls of the Promenaders. There is always plenty of chairs, and the refreshments are delicious. The place is the American Legion Building, in good old Dimmitt, Texas. So! You all come. Square dancing is a family affair.

Square 'em up! Square dancing is fun.

Nazareth girls and mothers capture homecraft prizes at Tri-State Fair

Twelve Nazareth girls and mothers won top ribbons for their handcrafts and home-canned products during the recent Tri-State Fair in Amarillo.

THEY WERE:
Mrs. Mary Acker — second in canned green beans, first in pickled onions.

Elaine Acker — first in tea towels, first in mulberry jelly, special baking award and Holly Sugar award for jelly.

Agnes Acker — first in pillowcases.

Debbie Acker — second in tea towels, second in canned green beans.

MRS. JOHN L. WOMACK — first in cinnamon rolls, second in dill cucumbers, second in peanut brittle, first in bar cookies, special baking award and Holly Sugar award for bar cookies.

Rita Womack — second in blouses, first in peanut brittle, first in other cakes, second in bar cookies, first in peach preserves, first in pickled cucumbers, second in pickled okra, special baking award and Holly Sugar award for preserves, special calling award and a dozen Ball jars for pickles.

Christine Wilhelm — first in blouses.

Margie Wilhelm — second in blouses.

Lucy Maurer — first in dresses.

MRS. WILLIAM C. HOCHSTEIN — first in canned peaches, pepper hash, chow-chow, grape juice, cherry preserves and peach jelly; second in pickled beets, sweet cucumbers, pickled peaches, corn relish and chocolate fudge; special calling award of a dozen Ball jars for preserves and two dozen Ball jars for jellies.

Patty Hochstein — first in cup-cakes, second in peaches, first in pears, second in pickled beets, first in cherry preserves, second in peach jelly, special baking award, Holly Sugar award for preserves, special calling award of a dozen Ball jars on preserves.

Carol Hochstein — first in fudge, quick loaf bread, canned peaches and pickled okra, second in grape jelly and pickled cucumbers.

Debbie Hochstein — first in pickled beets, pickled cucumbers and angel food cake, second in pear preserves, bread and butter pickles and pound cake.

Spanish leads in furniture styles

Spanish-Mediterranean styled furniture still is the top selling style, but sales in modern and contemporary styles are increasing the fastest.

BONNY LAY, Extension housing and home furnishings specialist, reports on a semi-annual survey conducted by the home furnishings trade newspaper, "Home Furnishings Daily."

According to rooms, Spanish rules in the bedroom, dining room and family room. It was listed second behind traditional for the living room.

Green, whether solid or the dominating color in a print, is the favorite color for both traditional and modern furnishings. Gold was second with black-brown beige neutrals, yellows and blues showing a definite increase in popularity, Miss Lay says.

IN WOODS, walnut dominates the modern, contemporary and Scandinavian styles; whereas pecan is for Spanish-Mediterranean styles. Maple continues to be favored for Early American; fruitwood for French and Italian; and mahogany for 18th century styles.

13 attend NFO state convention

Thirteen Castro Counties attended Texas' first state convention of the National Farmers Organization in Fort Worth last week.

THE CONVENTION was held at the Blacstone Hotel Sept. 29. Featured speakers were John Oster of Corning, Iowa, Will Rogers Jr. of Arizona, and National President Oren Lee Staley.

During the meeting, Don Kin-ble was nominated to the national NFO board.

Attending from Castro County were Robert Hawkins, Melvin Aven, Worth Jones, Wade Mills, J. D. Murray, Bill Bell, Bill Rich, Leonard and Elmer Schulte, Mr. and Mrs. Carl Bradley and Mr. and Mrs. Rayburn Ott.

Plans are being completed now for the national convention to be held Dec. 10 and 11 in Louisville, Ky.

"Low calorie foods" are being used in 64 percent of US households, report Extension food and nutrition specialists. Low-calorie canned fruits are used by 32 percent of the families, compared to 16 percent in 1965.

Tulia Livestock Auction, Inc.
IS NOW RECEIVING THEIR FALL RUN OF WHEAT PASTURE and LIGHT STOCKER CATTLE

WE NOW HAVE:

- Good and Choice Black and Black-Whiteface Steers weighing 350 pounds.
- One Class of Good and Choice Steers weighing 200-250 pounds.
- Good and Choice Charolais Steers weighing 375 pounds.

This is just a few of the classes we have at all times. These cattle will be sold at any time through the week. BUYERS ARE WELCOME AT ANY TIME.

If we don't have the class of cattle you need we will be more than pleased to special order for you. Use our complete facilities for branding, vaccinating, and doctoring cattle for pasture. We have trucks available for pick-up and delivery.

Auction Sale Every Friday 10:00 a.m.

Ruth Circle meets Monday

The Ruth Circle of Women's Society of Christian Service of First United Methodist Church met Monday afternoon in the church.

Mrs. Sid Sheffy, chairman, presided.

THE STUDY "Dare to Reconcile," was introduced by Mrs. Andy Behrends, assisted by Mrs. Earl Lust. Meditation was given by Mrs. R. E. Wilson. Eleven members and one visitor, Mrs. Green Erskine of California, were present.

Following the meeting the group attended a farewell party for Mrs. Beulah Wright who moved to Plainview Wednesday in the home of Mrs. Clarence Bearden.

● On the Go
MR. AND MRS. Wilmer Cook attended the 40th wedding anniversary celebration of their friends Mr. and Mrs. Hal Culver. Mrs. Culver is the former Curtis Watson of Dimmitt. This was held at the Federation Club in Amarillo.

Smith proclaims State 4-H Week

Gov. Preston Smith in an official memorandum said, "Texas 100,000 4-H members are observing National 4-H Club Week, Oct. 5-11."

"THE PURPOSE of 4-H work is to give equal training to the Head, Heart, Hands and Health of Texas young people and to help prepare them to be better leaders and citizens who will fit into society where their life's work may take them."

"4-H is a part of the educational program of the Texas A&M University Cooperative Extension Service, and is supervised on the local level by county Extension agents along with the help of 19,000 local volunteer 4-H leaders."

"Texas 4-H members, working with over 202,529 educational learn-by-doing projects, apply the latest research and scientific information to their work, keeping records, arranging exhibits and giving demonstrations as means of passing information learned to others."

"The leadership and citizenship training which 4-H members receive is a valuable asset to our democratic way of life."

THE GOVERNOR urged all citizens to support and encourage the work of the "To Make the Best Better" organization.

State 4-H Club leaders point out that 4-H programs have changed through the years and now include projects and activities for rural, suburban and urban youth.

Stock nutrition conference set

The latest advances in livestock and poultry nutrition and feed manufacturing will be discussed during the annual Texas Nutrition Conference at Texas A&M University next Wednesday and Thursday.

PROGRAM Chairman J. R. Couch of the Texas A&M Poultry Science Department said the program is aimed at nutritionists, feed makers, integrated poultry operators and feedlot operators.

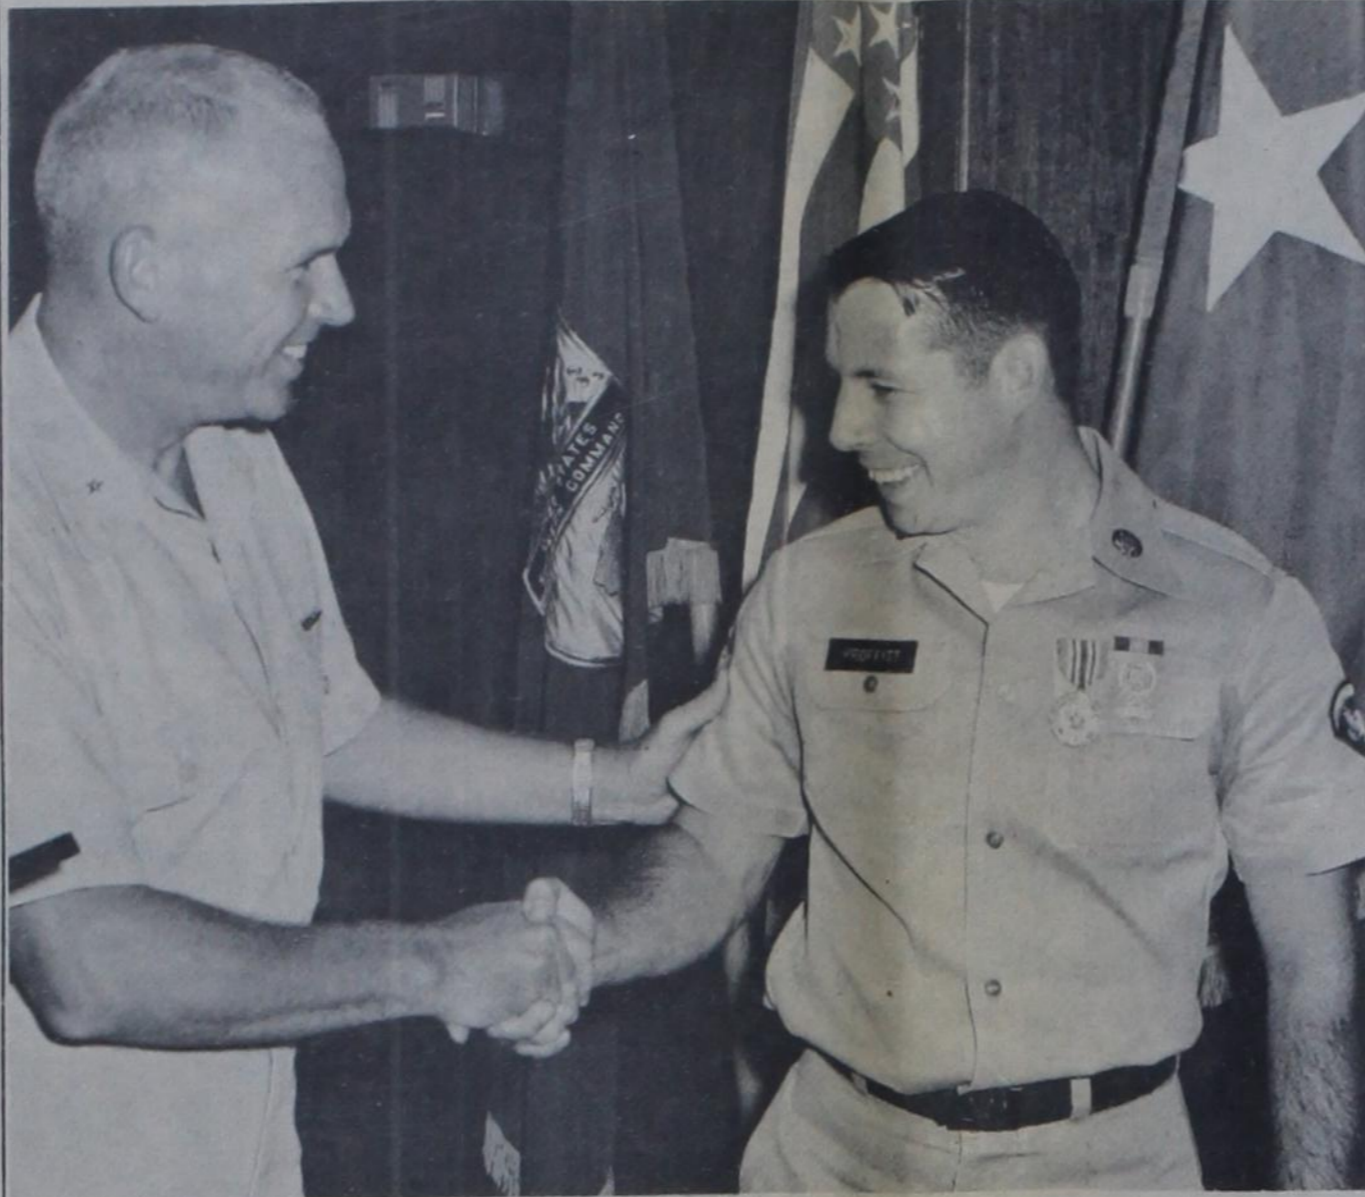

He said morning sessions will be devoted to general subjects. Then conference members will split into poultry and livestock nutrition groups for further discussions.

Feed formulations and current management practices for cattle feedlots will get special emphasis the chairman added. There also will be three presentations on use and practice of computers in feed formulations, feed control, and Food and Drug Administration regulations on such usage.

ACTIVITIES start at 9 a.m. the first day at the Ramada Inn near the A&M campus. The program begins with an address by Dr. L. S. Pope, associate dean in the A&M College of Agriculture, who will talk on "A Challenge To The Texas Livestock Industry."

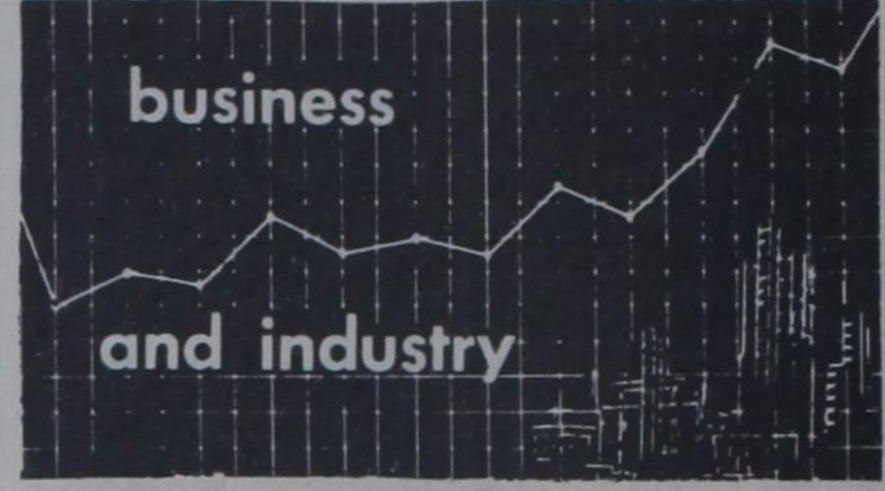

The conference will close with a banquet on the evening of Oct. 16.

COUCH SAID more than 200 persons are expected to attend the meetings. Conference sponsors are A&M University, Texas Feed and Fertilizer Control Service and the Texas Grain and Feed Association of Fort Worth.

GOODBYE PANAMA, HELLO DIMMITT — Sp-5 James D. Proffitt, administrative specialist in the US Southern Command Intelligence Directorate at Quarry Heights, Canal Zone, received the Joint Service Commendation Medal shortly before his separation from active duty in the Army.

Proffitt and his wife, Donna Gail, moved last week to Dimmitt, and he is now employed by Schaeffer & Ratcliff, Certified Public Accountants. An accounting graduate of Angelo State College, Proffitt is the son of Mr. and Mrs. James L. Proffitt of Big Lake.

Pioneer to file for adjustment in 'gate rate'

Pioneer Natural Gas Co. has announced its intention to file an application with the Texas Railroad Commission for an adjustment in the city "gate rate" for gas delivered to Dimmitt and other West Texas System cities.

A NEW GATE rate will have no immediate effect on current gas rates. However, such an increase would establish a new cost of gas at the "city gate" — or the pipeline delivery point at the city limits — and would provide changes in domestic and commercial rates in the city.

The last determination of Pioneer's gate rate was based on operating costs and investment values for the year 1961. Since that time the field cost of gas, labor, materials and supplies, as well as interest rates, have gone up frequently and substantially, Pioneer officials noted.

It is Pioneer's intention to ask the Railroad Commission to establish a city gate rate of 34 cents, plus an allowance for federal surtax, compared with the present rate of 28 cents.

The federal income tax 10 percent surtax charge would currently expire Dec. 31. Pending legislation would cause its continuation, and the outcome can be better judged during the pendency of the Railroad Commission proceeding.

Continuation of the tax at a 5 percent rate would add approximately half a cent, and continuation of the tax at a 10 percent rate would add approximately half a cent, and continuation of the tax at a 10 percent rate would add approximately one cent.

PIONEER intends to file its application to the Railroad Commission by Friday. Under normal procedure, the Commission will then set a date for hearing Pioneer's case. Pioneer said it will notify all cities and towns in the system of the hearing date so local representatives can attend if they wish.

Here are week's plentiful foods

Round steaks, ground beef, short ribs, chuck steaks and roasts and liver look like the best beef values this week, says Gwendolyn Clyatt, Extension consumer marketing specialist, as she reports on food supplies for the weekend shopper.

PORK supplies have increased a bit with good values including shoulder roasts and steaks, some chops, smoked hams, picnics and canned hams.

The Texas A&M University specialist adds that some brands of bacon will be featured this weekend.

Prices on frying chicken generally are up, but shoppers can find good buys on fryer parts and whole birds. Frozen turkeys are an economical protein food choice.

Grace A large size eggs offer the best combination of quality and economy for egg money, Mrs. Clyatt says.

FRESH FRUIT in good supply at the most economical prices includes apples, oranges, bananas, prunes, toky and thompson seedless grapes, peaches, cantaloupe, nectarines and bartlett pears.

Utility acquires TranState Tire

Burton P. Smith, president of Pioneer Natural Gas Co., and Leonard J. Nussbaum, president of TranState Tire Co. have announced that an agreement in principle has been reached between the two companies for the acquisition by Pioneer of TranState Tire Co. and its subsidiaries.

TRANSTATE Tire Co., with general offices in Amarillo, is the largest independent tire retailer in the US. The company has manufacturing plants at LaPorte, Ind., and Dallas. TranState sells retread tires to major tire distributors throughout the southeastern, southwestern and midwestern United States. The bulk of TranState's production is sold under private label to large national buyers. A portion of the production is sold under the company's brand name.

Pioneer announced that it would purchase the entire capital stock of TranState and its subsidiaries through the exchange of common stock of Pioneer.

TranState was organized by Leonard J. Nussbaum and associates. The Dallas plant went into operation in September 1965, and the plant at LaPorte, Ind., commenced operations during May 1966.

NO CHANGES in operating personnel are anticipated, and the TranState companies will operate as autonomous, wholly-owned subsidiaries of Pioneer Natural Gas Co.

TranState has immediate plans to add additional equipment, enabling the company to increase the output of its plants by 60 percent.

In making the announcement, Smith said, "The acquisition of TranState Tire Co., continues the announced program of Pioneer Natural Gas Co. to expand its operation into new fields. We feel the possibilities for TranState's future to be practically unlimited."

Methodist youth to show movie, 'Restless Ones'

"The Restless Ones," considered the most successful motion picture yet produced by Evangelist Billy Graham, will be shown at 7:30 p.m. Wednesday in the First United Methodist Church of Dimmitt.

THE FILM is sponsored here by the senior and junior high United Methodist Youth, Jim Ratcliff is the UMY counselor.

Rev. Jim Pickens, pastor, invited the public to attend the showing of the film. No admission will be charged, but a special offering will be taken for the Billy Graham Film Association. The church's UMY groups are paying the expenses for showing the film locally.

With the accent on youth, the feature-length film deals dramatically with the current teenage crisis. With a background setting provided by the 1963 Billy Graham Los Angeles Crusade, "The Restless Ones" is a hard-hitting, bold approach to our social problems.

ONE REVIEWER said after seeing the film, "Here is a picture that tells the world the truth and comes up with an answer, not an easy answer, but an answer from beyond us."

This answer is intended to satisfy, challenge and inspire young and old alike, and to appeal to churchgoers and non-churchgoers. The Christian message comes through in the midst of a realistic plot episodes highlight the opportunities facing the church.

Screenwriter James Collier has brought into focus the contemporary plight of both teenagers and parents.

THE PEOPLE SPEAK — Congressman Bob Price shows the return he has received so far on questionnaires sent to residents of the 18th Congressional District in July. "I think the response showed widespread

interest in national issues as well as very definite trends in the thinking of those who responded," Price said. The News will print the item-by-item accounting of results next week.

Price reports:

Congressman outlines proposed farm program

By BOB PRICE, Congressman, District 18

The Secretary of Agriculture unveiled the Nixon Administration's long-anticipated agriculture proposals this week in hearings before the House Agriculture Committee. Secretary Hardin revealed, in broad strokes, the thrust of the department's thinking on such issues as commodity programs and long-range land retirement. Specifics will have to be spelled out in future messages to Congress.

THE SECRETARY'S testimony ran to 14 pages with six additional pages of appendix. In order to report to you as fully as possible, I am going to divide his recommendations into two sections and report his week on commodity programs, saving until next week the issue of resource adjustment through land retirement and other means.

As you are no doubt aware, the present farm program expires Dec. 31, 1970. New legislation must be approved by April of 1970 at the latest, to afford wheat producers and others a chance to study the program and make necessary decisions before planting time. If new legislation is not passed by the time the present act expires, net farm income will decline by about a billion dollars a year.

In trying to arrive at a workable farm program which farmers would support, Secretary Hardin and members of his staff traveled all over the country listening to farmers, commodity groups and farm organizations, weighed the testimony and conferred with House and Senate leaders of both parties. As the Secretary noted in his testimony, "... It is clear to us that farmers want help to bring their incomes up to the level of the national average and that they want a bigger say in decision-making on their own farms."

IT IS ALSO abundantly clear that neither the House Agriculture Committee, nor the Administration, nor the Republicans, nor the Democrats can pass a farm bill without the other's help.

Pheasant season to open Dec. 13

The 1969 pheasant season in the Panhandle will open Dec. 13 for nine consecutive days, closing Dec. 21, says Jack Parsons, wildlife supervisor for the Texas Parks and Wildlife Department.

DICK DEARMENT, project leader, kept careful statistics of last year's hunt for the big birds and found that they weighed in excess of two pounds each, well worth the work and walking involved.

Statistics were compiled for the first two days of the hunt, there were conservatively expanded for an annual estimate of data on hunters and hunted in the three million acres of six Panhandle counties.

On the first two days the feathers flew, and 6,159 hunters bagged 4,248 cock birds. It might appear that some of the flying feathers were on birds untouched by the sprays of shot. The extended estimate of statistics at the end of the season revealed that approximately 26,000 hunters dropped 18,000 of the bombshell birds in the bag, a hunter success of 0.69 birds per hunter.

BIOLOGISTS say the birds are in good condition, and are not presently suffering from any apparent food shortage. Bag limit on pheasant this year will be two cocks per day, four in possession after the first day's hunt. Head and feet must remain attached to the carcass.

'Punt-pass-kick' scheduled Sunday

Dimmitt's Jaycees, coaches and varsity football players will conduct the annual punt-pass-kick contest Sunday afternoon for all boys 8 through 13.

FOOTBALLS will start flying at 2:30 p.m. at Bobcat Stadium as each boy competes against others his own age. The effective age date is Jan. 3, 1970; boys will compete according to the age they will be on that date.

Each boy will perform a standing punt, a pass and a running tee-kick. Both distance and accuracy will be figured in the point scoring. Official contest footballs will be furnished at the stadium. Also, workers will give the boys as much pre-contest instruction as time allows, and all boys will be served soft drinks at the close of the contest.

TROPHIES will be awarded to the first, second and third place winners in each of the six age groups by Bob Goss Ford. Also, each first place winner will compete in the zone contest at Canyon's Buffalo Bowl Oct. 18. For those who keep winning, the contest goes to district, area, division and national levels in a nationwide program sponsored by the Ford Motor Co. and the National Football League.

Jim Ratcliff, chairman of the contest, said all boys 8-13 in the county are eligible to enter the local contest.

Peace Corps Facts, Figures

The University of Hawaii has trained more Peace Corps Volunteers than any other American institution, according to agency director Jack Vaughn.

The average Peace Corps Volunteer is 24 years old and a college graduate in the liberal arts.

Peace Corps Volunteers sometimes have very special jobs. One is a museum curator in Nairobi, Kenya; another is director of Bolivia's National Symphony; still others are beekeepers, meteorologists and radio broadcasters. In all, Volunteers now serve in 95 skill specialties in 59 nations, according to Peace Corps Director Jack Vaughn.

Lions schedule magician's show

Can a lady float in mid-air? Can rabbits appear and vanish before your eyes?

THESE ARE two of the many questions that will be answered Oct. 25 when the Dimmitt Lions Club presents Fred Story, master magician, and his company with the magical revue, "20th Century Phantasies."

The show will be at 8 p.m. Saturday, Oct. 25, in Dimmitt High School auditorium. Dimmitt Lions Club members are now selling tickets.

The program is a two-hour revue of magic and illusion, and utilizes

more than two tons of stage equipment. The program will include such mysteries as the "Spook in the Bottle" and other "impossibilities" with rabbits, ducks and pigeons.

STORY MAKES his permanent home in Tulsa, and travels throughout the US with his magical revue.

His "20th Century Phantasies" show has been acclaimed by the press and public as one of the cleanest, most attractive and most entertaining shows of its kind on the road today. Story's stage equipment represents thousands of dollars' worth of special costumes, lighting and stage settings to create a special "air of mystery."

"20th Century Phantasies" is billed as "a show that children take their parents to see."

Lubbock schools announce annual 'college night'

The Lubbock Public School District will conduct its annual "College and Vocational Night Program" for area residents Oct. 20 at Coronado High School, 34th Street and Vicksburg.

THE PROGRAM will be held from 7:30 to 9:30 p.m., with college and vocational school representatives from approximately 50 schools on hand to counsel with students and parents.

The meeting will be open to all area high school students, junior high students, parents, teachers, counselors, administrators, business and professional people.

The program schedule includes a general assembly in the Coronado High School auditorium from 7:30 to 7:55, and three 25-minute sessions beginning at 8:00 and 9 p.m.

EACH STUDENT present will have the opportunity to visit with the representatives of three colleges during each 25-minute session. The following items will be discussed for benefit of students and parents:

1. What is the total cost for one year of schooling, including all fees, room and board?

2. How much and what kind of foreign languages, mathematics, and science is required for admission and graduation?

3. Must you live in the dorms and eat in the college cafeteria? What are the dorms like?

4. HOW ARE scholarships and student loans handled? How hard is it to receive financial assistance?

5. What college entrance test scores are recommended for admission? How are these scores used?

6. What is the average size of the classes for freshmen?

7. How difficult is it to find part-time employment? Does the college assist in securing jobs?

8. HOW WILL junior college grade points and credits count when transferring to a four-year college?

9. What programs in advanced placement are offered?

10. What are some of the stronger departments in the school?

Dallas will host conference on livestock health

The second annual Southwest Animal Health Conference for Livestockmen is scheduled Jan. 30-31 in Dallas.

SPONSORED by the Texas Veterinary Medical Association and the College of Veterinary Medicine at Texas A&M University, the two-day event is designed for producers of livestock and poultry in Texas, Louisiana, Arkansas, Oklahoma and New Mexico.

Scheduled on the program are speakers recognized throughout the US for their knowledge in the care of beef animals, swine, sheep, dairy animals, goats, poultry and horses.

Demonstrations on the program will include a cesarean section of a beef heifer, evaluation of the bull for sound breeding, the gentling of a horse, and measuring the pelvic diameter of the heifer carrying her first calf.

MEMBERS of the animal health conference advisory board are Ben Carpenter of Dallas, businessman-rancher; Murray Cox of Dallas, farm-ranch director of WFAA Radio-TV; Dr. G. Kendrick of Marlin, rancher; Charles E. Ball of Dallas, Southwest editor of Farm Journal magazine; Steve Wheelless, Dallas County agricultural agent, and Jim Simons of Waco, banker-dairyman.

President of the Texas Veterinary Medical Association is Dr. B. R. Trimmer of San Antonio. Co-chairman of the 1970 conference are Dr. W. L. Anderson, Dallas practitioner, and Dr. L. C. Grumbles, head, Veterinary Microbiology Department at Texas A&M University.

Conference activities are scheduled for the Marriott Motor Hotel and the State Fair Grounds.

MUCH OF the 4-H program is centered around the home and family. May parents are former 4-H members and want their children to have the same opportunities they enjoyed and profited from during their youth. A successful 4-H'er needs parents' cooperation and encouragement.

Kress will host Wednesday Bi-County PTA

The Bi-County PTA Council will meet Tuesday at 9:30 a.m. in the school board room of Kress High School.

MRS. NELL WEDDING will give the program on the new English teaching techniques now being used in the schools.

Preceding the meeting, coffee will be served at 9 a.m. at the school.

The meeting is open to PTA members of all schools in Castro and Swisher Counties.

Prairie chicken open season set

Open season on lesser prairie chicken in the Panhandle counties of Collingsworth, Donley, Gray, Hemphill, Lipscomb, Ochiltree, Roberts and Wheeler will be Saturday and Sunday, Oct. 11 and 12, says Jack Parsons, wildlife supervisor for the Texas Parks and Wildlife Department.

A HARVEST equal to last year and the year before is expected, provided there is no decline in the number of participating hunters. Prairie chickens decreased in number over the years, and 1967 was the first open season held in many years. Project leader Dick D. Arment says 240 hunters bagged 375 birds that averaged 1.6 pounds each.

During the 1968 season there were only 201 successful hunters, but they climaxed the season with 317 birds that averaged 1.5 pounds each.

DeArment says the courtship grounds this year reveal an increase of 25 percent, so the harvest is expected to remain about the same as the previous seasons.

THE PRAIRIE chicken bag limit has been set at two, with a possession limit of four, after the first day's hunt. Only shotguns and longbows and arrows may be used, and it will be illegal to fail to present each prairie chicken lawfully taken to one of the department's check stations prior to 10 p.m. on the date taken.

It is unlawful to possess any prairie chicken except during the open season that does not have affixed to it a tag applied at a department check station. The stations will be maintained in Higgins, Allison, Wheeler, McLean and Canadian.

DeArment says the birds appear to be in very good condition, and with some hard work and walking, hunters should enjoy a successful season.

WHEN NEWCOMERS want to buy or rent a home, they look first at the classified ads!

Texas air show will stop here

The annual "Texas Air Tour" will come to Dimmitt Wednesday when 40 to 50 airplanes land at Dimmitt Municipal Airport between 3:45 and 4:15 p.m.

THE AERIAL fleet will carry 75 to 100 pilots and passengers on a statewide flight to see Texas from the air.

The touchdown here will be a "hoody" stop, and the Chamber of Commerce will be on hand to serve coffee and doughnuts to the flying tourists.

Also, Karen Lafferty of Portales, Miss Grain Sorghum of the Nation, will be here to perform for the flying Texans. Miss Lafferty sings popular, folk and novelty songs, accompanying herself on the guitar.

REFORD BURRUS, chairman of the CoC transportation and communications committee, said a bus tour of the Dimmitt area will be provided for the pilots also, if their schedule allows time for it.

The Texas Air Tour, which started 18 years ago, is a group aerial tour of the state sponsored by the Texas State Aviation Association, Texas Private Flyers Association, Texas Flying Farmers, Texas Ninety Nines, and the Texas Wing of the Civil Air Patrol. The pilots will touch down at 40 different airports to acquaint themselves with their state, its people and its scenery.

The tour is also "dedicated to the development of general aviation through the promotion of aviation appreciation and aviation education," and is planned "to

stimulate the community interest and appreciation for their local airport facilities and to help impress upon the citizen the great use and potential of air transportation."

DIMMITT IS the northernmost touchdown point for this year's Texas Air Tour.

Burrous urged all interested Dimmitt residents to be at the airport Wednesday afternoon to give the visiting pilots "a big Dimmitt welcome."

Sandwich needs right type bread

Although 72 percent of all bread purchased is enriched white bread, many varieties can help sandwiches fit any occasion — from a he-man picnic to afternoon tea.

PENNY-WISE, the larger 1 1/2 pound loaf will cost less per ounce than the pound loaf, according to Gwendolyn Clyatt, Extension consumer marketing specialist.

She adds that plain breads usually cost less than those with added seed, fruits or other flavoring agents.

Combine breads and fillings that compliment each other in flavors and textures. Mrs. Clyatt has these suggestions:

ENRICHED white bread: ground ham, peanut butter, sliced bananas and lettuce; cold roast beef; cucumber and cottage cheese.

Rye bread: baked ham; corned beef, horseradish and salad dressing; shredded carrot and raisin with mayonnaise; salmon salad; Swiss cheese.

Cinnamon bread: cream cheese and chopped nuts; diced apple and dates with salad dressing.

Raisin Bread: pineapple and cream cheese.

Weiner buns: grilled weiners; creamed turkey.

Hamburger buns: egg salad; dark turkey meat; hamburger.

ALTHOUGH diet-conscious folks have made bread a whipping-boy, Mrs. Clyatt says it is an important source of essential protein, iron, niacin, thiamine and riboflavin as well as energy.

Breads store best in a freezer. The next preferred storage is the bread wrapper closed after each use, she says.

Bread stored in the refrigerator will develop a harsh crumb rapidly, but mold will be retarded.

Hart news

Truck burns on Hawkins farm

By MRS. ELSIE BLACK

THE HART volunteer Fire Department answered a call to the Robert Hawkins farm Friday afternoon. A truck belonging to Hawkins was on fire, and the inside of the cab was a total loss.

A short in the wiring was believed to have caused the fire.

CUB SCOUTS of Den 2 met last Thursday at 3:15 at the Farmers State Bank with their den mother, Mrs. Jim Black.

Theme of programs for the Cub Scouts for October is "Buccaneers Days." Mrs. Darrell Davis talked to the boys on the swash-buckling days of Jean LaFitte, Blackbeard and others.

Buccaneers were originally English, French, Dutch and Portuguese settlers of the West Indies who were driven from their homes by the Spanish, so they united as pirate adventurers in their opposition to Spain, and preyed only on Spanish ships.

Jackie Davis told the den a folk lore story on pirates, as one of his achievements in his Bear Book.

The boys made swords such as the pirates used as their project of the week.

Refreshments were served by Mrs. Weldon Jones and Kelly.

With Fire Prevention Week now underway, the group discussed what they would do if someone were on fire, what they themselves would do if they were on fire, and what to do if their home was on fire.

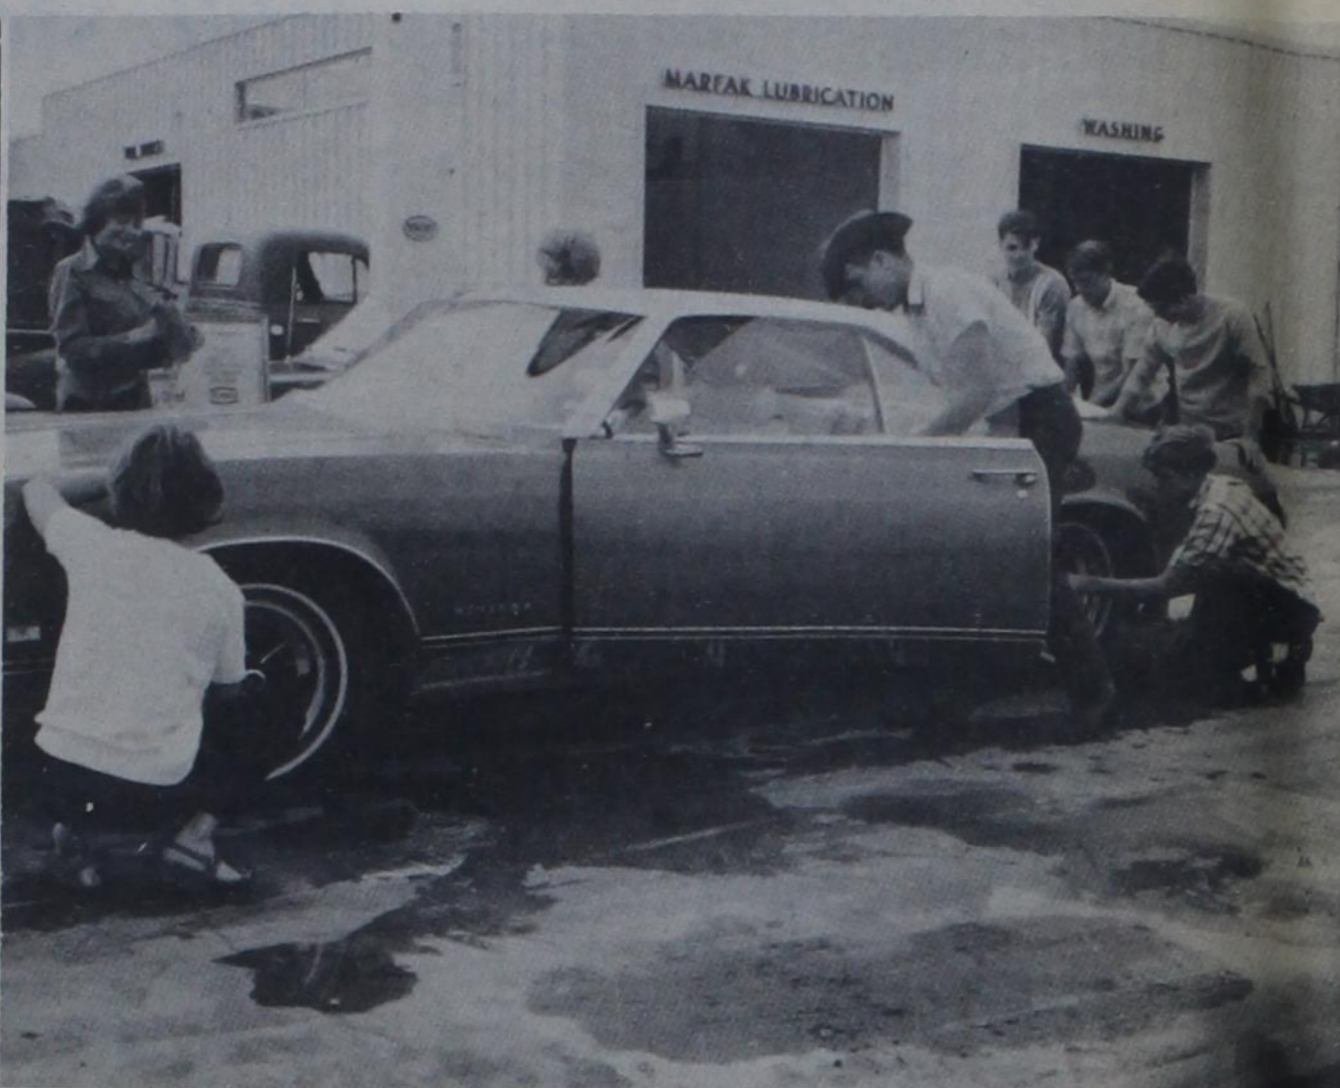

MRS. MYRT LOMAN's sister, Mrs. Lucy Wheeler of Sweeny, is visiting in the Loman home.

Hart High School seniors sponsored a car wash Saturday at the three service stations in Hart. Seniors picked up and delivered the cars. Leon Kendall and Thomas Gregory are sponsors of the senior class. Proceeds of the car wash will go for expenses such as the senior trip.

THE ZEALOT CLUB has set a rummage sale for Oct. 17 and 18, Mrs. Shirley McLain, president, announced. It will be downtown in the former Newsom Grocery building.

If anyone has some used clothing to donate, call one of the Zealot Club members. Proceeds will go on a scholarship for a selected student of Hart High School. The club also helps the classrooms in Hart Elementary School at Christmas, when there is no one to help with their parties.

REV. AND MRS. James Mitchell of Kansas City, Kan., are the proud parents of a son, Brad-

'HEY — WHO HAS THE SPONGE?' ... Hart seniors work on car wash Saturday

ley Todd, weighing 6 pounds, 15 ounces, born Sept. 30. Grandparents are Mr. and Mrs. R. B. Hall Sr. of Big Spring and Mr. and Mrs. Howard Mitchell of Hart.

OCT. 5 through 11 is Fire Prevention Week. What should be done if someone catches on fire?

Usually a person panics and starts to run. Stop him! If he can be caught, force him to the ground or floor. Roll him over and over and smother the flames, using a rug or blanket if available. If your own clothing catches fire, start with the neck and work down or throw yourself on the ground, rolling over and over. Cover your face. As soon as you can, get treatment by a doctor.

What should you do if your house catches on fire? First, get everyone out of the house. Don't try to put the fire out yourself, unless it is a very small one. Call the fire department. The safety of your home depends on the way things are done. Accidents are not just things that happen to people, they are things that people make happen. Practice home safety by keeping stairways, store rooms, attic, closets or basement clear of fire and accident

hazards. HART'S first load of milo was cut by Lloyd and Delford Davis from the Hubert McLain farm, and was delivered to Hi-Point Grain Thursday, Sept. 25.

John Rice is home after his stay in the Colonial Rest Home in Lubbock.

Mrs. Joyce Rice's father, Mr. Carter, is home now and doing fine.

Mrs. Judd Davis was dismissed from Plains Memorial Hospital and is home now.

Mr. and Mrs. Tom Ed Benton recently attended a Benton family reunion at the country club in Slaton.

FUNERAL services were held in the King Funeral Home Chapel in Crosbyton last Thursday morning for Henry Warren, father of Mr. Earlene Kropp of Hart.

Mr. Warren, 87, a Crosbyton resident since 1924, died Sept. 29 at his home of an apparent heart seizure. Rev. Floyd Schaeffer, minister of the Assembly of God Church of Crosbyton, officiated at the funeral service. Burial was in Crosbyton Cemetery.

Mr. Warren and his wife, Vir-

gie, had celebrated their 63rd wedding anniversary Sept. 16. He is survived by his wife, five daughters, two sons, two brothers, two sisters, 36 grandchildren, 41 great grandchildren and two great great grandchildren.

THE FIRST Baptist Church of Hart has announced its church officers for 1969-70.

Main officers are Mrs. O. C. Kittrell, church clerk; Mrs. Elmer Six, assistant clerk; Dewayne Brown, treasurer; Mrs. Carl Rambo, pianist; Mrs. Everet Heller, assistant pianist; Mrs. Weldon Davis, organist; Mrs. Frances Cunningham, assistant organist; Preston Upshaw, song leader; Weldon Davis, assistant song leader; Mrs. Clay Anderson, WMU director; W. T. King, Baptist Men's director; and Perry Barham, chairman of missions.

Members also have been named for the committees of baptism, building and grounds, communion, finance, nominating and ushers.

THE ST. JOHN'S Altar Society of the Catholic Church will sponsor an enchilada dinner Sunday at the school cafeteria.

Dinner will be served from 12 to 2 p.m. Tickets will be \$1.50

for adults and 75 cents for children under 12.

Tickets may be purchased at Soila's Beauty Shop or at the cafeteria door Sunday.

MRS. CHARLES BLACK, Mrs. Bob Berry and Mrs. Bob Reed of Hart attended the Beta Sigma Phi area convention at Pampa over the weekend.

The theme of the meeting was "Under the Big Top." Approximately 210 Beta Sigma Phi members from this district attended.

Saturday night's entertainment was a program following the theme, presented by Pampa Beta Sigma Phi members and their husbands.

The highlight of the event was the guest speaker, Walter W. Ross III, son of the founder of Beta Sigma Phi. He spoke on what it means to be a Beta Sigma Phi. Following the luncheon, awards were presented. The Hart ladies received the award for traveling the farthest distance.

TWILA GARRITY was honored of her 12th birthday Friday with a skating party, by her mother, Mrs. Bill Garrity. Birthday cake and Hawaiian punch were served to Sherri Daubert, Paula Hankins, Marla Hart, Terry King, Lyle Shives, Alice Rodriguez, Mary Lou Mancias, Rose Rodriguez and the honoree's brothers and sister.

Mrs. Ray Warren honored her husband, Ray, on his birthday Wednesday night of last week with cake, coffee and ice cream. Those helping Warren celebrate his birthday were his sons, Kenneth of Lubbock, Mr. and Mrs. Lyndall Warren and family of Hart, Mr. and Mrs. John Holloway of Hart, and John Holloway of Lubbock.

Approximately 120 NFO members met in Dimmitt last Thursday night at the South Grade School cafeteria for a business meeting. Future contracts were the main topic of discussion.

MRS. WILLIS HAWKINS Jr. led the Women's Society of Christian Service program at the United Methodist Church last Thursday at 2:30 p.m. A business meeting was conducted. The study topic on China was given by Mrs. H. H. Parker.

The Baptist GA's met Wednesday of last week at 4 p.m. in the fellowship hall in the First Baptist Church. After the program was given, the girls discussed plans for a wiener roast. Mrs. O. C. Kittrell served refreshments to Paula Hankins, Vivian Davis, Ronda Cole, Diane Davis, Melenie Upshaw and Terri King. Mrs. David Irons is the Girls Auxiliary leader.

The Baptist RA's met Friday afternoon at the First Baptist Church. Their sponsor Harold Smith, told the boys the life story of Roy Rogers and Dale Evans. Jim Averitt explained to the boys how to build the right kind of fire needed for camping. The 34 boys present enjoyed playing football.

HART SCHOOLS still need a bus maintenance man or bus mechanic. Anyone interested should contact the superintendent's office.

Preparations are being made for the annual Halloween Carnival. Booths will be run in much the same way they were last year and a movie will be shown for the junior high and high school students.

Final arrangements have not yet been made. The carnival will be held Friday night, Oct. 31.

Hart School Lunch Menu Oct. 13 to 17

Monday — Meat loaf, catsup, candied sweet potatoes, tossed salad, hot rolls, peach cobbler, milk and butter.

Tuesday — Chili beans, buttered corn, chopped turnips and greens, onion slice, cornbread, red velvet cake, milk and butter.

Wednesday — Pork patties, buttered potatoes, celery stick, carrot stick, hot rolls, whole wheat cookies, milk and butter.

Thursday — Rolled chuck roast and brown gravy, creamed potatoes, cabbage relish salad, hot rolls, buttered rice, milk and butter.

Friday — Sloppy Joes, French fries, catsup, cheese wedge, apple cobbler, milk and butter.

From Twi To Bobo

WASHINGTON, D.C.—Twi, Bobo, Kran and Kru may sound like exotic tongues, but not to the people who speak them as native languages. Twi (spoken in Ghana), Bobo (Upper Volta), Kran and Kru (Liberia) are among the lesser-known languages now being taught by the Peace Corps to its Volunteers.

These minor languages range from Aklanon (Philippines) to Zomboangueno (another Philippines tongue) and include four Arabic dialects, Ghanese, Ga, Cameroonian Pidgin and Caribbean Creole.

Volunteers for the Micronesian islands alone might learn any of the following: Kusaie, Marshal lese, Ponapean, Trukese (including the lagoon dialect), Ulithi Wolcain or Yapese.

NATIONAL 4-H CLUB WEEK

As They Learn, They Serve... and the Future Is Brighter, Thanks to 4-H'ers

With pride, we salute our local 4-H Club members, for their efforts and achievements. Through their Head... Heart... Hands... Health program, they are learning better ways of farming and homemaking, better ways of working together, better citizenship for a brighter tomorrow. Valuable 4-H training for our youngsters means much to our community today... and will mean still more tomorrow, for experience shows that the worthwhile work, the aims and ideals of 4-H, do much to foster the priceless qualities of leadership. We take pleasure in congratulating our 4-H boys and girls, and wish them the best of success in all their projects.

CONGRATULATIONS 4-H Club Members
