P. T. A. MEETING

The P. T. A. met in regular session on Wednesday, April 20. After the minutes were read and reports were received from the Vice Presidents, the secretary read a letter from the State President, Mrs. L. E. Wood. Mrs. Wood made three requests as follows: 1st, the observance of the Summer Round Up; 2nd, the placing of the Child Welfare Magazine in more of the homes; 3rd, the observance of Music Week, May 1-7. Mrs. Dean, who is chairman of the Round-Up, outlined a part of the plans for the summer work. The president appointed a committee to secure subscriptions to the Child Welfare Magazine. She also appointed Miss Gentry and Miss White to take to the observance of Music week. Mrs. E. Lam explained the P. T. A. correspondence course which several are planning to take. Mrs. Gibbs was appointed chairman of this course. A resolution of thanks was tendered the Historian for her services. The P. T. A. was asked to sponsor a six-weeks kindergarten course, which would be under the direction of teachers from Paducah, Tex. as. This matter was placed in the hands of Mrs. Stone and Miss Weatherford, who will report to the P. T. A. at a future date as to the advisability of sponsoring this course.

The P. T. A. will sponsor the Junior-Senior banquet and the following committees were appointed:

Menu: Mesdames Barron, Furneaux, Gibbs, Lyle, Dean, Franks, chairman.

Decorations: Mesdames Mitchell, chairman, Lam Hoag, Stone, Foote, Robertson, Broyles, McKelvey; Misses Lewis, Gentry; Messrs Aldredge and Duckworth.

The next P. T. A. meeting will be held on Thursday night, May 5, at 8 o'clock, at the High School Auditorium.

The following were present Wednesday afternoon: Mesdames McLarty, Gibbs, Dean, Hoag, Lyle, Lam, Furneaux, Carter, McKinley, Barron, Gilvert, Stone, May, Franks, Duckworth, Dodgen, McKelvey; Misses Jinkens, Foote, Gentry, White, Carter, Weatherford, Scoggin, M. Shaffer; Messrs Butts and Gilbert—Mrs. McKelvey, Publicity chairman.

CAR OF CAPONS SOLD FROM CHILDRESS COUNTY

That it pays to caponize is no longer doubted by Childress county poultrymen. A carload of capons sold March 15th brought 18 cents a pound for 10-pound and heavier birds, and 12 cents a pound for those weighing less than 7 pounds. A few sold earlier in the season brought as high as 23 cents. The average feed cost was found to be 75 cents which added to an initial value of 25 cents per bird, made the total cost average \$1 per capon. The return on labor was 80 per cent for the 10-pound birds, and 20 per cent on those of seven pounds.

The heavier the bird the larger the percentage of profit, says County Agent V. E. Hafner, who gives these rules for success in capon production: (1) use heavy breeds only, (2) do all caponizing before June 15th in order to get 10-pound or heavier capons by February of the following year, (3) caponize before birds weigh two pounds to insure more rapid growth, larger birds and a smaller percentage of slips, (4) pen capons and feed a moist fattening ration for three weeks before sale date, and (5) sell not later than February 15th.

Miss Elnor Ray who is attending Business College at Abilene came home for a few days visit with her parents, southwest of town, the latter part of last week.

MARRIED WOMEN BARRED BY OLTON SCHOOLS

According to a report coming from the Olton school board married women with other means of support will not be permitted to teach in the school for the coming year.

This action was taken by the school board to aid unemployment and has been practiced by many schools in Texas during the past year. Many more schools are expected to follow suit to aid the unemployment situation.

We are not informed as to what action the Sudan school board will take, but the board will probably fall in line with other schools of the state.

FARWELL SCHOOL REDUCES TEACHERS SALARIES 11 TO 17 PER CENT

According to the State Line Tribune of last week, teachers salaries at that place have been reduced from 11 to 17 per cent. With the Superintendent taking the biggest cut, his wages being reduced to \$1800 a year.

Only grade school teachers have been elected and it was not stated at what time the high school teachers would be chosen.

ON TEXAS FARMS

W. H. Darrow, Ext. Ser. Editor

With eggs selling below 10 cents a dozen it's hard to find optimism among poultry producers unless those working with county and home demonstration agents are interviewed. The demonstrators are thinking more seriously about the cost of producing a dozen than of the price received, which they figure will get better sooner or later.

O. Knox in Bexar county buys all his feed, yet his flock produces eggs for 7.7 cents per dozen; John Lockwood has gotten his feed cost down to 5.4 cents per dozen; and Arno Serold, 4-H club member has it down to 2.2 cents per dozen, producing all his feed except the meat scrap.

In Erath county E. F. Corbell's flock of 500 leghorns produced eggs for 3.5 cents per dozen in March and he sold them for 9 cents per dozen in case lots under a guarantee. His daily profit was \$1.37.

Another distressed industry is beef cattle feeding, yet Henry Smith of McCulloch county sold his home-grown feed to 70 calves at a price of \$1031.10 for 70 tons of maize heads, and 3500 bundles of maize as roughage.

Through thick and thin the women and girls are hanging on with grim determination in their fight for more beautiful homes. Gladys Hopkins in Harrison county sells buttermilk to buy materials for making over her bedroom. Mrs. W. E. Howler in Harris county tears down the picket fence and gives the neighbors the pickets for screening the bare underpinning of their homes.

Harris county home demonstration club women have filled their yards with shrubs from 11,600 cuttings taken from cutting beds. And so it goes.

GRANDSON DIES AT WACO
Mrs. F. M. Taylor, 5 miles north of town, was a visitor to this office Friday of last week and reported that her grandson, Frank Abner, 3 year old son of Mr. and Mrs. Homer Abner, had died at a hospital in Waco on Monday and was buried at Tulla Thursday afternoon. The child has been a patient in the hospital for some time suffering from dropsy and a few days previous to his death he contracted pneumonia from which he died.

The child with his parents lived near Sudan for about two years previous to their removal to Happy about a year ago. They have many friends here who will regret to receive this sad news.

Mrs. E. P. Stovall of Leveland spent several days with her parents, Mr. and Mrs. W. M. Jant at Circleback last week.

David Linley is visiting his aunt and uncle Mr. and Mrs. G. O. Sharnon.

Miss Hattie Damron is visiting her sister Mrs. Louie Summerrall at Hale Center this week.

Miss Cecil Wilson who has been suffering with the mumps is improving.

Mrs. Audrey Holland and children who have been visiting her father at Muleshoe returned home Tuesday.

Regular singing Sunday night May 1st. Everyone come and bring someone with you.

The ladies of the Circle Back community met at Mrs. Lester Patton's to quilt April 14. On that date they also organized the Jolly Get-to-Gether Club with 14 charter members. The following officers were elected: Mrs. W. A. Elmore, president; Mrs. Marion Walker, vice-president and Miss Opal Cox, secretary-treasurer and reporter.

Refreshments were served later in the afternoon. An enjoyable time was reported by all. The club met with Mrs. Walter Damron April 20. Three quilts were quilted. Later in the afternoon refreshments were served.

The club will meet with Mrs. Perkins this week.

Our regular business meetings will be every other Thursday. New members invited.—Reporter.

ALTMAN DRY GOODS CO BUYS THE FAMOUS CO STOCK AT COURT SALE

F. B. Altman, formerly manager of the Altman Dry Goods Co. here, was the successful bidder when the stock of the Famous was sold at public auction here Wednesday morning. Mr. Altman has rented the McLarty building, next door to the postoffice, and will offer the stock to the public in a bankrupt sale, which begins Saturday morning.

BLUE BONNET LOCALS

Mr. C. R. Terrell and daughter Mavis, visited in Plainview last Saturday.

Mrs. A. B. Clemmer and daughter, Martha Lou of Hamilton, spent the week end in the home of Mr. and Mrs. J. M. Brantley.

Mrs. Chas. Crawford attended the Friendship club with Miss Mashburn last Thursday. Miss Mashburn was a visitor in Mrs. Lendersons and Mrs. Crawfords homes after the Club meeting.

Pearl Davis of Amherst spent last week with Mavis Terrell.

Mr. Curtis Chisholm lost a very fine mule last Thursday night. The Chisholm have had bad luck as they lost all their bundle feed recently by fire. Mr. and Mrs. A. F. Wilson's little twin boys, Howard and Harrell have missed several days of school as they have whooping cough.

Blue Bonnet Club
Miss Mashburn was the leader of our meeting last Wednesday and her subject was "Selecting appropriate colors and designs". This was one of our best lessons for this year, and would have been beneficial to every woman and girl in the county, as most of us know little about selecting colors, suitable for ourselves, or how to make the garments, so we will appear well groomed. Mrs. Lee Crosby of

BURKETT FOR PAYMENT OF SOLDIERS' BONUS

Joe Burkett, of San Antonio, former State Senator from West Texas, and well known in this section, now a candidate for Congressman-at-Large, Place Number Three, was in Sudan, Monday of this week in the interest of his candidacy. While here he called upon the editor and force of the News, and spent a few minutes. Senator Burkett was once a printers' "devil" and a country newspaper editor so he feels at home around a newspaper office.

Mr. Burkett believes the money question is the big issue of the campaign and advocates immediate inflation of our currency to relieve the financial panic, but thinks the soldiers' bonus is just at this time uppermost in most voters' thoughts.

"By all means Congress should speedily pass the Patman Bill paying the soldier boys the remainder on their compensation certificates in cash, without the necessity of further borrowing by the Government," he said. "It was pitifully paltry pittance given the boys in the first place—little more than a dollar a day. And this was voted in the way of deferred payment, while all the big corporations were paid off in full—to the tune of nearly six billion dollars. It was very easy for Congress to pass and President to sign a bill giving two billion dollars to the big corporations and big banking institutions—two railroads, alone, have been allowed thirty six million dollars recently in loans to pay the big bankers, while thousands of our soldier boys are jobless and many on starvation or charity. Besides, two billion dollars for the soldiers will increase our per capita circulation of money and bring better times to all," Senator Burkett commented.

FRIENDSHIP H. D. CLUB

The Friendship Home Demonstration Club met Thursday, April 21st at the church, with Miss Ruby Mashburn. Members present were: 4 Sunshine, 1 Blue Bonnet and 14 Friendship, besides 5 visitors and 1 new member. We were very glad to have such a large attendance, and invite them all to meet with us again. Miss Ruby was the leader of the lesson, which was on, "Selecting Appropriate Clothes". She gave a very interesting illustration by showing the colors best suited to the 6 different types of people. It was a very good lesson, which was enjoyed by all.

There was a plan suggested to the club to start a Community Library which will be finished at our next meeting. After adjourning Mrs. Dennington surprised us all with some dainty refreshments. You are cordially invited to join our club, or visit us at our next meeting, May 5 at the church.—Reporter.

GREAT INJUSTICE TO WEST TEXAS IN DISTRIBUTION OF TAX BURDEN, SAYS ARTHUR P. DUGGAN

Arthur P. Duggan, of Littlefield, who has been a student of taxation for many years, and who was a member of the Tax Survey committee appointed by Governor Moody in 1926, has written an article on taxation, in which he discusses in detail the matter of state aid for schools. Mr. Duggan's article is written under the caption: "Great Injustice to West Texas in Distribution of the Tax Burden." The author has been president of the Littlefield School Board since the creation of that body; is president of the Littlefield Chamber of Commerce; has been prominently identified for years with many activities and organizations seeking to advance the interest of West Texas, and at this time is a candidate for State Senator from the Thirteenth Senatorial district.

By Arthur P. Duggan

"TAXATION SHALL BE EQUAL AND UNIFORM"—Constitution of Texas.

Is it?
Is West Texas getting a Square Deal?

You good citizens who are rightfully complaining about Taxes these days, read the following facts and see if we do not need, not only Tax Reduction, but a whole lot of Tax Equalization out here in West Texas.

The Thirteenth Senatorial District is composed of twenty-four counties, viz: Andrews, Bailey, Borden, Cochran, Cottle, Crosby, Dawson, Dickens, Floyd, Gaines, Garza, Hale, Hockley, Howard, Kent, King, Lamb, Lubbock, Lynn, Martin, Motley, Stonewall, Terry and Yoakum.

According to the 1930 census there were 22,534 people in these counties, and 65,592 scholastics, or children within school age. A total of 45,530 poll tax receipts were issued for the year 1931. The average value of the lands as assessed for taxes according to the last Comptroller's Report, is \$6.70 per acre.

This district is out in West Texas where development is quite recent—within the past ten to fifteen years. The large majority of the farm homes are not paid for; many counties still need court houses, and paved roads are very scarce. The large part of the expenses of good roads and county improvements is yet to come. The home owners and farmers are still striving to pay for their homes and farms, which is quite different from the situation in the older settled parts of Texas where the majority of the homes have already been paid for, or should have been, and where necessary improvements have been made.

Due to their spirit of progressiveness, and desire to give their children the best possible educational advantages, the people of this Senatorial district—these twenty-four counties—taxed themselves, for local school purposes during the year ending August 31, 1929 (the last report from the department of education), the sum of \$1,697,088.09. They received from the State for all school purposes, during that year, the sum of \$1,055,974.77. The per cent of local school taxes to State Aid was 160 per cent.

Junior Class Notes

The Juniors are looking forward to the Junior-Senior banquet to be given Friday night, May 13. The girls are buying their dresses and everything is being planned. Even to the making of dates. The P. T. A. is sponsoring the banquet. The proceeds of the play will go to help with the banquet.

The plans for the Junior picnic were blown away last Saturday in that awful sand, maybe if the winds are favorable they will blow the plans back in the near future.

Junior Class Party

A good audience was out last Friday night to see "Baby Steps Out". Hubbard Harrel played the part of a hen-pecked husband, while Frances Brewster was his domineering wife.

Myrtle McLarty was the haughty elder daughter, receiving all the favors from her mother.

Kathryn Wilson was the "Babe"; she was her father's favorite, but was forced by her mother to wear hand me down clothes.

Bernice Brothers was the young hero of the play, and in the end won "Babe".

Minor parts were played by Jaunita Pierce, Ada O'Keefe, Willie Mae Clemens, Marjorie Alderson and Wayman Gordon.

Sub-Freshmen News

We wish to thank Mr. and Mrs. G. G. Mazel for the use of their house for our class party April 23. There were twelve of the class present. We played games and then refreshments of sandwiches, ice cream and cake were served. We all had a good time.

Maybe the Sub's are the greenest class in high school

but the Fish are not very far behind.

The Sub-Freshmen class are: O. B. Boone, Russell Bussey, Wayne Crump, Arnold Cartmill, Walter Marie Carruth, Betty Lou Campbell, Chris Ferneaux, Delbert Harvey, Juanita Hazel, Mary Belle Hill, Kathrine Hunt, Dorothy Jones, Floella Jones, Joel Moore, Carrol Preston, Eva Redwine, Louise Stuart, Willie May Seymore, Dave Scoggin, Dean Simmons, Garland Totan, Lena Ruth Harris, Minnie Hayes, and Margaret Willingham.

Choral Club

The Choral club of the Sudan high school, under the direction of Mrs. R. E. Duckworth and Miss E. L. Gentry, presented several numbers at the Junior play, Friday night, April 22, in the high school auditorium. The numbers were "Medley from the South," "Kentucky Babe," "Hush-a-bye-O," and "Loveless Love."

On Sunday afternoon, April 24, the club went to Lubbock to broadcast. The numbers that were presented were "Medley from the South," "Can't You Hear Me Callin' Caroline," and "Kentucky Babe"

The trio of the club, Jimmie DeLoach, Mildred Fowler, and Lela Burnham, sang "A Summer Wind." The quintet consisting of Lela Burnham, Mildred Fowler, Jimmie DeLoach, Eunice Moore, and Ethel Groom sang "In A Little Old Garden."

The string trio, consisting of Lela Burnham, Margaret Erle Gibbs, and Miss E. L. Gentry played, "The Waltz You Saved For Me," "Out of the Dust to You," and "When the Blue of Night."

Practically every members of the Choral club was in Lubbock and a very nice program was rendered. The club was asked to visit the studio again, soon.

The Choral club will give some new popular numbers when the Seniors put on their play, "Fast Colors."

Basket Ball Practice

Basket ball practice began Tuesday, April 26, with an enthusiastic group coming out. This practice is to study the material to be had for the team next year. Mr. Davis states that there is material for an excellent and undoubtedly a winning team.

Home Economics

Ellen Burnham, Pauline Potts and Margaret Dean were first place winners in the Home Economics Department in the recent contests.

These girls and Mrs. Franks left Wednesday morning for Mineral Wells to enter the State contests there.

Jokes

Alvin: What you said is more truth than poetry.

Lou: Oh, you heard me say that.

Coach: Well you got it from Edgar A. Guest.

Mr. Jenkins (pulling Rector's ear): I believe the devil has hold of you.

Rector: I believe he has too.

Senior Notes

Caps and gowns have been ordered for those Seniors who feel wise enough to graduate. It seems that the entire class has that ambition.

The Senior Class play "Fast Colors" is to be presented in the near future. Watch for the date it will be worth your money just to see Sidney Guinn play the part of the colored lady, Dixie Jones.

It might be interesting to know that W. D. Caldwell made the honor roll.

A late report has been received stating that Gladys Barnett won second place in the county meet on essay writing. They also won first in spelling.

Do the Seniors have it over the other classes in picking a day for a picnic? Sand storms are so uncomfortable! It seems that plans of other classes were blown skyward.

Senior Honors

The valedictorian for the Senior Class of this year is Gladys Barnett. She entered Sudan High School this year from Bangs. She is only fifteen years old and has carried five subjects all year. Since mid-term she has carried six subjects. Her term average is 92.11. Curry Lynch is salutatorian. He has carried four subjects all year and his average is 91 1-2.

Curry is an all-round student of the school, both in literary and athletic events.

As far as the writer knows this is the first year in the history of Sudan high school that a boy has won second in honors in the Senior class.

Industry Must Go On

The wheels of industry must continue to turn—the World must be fed and clothed, and it must have some of those things to which we have become accustomed in modern life.

Conditions are not always the same, and at times it is difficult and discouraging, as it has been during the past several months. It is a period of adjustment to conditions that obtain now and will likely influence the future.

"Safety First," should be the keynote, and there is no better assurance of safety than in making our living at home and economizing where economy is possible.

We are assured of but one thing—that business conditions will be on a firmer foundation than ever before when at last this adjustment is complete.

Keep the wheels turning, but let your operations be safe and self supporting.
