

ROAMING THRU RANGER WITH RON...

By Ronald Waters

WHAT RECESSION...? Bank deposits are up (about \$400,000 over last year), business is booming, and the farm outlook is the best in recent years.

It seems the only recession in Ranger exists in my pockets!

RANGER was named after the Texas Rangers and not the other way around. A Ranger is one of a group of armed men employed in ranging over a region to police it. And the Texas Rangers have a glorious history, so we should be proud of our name.

We have the RANGER PECAN, the RANGER IRIS, and over 17 local businesses named after the city.

Sign in a cafe at Strawn reads: Don't just stand there, play the juke box. Seen elsewhere: Don't just do something, stand there.

BASEBALL seems to take the spotlight in the news this week. Ranger Pony League got off to a good start as the senior leaguers downed Clyde 14-3. Little League action is promising and each game holds some excitement.

Looks like baseball fever is contagious!

VIRGIL MOORE (I hate to tell you where he's from), who lives near by, can get away by putting his initials between each section of his column. But I can't. The reason is my middle name is Anthony. (You figure it out).

EXPLORER POST 16 is going to Dyess Airforce Base on June 14 and returning June 15. A tour of the base is planned along with an eventful schedule according to a report from the Public Information Officer. All Explorers planning to go should be present at a meeting of the Post tonight at 7 p.m.

ALL RANGER NEEDS IS MONEY. The late Norman Wright wrote something to that effect about one year ago.

Right now—a pressing need is a ski jump at Lake Leon. You may not think this so "pressing" or important, but it will attract more people to the lake, and it would help out the July 4th celebration tremendously.

I heartily recommend this as a worthy project for some civic club or organization.

FOUND: A fifth reader! She's Tommie June Sharp of Olden, new proof reader at the Times. Of course she reads this only because she has to, but I have discovered, thru a recent survey, that I have four other consistent readers of this column.

Teen Town Sets Summer Hours

New hours will be observed at Teen Town beginning this Thursday, according to an announcement from Homer Perry.

Teen Town will open at 8 p.m. and close at 11 p.m. during the summer months, through August. The former hours were from 7 p.m. to 10, 10:30 and 11 p.m.

Couples who are interested in trying out for participation in WRAP "Downbeat" in Fort Worth are urged to contact Mr. and Mrs. Perry. Last April, a total of 16 couples participated in the contest. Plans are underway for a competition in order to select the best dancing teams.

Ranger teen-agers will attend the "Downbeat" program in July. Ronald Waters will be on hand every Thursday night to give instruction in chess fundamentals. He will teach the game to all of those interested.

Anthony Daskevich Promoted to Major

Capt. Anthony (Thut) Daskevich, son of Mr. and Mrs. Joe Daskevich Sr., of Ranger, has been recently promoted to the rank of major, according to word received here.

Daskevich is stationed in Venezuela with the U. S. Army. He and his family have been there 25 months, and have 11 more months to go.

LITTLE LEAGUE—Action continues as a good race develops in Ranger. Pictured at bat is Charles Best, swinging for the Indians in the opening game of the leaguers. Umpiring is Jack Hutchinson, and the catcher is unidentified. Look for more action to come! (Print by Capps Studio).

Little League Battle Set

A battle for first place in the Little League will get underway this evening in Little League Park.

The Giants play the Dodgers, who were knocked out of first place by the Yankees last Monday. Holding a thin edge on first place, are the Giants, who will have to share their spot with the Dodgers if they lose.

The second game will see action between the Indians, in third place, and the Yankees, in fourth.

Rites Held For Crash Victims

Funeral services for the six members of the Alkire family, who were killed near Ranger in a blinding crash early Saturday morning, were held at the Owens & Brumley Chapel in Fort Worth Tuesday afternoon.

Rev. Earl Ottum, pastor of the Calvary Baptist Church in Grand Prairie, officiated, offering comfort to relatives. David Alkire, the four-year-old survivor, does not yet know of the tragedy. Hospitalized at St. Joseph's Hospital in Fort Worth, he is recovering from injuries received in the accident.

"They are home at last," the pastor repeated as he spoke over the caskets of Charles Alkire, 27; his wife Jimmie, 26; Jimmy Charles, 10; Deborah Ann, 7; Dora Lynn, 6; and Darrell, 3.

Burial was at White Chapel Memorial Garden in Arlington.

Thirteen Wrecks Plague County In Past Month

Eastland County Highway Patrol records show that 13 accidents were investigated during the past month.

Seven persons died in the county during the month—all of them in one accident—and four others were injured. Five of the wrecks injured or killed one or more persons.

During the month Highway Patrolmen Lee Strawn and Al White made 159 hazardous arrests. Sgt. C. A. Cockrell, who is in charge of the Eastland sub-division, revealed in addition 20 non-hazardous arrests were made, pushing the total number of arrests for the month to 179.

In addition 149 warnings were issued. Sixty four warnings were given for speeding, 59 for driving without a head light or tail light, and 26 for other causes.

Speeding was the main cause for arrests. One hundred and forty six persons were nabbed for driving too fast. Ten were arrested for driving without an operator's license, five for driving with faulty equipment and 18 for other causes.

A total of 161 convictions were recorded and six cases were dismissed. Fines totaled \$3088.

Sgt. Cockrell pointed out that vacation time is here. He listed the major causes of accidents as driving too fast for conditions, driving while drinking, disregarding warning or stop signs, driving on the wrong side of the road, failure to grant right-of-way, improper passing, improper parking and following too closely.

For the year 10 fatal accidents have occurred in the county.

WEATHER table with columns for High, Low, Rain, Total Rain for Year.

Rains and Dogs Made News One Year Ago

By Ronald Waters

A year ago Ranger was soaking in rains, that had been falling consistently, and getting ready for more rain to come. This fact was revealed through a check of back issues of the TIMES and discovered through curiosity about what was happening one year ago.

Headlines, On June 4, 1957, read: Teen Town Bake Sale Wednesday and Funds to be Used for Building New Kitchen Annex at Teen Town. (I don't know how they ever got the second part of that head in two columns).

Also in the June 4 issue was a story about a phony policeman operating in this area. I presume he was later apprehended.

T. C. Wylie says it's rained enough, but more is predicted—read the head of one interesting story.

Another head and story proved unusual. The head read: Indians beat Yanks — Giants Conquer — Dodgers, maybe. Problem was that an unofficial score keeper kept score on an unofficial scrap of paper. Heaven protect us from such!

In the June 6th issue of the Times (Thursday) a feature story by the late Norman Wright dominated the page. The head read: Ranger Vacationers Can Do Tremendous Selling Job for City. I

think we all agree, now, as plans are being made for vacations, and as vacationers are already leaving for trips around the country.

Eastern Star installation took place later in '57 than this year, for a story ran June 6th on the event, and our story ran last Tuesday.

Another head simply stated: 5-Day Forecast Says More Rain.

Every dog has his day and the dogs took over one corner of the newspaper on June 9. They made news in a story, with this head: Only 4 dogs claimed out of 62 impounded.

Eleven members of Troop 10 received second class badges in Court of Honor services Tuesday night in the First Methodist Church.

Archie Robinson, committee chairman, reviewed the requirements of second-class rank. Fred Bennett, scoutmaster, and Duke Dixon, assistant scoutmaster, presented the badges to the mothers who in turn, presented them to their sons.

Families of all 11 boys were present for the event. Arthur DeFebach made the welcoming address and gave a brief review of scouting.

Boys receiving badges were Gary Hames, Ricky Hill, Melton Kennedy, Bob McCleskey, Lee Ausborne, Ray Nevenham, Smoky Vinson, Pat Jameson, Bob Townzen, Rush Boggus and Richard Herweck.

Season tickets are selling fast at Ranger Swimming Pool, and swimming seasons go with each ticket.

Harold Barrett will begin classes next Monday morning for all of those who want it with season passes. Children should be at least six years old, Barrett said.

Classes will continue for six weeks on Monday, Wednesday and Friday for one hour each day and on Tuesday and Thursday for an hour and one-half.

A total of 41 season tickets have been sold, at last report.

Swimming the first day at the pool were 196 persons. A total of 99 turned out the second day and 96 the third day (Tuesday).

A lifeguard is always on duty. Pool hours are from 2 to 7 p.m. on weekdays and from 2 to 6 p.m. Sundays.

Season tickets are \$5.

Mrs. McCune to Be Buried in Eastland Today. Funeral services will be held this afternoon at 2 p.m. in the Harold Funeral Home chapel in Dublin for Mrs. Lella Evelyn McCune, with burial in Eastland Cemetery.

Mrs. McCune died Tuesday afternoon in Fort Worth after a short illness. She was 87. Her husband, J. G., preceded her in death two years ago.

Survivors include three daughters, Mrs. W. P. Edwards of Olden, Mrs. Arlie Long of Fort Worth and Mrs. Thelma McCune of Fort Worth; and a son, Roy McCune of Dallas.

Paving Across Lake Dam Asked by C-C Group Plans To Draw Up About 50 Petitions

PAGE ONE MUST

Senior Leaguers play Albany here in Pony League Park at 8 tonight.

Giants vs the Dodgers and Indians vs Yankees tonight at Little League Park, beginning at 6:30 p.m.

Summer school is underway at Ranger College.

Explorer Post 16 will meet at the Scout cabin tonight at 7. Read the first "Frontier News Flash" inside today.

New Coffee Shop Will Open Here

Another new business is opening in Ranger this Saturday morning. It's the Paramount Coffee Shop, located in the Paramount Hotel.

Owned by Mr. and Mrs. Otha Ainsworth, the coffee shop will specialize in home-cooked plate lunches.

This makes the fifth business to open here within the past six weeks.

James H. Miller Dies Tuesday

James H. Miller, 47, died in Reading, Mass., Tuesday, according to notice received here.

He is the father of Jimmie Mae and Morris Frank Miller, Ranger. The retired Navy man visited in Ranger a number of times, but never actually lived here.

Funeral arrangements have not been announced.

Staff Revival Starts Friday

A week-end revival at the Staff Baptist Church will be conducted by Jimmie Cole, of Arlington, beginning Friday at 7:30 p.m. and continuing through Sunday.

Jack Davis, Austin, who recently graduated from Ranger College, will lead the singing for services.

Miss Mary Nell Shoemaker, daughter of Mr. and Mrs. H. A. Shoemaker, will play the piano.

Cole urges everyone to attend the revival services.

1940 Pick Up To Be Given Away at Wards

A 1940 Chevrolet pick up is being given away to the first person who buys a 20-cubic-foot Supreme freezer at Montgomery Wards, beginning Friday.

The Tru-Cold freezer has a five year warranty and holds up to 700 pounds of frozen foods. It also has a warranty on food spoilage.

The pick up is guaranteed to take the buyer home, where he can unload the freezer. It is licensed with a 1958 inspection sticker, and best of all—it is absolutely free with purchase of the freezer.

Bill Stevenson, manager of Montgomery Wards, said the pick up will "Get them home, that's all I guarantee it to do."

An electrical shock, says the United States Department of Agriculture, precludes faster germination in giving corn a quick growth. But, it has to be done by an expert.

It's FREE!—This 1940 Chevrolet pick up will be given away by Montgomery Wards Friday to the first person to select a 20-cubic-foot Supreme freezer (Tru-Cold). It's guaranteed to run and to get the person home for unloading the freezer. (Print by Capps Studio).

County Rainfall For Year Below Normal Slightly

Slightly below normal rainfall was recorded in the first five months of 1958, with the deficit coming during the past month.

Farmers are once again eyeing the sky in hope of some moisture. "We need about an inch of dry falling rain," they seem to agree.

During May only 3.07 inches was recorded. Average rainfall for the month is 4.98. Total rainfall for the year stands at 10.86 inches, or .43 below the normal of 11.29.

While there is still a lot of sub moisture, hot weather in the past few days has dried out topsoil making it hard to work.

T. C. Wylie of Ranger Peanut Co. earlier this year predicted that it would take a good inch rain in June or July to make a peanut crop. Some farmers feel it will take at least two good rains to make the crop, however.

Frontier News Flashes are Here

"Frontier News Flashes" prepared by the department of journalism and graphic arts of the University of Houston appears here for the first time today. The column will continue at regular intervals.

Highlights, including politics, farm news and advertising, are taken from the yellowed pages of 100-year-old newspapers for release throughout the state.

Knowing that Texas folks are intensely interested in the history of their state, Billy I. Ross, assistant professor of journalism at the University, conceived the idea of preparing historical-type human interest bits of news, to be made available—at no cost—to all weekly and daily newspapers over the state.

"The response has been tremendous, and the first releases are being made for use the first week in June," Ross said.

Charles Aycock, senior journalism major at the University, is doing the research and preparing copy that is distributed.

Ross said, if the interest by newspaper editors is any indication throughout the state, Texas history in our schools is far from lacking in student interest.

On hand were the team coaches, Jerry Cantrell and Dick Maxwell; general manager, Drennan Davis; league president, Dave Pickrell; umpire, Wendell Halbrook; and score keeper, Pat Collins.

Making the lone run for the Ranger leaguers was Jim Hogan, who made two other hits.

The score remained 4-1 through the sixth inning, after Ranger grabbed the first run in the first inning, but the Clyde boys pulled way out in front with five runs in the seventh.

Pitching for Ranger was Charlie De los Santos, and David Webb was catching. Other players Tuesday night were: Joe Barker, first

(Continued On Page Six.)

Group Plans To Draw Up About 50 Petitions

Petitions will be drawn up by Ranger Chamber of Commerce members asking the county and state to pave a four-mile strip of highway across Lake Leon Dam in order to promote tourist trade and to help farmers in that area.

Directors of the chamber voted to undertake the project during their regular monthly meeting Tuesday night in the chamber offices.

Felton Brashier, director, suggested the idea which was passed by directors in the meeting, and then turned over to the highway committee, headed by Morris George.

Between 40 and 50 petitions will be drawn up and placed in camps and lodges around the Lake, as well as in places selling bait and permits. Area people, as well as lake visitors can sign the petitions.

R. V. "Rip" Galloway, manager of the Ranger Chamber of Commerce, said, "We feel that a Farm-to-Market paving will benefit about 70 or 80 farmers who live in the vicinity of Kokomo." He added that he thought a Texas State Highway Department would be interested in the project because gas taxes from increased traffic would pay for the paving.

The proposed paving project will extend from the FM 570 crossing at Lone Cedar across the dam to join FM 2214, or a total distance of about four miles.

Such a project would greatly benefit area and visiting fishermen as well as the farmers. Signs, indicating the distance to Lake Leon, will also be placed by the Highway Department.

Two committee reports were also made at the meeting.

Clyde Wins First Game

Clyde defeated Ranger boys in the opening game of the junior leaguers in Pony League play Tuesday night by a score of 9-1.

An umpire is still needed by the Pony League. He should know the basic rules and regulations of baseball. Those interested should contact Dave Pickrell, league president, at 863.

Also needed is a man or woman to run the concession stand at Pony League Park. The stand manager will be paid for his services.

Making the lone run for the Ranger leaguers was Jim Hogan, who made two other hits.

The score remained 4-1 through the sixth inning, after Ranger grabbed the first run in the first inning, but the Clyde boys pulled way out in front with five runs in the seventh.

Pitching for Ranger was Charlie De los Santos, and David Webb was catching. Other players Tuesday night were: Joe Barker, first

Mrs. Murray Is Hostess to Luncheon Tues.

Mrs. Blanche Murray was hostess at a luncheon at the White Elephant Restaurant in Eastland Tuesday at 12:30 p.m.

Mrs. Murray was assisted in entertaining by her daughters. Mrs. M. H. Hagaman gave the invocation. The guest list for the luncheon included: Mmes. W. C. Palmer, Leroy Pearson Jr., M. H. Hagaman, L. H. Hagaman, T. J. Anderson, R. E. Perkins, Earl Brown, A. N. Larson, J. P. Morris, M. L. King, Price Ashton, Saunders Gregg, Leroy Pearson Sr., E. E. Crawford, J. E. Matthews.

Also Mmes. P. M. Kuykendall, Frances Jameson, Saule Peristein, W. F. Creager, B. A. Tunnell, A. W. Brazda, J. T. Roberson, Stanley McAnelly, W. L. Downtain, C. E. May Sr., W. M. Brown, F. P. Braslier Sr.

After the luncheon, games of bridge and bingo were enjoyed by the following: Mmes. Palmer, Leroy Pearson, Jr., M. H. Hagaman, L. H. Hagaman, Larson, Morris, King, Ashton, Gregg, Crawford, Matthews, Kuykendall, Jameson, Peristein, Creager, Brazda, Roberson, May, Brown, Braslier, McMillan, Swaney, Pruet, Wallace, Rawland, Harris, Houghton, Hickory and Miss Pearson.

Mrs. Crawford won the high prize for bridge, and Mrs. Roberson won the prize in bingo.

Hospital News

New patients in the Ranger General Hospital are: Mrs. J. C. Grubbs and baby girl, Ranger; Mrs. Carmon Young, Ranger, medical; Mrs. Della Reese, Ranger, medical; Wesley Tollett, Ranger, medical; and Mrs. Mary Loper, Eastland, medical.

VISITS FAMILY IN BRUSSELS, BELGIUM

Father Van Hemelryck of St. Rita's Catholic Church left Sunday afternoon, June 1, for Brussels, Belgium, to visit his family. He will return to Ranger September 1.

Father Pat Sealon of Dallas will replace Father Van Hemelryck during the summer months.

VISITS MOTHER

Mrs. William Rawland of Cleburne is visiting her mother, Mrs. Blanche Murray.

Mrs. Dixon Is Hostess to Circle No. 1

Circle No. 1 of the WSCS of the First Methodist Church met Monday, June 2, in the home of Mrs. Gaston Dixon, circle chairman. Mrs. J. L. Turner was co-hostess.

Mrs. Dixon presided over the business session. Forty visits were reported. Cards were sent to Mrs. J. A. Bates and A. H. Henderson. Sick reports were made. Members paid on their pledges.

Mrs. Arthur Deffebach was in charge of the program, "The Changing Patterns in a Missionary Field." A description was given of the work of Adoniram Judson and his wife in Burma.

Bible School Continues at First Baptist

Vacation Bible School enrollment and attendance at the First Baptist Church are high, according to J. N. Sutton, principal of the school.

At noon Wednesday, 143 were enrolled, with 141 present. Two days' attendance is required before one is considered enrolled. There are departments for every age group from the nursery thru the intermediate ages.

The Bible school will continue through Friday, June 13. Those boys and girls who are not attending Bible school are welcomed to attend the First Baptist school.

Each day's schedule includes Bible teaching, character stories, missionary emphasis, creative art, and a play period. Refreshments are served daily.

Ranger Couple Is Wed In Eastland Rites Monday Nite

Miss Gwedolyn Faye Thompson, daughter of Mr. and Mrs. C. W. Thompson of Route 2, Ranger, became the bride of David Clifton Wesley in the parsonage of the Harmony Baptist Church Monday night.

Mr. and Mrs. Oliver Wesley of Route 3, Ranger, are the parents of the bridegroom. Rev. E. E. Barber, pastor of the Harmony Baptist Church, officiated at the double ring ceremony.

Linda Anable and Jack Wesley, brother of the bridegroom, were the couple's only attendants.

Mrs. Wesley is a graduate of Breckenridge High School and her husband is in the Army.

Women's Activities

June 5
The Dorcas Sunday School Class of the First Baptist Church will meet at the boat dock at the Premier Camp for a picnic Thursday, June 5, at 12:30 p.m. Mrs. W. W. Mitchell will be hostess.

All members who wish to attend are asked to meet at the First Baptist Church at 11:30 a.m.

June 9
The WSCS of the First Methodist Church will meet Monday, June 9, at 3:30 p.m. for a business meeting and devotional.

Committees for the coming year will be read. All members are requested to be present.

June 6
Circle No. 2 of the First Methodist Church will meet Friday, June 6, at 3:30 p.m. in the home of the circle chairman, Mrs. J. A. Johnson, at 602 Pine Street.

All circle members are asked to notice the change of time.

WEEKEND GUESTS

Weekend guests in the home of Mr. and Mrs. C. M. Martin, 434 Pine Street, were: Mr. and Mrs. Doyle Martin of Pasadena, California; Mr. and Mrs. Alvin Martin, Wanda, and David of Pasadena; Mr. and Mrs. Jack Barnhill, Max, and Donnie of Pampa; and Mr. and Mrs. Earl Taylor of Pampa.

Mrs. Owen Falls Is Hostess To Bible Study

The ladies of the Merriman Baptist Church met Tuesday afternoon at 1:45 in the home of Mrs. Owen Falls for a weekly Bible study.

The meeting was opened with a prayer led by Mrs. Falls, Mrs. A.

E. Dawson presented the devotional, taken from the 9th chapter of Leviticus.

Refreshments were served to the following: Mmes. W. S. Vinson, Jack Walker, G. D. Falls, C. J. Cole, A. E. Dawson, J. W. Vinson, and the hostess.

4-H Program Offers Members Scholarship

CHICAGO — Many 4-H boys and girls throughout the state have found that club work lays the foundation for a college education. Whether their interests are in agriculture, home economics or community service, members have a wide choice of 4-H activities.

One of these is the 4-H Poultry program which offers \$400 college scholarships annually to the six most outstanding club members in the nation. Besides success in raising and marketing poultry and eggs, the 4-H'er must show an exceptional achievement record in good citizenship, leadership, and all-around club participation. The winners are selected by the National Committee on Boys and Girls Club Work. Last year 6,000 medals were awarded to 4-H'ers in 48 states, according to the Committee.

The Cooperative Extension Service directs the program. Additional information may be obtained from the County Extension office.

AS IT LOOKS FROM HERE

By OMAR BURLISON 17th District

WASHINGTON, D. C.—On every holiday the city papers carry running reports of traffic accidents with every issue. The radio and television give an account of accidents every hour, starting the evening before the holiday and continuing until midnight at the close of the holiday period.

Memorial day, on this Friday, May 30, will be no different. Statistics will be accumulated from 5 o'clock on this Thursday, the 29th, until midnight Sunday, the first of June.

The greatest automobile race in the world will be run in Indianapolis, Indiana, on Memorial Day. It is the 500 mile circular track race. But not all the races will be run in Indianapolis. Some of them will be bumper to bumper on the crowded highways across the nation.

The fact is, the race goes on every day. Especially here in Washington, they are run from about 7:30 in the morning, and from 4:30 to 6:30 in the evening.

At places where there is a traffic light, every block you see them jockeying for position at the starting line. The race continues for a block, and after the darting out of a traffic lane to a vacant spot at the next intersection, the front of the car goes down five inches and the back comes up the same distance. The next start sees the rear end settle down and the race is on.

Most men are gentlemen and most women are ladies until they feel a steering wheel in their hand, and then some lay common courtesy aside.

The fact remains, that according to the experts there are fewer accidents today than before World War II. Traffic deaths in 1957 were 1500 below the 40,000 total for 1941.

Mr. Karl K. Richards, secretary of the Highway Policy Committee of the Automobile Manufacturers Association, gives some rather revealing facts established by research.

He says it is true traffic fatalities are increasing. He points out we have twice as many vehicles traveling twice as far as we did in 1941, but fewer accidents.

According to Mr. Richards, there are three principal elements in traffic safety. They are the vehicle, the road and the driver. Unfortunately, the driver has made less progress than the other two.

The major factor in reducing accidents is safer automobiles. It seems many people have the mistaken idea that increased horsepower means greater speed. According to the engineers, the horsepower has nothing to do with

FOR ATHLETE'S FOOT USE KERATOLYTIC ACTION

BECAUSE—it sloughs off affected skin. Exposes deepest infection to its killing action. Get instant-drying T-4-L liquid, a keratolytic at any drug store. FAST relief or your 48c back. Use T-4-L FOOT POWDER too—gives a film of antiseptic protection. NOW at Swaney's Pharmacy.

speed, but rather the reserve power needed to handle a car properly. In other words, horsepower and speed are not the same things at all. The fastest stock cars on the market are built in Europe and have low horsepower.

In 1941, 20 persons were injured per 100 traffic accidents. Today, injuries are 14 per 100 accidents. Although horsepower has more than doubled in the average automobile since 1941, very little change has taken place in its top speed capacity.

Better lights, better vision, power steering and power brakes have added safety to the automobile.

It is also a mistake to assume that speed and law violations are the cause of most accidents.

Actually, according to the experts, the evidence is overwhelming that the vast majority of traffic accidents occur at legal and moderate speeds. A National Safety Council study of 685,000 accidents shows nearly nine out of 10 happened at speeds below 40 miles per hour. Even in fatal accidents, the Council reports, four out of five drivers involved

were obeying legal speed limits. This is certainly not to encourage speed. Rather, it shows the importance of alertness, skillful driving and full attention to the job.

Numerous other figures have been developed by the National Safety Council. To mention only one, percentage-wise our safety record is better than it was when the horse and buggy ruled the highway. The record for 1909 shows 30 deaths per 100 million horse travel miles. This is some five times as high as our present motor vehicle fatality rate.

This last is difficult to believe, and many of the other conclusions are amazing, but that is what they say.

The fact remains that everyone is in danger when the nut behind the steering wheel is the biggest one on the car.

TO VISIT PARENTS

Mrs. Sherman Adcock and Ricky of Fort Worth will arrive in Ranger this weekend to spend two weeks with her parents, Mr. and Mrs. C. S. Entler.

PERSONALS

Mrs. O. R. Gafner will leave Friday to visit Mr. and Mrs. W. H. Pettit and children of Oklahoma City.

Guests in the home of Mr. and Mrs. Lynn Gentry over the Memorial Day holidays were Mr. and Mrs. L. C. Floyd and children of Fort Lavaca, and Mr. and Mrs. Jack Akers and Janice of Fort Worth.

Mr. and Mrs. W. J. Wood, Billy, Carol, and John of Fort Worth visited her parents, Mr. and Mrs. J. E. Matthews Wednesday.

Billy, Carol and John remained in Ranger to spend a week with their grandparents.

Guests in the home of Mr. and Mrs. Roy Crawley over the Memorial Day weekend were: Mr. and Mrs. W. A. Craddock and Kay, and Mr. and Mrs. Dewey McNeal, all of Sundown; Mr. and Mrs. Bobby Pharris of Breckenridge; Mr. and Mrs. Dean Tindell of Dallas; Mr. and Mrs.

Dick Woods and daughter of Dalt; and Mrs. Walter Jennings of Mineral Wells.

Kay Craddock of Sundown remained in Ranger for a longer visit with her grandparents, Mr. and Mrs. Crawley.

Weekend guests in the home of Mr. and Mrs. C. C. Bearden were: Mr. and Mrs. C. E. Dupree, Virginia and Lawayne, of Baton Rouge, Louisiana; Mr. and Mrs. Carl W. Taylor and Travis of Sherman, Texas; Mr. and Mrs. W. H. Bearden, Kathy Jo, and Randy of Aledo, Texas; Mr. and Mrs. LeRoy Par of Abilene; and Mrs. Jack Bearden, Debbie and Larry of Breckenridge.

SKIN ITCH HOW TO RELIEVE IT. IN JUST 15 MINUTES.

If not just, your 48c back at any drug store. ITCH-ME-NOT deadens itch and burning in minutes; kills germs, fungi on contact. Wonderful for eczema, foot itch, ringworm, insect bites, surface rashes. Today at SWANEY'S PHARMACY.

Guests in the home of Mr. and Mrs. Sammie Elder over the weekend were: her parents, Mr. and Mrs. B. E. Stephens of Dumas; her brother, Edward Lee Stephens of Dumas; and her sister, Mrs. Alvin Johnson and boys of Brownville.

Mr. and Mrs. E. P. Mayfield of Midland were weekend guests in the home of Mr. and Mrs. C. S. Entler.

German Gatherings

By Mrs. R. E. Boucher
Mrs. J. E. Whitacre of Brownwood and Mrs. Barbara Wool of Eastland were here Friday for the Memorial Service honoring World War I and II service men. Services were held at 7 a.m. in the new cemetery.
Mr. and Mrs. Gene Ellison, Pat-

ricia and Jeanne of Abilene visited in the home of their parents, Mr. and Mrs. J. N. Ellison and Mrs. Nannay Burkett.
Mr. and Mrs. Marvin Nix, Mr. and Mrs. Jerry Clark and Jimmy were in Denton Friday visiting Mrs. Clark's mother and Mr. and Mrs. Ben Nix and attended the graduation exercise at N.W.T.C. where Ben Nix received his degree.
Visitors in the home of Mr. and Mrs. T. E. Hagan were their children, Mr. and Mrs. Le Roy Nabors and Mr. and Mrs. Bob Newton and children of Fort

Worth.
Mr. and Mrs. J. P. Johnson of Ardmore, Okla., visited in the home of Mr. and Mrs. J. N. Ellison and Mr. and Mrs. T. H. Bennett. Mrs. Johnson is a sister to Mr. Bennett and Mrs. Ellison. They also attended the H.N.C. Homecoming Sunday.
Guests in the home of Mrs. Florence Underwood for the week were Mr. and Mrs. W. C. Stiles and son, Bill, who are on their way to Anchorage, Alaska, where he is being transferred and Mr. and Mrs. Von S. Halmes of Dallas.
Mrs. E. C. Sutton and Neil had as their guests over the weekend, Mrs. Millie Slaton of Breckenridge and Mr. and Mrs. Virgil McCerle of Pampa.

College Homecoming

The Hankins College Ex-Students Association had an enrollment of around 150. They were here from far and near. Mr. and Pond Palmer of California came in several days ahead of time.

Those spending Saturday and Sunday night were Mr. and Mrs. Olin Kinnison of San Antonio, Mrs. Dorothy Plyler and Dee of Austin, Dr. Amos Blackwell of Stamford, Dr. Roy McDaniel of Quanah, Miss Dila Palling and Mrs. Gema McKnight of Breckenridge, Mrs. Clara Cockrill of San Antonio, Mrs. Neal Rose, Dianne and Denise of Morton J. F. Hankins of Lubbock.

Florence Underwood who has been teaching near Del Rio is home for the NC Homecoming and will be here for the summer then she will be back in the same school for another term.

Clarence Love of Loving, N. M. were among the far away ex-students. Officers elected for the coming year were Dr. Almus Blackwell, president, Dr. Ray McDaniel, vice-president, and Mrs. Millie Slaton, secretary.

Those attending the homecoming for the first time were Mrs. Frankie (Winston) Durham, of Comanche, Alfred Havins of Graham and Hutton Stockton of Lubbock.

Clyde-

(Continued from Page One)
baseball: Teddie Neeley, shortstop; Billy Joe and Ricky Johnson, substitutes; Tommy Joyner, third baseman; Terry Townzen, right fielder; and Pete Hurta, left fielder.

Clyde made three runs in the fourth inning to pull out in front, one run in the sixth inning, and five runs in the seventh.

TALES OF LOST TREASURES IN-AND-AROUND EASTLAND COUNTY

By ATLAS WILSON

Many people have searched, are searching, and will go on searching for buried treasure. It is inevitable as the seasons of the year, he searches for vast riches are the backbone of our modern history books and whether they be conducted from an easy chair with a good book on treasure or on the hot desert wastes of the Mojave, they will continue on into the infinites of the future.

An acquaintance of mine, who is an instructor of Texas History in one of Eastland County's junior colleges, once told his class...

"Gold is where you find it... and the Spaniards found it."

This instructor did not pinpoint any particular geographical locality and his statement wasn't directed to indicate the whereabouts of the metallic substance, but rather, the true reason why the Spaniards were present here in the great Southwest to begin with.

Many historians, as well as their reference texts, continually inform us in favor of the theologian. They teach us that Spanish missionaries were primarily here to Christianize the Red man. That may very well be a true assumption; but it is not true concerning the Spanish conquistadors, who they accompanied on expeditions. The conquistadors were here for three things and seeing an Indian was certainly not one of them. The three reasons namely were gold, silver and the exploration of land containing these minerals.

In the year 1542, the Spanish explorer Moscoso, in his quest for gold and silver, traversed land in, or very near, this vicinity of Texas. So say the experts, anyway.

What they do not say, to my knowledge at least, is what Moscoso found here, except for a few primitive, half-clothed Redskins. Nor do these learned scholars make mention of his activities in this area. They simply state that only half of his original expedition reached Nueva Viscaya (Old Mexico) a little more than a year later and that those who were fortunate enough to return were in a discouraged disposition.

One might be inclined to surmise that unless Moscoso's men wanted to be elsewhere, their disposition would be quite the contrary. More like a "I'm-happy-to-be-back" disposition. But... history is history and at this critical point it becomes unexplainable nil. It stops short and, therefore, is replaced by legend.

These legendary records we now turn to reveal that Moscoso, or some other explorer, recorded maps depicting great quantities of rich mineral deposits in their region of Texas and in verification of these records let us now utilize a factual excerpt taken from

Bill Eddleman Graduates From Dentistry School

Bill W. Eddleman son of Mr. and Mrs. W. W. Eddleman of Arlington and formerly of Eastland was graduated from Baylor University College of Dentistry, Dallas, June 2.

Dr. Eddleman was among the 33 graduates receiving the degree of Doctor of Dental Surgery. Dr. Lee Roy Main, professor of radiology and Dean Emeritus of St. Louis University School of Dentistry, delivered the commencement address.

Graduation exercises were held at the Cliff Temple Baptist Church.

Dr. Eddleman was a member of the Junior American Dental Association at the college.

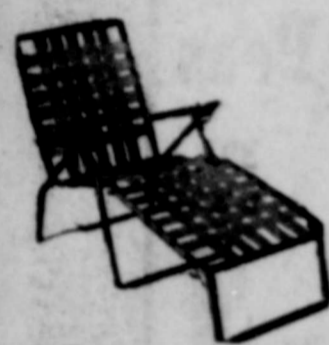

Dr. Eddleman will be the assistant in this attempt will, of course, be the electronic metal locator.

ATTEND THE CHURCH OF YOUR CHOICE EACH SUNDAY

ABOUT YOUR HEALTH

A weekly public service feature from the Texas State Department of Health. HENRY A. HOLLE, M.D., Commissioner

If you're like most people, you hate chiggers!

Red bugs, as some persons call them, are those tiny, almost invisible mites that frequent grass lawns (especially Bermuda), tall weeds, and other grassy areas such as undergrowth in wooded sections. They are usually a light red or tan color. While a hungry adolescent, this pernicious little parasite can send strong men into spasms of itching misery, and into fits of scratching.

The mite itself does not cause much harm; however, scratching will. Infection can result causing painful boils and leaving a scar. In some areas of the world they are believed carriers of disease, but in the U. S., there is no such proven danger. It is the scratching which causes all the trouble.

Gross infection can bring on general bodily disturbances, fever and loss of sleep caused by forced periods of scratching during the night. Animals, birds and domestic fowl suffer from chiggers also, even snakes are not immune.

The severe itching occurs when the chigger, in its efforts to feed, injects an anti-coagulant material to melt the skin layers so that he may feed. They do not burrow into the skin as commonly believed—they merely feed themselves and drop off, but the itching stays on.

They congregate in tight areas such as sleeves, belt lines and neck. You can protect yourself by the application of a suitable repellent to these critical areas whenever you are about to enter a suspected chigger-infested area.

If this fails, there are known palliatives to soothe the itching such as baking soda solution, ammonia water and alcohol.

Chiggers are impossible to control except in cleared areas such as lawns, greens, camp sites, and picnic grounds where the ground may be mowed closely.

For these areas, a treatment of five percent chlordane or toxaphene dust is effective at the rate of 40 to 50 pounds per acre (1 to 1 1/4 pounds per 1,000 square feet), and lindane dust of one percent concentration (10 ounces or more per 1,000 square feet). Sprays may be substituted. All are dangerous to people!

Fifty to 70 gallons per acre, following the mixing directions on the label, is usually sufficient (1 1/2 to 2 pounds per 1,000 square feet).

Bear in mind the dangers in the use of the dusts or sprays—use caution and put them away safely. Remember, insecticides can kill; chiggers only itch.

ATHLETE'S FOOT GERM HOW TO KILL IT.

IN ONE HOUR, if not pleased with STRONG instant-drying T-4-L liquid, your 48c back at any drug store. It drenches off infected skin. Exposes more germs to its killing action. USE T-4-L FOOT POWDER too—gives a film of antiseptic protection. NOW at SWANEY'S PHARMACY.

YOUR SOCIAL SECURITY

By C. M. VADEN JR.

In a previous article I discussed retirement payments. Now suppose that you do not live to reach the retirement age?

If you die at any age social security benefits can be paid to certain of your survivors. For the young man, with a wife and children, Social Security in many cases represents the best insurance protection that his family has. It can be worth as much as \$50,000 or more to his widow and children in monthly checks.

If you leave only a widow, she can be paid benefits beginning with age 62. There is no reduction in widow's benefits. In the case of a woman, her widower at 65 can benefit if he was dependent on

his wife at the time of her death. If there is neither widow, child, nor dependent widower, your aged parents may get payments if they were dependent on you for their support.

These are the monthly survivor benefits provided by the law. You cannot name a beneficiary. If you are insured at the time of your death, a lump sum will be paid to your widow or widower if you are living together. If there is no such widow or widower, then the person or persons who paid your burial expenses can get the lump sum. This lump sum is three times your monthly benefit amount with a maximum of \$225. It is in addition to any monthly benefits payable.

A widow, widower or parent receives 3/4 of your monthly benefit amount. The total payment to

any one family from a single social security account cannot be more than 80 percent of the worker's average monthly earnings or more than \$200. If the unadjusted family payment would be more than the permitted maximum, each dependent's share is reduced to bring the total down

to the maximum amount payable. A family's total is not reduced below \$50.00 by such adjustments. For more information on the survivors benefits payable, write the Social Security Administration, P. O. Box 1641, Abilene and ask for a free copy of the booklet "Your Social Security."

FRIGHTENING—Cathren Santa Maria, a big-eared basset hound, doesn't like the looks of that hypodermic needle. An antirabies drive in Sacramento, Calif., brought out the dread instrument.

IT'S THE LAW
in Texas

"With All My Worldly Goods" June is traditionally the month for weddings, and many couples will be taking marriage vows within the next few weeks. A certain symbolic transfer of "worldly goods" is often associated with the wedding ceremony, but under Texas law the act of marrying another does not give you the right to take control of his property.

Generally speaking, each spouse has the right to control and dispose of his or her own separate property. The separate property of a husband or wife includes property owned by either before marriage, and that which is acquired by either after marriage by gift or inheritance. Any other property acquired after marriage is presumed by law to be community property until the contrary is clearly proved.

Aside from the ordinary community estate, there is a class of property known as the wife's "special community," which includes all the income from her separate real property, and probably the interest on bonds or notes, and dividends on stocks owned in her separate right. While the husband may have similar assets, the law accords them no particular distinction from ordinary community property.

Although the history of the matter is somewhat confusing, it appears that under present day law the husband has control of ordinary community property; but control of the wife's special community property is reserved to her.

Certain restrictions are imposed upon both husband and wife in exercising such control. For instance, the husband cannot legally dispose of community property in such a way as to defraud the wife, nor can he sell the homestead without her signature and acknowledgment. And the wife's sale or mortgage of her separate real estate, stocks or bonds is not valid unless her husband joins with her in the transaction—he must sign and execute the necessary legal papers along with her.

There are laws exempting the wife's separate and special community property from liability for debts incurred by the husband. Such liability is restricted to his separate property and the ordinary community property.

On the other hand, debts incurred by the wife in obtaining necessities for herself or the children bind all property belonging to either party, including the husband's separate property. For other debts which she has power to incur, only her separate and special community property are liable.

All of these distinctions emphasize

the advisability of keeping proper records. By doing so, the various classes of community and separate property owned by a married couple will always be easily distinguishable. Each category will then receive the special protection afforded to it by our laws. (This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

IN JUST 15 MINUTES
IF YOU HAVE TO
SCRATCH YOUR ITCH—

Your 48c back at any drug store. Apply ITCH-ME-NOT. It deadens your itch and burning in minutes; kills germs, fungi on contact. Wonderful for eczema, foot itch, ringworm, insect bites, surface rashes. Today at Swaney's Pharmacy.

"I Wanted to be Sure—"

...that's why I have come to you for help. I have never had an abstract to my place and now I am in trouble! That is the testimony of a recent customer and is a repeat of many such testimonies we have had in our 35 year experience in abstracting Eastland County land titles. It's certainly a compliment to have the confidence of so many people and we want to keep that confidence by seeing to it that every customer gets a quality product.
