Speedy Breakfast For Teen-Agers

The something that I can eat in a nurry, a teen ager com-mented and her mother agreed. The answer? An orange flavored cereal nog with honey bran muffins. It takes just 5 seconds to whirl the cereal nog and the muffins are ready to eat just as is? Such a speedy breakfast provides one-fourth of the recommended amounts of calories for a teen-age girl and one-third of the protein

If your teen-age daughter refuses to eat breakfast because she "doesn't have time," encourage her to try a cereal nog with muffins. It's quick, refreshingly different, and makes a good contribution towards meeting her daily nutritional requirements. During September—the 10th Anniversary of Better Breskfast Month, encourage your teen-agers to start each day with an adequate morning meal. They will feel better, work better, and be less fatigued throughout the entire morning.

Orange Cereal Nog

1 cup cooled cooked rolled oats, quick or regular; or cooled cooked hot whole wheat cereal, instant or regular

1 cup cooled cooked rolled a cup chilled orange juice 1 egg 2 tablespoons sugar cup instant dry milk solids 2 cup chilled milk

Shrinks Hemorrhoids

Without Surgery

Measure all ingredients into blender container. Blend about 5 seconds. If no blender is available beat until thoroughly mixed with hand or electric mixer. Chill if desired. Yield: 3 cups.

Eastland Co. H. D. Council Meeting Is Held Recently

Stops Itch-Relieves Pain For the first time acience has found a new healing substance with the astenishing ability to shrink hemorrhoids and to relieve pain — without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all — results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®) — discovery of a world-famous research institute. This substance is now available in suppository or oinfment form called Preparation H®. At all drug counters. The Eastland County Home recently in the Texas Electrict conference Room.

The meeting was called to order received Honorable Mention on by the new chairman, Mrs. Clint McCain. Business in general was discussed and the T.H.D.A. chairman, Mrs. Clint McCain. Business in general was discussed and the T.H.D.A. Chairman. man reported that the State meeting would be held in Temple. Rules were then revised, rad e years in high school and was and voted that they would be ac-an officer in several clubs, cepted. Mrs. Bela Tücker was

Large Supply Of Meat Reported By USDA

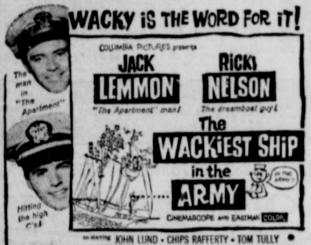

The estimated 1961 mest pr ction will provide consumera he U. S. with the largest supply of meat in history, both in total and per person. If the estimate, prove correct, Lloyd Bergsma, exnsion livestock marketing specia st of College Station, says conumption of red and poultry meats uld exceed 200 pounds per per-

on for the first time in history. Bergsma says livestock producs will be faced with a generally waward treniing market durg 1961. Prices during the first alf of the new year will not feel he effect of increasing supplies s strongly as those for the last alf. He expects slaughter cattle o average near 1960 levels dur ng the earlier months of 1961, ut increasing supplies of grass ittle and more competition from cpanding hog production are exected to have their effect by late ammer. The greatest price drops e foregast in the lower grades of

on of the herd build-up which tarted in 1958. But, he adds, wenper conditions can play a mighty sportant role. Cattleme e con be pected to renet quickly to hanges in crop and pasture contions, since ca'tle numbers on he farms and ranches of the na-

on are now at an all time high On the brighter side, Bergsma ays consumers have, partially at reased their consumption of beef nd he sees a cont nuation of this trong demand. This trend should elp case the downward pressure n prices resulting from the ex-

TELEPHONE IMPROVEMENTS FOR RANGER IN '61

As we move into the second year of the "Soaring Sixties," many of us in Ranger are busy with new plans for next year. The year ahead is always a new challenge A new opportunity for each of us to do a better job.

Our job at the telephone company is to continue providing you with ever-improving telephone service.

One way of improving your telephone service is to of r you a wider range of things that make telephone serv re more convenient and enjoyable. Examples are the new Princess phone, color phones, wall phones, and the new nome interphone now being introduced.

Another way is to expand the communications net work, improve its quality, make it more efficient and rouble-free. Here are some of the improvements planned

1. We plan to replace some exchange open wire lines with cable.

2. Some lines will be raised over city streets to pro vide additional street clearance.

3. Some of the older exchange cables will be replaced with new cable.

4. Our present cable air pressure program will continue.

In 1961, we'll not only give you better service be ve'll do it more efficiently. This is important, becaus reater efficiency helps fight inflation.

Our ability to achieve greater efficiency-throug echnical advance in the telephone business, innovation and new methods-helps make it possible for us to give you, at reasonable rates, telephone service that grows beter year after year.

IMPORTANT NEW FILM ON NATIONAL DEFENSE

How safe are we from an enemy missile attack? A new olor film, "Seconds for Survival," produced by the Bel system offers a dramatic and positive answer.

The film, which is being offered for showings at church, school, civic, and business group meetings, is narated by Raymond Massey and shows how the United States defense network guards against enemy attack.

Would your group or club like to see this movie? I io, just call the telephone business office to make ar angements. There's no charge, of course. I hope you car
