Ovalo man is 17th fatality

An Ovalo, Texas, man was killed and a Dimmitt truck driver injured in a fiery head-on collision between a pickup and a loaded sugar beet truck midway between Dimmitt and Hereford Friday afternoon. KILLED instantly was Troy Preston Allen, 44, driver of a 1964 Chevrolet pickup. He was Castro County's 17th traffic victim of 1972. Injured was Ruben Casas, 27, Dimmitt truck driver. He was taken to Plains Memorial Hospital in Dimmitt, where he was admitted for treatment of facial lacerations, bruises and shock. He was dismissed Sunday. The loaded beet truck burned and the pickup was cut in half as a result of the high-speed collision. Traffic was backed up for 300 yards each direction for half an hour after the accident.

SCENE OF FATALITY—This was the grim scene Friday afternoon on US 385 north of Dimmitt, where a head-on collision between a pickup and sugarbeet truck claimed the life of Troy Preston Allen of Ovalo and seriously injured Ruben Casas of Dimmitt. Allen was the driver of the 1964 Chevrolet pickup, and Casas was driving the beet truck. Witnesses told officers that Allen was attempting to pass two cars and failed to get back into his lane in time.

RESOURCEFULNESS—Her hands are full of tape and she can't reach the scissors, so Mrs. James Welch uses her teeth to keep the production line going in the county-wide "Christmas Candy for Servicemen" project. At right, Mrs. Vern Lust packs one-pound coffee cans of homemade candy

into a box for a lucky serviceman somewhere. Tape-biting, label-licking, newspaper-wadding and bundle-tying were among the talents needed by the ladies preparing the gift packages this week. The packages will go into the mail Friday to county service men and women all over the world.

Response 'very good'

56 candy boxes packed

Fifty-six boxes of Christmas candy were stacked to the ceiling in the Farm Bureau office Wednesday, awaiting shipment to county service men and women later this week.

shortest time on record for the project. "Six women finished the wrapping Tuesday after they began the difficult job Monday afternoon," Mrs. Hance said. "They have developed a packing system through the years that speeds the packing process

up quite a bit." By early Wednesday 51 names of Castro County men and women serving in the Armed Forces had been turned into Mrs. Hance, who is compiling the mailing list.

PLANS NOW are to send two candy packages to those serving overseas and one to those serving stateside.

"The response was very good this year," Mrs. Hance said. "The candy just seemed to pour into our collection office."

Money is still being accepted to pay the postage costs involved in the candy project. Reta Welch, project chairman said about \$300 will be needed to cover the postage.

A NOTE of humor from last year's candy project surfaced this week when a 1971 candy box was returned to the local post office. Mrs. Welch said the box had been in the Canary Islands some of the year, and she wasn't sure why it had just now returned to Dimmitt.

include sponsorship of the Dimmitt Athletic Club, which is open to all boys in the county who are interested in boxing, and the annual Christmas promotion downtown decorations, free Christmas cards for children and the awarding of free Christmas bicycles to eight local youngsters—four boys and four girls.

THE CHAMBER hopes to add a substantial number of businesses, professional offices and farm operators to its membership list to insure representation of all phases of local business and civic activity.

Persons interested in joining the chamber may contact Mrs. Magness at 647-2524 or see her at the CofC office in Dimmitt's city hall.

Dues are a minimum of \$5 per year for small businesses. Larger businesses are paying \$30 to \$400 per year via monthly payments, Chamber Secretary Dorothy Magness said.

The chamber board voted at its monthly breakfast meeting Friday to publish two advertisements per year in the News, listing all chamber members and asking local residents to patronize them.

THE CHAMBER this year is concentrating on industrial development and community relations. Under the chamber's sponsorship, the new Castro County Industrial Foundation was organized this year, and has now received its charter as a non-profit corporation. Proposed bylaws for the new foundation are now being drawn.

Funeral services were held recently for Mr. and Mrs. Vivian Melvin Collins in the Sage and Smith Chapel of Kanorado, Kan.

The foundation's directors—all of whom are chamber members—recently attended a Small Business Administration conference on industrial development in Tahoka.

THE ACCIDENT occurred at 1:10 p.m., 10.1 miles north of Dimmitt on US 385. Highway Patrolman Dyrle Maples, who investigated, said witnesses reported Allen had passed two vehicles while driving south, and failed to get back into his lane in time to avoid a head-on collision with the beet truck, which was northbound around a curve in the highway.

County Judge Raymond E. Wilson, serving as coroner, pronounced Allen dead at the scene.

Allen's body was transferred to Winters for funeral services. Dennis Funeral Home was in charge of local arrangements.

Water, Inc., prepares for major push in '73

Water, Inc., officials expect that there is indeed water in the river surplus to all foreseeable needs within the basin. That surplus is expected to be available, however, only during three or four high-flow months each year. Texas officials had hoped for a longer pumping period each year, but are generally agreed that they can live with the commission findings. It means simply that more off-river storage space must be found.

Library qualifies in regional plan

Castro County Library is one of 12 libraries in the 25-county area that surrounds Amarillo that have qualified for membership in the Amarillo Major Resource System organized under provisions of the Texas Library Systems Act. Administered by the Texas State Library, the Systems Act gives public libraries that meet certain standards of local support the right to join a system for carrying out cooperative programs of various kinds.

UNDER THE Statewide Plan for Library Development, Texas had been divided into 10 areas. The largest library in each serves as the major resource center. Other libraries serving more than 25,000 persons and meeting other qualifications are area libraries. Smaller libraries are designated community libraries.

A total of 195 libraries throughout the state qualified for system membership.

"We are particularly gratified that 29 libraries that did not qualify for membership last year joined the system this year," said Dr. Dorman H. Winfrey, director of the Texas State Library. "This not only means that local support for libraries is improving but also that libraries are recognizing the benefits of system membership to their patrons."

During the spring all systems members will select delegates who will meet to elect two members of the six-member Advisory Council to replace the members whose terms are expiring.

IN MOTHER'S FOOTSTEPS

What joy in life is seen in those eyes. That smile is given freely to everyone. Now look at them both. Which one am I talking about? Aren't they both the same? No, she's not an exact, carbon copy, of her mother — for when you look again, you see that there is a generation between them. She wears the bright colors in her dress with the cute designs. Her dreams are different than her mothers. She is more outgoing. Yet in the mother you can see a quiet humor and in her closeness to her daughter, a gentle protectiveness. Her mother's dreams are sometimes too ambitious, but in the "Encouragement Department" she works just fine.

There is one dream and ambition they both have, however; and that is to be like our Lord and Saviour Jesus Christ, and to be of service to the church. Their goodness is of God.

"For the eyes of the Lord are over the righteous, and his ears are open unto their prayers: but the face of the Lord is against them that do evil." I Peter 3:12.

EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

COTTON farmers in the southern half of the state have done an excellent job in destroying cotton stalks this season. But recent rains are causing regrowth problems in some areas. Farmers are urged to continually check their fields to make sure that regrowth is destroyed so that it will not become a habitat for cotton insects this winter.

 This is Children's Book Week, Nov. 13 through 18. Let me encourage all children in this area to use the Castro County Library, especially this week.
 DURING this time until Nov. 30, we will allow everyone to bring their "overdue" books back without paying a fine. We hope we can get most of these books back in the library at this time.
 I took a short vacation recently to Dallas to stay with two of my grandchildren. I would like to thank Lynn King for taking charge of the library while I was away, and Mrs. Witt for helping with the children's Story Hour. Irma Salinas was out of school that Friday, so she helped with the Story Hour also.
 The Library Board members—Jack Miller, chairman, Hazel Merritt, Edna Riley, Leora Little, Mary Acker and Jackie Armstrong—met last Wednesday. Elizabeth Crabb, the extension coordinator from the Amarillo Public Library, was here for the meeting and then went with us to the Silver Tea and Book Review of the Dimmitt Book Club. Mrs. Leora Little is president of the club this year and we are proud to have her as one of the library board members. Maxie Horton reviewed the book, "The Peter Prescription," by Laurence J. Peter. This is a delightful book and Maxie gave such a good review. We have this book in the library.
 THE FRIENDS of the Library met Friday morning with Maxie Horton presiding. Others attending were Mildred Bradford, Roxie Louder, Reta Welch, Virginia Hansen, Bobbie Hill and Hazel Merritt. They plan to have a book sale in February, so if you have books you do not want, bring them to the library and we will either keep them for library use or put them in the book sale.
 Mrs. Witt helped again with the Children's Story Hour Friday. I read "The Parade" by Ed Emberley to Lynn Roland Greg and Scott Sava. Stacy Jackson, Cathy Witt, Todd and Tiffany Braaffad, Cindy and Lance Smith, Todd and Tracy Hill, Tammy Malone, Laura

Lamb economical, and tender, too

By IRENE KEATING This week I've been attending a management training session in Amarillo. I'll share my new ideas next week.

IT'S NOT new, but many of you are just now realizing that lamb is a good meat (and it definitely saves on the food budget).

I grew up in sheep and goat country and really do enjoy lamb. I'm so glad its available locally now.

Lamb is a tender meat because the lamb is so young he muscles have had little use.

REMEMBER that lamb has fell which is the thin part-like covering found over the fat of lamb.

EACH member brought her favorite recipe and the club enjoyed a luncheon. A "White Elephant Sale" was held to raise funds for the club with Mrs. Ernest Flood acting as auctioneer.

Seven members were present and one new member, Mrs. Brice McRee and her daughter Heather, attended.

The next club meeting will be a family Christmas party in the Easter Community Building Dec. 16 at 7 p.m.

Old crop grain sorghum stocks in all positions are estimated at 74,000,000 bushels, 44 percent above a year ago.

WOODLAND SETTING at the Dimmitt Book Club's Silver Tea last Wednesday afternoon was created by Virginia Gilbreath. Esta Vandiver served coffee as the guests

helped themselves to miniature cookies. Going through the service line is Betty Boothe, left.

Witty review highlights Book Club's Silver Tea

Women attending the Dimmitt Book Club's annual Silver Tea last Wednesday often broke into amused chuckles and smiles as Maxie Horton reviewed "The Peter Prescription" by Dr. Lawrence J. Peter.

The event was held in the First Baptist Church fellowship hall.

IN HER review of the book of comical cynicism, Mrs. Horton said Dr. Peter's book is aimed at helping people avoid rising to their level of incompetence.

Quoting Dr. Peter Mrs. Horton often grinning with her audience on such statements as "one man calling his home his 'hassel.'" "educated people use many big words to confuse themselves and others," and "politicians who must project an image that research shows is the image the public wants of a politician."

Hostesses for the annual tea were Mrs. Charles Vandiver, Mrs. Goldman Dyer and Mrs. Jim Cleavinger.

They served coffee and finger cookies from a table covered with ivory crash linen.

The table's arrangement was formed with a rough bark base with tiny owls peeking from behind rocks and dried mushrooms. Huge soilder mums, other flowers and greenery completed the woodland setting.

Swags of colorful fruit and leaves were draped around the edge of the table.

SPECIAL guests included Mrs. Ray Johnson of Summerfield and her sister, Mrs. W. D. Mantiply of Bunkie, La., Mrs. Elizabeth Crabb, coordinator with the Amarillo Library and Lynn King, assistant county librarian.

Broncos go over Swift line, 28-0

Instead of trying to go through Nazareth's rugged defensive line Friday night, Meadow's Broncos started early to go over it. The strategy worked as the Broncos connected on touchdown passes of 35, 20 and 13 yards in the first half en route to a 28-0 victory.

A GOLDEN-armed quarterback and speedy fullback joined forces for two touchdowns in the first quarter and one in the second on play-action passes. The Broncos built a 20-0 half-time lead while the Swifts were still trying to get their offense clicking.

After a scoreless third quarter, Meadow struck again in the fourth—this time on a ground drive—to finish the scor-

ing and hand the Swifts their fourth defeat of the year.

Coach Clayton Neal's Swifts now stand 5-4 for the season and 4-4 in District 2-B play.

"OUR DEFENSE held them time and again on runs, but couldn't stop their play-action passes," Coach Neal commented. "We couldn't stop the striking ability of their quarterback, and our offense never did get untracked."

Meadow rolled up 182 yards on offense while holding Nazareth to a meager 50. In first downs, the Broncos posted a 20-7 advantage.

The Broncos went to the air 12 times and completed five, including three for TD's. Nazareth completed four of eight, with little Charlie Heck on the receiving end of three of them.

Defensive standout for Nazareth was Dennis Kern with eight tackles and two assists.

FRIDAY NIGHT the Swifts will close out their season by visiting New Home. The Nazareth lads are hoping to collect a victory over their hosts—who hold a 2-7 record—and finish with a successful 6-4 season mark.

Kickoff time will be 7:30 p.m. at New Home.

Friday night's encounter will be the last one for six Nazareth seniors. Ending their school boy football careers at New Home will be wingback Kent Kirkenfeld, guard Denis Kern, fullback Stanley Gerber, defensive safety Stanley Maurer, and tackles Steve Acker and Kevin Kleman.

ALBERT EWING, Dimmitt tailback, finds himself surrounded by Morton Indians in this second-quarter play of Friday night's District 3-AA encounter here. Closing in on the speedy Dimmitt runner are Morton's

Dubbie Bryan (52), Leslie Carter (72), Mike Grusendorf (75) and David Barrera (11). Morton capitalized on turnovers to post a 28-8 win over the Bobcats.

Three turnovers fatal as Bobcats fall, 28-8

Morton's defense scored the first two touchdowns and its offense added two as the Indians romped to a 28-8 win over Dimmitt's Bobcats here Friday night.

THE LOSS dropped Dimmitt into the District 3-AA cellar with an 0-3 conference mark and a 2-7 season record.

It was only the second victory of the year for the renegade Indians, who earlier had defied the rules of propriety by handing the powerful Muleshoe Mules their first loss and tying the district champion Littlefield 2-6-1 for the season and 1-1-1 Wildcats. Morton now stands in district play.

Friday was Dad's Night in Bobcat Stadium, and the Dimmitt lads seemed determined to win the final home game for their dads as they put together a good run-and-pass attack and marched to six first downs while holding Morton to one in the first half.

BUT A pass interception and 35-yard touchdown runback by Morton's Larry Thompson, in the second quarter stymied Dimmitt's efforts and set the stage for things to come.

No one seemed more surprised than Thompson himself when he picked Terry Powell's pass out of the air at the Dimmitt 35 after the intended receiver, Travis Hampton, had slipped down while making his cut. Thompson angled to the sideline, then raced the distance, going into the end zone standing up. Jerry Silhan's extra-point kick was true and the Indians held a sudden 7-0 lead.

Up to that point, Morton had netted only 16 yards and a lone first down and had had one of its two passes intercepted by Powell. The Indians also had failed to capitalize on a prime opportunity—a firstplay fumble by the Bobcats at the Dimmitt 30—and it appeared that Dimmitt had the upper hand.

THE BOBCATS shook off the bad break and went on the march again. Florence Acevedo returned Morton's kickoff 21 yards to the Dimmitt 42, then sparked the Bobcats with a 17-yard pass reception and a 15-yard run as Dimmitt rushed to a first-and-goal on Morton's 5-yard-line.

But there, tragedy struck again for the Cats. As Acevedo punched to within two yards of the goal line, the ball squirted loose and a gleeful Morton player emerged from the pileup with the ball.

The half ended with Morton still holding its 7-0 lead and Dimmitt's fans hoping it was only a temporary adversity.

BUT IT wasn't temporary. Once the Indians had stolen the momentum with the two big turnovers, they kept it by establishing their running game after the half-time break. The Tribe chalked up four first downs and kept the Cats in the hole until a short Morton punt let the Bobcats set up shop on the Dimmitt 42.

Then came Morton's second stunning touchdown interception. The Indians' Jimmy Harvey liked Thompson's second-quarter act so well that he repeated it on the last play of the third, taking a Powell pass that was intended for Hampton and streaking 48 yards down the sideline to the end zone. Silhan added the extra point and Morton led 14-0, courtesy of the Tribe's pass defense.

The Indians' offense finally came through on Morton's next possession. After Dimmitt fired three incomplete passes and punted, the Indians drove from their own 35 to the Dimmitt 43—overcoming a 15-yard penalty in the process—then sophomore fullback Tony Soliz broke through the middle and scampered all the way to the goal posts. The point-after attempt failed and Morton led 20-0 with 9:13 remaining in the game.

A FIRST-DOWN penalty after the kickoff pushed the Bobcats back to their own 10, and they punted two plays later from the 13. Morton's David Barrera took the punt on the 41 and raced it back to the Dimmitt 29. From there the Indians used nine passes—the longest an 11-yard pass—to pick up their fourth TD. Harvey punched over from the 1-yard line for the score. A rattle-dazzle pass play off a fake place-kick netted a two-point conversion to give the Indians a commanding 28-0 lead with 4:56 remaining.

Ewing took Morton's kickoff at the 18 and willed his way out to the 41, and from there, Dimmitt started its only non-producing drive. Workhorse QB Terry Powell sparked the March with his passes and keepers.

At the Morton, 13, Powell went back to pass, had to scramble instead, then twisted and stag-leaped all the way into the end zone in Dimmitt's most exciting play of the game.

Ewing ran for the two-point conversion, making it 28-8.

WITH JUST 1:06 left, the Cats tried an inside kick but it didn't work, and Morton took over at the Dimmitt 47. The hungry Indians still wanted more and went for the long bomb, but Brad Sanders picked it off at the Dimmitt 27. The final buzzer sounded as a Morton tackler tripped up Ewing on a screen-pass scamper at Dimmitt's 30.

Morton's two touchdown interceptions and the recovered Dimmitt fumble at the 5 were the breaks that made all the difference in the score between the two evenly matched teams.

Dimmitt chalked up 10 first downs to Morton's nine, and the net yardage was about even, with the Bobcats dominating the first half and the Indians the second half. Dimmitt lost two of four fumbles while Morton lost one of three. Morton posted three interceptions to Dimmitt's two. The Indians were assessed 65 yards on seven penalties, while the Bobcats lost 45 yards on five miscues.

EXCEPT FOR the two fatal interceptions, Powell had a good night aerially. He threw more passes than ever before—22—and connected on 10 of them. Lonnie Strickland turned in his usual good punting game, too, treating the ball six times for a 38-yard average. His longest was a 50-yard boomer that out to the Indians in the hole in the first quarter.

Bobcats hope to recruit Ponies for cellar-mates in final game

Dimmitt's Bobcats can't get out of the District 3-AA cellar, but a victory over Olton Friday night would bring them some company to save their loneliness.

THE SIZE of the cellar crowd is all that's at stake Friday night when the Bobcats visit the Mustangs' arena for the final grid game of '72.

Just three years ago the game between the Cats and Ponies was for the district championship. But the fortunes of football are fickle, and for this year the Littlefield Wildcats already own the crown. Littlefield has completed its regular schedule and is preparing for the playoffs, leaving Morton and Friona to fight it out for second place Friday night while Dimmitt and Olton are doing battle.

Coach Ray Kinnison's Mustangs are 3-6 for the season, and Coach Brown L Smith's Bobcats are 2-7. In league play, the Herd owns a 1-2 mark while the Bobcats are 0-3. A victory by the Bobcats would give the two teams identical records.

THE PONIES, who operate from the Houston Veer-T, are probably tougher than their record indicates, because they've had a tough schedule.

Hart to host Bovina in 3-A game of year

Hart's Longhorns are straining at the gate, waiting to lock horns with the Bovina Steers in Hart Friday night. If the Longhorns win the game, they'll be the co-champions of District 3-A their second year in the conference.

DEPENDING on how you look at it Hart hasn't lost a game this year. The Horns have only been tied once, 0-0 by the Kress Kangaroos.

The conference standings depend on how the District 3-A officials look at it. And since Kress gained more penetrations than Hart in that tie game, Hart was declared the loser under the standing policy and was relegated to second place in the

league, despite the near-perfect record.

(Each district establishes its own policy of whether to count a tie game as a half-win, half-loss in the standings or require a winner to be declared in every game. District 3-A officers chose the latter course in pre-season.)

UNDER THE same rule, Bovina was declared the winner on penetrations of a tie game against Sudan. Actually, Hart and Bovina have identical 4-0-1 records in district play, but under the league policy the record shows 5-0 for Bovina and 4-1 for Hart.

If the Longhorns lose to Bovina Friday, it's all over and

they'll finish the year in second place—a still respectable spot in the rugged district.

But if Coach Lonnie Phillips' well-disciplined Longhorns can turn their home-field advantage into a victory over Bovina, they'll end in a first-place tie with the Steers and will get to represent the district in the playoffs.

BOTH TEAMS have knocked off Farwell, the pre-season favorite. Both also have eliminated Springlake, Vega and Sudan. Bovina defeated Kress the week after the Kangaroos battled Hart to the scoreless tie.

Vega finished the elimination of Kress from the race with a victory last week. Now it's a two-team duel between Hart and Bovina.

And what a duel it's likely to be. Both teams are explosive, and have been subjected to less than a handful of "off nights" during the season.

Kickoff time will be 7:30 in Hart High School's stadium.

Wildcats sew up championship; will play Floydada-Tulia victor

Littlefield's Wildcats removed all the "ifs" from District 3-AA conversations last week, but time for relaxation will be short.

COACH Jerry Blakely's Wildcats are toast of the league this week after capturing the championship, even though an entire round of games remain on the schedule.

The Wildcats' off-week in the district schedule, necessitated by an odd number of teams in the league, comes on the very end of the schedule. So, with the undisputed title tucked away, Coach Blakely has an extra week to let injuries heal and get ready for the bi-district playoffs.

The Wildcats had to win last week, and they did just that, clipping Olton 34-12. However, with 10 minutes to play in the game, it was just 13-12 Littlefield and the Wildcats, who had escaped from Morton the previous week with a tie and needing to win to retain their title.

OLTON's Glen Johnson had sprinted 51 yards for a score with 9:55 left to play to pull the Mustangs within one point. But the Wildcats stopped the go-ahead, two-point conversion and extended their lead to 20-12 in just 82 seconds.

Leneral Lewis took a pass from Terry Bryson on a play covering 45 yards, and Larry Hrbatsch's boot left more breathing room.

But before the final gun, Bryson scored twice on keepers measuring one and 13 yards and a title which it shared with Floydada last year is being claimed solely by Littlefield.

NOW, while the Wildcats await their bi-district foe, the rest of the district teams will be battling for final spots in the standings. Friona which was pegged for second in the league, is there now and will play troublesome Morton, and Dimmitt will play Olton. Morton climbed out of the cellar last week by dropping Dimmitt 28-8.

Kickoff time will be 7:30 p.m. in Olton.

defense as offense, as the Indians scored their first two touchdowns on pass interceptions, the first by Larry Thompson covering 35 yards and the second, by Jimmy Harvey, covering 48 steps. In between, the defensive unit recovered a Dimmitt fumble at the two-yard line to prevent a touchdown.

The win was Morton's second of the year. The other was over Muleshoe—at that time undefeated and untied—and the Indians also own a tie with Littlefield.

LITTLEFIELD'S bi-district foe will be either Floydada (9-0) or Tulia (8-1). The two teams are currently tied with 4-0 records in 4-AA and play in Floydada Friday night. And, naturally, Littlefield's coaches will be on hand to chart every play, looking for cracks in the winner's armor.

Last year, Littlefield and Floydada tied for the 3-AA title, and they also tied in their encounter, with Littlefield winning on first downs. But earlier this year, Floydada won a non-conference game 3-0.

In event of a Floydada win the bi-district tilt will be held in Floydada, since the two teams played their last conference game (1971) in Littlefield.

However, a Tulia win would necessitate a coin flip or consultation to choose a site.

LITTLEFIELD will go into the bi-district playoffs with a group of hard-running performers. In the Olton game, quarterback Terry Bryson gained 143 yards on 24 carries, and Coach Blakely has Leneral Lewis who scored twice in that game. Also, in need of a field goal, the Wildcats can call on Hrbatsch, who has tied 21 extra points and four field goals this year, including two (31 and 26 yards) against Olton.

3-AA DISTRICT STANDINGS

Truelock named 'Bobcat of Week'

Shannon Truelock was named Bobcat of the Week by Coach Brown L Smith at Monday's meeting of the Boosters Club. Praise for outstanding effort was also given Robert Horton and Larry Shugart. The Cats close out their season this Friday at Olton.

HIGHLIGHTS of the seventh and eighth grade victories over Morton were shown on the new video camera. The seventh grade won 26-0 and the eighth grade came out on the long end of a 28-8 score, with Brad Du-laney calling his own game at quarterback and doing a good job.

Officers for the 1973-74 school year were elected: Roy Dale Greenwood, president; Travis Hampton, vice-president; Polly Simpson, secretary; Wanda Derrick, treasurer; and Dee Yates, reporter.

Tentative plans for the March volleyball tournament were discussed and will be finalized at a later date.

THE FOOTBALL contest is still a cliffhanger. Weekly winners were Anita Adams, first; and Lloyd Davis, M. L. Simpson, Mrs. Dwayne Ludder, Roger Malone and Adeline Rush, second.

The top 10 leaders in the season standings, with one week left to go, are: Ted Goldsmith, Bill Sanders and Anita Adams, 127 points; Bullet Adams, Ewell Kelley, Mrs. Dwayne Louder, 125; Frank Wise, Shirley Adams, Bobby Adams, 124; and Mrs. Frank Wise, 123.

If there is still a tie at the end of next week the contest will continue for those tied until a winner is determined. First prize of \$50 and two tickets to the Cotton Bowl game has been donated by Steere Tank Lines. The second prize is two tickets to the Sun Bowl and \$25.

Pioneer earnings holding steady

The board of directors of Pioneer Natural Gas Co. has declared a third-quarter dividend of 21 cents per share on the outstanding common stock, according to Burton P. Smith, president and chief executive officer. The dividend will be payable Dec. 1 to stockholders of record on Nov. 15.

CONSOLIDATED net income of Pioneer and its subsidiaries for the quarter ended Sept. 30 amounted to \$1,591,903. This compares with \$1,665,135 for the third quarter of 1971. Consolidated net income for the first nine months of this year amounted to \$7,409,550, compared with \$6,886,757 for the same period in 1971.

Earnings per share for the third quarter amounted to 21 cents on 7,468,132 shares outstanding during this period. This compares with 22 cents per share on the 7,468,132 average number of common shares outstanding at the end of the same period last year.

What's cooking at the schools

Here's the Dimmitt school lunch menu for this week.

TODAY (Thursday) — Super dogs, cabbage slaw, corn, beatnik cake and milk.

Friday — Fish, turnip greens, steamed rice, strawberry gelatin with cranberries, rolls, butter and milk.

Monday — Barbecue on bun, cabbage slaw, French fries, applesauce cake and milk.

Tuesday — Turkey and dressing, cranberry sauce, candied sweet potatoes, celery, pumpkin pie, kitchen made bread and milk.

WEDNESDAY — Sandwich plate, relishes, chips, fruit or cookies and milk.

Nov. 23 and 24 — Thanksgiving holidays

IT WON'T BE LONG before construction gets underway on the new Rhoads Memorial Library of Dimmitt and Castro County. The two-lot site at the corner of Bedford and Southwest Second (background) has almost been cleared, and brown brick for the library (foreground) is stacked on the First State Bank parking lot across the street. Construction of the library is assured with funds now available,

although a local fund drive is needed to buy fixtures, furniture and more books. The library will be named in memory of the grandparents of Mrs. Tylene Perry of Plainview, who donated most of the construction capital. Jerry Gailey Construction Co. of Lubbock won the building contract with a low bid of \$141,217.

Lions study industry prospects

By MYRT LOMAN

Carl Lightener of Lubbock, district manager of the Small Business Administration, spoke on the possibility of forming a Hart industrial foundation at the Monday noon meeting of the Hart Lions Club.

Lightener discussed Hart's potential with Lions Club members and told of the different ways of forming an industrial development corporation or foundation.

Twenty-five Lions and two other guests heard Lightener's talk. Guests were Jean Foster, club sweetheart, and Sherman Ivey.

Mrs. Leonard Griswold presented the Lions Club with a Cub Scout Participation Award. The club voted to donate \$100

to the Girlstown Christmas project. Money donated by Lions Clubs in District 2T-1 will help buy coats and shoes for the girls at Christmas.

HART SCHOOLS will dismiss for the Thanksgiving holiday at 2 p.m. next Wednesday. Classes will resume Monday, Nov. 27.

MRS. H. E. NEWMAN was hostess last week at a covered dish luncheon and business meeting for members of the Goodneighbor Club.

Mrs. G. R. Bennett conducted the business meeting. The annual Christmas party will be held in the community room of the Farmers State Bank Friday, Dec. 8 at 6 p.m. Ladies will dress in long costumes. Refreshments will be soiced tea, coffee, cake, pie and cookies.

Christmas gifts were on display and an exchange of handmade gifts was the highlight of the meeting.

Fifteen members were present. Guests were Karen Myers and Jon McLain.

MRS. BILLY HARMAN, the former Carolyn Cole, was honored with a shower Saturday afternoon in the home of Mrs. Dwight Miller.

Mrs. Max Stephens presided at the guest register, and she and Mrs. James Kenedy served refreshments.

Special guests were the honoree's mother, Mrs. Everette Cole of Hart, and Mrs. Bill Harman of Dimmitt, mother of the groom.

Fifteen ladies assisted Mrs. Miller with hostess duties.

BASKETBALL season for Hart High School's girls will begin Tuesday with a pair of games at Nazareth. Both the "A" and "B" girls' teams will play.

MRS. LEONARD Griswold attended the Haynes roundtable district meeting on Thursday night in the community room of the Plainview City National Bank.

This is a monthly meeting for leaders of Cub Scouts. Arts and crafts for Christmas, and programs and projects for the months of January and February were discussed and planned.

Mrs. Griswold is a roundtable commissioner.

CHAPTERS 6 through 10 of the Book of Romans was the Bible lesson discussed at the Thursday meeting of the Womens Society of Christian Service.

Mrs. Ray Forbes led the discussion assisted by Mmes. I. L. Swindle and Mabel Aven.

XI MU IOTA chapter of Beta Sigma Phi sponsored a volleyball tournament on Nov. 7-9-11 in the Hart High school gym. Participating teams were

bread, peach cobbler, milk and butter.

Wednesday — Turkey and dressing, giblet gravy, jelled cranberry sauce, whipped potatoes, hot rolls, fruit salad, milk and butter.

TODAY (Thursday), Hart's seventh, eighth and varsity "B" teams will travel to Bovina for football games. Kickoff time will be 5 p.m. for the seventh grade contest, 6 p.m. for the eighth graders and 7:30 for the B teams.

Then on Friday will come the game to decide the District 3-A championship when the Longhorns host the Bovina Steers. Kickoff time will be 7:30.

PAINTING bones and making them into little monsters was the program and project of Cub Scouts of Den 3 on Wednesday afternoon.

Mrs. Bob Reed, den mother and Mrs. Robbie Hawkins, assistant, met with the boys in the Hi-Plains Insurance building.

Nine members and a guest attended.

REV. RAY Forbes and wife and Mmes. Ed Bennett, George Bennett, Harold Bennett, Theron Morrison, Mary Gonzales and Jerry Davis composed the working crew on Friday at the First United Methodist Church.

"Work Day" is held annually in the fall with the inside of the church receiving a real clean up and rubbish around the outside was disposed of.

WHILE IN a doctor's office in Lubbock last week, a nurse served those waiting either coffee or spiced tea. She was kind enough to give us the recipe for the tea and I would like to share it with you.

Mix 2 cups Tang, orange flavor; 1 cup sugar; 1 cup instant tea; 1 1/2 tsp. cinnamon and 3/4 tsp. cloves. Put three heaping teaspoons in a cup and fill with hot water. It is delicious. Hope you will mix some and try it these cold days.

MAKING toys for little children was the program subject discussed on Tuesday at the Working Girls 4-H Club meeting in the homemaking classroom in the Hart High School.

Mrs. Irene Keating met with 17 girls.
