Auto License Extension May be Granted

MARCH 1 IS DATE SELECTED FOR PAYMENT

Measure Expected To Be Put Through Legislature Tomorrow.

AUSTIN, Jan. 31.—Automobiles may be run until May 1 on 1932 license plates, if an emergency bill offered in the House of Representatives today become a law.

The bill substitutes May 1 for Feb. 1 in the present license law. It will also relieve the motorist of the 20 per cent penalty for failure to pay his license before Feb. 1.

A hurried meeting of the House committee on highways and motor traffic was held this afternoon immediately after the house adjourned for the day. The committee voted to change the proposed extension to March 1, instead of May 1. With this change the committee unanimously recommended passage of the bill.

Unanimous consent had been given for introduction of the bill as an emergency measure and its authors are hopeful of being able to suspend rules tomorrow and pass it finally in the House in one day. It will then have to go to the senate. Unless there is opposition there it can also be passed by the senate tomorrow and then would need only the governor's signature to be effective.

Sponsors of the bill said that unless some relief is offered there will be thousands of automobiles left in garages tomorrow because the owners did not have cash available to take out 1933 license plates.

Tonight, midnight, is the deadline for payment under present law.

Tree Committee of Ranger To Select Hospital Shrubs

S. L. Golden, chairman of the tree planting committee of the Ranger Chamber of Commerce, accompanied by Ben Whitehouse and Dr. J. A. Shackelford, plan to visit nurseries in Dublin and Stephenville this week to secure trees and shrubbery to be used in decorating the grounds of the City-County hospital.

The work of planting the shrubbery is to be done under the direction of the reconstruction finance corporation relief committee.

Several other beautification plans have been tentatively worked out by the committee and as soon as prices, sizes and descriptions of the trees that can be secured is known the plans will be worked out by the committee, it was announced today.

Penney Employees Of District Meet At Breckenridge

Employees of the Eastland, Ranger, Cisco and Breckenridge J. C. Penney stores attended a monthly dinner and get-together meeting in Breckenridge Monday night. The meeting was held in the Breckenridge store, where space had been cleared for the banquet tables.

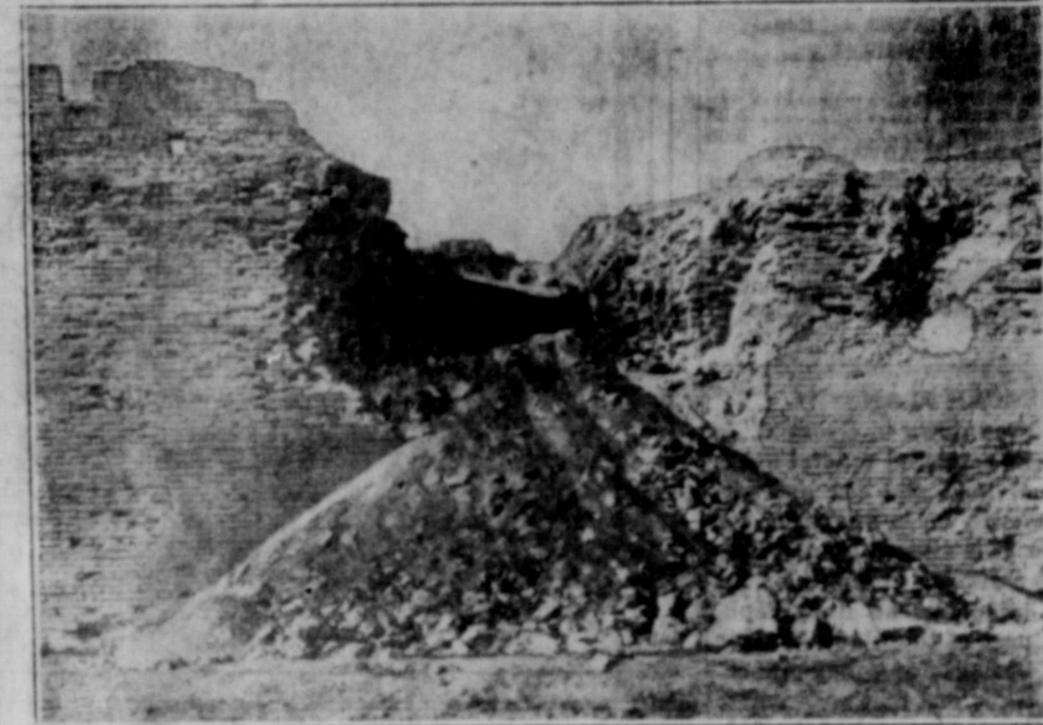

Each one attending contributed a covered dish for the dinner course.

Those from Eastland who attended were Mr. and Mrs. Glen S. Stire, Mrs. Edna Maxwell, Mrs. L. E. Healy, Mrs. L. A. Noel and Allen Sneed. Those from Ranger who were present were Mr. and Mrs. Roy Gilbreath and daughter, William Jean, Mr. and Mrs. J. B. Barnett, Mrs. Norvella DeVore, Miss Alice Hanson, Miss Winnie Snyder, Miss Lois Landtroff and Garland Powell.

What Jap Shells Did to China's Wall

China's Great Wall for centuries kept out invaders, but it crumbled before modern weapons in the recent Japanese attack and occupation at Shanhaiwan. Here, in one of the first pictures to reach America, is a section of the wall after Japanese high explosive shells had bombarded it.

CONGRESS IS PLANNING TO RELIEVE DEBTS

WASHINGTON, Jan. 31.—The noisy wheels of congress are beginning to turn in the direction of reducing the staggering debt burden of impoverished American citizens.

The first major move was the action of the house in passing the bankruptcy reform bill. It is a complicated bill with a simple purpose. That purpose is to permit an individual, an industrial corporation or a railroad to go into court and get relief from boom-day debts, without necessarily being deprived of his last shirt in the process.

Other significant bills are being considered to revise farm mortgages downward and to refinance them with federal money at reduced interest rates.

Because of the agony which mortgage ridden farmers are undergoing, their problem is being given special consideration. Bills being studied by committees would provide for refinancing \$8,500,000,000 of farm mortgages at a lower rate of interest and in reduced principal amounts. About \$1,000,000,000 in farm mortgages are foreclosed.

LONE STAR ENGINEER GETS RECOGNITION FOR IDEA

Joe Moore, engineer at Ranger Plant No. 4, has been awarded second prize by the American Gas Association for his recent invention of a valve chamber remover used on Cooper engines.

Mr. Moore thought out this invention and perfected it himself. The old method was to place a board or plank underneath a valve chamber and one man lift while the other man removed nuts from underneath the head. It was then necessary to lower this chamber by main strength. With the new process two jacks are applied on each side of the chamber operated by a lever and tension can be held on this part of the head while the nuts are removed and then it is a

Eastland Rotary Club Enjoys Good Musical Program

The Rotary Club enjoyed a fine program of music engaged by program chairman Julius B. Krause and Frank W. Williams, and given by Krause in a group of solos; "Schubert's Serenade," "Come Back To Erin," and "The Desert Song," with Mrs. F. O. Hunter as piano accompanist.

President James Horton presented Harley Sadler, of theatrical fame, Retarian of Sweetwater, and his host, George Heiler; Rev. Sam G. Thompson, pastor of Methodist church, guest of Frank V. Williams, and M. L. Keaster, guest of B. M. Collins.

W. P. Palm announced the practice of the volley ball team for Monday night, when Rotarians and Lions are struggling for supremacy.

The "back" is no longer lost as Palm definitely announced that the Rotarians had challenged the Lions to this game, to be played for sweet charity, with dates and tickets settled later.

Horton announced program chairman for next week as Earl Bender and Dr. W. E. Chaney.

The attendance was almost 100 per cent.

Stephenville Man Fatally Wounded

STEPHENVILLE, Jan. 31.—James Gamble, former Dallas policeman, was shot and probably fatally wounded at the courthouse here today after he had testified as a witness in a divorce case.

Roscoe Cupp, former Dallas man, surrendered to the sheriff.

COMPLAINTS FILED

A complaint charging the defendant with making liquor and possessing a still for the manufacture of liquor has been filed in Justice of the Peace Milton Newman's court. Another complaint also filed in this court charges another defendant with drunkenness and disturbance.

DR. P. M. KUYKENDALL IS ELECTED HEAD RANGER C. C.

At the meeting of the directors of the Ranger Chamber of Commerce, held in the office of the secretary Monday night at 7:30, Dr. P. M. Kuykendall was unanimously elected as president to succeed W. D. Conway, who has held the position for the past four years. Other officers elected were A. J. Ratliff, vice president, and W. C. Hickey, secretary.

At the opening of the meeting W. D. Conway urged the directors to elect a new president, saying that he thought he had held the office long enough and believed that it should be rotated. He thanked the directors for the whole-hearted cooperation he had received from them during the past four years, saying that without this cooperation he would have been seriously handicapped in his work as president.

Upon the election of Dr. Kuykendall as president, the retiring president urged the same cooperation for the new president that had been shown in the past four years and predicted a good administration and a year of many accomplishments if the new president was given the same support which has become so much a part of the work of the directors and officers.

W. C. Hickey, secretary, made reports on the federal crop production loans, livestock loans, reconstruction finance corporation relief work and the drive for membership in the West Texas Chamber of Commerce. He called attention to the fact that Monday, Feb. 13, would be celebrated as Second Monday in Ranger and announced that \$10 had been obtained for prizes to be distributed among the visitors to the city on that day.

He also announced that the rodeo and Second Monday grounds had been leased for another year and that additional ground had been leased from the Southern L. & Utilities company for \$1 a year for the purpose of adding more space to the present grounds, which were leased from the Texas & Pacific Railway company.

Ben Whitehouse, agricultural

secretary, made a report on the outcome of the Oil Belt Poultry show, which was held in Ranger in December, showing by his report that the show has been self-sustaining, costing the organization approximately \$5 in all. His report was well delivered and showed that much had been accomplished through the fifth annual exhibit. W. D. Conway supplemented his remarks by stating that he had attended the East Texas fair at Tyler on two occasions and that the poultry exhibit there was nothing to compare with the Oil Belt show.

John Hassen spoke on the subject of cotton raising, urging it be stressed in this section as a cash crop for farmers and stating that the gin in Ranger could be made a decided asset to the town if more cotton was raised as the farmers would do the bulk of their trading in the town where they had their cotton ginner and if the ginning went to other towns Ranger would be the loser.

EASTLAND IS WINNER OF TOURNAMENT

The semi-finals and the finals of the invitation basketball tournament were played here Saturday night, Eastland winning the final against Breckenridge by a score of 33 to 21. The same spirit of hard contesting that characterized the first and second rounds of the tournament prevailed through the final games, though the scores were not as close as some had been in the earlier playing.

In the semi-finals Eastland met the Carbon team and won the match by a score of 45 to 22. The Breckenridge Buckaroos, who had won the last game of the second round from Robinson Springs by a score of 24 to 14, went against the hard fighting team from Wylie in the semi-finals and defeated those boys by a score of 33 to 11.

These results brought the Buckaroos and Mavericks together in the final game with the result above mentioned.

It was announced at the beginning of the tournament that an all-star team would be named at the close of the contests; also that the best all round player would be chosen, and trophies awarded in each instance. However, it seems that this has not been done at this time.

Poll Taxes Can Be Paid At C. E. May Office, Ranger

T. L. Cooper, county tax collector, announced yesterday that he would have a deputy collector stationed in the Commercial State bank of Ranger all day today, but that due to the rush at the courthouse, he did not have a man available for this service.

All poll taxes can be paid at the office of C. E. May, instead of at the bank, he stated, and Mr. May announced that the office would remain open tonight as late as there was any demand for poll taxes.

This is the last day on which poll taxes can be paid in order to be eligible to vote in any elections held in the city or state this year, though poll taxes must be paid with other taxes without the privilege of voting, if paid after today.

Texas Plans To Sue New Mexico On Water Division

AUSTIN, Jan. 31.—A bill appropriating \$1,500 to finance a suit against the state of New Mexico over division of waters of the Pecos river was introduced in the Texas Senate today.

The suit will seek to recover all the damages and divide equally the Pecos river flow, which has been diverted by dams in New Mexico, Senator K. M. Fegan of Pecos, author of the bill said.

More than 40,000 acres of land in Texas once fertile and productive, Fegan said, has been totally abandoned. The small amount of water permitted to flow into Texas is so saline it destroys fertility, he declared.

OMAN SAYS HER SON WAS TRIGGER MAN

By United Press.

DALLAS, Jan. 31.—Ranger agent Bert Whisman today named Mrs. Ida Hunsucker, mother of five sons, held on a charge of murder in the slaying of Sheriff Joe Brown at the scene, had named one of her sons as the killer.

Ira Hunsucker, 19, and a man used the name John Stanton now sought as the two men fled in an automobile with Hunsucker after Brown was shot to death.

Officers indicated that charges against the two men would be filed today.

Faye Pennington, charged yesterday at Decatur as an accessory in the murder, was Glen's sweetheart, according to the story officers.

The girl's middle-aged father, arrested by charges that his daughter was involved in the crime, arrived here today to make her case.

You bring here here, the sheriff told deputy prosecutors, get her to talk. She's no 19 old girl. She's 19 and has no sense fooling around like this. Prosecutors refused to divulge information the father may be given them.

Meantime questioning of Pennington and E. C. Haveline, Memphis, arrested with Sunday, was continuing by city sheriffs and prosecutors.

Boyle Meeks, who escaped from here after the shooting, is held incommunicado later, is held incommunicado. He has been instrumental leading to the arrest of the other.

Ranger Rifle Club To Meet Thursday To Elect Officers

The meeting of the American Rifle club of Ranger, which is scheduled to be held Wednesday night, will be held on Thursday night instead, it was announced today.

Members of the club are urged to be present promptly at 7 o'clock in order that the meeting may be over in time for the regular meeting of the American Rifle Club.

Officers for the coming year are to be elected at the meeting, reports on the activities of the club during the past year are to be made and supplies ordered for the coming season.

In addition to these matters the club will make out the year's activities of the club will be made out with tentative dates for the opening show and other activities of the club.

President, an telegram today said that every member attend session Wednesday and said the meeting would be made as early as possible in order to let all members out early.

McEun And Lewis Headliners On Ranger Mat Card

Tiger Billy McEun of Pasadena, Calif., and "Ed Kid Lewis" Milwaukee, Wis., will meet in last main event on the Elks Wrestling card here tonight. It took these two boys took one each in the one hour time-windup and each will now have an opportunity to prove that he is the better man.

Lenny Wilson, promoting the matches for the Elks Club cards, said that the other main event featuring "Hulldog" Roberts from Worth and "Blackie" Black from Kansas City may steal the show for he has seen both and believes that they can get plenty of rough stuff for the other.

The preliminaries bring together "Sammy McLarren," who appeared last week and "Salor" Barrett, in a ju-jitsu event and may make "Sammy" a very eccentric. Wilson stated that Barrett had appeared in other cities against Barrett will match with him the second time for the reason that he "goes in buttons" on others that he works them for two or three nights.

C. C. Freshmen And Rangers Will Meet In Cage Tilt

The Abilene Christian College freshmen basketball team will meet the Ranger court tonight, in their play the Ranger Junior League Texas Rangers.

According to word received in Abilene, the A. C. C. Freshmen have the strongest team they ever put on a court and have been winning some stiff competition through the season.

The game will be the first meeting of the two teams. A return game will be played in Abilene on Feb.

F. D. AND HIS MERGER PLAN

President-elect Roosevelt, "away down in Georgia," is planning for the unification of the scattered federal agencies dealing with transportation, land and sea and air, under one authority. In other words, he is preparing for his governmental economy drive. It is alleged by an Associated Press correspondent that a similar grouping of the federal forces directing radio, telephone and telegraph, into a communication unit, is a part of the plan.

MILK PRICE FIXING BY LAW IN TEXAS

State Commissioner J. E. McDonald of the department of agriculture is for a fixed policy of milk prices throughout the state where producers and distributors solicit the aid of the state department of agriculture in settling price disputes.

We are all familiar with the post office pen. It has been productive of more bad language than anything we know of. Most of the time it does not function at all.

If a lot of people would spend half the time getting men back to work that they do in getting them out of work, better times would come sooner.

DID YOU EVER STOP TO THINK

By EDSON R. WAITE, Shawnee, Oklahoma

One of the matters of outstanding interest of the moment is whether by inflating the currency can prices be raised sufficiently to re-start economic activities without destructive reactions.

Some people think that by inflating currency the price of commodities can be raised to a selected level, not higher than that of the beginning of the depression, and be maintained at that level thereafter.

There is no question but money is not circulating freely as it should among the people, a feature thoroughly bad from the standpoint of the people as a whole, tending as it does to retard business greatly.

There is little question that if the destructive economy policies were stopped and currency inflated to a limited extent, it would do much to bring about a return to prosperity.

If prices could be increased by such methods, the enterprise now being conducted at a loss would become remunerative, purchasing capacity would be restored and buyers whose present policy is to "hold off" in anticipation of a further fall would buy, and in such manner the machine would be restarted.

Now, Are There Any Other Questions?

Plans To Restore Famed Ship Start

HARTFORD, Conn.—Plans to restore the famous old frigate Hartford, with the pennants of school children of the nation, and bring her to Hartford, where it would serve as a nautical museum, have been initiated here.

The Hartford, which was Admiral Farragut's flagship in the Battle of Mobile Bay, probably is the most famous of the United States' fighting craft after the Constitution. It now is lying on the mud flats of Cooper river, Charleston, S. C.

While the ship's draught is between 15 and 16 feet, men who have served on her, and who know live here, feel sure she could be brought up the Connecticut river at freshet time, and anchored near here.

ANSWERS to today's THREE GUESSES. THE Shenandoah was DESTROYED BY A STORM over Ohio in 1925. THIRTY MEN have served as president before Franklin Roosevelt. CONNECTICUT and RHODE ISLAND never ratified the 13th amendment.

BIRMINGHAM, Ala.—Medical libraries of the late Dr. Edgar Collins and Dr. Mack Rogers have been donated by their widows to Alpha Epsilon Delta fraternity, a pre-medical study organization at Howard college. The collections of volumes are said to rank among the leading private medical libraries of the South.

Saloon Keepers Organize to Fight High Licenses

MILWAUKEE, Wis.—Saloon keepers of Milwaukee, preparing for the return of beer, have organized to fight high license fees and the "general public attitude that makes us crooks and criminals."

The official title of their organization is "the Wisconsin Refreshment Parlor Operators' Association," but to each other they are merely "we boys who run saloons."

"We have been the victims of idiotic craziness of the last 12 years," Vice President M. E. Sotarski told the group at the organization meeting. "We have been the black sheep of the country. If we sell one lousy little drink of whisky we are sent to sit for six months and fined like ordinary murderers. There are no more crooks in our line of business than in any other."

What Is it about CHESTERFIELDS?

Well, I can't tell you much of anything about what is in Chesterfields

BUT I smoke a good deal, and I noticed that they said that Chesterfield Cigarettes were milder and tasted better; so I smoked a package or two and found it to be true.

I also noticed that the cigarettes were well-filled, seemed to be the right length and the right circumference, and burned uniformly—not up one side and down the other.

I liked the aroma—very pleasing. I liked the appearance of the cigarette—the paper, dead white. The package rather appealed to me.

I don't know exactly what it is, but I just like 'em. It's about the only luxury that I enjoy; so I think it's all right for me to have a good cigarette, and I believe Chesterfield is just about the best.

Dragon Studio Recital Tonight
The Dragon studio presented a wonderful program by violin and piano students on the opening night of their spring recital which was held at the Methodist church was filled to the doors last evening with an interested audience, who enjoyed the fine quality of the music given, and the art of the students.

Miss Drago is unique in the well merited success she achieves in all lines of musical activities, not the least being her big clientele and successful studio work.

Tonight's program presents those students who either did not appear Monday night or are presented this evening in a different musical role, and opens with the violin solo by young John Allen Mouser, who has made a striking success in appearances before large concert gatherings, in San Angelo, Austin, and Eastland, under the sponsorship of Wilda Drago. He is the son of Mr. and Mrs. John Mouser of Eastland and a talented lad.

Donice Parker, daughter of Mr. and Mrs. Don Parker; Leo Wolf, son of Mr. and Mrs. Dave Wolf, and Joe Earl Utta, almost a prodigy, and a member of the junior violin choir, and daughter of the George Earl Utta, all appear in violin numbers of marked high degree.

Gloria Graham, only 6 years of age, daughter of Dr. Liggett Graham of Cisco, startlingly advanced in piano music, and Alma Williams whose piano work tonight will show that this talented young child is in the artistic class. Clara Jube Kimble in piano, of classical school, and Mrs. Olga Vaughn of the violin octet and outstanding student, furnish the contrast to little Ellen Ayres Rice, who through only 9 years of age, has started Texas with her violin work. Tonight she will play the Concerto De Beriot of nine pages from memory. This is usually given in sophomore work, in conservatory.

Others on the program of great interest will bring Gloria Reed, little daughter of Herbert Reed; Mary Ann Murray, Billy Allen Kenny; Wendell Hunter, Myra Lee Parrack; John Edward Trimble of Carbon, and Virgie Sue Wyatt of Olden.

The concert will be assisted by the junior violin choir of 18 instruments. Public invited. Methodist church.

SISTER MARY'S KITCHEN

BY SISTER MARY
NEA Service Writer

CHEESE CAKE makes an excellent dessert for this season of the year. Sunday night supper, Saturday luncheon or any festive but informal gathering for groups up finds a suitable sweet in this old-time favorite. Served with coffee it is sure to please.

Undoubtedly, cheese cake of some variety graced many a festive tea of colonial days, because cheese cakes were transplanted from England along with "bubble and squeak" and "toad in the hole" and many other delightful concoctions so quaintly named.

Cheese cakes are baked in a pie shell or in a pan lined with fine dried bread crumbs. They can be baked in individual pans or in one large one. Cut in wedges to serve just as you would pie.

Folkstone Cheese Cake
One and one-half cups milk, 3/4 cup sugar, 4 tablespoons butter, 1/2 cup finely grated dried bread crumbs, 2 eggs, 1/2 teaspoon salt, 1 lemon, 1/2 cup cleaned currants, plain pastry.

Heat milk with bread crumbs and cook over hot water for 15 minutes, stirring to make smooth. Add butter, sugar, grated rind of lemon, salt and eggs well beaten. Cook over hot water until mixture thickens. Let cool slightly and pour into a pie dish lined with pastry.

Sprinkle with currants and bake in a moderate oven for 45 to 60 minutes in a moderately slow oven. When firm to the touch the cheese cake is done. The heat must be moderate because intense heat will make the custard tough and hard.

to the Circle at her residence and was assisted by co-hostesses, Mrs. O. D. Stover, Mrs. J. E. Hickman, Mrs. Ed Willman, Mrs. J. E. Hickman, Mrs. C. T. Lucas, hostess.

The session was conducted by the chairman, Mrs. A. H. Johnson, and officers elected named Mrs. Turner M. Collie, assistant chairman and agent for Outlook; Mrs. O. D. Stover, secretary; Mrs. Ed Willman, assistant treasurer; Mrs. Standford, pianist; Mrs. Jack London, chairman homes committee; Mrs. D. C. Hawley, chairman flower and sick committee; Mrs. Creamer, connectional treasurer.

The devotional was presented in the form of a playlet with characters enacted by Mrs. J. E. Hickman, Mrs. Ed Willman, Mrs. London, and Mrs. John Miller, portraying the exclusiveness of the Jew, and story of the Book of Jonah.

The act was arranged by the clever Mrs. Johnson. Games terminated in the "Love Box" game in which each package is passed in chain fashion revealed an inside package to be handed on forming introductions in which each package contained a gift or souvenir.

Announcement was made of the Circle silver tea on Feb. 14, 2:30 to 3 p. m., when the annual birthday of the Circle will be observed at the home of Mrs. A. H. Johnson, hostess for tea, and Circle chairman.

All women of churches are invited to attend. A delightful afternoon, Mrs. London and Stover served a dainty pineapple salad, devil's food cake, and coffee with a pansy nosegay plate favor, to the 15 members in attendance.

Pythian Sisters
Plan Business
The Pythian Sisters temple held an interesting session Monday night conducted by Most Excellent Chief Mrs. Cora Frye, and with 11 members present.

Reports were made of 25 visits paid the sick, 25 food trays given to needy.

The disposal of the handsome quilt was planned for the last Saturday in February, quilt to be on display in a downtown store.

On Feb. 20, 7:30 p. m., the temple will have a social meeting for members and their husbands, in K. of P. hall, with "42" as the social diversion.

House Guests Returned Home
Mrs. Mary Stire of Indianola, Iowa, the guest for the past several months of her son and his wife, Mr. and Mrs. Glen S. Stire, and Mrs. G. A. Smith, who has spent the past year with her daughter, Mrs. Stire, returned Sunday from Fort Worth, where they were accompanied by Mr. and Mrs. Stire, for their destination east.

Mrs. Smith will visit her daughter in Mount Pleasantville, Mrs. C. A. Nichols, for an indefinite time.

Kill Kare Kard Club
Mrs. C. T. Lucas was a charming hostess honoring a departing member, Mrs. Bolen Jones, of the Kill Kare Kard Klub, in the entertainment of the club members in her home, Monday afternoon in a setting of valetine appointments, when partners were matched by the untangling of red ribbons, cubewebbed about tables, terminating in matched hearts, the tallies, for game of bridge.

Garlands of hearts on red ribbons throughout the home, brought the valentine motif.

Mrs. Eubanks was awarded a

Interesting Program
Fills W. M. S. Hour
Interesting topics filled the Women's Missionary society hour of the Methodist church to the brim Monday afternoon when a miscellaneous program was well rendered.

Opening song, "The Cross Is Not Greater" prefaced the splendid paper given by Mrs. B. A. Tunnell chosen from the "World Outlook." Mrs. Strong read the devotional preceding the playlet offered by Mrs. Fred Warren and Mrs. L. N. Griffin.

Articles from the Missionary Bulletin were furnished by Mrs. Tunnell, Mrs. Stanley McAnnelly, and Mrs. Harry Bishop.

The latter period of the program was turned over to the president, Mrs. Leslie Hagaman, who gave interesting details of the bake sale conducted by the society last Saturday. Thanks were expressed to the ladies who aided to a great extent in making this sale a success.

Time was taken for discussion on the new study book which will be given during the church hour, taking only a short period of each morning and evening services.

Special numbers from the "World's Outlook" will fill the hour next Monday afternoon at the usual hour, 3 o'clock.

Pretty Party Honors
Adell Haszen On Seventh Birthday
The home of Mrs. John Haszen shot threads of red and white for the primary color tone Monday afternoon when she entertained with a prettily planned party in honor of her daughter, Adell's seventh birthday.

The hours of indoor play were made merry through the games and contests directed by the delightful hostess and assistants, Mrs. John Hamilton, and Mrs. Hamor.

At the close of the party which was greatly enjoyed by each party guest the ladies served dainty refreshments with candy confections and blow-guns to the honoree who was the recipient of many pleasantly chosen gifts and young playmates, Mildred Balch, Francine Hatley, Joyce Pate, Mary Beas Pate, Mary Allen Lanier, Lawanta Tankersley, Zoe Burns, Imogene Dixon, Billy Jean Joseph, Marie Green, Lillian Ruth Carter, Hazel Bryan, Della Mae Burns, Cleo Moore, Jackie Hamilton, Patsy Ruth Eubanks of Eastland, Dan Hamor, Charles Hamor, Azette Joseph, Fred Joseph and Madad Haszen.

Church of Christ
Bible Class Is Extended
Pleasant Invitation
Twenty-five members of the Church of Christ assembled Monday afternoon for the usual weekly Bible study conducted by the pastor, Rev. D. W. Nichol. The sixth chapter of Acts was reviewed in a pleasant and interesting manner. At the close of the hour the invitation for members to attend a social next Monday afternoon at guests of the Bible class of the Church of Christ of Eastland which will be held at the home of Mrs. Allen D. Dabney was read by the capable instructor.

Plans are being made for as many members as possible to attend this affair.

Last Dance Ban
Lifted at Texas U.
Austin.—Kirby hall, last of the dormitories for girls at the University of Texas to retain a ban on dancing, has now lifted its prohibition.

Kirby hall girls had been forbidden to dance with boys in the dormitory building because of a national board rule pertaining to Methodist dormitories and because of a regulation by the founders.

A letter from Mrs. J. W. Downs, Nashville, Tenn., secretary of the board, announced that chaperoned dances would be permitted on Saturday nights from 7 to 9 p. m.

Gravel road will be built between Vinton and Canutillo.

HERE-- AND THERE

By ELVIE H. JACKSON

Youth is a beautiful thing, an yet the one thing in all the world that everybody does what the do, just because it happened to be that way, and no effort has been required or made by older people to have these things accomplished.

Take of such a satisfying view to take of life, and in unconsciously the unexpressed thought of youth that what is to be, will be.

Perhaps we are all of us more or less fatalists, and as we travel along the road of life, and meet the varying experiences, we travel brings, and look back from the mile posts that mark momentous, tragic or supreme happenings, along the road, we realize that ought that we could have acted differently at the time, of the various stages of our experience, which from the lapse of years, we review and think had I done this or so, had I made this turn, or taken this line of conduct, this would be so different today.

And why didn't we take the turn, or adopt that line of conduct that would have proven, from a distant view point, so much the better advantage or great happiness?

And that is just why, instinctively, we feel there must be fatalism, or a set method of procedure along which we blindly stumble groping for the light, and trying to forget those failures that beset us and reach forward only to the hope for better things to come.

Which all goes to prove that there is only one real or unchangeable thing in this life, and that it will never be found in this world, as we know it, but in that other sphere of existence toward which every human soul is traveling. A world where we are always young and always happy.

On a recent trip to Mexico she almost threw the native into a panic by arriving with less than 26 francs—and she only intended to stay a few days. Like Jenny Dolly, she adores pearls and wears great ropes of them on occasions.

Lelong has just made for the Countess de St. Phalle a delightful blue velvet evening gown with its only shimmer consisting of bands of shimmering velvet. These form the fairly wide shoulder straps and an extra strap across the back just about two or three inches above the belt which is also shirred velvet. The skirt is long and there is a panel down the back that contains six inches of about 10 or 12 inches.
