Smith edges McLain in Precinct 1

Democrat Harold Smith of Hart emerged as the new county commissioner for Precinct 1 in the hottest local race Tuesday.

Smith, a farmer and potato grower-processor, won a narrow 43%-42% victory over Republican L. C. McLain as voters in the southeast quarter of the county gave him 292 votes to McLain's 284.

The race in the heavily Democratic precinct was complicated by the write-in candidacy of incumbent Commissioner Curtis Snitker, who lost to Smith in the Democratic Primary. Snitker received 104 votes, or 15% of the total cast.

Smith will join Dale Winders of Precinct 2, Jeff Robertson of Precinct 3 and Vincent Guggemos of Precinct 4 on the county's governing board. Robertson ran unopposed for a new term.

In the only other contested local race, Constable James Dobbs was returned to office with 2,254 votes to write-in challenger Sam Burke's 20.

Castro County had a solid voter turnout of 67.8%. Of 4,590 registered voters in the county, 3,114 went to the polls, including 378 who voted absentee. Political experts were expecting a nationwide turnout of only 51%.

The county's totals weren't complete until almost 1 a.m. Wednesday because of tallying errors in Precincts 1 and 3.

County Clerk Joy Jones and her staff discovered while canvassing returns that election judges for these two boxes had not added their straight-ticket votes to their split-ticket totals. The snafu delayed the final tallying here by two hours or more and kept the county's totals from being included in any regional, state or national returns Tuesday night.

In the presidential election, Castro County was within two percentage points of the national trend, giving Republican George Bush 1,604 votes to Democrat Michael Dukakis' 1,436, a margin of 52.6% to 47.4%. Nationally, Bush won the presidency by a 54-46% margin.

Republican Teel Bivins surprised Democrat Mel Phillips with a big-margin victory in the race for the 31st District seat in the Texas Senate. Castro County favored Bivins by 1,487-1,462, but district-wide, Bivins' margin was much bigger. The state senate race, regarded as one of the cleanest campaigns run this year, was considered a toss-up going into election

day.

As expected, Republican Kent Hance got a big vote of confidence from his home county for the unexpired term on the Texas Railroad Commission. Hance received 65% of the local vote to 35% for Democratic challenger Clint Hackney (1,942 to 1,064), while statewide he was carried into office by a 59-41% margin.

In the other Railroad Commission race, Castro Countians gave Democratic incumbent Jim Nugent a whopping margin over Republican challenger Ed Emmett. Nugent received 1,887 votes to Emmett's 889 here for a 67-31% margin, with eight votes going to Libertarian Richard Draheim and 42 to New Alliance candidate Reynaldo Lozano Jr.

Castro County bucked the trend in the 19th District congressional race, giving Democratic challenger Gerald McCathern of Hereford 53% of its votes to 47% for Congressman Larry Combest of Lubbock. Combest won re-election handily as he outpolled McCathern 69% to 31% district-wide.

In the races for six seats on the Texas Supreme Court, Castro Countians voted for the Democratic candidates for five places. The only Republican

candidate winning here was Tom Phillips, who outpolled Democrat Ted Z. Robertson by 1,513 to 1,300. Local voters gave their biggest margin in the Supreme Court races to Jack Hightower, who formerly served this area as state senator and congressman. Castro Countians gave Hightower 1,886 votes to Republican Barbara G. Culver's 1,039 for the Place 4 unexpired term on the high court.

On the three proposed constitutional amendments, Castro Countians went along with the state trend in favoring the first two, but opposed the third one. Statewide, all three carried.

The county also bucked a regional trend in the race for the State Board of Education. Democrat Paul C. Dunn of Levelland, a holdover from the appointed board who was billed as the "teachers' candidate," received 1,661 votes here while Republican Monte Hasey got 1,024. But Hasey, former president of the Lubbock School Board, won the race by a small margin district-wide.

Among unopposed candidates for county office, Tax Assessor-Collector Billy Hackleman won the "popularity contest" as he received 2,477 votes, the most by any candidate on the ballot.

BACK HOME AGAIN—Texas Railroad Commissioner Kent Hance speaks to an audience in his hometown Monday, the final day of his statewide election campaign. "I've never lost an election if, on the last day, I went through Hereford, Dimmitt, Plainview and Lubbock," he commented, "and

I've gotten superstitious about it." Hance won his race for the unexpired term on the Railroad Commission by a statewide margin of 59% to 41% over his Democratic challenger, Clint Hackney. Castro County gave Hance a 65-35% margin to help boost him to his first statewide victory.

Escaped prisoner caught

A convicted felon who escaped from the county jail Saturday was recaptured Sunday in a shed on Northeast Eighth Street.

Danny Nathan Pevehouse, 26, made his escape shortly before 2 a.m. Saturday after reportedly threatening a woman jailer with a homemade knife, Sheriff Lonny Rhynes said.

"He was in a cell downstairs and sawed one of the bars out," Rhynes said. "That enabled him to get out into the 'run-around' area."

"When the jailer made her regular jail check, he forced her to take him to the outside cell area and to call to the other deputies who were in the office to open the outside door with the electronic switch. The jailer told me he had a homemade knife which he held to her side, although we haven't found it."

All city, county and state law officers were notified immediately and started a search for Pevehouse with patrols and stake-outs.

Shortly before 1 p.m. Sunday, Rhynes said, the law enforcement dispatcher received a call from a resident who reported a suspicious person hiding in a storage shed behind a house on Northeast Eighth.

"We sent several officers," Rhynes said. "Two officers went into the building and apprehended him without a struggle at about 1:15 p.m."

Pevehouse was charged with felony escape and Justice of the Peace Marshall Young denied bond when he was arraigned Monday on the charge.

Rhynes said Pevehouse had been

serving a second prison sentence in the Texas Dept. of Corrections in Huntsville on a burglary conviction when he voluntarily confessed to two burglaries of the Castro County Country Club. He had been returned here on a bench warrant to stand trial on those charges and a separate charge of sexual assault.

"At one time I suspected there was going to be an escape attempt," Rhynes said. "We conducted a shakedown for illegal weapons and contraband but didn't find any-

thing. We had moved him around since then. We moved him to the lower level into a cell by himself, and later he was moved into the cell that he got out of."

"We don't have any idea how he got the hacksaw blade, and he won't tell us."

Rhynes said this was the eighth escape from the county jail since December 1985.

"This was the most daring escape we've had, where a jailer's life was endangered," Rhynes said.

County girls to race against state's best

Two county girls teams and an individual runner from Hart will race against the state's best cross country runners Saturday morning at Southwestern State University in Georgetown.

The Nazareth Swiftettes and Dimmitt Bobbies qualified for the state meet with third place finishes at regional while Hart's Christy Hernandez finished seventh to earn a trip.

The Swiftettes, who will be trying for their sixth straight state crown, in Class A, will race at 10 a.m. Saturday. Hernandez will compete in the AA race at 10:20 a.m. Dimmitt's AAA race begins at 10:40 a.m.

The Bobbies finished with 108 points at regional Saturday, behind Perryton with 36 points and Canyon with 40 to earn a trip to state.

Renea Harman led the Dimmitt pack, finishing second overall with a time of 12:35, just 17 seconds behind gold medalist Lorrie Lovell from Sandford-Fritch. Freshmen Heather Moore (18th in 13:36.3), Christina Velasquez (25th in 13:48) and Kim Spring (42nd in 14:11); and Becky Rodriguez (39th in 14:10) were Dimmitt's top five finishers, contributing toward the third place finish. Other runners were Beatrice Ramos (14:12.6) and Sydelle McDonald (14:32). All seven Dimmitt runners finished in the top half of the field.

Harman, who qualified for state last year, is Dimmitt's best bet for

winning a medal this year. Defending state champion Perryton and Canyon are among the favorites to win the AAA state title this year.

"Canyon and Perryton should finish first and second. I just hope we run well. I think Renea has an excellent shot at finishing in the top ten," said Dimmitt Coach Richard Wood.

Swiftettes
Nazareth's toughest competition at state should be Munday and Irion

Reminiscing — By Ettie McDermitt:

The Hospital Auxiliary tea was held to honor the charter members last Wednesday afternoon at the hospital. The tables were decorated in the beautiful coral color of the Auxiliary and the flowers were in the same color. Bea Hardy registered all the guests. Refreshments of cookies and punch were served.

I was reading the names of all the charter members, remembering

those who are no longer living and thinking of the hours they had worked from the time the Auxiliary was organized in 1964 until they were not able to help anymore.

Nell Copeland and Bea Hardy were the first I talked with. The years have taken a toll on their physical health; both were using a walker. Nell said, "The first year I worked 300 hours — we had to work hard." I remember we had the hospital full of patients and we

needed the auxiliary help.

Several others came to the tea, all smiling—the years did not take that away from them. I was outside the hospital when Johnnie Boothe and Peggy Webb drove up. They had Courtenay Armstrong and Virginia Gilbreath with them. My mind went back to when the cute, petite Courtenay would push her supply wagon down the hospital hall, serving juice and coffee and giving out magazines. Now with her braces and walker, she came in smiling—you can't keep her down! Virginia Gilbreath came in using a cane. I remember the years she walked down the hall giving good cheer—and she is still smiling!

Thanks to all our charter members and to the ladies who are carrying on the wonderful work in the hospital. Also, thanks for the things you have brought for the hospital; it has helped more than you know to keep our hospital doors open. Thank God for the Pink Ladies of all hospitals. The are Godsent.

Louise Kemp has returned from a three weeks visit with her daughter, Ginger Ward, and her daughter Jinsie in Atlanta, Ga. Ginger is teaching in a private school.

Ruby Maples celebrated her 90th birthday last weekend. Dr. Philip and Gayle Becker came in from El Paso and Richard and Trudy Jackson, Jason and James and Jim and Dorothy Elder all helped her celebrate. They had dinner and birthday cake Saturday.

Congratulations to Tobin and Angela Touchstone on the birth of a son, Raymond Estes, who was born Saturday in Mansfield. The proud grandparents are Jimmy and Nancy Ross, Truman and Betty Touchstone and Weldon and Ann Rodgers of Paducah. Great-grandmother is Oleta Gollehon.

Gary and Linda Grand attended the Eastern Star Grand Chapter in Houston last week. They attended many meetings and banquets. They visited with Linda Payne from Plains, a former Dimmitt resident.

The WMU met Tuesday in the Fellowship Hall. Each lady brought a craft that she had made. Roberta Cole presented a program on Nigeria and Esta Vandiver showed slides of her recent mission trip to Lima, Peru. Dr. Vandiver, along with other doctors, helped many patients with their dental or physical problems.

A lay renewal weekend will be held at the First Baptist Church Friday, Saturday and Sunday. All members are urged to attend.

I found some notes I took recently and forgot to report—so here it is!

Troy and Claudene Langford visited Fred Langford and his son, Henry in Denton.

The ducks at the park were well fed by these youngsters.

About 30 lay Franciscans and Father Francis of Albuquerque, N.M. attended Sunday morning mass at Holy Family Church. We Salute Tots and Teens

You won't see the change at Tots and Teens, but it's under new ownership.

Martha Jo Hyman, the original owner, has sold the clothing store to Sandra Clark, her employee for the past 3-1/2 years. Now Martha Jo is working for Sandra.

"We just exchanged chairs," Martha Jo says. "I'll still work here." "Things will basically be the same," Sandra adds. "The only changes that will be made will be those requested by our customers."

Martha Jo and Brenda Andrews started Tots and Teens in 1975 as equal partners. The store originally was located at 109 NE Second St. It was the first venture for both of them into business ownership.

Our bank loaned them the money for their original inventory, remodeling and fixtures.

They were in their original location only six months when they outgrew it and moved to the present location at 101 E. Bedford St.

Tots and Teens started with a \$5,000 inventory, and within nine years built its sales to major-store level, with Martha Jo and Brenda doing all the work.

After both her daughters had graduated from high school, Brenda sold her interest to Martha Jo in February 1984 and moved to Dallas. At the same time, Darlene Dowell joined the staff. Sandra "signed on" in May 1985.

Tots and Teens sells what its name implies—infant, toddler and children's clothes for both boys and girls, plus girls' sizes 7-14 and junior sizes 3-13. The shop carries both "everyday" clothes and "dress-up" fashions from many major manufacturers and designers.

"It has proved to be better insulated against recession than many other businesses, I think," Martha Jo says. "People keep buying clothes for kids because the kids outgrow them."

Selling the store, she adds, "was the hardest decision I've ever had to make because I loved every part of it—the buying, the selling, the daily contact with customers and friends. I can compare it with a child—you nurture it for 14 years, then when you don't have it anymore it leaves a void."

Martha Jo hasn't quit the business. She just decided it was time to let someone else take the reins.

"I learned the business from Martha Jo, and am very pleased that she has decided to stay on," Sandra says.

So the popular clothing shop on the "Young at Heart Corner" continues, with the same faces but under different ownership.

"I'm excited about it and looking forward to it," Sandra says.

Tots and Teens, our bank is glad to have been a business partner with you through the years, and we're glad you're a part of Dimmitt!

Pvt. Ben Montiel Jr.

Marine Pvt. Ben Montiel Jr., son of Ben and Betty Montiel of Hart, recently completed his basic training at Marine Corps Recruit Depot in San Diego, Calif.

During his weeks of training, Montiel was taught the basics of battlefield survival.

He was introduced to the typical daily routine that he will experience during the personal and professional standards traditionally exhibited by Marines.

Montiel participated in an active physical conditioning program and gained proficiency in a variety of military skills including first aid, rifle marksmanship and close order drills. Team work and self-discipline were emphasized throughout the training cycle.

A 1988 graduate of Hart High School, Montiel graduated from the School of Infantry at Camp Pendleton on Oct. 28. He is stationed at Mare Island, Calif., where he is enrolled in a security forces school.

THIRD GRADE WINNERS in the "Dear Mr. Smoker" letter writing contest in Richardson Elementary School last week were (kneeling, from left) Candace Cleavinger, Jacy Buckley (grand prize winner), Stewart Sutton, Cory Hopson, Amy

Garcia and Courtney Robertson; (standing, from left) Joy Long, Zuri Bossett, Juary Cavazos, Hank Morgan, Vanessa Acevedo, Michael Keith, Estella Saucedo and Leslie Steffy. The contest was sponsored by the American Cancer Society.

Pupils urge: Don't smoke!

If you need the unvarnished facts about the dangers of smoking, ask a third or fourth grader. They'll tell it to you straight.

Pupils in Richardson Elementary School proved it last week when they wrote letters and essays urging those who smoke to quit and those who don't to not start.

The campaign was sponsored and judged by the local chapter of the American Cancer Society in preparation for the upcoming "Great American Smokeout."

Third graders wrote "Dear Mr. Smoker" letters. The two in each room whose letters were judged the best received "Kiss Me, I Don't Smoke" T-shirts as prizes. Grand prize winner was Jacy Buckley.

Here is her winning letter:

Dear Mr. Smoker:
Please stop smoking Mr. Smoker. Let me tell you why.

Because I care about you. You are my friend. Don't go spend your money on cigarettes and cigars. It might make you have cancer. If you're trying to stop smoking get play cigarettes. If you were smoking in somebody's face and you saw that their eyes were red, you could see that they were allergic to smoke. We don't want to die. And I know you don't either want to die. I know you have a lot of people who care about you. I want you to look beautiful. We don't want your teeth to look yellowish. We can tell a difference of everything you do. It can get all over people's clothes. Once you start you have a habit and you can't stop.

When you blow out you spread germs. Also, if you smoked right before you go to the dentist, he will never take you again. You might have cavities from smoking. My neighbor used to smoke, but now she stopped and eats candy instead of smoking. My friend Kaci's kin-folks died because of cancer. It hurts people when you smoke. It will cause you to start coughing and sneezing. People will smell the smoke in the air. When somebody walks by you they might say o-o-o-o, that's yuck!

I hate smoking. You think you can't stop smoking but you can. It can hurt your lungs. Your kid won't want to kiss you. If you were a teacher you couldn't wear a sticker that says "Kiss me, I don't smoke." Your wife won't want to kiss you. What if you were smoking and you were not holding it tight and it fell on the carpet and it started a fire in your house. You would probably be ashamed of your self. What if somebody came over and you were smoking and left so fast because you were smoking.

P.S. Stop smoking, then you will have a longer life.

YOUR NON-SMOKING FRIEND
JACY BUCKLEY

Fourth graders wrote short essays on the dangers of smoking. Here are the top essays from each fourth grade home room:

By **MATIAS HERNANDEZ, JR.**

Smoking is harmful to people. It can hurt a person and their family. It can hurt your body and maybe kill you if you smoke a lot. Smoking can stop you from breathing and can give you cancer. It is terrible to smoke.

By **TRACY GRAND**

Smoking is harmful and will hurt you. It can stop up your lungs. You will get to where you can't talk or breathe. You will have to put a hole

in your throat so you can breathe. You might have to go to the hospital. After all these reasons I just told you, would you still like to smoke?

By **ZAK FELTS**

Smoking is harmful. It can kill you. I hate smoking. It will ruin your lungs. My grandma smokes. She always coughs. Just don't smoke!!!

By **COLBY McDANIEL**

Smoking is very harmful to your health. The bad part is that some people don't know how harmful it is. Most people smoke because they're told to by friends. Others think "it's cool!" I would hate smoking, getting all that tar and having bad breath. Some people don't even know it's a drug. You could have surgery from smoking. Another thing is you waste your money. Take it from me and many other people, don't smoke. It's bad. It's very bad.

By **EMILY ROBERSON**

Don't smoke because it could hurt you. Some people who smoke get addicted. If you smoke a long time you can end up having cancer. Another thing that could happen is that your house could catch on fire. So, be smart, don't start!

By **JOSHUA ROBERTS**

Smoking is very harmful. It could give you heart trouble. You could not breathe because your lungs would be really dirty. Cancer could be one of your troubles. Take it from me, smoking is a dead end.

By **SUMMER McLEAN**

Don't smoke, it's bad for you. If you start smoking right now you will continue from now on. Smoking can really hurt your heart and lungs and that might cause you to

die. If you smoke a whole lot you won't have any friends. If I were you I wouldn't smoke. It's harmful.

By **LINDSEY GARZA**

Smoking is not a very good thing to do. Smoking can hurt you very badly. It can turn your lungs black. You start to smell like cigarettes. Then you become addicted to smoking. Some people think smoking is cool. I think it stinks. Just say no to smoking. It's very bad for you.

Formal ceremony unites couple in Amarillo Saturday

Eileen Catherine Schwertner and Lester John Womack exchanged wedding vows Saturday in a formal ceremony at St. Thomas the Apostle Catholic Church in Amarillo.

Monsignor Joseph Tash, pastor, officiated at the ceremony.

The bride is the daughter of Oskar and Lorine Schwertner of Hereford. Parents of the groom are John and Margaret Womack of Dimmitt.

Two spiral tree candelabras accented with greenery and ribbon bows flanked the altar. Floral arrangements of pink roses, white daisies and baby's breath in white wicker baskets were set in front of each lectern.

Musical selections included *Greatest Gift*, *Love Song*, *I Have Loved You*, *Trumpet Voluntary (Processional)*, *Wedding Prayer*, *On Eagle's Wings*, and *Symphonies and Fanfares (Recessional)*. Clarice Andrews of Slaton, cousin of the bride, was organist and Lisa Rice of Lubbock played the trumpet. Vocalists included Lori Schwertner and Connie Wilson.

Given in marriage by her parents, the bride wore a white wedding gown of silk taffeta. The gown featured a Sabrina neckline with a borderwork of lace extending across the shoulders. The close-fitting bodice was enhanced with beadwork on lace and came to a princess-style pointed waistline. The bishop sleeves were dotted with hundreds of pearls and featured Italian borderwork on satin as the sleeves tapered to points. The full, flowing skirt featured scattered leaf-work designs on the front. The queen's court cathedral-length train was accented by scattered leaf work designs and a pleated ruffle that spanned the entire edge of the scalloped train.

She wore a picture hat encrusted with pearl clusters and jewels on Alencon laces. The upturned brim of the hat was accented with silk flowers and pearl sprays.

She carried a bouquet of white and pink roses accented with pearls and lace ribbons. She also carried a gold rosary given to her grandparents on their 50th wedding anniversary by her parents.

Maid of honor was Lori Schwertner of Amarillo, sister of the bride. Bridesmaids were Reta McDaniel of Dimmitt, sister of the

MRS. LESTER WOMACK
... nee Eileen Schwertner

groom; Christy Schwertner of Hereford, Roxann Schwertner of Dumas and Connie Wilson of Plano, sisters of the bride.

The attendants wore dresses of pink taffeta and white floral iridescent lace made by the bride's mother. The bodice featured a scooped neckline and was enhanced by the floral design iridescent lace over pink taffeta. The puffed sleeves were created from the white iridescent lace and gathered at the elbow. The gathered waistline was covered by a taffeta cummerbund which came to a close with a picture bow at the top of each scallop.

The attendants carried white lace fans decorated with pink roses, ribbon bows and lace streamers.

Bill Glidewell of Dimmitt, friend of the groom, was best man. Groomsmen were Stanley McDaniel of Dimmitt, the groom's brother-in-law; Jess Womack of Amarillo, brother of the groom; Dale Schwertner of Hereford, brother of the bride; and Jimmy Wilson of Plano, brother-in-law of the bride.

Monica Wilson of Plano, the bride's niece, was flower girl.

She wore a dress similar to the bridesmaids' gowns. The street-length gown featured a ruffled edge below the scallops accented by bows. She carried a white wicker basket overflowing with pink wild roses, white daisies and baby's breath. The groom had given the basket with a floral arrangement to the bride on her birthday.

Colby McDaniel of Dimmitt, the groom's nephew, was ring bearer. Candlelighters were Lee Schilling of Dimmitt and Kent Schilling of Slaton, cousins of the bride.

Guests were seated by Lee Schilling of Dimmitt and Kent

Schilling of Slaton, cousins of the bride; Dale Albracht of Lubbock, friend of the groom; and Marvin Hartman of Umbarger, friend of the groom.

A reception, dinner and dance honoring the couple were held in the church hall following Mass.

The bride's tiered spice cake featured heart-shaped cakes surrounding the bottom layer. The tiers were joined by swan designed columns. A rope design of white icing scalloped each tier and was topped by pink sugar bells at each peak. The cake top symbolized the unity of the couple by the dual wedding rings and doves covered by arches of white silk flowers.

Donna Reinart of Dimmitt and Brenda Taylor of Farwell, cousins of the bride, served cake. Angela Schilling of Friona, the bride's cousin, served punch.

The groom's German chocolate cake featured a farm scene. It was made by the bride's sister, Lori Schwertner.

Serving the groom's cake were Wanda Jones of Anton and Jennifer Rohmfeld of San Angelo, cousins of the bride.

Susie Cluck of Hart, friend of the groom, registered guests.

The couple are enjoying a wedding trip to New Mexico and will be home Saturday at Dimmitt.

For her traveling attire, the bride chose a rose-colored skirt and floral print blouse made by her mother.

The bride is a graduate of Hereford High School and Texas State Technical Institute. She has worked for Western National Life Insurance Company for eight years.

The groom is a graduate of Dimmitt High School and is employed in farming near Dimmitt.

The TIE that Binds...

Man and woman began their married life in church and according to God's holy word are joined together. With the Bible as the basis for the beginning of a new life together, it seems only reasonable that a continued study of God's word would strengthen and serve as a guide to any couple. The Bible can truly serve as a tie that will bind two together in accord. The church as God's agency on earth can help you in Bible study, and with the guidance of the Holy Spirit can help you to understand God's will in your life.

"And the Lord shall guide thee continually, and satisfy thy soul in drought, and make fat thy bones; and thou shalt be like a watered garden, and like a spring of water, whose waters fail not." Isaiah 58-11

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Hornets 'win' with 6-6 tie

It was as close a game as you've ever seen.
Score: 6-6.
Penetrations: 2-2.
First downs: 16-15.
Total yardage: 225-220.
But the tie was as good as a win for Tulia's Hornets and the same as a loss for Dimmitt's Bobcats. It ended the Bobcats' season and vaulted the Hornets into the playoffs.

It was a bitter pill for the Bobcats who, after seeing their district title hopes shot down, were playing for a second-place tie and a last-gasp hope for a playoff berth.

Tulia finished district play with a 3-1-1 mark, good for second place. Dimmitt finished at 2-2-1, in fourth place.

Tulia will meet District 1-AAA champion Canyon in bi-district Friday night, while Littlefield plays the District 1 runner-up, Childress.

"I've never been involved with a bunch of kids who showed as much hurt as our kids did after that game," Coach Army Salinas lamented. "But I think they've since realized that they got something started this year for the kids coming up. We'll always be grateful to this team."

The Bobcats scored on their second possession when they put together a 12-play drive that covered 80 yards. The touchdown came 1:32 into the second quarter when quarterback Clay Lytle lofted a 13-yard pass to Kevin Petty, who made a high grab and tumbled into the end zone with it.

With Dimmitt's two main kickers sidelined by injuries, Kelly Howell tried the extra-point kick, but it sailed wide, leaving the Bobcats with a 6-0 lead.

The drive featured three of Dimmitt's four longest runs of the night—two 12-yarders and a 14-yarder by Howell, who finished with 122 yards on 21 carries against the alert Hornet defense—an average of 5.8 yards per tote. Early in the drive, Howell missed a TD run by one step when he was shoe-strung by the last Tulia defender nine yards

past the line of scrimmage. After Dimmitt's touchdown, Tulia retaliated with a 58-yard drive but the Dimmitt defense broke up a fourth-and-goal pass and took over at the 6-yard line to end the threat.

The Bobcats came oh-so-close to scoring a clinching touchdown when they opened the second half by driving 58 yards to within a foot of Tulia's goal line. But on fourth-and-goal, Howell made the plunge over right guard and the Hornet defense held.

From there, the Hornets drove to Dimmitt's 43, where they fumbled away the ball, but two plays later Tulia's Donnie White intercepted a Lytle pass and returned it to the Tulia 42. Then the Hornets resumed their march.

Using a basic offense of fullback Craig Gardner left, Gardner right and Gardner over the middle, Tulia averaged five yards a pop as it continued its drive into the fourth quarter. Gardner finished the game with 173 yards on 34 carries for an average of 5.1 yards per trip, and was never thrown for a loss.

With 1:40 gone in the final period, Gardner broke free around left end and raced 39 yards—the longest run of the night—for the tying touchdown.

Knowing a tie was as good as a win, Tulia Coach L. G. Wilson opted for a two-point conversion in case the Hornets might need it later. But the Bobcat defense read the fake kick play and batted quarterback Darrin Morris' pass down, leaving the score knotted.

Dimmitt charged back and drove to the Tulia 22, but Lytle was knocked loose from the ball on a bootleg run and the Hornets took over at the 20. Four plays later they punted away, then survived the Bobcats' aerial attack as time ran out.

"I'd rather have finished 8-2 instead of 7-2-1," Salinas said, "but on the other hand, if we had tied for second and lost the flip, I just don't think I could have stood it."

He added, "I think our kids can be proud of what they accom-

plished this year, and I think they're the kind of kids who can overcome the disappointments. We had a lot more highs than lows during the season. I think they

Lytle picks up six yards to Dimmitt's 33, just two yards shy of a first down, before he's tackled by Tulia's Craig Gardner (40) and Hugh Farmer (64). JV Bobcats end perfect season

The JV Bobcats finished a perfect 10-0 season last Thursday with a 33-6 victory over the Tulia Junior Varsity.

With the win, the JV Bobcats also earned the district championship with a 5-0 conference mark. They outscored their opponents 374-33 during the season, posting five shutouts and not allowing any opponent more than one touchdown.

Dimmitt built a 27-0 lead before Tulia scored its lone TD in the third. Dimmitt retaliated with a final touchdown later in the third, and the final quarter was scoreless.

Henry Rocha started the JV Bobcats' scoring parade with a five-yard run in the opening quarter. Mikkel Holm kicked the extra point. The TD drive would have faltered except for a crucial pass completion on third-and-long from Freddie Martinez to Daniel Espinosa.

Michael Ethridge caught a 17-yard pass from Martinez for Dimmitt's second TD later in the first. Holm again added the kick to make it 14-0.

In the second quarter, Martinez went to the air again on Dimmitt's next scoring drive. Espinosa caught two passes for 63 yards to set up the score, then Martinez completed a 22-yard touchdown toss to Filiberto Alafa. Holm kicked the PAT to give the JV Bobcats a 21-0 advantage.

Later in the second, John Ortegon capped a Dimmitt drive with a six-yard scoring run. A two-point conversion run failed, leaving the score at 27-0.

Tulia chalked up its TD shortly after halftime, then Dimmitt went on the march again. Ortegon got his second TD of the night when he ran in the final touchdown from eight yards out. A two-point conversion attempt failed, leaving the final score at 33-6.

Martinez completed 13 of 19 passes for 251 yards and two touchdowns, and had two passes intercepted. Espinosa was his main target, catching five for 105 yards. Ethridge caught two for 54 yards

and a touchdown, James Flores was 2-27, Miguel Ontiveros was 2-22, Alafa was 1-22 for a TD, and Ortegon caught one for 21 yards.

The JV Bobcats added 155 yards on the ground to finish the night with an impressive 406 yards of total offense while holding Tulia to 139 yards.

Longhorns drop 7-6 heartbreaker

The Hart Longhorns played their hearts out Friday night only to see their hopes for a playoff berth slip away by a hair.

Hart outplayed Abernathy in every phase of the game Friday night, but a couple of costly mental mistakes and a missed extra point attempt sent the Lopes home with a 7-6 win.

Hart took the opening kickoff and picked up a quick first down before its offense stalled and was forced to punt.

The Antelopes wasted no time moving the ball down the field, marching 79 yards in 14 plays to take a 7-0 lead with 4:20 left in the opening period.

The following possessions for each team resulted in lost fumbles and stalled drives. With three minutes left in the half, a ten-yard loss by Abernathy set up a big passing down. The Antelope quarterback looked deep and threw to a wide open receiver. Longhorn Steve Lee off the pass and returned it to the Antelope 35.

Rey Velasquez completed a 20-yard pass to Steve Lee for six points, but the extra point try—what proved to be the difference in

the game—was low and blocked to leave the halftime score 7-6.

The Longhorns defense put forth a great effort in the second half, allowing the Lopes only three first downs and 53 total offensive yards. Antelope running back Steve Peoples was held at 16 yards on seven carries.

Rey Velasquez had an excellent offensive half, guiding the Longhorns up the field. He finished the night with 136 yards rushing on 15 carries.

Hart had its chances, but a dropped pass, an illegal procedure penalty and an interception ended three good drives.

As the final seconds ticked off, the disappointed Horns watched their hopes of a playoff berth slip away.

Freshman Bobcats finish 8-0 season

The Freshman Bobcats clinched the district championship and topped off a perfect season with a 28-0 victory over Tulia last Thursday.

The DHS Freshmen finished their season with an 8-0 record, 5-0 in district play, and posted six shutouts during the year.

Dimmitt's offensive line led the way last Thursday, springing Armando Arce loose for 171 yards on 17 carries and Robert Ruiz for 135 yards on seven carries. Meanwhile, the Dimmitt defense limited Tulia to 56 total yards.

Arce also caught three passes from Billy Ray Thomas for 36 yards, and Ruiz hauled in a 25-yard pass.

Thomas scored Dimmitt's first touchdown on a six-yard run in the first period.

Ruiz accounted for Dimmitt's next 15 points as he kicked the extra point after Thomas' TD, then scored on a 21-yard run in the second, kicked the extra point, then scored on a big 63-yard run in the third and booted the extra point.

Richard Newman got the Fresh-

man Bobcats' final TD of the year when he raced into the end zone from 20 yards out in the fourth quarter. Ruiz again kicked the extra point to finish 4-of-4 for the night from the tee.

Arce topped the 1,000-yard rushing mark in the eighth game, finishing with 1,004 yards and eight touchdowns on 103 carries. He also caught 13 passes for 249 yards and a touchdown during the season, finishing with 1,253 total yards and nine TDs.

Thomas completed 33 of 67 passes for 585 yards during the season for a 49% completion rate. He averaged 17.7 yards per completion and threw four touchdown passes.

Top receivers besides Arce were Monte Moore, 11-196 and one TD; Lincoln Stewart, 6-93 and one TD; Ruiz, 3-95 and one TD; and Richard Newman, 1-23.

Other top ground gainers were Ruiz, 45 carries for 506 yards and four touchdowns; Thomas, 35-287 and five TDs; Augustine Flores, 33-257 and two TDs; Newman, 15-73 and one TD; Coby Heller, 14-75; Stewart, 8-50 and one TD; and Monte Moore, 2-8 and one TD.

Hornets defeat Nazareth

It was a frustrating end to a frustrating season.

Nazareth, 0-8-1, lost to playoff-bound Sudan 45-0 in the Swifts' season finale Friday.

Sudan's Kyle Maxfield overwhelmed the Swift defense by passing for two touchdowns and racing 22 yards for another.

Nazareth started the game off on the right foot with a fumble recovery by Brian Schmucker on the opening punt, but they were unable to pick up a first down.

The Hornets then set out on their spree, racking up 14 points in the first quarter from a 48-yard run by Elliot King and a 22-yard run by Maxfield.

The Swifts were determined not to give up, but with 9:53 left in the half Joel Gonzales penetrated Nazareth's defense to grab a TD pass. The extra point by Gonzales was wide left, leaving Sudan with a 20-0 lead.

Gonzales found the end zone again three minutes later, but his PAT was wide right.

Despite all attempts by Nazareth's defense, Maxfield connected with Jerad Beller for one last score at the end of the period, leaving the halftime score 33-0.

The Swifts opened the third quarter by driving to the Hornets' 15, but Sudan took the Nazareth offense down for a series of losses and the ball came up short of a first down.

Maxfield came off a sack by Nazareth's Tommy Cobb to hit Gonzales for another TD. The PAT was blocked by the Swifts.

Midway through the fourth quarter, Sudan gained its final score on a 15-yard run. The extra point failed, but the Hornets held a cozy 45-0 lead.

The Swifts made one last attack on the Hornets, but were unable to push through into Sudan territory.

Bailey attends special school

Deputy Sheriff Jerry Bailey completed a two-week school on questioned documents last Thursday at the Federal Law Enforcement Training Center at Glencoe, Ga.

He was the only sheriff's deputy among 23 law officers from throughout the US attending the school, which was conducted by the Secret Service. Applicants were selected on the basis of proven professional ability, prevalence of forged document cases within the jurisdiction, and potential for application of the training.

Law officers learned such specialized subjects as document examination, handwriting identification, typewriter identification, inks, photocopy identification, standards of comparison, anonymous letter examination, etc., using evidence taken from actual Secret Service cases.

Letters

Dear Editor:
In reference to the extremely bitter and caustic letter in the *Castro County News* this past week, our Biblical reply to that would be, "Let him without sin cast the first stone."

Most adults realize politics has always been "Ying and Yang." One election may favor Democrats and the next time around the Republicans are in. On balance, Castro County has fared quite well under Republican administrations.

Our nation has grown and prospered under the two-party system, and the most important issue in our day to day life is the liberty offered us in the Constitution to express our values and concerns at the ballot box.

We should not think of questioning another fellow American's patriotism or ancestry dating so far back as the "flatland Neanderthals" just because they didn't carry the same bumper sticker and wave the same political banner.

It might appear to some that such an unbalanced editorial could imply an intolerance to a two-party system. Hopefully, as a nation, we will always be able to remove the elected politicians when the majority feel they no longer serve the Constitution or the electorate.

It is our prayer that those offended by the opposite party will find solace in the election and the Federal Republic will allow all of us to live in this great land under the freedoms guaranteed by the Bill of Rights and that famous instrument drawn up so long ago by our forefathers.

By the time this letter is printed election will be over, but no matter which way it goes, most of us in this county will leave the polls, drive to our comfortable homes in our very nice cars, suburbs or pickups and no doubt will eat a gourmet meal sometime during the day or evening. We will also have the freedom to scream our tonsils out over how awful everything is during the next four years without fear of being hauled off to the ovens.

As bad as we appear to be to some, we are the only nation in the world people frequently risk their lives to become residents of.

ANN ETHINGTON

To the people of Castro County:
The campaigns for public office will be over when this becomes published and the reality of victory or defeat will be fresh. As we settle back into our daily routines may we be mindful of the following.

We live together in this county as friends and neighbors regardless of political party or candidate choice and we need each other to build a better tomorrow and to meet non-political problems.

Some of our zealous volunteers think life cannot go on if "we lose" and unfortunately, there is still pressure in our county to vote a certain way (even by employers) and we must continue to fight for our rights to our own choices—right or wrong. Must we agree to be considered intelligent or acceptable?

No one and no party has a handle on perfection. There are strengths and weaknesses, lies and truth, sleet and integrity scattered throughout. Heroes of the past are exposed for their failures as we live out our history. We needn't lash out at those who have come to conclusions other than our own. Sometimes spouses and family members differ and could be hurt by harsh words and judgements.

If politics (religion, etc.) divide our county, then we cannot live side by side through future projects and challenges.

City buys landfill compacter

Due to the efforts of Senator Phil Gramm and Congressman Larry Combest, the City of Dimmitt was able to purchase a loader-compacter for use in the city's sanitary landfill, according to City Manager Reeford Burrous.

Burrous told the aldermen at their Monday night meeting that he had been informed that Cannon Air Force Base in Clovis wanted to sell the machine, since they were turning over sanitation operations to the City of Clovis.

"I was informed that if we wanted the machine we should contact our Congressmen and see if they could apply pressure for the GSA to re-allocate it to the Texas area," Burrous said. He said Mayor Wayne Collins called Combest's office.

"That same week, Combest was making a stop at the Dimmitt airport, so I went out and talked to

him about it," Burrous reported. "He said he would get right on it as soon as he got back to Lubbock. I also talked to Gramm about it on a campaign stop."

The next day, the city received notice from the GSA that the machine had been re-allocated to Texas, and Dimmitt made the purchase for \$5,900 plus \$300 delivery charge for a 1981 John Deere loader-compacter.

In other business, Joe Josselet appeared on behalf of the Dimmitt Bobcat Booster Club and requested that Western Circle Drive, which passes in front of the high school, be re-named Bobcat Drive.

Several residents of the street opposed the name change, saying it would be an inconvenience and an expense to make the change-over.

Rev. Ed Freeman, pastor of the Presbyterian Church, said, "It's a cute idea, but is it practical?"

Booster club representative Garner Ball said the club would certainly not want to make any of the residents unhappy, and had only offered it as a suggestion for building school spirit.

Mayor Collins suggested that the street which runs along the west side of the football stadium, Southwest 16th, might be a better candidate for the name change, since no homes face on the street and no addresses would have to be changed.

Josselet said he would present the idea to the next meeting of the Boosters, and let the aldermen know if they are still interested in the project.

County—the teams they finished behind in regional Saturday.

The Swiftettes tied with Irion County with 70 points, but Nazareth's sixth man finished a slot behind Irion County's sixth runner and they had to settle for third.

Christy Birkenfeld's time of 13:17 was good for a ninth place finish and paced the Swiftettes Saturday. All seven members of the team finished in the top 30, including Monica Kleman (16th, 13:31), Janay Johnson (18th, 13:32), Stephanie Brockman (19th, 13:32.5), Shana Birkenfeld (20th, 13:34), Dana Schulte (28th, 14:10) and Darlene Heck (29th, 14:11).

"I'm disappointed (about not winning regional) but not in the kids' effort. They worked hard and did a good job. As a team we posted better times than we've ever had on the course. Munday just outran us," said Sandy Heiman, Nazareth coach.

"Our goal now is to win state. We've got to get our bunch of runners farther up in the pack. The toughest competition we'll face will be from our region. Munday and Irion County are tough," Heiman said.

Heiman said she's still not sure who will run Saturday at Georgetown because a couple of girls are still recuperating from illnesses. Senior Linda Birkenfeld, who has paced the Swiftettes since she was a freshman didn't compete at regional.

"We felt like we could qualify for state without Linda, and we wanted to let her rest and recuperate before state. I'm still not sure who we'll run Saturday," Heiman said.

Hernandez led Hart's girls to a fourth place team finish by finishing the race in 13:25, good for

seventh. The Lady Horns finished only 44 points behind the third place team.

Other Hart runners were Connie Rodriguez, 17th in 13:50; Dilphia Ponce, 24th in 14:01; Anel Montemayor, 40th in 14:24; Sandra Galan, 41st in 14:29; Angie Dyer, 70th in 16:01; and Elosia Reyna, 90th in 16:37.

Justin Shultz, Coby Moke, Rivaldo Quintero and Brian Stewart represented Dimmitt's boys in the AAA regional race Saturday, finishing 13th overall as a team. Shultz led the Cats in the three-mile race with a time of 19:40.
