UNITED WAR CHEST DRIVE TO OPEN HERE THURSDAY A. M.

The annual campaign for funds for the United War Chest will open in Ranger Thursday morning and the goal of the campaign is one half days pay from every salaried person in Ranger and the usual generous gifts from business firms.

Ranger's quota in the drive is \$2750 dollars and that of the county is \$12,898.00. L. R. Pearson, chairman of the drive in Ranger, stated at a meeting of the business men this morning that Ranger cannot raise the quota unless every person gives at least one half of a days pay to the fund.

"This," he explained, "is a very small gift as compared to those families whose sons have made the supreme sacrifice of war."

Committees will start to work Thursday morning and in order to save these busy men as much time as possible, business establishments are asked to have the collections from their employees already collected and ready for the committee.

It was also pointed out at the meeting this morning, held at the Chamber of Commerce office, that this is the last drive of this type that will be held in 1944 and that the next drive of this nature will not come until the annual Red Cross drive next March. The fact was also brought out that donations to this and other similar funds are deductible on income tax computations.

The following committees and areas were designated at the meeting this morning and these committees will start to work on their areas in the morning: Acreland Block, A. N. Larson and James P. Morris; City employees E. T. Eubank; Paramount hotel block P. MacDonald and Felton Brasher Killingsworth Hardware Company block, Floyd Killingsworth and Roy Dawn; Commercial State Bank block, W. F. Creager and Joe N. Graham; Ghoslon Hotel block, E. L. Martin and J. L. Latimer; A.P. block, Lee Dockery and J. J. Kelly; Montgomery Ward, West Texas Hospital on out through OK Grocery and Eureka Tool Company, Don Shelby and E. F. Arterburn; Premier Oil Refining Company, David D. Pickrell; Highway 80 East and area, A. J. Ratliff, C. J. Moore, Edwin George, Jr., Sig Faircloth and Vic King; Elks Club, M. L. King; High School, A. W. Warford and Mrs. Leslie Hagaman; Young School, J. R. Ervin; Hodges Oak Park, Miss Lillian Strain; Cooper School, Mrs. Lee Thompson; Ranger Junior College, H. L. Baskin and Mrs. Hal Hunter; Lone Star, Chester Rogers and John Bates; T-P Coal and Oil Company, Glen Simon; Gulf Oil Company, R. G. Barry; Sinclair, Olen Holloway; Humble Pipe Line, Bruce Cunningham; Stanolind, J. E. Marshall; area north of Walnut street, A. E. Crawley, R. S. Balch, T. J. Anderson and T. C. Wylie. An ad hoc committee, composed of Hall Walker and Branch Garner was named and it was stated that the women's clubs will be called upon to assist in working the residential district.

It is the aim of the committee to complete the drive as soon as possible and the cooperation of the public is urgently requested.

WORLD FLIERS OF 20 YEARS AGO FIGHTING NOW

WASHINGTON, (UP)—Aviation history has moved so fast that some of the fliers who made the first around-the-world flight 20 years ago are still in combat while their feet now appear common place against every day performances of the Air Forces.

It took months of planning and elaborate organization to carry out the globe-circling hop. Many thousands of bombers and fighters have made longer and more difficult flights enroute to combat fronts in this war than any of the jumps made by the original around-the-world fliers, while transport planes are regularly flying to all corners of the earth.

The first world flight started in Seattle, April 6, 1924, and ended there Sept. 28, 175 days later. Four Douglas cruisers carrying two men each started the flight and two finished, flying 26,345 miles in 363 hours and 7 minutes flying time.

The first world flight started in Seattle, April 6, 1924, and ended there Sept. 28, 175 days later. Four Douglas cruisers carrying two men each started the flight and two finished, flying 26,345 miles in 363 hours and 7 minutes flying time.

Participants and their present whereabouts:

Major Frederick L. Martin, commanding officer and pilot of the flagship Seattle, retired as major general July 31, 1944, home 401 N. Bowling Green Way, West Los Angeles, Cal.

Lt. Howell H. Smith, Chicago's pilot and commanding officer after Maj. Martin crashed in Alaska, now Colonel on duty with 6th Air Force in Caribbean area; wife, Mrs. Madeline C. Smith, 2820 East 6th St., Tucson, Ariz.

Lt. Leigh Wade, Boston's pilot, now colonel commanding U. S. Army Air Forces in Cuba; wife 3065 Cleveland Ave., N. W., Washington, D. C.

Lt. Erik H. Nelson, New Orleans' pilot, now colonel on duty in AAF Headquarters, Washington, D. C.

Lt. Leslie P. Arnold, now colonel on duty with 8th Air Force, England; wife 94 Dwight Place, Englewood, N. J.

Lt. John Harding, resigned from Army, now in aviation at Love Field, Dallas, Tex.

Sgt. Alva Harvey, who crashed with Martin in Alaska, now colonel commanding wing of the 20th Bomber command operating against Japanese from China; mother, Mrs. L. Harvey, RFD 1, Cleburne, Tex.

Staff Sgt. Henry H. Ogden, civilian, employed by Lockheed Aircraft Corp., in Ireland.

The route was divided in seven divisions, with advance officers assigned to arrange for the flight. These divisions and the advance officers were:

1st Division, Seattle to Chicago, Attu, 3,292 miles; Lt. Clayton L. Bissell, now major general commanding G-2, War Department, General Staff, Washington, D. C.

4th Division, Allahabad to Constantinople, 4,450 miles; Lt. Harry A. Halverson, now colonel, Hamilton Field, Cal., formerly on

Mrs. D. E. Switzer Died Saturday At Home In Mangum

Mrs. D. E. (Dave) Switzer, 72, died Saturday at noon at her home in Mangum, Eastland county. Funeral services were conducted Sunday at the Methodist church in DeLeon, her former home. Rev. L. Durwood Fleming, pastor of the Eastland-Methodist church, and Rev. Sichelof, pastor of the DeLeon Methodist church, officiated. Interment was in the Switzer family burying ground at DeLeon.

Wilbur Garrett was born in March 1872 in Georgia. She married Dave Switzer at De Leon on Oct. 14, 1896, who died in 1932. The couple had no children of their own, but had helped in rearing 12 children, one of whom was Maurice Manell, formerly of Cisco, but now residing in Dallas.

Mrs. Switzer, with her husband, who organized the King Candy Co., and for many years was a traveling salesman, for the concern, had lived in Eastland county for many years and better than 35 years ago settled at Mangum, where they developed the one-time famous Mangum mineral water wells. She owned considerable property at Mangum including the large two-story building used in the Mangum boom days as a home and hotel, and a large ranch and stock farm.

Palbearers were V. T. Seabery, C. L. Garrett, Morris Keasler, John Hart, C. B. Frost, all of Eastland and Jim Haynes of Mangum.

Relatives attending the funeral included Mr. and Mrs. Maurice Manell of Dallas; Glenn Garrett and wife of Fort Worth, and Mr. and Mrs. Moses of Houston. Friends attending from Eastland were Mrs. John Hart, Mrs. Carl Johnson and Mr. and Mrs. W. H. Mullings.

BULLDOGS AND BROWNWOOD TO MEET SAT.

The Ranger Bulldogs will play their first conference game of the season when they meet the Brownwood Lions at Brownwood Saturday night.

Coach Don Martin says that after a weekend of rest the Bulldogs are in the best physical condition that they have experienced since the start of the season. Every boy is in suit and working out, except Worth Carlin whose knee injury is keeping him on the sidelines.

Robert Bundick and Elvis Warner, who have both been out with injuries are still taking it easy but should be able to play Saturday night.

The boys this week have been going through some spirited workouts in preparation for their first conference game and Tuesday Strawn came up for scrimmage in the afternoon to give the Bulldogs a tough working. Ranger looked exceptionally well in the scrimmage and ran rough shod over the Strawn eleven.

The Bulldog eleven is going at the workouts with a lot of determination and they seem headed for their first high standing in the district for the past several years.

LT. BROWN HAS BEEN AWARDED THE AIR MEDAL

A United States Troop Carrier Case, European Theater of Operations—Second Lieutenant Thomas M. Brown, son of Mr. and Mrs. T. M. Brown, Eastland Hill, Ranger, Texas, has been awarded the Air Medal in recognition of the "magnificent spirit and enthusiasm" displayed by himself and others in his unit, which "combined with skill, courage, and devotion to duty, is reflected in their brilliant operation of unarmed and unarmored Troop Carrier aircraft at minimum altitudes and air speeds, in unfavorable weather conditions, over water, and into the face of vigorous enemy opposition, to spearhead the Allied invasion of the continent, and to support air and ground forces in the critical periods which followed."

Lieutenant Brown's Group is a unit of the A.S. Troop Carrier Force, which is commanded by Major General Paul L. Williams, planner and leader of the airborne invasion of Europe.

He is married to Mrs. Mary Lou Brown, who resides at Route 1, Box 98, Okmulgee, Oklahoma.

Lieutenant Brown is a graduate of Ranger Junior College, from which school he holds an A.A. degree. He entered the armed forces in July, 1942 and left for overseas service late last year.

Also included in the photograph is Flight Officer William E. Henley (co-pilot), of Little Rock, Arkansas.

MRS. STUARD'S FUNERAL TO BE HERE THURS.

Friends have been advised of the death of Mrs. R. C. Stuard at her home in Weatherford Tuesday night and plan for the funeral to be held at the First Baptist church in Ranger Thursday afternoon at 2 o'clock. Interment will be in the Merriman cemetery.

Mrs. Stuard who was 84 years of age was a former resident of Ranger and had lived in Eastland county since its earliest days and was a resident of Merriman when that was the county seat of Eastland county. Mr. and Mrs. Stuard were present for the Merriman reunion last summer. She was a charter member of the First Baptist church of Ranger. Friends recall that she moved from Ranger to Weatherford shortly after the boom started here. The Stuard addition was built on the old family farm which was located in the area back of the Lone Star Offices in Ranger.

Survivors include her husband, R. C. Stuard who is 97 years of age; three sons, one daughter, fourteen grandchildren including Joe Stuard and C. H. Stuard of Ranger, and 22 great grandchildren.

ACTIVITY IS INDICATOR NO GERMAN FALL EXPECTED SOON

LONDON (UP)—The Allies are getting set for a winter push against Germany from the west. The high command apparently has discontinued the possibility of a German collapse before that date, it was learned today, and is moving specially-trained troops to the front.

On the European war fronts, action was widespread in the west, east and south today.

As the American first army continued mopping up the Germans in Aachen, the British second army to the north captured the fortified Dutch town of Penry, eight miles from the German

LONDON (UP)—The Nazis are preparing to defend the German homeland town by town. Every able bodied man from 16 to 60 has been placed under arms in newly-formed people's storm units, it was announced today by the Berlin radio.

REV. JOHNSON RE-ELECTED FOR 23RD YEAR

At a called meeting of the members of the First Christian Church held at the church on Monday evening, October 16, at 8 o'clock, Reverend H. B. Johnson, beloved pastor of that congregation was elected to serve that church for another year. This marks the beginning of Rev. Johnson's twenty-third year as a Ranger minister and pastor of the same congregation.

Rev. Johnson enjoys the love and esteem of a host of people in and around Ranger and his many friends both in and out of the Christian church rejoice over his election for another year. He is loved by all who know him and is held in high esteem by both members of other congregations and by those who have no church affiliation at all.

Rev. Johnson expressed his thanks at being re-elected and said "The doors of my little church are always open to anyone who cares to come and worship with me."

Morris George Is Selected For A Capella Choir

Morris George, freshman student in Abilene Christian College, Abilene, Texas, and the son of Mr. and Mrs. Edwin George Jr., 319 Hunt Street, Ranger, has been selected as one of the members of the ACCA Capella Chorus, Leonard Burford, head of the music department has announced.

Morris is one of the 60 new students to be selected for the chorus. Membership is open to those who meet right musical qualifications set by Mr. Burford. The chorus is composed of 60 members, and is recognized as one of the outstanding organizations of its kind in the Southwest.

Morris is a 1944 graduate of Ranger High School. While in RHS he was a member of the college quartet, and the high school chorus. He is majoring in engineering while in Abilene Christian College.

THIEF BEGINS EARLY NACOGDOCHES, TEX. (UP)—A daring burglar entered a Nacogdoches coffee shop recently, robbed the cash register, and made off with the loot.

The thief was a little girl about three years old. She walked behind the counter, climbed up on a high stool, rang the 60c mark on the cash register, took out a penny, walked around to the chewing gum machine and bought it worth of gum.

15-Year Old Blood Donor Saves Life Of Girl

ALEXANDRIA, La. (UP)—Last June attractive 16 year old Dorothy Hester caught the dread disease sleeping sickness from which few recover.

Her parents issued an appeal for a blood donor who had recovered from the sickness. Through three long months they waited, as their daughter became worse and worse until her condition was practically hopeless.

More Roosevelt Speaking Dates Are Announced

NEW YORK —The Democratic Presidential campaign gained momentum today with election day less than three weeks off.

Democratic National Chairman Robert Hannegan disclosed that Pres. Roosevelt will appear Saturday morning at an Ebbets Field rally in Brooklyn in honor of Sen. Robert Wagner. He will tour New York before his speech at the Foreign Policy Association Dinner Saturday night at 8:30 p. m.

Republican nominee Thomas Dewey arrived in New York today to make his second major speech on Foreign Policy. He speaks tonight before the Herald-Tribune Forum from 8:30 P. M. to 9 P. M. CWT over the Blue Network.

Turkey School Held Saturday At Thurman Ranch

S. A. Moore, Poultry Specialist at A&M College Extension Service held a turkey school at Mrs. John Thurman's on Saturday October 14. Mrs. Thurman had 450 turkeys from which was selected 100 for breeding purposes. Those turkeys from which were selected according to Moore, if a turkey breeder expects to sell eggs, it will be necessary that they blood test their turkeys for pullorum.

Additional information may be obtained regarding this program from the County Agent.

PVT. RAWLS IS APPARENTLY BACK IN ACTION

Mr. Jack Rawls has received another letter from his husband, Pvt. Jack Rawls, who was recently reported seriously wounded in action in France and in which no mention is made of his having been wounded.

The letter very definitely indicates that Pvt. Rawls is now in action in the European theater of War and it is believed that he is in the area of Aachen. In the letter dated October 2, he referred to the fact that they had just taken one important town and that the experiences that they were having were horrible. He also stated that in this action they had taken several thousand prisoners, but were "on the move again."

Pvt. Rawls stated that he would rather have a whole cycle of bus training which he regarded as rather strenuous, as to have 1 day of service on the front.

Head To Be In Eastland, Oct. 19

Ralph T. Fisher, manager of the Social Security Board Field Office in Abilene, Texas, will be at the United States Post Office in Eastland at 1:00 p. m. on Thursday, October 19, 1944. He will be at this office for only a short time and requests all persons wishing to see him to call promptly.

Fisher will assist retired workers in filing their claims for Old-Age and Survivors Insurance payments and will also furnish information and assistance to survivors of deceased workers. Any unusual questions regarding social security account number cards should also be presented to him. He visits Eastland on the third Thursday of each month.

Fisher points out that, although he is glad to discuss social security matters with employers, all Social Security tax returns should be sent direct to the Collector of Internal Revenue at Dallas, Texas.

Employers can save time and trouble if they will make certain that all wage earners who are to be reported are properly identified by a social security account number. Unless the proper account number is known, wages reported to the Board cannot be credited, and the employee loses credit for his earnings. Subsequently, benefit payments to his family in case of his death, or to himself at age 65, may be reduced, or, in extreme cases, eliminated altogether.

G. D. Hall, 82, County Pioneer, Dies At Carbon

Funeral services were conducted at the Carbon Methodist church at 4:00 o'clock Sunday afternoon for G. D. Hall, 82, who died Saturday following a lingering illness. Rev. T. G. Stacy and Rev. Lee Fields officiated. Interment, with Hanner's of Carbon, and Eastland in charge was in the Old Carbon cemetery.

Survivors include his wife, five sons and two daughters as follows: Henry, Bill and Fred Hall of Carbon; Van and Guy Hall of Dallas; Marvin Hall of Ozone; Mrs. Myrtle Johnson of Cisco and Mrs. Frankie Maye of Ozone. Several grandchildren and two great grandchildren also survive. All of his children with their families were present for the funeral.

W. E. Trimble, with Mrs. Perrie Jones accompanying at the piano, sang a special song at the funeral services.

Born in Pike County, Arkansas, on January 1, 1862, was an Eastland county pioneer having been a resident of the Carbon community for 62 years. "Uncle Dee," as he was affectionately known by his friends, was a fine Christian character and highly esteemed by those who knew him. He had been a member of the Methodist church since his youth.

Relatives, other than the immediate family who attended the funeral included Mrs. Rebecca White of Dallas, Mrs. Doc Hall, and Mr. and Mrs. Bill Hall of Nimrod, and Mr. and Mrs. Parsons of Houston.

Former Olden Boy Ranks High In Marksmanship

LAS VEGAS, Nev.—Pfc. O. D. Sellers, Jr., formerly of Olden, Texas, ranked among the ten top Ground to Ground marksmen in a class of aerial gunners which recently received graduation diplomas and silver wings at the AAF Flexible Gunnery School here.

Pfc. Sellers, son of Mrs. Ida Sellers, Big Spring, Texas, graduated in '45 from Olden high school, where he was active in football, basketball and track.

He was not employed prior to his entry into the Army, September 13, 1943. Pfc. Sellers and his fellow gunners are vital cogs in the United Nation's devastating aerial offensive.

Domestic Service Problem | Writer Pleas for a Home

By HELEN ESSARY
Central Press Columnist

WASHINGTON—"However you think of something to write every day?" I once asked a brilliant editorial writer on one of the big American newspapers. "I don't think of something to write every day," said he. "Some days I sit down at my desk with my mind a dead blank. What do I think? What do I think? I ask myself. No answer came. The gray matter doesn't respond with a single idea. Then realizing that I have to start somewhere, I have to appear wise, or witty about something or other, I encourage those flat brain cells by writing on the typewriter the word 'THE.'"

"The," I tell myself. "The..." "The..." "The..." what? Pretty soon "the-what" becomes "the-something." And then off I go into the state of agitation in which every editorial writer must find himself starting, before he can beguile his publisher to keep on with that weekly pay check. "Won't you write the article 'A' inspire you to mental exercise as well as the 'B'?" I asked. "No, it will not," I was told. "The sight of a typed 'A' is no inspiration. Too indefinite, probably. But let me look at a 'THE' long enough and before I know it I'm ready to take the government apart and do over the world generally."

Per Capita Use of Paper Doubles Meat Consumption

NEW YORK (UP)—Except for milk and water, the highest per capita consumption in the country is of paper, according to Dr. Martin Williams of the University of Alabama in a survey of "Economics of the Kraft Paper Industry," in "Chemical and Engineering News."

Per capita consumption is twice that of meat. In 1941 the per capita consumption of paper was 300 pounds, of which 123 pounds were paperboard; 59 newsprint; 40, wrapping paper; 30, book paper; 11, fine paper; 14, tissue paper, and all other kinds, 32. The annual consumption is expected to increase for several years.

In recent years the kraft, or sulphate, process has become increasingly important in producing pulp

Other clubs will be organized later and their officers announced.

and total kraft pulp capacity is expected to increase to 7,000,000 tons by 1950, an increase of 33 per cent over 1943.

"The economic aspects of the kraft paper industry should occupy an increasingly important part in our total national scene," Dr. Williams wrote. "This should be especially true in the South, which for too long has been an economy based almost entirely on cotton, the great expansion of the kraft industry has been regarded as the most outstanding development of the recent business depression."

Beware Coughs Following Flu

After the flu is over and gone, the cough that follows may develop into chronic bronchitis if neglected. Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ-laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

Orgen Recital Delights People

Music-minded people were given a real treat Tuesday evening when Mrs. W. H. Clark was presented by the Fine Arts Department of Ranger Junior College in an organ recital at the First Baptist church.

Mrs. Clark prefaced each group of the numbers with a brief comment on the composers and their works, then in the true fashion of an artist delighted the audience with the organ numbers. Her evident love of the pipe organ added much to the enjoyment of the numbers.

Giving evidence of her ability was the rendition of Toccata Base by Bedell, a pedal solo, played entirely on the foot pedals of the organ.

On behalf of the audience and college, Dr. G. C. Boswell thanked Mrs. Clark for her generous and delightful performance.

cepted the pastorate of the First Baptist church, is an organist of wide experience and is a member of the American Organists Guild. Those who heard her Tuesday evening are aware of the fine addition she is to the town.

Following the recital the ladies of the First Baptist church entertained with a reception in her honor in the downstairs auditorium of the church. For the occasion the tea table was laid with lace and at one end was a large crystal bowl filled with pink roses and queen's wreath, placed on a reflector and flanked by crystal candelabra holding pink candles. Mrs. Lee Mitchell and Mrs. Ross Hodges alternated in presiding at the silver-tee service.

PERSONALS

POP McCOY IS WORKING ON BORROWED TIME

Pop built up the best Humble Service Station in his neighborhood and he was ready to turn it over to Bud and retire a couple of years ago. But Uncle Sam had other plans. So while Bud takes care of some serious unfinished business in the South Pacific, Pop's taking care of the folks at home.

It's true—most of the help he used to have and some of the products he used to sell have gone off with Bud to help the fight. But, Pop's doing his best. He knows that no matter how old the cars or how worn the tires, doctors, war workers and lots of other essential drivers have to keep going. He figures it's his job to see that they do.

Even if he can't sell you a thing—Pop's always glad to see you. With a cheerful grin he'll wipe your

windshield, check your tires or give you any of the typical services you expect at Humble stations. He's looking forward to the day when Bud will be back to service that streamlined post war model of yours with newer, finer Humble products than you ever had before.

HUMBLE

OIL & REFINING COMPANY

Serving your essential car time needs today to hasten your motorist pleasures of tomorrow.

Tetra-ethyl lead, when added to gasoline raises the octane number of the gasoline and reduces or eliminates motor "ping." But tetra-ethyl lead has recently become a critical war material... so critical that the Petroleum Administration for War has directed all refiners of premium grade fuels to limit their production of such gasoline to one-half the amount produced during the six months prior to June 1944. This reduces drastically the amount of premium gasoline available to civilians.

Also in the interest of conserving war-essential tetra-ethyl lead, P. A. W. has directed that less of it be used in the manufacture of all Regular gasoline. Consequently the octane number of this product has been reduced from 72 to 70.

So, if your Humble Station is temporarily out of Esso Extra, or if Humble Regular does not perform in your car like it did in the past, please remember that tetra-ethyl lead is really at war... just another of those small sacrifices all of us at home are asked to make in the interest of an earlier Victory.

Keep at it... till the Shootin' Stops!

The enemy is reeling and staggering from the magnificent action of our men on all the battle fronts. Here on the home front we must not let up—we must keep at it, till the shootin' stops.

Keep on buying War Bonds—giving blood to the Red Cross—taking active part in salvage campaigns—staying at our war job—in fact, doing our utmost at every activity that will aid our war effort, until final victory is achieved.

Greyhound, too, has a job to keep at, till the shootin' stops... the very important job of helping to keep vital transportation on the move quickly and efficiently. After Victory, Greyhound will work to set brand-new standards of highway travel... until then, let's all keep at it till the shootin' stops.
