Green Suggest Longer Week On Overtime Pay

By United Fress WASHINGTON- AFL president William Green proposed to-day that labor and industry agree to lengthen the work week by five hours, to be paid at overtime rates, as a substitute for increas-ing existing straight-time rates.

Green submittled his proposal to the Senate banking committee in a statement emphasizing that his proposal would be workable only if Congress adopted an effec-tive anti-inflation program which would apply to other phases of the national economy.

No harm in that! But I admire eterans like Dick Newcomb... who's 23, but going to college under the G.I. Bill of Rights. Intends to be a sheep farmer—but a betterinformed, more scientific farmer,

ting anything interfere. What little relaxation they allow themselves is in the form of needed exercise, or

books, or conversation and an occasional glass of beer with friends,

Seems as if, just by having their education postponed, they've put a higher value on it ... and on things like temperance (that glass of beer, for instance), understanding, and good citizenship. And from where I sit, when Dick gets his sheepskin-he won't have lost much time. He'll be an even better farmer than his Dad. (Exactly what Dad wanted!)

Relief At Last For Your Cough

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Croomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beech wood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medic nesl you have tried, tell your druggle to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

The secen autographed manuscripts are part of a collection at the University of Notre Dame. The most recent addition to the

collection was the poem "Main Street." On the back of the poem are the family notes, "copy paper for Alenie, three yards of white batiste," and the notation, "35 or 40 a yard."

One poem, "The Thorn" is written in pencil on the stationery of a hotel, and another poem, "Grace Before Drinking" is written on a memo pad. The manuscripts were donated

to the university collection after Watts, New York.

Watts, a co-worker of Kilmer's on the now defunct Literary Digest, asked Kilmer for the manuscripts as souvenirs after Kilmer
