# Communists Pouring Troops Across Yangtze River

# 9 Dunno, But. . .

We'll never stick our neck out again. We hadn't made it home Thursday afternoon before we were informed that wrong. We were informed friends of J. L. Latimer of Dallas, the one we mentioned as being a double in name for J. L. (Jimmie Punk) Latimer of Ranger, that the Dallas man has a nickname that ranks right well with "Punk". Yes sir, his nickname is "Slats"

Well, with that the two mer oughta get together.

"Slats" is a long time friend of J. R. McLaughlin whose late brother, Marcus McLaughlin, was an official of the Magnolia. The McLaughlin's son-in-law, L. H. Meher, also works for "Slats".

And for ready repartee th one from thhe "Lighter Side the Reader's Digest" has 'er

Cisco Gas Corporation.

3. Vogue Cleaners. 4. West Texas Utilities.

. Premier Oil No. 2. Fremier Ranger No. 3 Frozen Food Lockers. . Paramount Cafe.

The Ranger Junior College golf team found things a little rougher number of wins. Ranger took than did the tennis team. Don three out of four in the tennis Ford of Ranger, was the only golfer that shot a game that he would be willing to talk about. Ford went the eighteen holes in 76 strokes which is only 4 strokes over par. Wilder of Daniel Baker, Ford's opponent shot a 90 which was not good enough to beat Don. Jim Heinlen halfed the first nine holes and then won the last nine with a 44 which is 10 stroker over par. Bonney and Frankie Ford both lost their matches. Frankie halfed the last nine with Gran-

tham of Daniel Baker. The Daniel Baker teams will be back in Ranger next Thursday afternoon for another try at the Ranger team.

Plants Have It, Too

LOS ANGELES (UP) -Flora Murray Scott, University of Calithat aging plants are victims of hardening of the arteries, just as umans are. She reports the aging of plant cells is accompain ed by a varnishing and hardening f the cell wall which, in effect, turns th wall to cork.

### **Hawkins Being** Plugged Back To Oil Pool For Mississippian

After reaching a depth of 3800 feet the crews of the Hawkins No. five and a half miles southeast of Ranger, today was plugging Drilling Company on the J. L. back to the Mississippian where Brashears' farm, located one and an acid test will be given the

A good show or off and gas was encountered in the Mississippian around 3524 feet and hope is held that a good well can be de-veloped through acidization. The well was drilled into the El-

lenberger but no show of either oil or gas was encountered. Crews stated that the drilling was very slow in the Ellenberger because of the hardness of the formation and only a few feet could be made

The Hawkins is located in th south central part of the Spires-Dooley survey, 1655 feet from the west line and 330 feet from the north line in a 650 acre tract. It is being drilled by the Deep-Rock Oil Company of Tulsa, Oklahoma and Ony Drilling Company of Graham is the contractor,

A spokesman said today that the pipe is being pulled up and ce-mented and will be left about 72 hours before drilling and acidization is started.
