Fishing Boat, Liner Collide; Crew Escapes

Aboard the Nieuw Amsterdam—(By ship to shore telephone to New York)—June 28—(UP)—Twelve men escaped death by a scant 100 feet today when their 84-foot fishing boat crunched into the side of this 36,287-ton-luxury liner in a murky morning fog.

The Marmax with a crew of 12 out of New Bedford, Mass., which was outward bound with a fishing fleet, bounced off the port side of the Nieuw Amsterdam 20 miles off Nantucket, Mass., at 4:33 A. M.

"We had no warning that the Marmax was near us," Commodore Cornelius H. P. Coster, master of the Nieuw Amsterdam, said.

There was a grinding crunch and the morning fog—it was a quarter of an hour after sunrise—was filled with yells and curses.

"We put a motor boat over and found that the Marmax had her nose stove in above the water line," Coster said.

"She was in no danger of sinking. The Nieuw Amsterdam suffered slight damage in her port side, also above the water line.

"There were other fishing boats in the vicinity and after contacting them and the Coast Guard the Nieuw Amsterdam proceeded at 5:35 A. M., daylight saving time."

The Marmax headed for Nantucket under its own power.

Seamen said that if the Marmax had crossed the bow of the Nieuw Amsterdam, she would probably have been crushed and her crew lost.

Last Rites Held For Sgt. Weaver

Final rites for Staff Sgt. Joseph Pickens Weaver, son of Mr. and Mrs. E. P. Weaver, were conducted this afternoon at 3 o'clock at the First Methodist Church with the Rev. Cecil Ellis and the Rev. Jasper C. Masegosa officiating. Killingsworth's was in charge of arrangements and interment was in Evergreen cemetery.

Sgt. Weaver was killed in action over France on August 13, 1944 while on a mission as a radio gunner on a medium bomber. He was born on May 24, 1921 at Avery but had lived most of his life in Ranger. He was a graduate of Ranger High School and was a member of the First Methodist Church. He entered the service in World War II on April 7, 1942 at Camp Wolters. On August 13, 1942 he was sent to Sheppard Field as a cadet. On September 8, 1942 he went to Kelly Field and later received training at Spartan Field, Muskogee, Oklahoma, Army Airfield at Coffeyville, Kansas, Keesler Field, Biloxi, Miss., Army Air Force Technical School at Las Vegas, Nevada. He was assigned to the 475th Bomber Squadron and sent to Barksdale Field, La., where he received his rating as a staff sergeant. He received combat assignment on June 10, 1944 and was sent to Stone, England with the 8th Air Force. He was awarded the Air Medal and Purple Heart.

Survivors are the parents and two sisters, Mrs. D. D. Boney of Linger and Mrs. Johnnie Allen of Breckenridge; three brothers, T. C. Weaver and Dale Weaver of Ranger and Everett Weaver of Fort Worth.

No Such Thing As Sex Equality

CINCINNATI, O., June 28 (UP)—There is no such thing as equality of the sexes and the sooner married people realize that fact the better, a family relations expert said today.

Dr. Paul Popenoe, director of the American Institute of Family Relations, Los Angeles, told a University of Cincinnati Social Hygiene Institute that the concept of equality is purely metaphysical.

"Equality does not exist in nature," he added. "The obvious truth is that while the two sexes have greater resemblances than differences, they also have extremely important characteristics in which they are not only different but in which each one is superior in some respects and inferior in others."

Scripps Estate Trustees Upheld

CINCINNATI, June 28 (UP)—Butler County Common Pleas Judge P. P. Boll upheld the trustees of the E. W. Scripps estate yesterday in their method of operating a trust fund set up by the late E. W. Scripps, founder of the Scripps-Howard newspapers.

The trust provided that 70 per cent of "net income" be made available to certain beneficiaries and 30 per cent set aside in an investment fund for the growth and expansion of the concern.

Mrs. Mackey E. Scripps Gallowhur, of Reading, Vt., one of the 15 defendants in the suit brought by the trustees, contended that federal taxes should be taken out of the net income after distribution was made. The trustees contended that the taxes should be taken out before the 30 per cent was set aside for the newspapers.

Judge Boll ruled the trustees correct in the construction they placed on the trust.

The suit was based in the question of the construction of the trust terms. Under the law, such action must be brought by the trustees if any beneficiaries question the manner in which the terms of the trust are carried out.

Mrs. Gallowhur is the granddaughter of the late E. W. Scripps.

Reburial Services Set Thursday At 4 P. M. For Cpl. Guy Pledger

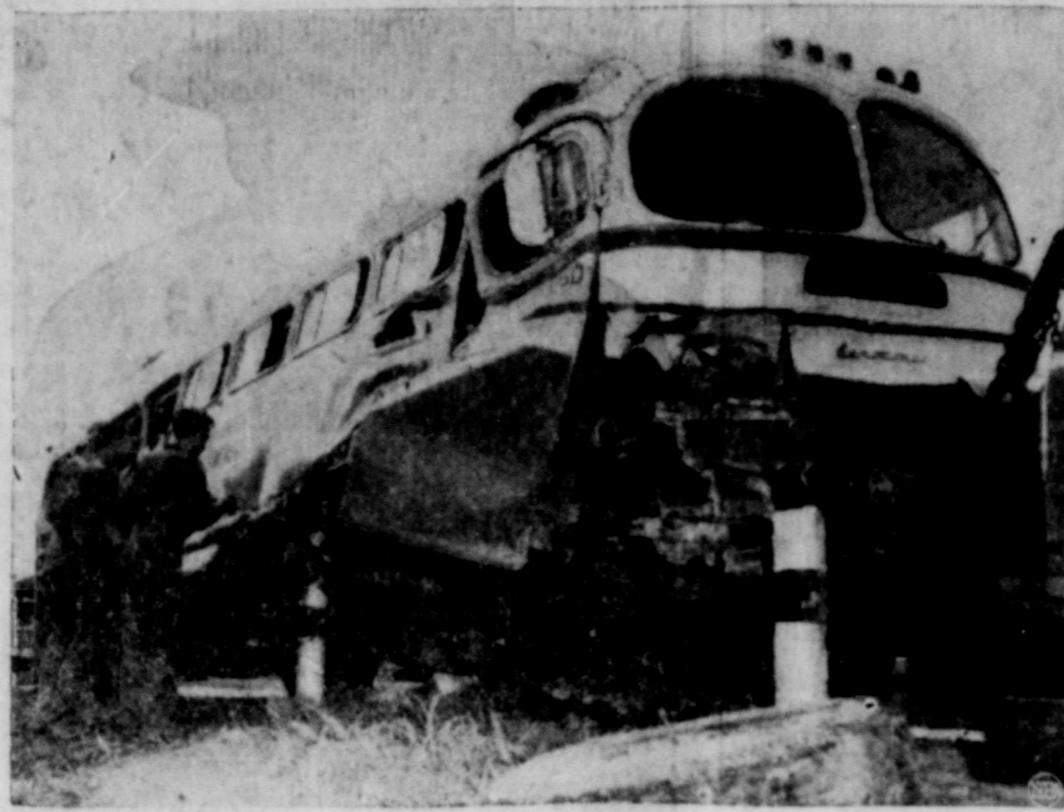

Reburial services for Cpl. Guy Pledger, Jr., son of Mrs. Guy Pledger of Amarillo and Guy Pledger, Sr. of Corpus Christi, will be held at Hamner Funeral Chapel Thursday afternoon, June 30 at 4 o'clock. The Boyd and Tanner Post of the Veterans of Foreign Wars will give a military service at the graveside, with interment in Eastland Cemetery.

The body of Cpl. Pledger is due to arrive in Eastland Wednesday morning at 11:24 o'clock on the Texas and Pacific Railway Eagle.

Cpl. Pledger was killed in action Nov. 17, 1944, two miles southeast of the Island of Bievio in the Adriatic Sea, while serving as an aerial gunner with the 827th Bombardment Squadron, 448th Bombardment Group.

Born Aug. 9, 1923, at Olden, he attended grade school there. Later, he moved with his parents to Eastland, where he attended Eastland High School. He also resided with his parents in Ranger and attended Ranger High School. Shortly before graduation, he quit school to become married to the former Miss Druanne Nicholson of Ranger. They had one son, Terry Guy Pledger, three-year-old. He was employed in Ranger for a time, moving later to Corpus Christi, where he worked at a Navy installation. On Oct. 12, 1942, he enlisted in the military service. After receiving training at various air fields in the United

Hereford Sale Enriches School

FORT WORTH, June 28 (UP)—The Charles H. Harris Foundation, which established and operates the Harris School of Nurses, was wealthier today by \$107,205, following a dispersal sale of registered Herefords.

Salt of the animals from the famed Harrisdale farms west of Fort Worth attracted cattle breeders from many parts of the country yesterday. A total of 157 lots of cattle was sold during the five-hour sale.

The land was sold by the foundation in 1943, and the dispersal sale was held to fulfill the last part of a contractual agreement. Top sale was that of a two-year-old bull, Larry G. Domino 7th. He was sold to M. D. Willhite of Wilmer (Dallas County) on a bid of \$10,625.

Bid Date Set

FORT WORTH, June 28 (UP)—Construction bids for the proposed new \$1,000,000 auditorium for Broadway Baptist Church will be opened July 29, it was announced today by church officials. The present auditorium will be razed to provide the site for the new one, which will seat 1,790.

Heavy Fighting On In Korea

LAKE SUCCESS, N. Y., June 28 (UP)—The United Nations Korean Commission today reported heavy fighting between troops from Southern Korea and contingents of the Northern Korean Army.

The Commission's report, cabled to UN headquarters, said the fighting involved artillery and machine gun fire and was in progress near the 38th parallel separating Northern and Southern Korea.

After the war, Korea was split at the 38th parallel for occupation purposes. Soviet forces occupied the northern half of the country and American troops the southern portion. Rival governments were set up under the auspices of the two major powers.

The American backed government of Southern Korea was voted for UN membership by Russia in April. The world organization refused to consider an application from Soviet-backed Northern Korea.

Benefit Dance At Strawn Thursday

It was announced today that members of St. Dominic's Episcopal Church at Strawn will sponsor a benefit dance at the Strawn City Hall Thursday night, June 30, beginning at 8:30 o'clock.

Music will be furnished by the Prairie Ramblers and the public is invited to attend.

More than 60 per cent of all flosspar, a mineral necessary in making steel, is mined in Kentucky.

Johnson Denies Rumored Aims

WASHINGTON, June 28 (UP)—Defense Secretary Louis Johnson said today that reports he plans to destroy the individuality of the three armed services are "a lie."

"Certain people have lied and said that was my intention," Johnson told the House Greep Service Committee. "It was always a lie and it still is a lie."

Johnson said he would welcome a committee inquiry on this point as well as the forthcoming investigation by the House Group of the B-36 bomber program.

"That's the same sort of carping that spread the lie about the B-36, and as far as I'm concerned I welcome the investigation of the question," he said.

Rep. James E. Van Zandt, R., Pa., has aired rumors of irregularities in purchase of the big six-engined strategic bomber.

Johnson appeared before the committee to urge approval of a senate-passed bill which would increase his power to enforce unification of the Army, Navy, and Air Force.

Suspects In Thornton Case Are Released

AMARILLO, June 28 (UP)—Another lead in the W. A. (Tex.) Thornton murder mystery faded today.

Amarillo's Chief of Detectives J. L. King said a young man and his woman companion, held tentatively as suspects at Granada, Colo., had been cleared of any possible connection with the case.

"They don't fit," said King. "We've got their fingerprints and their pictures. They are not the ones we're looking for."

The 57-year-old Thornton, a world famed oilfield trouble-shooter, was slain in cabin 18 at the Park Plaza Hotel here one week ago tomorrow night. A young couple who arrived with him left two hours later, taking his car.

Thornton's body was found the next morning, beaten, garroted and robbed. His automobile was found abandoned Friday at Lodge City, Kans.

King said authorities in Colorado, Kansas, Oklahoma, Texas and New Mexico had been asked to give intensive attention to transcripts in the quest for the killer, but there was no break in sight.

Stores Closed

In keeping with a custom of closing for military funerals, all business houses in Ranger were closed Tuesday afternoon during services for Staff Sgt. Joseph Pickens Weaver.

It was also announced today that all business houses in Ranger will be closed Monday, July 4.

New Trial Sought In Nance Case

A motion by the plaintiffs petitioning for a new trial was heard Monday morning by Judge of 91st District Court, in a suit styled Patsy Nance and others against Wesley Isenhower and others, all of Cisco, asking \$100,000 in damages as the result of an automobile accident.

A 91st District Court jury made a return in favor of the defendants Wednesday, May 4, following 25 hours consideration of the 63 special issues involved. The jury found the defendants were not negligent in the accident and plaintiffs were not entitled to recover damages.

Gays Back From Jacksonville

Mr. and Mrs. Homer Gay have returned from Jacksonville where they were called by the serious illness of Mr. Gay's grandmother. Mrs. J. W. Gay reported that his grandmother was "holding her own."

Mrs. Gay suffered a brain hemorrhage Friday and was reported to be in a serious condition.

Other members of the Gay family from Ranger remained in Jacksonville.

Goethe Festival In Second Day

ASPEN, Colo., June 28—(UP)—The International Goethe Convocation and Music Festival moved into the second day today after opening last night with 1,400 music and cultural leaders in attendance.

Gov. Lee Knous of Colorado, welcoming the world renowned artists and leading thinkers to the once-famous Colorado silver-mining town, said:

"This is an event of international significance. Proceedings here are being transmitted all over the world by the mobile Voice of America unit."

The festival honoring the 200th birthday anniversary of German poet-philosopher Johann Wolfgang Von Goethe opened in a novel tent amphitheatre brightly lighted to stand out in the pitch-dark mountain valley.

The 20-day event was opened last night by a violin recital by Erica Morini, accompanied by Leonard Pommers of New York. A second concert in the first series today includes performances by Herta Glaz, contralto, and Jerome Hines, bass, both of the Metropolitan Opera, in the first recital of Goethe, Lieber, German songs inspired by Goethe poetry.

The world's leading musicians, philosophers, and theologians were gathered at Aspen to pay homage to Goethe. One of the most prominent was Albert Schweitzer, considered the leading Goethe disciple.

Thornton Wilder, Pulitzer prize-winning author of "The Skin of Our Teeth," also attended the festival opening.

In 1873, Mt. Rainier erupted for the first of seven days. Its last eruption was in 1894.

GIVES GREEN LIGHT TO TRY SUBSIDIES

WASHINGTON, June 28 (UP)—The House Agriculture Committee today approved, 17 to 9, a farm program for 1950 which would boost price supports generally and let the administration experiment with direct subsidies to producers.

The committee vote was divided on party lines. The bill is certain to have repercussions in the campaign for the farm vote in the 1950 congressional elections.

Rep. Stephen Pace, D., Ga., who is handling the measure, said he will press for quick action to clear the bill through the subcommittee and onto the House floor.

"We are going to try to get the earliest possible consideration," Pace said.

Republican committee members have been fighting to continue the present program of price supports another year and have promised to keep up their battle when the bill reaches the floor.

The bill would restrict application of the administration's proposed new subsidy plan—designed simultaneously to maintain farm income while letting consumer prices find their normal market level—to only three commodities next year. The idea is to see how the program would work on a limited "trial run."

Pace said the committee passed up writing in any general authority for the program because it couldn't find out what it would cost or whether it actually would give housewives lower prices on the stuff they buy for the dinner table. The administration has decided not to push for enactment of the entire new program until the next session of Congress.

Under a new parity formula in the bill, government supports of farm prices would rise on most commodities but would drop on a few others including wheat and peanuts.

The measure, only farm program to show signs of life in this Congress, had the backing of Secretary of Agriculture Charles F. Brannan.

Two More Fire Alarms Monday

The Ranger Fire Department answered two more fire alarms Monday, following one in mid-morning.

About 3:30 Monday afternoon they answered a call to the colored residential section where the building known as Lola's place or the Little Gem, was gutted by a fire that was well underway when the fire equipment arrived.

At 9:40 last night the department was called to the West Texas Vocational Institute's wood shop where an electric wire had shorted and started a fire. Practically no damage at all resulted from that fire.

Fellowship Club To Have Meeting

The regular meeting of the Fellowship Club of the First Methodist Church will be held at the church Wednesday night at 7:30 o'clock.

A supper will be served and a program rendered.

All members are urged to attend and to bring with them a guest.

HONOR ROLL

The high game of the week was scored by a high school bowler, Jim Cole, with a nice 236 game. So far this is second only to J. M. Bush's 253 game in the junior league.

Top honors for the ladies was annexed by Wanda Rogers with a

nice 175 game.

Billy Simpson led the boys division with a 298 game. Edward Stephens was close behind with a 294 game.

They have something new at the Ranger Bowl now, duck pins. Interest is high in the new game and the high game thus far is a 180 registered by manager Ted Babain. Scores are much lower as the pins are harder to topple with the midget balls used.

Auction Marks Prohibition End

COUNCIL GROVE, Kans., June 28. (UP)—Beer Dealer Harry Hylton today owned a half-pint bottle of Bourbon whiskey that symbolized the collapse of prohibition's stronghold.

Hylton paid \$6 for the small bottle of spirits at an auction yesterday where legal liquor was

sold in Kansas for the first time in 69 years.

The bottle that Hylton bought was sold from a lot of bootleg whiskey that Sheriff Earl H. Hamner, 56, had seized in raids during the last two and one-half years.

It bore Kansas alcohol beverage tax stamp No. 1.

The Association, forecast that from Saturday through Monday 27 Texans will be killed in automobile accident, 12 will be drowned, 25 will die as suicides or murder victims, and 15 more will die in plane crashes, fires and other accidents.

It was predicted that traffic accidents will account for injuries to 900 persons.

"Speed more than anything else," Miller said, "will account for the traffic fatalities."

He pointed out that "safe

speed have little . . . relationship to legal sleep limits. You are permitted," he said, "to drive 30 miles an hour on an open highway in the daytime, but only if the road is in good condition. When a hazard occurs, the smart driver compensates for it. The stupid driver doesn't. And that," he added, "is why we bury so many stupid drivers."

Everybody talks about the weather... but the Dearborn EVAPORATIVE COOLER does something about it!

With the Dearborn evaporative cooler on the job, the housewife who is home all day can accomplish more, stay fresher. The worker who leaves an air-conditioned building appreciates coming home to coolness and comfort. Smartly styled, finished in handsome copper-tone, the Dearborn cooler operates quietly, efficiently and economically. It will give years of satisfactory service.

Dearborn MODEL DEP-22

Four-type, ideal for one large room or small apartment. Delivers 2,300 cubic feet of cooled air a minute. . . \$59.95

Dearborn MODEL DEP-23

Blower-type, cools up to three rooms. Delivers 2,500 cubic feet of cooled air a minute. . . \$119.50

Dearborn MODEL DEP-25

Blower-type, cools up to five rooms. Delivers 3,500 cubic feet of cooled air a minute. . . \$149.50

and here's why...

- SILENT OPERATION: All cooler motors rubber mounted. On blower models, blower is mounted on rubber and completely rubber insulated from cabinet, preventing vibration. These, and other special features, combine to give exceptionally quiet operation.
- EVEN WATER DISTRIBUTION: On blower models, Dearborn's Hy-Flo-Eggulator keeps water flowing equally to each pad. On all models, Dearborn's Flo-Bite water distributor through keeps water evenly distributed—no dry or overloaded spots.
- 100% WHITE ASPEN WOOD FILTER PADS: All Dearborn filter pads are made of genuine 100% white aspen wood. White aspen wood resists rot, bacteria and odor-causing algae. Dearborn filter pads have longer life, are easily replaced when necessary.
- LONG SERVICE: Dearborn evaporative coolers are constructed of die-cast aluminum with special rust-resistant, heavy-gauge steel frame coating. Precision made by famous Dearborn engineering methods, they will give many years of trouble-free operation.
- PERFECT FIT: Dearborn's Model DEP-22 is equipped with side panels to fit exactly between window and side of cooler cabinet. Finished in same beautiful appearance as cabinet, these panels seal out insects, dust and rain.
- Recirculation Pump Kit: Optional equipment on all models allows re-use of water for ultimate disposal. WATER problem. Ideal for apartment or congested area use.

Miss Nance, attractive young girl, has been confined to a wheelchair since the accident and is permanently paralyzed from the chest down, according to physician's testimony in the trial. Isenhower is a student in Texas A. & M. College. The other youthful defendant in the case was Mary Poe of Cisco. Parents of all the youths were involved in the complex civil suit.

A trial of the suit in 1948, resulted in a "hung jury."

Attorneys in the proceedings are: Turner and Seabery of Eastland and Willard K. White of Cisco, representing the Nances, plaintiffs; Claud Williams of the firm of Robertson, Jackson, Payne, Lancaster and Walker of Dallas, and Carl Springer of Abilene, representing the Isenhowers, defendants; John Alvis of the firm of Wagstaff, Harwell, Wagstaff and Alvis of Abilene, and Earl Conner Sr., of the firm of Conner and Conner of Eastland, representing the Poes, defendants.

GRAND JURY MAY LOOK INTO DIAPER MARKINGS

LAKE WALES, Fla., June 28 (UP)—A grand jury investigation of hospital diapers marked with bluish-purple ink was indicated today after the death of fourth newborn baby in three days at a hospital here.

A fifth baby, stricken with the same mysterious disease which turns the infants "a bluish color," was reported in "fair" condition and receiving blood transfusions. The fourth infant, Louis Edward Lamb, Jr., died at Lake Wales Hospital last night, where one baby died Saturday, another Sunday and a third early yesterday.

State Attorney Walter W. Woolfolk has visited the hospital and obtained a sample of the aniline dye used in making diapers worn by the infants, it was learned, indicating that there may be a grand jury investigation.

Miss Bree Kelly, superintendent of the hospital, said she is certain that the illness is caused by the king dye. But the cause of deaths has not been definitely determined.

She said the laundry which handles the hospital's diapers asked that they be marked more plainly and sent over some marking ink, containing anilin oil, in a soft drink bottle.

The five infants stricken with the Malady were the only ones in the nursery when the newly-marked diapers were used, Miss Bree said. The diapers, part of a new shipment, were sterilized but not washed after marking.

A post mortem of the first baby to die, Charles Howard Owens, failed to disclose the cause of death, but the infant's internal organs were sent to a Tampa, Fla. laboratory for further study.

The Owens baby was born June 19 to Mr. and Mrs. Howard Owens of Lake Wales.

Autopsies were also being made on the bodies of the other infants, John Ray Martin, born June 18

and Mrs. Broward Coker of Highlands County.

Texas Negro First To Enter School

ST. LOUIS, June 27. (UP)—Joseph C. Gathe, Houston, Tex., will be the first negro to enroll in St. Louis University's Medical School, it was announced yesterday.

Gathe, 19, was graduated from Xavier University, New Orleans, this month and will enter medical school in the fall. He maintained an average of 90 at Xavier.

The Rev. Edward T. Foote, S. J., regent of the school, said Gathe was one of 125 chosen for admission from about 4,000 applicants.

COPLIN TRIAL HEADS INTO FINAL PHASE

WASHINGTON, June 28 (UP)—Judith Coplin's spy trial headed into its final chapter today with prosecution and defense ready to sum up their claims.

Federal Judge Albert L. Reeves scheduled the session a half-hour earlier than usual in an effort to give both sides a change to complete their final arguments before nightfall.

The case will go to the jury tomorrow afternoon after Judge Reeves instructs the eight men and four women on points of law involved in the trial.

Miss Coplin, a former Justice Department Analyst, is accused of stealing top secret government information for transmission to

Russia through Valentin A. Gubitchev. He is a Russian citizen once employed by the United Nations.

Both the government and the defense rested their cases yesterday. Defense Attorney Archibald Palmer has contended that Miss Coplin, far from wanting to commit espionage with Gubitchev, was "deeply" in love with him and wanted to marry him.

For more than nine weeks the jury has been given conflicting pictures of the girl, a dark-eyed honor graduate of Barnard college in New York.

Palmer has depicted her as the innocent victim of a "frampup" by her justice department bosses, with Gubitchev as a possible party to the "entrapment."

Government attorneys have sought to show that the 28-year-old defendant not only stole secret information with the intention of relaying it to Russia but that she also gathered background on three possible recruits for Red spying.

Through all this, Miss Coplin has been alternately demure and defiant.

She first became angry when the prosecution asked whether she had spent several nights in hotels and apartments with a Justice Department lawyer, Harold P. Shapiro, during the time she claims she was in love with Gubitchev.

Later she admitted the overnight trysts, but insisted she never was intimate with Shapiro.

SAMSON WITHOUT DELILAH—Reuben Lindstrom, 55, says whenever he cuts his hair he gets heart trouble. So for the past 25 years he hasn't had a haircut and is feeling fine. Lindstrom, who travels all over the country doing odd jobs, was taken off a freight train by railway police in Buffalo, N. Y.

Case Sent Back To Tax Court

WASHINGTON, June 28 (UP)—The Supreme Court rendered a decision yesterday in a case which arose over taxation of the W. O. Culbertson family's partnership for managing a 52,000-acre cattle ranch in Northeast New Mexico.

Business offices for the ranch were in Dalhart, Tex.

Culbertson had managed the ranch in partnership with an E. S. Coon. When Coon decided to retire, he agreed to sell out his share, but only on condition it be distributed to Culbertson's children.

Culbertson set up a new partnership with his four sons in 1939. Later a share was created for his daughter. Culbertson contributed the money for the purchase of the children's shares.

The Internal Revenue Bureau held that the partnership was not valid for tax purpose, demanding back taxes for 1940 and 1941 from the elder Culbertson.

The U. S. Tax Court upheld this view, but was reversed by the Fifth U. S. Circuit Court of Appeals. The government appealed.

The Supreme Court decision sent the case back to the Tax Court for reconsideration, holding that there may be a "bona fide" partnership without active participation in the business.

LIBERAL PARTY WIN BY LANDSLIDE IN CANADA

By Norman H. MacLeod
OTTAWA, June 28. (UP)—Prime Minister Louis St. Laurent's middle-of-the-road liberal party won the greatest landslide victory in Canadian election history today, soundly defeating both conservative and left wing opposition.

Almost complete returns from yesterday's national parliamentary

election gave the liberals 19 out of 262 seats. They were leading in two other districts.

The progressive conservative party led by George Drew, former Premier of Ontario, which had staged a vigorous campaign, won only 41 seats.

In the previous Parliament the Liberals had 125 seats and the Progressive Conservatives 69.

The left wing Commonwealth Co-operative Federation which held 32 seats before, toppled to a mere skeleton of a national party winning only 12 seats.

Minor parties were winning the other 16 places in Parliament.

Most impressive in the Liberal triumph was their showing in the Province of Quebec where Drew had predicted his progressive conservatives would make substantial gains. There the PC party elected only one member.

And in the Conservative stronghold of Ontario, the Liberals overthrew a score of Tory districts, beating their opponents three to one for all the seats in the Province.

The Labor Progressive (Communist) party was given a crushing defeat. LP leader Tim Buck was even defeated in his own bid to return to Parliament, losing to a liberal candidate in his Toronto-trinity district.

Prime Minister St. Laurent won a personal triumph with a majority of 29,000 votes in his own district of Quebec East. The Conservative leader drew also won in his own district, Carleton, near Ottawa.

Drew conceded the Liberal victory only three hours after the polls closed last night.

"The Liberals have returned to power," he said, "but my party will continue to fight vigorously for the return of responsible government."

The 67-year-old St. Laurent, who took over the helm of the Canadian government last year from longtime Prime Minister W. L. Mackenzie King, said the Liberals' "sparkling victory" was even greater than he had expected.

San Juan Will Get New Bank

SAN JUAN, Ica., June 28 (UP)—A new bank will replace the one that collapsed over the weekend when Sam L. Miller, McAllen financier, vanished.

The Valley State Bank went out of business, its president said, because of a \$50,000 loan it had made to Miller.

Suits amounting to \$100,000 have been filed against Miller, who was last seen in Mexico last week.

Miller's wife returned to her swank McAllen home yesterday but refused to give a statement to newsmen.

New capital was raised yesterday to start a new bank.

Lloyd and Elmer Bentsen, banking brothers of Mission, said the bank's initial capital would be \$75,000, which would be Federally insured.

"For every dollar that was supposed to be on deposit in the Valley State Bank we plan to make available about 65 cents," Elmer Bentsen said.

"After we get the new bank started, we plan to liquidate all loans made the Valley State Bank which we will buy and divide up the money among the depositors who lost when the bank was closed."

J. L. Stone was president of the Valley Bank, and his wife was vice-president. They raised about \$50,000 for the bank a few months ago.

"I have nothing to hide," Mrs. Stone said. "I certainly didn't run away from it. I believe Sam Miller is a sick man or he wouldn't leave us in this situation."

Stone was recovering in McAllen Municipal Hospital from injuries received in an auto wreck last week.

Attendant At Wedding Returns

Billye Jean Crawley has returned from Greenville where she was a bridesmaid in the wedding of Betty Doan and David Edward Bloom. Miss Crawley and Miss Doan were suite mates at TCU.

The wedding took place Friday night at the Grace Presbyterian Church with Tillet S. Teddie officiating.

The bride is the daughter of Mr. and Mrs. John Leon Doan of Greenville and the groom is the son of Mr. and Mrs. Leslie Bloom of Houston. The groom has been an outstanding TCU athlete.

Miss Claudine Cook sang, accompanied by Mrs. E. W. Hartman.

Given in marriage by her father, the bride wore a dress of imported lace over starched organza, fashioned with a portrait neckline and full ballerina-length skirt. She wore a picture hat of horse-hair braid, and carried a bouquet of Marconi daisies studded with an orchid.

Miss Jareen Edwards of Jackboro was maid of honor, and Miss Adell Eads, Brownwood and Miss Crawley were bridesmaids. They wore yellow and blue dotted Swiss dresses fashioned with ballerina skirts, and carried baskets of matching daisies.

The bridegroom was attended by his brother, Shankle Bloom, Fort Worth, as best man, Bob Dean, brother of the bride, and Max Eubank, Waxahachie.

A reception was held in the church parlors.

Mrs. Bloom will graduate from TCU in August, where she is a member of the Bryson Club and was a football duchess for three years. Mr. Bloom is a TCU graduate and was president of the Bryson Club. He was a three-year letterman in football, and lettered four years in track. He will play professional football with the Los Angeles Dons this fall.

The couple will make their home at 4256 Curry, Fort Worth.

Berlin Railroad Workers On Job

BERLIN, June 28 (UP)—All but a handful of West Berlin's 16,000 railway strikers went back to work today and railway traffic was expected to resume before nightfall.

Headquarters of the strikers' independent non-communist union said 98 per cent of the men who had been on strike for 39 days reported for work at 8 A. M. (2 A. M. EST).

Within two hours, they were checking rail and other installations in preparation for a resumption of traffic on both Berlin's elevated railways and the single-track line between Berlin and Western Germany.

SAYS CATHOLIC CHURCH WIPED OUT IN ROMANIA

VATICAN, CITY, June 27 (UP)—The Vatican announced today that the Romanian Communist regime had wiped out the Catholic hierarchy in Romania by arresting an Archbishop and a Bishop, the only two prelates who escaped a campaign against the church last Autumn.

The Official Vatican News service reported that Archbishop Aaron Marton of Alba Iulia was arrested June 21, and Bishop Anton Durcovici of Iasi was seized Sunday.

Along with the announcement, the Vatican issued the strongest official attack against any Iron Curtain country yet put out by its press office. The Romanian government was accused of the "violent persecution of the Catholic Church."

Only yesterday, in a survey of church conditions behind the Iron Curtain, Vatican sources said that "not less than 300 and probably 350 Clergymen in Romania have been imprisoned or deported, or have simply dropped from sight."

The report on Romania coincided with a Vatican denunciation of decrees by the Czech Communist regime regarding church affairs as "absurd and ridiculous." The Prague government, seeking to gag Archbishop Josef Beran, forbade the circulation of pastoral letters and clerical meetings without government permission, and declared illegal the Vatican's excommunication of priests supporting the government.

Authoritative Vatican sources commented that the state "cannot pass decrees or make laws regulating spiritual affairs of the church."

A little later a Vatican Press Bulletin reported the arrest of the last two members of the Catholic Hierarchy left in Romania. They were the only prelates of the Latin rite recognized by the government after its crack-down on the church last fall.

All Bishops of the Greek Catholic rite were arrested then, and three Bishops of the Latin rite were deported.

Victims Of Bus Wreck Near Death

DALLAS, June 28 (UP)—Hospital attendants said today that two persons injured in a bus wreck Sunday that killed two persons "were critical and near death."

Mrs. Cecil Davis (3108 Colorado) and Joe Mitchell, 30, (5738 Richmond) were the passengers called "critical" at Baylor Hospital.

Mrs. Davis, lower right leg has been amputated, and her left leg is broken. Davis has a severe head injury.

Meanwhile, Assistant District Attorney Henry has asked bus driver Wayne Dawson to appear before Dallas County Grand Jury, but he did not set a date.

Bus officials and the interstate commerce commission continued to investigate the accident.

Dawson said he lost control of the bus in the soft gravel off the shoulder of the road two miles east of Garland at Rowlett bridge.

Funeral services were scheduled today for Miss Norma Charlene Floyd, 20-year-old student from Corsicana, who died in the wreck. Services for the other victim, Billy Mack Ham, 12, of Cooper, are still pending.

Showers Due To Relieve Heat

By United Press
Normal summer weather occupied most of the state today with prospects of scattered showers in North Texas and from the western sections of East Texas to the Pecos River this afternoon and tonight.

West Texas reported fair skies this morning, the rest of the state ranging from cloudy to partly cloudy with no rainfall reported.

Southerly breezes up to 15 miles per hour fanned most of the state.

Widely scattered showers accounted for .87 inches of rain at Alice in the 24 hour ending at 6:30 A. M., .04 at Victoria, .07 at Waco, .08 at San Antonio, .02 at Dallas and .04 at Austin.

Yesterday, Presidio recorded its usual state's highest mark 108 degrees - while most of the state had readings in the middle and lower 90's. The exceptions included San Antonio and Marfa, where it was 89; Laredo, where it was 99; Salt Flat, where it was 103, and Wink where it hit 102.
