34TH YEAR

RANGER, TEXAS, THURSDAY, JUNE 25, 1955

PRICE FIVE CENTS No. 26

Heavy—"This is the last time I'm gonna ask you for money."  
"Boss—"Good! Frankly, it was beginning to annoy me!"

Attention, road sports! Here's an urgent yelp for help! Ranger's American Legion baseball team—the Ranger Eagles—is having financial troubles. It costs money to play ball and it takes money to run a ball club. For instance: Tuesday night, eight bats were cracked. The sluggers cost \$2.50 each. Total: 20 bucks. Balls are another heavy expense item. So if you can spare a buck or two—or maybe a five—how about donating it to these kids who're representing our city in the American Legion League. Believe me, friend, your contribution will be appreciated—and you'll really be getting your money's worth. Contact the team manager who donates his time, effort—yes, and money—to keep Ranger's young diamond crew in action. Let's give J. A. Estes a lift—please! Call him at 132-R. He'll appreciate it. Says the Emporia, Kansas, Gazette: "The nation's total 1953 tax bills will be as much as the wages, rents, interest and dividends received by all of us during January 1 to April 22. You can read that again but the experts say it is correct. Obviously economic government and eventual tax reduction are in your personal interest." R. V. (Rip) Galloway, secretary-manager of the Ranger Shamber of Commerce, estimates that one filling of the new \$1,500,000 Eastland County Water Supply District lake will fill the needs of Eastland and Ranger for 10 years!

Outraged young girl to employ in the telephone company office:  
"Certainly, it's essential! I want a telephone to make dates with and get married and have children with!"

Attention, all you young men in the audience! Want some good financial advice?

Then earn a New York Yankee uniform, roll up the sleeves, cup your hands and prepare to grab the biggest pot o' gold in baseball. The longer you stick around with the Yankees, the more you'll make.

By simple arithmetic, the Yankee front office figured that since the club began winning pennants in 1921, its players have received a staggering total of \$3,525,809.82 in World Series cuts. The total is made up of players' pool money paid to 19 pennant winning teams, including 16 World Series winners, six second-place clubs, five third-place teams and one fourth-place contingent.

For references, check Frank Crossetti, who has worn the Yankee uniform first as a player and then as a coach since 1932.

For his labors since that time, Crossetti has profited to the sum of slightly more than \$75,000 in World Series slices. Add his salary to that sum and you'll find that the slender ex-shortstop has received well over \$300,000 from the Yankees.

Not bad for a guy with a .249 lifetime batting average!

Joe DiMaggio drew more than \$60,000 in addition to his regular salary, while Babe Ruth, Lou Gehrig and Bill Dickey also were in the higher World Series financial brackets.

Only one Yankee club in the past 35 years—the 1925 entry—failed to finish in the first division and therefore was the only team during the period not to share in the World Series spoils.

Breaking down the figures since 1921, Yankee players have averaged \$3,148.03 per season in World Series money. For that same period, the St. Louis Cardinals are second with an average of \$1,456.72 per season and the New York Giants third with \$1,147.46.

The modern bathing beauty Owee much of her success To putting just a little more into just a little less!

## Ranger Jaycees In Big Graham Rodeo Parade

An hour-long parade opened the four-day Possum Kingdom Round-up rodeo at Graham Wednesday afternoon.

Spectators stood in sizzling 106-degree sunshine as about 1,000 horses and riders loped by.

Twenty-six riding clubs from Texas and Oklahoma, including a big delegation of Ranger Jaycees, headed by James Townzen, participated.

The Rangerites with other visiting groups were honored guests at a noon barbecue sponsored by the Graham Chamber of Commerce.

During the afternoon, the Ranger Jaycees distributed advertising material and issued invitations to stockmen and rodeo fans of Young County and vicinity to attend the Rangerites' big 8th annual Ranger Roundup Rodeo to be unreeled here on July 22-23-24 and 25.

The first performance of the Graham show was held last night and included seven specialty acts and a cow girl spongers' clover leaf barrel race cutting horse contest.

The Possum Kingdom Roundup ends Saturday night, Homer A. Todd of Fort Smith, Ark., is producing the show and furnishing livestock for all the events.

He also is under contract to furnish the stock for the four-day Ranger event next month.

## Federal Jobs Show Another Drop On June 1

Federal employment dropped below the 2,500,000 mark on June 1 for the first time since July 1951, and is expected to show another drop for this month.

The Civil Service Commission said it does not have a tabulation of dismissal notices effective by June 30, but they are known to number several thousand.

The notices were issued in anticipation of cuts in funds for the year starting July 1. Some may be rescinded but a net reduction in personnel is anticipated.

The commission reported Tuesday that civilian government employment dropped 23,500 during May, the largest monthly decrease since June 1950.

The preliminary total for federal employes on June 1 was put at 2,483,100, down 73,382 from the total of 2,556,482 on Feb. 1. This was a reduction of about 2.8 per cent.

The Eisenhower administration announced early in February that all federal agencies had been directed to hold down on all employment as an economy move. However, civil service statistics show the downward trend has been under way since last July.

A Minneapolis couple, both of whom had cancer within two years are both alive and well today, the American Cancer Society discloses.

## Can They Win No. 2?

# Eagles Battle Breck Friday

Coach J. A. Estes and his Ranger Eagles, local American Legion diamond entry in the AL 6-team district loop, face Breckenridge in a 7-inning duel to be unreeled at Breckenridge Friday afternoon at 5 p.m.

Simultaneously the loops offer four clubs—Mineral Wells, Goldchwaite, Stephenville and Cisco—also will be in action in conference contests. The undefeated Stephenville Blue Jays are currently leading the league.

The Eagles, hampered by a pair of costly errors in the bottom of the initial frame, dropped a 3 to 1 contest to Cisco Tuesday night.

The Ciscoans jammed against two runs in the first and added their final tally in the bottom of the third inning. From then on they failed to get any more tallies across the plate.

Eddie Morris, Ranger's lanky righthander, turned in a creditable performance during the night, allowing but four scattered

## TELEVISION TRANSMISSION IS EXPLAINED, DEMONSTRATED TO ROTARY, LIONS GROUPS

How network television programs are brought to Texas from other parts of the nation was demonstrated Wednesday at noon to members of the Ranger Rotary and Lions Clubs by Glenn E. Scott, of the Southwestern Bell Telephone Co.

Hugh Smith, Ranger Rotarian and head of the engineering department of the local exchange of Southwestern Bell, was in charge of the program for the day.

Morris Newnam, president of the Rotary Club, presided during the joint session of the civic groups which was held at the Gholson Hotel in downtown Ranger.

Scott demonstrated the two methods by which network TV is flashed across the continent—by coaxial cable and microwave radio relay. He showed a cross-section of the large cable, which contains eight pencil-sized copper tubes. Each of the tubes can carry one television program, as well as 400 long-distance telephone conversations, Scott said.

Using one of the cable's copper tubes, Scott "piped" a television image across the stage to the screen of a television receiving set.

Radio relay was demonstrated by transmitting the same picture between two miniature microwave towers, similar to the real towers which span the country, about 30 miles apart, to relay TV programs along a line-of-sight path.

Explaining the telephone company's connection with television, Scott said: "We're like the railroads in the Rio Grande Valley. They don't grow the fruit or sell it. They just haul it. We don't produce TV programs or put them on the air. We just transmit them between stations in different cities."

The telephone industry has furnished nationwide radio networks to broadcasting companies on a similar basis for many years, Scott pointed out.

In his talk and demonstration, Scott explained the basic principles of television to the audience. Scenes of a TV program are broken down into thousands of tiny squares of light and dark which are then converted into electrical energy for transmission and telecast. Thirty complete pictures are "wiped" on and off a TV receiver screen every second, giving the appearance of motion, he explained.

Scott explained how a program is amplified, to keep it from dying out in route, and how distortion, or arrival of one part of the signal ahead of another, is overcome by "equalizers."

The video and music parts of a TV program often travel between cities by different means and sometimes by completely different routes, which may be miles apart. They are synchronized by equipment at the receiving end, Scott said.

## Mercury To Top 100 Mark Today And Tomorrow

Eastland Countians can look for more sweltering 100-degree or better weather for the remainder of this week.

That was the outlook today, according to a forecast issued by the U. S. Weather Bureau.

Generally fair and hot weather was predicted for Eastland County and vicinity today and Friday with the maximum mercury readings for both days slated at 100 or above.

Tonight's low—a warmish 80 degrees.

For North Central and West Texas—Generally fair today and Friday. Not much change in temperature.

**BAIT FOR STENOGRS**  
INDIANAPOLIS — Advertising executive Jim Dilley had trouble hiring stenographers. In desperation he placed a newspaper want ad promising "coffee breaks every half hour all day long, coke breaks and beer breaks." He also offered several employe benefit plans, including a "how to earn a living—without working" plan. The result: More than 100 applicants in one day.

# Baptists Meet In Ranger Tomorrow

## Here's Church List For BTU Program Study

Conferences for all departments of the Baptist Training Union are scheduled to be held in Ranger Friday during the state-wide one-day BTU session.

Major emphasis will be on program planning, and all programs for the months of July, August and September will be discussed in detail.

Here is a list of the churches which will plan and present the programs for the Sundays indicated.

(Continued on Page Four)

Miss Violet Taylor

## Killingsworth Is New President of Church Group

Floyd Killingsworth, popular Ranger merchant and funeral director, is the new president of the Men's Club of the First Methodist Church.

Killingsworth was elected to head the men's church group during an election of officers held during the club's meeting at the church last night.

Other officers include Charlie Hamilton, re-elected to the vice presidency, R. L. Willis, secretary, and Pat Thomas, reporter.

Killingsworth, who succeeds Price Crawley as president of the church men's organization, served as secretary of the club last year.

J. A. Bates was program chairman of the night and introduced the church's new pastor, Rev. Finis A. Crutchfield to the Methodist men. Rev. Crutchfield spoke on "Men Working," and stressed the importance of men working, especially in a cooperative spirit, and emphasized the many achievements which, he said, are the result of male members of the church.

Thirty-two men, including several guests, were present for the affair. Refreshments of ice cream and cake were served.

The Methodist Men's Club meets once monthly on the last Wednesday of each month.

## Rangerites Niece Gets Scholarship

Miss Violet Taylor, daughter of Mrs. Paul Taylor of Austin, was recognized as highest ranking girl in the 1954 Austin High graduating class of six hundred and eleven, with a four-year average of 93.28.

She was awarded the Baylor Club scholarship, offered for the first time this year. The scholarship, given by the Austin Baylor Club pays all tuition for two years at Baylor.

During her high school career, Miss Taylor has been active in many extracurricular activities. She plays the piano and is a member of the "Tonespinner," a girls' trio. She also was a member of Red Jackets, Girls' Ensemble, Science Research Club, National Honor Society, and the Student Council.

Miss Taylor is the niece of Mrs. Myrtle Huffman and Mrs. Paul Hunt, of Ranger.

## TAILLESS CALF

ARCADIA, R. I. — Farmer Thomas Zambini owns a tailless calf, born to a Holstein cow whose tail had been broken. The cow previously had borne two normal calves. Zambini figures the tailless one is going to have quite a problem dealing with flies.

## SATURDAY'S FIVE TRADES DAY AWARDS WILL BRING TOTAL YEAR'S DRAWING TO \$5,200

The fifty-second weekly drawing of the Ranger Trades Day Assn will be held in Ranger next Saturday afternoon, June 27.

Another \$100 worth of "Ranger Bucks" will be awarded to five lucky registrants during the 3 p.m. event which is sponsored by Ranger merchants in order to spur interest in the city as a friendly shopping center and to draw families from a wide surrounding area into Ranger to purchase goods and services offered by local merchants and business men.

Top offering of the day will be 50 "Ranger Bucks," which are each worth \$1.00 in merchandise or services at stores and firms who are members of the Ranger Trades Day Assn.

Second award will be 25 "Ranger Bucks," there'll be two winners of 10 bucks each, and the final offering will be five "Ranger Bucks."

Saturday's awards, winding up the initial year of operation of the weekly event, will bring the year's total of \$5,200 which has been given to more than 200 lucky winners since the Trades Day drawing was inaugurated last July.

Here is a list of the firms who are members of the Ranger Trades Day Assn., sponsors of the popular Saturday drawing:  
Commercial State Bank, C. D. Harnett Co., Raliff Feed Store, Tip Top Feed Store, Law's Premier Service Station, Cantrell &

## Between 650 and 1,000 Visitors From All Sections of State Due Here Friday For Big BTU Session

Many delegations of Baptists—expected to total between 650 up to 1,000 men and women—are due in Ranger tomorrow, Friday, June 26, for the one-day State Training Union Conference which will be staged here with the First Baptist Church as host.

The one-day session is due to get under way at 9:30 a.m. and will wind up at 4 p.m.

Outstanding Baptist leaders to appear on the day's program include Dr. Sterling Price of Abilene, Mrs. T. C. Gardner of Dallas, Mrs. Gerald Norton of Amarillo, Rev. and Mrs. Ralph Perkins of Ranger, T. C. Gardner of Dallas and others.

The Ranger meeting is planned to take care of Training Union needs of all age groups, leaders said.

Rev. Ralph Perkins, pastor of the host church, said that the general conference in the auditorium of the First Baptist at 9:30 a.m. will open the session. Departmental conferences will be held from 11:15 to 12:30 noon in the following locations:

Adults—First Christian Church, Young People—First Methodist Church, Intermediates—First Methodist Church, Juniors, primary, beginners, nursery and book store — First Baptist Church.  
Rev. Perkins revealed that provision has been made for all children under six years of age. Lunch will be served to the children at First Baptist, the pastor said.  
Other reminders from Rev. Perkins:  
Walter Jetton, famous barbecue king of Fort Worth, will serve a "Chuck Wagon" meal at 12:30 at the Recreation Building. Tables and chairs have been set up. The citizens of Ranger are invited to attend this barbecue and meet the many hundreds of visitors. The price is \$1.00. Huge fans will be installed to assure a cool place to eat.

The citizens of Ranger are kindly asked to leave as much of the parking space on Marston and Walnut as possible.

The afternoon program: Exhibits 1:15 to 1:45 and departmental meetings 1:45 to 3:00 going to the same place as the morning programs. There will be a general assembly back at the main auditorium of the First Baptist Church at 3:00 with adjournment at 4:00.

The combined Elementary courses of the First Baptist Church of Ranger will present their program at 3:00. The program is under the direction of Bill Bullock, A parent, "Rainbow of Promises," will be presented by the local Elementary children.

Dr. Sterling Price, pastor of the University Baptist Church of Abilene, is president of the Training Union Department of the Baptist General Convention of Texas. Dr. Price is serving his second term as president. Dr. Price will appear on the program during the day. He is giving general supervision to the Convention that meets in Fort Worth in November.

Walter Arterburn, Training Union Director of the First Baptist Union for the past five years, has guided the local church from a small, partially organized union to a completely organized departmentalized Training Union. The Elementary department is a "Standard Department" meeting the high requirements of Texas Baptist program.

Arterburn has led the organization of the general plans for Friday. His leadership has been outstanding and he is to be highly commended for the splendid way in which he has planned for June 26.

"There is a general invitation to the Citizens of Ranger to visit any

or all of the sessions Friday. We would be happy," said Rev. Perkins, "to have our many friends and visitors to know the importance of youth work on the training program for children."

All of the conference rooms will be air-conditioned and very comfortable.

"The question of parking is the only problem that really faces us now," Perkins said, "and if our local citizens will kindly remember that several hundred cars will have to be parked somewhere in Ranger, I am sure that things will work very smoothly tomorrow."

Here is the day's program for the special session of state Baptist Training Union workers which will be held in Ranger, Friday, June 26:

- PROGRAM FOR THE DAY**  
9:15 Registration—Secure lunch ticket, \$1.00 each.  
9:30 Prayer.  
Songs directed by Bill Bullock, Mrs. F. P. Brashier, Jr., Accompanist.  
9:40 Welcome—W. J. Arterburn.

3:30 Elementary Choirs, First Church, Ranger.  
3:40 Pageant, The Rainbow of Promises, directed by Mrs. Ralph Perkins.  
4:00 Closing Prayer.

## Big Game Meet Set For July 17

Mounting interest in the fall wildlife harvest, as indicated by a letter of inquiry, caused the Executive Secretary of the Game and Fish Commission to announce that nothing will be decided until the July 17 meeting of the Commission in Houston.

He said recommendations then will be made on the waterfowl season and on possible shooting in the Panhandle, West of the Pecos and other areas over which the Commission has regulatory authority.

F. Webb.

Mr. and Mrs. W. A. Vandaveer and Mrs. H. C. Vandaveer, all of Strawn, were shopping in Ranger Wednesday afternoon.

**EARLY CANCER CURABLE**

Cancer is defined as an "uncontrolled growth of cells." It can be cut out by surgery or destroyed by radiation in most cases, if detected early, the American Cancer Society points out.

**BETTING TOPS CANCER GIFTS**

More than one and a half billion dollars were legally bet on horses in the U. S. in 1951. This is 37 times as much as was contributed to cancer control, the American Cancer Society points out.

**READ THE CLASSIFIEDS**

**Don't Let Independence Day Make You A Dependent!**

Unless this forthcoming holiday is different from all that have preceded it, thousands of Americans will become dependents on Independence Day.

They will be the maimed, the widowed, the orphaned. For the rest of their lives some of them will have to depend on others for their physical care and comfort—some of the widowed and orphaned will have to depend on relatives or the state for their financial support.

And the dependency of the maimed, the widowed, the orphaned will be the result of Independence Day accidents.

In addition, several hundred Americans will pay for their celebration with their lives. All this because of accidents that need not happen.

Holidays have become horror days in the United States. In recent years many holidays have brought such a high accident toll that they assume the proportions of a national catastrophe. And this carnage need not occur. Accidents are not acts of God. They are acts of humans who foolishly bet their lives for dubious rewards.

The driver who speeds to get to his destination—what difference does it make whether he arrives 10 or 20 minutes later?

The youth who attempts to swim across the lake—what is gained by trying to show off in front of a crowd?

The father who cannot deny his children the "pleasure" of fireworks—what pleasure will the child derive from sightless eyes? Motor vehicle accidents lead the list of Fourth of July hazards. According to the National Safety Council, one out of two persons now living in this country has been or will be injured in a motor vehicle accident before he dies, unless our present accident rate is greatly reduced. And many of these accidents occur on holidays, when traffic is especially heavy.

Second high on the Fourth of July accident list is drowning. Falls, fireworks and firearms, sunstroke and heat exhaustion, food poisoning and miscellaneous accidents also exact their toll.

Independence Day tolls are not inevitable. They can be prevented. Police departments and other officials all over the country will be

alert to prevent as many accidents as possible. But as always the size of the toll depends chiefly on the good sense of every American. Take it easy on the Fourth. Don't let Independence Day make you a dependent!

**"Was a nervous wreck from agonizing pain until I found Pazo!"**

Speed amazing relief from miseries of simple piles, with soothing Pazo! Acts to relieve pain, itching instantly—softens inflamed tissues—lubricates dry, hardened parts—helps prevent cracking, soreness—reduces swelling. You get real comforting help. **NEWS FROM CARBON**  
By Mrs. W. M. DUNN

Harold Bolger of Waco, former teacher and basketball coach in Carbon high school, his wife and little daughter, were visiting friends here last week.

Miss Jo Ann Camp has returned to her home in Fort Worth after visiting Mr. and Mrs. C. L. McDaniel and other relatives and friends here.

Mr. and Mrs. Bewell McGaha of Clifton, Ariz., are visiting his parents, Mr. and Mrs. W. S. McGaha and her mother, Mrs. Allie Campbell. Wayne Campbell of Fort Worth, also visited his mother.

Mr. and Mrs. J. C. King returned home last week from a visit with their son, James King and family of Monahans.

### NEWS FROM CHEANEY

Mrs. Bill Tucker  
Several congregations were represented at the Sunday afternoon singing at the church of Christ. Some visitors noted were the McClellans of Comanche; Ross Hines, Ike Butler and a group from Carbon; Mrs. Palmer and others of Flatwood; the Bruce Lemnacks and Mr. and Mrs. Files from Gorman; the Dee Rodgers and Leon of Alameda; also the Melva Loves of Alameda; Mrs. Gailie Lee, Mrs. DeWitt Young of Ranger; Mr. and Mrs. M. A. Wooten, Dorothy, Zimrud and Jimmy of Stephenville; the Earl Stricklers of Caddo.

Out of town visitors were Mr. and Mrs. Marvin Seward and Fern of Lubbock, Misses Berle Blackwell, Jane Thompson of Lubbock and Kay Blackwell from Quanah, Texas, and Dwight Elve from Odessa, Tex.

A gospel meeting is announced for Cheaney beginning on Saturday night, July 18, continuing through Sunday night, July 26. Minister Bill Grasham of Abilene will do the preaching. A cordial invitation is extended to every person to come and ask your neighbors and friends to come out and enjoy these out-door services.

Mr. and Mrs. Theibert Jones made a recent visit with her mother, Mrs. Clara Sherman, in the Ray Harrel home, in Abilene. Mrs. Sherman is improved from her illness of the past few weeks.

Mr. and Mrs. Carlos Clayton, Linda and David of Jackboro,

visited their friends, the Hatley Deans during the week end.

Guy Sullivan and wife from Ranger attended church Sunday night at Cheaney. Guy is a nephew of former Cheaneyites, Mr. and Mrs. Carl Sullivan, who lived here several years.

It was pleasant to talk to the M. A. Wootens of Stephenville, again. They are also former neighbors from near the Staff community.

Dee Rodgers and family visited the J. D. Rodgers, following the Alameda church services Sunday morning.

Mrs. Arthurd Love and Mrs. Eva Underwood of Alameda were callers in the John Tucker home one afternoon last week, also Mr. and Mrs. Herbert Love of Odessa, who have been visiting for several days with his mother, Mrs. Ann Love and other members of the family.

Visitors in the Bill Tucker home over the week end were cousins Mr. and Mrs. Marvin Seward and daughter, Miss Era Fern Seward of Kermitt. The Seward's were enroute home from a vacation trip to Richland Springs, Lampasas, Killeen, Cleburne, Ranger, Eastland and Abilene.

Mr. Seward is employed by Stanolind Oil Co., and he states that they have had higher temperatures, more high winds than Eastland county. Now—there seems room for argument!

Mrs. Etta Brittain of Graham, has visited her sisters, Mrs. Maud Dean, Mrs. Sophie Freeman and also with Mrs. Eljnie Kimbrough, who is, at this reporting, a patient in the Ranger hospital.

The Monroe Ainsworth family spent Friday night in Ranger with the grandmother, Mrs. Victoria Smith.

Virginia Strickler of Caddo spent Sunday afternoon with La Verne Ainsworth.

Mr. and Mrs. Bill Grasham had dinner with the Elmer Blackwell family Sunday, then supper with the Guy Sullivans in Ranger. Bill and Guy are former classmates in Abilene Christian College.

Mrs. Horace T. Miller and small daughter, Olene, of Hobbs, N. M., visited her sister, Miss Betty Tucker, John and Ellen Tucker, during the past week. She also visited the Ann Love family, accompanied by Mrs. Claude Tucker and Mrs. Ima Howard of Ranger. Tom Tucker and son, Jimmy, of Artesia, N. M., have also visited relatives here the past week.

Loresta Dell Wallace and Martha Gale Love of Odessa visited their cousin, Joy Love, part of last week.

Orchids to Mrs. Eunice Love— who always brings joy to a shut-in family, the John Tuckers, each week—in the form of a delicious cake or other items of nutritive value. These people really appreciate this thoughtfulness.

The H. A. Nergers of Alameda, were Cheaney visitors Sunday night, also Cicero Rogers and the Willis Blackwell family.

### NEWS FROM DESEMONA

By Mrs. Ethel Keith  
Mrs. Iva Buchan is quite ill in a Gorman hospital.

Mrs. F. Davis of Valley Mills, spent the week end with her daughter, Mrs. Hugh Abel and family and also Mr. and Mrs. S. W. Walker and children of Midland visited on Saturday.

Mr. and Mrs. Delma Loyd Varner of Fort Worth, spent the week end with his parents, Chess Varner and family.

Mr. and Mrs. Nig Eaton of San Angelo, visited a part of last week with his mother, Mrs. Sally Eaton.

Mmes. Horace Lane and Gordon Tate have completed a 14-

hour Red Cross home nursing course in Eastland.

Mrs. Ethel Keith was called to Dublin on Thursday of last week to attend the funeral of an uncle, John Wilhite, who was killed in a car crash near Beveline.

Mr. and Mrs. L. A. McMillans and daughter, Elaine of Borger, have been visiting the C. S. Eldridge family.

The Ford Reids have been away for several days on a vacation trip, visiting their children

Mr. and Mrs. Alton Wilhite of Monahans, and Mrs. Raymond Anderson of Stephenville, are at the bedside of their mother, Mrs. Buchanan in the Gorman hospital. Another sister is a patient in the Temple hospital.

Mrs. Bill Greenhaw who has been a patient in a Ranger hospital for several days, is able to be at home again.

in Baton Rouge, La., and Ann, Tex. They report a nice fishing trip to Freepert.

## Some Chevrolet advantages worth considering when you're ready to choose a car...

Next to a new house, a car is probably your most important purchase. Here are some facts to help you make up your mind about which make to buy.

Don't you agree that it's well worthwhile to weigh all the factors carefully before you buy any new car? Let's consider the major reasons why people choose one make over another and see how the 1953 Chevrolet stands in those respects.

Styling You Can Stay Proud Of

Styling, of course, is a matter of personal taste. Because we think Chevrolet is the best-looking car in its field, doesn't necessarily mean you'll think so, too. But we can tell you that the majority of our showroom visitors prefer Chevrolet styling and compare its appearance most favorably with cars costing a great deal more.

And you might consider this: Chevrolet styling is the newest in its field. It's the kind of styling that stays new, too. For it is based, not on fads or extremes, but on the fundamentals of good, modern design.

The One Automobile Body Almost Everybody Knows

It's not really surprising that so many people prefer Chevrolet's appearance. For Chevrolet is the only low-priced car with Body by Fisher. And Fisher, as you know, is the only automobile body manufacturer with a world-wide reputation for styling, craftsmanship and quality.

The Many Benefits of High-Compression Power

When you drive a new Chevrolet (and we hope you'll do that soon), you'll notice these things: faster acceleration from a standing start; greater passing ability in traffic and on the highway; the new ease with which you climb steep hills.

These are just some of the benefits of Chevrolet's new high-compression power. In gearshift models, there is an advanced 108-h.p. "Thrill-King" engine with a 7.1 to 1 compression ratio. Teamed with the new Powerglide automatic transmission\* is an entirely new 115-h.p. "Blue-Flame" engine with 7.5 to 1 compression ratio. It is the most powerful engine in Chevrolet's field.

A Great Gain in Gasoline Economy

Along with remarkable new performance, Chevrolet's advanced engines give you far greater gasoline mileage. In fact, this year marks the most important gain in economy in Chevrolet history. And that includes substantial savings on over-all upkeep, as well as on gasoline.

New Getaway in the New Powerglide\*

The new Powerglide automatically drops into "Low" range for starting and for passing in city traffic. Then, as you glide along, it slips smoothly and almost imperceptibly into cruising range. The results are much faster and more positive acceleration, and much lower fuel consumption.

The First Power Steering in a Low-Priced Car

This year's Chevrolet is the only car in its field to offer you the extra ease and convenience of Power Steering, optional at extra cost. With it, you can spin the wheel with the strength of one finger. You can seewav in and out of tight parking places without the slightest strain. You get an additional cushion against road shocks and jars. Driving is easier, safer.

A Smoother and a Safer Ride

Chevrolet is the heaviest low-priced car. Model for model, a Chevrolet will weigh as much as 200 pounds more than the other makes. You often hear people say they buy high-priced cars because they're heavier, hold the road better and ride better. Well, isn't it logical, then, that Chevrolet's extra weight (which comes from extra strength of body and frame) would result in a better ride?

Chevrolet is the Lowest-Priced Line

Certainly, price is one of the most important factors of all. We're glad to be able to tell you that Chevrolet is the lowest-priced line in its field.

Now, you might well ask, "How can Chevrolet offer me more and still cost less?" There is a simple, logical answer to that.

Remember that Chevrolet builds more cars than any other manufacturer. Chevrolet, along with General Motors, has greater facilities for research, for engineering and production. So, isn't it reasonable that these greater facilities bring manufacturing advantages and economies which Chevrolet can pass on to you in terms of higher quality at lower price?

An Endorsement Given No Other Car

Again this year, more people are buying Chevrolets than any other car. Obviously that wouldn't be true unless people liked Chevrolet better. Unless Chevrolet offered more things people want—more value.

So, when you're ready to choose your new car, wouldn't you agree that Chevrolet merits your careful consideration? We welcome your visit at any time, so that you can look the car over yourself and try it out on the road.

\*Combination of 115-h.p. "Blue-Flame" engine and Powerglide automatic transmission optional on "Two-Tons" and Bel Air models at extra cost.

More people buy CHEVROLETS than any other car!

**IT'S THE LAW**  
in Texas

INDICTMENT NOT EVIDENCE OF GUILT

What does indictment by a grand jury mean? Lawyers find that many persons are inclined to confuse indictment by a grand jury with a court conviction for a crime.

This misconception is unfair to anyone who becomes the subject of a grand jury investigation. Justice, in the United States, is based on the theory that a man is innocent until proven guilty, and public opinion should withhold its verdict until the courts have had an opportunity to determine guilt or innocence.

An indictment is simply a written accusation presented by a grand jury to the district judge. It charges some person or persons with a crime. It is not a conviction. When a grand jury indicts a person it merely affirms that there is sufficient reason for him or her to stand trial. That is as far as the grand jury goes.

After that, the judge and the trial jury take charge of the case. At the trial the indictment is simply the State's pleading in the case, to which the defendant may plead "Not Guilty." The trial jury is instructed by the judge that it must not consider the indictment as any evidence of guilt.

All felony offenses in Texas, that

is all offenses punishable by imprisonment in the State penitentiary, must be prosecuted on an indictment by a grand jury. A grand jury may indict an individual for a misdemeanor, an offense punishable only by a jail sentence or by fine, but this is rather an unusual procedure.

Misdemeanor cases are customarily prosecuted on the basis of an "information" filed by the County Attorney. This serves the same function as a grand jury indictment.

The importance of a grand jury verdict is this: If it votes a "True Bill"—that is, if someone is indicted—the District Attorney must prosecute the person indicted; but if the jury votes a "No Bill"—that is, not to indict—the suspected person cannot be tried.

The grand jury procedure is one of the basic protections enjoyed by the common man against outrageous procedures of would-be tyrants, and dates from early Anglo-Saxon times. It assures that no person shall be forced to stand trial for a felony on the basis of a malicious or frivolous accusation having no apparent factual support.

When called to serve on a grand jury you share with a group of fel-

low citizens some of the most solemn responsibilities known to our democracy. Consequences of life-or-death importance may hinge upon your vote.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

## LITTLE GEM HOTEL

NORTH MARSTON PHONE 869 RANGER, TEXAS

Mrs. Earl Horton has been in Weatherford with her mother, Mrs. A. C. Kunkle, who is in serious condition in the Parker County Hospital, Room 21. Mrs. Kunkle, who has been ill for some time, fell last Friday and broke her right shoulder and arm.

Mr. and Mrs. E. J. Nolt have as their guest, Mrs. Nolt's niece, Sondra Kay, of Denver, Colo.

Emmett Cockrell of Breckenridge was a business visitor in Ranger Thursday morning.

## SOCIETY

### Walter Daniels' Enjoy Vacation In North States

Mr. and Mrs. Walter Daniels have just returned from a two week vacation which they spent in South Dakota around the Great Lakes, and in Canada. In South Dakota they visited in the Black Hills, Mt. Rushmore, Deadwood and Lead. They traveled through Minnesota and up around the Great Lakes, where they took a boat to St. Mackinac Island on Lake Huron. They ferried to Mackinac City, Wis., and from there they went to Sault Ste. Marie, Canada, where they saw a large steamer go through the locks. They came home by way of Jefferson City, Mo., and reported a very enjoyable trip.

### Woodman's Circle Has Luncheon

The Julia Alexander Grove No. 1954 of the Woodman's Circle met Wednesday, June 24 at the hall for a covered dish luncheon and quilting.

The following members were present: Mmes. F. C. Williamson, A. H. Blackwell, E. J. Grover, G. O. Strong, M. P. Williams, W. M. Ely, Lee Graham, W. C. Harris, H. E. Brooks and daughter, Brenda.

There will be no meeting on the first of July.

### Covingtons Enjoy Ozark Vacation

Mr. and Mrs. Glyn Covington and children returned Wednesday from their vacation, which they spent in the cool Ozarks. They journeyed through Louisiana into the historical city of Vicksburg, Miss., then to Hot Springs and Little Rock, Ark. They visited the resort of the Ozarks, Eureka Spring, where the temperature was 60 degrees. While there, the family enjoyed swimming, boating and fishing. They also made a scenic tour to the "floating river" in Missouri. On the return trip, they stopped in Muskogee, Okla., and visited Mrs. Covington's sister and family, Mr. and Mrs. Jack Redford.

## PERSONALS

Mrs. Reba Veach has returned to her home in Fort Worth after spending about ten days here visiting Mrs. Saffers Gregg. Mrs. John Thurman and Mrs. J. P. Morris accompanied Mrs. Gregg to Fort Worth to take Mrs. Veach home.

Mrs. M. H. Hagaman, Mrs. Roy Jameson and Mrs. Oscar Chastain have returned from their journey to Albuquerque and Amarillo.

Mrs. C. E. May, Sr., has had as her guests, her daughter and family, Mr. and Mrs. James B. Hay and children, Joe and Vicki, of Dallas.

Mr. and Mrs. Carl Veal and children were called to Harlingen Thursday morning because of the death of Mrs. Veal's father, R. J. Grimes, who was a Ranger resident in 1918.

Mr. and Mrs. John Lowe returned to their home in Jackson, Miss., Wednesday, after visiting in the home of Mrs. Lowe's brother, Mr. and Mrs. Harry Henry.

## Texans Warned On Gun Danger

The first fatality of the 1953 game harvest prompted the Chief Clerk of the Game and Fish Commission to remind Texans of the dangers attend.

According to Game Warden M. S. Dry of Eastland, the victim was a 37-year-old Ranger woman, who was shot while squirrel hunting. His information was that she was with another woman. The latter's sons, age seven and nine. Dry's report stated they were maneuvering to shoot at a squirrel. It kept moving around a tree. Finally, one of the women handed a .22 rifle to the ten-year-old boy. In releasing the safety, the lad accidentally discharged the gun. The bullet killed the woman instantly.

Mr. and Mrs. Ed McComas were in Wichita, Kans., recently to attend the funeral of Mr. McComas' uncle, Everett Stewart.

Mrs. J. K. Dorris has as her guests, her daughter and husband, Rev. and Mrs. C. H. Thomson, of Amarillo.

Mr. and Mrs. J. L. Davis and family, of Pomona, California, are guests in the home of Mr. and Mrs. W. M. Brown.

Game wardens are helping the Commission maintain a record of the hunting toll in the hope that publicity of the tragedies will help make Texans more safety conscious.

# Here's 14-Day Reducing Diet

Tillie Lewis, most famous woman in foods, has spent more than ten years in intensive research in the field of sweetened low calorie dietetic foods.

SMILE WHEN YOU SAY "DIET" Something wonderful has happened to change the old-style rigid diet. You need no longer suffer the rigid, flat, tasteless meals as people have been doing who wanted to lose weight. The long face of those who must diet are also a thing of the past. The new idea in dieting is to eat your regular foods—the foods you enjoy and want—but just to substitute low-calorie desserts for high-calorie desserts, low-calorie dressings for high-calorie dressings, low-calorie jellies for high-calorie jellies, low-calorie fruits for high-calorie fruits . . . and you can't taste the difference. It's, that simple! It's working for thousands of people . . . It will work for you, too.

TILLIE LEWIS DIET PLAN — Eighth Day.

Amount	Calories
Orange Juice	4 ounces ..... 50
Peached Egg	1 ..... 75
on Whole Wheat Toast	1-thin slice ..... 65
Crisp Bacon, broiled	2 slices, 6 inches long ..... 60
Coffee with Skim Milk	2 ounces ..... 22
and Sweetening Tablet	as desired ..... 10
	272

LUNCH

Clam Chowder	1-2 cup ..... 40
Cottage Cheese Salad with Dietetic Peas	1-2 cup ..... 108
Saltine Crackers	2 halves ..... 50
Peach Whip	4 (2 square inches) ..... 50
1 serving	1 ..... 35

(Whip together 1-cup firm dietetic lemon gelatin, stiffly beaten egg whites and 1-2 cup mashed dietetic peaches. Make 3 servings.)

DINNER

Roast Beef (trimmed) (Lean Rump or Shoulder Clod)	4 ounces (lice 4x4x1-4 in.) ..... 250
Baked Potato	1 medium ..... 100
Green Peas	1-2 cup ..... 65
Tossed Green Salad — Lettuce, Endive, Romaine	1-1-3 cups ..... 20
Dietetic 1 Calorie Dressing	1 tablespoon ..... 1
Dietetic Vanilla Pudding (made with skim Milk)	1-2 cup ..... 30
with Dietetic Cherries	1-2 cup ..... 60
Skim Milk	8 ounces ..... 90
Tea or Coffee with Sweetening Tablet	as desired ..... 0
	616
Day's Total	1211

This is a series of daily diet menus incorporating the new dietetic foods introduced recently. The menus are nutritionally sound, doctor-approved, and planned to make dieting pleasant. The entire family will enjoy these same menus, but may wish to eat larger servings, or add bread and butter or other basic foods.

Hard of Hearing? Get the Facts About

## TRANSISTOR HEARING AIDS

"CAN I GET a-hearing aid powered by a single 'energy capsule'—with three transistors, instead of just one or two? . . . that can be worn in the hair? Can I get an aid I can wear so that NO ONE will know I am hard of hearing? A new FREE booklet, 'Facts About Transistor Hearing Aids,' by L. A. Watson, author of a 600-page text on hearing instruments and nationally known authority on hearing instruments, gives you the FACTS. It tells the truth about transistor hearing aids and will save you many hard earned dollars. DON'T BUY UNTIL YOU READ IT!—until you know what every hard-of-hearing person should know.

## Something New in EGG Goodness

Rich golden yolks! Thick, firm whites! Wonderful for breakfast or baking. Guaranteed top quality. They're produced on local farms by flocks especially fed on famous Purina Cage Chows for flavor and nutrition. And PURINA CAGE EGGS are rushed to you at the peak of goodness.

### H. G. ADAMS GROCERY

# Hens In Cages

... AN OPPORTUNITY FOR YOU!

Phelton Herrington, shown above with his two sons, says Purina Cage Layena is a "must" in his modern caged egg factory.

## PURINA...FOR BEST EGGS!

Mr. Herrington, first local man to have caged hens come into production, is using PURINA CAGE LAYENA, which was developed by Purina Research to produce a top quality egg and a long productive life for his caged hens.

FOR MORE INFORMATION, SEE YOUR LOCAL PURINA DEALER.

## FEED TALK

Proper feeding is more essential in hot dry weather. Don't neglect the necessary vitamins in feeding chickens and turkeys.

"Feed them the well-known tested and proven Superior RED CHAIN FEED"
