RANGER, TEXAS, WEDNESDAY, SEPTEMBER 16, 1953

PRICE FIVE CENTS No. 80

*The Best of Texas
is My Best*
**BETWEEN
US...**
James Lee

Next best thing to being born
wealthy as kings
is knowing someone who gets
discounts on things!

M. W. King's beautiful new drive-in out on U. S. Highway 80 east, just across the H. H. Vaughn's busy service station and Firestone supply firm, is scheduled to open next week. Looks as if the City of Cisco may go in to the gas business. Recently Cisco Gas Corp. offered to sell its facilities for \$150,000. Now the Lone Star Gas Co. also has made the Cisco city commission offer to sell its local distributing facilities for \$125,000. Purchase of the two firms, if approved by the voters there, would necessitate a bond issue of about \$300,000, according to Mayor G. C. Rosenthal. It'll take Ranger Junior College's 1953 Rangers a few weeks to get hot, Assistant Coach Sam Allis told this reporter last night. Allis, who's mentoring the Purple and White backfield, says the system has been completely changed this fall and even veteran campaigners of last season's Pioneer Conference machine are having to re-adapt themselves to a brand new style of play. RJC is running off the famed Oklahoma split-T. Allis personally conferred with OU's Bud Wilkerson and the Sooner mentor gave him a number of dandy rinky-dinks. In addition, Allis has confabbed with Breck's crafty Joe Kerbel, who also employs the split-T. The big Ranger backfield coach, an ex-pro star himself, is working his RJC backs hard and long this week - four solid hours, from 2 until 6 p. m. daily - to get them in trim. For the benefit of interested fans: The RJC squad will scrimmage at Bulldog Stadium under the area Thursday night. Go out and have a look-see. The Rangers, of course, play their initial home encounter of the year here Saturday night against the Allen Academy Ramblers. We'll pass along plenty of dope about them tomorrow. New definition of a skeleton: Stripteaser who's overdone it. A small boy was playing in his back yard. He ran into the house and shouted: "Mother, come and look what I found! There's a peach on the switch tree!" If you're a veteran yet unaffiliated with a service men's organization, Post Commander Don Butler and other members invite you to join the Carl Barnes post of the American Legion. The post has launched a drive to swell its membership roll. They'll meet Thursday night at 8 at the Legion Hall in downtown Ranger. Orchids to Dave McMeekin of D&D Sign Service for the job on the Quarterbacks scoreboard out at Bulldog Stadium. Dave handled the neon installation. And, of course, he's one of the city's red-hot grid fans. Congratulations to Purl Hunt on the opening of his new Sinclair Service Station. Drive in and say "Howdy!"

A hustling insurance agent got fired the other day. He talked a customer to death after selling him a life insurance policy. How changeable are your opinions? That's an interesting question today, because Mr. and Mrs. Average Citizen, although probably unaware of it, have been participating in another revolution during the last 20 years. At least, that's the highly interesting eye-opening report published (Continued on Page Four)

Acker Passes Navy Physical
Acker Everett, 1953 graduate of Ranger High School and son of Mr. and Mrs. R. C. Everett, passed his physical examination for the U. S. Navy Tuesday. Young Everett is due to report for induction on Oct. 15 after which he'll begin his boat training. He plans to study chemistry.

SEE DON PIERSON—Olds - Cadillac Before You Trade Eastland

Hunt Announces Opening of New Service Station

Purl Hunt, one of Ranger's veteran service station operators, today announces the opening of his new Sinclair Service Station, located at U. S. Highway 80 east and Tiffin Road.

Hunt's new auto service center, featuring famous Sinclair gasolines and petroleum products, will offer patrons fast, friendly service. In addition to the sale of Sinclair high quality motor fuels, oils and lubricants, Hunt also is dealer for famous Goodyear tires and tubes, one of the nation's top brands in rubber. He's also handling a line of accessories for the convenience of local motorists.

Hunt, long experienced in every phase of service station operation, announces that expert washing and lubrication will be featured, and Ranger automobile owners can rely on him and his friendly attendants to render top service.

Forty Attend Masonic Meet Tuesday Night

Approximately 40 local and visiting Masons were in Ranger Tuesday night for the monthly session of the Master Wardens' & Secretaries' Assn. of the 73rd Masonic District.

The called session, held at the Masonic Hall in downtown Ranger, was presided over by Mr. Childhood of Rising Star, head of the district group.

'Allan Gibbs
Expected to bolster Coach Dick (Chub) Henderson's RJC Ranger's forward wall this fall is Allan Blaine Gibbs, 18-year-old wheelhorse from Newcastle.

Gibbs, who was born in Olney but moved to Newcastle with his parents as a pre-schooler, played tackle on the District 10-A Newcastle eleven, coached by Robert Shelton, last fall.

The 181-pound line star won all-district honors for his stellar play as a tackle for Newcastle during the 1952 campaign.

He's 5 feet 9 inches tall, has blue eyes and brown hair.

RECEIVES DEATH THREAT—Rita Hayworth and her two children, Yasmin, left, and Rebecca are under guard in a Las Vegas hotel following the girls' hurried flight from Los Angeles Monday night. The glamorous movie star has received two letters threatening her and her daughters with death if she did not agree to reconciliation with former husband Aly Kahn and father of Yasmin.

Fiery Speech at Abilene 'GET TOUGH WITH COMMIES' URGES REP. OMAR BURLESON

Get tough with the Communies! Powder and steel should be kept up to the United States position at the conference table when talking to the Reds.

That's the opinion expressed by U. S. Congressman Omar Burleson of Anson, representing Eastland and 11 other 17th District counties at a meeting of the Veterans of Foreign Wars in Abilene Tuesday night.

Burleson stated his position of armed strength to gain justice at the coming peace conference for Korea in a speech that dealt heavily with foreign conditions and the U. S. foreign policy.

THREE MEN CHARGED IN BRECK THEFT

The spectacular robbery of the gate receipts of the Breckenridge-Graham football game at Breckenridge last Friday night appeared near solution early today.

Breck Police Chief Ollie Jackson, Ranger Jim Riddle and Deputy Sheriff Al Ramsey of Stephens County, working tirelessly on the baffling case, have charged three men who live near Fort Worth with the crime and they're due to be picked up today.

Deputy Sheriff Ramsey said the men live near Fort Worth and that one of the trio is an ex-convict and officers also believe that another of the alleged bandits also has a prison record.

Pictures of the three men have been secured. They are at the sheriff's office in Breckenridge for people to see and determine if they could be positively identified as being at the football game with Graham Friday night.

Names of the three were not released by Ramsey pending their arrest.

Resort Citizens Favored Over Ranger Friday

The Mineral Wells Mountaineers rated eighth in state class AA circles this week, are favored over the Ranger High Bulldogs when the two eleven-man squads clash in Memorial Stadium in the Resort City Friday night in a non-conference encounter.

The stars, who boast a sizzling ground attack master-minded by crafty Pete Roach, opened their 1953 campaign at Hillsboro last Friday night, knocking off the highly touted Eagles, 20-7.

The Resort Citizens scored all three of their victory-winning TDs in the initial period of play. The Mountaineers boast one of their greatest backfields in several seasons—all four seniors and all veteran campaigners in carrying the mail off the T.

The secondary axes are Sammy Cardwell, 149-pounder at quarter; Don Barre, 135, and Frankie Peavers, 150, at the halves; and Cleve Thomas, 160, at the full-back spot.

All are crafty ball-carriers and blockers.

Peavers is an ace punter. Against Hillsboro, he put off two beauts—one for 46, another for 55 yards.

Word from the Wells war camp today indicates that Coach Roach is brushing up his lads on their aerial attack. The Rams looked weak in the passing department against Hillsboro last week, completing only 2 of 13 passes for a meager 15 yards. But they were torrid on their ground maneuvers off the T, unrelenting in their effort to gain off deceptive ball-handling.

They rolled up an impressive total of 222 yards rushing against the favored Eagles. The defensive power is revealed in game figures which show that the rock-ribbed Resort City wall was hard to penetrate. The Eagles made only 76 yards ground-wise last Friday night.

On defense, Coach Roach pulls out all but three of his offensive string and sends in eight fresh defenders.

The offensive line due to face Ranger Friday night: Royce Humphries, 145, left end; Tommy Patterson, 145, left tackle; Charles Garland, 165, left guard; Precise Scott, 160, center; Jerry Eichler, 165, right guard; Jackie Wampler, 200, right tackle; and Carl Knight, 205, right end.

Several hundred Ranger fans are expected to follow Coaches Warden and Boone Yarbrough's Maroon & White Bulldogs eleven to Mineral Wells Friday night.

Three County Backs On Area TD Scoring List

Three Eastland County schoolboy gridgers appeared today on a list of 25 top area scorers tabulated following the opening of the 1953 high school pep season last weekend.

The list is led by Billy Denny, dandy Preck back, who scored four touchdowns and booted three extra points to pile up an enviable total of 27 points.

Post Meets Thursday Night

Ranger Legion Drives To Boost Membership

Commander Don Butler, newly installed head of the Carl Barnes Post No. 69, American Legion, announced this morning that a membership campaign, launched last week to secure new members for the veterans' organization, is progressing "highly satisfactorily" and that many names already have been added to the list of the group.

The A. L. leader said that there'll be a meeting of the post Thursday night at the American Legion hall at 7:30 o'clock and further plans for continuance of the drive will be mapped at that time.

All members, he said, are urged to attend the meeting.

"After more than 20 years a new administration is in power," the Carl Barnes veteran leader declared, "it has sworn to effect economies in government, and it means business! Every drop of water is being wrung from appropriation requests to find a surplus to cut taxes. Every item is being screened on the basis of necessity, not of mere desirability, and funds for the care of veterans are getting a rough going over."

"Living costs are still soaring, yet, most price controls have been removed in the hope that free enterprise will bring normal levels. Nothing needed by veterans and their dependents will come easily. The heroes of yesterday are again under the guns of economy! Ridiculous assertions are being made by 'economists' in the Halls of Congress where statesmen forget that veterans merely fight wars—see what will happen, and we shall need all possible aid to meet any emergency."

"For years, we've had to fight to keep veterans from being placed under social welfare legislation, and that battle is still on. Existing laws are being thrifted by withholding the money to make them effective—repeat by indirect and under-handed methods. That's what we are facing now! Regardless of need for new legislation and amendments to old laws, prospects look bad. Billions of dollars are being spent to help old enemies while veterans are suffering."

VFW Auxiliary Monthly Meet Set Thursday

The women's auxiliary of the Ranger post of the Veterans of Foreign Wars will meet at the VFW Hall in downtown Ranger tomorrow — Thursday — night at 8 o'clock. Mrs. Oleta Kelly, president, announced today.

The Thursday night session will be the regular monthly meeting of the women's unit of the service men's group and highly important business is due to be transacted.

All members are urged to be present, Mrs. Kelly said.

Ranger Woman's Father Passes in Tennessee

Word has been received here of the death of S. B. Parsons, 71, Unionville, Tenn., Tuesday night. He was the father of Mrs. C. B. Otten of Ranger.

Funeral services for Mr. Parsons, who was 86 years of age on Sept. 4, will be held Thursday afternoon at Crowell Chapel, Tenn.

Grand Jury Is Now In Session

The Eastland County Grand Jury was impaneled today, and that inquisitorial body is now working. Several known cases will come up during this term and possibly others that are not known at this time.

Grand Jurors are A. J. Blevins, Victor Cornelius and E. E. Freyschlag all of Eastland; C. M. Cox, Geo. Steel, Oral Davis and Hulin Erwin of Rising Star; I. S. Echols of Gorman; T. C. Cozart, Nimrod; R. D. Boland, Sr. and Gene Emsley, Cisco, and F. P. Brasher, Ranger.

The American Automobile Association estimates that owners and operators of the nation's 43,000,000 passenger cars spend about \$10,000,000,000 annually to keep them going.

set-backs. Hospitals are being closed, treatment denied, and compensation and pension payments are under fire. We can not permit this to continue.

EASTLAND IS PERMANENTLY DROPPED FROM FEDERAL DROUGHT AID PROGRAM

News that the federal government Tuesday dropped 116 Texas counties — including Eastland and all neighboring counties — altogether from the emergency drought aid program was a "surprise" to the head of the State Drought Disaster Relief Committee at Victoria.

The announcement from the Agriculture Department in Washington leaves cattlemen of only 48 West Texas counties — out of an original 164 counties — eligible to buy surplus livestock feed at reduced prices.

"It's a surprise to me," Claude McCan, head of the state committee, said. "I'd rather not comment until I learn more about it. I've received an official notice what ever from Washington."

Counties removed from the designated drought area included Eastland and these other counties: Aransas, Archer, Armstrong, Atascosa, Bailey, Bandera, Baylor, Bee, Bexar, Blanco, Bosque, Briscoe, Brooks, Brown, Burnet, Callahan, Cameron, Carson, Castro, Childress, Clay, Coleman, Collins, Childress, Clay, Coleman, Collingsworth, Cochran, Comal, Concho, Cooke, Coryell, Cottle, Dallam, Deaf Smith, DeWitt, Dimmit, Donley, Duval, Erath, Floyd, Foard, Frio, Gillespie, Gray, Hale, Hall, Hamilton, Hansford, Hardeman, Hartley, Haskell, Hemphill, Hidalgo, Hockley, Hood, Hutchinson, Jack, Jim Hogg, Jim Wells, Johnson, Jones, Karnes, Kendall, Kennedy, Kerr, King, Kleberg, Knox, Lamb, Lampasas, Laclede, Lipscomb, Live Oak, Llano, Mason, Maverick, Medina, Mills, Moore, Montague, Motley, Nueces, Ochiltree, Oldham, Palo Pinto, Parker, Pecos, Potter, Randall, Real, Roberts, Runnels, San Patricio, San Saba, Shackelford, Sherman, Somervell, Starr, Stephens, Stoneham, Sutherland, Tarrant, Taylor, Throckmorton, Uvalde, Webb, Wheeler, Wichita, Wilbarger, Willacy, Wilson, Wise, Young, Zapata and Zavala.

Fair and Warmer Weather Slated For County Area

Continued fair — and warmer. And continued dry. The outlook for the Eastland County vicinity for today and Thursday, according to the U. S. Weather Bureau.

Maximum mercury readings both days are expected to hike the temperature in the afternoon up to 95 degrees or better, weather men predicted.

The low for tonight — in the 60s.

For North Central and West Texas, the Weather Bureau forecast calls for generally fair weather today and Thursday with an important temperature change.

Long Term

MOHAWK, N. Y. — Police Justice Fred N. Graves will try for another term in the November election, which hardly surprises residents of this Herkmer County. Graves, 47 years, has the office for 17 years.

Nominating Committee Is Elected At Home Demonstration Council

Mrs. J. S. Turner, Flatwood Club, Mrs. W. W. Crowell, Union Center, Mrs. W. D. Hazel, Lake Cisco, and Miss Willie Word of the Word Club were elected as the nominating committee, at the regular session of the Home Demonstration Council Friday afternoon, Sept. 11.

Mrs. H. C. Fridge, Pioneer, presided and heard reports from representatives of ten clubs and three of the council committees. The meeting was held in the county court room in Eastland with twenty-five club women and the two county Home Demonstration agents present.

Plans were made for the County Federation meeting, to be sponsored by the Home Demonstration group on Saturday, Sept. 19 at 2:30 p.m. at the Womens Club in Eastland.

Mrs. M. P. Farnsworth of Cisco, is chairman of the entertainment committee. Mrs. Bernard Campbell, Pleasant Hill, will have charge of the refreshments. A speaker is being secured for the

program.

Mrs. Bill Tucker gave a report and summary of her trip to the National Home Demonstration Council, which met in Boston, Mass., Aug. 29 through Sept. 3.

Patricia Moseley Celebrates First Birthday Sunday

Patricia Ann, daughter of Mr. and Mrs. Pat Moseley, route 2, Ranger, celebrated her first birthday Sunday, September 13.

Dinner guests in their home for the occasion were: Mr. and Mrs. B. L. Knight and Sharon of Winters; Mrs. Arvil Parr, Jerry, Marsha Ann and Christine, of Albany; Mrs. Howard Wade of Desdemona; and Mr. and Mrs. Fred Moseley, Randy and Elaine, Mrs. J. W. Moseley and Kenny, and the paternal grandparents, Mr. and Mrs. J. F. Moseley, all of Ranger.

Mr. and Mrs. G. O. Strong and Mrs. Roscoe Hopper spent Tuesday in Temple visiting relatives.

Plymouth Hy-Drive

Newest, smoothest, least expensive no-shift driving in low-price field

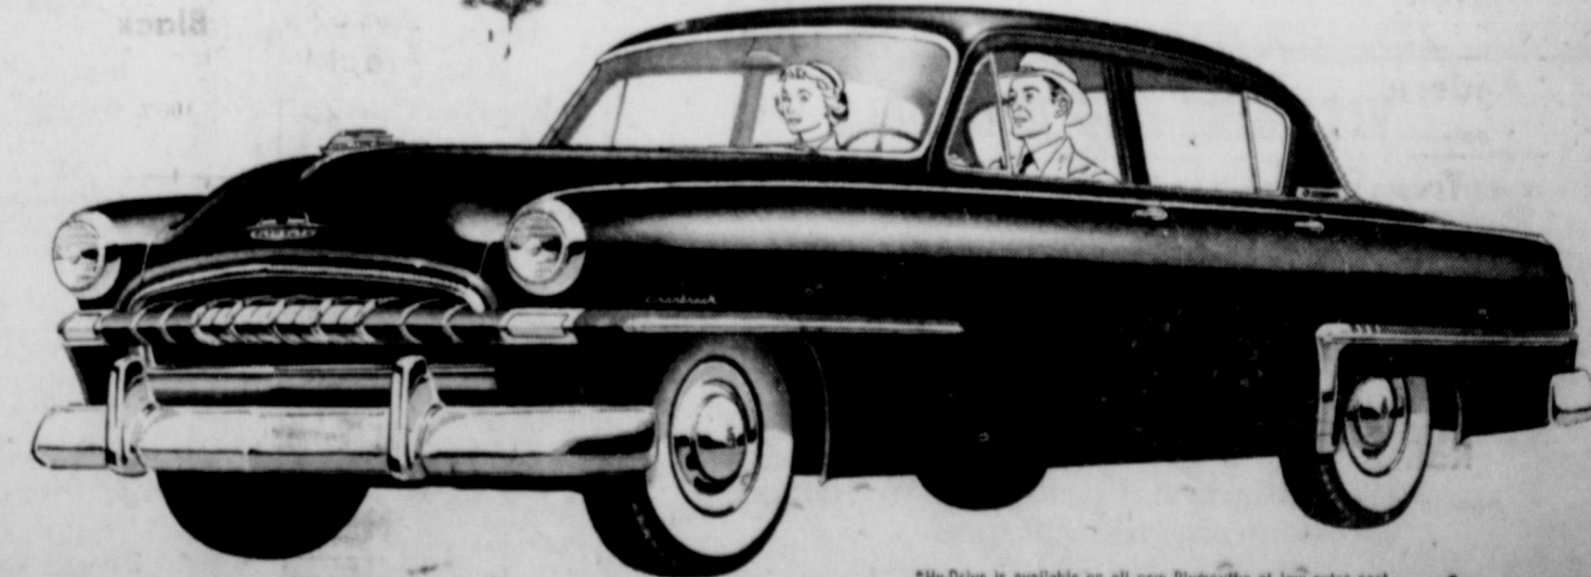

Thousands of motorists today are enjoying the spectacular performance of Plymouth Hy-Drive

"It saves me around 2 gallons of gas each day," says this rural mail carrier

"Vic" Hammer is a rural mail carrier out of Appleton, Wisconsin. He drives the same route every day. He has 400 boxes, which means lots of starting and stopping. He used to use between 5 and 6 gallons each day. Recently, Mr. Hammer purchased a new 1953 Plymouth equipped with Hy-Drive. He is now using between 3 1/2 and 4 gallons of gas a day on his route. "I think this is an amazing performance," Mr. Hammer says. "I'm saving around 2 gallons of gas for the route each day. And it's 100 per cent easier serving the route now that I no longer have to shift gears."

- It's Smooth** —one flowing motion! No noises, jerks or lurches in going from one speed to another. Your car can't up-shift or down-shift on you unexpectedly.
- It's Powerful** —for a fast, positive getaway. There's no racing of the engine to get started, no "winding up."
- It's Versatile** —holds your car without using the brakes while halting on a hill. You get good engine braking going downhill. You can use the clutch for more exact control in "rocking" out of mud or snow.
- It's Economical** —both in original cost and in upkeep. There's no complicated mechanism to get out of order or to adjust and maintain.

*Hy-Drive is available on all new Plymouths at low extra cost

Between Us ...

(Continued from Page 1)

ed in the October issue of a popular national magazine.

Most of us have been acutely aware of the transitions in politics and international affairs since the Great Depression, but few of us have stopped to think what great changes have also occurred in our opinions, in the way we have come to look at social customs, moral behavior and the trivia of daily living.

In 1935, expert polltakers Gallup, Roper and others began taking statistics on our changing opinions and judgments. Following is the report on the results of their research:

ON WOMEN SMOKERS AND DRINKERS:

In 1937—one in four of us objected to movie scenes of women smoking, and one third said heroines shouldn't be shown on the screen drinking.

Today—more than one half of all American women smoke.
ON MARRIED WOMEN WORKING:

In 1935—four out of five of us said that women with husbands capable of supporting them should shun all thoughts of a career.

Today—one married woman in every four is working.

ON THE IDEAL SIZE FAMILY:

In 1936—two children.

Today—four children.

ON ECONOMICS:

20 years ago—few of us felt that a young man with ambition and ability had an opportunity to rise in the world, buy a home and earn \$5000 a year. Businessmen were exceedingly unpopular. Sentiment for government ownership of railroads, banks, and electric power companies was high. Sympathy towards labor unions was strong.

Today—more than 70 per cent of us express highly optimistic views about a young man's chances to succeed. The majority of voters feel that businessmen are second only to religious leaders in doing the most good for the country. Favorable sentiment towards government control of public utilities, and the growth of labor unions, is low.

ON FOREIGN POLICY:

In 1938—most of us "tended to our own knitting." 67 per cent of us scorned the League of Nations. Today—we not only belong to United Nations, but we have sacrificed more than 25,000 lives in its behalf. From 1947, to date, we are hostile towards, and distrustful of Russia.

ON THE COMMUNIST PARTY:

Up to 1946—one in every four of us believed that most Americans who belonged to the Communist Party were loyal to the U. S., for members of the Communist Party rather than Russia. Nearly one fifth of us thought it was all right for members of the Communist Party to hold government jobs.

Today—We are anti-Communist.

ON HOW MUCH MONEY A FAMILY OF FOUR NEEDS TO GET ALONG ON:

In 1937—People said it took \$30.00 per week.

Today—\$70.00 per week.

Mrs. Dockery Is Circle Hostess

Members of Circle No. 3 of the WSCS of the First Methodist Church met at 3:30 Monday afternoon, September 14 in the home of Mrs. Lee Dockery.

Mrs. Stanley McAnelly, circle chairman, presided over the short business meeting. Minutes of the previous meeting were read by the secretary, Mrs. Archie Robinson.

Plans were made for serving the Methodist Men's Club on September 30. Reports were made by officers.

Mrs. James Ratliff had charge of the council program entitled "Abundant Life for Rural People". Mrs. McAnelly led in prayer, after which a large number of sick visits were reported.

Mrs. M. L. King discussed "Jesus' Appreciations of Rural People". Mrs. A. J. Ratliff gave a discourse on "Taking Help To Places of Greatest Need". Mrs. James Ratliff gave an explanation of the subjects in her previous talk.

The devotional was given by Mrs. M. H. Hagaman entitled "Proclaim the Good News" using the fifth chapter of 2nd Corinthians and the sixth Psalm.

A social hour was enjoyed by the large crowd present.

Today—more than 70 per cent of us express highly optimistic views about a young man's chances to succeed. The majority of voters feel that businessmen are second only to religious leaders in doing the most good for the country. Favorable sentiment towards government control of public utilities, and the growth of labor unions, is low.

In 1937—People said it took \$30.00 per week.

Today—\$70.00 per week.

Power of Jesus Perkins' Topic For Tonight

The mid-week prayer meeting at the First Baptist Church will begin at 7:30 this evening following the officers' and teachers' meeting. The pastor will discuss the power of Jesus when unimpeded in the life of a loyal Christian. The ninth chapter of the book of Acts will furnish the basis for the study.

This prayer service and Bible study is one of the important spiritual centers in the life of any church. One has said, "Jesus doesn't have just a Sunday program, but a full-time, seven-day program." It should be the aim and desire of every Christian to be found faithful at all times and under all conditions. Christian people should be the greatest missionaries to be found anywhere and should be found everywhere preaching the gospel.

Everyone is invited to attend his fine service tonight in the lower auditorium of the church. Choir practice will follow the Bible study period.

Faith SS Class To Meet Thurs.

Members of the Faith Sunday School Class of the First Baptist Church will meet at 7:30 p.m. Thursday, Sept. 17 in the home of Mrs. Letta Smith for a social and business meeting.

All members and associate members are asked to be present.

Mrs. Blanche Murray had as weekend guests her daughter and family, Mr. and Mrs. William Rawland, of Cleburne. Another daughter, Mrs. Bob Hickey, Jackie and Jill, of Mineral Wells, visited Mrs. Murray Saturday.

Curly Fox And Miss Texas Ruby At Prison Rodeo

Top billing as featured guest entertainers at the opening day activities of the 22nd Annual Prison Rodeo at Huntsville Sunday, October 4th, goes to Curly Fox and Miss Texas Ruby, outstanding Western musicians from Houston.

Curly, Miss Ruby, and their band of musicians and entertainers are heard regularly on Houston Radio Station KPRC and are seen weekly on KPRC-TV. Curly plays the fiddle and has won the title of "World's Champion Old-time Fiddler", while Texas Ruby is especially noted for the flexibility of her voice which enables her to sing in many audience pleasing styles. She is rated as one of the nation's top folk singers.

In addition to these two widely known musical stars there will be a host of other musicians—all inmates—providing accompaniment for all acts and events for all four of the rodeo's series of performances each October Sunday. All over the Texas Prison System musicians are building up their lips, polishing their horns, rearing their bows and doing whatever else is necessary to put a musical instrument in playing order. Four different units of the system will furnish bands; and a number of others have sent musicians to the

main unit at Huntsville to augment existing musical groups.

A thirty-piece Military Band; a seven-piece instrumental group from the women's unit, Goree Farm, plus string bands from the "Walls", Ramsey, and Eastham Farms will swell the total of musicians playing for the rodeo to nearly 60 pieces this year.

Plenty of specialty acts that include the names of the best performers to be found playing the summer rodeo circuits, a parade
