"I have brought you a Red Cross nurse," announced the doctor.
"Take her back," said Heav-

Randy Steffen, the Cisco artist, is one of several who says there are still a few panthers left in these parts. Steffen says he's seen signs of the cats in the canyon near Cisco. . . . An average of 200,000 words—books, magazines, pictures, etc.—are deposited annually in the Copyright Office in Washington. Only one in every 8,000 ever gets into the courts in infringement suits. . . . Lew Fuston of Strawn has purchased the charred remains of the community's Big Theater which was destroyed by fire several weeks ago. . . . A membership drive for the newly-organized Parent-Teachers Assn. unit at Mingo is underway with two teams headed by Mrs. Ollie Custer, Mrs. A. C. Harmon, Miss Vivian Choate and Ruth Conner. Mrs. Clarence Hamilton is president of the new PTA group, and Mrs. Lizzie Lenzi is secretary-treasurer. . . . That handsome sign which adorns the building of the Ranger Lumber & Supply down on Commerce Street is another piece of Jack Williams' lefty art. . . . William Preslar, eight-year-old son of Mr. and Mrs. W. Preslar of Cisco, has been admitted to the Scottish Rite hospital for Crippled Children in Dallas. . . . We hope that the Ranger City commission doesn't get ideas. The parking meter fee in Dallas is being hiked to a dime. . . . John J. McClay said: "Humility leads to strength and not to weakness. It is the highest form of self-respect to admit mistakes and to make amends for them."

A traveling salesman had just purchased the last Pullman reservation and was leaving the ticket window.
Suddenly an elderly lady rushed up and cried, "I have to get on that train! It's a matter of life and death."
Always a gallant guy, the salesman turned his tickets over to the distraught woman.
That night his wife received this telegram: "Delayed unavoidably. Have just given berth to old lady."

The three-job wife here in Eastland County and over the nation is here to stay. In her role she is mother, wife and working woman. Including hundreds in the Eastland County area, there are ten million married women working in the United States today—about 55 per cent of all working women.
Woman power, however, is no modern inspiration, Stella B. Applebaum points out in her study on working wives and mothers, just issued by the Public Affairs Com.

The Gorman Panthers put in an early bid for the coveted District 13-B schoolboy grid title at Strawn Friday night when they overpowered Coach Joe Van Breeman's Strawn High Greyhounds, 20 to 0.
It was the Panthers' second consecutive win of the newly-opened season. They whammed the Carbon Wolverines, 26-12, last week in their 13-B opener.
The Panthers, operating off the almost-atomic single wing, struck pay dirt in the first, second and final quarters.
Both points after touchdown—in the initial and fourth periods—were added on line plunges by Robert Rankin, 168-pound fullback.
The Panthers opened the tilt with a 60-yard payoff drive which began with the opening kickoff. Rankin and Halfback Freddie Welch sparked the push with Rankin hammering over from the 7.
The Panthers' second score was cashed on a 65-yard run off a reverse in the second quarter. Quarterback Max Pierce beautifully paced the distance. The line smash attempt for the point was nailed at the line of scrimmage.
Failing to count in the third, the Gormanites came back in the fourth with a 70-yard stab which was capped with a touchdown plunge of four yards by Welch from the four.
The losing Strawnites threatened seriously only twice.
In the third period the Greyhounds powered down to the Gorman 4, but lost on downs when they were unable to break through the stout Panther defense.
One of the most spectacular plays of the night was unrevealed by Tadeo Turner, 155-pound Strawn fullback, who took off on his own 2, broke loose and looked like a scorer sure until he was shoe-strangled on the 50. He zipped off a delayed buck.
Other Strawnites looking sharp during the night's play — Eddie Morris, 160-pound left half, and defensive standouts, Joe Flinn, Larry Pruitt and Pete Galik.

Dem. Demonstration Of Deere Rig Is Set for Monday

in Mineral Wells in a schoolboy grid duel loaded with thrills.
The nip-and-tuck contest was knotted at 7-7 at halftime, but the 7-A battling Bulldogs lost the thrill-packed hair-raiser 2 minutes and 30 seconds deep in the third quarter when Halfback Charlie Bond, speedy 140-pound Mountaineer leather-lugger, flashily threaded his way through the Maroon & White defense for 89 yards and a touchdown. Fullback Cleve Thomas rolled the point from placement to boost the final, 14-7.
Then the verdict became final in the fourth quarter when Ranger Halfback Bill Browning's talented toe failed for the first time this season on a conversion kick after the Bulldogs had ripped 55 slashing yards for their second and final touchdown. It was Browning's point-after-touchdown accuracy which gave the Bulldogs their initial victory, a 28-27 triumph, over the Double A Colorado City Wolves here a week ago in the Wardenmen's 1953 opener.
A minute and a half before the end of the first quarter, the Bulldogs pounded downfield 54 yards to the Mountaineer 1-yard stripe, and then fleet Charles Massegee, Ranger halfback and leading ground-gainer of the night, piled through center to score. Browning's boot for the point was perfect.
The Maroon & Whites set up the pay play from their own 45. Massegee knifed through right tackle for a six-yard pickup to the 49. Browning circled right end to the 48. Fullback Jim Littlefield ripped through center for a five-yard pickup and a 7-foot down on the Mineral Wells 43. Massegee was driven out of bounds on the 26 on an end sweep. Browning picked up two through center to the 34. Quarterback Scott Forney rammed through right guard to the 30 and another first down. Massegee unreeled a dazzling 23-yard sprint around left end for another first on the Mountaineer 7. Littlefield rammed over center for a six-yard pickup to the 1, and then the Bulldogs cashed in for the first score of the night.
During the dying minutes of that quarter, the Mountaineers struck back, initiating a scoring drive from their own 21.
And six plays later, highlighted by a 41-yard gallop around left end by Fullback Cleve Thomas and eight and four-yard pickup by Halfback Bond and his mate, Frank Beavers, Mineral Wells Don Burris faded and shot a 40-yard TD pitch to Carl Knight, right end. Thomas annexed the point.
Starting the second half, only

one minute and 20 seconds left. Fourth down. Another heave to the right wingman was too long. It was batted into Hinds arms but he was out-of-bounds.
Mineral Wells took over on the 43. Beavers picked up one to the 44, then Bond fumbled and Ranger recovered on the 50.
Thirty-six seconds to go. Forney tried a pass to End Mendoza. It failed. Then he hit Chieco on the 43 for a 7-yard gain as the final gun sounded.
About 750 Ranger fans were on hand to witness the scrap.
The Maroon & White's ground attack was sizzling. The Bulldog leather-toters rolled up 265 net yards via the old terra firma and averaged 4.7 yards on 56 ground plays.
Browning carried 10 times for 41 and a 4.1 yards average. Littlefield, subbing for ailing Bill Brazet, piled up 51 yards on 9 tries for a 5.6 average; Massegee lugged the oval 16 times for 151 yards, averaging 9.4 per trip; Mendoza's end-around was pulled twice for 16, and Quarterback Forney, rushed on his passing, made 50 and lost 50 for a net of zero on 13 tries.
The stout Mountaineer defense chilled the Rangerites' aerial offensive. In the first quarter, shunker Forney was trapped twice, but he ran once for 4, later lost 11. In the second period, three rushes were incomplete, and he was trapped for a 6-yard loss, while completing two—one to Clyde for 9, the other for Mendoza for a 10-yard gain. In the third quarter on five attempts, Forney hit Hinds for 6 and Mendoza for 18. Put twice he was snared for losses behind the line. The Bulldogs made 11 yards via the air in the final quarter, but since the Ranger pitcher was nailed before he could get the throw away—and a deficit total of 28 yards.

Thirty-six seconds to go. Forney tried a pass to End Mendoza. It failed. Then he hit Chieco on the 43 for a 7-yard gain as the final gun sounded.
About 750 Ranger fans were on hand to witness the scrap.
The Maroon & White's ground attack was sizzling. The Bulldog leather-toters rolled up 265 net yards via the old terra firma and averaged 4.7 yards on 56 ground plays.
Browning carried 10 times for 41 and a 4.1 yards average. Littlefield, subbing for ailing Bill Brazet, piled up 51 yards on 9 tries for a 5.6 average; Massegee lugged the oval 16 times for 151 yards, averaging 9.4 per trip; Mendoza's end-around was pulled twice for 16, and Quarterback Forney, rushed on his passing, made 50 and lost 50 for a net of zero on 13 tries.
The stout Mountaineer defense chilled the Rangerites' aerial offensive. In the first quarter, shunker Forney was trapped twice, but he ran once for 4, later lost 11. In the second period, three rushes were incomplete, and he was trapped for a 6-yard loss, while completing two—one to Clyde for 9, the other for Mendoza for a 10-yard gain. In the third quarter on five attempts, Forney hit Hinds for 6 and Mendoza for 18. Put twice he was snared for losses behind the line. The Bulldogs made 11 yards via the air in the final quarter, but since the Ranger pitcher was nailed before he could get the throw away—and a deficit total of 28 yards.

Mineral Wells took over on the 43. Beavers picked up one to the 44, then Bond fumbled and Ranger recovered on the 50.

Dr. Price Ashton To Speak At First Christian Sunday Monday

In the absence of the pastor, who is conducting a Revival for the First Christian church in Greengton, Texas, the congregation of the Ranger First Christian church will have the special privilege of hearing Dr. Price Ashton, President of the Ranger Junior College, at this morning's 11:00 a.m. Worship and Communion Service. Dr. Ashton has already gained a considerable reputation in Ranger as an able educator, inspirational speaker, and an outstanding Christian layman. The special music for this morning's service will be provided for by Mrs. Fred Steffy, band director at the local high school and junior college. It is with pride that the First Christian church extends to the entire community the invitation to worship in message and song at today's very special service.

BTU Sponsors Training Union New Members

The Training Union Department of the First Baptist Church, under the leadership of Walter Arterburn, is sponsoring a training class for new members being added to the church. The class will meet in the lower auditorium Sunday evening at 6:30.

The Training Union being interested in the training and growth of the membership of the church is conducting classes for those who join the church by letter or upon profession of faith and baptism. The series of studies will be Bible centered and will deal with the beliefs, customs, practice, ordinances, etc. and will be based upon the teachings of God's word.

Some six Sunday nights will be used and at the close of this time the members will be enrolled in Training Union. Those who have united with the church during the past three months should attend and any member who so desires.

The pastor will teach the class and will give general direction to the supervision of study. Those attending will learn how to read and to study the Bible. The power of daily prayer and what the Bible has to say about the prayer life of Jesus. This will be both the Scriptural authority as to what the Bible says and will be practical because all of God's word is useable each day.

Visitors are welcome to attend

Bro. Mansfield's Sermon Topics Are Announced

South Rusk Street Church of Christ announcements:

The Church of Christ meeting at 225 South Rusk Street announces the following assemblies: Sunday morning at 9:45 classes begin for all ages; at 10:45 assembly for worship begins; Sunday evening at 7:30, the regular Lord's Day evening assembly for worship; Wednesday morning at 10:00 the ladies meet for Bible study; Wednesday evening at 7:30 assembly for songs, prayers and Bible study begins. You shall be warmly welcomed at each of these announced times.

The sermon subject for this Sunday morning shall be "When Two Worlds Collide." Men who are supposed to know tell us that we are living in an age of "frustration." Whether this is any more an age of frustration than any of the past may be debatable; but some of the "causes" of what is described as "frustration" are well known. The Bible being the only infallible guide available to man, it is certainly timely that we consult it when faced with the problems that are common to man.

Pastor Issues Welcome For Second Baptist

Rev. D. D. Brian will deliver two inspirational sermons at the Second Baptist Church in Ranger Sunday.

The pastor is scheduled to bring the morning message during the 11 a.m. worship hour, and again he'll preach during the evening services beginning at 8 p.m.

The growing Sunday School of the friendly Second Baptist Church features classes for children and adults of all ages, and Eddie Squyres, superintendent, extends all a most hearty welcome. Sunday school begins at 9:45 a.m.

Also for the convenience of church-goers with infants and small tots, the church maintains a nursery to care for their youngsters while they enjoy worship in the recently air-conditioned auditorium.

A new public address system also has been installed in the auditorium of the Second Baptist Church making it possible for el-

derly and hard-of-hearing folk to clearly hear the gospel messages and the beautiful singing of the choir.

Baptist Training Union groups meet at the church Sunday night at 8 o'clock. Bill Hood is director.

Rev. Brian will preach during the mid-week prayer services to be held next Wednesday evening, Sept. 23, at 8 p.m.

"We cordially invite everyone to come and worship with us and to enjoy the loving fellowship of our growing church," says the pastor. "We look forward to meeting new families and making them feel warmly and cordially welcome in our midst."

The pastor and superintendents met Thursday night and made departmental plans for the coming year. Eight new Sunday School Classes will be formed for the coming year, and each department will have its assembly programs.

W.M.U. meets Monday at 2:45 p.m. and will have Royal Service program, all ladies are urged to come to this meeting. The best workers in any church are informed workers. W. M. U. not only teaches but things that are learned are put into action.

Child Welfare Club Will Meet Next Wednesday

"In the pioneer days women worked side by side with their husbands when the home was the chief center of production. Today they have followed the movement of many of their home activities into factories, laundries, offices, schools, hospitals and other institutions."

Women are now doing everything under the sun. The great potential of woman power in industry was first fully uncovered by industry in World War I and many women who went into war industry then continued. The same has been true after World War II.

The study made by Miss Applebaum shows that the average age of the woman worker today is about 37, whereas "over-35"

SUNDAY THOUGHT
The most lovable and livable quality that any human being can possess is tolerance. Tolerance is the vision that enables us to see things from another person's point of view. It is the generosity that concedes to others the right to their own opinions and their own peculiarities. It is the bigness that enables us to want those we love to be happy in their own way instead of ours. As we always big enough to be tolerant?

Special Messages To Be Offered By Rev. Ralph Perkins Sunday

Two special messages will be delivered by Rev. Ralph E. Perkins, pastor of the First Baptist Church, at the worship hours on Sunday. These messages will coincide with the program of "A Million More in '54", and will be of extreme importance in the church plans for another year. The Sunday School and Training Union departments are vitally concerned with the program and with the organizational set up for the new church year.

Sunday school assemblies will begin at 9:45 in their respective departments. The teaching of the Bible lesson will begin at 10:05. Sunday school materials are graded according to age levels up to the Young People's Department.

There will be special music at the morning worship hour. Mr. Bullock will direct the music the next three Sundays. Congregational singing at the evening hour is an enjoyable period for every one who loves gospel music.

The Training Union Department is enjoying a wonderful study in

over Wichita, Villanova over Ga., Wake Forest over Wm. & Mary, and Washington over Colo. Not too strong, though, on Arizona, Utah State over Villanova. Will see
