Ranger Public Schools System opened the official 1963-64 school year Tuesday morning, September 3. Buses made their first regular runs of the season.

At Hodges Oak Park, Young Elementary, Ranger High School, and Bobo Kindergarten, it was a busy day. Several changes have been made in the roster of teachers and G. B. Rush, superintendent of schools, said a complete report on the number of students, subjects, and names of teachers at each school would be released this week.

R. D. Ables Completes Naval Course

R. D. Ables, son of H. C. Ables of 305 N. Daugherty, Eastland, recently completed basic training at the Naval Training Center, San Diego, Calif., graduating at the weekly Recruit Brigade Review involving some 3,000 men.

The intensive nine weeks training includes naval orientation; history and organization; military law, seamanship and shipboard routines; ordnance, gunnery and damage control; sentry duty, military drill and physical fitness; swimming, first aid and survival.

During their training period recruits receive tests and interviews which determine their future assignments in the Navy. Upon completing the program they are assigned to service schools for technical instruction or to ships or shore stations for on-the-job training in a Navy rating specialty.

Naval training produces the power in seapower by supplying qualified personnel to man the ships, aircraft, and shore stations of today's Navy.

ed in the plans was the much needed rain.

The rain that started Friday put all the previous well laid plans on skids and the completely ruled it out.

There has been no change in the schedule of events. The entrants have been high and continue to come in with the extra week that was brought on by the rain.

The girls will compete in the barrel race, soda pop race, flag race, wild cow milking, and bull riding.

Much action and a good show will be in store for those who will be attending the first annual all womans rodeo, is the report from the Jaycees.

BLINDFOLDED

Mister X to Tour County This Saturday

Saturday's "Mister X" Day in Eastland County. The man with the blindfold will be "driving" into your town on that day, and you'll want to be on hand to see how he does it (or at least to guess how it's done).

At the wheel of a sleek new convertible, he's due to arrive in Desdemona at 9:30 a. m.; Gorman at 10:30; Carbon at 11; Rising Star at 11:30; Cisco at 2 p. m.; Eastland at 3 p. m.; Ranger at 4 p. m.; and Breckenridge at 5:30 p. m.

and Highway Patrolman Jack County Sheriff Lee Horn Thewhanger will administer the blinders — using powder puffs, adhesive tape, yards of material and a solid black hood.

The appearance of Mister X in your town is being sponsored by the Eastland Jaycees who will be traveling in

caravan with the Masked Marvel to advertise their forthcoming Peanut Bowl Festival, Saturday September 14, in Eastland.

The Festival will as usual feature a grid match between the Cisco and Ranger Junior college teams, a two-hour musical stage show, a giant downtown parade, a twirling contest, and an array of exhibits, including the latest national defense missiles, and weapons.

30 Traffic Violations Shown In August

Justice of the Peace, M. D. Underwood reported his August records show about 30 traffic violations were handled in his court.

Several other charges including hot checks etc. had come before him during the month. On the one inquest of the month, the death of Tommie Craven of Gorman was ruled accidental. Mr. Craven was fatally injured in a wreck near Gorman.

Six Jailed On Drunken Charges During August

The Ranger Police Department reported that during August six persons were jailed on drunken charges. Included was one local resident, two Olden residents, and three out of town residents.

Three persons were picked up on investigation. Two local juveniles were also taken before the county judge in Eastland.

Five auto accidents in the city limits were also recorded. Police Chief, Bill Ogden, reported a very quiet Labor Day weekend within the Ranger City limits.

Reserved Seats Placed On Sale

Bulldog fans have been offered reserved seats at \$5 each for the 1963 season, according to an announcement this week. The purchasers will have the privilege of parking their cars inside the parking lot area.

Those interested in the reserved seats were asked to call Mrs. Dewey Cor. Jr. Regular admission will be \$1 for adults and 25 cents for students.

The new concession stand will be in readiness for the opening game Friday night. It is being operated this year by the Ranger P-TA with Mrs. Felton Huff as concession chairman and Mrs. J. D. Johnson as P-TA president.

Cisco Plays In Ranger For High School Opener Friday

The football teams of Cisco and Ranger High Schools will meet at 8 p. m. Friday in Bulldog Stadium in Ranger for the new season's opening game for both elevens. A large crowd has been forecast for the contest.

Ranger, playing in District 1-A 10, has been picked by area sports writers to come in third this season behind Albany and Eastland. The Lobos, playing in 2-A 8, have been placed in the No. 1 spot for their district.

Although Cisco has been ruled a slight favorite for the opening game, a hard-fought battle is in prospect as both teams are in good shape for the opener. The two played a 12-to-12 tie in Cisco last year.

Coach Jack Duval, beginning his second year at the helm of the Bulldogs, listed his probable starting lineup as follows:

Ends — Jesse Renteria, 140, and Ronnie Hinds, 180. Tackles — David Sutton, 170, and Doug Browning, 190. Guards — Alec Garcia, 150, and Johnny Camacho, 160. Center — Richard Herweck, 165.

Quarterback — Johnny McGee, 175. Halfbacks — Jimmy Drennan, 140, and Lee Ausburne, 135. Fullback — Ray Newnham, 170.

Coach Duval said most of his men would do double duty as the squad was a little short on experienced men. His passer will be Quarterback McGee and the punter will be Tackle Browning.

Other Bulldogs due to see action are Ronnie Guesz, Larry Blackwell, David Dunson, Mike Landtroop, Kyge Edmonds, Alverino Garcia, Marcos Barbosa, L. H. Pounds, Jerry Warden, Jack Watson,

Terry Sutton, Bill Robinson, Polo Hernandez, Jerry Watson, Leroy Pearson, Richard Lebrecht, Johnny Parker, Walter Jacoby, David Speed and Phil Brown.

Coach Billy Bates of the Lobos listed his probable starters as follows:

Ends — David Waters, 145, and Robert Mitchell, 149, or C. B. Rust, 164. Tackles — Charles Stephenson, 162, and Richard Coats, 193, or Rust.

Guards — Gene Darr, 189, and Earl Carson, 188. Center — Ralph Lanham, 149.

Quarterback — Macon Strother, 157, or Anthony Strother, 144, or Bobby Smith, 149. Halfbacks — Danny Phipps, 179, and Nicky Lopez, 149. Fullback — Jimmy Brown, 149.

The quarterback will handle the passing, and punting will be done by Smith. Kicking off will be Johnny Tennyson,

198, tackle, or Tim Bennie, 183, tackle.

The Cisco defensive front line will be composed of Bill Adling, 162, Rust, Water, Brown, Coats and Danny Phipps. Linebackers will be Carson and Darr, backed up by Mitchell, Anthony Strother and Lopez.

Other Lobos due to see action are Bobby Rains, 199, tackle; Danny Clack, 150, halfback; Coy Miller, 145, end; J. B. Plumlee, 167, guard; Leon Birt 128, guard and linebacker; Gary Phipps, 164, guard and linebacker, and Jimmy Smith, 149, center.

Each team was expected to have about 30 men in uniform for the contest.

The bands of both schools will appear in half-time shows to add to the evening's program. Both schools will have their new pep squads and cheering sections in full action.

Ministerial Alliance Meets

The Ranger Ministerial Alliance will have breakfast and a business meeting at the Regal Cafe, Saturday, September 7 at 7:30 a. m.

END YOUR CONSTIPATION WORRIES

Now you can end your constipation worries once and for all. Put aside chemical laxatives, oils or bran-like roughage that may upset your system. Instead, take SERUTAN in a glass of water every day. SERUTAN is an all-vegetable laxative and that provides the proper moisture, bulk and peristaltic stimulation you may need as you grow older—to promote daily regularity. This is entirely different from chemical laxatives. Prove it to yourself. Take SERUTAN as directed for at least one week. You must be well on the road to daily regularity or your money back from the maker.

State Capital NEWS

AUSTIN — Texas Legislative Council, research agency for the Legislature, is in the curious position of being asked to take a close look at the ethical standards of its own boss.

Council, meeting in Austin, agreed on a proposed study of conflict of interest questions affecting State officials and employees. Gov. John Connally and Atty. Gen. Waggoner Carr suggested the study as a result of investigations into the private business affairs of former Railroad Commissioner W. J. Murray Jr.

A Travis County grand jury found Murray innocent of any violation of criminal laws during his terms of office. Carr observed in a later report that the Murray case raised "A serious question of a conflict of interest" between official duties and private interests.

Carr's report said Murray grossed \$1,700,000 during his 16 years on the Commission — most of it from oil and gas ventures. Attorney general commended "adequate laws" to control "any deviations from (ethical) standards."

Council will be responsible for conducting research and investigation of possible conflict of interest cases among all State officials — including the lawmakers themselves — with a view toward "improving our present codes of ethics."

Texas Municipal League will conduct a special one-day "institute" in Austin on August 5. It will be a cram course for Texas municipal officials on the new law limiting city annexations.

William Olson, attorney for the League, will moderate a question-and-answer program, followed by a panel discussion featuring Mayor James McCrocklin of Kingsville, City Manager H. P. Clifton of Abilene, Planning Director William Anderson of Corpus Christi, and Steve Matthews, executive director of the League.

New law takes effect on August 23. But a provision in the Act requires that annexations pending or initiated after March 15 (1963) must meet terms set out in the measure. Furthermore these in-the-works annexations must be completed by November 23 or

Texas merchants continue to operate at a high level of retail sales volume. Total retail sales show no dramatic increases. But the level for the first six months of this year is about two per cent over the 1962 January to June period.

According to the UT Bureau of Business Research Fort Worth and Austin are in the lead with increases of six per cent. Dallas is next with three per cent improvement, followed by San Antonio with plus one per cent.

Cities recording disappointing half-year sales were El Paso, minus one per cent, and Houston with no change from the 1962 averages.

Mrs. Saul Pearlstein had as Labor Day guests, her daughter and son-in-law, Mr. and Mrs. Martin Prager and twin daughters, Linda and Laura. Other guests were Mr. and Mrs. Louis Prager of New York.

Shrinks Hemorrhoids Without Surgery Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H®. A SAD STORY
FOR SALE

Behind many "For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.

We work with you to arrange for a loan that's as easy to handle as monthly rent.

Ranger Garden Club Begins Its Eighth Year

Ranger Garden Club begins its 1963-1964 activities Thursday evening, September 12, with a patio party in the garden of Mr. and Mrs. Joe Dennis.

Mrs. L. R. Gohlke, program chairman, announces that the yearbooks have gone to press and will be ready to issue at the first meeting. Among activities planned for the year are a flower arranging workshop and a flower show in November, a Christmas tour of homes, an iris show in April, and a brunch as the closing meeting in May at Lone Cedar Country Club.

Theme for the year is Making a Fresh Start, and the comprehensive study will be Landscape Design.

Members of the program committee, in addition to Mrs. Gohlke, are Mrs. L. H. Kay, Mrs. L. L. Bruce, and Mrs. Theodore Nicksick, Jr.

Work will continue on the highway beautification project at the intersection of Main Street and Highway 90. Ranger Garden Club won an award of \$125 from Sears Roebuck Company last year on the project. Members of the 1962-1963 civic committee of the club, composed of Mrs. Joe Jackson, president, Mrs. W. A. Lewis, Mrs. J. F. Killingsworth, Mrs. James Ratliff, and Mrs. Alvin Woody, worked with the Chamber of Commerce, city officials, and other interested citizens in preparing and caring for the

beds. Among the many townspeople who played an important part in initiating the project were Mr. and Mrs. J. E. Matthews, W. E. Herweck, L. H. Kay, W. A. Lewis, and James Ratliff. Garden Club members have alternated in watering the flowers and caring for the beds. Mrs. Joe Jackson is 1963-1964 civic chairman.

Ranger Garden Club, which is in its eighth year, was organized in November, 1956, as an outgrowth of a town meeting, sponsored by the 1920 Club, at which Mayor Tommy J. Vandergriff of Arlington spoke on community needs and betterment. Members of the 1920 Club sponsored the organization of the Ranger Garden Club, and Mrs. R. L. Hamrick, who was then president of the 1920 Club served as the first president of the newly formed garden club.

The Dorcas class of the First Baptist Church will have a covered dish lunch at the fellowship hall of the church Thursday, September 5, at 12:00.

Program Of Scripture At First Christian

A special service of dramatic Scripture reading will be presented this Sunday evening at the First Christian Church by a unique husband and wife team from Texas Christian University. They are called "The Lamplighters" and will give a program entitled "Witness The Light". It is God's witness to man through the centuries presented and brought to life with dramatic sound and lighting. The team, composed of Mr. and Mrs. Kenneth Jones, has toured the Northwest and the Pacific Coast presenting their programs in many Churches. They are highly recommended with the program of Scripture brought into reality through dramatic reading and special lighting effects.

The public is cordially invited to this program which will begin at 7:30 p. m. at the First Christian Church. A coffee hour will follow.

NEWSPAPERS ARE TOP SALESMEN

Television, like radio before it but to a far greater degree, has brought about major changes in the advertising picture. It has been an aggressive competitor with the other media, and its appetite for the advertising dollar, with the cost of producing even Grade B programs running to comparatively astronomical sums, seems insatiable.

But the power of the written word still gets top recognition.

An announcement from Sears, Roebuck and Company will interest those who like to read as well as to stare. Last year the figure was \$58 million, which represented 71.2 per cent of Sears' total retail media expense. The balance went to advertising through circulars, magazines, radio and television, and other media.

A spokesman tells the story: "This is tangible evidence of our continuing faith in the potency of newspaper advertising. From the day Sears opened its first retail store, the company has made greater and greater use of newspapers. It is obvious that Sears store managers continue to regard the newspaper as their major medium for more than historical reasons. Their evaluation is based on the day-to-day results in their stores."

Television advertising is a catch-as-catch-can affair — you have to be looking at the set at the moment and it's gone in an instant. Print is durable and the prospective buyer can scan and consider it at his leisure.

Rising Star News . . . Sandra Warlick Nominee For 4-H Gold Star Award

A Rising Star 4-H Club member, Sandra Warlick, daughter of Mr. and Mrs. Foy Warlick, is one of five contestants competing for the coveted title of Eastland County Gold Star Girl.

The award is given in recognition of outstanding achievement, leadership and contribution a member has made to the 4-H organization.

This year Sandra was visited by the three judges, Mrs. Clint McCain of the Flatwood Home Demonstration Club; Ben McKinnis of Eastland; and Joy Love, Gold Star Winner for 1962-63. They also

visited the four other contestants during last week's Eastland County Gold Star Girl Tour.

Winner of the award will be announced at the County Achievement Banquet to be held in October.

Other contestants visited were Nancy Justice of Carbon, Sharon Harbin of Eastland, Sandra Orms of Morton Valley and Ruby Wende of Nimrod.

Whether entering Rising Star from the east, west, north or south, one can see the new four ft. by four ft. signs inviting attendance to the Church of Christ. The new signs in black and white bordered in red were made and erected under the supervision of Herbert McDonald, minister.

Members of the Rising Star Band Parents Association will

hold a rummage and bake sale in the old City Drug building during Trades Day, Sept. 7. Purpose of the sale is to raise funds for the local band's support.

Committees in charge of prizes, street sales and other features are busy this week in anticipation of the Trades Day event.

Merchants who have previously participated in the event report good success.

Saturday's Trades Day will feature a Back To School theme and prizes will be awarded during the afternoon at scheduled hours.

The First Methodist Church has announced Oct. 13 as beginning of the fall revival that will continue through Oct. 20.

Dr. S. Wayne Reynolds, District Superintendent of the Cisco District, will conduct services each evening at 7 p. m., according to Rev. Milton Slayden, pastor.

The public is cordially invited to attend the services.

Rising Star High School graduates who will soon be leaving for colleges of their choice are the following: Don Donham, Baylor University; Jimmy Warfield and Gerald Green, Howard Payne College; Robert Foster, University of Texas; Kay Lewis, Mike Fisher, Kenneth Pittman, Ted Cawley, Charles Wade, Robert Morrow and Mr. and Mrs. Butch Butler, Cisco Junior College; Mr. and Mrs. Pat Agnew, Kenneth Nunnally and Tommy Alford, Abilene Christian College; Dick Morrow, Texas A&M; Gary Jones, Berl McKinnerney and Charles Carroll, Texas Tech; Cynthia Brown, Tarleton; and Linda Koonce, Texas Christian University.

Mrs. Billy Phillips, the former Gloria Jones, received her Master of Science degree from North Texas State University in August. The degree

"Back to Church Sunday" will be observed at the First Methodist Church Sunday, September 8.

Services will begin with Sunday School at 9:40 a. m., worship services at 10:0 a. m. and 7 p. m.

No. Because you want the coat, vest and pants to match. You buy 'em all at the same place.

Likewise, well planned personal and family and home and ear insurance should "match up"—should be bought of one agent.
