Abilene Reporter-News, daily and Sunday, \$16.50 per year; Daily only \$15.50 per year.

Subscribe for your favorite daily paper at The Beacon office.

Irick Teacherage To Be Sold

The trustees of the Lockney Rural High School district are this week announcing that the teacherage at the Irick school house will be sold at public auction on Saturday, October 28. Complete description of the teacherage is given elsewhere in this newspaper.

Supt. Sidney Reeves said also that the board would deed the old Irick school house to the Irick community with Jack Dollar, Wallace Allen and Melvin Potts as trustees of the building.

Liquor Charge Filed Friday

Charges of illegal sale of beer were filed against C. C. (Brownie) McDowell in county court at Floydada Friday of last week as the result of a raid on the local American Legion home here. Sheriff Leland Hart, Deputy Alton May with three state liquor enforcement officers made the raid and confiscated more than 20 cases of beer along with two slot machines, county officials said Wednesday.

Reports here are that some members of the Legion had purchased the beer for their own use in the hall under the assumption that such was legal. This is practiced by some organizations in other towns in the area, it was said. However County Attorney Enos Jones said this week that in his opinion the practice is a violation of the law. He also stated that Sheriff Leland Hart had received many complaints concerning the matter.

Trial of McDowell had not been set Wednesday, Judge G. C. Tubbs said.

Floyd Countians Awarded \$1,500

Jury in 108th District Court at Amarillo last week awarded \$1,500 for damages and personal injuries allegedly suffered by Burton Thornton, 55 years old, Floyd County ginmer, and Mrs. Thornton in an altercation at the Herring Hotel on the night of February 15, 1950.

Defendants in the suit were R. B. Thoreson, Gruver, and Wayne Sultor, Guyton, Okla.

Thornton's petition alleged that he and his wife were injured by Thoreson and Sultor in an unprovoked fight in the hallway outside the Herring Hotel's Old Tascosa.

In connection with the same incident, Thoreson was tried recently in 47th District Court and given 30 days in jail and a \$500 fine.

Floydada Soldier Reported Wounded

Cpl. Billie J. Sanders, whose address was given as Route 1, Floydada, Texas, was reported wounded in action in Korea in the latest Army casualty list.

Cpl. Sanders' father was given as Elmer D. Sanders of Paris as his next of kin. Information regarding his connections in Floyd County was unobtainable here.

Ralls Rabbits Are Opponents Of Longhorns Friday

The Ralls Jackrabbits will be opponents of the Lockney Longhorns in their weekly gridiron struggle Friday night at Ralls. The game will be called at 8 o'clock. A large number of local fans will probably be on hand to witness the encounter.

Coach Curtis Kelly said this week that the Longhorns would be ready to go with the possible exception of C. B. Smart, half-back, who twisted his ankle in the spur game last week. Smart's ankle is not responding to treatment as it should and it might be that he will not be able to play. If not his position will be filled by Bill Sherman, a sophomore back who saw some action in the Crosbyton game. Sherman showed up well in that game, scoring one touchdown and making other nice gains.

Others of the Longhorn starters came through the Spur game in good shape and all except Smart will be in good shape and ready to go, according to reports Wednesday.

The Ralls Jackrabbits upset the dope last year and edged out the Longhorns in the last minute of the game 12-6 and Coach Kelly said Wednesday that he didn't want that to happen this year. However, Kelly does not expect the Rabbits to be a push over and without Smart the Longhorns will probably have a tough game on their hands.

The Ralls team has lost to Tullia 34-14 in one district game and won from Floydada 19-0, October 6th they were edged out by the strong Post team 21-14 and last week end they had an open date. The Rabbits block hard and run hard, reports here say.

The Longhorns still have a good chance to cop the district crown despite their loss last week end and they are determined to win every remaining game on the schedule, Kelly said.

Petition Will Ask Vote On Dist. Consolidation

Supt. Sidney Reeves informed The Beacon Wednesday that the board of trustees of the Lockney Rural High School district had decided to have petitions prepared asking for a vote on the matter of consolidating the original school districts on a common school district basis.

The petitions will be circulated in the original districts which are now grouped for high school purposes. These are Lockney, Pleasant Valley, Irick, part of Aiken, Prairie Chapel, Sterley and Ramsey. The petitions will ask the county judge to call an election to decide whether or not the districts will consolidate on a common school district basis.

Mr. Reeves pointed out that consolidation on a common school district basis would mean that there would be no change in tax valuations or tax rates since all common school districts have values based on state and county valuations.

In discussing the matter Mr. Reeves said that the Gilmer-Aiken law had so changed the status of school districts that it would be more advantageous for the district to be consolidated than to be grouped.

Rites Held For B. H. Warren

Dr. B. H. Warren, a 75-year-old Plainview resident, passed away Monday afternoon at 4:10. The funeral services were held Tuesday afternoon at 4 o'clock at the First Baptist Church. Dr. A. Hope Owen officiated at the services. The body was then taken to Waco to be buried in Oakwood cemetery.

Dr. Warren had been a member of the faculty of Wayland College for 30 years when he retired this spring. He was also an ordained Baptist minister and devoted much of his time to church work.

Immediate survivors were Mrs. Warren, head of the Wayland English department, a son and five daughters.

Those attending the services from Lockney were Rev. and Mrs. E. J. Cobb and O. B. Willbanks.

Farm Meetings To Discuss Cotton Export Ban

Ben Quebe, president of the Floyd County Farm Bureau has called a meeting of all Floyd County farmers to be held at the City Auditorium in Lockney next Monday night, October 23. Purpose of the meeting is to discuss the recent restrictions placed on cotton exports and take some action on it.

Mr. Quebe attended a meeting of farmers at Lubbock Tuesday at which \$1700 in money was donated to send four men to Washington to look into the matter of the export restrictions. Those who will make the trip are Bill Fortenberry of New Deal, Roy Davis of Lubbock, Bill Tilton of Littlefield and one other man.

Meanwhile Mr. Quebe as president of the county farm bureau organization joined by M. W. Wiley, president of the First National Bank sent a telegram to Tom Connally, U. S. Senator from Texas protesting the export ban.

Halloween Carnival At Providence School

The Providence Parent-Teacher Association will sponsor a Halloween Carnival at the school house on Monday night, October 30, it was announced this week.

Loads of fun and food for everyone is promised by the sponsors and everyone is invited to attend and enjoy the event.

A. L. PHILLIPS ILL

A. L. Phillips suffered a heart attack at his home on Sunday, October 15 but after treatment at the hospital has been returned home and is improving, Mrs. Phillips reports. He will have to stay in bed for some time.

VISIT SON IN ARMY

Mr. and Mrs. Joe Parish and Louise went to Sheppard Field, near Wichita Falls last Sunday where they visited their son, Wilkie who is in the Air Corps and stationed there. Wilkie left Tuesday of this week, however, for Chanute Field, Ill. where he will receive further training.

Seismograph Crew Hits Underground Stream Of Water

An underground stream of water flowing strong enough to move the bit in the hole was struck on the Austin Meriwether place, five miles east and a mile north of Lockney last week, a seismograph crew reported to Mr. Meriwether.

The stream was hit at 155 feet depth and the strata was about 15 feet thick, the drillers said. The seismograph crew had been running tests in that vicinity and in another hole on the same farm struck nothing but the red bed, they said. The stream of water appeared to have a narrow channel and was described by the men as an underground river.

There are very few irrigation wells in this particular area, the closest being on the Frank Brown place and the Bruce Whitlock place.

Petition Will Ask Vote On Dist. Consolidation

Supt. Sidney Reeves informed The Beacon Wednesday that the board of trustees of the Lockney Rural High School district had decided to have petitions prepared asking for a vote on the matter of consolidating the original school districts on a common school district basis.

The petitions will be circulated in the original districts which are now grouped for high school purposes. These are Lockney, Pleasant Valley, Irick, part of Aiken, Prairie Chapel, Sterley and Ramsey. The petitions will ask the county judge to call an election to decide whether or not the districts will consolidate on a common school district basis.

Mr. Reeves pointed out that consolidation on a common school district basis would mean that there would be no change in tax valuations or tax rates since all common school districts have values based on state and county valuations.

In discussing the matter Mr. Reeves said that the Gilmer-Aiken law had so changed the status of school districts that it would be more advantageous for the district to be consolidated than to be grouped.

Mrs. Lena Alford Accepts Position At Commerce College

Mrs. Lena Faye Alford, daughter of Mr. and Mrs. Claude Wolford of Lockney, has accepted a position as student secretary for East Texas State Teachers College at Commerce. In this position she will direct Baptist Student Union activities from the Baptist Student center there.

Mrs. Alford is a graduate of Howard Payne and Wayland Colleges and received her minister of religious education degree from Southwestern Baptist Theological Seminary at Fort Worth.

Recently she has been education and youth director at the First Baptist Church, Poteau, Oklahoma.

Fourth Sunday Singing October 22

Joe Reeves, president of the Fourth Sunday Singing, invites everyone to the regular singing at the City Auditorium, Sunday, October 22 from 2:30 until 4:30. A number of out of county singers have been invited and a good crowd is expected. Everyone is invited to come and enjoy the singing together.

High School P. T. A. Meets October 23

The High School P. T. A. will meet Monday night October 23 at the High School.

The subject to be discussed will be "How Important are Teen-Agers Whims and Fantasies."

All parents are urged to attend.

NEW ARRIVALS

A birth announcement written in the venacular of the railroad was received here recently telling of a daughter born to Mr. and Mrs. J. E. McMeekan of Rochester. The young lady made her appearance at the Knox City Hospital weighing 8 pounds and one-half ounce. She has been named Linda Diane. She is the first child of the McMeekans and her grandparents include Mr. and Mrs. S. C. Quisenberry of Lockney.

Bob Daniel Will Not Enter Service

His orders cancelled because of physical disability, Robert Daniel, manager of Daniel Automotive here, will not enter service with the armed forces as announced in The Beacon last week. The order revoking his order to appear for induction came just before Bob had made arrangements to move his family.

FW&D Passenger Trains On Last Run Saturday

Passenger train service over the Fort Worth & Denver railway from Childress to Lubbock, through Lockney, will make their last run Saturday of this week, October 21st. It was announced Wednesday by FW&D officials.

The Railroad Commission issued an order on October 6th giving the railroad company permission to discontinue the trains.

The order followed public hearings at both Lubbock and Plainview last month at which the railroad company showed evidence that the trains were being operated at a loss. At the same time citizens of a number of towns along the line argued that the company should continue the passenger service, pointing out that the area needed the service and that the railroad was heavily patronized through freight service.

Commissioner Olin Culberson concurred in the ruling but noted in a written statement that he joined in the order only because courts ruled the commission must grant discontinuances whenever financial loss is shown.

"I do not think the 'public convenience' was considered in the least by the court," he said. The ruling was made some time ago by the Texas Supreme Court in cases at Palacios and Yoakum.

Postmaster H. B. Machen attended a meeting in Plainview Wednesday at which details for a truck mail route to this area was being worked out. Although the plans will have to be approved by the Post Office department, the route is supposed to start operating Sunday.

Homecoming Set For Friday, Nov. 10

Supt. Sidney Reeves said this week that the Homecoming for former students of Lockney schools would be held on Friday, November 10.

Program for the day calls for the homecoming to be Friday afternoon and the football game with the Paducah Dragons on Friday night starting at 7:45.

Possibly a barbecue will be served guests late in the afternoon, Mr. Reeves said. Further plans will be worked out as the date approaches, he said.

Rotarians To Be Entertained Thursday Night

The Lockney Rotary Club will entertain their Rotaryannes on Thursday night of this week with a dinner in the Methodist Church basement. This is an annual affair for the local club and is always looked forward to with much expectation.

The program of the evening will feature a young man by the name of Jerry Briscoe from Amarillo. Mr. Briscoe will speak to the group and show slides depicting his year of study in England. He was one of the few students selected to study abroad under the Rotary Foundation sponsorship and he will tell the group of the things that he found in his year abroad.

President G. M. Brunner will welcome the guests and the program will be under the direction of program Chairman Mort Crapster.

The meeting starts at 8 p. m.

'Prince Of Peace' Coming To Mesa

"The Prince of Peace" in color, will come to the Mesa Theatre November 12 and 13. It has been acclaimed by ministers, priests, rabbis and people of every faith for its non-sectarian presentation of its vital story of brotherly love.

The film is the story of the Life of Jesus. It drives home the most powerful lesson on earth. Scenes in the film, photographed against the breath-taking beauty of Wichita Mountains in Oklahoma, will thrill you by their unmatched sweep and grandeur. In glorious color, featuring a musical score written by Edward J. Kay and rendered by a symphony orchestra and the 80 voice Hallelujah Choir.

"The Prince of Peace" is considered the most artistic production ever to come out of Hollywood. The film is two stories in one.

With a cast of 3,000 including over 100 speaking parts and a new six-year-old child sensation, the film will appeal to every member of the family. "The Prince of Peace" story is a film that God-loving people understand and God-fearing people need, it was said.

Business Men Meet Tuesday

A meeting of the Lockney Business Men's Club Tuesday afternoon at the Plains Theatre heard a discussion on the possible location of a manufacturing plant here and appointed a committee composed of J. B. Seale, F. L. Brown and Edgar Hays to contact the firm.

A discussion on the proposed telephone dial system was heard and it was decided to circulate a petition here on the matter to determine the sentiment of the majority of the people.

County Council To Meet Saturday

The Floyd County Home Demonstration Council will meet at 2:30 p. m. Saturday. The meeting will be held in the county court room at Floydada, according to an announcement by Mrs. C. L. King, council chairman.

Pullers Needed In Local Fields

Some local farmers are needing cotton harvest hands now and estimates Wednesday were that perhaps as many as 500 hands could be used at this time if they were available. Meanwhile the warm, sunny days are maturing and opening cotton in a hurry and within a week the demand for cotton hands will be much greater, local gin men said.

More than 100 bales had been ginned at local gins this week and Mexican were reported to be making their way in this direction. A number of crews are already here and are pulling cotton. Others are arriving daily.

A survey by The Beacon Wednesday revealed that the prevailing price here for pulling was \$1.75 delivered although there were isolated instances of as much as \$2.00. A Texas Employment Commission bulletin from Lubbock showed that Floydada was needing 150 pullers and was paying \$1.75 delivered while Plainview had the same need and was paying the same price. The same price prevailed in most other South Plains counties, according to a bulletin.

Most local cotton is grading strict low or middling light spot with some middling, local ginners reported. The cotton market, which had dropped for several days after export restrictions had been clamped on by the federal government, turned firm the middle of the week and the price descent apparently was stopped for the present.

Although the federal law regarding child labor has caused considerable confusion among transient labor, a good number of the Mexicans are still pulling cotton and crews now are largely adults.

New Teachers Are Elected

Two new teachers have recently been elected to the Lockney school system. They are Pauline McReynolds who will teach the second grade and Mrs. Polly Gilbert, who was elected a substitute teacher and will teach the seventh grade.

The school enrollment reached a total of 748 this week, 198 of that number being in the high school and the remainder in grade school.

Services At Sandhill Sunday

Everyone is invited to the regular Fourth Sunday Services to be at Sandhill School Sunday afternoon, October 22 at 2:30 o'clock.

Plans are being made for special music by the Floydada Junior Missionary Society.

Mrs. Bennie M. Rose, Evangelist of the Church of Nazarene, is to speak on Proverbs 3:5-7. "Trust in the Lord with all thine heart and lean not unto thine own understanding. In all thy way acknowledge him and he shall direct thy paths. Be not wise in thine own eyes; fear the Lord and depart from evil."

Body Of Negro Is Found

The body of a Negro man was found in a ditch beside a country road four miles north of Petersburg Monday has been identified as that of Tommy Jeffrey, 50, of Lubbock, officers said.

The identification was made in the stub of a receipt for a left at a Lubbock cleaning establishment.

Jeffrey's wife came to Plainview late Monday and made the identification from the man's clothing, a ring he was wearing and a gold tooth.

Lubbock Negro was being questioned about Jeffrey's death. The Negro told officers he and Jeffrey were gambling when an argument began. The man said he chased Jeffrey and the last he saw him he was running toward the spot where the body was found.

The man had been dead several days, said Justice of the Peace J. Lewis who held an inquest over the body. Fully clothed except for a hat, was found in the foot deep ditch.

The body was found at the bottom of the ditch on the side of which were weeds almost as high as a man's shoulder. It was entirely concealed from the roadway about 16 feet away.

Allen Dendy and Robert McHenry were on a combine traveling the road when one of the men from his high perch on the machine spotted the body. Officers were notified immediately.

School Of Music Run 2 Weeks

School of Music beginning at the Lockney Baptist Church of next week will continue for two weeks with classes for all ages, it was indicated this week.

Although complete plans cannot be made until the arrival of the teacher, C. A. Booher of Lubbock, preliminary plans call for classes for junior singers at 7 p. m. each afternoon with the classes meeting at night, probably around 7:30 p. m.

Booher will also give special instructions to accompanists, groups, etc. He is connected with the Department of Church Music of the Baptist General Convention of Texas.

The school is planned primarily to increase the effectiveness of the music program at the Lockney Baptist Church but singers from other churches of the area are invited to attend, it was said. No charge is made for attending the school but an offering will be taken at the close of each session, church officials said.

Providence News

By Delores Sammann

Mrs. W. E. Johnson entertained her pupils with a "Theatre party" at Plainview on Thursday afternoon. Assisting Mrs. Johnson were the room mothers, Mrs. Ted Boedecker, Mrs. Clyce Ooley and Mrs. Norman Smith, and Mrs. Lester Baker. Children attending were Roberta and June Kay Buhrkuhl, Gaynelle Crouch, Valera Sammann, Pat McLaughlin, Joan, Donna and Herbert Smith, Larry Boedecker, Ronnie Johnson, Bill Ooley, Mary and Francis Jones, Zuella and David Harper, Rickey Collis, Dorothy Murphy, Mary Lou Hawkins, Roy Baker, Lonnie Brown, and Glenda Harden. The children express their thanks to their teacher, Mrs. W. E. Johnson and also to the room mothers for an enjoyable afternoon.

Mr. and Mrs. Arthur Sammann and Yvonne of Tulla visited with Mr. and Mrs. Walter Sammann and girls on Saturday.

Mrs. W. E. Johnson visited with Mrs. J. W. Mathis on Tuesday afternoon.

Mr. and Mrs. Walter Sammann visited with Mr. and Mrs. Homer Garms of Littlefield Sunday.

Mr. and Mrs. Harold McLaughlin and family spent Sunday visiting with friends and relatives in Hereford. On returning home they stopped over in Tulla to visit with Mr. and Mrs. Arthur Sammann and Yvonne.

Mr. and Mrs. J. W. Mathis and Linda visited with Mr. and Mrs. W. E. Johnson and Ronnie Sunday afternoon.

Mr. and Mrs. Robert Buhrkuhl and family spent the past Sunday as guests of R. Henkle and son of Kress.

Mr. and Mrs. Albert Sammann and family were luncheon guests in the home of Mr. and Mrs. Ted Boedecker and family on Sunday.

K. Sammann of Plainview was a luncheon guest in the home of Mr. and Mrs. Walter Sammann and girls on Sunday.

Mrs. Robert Rosenthal visited with Mrs. Ernest Karlov on Thursday.

Mr. and Mrs. Harold McLaughlin, Mr. and Mrs. W. E. Johnson, Mr. and Mrs. M. C. Scheele and Marie, Mr. and Mrs. Albert Kelm and Donald and Mr. and Mrs. Jack Faver of Plainview were luncheon guests in the home of Mr. and Mrs. Walter Boedecker on Sunday.

Mr. and Mrs. Walter Sammann visited relatives in Idalou and Lubbock on Tuesday.

Mr. and Mrs. Robert Harden and Fayrene spent Sunday afternoon in the home of Mr. and Mrs. J. E. Barker and family of Kress.

Mr. and Mrs. Robert Buhrkuhl and family visited with Mr. and Mrs. Leon Bontke and family near Kress on Sunday afternoon.

Mr. and Mrs. Harold McLaughlin, Don and Maebeth, Mr. and Mrs. W. E. Johnson and Mr. and Mrs. Walter Sammann, Delores and Valera and Mr. and Mrs. Dave Mathis, Janice and Warren

of near Plainview all visited with Mr. and Mrs. J. W. Mathis and Linda on Monday evening.

Mr. and Mrs. Robert Buhrkuhl and family and Mr. and Mrs. Walter Sammann and girls visited in the home of Mr. and Mrs. W. E. Johnson and Ronnie on Thursday evening.

"Providence Echo"

The "Providence Echo" was organized Monday, October 9, 1950, with the following officers:

Editor, Delores Sammann; Assistant Editor, Focine Boedecker; Reporters, Euleta and Roberta Buhrkuhl and Carolyn and Valera Sammann; Sports Reporter, Doyle Crouch; Sec. Treas., Maebeth McLaughlin; Cartoonist, Martha Harden.

Sports for the week by Doyle Crouch.

A softball team has been organized at Providence, called the "Providence Ponies." Although we have only been working out our Ponies for two or three days we are not making such a good showing, but please be patient, and we will really show you what the "Ponies" can do.

Longhorns Lose To Bulldogs

Statistics

	Lockney	Spur
First downs	6	14
Penetrations	2	3
Passes att.	1	3
Passes completed	0	0
Passes intercepted	1	1
Yards penalties	75	50
Yards gained	223	285
Yards lost	21	6
Net yardage	202	279

The Lockney Longhorns, for the second straight year, fell before the Spur Bulldogs in a district 3-A football game and spoiled a perfect record in district play. The Longhorns lost to the Bulldogs last Friday night 14-12 at Spur.

The Bulldogs out charged the Longhorns all night and the locals were never able to gain consistently against the Spur boys. Except for two sensational runs, one by Ray Ferguson and the other by little Pat Frizzell, the score might have been more one-sided.

The morale of the Longhorns apparently wasn't up to par and it wasn't helped any by a bunch of "penalty-happy" officials who soaked the Longhorns with nine penalties for a total of 75 yards starting before the ball game had hardly begun.

The big Bulldog line, weighing probably around 200 pound average, opened holes in the Longhorn forward wall time after time to let the big fullback, Dick Gibson, through for gains. At that the Longhorns were

leading 12 to nothing in the third period and had they continued their great defense they might have still won the game. C. B. Smart was hurt in the latter part of the second quarter and saw very little action after that.

The Longhorns opened the scoring in the first period on their first play from scrimmage when Ray Ferguson broke through his own left tackle, reversed the field and ran 74 yards for the score.

But little Pat Frizzell, who usually leaves the ball carrying to the larger fellows, stole the show when he made a sensational run of 64 yards, finally being stopped on the Bulldog 4 yard line. Despite a penalty, the Longhorns made a score out of this also. Neither point was made.

The Bulldogs struck for two quick touchdowns in the third period, however, to win the game. One of these came after a fumble by a Longhorn and recovery by Spur.

Here's the game briefly: The Spur Bulldogs received and returned the kick to their own 33. They made 6 and then a first on the Spur 47, made 1 and then a first on the Lockney 42. The Bulldogs made 2, 5, 2 and then a first on the Lockney 26. They made 0, 3, 5 and then a first on the Longhorn 15. They made 6, 0, 0, and then were penalized 15 yards. A pass was incomplete and the ball went over to the Longhorns on the Lockney 26.

On the first play from scrimmage for the Longhorns Ray Ferguson broke through his own left tackle, reversed his field, ran over two would-be tacklers and ran 74 yards for the score. On the try-for-point, the officials penalized the Longhorns 15 yards, and a rushing play failed.

The Longhorns were penalized five yards on the kick-off for some reason undisclosed by the officials. The Bulldogs returned the kick to their own 43, made 5 and a first on the Lockney 31, made 3, 1, 4 and 0 with the Longhorns taking the ball on their own 22. The Longhorns made 4, lost 2, were penalized 15 yards and the kick was returned to the Lockney 39. The Bulldogs made 2, tried a screen pass which was batted up into the air and intercepted by a Longhorn. The Longhorns lost 1, were penalized 5, made 0 and 2 and kicked to the Spur 31.

The Bulldogs made 5, a first on the Spur 42, made 4, 2 and then a first on the Lockney 47, lost 1, made 1, had a pass incomplete and kicked over the goal, giving the Longhorns the ball on the 20. The Longhorns made 2 and 2, lost 3, and the kick was returned to the Lockney 44. The Bulldogs were penalized 15, lost 5, made 7 and 0 and the kick was returned to the Lockney 21. The Longhorns made 3, were penalized 5, made 2, and then on the next play, no one blocked for Smart as he attempt-

COTTON QUIZ

HOW DO THE HOME RUN KINGS DEPEND ON KING COTTON?

APPROXIMATELY 150 YARDS OF STRONG FINE THREAD ARE USED IN EVERY BASEBALL! THE COTTON THREAD IS SO FINE THAT IT TAKES 1 MILE OF IT TO WEIGH A POUND!

ed what appeared to be a fake kick and run play. The Bulldogs swarmed him for a 10 yard loss and he threw the ball and was penalized five more for intentional grounding of the ball. Smart hurt his ankle on this play and did not get back into the ball game but very little more.

With the Longhorns on their own 5, a bad kick sent the ball up to the Lockney 26 where it hit a Spur player and then was recovered by a Longhorn, giving the locals the ball on their own 26. They made 2, were penalized 5, made 8 and 2 as the half time whistle blew.

Bands Perform
Both Lockney and Spur bands performed at the half time intermission, entertaining the large crowd with music and marches. They were both roundly applauded.

At the half time, even though they were leading 6-0, the Longhorns had only one first down to seven for the Bulldogs.

Lockney received the kick-off and returned to their own 36 yard line. They made 8, were penalized 15, made 3 and then little Pat Frizzell, on a fake hand-off, kept the ball, scooted around his own left end, and running casually and waiting for his interference, carried the ball to the Spur 4 yard line before being downed. This was by far the prettiest run of the ball game. Pat twisted and turned, avoiding tacklers and staying with his interference. It appeared several times that he was trap-

ped but he managed to elude the tacklers and keep going.

On the first play, the Longhorns were penalized 5, but they came back to make 6, 2 1/2 and then Ray Ferguson drove over for the score. Try for point failed again on a rushing play.

The Bulldogs came back in a hurry, taking the ball on their own 36 for the kick off, they made 2, 4 and then a first on the Longhorn 23. They made 8, 1 and a first on the 11, made 5 and 4 and then drove over for the score. The point was kicked and the score was 12-7.

The Longhorns received the short kick but fumbled it and the Bulldogs recovered on the Lockney 40. They made 2, a first on the Longhorn 26, made 3, 4 and 2 and then broke loose around end for the score. The point was kicked again and the score stood 14-12.

The Longhorns received and returned to their own 41, lost 4, made nothing in two plays and the kick was returned to the Spur 33. The Bulldogs made 2 and 1, and a fumble gave the Longhorns the ball on the Spur 47.

The Longhorns fumbled, however, on the first play and the Bulldogs recovered on the Spur 40. They made 8 and then a first on the Lockney 44, made 4, were penalized 5, made 0 and then 5 and kicked to the Lockney 7. Ferguson carried the ball out to the Longhorn 20 for a first down, the Longhorns made 2, 0, 7 and then a first on the Lockney 31. An attempted pass was intercepted giving Spur the ball on the Lockney 38. The Bulldogs made 0, 2, 4 and 3 with the Longhorns taking over on their own 29 yard line. The Longhorns made 7, 1, Spur was penalized 15 giving the Longhorns a first on the Spur 47, they made 2, 1, 1, and 2 and Spur took over on their own 40. They made a first on the 50 in three plays as the game ended.

Aiken W. M. S. Meets With Mrs. Tye

Members of the W. M. S. of the Aiken Baptist Church were guests Wednesday in the home of Mrs. J. M. Tye.

Mrs. J. W. Moore pronounced the invocation, and Mrs. O. J. Welch gave the devotional from Peter 2-9. Mrs. J. M. Tye, president, conducted the business discussion, in which plans for the coming year were discussed. Mrs. Clyde Ooley gave the closing prayer.

Members attending were Mesdames Leland Cox, L. L. Scott, J. W. Moore, R. C. Rogers, O. J. Welch, Clyde Ooley, J. M. Tye and one new member, Bill Snider.

The next meeting will be on October 25 at 2:00 o'clock in the home of Mrs. O. J. Welch.

American Home Is Club Topic

"Stability of Today's Home" was the program topic presented by Mrs. Clyde Baxter at a meeting of the LaVentana Study Club Tuesday afternoon in the home of Mrs. Clarence Strickland.

Taking part on the program were Mrs. Strickland who discussed "Emphasis on Family Unity in Home, Church, and Community," Mrs. C. D. Merrick who gave a "Point of Etiquette in the Home" and Mrs. Elmer Sandusky who gave a discussion on "Mend your Speech."

The next meeting will be October 24.

Lockney HD Club Hosts To Providence

The Lockney Home Demonstration Club entertained the Providence Club on their Tuesday October 12 in the home of Mrs. L. M. Honea.

Mrs. Honea received the guests at the door and Mrs. L. W. McCuiston registered guests and gave each a corsage of Chrysanthemums tied with black ribbon. Mrs. Jake Jones and Mrs. J. H. Cooper served the punch. Yellow flowers decorated the serving table.

Mrs. I. A. Applewhite gave a reading entitled "Bargains." Clyde Applewhite gave a very interesting talk while showing pictures taken on their tour of Europe.

Those attending were Mesdames: Joe Parish, E. M. Whorton, L. W. McCuiston, F. L. Brown, Charlie Boedeker, L. B. Brandes, Robert Buhrkuhl, S. R. Jones, Randall Collis, Ben Quebe, Ben Brandes, Wilfred Stoerner, Marvin Scheele, Mack Johnson, Ennett Tierce, Kate Collier, F. S. Byars, I. A. Applewhite, Frank Messimer, Henry Bollman, Elmer Stapp, J. H. Cooper, Jake Jones and L. M. Honea.

B. A. Dodson Observe 50th Anniversary

Mr. and Mrs. B. A. Dodson celebrated their golden wedding anniversary, Sunday, October 1, at their home two miles east of Olton. The six sons and one daughter, all present for the occasion, are Tom of Olton, Foy and Lee of Van Horn, Roy of Anton, Dee of Pampa, Max of Lubbock and Mrs. Morris Thompson of Hereford. Ten grand-children were also present. Open house was held from 2 until 5 o'clock, and many friends and other relatives called.

Ben Dodson and Daisy Brewster were married on October 1, 1900, at the home of Mr. and Mrs. Charlie Merrill, two miles east of Plainview. Mr. Dodson recalled how the couple started from Lockney to Plainview to be married. When they came to a lake filled with water, and no way to go around it. Fearing the bride-to-be would ruin her wedding clothes, it was decided that she would stay at the Merrill home, near-by. The prospective groom crossed the lake with water running in the buggy, went on to Plainview, obtained the license and persuaded a minister to return with him to the Merrill home and perform the ceremony.

Dodson came to the plains in 1891 with his mother and brothers, and settled east of Plainview. The parents of Mrs. Dodson moved with their family from Earth County to Hale County in 1890. After their wedding in 1900 the young couple lived in Lockney until 1909 when they moved to Olton, locating on their present home site.

Mr. Dodson served two terms as County Treasurer of Lamb County, from 1920 to 1924. He became Tax Assessor and Collector, and Secretary of the Olton Independent School district in 1925, a position which he still holds.

Out of town guests for the celebration were Messrs. and Mesdames Frank Dodson, Weldon Dodson, Floyd Barber, Carl McAdams, T. L. Griffith, Charlie Merrick, Mrs. Henry Bollman, Billy and Nanny, and Ira Broyles, all of Lockney. Messrs. and Mesdames J. B. Jenkins, G. E. VanWickel, and Joe Wilson of Floydada, Mesdames Oakley McBill, Lee Stephens, and Bud Williams of Clovis, New Mexico. Mrs. Dana Williams of Albuquerque, New Mexico, Mrs. Nettie Shephard of Lovington, New Mexico, Messrs. and Mesdames Thurman White and Van, John Frye, W. R. Hair, all of Lubbock, Mrs. Bob Shelton of Afton, Texas, Mr. and Mrs. Guy Willis of Littlefield, Mr. and Mrs. M. C. Cornelius of Plainview, and Mrs. Bob Shelton of Afton.

Mrs. Whitfill Hostess To El Progreso Club

Mrs. Ed Whitfill was hostess to the El Progreso Study Club Wednesday afternoon October 11.

The roll call was answered by each member giving the name of a new medicine.

The program was a very interesting and informational one. Mrs. D. R. Foster gave "Developments in Socialized Medicine" and Mrs. Frank Perkins talked on "Progress in Cancer Research." Refreshments were served to 17 members.

The next meeting will be October 25 in the home of Mrs. Henry Schacht.

Home Ceremony Unites Miss Schaeffer And Wayne Bramlet

In an impressive double-ring ceremony Sunday at three o'clock in the home of the bride's parents, Mr. and Mrs. E. W. Schaeffer of Happy, Miss Annabel Schaeffer became the bride of Wayne Bramlet, son of Mr. and Mrs. J. C. Bramlet of Lockney. The vows were solemnized by Rev. Jack Jeter of Plainview, before an arch of white mums and greenery flanked with baskets of white mums.

Mrs. Frank Tiley, cousin of the bride, played "Always" by Berlin as the guests assembled. Mrs. Elbert Savage sang "Because" by D' Hardlot and "O Promise Me" by DeKoven. The traditional wedding marches were used.

The bride, given in marriage by her father, wore an aqua taffeta street length dress with black accessories. She carried a white Bible topped with red roses. Carrying out the traditionals, she carried a handkerchief belonging to the groom's mother, for something old and borrowed; for something new she wore pearls, a gift of the groom, and a blue garter.

Miss Fayrene Schaeffer, sister of the bride, was maid of honor. She wore a copper satin, street length dress with a gardenia corsage. Clarence Savage, cousin of the bridegroom was best man.

For her daughter's wedding, Mrs. Schaeffer wore a teal blue nylon dress with a gardenia corsage. Mrs. Bramlet wore a gray rayon dress with a gardenia corsage.

Ushers were Melvin Schaeffer, brother of the bride and Elbert Savage, cousin of the bridegroom.

A reception was held immediately after the wedding. Mrs. Rayford Shipman, sister of the bride, poured punch and Mrs. Melvin Schaeffer, sister-in-law of the bride, served the three tiered wedding cake. Mrs. Boyd Noel presided at the guest book.

Mrs. Bramlet is a graduate of Happy High School and Lippert's Business College and was employed with Plains Welding Supply in Plainview.

Mr. Bramlet is a graduate of Plainview High School and attended Lippert's Business College.

For her wedding trip the bride chose a brown and white check suit with brown accessories and a corsage of red roses. The couple will make their home north of Lockney, where the groom is engaged in farming.

Guests attended from Borger, Enid, Oklahoma, Lockney and Plainview.

Recent Bride Is Complimented

Mrs. C. W. Wade, the former Geraldine Price, was honored Thursday afternoon October 12, with a bridal shower given by Mrs. J. D. Williams.

Arrangements of Fall flowers decorated the serving rooms.

Mrs. S. J. Williams and Miss Mary Morrison served punch and cookies from a linen covered table. A large bouquet of Mari-golds served as the center piece.

A large number of guests called during the afternoon.

The couple are making their home in Sweetwater where he is employed by the Southwestern Bell Telephone Company.

Georgia Faye Fant Shower Honoree

A Pink and Blue Shower honoring Mrs. Georgia Faye Fant, was given in the home of Mrs. Robert Morton of Kress, October 12 at 2:30.

Hostesses were Mesdames C. L. Jones, R. M. Francis, Curtis Parker, Doug Carlisle, and Robert Morton.

After playing several games refreshments were served to: Mesdames Carl Pate, Carl Weathers, Rice Carden, Sam Bookout, Van McAda, Charlie Moses, Nell Farmer, Leroy Francis, James Curry, Russell Pogue, J. D. Danelson, F. J. Springs, David Wimberly and the hostesses.

Those sending gifts were: Mesdames E. E. Cox, Roma Boggs, W. H. Boyd and Joan, Kelly Webster, G. A. McAda, Guy Hughes, J. H. Williams, N. A. Curry, E. V. Nigh and A. F. Rogers Jr.

Sunday School Class Has Social

The Pricella Sunday School Class of the First Baptist Church was entertained with a social Thursday night at 7:30 in the home of Mrs. Tom Moore.

Mrs. Henry Hodel gave a very interesting review of the book "Roots in the Soil."

Delicious refreshments were served to the following: Mesdames Thurman Thomas, Ray Mitchell, E. J. Cobb, J. C. Thomas Jr., Henry Hodel, Audy Jolly, N. M. Caldwell, Wallace Allen, and Georgia Hance.

Hostesses for the occasion were Mesdames Bob McAnich, Tom Moore, Weldon Cumby, and Wayne McClain.

Lonnie Seaman, a student at West Texas State, spent the week end with his mother, Mrs. Lee Seaman.

"How are things in the oil business?"
—Mister, let me tell you—

OIL PROGRESS WEEK
October 15-21

"There are now some 45 million cars, trucks and busses operating in the U. S.—and with 250,000 service stations covering the country from coast to coast, the competition for this business—your business—is simply terrific.

"You benefit—because this competition pays off for you in higher standards of service, helps bring you better and more efficient oil products.

"Yes, Mister, outfits like ours are out to beat everybody and his brother in winning and holding your trade. We'll pull out all the stops in keeping your car serv-

iced and rolling smoothly. The plain good business for us.

"We're just one of the thousands of individual companies that make up the oil business. The same spirit of rivalry that makes us tick is working for you in every branch of the industry—mining, production, transportation, research and marketing. Competition produces better and better oil products—better service to you and your family.

"This is Oil Progress Week. But the way we figure, Oil Progress Week is every week of the year."

"A FRIEND INDEED"

From the basement of their Maplewood, Mo., home, Mr. and Mrs. Harold W. Ross run a rapidly expanding chicken hatchery, depend a lot on their business telephone.

Says Mr. Ross: "Never realized how our telephone helps us save and make money until we kept a five-day record of our telephone calls recently. Our phone helps make sales for us, runs errands, delivers messages, does many important jobs. It's a friend indeed!"

Each year brings greater progress in your telephone service. New telephones added—greater improvements made. The result: quicker, more trouble-free service—a real budget value that grows in value every year. Southwestern Bell Telephone Co.

Tuesday—Customer calls for shipment of baby chicks. Mrs. Ross is hard of hearing, uses a special amplifier. Hears easily.

Wednesday—Sister-in-law asks about son who works for us. To save time, Mrs. Ross takes call on basement extension.

Friday—Supplies low—so our helper orders more. Business telephone means low-cost way to carry on all phases of our business.

Thursday—Prospect calls about chief prices. Our ad in yellow pages of directory is sales builder.

What else gives so much for so little?

Lone Star Club Honors South Plains

Mrs. Joe Foster was guest speaker at a meeting of the Lone Star Home Demonstration Club Tuesday afternoon in the home of Mrs. W. D. Nance, at which time the club was hostess to the members of the South Plains Club.

Receiving the guests were Mrs. Nance and Mrs. Vestal Hastings, Club President.

Mrs. Foster featured "Beauty in Our Land" with slide pictures and a lecture on various places of interest in the states.

During the social hour refreshments were served from a lace covered table centered with red roses.

The guest list included: Messdames Ernest Smitherman, H. L. Marble, Wade Davenport, Walter Wood, Grigsby Milton Jr., Sim Reeves, Bill Beedy, George West, Arthur Brown, R. C. Guest, John Smitherman, L. T. Wood, Fred Fortenberry, Herman Thornton, Rex Smitherman, Harry Hartman, Dock Jones and Wes Eiland.

Members present were: M. O. Peugh, Ben McGhee, A. O. Foster, R. I. Teeple, Vestal Hastings, Albert King, C. D. Merrick, Jack Nix, M. A. Martin, C. L. Henderson, H. E. Frizzell, G. B. Johnston, Bailey Henderson, E. O. Barrett, Mrs. Nance and Mrs. Foster.

NEW ARRIVAL

Mr. and Mrs. James Preston of Ralls are the parents of a baby daughter born Monday, October 15. The little lady weighed 7 pounds and 8 ounces.

Mr. and Mrs. B. E. Harris and Mrs. Byron Ford attended the funeral services for Mrs. A. L. McDaniel, the former Miss Mattie Pearl Heard, at the Petersburg Methodist Church on Tuesday afternoon of this week.

"AS YOU LIKE IT" HOSE are made by Berkshire Hosiery Mills and better hose cannot be made. Advertised in Vogue and Good Housekeeping. We now offer this line of Hose to the Lockney trade. Baker Mercantile — Dry Goods. 47-tfc.

GO TO CHURCH SUNDAY.

Floydada Folk Score Gas Bills

Floydada.—Irate customers of the West Texas Gas Company here last week protested to the Floydada city council that the company's new bookkeeping methods may result in excessive penalty charges.

The council ordered the gas company to defer any penalties until after the tenth day of each month.

Company representatives said the new method of billing and posting would alter the penalty date for about half of the customers.

Customers testified that the advanced penalty date would add from 12 to 50 cents per month to the average bill. In most instances, the penalty date has been advanced by five days.

Customers complained that they were not informed of the change in date until they paid their bills on the customary later date.

Company representatives said the new billing and penalty system is used in many cities and that the Floydada customers were the first to complain.

1950 Cotton Sold Is Subject To Heavy Penalty

The Agriculture department has notified growers that they will have to pay about a 15-cent-a-pound penalty on 1950 crop cotton sold in excess of their government marketing quotas, regardless of when they sell it.

After Secretary of Agriculture Brannan announced last week that all controls will be dropped for the 1951 crop, an official said 1950 excess quotas could be held until next year and be sold free of penalty.

The department has corrected this error to say that such would have been possible before Congress changed the law this year. But under a legal revision, the penalty must be paid before the cotton can be sold.

Most of us don't trust people for two reasons: First, because we don't know them; and second, because we do.

Chrysanthemums Show To Be In Plainview

The Hale County Home Demonstration Council are sponsoring The Chrysanthemum Show to be held Friday and Saturday, October 20 and 21, at the City Auditorium in Plainview. Entries for the show will be received beginning at 11:00 Friday, October 20. Entries are open to all amateur flower growers who wish to exhibit.

There will be five types in which people may enter. The Exhibition of Commercial Type, The Spider Type, Spoon Type, Anemone Type, and the Hardy Garden.

The public is invited to attend Saturday October 21 from 9:00 a. m. to 6:00 p. m.

EDITORIAL

And my people shall dwell in a peaceable habitation, and in sure dwellings, and in quiet resting places.—Isaiah 32:18.

In a good many places in the Bible the Lord promises to do things for the sinful man if he will turn from his sinful ways, but nowhere in all the Bible is there any promises made to the lazy man.

The half of the world that doesn't know how the other half lives, is that portion of the world that does not live on a party telephone line.

We heard a new one the other day. A local man referred to an acquaintance of his who is known for his sharp deals as being as "slick as a watermelon seed."

Many who try to drown their sorrows with strong drink merely irrigate them.

One person out of 98 in this

country is named Smith. There are 1,414,000 Smiths on the census roll, enough to equal the population of Idaho, Nevada, Wyoming and Montana.

As little desire as we have for the prefix Hon. before our name, it has considerably more to recommend it than the phrase "the late" before one's name.

When you are tempted to spend a dollar foolishly, think of it not as a piece of paper or a coin. Think of it as so many hours or minutes of human labor in the heat and in the sweat and in the dirt. Weigh the labor against the trinket you buy and then decide if it is worth that much of human life.

It requires the smartest kind of selling to sell life insurance. The life insurance salesman must sell his prospect a little scrap of paper which binds the purchaser to pay over a sum of money each year for ten, twenty or thirty years or for life, for something that will be delivered after his death to some one else.

Nothing impresses one with the fact that the years are relentlessly creeping upon him, as the realization that his friends his own age are one by one answering the final roll call. As one's friends go, one's world begins to slip away from him, for our world is after all the people we know. Not many of us make many friends after we are fifty.

There's a lot of pleasure to be found in a well managed business and there is a lot of pleasure to be found in a well managed life. There is not much pleasure to be found in any other kind of business or life.

If you haven't paid your preacher what you should, you are going to feel mighty small some day when you are lying before him in a nicely finished and beautifully trimmed box and listening to all the nice things he says about you.

The Republic of Cuba is made up of 1200 separate islands.

So far this country has been a match for all external foes, but we are still in danger from the enemies within our border. In this connection it will be recalled that while outside influences tried it, it was local talent that cracked the Liberty Bell.

It Can Happen Here

National Bible Week

Oct. 16 - 22

The time has arrived when every right thinking American irrespective of class, creed or color, must resolutely face the fact that the enemies of religion are now boldly striking from both within and without our borders.

The advocates of godless ideologies are arrogantly leaving no stone unturned to obliterate THE WORD OF GOD so that brute force will prevail through the world.

Just how successful they will be depends upon how steadfast Americans adhere to unwavering FAITH IN GOD.

LET US NEVER FORGET
"WHERE THE SPIRIT OF THE LORD IS THERE IS LIBERTY"

With Our EXCHANGES

ONE CROP DEATH . . .

The farmers in this area or in any other part of the country who believe that the land will stand up under constant year after year planting of the same crop are as foolish as people who think that they can live off one kind of food alone.

Scientists say that one crop land is depleted each year of certain kinds of minerals and each year makes the land a little less productive until it gets to where very little, if any kind of crop will grow on it.

The year after year planting of cotton and grain will eventually wear out the land on the South Plains, until it will be as unproductive as the land in South Texas, where it has been turned over to Johnson grass and to grazing or to dairy farming.

Many of the counties in Central and North Texas that used to produce as much as a bale to the acre year after year, have been turned into pasture because of continued planting of one crop and most of the land that is planted in cotton in North and Central Texas must be fertilized every year in order to get any kind of cotton crop, and most of the time the yield is very low.

of the country will be almost useless in ten or fifteen years, if the present way of planting is continued.

Farmers in this part of the country should take advantage of every means to know what should be done in the way of adding the proper minerals to their land. A. & M. College has a service of analyzing the loam and can give land owners formulas for keeping their land in top condition.—The Slaton Slatonite.

A LITTLE KNOWLEDGE

Our little voice raised in complaint against President Truman is probably a waste of breath for all the good it will do. Besides, perhaps we are prejudiced because we are already tired of the sound on his voice before he starts speaking. However, well-intentioned Mr. Truman is a small man. It is unfortunate that he ever learned to write. And the letters he writes are those that should be posted in the wastebasket before they ever leave his office. His diatribe against the Marines was inexcusable. Now he writes some senator that he would not appoint John L. Lewis dogcatcher. We are willing to bet that John L. wouldn't appoint Harry S. haberdasher. He probably wouldn't even let him fold his handkerchief. But who cares? We agree with Mr. Truman that Lewis should not be favored with a government job. Mr. Truman did not need to write a smart-aleck letter to let anyone know that, it is common opinion. Being of a generation nurtured on a literary diet of incest, adultery and four-lettered words, we lost genuine appreciation for Mr. Truman's choice of language in early adolescence. We think nothing of those words when small boys chalk them on the sidewalk. But from the President of the United States, they ARE embarrassing. — Post Dispatch.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

October 22, 1908

Mr. and Mrs. Z. T. Riley are now the father and mother of a ten pound boy who arrived Sunday afternoon.

Norton Baker left Sunday afternoon for Plainview on a little jaunt. He does not know exactly when he will return.

D. M. Thomas and family, of Durant, Oklahoma, have arrived in Lockney and will live on their farm north of town. Mr. Thomas is a son-in-law of E. V. Hartman.

Mrs. M. F. Kropp left the earlier part of the week for Newton, Mississippi, to visit with Lee Kropp, her son who lives at that place.

Two of the best cotton crops that have yet come under our observation this year are those of G. W. Phillips of west of town and Lank Shaw, of east of town.

At the Floyd County Fair S. D. Mills, of southwest of town eight miles, showed two cabbage heads, one weighing twenty-four pounds, the other twenty-five

pounds, raised in his own garden.

Ivey Thomas returned on Sunday of last week from his trip to Des Moines without having taken up a claim. He said he had to be close to town.

December 13, 1918

John Broyles is expected any day of last week from his trip to Camp Hancock, Georgia. Tuesday morning, John has been mustered out of service. He will be connected with the First National Bank on his return.

Messrs J. B. and B. O. Doss, accompanied by their nephew, John W. Bursleson, of Gatesville, visited at Silverton last Saturday.

Tate Fry returned home Tuesday from Manhattan, Kansas, where he has been attending school.

Mrs. Tom McGehee of the Lake Star community is expected home tomorrow after an extended visit to relatives at Gatesville, Lampassas and Temple.

Arthur Barker is back from the Government Automobile Training School at Austin. He has been mustered out of service.

The First National Bank is painting the interior of the bank, presenting a very attractive appearance. Mr. Moore and son, of Ralls, is doing the work.

Mrs. Frances O'Hearn

Home Demonstration Clubs Making U. N. Flags As Project

Thousands of modern Betsy Rosses are taking their needles in hand and making United Nations flags in preparation for celebrating United Nations Day on October 24.

The goal of this flag-making program is to have a United Nations flag displayed alongside the Stars and Stripes in every rural and city community in the United States on October 24. The purpose of the program is to emphasize the hope for peace for which the United Nations flag stands, and to make the people in every community familiar with the flag.

Mrs. Franklin D. Roosevelt is chairman of a National Citizens Committee which is sponsoring the program, and many city, farm, church, educational, patriotic, labor, and other organizations are represented on the committee, giving a true representation of the citizens of the United States.

The Cooperative Extension Service of the U. S. Department of Agriculture has been given the responsibility of leading the program.

Miss Maurine Hearn, state program leader for the Texas A. & M. Extension Service, reports that plans for the celebration on October 24 are taking shape throughout the state.

For 5 cents each, kits containing patterns and directions for the flags can be purchased from the National Committee on Boys and Girls Club Work, 59 East Van Buren Street, Chicago 5, Illinois. Patterns in the kits are designed for making flags three by five feet in size.

One flag pattern kit was sent to each home demonstration agent in Texas in order that she might hold a demonstration for training leaders in making the United Nations flag. The first flag made in each county is being used for educational and publicity purposes. The flag has a deep sky blue field with a white outline of the world within a laurel wreath in the center.

Work on the flag-making pro-

My Neighbors

By BILL PAULSON

"Liberty is like saving money. You have to watch it like a hawk or it'll disappear in a cloud of false promises!"

ject is progressing rapidly on the county level, with the number of flags planned per county varying from five in some of the more thinly populated counties to 5 or 6 in Smith and Cameron counties.

The Travis County Home Demonstration Club has been given the job of making a United Nations flag for presentation to Governor Shivers on behalf of the home demonstration club women in Texas.

Organizations that have volunteered their help in preparing the program include colleges, public schools, 4-H clubs, farm organizations, parent teacher associations, veterans organizations, business organizations, chambers of commerce, scouts, women's clubs, the Daughters of the American Republic, labor camps and many others.

A training meeting for making the United Nations flag was held by Miss Leila Petty, Floyd County Home Demonstration Agent, in her office on Monday afternoon. Those attending were: Mrs. Albert King of Lone Star; Mrs. W. D. Mount of Starkley; and Mrs. Lynn Miller of Sand Hill. Appropriate programs will be held when their flags are presented in their communities.

I. A. Applewhite spent several days this week in Dallas where he went through the clinic for a check-up.

Huntin' AND Fishin'

By Harve Pennington

Probably the best mountain rifle made anywhere in the world is the .270 W. C. F. The reason is simply that it gives a long, sharp-pointed bullet of good sectional density a velocity of 3,120 feet a second. The bullet for which the .270 was designed (by necking down the 30-06 case) weighs 130 grains. It has practically the same sectional density as the 180-grain 30-06 bullet, but instead of leaving the muzzle at 2,700 it gets away going more than 400 feet faster. At 300 yards the 130 grain .270 bullet is traveling about as fast as the 180 grain 30-06 bullet is at the muzzle, and even at 400 yards it is traveling only slightly slower than the 220 grain 30-06 bullet does at the muzzle. This combination of high velocity given a bullet of good sectional density has produced the most deadly mountain rifle made and the rifle with the reputation of giving the most spectacular one-shot kills on medium game.

The high velocity and flat trajectory makes the .270 easy to hit with. The accuracy in standard 270 rifles is a bit better than the 30-06, just as good as the .257 up to 200 yards and better beyond. Many .270's will shoot into 1 inch or slightly more per 100 yards of range. For ordinary deer hunting the .270 probably has too much power, and a shot in the ham will wreck a lot of meat. However, the .270 users lose no game, so it all adds up in the end. It is on Western mule deer, where ranges are long, that the .270 really begins to show its stuff. Besides the 130-grain bullet at 3,120, all the companies load a 150-grain soft point at 2,770 for woods hunting of deer. That particular bullet

would appear to be all right for larger game, but those who have used it say it goes to pieces too quickly on elk and Moose. A 100-grain bullet at tremendous muzzle velocity of 3,540 was brought out by Winchester during 1938. It will kill small deer like dynamite and it makes out of the .270 one of the finest vermin rifles made. However, for long range shooting the good sectional density of the 130-grain bullet still puts it out in front. The .270 is made in the Model 70 Winchester and in the 721 Remington bolt action.

Mrs. W. E. Jones from Winters, Texas visited last week in the homes of Charlie Merrick, Ben McGhee and Watt Griffith.

Some of these radio announcers should change their tune and frankly say: "Due to conditions beyond our control, we present the program originally scheduled for this time."

We couldn't understand how he kept so fat, when everyone said he ate like a bird, until we discovered he ate a peck at a time.

A farm lad who took a job in the big city returned home a few months later to report he was flat broke in spite of the big pay. He said, "Most of my money I spent on women and whiskey. The rest I just wasted."

Mrs. M. B. Salmon and baby son were dismissed October 13.

Mrs. Rose Baca and baby son were dismissed October 14.

Mrs. Sula Julian is still receiving medical treatment.

J. D. Wood continues to improve.

VISIT IN COLORADO

Mr. and Mrs. Garland Sams and Mr. and Mrs. Gerald Sams went to Grand Junction, Colorado the past week end where they picked up furniture belonging to Garland and returned it here. Mr. and Mrs. Garland Sams have moved to the former Earl Norman farm just south of town.

When some men discharge an obligation you can hear the report for hours.

Longhorns' Loss Narrows Edge

The Longhorns of Lockney were still leading the District 3-A league this week but only because they have played one more game than several other teams. Their loss to the Spur Bulldogs last week end put them in about the same category with Tulla, Paducah, Abernathy, Spur and Ralls. The Longhorns lost to Spur 14-12.

Paducah had to rally in the fourth to defeat an improved Floydada Whirlwind team. The score was 9-0 and both scores were made in the fourth quarter.

Abernathy had no trouble running over the Crosbyton Chiefs. The score was 60 to 12 with the Antelopes playing reserves a good part of the time.

Tulla tied with Dimmitt 0-0 in a non-district game and Ralls had an open date.

Following are the district standings:

Crosbyton	0	3	33	145

This Week's Schedule
 Lockney at Ralls
 Paducah at Abernathy
 Spur at Crosbyton
 Floydada and Tulla have open dates.

Scouts Have Good Meetings Monday

Boy Scouts and Explorer Scouts both had good meetings Monday night of this week. Scoutmaster Art Barker Jr. reported. The Scouts meeting at their regular meeting places, had a good number present, saw a movie and then heard a talk on the Scout Laws and their meaning.

The local troop is still working on hobbycraft and studying marksmanship and the proper handling and care of a rifle. Mort Crapster is master of the Explorer Troop, boys 14 years of age and older and Art is Scoutmaster of the regular Scouts, 11 years and older.

Both groups meet each Monday night and other boys in these age groups who are interested in Scouting are invited to attend.

Mrs. O. J. Welch and family of Aiken recently had as visitors her parents, Mr. and Mrs. D. N. Nixon, her brothers, D. N. Jr. and Jasper Nixon, and Mrs. C. H. Poston, all of Glendale, Arizona.

Sterley News

by Mrs. M. A. Boone

There's a helping hand waiting — wherever you drive!

AROUND THE CORNER from your home or in strange cities — along lonely roads — high on mountains and deep in the valleys — the nation's 250,000 service stations are ready to welcome you and help you wherever you drive.

The men in these stations play an important role in the life of every American community. They are on the job for you, ready to keep your car fueled, serviced, and rolling smoothly, doing their part to keep America constantly moving ahead.

The competition among these dealers for your business results in higher standards of service... helps bring you better... more efficient oil products. And the

same rivalry pays off for you in every branch of the oil industry. Thousands of individual oil companies and the services of more than a million men and women provide the oil products that result in better living, greater comfort, more conveniences for you.

The helping hand of your neighborhood dealer... symbolizes the progress that, spurred on by rivalry, will continue to mean so much to you and to all Americans in the years ahead.

Oil Progress Week
 October 15th-21st
