

Second 6-Weeks Honor Roll Has Lots Of Names

Following is the honor roll for the second six-week period in Lockney schools:

Seniors: Betty Clark, Stanley Bonner, Roylene Hall, Wanda Ellison, Barbara Mullins, Jeanette Pickens, Mary Sammann, Verne Seigler, Jean Willis.
Juniors: Bobby Dorman, Marie Wheeler, Gayle Sherman.

Sophomores: Norton Baker, syndolyn Beauchamp, Frances Copeland, Elizabeth Hand, Nita Kellison, Rayford Marr, Dorothy Marr, Patricia Pynt, Audrene Rhine, Alfred Smith, Donald Ray Wigginton, E. Wiley.
Freshmen: Ann Belt, Johnnie Bonner, Barbara Carthel, Edon Fortenberry, Eddie Joe Pester, Ray Johnson, Sandra Myers, Jimmy Myers, Delores Russell, Lynn Snider, Harlene Workman.

GRADE SCHOOL HONOR ROLL

1A: Leroy Miller, Craig Tanna, J. Janis Carthel, Suzan Harper, Wanda Harris, Paulette Kropp, Nancy Webster.

1B: Jo Beth Beauchamp, Tony Terburn.

2A: Warren Mitchell, Jerry Merrill, Levata Jones, Frances App, Carolyn Harris, Louise Gillman, Raymond Wilson, Janice Boedecker, Bertha Amaya, Bonnie Allen, Linda Barnett, Janice Rose, Wayne Cooper, Charlotte Taylor, Ann Brown, June Caldwell.

2B: Ruth Ann Rivers, Margaret Schacht, Rodney Rigby, Larry Wayne Stapp, Nancy Jo Schacht, Gerald Kent.

3A: Richard Farrel Dollar, Donna Gail Boughman, Patricia Key.

3B: Joe Cox, Dan Smith, Shirley Ginn, Beverly Simmons, James Davis, Donna Workman.

4A: Debra Ferguson, Wayne Ginn, Janice Hays, Patsy Mae Anderson, Jackie Calahan, Lawana Taylor, Leslie Wilkes, Stephen Handley, Joe Galvan.

4B: Wetia Joyce Kent, Nancy Gillman.

5A: Jerry Davis, Charlyne Brown, Jean Wofford, Gayle Schacher, Sally Cox, Kay Golden, Paul Schacht, Hope Cox, Loy Brien, Larry Hammit, Bobby Mills, David Howell.

5B: Johnnie Hanst, Wanda Cox, Floy Baxter, Patsy Bayley, Mary Margaret Virden.

6B: Gerald Huckabay.

7A: Clydene Terrell, Patsy Perce, Eddy Lynn Hammonds, Nellie Joyce Ratliff, Clara Smith.

7B: Betty June Jackson, Carolyn Campbell, Frankie Dean Hardy, Eldora Boone.

7C: La Donna Ayres.

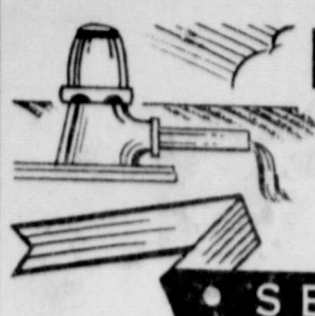

8A: Nell Cunyus, Jerry Holmes.
8B: Joan Harris, Barbara Hays, Betty Jo Holmes, Patsy Martin, Mijio Wilkes, Betty Machen.

Providence School Honor Roll Announced
The following is the Providence school honor roll as announced this week:
First Grade: Larry Boedecker, Luanne Kay Buhrkuhl, Rickey Mills, Dorothy Murphy, Bill Wiley and Herbert Smith.
Second Grade: Frances Jones, Wanda Matthews, and Donna Smith.
Third Grade: Ronnie Johnson, Mary McLaughlin, and Valera Sammann.
Fourth Grade: Roberta Buhrkuhl.
Sixth Grade: Carolyn Jo Sammann.
Seventh Grade: Focine Boedecker, Maebeth McLaughlin, and Frances Sammann.

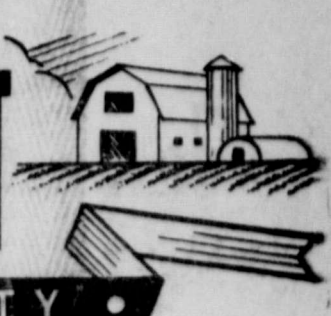

Santa Claus Coming To Aiken
There will be a community Christmas Tree at the First Methodist Church of Aiken Wednesday night, December 20 at 7:30. Santa Claus with his bag of toys will be there. Everyone is invited to come.

Post Office Will Be Open Sat. P. M.
For the next two Saturdays, the post office will remain open during the afternoons. Postmaster H. B. Machen announced this week. This is being done, of course, to facilitate the handling of Christmas packages. It is necessary for the post office to close at noon on Saturday.

Watch your expiration date.

THE LOCKNEY BEACON

• SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY •

VOLUME 49

LOCKNEY, FLOYD COUNTY, TEXAS, FRIDAY, DECEMBER 15, 1950

Number 15

Lockney Returns To 3-A Football

By choice of local school officials, the Lockney Longhorns will play football in District 3-A next year instead of District 2-AA in which they were tentatively placed by the Texas Interscholastic League recently.

Under a reorganization plan recently announced by the T. I. L. Lockney was placed in District 2-AA along with Floydada, Tulla, Hereford and Canyon. However since the division line between A districts and AA districts is 200 students enrolled in high school and the local high school has only 186, the local school officials decided that it would be wiser to play in the lower district. The school then withdrew from district 2-AA and entered 3-A.

On Monday night of this week school officials of District 3-A met at Abernathy and completed their organization and set their schedule of play. Schools in the new district with Lockney will be Abernathy, Crosbyton, Kress and Hale Center.

Supt. Sidney Reeves said this week that he felt the local team would be more successful in meeting schools of their size than in playing teams from schools with as many as 449 enrolled in high school. Larger schools now playing in AA football include Childress, Levelland, Littlefield and Hereford. For the first time probably in the history of the schools, the Longhorns will not be playing in the same class with Floydada. Floydada must play AA football since they have more than 200 enrolled in high school.

However, the locals will play Floydada in a non-district game along with Littlefield, Paducah and probably Tulla and Ralls.

The local school could play in Class AA by being voted into the district, which the schools in the district were willing to do, Mr. Reeves said, but they chose rather to play with the smaller schools.

Following is an incomplete schedule for the Longhorns for the 1951 season:

Sept. 7—Littlefield there.
Sept. 21—Paducah there.
October 5—Kress there*.
October 12—Floydada here.
October 19—Hale Center here*.
October 26—Crosbyton here*.
November 2—Abernathy there*.

Dates for the Tulla and Ralls games have not been set.

Other Changing
Meanwhile there were a number of other changes in the area football set up. Clarendon dropped from 3-AA to 3-A and Shamrock moved from 1-AA to 3-AA. Other moves are pending.

GO TO CHURCH SUNDAY.

December 20th Last Date To Enter Decoration Contest

December 20th is the last date that entries will be received in the Lockney Business & Professional Women's Christmas home decorating and lighting contest, Mrs. Estelle Powers said this week. Some entries have been received but she urged that others enter soon.

It is not necessary to light the home elaborately to enter, Mrs. Powers pointed out. Judging will be based on originality and beauty and these can be had without a great deal of expenditure. No charge is made for entering. Entry should be filed with Mrs. Powers.

Harvest Queen Will Be Crowned

Harvest queen of Lockney High School will be crowned in a ceremony tonight (Thursday) at the City Auditorium. Just who the queen will be will not be revealed until the ceremony however. Each high school class has a candidate and the candidate who receives the most votes will be crowned in the Thursday night ceremony.

Candidates are Iva Simpkins, freshman, Wynelle Keeter, sophomore, Bonnie Singer, junior, Nelinda Schaffner, senior.

In addition to the crowning ceremony, each class in the high school will present a short skit or play. One of these is a womanless style show and promises to be very funny.

The program will begin at 7:30. Admission charge of 35c and 60c will be charged and the proceeds will go toward the stage improvement project at the auditorium.

Bill Canon Asks Song For Mother

A "round-robin" request program between an Air Force radio station on Luzon in the Philippine Islands and KVOP, Plainview, will result in the song, "Beyond the Sun Set" being played over KVOP Friday about 4:30 p. m. dedicated to Mrs. Minnie Canon of Lockney by her son, Cpl. Bill Canon, who is now stationed in the Philippine Islands.

Bill filled out a request for the song with the notation "to the most wonderful woman in the world" and it was forwarded to the local station by a service club in the Philippines. In return Mrs. Canon will send a request for a song dedicated to Bill and it will be played over the Air Forces station on Luzon.

Bill is now stationed at Clark Air Force base in the Philippines.

Negro Woman Is Killed By Blast From Shotgun

Betty Johnson, about 55 years old, was killed almost instantly early Tuesday morning when struck by a blast from a single barrell sawed-off shotgun fired by W. C. Bruton. Both are negroes.

Bruton, who is 24 years of age, is in the county jail at Floydada charged with murder.

The shooting occurred in a shack on the France Carthel farm, a few miles northwest of Lockney. Both of the negroes were transient cotton harvest hands. Contrary to reports here they were no relation.

Two other negro men, December Whitaker and Billy Johnson, witnessed the shooting. They reported that the two had been quarreling through a partition which separated their living quarters. Apparently the negro man picked up the weapon, walked out of his quarters around the building and shot the woman who was either standing in the door or in the room where she lived.

Other negroes ran to the Carthel home and informed the Carthels that "there has been a shooting." Mr. Carthel then called Deputy Sheriff Olin Poteet who went to investigate and found the woman lying on the floor of her room. The charge had struck her in the right shoulder.

The dead woman and the other negroes in the crew lived at Nacodoches. She has several grown children, the other negroes said. The body was still at Carter Funeral Home here Tuesday awaiting instructions from relatives.

The negroes were all members of a crew working for a man by the name of Henry Pinkerton. They had pulled cotton for a number of people in the area but were not working for the Carthels at the time of the shooting. There had been no previous trouble among the negroes, it was said and they had all played dominoes together the previous night.

"66" Drive Inn Has New Owners

The "66" Drive Inn on Highway 70 in south Lockney has new owners this week. Mr. and Mrs. W. M. Patterson and Mr. and Mrs. Truman Mooney, all of Plainview, have recently purchased the cafe from Leonard Shelton and are now operating it.

The proprietors offer short orders, steaks, lunches, good coffee, pop and ice cream. They are open from 6 a. m. until 2 a. m. each day.

Dr. Crum Starts Work Thursday

Dr. K. O. Crum, recently named to head the staff of the Floyd County Co-operative Hospital here, will start work Thursday morning of this week, hospital officials said.

Dr. Crum and his family moved here the past week end from Leonard, Texas. They are living in the Ridgeway house on East First Street.

Dr. Crum has practiced at Leonard for the past four years and previously served with the Army Medical Corps during World War II.

Man Loses Foot In Train Accident

J. E. Miley, 58 years of age, had the lower part of his left foot severed by a train last Thursday night on the Santa Fe tracks near the National Alfalfa Mill. Miley was walking along by side of a moving train when he said something hit him, knocking him to the ground. His left foot fell on the track and was caught by one of the train wheels.

The foot was amputated between the knee and the ankle at the hospital here. He was reported to be improving this week.

Miley had been living in one of the houses at the Lockney Labor Camp and was pulling cotton in this area. It was reported that he had been to the National Alfalfa Mill seeking employment when the accident happened.

His home is at Nacodoches where his family resides.

Art Masterpieces To Be Shown Here Friday Evening

One hundred and fifty prints from the brush of the great painters of the world will be shown in an Art Exhibition at the high school gymnasium Friday evening of this week. The exhibit will open at 7:30.

School officials are inviting the public to come and view the exhibit. It includes famous portraits, landscapes, marines, and pastoral scenes in the colors of the original canvas.

Students of the school will be present to tell of the origin of the pictures and explain other details concerning them.

Money derived from admission charged those who attend the exhibition will be used by the school to buy some of the pictures.

E. P. JONES HAS SURGERY
E. P. Jones underwent major surgery in the Northwest Texas Hospital at Amarillo Wednesday, December 6. He was returned home Tuesday of this week and is recuperating nicely.

SANTA IS COMING TO LOCKNEY NEXT WEEK; PROGRAM PLANNED

Polio Drive To Start Soon

The drive in Floyd County for funds to fight the dread disease of polio will start within the next few days. The drive is being organized already and plans are being drawn up.

Dr. W. G. Collins of Floydada, county chairman, has announced that Jake Watson will serve as campaign chairman this year for the county with Bob Miller handling Lockney and the north end of the county and Guy Ginn in charge of the south end including Floydada.

At Lockney Miller has announced that Albert Willis will be chairman of the special gifts campaign which will precede the regular campaign. This will be an effort to secure contributions of from \$10 to \$25 or more from those who are able to contribute that much.

The March of Dimes will be held January 15-31 as usual this year. The larger individual contributions are necessary because of the fact that Texas has a deficit of \$300,000 now in the fund for treating polio cases. Last year this state reported almost one-tenth of the nation's cases of polio and many county organizations had to secure funds from the national organization to take care of their local needs.

Due to the fact that those who are leading the campaign are busy, every citizen is urged to cooperate and help and any way they are asked to in order that the campaign will be successful. The need for funds to take care of victims of this disease is great. Everyone should help.

Floydada Boy's Body Recovered From Icy Lake

The body of Allen R. Coleman, 18-year-old Floydada Negro youth, was recovered from a lake on the Ed Brown farm 7 miles east of Lockney late Friday afternoon. The body was located by members of the Lubbock Fire Department who were called to aid in the search.

The youth, a student at Prairie View College at Prairie View, drowned early Friday morning. He and two brothers, Anderson Coleman, Jr., were hunting ducks when the tragedy occurred. They had crippled a duck and young Coleman walked out on the ice to recover the bird. He broke through before reaching the duck.

The lake was frozen over with the exception of a small area in the center. The water was about 8 feet deep where the body was recovered.

Members of the sheriff's department, the Floydada Fire Department and citizens worked for hours trying to recover the body before Lubbock firemen arrived with grappling hooks.

Survivors are the parents, Mr. and Mrs. T. J. Coleman, Sr., and six brothers.

Lions Want Used Toys For Baskets

The Lockney Lions Club this week requested that local people donate used toys to the club to be placed in baskets for underprivileged children.

The club plans to pack baskets for needy children of the area and distribute the baskets just before Christmas. They hope that will be able to include also a used toy or two.

Those who have toys they wish to donate may leave them at Hammond & Company office here. Anyone knowing of a family they especially want the Lions to remember in their visits should turn the name in to some member of the club, officials said.

Santa Claus is coming to Lockney and he will be here in one form or another all next week. Lockney business men are this week completing plans for a week of Christmas programs, a special Santa Claus day and general distribution of Christmas cheer.

High light of the week will be a visit here on next Thursday by Old Santa himself. He will bring along a bag of candy and fruit for every boy and girl who is present that day. Santa will make his appearance here in the business district—his mode of travel is still a secret—and he will hand out the candy and fruit to the boys and girls.

The week's program will begin Monday afternoon with a group from the grade school singing from a platform erected on Main Street. The program will start about 2:30 and the kiddies will sing Christmas carols. At 3 p. m. the same day the band will perform and that will be followed by special accordion music by Nita Kellison, according to announcement from the program chairman, Brad Seale, this week. Following the program Christmas cheer will be distributed by the Appreciation Day merchants of Lockney, this being repeated every afternoon during the week at 3:45.

On Tuesday starting at 3 p. m. the high school chorus will sing some carols from the same platform and church groups will also perform for the crowds.

On Wednesday afternoon starting at 3 p. m. the Lockney High School Band under the direction of Gene Trimble will perform and church groups will again render Christmas carols.

Thursday is the big Santa Claus day and no special program is planned for that day.

On Friday afternoon starting at 3 p. m. Joe Amaya will sing accompanied on the guitar by Wayne Bybee. The Rotary Club quartet will also sing for the crowds.

Saturday, December 23, will be another big day with a free show for the kiddies at the Plains Theatre starting at 1:30 p. m. The show will be a cartoon carnival and one that every kiddie will enjoy. The regular Saturday afternoon show at the Plains will start at 3:15.

Following the free show it is planned to turn a number of turkeys loose from the tops of local business buildings and possibly a greased pig.

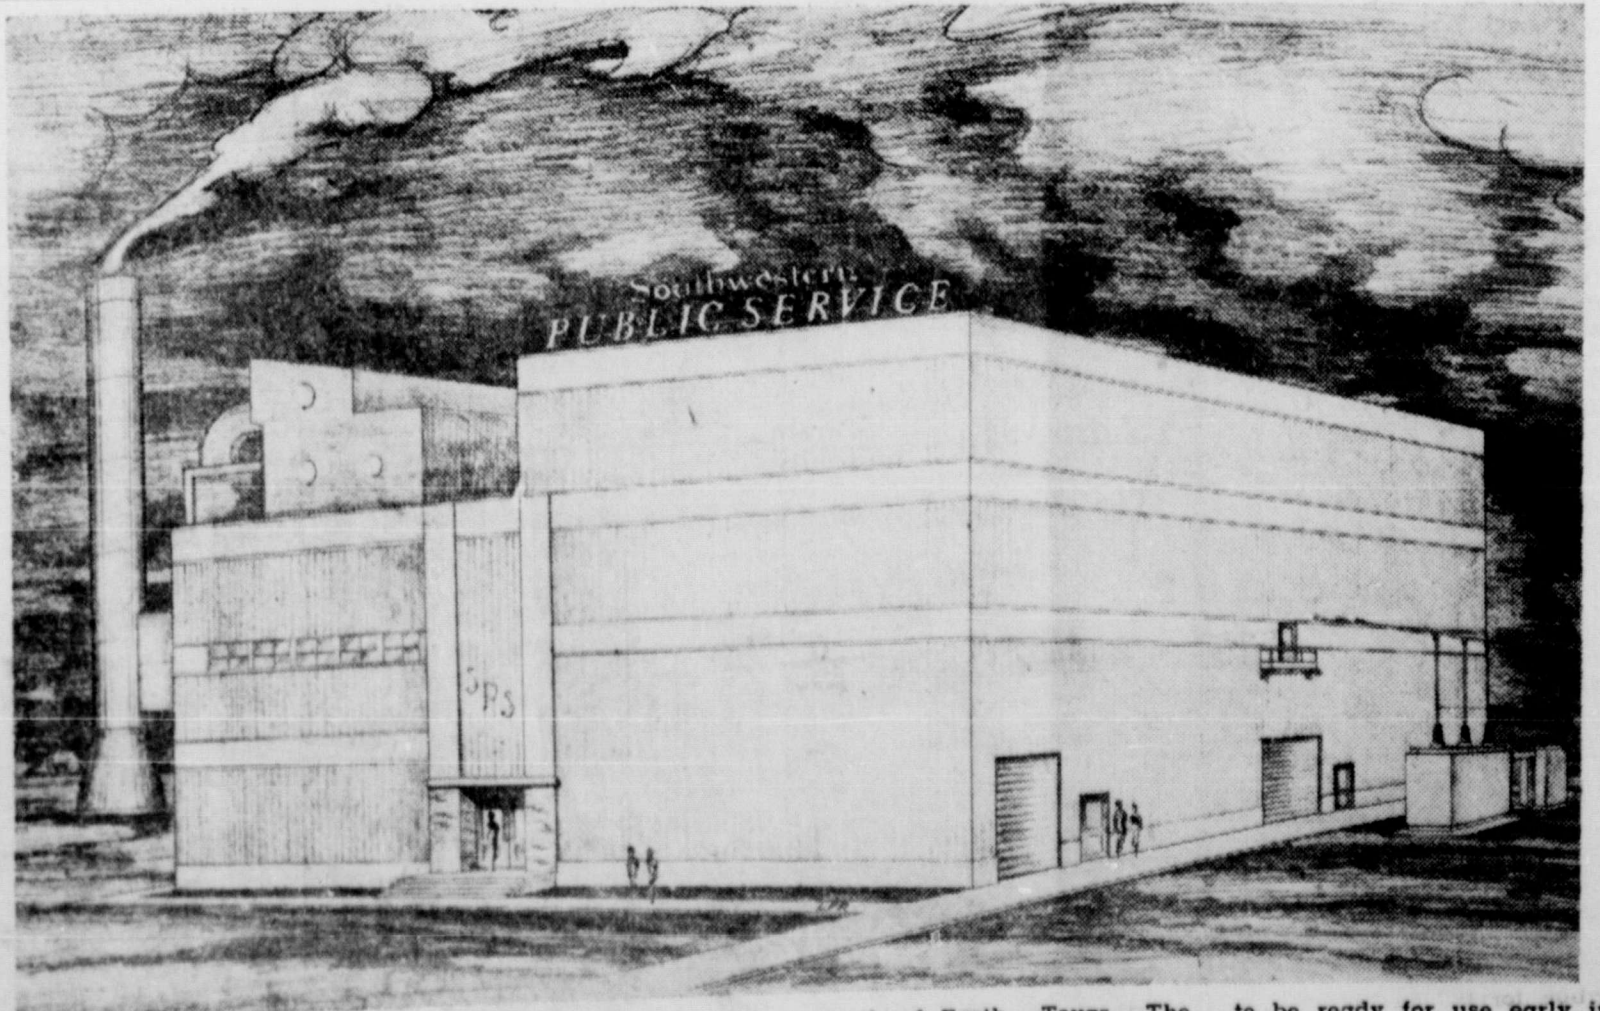

Plans also include further decorating of the business district, as well as entertainment every day next week.

The following committees were appointed at a meeting of the local business people this week: Gift committee, Mrs. Arthur Roberson, O. V. Pylant, Bob Knox; Decoration committee, Clyde Stowe, John Bilbrey, Dwight Jackson; Entertainment committee, Brad Seale, Mrs. Lena Fae Sweatt, Mrs. M. W. Wiley, Barry Barker, Harley Wright, Gene Trimble and Mrs. Rusty Baccus; Santa Claus committee, Bud Brunner and F. L. Brown; Finance committee, S. G. Miller, J. E. Cox, Claude Hammond; Drawing committee, Barry Barker and Marvin Cox.

MEMBER OF TEXAS PRESS ASSOCIATION

EDITORIAL

Be of good courage, and he shall strengthen your heart, all ye that hope in the Lord.—Ps. 11:24.

There is a lot of people who indolently and mistakenly believe that peace can be kept by doing nothing. The rest of the people believe that if we are going to enjoy peace we are going to have to contend vigorously for it. Our faith is with the latter group.

Most cigarette advertising has reached the point of low drive. If it sells cigarettes most of us are going to have to lower our concept of the median of human intelligence.

We can't always control what goes in the ear but we should control what comes out of the mouth.

I have found out, a local minister tells us, that the church member who goes to church because his wife makes him, or because he thinks the preacher expects him to is never as valuable a member as the fellow who goes to church because he likes to

go and enjoys the service. Of course a minister likes to see all the pews full when he gets up to preach, because he hopes that some good seed may fall on theretofore barren soil, but he knows in his heart that twenty members with an active interest in the work of the church are worth more and will accomplish more than a hundred individuals who have little or no interest in the work of the church.

We like people to be real, and themselves but we have to admit that a sunny disposition beats a grouchy disposition all to pieces even though it is wholly artificial.

We must go through this dark, dangerous and difficult period of years, but I am optimistic about the out come. Any person who wants to live a peaceful quiet uneventful life has just picked the wrong time to live.—David Lilienthal, former Atomic Energy Commission head.

We have reached a point in our finances where the government scarcely mentions millions any more. This is a billion dollar age. How much is a billion? Few know or stop to think but some one in an effort to define a billion says that it is enough money to pay for constructing two rows of new \$10,000 homes on both sides of a mythical residential highway reaching from New York to Chicago, a distance of 800 miles with each house on a 100-foot lot. That seems like a lot of houses, but a billion dollars is a lot of money.

An increase of \$10 a ton in the price of newsprint has been announced by practically all of the paper mills. It doesn't sound like much to the average person but the average daily in a town of 100,000 uses around 2500 tons of news print in a year. This means that expenses for such papers have been suddenly upped \$25,000 a year. The increase in cost to smaller papers, while less, presents a problem no less serious.

The experts believe that the present allied offensive will clean up Korea. After Korea, Russia, if she follows the predicted form will start trouble elsewhere and create another mess for us to clean up. Russia will contribute a few officers and some Russian equipment but will allow the stooge nations to contribute the men to be fed into the war hopper. Thus we will be nicked here and nicked there and our reserves dissipated in costly clean up jobs like Korea.

THE AMERICAN WAY

Up To His Neck

With Our EXCHANGES

ARMY STRIPPED

The Army has been so stripped of fighting men to support the campaign in Korea that it will be "seven to eight months" before it will have divisions ready to fight anywhere else in the world, declares General Mark W. Clark, Commander of the Army's field forces.

At first blush, there will be people to suggest that General Clark was indiscreet in making this statement. Nevertheless, the fact is probably well known to all other countries, including Soviet Russia and, consequently, no harm can be done by the statement of the General.

Some good may come from a frank statement of the position in which the nation finds itself. With Congress facing the need of passing a Universal Military Service law, it is well for the people of this country to know how it stands from a military standpoint. Obviously, if the relatively small exertions of a Korean campaign render the nation

practically impotent, it is high time for Congress to take steps to prepare the nation's defense for a more serious crisis.—Hereford Brand.

LET'S WORK . . .

The idea of a work program carried out by county prisoners has several features that recommends it for Crosby county.

Since imprisonment for minor offenses is aimed primarily at a "rehabilitation" of the individual involved, the prisoner's welfare should be first.

Observation leads us to believe that the petty criminal has a far greater horror of honest work than of spending 30 to 90 days in the comparatively pleasant surroundings of a county jail, where he is fed and looked after like a circus seal.

Spending eight hours a day on productive labor would improve the prisoner physically. We are all familiar with the expression that an idle mind is the Devil's

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

December 17, 1908

Will Wofford and wife entertained a large crowd of the Lockney younger set Friday night at their home northeast of town.

C. V. Young, of Plainview, formerly a Lockneyite, was on business in this burg the latter days of last week.

Mort D. Thomas, of northwest of Lockney is rejoicing with his wife over their little girl baby which came on the scene Thursday morning, December 10.

Last Sunday morning at 10 o'clock Calvin Copeland and Miss Katie Boswell drove up in front of J. D. Burleson's home and were quietly married by him, only a few friends being present to witness the solemnization of the vows.

Ed Burrus and his wife were host and hostess Tuesday night to a large crowd of Lockney's boys and girls, everyone of whom spent a very pleasant evening.

The young gentleman, probably Turner E. Jr., who arrived at Mr. and Mrs. T. E. Cowart's home Friday night almost two weeks ago, has our unqualified

workshop. Hard, honest work and an idle mind do not go together.

With the present condition of the county's roads, the idea of a labor program is again recommended. In many counties in Texas the roads are maintained by prisoner labor, and at greatly reduced cost. In addition, there are hundreds of jobs for prison labor that cannot be recruited elsewhere.

We hope the idea of putting county prisoners at productive labor receives some consideration from the County Commissioners. While there are apparent and obvious difficulties in enacting such a program, they have been overcome in many other Texas counties, and can be overcome here.—Ralls Banner.

apologies for the neglect given him in these columns.

February 14, 1919

Mrs. Robin Baker spent a few days this week visiting at the home of her parents, Mr. and Mrs. G. W. Smith of Sand Hill.

Mr. Rexrode, who lives in the Lone Star community, was in the city Tuesday for the first time in several weeks on account of illness with the flu.

Mr. Joe Kubik, of Miami, came in last Friday to take charge of Locke Brothers stock of merchandise at this place.

Mr. Kenneth Burns of this place has been elected treasurer for the Cousins Literary Society in the West Texas State Normal College.

N. S. Locke made a business trip to Amarillo and Miami this week. He will return today.

Frank Walp, wife and children of Kansas City, is here on a visit to Mrs. Walp's father, I. N. Dilard.

Marshall Davis, Corley Ayres and Lee Wofford left Tuesday for Wichita Falls. Marshall and Corley will put in a tent rooming house there.

Letters To Santa

Dear Santa: Please bring me a doll ironing board and iron.

Nadine Cumble.

Dear Santa: Please bring me a doll big enough to wear baby clothes, a bracelet and necklace to match, some nylon loafer socks. Please leave Jimmie something.

Thank you, Janie Reynolds.

Lockney, Texas Dec. 10, 1950

Dear Santa Claus:

I am a little girl seven years old and in the second grade. Mrs. Ben Wood is my teacher.

Will you please bring me a "Tiny Tears" doll, a bassinet for my doll, an electric train, a toy "Coke" machine, a little card table and chairs. Please Santa fill my stocking with nuts, candy and fruit.

Love, Janice Boedeker.

Lockney, Texas December 11, 1950

Dear Santa:

I am a little girl 4 years old. I have a little brother 3 years old and a sister 4 months old. Please bring me a doll and doll buggy. My brother, David would like to have a cap gun and holster. My little sister, Diane needs a new baby rattle.

Remember all of the other little boys and girls, too.

Love, Linda, David, and Diane Scheele.

Texas 4-H'ers Honored for Best Achievement Record

STATEWIDE recognition has been accorded E. P. Wicker, Jr., 19, of Wilson, and Yolanda Ellis, 15, of Plainview. Each will receive an artistic pair of statues symbolizing achievement from the National Committee on Boys and Girls Club Work.

E. P. Wicker, Jr. Yolanda Ellis

Young Wicker's achievements include completing 25 projects during his nine years in club work. He won a scholarship for outstanding junior showmanship and nine grand champion blue ribbons on livestock demonstrations. He was National Dairy Production Winner in 1949 and received \$300 college scholarship. E. P. has made 61 exhibits, given 26 talks and written 30 stories on 4-H meetings and events. The youth is president of the county council, having served as vice-president five years and junior leader of his local 4-H Club for six.

A diligent worker, Yolanda has completed 25 projects, including clothing, garden, food preparation and home improvement. She has given talks and written stories about community, school and 4-H Club events, and has made 201 exhibits. She has won many noteworthy honors, and more than \$200 in cash prizes. Yolanda serves her local club as junior leader.

All of these activities are conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

Dear Santa: I love you very much. Please bring me a life-size doll, so it can wear my baby clothes. I would like a mickey-mouse watch and a box of fudge.

Don't forget Joe and James and my good friends, Frank and Robert.

I will fix you a glass of milk and cake in the den.

Love, Charlotte Ann Taylor.

Before you decide to go around with a married woman, be sure you can go two rounds with her husband.

Dear Santa Claus: I am a little girl, not very large, just six and a half months old, but I would like a few things for Christmas if you have them to spare.

I would like a dollie, a teddy-bear, and a sweet-heart bracelet. Please don't forget any of the other little boys and girls anywhere. We will all be looking for you.

Bye, Bye, Sherry Lynn Carthel.

Dec. 8, 1950

Dear Santa Claus:

I am going to be at Lockney to visit my grandmother, granddaddy, and granny for Christmas, so please bring my toys at Lockney, Texas.

I am trying to be good, so will you please bring me a roller-skate dollie and her name is Sue, a new record to play, a little bicycle with four wheels or a play ground swing and anything else you want to bring.

I love you, Susan Meriwether 219 Thomas Dr. El Paso, Texas.

VISITS IN DALLAS

Mr. and Mrs. Alvin Nichols, Mr. E. C. Cox of San Bernadina, Calif. and Miss Louella Cox, of Tulla returned home Thursday morning after visiting in Dallas with Mr. Cox's granddaughter and family, Wm. H. Powell.

Sunday, December 3, Mr. Cox attended a family reunion in McGregor.

Get your office supplies at The Beacon Office.

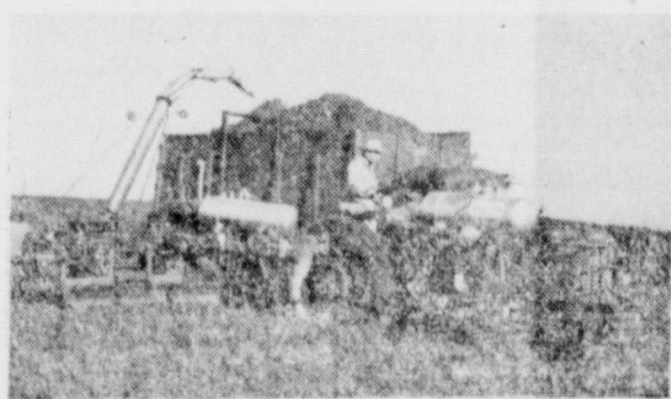

Mr. Farmer-

The Baker Flash-O-Trac System is Worthy of your immediate Consideration.

BECAUSE

- 1. It is Low in Cost. 2. Safer Than Gasoline. 3. Safer Than Other Butane Tractor Systems. 4. Cuts Fuel Cost 50%. 5. Cuts Oil Cost 50%. 6. Cuts Motor Repair 50%. 7. Doubles Motor Life. 8. Thieves Can Not Steal Fuel. 9. Quick, Safe to Fill Fuel Tanks. 10. Starts Easy or You Can Start on Gasoline. 11. Easy to Switch Back and Run on Gasoline if Fuel Tank Runs Empty. 12. The Most Simple System to Operate. 13. The Most Trouble Free System Sold for Money in U. S. A.

INVESTIGATION COSTS NOTHING WHY NOT COME TO SEE US NOW AND LEARN THESE FACTS FIRST HAND?

Pictured above is a Denver Alfalfa Owned and Operated Tractor and Cutter. They Investigated and Installed One Rig For a Few Weeks Try-out and Then Had Us to Install Flash-O-Trac Systems on All Their Plainview Rigs.

- ALSO -

The A.A.A. Alfalfa Milling Co. of Plainview Had Flash-O-Trac Systems Installed on All Their Alfalfa Cutting Rigs—Both Above Firms Are Very Happy With Their Flash-O-Trac Systems.

We And Our Now More Than 125 Dealers Have Sold and Installed More Than 1500 Flash-O-Trac Systems . . . More Than 1200 Since June 1st.

NO OTHER BUTANE SYSTEM IN ITS CLASS . . . THIS REGARDLESS OF PRICE — WE INVITE YOU TO COME TO SEE US

Baker FLASHOTRAC CO.

Methodist Notes

Our Church School is growing. Every parent should bring their children to Sunday School every Sunday. Do not send them. Bring them. We have a class for every age. When Dad and Mother attend it is certainly a good example for the children; of course if for some good reason you can't come, then send the children.

We are fixing two new Sunday School rooms. One for the Nursery and one for the Primary room. These two groups have out grown their rooms. We are always ready to make more room for the class that has out grown their meeting place.

At Christmas we always give an offering to our Home at Waco. We have over 400 boys and girls in the home. The only father and mother they have are the people like you and me that give an offering for their care. Let us be generous. This Christmas gift is what keeps the Home going.

THOUGHTS FOR THE WEEK: In as much as ye have done it unto one of the least of these my brethren, ye have done it unto me. Matt. 25:40.

God loves a cheerful giver. II Cor. 9:7.

It is more blessed to give than to receive. Acts 20:35.

N. S. Daniel, Pastor.

Rt. 1, Lockney Dec. 11, 1950

Dear Santa:

I am a little girl three years old. I have been a good little girl. Please bring me a little piano my size, a baby doll, candy, fruit and nuts. I'll hang my stocking up for you. Remember my little friends.

Love, Debra Jan Brandes.

The loose-leaf system dates back to the Garden of Eden.

We've never yet seen a boy crawl under a tent to a revival meeting.

The dresses women wear to teas sure do.

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: J. R. Vandergriff and the unknown heirs of J. R. Vandergriff, Deceased, their heirs and legal representatives, Defendants
Greeting:
You are hereby commanded to appear before the Honorable District Court of Floyd County at the Court House thereof, in Floydada, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 22nd day of January A. D. 1951, then and there to answer Plaintiff's Petition filed in said Court, on the 5th day of December A. D. 1950, in this cause, numbered 3927 on the docket of said court and styled H. C. Griffiths, et ux, Plaintiffs, vs. J. R. Vandergriff, et al., Defendants.

A brief statement of the nature of this suit is as follows, to-wit:
Sue by H. C. Griffiths and wife, Eva P. Griffiths, against J. R. Vandergriff and the unknown heirs of J. R. Vandergriff, Deceased, their heirs and legal representatives, as defendants, in trespass to try title involving the following described real estate situated in Floyd County, Texas, to-wit:

A small tract of land 99 by 55 feet out of the South central part of the R. M. Emerson Survey No. 7, Block S. C., Floyd County, Texas, Abstract No. 610, Patent No. 477, Volume 27, dated June 13, 1895, described by metes and bounds as follows:
BEGINNING at a point 850 feet East and 30 feet North of the Southwest Corner of said Emerson Survey;
THENCE North 55 feet for the Northwest corner of this tract;
THENCE East 99 feet for the Northeast corner of this tract;
THENCE South 55 feet for the Southeast corner of this tract;
THENCE West 99 feet to the place of beginning; said tract being the West 99 feet of Lots Nos. 1 and 2 in Block 32, of the Rail Road Addition to the town of Lockney, Floyd County, Texas, as shown by the plat of such addition of record in Volume 22, Page 467, of the Deed Records of Floyd County, Texas;

plaintiffs alleging that they were lawfully seized and possessed of such premises, claiming same in fee simple, on December 1, 1950, on which date defendants unlawfully entered thereon and ejected plaintiffs therefrom to plaintiffs' damage in the sum of \$300.00; the reasonable rental value of the premises being \$10.00 per month; plaintiffs alleging that they and those under whom they hold and claim have had and held peaceable, continuous and adverse possession of such premises, using and enjoying the same for a period of more than ten (10) years next before the filing of Plaintiffs petition in this suit; plaintiffs praying for judgment for title and possession of said premises, for damages, costs, writ of restitution, and general relief, as is more fully shown by Plaintiffs Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. If this citation is not served within ninety (90) days from the date of its issuance it shall be returned unserved.

Issued and given under my hand and the Seal of said Court, at office in Floydada, Texas, this 5th day of December, A. D. 1950.

ATTEST: Mary L. McPherson
Clerk, District Court, Floyd County, Texas.

Bids To Be Opened On Tech Building

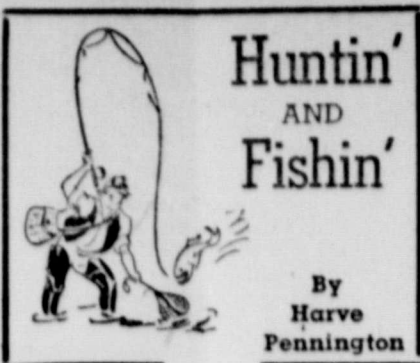

Lubbock. — The New Student Union Building at Texas Technological College became near-reality today with the announcement that the Board of Directors will open bids on the structure at the Feb. 10 meeting.

The building plans were approved by the Board last August but it delayed action because of the Korean war. The structure is expected to cost \$500,000.

Profits from the Texas Tech bookstore will pay for the greater part of building costs, \$400,000. The other \$100,000 will be furnished by concessions operated on the campus by the Student Association, plus gifts.

Driving with one arm around the girl friend is sure to end in a church ceremony—either a wedding or a funeral.

Liquor may be a slow poison, but some fellows must think it's a good way to die in a hurry.

Huntin' AND Fishin'

By Harve Pennington

Outdoor photography is one of the most interesting and entertaining activities you will encounter on your vacation or outing trip. The pictures you take will be a pictorial record of your trip. You will find profusion of photographic material that will leave you with a treasure of photographs to delight you for the rest of your life. Snap shots of your favorite lake or stream will be treasured. Records of

fish caught, game killed, interesting places visited, mountains climbed, unusual experiences can be made permanent if you take your camera along. Boat trips, camping trips and other outing experiences will furnish camera records that will increase in value and pleasure as time goes along.

The chief thing to remember when taking pictures of wild life is to study the animal and its habits so as to discover its haunt. Then set up your camera in a blind and wait, patiently. The picture you get will reward you for your trouble.

It is important to act quickly in outdoor camera shooting, and you can do this kind of hunting and shooting the year around without fear of the warden. Then when the big moment comes you

will not miss good pictures. A picture snapped where the subject is not aware of it, is more dramatic than when staged.

There are a good many of our local sportsmen have movie cameras and they have some good pictures on their hunting and fishing trips. Mr. and Mrs. Clyde Applewhite made some good pictures on their trip to Europe. Jake Griffith, Clark Harris, Ike Johnson and a number of the other boys made some good pictures at the Yellowstone National Park and in Colorado.

Ha there, the duck season closes next Sunday. Don't shoot any on Monday.

Too many people waste their time until their time is about gone.

This modern world has reached the point where a switch regulates everything but the children.

The most bankrupt man in the world is he who has lost his enthusiasm.

The tone of a bachelor's voice sounds good when it has a ring in it.

NOTICE OF ELECTION

STATE OF TEXAS COUNTY OF FLOYD NOTICE IS HEREBY GIVEN that elections will be held on the 23rd day of December, 1950, at each of the following voting places: The home of Melvin Potts, which is one-half mile east of what was formerly the Irick School House, which is in Irick Common School District No. 1, Floyd County, Texas.

qualified voters residing in the Lockney Common School District No. A, all of which districts are entirely within Floyd County, Texas; and WHEREAS, in each of said petitions the County Judge of Floyd County, Texas, is requested to call an election to be held in each of said six districts to determine whether or not said six common school districts shall be consolidated for school purposes into a single consolidation common school district; and WHEREAS, it has been made to appear to me, and I do here find and determine, that each of said six petitions are in proper and legal form, that each of said six named districts is a common school district situated entirely within Floyd County, Texas, and that said districts are contiguous, and that it will be for the best interests of the citizens, scholars, and patrons of each of said school districts and for the interested interests of all persons affected by said election and to be affected by said election for said petitions to be granted and called as provided for therein;

of W. A. Gilbreath, which is within said district; Mr. N. O. Wright is hereby appointed presiding officer and Mrs. N. O. Wright, Mrs. W. A. Gilbreath and Mr. W. A. Gilbreath are hereby appointed clerks at said election; that the election to be held within said Sterley Common School District No. 30 shall be held at the Sterley School House, which is within said district; Bert Bobbitt is hereby appointed presiding officer and Mrs. A. K. Glover and Mrs. M. A. Boone are hereby appointed clerks at said election; that the election to be held in said Lockney Common School District No. A, shall be held at the Lockney High School Building, which is within said district; T. B. Mitchell is hereby appointed presiding officer and Mrs. C. M. Adams and Mrs. E. Woodburn are hereby appointed clerks at said election;

osition to consolidate said six common school districts as aforesaid shall have written or printed on their ballots the following: "FOR CONSOLIDATION" IT IS FURTHER ORDERED that those voters opposed to said proposition to consolidate said six common school districts as aforesaid shall have written or printed on their ballots the following: "AGAINST CONSOLIDATION" IT IS FURTHER ORDERED that said elections be held in accordance with the election laws of the State of Texas governing said elections, and that all legally qualified voters residing within each of said common school districts shall be entitled to vote in the election to be held in the district in which he or she resides;

sults to the County School Trustees of Floyd County, Texas, and to the Board of Trustees of Lockney Rural High School District No. A of Floyd County, Texas, and to all other interested districts and parties; Notice of said elections shall be given by posting a copy of this order in at least one public place in each of the school districts herein named and affected, which notice shall be posted by the Sheriff of Floyd County, Texas, for at least twenty days prior to the date of said elections; and notice of said elections shall be further given by publication of a copy of this notice in the LOCKNEY BEACON, a newspaper of general circulation in the area affected, for at least twenty days prior to the date of said elections. G. C. Tubbs, County Judge, Floyd County, Texas. The above is a true and correct copy of the original order now on file in my office. Margaret Collier, County Clerk of Floyd County, Texas. Open House Will Mark Anniversary

Two special events will be observed with an open house at the R. C. Bennet home, three miles southeast of Lockney on Tuesday evening, December 19. Mr. Bennet will be observing his 91st birthday and he and Mrs. Bennet will be observing their 61st wedding anniversary. Friends are invited to call between the hours of 7 and 9:30 p. m. Mrs. Bennet requested that no one bring gifts, saying that they just wanted their friends to call and see them and that they did not expect or want them to bring gifts.

Mrs. Paul Cooper Leader Of Program

The Woman's Society of Christian Service met Monday, December 11 in the First Methodist Church. Mrs. Barker gave a very interesting devotional. Mrs. Paul Cooper was leader of the program for the day and several other ladies assisted her. The next meeting will be December 18.

HUSKYS MOVE

Mr. and Mrs. Oscar Husky and children left Thursday morning moving to their new home near Sherman, Texas. They have bought a farm there.

Lockney Girl In Tech Home Ec Frat

Lubbock.—Phi Upsilon Omicron, honorary Home Economics society at Texas Technological College, has initiated six students.

New members are Doris Elkins, Tulla; Jane Foster, Bellevue; Vellene Compton, Ft. Worth; Elizabeth Cocanougher, Hereford; Wanda Rhine, Lockney; Myrne McDonald, Plainview, and Carolyn Reeves, Lubbock.

Mrs. Russell's Pupils In Recital Tuesday

Pupils of Mrs. G. D. Russell will be presented in a Christmas piano recital Tuesday evening, December 19 at the City Auditorium. The program will begin at 7:30.

A Christmas tree will be enjoyed immediately following the program. The public is invited to attend.

El Progreso Club Has Christmas Party

The El Progreso Study Club met in the home of Mrs. Hershel Carthel Wednesday afternoon, December 13.

Roll call was answered with a Verse of Scripture. Mrs. Leslie Ferguson told a Christmas Story and several musical selections were given by Shirley Mitchell, Janice Hays, and Debra Ferguson. Mrs. Edgar Hays sang "Star of the East." She was accompanied by Barbara Hays.

The entertaining room was decorated with Christmas decorations and a lovely Christmas tree. Gifts were exchanged among the members.

The next meeting will be January 10 in the home of Mrs. Clyde Applewhite.

Honored On Fifth Birthday

Mrs. Milton Ashton honored her little daughter, Karen, with a birthday party, Friday, December 8, on her fifth birthday.

After the children played several games they sang "Happy Birthday" and were then served cake and punch. The serving table was centered with a lovely birthday cake and on either side were blue tapers burning. Various colored balloons were hung over the table and were then given as favors.

After refreshments were served, Karen opened birthday packages from the following: Darlene Mount, Linda and Deanne Robertson, Cheryl Rucker, Carol Ann Ray, Donna Lynn Record, Clair Schacht, Bobby Ray, Byron Schacht, and Barbara Smith. Mrs. Doyle Mount and Mrs. M. S. Robertson of Floydada assisted Mrs. Ashton with the entertaining.

Mrs. Baxter Hostess To Study Club

Mrs. Clyde Baxter was hostess to the La Ventana Study Club for their Christmas Party Tuesday afternoon, December 12.

Roll call was answered by A Christmas I Remember. Mrs. Bill Johnston told the Christmas Story.

The ladies of the club prepared a Sunshine box overflowing with nice gifts for a shut-in.

There were 14 members present.

Mrs. Casey Entertains Intermediate Girls

Monday night, December 11, Mrs. Hilburn Casey entertained the Ruth Sunday School Class of the First Baptist Church.

Four girls from the class and two visitors were present. The girls popped pop corn and made candy and then later played games.

CHRISTMAS DINNER IN ALLISON HOME

Darla Allison entertained several of her friends with a Christmas dinner Tuesday night at 6:00.

The entertaining rooms were beautifully decorated with Christmas decorations and a Christmas tree. After dinner was served various games were played. There were twelve guests present.

Texas Tech Is World Crossroad

Lubbock.—Texas Technological College is a potpourri of the world according to complete enrollment figures released today for the fall semester.

There are 254 counties in Texas. Of those 203 are represented at Tech. Lubbock county, with 1,657 students, has the largest group of the 5,475 enrolled at the co-educational College.

Out of the total enrollment, there are 35 states and 15 foreign lands sending students to Tech. Perhaps the most outstanding fact revealed by the registration figures is the 2.8-to-1 ratio between men and women on the campus. There are 4,007 men students and 1,468 women students enrolled for the fall semester.

There are 32 foreign students at Tech this year, 10 of whom are young women from Germany. Iran has three representatives this semester, while Hawaii, Burma, India, Panama and Peru each has two. Countries represented by one student each are: Belgian Congo, Canada, China, Columbia, Honduras and Lebanon.

Twenty-three different religions and faiths are listed, including three Moslems and three Quakers. Baptists lead the list with 1,882, followed closely by the 1,569 Methodists. Some 432 students listed no religious preference.

Watch your expiration date.

Roads Destroyed By Heavy Loads, Judge Warns

Austin.—John S. Simmang, Lee County Judge, in his keynote speech before the annual convention of the Texas County Judges and Commissioners, in Austin, late in November, warned that the State and County roads in Texas are being destroyed faster than they can be rebuilt.

D. C. Greer, Texas State Highway Engineer, told the county officials that beginning in 1951, no expansion of the present highway system would be possible. "We must use all available funds to rebuild and preserve what we now have before we can plan new highways," he said.

Judge Simmang, a former President of the County Judges' and Commissioners' Association of Texas, told the group it was mandatory that the Texas systems be protected from the wanton destruction by only one per cent of the highway users.

"It should make the blood of every true and honest Texan boil," Judge Simmang said, "when you realize the damage caused by overloaded trucks is costing the tax payers of Texas millions of dollars each year."

In the closing business session of the convention, a strongly worded resolution condemning the practice of overloading trucks on State and County roads was adopted. The convention went on record as opposing any increase in the present weight and size laws of vehicles using the highways. They urged the Legislature to require overloaded vehicles to reduce the excessive weight to the legal limit on the spot where apprehended and that a sufficient number of men be provided to protect the Texas road systems and to safeguard the lives and property of the motoring public.

Cotton Fertilizer Doesn't Cost—It Pays, Expert Says

College Station.—When properly used, fertilizer under cotton doesn't cost; it pays. This fact is shown by the results of 1950 cotton fertilizer demonstrations.

To emphasize the point, M. K. Thornton, agricultural chemist for the Texas A. & M. College Extension Service, cites as an example demonstrations conducted last year in Guadalupe county under the supervision of county agent B. N. Rector. Rector reports

that Munroe Schubert of Kingsbury made over one and one-half bales of cotton per acre on part of his fertilizer demonstration.

On a plot that was not fertilized, Schubert obtained a yield of 610 pounds of lint cotton per acre. He obtained a yield of 785 pounds from a plot which was fertilized with 200 pounds of 16-20-0 at planting time and side dressed with 100 pounds of the same fertilizer when the cotton was about knee high. Other plots in the demonstration which received different amounts of fertilizer gave yields that ranged between the high above and the low received when no fertilizer was applied.

Figuring that 16-20-0 fertilizer costs not more than \$4 per hundred, the cost of the three sacks

of fertilizer applied was \$12. The increase of 175 pounds of lint obtained by fertilizing was worth about \$70, figuring the price of cotton at 40 cents a pound. Therefore, Schubert's increased income over the cost of fertilizer was about \$58.

The lowest increase obtained was 30 pounds of lint from applying 100 pounds of 5-10-5 at planting time. Thornton points out, however, that this gave a return of about \$21 on an investment of \$2.50 for fertilizer.

M-Sgt. Cecil Gentry of the U. S. Marine Corps and his family will arrive here about December 20th to spend Christmas with his mother, Mrs. Nora Gentry. Sgt. Gentry has been stationed at Atlanta, Ga., but is being transferred to Dallas.

Crop Insurance Offered on Cotton

Ray S. McEntire, Administrative Officer of the PMA, has announced that the Federal Crop Insurance Corporation, acting through the local Production and Marketing Administration office, is offering a cotton insurance program for 1951 that fills a basic need of protection on the money and labor that the farmer invests in the cotton crop against loss from causes beyond his control.

Sheep Need Very Careful Handling

With the farm-sized sheep flock making a "comeback" in many parts of the nation because of a rising demand for wool, authorities here today reminded farmers that sheep require more careful management than most farm animals, if the owners expect to make a profit.

An American Foundation for Animal Health bulletin points out that parasites are one of the most serious obstacles to profitable sheep raising. Correct nutrition also is highly important in maintaining an efficient flock.

The Foundation offered farmers these four pointers:

"1) Hale all sheep treated against parasites in the fall and in the spring. Newly purchased animals should be treated before allowing them to mingle with the herd.

"2) Practice pasture rotation; this helps hold down heavy parasite infestation.

"3) Pay special attention to the feeding of ewes during the winter. The ration should include green hay, protein, minerals and grain. This will help prevent disorders at lambing time.

"4) Avoid letting manure accumulate in lots and sheds during the winter. When spread it should go onto fields where animals will not be pastured."

The Foundation added that no one drug is suitable for use against all parasites of sheep. It recommended that sheep raisers get veterinary assistance in planning control measures and in selection of anti-parasitic chemicals.

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: EDWARD R. BRYANT and wife, MINNIE N. BRYANT, and MINNIE M. BRYANT, their heirs and legal representatives.
GREETING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 8th day of January, A. D. 1951, at or before 10 o'clock A. M., before the Honorable District Court of Floyd County, at the Court House in Floydada, Texas.

Said plaintiff's petition was filed on the 22nd day of November, 1950.
The file number of said suit being No. 3922.
The names of the parties in said suit are: Adda Laura Sorrell, as Plaintiff, and Edward R. Bryant and wife, Minnie N. Bryant, and Minnie M. Bryant, their heirs and legal representatives, as Defendants.

The nature of said suit being substantially as follows, to wit: Trespass to try title by plaintiff against defendants and for damages, on Section 24, Block D-1, Certificate No. 4, 531, GO&SF Ry. Co., Floyd County, Texas, and containing 666.1 acres of land.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 22nd day of November A. D. 1950.
Given under my hand and seal of said Court, at office in Floydada, Texas, this the 22nd day of November A. D. 1950.
Mary L. McPherson, Clerk, District Court, Floyd County, Texas. (SEAL) 13-4tc.

Someone has said that we're only sure of two things, death and taxes. Anyway, the death rate doesn't increase every time Congress meets.

A woman who lost her thumb in a train wreck was awarded \$50,000 as damages, by a female jury, because it was the thumb she kept her husband under.

Whatta life the moth must live—summer in a fur coat, winter in a bathing suit.

Betcha the only man who likes to hear alarm clocks go off is the night watchman.

When You Build A Fence—Build A Good One

College Station. — The important thing in building a fence is to build a good one, says W. L. Ulich, agricultural engineer for the Texas A. & M. Extension Service. He points out that a high percent of the fences on Texas farms and ranches are constructed during the winter months.

He says that, except for the expanded practice of treating fence posts with preservatives, there has been no great change in the type of materials used for fencing in the past ten years. In the construction of fences, however, new practices are being used, and new equipment for this purpose has been developed.

Contour fencing is a practice which is gaining in popularity in many areas of Texas. Ulich credits this to the fact that fences built on the contour save considerable time and inconvenience in farming operations. Odd shaped corners and areas are eliminated, thus reducing the number of point rows along the sides of fields.

Some of the larger ranches are now using smooth wire for fencing, instead of the barbed wire which they formerly used. According to Ulich, this change is an effort to reduce scratches and cuts on livestock, which are a haven for screwworms.

The tractor-mounted post hole diggers in use today are quite an improvement over the old hand drop-augers.

Ulich recommends that corner posts be well braced and anchored so the wire can be stretched tight. He suggests fastening a cross bar of some durable material to the bottom of the post as an anchor. This will permit the use of lighter posts at corners than are ordinarily used.

The braces used in fencing should be at least nine feet long. Four-by-four inch treated lumber, or other timber that is strong and durable, is suitable for bracing posts. According to Ulich, braces are most effective if they are sloped from the top of the corner down to near the ground on the brace post. However, they may be installed in a horizontal position if this is desired for appearance.

Some people get the point too soon and therefore never learn anything.

New Efficient Rat Poison Developed

College Station.—Warfarin, a new rat killer released by the University of Wisconsin Research Foundation, appears to be one of the most effective poisons available for the control of rats and mice.

The active ingredient of the new poison is coumarin, a compound found in sweetclover which affects the clotting of blood, says J. E. Poore, assistant district leader for the Rodent Control Service. Rats that have eaten warfarin baits for several days become less active, develop internal hemorrhages, and slowly bleed to death.

Poore says that one advantage of warfarin over many of the other rat poisons is that it is odorless and tasteless. Rats will continue to eat the bait until they die without detecting the presence of the poison. Another advantage lies in the safety with which it can be used on the farm. Warfarin is poisonous to all warm-blooded animals, but the amount recommended for controlling rats and mice is so small that there is little danger of farm animals or people being poisoned accidentally. Even though warfarin is con-

sidered an extremely safe rodent poison, Poore warns that the usual precautions should be taken to prevent accidental poisonings on the farm.

For the poison to be effective, it is necessary for rats to eat warfarin baits over a period of five or more successive days. Grain or cereal type baits, which are not readily eaten by cats and dogs may be mixed with the poison, thus reducing the possible danger of poisoning these farm pets.

Warfarin is now on the market under the trade names of various chemical companies. Poore cautions that the warfarin baits should be mixed according to the manufacturer's instructions.

According to Poore, mixed bait

can be secured in 100 pound lots from the Rodent Control Service at San Antonio. Rodent control service fieldmen and county agricultural agents and representatives of other public service organizations can order the new poison.

It may be a monologue when one woman is talking; but when two women converse it's a dialogue.

NEW PERFORMANCE—

THAT WILL OPEN YOUR EYES

THE JOHN DEERE Models "AR" & "R" TRACTORS

You've no idea of the great forward strides John Deere has made in standard-tread tractor design until you see and drive one of these sparkling new performers in the field.

Here is power to get you through the tough spots, cut days off your working calendar. Here is economy that will save you on fuel and maintenance. Here is every operating advantage, including direct engine-driven hydraulic Powr-Trol.

The 4-5-plov Model "R" Diesel hits the nail right on the head with big-power users. The Model "AR" meets the complete needs of farmers who want two- or three-plov power. It is available with all-fuel or more powerful gasoline engine.

For new performance that will open your eyes, try one of these tractors in the field. See us soon for complete details.

Lone Star News
By Mrs. Harold Griffith

The Lone Star P. T. A. met Thursday afternoon at four at the school house. It was decided to have the community Christmas Tree Saturday night, December 23rd. The teachers and pupils will have charge of part of the program. Mrs. Clyde Farrish will arrange for a portion of the program. Everyone is welcomed and invited. The program will start early.

Visitors last Sunday week in the Tom Wells home were Mr. and Mrs. Silman James and children of Plainview, Mr. and Mrs. Tom Edd Wells and children of Halfway, Mr. and Mrs. Hubert Griffith and girls and Francis Nell Wells.

Tommy and Yvonne James of Plainview spent last week in the home of their grandparents, Mr. and Mrs. Tom Wells and Francis Nell.

Mrs. Albert King spent from Wednesday until Friday on business and visiting with Mrs. Lola Kinser.

Mrs. Will Hatchett of Selden, Texas, spent several days last week visiting in the Bascom Baxter home.

Mrs. A. E. Frizzell and Mrs. L. M. Readhimer attended the basketball games in Matador Friday night.

L. M. Readhimer with Floyd Collis were in Wichita Falls Friday night and Saturday attending the football game between Pampa and Wichita Falls.

Dinner guests in the Raymond Teeple home last Saturday night were Mr. and Mrs. Albert King with Mr. and Mrs. C. L. King. The occasion being Mrs. Albert King's birthday.

Mrs. Buck Sams was honored with a birthday dinner Sunday in the Floyd W. Jackson home. Others present were: Mr. and Mrs. M. J. Sams, Mr. and Mrs. Buck Sams, Juanita and Barry Thompson, Mrs. Dick Thompson and Marjetta of Hereford.

Weekend visitors in the Harold Griffith home were Mr. and Mrs. Chester Griffith and girls with Mr. and Mrs. Herbert Griffith and family of Lubbock.

Mr. and Mrs. Ben O. King of Silverton were visitors in the Herman and Albert King home on Sunday.

Mr. and Mrs. D. M. Marshall of Aiken visited in the Clyde Farish home Sunday afternoon.

Mr. and Mrs. Tom Scarbough and girls of Amarillo were weekend visitors in the J. B. Nance home. Other dinner guests on Sunday were Mr. and Mrs. Hugh Nance and children and Mrs. Strickland of Silverton, with Mr. and Mrs. Olin Grant and boys of Plainview, callers in the afternoon were Mr. and Mrs. W. D. Nance and Mike.

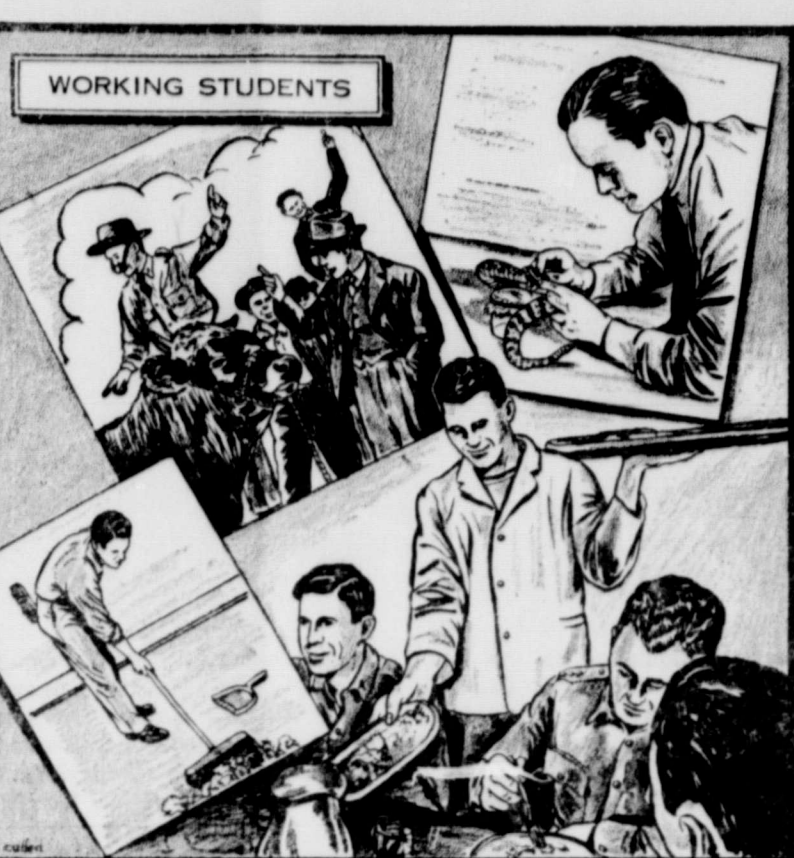

Mr. and Mrs. Howard Mosley and sons were in Plainview Sunday. Sunday night they were visitors in the Lowell Jarrett home.

Mrs. Nettie E. White is spending this week in the Jimmie Stover home.

Mr. and Mrs. A. O. Foster and girls were in Petersburg Sunday

Texas Venture
in Education • 1876-1951
Our first state college—Texas A. and M. is now in its seventy-fifth year

WORKING STUDENTS

Many and ingenious are the ways Texas boys have found for earning all or a part of their college expenses in order to secure an education. The old standby jobs of janitor and mess hall waiter have long been popular with working students at the A. and M. College of Texas, while others have found new and novel ways of their own after the standard jobs were filled. One of the Southwest's leading auctioneers today worked his way through school as a student auctioneer at A. and M. A present member of Congress divided his working time between the horse barns and mail delivery. Many biology students have earned extra money catching poisonous snakes for study or to "milk" them of their poison for sale to manufacturers of medicines. One enterprising lad raised heavers on the campus and sold their pelts. Records of working students at A. and M. show that on the average their grades are as good, if not better, than those of boys who do not have to earn a part of their own expenses.

visiting Mr. and Mrs. George Breeding.

Mr. and Mrs. E. D. Lorraine of Texarkana, Texas, visited in the J. E. Stover home last Tuesday and Tuesday night.

Mr. and Mrs. H. H. Ward and boys visited in the Tom Word home over the weekend.

Mr. and Mrs. A. E. Frizzell were visitors in Silverton Sunday.

Mr. and Mrs. T. V. McClure and family visited in Jayton Sunday with Mr. and Mrs. Roy Col-

Mr. and Mrs. W. T. Rankin and family and Jimmie Dee Smitt were in Plainview last Friday shopping.

Mr. and Mrs. Lowell Jarrett and Larry were visitors in the Lee Davenport home of near Silverton on Sunday.

Mr. and Mrs. Howard Watkins and Sharon visited in Plainview Sunday with Mr. and Mrs. Eldon Watkins.

Mr. and Mrs. Bailey Henderson

and family with Mr. and Mrs. Sidney Rodgers and children of Plainview were dinner guests in the home of Mr. and Mrs. Conrad Henderson and sons Sunday.

Mamie Lou Nance and Nell Lindsey of Amarillo spent the weekend in the W. D. Nance home.

Mr. and Mrs. J. C. Elmore of Boswell, Okla. are spending this week in the home of their granddaughters family, Mr. and Mrs. Howard Watkins and Sharon.

Mr. and Mrs. Bailey Henderson and La Juan with Mrs. Conrad Henderson and sons and Mrs. Sidney Rodgers and children were in Lubbock Monday shopping.

JACK ADAMS HERE

Jack Adams, who has been serving in the Naval Air Corps for the past two years, spent a few days here recently visiting his parents, Mr. and Mrs. W. A. Adams and other relatives. He is stationed at present at Norfolk, Va. His parents accompanied him back as far as Greenville where they visited relatives several days.

Overheard on a street corner: "You all don't know nobody that don't want to hire nobody to do nothin' does yuh?"

It takes a woman longer to dress than a man because she has to slow down for the curves.

While we're ridding the country of radicalism, socialism, Bolshevism and Facism, why not include rheumatism?

Watch your expiration date.

SAIL FOR HOME—New Orleans. (Exclusive to the Beacon).—Mr. and Mrs. Olen C. Harris and their children, Dick, Jennifer and Claudia of Sao Paulo, Brazil, sailed from here recently aboard the DEL

NORTE, luxury liner of the Mississippi Shipping Company (Delta Line) for their home after a three-month vacation in the United States. During their stay in this country, they were the guests of Mr. Harris'

parents, Mr. and Mrs. V. D. Harris of Lockney, Texas. Mr. Harris is director of Anderson, Clayton and Company in Sao Paulo. They were in Lockney visiting for a month.

Stored Grain Should Be Watched Closely

College Station.—Farmers who are still moving grain into their bins are reminded of the precautions necessary to prevent this grain from being damaged by insects. Grain already in storage should also be checked regularly for insects and J. A. Deer, assistant entomologist for the Texas A. & M. Extension Service, reminds farmers that pests of stored grain continue to do damage after other insect activity is reduced by cold weather.

Deer recommends that the bins be thoroughly cleaned before the grain is moved in. If constructed of wood, the bin should be sprayed at the rate of two gallons per 1000 square feet of wall and floor surface area. Emulsions

of water suspensions consisting of two and one-half percent by weight of DDT or chlordane are good sprays for this purpose. Deer says that a water suspension of DDT can be prepared by mixing ten and one-half pounds of 50 percent wettable DDT in 25 gallons of water.

Fumigation of stored grain is most effective within one month after it is placed in the bins, says Deer. He states also that grain should be as dry as possible when stored—not more than 12 percent moisture.

Deer says that insects are likely to be found near the surface of the grain bin. Therefore, their presence can usually be determined by sifting a sample of the surface grain. He points out that the temperature of the grain is also an indication of its condition.

Apply fumigants from the outside of the bin with a bucket pump or other type sprayer. Make that the fumigant is evenly distributed over the surface of the grain. Deer warns of the danger involved in applying fumigant with a sprinkling can.

When breathed in a concentrated form, the fumigant vapors are very dangerous. Deer advises that the person doing the fumigating avoid inhaling the vapors and try to keep from spilling the fumigant on the skin and clothing or in the shoes. Remove wet clothing at once and wash the skin with soap and water to prevent blistering.

Ten gallons per 1000 bushels of grain of a mixture of one part carbon tetrachloride and three parts ethylene dichloride is a good fumigant mixture to use. Carbon tetrachloride may be used alone as a fumigant at the rate of eight gallons per 1000 bushels of grain, or a mixture of four parts carbon tetrachloride and one part carbon disulfide may be used at the same rate of application.

Deer suggests that farmers talk over with their local county agents the problems of controlling insects in their stored grain.

Adults Should Have Health Check-Ups

Austin.—"Health examinations won't prevent old age, but many tens of thousands of persons, whose records of these examinations have been studied, have not only been helped to live longer, but also be sturdier and healthier, and enjoy more comfort and happiness by following the advice of the physicians who have made such examinations," declared Dr. Geo. W. Cox, State Health Officer.

Once the individual leaves school, he assumes the responsibility not only for his choice of work and method of living, but also for his continued good health. But he often fails to apply the available methods of preventing disease and prolonging life. Hardly a day passes in which our attention is not called to the untimely death of some prominent person or acquaintance, which may be attributed to a preventable disease. So something should be done in the way of educating the adult group of the population, so they will voluntarily carry out those measures which prolong life and maintain good health.

It is our firm belief that if the diseases of the gastrointestinal tract, which includes the lips, tongue, teeth, mouth, stomach and bowels, are recognized in early stages, their progress may be curtailed, adequate treatment advised, and many deaths might be prevented.

Today the medical profession realizes that many childhood diseases are now under control and that our present problem must center about the adult, encouraging periodic check-ups. Is semi-annual consultation with your physician too great a premium to pay for many years of additional life, freedom from suffering and consequently short periods of hospitalization?

LOCKNEY

Milking Pays Way For Tech Students

Lockney.—Getting up at 4 a. m. on a frosty morning to milk old Bessy may not appeal to a lot of people, but several students at Texas Technological College do it to work their way through school.

Actually they're killing two birds, or cows, with one stone. They are Agriculture majors. Not only do they get paid for furnishing students with fresh milk, but they also get credit for studies on how to increase milk production.

A cow, or anybody else, isn't always contented at 4 a. m. So the students have to cater to the sometimes cantankerous dispositions of the bovines at that

hour. In some cases a rope rather than a personal appeal, calms the Holsteins, Short Horns and Jerseys.

The students are Frank Nolan, James Homsley of Lamar, James Rigby of Canyon, Wendell Kearney of Sweetwater, Morris Collett of Spur, J. E. Paris, and Jack White.

Between classes, studying, three milkings a day, these students put in a busy 24 hours.

The fresh milk goes to the dairy where it is processed and delivered to Dairy Manufacturing. Ice cream and other dairy products are then made. Most of these products are sold to the Tech dormitories. Final disposition is no problem.

Tulia Pastor Named Wayland Official

Plainview. — Newly elected assistant to the president of Wayland College is the Rev. C. G. Sewell of Tulia, according to an announcement made here by President J. W. "Bill" Marshall. Marshall requested that Mr. Sewell be released by the First Baptist Church of Tulia from the duties of this church. Mr. Sewell is to concentrate on a building fund program for the college.

Mr. Sewell was elected by the trustees at a recent meeting and asked to be released as soon as possible. The church received his resignation at a special meeting. Mr. Sewell is an inventor of the fields of mechanics, chemistry and electricity. He will spend part of his time in the development of a department of scientific research, and of certain inventions which he has patented.

There are a lot of girls who maintain that the greatest contribution made to mankind by science wasn't the atomic bomb, but the zipper.

There is very little difference between foreign dishes and American dishes. They both can be eaten easily.

THE REV. C. G. SEWELL of Tulia, shown above, is the newly elected assistant to the president of Wayland College. J. W. Marshall, shown with him.

He was elected at a recent meeting of the Wayland board of trustees, and is to concentrate on a building fund for the college.

One of these days some of our little colleges are going to be mighty embarrassed, when more men report for football than are enrolled in school.

Zipper can never take the place of buttons in the collection plate.

If and when West Point plays Sing Sing we'll know for sure then whether the pen is mightier than the sword.

Roast Turkey In Aluminum Foil Is Newest Wrinkle

College Station. — Roast the holiday turkey in aluminum foil if you want the "juiciest" and tenderest turkey that you have ever eaten, says Louise Mason, extension foods and nutrition specialist of Texas A. & M. College. She especially recommends this method of roasting for those who do not own a roasting pan or an adequate roaster.

The procedure for roasting in foil is simple and easy. Just dress, stuff and truss the turkey in the usual manner, says Miss Mason. Use a sheet of foil that is twice as long as the bird for the wrapping job. Place the bird lengthwise on one end of the foil sheet and then bring the foil up and over the bird and close all foil edges together.

Weigh the bird and be sure it is well greased and seasoned with salt and pepper before it is wrapped, she says. Place the turkey in an uncovered roasting pan breast side up and it doesn't matter if the legs protrude over the edge of the pan. The oven should be preheated at 400 degrees F. before the turkey is placed in the oven for roasting, and this same temperature should be maintained until the bird is done.

Miss Mason says the eight to 10 pound stuffed bird should be cooked for two and one-half to three hours; an 11 to 14 pound bird from four to four and three-quarters hours and a 19 to 24 pound stuffed bird from five to six hours.

She says about 45 minutes before the roasting time is up that the foil should be slipped from around the turkey. Let the juices run down into the roasting pan so they will brown to just the right color for the giblet gravy. The turkey should be brushed with melted fat or drippings.

Miss Mason says there are two tests for determining when the

turkey is done. Move the leg and thigh joint, if they give readily, the turkey is done. The second is to stick a fork into the meat where the wing is joined to the body; if the meat feels tender and the juices do not run pink, the roasting job is done.

To get that good flavored brown gravy, Miss Mason says, it is necessary to brown the flour before making the gravy. Place the flour in a pan over low heat and stir constantly until the flour becomes as brown as you desire it. Make the gravy in the usual manner. To prevent flour from lumping when you are preparing a thickening, place the liquid in a container, put the flour on top of the liquid, cover the container

Whooping Cough Serum Available

Austin. — "Your child can be protected from whooping cough by the use of anti-serum available for the immunization of youngsters," according to Dr. Geo. W. Cox, State Health Officer, as he advised parents not to take this communicable disease lightly.

"Since whooping cough is particularly dangerous for babies the need for early protection against it is undisputed. Research has shown that preventive treatment may safely and effectively

and shake. This will give you a gravy with a smooth consistency.

be given at the age of two months or earlier. Older children who have been previously immunized should receive booster doses of the vaccine."

Pointing out that Texas has had over 10,700 cases of whooping cough so far this year, Dr. Cox reminded parents that whooping cough is sometimes fatal to young children. It may also leave the lungs and other affected parts permanently damaged.

Research reveals that golfers who make the best scores don't swear. Why should they?

Don't let your desire to acquire outdo your desire to enjoy.

Large Crowd Sees New Chevrolet

Between 600 and 700 people visited the show rooms at the Lockney Auto Company last Saturday to see the new 1951 Chevrolet on display. Company officials reported. Coffee and doughnuts were served all day. The many new features of the 1951 Chevrolet were of special interest to the visitors, and company officials said that it appeared the demand for this new model will be even greater than that for the 1950 Chevrolet.

No matter how high the cost of living goes we are all of us going to try to keep on living.

P. T. A. Hears Band Concert

The Lockney High School Parent-Teacher Association met Monday night, December 11 in the high school gym.

After the business meeting the High School Band gave a very entertaining concert.

The next meeting will be Monday night, January 22.

The conditions of the average man under Communism have not improved in 34 years—a full generation since the Russian revolution—Bernard Baruch.

Few men who promise to think it over, do.

Local Basketball Teams Rate High At Tournament

Both boys and girls basketball teams from Lockney High School made a good showing in the tournament at Matador last week end. The girls fought their way to the finals on Saturday night when they were eliminated by Matador girls. The boys won their way to the semi-finals when they were defeated by Carey.

Both teams played their first game on Thursday afternoon. The boys played Flomot team first, winning from them by the lopsided score of 49 to 11. Joe Cunyus and Eddie Fortenberry were tied for high point in the game, each making 10.

Friday night the local boys played Spur, chosen by an Amarillo sports writer this week as the likely district champion. The game was very close all the way but Sid Thomas sank a field goal in the last 15 seconds of the game to give the locals a 40 to 39 victory. Sid was high point in this game with 13 points.

Saturday afternoon the boys played Carey and lost the game by five points. The final score was 44 to 39. Sid was again high with 19 points. The Carey team had eliminated Floydada earlier in the tournament by a score of 50 to 18.

Quitaque boys defeated Carey in the finals Saturday night to win the tournament.

The Longhornettes, paced by Velma Seale, a veteran from last year's team, defeated the Flomot girls Thursday night 35 to 18. Velma was high point for her team with 28.

On Friday afternoon the girls played Silverton, winning that game 29 to 17. Velma was again high with 18 points.

In the finals Saturday night the girls lost to Matador 23 to 14 with Velma making 11 of her teams points.

Sid Thomas was selected on the all-tournament boys team and Velma Seale on the all-tournament girls team.

JOE REEVES HURT

Joe Reeves suffered a broken right arm in the wrist and bruises about the head when he fell from the top of a hay stack at his home a mile north of Sterley Wednesday of last week. There was snow and ice on the stack and his feet slipped out from under him causing him to fall about 15 feet to the ground. Several teeth were loosened in the fall. He is recuperating at his home this week.

Death Claims S. H. Logan

Death claimed S. H. Logan in the Floyd County Co-operative Hospital here Sunday night about 9 p. m. He had been in ill health for many years and his condition had gradually become worse lately.

Funeral services were held at the Lockney Baptist Church Tuesday afternoon at 3 p. m. conducted by the pastor, Rev. E. J. Cobb. Burial was in the Lockney Cemetery with Carter Funeral Home of Lockney in charge of arrangements.

Mr. Logan and his family had lived in Lockney about eight years coming here from Turkey. He was born January 27, 1891 in Bell County, Texas. He was married to Miss Effie Hogue at Cleburne, Texas, in March, 1920.

He had been a member of the Baptist Church since he was 14 years of age and was a member of the Lockney Church at the time of his death.

Survivors include his wife, four sons, Cleston Logan of

Plainview, Roy Logan of Los Angeles, Troy Logan of Turkey and Bob Logan of Lockney; two daughters, Mrs. Porter Lowrey of Lockney and Mrs. John Cresce of Glenville, Ga.; five grandchildren; one sister, Mrs. Noel Yates of Plainview; one brother, C. M. Logan of Austin, Texas, and a number of nephews and nieces.
