LOCKNEY, FLOYD COUNTY, TEXAS, FRIDAY, FEBRUARY 23, 1951

NUMBER 25

Start Meeting At Lone Star Sunday

REV. L. B. EDWARDS
Preacher

CARLOS GRUBER
Singer

Rev. L. B. Edwards, pastor of the Seth Ward Baptist Church in Plainview, will do the preaching and Carlos Gruber, also of Plainview but a native of Latvia, will lead the singing and render special music in a revival meeting to start Sunday, February 25 at the Lone Star Baptist Church. The meeting will continue through March 4 with services at 10:30 a. m. and 7:30 p. m., according to an announcement by the pastor, Rev. Ross Harmonson.

Rev. Edwards is noted as a powerful preacher while Gruber plays the violin and sings and speaks in four languages. Everyone is invited to attend the services. Rev. Harmonson said.

**Lockney To Keep
Same Fire Credit**

Lockney will keep the same 5% good fire record credit it had last year, according to information received from Paul H. Brown, state fire insurance commissioner this week. The city received the 5% credit last year and the rate on policies will remain unchanged through this year.

Lockney has an excellent record on fire losses the past year, local agents say, but explain that the local rate is still affected by the \$55,000 school loss here four years ago. They are of the opinion that this loss will not be counted against the city after this year.

**D. E. Cox Will
Run For Mayor**

The name of D. E. Cox, local Santa Fe agent and a resident of Lockney for nearly 25 years, was filed for the office of Mayor Monday of this week. The Beacon was informed that friends of Mr. Cox had prevailed on him to offer his services and after he had signed the usual loyalty oath Monday they filed his name for the mayor's office.

G. M. (Bud) Brunner, present mayor, has announced that he will not be a candidate for re-election to the office.

No names had been filed Wednesday for the two vacancies for alderman. The terms of E. R. Harris and J. E. Cox expire with this term.

Mrs. Faye Messer will probably announce her candidacy next week for re-election to the office of city secretary, a post she has held for the past four years.

The election was ordered at a recent meeting of the City Council to be held Tuesday, April 3. The place will be the city office with Mrs. Henry Hodell named election judge, and E. C. Durham and Mrs. E. L. Woodburn, clerks.

Candidates for any of the city offices must file not later than Saturday, March 3, Mrs. Messer pointed out, since the law requires that names must be filed 30 days prior to the date of the election.

**Livestock Show
Plans Complete**

With the release of revised general rules and regulations, together with the list of officials for the Floyd County Junior Fat Stock Show, a one-day affair set for Wednesday, March 14, indications point this week to an entry list of about 140 animals—calves, swine and sheep and dairy cattle. Of these County Agent Robt. H. Gibson in a quick estimate said 40 fat calves would be shown, 60 hogs, 20 sheep, and 20 dairy animals. These figures may be high or low, depending on weather conditions and the progress the boys make with their show animals meantime. The 4-H club and FFA lads are sure to have some outstanding exhibits in the competition, is the report from their coaches, the county agent and the FFA chapter teachers at Lockney and Floydada.

In the sale on show day, the afternoon of Wednesday, March 14, it was estimated this week that 30 to 35 of the 40 calves will be put up for auction, together with 40 hogs and 15 sheep. This year's show will have an increased number of animals in the sheep division.

All the entries will be shown in classes almost identical with last year's show, except that one class has been added in the beef type division, where beef type heifers will compete. Animals shown in this class will not compete in the fat calf division and will not be sold through the auction ring.

The prize list runs from first through five places with \$5 for first, \$3 for second and \$2 each for third, fourth and fifth. Where championship prizes and rosettes are awarded this is indicated in the list below.

- Calvin Pyle Goes To Quarter-Finals In Golden Gloves

Calvin Pyle of Lockney went to the quarter-finals in the state Golden Gloves meet before being eliminated Friday night. Calvin lost by a technical knock-out in the second round, news reports say. He wasn't knocked down but was hurt badly by a punch and the bout was stopped. It had been very good up to that point. He completely recovered from the blow within a few minutes, it was reported.

Mr. and Mrs. Peyton Powers spent Sunday, February 18, in the home of Dr. and Mrs. D. R. Foster of Hale Center.

New Minister

CHARLES GOODNIGHT

Mr. Goodnight is the new minister at the Main Street Church of Christ in Lockney, he and his family having moved here from Wichita Falls last Friday.

Mr. and Mrs. Goodnight have one son, John Paul, age 7. He is in the first grade at school.

Mr. Goodnight was minister at the 23rd and Grace Street Church of Christ in Wichita Falls before coming here. He preached his first sermon here on February 11.

**Girls Win First
Game In Play-Off**

The Lockney High School girls basketball team, came through with a fine exhibition of basketball Monday night at the Wayland gym in Plainview to win their first game in the district play-off. They defeated the strong Paducah team 33 to 28.

Velma Seale was high point player for the Longhornettes with 16 points. June Wiley made 9, Elizabeth Handley 8 and Audrine Rhine made 2 for the locals 33 points. The guards were also on the job. Coach Curtis Kelly said and played a good game. They are Nelda Scaffner, Patsy Potet and Pat Pylant.

The same night the Spur girls defeated Tulla 22 to 19. The play-off will be resumed Thursday night of this week when the Paducah and Tulla teams play the first game and the Longhornettes take on the Spur girls. The first game will start at 6:45 and the local girls will probably play about 7:45 or 8 o'clock.

On Friday night the tournament will be completed with Spur playing Paducah the first game and Lockney playing Tulla the second. The first game will start at 7:30 and the second about 8:45.

The two high teams in the tournament will then enter the regional play-offs. In case of a tie in the district tournament, the play-off will be Saturday.

**Burglars Break In
"66" Cafe Again**

For the second time within a month, burglars broke into the "66" Drive-Inn Cafe on Highway 70 in South Lockney Sunday night. An attempt was made first to enter the cafe through a side window but this failed and the culprits then knocked the glass out of the back door, released the catch from the inside and entered.

They broke a lock off of two marble machines and took an estimated \$30 from them. They also attempted to break open a cigarette machine and a juke box but were unable to get into either.

Sheriff Leland Hart and Deputy A. K. May of Lockney investigated the break-in Monday morning.

**Fourth Sunday
Singing Feb. 25**

The Fourth Sunday Singing will be held Sunday afternoon, February 25 at the City Auditorium at Lockney from 2:30 until 4:30, it was announced this week.

Everyone is cordially invited to come and sing.

**A. A. Brian Will
Speak At Baptist
Dedication Here**

Rev. A. A. Brian, vice-president of Howard Payne College, Brownwood and former pastor of the First Baptist Church of Brownfield, will be the speaker at the dedication program of the First Baptist Church here on Sunday afternoon, March 4, the program committee announced this week.

Rev. Brian is well known here, having preached in a revival meeting at the local church soon after the building was completed last year. He is a powerful and entertaining speaker.

Plans now call for an all-day program with dinner served at the noon hour at the church. A large number of visitors are expected since around 200 invitations have been sent out to former members and friends of the church.

The church will have the regular Sunday School period Sunday morning starting at 10 o'clock. However the period will be shortened with the morning worship service starting at 10:50.

Rev. E. J. Cobb, the pastor will preach at the morning service and the program will include a number of special songs.

Lunch will be served at 12:20 in the church educational unit. Baskets of food will be provided by members of the church.

The afternoon program will begin at 1:45 with a song service and at 2 p. m. visitors will be recognized.

At 2:10 Rev. Leonard Hartley, pastor of the Edmondson Baptist Church and a former member of the local church, will speak. He is the son of Mr. and Mrs. W. R. Hartley of near Lockney and only recently began his career as a preacher of the gospel.

The church history will be given by Mrs. Sid Thomas and Rev. Aaron Shaw of Happy, a former pastor of this church, will speak following.

A report will be heard from the building committee and a note burning ceremony will follow with John Hodel and R. T. Spence burning the note.

A prayer of thanksgiving will be offered by Rev. Clay Muncy, a member of the church, and after a special song, Rev. Brian will preach the dedication sermon.

The dedication prayer will be offered by the pastor and the afternoon session will adjourn at 4:15.

Rev. F. E. Swanner, district missionary of District 9 will preach at the night service at 8 p. m. following the meeting of the Training Union will meet at 7 p. m.

BUTHS STILL LOVE TEXAS — BUT THEY LIKE ARKANSAS TOO!

(Mr. and Mrs. Bill Butth and children moved last fall to a farm they had purchased near Bentonville, Ark. They formerly lived in the Providence community where they were very active in community affairs. Here Mrs. Butth sends a message to friends and neighbors telling about their move and how they like it.)

Bentonville, Ark. Feb. 10, 1951

Mr. Edgar Hays:

Dear Editor: I wonder if we might say "Hello to you and howdy-dooty to Texas from Arkansas," through the Lockney Beacon. Our intentions were good when we promised to write all those letters to our friends around Lockney, but we just don't find time. If you will be so nice as to print this for us, we would like for

our friends to consider it a personal message to each of them from all of us.

We are all as well as could be expected, considering our ages and the cold weather we have been having. When I say cold I mean just 26 below zero. That's right, twenty-six below. The natives, what few are left around here, could hardly believe it as they say it seldom gets down as low as zero here. We suffered no bad effects as a result of the cold weather even tho there was a propane shortage for a few days. Also there was a lot of water pipes frozen. We, and the Joe Miller family who live east of us (originally from Plainview, Texas) and the Hugh Hunt family who lives west of us (also from Plainview), pooled our propane, water, groceries, pop-

corn, candy, canasta cards and kids and first at one home and then the other and while the kids played and the men drove over and did their chores night and morning, we women cooked, and cooked, and cooked.

Oh sure, the Arkansawyers burn propane too, but they are smart enough to keep a little wood-burning stove and a rick of wood handy just in case. Give us time and we will learn. After all this is only our first winter here, along with dozens of others from Texas.

Did I say "dozens?" I should have said hundreds or thousands! I didn't dream there could be so many Texans living in Arkansas. They are everywhere you go and more coming in every day. In fact what few natives are left around here say they are afraid Texas is going to take Arkansas, without even firing a shot.

They have a Texas reunion out here every year and if not providentially hindered we'll be there! If so, I will try to send you a report on who and how many are there from around Lockney.

So many have asked us "What has Arkansas got that Texas hasn't?" And our answer is — "not a thing, brother — not a thing! All the difference is—Arkansas has it all in a smaller space! See?" Of course no native of Texas would ever go back on his state and we still solemnly declare Texas is the most wonderful state in the union, but we will all add this, "we sure like living out here in Arkansas."

I guess we are about the luckiest family in the world. When we lived near Lockney in the Providence community we hated to leave because we just knew we could never find another group of people anywhere as nice as they and the people in and around Lockney were. Well, the Good Lord must realize we don't have sense enough to get along without extra good neighbors and friends, so He just set us right down in the very middle of as fine a bunch of people as you will find anywhere. We have to admit a lot of them are from

Texas, but those who are from other states and the native Arkansawyers are wonderful.

Speaking of Providence—where oh where is the Providence News that should be in the Lockney Beacon? My goodness, I happen to know if all the news was written up of what goes on in that community it would cover half a page in the paper. We sure miss it, and I know of others who do too, so how about it Providence? I nominate Marie Scheele.

For those of you who don't already know, we live 3 1/2 miles north of Bentonville. We are in the foothills of the Ozark Mountains. We have 80 acres and a small 5 room rock house. We have hills and timber back of our house and across the valley from us in front of our house. Sugar Creek runs through our pasture and we have a diving board and nice place to swim, when we have any water. We never swim there when the water is all gone as its about 15 feet deep and is solid flint rock on the bottom. You see, Sugar Creek is rather temperamental. Now its there, now it isn't. Last spring they had an unusual amount of rain here and we had a nice swimming pool, even tho the water was like ice, but this past fall was unusually dry, so the water in our part of Sugar Creek is all gone. Down below our place it comes out again so I guess our part of the creek bed is a little bit higher.

We are so proud of our little place that we call it "The Butthabode on Sugar Creek Road." Snazzy, huh?

In case you wonder what we have been doing since we moved to Ark., I'll tell you. The first two months we spent driving up and down hills and just looking. We had to see where every road went, and why. Everything that wasn't a rock was green and you never have the monotony (or should I say, pleasure) of driving on a straight road. You go up and down and in and out over and around hills so often that you have to have hinges put in the middle of your car.

Since that time Bill and I have been building a brooder house. It is 46 feet by 16 feet and is two stories high. That is considered small out here, but it looks big to us. I wish we had a nickel for every board we have sawed and every nail we have driven into this green oak lumber. We wouldn't need to raise any broilers for a few years! When we started "the thing" the foundation was about six inches above the ground on the side next to the hill, but when we finished up on the side away from the hill it was about 4 feet above the ground. Now, put two stories on top of that and you'll know why I crawled instead of walked when I was on top of the very slanting roof.

In case any of you happen to be in Arkansas at any time, come to see us. Just stop at the Terry Peel Real Estate office and they can tell you how to reach us. Our phone no. is 553M73. Our address is Bentonville, Rt. 4. If you can't come to see us, at least write.

Here's wishing all of you health, wealth, and happiness.

Sincerely, Bill and Fay Butth, Billy, Bobby and Jimmy.

CHURCH SUNDAY.

SOCIETY
Battley-Gramstorff
Vows Read Wed.

Miss Dorothy Jeanne Battley, daughter of Mr. and Mrs. David Stephen Battley of Floydada, and John Christian Gramstorff, son of Mrs. Harriet P. Gramstorff, were married Wednesday afternoon at 4 o'clock at the St. John's Methodist church at Lubbock. Rev. Hubert Bratcher, pastor, performed the double ring ceremony.

The altar was banked with baskets of white gladioli, backed by potted fern. In the background candelabra with white tapers made an arch.

Mrs. Wayne L. Kelly, organist, accompanied John Fannon of Everett, Mass. as he sang "Because." John L. Upshaw read "Love" with an organ background. "At Dawning," "Clair de Lune," and the traditional wedding marches were played.

Given in marriage by her father, the bride wore a suit in bride's blue, worn with a flesh colored blouse embroidered in pearls and rhinestones, flesh colored gloves, navy blue hat with a touch of pink, navy shoes and bag. She carried a white Bible topped with a white orchid and white satin streamers. Her pearls were a gift of the bridegroom.

Miss Glenna Hackney, maid of honor, wore a suit of dusty rose faille. Her hat was a pink floral with net, her shoes navy. Her corsage was of blue iris.

Serving as best man was John M. Crowe. Ushers were David S. Battley Jr., brother of the bride, and Gale S. Rogers.

Immediately following the ceremony a reception was held in the church.

Three white tapers, decked with blue ribbon and fern around the base, centered on a cloth of white damask, carried out the bride's colors of blue and white. The wedding cake was topped with a miniature bride and groom.

Following a wedding trip to Eagle Nest, New Mexico, the couple will be at home in Perryton.

Both the bride and bridegroom were graduated from Texas Tech. Mrs. Gramstorff was graduated from Floydada High School in 1947, and received a B. A. from Texas Tech in January, 1951. The bridegroom is a graduate of Everett High School in Mass. and received his B. S. degree from Tech in August, 1950.

Mr. Gramstorff will engage in farming at Perryton, and his bride will teach in Perryton Public Schools.

Troxel-Rankin
Vows Read

Becky Troxel, daughter of Mrs. A. E. Troxel of Phillips, became the bride of Elbert Eugene Rankin of Phillips, son of Mr. and Mrs. E. H. Rankin, Plainview, in a double ring ceremony performed Saturday, February 3, at 6 o'clock in Phillips. Rev. V. N. Henderson officiated as the couple stood before tall bouquets of white gladioli flanked on either side by branched candelabra.

Nuptial selections were played by the organist, Mrs. Bush, who accompanied Paul Biggs, as he sang "Because" and "Sweet Mystery of Life."

Given in marriage by her cousin, E. C. Hamilton, the bride wore a brown suit with wine accessories and carried an orchid atop a white Bible belonging to her cousin.

Donald Zelany and Marjorie Urban attended the couple. Miss Urban wore a biege suit with brown accessories. Her flowers were blue iris.

The bride's mother wore a black suit with matching accessories and a corsage of yellow rosebuds. The bridegroom's mother wore a navy dress with matching accessories and a corsage of gardenias and carnations.

A buffet dinner followed the wedding in the home of Mr. and Mrs. E. C. Hamilton. The white lace covered table was centered with the three tiered wedding cake surrounded by yellow rosebuds.

Following a wedding trip to Long Beach, Calif. the couple will be at home at 719 Whittenberg in Phillips.

Mrs. Rankin is a graduate of Phillips High School and Mr. Rankin graduated from Plainview High School and Texas Tech. He is employed in the engineering department of Phillips Petroleum company and she in the research department.

Sweetheart Banquet Honors 1951 Seniors

The dining room of the First Baptist Church was the setting for the scene of the annual Sweetheart Banquet, February 14 at 7:30. The banquet is given each year by the members of the W. M. U. in honor of the graduating seniors.

The Valentine motif was carried out in the banquet room decorations. The tables were delightfully decorated with a small white picket fence extending the length of each table, covered with tiny red hearts and ivy. A tiny boy and girl doll stood facing each other at an ivy covered gate which centered each table. Red candles in crystal holders flanked each table. The place cards were small red hearts filled with mint candy and the individual programs were in the form of hearts, lace covered with the program and menu inside.

The invocation was given by Gores Applewhite and the welcome address by Mrs. I. A. Applewhite.

The program consisted of scenes and songs representing sweethearts from early school days through later years of life. Mr. and Mrs. Sid Thomas, representing sweethearts of seventy-five, reminiscenced by a fireside and recalled to mind their experiences from childhood to their present age.

From the strains of Throw Another Log on the Fire the scene changed to a heart-shaped picture frame where Debra Ferguson and David Howell appeared to portray first-grade sweethearts. As School Days was sung Janice Hays and Jaudon Cobb stood in the frame representing the queen in calico and the bashful barefoot beau. Caroline Cobb and Larry McCormick appeared as the Lockney School Song was sung and Barbara Hays and Larry McCormick appeared as the strains of Honey was heard. Several couples marched past the picture scene representing college days. For this scene Sweetheart on Parade was sung. Mr. and Mrs. Bill Wesley appeared in a wedding scene as I Love You Truly was sung. The home scene was portrayed by Mr. and Mrs. Carrol Boyd and Mike with My Blue Heaven as a musical background. Concluding the golden memories the scene reverted to the fireside couple who sang Darling I Am Growing Old.

Following the program Rev. E. J. Cobb gave a very entertaining address. The benediction was given by Sid Thomas.

Reunion Feb. 11 In C. J. McClure Home

Sunday, February 11, was a happy day for Mr. and Mrs. C. J. McClure and family. On that day seven of their eight children, all their grandchildren and great grandchildren and in-laws were present except one.

Those present were: Mr. and Mrs. Frank McClure and children, Mr. and Mrs. Chill McClure of Floydada, Mr. and Mrs. T. V. McClure and family of Lone Star, Mr. and Mrs. Weaver McClure and children of Kress, Mr. and Mrs. Marvin Crain of Childress, Mr. and Mrs. R. L. Tomme and children of Lockney, Mr. and Mrs. Edd Earnest of Fort Worth, Mr. and Mrs. Tate Timmon and Darline of Cee Vee. One daughter, Mrs. Louis Golden was not able to attend because of business.

El Progreso Club Has Valentine Day Social

Mrs. Edgar Hays was hostess to the El Progreso Study Club Valentine day, February 14, for a social meeting.

Roll Call was answered with a famous romance. During the business meeting a nominating committee was elected for the following year. They were Mrs. Leslie Ferguson, Mrs. J. C. Kemp and Mrs. Clyde Applewhite.

Following the business meeting Carolyn Cobb entertained with a piano solo. Then the group sang several songs of by-gone-days, with Mrs. J. C. Kemp accompanying on the piano.

Refreshments were served to the following members: Mmes. Clyde Applewhite, I. A. Applewhite, G. M. Brunnier, E. J. Cobb, J. D. Copeland, Leslie Ferguson, Henry Hodel, Frank Perkins, C. J. Taylor, Sid Thomas and the hostess, Mrs. Edgar Hays. Guest was Carolyn Cobb.

H. D. Club Meets In McCuiston Home

The home of Mrs. L. W. McCuiston was the scene for the meeting of the Lockney Home Demonstration Club on Feb. 8.

Roll call was answered with "something funny that happened in my family." Mrs. E. L. Stapp gave a demonstration on leathercraft.

Mrs. J. D. Wood gave a demonstration on textile paintings. Refreshments of heart-shaped cheese sandwiches, cake and spiced tea were served to Mmes. I. A. Applewhite, F. L. Brown, J. H. Cooper, L. M. Honea, Frank Messimer, Jake Jones, E. L. Stapp, J. E. Tierce, J. D. Wood, Ross Cooper, Thomas Marr, Luther Fowler, Miss Josephine Smith and Mrs. McCuiston.

The next meeting of the club will be today, Thursday, in the home of Miss Josephine Smith. The program will include a talk on "State Institutions in our Area" and a clothing demonstration by clothing leaders, Mrs. Frank Messimer and Mrs. Joe Parrish.

Pvt. Thomas O. Simpson from Lackland Air Base at San Antonio spent last week end visiting with relatives in Lockney.

H. D. Clubs Hold Training Meetings

Three training meetings for various committees in Home Demonstration clubs and council were held the past few days.

The Education - Expansion chairmen in Home Demonstration clubs met Friday morning, Feb. 16, for training concerning the duties of their committees. The group met in the office of the County Home Demonstration Agent, Miss Leila Petty. Instruction was given by Mrs. S. J. Latta of the Sunnyside club, who is County T. H. D. A. chairman. She was assisted by Miss Petty. Special emphasis was placed on the method of making reports on the reading program.

Those attending this meeting were: Mmes. J. L. Heim, Center; S. D. Kinnibrugh and R. C. Fawver, Fairview; M. O. Peugh, Lone Star; George Cardinal and L. B. Stewart, Jr., Floydada; B. A. Howell and Mary Simmons, Sterley; Howard Drysdale, Dougherty; Don Finkner, Harmony; J. H. Buchanan, Friendship; Earl Edwards, Lakeview; Harmon Handley and Alvin Wilson, Pleasant Valley; Mrs. Latta and Miss Petty.

On Friday afternoon, February 16, the adult leaders in 4-H clubs met in Miss Petty's office.

The work of leaders was discussed and a chairman was elected who will serve as representative in the County Home Demonstration Council. Mrs. Sam Lide was elected. This committee also drew up recommendations to present to council. Those attending this meeting were Mmes. Sam Lide and Bill Smith of Dougherty; Lloyd Allen of Sand Hill; Henry Bollman of Lockney; Harry Hartman of South Plains; Mrs. O. G. Shearer of the county wide 4-H club; and Miss Petty.

A training meeting for secretaries in Home Demonstration clubs was held on Tuesday afternoon by Miss Petty in her office. Those attending were Mmes. Ned Bradley of Dougherty; Fred Jackson of Sand Hill; Chester W. Mitchell of Pleasant Valley; M. A. Boone, Sterley; Verlon Wright, Lakeview; L. W. McCuiston and J. D. Huggins, Lockney; E. G. Norrell, Homebuilders; M. J. McNeill, Center; and Walton Wilson, Fairview.

ATTEND CONCERT AT FLOYDADA

Among those attending a musical concert at Floydada Monday evening featuring Miss Jean Graham, pianist were: Mr. and Mrs. C. L. Record, Mr. and Mrs. John Carthel, James and Janice, Francis Dee Copeland, Mrs. Joe Holt, Mrs. Frances O'Hearn, Mrs. G. M. Brunnier, Caroline Cobb, Debra Ferguson, Mrs. Edgar Hays, Janice and Barbara Hays, and Mr. and Mrs. Raymond Rucker and children.

Billy Bybee's Ship Hit By Shells

A news report Tuesday stated that the U. S. Destroyer Ozbourn was hit twice by Communist shore battery shells on Sunday off Wonsan, Korea. Two men were slightly injured but were able to return to duty. This is the ship on which Billy Baker Bybee, son of Mr. and Mrs. Delbert Bybee of Lockney, is serv- ing.

A recent letter from Billy to his parents here states that "we have sure been giving the North Koreans a lot of trouble."

The letter continues, "We have had four days shore bombard- ment. We sure did fire a lot of ammunition day and night so we are all pretty tired. We sank two mines also, and did a lot of damage to those rats."

"It won't be long until we start back to the states, next month for sure."

"We was with the USS Man- chester (CL 83) which is Don Aycock's ship yesterday and the day before. They carry an Ad- miral aboard her so they give us all the dope and jobs to do. We was in a Russian mine field this morning but they didn't get us." The letter was written Feb. 13. Billy has been in the Navy for more than two years.

EDITORIAL

What shall we then say to these things? If God be for us, who can be against us?—Romans 8:31.

A foreigner was trying to learn English, one of our exchanges notes, but gave up in disgust when he learned that baloney and apple sauce mean the same thing in English.

People are divided into two classes, those who live and learn and those who merely live.

The fellow who is receiving five per cent interest is inclined to believe that interest doesn't amount to much, but the fellow who is paying five per cent interest will tell you that it keeps him broke.

There are two sides to this inflation threat. It is true that the dollar has depreciated to the point that it is worth only about fifty cents, when it comes to purchasing power. It is also true that every employed person is receiving twice the wages that were paid in normal times when the dollar was really worth a dollar. It is also true that one of these fifty cent dollars will pay

a whole dollars worth of debts. This is the best time that we have seen for many years to pay off debts.

We will admit that no great load was lifted off our minds when insurance on individual bank accounts was increased from five to ten thousand dollars.

The old theory that a curved ball really does not curve is being revived. How do the proponents of this theory explain the fact that so many safe hitters fan out.

Anyone can reduce if the simple instructions "don't eat so much" are followed. The difficulty lies in the fact that the instruction isn't nearly so simple as it sounds.

You can dress up and make the world think you are as young as in the days of yore, but you can't fool a piece of mince pie.

If the devil doesn't get you before you die he will never get you afterwards.

A Kansas Editor printed last week the story of a city man who went pheasant hunting in the western part of the state last week. When he came in at the end of the day some one asked him what luck he had had. With a pleased smile he said that he had got his limit. When asked if he would show his kill he pulled out for the inspection of the interested group three of the prettiest Rhode Island Red roosters you ever saw.

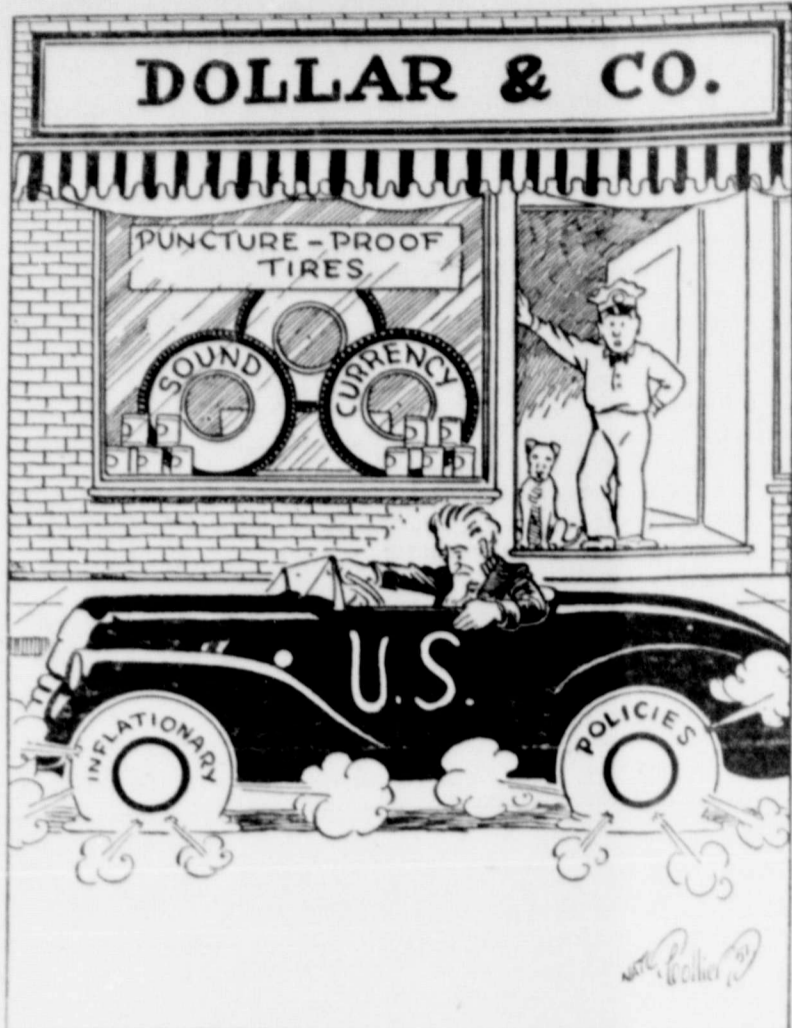

A local man has solved the problem of the fallen leaves on his lawn. He just leaves the leaves alone.

The young man who served in the past wars in which this country has been engaged are the strongest exponents of a preparedness program. We never talked to one of them, no matter what he had been through who was a pacifist or who believed that a program of pacifism and non preparedness was desirable on the part of this country, or that Communism should be appeased.

Every once in a while there is talk of rebellion against the high price of coffee and a general boycotting of the beverages. Nothing ever comes of it. The would be boycotters do a lot of talking but at the same time slip around and pay the price for this popular beverage.

We know that the dictionary spells it differently but the best ones we have ever eaten were called "punkin' pie."

NEW IRRIGATION

Jim Reed is either just naturally lucky or he has opened up the entire area south of Crosbyton for irrigation this week — only time will tell. With a six-inch pump he has developed a 6-inch irrigation well on his place three miles south of town on the Kalgary road that is producing a full six-inch stream of water. According to irrigation experts, that's 600 gallons per minute or enough to irrigate from 75 to 100 acres of land.

Trends asked Jim how he managed to get a good well when others south of the city had failed, and his explanation has good reasoning. He drilled the hole with a spudder, or standard rig, to eliminate packing the fine sand with drilling mud. A rotary rig can be used, he believes, provided the well is thoroughly cleaned out afterwards. To keep the fine sand from sanding down the pump, the perforations in the casing are small slots about the size of a lead pencil, he said. These slots are big enough to let the water in but will keep out a bunch of the sand.

In addition, Jim believes there is enough water in his well for an eight-inch hole if it had been

installed. The hole is 312 feet deep and the pump is set at 270 feet, not much deeper if any than the wells in the west part of the county.

From all indications, provided equipment can be secured, there will be a number of wells put down south of the city this spring. — Trends in Crosbyton Review.

PRACTICING PATRIOTISM

The question of national defense leads to some interesting results.

The industrial magnates talk volubly about the obligations of labor not to strike and the labor professors, not to be outdone, return the compliment by remarking about war-profiteering while labor sacrifices.

The attitude of labor and capital, in this instance, is equalled by that of other citizens who talk glibly about Americans making sacrifices for the national welfare without any idea that they should do likewise.

Frankly, no man knows where events will lead this nation or what fate is in store for the

American people. The chances are, however, that we can avoid misfortune by practicing some of the patriotism we profess before it is too late.—Hereford Brand.

"ARE WE ASKED TO GIVE TOO MUCH?"

This is the title of an article published this month in a national magazine, the "Woman's Home Companion." This article should be of special interest to Postites. Board of directors of the chamber of commerce has recommended it. The main thing of value to Post and Garza people is the discussion it gives of the pros and cons of a united, single charity drive. The Torch Drive in Detroit combined 143 separate appeals, including most of the national drives except Cancer. The author brings out the point that money is not raised "nationally" but locally. The object is not to cut down on the amount raised but to cut down on application of drives and the constant monotonous begging to which merchants are subjected. A unified drive will raise more actual money than the combined totals of several piecemeal campaigns. We recommend a drive that would hit the people when they have the most money, in the fall, say during the month of November. For those who prefer to make more and smaller contributions, a pledge system could be set up. Persons contributing to the community chest here could designate their personal contributions for their favorite charity, or allocate it as they choose. Some plan should be considered. —Post Dispatch.

There is every reason to believe that the price of soft drinks will all advance to ten cents. The old fellows who still regard a dime as a substantial amount of money won't pay it, but the young crowd will take the increase without a word.

Soil Delegates To See Conservation In Practice

Delegates to the fifth annual meeting of the National Association of Soil Conservation Districts at Oklahoma City February 20 to 23 will have a chance to see two of Oklahoma's top attractions in soil conservation.
 One of these points of interest is the Department of Agriculture's watershed flood control program on the Washita River where land treatment is being combined with engineering structures to keep rainfall on the land and slow down run-off.
 A bus caravan will take convention delegates on a tour of the Mill Creek area near Sulphur to view a typical part of the watershed program on Friday, February 23. The visitors will see the land treatment measures which stabilize and improve the soil and increase its water-holding capacity, and the gully plugs, small detention reservoirs and other engineering devices which hold back a portion of the surplus water until streams can carry it safely.
 Parts of the big Washita watershed already have shown in flood periods that the watershed treatment program will go far in lessening agricultural damages. The Soil Conservation Service of the Department of Agriculture is carrying on the upstream flood control program through the 15 soil conservation districts lying in the watershed.
 The bus trippers also will stop at Hereford Heaven, the ranch operated by Oklahoma's former governor, Roy Turner.
 Planes of Oklahoma Flying Farmers on the same day will take other delegates to the Wichita Wildlife Refuge near Lawton. Here the visitors will see herds of buffalo, elk, deer and longhorn cattle on native bluestem range against a rugged mountain background. A buffalo barbecue luncheon will be served by the Comanche Soil Conservation District board of supervisors at Lake Quanah Parker. The lake bears the name of the famous Comanche chief who lived in the area. On the trip the planes will fly over a portion of the Washita River flood control project.
 The bluestem ranges on the Wichita Wildlife Refuge are believed to be the only remaining areas of native bluestems which have not been commercially grazed.

Terry Perkins Is in Japan

Terry Perkins, son of Mr. and Mrs. Frank Perkins of Lockney, is stationed at a Navy base at Yokosuka, Japan, according to his letter to The Beacon. Terry is a graduate of Texas Technological College and has been in the Navy several months.
 Feb. 6, 1951
 Dear Editor,
 I received my first issue of The Beacon a few days ago. Although it was of the January 5 vintage I still enjoyed reading it very much. Frank has written telling me that you very generously have sent it free gratis. I wish to express my appreciation and thanks.
 Things are going very well over here. The only hitch is the cold weather. From what I read in the Stars and Stripes you people have also been having similar experiences.
 Japan is very different from what I have been accustomed, rolling hills, small rocky farms and a very primitive civilization. The people here are friendly enough but I don't seem to be able to master the language.
 Hope you and your family are enjoying the best possible in this new year. Wish to thank you again for The Beacon.
 Sincerely yours,
 Terry Perkins

ATTEND FRIGIDAIRE SALES MEETING

Mrs. Charles Givens and Donnie Bybee attended a Frigidaires sales meeting at the Lubbock Hotel Monday morning February 19. Lunch was served at noon in the ball room of the hotel and the meeting continued during the afternoon. The purpose of the meeting was to see the new 1951 model Frigidaires and stoves.

JACK APPLEWHITE HOME

Jack Applewhite, son of Mr. and Mrs. I. A. Applewhite, arrived home from Pearl Harbor last week on a ten day furlough. Enroute home he stopped in San Francisco to visit with his brother, Alex Applewhite who is stationed at Moffit Field. Jack will leave next week for Olathe, Kan. where he will attend a G. C. A. School for the next three or four months.

Road Work Not To Be Affected By Defense Orders

There are few presently indicated critical materials that are likely to be used in Floyd county road construction this year and it does not appear likely that the road improvements on the Lockney-Pleasant Valley, Sand Hill, Barwise project this spring will be adversely affected by the restriction orders of the federal agencies in connection with defense preparations.

This is the belief of Resident Engineer James F. Potts, of the State Highway department. It seems definite, Mr. Potts thinks, that this contract will be in the March letting.

Recently County Judge Frank L. Moore said that 98 per cent of the easements on the route had been signed up. Some of the land is in the hands of absentee owners. He sees the likelihood there will be no need for condemnation suits from the present outlook. The road to be improved extends south from Lockney to Pleasant Valley school, thence west two miles, thence south to Sand Hill school house and store and west to Barwise. Part of the construction will be under the county and state's 25-75 agreement, and part under the Colston bill for farm to market roads. All of the route has been designated for state maintenance.

Caliche on Dougherty Road

Progress of construction on the road south from Dougherty to the county line approximately eight and a half miles has been satisfactory. This week the road bed had been prepared for the caliche crew and it is probable that some of the base will be hauled.

In the northeast part of the county work continues on bridge building across the Quitaque and Los Linguish creeks and the state's crew of road builders are going ahead with the road work. The finished road will give a hard-surfaced route to Quitaque in Briscoe county.

NEED ANY BLACKBERRY VINES TODAY?

Clarence McCoy, who lives just a half mile east of Lockney on farm highway No. 135, is offering the people of this area some East Texas blackberry vines free gratis. Clarence said Monday that they are coming up all over his place and if anyone wanted blackberry vines to transplant he would be glad to give them all they desired.

Mr. and Mrs. I. A. Applewhite and Jack Applewhite spent last week visiting with friends and relatives at Paintrock, Texas.

Longhorns Fight Hard—But Lose

The Lockney Longhorns gave a good account of themselves in the district play-offs at Chapman Field House in Lubbock last week end but lost out in their efforts to enter the regional tournament this week at Canyon.

However the Longhorns had the satisfaction of laying one licking on the District champion Abernathy Antelope team before they finished the season. They walloped the Antelopes 31-23 Friday night to throw the race into a 3-way tie and force an extra play-off Saturday. But the Antelopes came back and walloped the Longhorns 44-23 Saturday afternoon and that eliminated the local team from the play off.

The tournament started last Tuesday night when the Longhorns lost a game they should have won with Spur. The boys lead most of the way but couldn't get going in the new gym and lost by a score of 41-37. The same night Abernathy trounced Crosbyton.

On Thursday night the Longhorns easily won over the Crosbyton 57 to 25 while Abernathy was winning over Spur 44-25. In this game Sid Thomas made 16 points while John Kendall was making 10 for the Longhorns.

Defeat Antelopes

But the Friday night game was the one Lockney fans had been waiting for. The Longhorns, in the words of the Lubbock Avalanche sports writer, Don Oliver, "played magnificent ball all the way." They did an outstanding defensive job against the highly-rated Antelopes, never allowing them to shoot without being close guarded. Eddie Fortenberry, Joe Cunyus and John Kendall dominated the backboard play, seldom ever giving the Antelopes two shots at the hoop. Fortenberry also held the high-scoring Antelope ace, Sandefur to two field goals, and one free throw, a total of five points, which was probably his all-season low.

John Kendall was the high-scoring man for Lockney with 10 points while Cunyus made 7, Fortenberry six, Frizzell 4, and Sherman 4. The halftime score was 15-7 in the Longhorns favor and going into the fourth quarter the score stood at 25-11. The Antelopes started a rally here but it wasn't enough to catch the Longhorns as the locals kept scoring.

The Longhorns were at a disadvantage because of the height of the Antelope team but they kept constantly on the Antelopes defensively never allowing them a moment's peace when they had the ball.

Saturday afternoon the Longhorns failed to hold Sandefur in check and he scored a total of 24 points while the Longhorns were losing 44 to 23. The locals also had great difficulty finding the basket and missed a great percent of their shots.

The Antelopes also defeated Spur Saturday night to take first place in the district with Spur taking second. The final Spur-Abernathy score was 46-34.

Longhorns playing their last game for the school were Sid Thomas, Joe Cunyus, Eddie Fortenberry, Pat Frizzell.

Livestock Show—

(Continued from page 1)

This week it was indicated that some dissatisfaction has been shown by floor bidders in instances of border line quality classifications in the sale. To meet this complaint and to assure the youngsters who have real quality in the show of a good bidding base, the sifting committee will cut back any animal that fails to meet requirements as to quality. Coaches of the junior livestock competitors have been appraised of this demand that quality animals must be offered on the sale block in order to protect future offerings from the show.
