Pylant Begins New Building For Grocery

Mr. and Mrs. O. V. Pylant began construction this week on a large new building on College Avenue which will house their grocery business when completed. The new building is located between Main Street and West First Street and will be on the south side of College, facing north.

The building will be 50 feet by 125 feet and will be of brick and tile construction. The walls will be of concrete tile with the facing of brick. The floor will be concrete.

J. H. Cooper is the builder and it is expected that construction will require from 45 to 60 days. The cost is estimated at \$25,000.

This is the largest business building to be constructed in Lockney in several years. The Pylants have been in the grocery business at the corner of Main and College for more than 15 years.

Annual Aiken-Meteor Reunion Is Sunday

The annual reunion of residents and former residents of the Aiken-Meteor community will be held at the Methodist Church of Aiken Sunday, August 24, it was announced this week by Thurman Thomas, secretary. Mrs. Lawrence Draper of Plainview is president.

Those attending are asked to bring basket lunch and the drinks will be furnished, Mr. Thomas said.

A program will be given in the afternoon. Among those who have promised to be present are Mrs. Robert Jones and son, Eldon. They formerly operated the store at Aiken.

Legion Auxiliary To Install Officers

The American Legion Auxiliary of Lockney will install officers at a meeting at the Legion Hall at 8 p. m., Monday night, August 25. A social hour will follow the installation.

Officers to be installed are Mrs. Revis Harris, president; Mrs. C. E. Blair, first vice-president; Mrs. Anna Mae Mercer, second vice-president; Mrs. Bud Casey, corresponding secretary; Mrs. G. A. McClelland, secretary; Mrs. Wayne Bybee, treasurer; Mrs. Conrad Henderson, historian; Mrs. Jack Nix, chaplain; Mrs. Boots Cunningham, sergeant-at-arms.

The Auxiliary plans to start a membership drive for the year 1953 at this meeting. Officers ask that all who are interested in joining please contact a member or attend the meeting. The Auxiliary needs and wants all wives of Legionnaires to join, it was said.

Mr. and Mrs. Wayne Bybee, Mr. and Mrs. Carl Blair, Mr. and Mrs. Revis Harris, Sue Allen and J. P. McPherson attended the American Legion and Auxiliary convention held at the Adolphus Hotel in Dallas August 8, 9 and 10.

LEASE DRIVE-IN CAFE

Mr. and Mrs. W. B. Mitchell have leased the "66" Drive-In Cafe on Highway 70 in South Lockney and are now in charge. They invite their friends and the general public to eat with them. Mr. Mitchell will continue to drive a school bus when the fall term of school starts.

TO RECEIVE DEGREE

Henry Ford Jr. will receive his M. A. degree at the end of the summer session at West Texas State College, Canyon, on Friday of this week, August 22. Buffalo Stadium will be the scene of the exercises.

Miss Betty J. Muncy, daughter of Mr. and Mrs. Bob Muncy will also receive a degree as will Miss Erma Walker of Lockney who will receive a master of education degree.

Election Party Here Saturday Night

The usual election party will be held in Lockney Saturday night with the results being posted on the big board outdoors just as fast as they are received. The board is up in front of the Pinner Insurance office and the results will be received there. The phone number is 3329.

Since the ballot is short it is expected that the results of this primary will be known much earlier than in the first primary. People of this part of the county are invited to attend the election party and get the results.

Mrs. Blair To Operate Pool

Mrs. Carl Blair, vice-president of the Lockney American Legion Auxiliary, is now manager of the Lockney Swimming Pool, replacing F. M. Smith, high school principal. The pool is being operated in the afternoons.

A special ladies' day for swimming will be held each Friday morning from 9:30 to 11:30; it was announced this week. Also on Saturday afternoon pennies will be thrown into the pool and the diver who gets the red penny will get a free pass to the pool. Plans now call for operating the pool at least on week ends through the month of September.

Profits derived from the pool's operation go into the city park fund and will be used to make further improvements to the city park, members of the Legion Auxiliary said. The swimming pool has made the park fund approximately \$315 including some \$84 from swimming lessons in recent weeks. The first all-star ball game Tuesday night netted \$47.85 for the park. The directors of the Lockney Labor Camp recently donated \$500 from that project to the city park, the Lockney Home Demonstration Club gave \$25 and the Methodist Missionary Society recently gave \$50 to the park fund.

Improvements planned next for the park include the installation of rest rooms and the laying of a hard surfaced tennis court. The planting of grass on the park grounds will be held up until rains furnish some moisture, it was said.

Mrs. Sweatt Observes 8th Anniversary Here

Mrs. Lena Fae Sweatt, proprietor of Lena Fae Store here, is this week celebrating her eighth anniversary in Lockney. She announces an 8th anniversary sale this week and also the completion of recent enlargement program on her building in which one-third more space was added to the building. Mrs. Sweatt says that the enlargement of her building will enable her to carry a more complete line of merchandise and she is now featuring a complete line of fall and back-to-school merchandise.

Mrs. Sweatt and her daughter, Lena Frances, came to Lockney from Dimmitt eight years ago. At Dimmitt she had operated a grocery store. The continued growth of her store here was the reason of the recent expansion of floor space. Mrs. Sweatt says she is very grateful for the patronage that has made her business a success and she invites the public in to see her newly remodeled store.

MRS. ELLA MARR BETTER

Mrs. Ella Marr is slightly improved and relatives hope to bring her home from the St. Anthony's Hospital in Amarillo this week end. If she is able she will be moved to the local hospital, it was said. Mrs. Marr suffered a stroke last week is partially paralyzed on her left side. She is rational and will enjoy having friends call to see her, according to her daughter, Mrs. F. S. Shearer.

Kirby Ford and daughter, Glenda moved back from Afton to Lockney this week.

Watch your expiration date.

REV. J. R. NAYLOR

ROYCE DOWELL

Rev. Naylor and Mr. Dowell are leading in a 10-day revival at the First Baptist Church here. The meeting started Wednesday and will continue through Sunday, August 31.

Baptist Meeting Now In Progress

A 10-day revival meeting began Wednesday of this week at the First Baptist Church here. Rev. J. R. Naylor, the pastor, will do the preaching and Royce Dowell, educational director, will lead the song service.

Services are being held at night only for this week but both morning and night services will be held next week, Rev. Naylor said. Morning services will start at 10 o'clock and evening services at 8 o'clock.

Prayer meetings at the home of various members of the church on Monday and Tuesday nights of this week preceded the meeting. The meeting will continue through Sunday, August 31.

The public is invited to attend all services, Rev. Naylor said.

Fourth Sunday Singing Here

The regular Fourth Sunday Singing will be held at the City Auditorium here Sunday afternoon. The singers are in session from 2:30 until 4:30 in the afternoon. All singers and those who love to hear good singing are urged to attend. Joe Reeves is president of the convention.

Stricklands Return From Vacation Trip

Mr. and Mrs. Clarence Strickland, DeJuan and Sharinne, recently returned from an extended trip through Oklahoma, Colorado, Kansas, Nebraska and South Dakota. The Stricklands have purchased a 1280 acre ranch in South Dakota. The wheat crop there this summer was fair, they report. They visited the beautiful, scenic Black Hills including the famous Mount Rushmore and the Badlands.

"We concluded, after seeing the Badlands, which was reported to have been a hideout for criminals of the pioneer days, that we would much prefer the penitentiary than to be left alone in the Badlands of South Dakota," Mrs. Strickland said.

Mr. and Mrs. Ben McGhee and Hope plan to leave today for Peyton, Colorado, to visit their daughter, Mr. and Mrs. Bill Wesley and son, Mr. and Mrs. Wesley will then accompany the McGhees to Central City, Colorado.

League Play-Off Series Tied Up

The play-off series of the Lockney Softball League came to a close Saturday night with two teams in the league, the Fire Department and the American Legion, tied for the league title. The tie came when the Legion defeated the Fire Department in the second game Saturday night 9 to 4 after losing to the Fire Department earlier in the series 11 to 2. With each team losing only one game in the series, the series ended in a tie. League officials were working on plans this week to bring the two teams together and play off the tie but no date had been set Wednesday.

Meanwhile the All-Star games began Tuesday evening with the Blue Team, managed by H. E. Frizzell, Audvie Barnett and Harry Hartman, winning over the Red team, managed by "Whitey" Baccus, C. L. Record and Revis Harris. The score was 15 to 7 in nine innings but the game was very close with the lead changing twice up to the top of the ninth when the Blues ran in 7 runs.

Pitching for the Blues were Ronald Reece and Frank Guidry. Reece started the game and Guidry took over in the sixth. Eddie Holcomb was catcher for this team. Other players were Pat Frizzell, short stop, Bobby Carthel, left field, Harold Dean Griffith, second base, Gayle West, third base, G. B. Johnston, center field, Red Childers, right field, and Don Bartram, first base.

Pitching for the Red team were Paul Kropp, Leonard Finley and Johnny Wilson with Jake McGhee catching. Other players were Buddy Rigby, left field, Carl Blair, third base, Mac Smitherman, first base, Harold Jeffcoat, short stop, Shelby Calahan, second base, Donnie Bybee, center field, Dean Stewart, left field, and Bob Hartman, right field.

The two teams will play again tonight (Thursday) at 8 o'clock and will play the third game Friday night if three games are necessary for one team to win two.

Play Off Series

In the league play-off series last week, the games were hotly contested and close most of the time. Complete results of the play-off series was as follows:

Monday night: Legion 14, Aiken 4; Baptists 11, South Plains 10.

Tuesday night: Lone Star 16, Baptist 6; Fire Department 11, Legion 2.

Thursday night: Baptists 3, Legion 10; South Plains 10, Aiken 2.

Friday night: South Plains 7, Legion 8; Fire Department 13, Lone Star 5.

Saturday night: Legion 14, Lone Star 6; Legion 9, Fire Department 4.

Paul Kropp and Archie Bybee were working on the mound for the Legion in all games. Leonard Finley and Charles Vaughn were pitching for the Fire Department, Ronald Reece and Howard Mosley were pitching for Lone Star, Frank Guidry worked the mound for the Baptists, Johnny Wilson was the South Plains pitcher and Sam Daniel was the Aiken pitcher.

Revival Begins At Lone Star Church

The Lone Star Baptist Church will hold a revival meeting starting Sunday, August 24 and extending through Sunday, August 31, it was announced this week. Rev. F. P. Graham, the pastor, will do the preaching and Bill Hall will lead the singing.

Services will be held at 10:30 a. m. and 8 p. m. each day. The public is cordially invited.

Mr. and Mrs. Ben McGhee and Hope plan to leave today for Peyton, Colorado, to visit their daughter, Mr. and Mrs. Bill Wesley and son, Mr. and Mrs. Wesley will then accompany the McGhees to Central City, Colorado.

WHERE TO VOTE

Place of voting in this part of Floyd County is given here:

Sandhill — Sandhill Schoolhouse.

East Lockney — City Auditorium.

Aiken — Aiken Methodist Church.

Providence — Providence Schoolhouse.

Lone Star — Lone Star schoolhouse.

South Plains — South Plains schoolhouse.

Cedar Hill — Cedar Hill schoolhouse.

West Lockney — Lockney High School.

Sterley — Sterley schoolhouse.

HOW TO VOTE

There was some confusion in the first Democratic primary about the marking of the ballot. Some checked the box of the persons they wanted to vote against while leaving blank the box of the person they wanted to vote for. Others checked the box and marked out the name both.

The new type ballot has a small square box in front of each name on the ballot. There are two ways you may vote.

One way is to make an x mark in the box in front of the name of person you wish to vote FOR.

Another way is to scratch out the name of the person you wish to vote AGAINST leaving the name of the person you wish to vote FOR.

If you scratch out the name of the person you are voting against do not make any mark whatever in the boxes. It is unnecessary.

If you make an x in the box in front of the name of the person you wish to vote FOR do not scratch out any name. It is unnecessary.

Mark your ballot carefully. Some ballots were not counted in the first primary because election officials could not determine for whom the voter wished to vote.

Three Floyd Students Get Master Degrees

Three Floyd County students will receive master degrees in graduation exercises at Texas Technological College, Lubbock, on August 27. They are Edward Dent Langford who will receive a Master of Business Administration degree with major in accounting, Miss June Marie Carthel, who will receive a Master of Education degree and Alvin Estle Baker of Floydada who will receive a MA degree also.

Exercises will be on the lawn of the Administration building at 7 p. m. Three hundred and three candidates will receive degrees. R. H. Johnson will be the speaker.

Sheriff's Race Holds Interest In Run-Off Vote

Interest in the race for Sheriff of Floyd County may bring out nearly as large a vote in the second Democratic primary as in the first primary. It was indicated this week. The best indication of interest in the hotly contested race was the absentee voting. A total of 150 absentee votes have been cast for the second primary while a total 152 were cast in the first primary.

In the race Earl Cooper of Lockney, a former deputy sheriff and city officer of Lockney, is running against the incumbent, Leland Hart. Hart is now serving his third term as sheriff of the county. In the first primary Cooper led Hart by 14 votes, Cooper polling 1397 votes to 1383 for Hart. Cooper ran against Hart two years ago with Hart winning the race by about 200 votes out of some 3200. The race this year has been hotter with both candidates and their friends working harder to secure votes.

Six offices will appear on the ballot this primary but one will be uncontested and Lockney and north Floyd County voters will not vote in another. The uncontested office is that of Congressman-at-large in which the name of Martin Dies appears on the ballot with no opponent. Mr. Dies did not receive quite a majority in the first primary but his opponent, John Lee Smith of Lubbock, withdrew.

Another race, that of Justice of the Peace, Precincts 1 and 4, will not be voted on by the people of the north half of the county. The Justice of the Peace for precincts 2 and 3, J. J. Harris was named in the first primary. In the precincts 1 and 4 race, Judge O. E. Olson, the incumbent, is opposed by P. O. (Pat) Sterling. Olson held a small lead in the first primary.

Frank P. Culver of Tarrant County and Spurgeon Bell of Harris county are opponents in the race for Associate Justice, Supreme Court of Texas, Place No. 1. The men ran very close in the first primary.

Another race on this ballot will be for Associate Justice, 7th Supreme Judicial District at Amarillo, Ernest O. Northcutt of Garza County are opponents in this race. Northcutt held a long lead in the first primary despite the fact that Moss was recommended by most attorneys of the district.

For State Representative in the newly created 89th district, composed of Floyd, Hale, Swisher and Briscoe counties, J. W. Walker Jr. of Hale county and Leroy Saul of Swisher county are opponents. Saul held a small lead in this race in the first primary.

The polls will open at 8 a. m. and close at 7 p. m. as usual. The election personnel, including the presiding judge and the clerks, will be the same number in each box as in the first primary. Since the ballot is much shorter election officials hope that this will mean the counting will be completed much earlier and the results of the voting may be made known to the public earlier.

Mrs. Griffiths Is Real Pioneer

(The following story concerning the life of Mrs. Elizabeth Harris Griffiths, mother of H. C. Griffiths of Lockney, comes from a Washington, Okla., newspaper. Mrs. Griffiths is 94 years old and her home is in Ardmore, Okla.)

By Mary Jo Turner

Having lived to see her seventh war, tiny "Grandmother" Griffiths, 94 year old Texas Oklahoma pioneer who is spending the month with her son and daughter-in-law Mr. and Mrs. Frank Griffiths, Washington merchant, has a great deal to tell. She is good for a dozen or more stories, but the most valuable is her first hand knowledge of the history of Texas which has learned from her frontier father Captain Arna Harris, a scout who came with Captains Merce and Peters with the first colony of settlers from the Arkansas line to Houston.

With a great deal of dignity, belying the miniature frame (she weighs 95 pounds in five feet, two and wears a size four shoe), "Grandmother" Griffiths doesn't at all seem like a pioneer woman. In fact, she doesn't look like she could ever stand a good Oklahoma wind, being so dainty she could be wafted away. She is, without doubt the cutest little lady, the most intelligent and understanding the sweetest person I've ever seen of that age. She wasn't old at all. She will always be young. But she's a pioneer—and listen to her story:

Elizabeth Harris Griffiths was born in one of the three log houses which were built near the fortress and general store of what is now the city of Fort Worth, Texas, on January 13, 1858 and she weighed just three pounds. Her mother was ill of typhoid fever. The three pound baby was given a drink of hot coffee quickly—and she's been drinking it ever since.

"Coffee won't hurt anyone, in my estimation," she says. "I've drunk it three times a day for 94 years." And she drinks it even more often when she's around where it is being served.

The three pounder was one of twelve children, six sons and six daughters, only one other of whom is living today. Mrs. Nettie Wells, age 75, of Dallas, Texas. Within three years the civil war broke out and her father, Captain Harris came home only once while fighting in it. After the war, he fought the Indians and Mexicans who still wanted to control Texas. They moved from the fort to near what is now Waxahatchie, where she attended and was graduated from

Mrs. Elizabeth Harris Griffiths, mother of H. C. Griffiths of Lockney, is 94 years old and still active. She lives at Ardmore, Okla.

high school near Red Oak. When 18 she was married to Granville Griffiths on December 14, 1876. After the birth of their sixth child, they moved to the Indian Territory, where they established a store and postoffice which is named after their daughter, Katy. This is three miles from Elmore. Then they moved back to Wise county, Texas. Then back to Ardmore and Lawton, Oklahoma, all this of course, in the covered wagon. A busy, busy life, rearing ten children, six sons and four daughters, only seven of whom are living today.

"What do you consider you've got most out of life?" she was once asked. "Well," she answered, "I've had the pleasure of raising a big family of six sons. Never an officer has put his hands on one of them." "Grandmother," she was told, "you've done plenty."

As to the wars, why, there was the Civil war, the Spanish-American war, the Philippine war, the two World wars, the Mexican wars and now the Korean war.

Here's another of those dozen stories, Grandmother Griffiths possesses today a small pair of black lace mitts about 140 years old. They are very valuable, historically so much so that the officials of the Texas Centennial offered a high price for them. But they are very dear to her, because they were her grandmother's. And they were the first piece of merchandise to be brought to Fort Worth. There was a dugout store with a walled front to keep the Indians out. This dugout store was kept by a Mr. Porter who brought his goods from Lick Skillet, Louisiana, by ox cart. Grandmother Griffiths' father, young Captain Harris, went into the

dugout to buy some tobacco and there among the frontier supplies, which consisted of spurs, boots, tobacco, leggings, thread, needles and other items was one piece of feminine luxury which Mr. Porter had brought across the most dangerous route in the world by ox cart. There were the black lace mitts.

Now, there's another story. Back in Arkansas, young Captain Harris had led a secure, sheltered life. He had attended college and his mother wanted more than anything for him to live on and farm the fine 200 acre piece of land which they had given him. But young Harris craved to see the west—Indians, and the vast empire of the Republic of Texas. His was the pioneer spirit. He joined up with Captain Mercer and left as a scout with the first group of colonists to Texas. This grieved his mother who knew of the dangers lurking there. He hated to cause her sadness but it was in his blood to push westward and thus become one of the first Texas settlers.

To please his mother, he purchased the pretty pair of black lace mitts and sent them (by stage) to her. It was many months before she received them but she always treasured them because she knew that he was alive.

There are other stories, too. Her father, Captain Harris was paid by the government for his services as a scout in land, 1800 acres of land which is near what is today Blue Ridge, Texas. He also at one time owned the 360 acres of what is today, the heart of Fort Worth. Her father and Jim Farrar, of Farrar brothers, cattlemen, drove a herd of thousands of cattle from Texas to Boggy Depot Indian Territory, and on up to Dodge City, Kansas. It took them many months and they didn't write back. When they returned, they brought their gold in a trunk by train. This trunk today is the property of a Farrar great-grandson and exhibited proudly by his family on state occasions.

What does she think about shorts? Why, they're practical and cool she says. Did she ever smoke a pipe? No, but one dip of snuff cost her husband \$30. She got sick because she was sick anyway. She likes pretty material and liked shopping in her son's store. She's quilted, sewed and crocheted. One of her prettiest quilts was the "Open Bible," which takes nine squares of material. She describes it very vividly. The square has a white center, then plum color, then grayish-blue. On the outside is a Holy Bible and verse. She made this as near as she could to the color of the Bible. The

prettiest quilt was "Rocky Mountain."

Has she always been strong and well? No. There has been lots of sick spells. Flu, Pneumonia, Gallstones, Operations. But each time she recovered. Today, she is strong and well and looking forward to more years. An uncle lived to be 105 and died in the same room of the same house in which he was born. Another uncle lived to be 98.

There are 28 grandchildren, 16 great grandchildren and two great greats. The seven living children are: White Griffiths, Earth, Texas; Walter Griffiths, Sulphur; Hugh of Lockney; Frank of Washington; Davis Griffiths of Shawnee; Mrs. Irene Ferguson, Ardmore; and Mrs. W. H. Joyce of Atoka.

Special Days For A Special Purpose

from the Pastor

We are not having this special series of services just to have "another" meeting. Neither are we having them just to provide you with a place to go, for there are many other places you can go. We have three things in mind namely thus:

1. To win lost people to Christ. If you know not Christ in free pardon of your sin, then you are lost, and we earnestly beg you to come to Him for Salvation.
2. To reach the unenlisted Baptists in our area. Many of you have moved into this area, moved everything you own except your church membership. You have not lived up to our Church Covenant which says that you will transfer your membership to the church of like faith and order in the community in which you live. May you find your rightful place in the church in the special days.
3. To the Christian who has grown cold in heart towards the Lord's work. Remember dear friend that you will have to answer to God for your own actions not the actions of others. Your faithfulness towards the church determines your love for Christ who has saved you from your sin.

On the kind, quality, and weight of the fly casting line depends to a large degree the measure of your pleasure in fly fishing. Even the rod is of not much greater importance. First, the line should fit your rod. Second, it should have a smooth and pliable surface as to slip easily through the guides of the rod, a quality that permits the necessary shooting of the line in order to get distance.

Lines made of nylon are of fairly recent origin and are proving satisfactory in all respects—strength, smoothness, and casting quality. The fly fisherman who purchases a line of this material will find it first class. It is a mistake to try and economize on a fly-casting line. Cheap lines soon become sticky and a sticky line casts bad. A really good tapered line will cost you anywhere from \$8 to \$12, but if properly cared for will last for many years. If turned frequently on the reel, so that both tapered ends gets used, it will last longer, as well as being free of kinks which always result from a line being kept indefinitely in one position on the reel.

At the end of the season, remove the line from the reel and coil it loosely in large coils. When fishing some part of the line will get in contact with the ground and gather dirt and grit. Rubbing it down with a soft cloth will remove the dirt, and help to preserve the line.

In dry-fly fishing a line should float. In wet fly fishing some say the line should sink but I like my line to float both in wet or dry fly fishing. It will aid your success to dress your fly line with one of the various preparations on the market which are designed to make it float.

Typhus Fever is Appearing In Texas

Austin. — Typhus fever continues to make its appearance in various counties of Texas, says Dr. Geo. W. Cox, State Health Officer. Like typhoid fever, most cases appear during the summer and fall and all citizens are urged to help control the spread of typhus by assisting in exterminating rats.

"There is only one way in which Typhus can be controlled," Dr. Cox said, "and that is by, as nearly as possible, completely exterminating rats in the State, since fleas from infected rats transmit the disease to man. We can begin to visualize the extent of the needed extermination campaign when we realize that there is estimated to be 13,000,000 rats in Texas."

There has been some confusion concerning the type of Typhus Fever which is occurring in Texas, but Dr. Cox pointed out that this disease is entirely different from the old world type which has followed some of the armies in Europe. Ordinarily the kind of typhus which makes its appearance in this section of the country is not a fatal disease, although there has been a death rate of about 2 per cent from Typhus this year.

The poisoning and trapping of rats throughout the State will help to control the spread of this disease although these are temporary measures. In order to be permanently rid of rats they will have to be starved out, which means that buildings housing food supplies must be rat proofed.

It should also be remembered that rats cost the householder millions of dollars each year in the amount of food they either eat or spoil.

L. D. Bartee, who comes from Paducah, is the new conservationist with the work unit of Floyd County Soil Conservation district. He succeeds Ralph Cogdill, who last week transferred to Morton, Cochran county, to take similar work there after five years with the Floyd county district.

Bartee, who has been the

conservationist of the work unit cooperating with the King County Conservation district, has already moved to Floydada and has taken over duties here.

Present personnel of the local work unit is composed of Bartee, Y. E. McAdams, who is the district engineer, and Robt. C. Daniel, field man. Daniel has his residence in Plainview.

Noman Hamilton, who has been with the local work unit for several years, recently resigned to take up other work.

AN EFFICIENT PUBLIC OFFICIAL IS A VALUABLE PUBLIC INVESTMENT!

Today, more than ever before, an efficient public official is a valuable public investment. We cannot afford to pause that a new man may become acquainted with the job when an experienced, able and proven man is waiting to fill it. This is not a time to indulge in extravagance of valuable time and money to replace a proven efficient officer.

In considering Leland Hart as a candidate for re-election, we as citizens of the entire county, point to his record during the years he has served as sheriff. He investigates his cases carefully and thoroughly that facts, and facts alone, will determine decisions, thus protecting the innocent and insuring trial of the guilty. As an officer he has been fearless, vigorous and capable. He has proven himself fair and without prejudice.

Leland Hart's record proves that he has done the job well. He has conducted his duties with faithful, conscientious and efficient effort with the single goal of good law enforcement in Floyd County.

Leland Hart is a native West Texan, 30 years a resident of our county. He is one of us. From Floyd County he went to the service during World War II and served overseas, though he was a married man with a family. He is married to a Floyd County girl, and here they have reared a family of four children.

There is no question of Leland Hart's ability, his fairness or his sincerity. He is doing a good job and he is well-trained for it. We as voters and taxpayers believe he has earned the right to re-election. We urge your most sincere consideration. We ask that you consider the good record he has made in the office. We urge you to weigh his work and the results he has obtained.

Each taxpayer has a valuable investment in the training and experience of Leland Hart. That investment will not be lost if you re-elect him to office.

South Plains

by Mrs. Murray Julian

The South Plains Baptist Church is in a week of revival meetings with Al Brian, from Floydada, leader of singing, and Rev. Clifford Potts, from the Trinity Baptist Church of Tucumcari, N. M., presiding in the pulpit. The church has air conditioning, so come and worship with your friends and neighbors.

Mr. and Mrs. L. T. Wood and Janet returned on Monday from a weeks vacation trip which took them to Tucumcari, N. M., where they visited Mrs. S. C. Waller, Mrs. Wood's mother, and from there they went to Santa Fe, Los Alamos, and on to Colorado. They went to the Will Rogers Shrine on Cheyenne Mountain while they were in Colorado Springs and they had an enjoyable vacation. Mr. and Mrs. Walter Wood returned from their trip on last Sunday night, and they had been visiting a week up at Caspar, Wyoming.

School begins on Monday, September 1 at South Plains. Two teachers, Mrs. O. T. Hewitt and Mr. J. B. Thames will teach the seven grades. The P.T.A. has announced that the lunch room will be cared for by Mrs. Harry Hartman and Mrs. Bryant Higginbotham, for the coming school year and they will serve lunches to the children and teachers.

Sunday all day guests at the home of Mr. and Mrs. Rene Teary were Andrew Jetton and

mother, Mrs. A. J. Jetton, Esley Yeary, and Mr. and Mrs. Stewart Reynolds and boys from Bakersfield, California.

Mrs. Gene Edmonds left last Friday evening with her children, Sue, Diane and Benny, by way of train, for a weeks visit with her parents who reside at Brian, Texas. Gene Edmonds will leave on Thursday of this coming week for his family and they will visit his parents at Cameron before they return home.

The South Plains Community Picnic which was held at the ball park in South Plains was well attended on Friday night, August 15. Sandwiches, drinks, and delicious cakes and ice cream were served to the group, and Mr. and Mrs. Sim Reeves from Plainview came down to enjoy an evening with friends. Mrs. Ruth Burnett from San Antonio was a guest. Everyone had a good time in spite of the bad onslaught of insects.

Mr. and Mrs. Arby Mulder, Catherine and Nathan left immediately after the community picnic Friday evening for Lawton, Oklahoma where Mrs. Mulder's relatives, the Fitzgeralds, were holding a reunion in the park at Lawton on the 16th and 17th of August. This is a yearly event in the Fitzgerald family. The Mulders will be home Monday, the 18th.

Mrs. Ruth Burnett left by bus for Amarillo Saturday from Plainview. She will visit Mrs. Alex Cannon over Sunday before going on to Pueblo, Colo.

She had been the guest of Mr. and Mrs. Murray Julian the past week.

Rev. Chas Jbner arrived home on Saturday from Abilene after a few days visit with relatives there. He will stay out at the farm with the Robertsons during the revival week.

Mr. and Mrs. Stewart Reynolds and boys from Bakersfield, California are visiting Mr. and Mrs. Rene Yeary. They arrived on Friday night.

Jean and Mona Cummings from Denver, Colorado, have been visiting their parents, Mr. and Mrs. Zach Cummings and brothers, Zach, Sterling and Kendall and their families during the past two weeks while they were on their vacation.

Mr. and Mrs. Fred Fortenberry accompanied by Elmo and cousins, Durrell and Eldon Fortenberry left for Clovis, N. M. last Thursday for a family reunion of the Fortenberry's, which was held in the Odd Fellow Lodge of Clovis on Thursday. From Clovis they went to Carlsbad, where on Friday they went through the caverns and enjoyed seeing the sights around Carlsbad and Artesia. They arrived home Saturday night.

Mr. and Mrs. Ray Hulick and Scotty arrived on Saturday afternoon at the home of Mrs. Hulick's aunt, Mrs. Murray Julian and family. The Hulicks are from Albuquerque, N. M., and were enroute home from Stillwater, Oklahoma, where they had attended the National Rural Letter Carriers convention. They spent

the week end with the Julians returning to Albuquerque Monday evening.

Mrs. Margie White from Pampa was a guest at the home of Mr. and Mrs. George Weast on Monday and Monday night.

Callers and visitors at the G. F. Weast home Thursday were Mrs. Ruth Burnett of San Antonio; on Sunday Mr. and Mrs. John Smitherman; on Tuesday morning, Mr. and Mrs. Marvin Montague of Silverton; and guests on Thursday and Friday at the home of Mrs. E. T. Evans' parents were Mr. and Mrs. Evans and their children who reside in Amarillo.

Pink And Blue Shower Given For Mrs. Jerry Pearsey

The spacious home of Mrs. R. E. Young on the Silverton highway was the setting for a lovely pink and blue shower honoring Mrs. Jerry Pearsey, nee Miss Peggy Brown on Thursday afternoon, August 14, at 2:30. The home was lovely in flowers of every color which were gathered in Mrs. G. F. Weast's garden and their colors made a lovely background for the pink punch which was served with small assorted colored cakes. Verbena of every shade of pink was lovely on the dining table.

Guests gathered in the living room while Mrs. Pearsey opened her lovely gifts and her mother, Mrs. Leo Brown, grandmother, Mrs. J. T. Perry and three sisters were there at the gift presentation. There were many hostesses assisting Mrs. Young at the party and many friends and relatives sent gifts, besides those present, who were: Mmes. Leo Brown, Bryant Higginbotham, George Beely, Menard Field, S. A. Thornton, John Hinsley, J. T. Pearsey, James Whitehead, Chas. Pickens, Bryan Karr,

Hansel Sanders, Raymond Upton, E. E. Reeves, Grigsby Milton, George Weast, Dock Jones, Sterling Cummings, Kenneth Bean, John Wilson, J. K. West and R. E. Young, Misses Patsy, Gail and Twila June Brown, Bonnie Upton, Donita Milton, Donnie Young, Sue Wilson, Barbara Sue Milton and the honored guest, Mrs. Jerry Pearsey. Jerry Pearsey is still stationed in Korea.

H. D. Club Meeting

The South Plains Home Demonstration Club met on Wednesday, August 13, at the home of Mrs. John Smitherman with Mrs. B. Higginbotham and Mrs. J. P. Taylor as hostesses for the occasion. Mrs. H. L. Marble presided over the meeting and roll call was answered with household hints. The community picnic at the ball park was announced and the business of the day was completed. Mrs. Kathleen Thornton gave an interesting paper on "Being a Gracious Hostess." This was followed by "Showers Predicted" given by Mrs. Gertrude Smitherman. Mrs. Walter Wood gave a group of "Recipes for Different Occasions" and Mrs. Davenport was absent and the cake decorating was left out of the program. Games and recreation were led by Mrs. J. B. Thames and Miss Virginia Taylor. One guest was present, Mrs. Ruth Burnett of San Antonio. Delicious refreshments of home made ice cream and pineapple upside down cake was served to the following: Mmes. George Weast, Albert Stewart, Owen Thornton, Rufus Young, Grigsby Milton, Murray Julian, J. P. Taylor, J. B. Thames, Horace Marble, Walter Wood, Harry Hartman, John Smitherman, the guest, Ruth Burnett, and Misses Donita Milton and

Virginia Taylor, by Mrs. Higginbotham and Mrs. Taylor. The next meeting will be September 10, at the home of Mrs. Zach Cummings with Mrs. Dock Jones as co-hostess.

Disabled Vets May Get Special Cars

Austin. — Now disabled veterans can have those cars they've been waiting for.

Congress has appropriated the funds with which to implement its program of furnishing cars for disabled veterans under certain conditions, the Texas Division of the American Automobile Association has learned.

Under the law which was passed last October, the U. S. Government would pay the first \$1,600 of the purchase price of an automobile for each disabled veteran who met the qualifications. Originally, applications of the vets were delayed because no funds had been appropriated to carry out the provisions of the act.

But now the money is available, and the Veterans Administration says prompt attention will be given to the applicants.

LETTERS TO THE EDITOR

OLD TIMER WRITES THE BEACON

San Angelo, Texas
July 31, 1952.

To The Beacon,
Lockney, Texas.

I see so many of the old names of the old settlers of Floyd County, but mine is not mentioned. Well, I am one of the oldest and Old Man Foster was one of the first. He bought out S. L. Boon in 1896 and a fine old man he was. I went to Briscoe County in 1895 and to Floyd in 1896. Now ask Carl McAdams, I got material from McAdams Lumber Co. to build a house in Briscoe County in '97. I sold out in Briscoe in '98 and moved to Floyd County. My old friend, J. H. Fowler, built the house for me at \$2.00 per day. Now he is still there. You just ask him. I had two acres of turnips that were for everyone who would come and get them.

A lot of the old timers have passed on, but J. H. and me are still among the living and I lay it all on that old corn bread and turnip greens with plenty

of bacon. We raised that too. Our old friends were Charlie Merrick Sr., Jim Robbins, Calvin Applegate, J. D. Griffith. All were neighbors then for 20 miles. J. H. Fowler is 98 and still going. A little cyclone came in 1900 and scattered debris in three counties as far as Quitaque and Flomot. Now if you don't believe this just ask Mrs. A. J. Baker down at the store.

And Beacon if you put this in The Beacon send me one. My wife is put away there in that beautiful little city of the dead. There is a double tomb there and someday I will rest there beside her. We had 10 children, nine born in Floyd County, one in Briscoe county. To all my old friends a great big hello and adaise.

MEDITATION

Let us together meditate upon the word of God. In Psalms 118 and verse 8 the psalmist says "It is better to trust in the Lord than to put confidence in man." In Psalms 119 and verse 105 the psalmist says "Thy word is a lamp unto my feet, and a light unto my path." In Isaiah 1 and verse 18 we have this statement, "Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool."

With these words in mind, let us reason together upon the subject of baptism. Man tells us that baptism does not have anything to do with our salvation. Man tells us that our sins are forgiven, then we are baptized, if we want to be. Man tells us that we do not have to be baptized to have our sins forgiven.

Let us compare these statements with the word of God. In John 3 and verse 5, Jesus said, "Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God." In Mark 16 and verse 16, Jesus said, "He that believeth and is baptized shall be saved; but he that believeth not shall be damned."

Peter said in Acts 2 and verse 38, in answer to the question "Men and brethren, what shall we do?" Then Peter said unto them "Repent and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost."

The American Standard Version says "unto the remission of your sins." In Acts 22 and verse 16, Ananias said to Paul "And now why tarriest thou? arise, and be baptized, and wash away thy sins, calling on the name of the Lord."

In Romans 6 and verse 4 Paul said that we are to walk in newness of life after being buried with Christ in baptism. In 1st Peter 3 and verse 21, Peter said, "The like figure whereunto even baptism doth also now save us."

It is our prayer unto God that everyone will study this subject more thoroughly than space permits here. Let us place the same value upon baptism that the word of God places upon it. We must believe and obey all of God's word to be pleasing unto him. We ask that you please read Matthew 15 and verse 9.

"50,000 Miles No Wear" Service!

Now is the time for all smart motorists to discover how Conoco's great new "50,000 Miles—No Wear" Service helps engines last longer, perform better, use less gasoline and oil!

This is exactly the same service that kept test cars new in Conoco's spectacular "50,000 Miles—No Wear" road test!

In that famous 50,000-mile test, with 1,000-mile drains and proper filter service, test car engines showed no wear of any consequence: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000.

Now you can get this same 1-2-3 "50,000 Miles—No Wear" Service, at your Conoco Mileage Merchant's, today!

Here's the Famous "50,000 Miles—No Wear" Service!

- 1 Your Conoco Mileage Merchant Will Drain Out Grit and Sludge, preferably while engine is hot! "Hot-oil" drains every 1,000 miles flush out grit, dirt, acid and contamination—leave your engine sparkling clean!
- 2 He'll Recondition Air and Oil Filters! He'll clean filter elements, replace dirty cartridges, record mileage. Every time hood is lifted, he'll check mileage to be sure filters have been serviced at proper intervals.
- 3 He'll refill with great Conoco Super Motor Oil! Conoco Super is fortified with additives that curb dangerous accumulation of dirt and contamination—protect metal surfaces from corrosive combustion acids—fight rust—and OIL-PLATE against wear.

Meyer-Dillard Vows Exchanged In Rites

Miss Marion Marguerite Meyer, daughter of Rev. and Mrs. H. C. Meyer of Pampa, became the bride of Bobby Eldon Dillard, son of Mr. and Mrs. Charlie Dillard of Lockney in an impressive double ring ceremony performed at the Assembly of God Church here Tuesday evening, August 19 at 8 o'clock. Rev. Horace Reeves, assisted by W. C. Meyer officiated as vows were exchanged at an altar decorated with fourteen-branch candelabra backed by palm and flanked by tall baskets of garden flowers.

Miss Corine Spillman played the traditional wedding marches and accompanied John Ridner who sang "Because", "I Love You Truly", and "Always".

Candles were lighted by Joyce Dillard, sister of the groom and Roger Meyer, brother of the bride. Joyce was dressed in a blue floor-length gown.

Mrs. Harriet Greer, sister of the bride, was matron of honor. She was dressed in a blue dotted swiss gown. Miss Mary Beth Scruggs, bridesmaid, wore a gown of yellow brocade fashioned identical to that of the matron of honor. They carried nosegays of white carnations.

The bride wore a family heirloom wedding gown of white satin and imported chantilly lace fashioned with long sleeves ending in points over the hands. The full skirt extended into a twelve-foot train. The two-tiered finger-tip length veil of illusion covered her face until she was given away by her father. Her headdress was a halo of seed pearls. She carried a white Bible topped with a bouquet of pink sweetheart roses showered with satin streamers.

De Juan Strickland served the groom as best man. Ushers were Rev. Elwood R. Greer and Garland Tucker.

Sharinne Strickland presided at the guest book where a host of friends and relatives registered.

Mrs. Meyer, mother of the bride, wore a blue dress with blue accessories and a corsage of pink sweetheart roses.

Mrs. Dillard, mother of the groom was dressed in black with black accessories and a corsage of pink sweetheart roses.

A reception was held immediately following the ceremony on the lawn, at the home of the bride's sister and brother-in-law, Rev. and Mrs. Elwood R. Greer.

The bride's table was laid with a white cloth and centered with a three-tiered wedding cake topped with a miniature bride and groom. Blue and white tapers in crystal holders and pink roses completed the decorations.

After the bridal couple cut the first piece of cake Miss Eldora Boone continued the serv-

ing. Patsy Fortenberry served punch.

For going away, the bride wore an aqua suit with white accessories and a corsage of pink sweetheart roses.

The bride graduated from Mexia High School and the groom graduated from Floydada High School. They will make their home in Lockney.

Mr. and Mrs. Joe Parrish are announcing the engagement and approaching marriage of their daughter, Louise, to Jimmy McClure. The wedding will be Sunday, September 14 at 2:30 in the First Christian Church of Floydada. Jimmy is the son of Mr. and Mrs. F. R. McClure of the Irick community.

Pollyanna Club Meets Tuesday

The Pollyanna Club met Tuesday in the home of Mrs. Joe Parrish. The afternoon was spent in sewing. Refreshments were served to Meses. Pont Darnell, Derrel Wood, J. Owen Thornton, Lester Carter, Barney Manning, Charlie Smith, Olson Allison and guest, Mrs. A. L. La May.

Next meeting will be held at the home of Mrs. Charlie Smith September 2, at 2:30 p. m. All members are urged to be there since that day will be the time for gifts.

Mr. and Mrs. Pat Woodburn and daughters, Diann and Debra of Van, Texas, spent last week end here visiting his mother, Mrs. Lula Woodburn.

VOTE FOR FRANK CULVER!

The big vote in Floyd County given to Frank Culver for Supreme Court, Place 1, was very gratifying to me. I am sure it didn't result from the notice I placed in The Beacon requesting you to vote for him. But I sure hope you will vote the same way again for one I consider a friend.

Lockney H. D. Club To Hold Bake Sale

The Lockney Home Demonstration Club will hold a bake sale August 23 in the Parker Furniture store. All food will be absolutely home-made.

The club met Thursday, August 14 in the home of Mrs. J. S. Hill. Roll call was answered by telling about your vacation this year. The program was quite varied in the field of entertaining. Mrs. J. M. Honea gave an interesting article on "The Successful Hostess." Mrs. Thomas Marr presented the lay-out for "The Successful game leader." "Showers Predicted," was a timely and helpful topic discussed by Mrs. L. W. McCuiston. Mrs. I. A. Applewhite gave "Refreshments for different occasions" and a cake was decorated by Mrs. J. H. Cooper.

The club made \$25 on a recent bake sale for the benefit of the City Park. It was voted to have another bake sale Saturday, August 23.

Mrs. Ross Cooper was pleasantly surprised as she was presented an assortment of pink and blue gifts from members of the club.

Lovely refreshments were served to Meses. Thomas Marr, L. W. McCuiston, F. L. Brown, Ross Cooper, L. M. Honea, I. A. Applewhite, J. H. Cooper, E. M. Whorton, Raymond Watson, Noble S. Abbott, Hill, Frank Messimer, Fred Anderson.

Next meeting will be held September 11, in the home of Mrs. Frank Messimer.

Mrs. L. W. McCuiston, Mrs.

I. A. Applewhite and Mrs. J. H. Cooper attended a demonstration on making slip covers for furniture Friday, August 15, in the Floyd County Council room by Miss Lelia Petty, Floyd County Home Demonstration Agent.

Girl Scout Troop No. 6 Meets

Girl Scout Troop No. 6 met Thursday afternoon of last week at their leader, Mrs. S. A. Bayley. They spent the time in weaving baskets.

Patsy Bayley, Patsy Bybee, Lynn Jolly, Katie Ray Rucker, LaJuan Henderson, Betty Jean Foster, Charlene Messimer, Mrs. W. A. Jolly, Mrs. Bailey Henderson, Mrs. Joe Foster and Mrs. Bayley.

EDITORIAL

Know ye that the Lord, he is God; it is he that hath made us and not we ourselves; we are his people, and the sheep of his pasture.—Psalm 100:3.

Every qualified voter should take time to cast his ballot in the second Democratic primary election Saturday of this week. If you do not take time to vote then you have no right to criticize officers elected by your neighbors who do take time to vote. We talk much about American democracy and the many privileges we have under this kind of government. Yet the ballot is the very basis of our democracy and many people do not trouble themselves to go to the polls and vote. This kind of indifference and laziness could very easily lose us all the freedoms that we have. Voting is the first requirement of good citizenship.

Simply because the ballot is so important it is still no reason to fail to vote. Every vote on this short ballot is very important. It is important that qualified men of good character and good judgment be named to office. Voters should make some effort to inform themselves

on the merits of the various candidates and vote for the man who will, in your opinion, best serve the people. Go to the polls Saturday and vote.

Have you had your car inspected? September 6 is the deadline and that isn't far away. Already inspection stations are being crowded and some are suggesting that you make an appointment for your car to prevent having to wait so long. There has been some criticism of the car inspection law but at least it is a step in the right direction and for your own safety's sake, if for no other, you should have your car inspected.

Regardless of other issues, we are impressed with Eisenhower's suggestion for ending the war in Korea. As we understand it, he favors immediate stop to the so-called truce talks, which after all appear to be merely sham and pretense on the part of the Reds, and putting the question up to Russia as to whether the war will stop or not. Under the present conditions, the thing has no chance to end but will drag on and on, keeping our nation in a state of uncertainty and preventing the return to normal conditions and peaceful relations with other countries. In our opinion we should either get in the war or get out, and personally we would have no scruples against using the A bomb or any other weapon if it would save the lives of American boys and end the war quicker.

Taxes, like everything else, are going up. The present re-valuation of property in this school district is but a trend that is present in all lines of both public and private business. The members of the board of the Lockney school district are all just plain citizens who don't like to pay taxes anymore than any of the rest of us. Six of the seven men are farmers who live in the country. But they realize that it takes more money now to have schools than it did five or 10 years ago. No one planned it that way. It is a trend of the times which no one could foresee. But if we have to have more money for schools we have to have it, and that is that.

What we're wondering now is how long it will be before state and county valuations will have to be raised. Although we are not thoroughly familiar with county affairs it is our impression that county finances are a little tight. Some day the Commissioners Court is going to have to raise valuations. How soon that will be, we don't know. But it's coming.

OUR DEMOCRACY—by Mat

MONEY DOESN'T GROW ON TREES— BUT TREES GROW INTO MONEY

—NOT ONLY TREES, BUT CORN, CATTLE, APPLES, COTTON— AS YOU RIDE ACROSS THE COUNTRY YOU SEE WEALTH IN THE PROCESS OF CREATION ON EVERY HAND, AIDED AND ASSISTED BY THE LUMBERMAN, THE FARMER AND THE RANCHER.

IT'S THE WORK THAT THEY AND OTHER WORKERS DO THAT GIVES MONEY ITS REAL VALUE. WITHOUT IT, THERE WOULD BE NO LUMBER, OR CORN OR BEEF OR OTHER THINGS TO BUY. WHAT THEY PRODUCE IS PART OF THE WEALTH OF AMERICA.

POLITICS COULD USE MORE PRAYER
We have been requested to reprint Norman Vincent Peale's plea for prayer, titled "God's Choice for President."

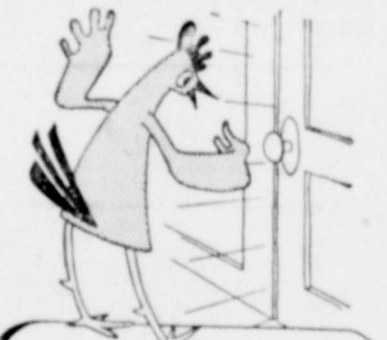

We read this on our Monday night broadcast, and several have called and asked that it be printed.

It was published and copyrighted originally in the little magazine Guideposts, of which Dr. Peale is editor. You may obtain copies in attractive pamphlet form by writing to Guideposts, Pawling, NY. Prices are 50 for \$1, 300 for \$5, and 1,000 for \$15.

GOD'S CHOICE FOR PRESIDENT
We propose a prayer plan for the selection of the next President of the United States.

Such a plan has absolutely no reference to any political party, or to any group within any party, or to any individual of any party. The sole and sincere purpose is to receive Divine guidance in choosing the man whom God wants as the next leader of this great country.

President. Help us to select the man who will follow Thy will in this crisis of our history... Amen.
George Washington, our first President, who prayed in the snow at Valley Forge, said, "The event is in the hands of God." When the tide of battle was unfavorable he said, "How will it end? God will direct."

When the leaders of our country assembled to write the Constitution it was proposed by Benjamin Franklin that each session be opened with prayer, for said he, "I have lived a long time, and the longer I live the more convincing proof I see of this truth—that God governs the affairs of men. And if a sparrow cannot fall to the ground without His notice, is it probable that an empire can rise without His aid?"

Each individual must have an open mind on which God may impress His will. Through our prayers we will receive a clear unmistakable conviction that one particular personality is God's man for this crisis. The Bible promises guidance when it says, "He will guide thee by His Counsel."

Will you undertake the daily prayer crusade for the coming election?
—NORMAN VINCENT PEALE

GIVE 'EM THE WORKS!

During the year 1951, the U. S. automobile theft racket netted its operators the staggering return of 95 million dollars. As a result, the Federal Bureau of Investigation is organizing an all-out war against the thieves.

This is all very well. We hope the various conferences on the subject, to be held around the country under FBI sponsorship, will help make auto theft less appealing, as well as less profitable, to those who engage in it.

But of much more help in smashing this racket would be for juries, all over the country, to "throw the book" at those convicted of stealing cars. There will be a lot less auto theft if court records proved to those tempted to steal that if they're caught, they'll get swift, sure and harsh punishment. — Lubbock Avalanche.

**Fire Insurance
Basis Changed**

Austin — Texas will get new
standards for private fire pro-
tection and fire defense equip-
ment when new General Basis
Schedules of the Board of In-
surance Commissioners go into
effect this fall.

Fire Insurance Commissioner
Paul H. Brown has called a pub-
lic hearing here Wednesday,
July 30, when the new revised
schedules will be presented for
adoption. It will be the first
time in almost 30 years that the
General Basis Schedules, the
Bible of fire insurance industry,
has been completely revised.

A committee representing in-
surance companies, local agents
and the Board of Insurance
Commissioners has worked on
the revision for almost a year.
The revised General Basis
Schedules will contain the con-
struction standards, maximum
rate schedules and other in-
formation affecting the writing
of fire insurance in Texas, Com-
missioner Brown said.

The old G. B. S., as insurance
men call it, contained a number
of items which will be missing
from the revised edition. Night
watchmen, for example, won't be
required to carry a lighted oil-
burning lantern, as the old book
recommended. Also missing is
the requirement that some fire
department hook-and-ladder
trucks be horse-drawn.

Under the old General Basis
Schedules, a credit in fire in-
surance rates was allowed flour
mills which used water power.
This is eliminated in the new
schedules, as are the regulations
for gas lights in electric power
plants. Rates for buggy reposi-
tories also were deleted in the
revised book.

Colonel Brown said that re-
vision of the schedules would
have little, if any, immediate
effect on individual fire in-
surance rates. The new sched-
ules will, however, tend to
streamline the fire insurance
business in Texas and make it
easier for agents to figure rates,
he said.

THE TIME IS RIPE

To start thinking about a Cotton Harvester for this fall. We have a fair allotment of the No. 15 John Deere Cotton Harvesters and also for this fall John Deere is building their own Blower and it is designed to work on the John Deere Harvester.

If you are going to need a Harvester this fall come in and see us about it and we will put your name down and save you one . . . no deposit needed until later. Remember . . . we install the Harvester on your Tractor at no extra cost to you.

We Overhaul Used Harvesters

If you already have a John Deere Cotton Harvester and it needs repair just step to the phone and Dial 3825 and we will send Shorty and Leonard out to pick it up, overhaul it and return it to your farm. NOW IS THE TIME to have this done and avoid the fall rush when we might not be able to get to it.

Used Tractors For Sale

We have several used tractors that have been overhauled and repainted that would be very suitable to put a Harvester on.

NURSES RESPOND TO RED CROSS APPEAL TO SERVE IN CRITICAL POLIO AREAS

ST. LOUIS, MO.—Answering the Red Cross' urgent appeal for 100 graduate nurses for immediate assignment as polio wardens to 2300 newington, Mo., receive their plane tickets from Miss Adelle Brinsmaier. They picked the polio ward there from six possible assignments when they splitting 24 hour daily shifts to care for patients. The father of one iron lung patient comes in daily to relieve them so they can eat. "Let me have that tough one," Helen decided, and her younger sister Catherine agreed. All available registered nurses who can be spared are being asked to contact their local Red Cross chapters for assignment to critical polio areas.

Methodist Notes

Newton Daniel, Pastor
This week my heart was made glad when one of our college boys came by and left a nice check on our Building Fund. I appreciate very much the interest our young people and children show in our church building as well as the older ones.
Someone has said that there are three kinds of givers—the flint, the sponge, the honeycomb. To get anything out of the flint you have to hammer it, and then you get only chips and sparks. To get anything out of a sponge you must squeeze it, and the more you squeeze the more you get. The honeycomb just over flows with its own sweetness. Lets be honeycomb givers.
This week your pastor and family are taking a little vacation in the mountains of New Mexico. Remember us in your prayers, while we are absent, as we will remember you in ours.

SONGERS

O Lord, I thank Thee for the love That makes my life so bright; For this I praise Thee Sabbath morn, But not on Sunday night.
I'm glad to hear our choir-chant My pure and deep delight; On Sunday morn I hear thee sing But not on Sunday night.
I like to hear our pastor speak; His views are sound and right. They feed my soul on Sabbath morn But not on Sunday night.
At 10:00 A. M. I stroll to church In Sunday garb bedight; But Lord, I crave my easy chair And slippers Sunday night.
Lord, bless our church and help fill Our preacher's soul with might To change the sinful ramparts of My pew on Sunday night. —Selected.

WHY BABSON GOES TO CHURCH
By Roger Babson
Church-going is like advertising in one way. We must keep constantly and incessantly at it to make it pay. Then we can be guaranteed good dividends. In fact, were I a preacher, I would offer to refund in church the annual subscription to the church of any one who, after attending seventy-five per cent of the Sundays, feels that he has not got his money's worth.
There is another reason why I go to some church service every Sunday. This is to encourage my children and grandchildren to

acquire the habit of church-going. We oldsters may check out before real trouble comes to our nation.
But let me tell you that the younger generation will need to have something more permanent than real estate, bank accounts, insurance or even democracy. Unless they have a sane spiritual foundation, they are licked. We can do for them far more by setting them an example of church-going than by bequeathing them land, securities, or any other property.
I am talking only hard-boiled common sense. Go to Sunday School with your children. Take an active interest in the young people's work of your church. It's the biggest thing you can do for your family.

It's Time For a Change! In the Sheriff's Office

We believe that it's time for a change in the Sheriff's office in Floyd County. We believe that a change at this time will be to the interest of all citizens of the county who want the laws enforced fairly and impartially.

DON'T BE FOOLED!

Don't be fooled by all the talk of a clean county. Simply because no arrests are made doesn't mean that there is no reason for arrests. Most of us know that gambling and drinking is going on in public places and that bootleggers are operating in this county and that all these are increasing each week. It is no indication of a clean county because very few arrests are made.

DON'T BE FOOLED!

Don't be fooled by rumors being spread concerning Earl Cooper, candidate for sheriff. There is no truth to the rumor that Mr. Cooper has already made an agreement to hire a deputy. He has made no commitments to anyone. There is no truth to the malicious rumor that Mr. Cooper "might lose his head and hurt someone." Mr. Cooper made 47 arrests in one month last fall during the cotton harvest season without one time using or threatening to use any weapon of any kind. In fact in all of his 5 1/2 years of service as a peace officer he never drew a gun on anyone.

DON'T BE FOOLED BY LAST-MINUTE RUMORS. For fair and impartial law enforcement, vote for

Mrs. Wiley Honored With Tea Shower

Mrs. M. W. Wiley was honored with a pink and blue tea shower in the home of Mrs. Wanda Baker on Saturday, August 9 from 5 to 6 p. m.

The entertaining rooms were beautifully decorated with seasonal flowers. Mrs. Tom Chatham and Miss Mary Jo Bonner served cake squares and punch from the serving table which was covered with a pink lace cloth with snap dragons and blue candles forming the center piece around the punch bowl.

Miss June Wiley rendered special piano selections throughout the afternoon.

Many lovely and useful gifts were displayed in the gift room. Hostesses for the occasion were Mrs. Tom Chatham, E. A. Bonner, Ray Thompson, George Webster, and Dorsey Baker.

Preceded By Bridge
The home of Mrs. Wanda Baker was also the scene of a bridge party given in honor of Mrs. Wiley from 2 to 4:30 preceding the tea shower. Those playing were Mrs. Henry Hodel, Bill Hodel, Claude Hammond, Jesse Cox, Joe Holt, Clyde Applewhite, Raymond Meriwether, T. J. Honea, Loran Rhodes, Francis O'Hearn, Marvin Sams, C. W. Hargis, Tom Chatham, and the honoree, Mrs. Wiley.

Aiken Friendship Club Meets

The Aiken Friendship Club met Tuesday, August 19, in the home of Mrs. F. L. Montandon with Mrs. Buck Kellison as co-hostess.

After the regular business meeting was held Mrs. Roy Porter was honored with a pink and blue shower.

On September 16 the club will meet with Mrs. Robert Kellison. Every member is urged to be present since that day will be the time for sunshine gifts.

Fred Paschal and sons, Bill, Snooks and Joyce left Thursday, August 21, for Woodbury, Tennessee, where they will visit Mr. Paschal's aunt and uncle, Mr. and Mrs. Hoyte Paschal, former residents of Lockney. Mason Paschal of Wayne, Michigan will also accompany Mr. Paschal to Tennessee.

RETURN FROM VACATION

Dr. and Mrs. G. A. McClelland, their daughter, Marcia and his mother, Mrs. Allen McClelland of Gilmer returned to Lockney Sunday from a weeks vacation spent at Lake City, Colo. While returning home Sunday they witnessed an auto wreck near Happy in which several people were hurt. Dr. McClelland gave the victims first aid and sent them to a Canyon hospital. The local people report that they had followed the truck involved in the accident several miles. It was a stolen truck and the driver was drunk. He had wandered all over the road and when meeting the other car involved in the accident the truck swerved into the opposite lane and the two vehicles struck head on. No one was killed.

CARD OF THANKS

We wish to thank the people of the Lone Star community for helping us by giving furniture, clothing and money, after our place was destroyed by fire Saturday night, August 9 and we lost everything. We are very grateful for every kindness.
Jim Scroggins and Family.

Miss Carolyn Joy Huggins of Plainview spent last week end with her grandparents, Mr. and Mrs. J. D. Huggins of Lockney.

GO TO CHURCH SUNDAY.

Announcing . . .
We are now operating the "66" Drive In Cafe and invite you to come in and eat with us. We serve Plate Lunches, Short Orders and a good nourishing Breakfast.
