LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, SEPTEMBER 25, 1952

NUMBER 24

Paducah Dragons Play Here Friday

The Paducah Dragons, members of District 3AA, will come to Lockney Friday night of this week to tangle with the undefeated, unscored on Longhorns. The game will be called at 8 p. m. Officials will be Cliff Jones, Wayne Pipes and Mo Turner, all of Lubbock. The game is not a district game since Lockney now plays in A football and Paducah AA.

The Longhorns will be in their usual good condition unless some injury occurs Wednesday or Thursday. Coach Curtis Kelley said Wednesday morning Coaches Kelley and Elvin Lyon were displeased with the boys play against Dimmitt and have been trying to iron out some kinks this week. Kelley indicated that he may be using a new face or two in his line-up Friday night.

The Dragons had a hard night last Friday being defeated by the powerful Crowell Wildcats 47-0. The Dragons lost a good part of their starting line-up from last year's team by graduation including Pat Green, their four-year backfield ace. Program line-ups indicate that the Dragons may be a little lighter than the Longhorns.

Probable starting line-ups for the two teams were given this week as follows:

Lockney Longhorns			
No.	Name	Pos.	Wt.
28	Teddy Carthel	E	175
25	Aubrey Cox	E	150
32	Deane Quisenberry	T	170
15	Kenneth Williams	T	185
22	Joe Taylor	G	175
40	Orland Gilbert	G	170
30	John Dorman	C	165
23	Bill Sherman	HB	125
31	C. B. Smart	HB	160
34	Bill Paschal	QB	200
41	Norton Baker	FB	160

Paducah Dragons			
No.	Name	Pos.	Wt.
50	William Liedtke	E	165
36	Jerold Northeritt	E	154
56	Sammy James	T	158
57	Carl Pichard	T	197
53	Carl Black	G	155
61	Donald Smith	G	150
54	Richard Crider	C	173
11	Bill Biddy	B	135
44	Hershel Thaxton	B	167
55	Hal Sandefer	B	148
66	Thomas Turner	B	154

Coach at Paducah is now Raymond Troutman.

Ray Jetton Is Sent To Europe

Mrs. W. O. Jetton of Gainesville, formerly of Lockney, has received word that her son, Pfc. William Ray Jetton, has sailed from an east coast port to some point in Europe. Ray was discharged from the Army in June after serving four years, a part of that time in Korea. He was wounded while fighting in Korea and spent several months in a hospital. He rejoined the Army on August 13 and spent a few days visiting his home before being shipped out. His present address is Pfc. William R. Jetton, Casual Enl., Sec. Cp. Kilmer Pers. Center, Camp Kilmer, N. J.

Pure Bred Duroc Dies After Trip

Chester W. Mitchell, who farms southwest of Lockney, recently purchased a bred gilt at the 70th anniversary National Duroc Congress at Indianapolis, Indiana, but the gilt died soon after reaching here. It was one of the 10 top selling bred gilts at the sale and Mitchell paid \$260 for her. However he had the pig insured and hopes to get at least a part of his money back.

Barbecue For Legion Monday Night

The American Legion Auxiliary is sponsoring a barbecue for members of the local American Legion post and prospective members to be held Monday night of next week, Sept. 29. Members of the Legion and Auxiliary will bring guests to the barbecue, which will begin at 8 p. m. It was reported.

School Faculty Is Now Complete

The Lockney school system faculty was complete Monday morning of this week for the first time since school began Sept. 1. The last addition to the faculty was Mrs. Helen Chaney, assigned here to the eighth grade, who came here from Plainview. She has had eight years of experience and has a B. S. degree from West Texas State College. She is working on her Masters Degree at Texas Technological College.

Gifts For Overseas Forces Should Be Sent Oct. 15-Nov. 15

The Post Office Department has announced that Christmas gifts and other Christmas mail for men overseas or outside the United States should be mailed between October 15 and November 15. By doing this the sender may be assured that the mail will reach the receiver by Christmas.

Articles prohibited to be shipped include matches, lighter fluid, and the authorities are recommending that foodstuffs subject to spoilage and breakage should not be sent. Cigarettes and tobacco are prohibited to some APOs and coffee is also prohibited to some places.

Air parcel post for armed forces personnel should be mailed not later than November 25. These parcels are limited to 30 inches in length and girth combined and two pounds in weight. Parcels should be securely wrapped, tied and plainly addressed showing the name, address, grade or rank, service or serial number, branch of service, organization, A. P. O. number and post office through which it is to be routed.

New Corporation Approved Here

Austin. — Of the 117 new domestic corporations in Texas approved this week by Secretary of State Jack Ross was one in Lockney, that being the Floyd County Cotton Grower's Association. The charter is for 50 years, showing co-operative marketing as the business, there is no capital stock and the incorporators are Vernon Daniels, Robert Lee Daniels and Ray Robertson.

How Are You Going To Vote?

The Beacon has agreed to join with The Amarillo Daily News and a number of other weekly newspapers in the Panhandle and South Plains in conducting a poll of the voters of the area on the presidential race. The purpose of this poll is to try to determine before hand how the people of the area will vote. It will not be used for propaganda purposes as far as this newspaper is concerned but will be simply a matter of news.

It is usually very hard to get a true cross section of voter opinion with a poll like this but we urge you that you clip out and mark the ballot printed on this page and mail or bring it to The Beacon office today. The ballots will be compiled on Saturday of each week and we would like very much to have your ballot by that time. You may sign your name on the ballot or leave it unsigned as you wish. At any rate your name will not be used in any way. All we are interested in is the total number of votes. Clip out the ballot, fill it in and mail it to us today.

HIGH PLAINS POLL

Mark your preference for President and return to the office of this newspaper.

() FOR GOV. ADLAI STEVENSON

() FOR GEN. DWIGHT EISENHOWER

Bargain Rates On Daily Papers Are Now Available

The Beacon is now authorized to accept subscriptions to a number of daily newspapers at the annual fall bargain rate.

The Fort Worth Star Telegram bargain rates just announced are \$13.95 per year for the daily and Sunday or \$12.60 per year daily only. This is a considerable saving from the regular rate of the Star Telegram which is \$18.00 per year for daily and Sunday.

The rates on the Amarillo Daily News are \$12.00 for the daily and Sunday and \$10.00 per year for the daily only.

The Lubbock Morning Avalanche rates are \$12.95 per year for daily and Sunday and the daily is \$11.00 per year.

The Beacon can also accept subscriptions for the Abilene Reporter and the Wichita Falls Record News but we do not as yet have the bargain rates on these two papers.

You can always save money by renewing your daily at The Beacon office.

1953 Conservation Program Planned

Every farmer in Floyd County will have opportunity to cooperate in the 1953 agriculture conservation program through personal contact with his PMA community committeeman, according to a report from the county PMA office this week. The report said that farm operators should get in touch with landlords and others interested in the farm and decide on the practices most needed and be ready to furnish the information when the community committeeman contacts the farmer.

Written plan sheets must be filed by every person who intends to ask for assistance on a practice to be carried out in 1953. However farmers should not come to the PMA office but see their community committeeman. All intention sheets must be signed by December 1, 1953.

Following is a list of approved practices for 1953: construction of terrace system, construction of division terraces, waterway, subsoiling, chiseling, applying superphosphate to new seedings of alfalfa and permanent pasture, bindweed control, bench leveling on land that has been under irrigation for at least one year, underground concrete pipe on land that has been under irrigation at least three years, stock water wells, winter legumes, eradication of mesquite and cedar, and establishing permanent pastures.

Defoliating Tested On Paul Cooper Farm

A defoliating experiment on the Paul Cooper farm, north of Lockney, is now under way. Planes sprayed the field of cotton, located on the east side of the Lone Star farm-to-market road and just this side of the electric sub-station, last Friday morning with three different types of defoliant.

The plots are running north and south in the field. The first plot on the west is sprayed with polychlorate, the middle plot with endothal and the plot on the east side with shed-a-leaf.

SAILED LAST WEEK

Park Project Off To Good Start

Although it was well into the summer before the City Park Project got started, much progress was made and the Park Committee plans to try to complete the work next summer, according to a report from Committee Chairman Claude Brown this week.

Mr. Brown's report showed income amounting to \$1871.62 and expenditures totaling to \$156.47, leaving a balance of \$655.15. However several other phases of the park project still remain to be done and the committee expects that it will need more money than it has on hand to complete the job.

Other improvements in the park area now planned include the paying of a tennis court, the installation of picnic tables, setting of cedar posts around the playground area, replacing some diving boards at the swimming pool, buying a pump motor, and other things.

The Lockney Rotary Club has purchased a three section swing for the playground and will install it soon. The Lions Club purchased a pump to pump the water from the pool when it was being drained.

An income and disbursements report from the Park Committee follows:

Income:	
Legion Auxiliary and Ball league	\$350.00
Jolly Stitches Club	200.00
Methodist Missionary Society	50.00
Fire Department	100.00
Ladies H. D. Club	25.00
Labor Camp Committee	500.00
Swimming Lessons	87.00
Ball Games, 3 nights	\$112.29
Swimming pool	447.33
Total	\$1,871.62
Disbursements:	
Carpenters	\$80.00
Lumber yards	259.78
Electricians	101.40
Plasterers	345.11
Plumbing	24.75
Lifeguard Certificate	10.50
Baskets	61.97
Labor on grounds	88.85
Supplies	34.11
Total disbursements	\$1,096.47
Park Fund	\$616.98
Swimming Pool	\$248.14

School Overflow To Meet At Auditorium

An overflow of students from the Lockney grade school will start meeting in a special section at the City Auditorium Monday morning, Supt. W. C. Irons said Wednesday. This special section was made necessary by a heavy increase in enrollment in the past week and will probably last only through the cotton harvest season.

Twenty new students enrolled one morning this week in the grade school and 14 another morning. Supt. Irons expects that around 100 students will be in the special section Monday and that it will grow for several weeks. Local instructors will be used.

State Man Teaches Firemen Here

Henry Smith, representing a department of the State, is teaching a six-weeks school for firemen here. Classes are held Thursday night of each week and a good turn-out of firemen indicates they are interested. Fire Chief Lowell Bilbey said this week.

Mr. Smith has laid out a method of fighting fires in any part of town and his course also includes methods and chemicals.

Wed. Is Lockney Day At S-P Fair

Wednesday, October 1, has been designated as Lockney Day at the Panhandle-South Plains Fair at Lubbock. Free tickets have been distributed to school children for the special day. Many interesting exhibits are on display at the Fair including a mobile television set.

Do You Have An Apartment Or House?

The Beacon has many calls every day for apartments or houses for people who wish to move here. A road crew from Silverton moved here this week and many transient laborers will be coming in soon. If you have an apartment or can fix one up call and let The Beacon know. We may be able to send someone to you.

National Buys SW Alfalfa Mill

An agreement has been reached whereby the National Alfalfa Dehydrating and Milling Co. has purchased the Southwest Alfalfa Products Co. plant at Aiken, it was reported this week. The National took over operation of the Aiken plant Monday of this week and the transaction is in the process of being completed. C. B. Coleman, owner of the Southwest plant, will continue in charge of the Aiken plant operations for the remainder of this year.

The Aiken plant will be operated along with the Lockney plant under the supervision of J. D. Wood, local manager. There will be no change in the employee personnel at the Aiken plant, Mr. Wood said.

The Aiken plant was built several years ago by Clyde Applewhite and Jack Taylor. Later it was sold to Coleman who has been operating this year. It has the same capacity as the Lockney plant, about 25 tons of hay per day.

The National Company now has six mills and 11 dehydrators in West Texas. The Mills, some of which have more than one dehydrator, are located at Lockney, Aiken, Plainview, Wasson, Switch, west of Plainview, Hereford and Mulleshoe.

Marine Wounded Twice In Fighting For Bunker Hill

S. Sgt. Melvin W. Hollums, 24, USMC, son of Mr. and Mrs. Walter D. Hollums of near Lockney was wounded twice while fighting in Korea recently, according to word received by his parents.

Mrs. Hollums said her son was wounded twice in as many days while fighting with United Nations troops on "Bunker Hill," near the central front.

The first injury resulted from a grenade explosion while the second wound was caused from shell fragments, she continued. Her son was not confined in a hospital either time, but merely received first aid treatment.

Hollums had lived in Floydada before re-enlisting in the Marine Corps Jan. 17, 1948. He had previously served with the Marines in Japan shortly after the end of World War II.

Shouse Boy Is Struck By Car

Billy Wilbur Shouse, 8 year old son of Mr. and Mrs. C. E. Shouse of Winston-Salem, N. C., was struck by a car recently suffering severe lacerations of the left arm, several broken ribs and some internal injuries. He is a grandson of Mr. and Mrs. Delbert Bybee of Lockney.

Billy was struck while riding a bicycle. He was reported to be "doing alright" this week. The woman driving the car reported that she did not see the boy until he was right in front of the car. Mrs. Shouse is a former resident of Lockney, having been raised here.

18 Year Olds May Register Here

Young men becoming 18 years old may register under the Selective Service system at The Beacon office. This arrangement is made so that they will not have to go to the Selective Service office at Plainview. Young men are required to register between 5 days previous and 5 days following their 18th birthday.

Some Roads Will Not Be Topped Until Spring

The Floyd County Commissioners Court met with C. E. Howard, road contractor Wednesday morning and agreed to allow the contractor to wait until next spring to put the hot top on some of the roads now under construction in the county, a report from Judge Frank L. Moore's office said Wednesday.

The contractor has been delayed by back luck and trouble and still does not have all the caliche on the roads. Since October 15 is the usual deadline for pouring a hot top due to cold weather, the Court had rather not take any chances, Judge Moore said and they agreed to allow the contractor to wait until Spring.

All the roads will have the caliche base down and rolled, however, which will give an all-weather road even though the top is not on, the Judge said. It is possible that the contractor will get around to topping some of the roads and if so, it will be the Frick road and the cut-offs at Lockney and Floydada. However, he is not sure that he will get a top on these.

Howard has had trouble getting machinery on the job here and then has had more trouble with his crusher which delayed the caliche work quite some time.

Cotton Opens Slowly Here

Maybe it's just that the average farmer is a little impatient but it seems that cotton is opening pretty slow in this area. Probably 10 or 15 farmers around Lockney had hands in the field this week but most of them were sitting by waiting for the fleecy staple to come out in the open.

A slow, gentle rain falling Sunday night and Monday totaled around a half inch here and put a stop to the cotton harvest for a while. However by Wednesday hands were back in the fields and pulling cotton.

Local gins had ginned 15 or 20 bales Wednesday afternoon and other gins in the area had ginned several. Ginners were estimating that it would be two weeks before the real swing of ginning gets underway.

First bales have hit several gins in the area last week and the week before and the first bale to come to a Lone Star gin was turned out Friday of last week. The bale was ginned at the Cassel Bros. Gin and brought in by Bailey Henderson. It turned out 600 pounds of lint from 2000 pounds of seed cotton and Mr. Henderson had 915 pounds of seed.

Harve Pennington Is At Home Now

Harve Pennington, who became a victim of polio recently and spent some time in the polio ward at Plainview, came back to the local hospital Friday and returned to his home Monday. He is getting along very well, Mrs. Pennington reports, but will take things slowly for a while.

Longhorns Bang Dimmitt 27-0

Statistics	
Lockney	Dimmitt
First downs	16 3
Yards rushing	257 79
Yards lost	31 43
Passes attempted	5 11
Passes completed	2 4
Yards passing	46 14
Interceptions	2 1
Yards penalties	70 35
Opponents fumbles recovered	2 1

The Lockney Longhorns hammered out a victory over the Dimmitt Bobcats Friday night, score being 27-0. It was sweet revenge against a team that had edged the Longhorns the year before. The game was hard-fought all the way through and the Bobcats never gave up but they lacked a scoring punch and the Longhorns never gave them much opportunity to use it had they had one.

The Longhorns scored twice in the first quarter, one time in the third and once in the fourth. Quarterback Bill Sherman kicked three points after touchdown in the four attempts.

Hard-running by all the Lockney backs kept the Bobcats back on their heels most of the night. C. B. Smart ripped off some nice gains, intercepted two passes and generally played a swell game. Norton Baker, Bill Paschal and Bill Sherman, all turned in some mighty good running. The Longhorn line again performed well and the Dimmitt gains through the line were few and short.

The Longhorns didn't appear to operate quite as smoothly in this game as they did against Olton last week, but they still had too much power for the Dimmitt boys.

The Longhorns received the opening kickoff and Smart returned the ball to his own 25. The Longhorns made 7 in 3 tries and kicked to Dimmitt, the ball being returned to the Dimmitt 32. The Bobcats made 9 in two tries, were penalized 5, had a pass incomplete, and kicked with Bill Sherman returning the ball to his own 45 in a nice run. The Longhorns made nothing, a fumble lost 2, a pass was incomplete and Paschal kicked with the Dimmitt receiver fumbling and a Lockney player recovering on the Dimmitt 28. Smart made 8. Dimmitt was penalized 5, for a first down on the Dimmitt 15.

Aubrey Cox, on an end-around play made 8. Baker drove down to the one foot line, and the Longhorns were penalized 5 for backfield in motion as Baker drove over the goal line. On second try Baker again drove over for the score. Sherman kicked the point and the score was 7-0.

Dimmitt received and Roy Johnston fought off two blockers to bring the ball carrier down on the Dimmitt 29. The Bobcats made 3, 1 and 2 and

FOOTBALL FAN

gained 2. Joe Taylor broke through and threw the passer for a 10 yard loss on an attempted pass. The Bobcats made 8, a pass was incomplete, and the Longhorns took the ball on downs on the Dimmitt 35. A pass was incomplete, the Longhorns lost 6 and a fumble gave Dimmitt the ball on their own 44. A long pass by Dimmitt was intercepted by C. B. Smart on the Lockney 40 as the half time whistle blew.

Bands Perform
After a very fine performance by the Dimmitt Band, the Longhorn Band marched onto the field, with Drum Major James Carthel having trouble from the very start. When he signaled one way the band went the other and several times he found himself at the rear of the band instead of the front. Climax of the dilemma came when he marched the band to the front of the Lockney stand and signaled for them to form the word HELLO. When the formation took shape the O was in front of the other letters instead of at the end. When he had corrected this the Drum Major was unable to get the band to play where upon he collapsed. The band played nicely and then two of the majorettes helped the Drum Major off the field. It was an entertaining performance.

Third Quarter
Dimmitt received and returned to their own 49. They made 5, 3, lost 3 and a pass completed but lost 5 yards. Lockney took the ball on downs on the Dimmitt 48. The Longhorns made 2, 6, 1 1/2 and then a first down on the Dimmitt 36. Smart carried to a first on the 26, the Longhorns lost 1, made 2 and then a first on the Dimmitt 14. Smart went between tackle and right end for the 14 yards and a touchdown. Sherman's attempted kick for the point wasn't good but the Bobcats were penalized on the play and Sherman kicked the point on second try. Score, 21-0.

Dimmitt received and returned the ball to the 31. A fumble lost 1, they made nothing and a pass was incomplete. The Longhorns safety man fumbled the kick and Dimmitt recovered on the Lockney 47. Each team was penalized 5 and Smart stepped in to intercept a Dimmitt pass and return it to the Dimmitt 44. The Longhorns were penalized 15 yards for clipping on the play and it was first down on the Lockney 41. The Longhorns made 6, 2 and a first on the Dimmitt 44, they made 6, lost 3 and a long pass intended for Sherman was ruled complete for a first down on the Dimmitt 19 because of interference with the receiver.

The Longhorns lost 8 on the next play and then Dimmitt intercepted a pass and returned it to the 50. A pass was good for 5 for the Bobcats and a fumble gave Lockney the ball on the 44 as the fourth quarter began.

The Longhorns lost 1, lost 1 made 2 and then kicked with the Bobcat receiver returning the ball to the Dimmitt 37. An at-

tempted pass lost 15 when several Longhorn linemen trapped the passer and pulled him down before he could get the ball off. The Bobcats made 18 and 3 and Smart took the punt and returned to his own 48. The Longhorns made 2, 7 and Dimmitt was penalized 5 giving the locals a first down on the Dimmitt 34. They made 3, the Longhorns were penalized 5, made 4, Dimmitt was penalized 5, and Smart carried to a first down on the Dimmitt 16. The Longhorns made 3, and then Paschal on a keeper play spun through the line to a first down on the Dimmitt 4. On a similar play next down Paschal went through for the score. Try for point was not good. Score 27-0.

Dimmitt received and returned to their own 27. They made 9,

lost 9, lost 3 and Lockney 30. The 4, 0 and 5 and the Dimmitt 40. Dimmitt was then the Longhorn first down on the game ended.

NURSERY IS PROVIDED

We have been without a nursery keeper for about four months. We are happy to announce that Mrs. J. R. Richards has accepted this position and will take care of our nursery this coming Sunday morning and evening. We believe that the best way to start that baby out, is to make them acquainted with the church hour. Many of you parents are not staying for the church service because of a small baby. Feel free to use this added service of our church and remain for the church worship service.

NEW W. M. U. CIRCLE

There has been organized a new circle for the young women of our church. They had nine present for the first meeting. The ladies are quite enthusiastic about this new undertaking for the younger women. Some have ask if this circle is for church members only. It is for any who might be interested.

CALLING ALL BOYS

Bro. Gerald Johnson is the Junior R. A. Counselor and the Pastor is the Intermediate R. A. Counselor. We meet at 4:15 every Monday.

"QUIPS AND QUOTES"

Between the great things we can't do and the small things we won't do, the danger is we shall do nothing at all.

Looking ahead is a good way to keep from falling behind.

Men are naturally tempted by the devil, but an idle man positively tempts the devil.

WESTERN MISSIONS

Sunday is the day that we receive our Western Mission Offering. This missionary spirit is finding its way into the hearts of our people for which we are glad. We have already received one check for Three Hundred Dollars to go into this fund. Give what ever God lays upon your heart to give.

SUNDAY IS PROMOTION DAY

Many boys and girls are looking forward to promoting to the next department. Certificates have already been prepared for those who promote. Make a special effort to be here so you can go to your new class the first day.

Baptist Notes

I DID NOT STAY FOR CHURCH

"I told my church that I did not need it." I received all the spiritual power I needed in Sunday School.

"I told the minister that his work was useless." All the effort he put into learning what God wanted said; all the work in preparing that message to make it effective; all his energy in delivering—these were of no use, at least to me.

"I told my family it would be better for us to go home than to remain for the hour of worship." I told them we would receive a greater blessing by going home than by staying to worship God.

"I told the children in Sunday School that it is not necessary to stay for preaching in order to be a good church member." I told them by my going that one hour a week is all God needs of our time.

"I told my unsaved friend that I was not interested in his finding Christ as his Savior." I know that he will likely never be saved if he does not attend church services. But I am not particularly concerned. So I went home.

"I told Christ I had enough of Him for one day." I did not care to hear any more about Him. I did not care to hear my pastor lift up Christ to a lost

world. I did not care about having fellowship with my Christ. So I went home. — Adapted.

J. R. Naylor, Pastor.

Three West Texas Men On Board Of SW Development Co.

The West Texas area now has three representatives on the Board of Directors of Southwestern Development Company, the public utility holding company which owns all of the stock of Amarillo Gas Company, Amarillo Oil Company and Red River Gas Company, all of Amarillo; Clayton Gas Company, Clayton, New Mexico; Dalhart Gas Company, Dalhart; and West Texas Gas Company, with headquarters in Lubbock.

Three members of the Board of Directors of Southwestern Development Company, representing The Mission Oil Company, which owned about 47 percent of Southwestern's stock, resigned on July 2, 1952 when, in accordance with a voluntary simplification and integration plan approved by the Securities and Exchange Commission, Mission distributed its stock in Southwestern to its stockholders. The Commission approved replacements to fill the vacancies created by such resignations, these replacements being Thos. F. Cartwright, who is President of a subsidiary company of Southwestern and supervisors all operations in Texas, and two outstanding citizens of the area—Ross D. Rogers of Amarillo and George W. Durpee of Lubbock.

Bigger And Better

Our gin is bigger and better than any other this year. We have increased capacity

Year after year, more people buy Chevrolets because —

There's NO value like Chevrolet value! ... the lowest-priced line in its field!

The very fact that more people are buying Chevrolets than any other car proves that Chevrolet does offer more value than any other car.

Come in and let us demonstrate exactly how much more Chevrolet offers you in solid quality and finer features ... and how much less you need to pay.

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

Weathers To Be Honored With Open House Sunday

Mr. and Mrs. J. H. Weathers of Lockney will celebrate their Golden Wedding anniversary Sunday, September 28. An open house will be held at the home of Mr. and Mrs. Ed Whitfill. Calling hours are 2:30 until 6 p. m. Friends of the couple are invited to call.

LaVentana Club Opens Club Year

The LaVentana Study Club of Lone Star opened their club year with a meeting at the home of Mrs. M. S. Johnson on Tuesday, September 23 with Mrs. Clyde Baxter as co-hostess.

The program was on religion. Mrs. Newton Daniel, guest speaker, lead the devotional and told the story "Sign of the Fish" by Gladys Burris.

Janice Wisner rendered two accordion pieces.

Those enjoying refreshments were Meses, E. J. Foster, H. E. Frizzell, J. T. Griffin, Bill Johnston, Albert King, C. L. King, J. L. Lovvorn, C. D. Merrick, W. T. Rankin, Robert Smith, Raymond Teepie, Clyde Baxter, Miss Lillie Wingo, a new associate member, Mrs. F. P. Graham, a new member, Mrs. Hoyette Hodges and the hostess, Mrs. Johnson.

A "THANK YOU" NOTE

I wish to thank my friends for the lovely cards, beautiful flowers and other nice gifts which I have received during my present illness.

I came home from the hospital last Saturday. I feel I am gradually regaining my strength and health.

Again I say thank you and God bless you all.

Mrs. E. J. Thomas.

Mr. Thomas Robertson and his mother from Hereford and Mrs. J. H. Berry of Brownwood spent Monday visiting in the home of Mr. and Mrs. F. L. Brown. Mrs. Berry will remain for a few days.

County Council Hears Report On Many Activities

The Floyd County Home Demonstration Council met on Saturday, September 20 at 2:30 p. m. in the Grand Jury Room of the Court House. The Council Chairman, Mrs. Ruth Daniels, presided.

A representative of the Library Committee, Mrs. Howard Drysdale, reported that the last two weeks in November had been set as the dates to make a drive for funds for the Library. It was also reported that some of the Home Demonstration Club members attended the hearing of the County Budget on August 27.

The Exhibit Chairman, Mrs. Geo. Stiles, asked that the individuals be thinking of entries for the South Plains Panhandle Fair which will be from September 29 to October 4. She also announced that Floyd County's exhibit will be on cutting Plaids and Stripes — with only three other Counties having exhibits. There are Terry County exhibiting sponge cake, with Bailey County exhibiting tomatoes, and with Lubbock County exhibiting cleaning machines.

The Recreation School with Miss Lucille Moore, Recreation Specialist, instructing, will be November 4 and 5 at the VFW Hall.

Mrs. Bill Smith, newly elected Chairman of the 4-H Committee, reported on the County 4-H Camp, the Girls Achievement Day, and the Benefit picture show for 4-H Work at the Capada Drive-In.

Mrs. John Hoffman, Chairman of the Civil Defense Committee called attention to the Blood Drive for the armed forces. The Bloodmobile will be in Lockney on Oct. 16 and in Floydada Oct. 17. Civil Defense Chairmen in all clubs will assist in their communities with soliciting names for donors. Mr. N. W. Williams, County Chairman of the Red Cross and Dr. C. M. Thacker, Co. Chairman of the Blood Drive, explained the methods used in pro-

Mr. and Mrs. Jimmy McClure, pictured above, were married Sunday, September 14 at 2:30 p. m. in the First Christian Church in Floydada. Mrs. McClure is the former Louise Parrish, daughter of Mr. and Mrs. Joe Parrish of Lockney. Mr. McClure is the son of Mr. and Mrs. Frank McClure, also of Lockney.

onstration Association at Kingsville

Mrs. Tom Porter, Mrs. A. H. Kreis, and Mrs. G. N. Shirey were elected to compose the nominating committee for officers of Council for the new year.

A number of visitors were present. They were Civil Defense Chairmen in their clubs. They were: Mrs. Lynn Miller of Sand Hill; Mrs. R. T. Jones of Dougherty; Mrs. E. M. Quebe and Mrs. L. B. Brandes of Providence; Mrs. Woodrow Wilson of Center; Mrs. Raymond Williams of Homebuilders; Mrs. Raymond Teepie, of Lone Star; and Mrs. Dunn of Wichita Falls, Texas.

The delegates to the State meeting of the Texas Home Dem-

Many Winners At Flower Show

Despite very weather and unfavorable conditions the annual flower show sponsored by the Lockney Garden Club was very successful with a great variety of flowers shown and many different winners named.

Mrs. T. E. Cowart, Mrs. F. U. Payne and Mrs. Frank Roberson carried off a big share of the ribbons but there were many other winners among them being one man, Barry Barker who showed an arrangement of flowers in a unique rock holder. According to the judges Mrs. Cowart's gladioli was the most outstanding flower of the show.

Judges for the show were Mrs. Guy Ginn of Floydada, Mrs. John Fry, Mrs. Eddie Louthan and Mrs. John V. Powers, all of Lubbock.

Ceremic displays were by Mrs. A. L. Vernon and Mrs. Albert King.

A complete list of the winners at the show were announced by Mrs. T. V. Rankin, club president, as follows:

Division 1

went to Matador on Sunday after church to visit Mr. Julian's aunt, Mrs. Etta Reeves, his cousins, Verlin Reeves and Mr. and Mrs. Elbert Reeves. They report crops look very well there despite no rain all summer, with the exception of a few showers. Feed looks bad, but the cotton looks quite good.

On Friday afternoon J. B. Thames took his classes over to Lone Star where they played ball with the Lone Star school team. Our team suffered defeat at their hands.

Many of our community will be spending time at the fair in Amarillo this week. Mr. and Mrs. Bill Beedy and Eugene plan to go Tuesday and Mr. and Mrs. Murray Julian and boys intend to go later in the week.

W. M. S. met at the South Plains church on Wednesday, September 17 for Royal Service and the subject under discussion for the group was "Japan's Puzzled People." Those who attended the meeting were Mmes. John Smitherman, Shelby Calahan, Murray Julian, Bryan Karr, Robert Reeves, Grigsby Milton, Dock Jones, H. S. Calahan Jr. and John Allen. The group are planning a Thanksgiving box for Displaced Persons in Germany.

First Community Party Of The Season
 The Community Club met at the school house on Thursday, Sept. 18 for the first meeting of this season with a large group present and a covered dish supper was laid for the crowd and everyone enjoyed the supper, which was followed by a business meeting, conducted by J. B. Thames, president of the club. It was voted to meet the first and third Thursdays of every month and the first Thursday only coffee would be served and on the third Thursday a covered dish supper would be enjoyed during the coming months. Games of "42" followed the business meeting and those who were present with their children were Messrs. and Mmes. I. H. Parks, H. R. Hartman, Ernest Smitherman, Grigsby Milton, Owen Thornton, Murray Julian, John Smitherman, Albert Stewart, J. B. Thames, George Beedy, George Weast and Bryan Karr. The next meeting will be Oct. 2.

Mr. and Mrs. George Robertson are spending the next few weeks in Hereford where Mr. Robertson is building on a new home for his son-in-law, Ben Wilson and his family. They reported on Monday the rainfall in Hereford was about the same as here.

Paul Snodgrass spent last week in Telephone, Texas, where he visited his wife, who is staying with her parents down there. Mrs. Snodgrass had planned to come home for a visit but the illness of her parents kept her there and she was unable to come.

Mr. and Mrs. Bert Sewell spent last week end in Amarillo visiting with Mr. and Mrs. Jack Crawford. Mrs. Crawford was Mrs. Minnie Cypert before her recent marriage to Mr. Crawford and she came home with her parents to visit a few days and Mr. Crawford came down to the Sewells and spent Thursday night. They both returned to their home in Amarillo on Friday.

Buster Wilson was a dinner guest with his brother, John Wilson and Mrs. Wilson at their home here Friday noon. Buster is a resident of Silverton.

Mrs. Fred Fortenberry entertained with a Stanley party at her home on Wednesday, Sept. 17 at 2:30 p. m. Mrs. W. H. McClung, from Floydada was in charge of the party and after the presentation Mrs. Fortenberry

served refreshments to Mmes. A. P. Sanders, Hansel Sanders, Elmo Reeves, Otho Sanders, C. A. Seymour, J. C. Lewis, Cephus Fortenberry and Martha Lee Sanders.

Mr. and Mrs. George Weast visited in the home of Mr. and Mrs. Otho Sanders and children Wednesday night of last week.

After church on Sunday Mr. and Mrs. Fred Fortenberry went home with Mr. and Mrs. A. P. Sanders and enjoyed Sunday dinner with them. After dinner they all went to Lone Star to hear the singing which was held there.

Mr. and Mrs. George Weast went to Amarillo on Monday evening to spend a couple of days with the children, Mr. and Mrs. E. T. Evans and family and to do some shopping while they are there.

Mrs. Arby Mulder, president of P-TA at South Plains has announced an important meeting at the school house on Friday afternoon, September 26, at four o'clock.

Mrs. Ernest Smitherman enjoyed a visit from her sister, Mrs. Homer Campbell, from Haskell, who with Mr. Campbell came on Wednesday to spend a few days visiting with Mrs. Smitherman and her family.

Mrs. Buster Dunham and boys from Phillips, Texas was the week end guest of her sister, Mrs. L. T. Wood and her family over the past week end.

Mr. and Mrs. W. M. Stanforth Jr. were among those who went from here to Lubbock Saturday night to attend the Texas Tech-West Texas State football game, which was held at Lubbock.

Mr. and Mrs. J. P. Taylor and Mr. and Mrs. George Beedy have reported good progress on the new homes which they are building. The Beedy's home is in Lockney and Taylor's is close to the house where they now reside.

NEW ARRIVAL
 Mr. and Mrs. Elmer Roberts are proud parents of a baby girl born Sept. 18. She tipped the scales at six pounds, 14 ounces and has been named Kathy Lynn. Grandparents are Mr. and Mrs. Frank Messimer of Lockney and Mr. and Mrs. T. H. Roberts of Kress.

Mr. and Mrs. John Holmes of the Irick community and Mr. and Mrs. Albert Cannon and baby of Friona returned last week from Campobello, South Carolina, where they visited the Holmes' daughter and family. Mr. and Mrs. Troy Jackson. They were gone two weeks.

Watch your expiration date.

EDITORIAL

Boost not thyself of tomorrow, for thou knowest not what a day may bring forth.—Proverbs 27:1.

The persecution of Christians in Italy by police officials is, of course, aided and urged on by the Catholic Church. It is just another example of the real attitude of officials of the Catholic Church toward religious freedom. Typical examples of that attitude have occurred in any number of South American countries and if the Catholic Church ever obtains enough members in this country to have a majority then the same thing will be happening here.

To any thoughtful person, here is the real attitude of the Catholic officials toward religious freedom: In the United States, where Catholics are in the minority, and where religious freedom is taken as a matter of course, it is the proper thing. Everyone ought to be free to worship God as he sees fit, and anyway any other course by Catholic officials would be detrimental to the church in this enlightened country. Perhaps some day if the Catholic Church secures a majority of the population of this country as members of that church, then the attitude may be changed. But now, when it is in the minority, it must at least outwardly stand for religious freedom.

But what of its attitude in countries where Catholics pre-

dominate: It is different there. Who are these people who dare to dispute the authority of the Catholic Church? They are heathen who have no authority or standing in the sight of the Catholic Church and they are to be suppressed by every means possible, political action, political pressure, boycotts, and even mobs as has been the case in South America any number of times. In Italy the police guard the church buildings to prevent services from being held. In South America the priest sends mobs to stone and destroy the mission buildings, stone those who attend and use physical violence where necessary to break up religious meetings. That is the real and official attitude of the Catholic Church toward religious freedom.

Because we believe that it is the only way to clean up governmental affairs at Washington, we would like very much to see Gen. Eisenhower elected as president of the United States in November. Although Gov. Stevenson may be a gentleman and a scholar as his friends claim, still he is a professional politician who will owe political debts that he must pay and he will be obligated to some politicians now in office who are not what we would call scrupulously honest. For that reason we believe the only sure way to have a thorough clean-up in Washington is to elect Eisenhower.

But Gov. Shivers recent poll showing Texas to be 10 to 1 for Eisenhower was anything but accurate in our estimation. We hope that Eisenhower will carry Texas but we seriously doubt if he can. Texans have voted the Democratic ticket so long that it will be hard to get a majority to vote Republican even though Eisenhower is the candidate. Apparently Shivers' poll was boycotted by the so called "Loyal Democrats" or those who probably will vote for Stevenson. At any rate we know that the ratio is not 10 to 1 for Eisenhower in Texas. What it is can be anybody's guess and very likely will not be predicted very accurately until the November election.

The Beacon has been asked to participate in a voluntary poll to try to determine the trend in the Panhandle. We will cooperate with The Amarillo Daily News and other weekly newspapers. We suggest that you fill in the ballot on the front page and mail it to us today. This is not propaganda for either party. It is an effort to tell who's going to carry this area in November. Will you help us?

Electric lights were first installed in the White House in the early 1890's.

TELEPHONE RATE REFUSED
Seminole's telephone rate request is still up in the air. The city board of aldermen offered Southwestern Bell Telephone Co. rates which amount to virtually a 20 per cent increase at the group's Tuesday night meeting, but that offer was rejected. This offer was made in lieu of the company's request for rates which would have amounted to a 38 per cent increase. Another meeting with the same group of telephone officials, augmented by an accountant, was set for 7 p. m. Sept. 23. —The Seminole Sentinel.

PADUCAH RATES
Following several long months of meetings and discussions by the City Council and representatives of the General Telephone Company, Mayor Byron Shotts and City Attorney Bill Healy announced today the telephone Company will immediately and diligently pursue the installation of two additional switchboards, which it now has on hand, to increase operating capacity and efficient service. The increase will go into effect near the next billing date and will place into effect the following rates:
Business \$7.00
Extension 1.50
Residence one party \$4.00
Two party 3.50
—Paducah Post.

WANTED: RESPONSIBLE PARENTS
An FBI agent, addressing the Tulsa Kikans club recently, reminded us of something all of us have known for some time—the prevalence of crime among the teenagers. He told of the frequency of automobiles being stolen by youths who drove them across country. He told of the brazenness and unconcern of most of the youths when they

sake. On the other hand he is born in depravity. He has a natural desire to go to the show instead of Sunday School. He has a natural desire to take the easy and expedient route to what he thinks of as happiness. He is inclined to take the broad road rather than the straight and narrow. That is why he needs parents to guide him.
Of all the foolish, simple minded parents are those who refuse to interfere with the natural habits of their children, leaving them free to "express themselves." Of course, the whole problem arises from the fallacy that a child is inherently good. It is John Dewey's school of philosophy that has contributed to current juvenile delinquency.
The failure of a child to attend Sunday School is the fault of only two people—his parents. Just as guilty are parents who toss the results of their youthful companions and usually partners in crime, are as "experienced and profane as the boys."
Although the agent had no particular characteristics of a religious man, much less a religious fanatic, he cited two observations he had made. Practically every youth that comes under his jurisdiction (1) does not attend Sunday School and (2) comes from a broken home.
The agent said that the frequency of separated parents is so great that one of their preliminary questions is phrased, "Are your parents separated?" instead of "Are your parents living together?"
Assuming that the agent knows what he is talking about, and we have no reason to doubt him, the thought that struck us was that in both instances, the parents and not the teenagers are primarily to blame for this delinquency.
In the first place, it is the responsibility of the parent and not the child to see that the child is in Sunday School. No child has an inherent desire to attend Sunday School, or to do anything that's right for right's

DREAM CAR AT TEXAS FAIR

The K-310, Chrysler Corporation's experimental sports sedan, will be on display in the Automobile Building at the State Fair of Texas in Dallas October 4 through October 19. The K-310 is one of the features of the new \$1,000,000 "New Worlds in Engineering" show explaining how the American automobile is designed.

IT'S THE LAW
in Texas

HOME PURCHASE INVOLVES SERIOUS LEGAL PROBLEM

Thinking of buying a house? Before you sign anything, be sure you know the effects of your action. Many legal problems are involved in such a transaction. This column, and those to follow on this subject, will attempt to point out and explain some of the legal angles connected with your purchase.

For the average person, the buying of a home is the largest single transaction of his life. It is also, in most instances, the most permanent or longest term investment he will ever make. Whether or not he bought wisely will be determined by his ability to resell without difficulty, or to enjoy the use of the premises without annoyance of interruption.

Possibly the first legal problem you will meet will be when you are asked by the seller or his agent to sign a contract of sale or earnest money contract. In connection with the latter, you will be asked to deposit a sum of money which would be forfeited to the seller and agent for damages in event you do not fulfill the contract. Although no forfeit money may be required with the former, you may still be legally liable for damages if you renege. Be sure, therefore, that you know exactly what your obligations are.

The next legal problem would probably be to determine the status of the title to the property. Many persons become confused during this stage, thinking that securing possession of an Abstract or Title Insurance Policy will afford them complete protection against title defects. This is not necessarily true in either case.

Keep in mind that an abstract is merely an outline of public records on the tract. Any person may purchase an abstract covering any piece of land, whether he owns it or not. A Title Insurance Policy indemnifies you only up to a certain maximum sum of money, and contains various exceptions to the specified coverage.

Following this would be the problem of transferring the title from the legal owner to you, as

Uncle Sam Says

Representative cities in the United States have taken the initiative in demonstrating to the nation what they can do to help in the national emergency. In consequence these cities are now the proud possessors of a brand new U. S. Defense Bond Flag. They found that selling U. S. Defense Bonds is the one thing everyone can do. They induced more than 80 per cent of the community's employers to install the Payroll Savings Plan. Here's a job everyone can undertake.

purchaser, in such manner that no legal question might later arise concerning your sole and exclusive ownership.

Incidental to your title problems is that of ascertaining what restrictions exist upon the lot you are buying and upon the neighborhood generally. Municipal zoning ordinances and restrictive covenants placed upon the tract by previous owners or developers of the subdivision may prove a protection or a hindrance, according to the plans you may have for future use or improvement of your property.

Other legal questions may arise in arranging the method of payment for the house. The fact that most people need years in which to complete such payment makes this a matter to be considered carefully.

These are some of the major legal problems you are likely to encounter in purchasing a home. Of course, a number of others may arise in some cases due to peculiar individual circumstances.

Subsequent columns on this subject will seek to explain these and other interwoven legal considerations.

(This column, based on Texas law, is written to inform — not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

The first elephant arrived in the U. S. at Salem, Mass. in 1796.

TOP OF THE HIT PARADE

Recording raves for fall is this cotton velveteen cardigan dress with rib-knit trim by Koret of California. A dress like this is good fashion for a dawn to dusk day on the campus, the National Cotton Council points out.

TFWC Has Project On Alcoholism

A new project on Alcoholism will be introduced by the division of Mental Health of the 7th District of the Texas Federation of Women's Clubs, when they hold the annual fall meeting of the Board of Directors and Club presidents on Oct. 2, at Canyon.

The meeting will take place in the auditorium of the Branding Iron Theatre on the West Texas State College Campus at Canyon, from 9:45 a. m. to 3:45 p. m. Thursday, October 2.

Nelson Brown, executive director of the Texas Committee on Alcoholism, will be one of the speakers. He is from Austin.

This is the mid-term board meeting, called by Mrs. O. M. McGinty, president of the district, from Spur. Since the last board meeting, the organization has added new departments to conform to the General Federation of Women's clubs standard, and the new departments and divisions will be presented.

Mrs. W. E. Cantrell, regional vice-president TFWC from Lo-

meta will be present and present information particularly for club presidents. Time will be allowed for board members to present plans, projects and requests and to announce awards in different fields.

The Federated Clubwomen of Canyon are the hostesses and

luncheon will be served at noon. Registration is 50c and reservations for the luncheon are \$1.75. Advance registrations should reach Mrs. Lee Foster, Canyon, by September 29.

J. Edgar Hoover became director of the FBI in 1924.

Texas Bar Assn. Best In Nation

San Francisco.—The State Bar of Texas has been selected by a special committee of the American Bar Association as the best state lawyers organization in the United States. Honorable mention awards went to Minnesota and Florida.

During closing sessions of the ABA Annual Convention here last week the national group's award of merit was presented to the Texas Bar "for outstanding and constructive work in its field" during the past year. Grauman Mars, Cincinnati, chairman of the ABA Committee on Awards, announced the decision.

Several State Bar of Texas activities were especially cited during the presentation ceremonies at San Francisco's Civic Center. Among programs mentioned were those relating to public information, legal aid to the poor and legal assistance to the Armed Forces.

The ABA award of merit carries no monetary value, but is highly prized among lawyers for the national recognition involved.

During earlier sessions, Chief Justice John E. Hickman of the Supreme Court of Texas was chosen chairman of the National Conference of Chief Justices. Past President Burney was named to the Council of the ABA House of Delegates.

Also honored was attorney Dean Moorhead of Austin who received a \$2500 first prize in an ABA essay contest.

State Fair Is Bigger, Better

More fun at the fair this fall—bigger, better, different shows and attractions of all kinds—that's the happy prediction of James H. Stewart, general manager of the State Fair of Texas, Oct. 4 through 19.

Dean (Handsome) Martin and Jeff (Horrible) Lewis, America's funniest and most entertaining music-and-comedy team will star in an all-star revue in the air-conditioned Auditorium nightly with matinees Saturdays, Sundays and Thursdays. The show also includes Songstress Kitty Kallen, Magician Carl Ballentine, the Bob William's dog act, Juggler Ben Bert, the Szonys, the Mayo Brothers and Barr & Estes. Famed bandleader Dick Stabile will conduct a full orchestra.

The sparkling Ice Cycles of 1952 will be presented nightly with matinees Saturdays, Sundays and Oct. 8. The brilliant production numbers and clever specialty acts will feature a full scale presentation of Walt Disney's "Cinderella."

"Show Boat" the beloved Jerome Kern musical will be presented several times daily in a unique "music-in-the-round" version. Although the show runs only an hour long, not one song has been cut.

The Aut Swenson Thrillcade, breath-taking sensation of the speedway, will hold sway for 24 daredevil performances in front of the Grandstand.

The Variety Club Circus, a top professional three-ring circus, will have several performances daily on the Midway, with a full complement of aerialists, elephants, equestrian performers, acrobats, clowns and the trained camel-and-lama act that is the only one of its kind in circusdom.

The famous Stan Kramer Puppets, fascinating marionette performers that do almost everything that humans can do, will give four to six shows daily, with admission free.

The free Magnolia Sky Revue will thrill fairgoers with twice-

daily shows by death-defying aerial performances on the Midway stage.

The million-dollar Midway itself will be better than ever, with its dozens of thrill rides and sideshows. The fabulous double ferris wheel "Sky Wheels" will be back, along with an amazing new ride, the ROTOR, that must be seen — and ridden — to be believed.

Bobby Baxter spent the week end visiting with his parents, Mr. and Mrs. Clyde Baxter and Linda. Bobby is attending Abilene Christian College. He was accompanied by his roommate, Bill Langston of Sardis, Mississippi.

RECEIVES DISCHARGE

Pfc. Delbert Calhoun received his discharge from the Army Wednesday of last week. He is now home with his wife and Mrs. Harold Calhoun. Delbert spent 18 months in the service and has been in the Army for 10 years.

Mr. and Mrs. Gay family spent the week end visiting with his parents, Mrs. Lamar West of Texas.

Mr. and Mrs. Lee son, Kennie spent the week end visiting her parents, Mrs. Walter Beal.

South Plains Fair Opens Mon.
Lubbock. — A mile long parade of giant balloons, 105 clowns, seven bands and a sheriff's posse will mark the opening of the 1952 Panhandle South Plains Fair here September 29.

Now that cotton picking time is here; let's have a look at a cotton field evolution. The familiar scene at the left is being replaced by the one on the right as more workers leave the farms each year. Thanks to agricultural science, the mechanical picker now can do the work of 40 men. More cotton was harvested mechanically last year than ever before; a new high in mechanical harvesting is predicted this year, the National Cotton Council reveals.

fallen around the state and Central Texas has had a flood, water is still the number one economic problem in the state. Crop and livestock losses have run into many millions of dollars. Many communities and farms are rationing their limited water supplies and in some places are having to haul water to supply household and domestic needs, it was said.

In October 1951 there were 265 religious bodies in the U. S.

week we studied about the establishment of the church. Let us notice briefly the importance of the church. The world today try to make the church unnecessary, making the church insignificant, you make it as a lodge or some other human institution. To some the church is just a place of social activity, entertainment, and just a place of nothing else to do.

The parade will move at 2:30 p. m. from Jones Stadium at Texas Tech and travel to the Fair Grounds. In addition to the balloons and clowns there will be a number of Lubbock area bands and the Lubbock County Sheriff's Posse.

Rheumatic Fever Strikes Children

Austin. — Rheumatic fever and its complication, rheumatic heart disease, probably disable more school age children than any other cause except accidents, declared Dr. Geo. W. Cox, State Health Officer.

again. When this happens, the valves of the heart are usually affected: Sometimes so slightly that the child is not handicapped; sometimes so seriously that the child dies. The present day treatment of rheumatic fever is directed at two things. First, reducing the risk of heart damage from an acute attack by bed rest and appropriate treatment with drugs. Second, doing everything possible to prevent another attack after recovery from the first.

Shivers Names Water Committee

Governor Shivers has completed the appointment of a Governor's Committee on Water Conservation consisting of 73 members of organizations and individuals interested in water problems, with Mr. J. B. Thomas of Fort Worth as Chairman. This Committee was set up to study and make recommendations to the Legislature. The first meeting of the full Committee is set for 10:00 a. m. September 30 in the Senate Chamber, in Austin.

Crowell Beats Paducah 47-0

The Paducah Dragons, opponents of the Longhorns Friday night of this week on Mitchell Zimmerman field here, were soundly trounced by the Crowell Wildcats 47-0 last Friday night at Crowell.

the blood of Christ. Put Christ as head over it. the place of "all spiritual blessings" is the savior of it. notice carefully. Can you be saved without the Christ? (It bought the church of Christ). Can you be saved without Christ as head over you? (He is head of the church.) Can you be saved without being a partaker of the blessings? (ALL spiritual blessings are "in Christ.") Can you be saved without Christ as your Lord and Savior? (He is the savior of the church). Friends, we ought stand by these things alone that the church of the one that he built, established on the first pentecost (his resurrection) is necessary.

TEXAS-BORN IKE
...a man of integrity

He Is the Choice of Texas Democrats for President!

Texas Democrats for Eisenhower!
That is the rallying cry of Texans who believe in the traditions and time-honored principles of the Democratic Party — but NOT in the policies and practices of Trumanism.

We are the Texas Democrats who have studied the candidates and platforms of the two major parties and are ready to announce: "We like Ike!"

We are the Texas Democrats who feel that best interests of our party, our state and our nation would NOT be served by another four years of Trumanism.

We are the Texas Democrats who stand ready to carry out the mandate of the State Democratic Convention which on September 9, 1952, resolved: "It is the recommendation of the Convention that every Democrat in Texas vote and work for the election of Dwight D. Eisenhower for President and Richard Nixon for Vice President."

If you, as a Democrat, feel as we do — join us! Be a Texan — not a Trumanite... Vote Ike!

TEXAS DEMOCRATS FOR EISENHOWER

Chairman: CLAUD H. GILMER, Rooksprings
Vice Chairmen: MISS NAN PROCTOR, Victoria
TOM SEALY, Midland

I am a Texas Democrat for Eisenhower, and I want to work in my community to elect him. Please send me further information.

Grade School Wins, B String Loses To Abernathy Teams

The Lockney Grade School Shorthorns won another football game Tuesday night, defeating the Abernathy grade school team on Mitchell-Zimmerman Field 28-6. The local boys ran up a 28-0 lead and Coach Kelley sent in the reserves. Abernathy then scored its touchdown.

Bobby Stevenson made two of the touchdowns and ran one point to lead the scoring for the local boys. John Thornhill made one touchdown on an end-around play. Paul Ray Williams made one touchdown and one point after touchdown and Gene Handley made two points after touchdown to complete the scoring for the Shorthorns.

Starting line-up for the Shorthorns was John Thornhill and Wendell Sikes, ends; Charles Williams and Billy Rexrode, tackles; Jerry Workman and Roland Watson, guards; Wesley Eiland, center; Gene Handley, quarterback; Bobby Stevenson and Paul Ray Williams, full backs; and Coy Stevenson, full back.

The Longhorn B string lost their game to the Abernathy B string 14-6. The game was close all the way and at half-time was 0-0. The Longhorns scored in the third quarter and the Abernathy team came back to do the same. The Abernathy boys scored again in the fourth quarter to win the game.

The following boys saw action for Lockney: Marion Cross, center; Wayne McClure, Bucky Duval, Jim Bob Reynolds and Dee Nix, guards; Elmo Fortenberry, Clifton Williams, Billy Thurman, Lerel Fuster, tackles; Billy McAda, Mickey Jones, Jimmy Rankin and Doyle Crouch, ends; Jimmy Williams, Jimmy Scott, Phil Daniel, Cleon Wiley, and Doyle McAda, backs.

Annual Hood County Reunion Sunday

The annual Hood County Reunion will be held Sunday, Sept. 28 at the barbecue house in MacKenzie State Park, Lubbock. All former residents of Hood county are urged to attend and bring a lunch.

OFFICE SUPPLIES at The Book Store Office.

Catching fish out on the West Coast isn't so hard, according to a letter and picture sent to Mr. and Mrs. Floyd Barber of Lockney by their grandson, C. F. Barber who is now living at Silverdale, Wash., with his aunt and uncle. Mr. and Mrs. Glen Bowers, C. F. and his brother, Danny Joe, are shown here holding a big cod fish they caught with bare hands at Agate Pass, near Silverdale, C. F.'s story as he told it, follows:

"Glen, Danny Joe and I were digging clams at Agate Pass when we heard a noisy splash and saw a big cod fish (a ling cod) about three feet long in the shallow water. I ran to the fish and with the help of Danny Joe got it out on the beach. We started to pick it up but a man yelled, 'Put it down. It will bite you.' He ran up with a spade and hit it in the head and killed it. We took it home and weighed it and it weighed 14 pounds. Then we took this picture of it. Maybe I won't be so excited next time and will have its head up instead of the tail."

Special Work At Lodge Thursday

A special meeting will be held at Lockney Lodge No. 867, A. F. & A. M. Thursday night of this week. It was announced by Rhea Mitchell, W. M. Work in E. A. and F. C. degree will be put on. All members are requested to be present, he said.

Aaron Montgomery Ward originated mail order merchandising.

Local Ag Boys Make Soil Trip

Members of the Lockney High School Future Farmers of America chapter were among the more than 200 who made the annual Floyd County Soil Conservation District tour on Thursday of last week. The ag boys, accompanied by their sponsor, MacLee Brewer spent the day observing the various soil conservation practices in the county.

"We learned a great deal on the trip and felt that we were well justified in leaving classes," James Carthel, reporter said. "We hope that we will be able to continue such educational practices as this through continued good conduct and cooperation."

GO TO CHURCH SUNDAY.

Lois Ritchie, daughter of Mr. and Mrs. A. A. Ritchie of Route 2, Post, is the winner of the District 2 4-H Girls Scholarship to Texas Technological College in Lubbock. This scholarship is given each year by the Home Demonstration Clubs in District 2 to an outstanding 4-H Club girl who plans to study Home Economics at Texas Tech. This announcement was made by Mrs. Aubrey W. Russell, District Agent for this area with headquarters at Lubbock.

Miss Ritchie has been in 4-H Club work for eight years and has been in the Post Senior Club the last few years of her work. She is a 1952 graduate of Post Senior High School and has entered Tech this semester to continue her studies.

As a 4-H Club girl she received many honors for her leadership abilities and her club work. She was Vice Chairman of the 1952 District 2 4-H Girls Camp, was a winner of the 1952 Santa Fe Awards with a trip to the National 4-H Club Congress at Chicago, was the winner of the Garza County Gold Star Award in 1947, won two trips to Round-Up at College Station, and was winner of the Garza County Dress Revue in both 1948 and 1949.

Miss Ritchie has carried on a clothing demonstration for 7 years, a poultry demonstration for 6 years, gardening for 6 years, Bedroom Improvement, 6 years and Yard Improvement, 6 years.

Lois proved to be a leader. She held every office in her own club some time during the 8 years, was vice president of the Garza

County organization and then was Vice Chairman of the District Camp organization.

Mrs. Wesley Stephens of Post was the leader for Miss Ritchie's Club. The Home Demonstration Agents that served her county while she was Club girl were Jewell Strasser, Dorothy Harbin and the present Agent Jessie L. Pearce.

Lois was active in school work, too. She was editor of the 1952 annual and a pep squad member. She was art editor for the school annual before she became editor and has art as her hobby.

Since the Home Demonstration Clubs in Floyd County were among the largest contributors to the District 2 Scholarship fund, members will all be interested in Miss Ritchie's progress at Tech.

Claude Brown, president of the Lockney Rotary Club, attended an inter-city Rotary Club meeting at Lubbock Thursday night of last week. Rotary representatives from clubs all over West Texas were present for the meeting.

RECEIVES DISCHARGE

James Carroll, son of Mr. and Mrs. Hugh Carroll of Lockney, received his discharge from the Army on September 17 and he and his wife and their baby are visiting her parents at Herington, Kansas. They expect to come to Lockney within a few days. James has been in the army about two years serving most of that time with a special detail demonstrating the latest radar equipment.

TWINS BORN WEDNESDAY

Twin girls were born early Wednesday morning to Mr. and Mrs. Herbert S. Densman of Lockney. The babies were born at the Crum Clinic and were named Linda and Glenda. Linda weighed 5 lbs., 10 ounces and Glenda 5 lbs., 2 ounces.

M. D. Lynn left Tuesday for Hot Springs, N. M., where he expects to stay for several weeks.

Mr. and Mrs. Hoyette Hodges visited Sunday in Tahoka with friends.

HOME ON LEAVE

CSJ Billy B. Bybee, Wednesday morning, returned home to his parents, Mr. and Mrs. Bybee. Billy had spent several weeks in the Corps of Hospital recovering from a knee injury sustained in an accident. He will be in the Naval Yard where he is for duty.

Bathrooms were finished in the White House in 1870's.

The private telephone change in the Post Office is the largest of its kind.

The Alaska Highway opened to tourist travel in June of 1948.

Scientists believe man has existed for more than 1,000,000 years.

There are over 100 fingerprint cards on file in the FBI.
