**Farm Income Down 17% In Six Months**

Austin. — Texas farmers' cash income from farm commodities was 17 per cent lower in the January-July period this year than in the first seven months of 1952, the University of Texas Bureau of Business Research reports.

Total farm cash income was \$766,911,000, a decrease of \$156,000,000 from the January-July amount of last year, according to reports gathered by the Bureau in cooperation with the federal Bureau of Agricultural Economics.

Drouth conditions, particularly in West Texas, insects and worms, and scant rainfall—all these have been major causes of declining crops and livestock, the Bureau said.

Three leading Texas crops which showed considerable decrease during the first part of the year were grain sorghum, down 47 per cent; wheat 31 per cent, and cotton, 26 per cent. Other crops and commodities which showed considerable losses in income were: wool, down 36 per cent; mohair, 33 per cent; peanuts, 17 per cent; and corn, 15 per cent.

Three farm commodities showed rises in income: oats, up 48 per cent; flaxseed, 24 per cent; and eggs, 18 per cent.

A 28 per cent drop in cattle income was attributed largely to drouth conditions. The only cash increase for livestock in the January-July 1952-53 comparison was from sheep and lambs, which improved by 53 per cent. Calves were down 14 per cent and hogs down 8 per cent.

**B Team Loses To Floydada**

The Longhorn B team lost a ball game to the Floydada B team Tuesday night, 28-6. The game was somewhat of a repetition of the A game last week in that the Floydada boys scored three quick touchdowns in the first few minutes of play and then the Longhorns settled down and played the Whirlwinds on even terms for the remainder of the game.

The Whirlwinds, making good uses of passes, scored three touchdowns in the first quarter. The Longhorns score came in the third quarter after the local lads had threatened twice. Charles Vaughn, quarterback, threw a jump pass to Doyle Crouch for six yards and the score. Try for point failed. The Whirlwinds scored again in the fourth quarter.

Line-up for the Longhorns included Vaughn, quarterback; Paul Ray Williams and Bucky Duvall, halfbacks; Doyle McCAda, fullback; Doyle Crouch and Bennie Ballard, ends; Roland Watson and J. W. Dippery, guards; Jerry Workman, center; Larry McCormick and Don Hollums, tackles.

Some of the regulars on the B team were out due to illness.

The Lockney Longhorns broke

into the win column last Friday night when they defeated the Ralls Jackrabbits 14-7 at Ralls. It was the first win of the season for the Longhorns.

The Longhorns played a sluggish first half and were behind 7-0 at the halftime but came to life in the third period and played pretty good ball the remainder of the game.

An example of the slow play of the Longhorns in the first half is the statistics which show them with minus two yards in rushing during that period. They made 25 and lost 27. They failed

to make a first down during the entire first half. But the second half of the ball game was different and in this period the Longhorns outplayed and out-fought the Rabbits to ice the game away.

Jimmy Williams, the Longhorn quarterback, figured in both Lockney scores. He ran 73 yards behind some excellent blocking to score the first Lockney touchdown in the third quarter and passed to his young brother, Paul Ray, for the second Longhorn score. He also ran over one point after touchdown. Jimmy's excellent kicking during the first half also helped to hold the Rabbits at bay.

The Jackrabbits scored on an equally sensational run, with Billy Campbell taking a Longhorn punt on his own 20 and racing all the way for the score. The point was good to give the Ralls boys 7.

Following is a summary of the game:

The Rabbits received and returned the kick to their own 44. They made 1½ and then Jimmy Rankin dropped the ball carrier for a three yard loss. They made 3 and kicked out on Lockney's 26. The Longhorns made 5 in two tries, lost 1 and kicked to the Ralls 36. The Rabbits made 3, tried a pass which was incomplete, made 2 and kicked out on the Lockney 46. The Longhorns made 2, also tried a pass which failed, and then lost 7 when a lateral was fumbled. They kicked to the Ralls 29. The Rabbits made 5½, and then 12 but the play was nullified by a 15 yard penalty against the Rabbits. However they were given a first down on the play on their own 33. They made 6 and 2 and then a first down on their own 46. A fumble at this point was recovered by Roy Johnston and the

Longhorns had the ball on the Ralls 49. They made 5, lost 1, a pass was incomplete and Williams kicked out on Ralls 25. A fumble lost 7 for the Rabbits, they made 3 and 1 and kicked to the Lockney 47. The Longhorns made 3, a fumble lost 13, they made 5 and then kicked with Campbell taking the ball on his own 20 and returning it all the way for the score. The Rabbits kicked the point and the score was 7-0.

The Longhorns received the kick and returned it to their own 42. They made 1, lost a half yard, completed a pass Williams to Eddie Foster for 8 yards and then kicked out on the Ralls 19. The Rabbits made a first down on their own 33 on an end sweep, made another first on the Ralls 48, lost 1, made 2 and 4 and then end Mickey Jones came in fast to block the Rabbits kick and cover the ball on the Ralls 47. The Longhorns couldn't

move, however, losing 2, and then losing 3 and making 3 yards each on two final tries at the line, the Rabbits taking over on their own 48. The Rabbits swept end again for a first down on the Lockney 24 but the play was nullified by a 15 yard penalty against Ralls for illegal use of the hands. They fumbled on the first play and a Longhorn recovered on the Ralls 38. The Longhorns made 3, tried a pass which was incomplete and then fumbled with the Rabbits covering the ball on their own 36. They again drove for a first down on the Lockney 38, but Jimmy Rankin broke through on the next play to drop the ball carrier for a 5 yard loss. They made 3 and then Jimmy Williams broke up a long pass. They kicked over the goal line and the half time whistle blew.

The football queen for Ralls High was crowned during the halftime intermission. Both Lockney High and Ralls bands performed briefly.

The Longhorns received the kick-off and returned to their own 38 yard line. They made 2 and 2 and then a pass was intercepted by a Ralls back who ran it back to the Lockney 16. Here the Longhorns stopped the Rabbits with nothing on the first play and 2 yards on the second. At this point Coach Johnny Truelove sent in Denny Quisenberry, defensive tackle and offensive fullback, who had stayed out of the game due to a leg injury. This seemed to revive the whole Lockney team. The Rabbits made 1½ and then Pinner and Quisenberry teamed up to drop the ball carrier for a 2 yard loss and the Longhorns took the ball on their own 15. The Longhorns made 8 and then a first down on the 27. Here Jimmy Williams, on a keeper play ran 73 yards for the touchdown behind some excellent blocking. Mickey Jones, end threw a key block on a Ralls player who was attempting to overtake Williams removing the last threat to the score. Williams passed to Jones for the extra point making the score 7-7.

The kick off was returned to the Ralls 31. The Rabbits made 3, 3½ and then a first on the Ralls 42. Jimmy Scott came in from his half back position to stop the ball carrier on the next play, a pass was incomplete, an end run made 5 and the Rabbits kicked out on the Lockney 25. The Longhorns made 4, Pinner ran for 5½ and then Quisenberry

drove for a first down on the 36. They made 2 and 3, lost 1 and kicked to Ralls 26. Ralls was penalized 5, made 2 and 3 and then Pinner and Williams came in to stop the ball carrier for a 2 yard loss. They kicked out on the Ralls 44. Quisenberry drove for a first on the Ralls 34. Williams made 9 and then a first down on the Ralls 22. The Longhorns made 2, a pass was incomplete, the Longhorns were penalized 5 and then Jimmy Williams passed to his brother, Paul Ray, a freshman halfback, for the score. Paul Ray caught the ball in the clear and was never touched. Jimmy Williams went over on a rushing play for the extra point and the score was 14-7 in Lockney's favor.

The Rabbits brought the kick-off back to their own 37, and then swept end for a first down on the Lockney 26. The Rabbits were penalized 5, made 1, had a pass incomplete, made 13 and then a first down on the Lockney 16. The Rabbits were penalized 15 yards for illegal use of the hands at this point and another 5 yards for delaying the game when they sent in a replacement. They made 10, a pass was incomplete, made 2 and then on fourth down Jimmy Williams

MR. AND MRS. JOHN ALVIN DORMAN

## Rochelle Rigdon Is Bride Of John Alvin Dorman

In an impressive candlelight service performed in the First Methodist Church Saturday evening, September 28 at 5 o'clock, Miss Rochelle Rigdon, daughter of Mr. and Mrs. W. G. Rigdon, Lockney, became the bride of John Alvin Dorman, son of Mr. and Mrs. Fred Dorman of Lockney.

Tall baskets of white gladioli and cathedral candelabra holding white tapers were interspersed with a profusion of jade greenery to form the decorative background for the double ring ceremony read by Rev. Burgin Watkins, pastor.

Mrs. Clyde Farish, organist, played a prelude of nuptial music and accompanied Miss Joan Harris as she sang "Because," "I Love You Truly" and "The Lord's Prayer." The traditional wedding marches were used, and during the ceremony "Traumerel" by Schumann was played softly.

The bride entered on the arm of her father who gave her in marriage. She was attired in a floor length gown of white net over taffeta. The bodice was strapless and was topped with a lace jacket featuring a Queen Victoria collar and long sleeves ending in points over the hands. The skirt was gathered full. Mrs. Clarence Brandes, of Plainview, aunt of the groom, fashioned the wedding gown. The bride wore an elbow-length veil attached to a lace hat flecked with sequins and seed pearls. She carried a single white orchid atop a white Bible showered with long white satin streamers.

For something old she wore the wedding ring belonging to the mother of the groom, new was her wedding attire, borrowed was a white Bible belonging to Mrs. Jake Jones, cousin of the groom, something blue was a touch of ribbon.

Mary Louise Rigdon, sister of the bride, attended as maid of honor. She was gowned in blue net over taffeta designed with a

lace jacket similar to that of the bride. She carried a bouquet of white carnations sprayed with satin ribbon. Her headdress was a halo of blue net adorned with orange blossoms.

Luther Brandes, cousin of the groom served as best man. Candlelighters and ushers were Deanie Henderson and Aubrey Cox, Dickie Lee Jones, cousin of the groom, was ring bearer.

Mrs. Rigdon, mother of the bride, was dressed in a navy blue suit, light blue hat and other accessories of black. Mrs. Dorman, mother of the bridegroom, wore a navy blue dress with navy accessories. They wore corsages of white carnations.

## Reception

A reception was held in the basement of the church following the ceremony. The refreshment table was laid with a lace cloth over blue, centered with a three-tiered wedding cake decorated in blue and white and topped with a miniature bride and groom. White tapers in double branched crystal candelabra flanked the centerpiece. The bride's and the attendant's bouquets completed the table decor. Tall baskets of white gladioli were placed at vantage points about the entertaining room.

Mrs. Aubrey Cox secured names for the bride's book. Presiding at the table were Rava Nell Tur-

ner, Jane Aldredge and Mavis Tate.

Among the 190 guests who registered were the following from out-of-town: Mrs. Fannie Mae Houston, aunt of the groom, from Sterling, Colorado; Mr. and Mrs. J. T. Lamb from Sterling, Colorado; Mr. and Mrs. Don Moore of Brownfield, Texas; Mrs. W. C. Dollar of Clinton, Arkansas; Mr. and Mrs. Donald Taylor and Mr. and Mrs. Clarence Brandes, Lloyd and Sue Ellen, all from Plainview.

For a wedding trip to Colorado Springs, Colorado, the bride chose a green suit with black accessories. Her corsage was a white orchid.

Both Mr. and Mrs. Dorman were members of the 1953 graduating class of Lockney High School. Prior to the marriage, Mrs. Dorman was employed in Plainview for several months and Mr. Dorman attended Watson's Business School in Plainview. He is now employed as bookkeeper at the Linder Gin near Plainview. The couple is at home on a farm seven miles south of Lockney where he will farm next year.

## HD Club To Meet In Moore Home

Lockney Home Demonstration Club will meet Thursday afternoon at 2:30 in the home of Mrs. Henry Moore. Mrs. C. L. King will give a report of the Texas Home Demonstration convention held at Galveston recently and a review of short stories will also be heard.

Also during the meeting new officers will be elected.

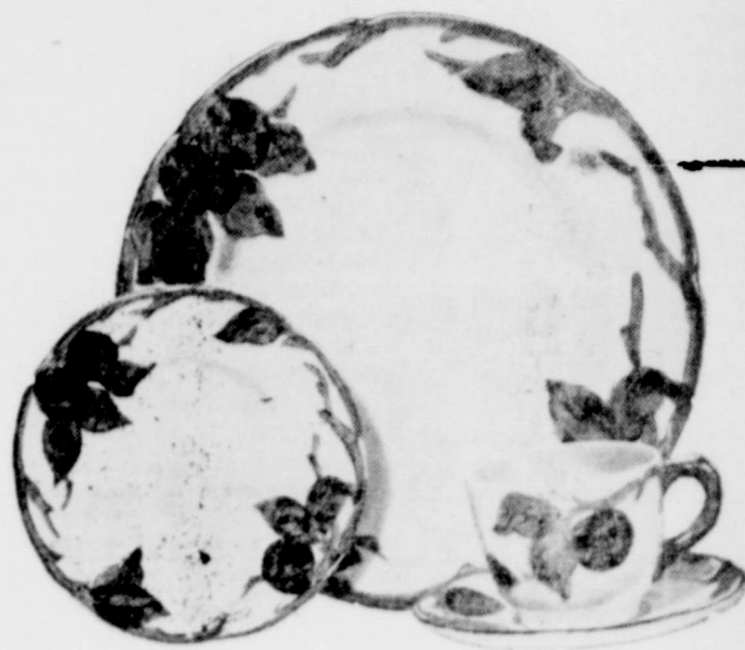

Mr. and Mrs. Morlan McManigal and children of Happy spent Sunday night in the home of his sister and family, Mr. and Mrs. Owen Thornton at South Plains.

## Wesleyan Guild Entertains

The Wesleyan Service Guild of the First Methodist Church was hostess to guilds of the Plainview district Sunday afternoon.

Guests were registered in the foyer of the church by Mrs. Jay McPherson and Mrs. Clyde Kemp. Mrs. C. L. Record pinned name tags shaped as leaves, on each guest and in turn introduced members of the local members. They were escorted to the church parlor by Mrs. W. D. Reese, Olive Myers, Clark Harris, Mrs. Milton Ashton and Miss Mildred Thomas.

Mrs. Wayne Bybee and Mrs. Burgin Watkins served tea and cookies to the guests from a table laid with a dark green cloth decorated with autumn leaves and yellow and gold mums. Assisting with the hospitalities were Mrs. Claude Hammond, Clyde Briley, A. O. Wines and Woodson Terrell. Miss June Powell played soft music on the organ during the social hour.

Miss Ann Hastings, District Secretary of the Wesleyan Service Guild of Plainview, presided at the meeting. Mrs. Lorin Lieb-fried of Floydada gave the opening worship, followed by a preview of the year's study given by Mrs. Marvin Boyd of Plainview. A question and answer period was conducted by Miss Lucille Flowers of Plainview, Northwest Texas Conference Secretary of Guild work, and Mrs. Johnnie Williams of Kress, vice president Plainview District WSCS. Mrs. Paul Cooper, District treasurer of WSCS gave a few pointers on treasurers' reports.

Miss Helen Osborn, Director of the new Wesley House, a community service center, in Amarillo, was guest speaker of the afternoon. Miss Osborn says Wesley House is in the Latin American part of Amarillo but is open to all races of people. Their first project is the baby clinic. This week a well rendered recreational program will begin. Their work is sponsored by the Methodist Church. A member of the Turkey Guild gave the closing worship.

Approximately 70 guests registered from Bovina, Floydada, Oton, Turkey, Plainview, Earth and Dallas.

## Girls Auxiliary Meets Monday

The Intermediate Girls' Auxiliary of the First Baptist Church met in a regular meeting Monday afternoon at 4:10 o'clock at the church. The program consisted of a play put on by the girls.

Leaders for the group is Mrs. Chester Mitchell and Mrs. Leonard Kelley. All girls between the ages of twelve and fifteen are cordially invited to attend the weekly meetings.

Mrs. Lula Woodburn returned home last week from a ten-day visit in Van, Texas with her son, Pat Woodburn and family.

Mr. and Mrs. Glenn Whitfill and daughters, Judy and Cynthia spent Sunday with Mr. Whitfill's parents, Mr. and Mrs. Frank Whitfill in Lockney.

## Parent-Teachers To Meet Tuesday Night

The C. N. Townsend Parent-Teacher Association will hold their first regular meeting of the year next Tuesday night at 8:00 o'clock at the grade school cafeteria. The Eighth grade pupils will be hosts and will also participate on the program. Mrs. L. D. Hawkins, teacher of public school music, will lead group singing. Lavon Johnson will be the speaker of the evening with the subject, "Parents Till The Soil." Delegates will be elected to attend the State Convention to be held in San Antonio Nov. 17-20.

An executive meeting has been called for 7:00 o'clock preceding the PTA meeting and will be held also in the cafeteria, according to Mrs. Earl Minter, president. All committee chairmen are asked to have their recommendation reports ready to read at this time.

## Library Notes

By Mrs. Ray Hollar

An interesting group of visitors came on Friday morning. They were members of Mr. Barber's class and were manning a truck to move our tables and shelves to the high school for Mr. Hendrick's class in shop work. These are to be remodeled for use in the library in Floydada and the Lockney Branch. This piece of cooperation is going to give us tables and refinished shelves.

Story hour had its second round with the weather and as usual story hour won. Fifty-three children came to welcome the wet norther. Barbara Perry told the stories and supervised the games. Mrs. E. E. Joiner brought refreshments and Mrs. R. C. Henry, chairman of the committee for the sponsoring 1929 Study Club, attended.

We were pleased to learn on Saturday afternoon that the tapes and radio announcements had been heard all across the county and at least one mother from the county line community hopes to be with us next Saturday. All Lockney children are invited to the story hour each Saturday at 10 a. m. on the second floor of the court house.

The Rev. Anderson of Providence community is to be our radio guest next Friday at 2 p. m. over KFLD. This is our regular library radio hour.

On Monday, October 12 at 2 o'clock Dr. Per Stensland of Texas Tech will meet those interested in the American Heritage program in the District Court Room, second floor of the courthouse. We hope to have a good gathering from all over our area. Many of you will remember Dr. Stensland as he spoke to us last spring and began laying plans for this study course.

The Lockney Branch will be open 1:30 to 5:30 for the next few Saturdays. This makes the library available to many who can not reach it during the other week days.

### BENNETT VISITORS

Week end visitors in the home of Mr. and Mrs. Barney Manning were their daughter, Mary Louise, and niece, Beverly Bennett, both of Dallas; Mr. and Mrs. Hestand Bennett of Decatur; Mrs. C. K. Bennett, Clovis; Mrs. Hesterly Hicks and children of Clovis, New Mexico and Mrs. Faye Crawford of Dallas.

## ALL-SEASON COTTON

Designed for any season of the year, this smart dress by Mildred Orrick is made of a new cotton tweed by Herbert Meyer. Style details include a high neck with novel button closing and high pockets which emphasize fullness at the upper bodice. The National Cotton Council reports that textured cottons like this have gained year-round popularity.

Mr. and Mrs. Charlie Smith spent Monday in Seagraves on business.

## State Fair Giant Made To Talk

Big "Tex," the 52-foot cowboy figure symbolic of the great State Fair of Texas, will speak for himself at the 1953 fair, Oct. 10 thru 25.

The giant statue has been equipped with an electronic voice that will enable him to outtalk anybody. General Manager James H. Stewart has revealed.

It required months of research, over 300 pounds of equipment and weeks of work to make the big man talk. His jaw will wobble in synchronization with his big talk as he announces the daily fair program.

And he'll have plenty to talk about, for the 1953 edition of America's greatest and grandest annual fair looms as the whop-pingest one of 'em all.

The array of new exhibits will include a three-bedroom home specially designed for Texas living, landscaping and fully furnished. The Navy's new Regulus guided missile, top secret until a few months ago, will be unveiled.

The Science Show will include a miniature tornado with all the characteristics of the big twisters that caused so much damage this year. It'll be in action in a big tank with glass windows.

The Automobile Show will feature futuristic "dream car" models that almost drive themselves. The mammoth Agriculture will have every county in Texas represented. Farm implement exhibits will include tractors that do tumbling tricks, talk and square dance.

The Pan-American Livestock Exposition shapes up as the most successful livestock show the fair has ever had. Beef cattle entries of Herefords, Shorthorns, Brahmas, Aberdeen Angus and Santa Gertrudis have been particularly heavy. Dairy breeds to be shown include Jerseys, Holsteins, Milking Shorthorns and Guernseys. Horse show events each of the three week-ends include classes for Quarter horses, Palominos and Shetland Ponies and a big open cutting horse contest.

The volume of entries indicate the best show yet for the Women's Department. Duplicates of Mrs. Eisenhower's Inauguration jewelry will be exhibited. The Great Christie, master magician, will perform in free shows daily. Blue ribbon fashion winners will be paraded daily in free style shows.

The entertainment program offers something for everybody, with the Ethel Merman Show, Ice Cycles of 1954 and the Aut Swenson Thrillcade topping the list of daily attractions.

**CITATION BY PUBLICATION**  
THE STATE OF TEXAS  
TO: OTIS LUMMUS GREETING: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 2nd day of November, A. D. 1953, at or before 10 o'clock A. M. before the Honorable District Court of Floyd County, at the Court House in Floydada, Texas.

Said plaintiff's First Amended Original petition was filed on the 19 day of September, 1953. The file number of said suit being No. 4090.

The names of the parties in said suit are: J. M. Willson, Sr. as Plaintiff, and Otis Lummus and Vera Kirkpatrick (formerly Vera Lummus) and her husband, Earl Kirkpatrick, as Defendants.

The nature of said suit being substantially as follows, to-wit: Plaintiff, J. M. Willson, Sr., is asking for judgment against Defendants on two notes, one Materialman's Lien Note for \$1,000.00, dated December 16, 1946, alleged to be executed by Defendants, Otis Lummus and Vera Lummus (now Vera Kirkpatrick), and a Note for \$953.58, dated February 1, 1947, alleged to be executed by Otis Lummus, such note having credits amounting to \$779.10, the total sum asked for on both notes, including principal, interest and attorney fees is \$2,227.25, together with interest and costs, same being alleged to be the balance due on the Note dated February 1, 1947 for \$953.58, and all of the above described Materialman's Lien Note, and said Plaintiff, J. M. Willson, Sr., is praying for a foreclosure of a Mechanic's, Materialman's and Laborer's Lien Contract, dated December 16, 1946, alleged to be given to secure the said Materialman's Lien Note of \$1,000.00, dated December 16, 1946, said Mechanic's, Materialman's and Laborer's Lien Contract is alleged to

have been executed by Defendants, Otis Lummus and Vera Lummus (now Vera Kirkpatrick), then husband and wife, on the following described Real Estate, described as follows, to-wit:

One acre of land out of the North East Corner of the J. H. Lockney 160-acre survey number 4 in Block S. C. situated in Floyd County, Texas, said one-acre tract being described by metes and bounds as follows: beginning thirty feet South and 20 feet West of the North East corner of said survey for the North East corner of this tract; Thence West 300 feet for the North West corner of this tract; Thence South 145.2 feet for the South West corner of this tract; Thence East 300 feet for the South East corner of this tract; Thence North 145.2 feet to the place of beginning, except a portion of same taken off for railway right of way purposes and highway purposes, and said description included all improvements situated on said tract of land or to be placed thereon; Plaintiff herein is asking for a foreclosure of the said Materialman's Lien on above described property.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 19th day of September, A. D. 1953.

Given under my hand and seal of said Court, at office in Floydada, Texas, this the 19th day of September A. D. 1953.

Mary L. McPherson, Clerk, District Court, Floyd County, Texas. (SEAL) 24-4c.

Except the Lord keep the city, the watchman waketh but in vain.—Psalm 127:1.

We suppose that about every-thing under the sun has a special "Week" set aside to commemorate it. There are two special weeks being observed this week and they both, to us, are very important. One is National Fire Prevention week, October 5 to 11 and the other is National Newspaper Week, October 1-8.

Fire Prevention is a subject that we are all more or less familiar with. We've heard it talked in school for years and we are

all very much in favor of it. It is a worthy theme and one that is designed to save lives and property. It would be good if we all would co-operate with the theme of fire prevention.

But National Newspaper Week, probably, is not so familiar with our readers. Many newspapers pass it by without a thought or word as we have done in times past. We would like to point out some of the reasons for observing "newspaper week."

The first thing is that this nation could not exist as it now does, without newspapers. Without newspapers our freedom would soon be gone, we would live in ignorance, suspicion and fear and some bigot would soon be able to take over the government of this country and handle it to his own satisfaction. The reason that we now avoid this type of living is that newspapers keep the people INFORMED. Most people receive a daily or weekly newspaper and many receive both. They read the newspapers and know what is going on. It is the duty of the newspaper to keep the citizens of the community or area informed as to what is going on in that area.

Sometimes the newspaper fails to inform people about something that is important to the public. It may be that the editor didn't know about the matter and was not informed himself, or it may be that those who did know about it deliberately tried to keep it out of the press and from public knowledge. Some people who hold office or high position at times feel that they ought to be permitted to operate the public's business without letting the public know what is going on. This is a mistake. The public should be kept informed on any matter that is of public interest. Newspapers generally operate on this principle.

Newspapers are public servants, designed to promote that which is good for the community and to fight that which is bad. All of us don't agree sometimes on the good and the bad, but generally when the question is closely examined in an objective manner the best side can be determined. The newspaper that doesn't stand for the good of its own community is letting down that community and failing in its duty.

Most newspapers are willing for both sides of any question to be heard, barring libel and abuse. "Letters to the Editor" columns are usually available for the citizen to express his own views on public issues. And the citizen has his obligation to express his views just as the newspaper editor has. But remember this—when the newspaper writers stop welding pens and typewriters and news presses stop rolling, our life as a proud, free independent and dignified "nation under God" is at an end.

#### IT IS A TRAGIC FACT . . .

It is a tragic fact that 11,000 persons die every year as a result of fire. Still more tragic is the fact that at least 2,000 are children, most of them under five years of age.

Why are these little children so often fire's victims? One reason is their utter helplessness as babies. If trapped, for instance, in a burning building, they are powerless to help themselves.

Another reason is their inquisitiveness and lack of fear of fire.

Since children spend most of their time at home, parents should teach them simple safety rules and, above all, see to it that fire hazards do not exist in and around the house.

The National Board of Fire Underwriters this Fire Prevention Week, Oct. 4-11, is urging every means possible to emphasize the safety measures whereby loss of life and property can be substantially reduced. Let us in this community assume our share of this responsibility and help make America safe from fire.—Post Dispatch.

ANSWERS YOUR QUESTIONS  
Q. How can I best protect my pullets against disease?  
A. It depends on the disease, of course—but the best general means of protection is sanitation. Give your flock the benefits of disinfection with Dr. Salsbury's Germex. To sanitize feeders and fountains, use Germex. Use it in poultry drinking water, too. Germex comes in handy for all poultry and farm disinfecting jobs. Buy a bottle of Germex, today.

them to make the war limited or unlimited. Specifically, the Secretary had this to say about Asia:

Renewal of fighting in Korea very probably will carry the war to China. No longer can Communists count on the "privileged sanctuary" to which Gen. Douglas MacArthur voiced such vigorous objections.

A Chinese attack on Indochina may bring about the same consequences. In brief, Communist China is told that if it undertakes any new military adventures it runs the risk of an all out war. This is the kind of talk the Russians and Red China understand, but no one up to now has had the courage to check it squarely up to them in no uncertain tone. Now they know what to expect. Pussy-footing around is over, they must either put up or shut up.—Listening Post in Petersburg Journal.

#### ARE WE GETTING WORSE?

Only by ignoring reality can we assert that man is getting better. While science each day is making the world a better place in which to live, man more and more is giving the green light to his Adamic nature.

Those who will accept the Bible find it gives many inspired descriptions of our modern society. For instance, II Timothy 3:1-7—"This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholly, without natural affection, truce breakers, false accusers, incontinent, fierce, despisers of those that are good, traitors, heady, highminded, lovers of pleasures more than lovers of God; having a form of godliness but denying the power thereof. From such turn away. For of this sort are they which creep into houses, and lead captive silly women laden with sins, led away with divers lusts, ever learning, and never able to come to the knowledge of the truth."—Town Topics in Tulsa Herald.

Private enterprise should be given a chance to do a job. If it fails, government should be given a chance to operate under its general welfare rules. Mr. Cole himself has made that point.—Ralls Banner.

#### LIKES IT BETTER

Ralls is a fine place to buy your needs. So is Floydada, Crosbyton, Lockney and Lorenzo. Of course the Big Town over the way has many, many allures, but for things I need and can find at home, the friendly stores, the salespeople who ask about my family and have time to talk a little, are more in my line.—Nellie Witte Spikes in Ralls Banner.

the administration that direct federal action will be taken if private mortgage credit is not made available for home construction.

The warning came from Federal Housing Administrator Albert M. Cole, who cited figures to show the government's effort to turn home financing over to private capital has been a flop. Residential construction is at a low point.

The administration is finding out that private business is not the sole answer to economic ills. Just as private enterprise failed in the field of power, flood control, farming and ranching, rural electrification and many other fields—private enterprise is incapable or unwilling to assume huge construction loans so necessary to national economy.

Private enterprise should be given a chance to do a job. If it fails, government should be given a chance to operate under its general welfare rules. Mr. Cole himself has made that point.—Ralls Banner.

## Slick Chicks And Gone Guys

by Hays and Harris  
 Girls: if you're in fashion at Lockney High on Friday, you'll be wearing jeans or riding pants. Did you notice those beautiful western suits modeled last Friday? Guess we can't help displaying our rancher forefather's habits at least once a week. Do you mind, boys? Then there's the fad for Indian summer squaw dresses. Joan Harris wore a new green squaw dress Monday and we noticed all the braves admiring it.

Clara Lee Smith, Pat Poteet, Nell Cunyus, Nelda Cunningham, Darla Allison and Ernestine Spradlin are just a few of the other current Indian Maidens we have in our halls.

Last Monday Jeanette Widener enrolled in the junior class looking snazzy in a felt skirt with red trimming, complimented by a white angora sweater with red trimming.

To end this fashion article with a bang let's mention Freddie Merrell's pretty gray shoes, Donald Allison's tailored shirts and Wendell Sims' tight fitting western shirts. Can 160 L. H. S. girls be wrong?

We will be peeking around the corner so be sure and wear your snazziest clothes. See you next week.

## Mr. And Miss L. H. S.

We are proud to announce Mr. and Miss L. H. S. for 1953-54. Sandra Myers is Miss Lockney High and Denny Quisenberry is Mr. Lockney High. This is the highest school honor and one to be very proud of. Sandra and Denny are both seniors and are very good workers for their class.

Sandra has gone to school in Lockney for twelve years and was Band Sweetheart her sophomore year. She is a member of the Honor Society and F. H. A. and is an office girl. She has been class favorite and was nominated for the most beautiful girl her sophomore and junior years.

Denny has also gone to school in Lockney for twelve years. He has played football for four years and is captain of the team this season. He has also participated in track for three years. He is a member of the F. F. A. He has also been class favorite and was nominated for the most handsome boy his junior year.

Congratulations Sandra and Denny.

## Patty Adams Is FFA Sweetheart

by Henry Harden  
 Patty Adams was elected Future Farmer Sweetheart in a meeting last week. Runner-up for the title was Joan Harris. A sweetheart ring and jacket have been ordered for Patty. She will compete in the District Sweetheart Contest later in the year.

## FHA Has First Meeting Of Year

by Pat Pierce  
 The FHA met Wednesday, Sept. 30 for the purpose of selecting a regular meeting time and electing the chapter beau.

The club will meet the first Monday of each month at twelve-thirty. This meeting will be in the study hall.

Dues were set at fifty cents per year and membership cards will be given to each girl when she pays her club dues.

Eldon Fortenberry was elected to be the beau for the Lockney Chapter. Eldon is an outstanding member of both the F. F. A. Club and Senior Class.

The regular meeting of the club was held Monday, October 5.

## National Honor Society Meets

The National Honor Society met last Thursday to elect a sweetheart and beau. Some business matters were also discussed.

Willie Dean Rushing, a Senior, was elected sweetheart and Eddie Joe Foster, also a Senior, was elected as beau. They will represent the Honor Society with a big picture in the annual. This is the first year that the Society has bestowed this honor and they are very proud of their favorites.

Officers were elected last spring. They are: Roy Johnston, President; Jerry Holmes, vice-president; Barbara Hays, secretary; Rosemary McDonald, reporter. Sponsors are Mr. F. M. Smith, Mr. Elvin Lyon, Mrs. W. C. Irons, Mrs. Mildred Zeigler, and Miss Johnie Barnhart.

The Honor Society has a limited membership because of the strict requirements. To be a member, you must take four subjects and maintain a ninety-over-all average.

Scholarship is not the only quality considered, however. Character, leadership, and service are important factors.

Sophomores are probationary members, but have no vote and can hold no office. Juniors and Seniors are active members.

Each spring the Society has an outing and also gives a one hundred dollar scholarship to the highest ranking member of the Honor Society in the graduating class.

Some people think that it is a lot of wasted effort, but any member will tell you that it is well worth the work.

Luke, author of a book in the New Testament, was a physician.

## Shorthorns Beat Kress Team

by Jim Williams  
 The Lockney Grade School Shorthorns literally ran away with the Kress boys 25 to 0 Thursday in a grid tilt.

The Shorthorns were led by Wesley Eiland who ran all the touchdowns but one and had three long paydirt gallops called back. Nelson Wofford scored once and Johnnie Hanst kicked one point.

Hanst and Paschal were defensive standouts along with Williams and Eiland.

## Eighth Grade Officers Elected

 Vice-President — Donald Farish.

Secretary-Treasurer — Gayle Rucker.  
 Reporter — Jane Chandler.  
 Sergeant-at-Arms — Wesley Eiland.

## Band Show

For the large crowd at the Ralls Homecoming game Friday night the Longhorn Band presented another good show. Everyone noticed the snappy drum cadence as the band marched on the field and went into an "On the Square" maneuver. They marched on down the field and did a countermarch. Then coming back up the field, band made a right column and formed a horse. While in the horse formation they played "The Old Gray Mare." Next they formed a wagon while playing "Wait for the Wagon." "The Old Oaken Bucket" was played as the band formed a well with the majorettes and drum major forming the bucket which moved up and down in the middle. The last formation was a tree and the band played "Little Brown Jug" signifying drinking cider under the apple tree.

### Eighth Grade Beats Kress Thursday

Lockney's eighth grade football team, the Shorthorns, trampled the Kress Junior High team in a game on Mitchell-Zimmerman Field here last Thursday afternoon. The score was 25-0.

Wesley Eiland, fullback, made three of the scores on line plunges and Nelson Wofford, quarterback, made one on a quarter-back sneak. Johnny Hanst, tackle, kicked one extra point.

The Shorthorns made a score in each quarter. The nearest the Kress team came to the goal line was the 30 yard line.

The lineup for the Shorthorns was: Roy Kidd and Larry Hammitt, ends; Johnny Hanst and Donald Farish, tackles; Joyce Paschal and Coy Kidd, guards; Kelly Harrison, center; Nelson Wofford, quarterback; Clifford Hardy, right half, Arley Pinner, left half; Wesley Eiland, fullback.

Bruce Lynn at tackle, Joe Rigby at half and Jerry Williams at fullback also saw lots of action. Dempsey Alexander is coach of the Shorthorns. The 7th grade team was sent in the last few minutes and completed the game.

### BEANS-AND-FRANKS

Saturday night go-togethers: Frankfurters and baked beans. Here's a hearty one-dish meal you can prepare in less than a half hour; alternate layers of canned baked beans, sliced onions and sliced tomatoes in a greased casserole, with baked beans on top. Cut frankfurters lengthwise and push gently into beans, cut side up. Pour tomato juice over all. Bake at 350 degrees F for 20 minutes in the over of your range.

### Texas Home Burns Every 65 Minutes

Austin. — Some Texan loses his home in a fire every 65 minutes around the clock. By the end of 1953, about 8,000 Texans will have watched their homes go up in smoke.

This dire prediction was made today by Morris W. Parker, manager of the Texas Insurance Advisory Association, in anticipation of the observance of National Fire Prevention Week, Oct. 4-10. It is based on figures the fire insurance trade association has compiled over the last 20 years.

Unless Texans reverse the trend through more attention to fire prevention, by the year's end, some 97 Texas schools will burn, 88 churches will be fire casualties and 16 hospitals, 160 hotels, 25 theatres and 35 lumber yards will have serious fire losses.

The greatest toll always is dwellings, however. Texas insurance figures show that three out of every four fires involves somebody's home.

As usual, matches and smoking will be the primary causes, with "misuse of electricity ranking a close second. These three are responsible for almost half of all fires occurring in Texas each year, figures kept by the Insurance Advisory Association show.
