Connie O'Brien, R. E. Wiley Singer Preacher at Aiken Baptist revival.

Aiken Baptists To Begin Revival Sun.

A one-week revival meeting, co-operating with the Southern Baptist simultaneous evangelistic crusade in Texas, will begin Sunday morning at the Aiken Baptist Church. It was announced this week by Rev. C. O. Haile, pastor.

Rev. R. E. Wiley, pastor of the Lockney Baptist Church, will do the preaching in the meeting and Connie O'Brien will lead the singing. Services will be held twice daily but the time had not been announced Tuesday. Everyone is invited to attend all services. Rev. Haile said.

Rev. Brotherton Dies Monday

Rev. Marvin Brotherton, a retired Methodist preacher and brother to Mrs. W. F. Griffith and Mrs. Adell Bickley, died at his home in Matador Monday morning. Mr. Brotherton had been in ill health for two years, suffering with a heart ailment but had been fairly active lately. He suffered a heart attack about 6:30 Monday morning and death followed at 10 o'clock.

Rev. Brotherton had lived here at one time. He, with his mother, the late Mrs. E. L. Brotherton, and his brother, E. L. Brotherton Jr., also now deceased, made their home on a farm near Lockney when he was a young man and prior to his entering the ministry.

He had served four circuits and had been pastor of eight churches in the area prior to his retirement. Among the churches he served were Quitaque, Silverton, Matador and Rotan. He also served the Canyon and Floydada circuits. He was forced to retire because of ill health while at Rotan. He then established his residence at Matador.

Mr. Brotherton was born October 4, 1888 in Fayetteville, Tenn. He moved to Texas with his family in 1902 when they settled in Hunt County. In 1918 they established residence near Lockney. He was married to Miss Mattie Robinson in Wichita Falls May 31, 1923, the year after he took his ministerial vows and joined the Methodist Conference. He remained active after his retirement and taught a Sunday School class Sunday at the Matador church. He was a Scottish Rite Mason and a member of the Matador Lions Club.

Funeral services were held in the Matador Methodist Church Wednesday afternoon at 3:30 with Rev. V. O'Kelly of Matador and Rev. E. L. Yates of Roby officiating. Masonic services were held at the graveside and services will be in East Mound cemetery.

Survivors include his wife, two sons, Glenn Brotherton, Matador; M. G. Brotherton, Canon City, Colo.; a brother, H. A. Brotherton of Canyon; two sisters, Mrs. Adell Bickley, Greenville; Mrs. W. J. Griffith, Plainview.

Williams Baby Is Much Improved

Shelby Foster Williams, 8-month-old baby of Mr. and Mrs. David Williams of the Lone Star community, is back home again and much improved after another siege of illness in St. Marys Hospital at Lubbock. The young fellow was treated for pneumonia, meningitis and a kidney disorder. He suffered an attack of what was believed to be meningitis when he was eight days old and was very ill for two or three weeks.

C-C Directors Will Meet Tonite

Officers and directors of the Lockney Chamber of Commerce and Board of Development will hold a planning meeting at the Lockney Grade School Cafeteria tonight (Thursday) for the purpose of completing plans for the annual membership drive to begin next Monday. President Joe Holt said early this week.

The meeting will begin at 7:30 p. m. It is not a luncheon meeting but is being held at the cafeteria because a good crowd is expected. Each director and officer has been asked to bring three or four men with him who will help in the membership drive.

Names of prospects for membership in the local chamber will be handed out and a good number of workers are expected.

President Holt said concerning the membership drive, "We hope that these workers will be received liberally by the people of the community. We must all dig down deeper than we have been if we are to raise a budget sufficient to employ a full time manager and that is our goal."

"We feel that a full time manager will be of great benefit to everyone of the community," Holt said, "and for that reason we feel no hesitancy in asking the people of the community to support the chamber sufficiently to allow the hiring of one."

Seeks Funds To Fill In Windows At Old Oil Mill Building

F. L. Montandon, superintendent of the Lockney Junior Livestock Show, said Tuesday that a collection was taken at the recent show here to provide funds for filling in the windows in the show area of the building and more than \$150 was received. He suggested that perhaps others would like to contribute toward the closing in of the livestock show room. Funds may be given to Bill McClaskey at the bank, Fay Pinner or to Mr. Montandon.

Work will begin next week on the project. The windows will be filled with a wood frame which will be succeeded, he said. The show room will be used for the Floyd County fair as well as the Lockney show.

Station Man Held Up At Floydada

A Mr. Permenter, operator of the Y Service Station and Courts at Floydada, was held up at the point of a knife about midnight Monday and robbed of some \$60 to \$70. The robber held the knife at the station man's throat, forced him to accompany him around behind the station building and took his billfold.

Sheriff Earl Cooper said Tuesday that apparently two were involved in the robbery since money from the cash drawer was stolen while the robber and the station man were out of the station.

No trace of the hijacker had been found although officers did track him to a point near the station where he entered a car.

R. E. Patterson Returns Home

Mr. and Mrs. R. E. Patterson have returned home from Galveston where Mr. Patterson has spent the past six months in John Sealy Hospital.

Mr. Patterson, who has been suffering from an asthmatic condition, has been seriously ill. He was accompanied home by his son-in-law, Kelton Shaw in a plane piloted by James Miller of Plainview. Richard Patterson accompanied his mother home in a car.

Reports from Mr. Patterson Wednesday are that he is getting along fairly well and is glad to get back home.

Mrs. Laverne Turpin and son of Amarillo visited her parents, Mr. and Mrs. L. G. Rhine during last week end.

BOB MILLER, named president of the Lockney Rotary Club for the fiscal year starting July 1.

Bob Miller Is New Rotary Head

Bob Miller was named president of the Lockney Rotary Club for the fiscal year starting July 1, 1955, in voting at the club last Friday noon. He succeeds Arthur Barker Jr.

Miller served the club as vice-president for the past year.

Hershel Swepston was named vice-president and Bill Birdwell was elected secretary-treasurer. New directors named were Leslie Ferguson, Earl Minter and B. A. Simmons. Retiring President Barker will also be a member of the board.

Miller is co-manager of the Lockney Drug Co., Swepston is manager of the Parker Furniture Co. here and Birdwell is connected with Patterson Grain Co. Retiring directors are Lloyd Wofford, Edgar R. Hays and Weldon Snodgrass.

The Lockney Rotary Club is this year joining with thousands of other similar clubs throughout the world in celebrating the Golden Anniversary of the founding of Rotary.

Hugh Counts Is Recuperating

Mr. Hugh Counts, who underwent major surgery in Methodist Hospital in Lubbock Friday of last week for the removal of a portion of his stomach, is reported to be recuperating nicely. Mr. Counts was to start receiving firmer food Wednesday. He has been on a liquid diet and was to get some jello and pudding as a preliminary for a regular diet, according to his daughter-in-law, Mrs. Gerald Sams.

If Mr. Counts continues to improve he is expected to be able to return home the last of this week or first of next. His address is Room 226, Methodist Hospital, Lubbock.

Dr. N. E. Greer Is Critically Ill

Dr. N. E. Greer, veteran Lockney physician, is critically ill in the Lockney General Hospital. He suffered a stroke early Thursday morning of last week and has been unconscious most of the time since. However his condition has improved and he is rational most of the time now, members of the family said Wednesday.

Dr. Greer has been in ill health for several years and has suffered several strokes previous to this one.

Revival At First Baptist Church Set For April 17-24

A one-week revival meeting will be held at the First Baptist Church here April 17-24. It was announced this week by Rev. R. E. Wiley, pastor.

Rev. A. C. Roberts of Lubbock will do the preaching and Hardy Clemons, also of Lubbock will lead the singing.

Services will be held twice daily but definite time of the services has not been decided, Rev. Wiley said.

Potts, Carthel Named Trustees

The Lockney Independent School District has two new trustees. Elected in voting last Saturday were Melvin Potts from the Irick community and John T. Carthel from the Prairie Chapel community. They replace Homer Bartram and G. E. Tannahill.

A total of 90 votes were cast and the vote was as follows: Potts — 64. Bartram — 19. Tannahill — 43. Carthel — 49.

Ewald Quebe, member of the county school board from Lockney, received 86 votes. He received 8 votes in the Northwest Floydada box, 17 votes at Providence, 19 votes at Lone Star for a total of 130 votes. He was unopposed for the office.

Rural Boxes Report
At Lone Star Tom Word was elected with 15 votes. Write-ins included two votes for W. D. Nance and two votes for Hubert Frizzell.

Albert Scheele was named trustee at Providence replacing Harold McLaughlin.

In the South Plains district Bryan Karr and Grigsby Milton were named trustees.

At Dougherty, three new trustees were named. They are L. B. Campbell, S. J. McIntosh and Joy Ward.

Seven Called To Armed Services

Seven men from Hale and Floyd Counties will leave this (Thursday) morning for induction into the armed forces. Those scheduled to report at 5 a. m. today for induction were:

Kent Taylor, Plainview.
Paul Samuel Cline, Plainview.
Haskell Winford Pyle, Plainview.

Ira Dale Peoples, Plainview.
Robert Dane Clark, Floydada.
Larry Guy Glassmoyer, Floydada.

Robert Leon Anderson, Floydada.

There will be one special registrant going for examination from this local board in April and one transferred man, who will leave with inductees:

Landria Cecil Smith, Special Registrant, Plainview.

A. C. Dunlap, Transferred from Calif.

Young People Will Present Skit At PTA

Luther Williams and Carolyn Campbell, delegates to the PTA Spring Conference from Lockney High School and both juniors, will present a skit at the regular Parent-Teacher meeting to be held Tuesday night, April 12 at the high school auditorium beginning at 8 o'clock.

These students will bring some striking information of the conference and what P.T.A. means to the youth. All high school students as well as all parents and teachers are urged to hear this program. Mr. Robert Smith will bring the devotional and a program will be presented by the Second Grade, who will also be host for refreshments following the meeting.

Germania Mutual To Meet Saturday

The Germania Mutual Aid Association, Local No. 202, will meet at the city auditorium Saturday evening at 7:30 for the purpose of electing delegates to the district meeting at Littlefield, Frank Dodson, secretary, said Tuesday.

SOLDIER IN EUROPE

A wire received Wednesday morning by Mr. and Mrs. H. E. Musser informed them that their son, Pvt. Bob Musser had arrived at Zweibruecken, Germany, on Tuesday. Pvt. Musser said that he "arrived safely and had an interesting trip." He recently completed recruit training at Fort Ord, Calif. Another son of the Mussers, Ralph, was recently discharged from the Army after two years in Alaska and is now at home here.

J. E. COX was re-elected mayor in voting Tuesday.

School Board In First Meeting

The board of trustees of the Lockney Independent School District held its first meeting Monday night since the recent trustee election, had two new members to qualify and heard reports on the teacher situation here and on tax collections.

John T. Carthel and Melvin Potts were declared elected to the board after the election was canvassed by the board. They took oaths of office and thereby qualified to serve on the board.

Baccus Is President

In the re-organization of the board F. C. Baccus was re-elected president, Oscar Golden was named vice-president and Robert Lee Smith was elected secretary-treasurer.

The board accepted resignations of several teachers effective at the close of this term. Mrs. Ethel Miles, school nurse, has accepted a position with the Plainview Hospital effective June 1 and tendered her resignation to the board. Miss Johnny Barnhart, high school English teacher, plans to attend Southwestern Baptist Theological Seminary next year and has also resigned. Mrs. Jane Mangum, commercial teacher, does not plan to teach next year and has resigned. John T. Brown, junior high teacher, plans to accept another position and has resigned. Mrs. A. L. Shaw has accepted a position with the Plainview school system and has resigned. Previously Mrs. Jackie Cain and Mrs. Janis Baile had resigned from the local faculty.

All other teachers and employees of the school have accepted their same positions. Supt. W. C. Irons said.

The board elected the following as bus drivers for the coming year: G. A. McAda, Fate Taylor, John Chandler, W. A. Gilbreath, R. C. Rogers, C. W. Bradford.

Also Wavely Washington was elected as a teacher in the negro school here.

Sunrise Service Is Planned For Easter

An Easter Sunrise Service will be held at the Lockney Methodist Church, according to announcement this week by Rev. Burgin Watkins, pastor. The service will begin at 6 a. m.

A Maundy Thursday Communion Service, commemorating the inception of the Lord's Supper, will be held in the sanctuary this (Thursday) evening at 7:30.

The Sunday morning worship service at the Methodist Church will feature an Easter anthem by the chancel choir and an Easter sermon by the pastor.

No Sunday night service will be held at the Methodist Church, Rev. Watkins said.

Thieves Raid Local Lumber Company

Thieves broke into Brunner Lumber Company here Thursday night of last week by removing a window from the office building and made off with around \$200 worth of merchandise, G. M. (Bud) Brunner reported Friday. Taken in the raid were some pocket knives, scissors, a coffee maker and an electric iron.

Officers had found no trace of the culprits early this week.

Cox Re-Elected, 2 New Aldermen Named Tuesday

Mayor J. E. Cox was re-elected in Tuesday's voting here but two new aldermen were named by city voters. Kelton Shaw and Walter J. Hodel are new aldermen replacing Lloyd Wofford and Joe Holt.

The voting was heavy with a total of 313 votes being cast. Election Judge F. L. Brown said that there were only one or two rushes with the voters coming in pretty steady most of the day.

Cox led the voting for the day with a total of 173 votes to 136 for Arch Crager, his opponent.

With four men seeking the two aldermen posts, Shaw led the voting with 171 votes. Hodel had 158, Wofford 145 and Holt had 144.

Hold over members of the city council are Claude Hammond, J. D. Wood and Lloyd Readhimer.

High Winds Do Damage Here

Winds which reached 60 to 70 miles per hour in gusts, did considerable damage in this area last Thursday, not only to fields but to residences and buildings. The winds were so high that auto traveling was dangerous and a considerable number of automobiles were stranded on Highway 70 between Muncy and Floydada due to the winds and sand. Blowing dust in this area caused many to make the trip to and from Floydada by way of Sandhill.

In fact, the exact velocity of the wind at its height was undetermined here. Weather Observer Joe Holt said. The wind blew one of the cups off his anemometer, the machine which measures wind velocity, about 2 p. m. Thursday and since the wind became higher later in the afternoon, he was uncertain as to how high it did get. The highest mark up to 2 p. m. was 60 mph.

Property damage was observed on a number of buildings in the area. The small ice house building on North Main street was unroofed by the winds. The entire roof was lifted up and laid over against the Medical & Surgical Hospital next door. Damage was estimated at around \$100. The building belongs to the Peoples Ice Company at Floydada. The roof was replaced this week.

The roof at Taylor's Laundry was also damaged in the amount of \$100 with repairs being made this week.

A number of composition shingles were blown from the roof of the First Methodist Church and damage there was estimated at \$75.

The roof of the Main Street Church of Christ was also damaged but the extent hasn't been determined as yet. The roof at Lockney Lumber & Supply was also damaged with the cap tile being dislodged in several places.

The Aiken Baptist Church roof was damaged to some extent and a small outbuilding on the Bob Jarrett farm, north of Lockney was unroofed. A barn on the Leslie Ferguson farm, north of town, was damaged in the amount of \$35.

The porch was blown off the Valea Thomas place, northwest of Lockney and damage there was estimated at around \$250. A big window at the Lockney Cannery building was blown out.

Some damage was reported on the Muncy elevator at Muncy, between Lockney and Floydada.

A considerable number of cotton trailers were blown over and damaged in this area. Drifting sand did some damage to yards in the area, filled roadside ditches and covered fence rows, especially in the dry land area.

Many people were of the opinion that the sand was worse than at any time since 1934.

The extreme drought in this area contributed to the blowing dust. Very little rain or moisture has fallen in this vicinity since August of last year.

Be ye transformed by the renewing of your mind. — Romans 12:2

STRANGE THINGS indeed happen in political battles. Now we have the Texas Farm Bureau opposing the return to 90 per cent rigid price supports while the CIO labor organization is supporting the movement. A bill, expected to come up soon for consideration of the House of Representatives, at Washington would return price supports to 90 per cent of parity. A letter from Bill Hoover, information director for the Texas Farm Bureau, has this to say:

"Proponents of the bill are saying that the reason the 90 per cent supports need to be reinstated is that the present variable support system (enacted last year) is further reducing farm income. As a matter of

fact, the variable supports have not yet become operative and will not be in force until the 1955 harvests. Therefore, it seems reasonable that the variable supports could not have caused a continuation of falling farm income. The burdensome surpluses of farm commodities built up in recent years are the main factors depressing farm prices. These surpluses were built up under the system of high rigid supports.

"Farm Bureau is in favor of reducing these surpluses through expansion of foreign markets and through a more realistic free enterprise system of prices here in the United States. Farm Bureau is in favor of giving variable price supports a chance to reduce the surpluses."

ALSO ENCLOSED was this letter from Robert Oliver, assistant to the President and director, CIO legislative committee:

"Our study of the present farm situation has convinced us that the enactment of this legislation at this time is essential, not only to give farmers a greater equity of income, but also to help bolster the national economy as a whole. The drop in farm income over the last two years has already forced farmers to curtail their purchases of products made in the cities and has unquestionably contributed to the recent high levels of unemployment."

"Moreover, the effect of the difference between price supports at 75 percent of parity and supports at the 90 percent level upon the cost of food is so small that no one, at the most, only infinitesimal — savings will be passed on to consumers under the program enacted last year. On the other hand, by further curtailing farm income it threatens to do city consumers considerably more harm than good by extending the present farm recession and adversely affecting consumer income."

SEVERAL BILLS have been introduced into the legislature at this time requiring the proceedings and financial actions of various executive bodies to be published. We think that these bills should be adopted by the legislature, not in order that the newspaper may be paid for publishing them but in order to keep the public informed as to what is happening in their own county or district. The people have a right to know. This is the way to insure that they have the opportunity to know.

WE HOPE IT PASSES . . .

That's quite a hassle they're

having in Yoakum County about whether or not the commissioners' court should order the county's books audited. Those wanting an audit point to the length of time it has been since there's been one, and those against it are opposed because of

what it'll cost the county.

Now under consideration in the State Legislature is H. B. No. 12, which would require counties to publish proceedings of commissioners' courts. If this bill becomes law, it will prevent such uproars as the one they're having in Yoakum County. It'll even go so far as to help prevent such goings-on as they've been in Duval County for the last few years.

We hope H. B. No. 12 passes. — Post Dispatch.

NEW WATER STRATA IS 'ACE IN HOLE'

Definite discovery and unquestionable proof of a second strata of irrigation water below the red beds appeared this week as a result of the deep test well in the northwest part of Deaf Smith County.

The discovery is important to the people who reside in the area. Furthermore, it is important to all people who reside in the present shallow water irrigation area.

Recent drought years have tapped heavily upon the underground resources of the area. Many people, local and in distant points, have become alarmed over the possibility of draining off the irrigation reservoir. Discovery of the new strata, therefore, stands as a substantial reserve for the future.

If the deep strata is never used it provides a point of consolation to know that 25 to 30 years from now we will have an available strata of water, still at a lower depth than that being pumped from numerous wells in other areas over the nation. — Hereford Brand.

Fire Destroys Feed Stack At Wilfred Stoerner Farm

Fire destroyed a feed stack at the Wilfred Stoerner farm one and one-half miles north of the Providence school Saturday. The fire started from sparks from a welding machine which was being used in the construction of a new all steel barn. Neighbors and the Lockney Fire Department fought the blaze until it was under control. It could have easily destroyed the other buildings because the wind was so high. It happened just as the wind changed to the north west. All the buildings were in line with the blaze. The irrigation well a few feet away furnished enough water to fight the fire. Only a few bundles were saved. Our sincere thanks to the kind neighbors who answered the call and the Lockney Volunteer Fire Department.

Southwest Wheel Inc. Of Lubbock Features Ranger Tilt-Bed Wagon

The Southwest Wheel, Inc., 1501 E. Broadway in Lubbock are distributors in the Southwest section of the United States of truck, trailer and agriculture equipment such as farm wagons and trailers as well as axles and parts. Also tractor rims and dual rims.

This progressive concern which is headed by H. L. Rogers, division manager of the Southwest, who has been identified with the company for over ten years, is now featuring for the agricultural interests of the area the Ranger Tilt-Bed Wagon. This wagon has been gaining in popularity due to its surprisingly low cost and many uses. This wagon can be equipped with a bed for transporting tractors and implements from one field to another, as it is designed to tilt for easy loading, and since grain side boards and cotton racks can be easily installed, makes it ideal for year around use. Also in different parts of the coun-

try, it is being widely used for filling trench silos. With dual tires and heavy frame construction, it is a wagon for every need on the farm.

In discussing their equipment, Mr. Rogers stated: "The Ranger Wagon line has become very popular in farm use. The Ranger is available in both automotive and 5th wheel steering, but 5th wheel type is by far more popular as it eliminates whipping and wobbling, and in addition to turning shorter, can be towed at higher speeds. It is ideal for use with cotton strippers and will carry tremendous loads. The 76" track Ranger 5th wheel wagon will straddle two rows, carries load more steadily by reducing side sway.

The Ranger Wagon line is on display at Southwest Wheel, Inc., and at many dealers throughout this area. Distribution is made through your local dealer who will be glad to show you these wagons and furnish prices.

Tommy Rainer Trucking Company Of Plainview Serves Plains Area Well

Well known throughout the South Plains is Tommy Rainer and his trucking firm located at 114 Columbia in Plainview, who has built an enviable reputation for local and long distance hauling of livestock, farm products, including grain, hay, cotton, and cotton seed, as well as pipe, farm equipment and general heavy hauling.

This popular trucking contractor maintains a fleet of fully insured trucks, his operators are fully experienced and see that their load is transported safely and in the shortest possible time.

Those who have used the trucking service of Tommy Rainer have become regular customers because they know he can be depended upon for the best of service at reasonable rates.

Each year the trucking firms throughout this country have shown increased business. The truck operators and owners throughout the nation not only answer a great transportation problem but employ many people and pay large sums in taxes which are used to build and maintain our highways.

In this 1955 Progress Review we take great pleasure in recommending the services of this

trucking firm to our many readers in Hale and Floyd counties for general and heavy hauling. We suggest that you contact Tommy Rainer Trucking Co., by phone at Plainview 4-5807 or a postcard to the above mailing address which will furnish you with rates and information on his trucking service. We wish for Tommy Rainer and his organization many years of continued success.

Edwards Plastering Gains Prominence For Top Satisfaction

Bill Edwards, plastering contractor, of Plainview, is offering a service to the people of the South Plains that is unsurpassed. The many fine jobs that have been done are in themselves ample evidence of the high esteem which is accorded this plastering firm by the business men and home owners of the area.

The requisites of a certified plastering contractor are (1) A good record of work performed, (2) The ability to complete a contract in the time specified, (3) And a good business and financial record in the area. In these specific requirements Bill Edwards, plastering contractor, qualifies entirely. The many fine jobs of plastering completed in the South Plains area, bear testimony to his firm's ability doing both new and repair work in plastering and stucco.

It is fortunate that we have in this area a contracting organization performing such an outstanding plastering service, and it is with pleasure that we recommend the Bill Edwards plastering firm to our many readers in Floyd and Hale counties in this 1955 Progress Review. Mr. Edwards may be reached by phone at Plainview at 4-5760 or by writing to 400 Bryan in Plainview for estimates and advice without obligation.

Bill Edwards, plastering contractor, has our best recommendations and best wishes for continued success in his chosen field of endeavor.

Bob Caddell Rated Highly For Concrete Work

Offering a concrete contracting service in the South Plains that is highly recommended by his many customers, Bob Caddell, located at 104 South Date in Plainview, is fast assuming a commanding position in his chosen field.

There are certain requirements that the acceptable concrete contractor must have. Among them are a good record of work performed, the ability to pursue a job to its completion with a minimum of delay, and a sound business reputation and financial standing in the community.

In each of these requirements Bob Caddell excels and the many responsible jobs he has completed bear testimony to his

Building Contractor Kelly Harrison Of Plainview Aids South Plains Progress

As a substantial contributor to the progress of the South Plains, H. K. (Kelly) Harrison, (Kelly as he is better known to his friends and associates), located at 1315 Travis in Plainview, has established a well deserved reputation for dependability and efficiency in all types of construction work. For those contemplating either a new home, commercial or industrial building Kelly Harrison is well recognized in the community as among the leaders.

Through the diligent adherence to those factors requisite to the successful operation of a construction business, Mr. Harrison has established his endeavor and office as virtual headquarters in matters pertaining to building. By careful organization he has integrated the efforts of carpenters, construction crews, and the various sub-contractors to form a smooth functioning

building operation from the architect's plans to the completed project.

Those who have enjoyed his above-board methods and valuable service recognize Kelly Harrison for his friendly attitude and his high quality work at low charges whether the contract be on a cost plus or fixed fee basis.

It has always been the policy of Kelly Harrison to provide prospective builders with friendly advice and guidance on the complicated matters peculiar to the business. Over a period of years, Mr. Harrison has built for himself and his organization an enviable reputation for fair dealing and the number of completed projects bearing the H. K. (Kelly) Harrison label speaks well for the abilities of this high-ranking building contractor of Plainview.

Dulaney Auto Parts Offers Savings To Auto Owners Of Plains Area

Dulaney Auto Parts is a twentieth Century economy today in new or used parts for auto, truck or tractor. This economy is made possible because of the large amount of business this company transacts and because of the fact that you do not have to buy a new part every time something goes wrong. For at Dulaney Auto Parts you can buy parts which means a greater saving to you.

Dealing in wrecked and used cars of all makes and models enables this firm to always keep in stock large quantities of automobile parts from late model wrecks which is of great advantage to an owner of a new model car, as well as to their service in carrying parts for the cars several years or more in service. Dulaney Auto Parts will

buy your used or wrecked car or truck and pay top prices for its salvage.

Their big lot and huge display store, located at 311 South Columbia in Plainview, is a veritable treasure house of every conceivable part or accessory for any type or make car.

In this 1955 Progress Review, we wish for Norman Dulaney, as the motivating influence and owner of the firm bearing his name, continued success in his chosen field of endeavor, and suggest to our readers in Hale and Floyd counties that when in need of auto parts or accessories of any type, new or used, a visit to Dulaney Auto Parts of Plainview will undoubtedly fill your needs economically.

him at his above mailing address, and let him figure the job. He is an outstanding concrete contractor who has consistently won the commendation of his clients, and one who well merits continued good will and advantage.

We call the attention of our many readers in the South Plains area to Bob Caddell concrete contractor of Plainview, and suggest that one may have estimates on any job of concrete work, without obligation, by phoning Plainview 4-4551.

No other low-priced car even comes close to matching these important Chevrolet advantages . . .

If you're planning to buy a new car, the one you just can't afford to miss seeing is Chevrolet—for 19 straight years America's best-selling car. The Motorama Chevrolet offers you so much more than the other low-priced cars that it's hardly fair to compare them. And even the high-priced cars don't have all the advantages that today's Chevrolet offers you.

The beauty's built in—not bolted on! Chevrolet's beauty is inherent in the basic contours of metal and glass. There's no excessive bolted-on ornamentation to go out of style overnight.

The Body's by Fisher! You see Body by Fisher on lots of the high-priced cars—and only Chevrolet has it in the low-price field!

Today's most modern engine! That goes for Chevrolet's new V8 and two new sixes as well. All bring you a modern 12-volt electrical system—double the voltage of other low-priced cars. Then Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry!

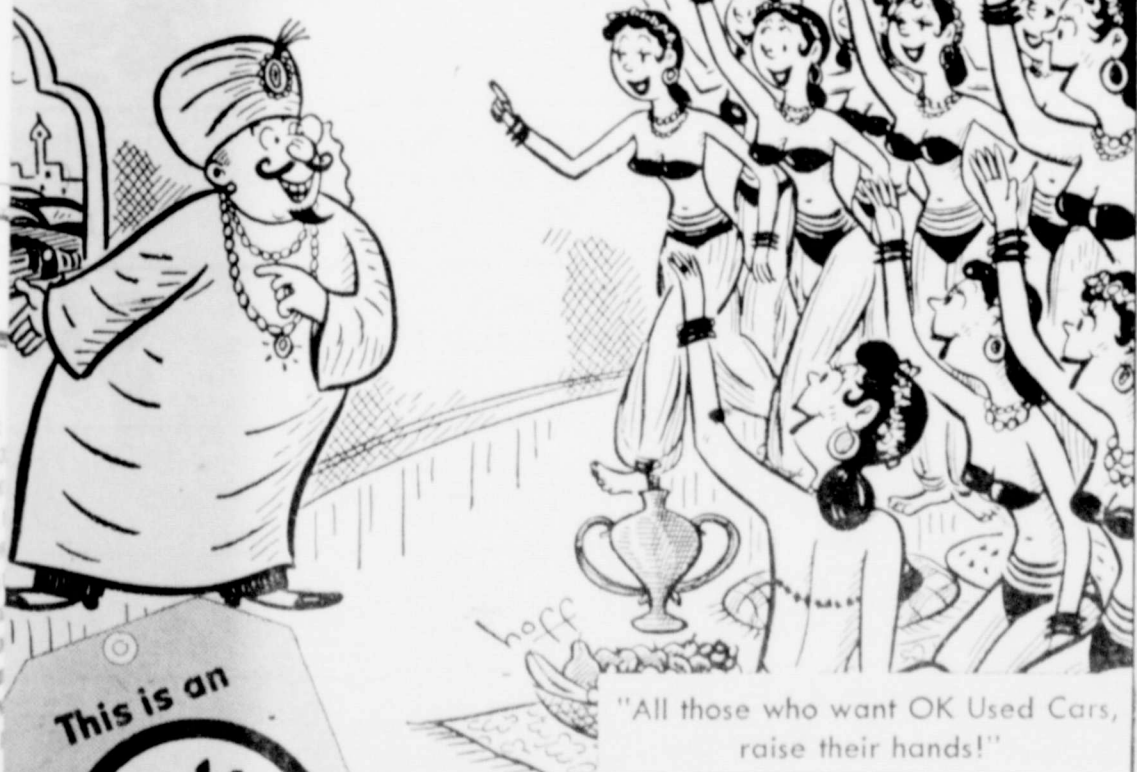

A drive to suit your driving! There's silky, peppery Powerglide (even

better this year!), new Overdrive (both extra-cost options), and a new Synchro Mesh transmission that's as smooth as they come.

All the power helpers you want! Windows, seat, steering, brakes—all are available with built-in "muscles" to make driving as effortless as you wish. They're optional at extra-cost—and worth it!

Come take the key! There have never been so many good reasons why you should drive a Chevrolet!

Over Ten Million Chevrolet owners—Two Million more than any other car!

This is an OK USED CAR

Wives all over want OK Used Cars of their own. It's the low-cost answer to a family's second-car needs. The red OK Tag marks a car that's thoroughly inspected and scientifically reconditioned. You own with pride and drive with confidence because OK Used Cars are warranted in writing!

Local People Attend P-TA Conference

Those from Lockney attending the spring conference of P-TA in Levelland Wednesday and Thursday of last week included Mrs. Bob Miller, local P-TA president. Mrs. Frank Hawkins, Mrs. Clyde Kemp, Mrs. Aubrey Holt, and two high school students, Luther Williams and Carolyn Campbell. Mr. and Mrs. W. C. Irons attended the banquet Wednesday night.

Highlights of the meeting, Mrs. Miller reports, were the workshops in which the youth participated. The entire two-day program was dedicated to youth and was emphasized in the speech made by the state president. Music for the programs was provided by the Levelland schools with numbers from the High School band, organ numbers and boys quartet.

375 people registered for the conference. This number is a considerable increase over the 68 who registered at the annual conference in Plainview last year.

Adult Education Program Gets Grant

Lubbock. — A \$7500 grant has been awarded the Amarillo Adult Education program to permit fuller development of local projects. Dr. Per Stensland, Texas Tech adult educator director, has announced.

The Amarillo grant is the sixth, and the largest, to be approved this year by the Jury on Local Grants under the expanded West Texas Regional Program administered by Texas Tech.

High on the list of Amarillo activities to be financed by the grant will be research into the problems of aging with continuing emphasis on programs designed especially for senior citizens. New discussion groups will also be organized in existing and proposed fields of liberal adult education.

Other grants awarded this year have been to Spur, \$643; Brownfield, \$500; matched by the Brownfield School Board; Pampa, \$1,000; Borger, \$500; and Lamesa, \$500.

Library Notes

April is National Hobby Month. Hobby books will be on display in the Library. To name a few, there are "Home Mechanisms," "Planning your Home Workshop," "How to build your own Furniture," "Week End Painter," "The Good Housekeeping Needlecraft Encyclopedia," "Home Carpentry," "United States Coins," "Pottery Making," "You can Draw Anything," and many others.

The country wide "Use Your Library" contest sponsored by the Andrews Ward P-TA is going big. Next week we will give the names of the students who have

the most votes. The contest runs through April 29.

Twenty-four "Bobsey Twins" books given to the library by Mrs. Ruth Daniel are very popular with the junior age.

Mrs. Ted Oliver of Lockney gave twenty-five books to the library this past week. They will be ready for circulation in a few days.

New books of interest are "The Iron Cradle," by Larry Alexander. This is his own account of his battle against polio. Another is the autobiography of Sam Houston. It was checked out before it could be placed on the shelf. After some of the assignments in school last week, it was evident that the library could use more autobiographies and books on the presidents.

Children at story hour Saturday enjoyed "Five Little Rabbits" and "Baby Jack and the Jumping Rabbit" told by Mrs. Alma Holmes.

Total circulation of books for the month of March was 1701.

PanTech Field Day, Sale Set For April 14

April 14, 1955 is the date set for the Fifth Annual Beef Cattle Improvement Field Day and Sale to be held at PanTech Farms. In the ability to gain test this year are 105 bulls, both Hereford and Angus, which will have been fed a growing ration for 150 days. Results on this test as well as a five year summary will be presented in the morning. These tests are made possible through the cooperation of Texas Technological College, Texas Agricultural Experiment Station, the U. S. D. A. and Northwest Texas Beef Cattle Breeders. At 1:30 p. m., the Third Annual Production Tested Bull Sale will be held in the new livestock pavilion at PanTech Farms.

Berman Thornton, Floyd County Aberdeen-Angus breeder, has three Angus bulls at PanTech which are in the "ability to gain" test.

George Coffee, a Hereford breeder from White Deer, Texas was elected by the breeders as President of PanTech Tested Bull Sale Association. Max A. Blau of Fallett was elected Vice-President. Dr. Frank H. Sims of Pan-

Tech Farms will serve as Secretary and Paul Dauer of PanTech is Treasurer.

Sixty-nine Hereford bulls and four Angus bulls, including a number of herd bull prospects as well as choice range bulls and good farm bulls, will be offered in the Third Annual Sale. The sale order will be determined on ability to gain and conformation grade 90-50. Col. Walter Britten will be the auctioneer.

Field Day activities will begin at 9:00 a. m. April 14, with inspection of the bulls on test. Dr. Frank Sims of PanTech Farms will present a summary of the Beef Cattle Improvement Experiments carried on at PanTech Farms. L. A. Maddox Jr. will discuss the "Extension Beef Cattle Improvement Program," weaning weights and grades as well as selection of replacement heifers and bulls and culling the herd. Dr. M. E. Callihan is to outline and discuss "The American Beef Cattle Performance Registry," a newly organized association in which outstanding production and performance records of cows and bulls will be given special recognition. Mr. John C. Burns, a nationally noted beef cattleman, will give the "Practicality of Research to the Beef Cattle Breeder and Producer."

J. F. Smith, Manager of PanTech Farms said, "The bulls now on feed are older, larger and will grade higher than any group of bulls tested at PanTech Farms. After five years' work at

PanTech Farms, we have decided it makes a lot of difference what kind of bulls we use with our cows. We have consistently gotten heavier calves sired by high gaining bulls than we have sired by low gaining bulls. We believe it must be inherited."

Frank M. Carter, Bill Graham, and Hal Suttle will team up a gain to serve the crowd with the best barbecue known to man at \$1.00 per plate.

NEW ARRIVAL
Mr. and Mrs. Joe Ed Howard of Seal Beach, California are parents of a baby daughter, Melinda Jo born March 27 weighing 8 lbs., 1 oz. Mrs. Howard is the former Opal McMinn of Lockney and Mr. Howard is the son of Mr. Homer Howard, former postmaster here.

It's Performance That Counts!

In his car CAPTAIN ROGER DON RAE uses FLITE-FUEL containing the Super Aviation fuel component Di-isopropyl!

"I fly one of the new Super-G Constellations for Trans World Airlines. Of course, I am familiar with Phillips 66 Aviation Gasoline because TWA uses it regularly. It's the Avgas with added Di-isopropyl.

"Now Phillips is putting Di-isopropyl in its automobile gasoline, too. New Phillips 66 FLITE-FUEL is the only automobile gasoline with added Di-isopropyl. I use FLITE-FUEL regularly in my own car, and I always get wonderful performance."

LOWEST-PRICE CARS

IN "ALL 3" TO GIVE YOU ALL THIS IS PLYMOUTH

TOP SIX

The *thriest, smoothest* six in the low-price 3—that's Plymouth's Power-Flow 117! Its high compression ratio, combined with exclusive Chrome-Sealed Action, gives you more power from less gas, and velvet-smooth performance. You'll enjoy lightning acceleration, thanks to a special metering system in the carburetor. And the PowerFlow thrives on regular, not premium grade, fuel.

TOP SIZE

The *biggest, longest, roomiest* car of the low-price 3—that's Plymouth! Brilliant new *Forward Look* styling gives you more glamor outside, more luxury inside; plus the new Full-View windshield, swept back to give the greatest visibility in the low-price 3. And Plymouth's big size means you and your passengers will enjoy the smooth, steady ride that only a truly big car can give you.

TOP VALUE

Plymouth is the only low-price car to give you all this extra value features as standard equipment: Safety Rins, shield wipers, Safety Rins, an independent parking brake, "All-Weather" floor mats, Oilite fuel filter and cleaner for lasting economy, drive a Plymouth today—your best buy low price car!

WHY PAY UP TO \$500 MORE FOR A CAR SMALLER THAN PLYMOUTH?

Don't be fooled by the claims of so-called medium-price cars that they cost practically the same as Plymouth. When you compare price tags you'll find that, *model for model*, Plymouth sells for much less than medium-price cars, and gives you more car for your money!

South Plains Soldier Is In Japan

Beppu, Japan — Cpl. Bryan M. Smitherman, son of J. B. Smitherman, South Plains, Tex., recently participated in Operation Tomahawk, an Army-Navy airborne maneuver in Japan.

His unit, the 187th Airborne Regimental Combat Team, parachuted to its target and simulated the capture of an airfield and the destruction of a missile launching site. The troopers then withdrew to the seashore for evacuation by the Navy.

Smitherman, a rifleman in Company G, entered the Army in February 1953 and has been with the team 14 months.

Floydada Rites Held For Pioneer Woman

Floydada. — Funeral services were held at 2:30 p. m. Sunday for Mrs. Mary Alice Watson, 93, one of Floyd County's oldest residents.

Mrs. Watson, who came here with her husband, the late R. C. Watson, in the early 1920s, died about 1 p. m. Saturday at Pitts Hospital here after a two-weeks illness.

The Rev. T. W. Condon, pastor, officiated at services in the Floydada Presbyterian Church.

Assisting was the Rev. Tilden B. Armstrong, pastor of the Floydada First Methodist Church. Burial was in Floydada Cemetery under direction of Harmon Funeral Home.

Born in Alabama, Mrs. Watson was married in 1875. She and her husband later settled in Hill County, then moved to West Texas in 1911. They settled first in the Mount Blanco Community near here, later moving to Floydada.

Mrs. Watson was a member of the Presbyterian Church. She is

survived by two sons, W. C. Watson of San Angelo and O. M. Watson Sr. of Floydada; four daughters, Mrs. J. R. Evers, Mrs. B. E. Neil, Mrs. Fred Battey and Mrs. C. N. Battey, all of Floydada; 13 grandchildren and 28 great-grandchildren.

The Story of Good Friday

Don't stop reading this article before you have read the next five paragraphs. At that point we want to ask you a question. But first a quotation from the Bible:

"He is despised and rejected of men, a Man of sorrows and acquainted with grief; and we hid, as it were, our faces from Him. He was despised and we esteemed Him not.

"Surely, He hath borne our griefs and carried our sorrows; yet we did esteem Him stricken, smitten of God, and afflicted.

"But He was wounded for our transgressions; He was bruised for our iniquities; the chastisement of our peace was upon Him, and with His stripes we are healed.

"All we like sheep have gone astray; we have turned, everyone to his own way; and the Lord hath laid on Him the iniquity of us all."

So far the quotation. Now the question: Who wrote these words and when were they written? Surely, they sound as though they were written by a man who had stood at the cross of Christ. Yet the fact is that they were written by the prophet Isaiah some 750 years before Christ was born!

This and scores of other prophecies of the miracle of Good Friday are proof positive of the divine Lordship of Jesus Christ and of the genuineness of His atonement. Have you earned to know Christ as the Son of God, your Lord, and your Redeemer?

Insurance lets you take your choice

Would you rather spend a little that you can afford, each year — or take a possible whopper of a loss that may darn near ruin you, someday?

Insurance lets you pay out a little every year, to protect you against losing maybe everything you own or more—on one sad, unfortunate day — by fire, storm, burglary, personal accident, or a damage suit.

You can budget insurance cost—but you can't budget a fire or a hurricane or a big damage suit.

Let us tell you how little it costs you to protect yourself with America Fore policies against possible terrific losses.

THE 100-MILLION-DOLLAR LOOK!

CHRYSLER WINDSOR DELUXE V-8 4-DOOR SEDAN

A motorcar named TERRIFIC!

Take the word of the many thousands who have been switching to the beautiful Chrysler Windsor Deluxe V-8 — There's an excitement about this stunning new car that's contagious. You'll feel it at the wheel. Your passengers will feel it. And those who watch you flash by will feel it, too!

You'll be absolute master of eighteen feet of sleek and stunning new motorcar styling. And it's a lot more than just a new look . . . it's a thrillingly different look from anything else you'll see, no matter where you drive.

By measurement, Chrysler is inches lower than other big cars. It's longer than ever—a breathtaking sweep of tailored steel that, even at rest, suggests pure motion.

You sit behind the only windshield that "wraps around" both top AND bottom to accent the car's look of forward motion. And it's this sweptback design that makes Chrysler's Super-Scenic Windshield the safest to see out of!

The wonders never cease, especially when you start driving. In the Windsor Deluxe with its brilliant new Spitfire V-8 engine, or the 250 hp New Yorker Deluxe . . . and with PowerFlite automatic drive . . . you get a head start that's for keeps. And no other car in the world gives you Full-time Power Steering or bigger, smoother, safer Power Brakes!

Your Chrysler Dealer wants to show you the biggest dollar-value car on the road today. Stop by soon for the greatest motoring experience ever. Ten-to-one you'll call it "Terrific!"

CHRIST AROSE

by Luther Williams
 "I am the resurrection, and the life," John 11:25.
 Yes, Jesus is the resurrection and the life for all mankind. When Jesus was taken to the cross, they said to him: "If you be Jesus, Son of God, save yourself," but instead of saving himself he died for you and me so that we believing in him shall have everlasting life.
 What great love this great man

showed toward all people! Why can't we during the Easter Holidays and for the rest of our lives, show a little more love toward our fellowmen, and in so doing help do our part to unite the world in love.

WHOZIT

The lady is under the spotlight. She is a prize no one can beat. A senior is her rank. And her acquaintance is such a treat.

She is a member of the Honor Society. And in the F. H. A. too. You will know her when you see her. Because her red light shines for you.

Edna Morris, a member of the National Honor Society, FFA, and office girl.

She has been a member and worked with the Tri-Hi-Y and Library Club, and was elected class personality. Edna is sponsored by Mrs. W. C. Irons, Lockney Homemaking teacher.

The Senior Play

People rolled in the aisles as the seniors presented "Off the Track" Friday night.
 We, the seniors, would like to thank everyone that helped to present the play. Especially do we want to thank the Ft. Worth and Denver Depots at Sterley and Lockney; the Santa Fe Depot at Lockney and the First Baptist Church.
 Also we would like to thank Miss Johnnie Barnhart and Mrs. Roland Zeigler for acting as our directors. Lerel Foster and Donald Pigg for the sound effects and Frankie Sparkman as prompter. We cleared over two hundred and sixty dollars.
 Thanks again to everyone.

Sophomores Honored With A "Sandy" Progressive Dinner

by Shirley Warren
 The senior class of '57 was honored with a Progressive Dinner Party March 31. The dinner was held at the following homes: appetizer, J. C. Kemp; salad, Raymond Rucker; main course, R. H. Ford; desert, Hilburn Casey. Twenty-six class members, sponsors, and class room mothers attended. We want to express our thanks to the mothers that helped.

 Our prayers and best wishes go to Loy O'Brien for a speedy recovery from an appendix operation. Get well soon!
 Did you attend the Senior play Friday night? If you didn't you missed a lot of laughs. Too bad we are losing so many good actors.
 The doors marked "PULL" reduce the speed of those who push before they read—William W. Pratt.
 Our congratulations go to some hot tennis players who won blue ribbons at a tennis meet at Lubbock. The group winning the ribbons were: Buck Ford and Boyce Carthel, Senior Boys doubles; Jerry Mickey and Dickey Barton, Junior boys doubles; and Mary Myers and Betty Jean Foster, Senior girls doubles.
 Hurrah! Hurrah! Aren't you happy too? We, at last, have a Student Council. The first in L. H. S.; so doesn't that make you feel good to be a part of it. If it does let's get behind it and push it to make this Student Council the best in the state. Okay!
 I hope every one has a very merry Easter.

Gospel of Christ

MAIN STREET CHURCH OF CHRIST
 THOS. McDONALD
 Preacher

IS PAGEANTRY PIETY?

Those who judged the religion of Jesus Christ by its "wrappings" turned it down flatly, and were the losers. When the apostles began to preach in Jerusalem, they were considered "ignorant and unlearned men." Acts 4:13. All the representatives of the true religion of Jesus Christ and of the simple doctrine of salvation were faulty men. Many were uncultured and unlettered men. Those sons of Egyptian slaves were notably poor and unpopular with the world, and were often stoned and imprisoned. Men rejected them, the very ones Jesus had accepted.

They even rejected Christ because he was a carpenter and never dreamed that he was a representative of Heaven. They looked for streaming banners, flowing robes, blaring trumpets and pretentious display to hail their king. When he came without these things, they rejected the message of Heaven he brought. People simply could not conceive of a man who "hath not where to lay his head" being able to provide heavenly mansions for them. They were not ready to follow this homeless man, nor to believe he could or would give them the things they needed. Those people simply made the blunder of judging after the flesh, and lost out by doing so.

Anyone conversant with the New Testament can plainly see that showy and pretentious display is directly contrary to the nature of the meek and lowly Christ and his modest followers. The cause of Christ has never been showy or pretentious. The first and biggest congregation of the church of Christ in the world, the Jerusalem church, did not even own a meeting house, so far as the inspired record shows. They seem to have met in Solomon's temple for worship, Acts 2:46, and groups assembled in private homes, Acts 12:12. Many people who judge a religion by its buildings would have missed the New Testament church in Jerusalem altogether.

Often people believe that a certain church or doctrine must be right because some preacher, with high-sounding title and wide recognition, is affiliated with it. There were not any high titles among those men in the church Jesus established. He said to his ministers: "All ye are brethren." He warned them to reject titles. "Be not ye called Rabbis for one is your teacher, and all ye are brethren. And call no man your father on the earth: for one is your Father, even he who is in heaven. Neither be ye called masters: for one is your master, even the Christ." Matt. 23:8, 9, 10.

Even immoral people were found in the true church occasionally. 1 Cor. 5:1. In one church, members were involved in law suits and legal squabbles with each other. 1 Cor. 6:1-8. But to judge the merits of a doctrine by such people in the church would be to reject the church of God and the doctrine of Christ.

You cannot judge a book by its cover. Neither can you judge the worth of the church, its doctrine or its soundness by the eloquence, fame, or popularity of its proponents. They may with "smooth and fair speech beguile the hearts of the innocent." Or like Paul, they may come, "Not with excellency of speech or of wisdom, proclaiming the testimony of God . . . that your faith should not stand in the wisdom of men, but in the power of God." 1 Cor. 2:1-5. Do not depend on the "wrappings," but look at the goods!

The church of the Lord has always been plain, simple and without display. Paul feared a departure from this simplicity. 2 Cor. 11:3. Attend the church of Christ near you. Find that simplicity and hold it fast. — Selected.

RAINY DAY

Naturally, they're pleased about it—it's their first bank-book. This is something they've managed together. They've saved for the things they want, and also for that "rainy day."

It's wise to save for a rainy day. But it's also wise to remember that drought can be just as devastating as rain . . . particularly spiritual drought.

Faith is the balance you'll find in your spiritual bank-book. It is something that you can renew, something that you can add to, and something that will pay you immeasurable dividends. Where else can such faith be renewed and developed than in the House of the Lord—your Church?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Lockney Freshmen And Junior High Wins At Floydada

The Lockney High School Freshman track team and the Junior High school track team swept both ends of a three-way track meet at Floydada Friday afternoon. Olton, Floydada and Lockney boys were in the meet.

The young Longhorns racked up 42½ points to runner-up Olton's 28½ in the junior high competition, then outscored the same team 51-24 in the freshman class. Host Floydada scored 26 and 19 respectively.

Only in three events in the junior and two in the freshman did Lockney athletes fail to finish first.

Times in the running events were slow, principally because of the high winds which swept across the track all afternoon.

Junior High
