

# The Lockney Beacon

SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 54

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, JUNE 23, 1955

NUMBER 11

## Lone Star Takes League Lead

The Lone Star Golden Spread team took the lead this week in the Lockney Softball League. They won two and lost none the past week to jump ahead of the Floydada team which was leading last week. One of the G. S. wins was against the Floydada team.

Floydada and South Plains are tied for second place in the league and Silverton is running a close third.

On last Thursday night South Plains defeated the Gulf Service boys 15 to 8. Vaughn was the losing pitcher and Wilson the winner. Also on Thursday night Golden Spread defeated Hammond & Co. 12 to 2. Pitchers were Farish for G. S. and Davis for Hammond.

On Friday night the Golden Spread took another win, this time walloping the league leaders, Floydada, 20 to 7. The Lone Star boys started slow but wound up scoring nine runs in the fifth and sixth innings. Farish was again the winning pitcher and Vinson the loser.

On Tuesday evening the Gulf Service boys defeated the Lone Star Co-op 8 to 6. The Gulf boys scored 5 in the sixth to take the win. Vaughn was the winning pitcher and Tieman the loser. It was a close game all the way.

Also on Tuesday night South Plains defeated the Fire Department 9 to 7. The score was tied at 2-2 through the fourth inning. South Plains broke loose for 7 runs in the fifth and Fire Department came back with 5 runs in the seventh but the rally was cut short. Archie Bybee was the losing pitcher and Wilson was the winner.

Following is the league standing:

| Team            | W | L | Pct. |
|-----------------|---|---|------|
| Golden Spread   | 4 | 1 | .800 |
| Floydada        | 3 | 1 | .750 |
| South Plains    | 3 | 1 | .750 |
| Silverton       | 2 | 1 | .667 |
| Gulf Service    | 2 | 2 | .500 |
| Fire Dept.      | 2 | 3 | .400 |
| Lone Star Co-op | 1 | 3 | .250 |
| Hammond & Co.   | 0 | 5 | .000 |

Following is the schedule for the coming week:

Thursday night: Golden Spread vs. Lone Star Co-op, Hammond vs. South Plains.

Friday night: Gulf Service vs. Floydada, Fire Department vs. Silverton.

Tuesday night: Golden Spread vs. Gulf Service, Hammond vs. Fire Department.

## 4-H Workshop To Be Held

There will be a Clothing Workshop for the Lockney 4-H Club Girls in the Homemaking Department in Lockney High School on June 29 and 30. The meeting will be from 1:00 to 4:00 p. m. on the 29th, and from 9:30 a. m. to 4:00 p. m. on the 30. This workshop is especially for 4-H Club girls who have problems in sewing. To attend this workshop the girls must be eligible to enter the District Dress Revue. There will be another workshop for the other girls next month.

Girls are requested to bring the following equipment: scissors, needles, thimble, pins, tape measure, thread, zipper, belting and material to cover it, pencil and paper, and a sack lunch for noon, Thursday, the 29th.

"Let's try to make this a good clothing workshop by having a good attendance," Mrs. Harriette J. Brummett, Floyd County Home Demonstration Agent, said.

## C. B. Smart Jr. Sails For Germany

C. B. Smart Jr. sailed Saturday, June 1, from Kenmore, New Jersey for Germany where he will serve his overseas duty. He has been in the service for the past 14 months. He was stationed at Ayers Base near Boston, Massachusetts, before he was shipped out. His wife, the former Arleta Orr, was there with him and she is living in Roswell now with her mother.

## FCFB Queen Contest Committee To Meet

The committee for the Floyd County Farm Bureau Queen Contest will meet Thursday, June 30, at 3:30 p. m. in the county court room. Each sponsor and its contestant is asked to please attend. W. R. Puckett, service agent, will be present to give some pointers on the contest. Jack McIntosh, master of ceremonies, and Chester Carthel, president of the Floyd County Farm Bureau, will also be present.

First and second place winners will each receive \$25 and tuition to the state institute. The other contestants will each receive \$5.

The Texas Farm Bureau Institute will be held July 31 through August 3 at the Baker Hotel in Mineral Wells.

Miss Betty Sams, daughter of Mr. and Mrs. Garland Sams of Lockney, is a new contestant and will be sponsored by the Lockney Chamber of Commerce.

## Dodgers Keep Up Pace In League

The Dodgers kept their perfect record clear the past week in competition in the Lockney Little League but barely maintained their lead over the Yankees who have only one loss in seven games. The Red Sox still hold third place and the Giants, Indians and Cardinals following in that order.

On last Thursday evening the Yankees won over the Cardinals in a high scoring game, 20 to 13. Kent and Carthel pitched for the Yankees while Davis and Keller pitched for the Cards.

On the same evening the league-leading Dodgers defeated the Giants but the score book was lost and The Beacon could not find out the score.

On Friday evening the Red Sox whammed the Cardinals 22 to 3. Rhudy Naylor was the winning pitcher while Davis was the loser.

Also on Friday evening the Yankees defeated the Indians 8 to 2.

On Tuesday evening the Yanks and Red Sox tangled in a close game with the Yanks barely edging their opponents 7 to 6. Carthel and Kent were pitchers for the Yanks while Mangold and Naylor were on the mound for the Red Sox.

Another close game the same evening saw the Giants defeat the cellar-dwelling Cards 8 to 6 in a good game. The Cards scored four in the sixth but were not quite able to overtake their opponents. Pitching for the winners were Wofford and Mosley and for the losers were Davis and Keller.

Standing of the league is:

| Team      | W | L | Pct.  |
|-----------|---|---|-------|
| Dodgers   | 6 | 0 | 1.000 |
| Yankees   | 6 | 1 | .857  |
| Red Sox   | 4 | 3 | .587  |
| Giants    | 3 | 4 | .441  |
| Indians   | 1 | 5 | .167  |
| Cardinals | 0 | 7 | .000  |

Schedule for the week is:

Thursday night: Cardinals vs. Indians, Dodgers vs. Yankees.

Friday night: Dodgers vs. Indians, Giants vs. Red Sox.

Tuesday night: Dodgers vs. Cardinals, Red Sox vs. Indians.

## Local Girls To Grand Assembly

Twelve local girls left Tuesday for El Paso where they will attend the Grand Assembly. Order of the Rainbow for Girls. Voting delegates for the group are Katie Rucker and Gail Kellison. Betty Jean Foster, Miss Rucker, and Miss Kellison will all receive their Grand Cross of Color.

Those making the trip were Misses Betty Jean Foster, La Juan Henderson, Mary Katherine Ford, Mary Ann Marble, Gail Kellison, Hope Cox, Loy O'Brien, Gayle Rucker, Lynn Jolly, Sonny Lawson, Lahoma Rowell, and Katie Rucker. They will return Saturday.

Mickey Jones returned Monday from a week end trip to Dallas where he visited with his parents, Mr. and Mrs. Roy E. Jones, formerly of Lockney.

## New C-C Manager Assumes His Post

C. W. (Dick) Whiteley, newly elected manager of the Lockney Chamber of Commerce and Board of Development, has assumed his duties here and moved his family to Lockney Monday. Mr. Whiteley is setting up a Chamber of Commerce office in the Wanda Baker Building, two doors south of The Beacon office.

Mr. Whiteley spent last week attending a course in "Community Leadership" at Texas Tech. It was taught by Dr. Pen G. Stensland.

Mr. Whiteley said Wednesday that he was spending the week trying to get the feel of his new job and becoming better acquainted with the community and its people. He has been talking some about the current project of increasing truck farming in the area. The Chamber also plans to take up a house numbering project soon.

Officials, directors and several invited guests of the Chamber will meet in the monthly directors meeting Friday evening of this week at the high school cafeteria. Mrs. Whiteley and several other women will be guests at the meeting.

## Sandhill Man Dies Tuesday

Garland A. Rhea of the Sandhill community passed away in the Lockney General Hospital at 3 p. m. Tuesday after a short illness. Mr. Rhea had been feeling badly for several days. He entered the hospital Monday night. Cause of death was reported to be leukemia with pneumonia complications.

The body was carried Wednesday by Carter ambulance to Pleasant Hill, Arkansas where funeral services are scheduled to be held at 2 p. m. Thursday. Burial will be in the Pleasant Hill cemetery.

Mr. Rhea was a member of the Sandhill Baptist Church. He and his family along with other members of the church came to the First Baptist Church here Sunday evening where they had baptismal services. Two of his children were baptized at that time.

Mr. Rhea and his family had lived in the Sandhill community for the past five years. He had been employed on the Lynn Miller farm for a year and a half. They came from Arkansas in Nevada County, Arkansas.

Survivors include his wife, four children, Nelda Jean, age 15, Eddie G., age 10, Dina Jane, age 6 and Andy, age 3; his parents, Mr. and Mrs. A. R. Rhea of Magnolia, Ark., one brother, Douglas Rhea of Waldo, Ark., and two sisters, Mrs. Buford Butler and Mrs. Vernon Williamson of Wichita Falls.

Members of the family and the deceased man's father-in-law, Dale Stringer of Sandhill, accompanied the body to Arkansas. Mrs. Stringer was physically unable to make the trip.

## Foster, Kemp To Methodist Assembly

Miss Betty Jean Foster and Jay Kemp will leave next week end for Abilene where they will be delegates to the 39th annual youth assembly. It will be held at McMurry College. Some 400 delegates are expected to attend the meetings from June 27 to July 2.

Spencer for the assembly will be Rev. Howard W. Ellis, director of the Joint Department of Youth Evangelism of the General Board of Education. The theme is "To Do What Thou Wouldst Do," taken from the theme hymn, "Breathe On Me Breath of God."

## TO EDINBURG

Lester Green left Tuesday for Edinburg where he will be employed with the Whittenburgs for the summer. He will return here in early fall and will be connected with the local girls this fall. Mrs. Green and baby will remain in Lockney.

## Fair Directors To Meet Thursday

The directors meeting of the Floyd County Fair Association will be held in the high school cafeteria Thursday evening at 8 p. m. There will be a business meeting after the meal has been served.

All the directors are urged to be there and to bring their wives and husbands with them. Invitations have been sent out, but there was an error made. The meeting will be Thursday, June 23 instead of Friday, June 24.

## Death Claims Louis Steele

Louis Richard (Red) Steele died suddenly about 10 a. m. Tuesday on the Jimmy Hotel farm west of town where he was employed. Mr. Steele had been feeling badly for two or three days, friends said. He was sitting at a table drinking coffee when he slumped over. He was rushed to the Lockney General Hospital here but was beyond aid. Doctors believed that he died when he collapsed. He had been in ill health for some six months, suffering with a heart condition.

Funeral services will be held at 10 a. m. Thursday at the Carter Funeral Chapel here conducted by Earl Cantrell, Church of Christ minister from Rock Creek. Burial will be in the Lockney cemetery.

Mr. Steele was born November 20, 1899 in Limestone County, Texas. His parents, the late Mr. and Mrs. J. D. Steele, moved to Oklahoma when he was one year old. They later lived here from 1907 to 1913.

He was employed as a cook in a cafe at Altus, Oklahoma for a number of years but moved to Lockney from that city in 1935. Since that time he had engaged in farming.

He was a veteran of World War II and was a member of Lockney American Legion Post No. 141.

He was married at Clovis, N. M. in 1948. His wife, Mrs. Ann Steele, who has been living in California, was due to arrive Wednesday night to attend funeral services, relatives said.

Survivors include his wife, one sister, Mrs. W. A. Carthel of Lockney; two brothers, Tom Steele of Oklahoma City and J. C. Steele of Altus, Okla. Also surviving is a nephew, Donald Steele, whom he helped to raise. Donald is a former resident of Lockney but now lives in El Paso.

Pallbearers will be his grand nephews, Leroy Harrison, Kelly Harrison, Bobby Carthel, Gary Carthel, Thos. William Ritchey and Royce Carthel.

## Jimmy Howell At Children's Camp

Jimmy Howell, son of Mr. and Mrs. Horton Howell of the Sterling community, is attending the Lion's Crippled Children's Camp, 3 miles south of Kerrville. He was carried to the camp Sunday by E. C. Mitchell, a member of the Lockney Lions Club, accompanied by Mr. Howell.

Jimmy will spend two weeks at the camp and is being sponsored by the Lockney Lions Club. Fun, recreation and rehabilitation are features at the camp.

The camp is free to handicapped or crippled children 7 through 16 years of age. Applications are accepted only through local Lions Clubs.

The Texas Lions Camp now has 12 buildings of permanent construction on its 504 acres of rolling Hill Country land, and with its staff of approximately 60, this provides adequate facilities and camp staff to properly serve 100 boys and girls each session. Having 6 sessions, it will be able to accommodate 600 campers during this summer.

Mr. and Mrs. Ray Ashton traveled to McKinney Wednesday to attend the funeral of Ray's brother-in-law, J. W. Lindsey, who was killed in a car wreck.

## STORM DAMAGE WILL TOTAL 1/2 MILLION DOLLARS IN THIS AREA

A survey among insurance people of Lockney made Wednesday indicates that the damages resulting from the severe hail and wind storm of Saturday night and the heavy rain storm of Sunday night will total if not exceed a half million dollars in the Lockney area.

Some estimates ran the total up to \$600,000 and \$700,000. Many damage claims are yet to be adjusted as adjusters and insurance men both have been swamped this week. It will require several weeks probably to work out all the adjustments.

The storm struck an area ranging from the Providence community on the north to the Sandhill community on the south and running from Lockney westward to a point between Aiken and Plainview. Damage varied considerably but in a big part of the area crops were completely wiped out and houses and buildings badly damaged.

## Damage Here High

In the Lockney city limits alone damage to residences and business buildings will exceed a quarter million dollars, insurance men say. It may run as high as \$300,000. Large golf ball size hail stones and a driving wind

## Issue Warning On Itinerant Contractors

Insurance men this week warned local home owners as well as business men that they should be wary of itinerant roofing contractors who are here today and gone tomorrow. Some instances of an out-of-town man doing a quick job, getting his money and leaving town before the building owner found he had been cheated are already being quoted. They warned that the owner should make sure he is dealing with an established firm who is capable of doing a good job before he signs a contract.

knocked out windows on the north side of probably 75% to 90% of the residences within the city as well as ruining about the same percentage of roofs. The large hail stones beat the screens off windows and then knocked out window panes. Most every house with exposed windows on the north side suffered such damage.

Insurance adjusters were giving 100% roof damages to many residents of Lockney. In fact damages or less than that amount were in the minority. The hail damages appeared to be heavier in the western part of the city and in the area west of town.

Business buildings, churches and school buildings also suffered heavy damage in the storm. Business building roofs were destroyed in some instances and heavily damaged in others. Some 75 large window panes were knocked out on the north side of the First Baptist Church, all the stained glass windows on the north side of the Methodist Church were destroyed. 91 panes were knocked out at the "Whitey" Baccus Motor Co. here and most windows on the north of the Lockney Auto Co. were destroyed. Windows on the north of the Masonic Hall were destroyed as well as those in the Baker Hotel and the Rose Rooming house.

Supt. W. C. Irons said Tuesday that 12 buildings belonging to the school were all damaged with roof damages running into thousands of dollars. Window damages in the school buildings were light compared to damage to roofs. Insurance will take care of a big part of the school loss but the district will have to absorb a part of it, Mr. Irons said. Every roof on the school buildings will either have to be repaired or replaced. The same is true of most business building roofs in the city.

## Crop Damages Heavy

Damages in rural areas were equally heavy. Crop damages will probably run between \$100,000 and \$200,000 dollars, insurance men say while damages to farm homes and out buildings will run equally as high. Many farm homes also suffered broken windows and ruined roofs, and

some had water damage when the occupants were not at home to clean up after the storm.

The roof on the big Panhandle Compress west of Lockney was badly damaged in the storm. In fact the heaviest part of the hail seemed to fall in this area just west of the city. That and an area around Pleasant Valley and east of Sandhill suffered the most severe beating.

The Frank Hawkins home, owned by the compress suffered considerable damage since the Hawkins family was gone to California on a trip. Other homes suffered similar damage when the occupants were away.

## Many Autos Damaged

An item overlooked by many is the heavy damage to automobiles which were sitting out in the storm. Bodies were badly dented and windshields and door glasses were broken in numerous instances. Probably more than 100 cars were damaged although adjusters as yet haven't had time to look at the car angle to any degree.

R. M. Harden, who lives a mile west and two miles south of Providence, said Monday that he received four inches of hail and about the same amount of rain Saturday evening. "The hail cut my hay closer than a mower would have," he said. He also lost two whole windows out of his house and his roof damage was about 90% he said. In addition he received another four inches of rain Sunday night which completed the destruction of his crops.

W. O. Whitehead had a wheat crop that lacked four weeks in maturing. It is now as flat as the floor, he said.

The Providence Lutheran Church had considerable damage to windows and interior also.

L. F. Brandes of the Providence community received no hail but lost a registered black Angus bull, which was killed by lightning Saturday evening. The bull was in a herd of 40 head of cattle but was the only one hurt. The heavy rains on Sunday evening hurt his crops, he said.

The storm apparently moved southward and a little east starting in the northwestern part of Floyd County, the main part passing this side of Aiken with Lockney being in the eastern edge of it, and on to Pleasant Valley and into the area east of Sandhill.

Joe Rogers, farming one mile north of Barwise and 3 1/2 miles south of Irick, had some damage but will leave his cotton. W. O. Stuart, in the same vicinity, had an inch and a half of rain both Saturday and Sunday but just a little hail. His crops were damaged 10%, he said.

Lynn Miller of the Sandhill community lost 20 head of sheep to the hail storm and Lon Davis Jr., farming south of Sandhill had his crops badly battered. In the center of the storm area crops were literally wiped out.

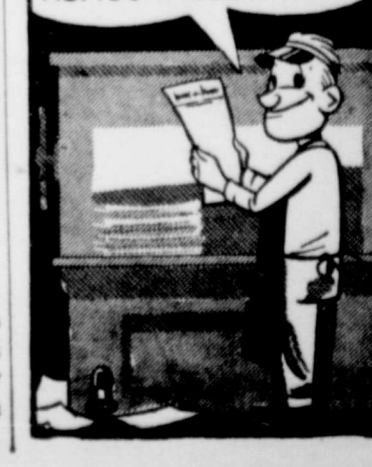

## Twister Reported

What was believed to have been a tornado did some damage in the area between Aiken and Plainview and on the Floyd Terrell place at the western edge of this county, southwest of Lockney. A concrete block house,

PRINTED. I DID THEM FOR  
HIM... FAST, AND RIGHT  
REASONABLE, TOO!

On Wheat  
Age Control  
Be Saturday

County farmers will join the nation in voting this week on whether marketing quotas will be in effect for the next two-thirds of the year. Two-thirds of the voting must favor the measure to be in effect. Officials said.

Voting places will be at the Lockney office of the Lockney Beacon. One of the voting places will be at the Beacon office in Cedar Hill. The other will be in the ASC Floydada.

Officials said.

Shirley Irwin, Lockney, Harry Hartman, alternate.

Clarence Reddy, alternate.

Milton Harrison, alternate.

A Jarboe, alternate.

Billie Ed Whitson, alternate.

J. R. Belt, alternate.

Rucker, alternate.

will be open from 8 a. m. to 7 p. m.

marketing quotas are price supports will be available to the farmer who has his acreage allocated between 75 and 90 percent of parity. The price support for Floyd County will be around \$1.65. ASC officials said.

marketing quotas are acreage allotments remain in effect as the basis for support eligibility and supports at 50 percent of parity will be available to those who comply with their acreage allotments. At 50 percent the supports will be about \$1.06 in parity.

eligible to vote includes the landlord, tenant or cropper, who will have a 15 acres or more wheat, the producers wives are eligible to vote.

Texas ASC Committee out that wheat acreage allotments are not being voted regardless of how the vote in the referendum, acreage allotments will continue in effect. They may be dispensed only in time of emergency, the committee.

committee points out that supplies are now 66 percent more than the normal supply and large enough to meet needs for domestic use and export for the next two years. Marketing quotas, by law, will be proclaimed by the Secretary of Agriculture when the supply of wheat exceeds normal supply by 20 percent.

## League Officials Ask For Donations

Tom Moore, manager of the Lockney Little League, this week asked anyone who felt able to make a small contribution to the league expenses so that it could finish out the season without debt. Cost of balls and bats is the big item in the operation of the league at present. plus some fill-in equipment purchased along. The several hundred dollars contributed by people of the area early in the season has been spent for uniforms and equipment.

Moore emphasized that officials of the league didn't want to impose on anyone but thought that some would be glad to donate some money to keep the league in good shape. Contributions may be made to Tom Moore, R. L. Knox or to the managers of the various teams.

In addition to buying uniforms and equipment, two bleachers have been built for the new field. The back stops were built without cost as 600 feet of pipe and 600 feet of 5-foot chicken wire was donated by men interested in the league.

## Crowder Family Coming Monday

The Lockney Fire Department will sponsor the appearance here on Monday night of Little Joe and the Crowder Family Show. A television feature seen by many people of this area. The show will be presented at the high school auditorium starting at 8 p. m.

Admission of 30 cents and 60 cents will be charged. The program is one of the most entertaining seen here and Fire Department officials are expecting a large crowd.

## Minute Editorials

Now the God of hope fill you with all joy and peace in believing, that you may abound in hope, through the power of the Holy Ghost—Romans 15:13.

WRITING MONDAY, it is difficult as yet to estimate the amount of damage this country suffered from the disastrous hail storm of Saturday evening. Yet all indications are that it was the worst to hit this area in 30 to 40 years. Many old timers have stated that they never seen

a more destructive hail storm. It seems that June 18 through 21 is a Jonah for this area. It was two years ago just about that time when a rain followed by hard winds the following day, ruined thousands of acres of cotton and caused farmers to have to replant with feed late in June. Some prognosticators say that if the area can get by June 21 without hail or wind damage they can feel safe. We don't know but we're willing to try it once.

MR. PAUL BUTLER came, he saw but we're of the opinion he didn't conquer much. We were under the impression that Mr. Butler came to Texas to try to work out a "peace movement" in order that the state Democratic party might get together again. However from press reports of his trip we've about decided he just came to allow the conservative element to "surrender." Well nobody surrendered and even some of the liberal element expressed disappointment at Mr. Butler's attitude. We don't know why he refused to have lunch with Governor Shivers — the excuse of "not having time" is a poor one indeed and more or less a slap in the face — but we think maybe things would have been more pleasant in the political campaigns next year if he could have "found time."

MR. BUTLER SAYS he thinks the majority ought to rule. We do too. That's a good old American custom. But in Texas the majority of voters have been conservative for some time now since they woke up from those beautiful dreams of Utopia they had under the New Deal and Fair Deal. Most Texas people now realize that this business of centralized government taking care of you from the cradle to the grave is just so much hogwash. If we're going to remain a free and independent people we had better take care of our own business as much as possible.

BUT CONSERVATISM vs. liberalism isn't all the issue. Part of the issue is a matter of cooperation. The National Democratic party wants us to cooperate with them while they take away our tide-lands, tell us what color skin our employees shall be and in what proportion, and generally run our business to their interest instead of ours. The conservatives of Texas are merely trying to protect their own interests, and that of their county as a whole, as they see it. And yet some would criticize us for it.

WE'VE NEVER SEEN as many new residences under construction at one time in Lockney as we now have. We don't know for sure how many are being built just at this time but in most any part of town you may look around and see a new house going up. If this keeps up we're going to have to have some "growing room" around here soon, and that, too, will be a problem.

THE EASIEST WAY to make a mountain out of a molehill is to add a little dirt.

## THE AMERICAN WAY

Let Him Keep His Self-Respect

### With Our EXCHANGES

IF YOU CAN'T CO-OPERATE—DON'T CUSS  
 Do you ever get the feeling that you're the only one that ever wants to get anything done for your town—for your club — or for your church?  
 To us, that feeling would appear to be perfectly honest, because in too many instances, it is just about true. We have often reflected on the fact that there only seems to be a handful of men and women in every community who ever do anything worthwhile for themselves and

they have in public service? — State Line Tribune

### BANKERS ADVISE BUSINESS TO ADVERTISE

No business man in any town should allow a newspaper published in his town to go without his name and business being mentioned somewhere in its columns. This does not mean that you should have a whole, half, or even a quarter page ad in each issue of the paper, but your name and business should be mentioned, even if you do not use more than a two-line space.

A stranger picking up a newspaper should be able to tell what business is represented in a town by looking at the paper. This is the best possible town advertising. The man who does not advertise his business does an injustice to himself and the town. The man who insists on sharing the business that comes to town, but refuses to advertise his own, is not a valuable addition to any town. The life of a town depends on the live, wideawake and liberal advertising business man. — American Bankers Magazine.

### DODGING THE LIGHTNING

Nobody wants to pay more taxes than they can help. And this year's session of the legislature has been an extremely warm one as the contending factions battled to escape the new tax load. The fact is that everybody is paying a lot of taxes, and while a considerable percentage of any state tax is a charge off for federal income purposes, the fact remains that there is something added to the bill. Before the legislature finished its session it got to the point that a legislator's vote depended on whom he dined with last. Laughable to some, alarming to others, but a problem of the first magnitude with the legislator himself.—Floyd County Hesperian.

It's so easy to criticize. Next time you start to think for a few moments. Put yourself in his or her shoes. Would you be willing to invest the time and effort

## Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

June 25, 1925  
 Chester Wilson, 14 year-old son of Mr. and Mrs. O. V. Wilson who live on the Jack Meyer place 6 miles east of Lockney, was instantly killed Tuesday afternoon when he was struck by a bolt of lightning.

The first load of 1925 wheat was received in Lockney Saturday by the Lockney Coal and Grain Company. It was brought in by Gene Whiteley. He was paid \$1.20 per bushel and was given a premium of \$20.

Avey Dagley and ruga Counts have purchased the Cozy Cafe from E. L. Marshall and have taken charge of the business. Mr. Counts has been connected with the Cozy Cafe in times past as a cook.

June 25, 1931  
 The house belonging to Mrs. Mary Henson in the southwest part of Lockney was burned Tuesday morning, the fire breaking out about 12:30.

The wheat harvest in Lockney swung into full blast this week. The weather has been settled, pretty, and hot, so the harvesters are making hay while the sun shines.

Mrs. Samantha Pickel, age 85 years, died at her home in Lockney Sunday afternoon, June 21. She had been confined to her home for some time. She and her husband came to Floyd county about 40 years ago.

June 25, 1943  
 Construction started this week on the dehydrating unit of the alfalfa plant being built here by the Denver Milling and Alfalfa Company.

Sonja Jean Duncan daughter of Mr. and Mrs. J. W. Duncan Jr. passed away Tuesday at the Park Hotel. She was the daughter of Mr. and Mrs. J. W. Duncan and was born in Lockney. She was 21 years old.

Deibert Dagley recently accepted for Flight Training, was from the Navy Air officers training school to enter training at college, Parkville, Mo. He must leave here June 25.

Billy Ed Whitfield, son of Mr. and Mrs. J. W. Whitfield, was the pilot of the plane stalled in the field last week.

The following names have been issued by clerk, Margaret Collier: Virgil Bennett and James; Billy Price and Tella Jo Smart.

Mrs. Claude Turner, resident of Lockney, away at her home in last Friday morning. She was 65 years of age.

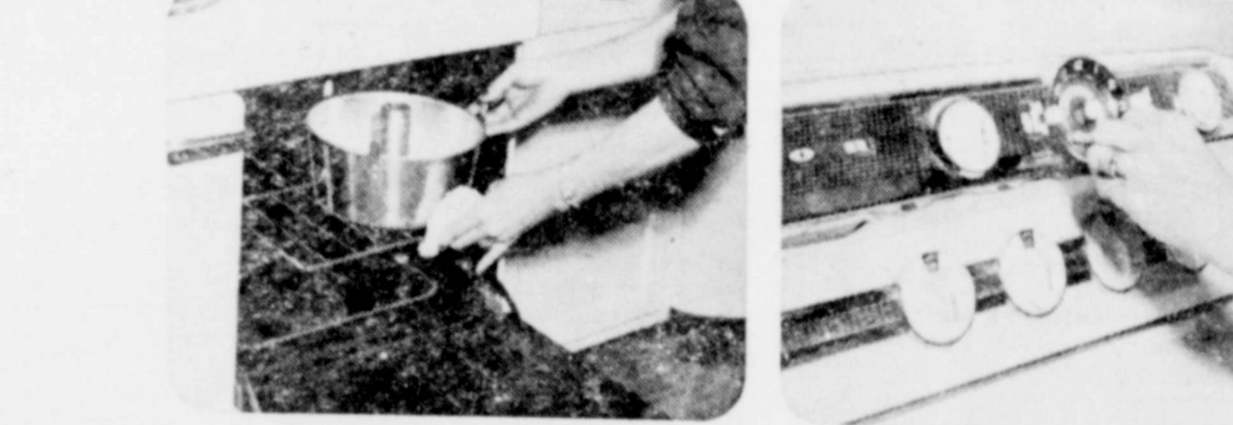

The Future Farmers of America chapter of Alpha Chapter voted the most popular chapter in the state. The chapter is headed by Mr. J. W. Mitchell, son of Mr. and Mrs. J. W. Mitchell of Lockney. The chapter is a graduate of Lockney School and Texas Tech.

"like having another person in the kitchen!"  
 says Mrs. C. E. McCOY  
 GOLF COURSE ROAD  
 SLATON, TEXAS

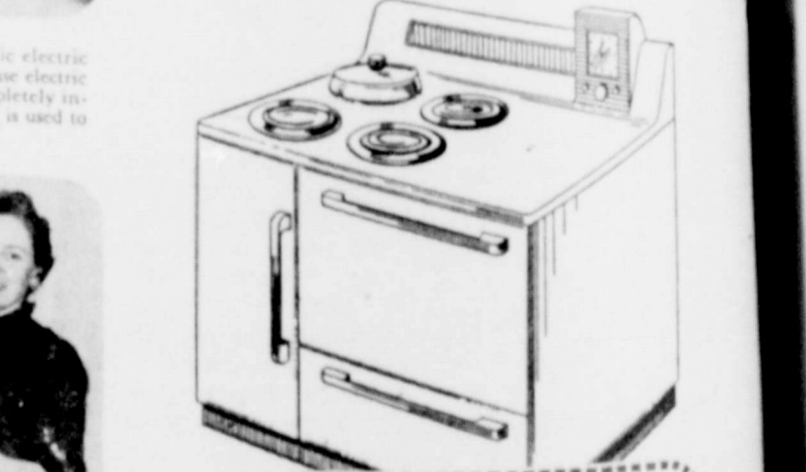

"Baking in my electric range is so easy. Safe and clean, too." Reddy Kilowatt, that "extra person" in Mrs. McCoy's kitchen comes in on a clean copper wire. He's flameless and fumeless, too, so both safe and cool.

"No more cake failures with my accurate automatic electric range oven." Reddy watches your oven for you because electric range heats are accurately pre-set. Ovens are completely insulated — on all six sides — which means all the heat is used to bake the cake — not the cook.

"There's no comparison — electric cooking gives perfect results every time." The good cook? She becomes a better cook when she uses an electric range.

"Keeping my family happy is no problem with cakes like this from my new electric range." Happy living? Of course, it's electric.

See your Reddy Kilowatt Dealer soon and see for yourself, that the best—the modern — way to cook is electric

p. m. Monday through Friday. Books may be borrowed for a two-week period. Fines of 2c per day are levied for overdue books. Books may be renewed only once by phone. Reserved books may not be renewed as others are waiting for them. Fines will be charged for damage to books. Each borrower is held responsible for all books drawn on his card and for the payment of all fines for overdue or damaged books. The Hobby Club and Junior Book Review Club will meet June 28 at 10 a. m. in the court house. All children in the coun-

library this week by Mrs. L. G. Appling and Linda Duncan. Mrs. G. L. Sims returned Friday from a weeks visit with her daughter, Mrs. Edwin Williams of Amarillo. She plans to leave Friday for Dallas where she will visit with some of her relatives and friends. Visiting this week in the home of their aunt and uncle, Mr. and Mrs. Hall Ferguson, are Jo Ann and Peggy Jean Rawdon of Plainview.

by Mrs. Wilfred Stoerner It does a man no good to sit up and take notice if he just keeps sitting. The residents of the Providence community all suffered great loss from the hail and rains which fell over the week end. Many of the houses lost all the windows on the north and east sides. The Trinity Lutheran Church suffered a severe beating on the roof, and all the windows were broken out on the north side. Many of the houses in the area will have to have the roofs replaced. The little cotton and feed was severely damaged. Wheat in most cases was a complete loss. Rev. and Mrs. H. L. Anderson and sons visited relatives in Lubbock Monday afternoon. Mr. and Mrs. Karl Sammann visited in Littlefield last Sunday afternoon, the occasion being the christening of the great grandchild. Visiting over the week end in the Providence community were Mr. and Mrs. Albert Hering and Mr. and Mrs. Billy Hering. They now live in McGregor, but they were former residents of this community. They were guests in the homes of Mr. and Mrs. Ben Brandes and Mr. and Mrs. Marvin Scheele. They were also guests at church and Sunday Schools Sunday morning and the chicken fry Sunday night. A Father's Day dinner was served at the home of Mr. and Mrs. Ben Brandes Sunday. Dinner was served to Mr. and Mrs. Albert Hering, Mr. and Mrs. Billy Hering, Mr. and Mrs. Jack Faver and family, Mr. and Mrs. Wilfred Stoerner, Mrs. Ben Quebe, Mr. and Mrs. Marvin Scheele, Miss Marie Scheele, and Mr. and Mrs. L. B. Brandes came in the afternoon. Mr. and Mrs. B. H. Quebe and daughter visited with Mr. and Mrs. Jackson of Lubbock Sunday. Wilfred Stoerner was elected as chaplain of the American Legion Post of Plainview Monday evening. He is also chaplain of the 19th district of the American Legion of Texas. Mr. and Mrs. Helmut Quebe and family were dinner guests in the home of Mr. and Mrs. Stewart McCallip of Plainview Sunday. Fathers of Trinity Lutheran Church and many guests were honored Sunday evening at the church. A very delicious chicken fry was enjoyed. The evening

**Mrs. Mac Howard Honored** Mrs. Mac Howard was honored with a layette shower Wednesday in the home of Mrs. Albert Scheele. Guests were greeted at the door by Mrs. Albert Scheele, Mrs. Ernest Sammann presided at the register. Mrs. H. L. Anderson, Mrs. M. C. Schelle, Mrs. Albert Kelm and Mrs. Melvin Kelm all assisted in the serving. The serving table was covered with a lace cloth, and a crystal punch bowl sat at one end. It was surrounded with orange baby buggies made of orange slices and pipe cleaners. Mrs. H. L. Anderson lead the group in several clever games, all pertaining to the coming baby. The honoree, Mrs. Mac Howard, received many useful and beautiful gifts. Those attending were Mmes. Pete Schaffner, A. D. Schaffner, Ben Brandes, Walter Boedeker, Ben Quebe, Hubert Stoerner, Monroe Shultz, Arnold Dietrich, L. B. Brandes, Weldon Foster, Wilfred Stoerner, E. M. Quebe, and the hostesses, Mmes. M. C. Schelle, Ernest Sammann, Melvin Kelm, Albert Kelm and H. L. Anderson. Trinity Lutheran Church Sunday, June 26: Sunday School 10 a. m. Divine Worship 11 a. m. Vacation Bible School, Monday through Friday from 9 a. m. to 11 a. m. Visitors are especially invited.

to meet the future needs of Floydada will be manufactured and installed as well as equipping all telephones with dials before the new system can go into use, Oakley says. The company has already begun work toward equipping local phones and phones in the rural areas with dials. Week end crashes accounted for 13,980 killed and 678,000 hurt during 1954.

Mr. and Mrs. Ernest Tannahill and Johnny, and Mr. and Mrs. C. L. Record and Donna returned from a fishing trip at Cowles, New Mexico Sunday. Mrs. Douglas Beedy and child were here this week to visit with Mr. and Mrs. George Beedy and the Garvin Beedy's of South Plains. OFFICE SUPPLIES at The Beacon Office

## MOST Modern V8 FOR YOUR JOB!

### NOW...THE SHORTEST STROKE V8's

### IN ANY LEADING TRUCK!

Now new Chevrolet Task-Force trucks bring you the industry's most modern V8 engines with an ultra-short stroke for longer life—plus all these great advances:

- Modern 12-volt electrical system
- You get double the punch for quicker starting and more efficient ignition plus a greater electrical reserve.
- Gas-saving high-compression ratio
- With a high 7.5 to 1 compression ratio, Chevrolet's new V8 truck engines squeeze extra power out of every tankful of gas.

New aircraft-type valves

Each valve functions independently—as in modern aircraft engines. Valve action is more positive.

Floating oil intake... full-pressure lubrication

Intake selects the cleanest oil for full-pressure engine lubrication.

\*V8 standard in the new LCF's, an extra-cost option in all other models except Forward-Control.

## NEW CHEVROLET Task-Force TRUCKS

Year after year, America's best selling truck!

# LOCKNEY AUTO COMPANY

Telephone 3368— Lockney, Texas

**Lot Is Purchased For New Phone Building At Floydada**

Floydada. — A lot has been purchased by the Southwestern Bell Telephone Company, and construction will begin soon on a new building to house equipment for a dial system for Floydada, according to an announcement made this week by J. C. Oakley, manager for the company.

The lot, which faces 100 feet on West California St. is adjacent to the Lighthouse Electric building. It was purchased by the telephone company from Mrs. Foy Cannaday Meredith and Mrs. Bell Welborn, both of Floydada.

A complete dial switch system

**Mr. and Mrs. Ernest Tannahill and Johnny, and Mr. and Mrs. C. L. Record and Donna returned from a fishing trip at Cowles, New Mexico Sunday.**

**Mrs. Douglas Beedy and child were here this week to visit with Mr. and Mrs. George Beedy and the Garvin Beedy's of South Plains.**

**PURINA PLANS CUT PULLET GROWING COST** compared to mash feeding

by **CUTTING FEED WASTE**

STARTENA CHECKER-ETTS save feed for chicks

You spill less in feeding. Chicks spill less in eating. The little particles are heavier than mash... so stay in the feeder better.

**BITE-SIZE CHECKERS** cut waste for growing birds

All Purina Growing Chows now are available in new, smaller pellet form. They don't blow, bill or spill out of feeders as easily as mash. And spilled Checkers are quickly picked up.

**HAVE BIG, HEAVY-LAYING PULLETS EARLY**

Besides saving money, the Purina growing plans help you develop big pullets, ready to lay heavy all fall and winter—when egg prices are best.

See description above.

Coming July 5, 6, 7

### "DAVY CROCKETT"

### Floydada School Bond Election Set

Floydada. — A bond election for \$550,000 will be held here July 2, according to trustees of the Floydada Independent School district. The proposed bonds would provide funds for construction of a \$400,000 high school building, a building site and remodeling of present school building.

According to A. T. Hull, board president, and I. T. Graves, superintendent, the local school system has grown so rapidly during the past few years that additional space is essential.

In 1945, there were only 28 professional units in the entire school system. Next year there will be 57. Within this period of growth only 13 classrooms have been added.

Present plans are for converting the building now used for the high school into a junior high school, including grades six through eight. These grades now use the second floor of the Andrews Ward School.

According to school officials, the proposed new building would include a large auditorium, a modern cafeteria, a band hall and adequate facilities for a modern home economics department as well as vocational agriculture and industrial art. Covering 45,000 square feet of floor space, the building would also house a well-equipped commercial department, and classrooms adequate to the demands of 450 pupils.

The present valuation of the Floydada Independent School District is over \$7 million. It would be necessary to have slightly over \$9 million valuation to be eligible to issue the new bonds. If the bonds are voted, it will be necessary to have an increase in the total valuation of approximately 22 per cent.

Herbert Brasher and Associates of Lubbock have been retained as architects for the new buildings if the bond issue is approved by the voters.

#### PROMOTED

Jesse Guerra, who is spending a leave here with his parents, has been promoted to Airman 2nd Class in the Air Force. He will leave Lockney July 1st for Manhattan Beach Air Force Station, Brooklyn, New York, and will be shipped to New Foundland. He is to serve a two-year period there. His address will be A 2-c Jesse Guerra, 2266th PERPRON Sqn., Manhattan Beach AFSTA, Brooklyn 85, New York.

### Albert Scheele At Insurance Meeting

Albert Scheele, Route 1, Lockney, is attending Lutheran Mutual Insurance Company's annual convention in Detroit, Michigan, being held from June 22 through 25.

This representative earned an expense-paid trip to Detroit because of his outstanding record during the past year.

In addition to addresses by individuals prominent in the insurance industry, the program includes question and answer panels with both representatives from the home office and the agency organization participating. The entire convention is designed to enable those attending to further their career in life insurance underwriting.

Mrs. Grace Byars spent last week end in Plainview with Mr. and Mrs. Ted Livesay and family.

### Red River County Reunion in Lubbock

The 6th annual Red River County reunion will be held in Lubbock, at the MacKenzie State Park, Sunday, July 3rd. Those attending should bring basket lunch for their party. Dinner will be spread under the trees in the north part of the park where the Association usually meets. About 200 are expected and besides visiting with old friends some entertainment will likely be furnished. President Greely W. Garrett, Lubbock, advises that everything will be done to make those attending enjoy the day.

Miss Kathy Morris of Plainview was a guest last week in the home of Mr. and Mrs. Henry Ansley.

Cows with calves \$90.00 to \$140.00.

Whether buying or selling, attend the Plainview Livestock Sale Ring.

Cattle auction each Wednesday at 12:30.

Mr. and Mrs. Ruben McGilvary of Midland, formerly of Lockney, were visitors Sunday night at the First Baptist Church. Mrs. McGilvary is a niece of Mrs. H. P. Clemons, also formerly of Lockney. They came to hear Hardy Clemons who is preaching during the illness of Rev. R. E. Wiley.

Mrs. Preston Bean of Plains and her sister-in-law of Midland, Mrs. Joe Bean, are visiting here this week in the W. M. Ferguson home.

Wendell Sims has been visiting here this week with his mother, Mrs. G. L. Sims. He is stationed in Del Rio and will return there Thursday.

Visitors last week in the home of Mr. and Mrs. L. G. Rhine were their daughter and family, Mr. and Mrs. Clyde Bearden of Spur. Also there was Mr. Bearden's mother from Snyder.

### Vetch Seed Testing Laboratory Changed

College Station. — Testing services for vetch growers, provided in recent years by the Vetch Seed Testing Laboratory of the Agricultural Experiment Station at College Station, have been transferred to the Texas Department of Agriculture.

The Seed Laboratory of the Department is now equipped and has the personnel to handle promptly the testing of vetch as well as other seeds, says Dr. R. D. Lewis, director, Texas Agricultural Experiment Station.

Cliff Deaton Jr., chief, Seed Division, Texas Department of Agriculture, reports that the fees authorized by "The Texas Law" will be used to support the testing laboratory.

Instructions for sampling, testing and labeling of vetch seed have been distributed in the

state and vetch growers plan to sell seed information on the test from local county agents.

Vetch seed produced in 1954 for making the test should be submitted, if possible, six weeks in advance of the selling date.

The samples should be submitted along with testing to the Seed Laboratory, Texas Department of Agriculture, Capitol Station, Austin.

Ernitt Davis and family from Amarillo were here last week to see his mother, Conde Davis.

Mr. and Mrs. Charles children of Odessa were here last week end here visiting and friends.

## "Let us show you how easy it is to drive a CHRYSLER!"

Chrysler owners know it and we'd like you to know it—Chrysler is winning performance honors, hands down!

Come prove it to yourself by taking the "100-Million-Dollar Ride!" It's a driving thrill that no other car can give you... with America's finest family of V-8 engines to choose from... up to 300 hp; mightiest of all! Teamed, mind you, with PowerFlite automatic no-clutch drive... which for honey-smooth take-off power leaves even "second best" out of sight!

Chrysler is a big car. Low, long and sleek. It has fashion

experts coining new terms to fit it, like "tailored steel." Yet, thanks to countless exclusive drive-features (all Chrysler-originated) it handles as easy as a wave of your hand. There's Full-time Power Steering, for one. Chrysler Power Brakes, for another. Extra large... extra easy to apply... extra safe stopping power!

That's why we say you're not only miles ahead in a Chrysler, but years ahead as well. Isn't now a good time to start packing the field in the car that's the big news of 1955? We're ready to start you off—the minute you say when!

COME TAKE THE CHRYSLER "100-MILLION-DOLLAR RIDE!"

GOOD DRIVERS DRIVE SAFELY!

*More than  
a cake...*

Those two tiny figures on top of the wedding cake . . . the bride and the groom . . . are a symbol. They mean that from this day forward two people will be as one . . . joined together in perfect unity, forming the nucleus of a new family group.

They have stood before the church altar, pledging themselves to each other and to God. Their marriage has been started in the right way, with God's blessing upon it.

In the years to come they will look back upon this day, and upon their holy moment together in the Church. They will remember the reception later when they cut this cake, when there was laughter and gaiety and nothing but love around them. When they return to their church on Sundays, they will always see in their minds' eyes their own figures, standing before the altar, taking their holy vow. Little wonder that the Church will always mean so much to them when they have laid the foundation for their happiness within it.

**THE CHURCH FOR ALL . . .  
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

| Sunday    | Book            | Chapter | Verses |

# Society News

## David Patterson Feted With Party

David Patterson was feted with a birthday party given by his mother, Mrs. Richard Patterson, last Wednesday afternoon. David was celebrating his fifth birthday. After an afternoon of games and fun, the group was served Davy Crockett cake and ice cream.

Those present included Danny Davis, Steve Barker, Jan Brewer, Bill Hays, Bruce Baccus, Bobby Moore, and Bob Simmons. Also present were his two grandmothers, Mrs. McDuffey of Lubbock, Mrs. Roy Patterson of Lockney, and the hostess, Mrs. Richard Patterson.

## Mrs. Ross Cooper Is Shower Honoree

Mrs. Ross Cooper was honored with a layette shower Friday, June 17, in the home of Mrs. Tom Moore. Guests were received from 3 to 5 p. m.

Greeting guests at the door was Mrs. Tom Moore. Mrs. Marilyn Anderson presided at the punch bowl, and Mrs. R. W. Johnson served the cake. In charge of the gift room was Mrs. Raymond Watson.

Carrying out a color scheme of green and yellow was the refreshment table, laid with a green linen cloth, and centered with a huge stork surrounded by chrysanthemums. The crystal punch bowl was filled with green punch, and small white petit fours topped with tiny booties were served. Favors were marshmallows made into small carriages.

Hostesses for the occasion were Mrs. Tom Moore, R. W. Johnson, Raymond Watson, and Marilyn Anderson.

### CLAM DIP

An easy-to-make and delicious appetizer for parties is a clam dip. Follow directions on the can of minced clams, but use cream cheese and chives instead of plain cream cheese (adding a little cottage cheese is good, too) and thin your dip to your favorite consistency by adding sour cream. Make this several hours ahead of time and chill in your refrigerator.

## MYF Council Meets In Birdwell Home

Methodist Youth Fellowship met in the home of Mr. and Mrs. Bill Birdwell Friday evening to plan activities for the next two months. A swimming party was planned for the near future, and they are planning to make a study of the book, "In His Steps."

Punch and cookies were served to Jerry Workman, Ernestine Spradlin, Mary Myers, Katie Rucker, Sandra Sams, Janie Ansley, Kathy Morris of Plainview, and the hostess, Mrs. Bill Birdwell.

## Garden Club Meets In Norris Home

The Garden Club of Lockney met in the home of Mrs. Alex Norris Friday afternoon, June 17. Each member answered roll call with the name of an unusual seed she had bought. The group welcomed one new member, Mrs. T. J. Word.

Mrs. Frank Roberson gave a short talk on growing canterbury bells, and Mrs. G. C. Applewhite reviewed a short story by Sinclair Lewis entitled "Ring Around A Rosy."

Refreshments were served to Mrs. G. C. Applewhite, Henry Ford, Lester Honea, Dale Lacey, T. B. Mitchell, R. C. Mitchell, Alex Norris, Roy Patterson, Ewald Quebe, Tom Rankin, Frank Roberson, Kelton Shaw, R. W. Smith, J. C. Wilson, A. W. Wines, and the new member, Mrs. T. J. Word.

### FORMER RESIDENTS VISIT HERE

Mrs. Zoel Watson and her son, Doyle, of Albuquerque, New Mexico, formerly of Lockney, arrived last Thursday to visit a few days with her father, B. R. Carthel, and with her sisters, Mrs. Oscar Golden and Raymond Barr. She left Tuesday for Farwell where she plans to visit with her brother before returning to Albuquerque.

Mr. and Mrs. G. C. Perry of White Deere were here Tuesday and Wednesday visiting Mrs. Perry's sister, Mrs. J. B. Allen and Mr. Allen and her brother, C. J. Roach and Mrs. Roach at Aiken.

A citified peasant dress that takes well to town despite its casual manners—Lorch two-piece combination with contrasting cording outlining the yoke of the puff-sleeved blouse, and the lowered hipline of the gathered skirt.

## Mrs. Mickey Jones Is Shower Honoree

Mrs. Mickey Jones, the former Pat Poteet, was honoree at a layette shower Tuesday afternoon in the home of Mrs. George Jeffcoat.

Greeting the guests at the door was Mrs. George Jeffcoat. Miss Roylene Dunavant presided at the punch bowl and Mrs. Rex Rogers served. Lemon punch was served from a bowl sitting on one end of the refreshment table which was laid with white lace. A pink and blue cake centered the table and in the background were blue candles with pink streamers. Mrs. Jones received many beautiful and useful gifts.

Hostesses for the shower were Mrs. Bobby Coleman, Rex Rogers, Robert Williams, Jerry Barram, Billie Young, and Miss Roylene Dunavant.

## Tim Stansell Is Honored

Tim Stansell, son of Mr. and Mrs. Pat Stansell, was honored with a birthday party in his home Wednesday afternoon, June 15. Tim was five years old.

Favors of balloons and whistles were given to the children, and they had a gay afternoon of games and fun.

Ice cream, cake, and punch were served to Nancy O'Quin, Anell and Caron Ashton, Jackie Rhodes, Randy Alford, Debbie Miller, Charlotte and Maelene Spence, Carol Gay Wiley, Bob Simmons, Steve Barker, Jimmy and Brad Baccus, and Sue and Steve Stansell. Also present were Mrs. Harold O'Quin, Bob Miller, Raymond Rhodes, Raymond Spence, Jerry Simmons, Rusty Baccus, "Whitey" Baccus, Art Barker Jr., and Miss Shirley Warren.

## Carthel Cousins Have Get-Together

Mrs. Kenneth Wofford held a cousin get-together Friday afternoon, June 17, in her home. It was in honor of Mrs. James Houck, formerly Bette Cunyus, who is visiting here from Jacksonville, Florida. All the cousins are off-springs, or are married to off-springs, of the original Carthel family.

Mrs. Wofford served homemade ice cream and angel food cake to the following: Mrs. Newell Harper, Mrs. Joe Handley, Mrs. Bette Cunyus, Mrs. Warren Mathis, Mrs. Oscar Golden, Mrs. Joe Cunyus and boys, Mrs. Gene Belt, Mrs. Bob Jarrett and girls, Mrs. John Belt, Mrs. Ray Gene Carthel and daughter, Nell Cunyus, Jean Wofford, B. R. Carthel, Mrs. Zoel Watson and son of Albuquerque, formerly of Lockney, the honoree, Mrs. James Houck, and the hostess, Mrs. Kenneth Wofford.

## Pleasant Valley HD Club To Meet

The Pleasant Valley Home Demonstration Club will meet this coming Tuesday in the home of Mrs. Vernon Gross. Members are asked to be there anytime between 9 and 10 a. m. It will be an all-day affair and each one will bring sandwiches and drinks, and her own materials for the hats which will be made during the day. The county home demonstration agent, Mrs. H. A. C. Brummett will also be present, it was announced Wednesday by the club reporter, Mrs. Ray Ashton.

### OES MEETING CALLED

The Order of the Eastern Star, Lockney chapter, will meet Friday, June 24 at 3 p. m. at the Masonic hall for study and practice. It was announced this week Mrs. Fred Anderson will be in charge.

## Smith Home Is Scene For Shower

The home of Mrs. Charlie Smith was the scene Tuesday afternoon for a layette shower complimenting Mrs. Jimmy McClure. Guests were received from 4 to 6 p. m.

A table laid with green linen was centered with yellow carnations surrounded with fern. Serving from the crystal punch bowl was Mrs. Ollie Allison and Mrs. Bill Smith served the cookies. Mrs. Elmer Sandusky was in charge of the register and Mrs. Lester Carter and Mrs. Lloyd Wofford in the gift room. Guests were greeted at the door by Mrs. Charlie Smith. Following Mrs. Smith in the receiving line were the honoree and her mother, Mrs. Joe Parrish.

Hostesses for the shower were Mrs. Charlie Smith, Bill Smith, Elmer Sandusky, Lester Carter, Ollie Allison, Lloyd Wofford, Glen Watson, Owen Thornton, Pont Darnell, A. O. Wines, A. N. Waldroupe, Derrell Woods, Valca Thomas, W. E. Terrell and Leon Wofford.

## Farmland Values In Texas Up 3 Percent

College Station. — Farm real estate values in Texas rose three percent between November and March and two percent during the 12 months ending March 1, according to a U. S. Department of Agriculture report.

Nationwide, the increase was one percent during the four month period and two percent for the year ending March 1.

Land values this March were above a year earlier in half of the states.

Records of farm sales show, according to the report, that from 40 to 50 percent of all land purchases in the wheat acres were made to enlarge existing farms. In the central Corn Belt at least a third of all purchases were for this purpose.

With many farms in these areas still below the optimum size for maximum efficiency, this type of demand can be expected to have a bolstering effect on the level of land prices for some time, the report suggested.

### PERENNIAL FAVORITES

One cool drink that's a favorite is iced tea. Along with ice circles and a slice of lemon, a mint flavor does something for iced tea. You can use a bottled mint flavor—just a drop—and a mint leaf from the bed in the back garden.

OFFICE SUPPLIES at The Beacon Office.

## Diethylstilbestrol And Terramycin Increase Steer Daily Gains

College Station. — Steers fed 10 milligrams daily of diethylstilbestrol, the female hormone now incorporated into many steer fattening rations, made the most profitable gains in recent tests at the Spur Agricultural Experiment Station.

Hormone-fed steers gained 72 pounds more and had a 45 pound advantage in carcass weight over those not fed the hormone, according to John H. Jones, animal husbandman of Texas A. & M. College System. Dressing percentages and carcass grades of the hormone-fed cattle were about the same as the control group.

Shrink was one percent higher for the hormone group, Jones reported. He explained this was one percent less than in previous tests and probably due to carrying the animals to a higher degree of finish.

"Research with the hormone looks more promising than some of the earlier work in Texas," Jones said. "These results closely resemble the findings reported in Iowa research."

In the same feeding trials, steers fed 150 mg. of terramycin daily went to market 24 pounds heavier than those receiving no antibiotic. The dressing percentage was one percent higher and

carcass weights 25 percent heavier than the control. Terramycin also requires 10 percent less feed per pound of gain.

**Tech Registration For Summer Is Up**

Lubbock. —Registration for the first six-weeks summer term at Texas Tech has reached 2425 and is expected to pass 2500, W. P. Clement, director of admissions, announced today.

Registration figures will be increased later in the term by students enrolling on a credit basis for intensive, short-period workshops, Clement said.

This year's total, already 300 ahead of the same period last summer, includes 1631 men, 794 women. The largest number of summer students are enrolled in Arts and Sciences, 733, followed by The Graduate School, 545, Engineering, 455, Business Administration, 413, Agriculture, 150, and Home Economics, 129.

OFFICE SUPPLIES at The Beacon Office.

**Rites For Former Floyd Teacher Held**

Floydada. — Funeral services for Miss Reba Copeland, 43, former Floydada school teacher were held at 4 p. m. Sunday in the First Baptist Church here.

The Rev. Earl Allen, pastor, officiated. Burial was in Plainview Cemetery at 11 a. m. Monday under the direction of Wood Mitchell Funeral Home.

Miss Copeland died Thursday of head injuries apparently suffered when she fell and hit her head on a steel dress rack Tuesday afternoon in her Fort Worth dress shop.

Earlier, it was believed she was the victim of a robbery, but Fort Worth police, after an investigation, said they believed her death accidental.

Miss Copeland, partially paralyzed from polio, taught math in Floydada High School in the 1930s. For the past several years she had operated a suburban dress shop in Fort Worth.

The daughter of the late Mr. and Mrs. W. A. Copeland of Plainview, Miss Copeland was born March 3, 1912, at Memphis, Texas. She graduated in 1928 from Tulla High School, attended Wayland college two years; and later attended Hardin Simmons and other colleges.

She was a member of the Fort Worth Baptist Church.

Survivors include three brothers, H. A. Copeland, Floydada, N. J.; Copeland, Albuquerque, N. M.; and R. R. Copeland, Madison, W. Va.; three sisters, Mrs. J. I. Gibson, Los Angeles, Calif.; Mrs. Ola Daniels, Seattle, Wash.; and Mrs. Roy McGlasson, Fort Worth.

**First Bale In U. S. Grown From Paymaster Seed**

The first bale of cotton to be produced in the United States this year was grown on a farm at Edinburg operated by Jerry Block and Will Wallace. It came from a 240-acre tract planted to a variety known as Paymaster 54-B, which was developed over a period of years at the Paymaster Farm at Aiken, between Plainview and Lockney.

The bale weighed 547 pounds, graded one inch strict middling, and will probably bring the highest price ever paid in this country.

Mr. Block said the cotton was grown under "very trying conditions" on the dry land plot. It received no moisture from planting on January 23 until just before harvesting, and a 20-degree freeze on February 11 killed a third of it, which was up to a good underground stand at that time. Although the freeze lengthened the germination time to 22 days, the cotton was being harvested 109 days after it came up, a total maturity of 131 days.

Block said that he and Wallace hadn't thought of trying for the first bale, and that the cotton had been open for several days before they decided to try for the honor.

Picking started Friday, June 3, and the bale was ginned at the Wallace Gin Co. in Edinburg on June 8. The seed cotton weighed 1641 lbs. and the seed weight was 930 lbs., a turnout of over 35%.

The Paymaster Farm, under direction of Dr. Harold Loden, has carried on extensive seed breeding since the purchase of the first 80 acres there in 1928 by Western Cotton Oil Co. Dr. Loden says the first seed came from a variety called Kekchi, first brought to the U. S. from Guatemala by a government expedition searching for a boll-worm-resistant cotton. The seed first appeared on the Plains at Plainview, where it was called "Pepper Cotton". Paymaster bought some of the seed from the late Mr. Pepper in 1929, found it had many superior qualities and later bought his entire interest.

together to produce Paymaster 54-B. This testing and massing goes on continuously, with the best strains going into 54-B.

"Old Timers" Reunion At West Texas State

Canyon. — A reunion for early ex-students of West Texas State College will be held here on the campus on July 9, and a day of "reminiscing and visiting" is planned. The "old-timers gathering" is for persons who attended the college from its opening in 1910 until 1915.

About 500 people are expected for the reunion, according to Milton (Buff) Morris, executive secretary of the WT Ex-Students Association. Between 1200 and 1500 attended the college during the six early years, he said.

Exes from as far away as North Carolina and Mississippi have written that they are coming for the reunion, Morris said. Letters have been sent to as many early exes as the association's records show, but there are hundreds throughout the Tri-State region who have not received a personal invitation. Morris urged exes from the classes of 1910-15 to "come and bring their families."

Registration at 9 a. m. at WT's new Student Union, and a coffee period opens the planned program. A luncheon, tour of the campus, and a period "for reminiscing" are also planned. Dr. J. A. Hill, president emeritus who has been on the campus since the college's first year, will attend the reunion. The architect of the House was James B. Murr.

The makers of Super-Refined No-Nox, the clean-burning gasoline, now bring you a new super-refined motor oil...

**New Gulfpride H.D. Select**

...the only motor oil in the world super-refined by the Alchlor Process for modern high-compression engines.

Not a compromise, multi-viscosity oil that tries to be an "all-season," "three-grades-in-one" oil. Contains no artificial thickeners that break down in your engine and increase oil consumption.

This completely new kind of motor oil—made possible by Gulf's exclusive Alchlor Process—is available in 3 grades to give you the finest protection, the best oil mileage for your make of car—in every season.

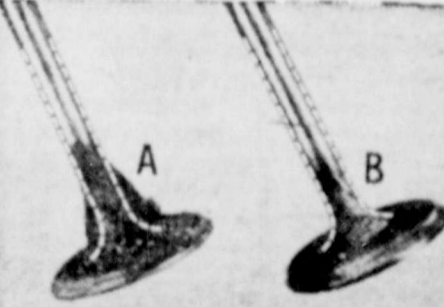

- Controls carbon—cause of knock, pre-ignition, valve failure and loss of power in high-compression engines.
- Combats corrosive acids, rust and deposits that build up on engine parts. Keeps hydraulic valve lifters quiet and free-acting.
- Assures lower oil consumption than the multi-viscosity "all-season" motor oils, because it has natural viscosity and contains no artificial thickeners that break down in your engine.
- Provides the toughest protective film ever developed in a motor oil... assures better engine protection for all cars under all driving conditions.

Available in 3 grades—SAE 10W, SAE 20/20W, SAE 30. Lets you follow your car manufacturer's recommendation for each season.

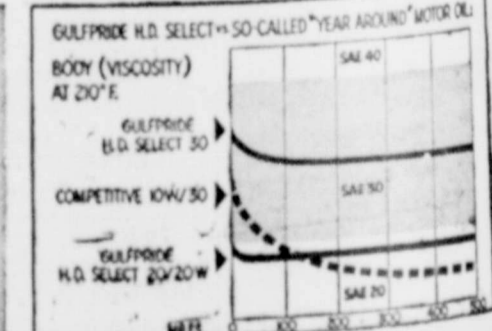

Now! For the ultimate in working octane performance and engine protection, always use Gulf's super-refined gas-oil team...

New Gulf No-Nox Gasoline  
New Gulfpride H.D. Select Motor Oil

"Coked" valve "A" is from engine using a so-called "all-season," multi-grade oil. Coke-like carbon deposit is a cause of sluggish performance and ultimate valve failure. Clean valve "B" is from engine using new Gulfpride.

See how Gulfpride H.D. Select holds its "body" (viscosity). This new oil contains no artificial thickeners that break down under heat and pressure. But note how quickly a typical multi-viscosity 10W-30 oil starts to lose its body.

**72-Year Person May Draw Social Security And Work**

Thousands of dollars in social security insurance benefits are being lost yearly, John G. Hutton, manager of the Lubbock social security office said today.

According to Hutton, many persons who are at least age 72 and still operating their business are not aware of the provisions in the law which allow eligible persons age 72 or older to receive their benefits without retirement. Persons of this age who have made profits in covered self-employment of over \$400 in at least two of the four years self-employment has been covered, undoubtedly have fulfilled the requirements for entitlement but the Social Security Administration cannot start your payments until a claim is filed.

"There are also many self-employed persons," says Hutton, "who are over age 65 and whose net earnings in their business is less than \$1200 per year which would permit them to receive benefits if they qualified, even though still working." Persons between age 65 and 72 whose net earnings from self-employment are between \$1200 and \$2080 per year may draw benefits for some months of the year based on a scale of one month's deduction for each \$80 earned over and above the \$1200. Hutton emphasized that one of the requirements for any benefit is to file a claim.

W. R. McDonald and children and Mr. and Mrs. J. R. McDonald visited in Levelland Sunday with Mr. and Mrs. J. M. Mayfield Jr.

STAINS WIPE OFF  
Spillovers from cooking and baking are often unavoidable, but they should be removed as soon as the range has cooled. When stains do not respond to soapy hot water, use a small quantity of ammonia, wring out the cloth and then apply to the trouble spots.

**South Plains**  
Murray Julian

Harris from Girls Breckenridge, Texas a business mission afternoon and spent the parsonage in with Rev. and Mrs. Mrs. Sylvia Kinnl- and Mrs. Vera and to spend the Fathers end with his folks. Mrs. J. A. Kinnl- mother, Mrs. J. R.

committee. Everybody in the community is cordially invited to the picnic.

Rain on Tuesday of last week was spotted with South Plains getting a good shower, but hail fell on the A. P. Sanders and other farms near there, reaching to the Horace Marble farm where it did quite a bit of damage. As far as the Milton farm to the east only a sprinkle fell. Sunday night of this week rain fall ranged from 1.10 inches to smaller amounts. At the R. G. Dunlap farm in east South Plains they only had a light shower.

We are glad to welcome Mr. and Mrs. Brown on the Wade Deavenport farm, into our community. The children, Sue, Dana and Judy attended the Vacation Bible School and we invite them to attend the Fourth of July picnic at the ball grounds to meet the neighbors.

Jack Reeves is home with his folks. Mr. and Mrs. Sim Reeves and was present at church on Sunday. Other visitors present were Mr. and Mrs. H. S. Calahan Sr. from Lockney who were spending the day in our vicinity

and they report several windows broken in their home during the hail storm Saturday night.

The Young Peoples Class and the Intermediates of the Baptist Church met in a body at the home of Mr. and Mrs. Bryan Karr, Yvonne and Elton after church on Sunday evening for games and refreshments. Rev. Larry Faus and family were present and Mrs. Karr served punch and cookies to about 10 guests. The bad rain clouds kept many from attending.

Mr. and Mrs. Gilbert Bean and Mr. and Mrs. H. S. Calahan Sr. were dinner guests and afternoon visitors at the home of Mr. and Mrs. Shelby Calahan and Johnny, Beth and Jerry on Fathers Day.

Carol Reeves, who now works with the Junior Department of the First Baptist Church in Lubbock was a week end visitor at the home of her parents, Mr. and Mrs. S. T. Reeves. Carol is going to Glorieta to the Baptist Encampment for the Sunday School and BTU groups from Lubbock. The new Lubbock lodge built at Glorieta, New Mexico is a beautiful structure. Carol will be there two weeks.

Mrs. J. P. Taylor and children visited her sister, Mrs. Jack Douglas at Muleshoe on Saturday and arrived home in all the terrible rain and hail storm which struck the Lockney area.

Mrs. L. T. Wood and Mrs. Grigsby Milton Jr. spent Saturday afternoon in Floydada attending the council meeting of the H. D. Club. Mrs. Bryan Karr was chosen as first alternate to attend the State T. H. D. A. meeting at Fort Worth this year.

Terry Julian spent the Fathers Day week end with his parents. Mr. and Mrs. Murray Julian and had dinner Sunday with Mr. and Mrs. Zach Walton Cummings before returning to school in Canyon Sunday evening.

Mr. and Mrs. Bob Merrell and family from Quitaque visited in the J. P. Taylor home on Thursday evening and enjoyed supper in the home.

Mr. and Mrs. Frank McClure went to Snyder, Texas Wednesday to spend a few days with her parents, Mr. and Mrs. R. W. Newman. Her father is in very bad health. They were home on Saturday evening. Sunday they went to Crosbyton in the afternoon to visit their children, Mr.

Larry Faus, Dock Jones, Frank McClure, Grigsby Milton Jr., Walter Wood, Zach Cummings Sr., Shelby Calahan, Bryan Karr, Sim Reeves, John Smitherman, and Murray Julian. The next WMU meeting will be for Royal Service, studying the meeting in London, England for the Baptist World Alliance will be meeting July 16 in London.

Mr. and Mrs. George Weast, with their grandchildren, David and Carla, Mr. and Mrs. John Smitherman and Rev. and Mrs. Larry Faus and Vassie Beth were Monday night guests in the home of Mr. and Mrs. Frank McClure. The District nine Workers

Conference was held at the South Plains Church Tuesday, June 21, with around a hundred persons in attendance. Although many were busy in the fields, the crowd was good and the messages given were enjoyed. Among those present were Rev. and Mrs. R. C. Guest from Cone, former pastor at the South Plains church. Mrs. Black held a WMU conference after the dinner which was served in the school lunch room by all the ladies of the church.

Mr. and Mrs. Arby Mulder, Nathan and Katherine, went to Plainview on Sunday where a good many of Mrs. Mulder's people gathered for a family get-together. Those present at the park where they served a bountiful basket lunch at noon were Mr. and Mrs. C. G. Cobbs of Tulia and their family; Mr. and Mrs. Dale McCaugh and family of Littlefield; Mr. and Mrs. Doc Minyard and family, also of Littlefield; Mr. and Mrs. Wayland Fitzgerald and children of Rock Creek and Mr. and Mrs. Homer Boyd who came from Odessa.

South Plains Community announced a Fourth picnic to be held at the ball grounds in South Plains. Each picnic basket will bring a picnic supper which will be at 7:30. Games will be at the different age groups.

Mrs. H. S. Calahan and Mrs. Arby Mulder, Mrs. Early Pritchett, Mrs. John Smitherman and Murray Julian are in charge of the picnic. Messrs. John Smitherman, J. P. Taylor and G. Dunlap also on the

Monday at three, the South Plains WMU met at the church with Mrs. Larry Faus as leader for the afternoon with Bible study and the chapter "Prayer", the theme for the lesson. Eleven members were present, with Mrs. Dock Jones presiding, and plans were made for the Workers Conference on Tuesday. As Mrs. Faus lead the group on Prayer study, she told how each should make his prayer life real, more a great part of Christian living, and what a mighty force prayer would mean to each one. Mrs. McClure dismissed them in prayer, and present for the day were Mmes.

**HAMMITS ON VACATION**

Mr. and Mrs. C. W. Hammit left a week ago Wednesday for a vacation in the northeast part of the United States. They planned to pick up their son, Claude Gene, in Maryland and go on to points in New York and Canada. They will return this week end.

Mrs. Bobby Coleman plans to leave in the very near future for Kansas where she will join her husband who is there on the wheat harvest.

**Soil Conservation District News**

**Proper Management Of Wheat Stubble**  
"Stubble mulching" is the practice of preparing, planting and cultivating of the land so as to keep crop residues on the surface.

Shirley Irwin of the Fairview community did a good job of stubble mulching on dryland wheat last year. He used a new stubble mulching implement. It has a series of 30 inch sweeps that overlap. It can be drawn at a depth of four to six inches, leaving nearly all of the stubble standing.

Wheat in the Floyd County Soil Conservation District will soon be harvested. Some thought should be made about how to handle the stubble in order for it to be most effective. The best effective use of course would be to handle it so as to leave most of the stubble on the surface.

The chief advantages of stubble mulching are that it prevents soil blowing, channels water into the soil, prevents excessive surface evaporation, cuts down impact of rainfall and does not tie up nitrogen which is needed by

**STOP ATHLETE'S FOOT**

with this effective

2-WAY TREATMENT

**Red Arrow**

ATHLETE'S FOOT LOTION AND FOOT POWDER

Special Combination Package Only 69¢

LOCKNEY DRUG CO. Dial 3333

The importance of keeping a good cover on the soil cannot be over emphasized, especially during the windy seasons. The benefits derived from stubble mulching are easily seen, especially under dryland farming conditions. We need to protect our soil from winds and conserve the rainfall.

"Crop residue utilization" is a practice more suited to irrigated crops, with our present implements. This is the practice of leaving crop residues on the surface until the seedbed is prepared for the following crop.

Other implements that may be used for stubble mulching are chisel plows, tandem discs, one-way plows operated at slow speed or moldboard plows with the moldboard removed. These implements may be used soon after the wheat is harvested or delayed until shortly before planting time.

The Supervisors of the Floyd County Soil Conservation District and technicians of the Soil Conservation Service are urging the widespread use of this important conservation practice by all farmers.

**SPENCE IN KENTUCKY**

Raymond Spence has been in Kentucky for the past week and a half assisting in the Girls Auxiliary camp for the state of Kentucky. The meeting is being held at Camp Joy near Brownsville, Kentucky. He will return Thursday of next week.

Mr. and Mrs. Ralph Stapleton and Mr. and Mrs. Pitts, all of Matador, visited here with Mrs. Lula Woodburn last Sunday. Also here were Mrs. Woodburn's brother and family, Mr. and Mrs. John Stapleton of Floydada.

Mr. and Mrs. Clark Harris and family and Dane Clark of Floydada returned Sunday from Cowles, New Mexico, where they spent a few days fishing and sight-seeing.

GO TO CHURCH SUNDAY.

**WEDNESDAY**  
by Mrs. M. A. Boone

Good luck was with this community Saturday night. None of the damaging hail fell here and 1 1/2 inches of rain was received. L. E. Chambliss left Monday for Cliffside, north of Amarillo, where he will be employed the next two weeks as relief section foreman.

Mr. and Mrs. A. M. Hanks and children left Wednesday for a vacation trip to include Carlsbad and Fort Worth.

Mr. and Mrs. L. C. Crader and family who are spending the summer in Electra visited over the week end with friends and relatives.

Mr. and Mrs. B. A. Howell are building an addition to their home in Sterley. A new room and closed in porch are being added.

Patricia Ann and Oyama Buchanan spent last week visiting relatives in Lubbock.

The Sterley Home Demonstration Club met Thursday, June 16 in the home of Mrs. Joe Reeves. Mrs. Herman Huffman, president, presided over the meeting. Roll call was answered with suggestions for the 1956 yearbook. Mrs. Virgil Adams gave a demonstration on hat making. Refreshments of punch and cookies were served to Mrs. Herman Huffman, R. H. Tinsley, Mary Simmons, M. A. Boone, Virgil Adams, A. D. Schaffner, Melvin Mahagan and the hostess, Mrs. Reeves.

Mr. and Mrs. B. A. Howell visited Sunday afternoon with Mr. and Mrs. Blount of Floydada. Visiting this week in the home of Mr. and Mrs. L. E. Chambliss are her sisters, Mrs. Ezra Laird and Brenda, and Patricia Ann Pofford of San Saba.

Mr. and Mrs. J. H. Stringer and daughters, Molly Ann of Amarillo and Mrs. Jean Taylor of Sterley left Saturday for a vacation trip to Tyler, Teague and Macon, Georgia.

Mr. and Mrs. Dutch Langfeldt of the Alken community left Saturday morning for Utah and Colorado where they will spend about a week vacationing and sight-seeing.

Mrs. Hall Ferguson drove to Tulsa last Thursday to attend the announcement tea of Miss Alyce Ruth Crocker held in the home of Mrs. John Ross Crocker.

Mrs. Elsie Kunkel returned Sunday from a visit with friends at Tulsa and Oklahoma City.

The Bel Air Sport Coupe with Body by Fisher.

Chevrolet... The only low-priced car with beautiful Body by Fisher

COMBINE YOUR NEW CHEVROLET PURCHASE WITH YOUR VACATION PLANS!

Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolets built, if you like, and drive yours home. Chances are, you'll save a substantial share of your vacation travel costs!

It's like a famous designer's label on a lady's favorite party dress, sterling on silver or 14 carat on gold.

It's the Fisher Coach—world-famous emblem of Body by Fisher. You'll see it on the sill of a Motoramic Chevrolet when you open the door. You'll see it on some of America's most popular high-priced cars, too. But that's all. Not on any other low-priced car.

The other cars in Chevrolet's field just don't have that clean, fresh look that comes from beauty that's built in—not bolted on! In fact, there are very few cars that do have it—no matter what they cost.

You can choose your own new Chevrolet with Body by Fisher from 190 different combinations of models and colors. Come on in and get all the good news on the model you like best.

## Insect Report

June 16, 1955

(Note: Following is a report on a cotton insect survey for the South Plains as released by Walton H. Jones, district extension agent of Lubbock. The report was compiled by G. T. Davis Jr. and W. L. Owens Jr., both connected with the Extension Service.)

Spotted light to occasional heavy rains have fallen over the area during the past week. Moisture conditions were improved in some areas but wind and hail damage counteracted benefits from the rainfall. High winds destroyed or damaged considerable acreage in Hale, Floyd, Crosby, Lubbock, Garza and Scurry Counties. Extensive hail damage occurred in Hale, Crosby, Floyd, Lubbock and Garza Counties.

Due to the adverse weather conditions, cotton has been retarded in growth. While plants in occasional fields of early planted cotton show some squares, many late planted fields do not yet have stands. Low temperatures prevented normal plant growth throughout the area.

Light to occasional medium aphid infestations occurred in a number of fields in areas where rainfall has been light. Where heavier rainfall occurred, especially if accompanied by wind, the infestations have been materially reduced. In fields more heavily infested, definite build ups of beneficial insects have also aided in reducing the population.

Thrip infestations continue

light in most fields over the area. Occasional medium to heavy infestations have been reported from Cochran, Crosby and Floyd Counties. These insects may rapidly increase in numbers where little or no rainfall occurs. Insecticide applications for thrip control have been started in a number of fields; such treatments should be timed at weekly intervals for best results.

Fleahoppers were noted in light infestations in occasional early planted fields. Most plants are yet too small to attract the insect. As plants reach a fruiting stage, regular checks should be made in order to insure timely insecticide applications should damaging infestations occur.

Grasshoppers were reported in damaging numbers in some fields in Briscoe and Yoakum Counties.

False Wireworm damage to cotton root systems has continued in Garza County. Damage has also been reported in Scurry, Lynn and Bailey Counties.

Spider Mites have been found in some fields in eastern Lubbock and western Crosby Counties.

### TO BOOT CAMP

Henry Harden and Marion Cross, both 1955 graduates of Lockney High School, left Wednesday for San Diego, Calif., where they will spend two weeks in navy boot training. The boys are in the Naval Reserve.

Robert Roy Bilbo from San Angelo has been visiting here for the past week with his grandmother, Mrs. R. E. L. Stotts.

## And I Quote . . .

"There are some people who not only keep you from being lonely, but make you wish you were."—L. S. McCandless.

"Be nice to your friends. If it wasn't for them, you'd be a total stranger."—Lee Marvin.

"Tell some girls their hair looks like a mop, and they don't mind. They don't know what a mop is."—Augusta (Kan.) Gazette.

"While it may be difficult for a rich man to enter heaven, it's

THE LOCKNEY BEACON, LOCKNEY, TEXAS, JUNE 23, 1955

also very difficult these days for a poor man to remain on earth."—H. G. Hutcheson.

Mr. and Mrs. H. Stuart, Hunter and Melissa, all of Tampa, Fla., are visiting here with his parents, Mr. and Mrs. W. O. Stuart of the Lick community.

Get on the **BANDWAGON!**

We're "Sell-a-brating" with Leadership Deals

on brand new '55 **Fords!**

Summer **Bandwagon** **Sell-a-bration**

Now going on!

All year long we've been selling new Fords at a Leadership pace. Now we're "Sell-a-brating" in advance what looks like the most successful sales year in Ford history. We're offering Leadership Deals on all '55 Fords—so you share the benefits.

Why not hop on the Ford Bandwagon—join the big swing to Ford—get in on a deal that spells savings to you—now while our summer "Sell-a-bration" is in full swing—now while your present car is worth its top dollar—now while you can enjoy a full summer of fun in America's trend-setting, "GO"-leading, "worth-more" car—the brilliant '55 Ford. Come in at your earliest—come get our "best"!

**V-8 POWER** from the V-8 leader . . . that's what you get in a Ford. And Ford's Trigger-Torque "go" means more than just trigger-quick action on take-offs. It gives you a whole new feeling of confidence and security in traffic or on the open road.

**YEARS-AHEAD LOOKS** . . . you see it in every Thunderbird-inspired line. For, this '55 Ford is truly the styling "trend-setter." Perhaps you've noticed, too, you see more and more Fords in front of homes where formerly only costlier cars were parked.

**SMOOTHER GOING** . . . and you'll go more places! The reason? Ford's revolutionary Ball-Joint Front Suspension is better than ever. For '55, springs are tilted back to absorb bumps from the front as well as up and down. You'll find even the smooth roads seem smoother!

Sells more because it's worth more **FORD**

**"Man Called Peter" Coming To Seale**

"A Man Called Peter", the life story of Peter Marshall, is told in an inspiring manner in this film, scheduled to show at the Seale Drive-In Theatre here Sunday, Monday and Tuesday.

Peter is an immigrant from Scotland to America, arriving in this country without money and takes all sorts of jobs to help him get through Columbia Theological Seminary. He takes a small church in Georgia where he earns a reputation as an unorthodox preacher, particularly appreciated by younger audiences.

He is called to a Presbyterian Church in Washington and his fame spreads. He is asked to become chaplain to the Senate and gains even more fame. His wife has a lengthy illness and after her recovery he suffers a heart attack, but declares "God doesn't want me yet."

The story ends on a sad note but is an inspiring film and one that most everyone will appreciate.

**MOVE HERE**

Mr. and Mrs. Mickey Jones recently moved back to Lockney from Plainview where Mickey was employed at Vick's Cleaners. They plan to make their home in Lockney now. Mickey is employed on the Paul Kropp farm south of Lockney.

OFFICE SUPPLIES at The Beacon Office.

**Jerry Irons In Summer Training**

Pfc. Jerry Irons, son of Mr. and Mrs. W. C. Irons is at North Fort Hood with some 9,000 officers and men of the Texas National Guard for 15 days of summer training.

The size of the armored outfit is the largest in its peacetime history, with heaviest contingents coming from Dallas, Ft. Worth, and Houston.

At the end of the training period, Jerry will resume his studies at East Texas State Teachers College at Commerce.

**Reunion For Cooke County To Be Held**

The annual Cooke County reunion will be held Sunday, July 10th, at the MacKenzie State Park barbecue pits in Lubbock. Gates will open at 10 a. m. Each family is asked to bring a basket lunch and the drinks will be furnished. Prizes will be awarded the oldest, youngest, largest family, and person coming the greatest distance to the reunion.

**STORE REMODELING**

The interior of the Lockney Variety Store here is being renovated and enlarged. Space under a stairway is being included in the store building giving more room. New fixtures are also being installed. Mrs. M. E. Shipp, manager, said this week.

GO TO CHURCH SUNDAY.

**Storm Damage—**

(Continued from page 1) occupied by a colored family was partially destroyed when wind took the side out of it. The family was cooking supper at the time. No one was hurt. A large sheet metal barn on the farm was blown down also.

At the Travis Dunn farm, in the same vicinity, the residence was badly damaged and contents scattered over a large area. The family was not at home at the time.

Where trees were the ground was covered with tree leaves, twigs and limbs in the storm area. Many residents spent Sunday and Monday cleaning their yards.

Local lumber yards opened Sunday to allow storm victims to buy material to replace windows and repair roofs. They were still being rushed through Monday and glass and roofing material was in big demand.

**Crop A Problem**

Many farmers were still undecided Wednesday about what they would do about a crop. To some their cotton crop didn't look as bad as they first thought and they had decided to leave it and see what it would do. Others who had no doubt about losing their crop, were planning to plant cotton again even though it is late in the season.

M. W. Wiley, president of the First National Bank here, said Wednesday that some farmers were attempting to work out an agreement to plant Mung beans. They are a quick-maturing crop and will pay as well or better than cotton if an agreement can be worked out on them.

One farmer said, "I'm going to plant cotton up to the first. After that I'll do something else." The low support price on maize is influencing farmers in this direction.

Probably the big majority of farmers will plant lost acreage to feed in this area.

Meanwhile the work of adjusters is going on as is the repairing of homes and business buildings. The community is gradually getting back to normal.

First balloon flight in America was made by Jean Pierre Blanchard, a French pilot in 1793.

**'PIGTAIL' STRIPE**

Hope Skillman's "pigtail" striped cotton makes a chic sundress for the vacationer. Designed by Alex Goldman, the dress combines comfort with good looks. The eye-catching striped cotton has a square neckline with wide shoulder straps.

**KEEP WHITE COLLARS WHITE**

If you're a fashionable "white collar girl" this summer, remember to keep those collars sparkling white. Cotton and linen fabrics can be machine-washed in very hot soapsuds and rinses, then dried in the clothes dryer. Hand-wash miracle fabric collars and delicate laces in warm suds and rinses, and spread on a towel to dry. And wash all of them after each wearing.

A CLEAN CITY IS A SAFE CITY.

**Thunderbirds To Perform At Reese**

Reese Air Force Base.—The internationally known jet air demonstration team of the United States Air Force, The Thunderbirds, will perform next Tuesday at Reese Air Force Base, Lubbock, with the public invited to witness the show. Col. Murray W. Crowder, Jr. Reese AFB commander, said.

The Thunderbirds and their F-84F jets will arrive Monday night and at 9 o'clock Tuesday are to take to the air for the show which has thrilled crowds in the United States and foreign countries for the past couple of years, it was said. The show at Reese AFB is a motivation feature in the summer AFOTC training program which started Sunday.

The jets will perform at a speed of over 500 miles an hour. Flying new red, white, and blue F-84 Thunderstreaks, the team stays much in a tight diamond formation, with wing tips overlapping and the aircraft just five feet apart. The demonstration at Reese AFB will begin when the jets enter the show area at minimum altitude in a string formation, one behind the other. Pulling up into a loop they will change into a diamond formation while upside down. Then will come slow rolls, barrel rolls, loops, turns and the final bomb burst.

During the demonstration the four jets will climb straight up, split to the four cardinal points of the compass, roll then come straight down to meet head-on from the four directions simultaneously at 640 miles an hour.

**4th Sunday Singing To Be Held**

The regular 4th Sunday Singing will be held Sunday in the City Auditorium at 2 p. m. It was announced Wednesday by R. N. Raper, president. Everyone is invited to attend.

OFFICE SUPPLIES at The Beacon Office.

**NEW ARRIVAL**

Mr. and Mrs. George M. (Mac) Howard are the parents of a little girl born Tuesday night in the Reese Air Force Hospital in Lubbock. She weighed 7 pounds and 3 ounces. Her father, who is in the Navy, is stationed in Formosa and will receive his discharge in December. Grandparents are Mr. and Mrs. Jay Howard and Mr. and Mrs. A. D. Schaffner, both of Lock-

Mr. and Mrs. Wesley, Sandra turned Friday vacation in San Antonio. They saw seeing in Las Vegas in other parts of the return trip. It was fortunate enough to traffic that stopped highway near the ing grounds for a guided missile.
