LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, OCTOBER 20, 1955

NUMBER 28

## LONGHORNS PLAY DIMMITT HERE IN FIRST DISTRICT GAME

The Lockney High Longhorns take on the Dimmitt Bobcats Friday evening on Mitchell Zimmerman Field here for the first District 2-AA game of the season for both teams. The game will be called at 8 p. m.

The Longhorns are taking this first district game very seriously and have been working hard on both offense and defense during the past two weeks. The local team had an open date last weekend. Coach Rudy Haile and Elvin Lyon scouted the Dimmitt-Sudan game last Friday and have been drilling the boys on defense against Dimmitt plays.

Two injured Longhorns will be ready to go again Friday putting the team back in good shape physically. Dan Griffith, injured in the Ralls game, and J. W. Dippery, injured in practice some three weeks ago, will both be back in suits and ready to go for this game.

The Longhorn line-up will be about the same as in previous games. Coach Haile said Wednesday. Starting center is uncertain being between Jerry Workman and Kelley Harrison. Also the starting quarterback is uncertain he said. Gene Handley, David Frizzell and Billy Carl Race all run the quarterback position.

The Longhorns previously have won one game, with Friendship and lost to Hale Center, Spur, Ralls and Floydada.

The Bobcats had only a so-so season record until last week end when they whipped the highly rated Sudan Hornets 19-12. It was an upset and now local fans are wondering if they are that good or if the game was just a fluke. Dimmitt defeated Silvertown 18 to 0, lost to Abernathy 34 to 14, defeated Turkey 33 to 0, and lost to Hale Center 34 to 0. The Lockney-Hale Center score was 34 to 6.

The Bobcats will out weigh the local team 5 to 10 pounds per man on the average although they have two big tackles that weigh close to 200. They use the straight T and winged T formation.

A large crowd is expected to be on hand to witness this first district game of the season.

## Mrs. Baccus' Father Claimed By Death

Herbert Edgar (Pete) Marsh, 53, well-known Crosby county farmer and father of Mrs. R. D. Baccus of Lockney, died in the Crosbyton Hospital Saturday night following a heart attack.

Funeral services were held at the First Baptist Church in Crosbyton at 4 p. m. Monday with Rev. Wayland Boyd, the pastor, officiating. Burial was in the Crosbyton Cemetery under the direction of Carter Funeral Home of Ralls. In addition to the Baccus family, a large number of Lockney people attended the services.

Mr. Marsh had been a resident of Crosbyton since 1915. He was a member of the Crosby County Sheriff's Posse, and a former member of the board of directors of the Crosbyton Hospital.

Survivors include his wife, three daughters, Mrs. Baccus of Lockney, Mrs. W. F. Wheeler, Crosbyton, and Mrs. Dutch Hines, Crosbyton; two brothers, five sisters, and five grandchildren.

## Invited To See Fertilizer On Feed Demonstration

The Lockney FFA Chapter is inviting farmers of this area to see their fertilizer on feed demonstration on the J. R. Belt farm this week. The maize will be harvested the first of next week.

The demonstration plot is located just west of the Belt home on the highway. The amount of fertilizer in each plot is printed on the signs located on the highway end of the rows.

The demonstration was made by the FFA chapter in cooperation with Baxter & Smith Grain Co., Mr. Belt and the Phillips Chemical Company.

## Attend Meeting Of Knife And Fork Club

Mr. and Mrs. E. J. Foster and Betty Jean, accompanied by friends from Plainview, attended a meeting of the Knife and Fork Club Tuesday night. The speaker of the evening was Sigmund Spaeth who spoke on enjoying music.

## New Plymouth To Be Shown Here Friday

Detroit — Plymouth's new aerodynamic 1956 cars will be displayed by dealers throughout the nation beginning Friday, October 21. Bilibey Motor Company will show the new model in Lockney.

Plymouth President John F. Mansfield said the new models incorporate major advances in every phase of automobile design, with special emphasis on engine performance, safety and aerodynamic styling.

Plymouth has a wholly new engine for 1956. It is a more powerful H-6 V-8 with a polysphere combustion chamber design, a 277 cubic inch displacement and an 8 to 1 compression ratio.

Other major innovations include: Airfoil rear fenders which emphasize and contribute to the aerodynamic feeling of the new models.

A push button drive selector for Plymouth's PowerFlite automatic transmission.

New 90-90 Turbo-Torque PowerFlite on V-8 models. Ninety degree angles at the inlet and outlet blades of the torque converter impeller give faster breakaway performance.

A new four-door Hardtop (Sport Sedan) with an ingenious rear window operating mechanism allowing full side vision for all passengers.

A new line of Suburbans. In Plymouth's 1956 line-up, the Suburbans are an entirely separate group of cars and are available in a wide selection of two-door, four-door, two-seat, three-seat, V-8 and six cylinder models.

New safety door latches to keep doors closed even under severe impact.

New 12 volt electrical system, new pull-type door handles and new deck lid latch.

Highway Hi-Fi, a new car phonograph providing an hour of uninterrupted entertainment, and new Search-Tune radio.

Plymouth dealers will continue to offer safety belts, anchored to the frame and available for both front and rear seats, on all models.

All other Plymouth safety features are standard equipment items. They include an independent hand brake, dual cylinder front wheel hydraulic brakes, safety rim wheels, electric windshield wipers and new safety beam headlights.

Optional power devices, in addition to push button PowerFlite transmission, include full-time power steering, improved power brakes, push button power front seat adjustment and push button power window regulators.

The 1956 models are an inch longer than their predecessors. Standard sedans have an inch more headroom in front, and almost an inch more head room in the rear.

## Orland Gilbert Is Named Who's Who At McMurry College

Orland Gilbert, a junior student at McMurry College, Abilene, and son of Mr. and Mrs. Marvin Gilbert of Lockney, was selected as one of the 11 students at McMurry who were named to Who's Who in American Colleges and Universities.

Orland is a graduate of Lockney High School and has been active in the college affairs since his enrollment there. He is junior class student council representative and president of the Press Club. He is a member of IHR and has been active in the student council's constitutional revision program.

Orland is also in the run-off for class favorite of the junior class. Elections were held this week and the winners will be announced at the homecoming coronation ceremony November 4.

## Singers To Meet Next Sunday

The Fourth Sunday Singing will be held Sunday afternoon at 2 o'clock at the City Auditorium, according to Norvell Raper, president. The public is cordially invited to attend.

## J. H. Holts Have Resigned, Will Leave Lockney

Mr. and Mrs. J. H. Holt have both resigned their respective positions here effective January 1 and they plan to move away sometime after that date. The announcement of their plans came early this week.

Mr. Holt is medical technologist at the Lockney General Hospital, which position he has held for the past seven years. He has asked to be admitted as a postulant for the Holy Order of the Episcopal Church, which means that he will study for the ministry of that church if the Bishop of this diocese grants permission.

Mrs. Holt has been acting postmaster for the past two years. Her resignation has already gone to the postmaster general effective January 1.

The Holts are undecided as yet just where they will move to, they said this week. For the first few months Mr. Holt will study under the directions of Bishop Quarterman of Alexandria, Va.

The vacancy created by Mrs. Holt at the post office will probably be filled by the appointment of one of the two persons on the present eligible list, according to the best information The Beacon could secure. These are Udell Cunningham and Mrs. Jeffie Griffith. Both took the examination at the time Mrs. Holt took it, both passed and have been declared acceptable by the Civil Service.

## Mrs. S. V. Williams Has Heart Attack

Mrs. S. V. Williams suffered a heart attack early Wednesday morning at her home and was taken to Lockney General Hospital at 5:30 a. m. for treatment.

Mrs. Williams' condition was said to be serious but was showing improvement Wednesday afternoon.

## Mitchell Named President Texas Swine Breeders

R. C. Mitchell of Lockney was elected president of the Texas Swine Breeders Association in the annual meeting held during the State Fair at Dallas last week. Mr. Mitchell's term is for one year and he succeeds Marvin J. Bridges of Buffalo, Texas.

Other officers elected were David Rasmisel of San Antonio, vice-president; Doyle Love, Dallas, secretary-treasurer.

The association is composed of swine breeders from all over the state representing all the various breeds of swine. Its purpose is to promote the swine industry in Texas and it also has members representing packers and processors of pork and allied industries. A slate of 12 directors help promote the work of the association.

At the Dallas meeting the association voted to become affiliated with the National Council of Swine Breeders, a nation-wide organization of pork producers who promote the consumption of pork and pork products.

## GRAIN HARVEST GOING GOOD, COTTON COMING IN SLOWLY

### Mrs. Bill Kelley Dies At Lubbock

Mrs. Bill Kelley, 29 years of age, died at her home in Lubbock early Saturday morning. Her husband, a former Texas Tech football star and brother to Mrs. Harmon Handley of Lockney, came in from a football game and found her gasping for breath, relatives said.

Attending physicians were unable to determine the cause of death but said that she died of natural causes. Relatives believe she suffered some kind of heart attack although she had never been ill before as far as they knew.

She was rushed to the Methodist Hospital in Lubbock but was pronounced dead on arrival.

Funeral services were held at 2 p. m. Monday in the First Methodist Church, Lubbock, with Dr. J. Chess Lovvern officiating. Burial was in Tech Memorial Park.

Survivors include her husband, a son, Graig Allison, age 3½, a daughter, Jean Ann, age 2 months, one brother, four sisters and a grandmother.

### B Team And Junior High Play Floydada Here Thursday

The Lockney Longhorn B team and the Junior High School Shortorns will play the Floydada Whirlwind B team and the Junior High Breezers here this (Thursday) evening starting at 6:30.

The teams have met before with the Lockney B taking a close win over the Whirlwind B team but the Shortorns dropped their game to the Breezers. They will be trying to even the score in the game today.

Local fans are invited to be present and boost the local teams.

### 5-AA Football Dist. Organized At Meet

A meeting of the school superintendents and coaches of the new 5-AA football district was held Wednesday evening of last week at Slaton. At this meeting the district committee for the new district was organized and drawings were made for the district football games next fall.

Supt. Lee Vardy of the Slaton schools was named chairman of the district committee.

In the drawings for games the following schedule was worked out for the Lockney Longhorns:

- Oct. 5—Abernathy here
- Oct. 12—Slaton there
- Oct. 19—Post here
- Oct. 26—Open
- Nov. 2—Spur there
- Nov. 9—Floydada here
- Nov. 16—Tahoka there

The Longhorns will probably play Ralls and Hale Center in two of the four non-conference games to be played before district play starts, local school officials said.

Attending the meeting from Lockney were Supt. W. C. Irons, Coaches Rudy Haile and Elvin Lyon and Principal F. M. Smith.

### The R. C. Bennetts Not Improving

Mr. and Mrs. R. C. Bennett, pioneer residents of Lockney, who have been ill the past year, are showing no improvement, according to a report by their daughter, Mrs. Barney Manning of Wichita Falls.

Mr. and Mrs. Manning visited here this week. Mrs. Bennett who lives with the Mannings at Wichita Falls, is holding her own. Mrs. Manning says but her father, who is at the home of another daughter, Mrs. Faye Crawford in Dallas, is gradually getting weaker. The Bennetts have numerous friends here.

### Condition Of W. C. Watson Unchanged

Mr. W. C. Watson, who suffered a heart attack last week is still receiving treatment at Lockney General Hospital. His condition is reported to still be serious although he has improved slightly.

The grain harvest in this area was going almost full speed Wednesday but cotton continued to come in slowly despite the excellent cotton maturing weather the past few days.

Local elevator men are estimating that the grain harvest in this entire area is around 50 percent complete although it is further along in some sections than in others. East of Lockney the harvest is some 70 to 75 percent complete, they say, while south and southwest it is around 50 percent through. However north and northwest of Lockney most of the grain is yet to be cut.

The box car shortage is causing some concern at present and grain is being piled on the ground at South Plains and Silvertown, reports here say, but local elevator men feel sure that sufficient storage is in sight to take care of local grain, although some might have to be piled on the ground temporarily in the latter stages of the harvest.

The local area seems to be pretty well passed the damaged grain scare although there is still a small amount of discolored grain in the area. The ASC has announced that discolored grain will be accepted for government loan at a seven cent per hundred weight discount. Locally elevator men say that the grain they are getting now is in fine shape for the most part and they're having no trouble on damaged grain.

Cotton Opens Slowly  
Cotton was opening slowly in this area and will need another two or three weeks of warm weather if the crop is to reach its potential. The Beacon was informed. The four gins at Lockney have ginned only 275 bales up to Wednesday compared to some 5,000 bales turned out at the same time last year. The gins in the north part of Floyd County have ginned around 600 bales compared to 11,000 at the same time last year.

A report from Taylor Golden of the Census Bureau shows that Floyd County ginned only 128 bales prior to October 1 this year compared to 3,806 to the same date last year.

Weather here was ideal Wednesday with bright sun shine bringing warm temperatures. The lowest temperature the past week has been 47 degrees, according to Joe Holt, local weather observer. However the cotton crop is late and a hard freeze at this stage would do untold damage. Most farmers are wanting a light frost to take off the top leaves which would allow the sun to get into the lower part of the stalk. Some farmers have defoliated in order to hurry the maturing of the cotton.

Briscoe County has ginned a round 1,000 bales of cotton according to a report from Jack Orr, local TEC representative.

### New Trial Granted In Damage Suit

Judge Alton B. Chapman granted a new trial Wednesday in a damage suit in which the plaintiff was recently awarded \$8,320 in 110th District Court at Floydada. Warren H. Graham is plaintiff in the suit and defendant is Freddie B. Merrell, both of Lockney.

Graham's suit came out of an auto collision between cars belonging to the two parties in the suit at the intersection of Popular and Southwest First Street in Lockney in August of last year. The jury in the case, tried the later part of August this year, awarded Graham \$7,500 for personal injuries and \$820 for damage to his car.

Judge Chapman awarded the new trial upon motion of the defendant after a day-long hearing Wednesday of this week. In granting the new trial, the Judge cited the fact that the defendant was a minor and did not have a guardian-ad-litem appointed for the trial. He also pointed out that testimony during the hearing had revealed that the jurors in the trial had discussed the matter of the defendant's insurance in arriving at a verdict in the case. The Judge said that either could bring a reversal of the judgment in higher courts.

Jurors in the trial who testified during the hearing Wednesday included Jerry Paul Cooper, Sam Jones, Maurice Campbell and Jess Patterson.

AIKEN COMMUNITY exhibit won first place in the community exhibits at the Floyd County Fair held here last weekend. The 25 varieties of agricultural products are shown here. —Photo by Doyle Fowler

## FAIR ATTENDANCE IS GOOD, EXHIBITS ARE EXCELLENT

Attendance at the Floyd County Fair, held here last Thursday, Friday and Saturday, was good despite the busy times and the exhibits were excellent. Fair officials were pleased with public response to the fair, they said this week.

Attendance was estimated at around 7,000 during the three days. This compares favorably with the attendance last year when the fair was held in September.

Exhibits were excellent and drew many favorable comments from fair visitors. The Aiken Community exhibit won first place in the community exhibits. All the community exhibits were excellent and were rated high by Judge Ollie Limer of Plainview. Here are the ratings of the remaining four: Harmony 907, Sterley 886, South Plains 895 and Dougherty 886.

A special attraction at the fair Saturday was a musical program by the High Plains Five from Plainview. The group presented a free musical program under the auspices of the fair association and Montgomery Ward Co. at Plainview.

In the stringed orchestra were Kenneth Pemberton, Robert Sarchet, Ernie Burnstead and Travis Venable. Dorothy and Mary Martin of Plainview were soloists.

Radio broadcast from the agri-dada department building culture department and also presented a number of special musical groups.

H. D. Marshall of Floydada won the old fiddlers contest, held Friday evening. Of the

\$25 prize. Mr. Marshall spent \$10 for a membership in the fair association. B. W. Cox of Lone Star also entered the contest.

The style show, held each evening in the commercial exhibits room, was a big attraction, drawing a fine crowd.

Local high school girls acted as models for the show, presenting cotton fashions furnished by the National Cotton Council.

The fair parade, held Thursday afternoon of last week, drew a large crowd. Led by the Floydada and Lockney high school bands the parade included quite a number of floats and groups of all kinds. Commercial floats were in the majority but other floats were also entered.

Agricultural exhibits were very good. Attracting special attention was the careless weed contest in which Horton Howell of Sterley won first with the tallest careless weed, 11 feet, and Eddie Gloyna had the largest careless weed, 16 inches around the stalk.

Chester Mitchell showed the grand champion bull and Dean Walls of Floydada showed the grand champion female in the beef cattle division. Chester Whites won grand champion ribbons in the swine division, the bear shown by Joe Cunyus, Eddie Fortenberry and Bill Sherman and the sow shown by Joe Cunyus.

Mrs. Frank Roberson of Lockney was the top winner in the flower show at the fair, while Mrs. A. H. Kreis of Dougherty was the winner in the canned fruits and vegetable division. In the textile division Mrs. C. A. Caffee of Dougherty, Mrs. H. G. Hodges and Mrs. Melvin (Continued on back page)

## Minute Editorials

Who can have compassion on the ignorant, and on them that are out of the way: for that he himself is also compassed with infirmity.—Hebrews 5:2

**IT WAS A GOOD FAIR!** That statement has been made over and over again to The Beacon man during the past few days. And indeed it was a good fair. People from all over the county participated in the exhibits, joined in the fun and enjoyed visiting with neighbors and friends during the three days. Attendance was good, although an accurate count of those attending could not be made. Probably some six or seven thousand attended the fair. Although Manager Dick Whiteley couldn't give an exact account Monday, the fair came out in the black and that is important.

**MANAGER WHITELEY,** the fair directors and officers and everyone else who worked so hard to put the big event over, are to be congratulated. Any event of this nature requires a lot of hard work and the success of the 1955 fair testifies to the amount of work put into the fair this year. Those men who are not fair association officials but who gave of their time and money to get the big fair building ready are also

due a lot of credit and praise. One more year of expending as much labor and money as was put into the building this year will make the big building ideal in every respect. All the floor space of the building wasn't utilized this year. A little more work will make the entire building usable and then what an ideal spot it will be to hold a fair — everything under one roof and plenty of room for all.

**CHANGING TIMES,** a Kiplinger magazine, predicts the following changes as within the realm of probability in this country within the past five or ten years:  
By 1965, the average family can expect \$1,400 more income in terms of 1955 dollars because of lower taxes and higher productivity.

By 1960 most young couples will be ready to buy a home even before they think of raising a family.

There will be fewer canned and frozen foods. Instead many foods will be irradiated, will need no refrigeration and will last indefinitely.

Work weeks will be cut to four days.  
The turbo-car will be on the market with only one-fifth the moving parts of the present cars and it won't have a transmission or clutch.

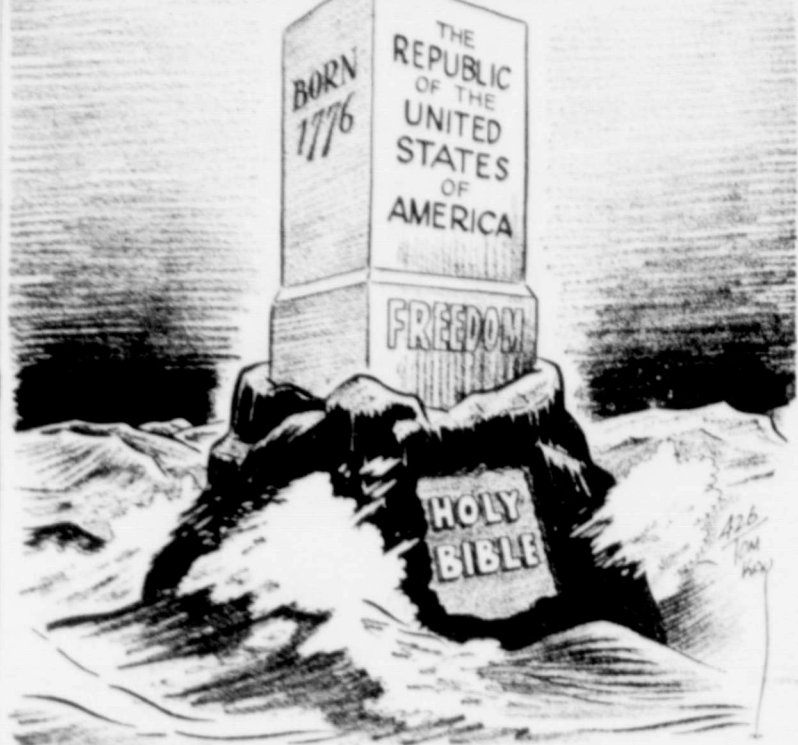

Long-term weather forecasting will be reliable. You'll be told on Monday what the weather will do on Saturday and be able to count on it.

**THERE IS CONSIDERABLE** dissatisfaction among those familiar with the Boy Scout movement in this area with the budget for the South Plains Council. The budget for next year is \$98,000 for the 26 county area of which Floyd County will contribute some \$3500. Local Scout men are wondering just what we get for that \$3500. True a Scout Field Executive visits the local troops occasionally but he has so many troops to visit that he gets around only at long intervals. Much of the money goes to Camp Pose but a much smaller amount is spent on Camp Haynes, near Silverton, which is the camp most Scouts in this part of the Council prefer. No part of the funds in the Council budget come back to the local troops except in minor services. If the local troop needs funds of any kind it must arrange to secure them through other means or get them from its sponsoring organization. We're not as familiar with the Council budget as we should be but the many comments from Scouters of this area indicate that those who are familiar with the program are dissatisfied. The program appears to be centralized in Lubbock and apparently that is where most of the money is spent. Perhaps we need to take a new look at the Scouting program.

**ONE GOOD WAY** to have a clean mind is to change it occasionally.

### With Our EXCHANGES

**NEW FARM ROADS**  
The announcement that a \$1,200,000 farm-to-market road program for the South Plains soon will be launched by the State Highway Department is welcome news.

Construction of 115 miles of roads in a 13-county area will begin as soon as the right-of-way has been secured and contracts let and may be started before the end of 1955. It is expected that most of the roads will be finished by the end of 1956.

The type of roads to be built will be admirably fitted to the needs of this area. They will be of asphalt dustless paving with a flexible base and will be 20 feet wide, instead of 18 as formerly.

Two of the roads will be built

**CARL McADAMS**

Building

in Lubbock County — one from U. S. 84 one mile South of Slaton, East to the road intersection; the other from War Highway 5, East on Fourth Street to the West city limits of Lubbock.

Other roads included in the program are planned for Bailey, Castro, Cochran, Crosby, Borden, Floyd, Garza, Hockley, Lynn, Farmer, Swisher and Yoakum Counties.

These farm-to-market roads will serve an important function in the development of this area.—Lubbock Avalanche.

GO TO CHURCH SUNDAY.

### IT HAPPENS THERE TOO, MR. HOLT

Being the official weather recorder for Crosby County (a job we have held for 10 years now) includes a lot of things besides simply recording the weather. For instance, after every rain of consequence, we have from 10 to a 100 telephone calls wanting to know what the official measurement was. And we think we are conservative in saying that three-fourths of those calling express disagreement. It's seldom that our gauge, which is the official measuring device of the U. S. Weather Bureau, catches enough moisture to correspond with amateur measuring gauges. We have been accused of lying (they were grinning when they said it), having a leak in our gauge, failing to read it right, et cetera. What few of them will acknowledge is that these little amateur gauges are sometimes quite inaccurate, being too small to easily measure the rainfall. A two-pound coffee can (or a taller can with straight sides if you can find one) makes a much better measuring device. You can paint a graduated scale on the inside of the can or use a ruler as your gauge. And be sure it is far enough away from any obstruction not to interfere. We know, of course, that rainfall will vary a lot in just a short distance. But we also know that it will average out over the years, and that the official gauge couldn't be in the lowest spot all the time. Why, judging from newspaper accounts of rainfall around Ralls that area must have an average rainfall of about 30 inches. Does it?—Trends in Crosbyton Review.

**ORANGE STICKS**  
Orange sticks are easy to make and delicious as a different snack at tea time. Make a rich biscuit dough, substituting orange juice for the liquid required. Add a few drops of orange extract; roll the dough thin, and cut into narrow strips. Then sprinkle with grated orange peel and sugar, and bake in the oven until crisp and brown.

## Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

**October 22, 1925**  
At a meeting at the high school auditorium Thursday afternoon Mrs. A. B. Brown was chosen president of the Mothers Club to succeed Mrs. G. J. Stapleton who resigned. Fifty-one mothers were present.

The Patridge Wyandotte chickens of H. P. Coleman of Lockney won nine prizes at the state fair in Dallas last week, including the grand champion pullet.

Showing their true fighting spirit, the Lockney Longhorns won their third straight game of the season by trampling Kress 26-6 Friday night.

**First Freeze** — The first time the thermometer has reached the freezing point was registered here Monday morning with a low of 31 above. A light freeze or frost is thought to be worth a great deal to the crops as it would stop the vegetation from growing and cause cotton to open much faster. The weather has been so wet the past few weeks that the crops have taken on a second growth.

Holmes Bros., breeders of Duroc-Jersey Hogs at Sand Hill took six of their herd to the Tri-State Fair at Amarillo. They won seven prizes including senior champion and grand champion boar.

The regular monthly trades day and drawing was held in Lockney Monday. Mrs. W. R. Evans held the ticket winning \$75 in cash. Mrs. J. W. Dines was winner of \$40 cash and Miss Zelma Fowler won the \$25 cash prize. Six of the \$5 winners are Mrs. C. L. Cowart, M. H. Taylor, J. C. Colvin, Mrs.

Hackney, Mrs. Mrs. Luther Cook  
**October 22**  
The best rain of here this week. In area one and a inches was reported.  
Mr. and Mrs. E. children moved to Floydada to Portale. Barkers moved from Lockney to Mrs. Barker four an art class and a class in Portales will farm.

**October 22, 1925**  
Mrs. R. B. Merc passed away at her daughter, Mrs. in Olney Thursday. Mrs. Mercer has dents of this comm about 40 years. They their home in the of town until about this ago when they with their daughter at Ol

Mrs. Douglas Clark, of Mrs. Blanche Phogay, passed away Monday after a illness. The family moved South Plains 23 years ago when they lived until 1934 when they moved to a farm south of Lockney. Mr. Clark preceded his wife in death, having passed away in February of this year.

The Lockney schools will dismissed all next week to low students to help in gathering the cotton crop.

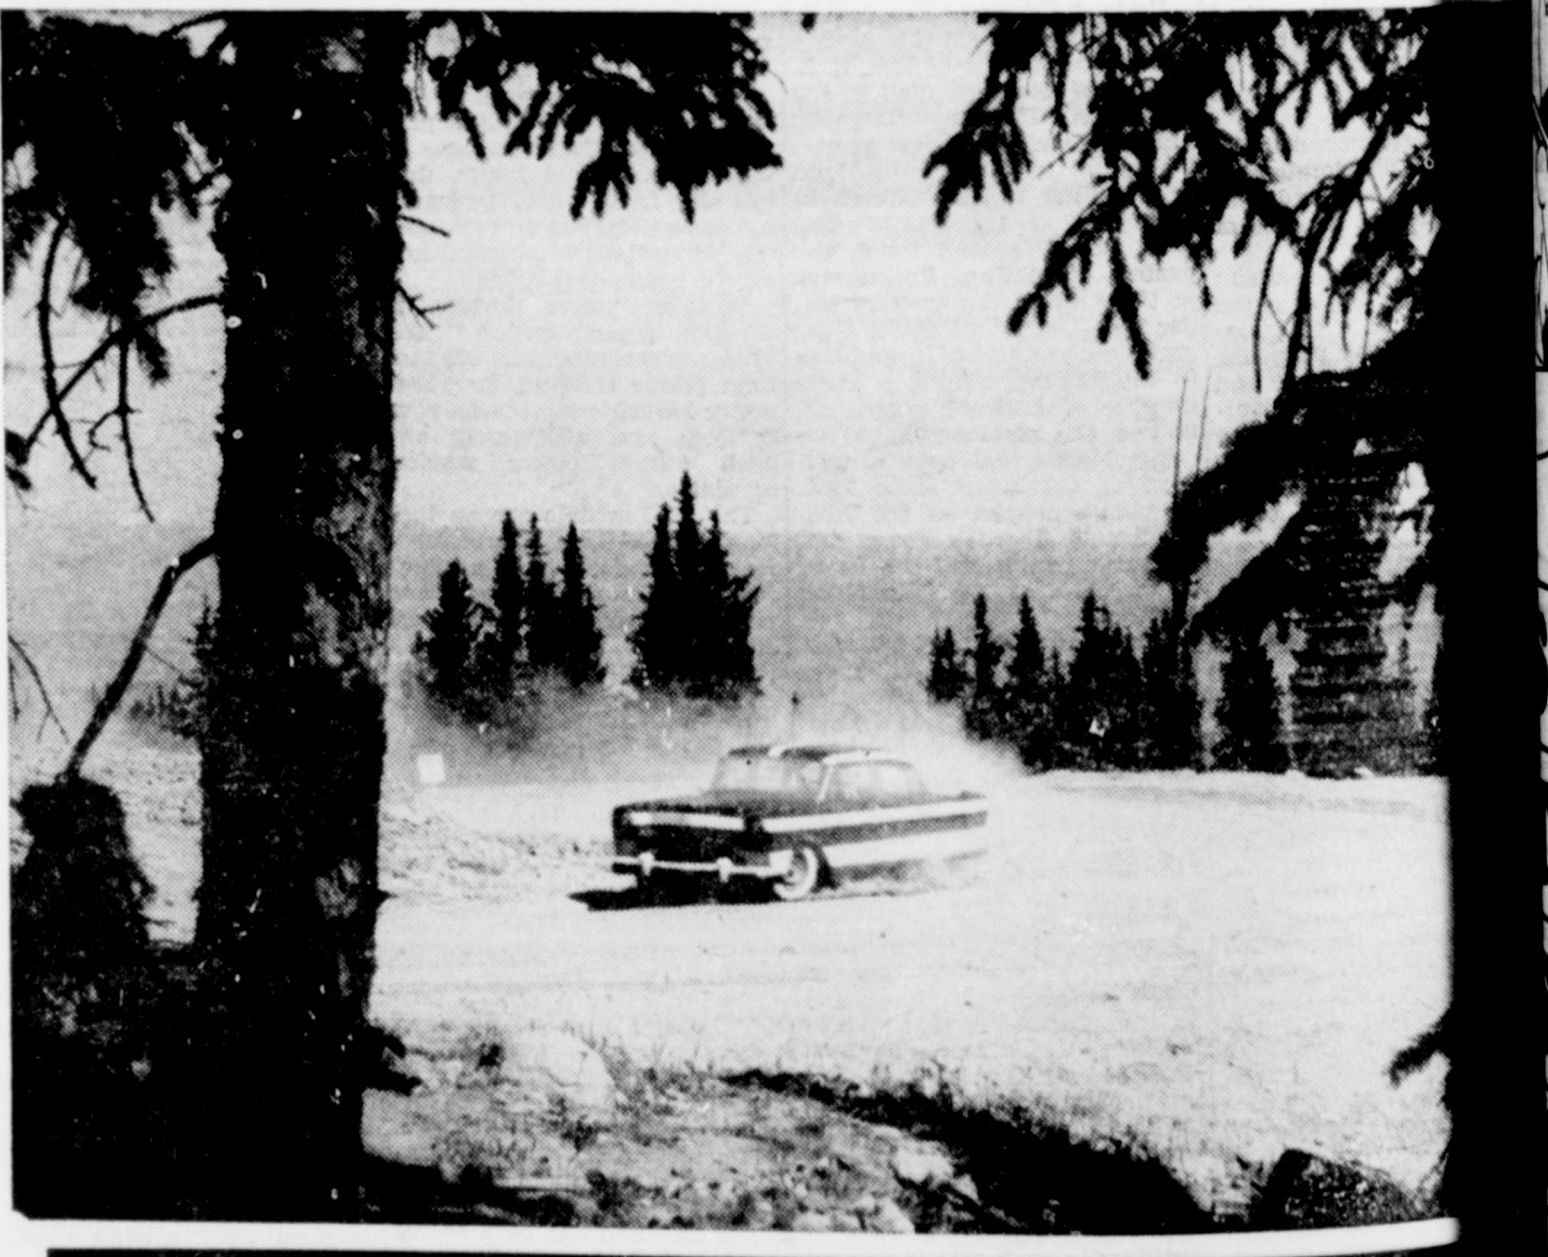

The three Lockney glass turned out 1150 bales of cotton from the 1943 crop. Cotton almost all open now and farmers are looking for pullers.

Wayne Roberson, 18 year son of Mr. and Mrs. Art Roberson of Lockney, died Wednesday afternoon at 5:15 in Albuquerque, N. M., from injuries received when a motorcycle he was riding fell on him. The accident occurred in Belen, N. M. Wayne and Red Childers had been on a trip on motorcycles to Denver, Colorado and has returned to Belen.

## '56 Chevrolet sets new Pikes Peak record in top-secret test!

Not long ago a hush-hush, camouflaged '56 Chevrolet scorched the nerve-banking road up Colorado's Pikes Peak in a new NASCAR\* certified record—the first time that old King of the Mountains has seen a new official stock car record in years! And what a road! 170 chilling turns and no guardrail! It's the first and only time a new model ever proved itself such a great road car before its introduction! The '56 Chevrolet showed the kind of performance that makes driving safer and more fun. So wait for the car that beat the King of the Mountains!

\*National Association for Stock Car Auto Racing whose officials timed and certified the performance of this production.

## Student Council Will Entertain Student Body

When the student council met on October 10th, they discussed ways and means of entertaining the student body.  
 One of the entertainments discussed was "Twirp Week" which will begin November 14, Sadie Hawkins Day, and last through the entire week. The student body will not be expected to wear costumes, however, because the student council is sponsoring a party to which each person will come dressed like a character in "L'Abner."  
 The student council is also considering giving a Hallowe'en Party. Details have not been sufficiently discussed for any definite plans to be made as yet.  
 The meeting was adjourned by the president, Luther Williams.

## Making Plans

On Thursday, October 13th, the junior class officers met to plan their money making projects for the year.  
 Some of the plans discussed were selling postcards having local scenes on them, engaging Uncle Jay and the Green Valley Boys from Amarillo for a performance, a telethon, and a rummage sale. These are merely tentative plans as no definite decisions have been made.  
 Folks, whatever we do, we need your cooperation to help us raise enough money to sponsor the Junior-Senior banquet.

## Sophomore Class Meeting Held

On October 11th the sophomore class met in Room 203.  
 The meeting was called to order by Billy Bigham, class president. Loy O'Brien, secretary-treasurer, reported our financial status as \$500.00 after the receipt of \$85.85 from the

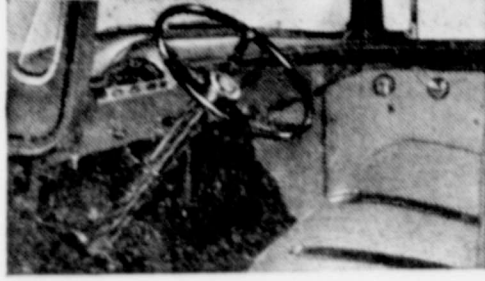

for our concession stand during the Lockney-Floydada B team game on the evening of October 20th.  
 As there was no further business, the meeting adjourned.

NEW POWER! Short Stroke power in every model... and at no extra cost! New '56 engines give you power increases up to 26%. You get rolling faster, have more reserve power!

NEW SAFETY and COMFORT! New Driverized Cab comfort, plus the protection of Ford's exclusive safety features... new Lifeguard steering wheel, and door latches!

NEW CARRYING CAPACITY throughout the line. New Ford F-500 "1 1/2-tonner," for example, has new 15,000-lb. GVW—an increase of 1,000 lbs.!

# More Horsepower per Dollar\*

## in new FORD TRUCKS for '56

Ford Trucks for '56 give you a choice of eight modern Short Stroke engines—seven Y-8's and a Six—from 133 to 200 h.p.! Only Ford has Superior Short Stroke power in every truck!  
 The result: less power waste, greater gas savings, less wear on moving parts, longer, lower-cost engine life.

Choose from over 280 models—from Pickups to BIG JOBS!  
 Shown: new Ford F-100 8-ft. Express. Gives you more usable power, Y-8 or Six, than any other truck in its class.  
 It looks the leader, too!

\*PROOF! Comparisons of all makes of trucks, based on net horsepower and suggested list prices, show that Ford gives you more power for your money than any other truck line.

Treat yourself to America's easiest-driving Pickup—with Fordomatic!

(Optional at extra cost.)

### Only Ford gives you all these new and exclusive features

Ford Trucks are first with safety first in new Driverized Cabs! Only Ford gives you so many safety features... tubeless tires now standard on all models.

In no other truck engine will you find the complete combination of sodium-cooled exhaust valves, self-sealing intake valves, and other long-life features that you get in today's heavy-duty Ford Truck engines.

NEW! 8-ft. F-100 Express for bulky loads, available at small extra cost. Also, popular 6 1/2-ft. Pickup standard. GVW rating 5,000 lbs.

NEW! 12-volt electrical system for better cold-weather starting, improved high-speed performance, greater electrical reserve.

NEW! Master-Guide Power Steering now available on most conventional and Cab Forward Big Jobs. Standard on many Ford Tandems!

NEW! Full-wrap rear window for easier backing, parking, maneuvering. Low extra cost. New full-wrap windshield... almost 1,000 square inches Btg, is standard.

## "Life To The Soil"

B. B. Wilkes of the Aiken community is really sold on alfalfa for giving "life to the soil."

Mr. Wilkes keeps his cotton and grain sorghum yields up by rotating with alfalfa. Last year he averaged 5,200 pounds per acre on grain sorghums following alfalfa. He averaged about two bales of cotton per acre for three successive years following alfalfa. For these reasons Mr. Wilkes has just recently seeded 235 acres of alfalfa.

Alfalfa is the best soil improving crop that we have. It gives "life to the soil" in three major ways. First, it opens the soil so that water and air can get in. Second, it takes nitrogen from the air and stores it in the soil, when properly inoculated. It also places much needed organic matter in the soil, as the last growth is incorporated.

Alfalfa grown in the proper sequence with cash (soil depleting) crops gives needed "life to the soil." It should be included in the crop rotation often enough to keep the soil very productive. Once in four to six years has proven very effective under irrigation on our "tight" soils. The alfalfa should be left from two to three years, at least, to give opportunity for the root system to penetrate deep into the soil. Used properly, alfalfa helps increase the yields of the crops following by 50 to 100 percent.

There is still time to seed alfalfa this fall. Use this excellent soil improving crop, and concentrate on fewer acres, producing bumper cash crops.

Mr. Wilkes claims it takes no more irrigation water to grow alfalfa than for cotton or grain sorghums.

Begin now giving "life to the soil" by seeding alfalfa. Many farms in this area need new life to help them produce the maximum of which they are capable. Wouldn't you rather produce 112 bales of cotton on 75 acres as 100 bales on 100 acres? This is just a 50 percent increase. It can be done by proper use of alfalfa.

## KINGS HAVE DAUGHTER

Mr. and Mrs. Herman King are parents of a daughter, Joan Frances, born Saturday morning at the Plains Hospital in Hale Center. The Kings have a son, Ben. Grandparents are Mr. and Mrs. Albert King of Lone Star and Mr. and Mrs. W. H. Workman of Lockney.

### "WATERWORKS"

DOMESTIC WATER SYSTEMS

1500 SOUTH COLUMBIA, PLAINVIEW

### A FAVORITE DESSERT

Spoon a layer of vanilla ice cream into the bottom of a large bowl, and cover with a layer of crushed canned pineapple. Then add another layer of orange sherbet, and top with crumbled dry macaroon crumbs. Place in the refrigerator until it sets firm, so you can dig deep into the bowl when you serve.

### WASH PROMPTLY

For efficient dish washing, a prompt rinsing or soaking is necessary in hot soapsuds so that food has no time to become encrusted on the china. And when pots and pans are put to scak in hot soapsuds immediately after use, dishwashing time and elbow grease are both cut to a minimum.

### WATER HEATER RENTALS

In many parts of the country, apartment-house dwellers and other tenants are finding it possible to rent water heaters that fit their needs. The charge is small and operates on a monthly basis. The obvious advantage, plus the fact that hot water anemia becomes past history, have helped to popularize this plan.

**COMBUSTIBLE MATERIALS**  
SECTION 3. It shall hereafter be unlawful for any person, firm or corporation operating a cotton gin within the City limits of the City of Lockney, Texas, to burn or destroy any cotton burs, leaves, parts of cotton stalks, waste lint and other combustible matter mentioned in Section 1 of this Ordinance, within the City limits of the City, except to burn the same in an incinerator of the following specifications, viz:

Such incinerator shall be a cylinder shaped structure standing upright on a suitable concrete foundation and not less than twenty (20) feet in Diameter nor less than eighteen (18) feet in height of its main walls, and such walls shall be constructed of heavy iron lined inside with either common or fireproof brick, laid flat, to the height of at least ten (10) feet above its concrete foundation; or the walls of such incinerator may be constructed of fireproof brick, laid flat, to the height of at least ten (10) feet above the concrete foundation, and the remainder of its walls may be of heavy iron structure up to the required height of the walls of eighteen (18) feet; and such incinerator shall be covered with a spark proof and wind proof conical shaped iron cover securely attached to the top of its walls; and such incinerator shall be connected to the body or reservoir of such incinerator near its top and which said smoke stack shall extend vertically at least thirty-five (35) feet from its point of connection with the body of the reservoir of such incinerator, and such smoke stack shall be supported by a substantial and sufficient concrete foundation; said smoke stack shall be equipped with an efficient spark screen or arrester. The top of the smoke stack must be at least fifty (50) feet above the ground level, and the reservoir shall have two "clean out" doors near the bottom of such structure and shall be placed on opposite sides of said structure from each other. Such incinerator shall be subject to inspection for approval or disapproval by the governing body of the City of Lockney, Tex. or under its direction, and when so approved, a proper permit shall be issued for its use.

SECTION 2. It shall hereafter be unlawful for any person, firm or corporation to burn or destroy any of the combustible matter mentioned in Section 1 of this Ordinance within the corporate limits of the City of Lockney, Texas, except to burn the same in an approved incinerator, the specifications of which must meet the approval of the governing body of said City, which approval must be shown by a proper permit issued by the said City; or, in the case of operators of cotton gins, as provided in the following Section 3 of this Ordinance.

SECTION 2. Any person, firm or corporation violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction, shall be fined in any sum not to exceed One Hundred and no dollars (\$100.00). Each day during which any violation of this ordinance may occur shall constitute a separate offense.

SECTION 5. The fact that the City of Lockney, Texas does not now have adequate regulations covering the fire hazards caused by the accumulation, storage and disposal of the combustible matter mentioned in this ordinance creates an emergency requiring the suspension of the rule which requires that ordinance to be read at three separate meetings of the City Council, said rule is hereby suspended, and it is hereby ordained that this ordinance shall be in full force and effect from and after its passage and approval.

PASSED AND APPROVED this 6th day of Oct. 1955.  
APPROVED: J. E. Cox, Mayor.

**Tailored Wiring**

If it's to fit your special measurements, and give years of wear, it takes expert tailoring of top quality material to suit your individual requirements. You certainly couldn't expect a 15-year-old suit or dress to give its best service now.

And so it is with your farm and home wiring. The wiring that suited 15 years ago may have gotten a little snug around the kitchen, livingroom or barn, cramping efficient operation of your electrical appliances and equipment. Wiring on every farmstead should be tailor-made to meet your individual requirements.

Here are some important suggestions:

1. Use quality materials—look for the UL label—cheap, inferior switches, outlets and wire are often unsafe.
2. Have your wiring installed by a competent electrician who will give you a tailored wiring job that will not only fit your present needs, but can be expanded to fit future requirements.
3. Pay particular attention to safety—be sure that all motors and appliances and equipment are properly grounded.

Why not drop by your rural electric office and talk with your electrification adviser or wiring inspector. They can give you some valuable tips on tailored wiring.

**Layette Shower Honors Mrs. Taylor**

Mrs. James Taylor was named honoree at a layette shower given Tuesday afternoon in the home of Mrs. Henry Ford. Calling hours were 3 to 5 o'clock.

Laid with a white linen cut-work cloth the table was centered with an arrangement of yellow chrysanthemums flanked by yellow tapers tied with green bows. Favors were tiny storks. On the buffet was a lace stork.

Mrs. J. W. Smith and Mrs. Bill Thompson presided at the table and in the gift room were Mrs. R. L. Knox and Mrs. R. V. Webster.

Hostesses for the occasion were Mmes. Henry Ford, Byron Ford, R. V. Webster, Bill Thompson, R. L. Knox, Buck Sams, Paul Cooper and J. W. Smith.

Registering and sending gifts were Mmes. H. B. Coggin, Jerry Cooper, Richard Patterson, Frank Dodson, Fred Anderson, James Bobbitt, Clyde Applewhite, Henry Hodel, Bill Hodel, Arthur Barker Sr., Luther Cooper, Guy Sams, J. H. Cooper, E. M. Quebe, N. H. Gammage, Louis Kendal, Floyd Jackson, Clark Harris, B. E. Harris, Lavon Johnson, Bobby McCormick, K. W. Cook, Marvin Sams, Jesse Harris, C. J. Taylor and Charlotte, Dorsey Baker, Fritz Schacht, Bob Knox, Clyde Hill, Paul Reece, R. E. Patterson, Kelton Shaw, L. T. Busby, Sam Miller, Tom Rankin Sr., and Tom Rankin Jr., and the hostesses.

**Pollyanna Club Meets In Allison Home Friday**

The Pollyanna Club met Tuesday afternoon in the home of Mrs. O. C. Allison.

Gifts were exchanged and refreshments in the Halloween motif were served to Mrs. Barney Manning of Wichita Falls, a former member, and her daughter, Mrs. Bill McCarter and little Cameron Kay of Canyon and Clydene Terrell, Plainview, visitors and members, Mmes. Joe Parrish, Lester Carter, Owen Thornton, Leon Wofford, Elmer Sandusky, Valca Thomas, Lloyd Wofford, Woodson Terrell, Derrell Wood and W. R. Darnell.

Mr. and Mrs. J. D. Wood will be hosts for a masked Halloween party, Tuesday night, October 25 at 7:30. All members are asked to appear in costume.

**ATTEND ROSE FESTIVAL**

Mrs. Frances Carthel, Mrs. R. Kellison, Mrs. M. O. Davis, all of Lockney, Mrs. Joe Perkins, Plainview, Mrs. N. D. Bartlett and Mrs. Maurice Tannahill of Hereford left Tuesday to attend the Rose Festival at Tyler, Texas and to attend the State Fair in Dallas. They plan to return home Sunday.

**B&PW Club Has Dinner Meeting**

Lockney Business & Professional Women's Club met in the high school cafeteria Tuesday evening for a dinner meeting.

The Halloween motif was carried out in table decorations.

The program began with a solo, "Some Enchanted Evening" by Miss Eldora Boone, accompanied at the piano by Miss Ernestine Spradlin. Guest speaker for the evening was Mrs. Jo Miller, president of Plainview B&PW Club.

Mrs. Miller spoke about the B&PW Convention in Pampa and Oklahoma City. She was introduced by Mrs. Ellen Ash of Plainview.

Hostesses were Betty Knox, Mavis Tate and Ellen Wiley. Other members present were Velma Cox, Joye Bilbrey, Ada Bailey, Wanda Baker, Estelle Powers, Ruby Merrick, Jeffie Griffith, Lorraine Oliver, Dimple McGavock, Albertine Irons, Dorothy Shipp, Jimmy Rhodes, Frankie Dean, Wanda Wilson and Frances O'Hearn.

**Friendship Club Has Meeting Tuesday**

Aiken Friendship Club met Tuesday, Oct. 18 at 2 p. m. with Mrs. F. L. Montandon, hostess and Mrs. Quentin Adams, co-hostess.

Mrs. R. R. Kellison, president, presided and Mrs. Montandon opened the meeting with prayer. Winners in Floyd County Fair were announced and individual winners voted to put their award money into the club fund. It was also decided not to have a money-raising project until after Christmas.

Gift suggestions were made and Mrs. Quentin Adams gave a demonstration on candle making. The club then applied frosting and glitter dust to candles already molded by Mrs. Adams.

Refreshments of pie and coffee were served to Mmes. A. P. Langfeldt, Lloyd Duvall, Leslie Carlton, Raymond Hargrove, O. D. Wofford, Joe Roach, R. R. Kellison, Quinten Adams, F. L. Montandon, members, and Mrs. Garland Sams, guest.

The next meeting will be held in the home of Mrs. Frances Carthel November 15 when moving pictures will be shown of the Rose Festival held in Tyler October 20.

**Attends Luncheon For Miss America**

Patty Wilkes of Lockney, who is a student at Colorado Women's College in Denver, was a guest at a luncheon being given Friday, October 14, honoring Sharon Kay Ritchie, Miss America of 1956.

Miss Ritchie, a student at Colorado Woman's College, was welcomed back to the campus from Atlantic City where she was crowned Miss America on September 10.

The governor of Colorado, the mayor of Denver and many other dignitaries joined the students and faculty of CWC in honoring Miss Ritchie at the luncheon held on the college campus.

**Sue Wofford Is In ACC Band**

Abilene. — Sue Wofford of Lockney is among the 100-member band which is helping Abilene Christian College celebrate its Golden Anniversary during the 1955-56 school year. Sue is the daughter of Mr. and Mrs. Lloyd Wofford. She plays the tenor sax.

The Wildcat band, directed by Douglas E. Fry, presents a program of music and maneuvers at each home football game, and accompanies the football team on occasional trips during the season. In addition, the band appears at pep concerts and in parades in some cities in which the games are held.

During Homecoming they will march in a parade downtown the afternoon of Nov. 4, and that evening will play for a pep rally and then a bonfire. The next afternoon they will play for the ballgame and participate in a festival of music that evening.

## Lockney Seniors Try For 4-Year Scholarships

Three outstanding seniors in Lockney High School will compete in the new, multi-million dollar National Merit Scholarship Program. Principal Forrest M. Smith announced today. These high ranking local students will be aiming at some 200 four-year college scholarships that can carry up to full tuition and living expenses, depending on the financial need of each winner. Winners will be chosen on the basis of their ability to profit from a higher education.

Luther Williams, Eldora Boone and LaDora Ayers are the seniors named to take the preliminary screening tests to be given in the high school October 26, as the first step. The competition is open to all secondary schools, and is the largest program of its kind.

The scholarship program is conducted by the National Merit Scholarship Corporation, an independent, non-profit educational organization set up by grants of \$20,500,000. Aimed at the discovering and helping the most talented students in the country, the Merit Program permits the winners, known as Merit Scholars, to choose any accredited college or university and any course of study.

Some 800 runners-up in the competition will be awarded Certificates of Merit, and their names will be announced to all colleges and other secondary agencies as students of unusual ability.

Colleges chosen by the Merit Scholars will receive "scholarships" too, for the Merit Program also helps the undergraduate colleges. In return for educating the Merit Scholars, the college can receive a grant of up to \$3,000.

The National Merit Scholarship Corporation offers its facilities and services without charge to organizations and individuals interested in offering scholarships and conforming to its standards. Such scholarships will bear the name of the sponsoring company.

## VISITS DAUGHTER

Mrs. S. C. Quisenberry visited Thursday and Friday in the home of her daughter, Mrs. J. E. McMeekan and family at Slaton. While there, her little granddaughter, Diane, was

THE LOCKNEY BEACON, LOCKNEY, TEXAS, OCT. 20, 1955

honored with a party on her fifth birthday. Mr. and Mrs. McMeekan and daughter left Sunday by train for a two weeks vacation trip to New

York City. They plan to visit friends in Chicago also. There are 378 large waterfalls in Brazil.

# lose weight look lovelier

New Kessamin Plan helps you Reduce Easily... Quickly... Sensibly

DON'T let excess fat keep you from looking your lovable best... from wearing attractive new clothes... from getting more fun and excitement out of life than you ever thought possible.

DO try the Kessamin Plan for losing weight without special exercise, without dangerous drugs, without going on a starvation diet.

## Kessamin Reducing Plan Works 2 Ways:

1. Helps curb your appetite.
2. Helps provide you with vitamins, minerals and proteins, to make up for what you miss when you eat less.

FREE: Valuable booklet, prepared by a doctor, tells what to do to start losing weight at once! Contains suggested diet. Ask your druggist for it—no obligation. (Not for Glandular Obesity.)

**Injured Boy Is Improving**  
James Elland, 15-year old son of Mr. and Mrs. Vestal Elland, who was critically injured May 30 when he was run over by a tractor, is improving. James was in Lubbock Methodist Hospital two months but has been at home since then in a straight cast.

Mrs. Elland accompanied him to Lubbock Monday and James was placed in a walking cast. With the help of crutches he is able to get around some now, however it is not expected that he will be able to attend school again for some time. He is to return to Lubbock for x-rays Thursday of next week.

The family wishes to express their deep appreciation to their many friends who have remembered James during his long illness. They appreciate the flowers, cards, other gifts and the visits.

**Crash Victims Had Local Relatives**  
Mr. and Mrs. Jim Wells of Tiabon, N. M., former Plainview residents, who were both killed in an auto accident near Albuquerque, N. M., recently, were relatives of Alvin Nichols, Mr. Wells and Mr. Nichols were cousins and the two visited frequently. The Wells were killed Oct. 9. Mr. and Mrs. Nichols and their daughter, Mrs. Glenn Whitfill attended the funeral services.

## Mitchell Shows Champion Bull, Walls Shows Best Female

Although the number wasn't large competition was keen among the better livestock breeders of the county in the Floyd County Fair livestock show last weekend. Here are the results of the show:

### Livestock Department

**In the beef cattle division** only two bulls were shown. Chester Mitchell of Lockney showed the grand champion, a beef type shorthorn and Dean Walls of Floydada showed the reserve champion, a black Angus. Both were senior yearling bulls. Bill Griffith, county agent of Lynn County, was judge of this division.

Beef heifers drew more entries. Bill Norman of Floydada showed the only entry in the 2-year-old heifers class, but in the junior yearling heifers class there were four entries. Beef type short horns shown by Bobby Brown of Lockney won first and second in this class while the same breed shown by Chester Mitchell of Lockney placed third and fourth.

In the heifer calves class Dean Walls of Floydada placed first with a black Angus and Bill Norman of Floydada placed second with the same breed animal.

Dean Walls black Angus calf was named grand champion female and the shorthorn shown by Bobby Brown was reserve champion.

In the two females of any age class, Bobby Brown's shorthorn won first. Bill Norman's black Angus won second and Chester Mitchell's shorthorn

won third.

### Swine Division

Joe Cunyus of Lockney showed the grand champion sow, a Chester White, and Cunyus, Fortenberry and Sherman showed the grand champion boar, also a Chester White.

In the junior sow pig class 7-year-old David Mitchell of Lockney showed the first place winner, while his father, R. C. Mitchell showed the second place animal. Both were Chester Whites. Joe Cunyus of Lockney showed a Chester White which won third place.

In the junior yearling sow class E. W. Turner & Son of Harmony showed the winner, a Duroc and James Teague of Floydada won second with the same breed animal.

Joe Cunyus of Lockney showed the only senior sow pig, which was then named grand champion sow of the show.

In the junior boar pig class, R. C. Mitchell's Chester White won first, E. W. Turner & Son placed second with a Duroc and James Teague won third and fourth, also with Durocs.

E. W. Turner & Son showed the only senior boar pig.

In the mature boar class, Cunyus, Fortenberry & Sherman showed the first place animal, a Chester White, later named grand champion, while E. W. Turner & Son's Duroc won second.

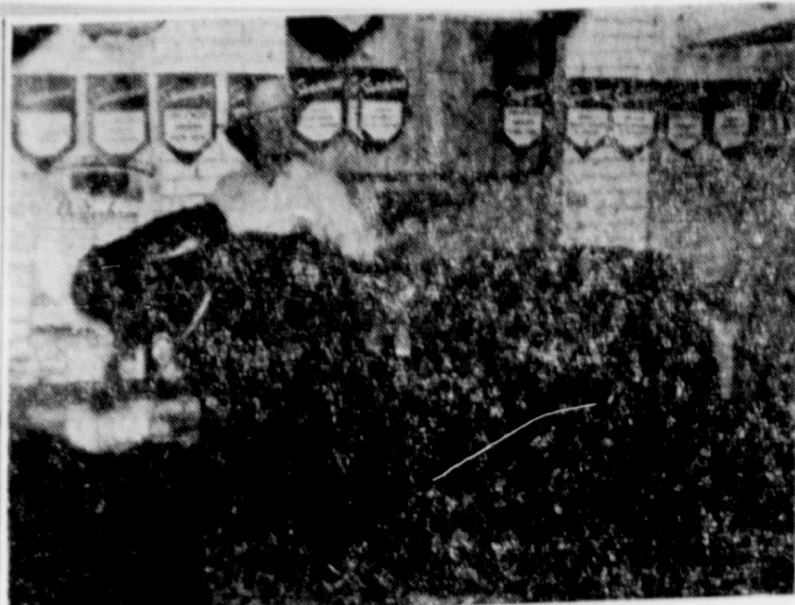

In the fat barrows class, only Chester Whites were shown. David Mitchell's animal won first and Joe Cunyus's pig won second.

### Sheep Division

In the Southdown and Southdown Cross class of the sheep division, Elder Fortenberry of Cedar showed the first and second place fat lambs. Kenneth Pinner's lamb was third.

Eldon also showed the first, second and third place winners in the Southdown ewe class and in the first place Southdown ram.

In the medium wool class, W. W. Buckner of Lockney, a new comer to stock show competition, won first and third place in the ewe division while Leroy Scott's ewe won second. Buckner's sheep were Suffolk breed. George Scott's ram won first in the class and Leroy Scott's

THE GRAND CHAMPION BULL at the Floyd County Fair livestock show was this beef type shorthorn shown by Chester Mitchell of the Pleasant Valley community.

SOBEY BROWN, local FFA member, showed these two shorthorns in the Floyd County Fair livestock show last weekend. The heifer on the right was named reserve champion female of the show. The two were placed first and second in the junior yearling heifer class.

**The New Soft Collar on  
VAN HEUSEN  
Century Shirts  
won't wrinkle...  
ever!**

BOB HOPE, appearing in Paramount's "THE SEVEN LITTLE FOYS"  
Filmed in VistaVision—In Technicolor

Twist it...twirl it...bend it...curl it...

Give a Van Heusen Century collar your own "torture test" ... no matter what you do, you just can't make it wrinkle or wilt! That's because this amazing soft collar is woven in one single piece to fit the curve of your neck perfectly. Then FEEL the difference between it and other collars made the old fashioned way. Van Heusen Century is a cinch to launder, too. Just iron it flat, slip it, and it folds perfectly ... the fold-line is woven right in the fabric. But that's not all—the revolutionary Century costs no more than ordinary shirts!

A PARTIAL VIEW of the agricultural exhibits at the Floyd County Fair is shown here. This department was one of the best of the fair. —Photo by Doyle Fowler

**Fair Attendance—**

(Continued from page 1) Brock were among the most frequently mentioned winners. A complete list of winners of all divisions will be found elsewhere in this issue of The Beacon.

Fair officials said this week that they had been unable to check their finances as yet because some bills were yet to be turned in but that they felt sure they would wind up the 1955 event "in the black." Total receipts for the fair association appeared to be around \$1600. Expenses will probably run about the same, was the estimate.

**Prize Winners Named**  
There were a number of prize winners in the various drawings and guessing contests at the fair.

The two bicycles given away by the Fair Association and Hill's Carnival were won by Mrs. Mac Howard and Mrs. Harley Workman. The numbers were drawn from tickets sold at the fair ground entrance. Fair Association President Loyce Turner drew quite a number of tickets before finding someone present who could match one of the tickets.

Max Marble won the Roto broiler given away at the Montgomery-Ward booth. The name was drawn from a box in which people attending the fair had been allowed to register without charge.

Winners of the five prizes given away by the Fair Association itself were as follows: Clothes dryer, George Webster; Joe Parrish and Jake Watson, bicycle (Jake bought Joe's interest and kept the bicycle); electric skillet, Burton Thornton; electric drill, Fred Byrd; electric cream freezer, Mrs. Chester Mitchell.

Wilson Deffron of Plainview won the guessing contest as to the number of members of electric co-ops in Texas. His guess was 316,000 and the actual number, according to the latest tabulation of the state organization of electric co-operatives, is 316,069. He was given an electric skillet.

Second in this contest was Kenneth Cook of Lockney who guessed 315,461. E. P. Smitherman of South Plains was third with a guess of 317,220.

**Scores From Games**

Scores from football games played in this area last Friday evening of interest to local fans were as follows:  
Dimmitt 19, Sudan 12.  
Floydada 0, Slaton 0. (Floydada won on penetrations.)  
Ralls 38, Frenship 0.  
Happy 26, Hale Center 6.

**Fowler-Barnett Gulf Service**

Dial 3678 Lockney

the landing gear apparently locked and spun the craft over. The accident happened south-east of Hale Center.

Shortly following Bates mishap, another crop-duster was killed when his plane stalled, went into a spin and crashed to the ground near Olton. He was Robert Van Waning, and he was employed by the Miller Flying Service of Plainview. Van Waning was cremated in the fire which followed the crash.

**Mrs. T. B. Mitchell Is Convalescing**

Mrs. T. B. Mitchell is convalescing at her home this week following an illness which kept her hospitalized five days last week. She is getting along nicely now she reports.

Recent visitors in the Mitchell home were Mr. Mitchell's sister, Mrs. Joe Baker and Mr. Baker, his brother, Howard Mitchell, all of Winters, Texas, Mr. and Mrs. W. S. Mitchell, Mr. and Mrs. David Mitchell and Ernie Mitchell, all of Levelland, Mr. and Mrs. W. H. Johnson, Plainview, Mrs. F. V. Lemons, Plainview, Mr. and Mrs. Clarence Ginn and Mrs. Ollie Ginn, Cedar Hill.

**Three Local Boys Are Discharged**

Three Lockney boys have recently received their discharges from the Army after serving two years. They are Douglas Meriwether, who was discharged at Fort Sill, Okla., Thursday of last week; Barry Thompson, who was discharged at Fort Dix, Trenton, N. J., Friday of last week and Don Bartram, who was discharged at Camp Chaffee, Ark., some two weeks ago. Don had spent several months in Germany.

**Mr. Smith Principals**

Mr. F. M. Smith Secondary School association meeting Adolphus Hotel, sessions began Sunday evening continued through noon. More than School principal the state were Dr. L. D. Haskins, Dent and Dean of Education, Texas, delivered

**Mark Bates Has Plane Accident**
