School Board Elects Teachers, Others

The Lockney School board of trustees, in regular meeting Monday evening, elected Mrs. R. L. Rhoten as physical education teacher in Junior High and coach of the Junior High girls basketball team. Mrs. Rhoten is the former Glenda Readhimer, daughter of Mr. and Mrs. Lloyd Readhimer of Lockney. She is a graduate of West Texas State College.

Also elected recently to the faculty was Mrs. W. C. Mercer, Jr., the former Jontha Lee Casey, daughter of Mr. and Mrs. Hilburn Casey. Mrs. Mercer will teach a second grade section. She graduated from Hardin-Simmons University.

Other school personnel elected in recent meetings include the caretakers at the grade school building, all school cafeteria workers and all bus drivers who served the past year. The board inspected the new site for the colored school and teaching and decided to make all necessary repairs to the teaching building. The school building has been moved from its former location near the Santa Fe tracks to the new location on the Lockney Loop in South Lockney. Also the teaching has been moved in from Lone Star to the same location.

Supt. H. H. Nicholas said that the school still has two vacancies on its faculty. These are both in the high school.

12 Men Called For Induction

Twelve registrants from the area served by Selective Service Board No. 45 have been called for induction on July 15. Three of the group are from Floyd County. Also called for physical examination the same day are 23 men, five of them from Floyd County.

The following are ordered for induction: Hale County: John L. Mooney, Melvin Lynn Allen, Doyle Eugene Odom, James Lester Hunter Jr., Billy Joe Melwain, Simton Rosas, Guadalupe B. Leal. Swisher County: James Ray Jarnagin, Thomas Jefferson Anderson Jr.

Floyd County: Halley Gene Clayton, Claude Hubert Ring, Troy Lee McNeill.

Going for physical examination on the same day are: Hale County: Carroll Gene Carthel, James Andrew Ferguson, Kenneth Roy Phillips, Arthur Leon Brigham, Ross Stewart Cass, James Earl Storman, Herman Ladoyce Lambert, Clifton Harold Shugart, Arthur Burnett Jr., William L. Edmondson, Lester Winfred Shanks.

Floyd County: Thomas Edwin McCown, Billy Dale Stringer, James Thomas Carthel, Glendon Dale Baker, Donald Ray Wigington.

Motley County: Earl Lee Peevey, Glynard Bert Moore, Ivory Hall Jr., Weldon Ivan Gates.

Swisher County: Joe Earle Pyle, Robert Charles Goodwin, Zack Ertis Pannell.

Nelda Jean Auld In Amarillo Hospital

Mrs. Nelda Jean Auld, seriously injured in an auto wreck which took the life of her husband, Lawrence Auld, some three weeks ago, was carried to Northwest Texas Hospital in Amarillo last Friday for attention of a brain specialist.

Relatives said this week that she was improving some each day and was more rational than at any time since the accident. This week she asked about her husband and was told that he was killed in the accident. She now realizes that she has been in an accident.

Doctors were scheduled to set her arm Wednesday of this week. The arm was badly broken just below the shoulder. They told members of the family that they would attempt to set it but probably would have to operate to properly repair the break.

The family was told that Nelda Jean suffered severe brain damage both at the front and back of her brain but that eventually she would recover completely. However they were warned that recovery would probably require months. Her skull was badly fractured in the accident.

It may be that she will be able to return to the home of her parents, Mr. and Mrs. H. Cunningham, the first of next week.

Tax Payments In County Are Near Record

Second best record of tax payments in the history of state and county tax collections was made for the period ending June 30, covering the tax year of 1956. The report of Tax Assessor Collector T. T. Hamilton discloses this week.

Taxpayers met 96.78 per cent of the ad valorem taxes levied against their Floyd County property for the year.

In the best year of tax collections in the county—about 1952—the collections came to a total of 97.5 per cent.

October of last year was the big month for tax payments. Of the total of \$293,128.40 on the rolls, receipts for the payment of \$192,943.24 were issued in that month.

About \$3,500 was paid with penalty after the close of the tax-paying year on January 31.

Valuations up Floyd County state and county tax valuations for 1957, totaled and balanced as of Tuesday of this week, not including the railroad rolling stock and the intangibles, run to a total of \$14,885,800, according to Assessor-Collector Hamilton.

This forecasts a probable increase of \$99,000 in the valuations for 1957 over 1956.

For 1956 the rolling stock was valued for taxes at \$144,965, and for intangible assets \$428,395.

If these figures hold good (they often vary from year to year) the total valuations for the county for the 1957 rolls will be \$15,453,860.

The collector gets his figures for rolling stock and intangible values from the State Comptroller's office at Austin, annually about July 20.

Sumner Comer Is Claimed Wed.

Sumner Comer, a pioneer of Floyd County, died Wednesday of last week at a convalescent home in Amarillo, where he had been a patient for the past six weeks. He had been in ill health for five years.

Funeral services were held Friday at 3 p. m. at the Main Street Church of Christ with Paul Epps, minister, conducting the services. He was assisted by Dorman Elmsaid of Plainview. Interment was in the Lockney Cemetery with Carter Funeral Home in charge.

Mr. Comer was born at Gama, Kentucky, on June 17, 1881. While still a young man he moved with his parents to Chillicothe, Texas. From there they came to Lockney in 1900.

In 1910 he was married to Miss Cora Lee Adams at Ardmore, Okla., and the couple had lived in this community since that time. He attended the old Lockney Christian College and was a faithful member of and the Church of Christ for many years until ill health stopped him from attending.

Survivors include his wife, three daughters, Mrs. Price Barrett of Shamrock and Mrs. O. B. Fore of Plainview; two sons, Lee of Silverton and Lon of Plainview; three sisters, Mrs. E. F. Gough of Waxahachie, Miss Adrienne Comer of Sweetwater and Mrs. Leona Derrick of West Texas. Ten grandchildren also survive.

Pallbearers were Lloyd Wofford, Claude Brown, T. V. Copeland, Arthur High, Austin Meierwether, and Jack Fore.

1500 At Flomot Reunion Sunday

More than 1500 people registered at the Flomot Reunion held last Saturday and Sunday. The Beacon was informed. The reason was for ex-students and former teachers of the Flomot school and was planned by an association of ex-students.

White's Catering Service of Lubbock served a barbecue lunch at the noon hour on Sunday.

Raymond Martin of Lockney is vice president of the association and presided during the reunion in the absence of the president. Among the many people attending were Philip Deming and Lloyd Graves of Dallas, N. M., Walter Graves of Dallas, and Mrs. Warren Clements of Matador. They are uncles and an aunt of Mr. Martin and all grew up at Flomot.

GO TO CHURCH SUNDAY.

Quarterback Club Meeting Called

Marvin Gilbert, president of the Lockney Quarterback Club last year has called a meeting of the Quarterback Club for Friday evening at 8 p. m. The meeting will be in the High School cafeteria. Supt. H. H. Nicholas will discuss matters concerning the football stadium with the group, it was said.

All members of the Quarterback Club and others interested in football are urged to be present, it was said.

Barney Stark Dies In Auto Accident Mon.

Barney Stark, 69, of the Whitfield community, 14 miles east of Kress, was pronounced dead on arrival at Lockney General Hospital Monday about 11 a. m. following an accident involving Stark's pickup and truck partially loaded with cement. The crash occurred 21 miles north of Lockney and three miles south of Rock Creek store on Farm-to-Market Road 508.

Stark was traveling north when he pulled off on the right shoulder of the highway and was attempting to cross the highway onto a west country road when struck by the northbound 1956 Chevrolet Tomlin Fleming Gin Co. truck. Stark's 1957 1/2 ton Chevrolet pickup, which was almost cut in two and totally demolished, was knocked some 175 feet into the edge of a cotton field.

A Douglas Funeral Home ambulance of Lockney brought Stark to the Lockney hospital where he was pronounced dead. The body was carried to Silverton.

Funeral services were held Wednesday in the First Baptist Church, Silverton, with Earl Cantrell, church of Christ minister, officiating. Burial was in Silverton Cemetery.

He is survived by his wife, Grace; five sons, Frank, Tulla; L. D. of the home; Edwin, Argen and Bobby, all of the Whitfield community; three daughters, Mrs. Bernice Stark, Tulla; Mrs. Dathene Vineyard, Kress; Mrs. Louise Lowell, Plainview; one brother, Pete Stark, Tulla; four sisters, Mrs. Lola Cartwright, Munday; Mrs. E. R. Lovorn, Providence community; Mrs. Ollie Stark and Mrs. Ron Stark, both of Whitfield community. Eleven grandchildren also survive.

Linda Puckett Awarded TV Set

Miss Linda Puckett, 9-year-old daughter of E. E. Puckett, who was seriously injured in a tornado in May, was awarded a new RCA portable television set on the NBC program, "It Could Be You" seen over Station KCBT, Channel 11, in this area.

The award came Monday of this week. Linda, who is in a cast from her arm pits down due to fractures of both legs, was casually watching the program but when her name was mentioned she became so excited that she was speechless for a time. Her picture was shown on the program and some details about her injury. Master of Ceremonies on the program is Bill Layden. The program originates in California.

Mrs. Pearl Moore of Duke, Okla., great grandmother of the little girl, was the instigator of the effort to get her name on the program. The elder Mrs. Moore, mother of Henry J. Moore of Lockney, asked her daughter-in-law, Mrs. Bob Moore of Gould, Okla., to send in the little girl's name and picture. It was accepted and notified the family some time ago that she would be on the program.

Linda will remain in the cast until August 2nd, her grand-father said. She is staying here in the H. J. Moore home. She went back to the Methodist Hospital at Lubbock Saturday for x-rays and the removal of the pins from her legs. She is getting along fine. Her brother, Pat, who was also injured in the storm, is doing fine. The children's mother was killed when the tornado struck the family home 18 miles north of Lockney.

Firemen Stopped From Making Rural Calls

Members of the Lockney Volunteer Fire Department have been instructed to stop answering rural calls until such time as the County will assume the liability for firemen on such calls. Mayor J. E. Cox said this week. The City Council discussed the matter in a meeting Monday night and arrived at the decision to stop the calls, he said.

"It's not that we mind helping those who have fires outside the city limits," Mayor Cox said, "but the oilfield fire at Dumas last year brought out the fact in Court that the members of the City Council themselves are personally liable for injuries or death of a fireman who is fighting a rural fire. Our insurance on the members of the Fire Department covers them only while in the City. Therefore members of the Council do not feel that they can afford to take the responsibility for rural calls."

Both Floydada and Lockney City Councils recently asked the Commissioners Court of Floyd County to pay the expenses of fighting rural fires and also to assume liability for firemen when they are fighting rural fires. The Court has taken no action on the request to date.

Other cities in this area have recently taken the same step in stopping their fire trucks from making rural calls.

W. C. Watson, 86, Passes July 4th

W. C. Watson, 86 years of age and a resident of the Lockney area since 1908, passed away at his home here Thursday morning, July 4, about 6 o'clock. He had been in ill health for some two years, suffering a heart ailment.

Funeral services were held in the Main Street Church of Christ Friday at 5 p. m. with Paul Epps, minister of the church, conducting. Interment was in Lockney Cemetery under direction of Carter Funeral Home.

Mr. Watson had engaged in various types of business here and also had farmed. He was in the elevator business at one time and later in the grocery business. He owned considerable property in this area and in Swisher County. He moved here from Grayson County, Texas, 49 years ago and had lived here since except for some time on his farm near Tulla.

William Coleman Watson was born October 7, 1870, at Farmington, Grayson County, Texas. He was married to Miss Mary Francis Johnson on August 21, 1892 in Van Alstyne, Texas. The couple had been married almost 65 years when death came to him. Mr. Watson was very active in church affairs and had served as a deacon in the local church for a number of years. He became a member of the Church of Christ at an early age and had been a member of the Main Street Church since its foundation. He was known as a generous man and had many friends in this area.

Survivors include his wife; two sons, Glen Watson of Lockney and Douglas Watson of Tulla; two daughters, Mrs. Floyd Huff of Lockney and Mrs. France Baker of Lubbock; eight grandchildren, 16 great-grandchildren and a host of nephews and nieces. One son preceded him in death.

Pallbearers were Leon Wofford, Barry Barker, J. L. Riley, Herman Thornton, Dick Whiteley, Austin Meriwether, Gilbert Bean and Francis Montandon.

Trautmann Bros. Set Up Office

Trautmann Bros., vegetable brokers, have set up an office in the Wanda Baker building, just south of The Beacon office. Otto Ables is manager and in charge of their local farming operations. Mrs. Maxine Burchfield is secretary.

Mr. Ables said this week that he is employing an average of 40 men at present on their local vegetable operations and will employ more later. The firm leased 320 acres from Leslie Ferguson and have planted it all in caulounes. The plants are doing fine and are blooming. Mr. Ables said.

City Will Accept Applications For Local Officer

The City will accept applications for a local law enforcement officer, Mayor J. E. Cox said this week. The City now has one officer, Alton May, but due to an influx of labor it is thought that another will need to be added soon. For that reason anyone interested in the position should make application at the City Hall.

Onion Market Up Slightly

After hitting a low of \$1.35 per 50 pound sack for No. 1 yellow Grono onions the past week, the market rose slightly and was standing at \$1.50 per sack Wednesday. No. 1 Whites were quoted at \$1.75 but the market on whites was very low and expected to go lower while the yellow onion market was strong and possibly may go higher.

Wiley & Duncan shed was very busy Wednesday and had shipped five cars up to 5 p. m. that day. Altogether they have shipped approximately 30 cars of onions. M. W. Wiley said and expected to be much busier next week. Mr. Wiley estimated that they had harvested only about 10 percent of the crop thus far and said that the onion harvest would continue probably another six weeks.

Some onions were stored the past week end in the fair building when storage space became scarce in the local sheds. These are mostly No. 2 onions.

At the Lockney Vegetable Growers shed, the harvest is just getting underway. They shipped one car of onions Wednesday but expect operations to pick up within the next few days.

The local grown onions are of fine quality and are grading a high per centage of No. 1s.

A comparatively large lettuce acreage will be planted in this area the latter part of July and first of August, it present plans are carried out. Local farmers who had lettuce acreage last year made good on it.

Hamilton Cites Changes In Law

Seven bills enacted into law by the 55th Legislature affect motor vehicle registration in one manner or another, but of these only two have general interest and application in this section. Tax Assessor-Collector Hamilton calls attention to them.

House Bill No. 53 authorizes "the use of farm vehicles for transporting members of the owner's family to school and church, to visit doctors, and for other necessities of the home and family."

Mr. Hamilton said, among other things, that the vehicle cannot be used for transportation of the owner or anyone else in going to and from other gainful employment. The vehicle is also prohibited from being used for hire. The bill becomes effective August 22.

Also effective August 22 will be the new law governing the increase on all registration fees. The increase will be about 10 per cent. Only exceptions to the raise are dealers' license, road tax, factory delivery license and intransit license.

Rotary Officers Are Installed

New officers of the Lockney Rotary Club were installed at the luncheon meeting of the club last Friday at the Methodist Church. G. M. (Bud) Brunner, past president, was the installing officer.

Leslie Ferguson, vice-president the past year, was installed as president. Other officers are: Wilson Kermickel, vice-president; Jerry Cooper, secretary-treasurer; Leroy Durham, sergeant-at-arms; H. H. Nicholas and J. D. Copeland, directors. Dr. A. E. Hewitt was elected a director but has been very ill and unable to be present at Rotary meetings. The retiring president is Lloyd Wofford.

Wives of the new officers were special guests for the occasion. Other visitors were present from Plainview and Floydada.

7 Aggies Will Get Lone Star Farmer Degrees

Seven members of the Lockney Future Farmer of America chapter will receive Lone Star Farmer degrees in the state convention to be held in Fort Worth next week. The boys are Billy Don Bigham, Donald Farish, Eddie Gloyna, Larry Hammit, Kelley Harrison, Bonnie Laceywell and Paul Schacht.

Chapter Sponsor M. L. Brewer and the boys will leave Tuesday for the convention which is scheduled to run through Friday. Candidates for the award are judged on the basis of agricultural projects, leadership, grades and knowledge of farming.

On Wednesday evening the boys will be conducted on guided tours of the city, including industrial and packing plants. At 6 p. m. that day they will be guests at a barbecue and then will go to the North Side stadium where they will enjoy the annual "fun night", with entertainment by professional entertainers.

On Thursday evening the boys will be awarded the Lone Star Farmer degree. The annual election of officers and selection of the state sweetheart will be held on Friday. The local group expect to return home Friday evening.

Clarence Stalcup Dies After Short Illness Tuesday

Clarence L. Stalcup passed away at Lockney General Hospital about 11:20 p. m. Tuesday of last week after a brief illness. His death was due to a heart attack.

Mr. Stalcup became ill on Monday and consulted a physician. On Tuesday he underwent a thorough examination and was ordered to bed for a rest. His condition became worse about 6:30 that evening and he was rushed to the local hospital where death came that night.

Funeral services were held at the Main Street Church of Christ here Thursday, July 4, at 4 p. m. Conducting the services were Ira Brackett, Church of Christ minister of Salisaw, Okla., and Paul Epps, local minister. Interment was in Lockney Cemetery under the direction of Lemons Funeral Home of Plainview.

Mr. Stalcup had engaged in farming and ranch operations most of his adult life. He was known as an industrious, hard-working man and had farming and ranching interests in this county, in Hale County and also near Salisaw, Okla.

Mr. Stalcup was born in Crosby County April 16, 1905, the son of R. O. Stalcup and the late Mrs. Stalcup, pioneers of this area. He grew up here but in recent years had lived in Hale County and near Salisaw. He was married to Mrs. Ann England on July 3, 1949 at Plainview. The family moved to their home in the Sterley community just last year from Salisaw. At Salisaw he was a member of the Cattlemen's Association and the Rodeo Association.

Survivors include his wife, Mrs. Ann Stalcup, one son, Richard Andrew, age 7; two step-sons, Albert Lewis, age 15, and Ronnie Gale, age 9; one step-daughter, Vickie Ann, age 12; his father, R. A. Stalcup of Plainview; three brothers, John of Lockney, Henry of Dimmitt and Elmer of Odessa; three sisters, Mrs. Roy Griffith of Plainview, Mrs. Lola Simpson of Amarillo and Mrs. Stella Baker of Lubbock.

Pallbearers were Herman Stowe, Jack Marshall, Joe Dale Roach, Richard Husky, Gene Hopper and T. W. McAnear.

Chamber Commerce Moves Offices

The Lockney Chamber of Commerce office has been moved from the J. H. Cooper Insurance office building to the Ferguson building on North Main Street. Dick Whiteley is manager. The move was made this week. Another new office in the Ferguson building is that of the Lockney Vegetable Growers & Marketing Association with Al Haskett in charge.

But if any man love God, the same is known of Him. — 1 Cor. 8:3.

O. C. BAILEY, local retired capitalist, wants to know if the norther which blew in last Thursday afternoon means that we'll have frost in 60 days. If so that means the first frost will strike around September 4 which would be something since the earliest previous frost on record was October 7. Our first impulse was to confidently assure O. C. that such a thing was impossible and then we thought about the weather of the past few weeks. With two or three tornadoes a day during the Spring, the worst hurricane since 1906 coming just recently and hail storms wiping out crops as soon as they come up, we're convinced that all these atomic explosions have thrown the weather cycle completely out of kilter and anything can happen. If there are any weather prophets in the vicinity who want to predict weather for O. C., you're invited to go right ahead. We won't dare risk it.

CALIFORNIA is reputedly the land of the enlightened. They are setting the example for the South, we are told, in the matter of integration of the races. Yet a news story out of Los Angeles this week says that all 43 active members of an all-white Methodist Church resigned when the church was assigned a Negro pastor. It seems to us that if the voice of the people was heard, the rapid move toward integration in all parts of the nation would be much slower, possibly even halted. We're thinking that very few, outside of the "professionals" — "big game" on the white side and the rabble rou-

INFORMATION WITHOUT UNDERSTANDING
We think there is much truth in the statement by an eminent educator, who declares: "Our university graduates have far more information, and far less understanding than in our colonial period."
There can be little doubt of the fact that the process of specialization in intellectual pursuits has developed considerably more detailed information on a greater number of subjects and that specific individuals in their chosen fields of study, have far more information than was available to the students of preceding generations.
We are rather inclined to agree with the thought that the very process of specialization prevents an individual from developing balanced information, which is necessary to any of human beings, their enviro-

YOUTH IN THE FAMILY
I was interested this week in a report from a four-day workshop on youth development, sponsored by the Texas Congress of Parents and Teachers. A panel gave the group some interesting thoughts on Parent-Youth relations.
The consensus of the panel was as follows: that youth in general seem to be "making a long" fairly well despite a "larming" reports; a recent Congressional study shows that more youth are now in college; in 15 years, college enrollments will double; one-third of superior high school students, however, will not go

to college due, mainly, to "lack of motivation" and this because of parental attitudes; studies show that the attitudes of parents and teachers have a great deal to do with youth's achievements; fathers must take more interest in the development of the child and parents never lose interest in their children.
A chaplain's study shows that what young people need most are a set of fundamental values among religious convictions, basic loyalties — such as to family, community, country.
A highlight of the workshop was a panel of five high school students from McCallum High, Austin.
The thread running through the comments of the youth might be summed up in the words of one youngster: "Take time to be parents." Points brought out follow:
Teach us how to accept responsibility.
Don't act shocked when we do things we shouldn't.
Try to be consistent.
Show respect for our wishes.
Give direct answers to direct questions.
Show interest in what we are doing.
Don't laugh at us.
Take us into your confidence.
Give us a right to a major voice in our lives.
Let us know you love us.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

July 14, 1927

H. B. Adams has opened the Lockney Real Estate Exchange. There is much development taking place in Lockney and many people are here each week hunting homes and places to open business. We hope to do our share in taking care of the situation.
Mrs. Osa Long died in Harris Sanitarium, Fort Worth, Saturday morning following an operation Friday morning for tumor. The family came to the Plains in 1891 and have since made their home in and near Lockney. She is a sister-in-law to Mrs. Walter Long, Lockney.
Dr. David Jackson Thomas, 73, passed away at his home in west Lockney this morning following an illness of pneumonia and other complications. He was one of the oldest physicians on the South Plains. He came to this section in 1890 and did pioneer work in nine counties administering to the sick. He was Floyd County's first school teacher on the entire South Plains. He was one of the 28 organizers of Floyd County and has been very active in the county's progress since that time. Interment will be in the Lockney Cemetery under the direction of Crager Undertaking Co.
At the regular meeting of the City Council Monday night a franchise was granted to the West Texas Gas Company to build gas lines in the city limits of Lockney.
The oil well drilling by Cope & Fox, contractors, for the Southern Exploration Company was spudded in Wednesday morning and drilling was begun on the well. The contract calls for the test well to be drilled 1,000 feet and a standard rig is being used.
The best rain of the year covered this section Monday night giving all of Floyd County and most adjoining counties much needed moisture.

CROSS ROADS REPORT

Dear Editor:
I see where the Supreme Court has decided that the benefits of free speech don't go so far as to entitle a man to use obscene language.

Which showed interpretation of what the writers of the Constitution meant to say but didn't get around to it comes right after the Court's decision that the right of free speech makes it legal to advocate the messy overthrow of the government.
This clears up the free speech matter OK. Now we know. You can recommend and encourage hanging of our government officials but you can't call them dirty names.

Ford wins the battle of the builds

• Sure! Many people buy Fords because of their long, low, whistle-collecting looks. Do you blame them? But beauty alone isn't enough to earn for a car the No. 1 spot in America's heart. And that's just what Ford has earned. The real secrets of Ford's success are the extra values that go into building a Ford. Let's look at a few of these features. Ford shares them only with a select number of America's most expensive cars. But you get them at low Ford prices.

1. Only Ford in its field offers a frame design that lets you ride within the frame side members for greater roominess, more smoothness and increased safety.
2. Only Ford in its field gives you a modern V-8 engine with rigid, deep-block design for smoother, quieter, longer-lived operation.
3. Only Ford in its field offers automatic variable-rate rear springs that automatically adjust to give a smoother ride no matter how rough the road conditions.
4. Only Ford in its field offers new rear, back ball-joint front suspension that "rolls with the punch" on rough, bumpy roads.
5. Only Ford in its field offers as many as five strengthening roof cross members for a more rigid roof... greater quiet and safety.
6. Only Ford offers such a savingful car. A Ford Six beat all other cars in the 1957 Mobilgas Economy Run in the miles-per-gallon department.
7. Only Ford in its field offers a frame with 3 tubular cross members. There are 5 cross members in all... enabling the frame to withstand stress from all directions.
8. Only Ford, among all makes, electronically balances every V-8 engine while it's operating under its own power.
9. Only Ford in its field offers to seek soundproofing for a quieter ride under all road and weather conditions.
10. Only Ford in its field offers such a well-protected body for greater freedom from dust and weather wherever you travel.
11. Only Ford in its field offers rear door assist springs and two-position floor door checks for easier entrance and exit.

**Directors To
Legislative
Report July 16**

Directors of the Plains Cotton Growers, Inc. will meet at 10 a. m. in the Capitol Hotel, Lubbock, to hear legislative report on cotton allotments before Congress and to consider possible changes in cotton allotments.

O. F. Furberry, Lubbock, president of the PCG, said additional details of the PCG support cotton bill introduced in the U. S. House by Cong. Jones of Missouri will be prepared by Geo. W. Pfeiffer, Executive Vice-President, W. L. Eshelman of Friona

and an Davis, Lubbock, who attended hearings of the bill recently in Washington.

Also the Texas Agricultural Stabilization and Conservation Committee are now at work drafting policies concerning the 1958 cotton allotments. PCG Directors will hear proposed plans on freezing Texas cotton allotments at the 1957 level and other policies affecting acreage.

Joe Foster and Lester are the Floyd County Directors of the Plains Cotton Growers.

Mr. and Mrs. R. W. Dillard, Lubbock, were guests Saturday night in the home of her parents, Mr. and Mrs. J. R. McDonald.

**Fertilizer Tests
At High Plains
Sta. Described**

Even though planted later than desired almost all of the fertilizer tests planned for 1957 at the High Plains Station have been planted and the crops are up to a good stand.

Fertilizer tests on cotton include a rate and ratios study using nitrogen and phosphate of 40, 80, and 120 pounds of nitrogen and phosphate per acre. Each of these rates is applied alone and in all possible combinations. These combinations include 40 pounds of nitrogen in combination with 40, 80 and 120 pounds of phosphate, 80 pounds of nitrogen with 40, 80 and 120 pounds of phosphate, and 120 pounds of phosphate with each phosphate rate. This test is used to show which rates of nitrogen and phosphate are most effective in increasing cotton yield.

In another fertilizer test with cotton six different sources of phosphate fertilizer are being compared at three rates, 40, 80, and 120 pounds of phosphate per acre. The phosphate materials used are 20% super, 45% super, ammonium phosphate, ammoniated super phosphate, raw phosphoric acid, and refined phosphoric acid. A uniform application of nitrogen at 60 pounds per acre was applied to each plot with the phosphate. All these materials are being sold to High Plains farmers and this experiment is being conducted to see if any of these materials is more effective in increasing crop yield and net return to the farmer.

A fertilizer experiment is also being carried out with cotton to compare pre-plant applications of nitrogen with the same amount applied as a side-dressing when the first squares begin to appear. Application rates are 40, 80, and 120 pounds of nitrogen per acre for both the pre-plant and side-dressing applications. A uniform application of phosphate at the rate of 80 pounds per acre was made to all the plots in this experiment before planting.

Another fertilizer experiment is planned for cotton in which all this different methods of application now being used will be compared. These methods will include broadcast applications and chiseled in at different depths and spacing before plowing and after plowing in the fall. Different methods of applying fertilizer to bedded land before and after the pre-plant irrigation will also be included. This experiment will be started this fall.

Dear Editor:
Seems like every paper we pick up these days is warning us about some new kind of peril. Living is getting to be more dangerous every day.

Doctors are inventing new diseases. Cars are getting bigger and more rampagous. Atomic fallout is threatening our genes. And if a man is able to dodge all of these, cigarettes will probably get him.

My old timer neighbor says, though, there were lots of mortal hazards around in his youth, too. Such as runaway horses, Indians, celluloid collars, and hot pins.

**Two Local Students
Listed On Texas
Tech Honor Roll**

Thirty-six of Texas Tech's 6,953 spring semester undergraduates compiled 3.00 grade-point averages. The equivalent of "Straight A's," the Registrar's office has announced.

Another 310 students join the top 36 on Spring Semester Honor Roll, composed of the upper five per cent of the student bodies in each of Tech's five undergraduate schools.

Jerry Holmes, Lockney Junior, was listed in the upper five percent of the School of Engineering. Shirine Strickland was listed in the upper five percent of the School of Business Administration.

Floydada students making the Honor Roll were Donald E. Smith and R. Lyndel Spears, both students in the School of Business Administration.

**Gladiolus Society
Flower Show Is
July 13th-14th**

One of the outstanding flower shows in the country and the largest show of its kind in the southwest will be held in Lubbock Saturday and Sunday, July 13th and 14th, when the West Texas Gladiolus Society presents its fourth annual gladiolus show in cooperation with the South Plains Florist Association and the Lubbock Nurserymen's Association.

The show will be held in the showroom of the Ralph Penney Chevrolet Co. at 19th Street and Texas Avenue and is open to the public free of charge from noon until 10 p. m. Saturday and from 1 p. m. to 6 p. m. on Sunday.

On display will be every conceivable size, color, shape, and variety of gladioli. There are 18 classes of entries in the show including single spikes, three spikes, baskets, vases, table arrangements, and many arrangements using the theme of "Glads On Parade."

Anyone is eligible to compete for the beautiful array of gold trophies, rosettes, and other awards to be presented to the winners. There is no entry fee. Anyone having blooms is urged to bring them to the Penney showroom before noon Saturday. Last year's show attracted entries from as far away as Alabama.

The North America Gladiolus Council sponsors a gold rosette and a bronze medal to be given as a major award at the show which commands national recognition. Furr Food Stores of West Texas are furnishing the other ribbons and rosettes.

Fourteen Lockney Rainbow Girls Are Given Certificates

Fourteen Lockney Rainbow girls were awarded B certificates for memory work at the 34th annual session of Grand Assembly, Order of Rainbow for Girls, which was held in Dallas, July 1, 2 and 3. The girls are all members of the Lockney Assembly No. 270.

Receiving B Certificates were Jane Carol Phillips, Ann Griffith, Nancy Schacht, Sunny Lawson, Debra Ferguson, Janice Hays, Shirley Mitchell, Jackie Lou Frizzell, Loy O'Brien, Hope Cox, June Caldwell, Janice Boedeker, Kay Pickle, and Caroline Harris. The girls traveled to Dallas by chartered bus and were accompanied by Mrs. Forrest Smith, Mother Advisor, Forrest Smith and Mrs. Chester Mitchell.

Hope Cox, daughter of Mr. and Mrs. Marvin Cox, sang in the Grand Choir during each session. Sunny Lawson, daughter of Mr. and Mrs. Reid Lawson, received a Grand appointment being named Grand Representative from West Virginia to Texas. Approximately 3600 girls from throughout Texas attended this assembly.

Among the events slated for the Assembly was a luncheon for the Mother Advisors and board members, the Grand Cross of Color vows and breakfast and a reception honoring

Planning To Get Married?

The Beacon wants to run stories of weddings involving people of this area or even people who are well known here. We will appreciate it if the bride-elect or her mother will furnish us with details previous to the wedding if possible. We have information blanks which can be filled out quickly and easily and which give us most all the information we need for a complete wedding story. We will be glad for you to pick these up at our office. We want to run the story immediately following the wedding since any story loses its value as time passes.

Many times the couple wants a picture run along with the wedding story. The Beacon is glad to run pictures in connection with weddings because we realize that pictures do add to any story. But the engraving of pictures — that is, the making of a metal plate from which we print the picture in the paper — is an expensive process. Because of the expense of these engravings The Beacon's policy in the future will be this:

If the bride purchases her wedding invitations or announcements from us then we will carry a 2-column wedding picture with the story of her wedding without charge. If she does not purchase her invitations or announcements from us then she must pay for the engraving of the picture. Otherwise we will run the wedding story without a picture. The cost to us of a two-column engraving is around \$4.00.

The Beacon has the finest line of wedding invitations and announcements, either processed printing or genuine engraving, you can find and our prices are competitive with anyone's. We will be glad to show them to you at any time.

Also RS-NG, Dimple McGavock; LS-NG, Mrs. Derrell Wood; RS-VG, Mrs. Albert King; LS-VG, Mrs. Ben Wood; Inside Guardian, Mrs. E. V. Crank; Outside Guardian, Mrs. Charles Simpson.

Courtesy Officers installed were Degree Captain, Mrs. Marlin Anderson; Right Altar Bearer, Mrs. Charles Baxter; IS Altar Bearer, Mrs. Jay McPherson; LS Altar Bearer, Mrs. Charles Smith; Flag Bearer, Mrs. L. R. McCormick; RS-PNG, Mrs. Edd Whitfill; IS-Chaplain, Mrs. Leonard Strickland.

Floydada visitors were Mrs. J. G. Pruitt, Mrs. D. D. Shipley and Mrs. Fred Reeves.

A Past Noble Grand pin and gift from the lodge were presented to Mrs. F. O. Conner, out-going Noble Grand, by Mrs. Connie Reed. Everyone enjoyed a salad supper following the installation. Hostesses were Mmes. E. V. Crank, Truett Billrey, Dimple McGavock, Derrell Wood, Warren Graham, Marlin Anderson and Alton May.

Initiation will be observed Monday, July 15. Hostesses will be Mmes. Marlin Anderson, Audvie Barnett, Ben Wood and Lowell Billrey. Everyone is urged to be present.

Friendship night is to be July 29 and a style show is being planned for the very near future.

Floydada Couple Are Wed Sunday

Miss Marjorie Ann Jones, daughter of Mr. and Mrs. C. W. Jones, and David William Mount, son of Mr. and Mrs. W. D. Mount, exchanged double ring wedding vows at 4 o'clock Sunday afternoon in the home of the bride's parents in Floydada.

The Rev. Ed Bowles officiated.

Wedding music and vocal accompaniments were offered by Miss Naomi Kiker and Miss Carolyn McDonald.

The bride was given in marriage by her father. She wore a waist-length gown of white French lace and tulle over taffeta. She carried pink roses with white satin ribbon tied in love knots atop a white lace-covered Bible.

Mrs. Virgil Warren attended her sister as matron of honor and Miss Anella Thurston was bridesmaid. They were attired in identical dresses of blue brocaded taffeta.

Candles were lighted by the bride's sister, Miss Janice Jones, and the bridegroom's sister, Miss Darlene Mount. Vikki Warren, niece of the bride, was flower girl and Tim Assiter carried the rings.

The bridegroom's father was best man and Randall Jones, brother of the bride, was groomsmen.

The bride and bridegroom are both graduates of Floydada High School and will enroll at Texas Tech this fall. They will live in Floydada this summer where he is engaged in farming.

Uncle Bob Simmons spent the week end with his niece and family at Wichita Falls.

Coffee Wednesday Morning Honors Miss Betty Johnson

Miss Betty Ann Johnson, bride-elect of Orland Gilbert, was complimented with a coffee and miscellaneous bridal shower Wednesday morning in the Jesse Cox home. Calling hours were 9:30 to 11.

Guests were met at the door by Mrs. Cox and were presented to the bride-elect and her mother, Mrs. Ike Johnson, Mrs. Marvin Gilbert, mother of the prospective bridegroom, Mrs. E. F. Stovall, Floydada, and Mrs. T. J. Jarboe, maternal grandmothers of the couple. They wore corsages of pink carnations.

Mrs. Barry Barker and Mrs. Fred Byrd alternated at the register.

The serving table was covered with white ruffled net over white with dainty pink flowers caught at the ruffled hem. Decorations were carried out in the bride's chosen colors, two shades of pink. A bride standing beside a pink wishing well filled with pink flowers centered the table. Favours were made of small pink net bags filled with rice and tied with pink ribbon. A penny was attached to each favor and as guests were served, the pennies were dropped into the wishing well.

Mrs. Arthur Barker Jr., Mrs. Rusty Baccus and Miss Polly Sue Gilbert served guests small sweet rolls, sugar-coated grapes and hot tea or coffee. Silver appointments completed table decorations.

Beautiful bouquets of white day lilies and daisies were placed at vantage points throughout the house.

Out-of-town guests were Mrs. E. F. Stovall, Mrs. Richard Stovall, Miss Ethel Gilbert, Mrs. Etta Hicks and Mrs. E. W. Walls, all of Floydada; Mrs. Warner Reid, Tulsa; Mrs. B. B. Coggin, Abertamy; Mrs. Bill Birdwell, Dimmitt.

Hostesses for the occasion were Mmes. Harley Workman, Clark Harris, Lloyd Bradbimer, Ernest Tannahill, Clyde Hill, Floyd Jackson, Buck Sans, George Myers, Warren Mathis, A. P. Barker Sr., John Bell, Dorsey Baker, Hershel Carbel, Fred Byrd, Joe Foster, W. L. Thomas Sr., Loren Rhodes, Tom Rankin Sr., Arthur Barker Jr., Barry Barker, Rusty Baccus and Jessie Cox. Their gift to the bride elect was a set of cooking ware.

SPEND HOLIDAY HERE

Mrs. Olive Myers had as guests over the holiday all of her six children. They enjoyed a picnic Thursday in the Plainview Park. They were Mr. and Mrs. Ben Brotherton and family, Denver, Colorado; Mr. and Mrs. Jay McPherson and family, Lockney; Mr. and Mrs. Jackie Myers and family, Lubbock; Mr. and Mrs. Donald Myers and Marcia, Denver City; Mr. and Mrs. B. J. Veal and Gary, Plainview, and Mr. and Mrs. Jimmy Myers, Midland. Mr. Brotherton returned to Denver Saturday but Mrs. Brotherton and the children will spend the next two weeks visiting in Lockney, Lubbock and Littlefield with friends and relatives.

TO OKLAHOMA CELEBRATION

Mr. and Mrs. Chester Mitchell and family of Lockney and Mr. and Mrs. Bill Rodgers of Floydada attended the Oklahoma Semi-Centennial celebration in Oklahoma City over the week end. The celebration commemorates 50 years of statehood for Oklahoma.

FLOYD NEAL AT HOME

Floyd M. Neal, vice president of the First National Bank, returned to his home Sunday after undergoing an operation in the Methodist Hospital at Houston some two weeks ago. CARD OF THANKS
We are truly grateful to our friends and neighbors for their expressions of sympathy, the flowers you sent, and the many other kindnesses shown us at the loss of our wife and mother. Your every act of kindness will be remembered and treasured by us.
Stanley Yeager and family

CARD OF THANKS
We want to express our thanks to the wonderful people of Lockney for the many, many kind things that were done and said, both before and after we lost our loved one.
Our hearts go out to you who prepared and brought food and to you who served it.
God bless each one who sent flowers and who gave floral offerings. It made our burden lighter and our grief easier, to know that so many were doing everything they could to help us bear it.
We especially thank Mrs. Emma Lawson, Mr. Carter, Bro. Epps and Bro. Charles Broadhurst. Our daily prayer is that God will pour out His richest blessings upon you.

Mahon Reports On Nat'l Farm Legislation

By George Mahon

This is about farm programs and problems.

SOIL BANK Indications are that the Agricultural Appropriation Bill, which is scheduled to be finally approved by Congress next week, will contain a provision continuing the conservation reserve and acreage reserve programs. But there will be a drastic change. In the acreage reserve program the maximum payment which anyone can draw for taking major crops out of production will be \$3,000. There was no limit in 1957. I am opposing the \$3,000 limitation, but those holding this view are in the minority.

COTTON SUPPORT PRICE. Early this year Secretary Benson indicated that the support price on cotton for 1957 would be 77% of parity. But a recalculation is required in August and it is estimated that the support level will be slightly higher. The support price in 1956 was 82 1/2% of parity.

GRAIN SORGHUM It will be recalled that the support level on grain sorghum in 1957 will be 70% of parity instead of 75% as was the case last year. It is estimated that a lot of grain sorghum will go into the government loan in 1957 as a result of probable changes in the support program for so-called non-compliance corn. Very little grain sorghum went into the loan last year and government-held stocks are now quite low.

FARM LEGISLATION. I am disturbed over the outlook for long-range farm legislation. The policies and pronouncements of the Secretary of Agriculture over the past 4 1/2 years have had a telling effect on the attitude of people from non-farm areas, and these non-farm groups are in the majority in and out of Congress. In Congress we cannot count to the same extent as heretofore on the support of us, farmers and farm groups are more disunited than they have been in years in their recommendations to Congress as to what should be done. Farmers and Congressmen from corn and cotton areas are at loggerheads by reason of a corn bill which was debated and defeated by Congress earlier this year. This all adds up to a disturbing picture. I am very concerned about these matters and we must continue to look for ways to remedy the situation.

It seems likely that no major new farm legislation will be passed at this session. As to cotton, the Farm Bureau is supporting a bill known as H. R. 8201. The American Cotton Producers Associates, with which the Plains Cotton Growers, Inc. is affiliated, is supporting H. R. 7816. Many other proposals are pending. Many of the bills provide for the sale of all cotton by the producers at the prevailing world price. Various procedures are proposed to provide the producer with an extra cash payment for that portion of his cotton which would be used domestically. I will gladly provide copies of pending bills upon request.

Mr. and Mrs. Kenneth Wofford and family were dinner guests Thursday, July 4, their twentieth wedding anniversary, in the Price Holland home, Plainview, along with Mr. and Mrs. Basil Sherman and Kay, Olton. Miss Jean Wofford was a guest in the Sherman home Sunday through Thursday of last week.

South Plains Holds Lead In Softball League

South Plains continues to dominate play in Lockney Softball League as they won three games this week and remain undefeated. Hammond & Co. remained in second place and Fire Department edged past Providence into the third spot.

Last Tuesday night Fire Department downed Providence 11-4 in the first game and South Plains beat Floydada 4-1. Donald Farish of Fire Department and Robert Matthews of Providence were first game pitchers and Johnny Wilson won the second game for South Plains over Duane Stephens of Floydada.

Thursday Floydada won a one-sided game from Lockney Beacon. Stephens and Terrell pitched for Floydada and Wylie, Watson, and Robinson pitched for Beacon.

Providence threw a scare into South Plains Friday night before falling 4-0. Matthews and Wilson were the pitchers. Also on Friday night Hammond & Co. downed Fire Department 4-0 in a tight game. Joe E. Davis was the winning hurler and Donald Farish the loser.

South Plains won their third game of the week Monday night by routing Lockney Beacon. Wilson, Beedy, and Stewart hurled for South Plains and Gerald Garvin went all the way for Beacon.

Providence got on the winning trail Tuesday night, downing Hammond & Co. 7-4. Robert Matthews was the winning pitcher and Davis the loser. Fire Department, behind the pitching of Donald Farish, edged Floydada 4-3 in the second game Tuesday night. Stephens was the Floydada pitcher.

Schedule for this week:
Thursday — Fire Department vs. Lockney Beacon.
Friday — Floydada vs. Providence; Hammond & Co. vs. South Plains.
Monday — Lockney Beacon vs. Providence.
Tuesday — Fire Department vs. South Plains; Hammond & Co. vs. Floydada.

THE LOCKNEY BEACON

Mrs. H. F. Easley spent the last week of June here in the home of her daughter, Mrs. George Myers, along with another daughter, Mrs. Curtis Anderson and Harry. Their home is in Grand Prairie.

South Plains

By Mrs. Murray Julian

Fourth of July here for the most part was another work day with many farmers hoeing their cotton and cultivating feed. In some instances the irrigation wells and lake pumps are being run, although it seems incredible that only a few short weeks ago the country looked like a lake. Hot temperatures have been the rule with the exception of the evening of the 4th of July, when a cool front came through and brought heavenly cool days and nights.

Mr. and Mrs. Frank McClure were luncheon guests Wednesday noon with Mr. and Mrs. S. D. Kinnibrugh and girls, and then left for Bridgeport, Texas, where they were house guests of old friends, Mr. and Mrs. E. J. Williams. They are expected to return home this Monday.

Mr. and Mrs. John Smithman went to Merkel, Texas, on Saturday to visit and spend the weekend with her cousin, Mr. and Mrs. E. G. Coombs.

We are glad to learn of the safe arrival last week of Johnny West who is now here with his folks. Mr. and Mrs. John Key West and Dale Johnny spent the past 15 months in Korea in the armed forces.

Mr. and Mrs. George West spent July 4th and 5th in Ama-

villo where they enjoyed the parade and fireworks at the park that night. They were guests of Mr. and Mrs. E. T. Evans and children while there.

Mr. and Mrs. Murray Julian left early Tuesday morning to spend the day in Roscoe, Texas with Mr. and Mrs. Richard Althof and children. They were able to go straight through with no detours on the road at this time and the crops everywhere are looking beautiful.

Mr. and Mrs. Thomas Pierce and children went to Harmony community Sunday evening to visit his parents, Mr. and Mrs. J. M. Pierce. They left Stanley and Steve there with their grandparents to spend the coming week while Mrs. Pierce and Beverly are down at the Baptist Encampment with the Junior girls.

Mrs. Kenneth Bean and Mrs. Rex Smithman were hostesses in the big Quonset barn on the Bean farm on the evening of July Fourth for the members of their Married Couples Sunday School Class. Three tables of forty-two and one table of eighty-four were played during the evening. The cool wind which blew up made the party very enjoyable. Mrs. Bean and Mrs. Smithman served three freezers of homemade ice cream and angel food cakes to Messrs. and Misses L. N. Johnson, Carlton and Sheri, Sylvain Kinnibrugh, Sterling Cummings and four children, H. S. Calahan Jr. and three children, Garvin Beedy, Don Probesco, Philip Smithman, the Kenneth Beans and the Rex Smithmans.

Mrs. Murray Julian attended a library meeting held at the Floyd County Library on Wednesday morning in Floydada.

Mr. and Mrs. Arby Mulder, Nathan and Katherine left after church Sunday morning to go to White Flat to visit Mr. and Mrs. Tommy Edwards and daughter. Tommy has been ill the past week.

Mr. and Mrs. Zach Cummings have had us house guests from Monday until Wednesday afternoon of last week Zach's niece, Mr. and Mrs. Don Birdwell, Donelle and Gary, Dallas, and Don's brother, Stanley Birdwell, also of Dallas.

Mr. and Mrs. Bob Reeves, Sandy and Jean, Kingsville, Texas, where Bob has been going to college, have been visiting here with Bob's folks, Mr. and Mrs. Sim Reeves since Thursday a week ago. On Sunday they went to Littlefield to visit Jenelle's sister and family. Other guests in the Sim Reeves home this week were Mrs. Cole Boswell of Turkey, who spent the day Thursday.

That night guests with the a-hove were Mr. and Mrs. Walton Wilson of Fairview, Rev. Joe Wilson of Floydada and Mr. and Mrs. Ted Bell who were overnight visitors at the Reeves home.

Eddie Parks left last Tuesday with Boy Scout Troop 57 of Floydada and 15 other representatives for the National Boy Scout Jamboree, which is held at Valley Forge, Pennsylvania. The boys have a wonderful time scheduled for them during the time they will meet. They plan to tour extensively following the jamboree and will return to Lubbock on July 23. The Jamboree will be in session from July 12-18.

Mr. and Mrs. Grigsby Milton,

Dear Editor:

I saw a story in the paper the other day about some crossroads officers nabbing a suspicious character. They used radios, airplanes, walkie-talkies, six-shooters and caution and finally flushed him out of the bushes.

But they couldn't find where there was anything against him anywhere, so they drew the vagrancy law on him and fined him \$100 for not having any money.

I sort of hope regular crime picks up around here enough that our officers don't have to go out looking for business of this kind. I get pretty vagrant myself sometimes just before payday.

D. E. SCOTT
Crossroads, U. S. A.

Darla and Barbara were guests at the wedding of her niece, Miss Donnie Young and Mr. Douglas Meriwether of Lockney, which was held in the Main Street Church of Christ on Wednesday. Other guests from here were Virginia Taylor, Bonnie Upton, Louise Pritchett, Juanel Wood and June Marble.

Church news: Vassie Beth Faus was ill since Friday with a strep throat and Mrs. Faus was absent from church on Sunday staying with her visitors Sunday morning at services were Kay Morrison of Silvertown and Mrs. E. W. Newton and Joann. Rev. Larry Faus has two more weeks of summer school at the Seminary in Fort

Worth. "Try Jesus" is the theme of the camps in session during the month of July at the Baptist Encampment. Mrs. Thomas Pierce and Mrs. Murray Julian left on Monday of this week with their junior girls, Beverly Pierce, Beth Calahan, Barbara Wilcox, Katherine Mulder and Marilyn Kinnibrugh. Other juniors will go on Wednesday at noon and sponsors of the second group will be Mrs. Johnnie and Mrs. John Wilson and Donita Milton. June Marble is spending most of the month at camp as life guard at the swimming pool. Helping serve supper Monday night at 5:30 were Mrs. Sylvia Kinnibrugh, E. L. Morrison, L. T. Wood and Sim Reeves. Also assisting were Misses Virginia Taylor and June Marble.

The South Plains ball team are still leading their league and are still unbeaten this year.

Mrs. Marvin K. House Sr., Big Spring, Texas, visited the past week at the home of her daughter and family, Mr. and Mrs. E. L. Morrison in South Plains. Dan Stephens, son of Mr. and Mrs. George F. Stephens, Lubbock, was also a house guest of Gary Morrison during the past week.

Wednesday in the home of Mrs. Shelby Calahan the 4-H girls met with leaders, Mrs. Loyd Deavenport and Mrs. Skeet Thornton. Meeting time was 1:30 and they sewed during the afternoon. Present were Eulalia Sanders, Yvonne Karr, Marilyn Kinnibrugh, Katherine Mulder, Beth Calahan and Mrs. Sylvia Kinnibrugh. Andrew Sanders and Shelby Calahan. They will not meet this week because the girls will be at their church camps.

Mr. and Mrs. Herbert Yblood of Medford, Oregon and son, Tony, were here last week from Monday until Thursday afternoon visiting her sister, Mrs. Early Pritchett and family. The

THE KIDDIE'S KORNER

HERE IS another group of kiddies of the area. The pictures were made by a professional photographer at the Beacon Office recently. They are, top row, left, Teresa, 8 months old, and extreme right, Danny, 1 year old, both children of Mr. and Mrs. Dan Melton of Route 1, Lockney; top row center, Donna Carol, 1 year old daughter of Mr. and Mrs. Thurman Davis of Lockney; bottom row, left to right, Debra Ann Harlan, 1 year old daughter of Mr. and Mrs. Bobby Lee Harlan of Lockney; Debra Anne Lee, year-old daughter of Mr. and Mrs. Carl D. Lee Jr., of Lockney; and Donna, 1 year old daughter of Mr. and Mrs. Darrel Fortenberry, Route 2, Lockney. More kiddie pictures will appear next week.

Sisters and families had not seen each other for a period of sixteen years and the reunion was a very happy one.

WITCH DOCTOR
is cheaper!

But the few extra dollars that you pay for reliable modern prescriptions save you time and money in the long run. Why? Because today rapid recoveries can often be made with just a single prescription. Burdensome expenses involved in long sickness are eliminated. As recently as ten years ago your doctor had to rely upon medicines that were slow-acting and uncertain. True, your prescription cost less then, but today, because of modern research, you get far greater results for your medicine-dollar.

Dear Editor:

I note that the hot weather is bringing out into the open large numbers of the semi-nude cult. More especially the feminine variety.

Can't figure this out. Looks to me like a cute, crisp, air-conditioned dress would be a lot cooler than some of these modified-diaper type garments which cover the bare minimum.

Maybe coolness is not the objective. But whatever it is, looking around on the streets these days is liable to make a man sort of leg-weary.

Charles E. Duvall Weds Miss Taylor

Miss Judy Taylor, Los Angeles, California, and Charles E. "Bucky" Duvall were united in marriage in Clovis, New Mexico, Wednesday, July 3. She is the daughter of Mr. and Mrs. Stanley W. Taylor, Los Angeles, and his parents are Mr. and Mrs. Leo Duvall.

The Justice of the Peace of Clovis read the ceremony at 4 p. m. in the court house there. For her wedding the bride chose a black and white cotton frock. The fitted bodice featured mid-arm sleeves and a small Peter Pan collar. From this stemmed a full, pleated skirt. Her accessories were black.

Mrs. Harold Duvall and Mrs. Stanley Taylor, mother of the bride, accompanied the couple to Clovis.

Mrs. Duvall attended schools in South Gate, California. He is a 1953 graduate of Lockney High School and is now serving with the armed forces in Brea, California. They will make their home there until October when he is scheduled to receive his discharge. They will then return here to take up farming in the Aiken community.

Rainbow Girls Enjoy Picnic Monday

Several local Rainbow girls and three sponsors enjoyed a day of fun and relaxation Monday at Roaring Springs. They are members of the Lockney Assembly, No. 270.

Sponsors for the group were Mrs. Hugh Counts, Mrs. F. M. Smith, Mother Advisor and Mrs. Ewald Quebe and son.

Enjoying picnicking and swimming were Charlotte Taylor, Ann Brown, Karen Brown, Ann Griffith, Carolyn Harris, Wetta Kent, Janice Hays, Pat McLaughlin, Kitty Ford, Sunny Lawson, Shirley Mitchell, Peggy Ford, Dixie Ford, Jan Brewer, Debra Ferguson, Lahoma Rowell, Paulette Kropp, Caroline Merrell, Jan Thornton, and Kim Mickey.

Charles Vaughan spent Wednesday night in the A. N. Waldroupe home enroute to Hubbard, Texas, to visit with his mother, Mrs. Clem Vaughan. Charles is a second-semester freshman at West Texas State College, Canyon, and he returned there Sunday.

Miss Donnie Young, Douglas Meriwether Repeat Vows

Wedding vows were read Wednesday evening, July 3, uniting in marriage Miss Donnie Carol Young and Douglas Wayne Meriwether. Brother Paul Epps, minister, read the double ring ceremony in the Main Street Church of Christ at 6 p. m.

Parents of the couple are Mr. and Mrs. R. E. Young and Mr. and Mrs. Raymond Meriwether, all of Lockney.

Vows were repeated before an arch entwined with greenery and centered with an arrangement of white gladiolus, wedding bells and streamers. Large baskets of white gladiolus and T-branch candelabra flanked the arch.

Prerequisite selections and the traditional wedding marches were provided by recording "The Lord's Prayer" was sung as a benediction as the couple knelt on a white satin kneeling bench.

Miss Virginia Taylor, South Plains, was maid of honor. She wore a rose sheath dress of cotton satin featuring a round neck and a darker cummerbund terminating in streamers at the side. Her corsage was white carnations.

Morris Meriwether served his brother as best man.

The bride, given in marriage by her father, was attired in a street-length sheath fashioned of white dasheen. Tucks emphasized the fitted bodice which was complete with a small roll collar and cap sleeves.

The bodice extended to a V in the back terminating in a bow with streamers creating a bustle effect. White gardenias centered her bridal bouquet and were surrounded with dainty white rosebuds and stephanotis. The arrangement was carried atop a white Bible and showered with white satin streamers tied in love knots.

Mrs. Young chose navy linen with white accessories for her daughter's wedding. Mrs. Meriwether wore a suit of pale blue cotton and white accessories. Their corsages were white carnations.

Reception

A reception was held immediately following the ceremony in the home of Mr. and Mrs. Austin Meriwether.

White lace covered the serving table which was centered with an arrangement of blue flowers. Decorations included white wedding bells tied with blue ribbon and blue napkins bearing names of the couple in silver. Crystal appointments were used.

Assisting with the houseparty were Mrs. Austin Meriwether, Mrs. Bill Sherman, Donald Reece, Eddie Joe Fortenberry, Doris Meriwether and Miss Virginia Taylor.

Mrs. Meriwether wore a beige cotton sheath and black patent accessories for her going-away attire. They returned Sunday from a wedding trip to points in New Mexico and are now at home in the Barker apartments on West Locust.

Mrs. Meriwether is a 1957 graduate of Floydada High

Mrs. Joe Parrish Hosts Pollyanna's

The Pollyanna Club met Tuesday July 9, in the Joe Parrish home for an afternoon of sewing and visiting.

Refreshments were served to those attending and everyone enjoyed the affair.

Members present were Mrs. Ernest Tannahill, Lloyd Wofford, Leon Wofford, J. D. Wood, Charlie Smith, Clark Harris, Owen Thornton, Pont Darnell and the hostess.

The next meeting will be a salad luncheon in the J. D. Wood home July 23 at 1 p. m.

Young Ladies Mark Fourth With Party

Verna and Judy Anderson entertained several of their friends Thursday, July 4, with a combination swimming and slumber party.

The young ladies enjoyed swimming at the local pool and later a weiner roast at the Marine Anderson home.

Guests were Charlotte Brown, Francis Fowler, Anita Cooper, Delinda Phillips, Judy and Verna Anderson.

Wofford Reunion Sunday, July 14

The annual Wofford family reunion will be held Sunday, July 14, in the Plainview Women's Club House, Plainview. A basket lunch will be served at noon. Friends of the family of the late C. A. Wofford are invited to attend along with all the immediate family.

ALASKA VISITORS

Mr. and Mrs. Ralph Wofford and daughters of Anchorage, Alaska, arrived at the Amarillo Airport Tuesday morning and will be visiting the next week or ten days with relatives and friends in this area. Kenneth, Lockney, and Jesse, Plainview, are his brothers and their parents are Mr. and Mrs. O. D. Wofford, Plainview, and former residents of Lockney.

TO ARKANSAS

Mrs. Pat Frizzell traveled to Camp Chaffee, Arkansas, last weekend where her husband is stationed with the armed forces. She was accompanied by Mrs. Clyde Farish and Mrs. Jack Frizzell. Mary Amber Frizzell spent the weekend in the George Long home, Silverton, while her mother was away.

CARD OF THANKS

LOOKING FOR GOD

Some say you find God just as well in a garden, in the woods, or on a golf course as in a church—that God is everywhere. But be honest about it.

Are you not more apt to think of weeds, or mosquitoes, or a poor shot than you are of God? And after all, you have made this outing to seek pleasure.

But when you go to church, it is with the specific intention of worshipping. Here you engage in prayer, praise and thanksgiving. Here you mingle with people who are seeking God and have come to feel His presence. In the quiet beauty of a church you find few outside distractions, and you know that this place is dedicated to the service of God.

For peace and happiness which comes from really feeling God's presence, worship in the house of the Lord this Sunday—make it a regular practice.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Crimemobile Is To Be Displayed At Floydada

Sheriff W. D. Hollums this week announced that the Texas Law Enforcement Foundation's "Crimemobile" will be on display downtown in Floydada Friday of next week, July 19, beginning at 8:30 a. m.

The Crimemobile is a scientific crime detection exhibit. As the name suggests it is on wheels and is being taken to all parts of the state as a graphic means of portraying modern law enforcement. It is a scientific crime detection exhibit equipped with examples of modern day apparatus and devices used by officers in solving crimes and apprehending criminals.

The exhibit is housed in a 48-foot truck trailer. It serves as a rolling classroom to impress young Texas citizens — and their elders — with the efficiency and ingenuity of modern police techniques.

The lie detector, blood testing equipment, x-ray machine, ultraviolet lights, ballistics comparison microscopes, short wave radio, handwriting and fingerprinting equipment, plaster casts showing footprints, tire treads, all are included in the exhibit.

Other equipment and displays include a whole wall of weapons of the law, including tear gas, non-seating gas, special issue weapons and the like. Sheriff Hollums said that Bill Squier will be the Crimemobile supervisor in charge in Floydada. The Crimemobile will be set up ready for visits and inspection at 8:30 in the morning, with one day only in town.

Boys and girls will be given a chance to become members of the Junior Law Enforcement Foundation which was organized in July of 1955 by former Attorney General John Ben Shepperd, who declared at its inception aimed at seeing the law enforcement profession raised to a new level.

The immediate goal is to let law enforcement officers know by word and action that their sacrifices are not for an apathetic and unappreciative public. The long range goal is educating young people through a 20-year program to have greater respect for the law and for those who enforce it, thereby in years to come lowering the staggering statistics of crime and cutting the average annual crime cost of \$500 per Texas family.

Rhodes Opens Dixie Dog Stand

Raymond Rhodes of the Rhodes Super Market has opened a Dixie Dog stand just north of his store. The stand is a custom built job and was purchased by Mr. Rhodes recently in Ft. Worth. It arrived here last Thursday.

Mrs. Sallie Latimer will operate the stand which will serve all kinds of sandwiches, hamburgers, milk drinks, soft drinks, ice cream, as well as Dixie Dogs.

The stand will be open from 10 a. m. until 10 p. m. each day. Mr. Rhodes said.

H. D. Ashby Is Buried Sunday

Funeral services were held Sunday at 2 p. m. in First Baptist Church for H. D. "Uncle Dick" Ashby, a resident of Lockney for 22 years. Rev. Charles Broadhurst, local Baptist pastor, and Paul Epps, minister of Main Street Church of Christ, conducted services. Burial was in Lockney Cemetery under direction of Carter Funeral Home.
