UNITED FUND DRIVE SET FOR DECEMBER 16-21

The annual Floyd County United Fund Drive has been set for the week of December 16-21, it was announced last week. The goal this year is \$12,000 for the county which takes care of the financial needs of four organizations — the Salvation Army, the Red Cross, Boy Scouts and Heart Fund. The drive was set later this year than last because of the lateness of harvest, officials said. Plans are to complete the drive during the week set and get through with it. Operating under the slogan "Four Drives in One" officials are asking that Floyd County citizens give enough for all four agencies when they contribute to the annual fund drive. "These agencies are serving our county in places where they are needed and we urge you to give enough to enable them to continue their operations in the county," was the way one member of the committee put it. A good corps of workers have been secured and organized so that every part of the cities and the county will be covered. Everyone will be given a chance to give their part and drive officials are hoping that everyone will be courteous and cooperative with those making the drive so that it can be completed quickly. In Lockney proper one group of business men will work the business area and members of the Lockney Jaycees have agreed to take most of the residential area with Mrs. Jimmie Hotel working the Southwestern Heights addition, that area south and west of Highway 70. Workers in the business area include Joe Parrish, Willis Reynolds, R. L. Knox Jr., Clyde Briley, Barry Barker, Revis Harris, Claude Brown, Wilson Kernickie, Bob Miller, Dwight Jackson, Edgar R. Hays and J. D. Wood. President R. V. Webster of the Jaycees said that those who had agreed to work in the residential area included Johnny Starkey, Bill Whitlock, Raymond Smith, Dick Whiteley, Bob Miller, Byron Ford, Harold Duvall, Charles Duran, J. C. Elliott, Bill Thompson, Joe Roach, Carlton Robinson, Clyde Seaman, Warren Graham, Lloyd Reece, Audvie Barnett, Bill Strickland, A. J. Jester, Bud Casey, Joe Taylor, R. L. Knox, Jim Bobbitt, R. V. Webster, B. R. Childers, Joe Montgomery, Donald Reece, Doug Meriwether, Dowell Brewer, Jesse Savage, Dillon Patterson, James Taylor, Joe Cunyus, Bobby Griffith, Ellis Taylor, Gene Belt, and Neil Dunavant.

Community Chairmen
Chairmen in each community in northern Floyd County were secured this week. A separate organization with headquarters at Floydada will work the south part of the county. Northern Floyd County community chairmen are: Irick — Jack Dollar. Aiken — Charlie Andrews. Providence — Ewald Quebe. Lone Star — Hubert Frizzell. Muncy — Mrs. Burl Holt. Pleasant Valley — Raymond Rucker. Sterley — Horton Howell. Prairie Chapel — Mrs. Frank Jameson. Ramsey — W. B. Cates. Roseland — Mrs. Bud Casey. South Plains — Mrs. Billy Stanforth. Cedar — Jack Stansell. A meeting of workers will be held previous to the opening of the drive, members of the plan-

Quarterback Club In Final Meeting

The Lockney Quarterback Club will hold its final meeting of the year Tuesday evening at the high school building. President Leon Wofford said Monday. The group will discuss a banquet for the football team and also will see films of the Lockney - Seymour game. All members of the club are urged to be present for this last meeting, Mr. Wofford said.

Funeral Rites For Larry Baker Held Wed.

Funeral services for Larry Baker, 51, were conducted at the Carter Funeral Chapel in Lockney Wednesday of last week at 3:30 p. m. Harvey McPaett, minister of the Broadway Church of Christ in Lubbock, officiated.

Mr. Baker passed away Tuesday, November 26, at 6:20 p. m. at West Texas Hospital in Lubbock following a lengthy illness. He had been seriously ill for three months. The youngest son of Mrs. Alice Baker of Lockney, he was the first of the 12 Baker children to pass away.

Burial was in the Baker family plot at Lockney cemetery under the direction of Carter Funeral Home. Masonic rites were conducted at the graveside with Frank Cummings of Littlefield in charge.

Joseph Larry Baker was born in Lockney July 29, 1906. He was reared here, attended the local public schools and the old Lockney Christian College and later attended a military college in Missouri. He made Lockney his home until August 1924 when he moved with his sister, Mrs. Lee Seaman and her family to Altus, Oklahoma. There he was employed as manager of the parts department in Seaman Chevrolet Co.

On January 18, 1930, he was married to Miss Agnes Kenamer of Carter, Okla., at Carter. Two sons were born to the couple, Larry Dean and Deon. The family lived in Altus and Snyder, Okla., until 1938 when they moved to Lubbock where he entered the furniture business. Later he became engaged in farming and was following that vocation when death came.

In 1947 he was married to Miss Julie Berry of Fort Worth. She is among survivors. Survivors are his wife, Julia, two sons, Larry Dean of Los Angeles, Calif., and Deon, a senior student at Abilene Christian College, Abilene; his mother, Mrs. Alice Baker of Lockney; five brothers, Franco, Lubbock; Norton, Amarillo; Robin, Plainview; Artie, Pecos; and Dorsey, Lockney; six sisters, Mrs. L. M. Honea, Mrs. Lee Seaman, Mrs. Dimple McGavock, all of Lockney; Mrs. J. A. Deavenport, Boulder, Colo.; Mrs. Mary Phillips and Mrs. Ed Gross, Port Lavaca, Texas.

W. P. Stinebaugh Dies Monday

Woodie P. Stinebaugh, 74, died at the Plainview Hospital Monday morning at 9:30 o'clock. He was stricken the previous Friday night with a heart ailment. Funeral services were held at the Columbus Street Church of Christ in Plainview Tuesday at 3 p. m. Interment was in Plainview cemetery. Mr. Stinebaugh, a brother to L. B. (Si) Stinebaugh of Lockney, was a former resident of this city. He clerked at Baker Mercantile for a number of years and he and his family moved away some 25 or 30 years ago. He moved from Archer City to Plainview in 1950. He was married to Elvira Adams August 21, 1902 at Farmington, N. M. Survivors include his wife, one daughter, Mrs. Valca Thomas of Plainview; two brothers, L. B. of Lockney and A. M. of Fort Worth; one sister, Mrs. Guy Gunter, El Paso, and one granddaughter.

Time To Write To Santa Claus

It is time for all good little boys and girls to write to Old Santa and The Beacon is making special arrangements to forward letters to the jolly old fellow. Boys and girls who wish to write to Santa Claus may send their letters to The Beacon Office and we will see that he gets them. Already one young man in the community has written to Santa and sent it to The Beacon. Here is a letter from Mike Hodel, son of Mr. and Mrs. Bill Hodel: Dear Santa: I am a little boy 4½ years old and have tried to be good. I would like for you to bring me a bowling set, a cash register and a doctor's set. Please remember my Aunt Shelda, Papa and Grandma. I love you, Santa. Mike Hodel

Mrs. Anderson's Sister Dies

Mrs. Henry Johnson, sister to Mrs. Willie Anderson of Lockney, died suddenly at her home in Spur early Tuesday. Death was attributed to a heart ailment. Mrs. Anderson left Tuesday to attend funeral services but information was not available here as to time and place.

Basketballers To Play First Home Game Fri.

The delayed basketball season opens this week for the Lockney Longhorns and Longhornettes. The home curtain-raiser will be Friday night in the local gym against Matador. Three games will be played with the "B" contest starting at 6 p. m. The three local teams will travel to Matador Thursday evening for their initial battles of the season.

Most area basketball squads have been playing for two or three weeks, but Lockney is late due to the football team being in the state playoffs. Eight lettermen return to bolster the team which won six, lost six in district play and finished fourth in the district. Lettermen include: Roy Kidd, 6' 1½", sr.; David Howell, 6' 2½", sr.; Larry Jarrett, 6' 2", sr.; John Hamst, 6' 1", sr.; Kelly Harrison, 6' 1", sr.; Jimmy Minter, 6' jr.; Ronnie Laceywell, 5' 11", sr.; Bill Race, 5' 10", jr.

Boys up from the "B" squad are: Milton Mickey, 6' 4", jr.; Terry Clark, 6' soph; Donald Ivy, 5' 11", soph. Coach Lemley stated that the club has good potential and with good defensive play could win the district title. Coach Lemley picked Floydada, the defending 2-AA champions, and Tahoka as the teams to beat in district play.

The Longhornettes, with only five returning lettermen, will probably get off to a slow start, but have a young club and will improve as the season progresses. Betty Graham, guard, and Martha Harden, forward, seniors; Shirley Mitchell, guard, and Linda Baxter, forward, juniors; and Pat Buchanan, guard and forward, sophomore, earned letters last season on a team that had a 2-8 district mark and finished sixth in conference standings.

Coach Lemley said this week that he was well pleased with the progress of the girls. An extra fine crop of freshmen girls are on the team. Lemley said some of the younger girls show much promise. The freshmen girls include: Carolyn Merrell, forward; Ann Brown, forward and guard; Charlotte Taylor, guard; Janice Boedeker, forward; Carolyn Harris, forward; Vickie Cook, guard; Gay Lynn Robertson, guard; Doris Elland, guard and forward; Gayle Kendrick, guard and forward.

Jackie Frizzell and Dee Dorman are managers for the Longhornettes. A "B" squad boys team will play about the same schedule as the "A" boys and girls this season. Coach Lemley stated early this week that no roster had been fixed for the "B" squad but several freshmen will be on the squad.

Junior High Group To Present Pageant

Room 7-2 in Lockney Junior High School will present a Christmas Pageant, "Christmas In Other Lands," on Thursday evening, December 19 at 7:30 p. m. Mrs. Lena Sue Babbitzke is sponsor of the program. The pageant will be in the high school auditorium and no admission will be charged. The pageant tells of Christmas customs of other countries which have been handed down to our own country. The program includes traditional and new Christmas carols by the Melody Makers. Special lighting is being worked out and the climax of the pageant will leave the audience feeling warm and happy to be alive. Everyone is invited to attend the program and assured of an enjoyable evening.

H. D. Bowman Is Improving After Fall

H. D. Bowman, Lockney carpenter, is improving at Medical & Surgical Hospital here after suffering injuries in a fall from the roof of a house in Silverton where he was working. Bowman suffered a fractured pelvis and possible internal injuries when he fell from the house Tuesday of last week. Bowman was working with Robert McDonald, local building contractor. He makes his home here with his sister, Mrs. May Brown.

Christmas Program, Lighting Contests Are Planned Tuesday

A group of local people representing most local clubs met at the Chamber of Commerce office Tuesday night and made plans for a Christmas program and Santa Claus day here on Friday, December 20 and also for Christmas decorations and lighting contest. According to the plans made the various clubs and organizations will be asked to help with the program or contest in some way. Here are the plans: The Lockney Business & Professional Women's Club and the Lockney Garden Club are asked to work together in planning a home Christmas decoration and lighting contest. These clubs are asked to furnish prize money for the contest, work out the rules and secure judges. The Chamber of Commerce and the Jaycees are to work together in securing a large Christmas tree for Lockney's Main Street. They will decorate the tree. The Lockney Rotary Club and the Lockney Lions Club are asked to work together in arranging for a visit from Old Santa Claus himself. They will also furnish the money for prizes to be given away on Santa Claus Day and will arrange for a drawing of prizes to be given by various business

COTTON ALLOTMENTS MAILED, EVERYBODY GETS INCREASE

Floyd County individual cotton acreage allotments for 1958 were mailed yesterday (Wednesday) and everyone in the county received an increase in their acreage over 1957, County ASC Office Manager Tom Hutchins told The Beacon. The county's acreage quota for 1958 was released last week and is set at 99,983 acres for 1958. This is an increase of approximately 1700 acres over the 1957 allotment. The County ASC Committee reversed its policy of the past several years and voted to set the 1958 individual allotments on a history basis instead of a total cropland basis, Mr. Hutchins said. Therefore every grower will receive either the average of his cotton acreage for 1955, 1956 and 1957 or 101% of his 1957 acreage, whichever is higher.

Teacher Killed, Students Hurt In Explosion

The Floydada High School chemistry teacher, Garland Foster, was killed and a number of students injured Wednesday afternoon in an explosion at the high school building. Listed as critically injured late Wednesday were Keith Hollums, son of Mr. and Mrs. T. C. Hollums of Sandhill community and Jimmy Crawford. They were rushed to a Lubbock Hospital for treatment of their injuries. Less seriously injured were Jerry Perry and Newton Deavenport. Several other students were carried to the Floydada Hospital for treatment of injuries. Reports here were that Foster and the students had been experimenting with a small rocket. They took the rocket outside the building and were attempting to launch it when the rocket fuel exploded. Foster was alive when he reached the hospital but died soon afterward, the report said. The accident happened about 2:50 p. m.

Vote Tuesday

Farmers will go to the polls next Tuesday to vote on the cotton marketing quotas for 1958. Ten voting boxes have been designated in the county in an effort to get more farmers to vote on the quotas. Mr. Hutchins said. Nationally only about 15% of the eligible farmers participate in the elections and the percentage has been less than that in Floyd County at times. The United States Department of Agriculture isn't pleased with the amount of interest in the matter, Mr. Hutchins said, and is urging that farmers take more interest and vote in the referendum. Voting boxes in Floyd County will be as follows: Lone Star — Cassel Gin. Lockney — Beacon Office. Aiken — Peamaster Gin Cedar — Store. South Plains — Gin office. Barwise — Gin office. Dougherty — Poole Grain Co. Lakeview — Gin office. McCoy — Gin office. Floydada — ASC office.

The marketing quota program will be in operation for next year's crop if at least two-thirds of the votes cast in the referendum are in favor of the program. In that case, price support will be available to growers who comply with their farm allotments for the 1958 crop of upland cotton at a level between 75 and 90 per cent of parity and quota penalties will apply on any "excess" cotton. If more than one-third of the votes are against quotas, there would be no quota penalties and the price support level to eligible growers would drop to 50 per cent of parity, according to Mr. Hutchins.

Even though quotas are disapproved, acreage allotments will remain in effect as a means of determining eligibility for price support, he said. All farmers who were engaged in the production of upland cotton in 1957 will be eligible to vote in the referendum. The referendum will be held between the hours of 8 a. m. and 7 p. m.

Home From Hospital After Two Years

Mrs. Mary Childers Johnson returned to her home here Thanksgiving night from McKnight Sanatorium, Sanatorium, Texas, where she has been confined the past two years. Mrs. Johnson underwent lung surgery last May and her condition is greatly improved. She has been released from the hospital but must spend four hours a day in bed for the next three months. She and her two children, Brenda, 4, and Stanley, 3, are staying with her parents, Mr. and Mrs. C. E. Childers. The Johnsons and the Childers express their appreciation for their friends who have remembered them in many ways during Mary's long illness.

Former Area Residents Die In Auto Accident

Mr. and Mrs. Cole Boswell, both about 60, were killed in an automobile accident near a room Saturday night. Mrs. Boswell, the former Helma Reeves, is a sister of Mrs. Reeves of South Plains community where the couple formerly lived and where she taught school at one time. She is a graduate of Wayland College, Baylor University and Texas State. Funeral services were held Wednesday afternoon at 2:30 at the First Baptist Church at Arkley where the couple has lived the past 20 years. The couple is survived by two daughters, Mrs. Eldridge Gilla, address not known and Mrs. Joe Edd Forbes, Arkley. Besides Mrs. Reeves, Mrs. Boswell is survived by a son and another brother, Garret Reeves, Lubbock.

Three Charged With Robbery

Three colored men, Louis Ridway, Willie Riddle and George W. Crosby, have been charged with robbery in 110th District Court at Floydada. Bonds are set at \$1,000 each which they failed to make. The men are charged with robbing another colored man, Dear of Floydada, of about \$100. The victim identified the men as the culprits, members of the Sheriff's department said. Samuel Shackelford of Lubbock was recently charged with possession of liquor for purchase of sale. He pleaded guilty and was fined \$200 and costs in County Court. Lyndel E. Warren of Hart was also charged with possession and pleaded guilty. He was fined \$250 and costs. Pedro Mireles, Sr., and Pedro Mireles, Jr., were also recently charged with possession of liquor. They pleaded not guilty and were released on bonds of \$500 each. They are from Plainview, officers said. Two DWI Charges Are Filed City Officer Lowell Bilbrey filed two charges of driving while intoxicated this week. On Monday Bilbrey and Deputy Sheriff E. H. Boling arrested V. Horton on Lockney's Main Street and charged him with driving while intoxicated. He pleaded guilty and was fined \$50 and costs by County Judge D. McBrien. His home is Abilene but he has been working near Aiken, officers said. Early Tuesday Bilbrey picked Addison Junior Pritchett of Lubbock, also on Lockney's Main Street. He was charged with DWI, pleaded guilty and was fined \$250 and costs in County Court Tuesday. Marijuana Cigarettes Are Found City Officer Bilbrey arrested two Mexican men here Sunday morning and found they had marijuana cigarettes in their possession. They were arrested at Floydada and charged with possession of marijuana. A thorough investigation of the matter is underway this week by members of the Sheriff's department as well as officers from Memphis, Texas. The men originally came from the Valley but had recently been working near Estelline and Memphis.

Longhorns Have 5 Players On All-District

Five members of the 2-AA Champion Lockney Longhorns have been chosen to the 2-AA all-district team. John Hanst and Byron Brock were named to both offensive and defensive units giving the Longhorns a total of seven places on the 26 man squad. Dickie "Bigger" Barton, hard driving fullback, was chosen on the offensive team and Lane Crank, 220-pound tackle, and Nelson Wofford, speedy halfback, were selected for defensive all-district honors. Hanst, 185 pound senior captain of the Longhorns, made the team as an offensive tackle and defensive linebacker. He made the all-district team both ways last year. Brock, 165 pounder, was selected all-district at offensive guard and defensive end. Brock made the all-district defensive team last year as a sophomore. Players from Lockney given honorable mention include Duane Griffith, Kelly Harrison, Coy Kidd, Larry Hammit, Bill Race, Jerry Williams, Kenneth Calloway, David Howell, Bill Musser. Each team in 2-AA picked an all-opponent team and the votes were compiled at a meeting at Slaton some two weeks ago. The all-district selections were not released until Lockney was eliminated from the state playoffs by Seymour last Friday. Floydada, tied with Slaton and Spur for runner-up honors in the conference, also took seven places on the all-district team, three on offense and four on defense. Slaton landed five men on the team, Spur placed four men. Tahoka had two on the select list, and Abernathy placed one man on the team. Post did not have a player chosen all-district. Randall Gilcrease, big Spur tackle, was the only repeater on the all-district team except Hanst and Brock. Several players, including Kidd, Musser, Williams, and Race, were selected all-district last year but did not repeat this season. Due to ties for three positions 26 members were selected to the two teams rather than 22.

For God hath not given us the spirit of fear, but of power and of love and of a sound mind. — Timothy 1:7.

THE LOCKNEY LONGHORNS have nothing to be ashamed of in their battle with the Seymour Panthers last Friday night. Although giving away a tremendous weight advantage, the Longhorns actually outplayed the heavier Panther team for half of the ball game and under slightly different circumstances might have defeated the big Seymour team.

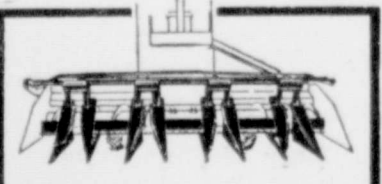

We offer our congratulations to the Longhorns for the terrific fight they put up, the hard, clean game they played and for their good sportsmanship and conduct all during the season. They are a fine bunch of boys and deserve all the praise and plaudits they have received from local fans as well as others of the area and state.

PERSISTENCE is indeed a virtue of farmers of the high plains. The many difficulties of harvesting crops this fall have revealed this trait in that farmers have faced just about every hindrance and handicap in the book but they still are in there fighting to get the crops gathered. Ingenuity is also a factor in the harvesting operations. Many contrivances as well as unusual methods of operations have come up showing that the farmer is able to adapt his equipment and methods to fit the demands of the times. The farmer of the high plains is a little above the average in our books. In the long run, he'll come out on top.

CHRISTMAS is just around the corner. Look at the calendar and you'll find that when this paper is issued there are only 17 shopping days until Christmas. Due to the late harvest probably most of us have done no Christmas shopping to speak of. It's time to get started — and just this reminder:

Your local merchant has stocked heavily for this Fall and Christmas season. His store offers you a wide selection of gift items. He had no Fall business to speak of and he deserves your consideration when you start to shop for Christmas. He pays school taxes to educate your children, he helps support your churches, he helps to provide you with fire protection and law enforcement, he helps to keep the community going. Before you run off somewhere and buy a garment, probably of inferior quality, at a slightly lower price, give him a little consideration.

AFTER ALL, this business of trading at home is not a one-way street. The farmer, the local resident, needs the business houses in Lockney just as the business houses need the patronage of the farmer and local resident. If the business houses weren't here you would have a much poorer school or no school at all, your community life would be gone, your churches would be smaller and weaker. Thoughtlessness in driving an automobile many times kills people. Thoughtlessness in trading out of your home town can also kill that town, bring a drastic reduction in property values and loss to all. Communities are built by people working together and pulling together. Trading at home as much as you possibly can is one way of doing that.

ANOTHER SUDDEN THOUGHT: If your local merchant can afford to carry your account for months when you don't have the money to pay and continue to sell to you on credit, surely you can afford to trade with him when you do have money. Any other course is unfair and unjust. It just isn't right. And there is still some satisfaction in treating your fellowman right.

NOW IT IS revealed that Mr. Franklin Roosevelt also suffered a number of mild "strokes" even before he ran for his fourth term as president. The fact that President Eisenhower has also suffered a stroke emphasizes the tremendous pressure on a man in this position. Perhaps the law should limit a man to one term as president instead of two. After all four years of the terrific pressure of this office should be enough for anyone.

THE WIZZARD OF UGH
Like the proverbial Tent Camel, last week, I discovered two packets of coffin sticks, Lucky in color, crowding in where one was fear enough. In fact their nicotine web had been so finely woven that I felt like a fugitive from Uncle Zeb's "Ain't Smoking Right Now Society."

Deciding to cut down on this subconscious sublimation I limited myself to one on the hour instead of allowing the unconscious anxiety force me to reach for a Lucky at the least provocation.

Ten a day is quite a drop from forty willow weeds, but the absent stemili was not greatly noticed. However, other oddities did creep in. After ten hours I discovered a strange odor. It was sickening sweet tantalizing. After considerable tracing I discovered it to be

pure air. It has been so long since I'd experienced a breath of fogless atmosphere that the shock almost made me quit altogether.

I also discovered that my eyes are a dark brown color, not hazy brown. A great many other oddities began to clear up too. No wonder I'm the only one in Claude who hasn't seen a flying object.

It is strange how little habits can slowly steal their way into the whole consciousness of mind. That which we worship tend to plague or bless us, depending on the unconscious intent. Like Egypt's deifying frogs and the river Nile, they become a plague into her. Unfortunately, however, "Luck" never plagued me; just "Luckies".

Seeking deeper understanding on this problem I found that Freud considers it a manifestation of the Oedipus complex, progressing from the oral

level. In early babyhood a deep narcissistic wound is inflicted when nutrients are delayed which causes the collapse of a grandiose fantasy, producing, in early childhood thumb-suckers and in man and woman-hood, cigarette suckers.
It's a shame Freud died before he discovered the cause of dandruff. — Cecil Waggoner in Claude News.

PROTECTION NEEDED

Good argument for some kind of authority in the state to protect vegetable growers against irresponsible marketers who prey on them is furnished by the experience of Floyd County growers this year. Making allowance for the lack of experience of the growers from coming to maturity in condition that the market demands, there is still need for protection against marketers who ship out a load of wonderful looking produce only to report in two or three weeks that it reached destination in bad condition and had to be dumped into the river. One result is that growers are making connections with buyers who will take the produce in the field and pay for it then and there. The vegetable business has to grow up, as is well-known, but a protective agency against predatory high binders is one of the things needed for the industry to do so.—Floyd County Hesperian.

CROSS ROADS REPORT

Dear Editor:
My old-style neighbor says the coming-on winter is doing some good besides making the gas companies rich. It is also discouraging the wearing of shorts by unsuitable individuals.

Not having a shorts-wearing wife of his own, he can get by with saying what he thinks on this subject.

So he goes bravely ahead and says that mature girls had ought to take lessons from successful storekeepers, who do not display everything they have in stock but put only their more attractive merchandise in the show window.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

December 8, 1927

More than 300 local citizens and visitors participated in the annual Chamber of Commerce banquet held in the Watson building Tuesday night. A. B. Brown acted as toastmaster. Short talks were made by Dr. Paul Horn, pres. of Texas Tech, Lubbock; Dr. J. A. Hill, president of West Texas State, Canyon; Senator H. W. Bledsoe, Lubbock; H. H. Haines, secretary of the Board of Development of Amarillo, and several other persons.

Ten of the High School basketball girls, accompanied by Miss Ermalee Rea, Miss Alice Bridges, coach, and Coach Brown, went to Hale Center December 2 to play the first match game of the season. Final score was 37-26 in Lockney's favor. Lockney's lineup included White and Nicholas, Wilson and Collins, Shurbert and Gruver.

December 7, 1945

A loss probably totaling \$10,000 was sustained when the Lone Star Oil Company's station, warehouse and storage tanks went up in flames last Saturday afternoon. The property was owned and operated by Consumer Fuel Association of Lockney. Consumed in the flames was all the buildings and tanks of the Lone Star Oil Co., and a little blacksmith

shop sitting just south of the oil station. A resident south of R. L. Knox store north of the filling station were both touched by the flames. Hubert Frizzell was manager of the Lone Star Oil Co. Local officials of Consumers organization say the plant will be rebuilt.

Mr. and Mrs. Cleatis Jefferson purchased the stock and fixtures of Ayres Variety Store in Lockney last weekend. The building is being renovated and will soon be opened with a new stock of merchandise. The store will be operated completely separate from Dry Goods, also owned by the Jeffersons.
Boys receiving honorable discharges recently include Duane H. Reves, after nearly 4 years in the army; Robert L. Smith, discharged Nov. 19 at Iowa; Field, Florida; Estes L. Woodburn, Ensign in the Naval Air Corps and has been serving as an instructor at a station in Iowa; Garland Sarns was discharged last week after seven months in the states, Josie Williams was discharged after 3 1/2 years service; William C. Alford entered service in 1940 and was discharged Nov. 30; Sgt. Thurman L. Reed served three years, mostly in Europe; Pvt. Olan Keeler spent 30 months in the Pacific; Waldo M. Scott has served over 3 years in service, 15 months overseas, 11 months of which was spent in a German prison camp.
Mr. and Mrs. Shelby Calahan are parents of a son, John Shelby, born Nov. 30.
Mr. and Mrs. S. B. Owen, parents of Mrs. Roy Handley, Lockney, celebrated their 70th wedding anniversary Sunday, Dec. 9 at their home in Wellington.

The only 1958 car that offers more of everything you want... yet is priced lower than in '57

Here's great news! While prices of 1958 cars of other manufacturers are up, the price of Ford's exciting new Custom 300 Series is down. A brand-new 58 Ford Custom 300 with all of its exciting new styling and engineering advances is priced lower than a '57 model, similarly equipped!
World approved styling. A Custom 300 brings you styling that is dramatically new. With its Honeycombed grille, Slipstream roof, Deep-Sculptured rear deck, and Safety-Twin headlights and taillights, Ford styling drew admiring glances from Paris to Saigon . . . yet it's yours now in any 58 Ford Custom 300 without extra cost!
New handling ease. Slide behind the wheel of a Custom 300 and you'll soon discover just how much fun driving can be. Notice how smoothly it handles. That's Ford's new feather-touch Magic-Circle steering, the next best thing to power steering.
New riding comfort. Notice, too, the solid comfort of your ride. That's Ford's easier acting front and rear suspensions. They soak up the bumps before they reach you.
Thrifty, new engines. You have a wonderful choice of new, more efficient power plants . . . designed for real gas-saving economy plus greater performance. Six or V-8, they give you more power, smoother power, from less gas.
Priced as much as \$50 lower. A comparison of manufacturer's suggested retail delivered prices shows that a 58 Ford Custom 300 is priced as much as \$50 less than the same model for '57! You'll wonder how Ford can offer so many of the things you want in a car priced so low. One big reason: Ford gives you more car for less money because Fords sell more!
See and drive a Custom 300 and we believe you'll agree that these Fords give you more real value for your car-buying dollars than any car on the American road today.

vt. Gross At Helicopter School

Port Eustis, Va. — Pvt. Clive Gross, son of Mr. and Mrs. Fred Gross, Route 4, Floydada, recently completed a five-week helicopter maintenance course at Fort Eustis, Va.

After graduation ceremonies, Gross returned to his unit, the 5th Light Helicopter Company at the Virginia fort.

He entered the Army in January of this year and received basic training at Fort Carson, Colo.

The 19-year-old soldier was graduated from Floydada High School in 1955.

Dear Editor:
I see where during the last session of the Wisconsin legislature it is said the lobbyists spent \$14,134 on drinks for the lawmakers.

Which seems like a lot of money for coffee, soda pop, etc., especially when buying the drinks is not a guaranteed way to get votes and influence.

Like my political neighbor for constable one time and bought every voter in the county a cup of coffee during his campaign. But his opponent did the same thing. Which evened up the special benefits and forced the people to fall back on the old-fashioned custom of voting for the better man.

ROASTING 1 Q's

The surest way to determine if turkey is cooked is to use a roast thermometer inserted inside the thigh next to the body, says Margaret Spader, home service editor. The thermometer should read 190 degrees. On a "done" turkey the drumstick can be moved up and down easily, and the meat feels very soft when the thickest part of the drumstick is pressed between the fingers.

FROM THE County Agent's Office

By Cecil Lewis and Lynn Pittard

The Great Plains Conservation Program is in effect. To those who are interested application forms are available at County Agent, A. S. C. and S. C. S. Offices.

This program is designed to cover your entire farm on needed lane use changes, needed cropping and grazing systems, and needed soil and water conservation practices in proper combinations.

To be eligible for this program you must be an owner or an operator with control for the period needed to carry out these practices.

You are responsible for making your own plan of operations for your farm. You can get help from the local Soil Conservation Service, in making your plan. The minimum period for participation is three years and the maximum is 10 years. You are to set up a time schedule for carrying out these practices.

Cost sharing will include installing pipe, establishing permanent cover and other items. Cost share will be the same as the payment on Agriculture Payments and will supplement these payments. There is no limitation as to how much money one farm can earn.

For further information contact the County Agent, A. S. C. or S. C. S. personnel.

If you are planning on building some new farm buildings, a new method of construction has been developed. Concrete tilt up construction is the new method and it is durable yet low in cost. For a bulletin describing this operation, a discussion of time, labor and materials required come to County Agent's office and ask for "Concrete Tilt-up Construction."

Tractor Training for Floyd County's 4-H club members will be the theme of a two-day school December 3-4 at Amarillo.

Adult Leaders attending this school will be given instructions in various subjects to enable them to return to Floyd County and teach the same to local 4-H members.

Time and place of the annual Floyd County 4-H Tractor School has not been set but will be sometime next spring.

Several Awards will be made to 4-H club boys who show greatest skills in tractor maintenance and operation. The state winner will be awarded an all-expense trip to Chicago and will be eligible to compete for one of 12 college scholarships. Medals will be given to county winners.

Urge Paving Of Lakeview Road

Floydada. — The Commissioners Court of Floyd County in their session last week put of record a resolution "respectfully requesting" the State Highway Department to "designate and pave the Lakeview Road" on substantially its present route.

The court's action followed a petition presented to that body by 82 property owners on the road or adjacent to it, who pointed to the high traffic count on the road and the number of farms to be served.

The road is referred to in the petition as the "Floydada-Lakeview Road." It enters Floydada at the southeast corner of the original townsite and terminates at Lakeview School House.

"The Commissioners Court agrees this road should be given first consideration over any other proposed Farm-to-Market Road in Floyd County," the record discloses.

In other action taken by the court the body passed an order for the purchase of a half-ton truck from "Whitey" Bacus Motor Co. for a cash consideration of \$1,284 and a used truck trade-in.

Mother-Daughter F. H. A. Banquet Has Fall Theme

"Hats Off to Fall" was the theme for the annual Mother-Daughter banquet given by the Future Homemakers of America Tuesday night, Nov. 26 at the high school cafeteria.

The banquet theme was colorfully displayed above the speakers table and hints of the fall season were evident in the table decorations. Gold glittered leaves, fruit and nuts centered the tables with a horn of plenty accenting the head table. Booklets designed as red leaves were lettered in gold marking the places of guests and also held the program and menu for the evening.

Invocation was given by Sally Cox, Nelda Tims, F. H. A. president, acted as toastmaster and gave the welcome. Mrs. Robt. Lee Smith, honorary member, gave the response. Miss Tims recognized the F. H. A. beau, Ronnie Laceywell and his mother, Mrs. Dale Laceywell and presented a gold identification bracelet to the beau. She also expressed the chapter's appreciation to the two home-making teachers, Mrs. Wilma Adams and Mrs. Juel Lewis by giving each a gift.

Mrs. Felicia Applewhite, of the L. H. S. faculty, gave a very interesting review of the book "My Antonia" by Willa Cather. Dinner music was furnished by Mrs. C. L. Record. Mrs. Wilma Adams gave recognition to the F. H. A. Mom and Dad, Mr. and Mrs. W. G. Tims, presenting gifts to them and to Mrs. Applewhite and Mrs. Record.

Miss Tims and Miss Weta Kent presided in a special ceremony in which Mrs. Johns Cox was made an honorary F. H. A. member in appreciation of her help and interest in the chapter. She was presented a F. H. A. pin. Mrs. Lewis gave recognition to those doing degree work. "Mother" was the title of a song sung by Miss Elaine Cooper and as a benediction the Silver Bells sang "Bless This House." They were accompanied by Miss Janice Hays at the piano.

There were 186 guests in attendance.

Mrs. Bobby Johnson Is Shower Honoree

Mrs. Bobby Johnson was named honoree at a bridal shower given Monday morning Nov. 25 from 9 to 11 o'clock at the home of Mrs. Johns Cox.

Guests were met by Mrs. Cox and presented to the honoree, her mother, Mrs. R. C. Forsyth, Plainview, and Mrs. R. W. Johnson, mother of the bridegroom.

The refreshment table was covered with white net over blue centered with an arrangement of mums adorned with silver glitter and accented with twin ruffled hearts. A silver coffee and tea service was used.

Hostesses for the event were Mmes. Hugh Marble, Johns Cox, A. E. Hewitt, Chester Mitchell, Clyde Hill, Harmon Handley, Robt. Holland, Verner Hodel, Buck Kellison, Jim Brown, Clay Muncy, Bill Hodel, Guy Sams, Fred Byrd, Bert Vernon, Dee Copeland, Edgar Hays, J. B. Allen, Lester Carter, Hilburn Casey and Weldon Smith.

H. D. Club Bazaar To Take Place Dec. 14

Plans are being made for another big bazaar this year by the County Home Demonstration Club women. The bazaar will again be held in the showroom of the Lockney Auto Co. The date has been set for Saturday, December 14 beginning at 9 a. m.

Everything to be sold will be contributed by the club ladies and will be home made or home grown.

A variety of home baked goods, home canned foods, aprons, pillow slips and other crafts are expected.

The public is cordially invited to come by and do part of their Christmas shopping at the bazaar as well as shopping for baked goods and other items.

Clubs participating in this bazaar are Lone Star, Lockney, Sterley, South Plains, and Providence.

A bazaar also will be held in Floydada on Friday, December 6 in the former J. C. Penny building along with the Christmas activity planned for that day. Santa Claus is scheduled to be in the building talking to the children during the afternoon.

Clubs to work with the bazaar in Floydada will be Dougherty, Harmony, Homebuilders, Sandhill, Sunnyside, Starkey, and Lakeview.

Friends in the Lockney area are also invited to the bazaar in Floydada.

Don't forget the dates. Plan now to do some shopping at these bazaars with the Floyd County Home Demonstration club ladies.

Peggy Hall Honored In Plainview Sat.

Miss Peggy Hall, bride-elect of Joe Nance, Lone Star community, was complimented with an informal kitchen and recipe shower Saturday, Nov. 30 at 2 p. m. at the home of Mrs. Hoyette Hodges, Plainview.

Guests participated in a program of readings and games appropriate for the occasion, after which the hostess presented gifts to the honoree.

Refreshments carrying out the bride-elect's chosen colors of red and white included punch, decorated cookies, nuts and mints. Favors were miniature red and white wedding bells tied with red ribbon.

Approximately 20 persons were included in the invitation list.

Wedding rites will be read at the Lone Star Baptist Church, Saturday, December 7 at 6:30. Miss Hall is the daughter of Mr. and Mrs. J. H. Hall and is a 1956 graduate of Lockney High School.

Mrs. Joan Clark Honored, McMurry

Mrs. Joan Harris Clark, daughter of Mr. and Mrs. Clark Harris, Lockney, was initiated into the McMurry College Phi Monday night, Nov. 28 in an impressive ceremony.

The purpose of Alpha Phi is to encourage sound scholarship and devotion to the truth, not only among its members but among all students. Active membership in Alpha Phi is open to the top ranking ten percent of the Junior and Senior Classes. High Scholarship is the primary requisite for membership, but good character and reputation are considerations.

On Tuesday morning, November 26 Joan received another honor when she along with seventeen other girls received the most nominating votes for the student body were presented in the traditional Phi Totem Beauty presentation program in chapel before the student body. Following the presentation of the 1958 Totem Beauties the eight most beautiful girls were chosen from among the seventeen. Five judges from various walks of life interviewed the girls and rated the girls on such qualities as beauty of face and figure, smile, poise and personality. Identity of the eight most beautiful will remain secret until they are revealed in the year book. The 1958 Totem, in Mrs. Joan was chosen as one of the eight Totem beauties of 1957 in last years annual.

Postmaster Urges Early Mailing

Postmaster Jeffie Griffith said today, "Early mailing of all Christmas cards and gifts is the biggest single factor in getting all of the mail delivered before Christmas."

The Postmaster urged special care in preparing gift packages for the mails. Make sure that all addresses are legible and complete.

"If you have any articles of unusual size or bulk, better check with the Post Office before attempting to mail them,"

the Postmaster warns. The limits on size and weight of packages varies, depending on where you mail your package.

When wrapping gifts for mailing, it is always better to use corrugated cartons, especially where there are a number of various sized objects in the shipment. Use plenty of wadded tissue or newspaper for extra protection against shock, and securely wrap each package or carton in heavy paper, and then tie it with strong cord. Be sure to include an extra label with your return address and the recipient's address inside the carton or package before it is wrapped.

Another good idea is to place a piece of transparent cellophane tape over the address portion of the label on your package to prevent defacing in transit, and always make sure to include the recipient's full name, street address, city, zone and state.

"Remember these three rules," the Postmaster said, "Wrap securely, address correctly, and mail early."

"Among the inconveniences that'll disappear if you ignore them long enough are snow and adolescence."

Dear Editor: Subject of integration came up here at a coffee-sipping session this morning and my reactionary neighbor says it hardly ever works out for the best.

Like you take Republicans and Democrats. They started going to school together, living in the same neighborhoods, and intermarrying and now you can't hardly find a purebred example of either species any more.

J. H. West Is New State Farm Bureau Prexy

Waco — J. H. (Harrell) West, 57, the new president of the Texas Farm Bureau, is a strong believer in the opportunities offered by the American free enterprise system.

A share-cropper when he started farming 34 years ago, West now is a successful farmer who lives on his own productive and well-run farm a short distance east of Bishop in Nueces County.

West succeeded J. Walter Hammond, 69, of Tye, Taylor County, as president of the state's largest farm organizations Nov. 20 following the annual meeting in Dallas. Both men have been leaders in Farm Bureau for the past two decades, with Hammond serving as president for 18 years.

West was first elected to the board of directors of the organization in 1937 and has been re-elected as District 12 director each year since then. He was named secretary - treasurer in 1938, a post he held until chosen vice-president last year.

West ignored Horace Greeley's advise to "go west" and headed south to make his future in the fertile farming land of the Coastal Bend area of Texas. He started out in partnership with a brother farming on the halves. In two years they had accumulated enough capital to buy their own equipment and then rented land on the traditional third-and-fourth basis. In 1939, he attained a goal he

had set for himself when he bought the farm on which he now lives near Bishop. He produces cotton, grain sorghum, flax and winter vegetables.

The new TFB president says he came to the conclusion a long time ago that more of the problems a farmer has to deal with lie beyond his own fences than are found in the fields. He has long been recognized as one of the Farm Bureau's foremost authorities on cotton and has served many years as a producer - delegate to the National Cotton Council. He is part owner and president of the Bishop Gin Co.

West is also a grain handler as well as producer. He and a partner operate the Barkley - West Elevator Co. in Bishop, a modern grain storage facility with a capacity of 1 1/2 million bushels. He is on the board of trustees of the huge terminal elevator at the Port of Corpus Christi.

West is a member of the board of directors of the Southern Farm Bureau Casualty and Life insurance companies and vice-president of the Texas Farm Bureau (fire) Insurance Co.

Active in local civic affairs, West has been a member of the Bishop School Board for 17 years, serving more than half of that time as president. He teaches the Men's Bible Class at the First Baptist Church in Bishop and served as Sunday school superintendent for 14 years.

Rook's Jersey Cows Assist Santa Claus

Two Jersey cows in the Rook Jersey Farm herd, Plainview, are doing everything to enable their owners to have extra cash for Christmas shopping.

Mr. and Mrs. Homer Rook say that one of their cows, Volunteer Favorite Sable, made a 323-day record of 17,570 lbs. milk with 1,040 lbs. fat on DH-1A test. They realized a profit of \$623.10 from the milk produced during this one record after feed costs had been deducted.

This same cow has made \$1,194.60 above feed costs during her last three lactations on DH-1A test. Another cow in the Rook Jersey herd, Singal Sable's Knight Doris, made a 365-day record of 17,662 lbs. milk with 1,105 lbs. fat at the age of 2 years and 6 months on three-time milking. This is the highest national butterfat record in this age class on official Register of Merit test.

Fighting Longhorns Toppled

A fighting Lockney Longhorn eleven, outweighed 21 pounds per man in the line, outplayed the rugged Seymour Panthers in the first half in their Class AA regional battle Friday night at Snyder, but the Powerful Panthers controlled the ball most of the last half and won, 27-6, over the stubborn Longhorns.

Seymour will meet McCamey Saturday afternoon at Seymour for a quarter-final berth in the Class AA state playoffs. The loss eliminated previously unbeaten Lockney.

The classy maroon and white Panthers scored the first time they got possession of the ball on a 56 yard run by fullback Eddie Syptak. Lockney bounced back as workhorse fullback Dickie Barton scampered into the end zone from 11 yards out early in the second quarter. Barton's counter capped a 59 yard drive which took nine plays.

Lockney's Big Red trailed 6-7 at intermission but led in first downs, 5 to 3. Seymour, sparked by the running and ball handling of quarterback Billy Ryan, used all control to wear down the Longhorns in the second half. The Panthers scored their second touchdown on a 65 yard drive after they received the second half kick. Lockney owned the pigskin only four downs in the third stanza.

4-AA Champion Seymour iced away the game when end Don Dollard grabbed a pass from Ryan and scampered across to the Panther's lead to 20-6 with 3:41 remaining in the game. Larry Martin intercepted Bill Race pass and scampered 62 yards to score with two minutes to play.

Barton, hard-charging fullback, led the Longhorn attack as he played his usual fine game.

Lockney's linemen did a good job in keeping the mammoth Panthers at bay most of the game. Outstanding linemen included: Capt. John Hanst, Lane Hank, Donald Farish, Kelly Harrison, Duane Griffith, Byron Brock, Larry Hammit, Coy Kidd, and Howell, Bill Musser.

15 boys, including some of the finest players in Longhorn history, ended their high school football careers Friday night against Seymour. They include: E n d s, Larry Hammit, Coy Kidd, Donald Farish, David How-

ell; tackles, John Hanst, Kelly Harrison, Lane Crank; center, Bill Bigham; halfbacks, Jerry Williams, Nelson Wofford, Cliff Hardy, Kenneth Calloway, Kenneth Holt;

State Playoff Games Continue This Week

Playoff games continue this week in the race for state championships in Class A, AA, AAA, AAAA. Ralls and Sundown meet in a Class A quarterfinal tilt Friday at 2:30 in Jones Stadium on Texas Tech campus, Lubbock. The Sundown Roughnecks are a heavy choice to win the game and go far toward the Class A title, but Ralls has a rugged team and will be hard to stop. Radio station KFLD, Floydada, will carry the game.

Seymour, victor over Lockney last week, has advanced to the quarterfinal game and will take on tough McCamey at Seymour Saturday afternoon.

In Class 4-A one of the most highly publicized high school games in some time will pit the strong Amarillo Sandies against the defending champion Abilene Eagles in Amarillo Saturday afternoon. Amarillo is the top ranked 4-A team statewide and Abilene is listed second.

Upton-Craig Nuptial Vows Repeated On Thanksgiving Day

Miss Bonnie Upton became the bride of Karl King Craig, in a formal ceremony performed Thanksgiving Day, November 28 at 3 p. m. on WTSC Campus, Canyon. Rev. Carlos McLeod, pastor of the Baptist Church, Halfway, Texas, read the ceremony which took place in Joseph A. Hill Memorial Chapel.

The bride is the daughter of Mr. and Mrs. Raymond Upton of South Plains and granddaughter of Mr. and Mrs. H. S. Calahan, Lockney. Mrs. R. V. Craig, Olton Route, Plainview, is the mother of the bridegroom.

The altar was decorated with arrangements of white gladioli and centered with a kneeling bench.

Mrs. Ronnie Upton, sister-in-law of the bride, sang "I Will Walk Beside You". "Savior Like a Shepherd Lead Us" was sung while the couple knelt for the benediction. Larry Howell of Wayland College, Plainview, accompanied the soloist.

Escorted to the altar and given in marriage by her father, the bride was attired in an original model wedding gown of white imported Chantilly-type lace over net and satin. The fitted bodice was designed with a Sabrina neckline outlined with scalloped lace and long sleeves terminating with points over the hands. Stemming from a pointed waistline was a voluminous waltz-length skirt of lace, fully shirred with scalloped edges outlining the bottom. The immense fullness of lace, tulle, and satin was emphasized by crinoline worn underneath. Her veil of silk illusion was joined to a corner of pearls. She carried a white Bible topped with an orchid encircled with smaller flowers and showered with satin streamers.

For something old the bride wore a pair of earrings belonging to the bridegroom's mother, a gift from his father; new was the wedding attire, borrowed was a veil belonging to Mrs. A. C. Pratt. Blue was a garter.

Mrs. Joe Taylor, Lockney, was matron of honor. Bridesmaids were Mrs. J. E. Waller and Mrs. A. C. Pratt, Floydada. They were dressed identical in gowns of aqua crystaletta taffeta designed with a round neckline, three-quarter length sleeves and full skirts accented at the waistline with a cummerbund. They carried nosegays of white carnations.

Miss Diana Calahan of South Plains, cousin of the bride, was flower girl. Miss Katherine Mulder and Jimmy Ray Upton, brother of the bride, lighted the candles. Miss Calahan and Miss Mulder wore rose colored dresses of crystaletta taffeta featuring fitted bodices, short sleeves and full skirts. Miss Mulder wore a wristlet of white carnations.

Ronnie Upton, brother of the bride, was best man.

Ushers were Neilson Smith and Randy Moore, Plainview.

Mrs. Upton, mother of the bride, wore a grey suit with pink accessories and Mrs. Craig, the bridegroom's mother, wore a brown suit with rose accessories. They wore corsages of rose colored carnations.

Reception

At a reception given by the bride's parents at the Baptist Student Center on W. T. S. C. campus, the bride's table was covered with lace accented with a three-tiered wedding cake and the bouquets of the bride and her attendants. Appointments were of crystal. Baskets of white gladioli decorated the entertaining rooms.

Miss Sandra Hamby and Miss Wynne Lee Young, both of Olton, assisted with hospitalities. Mrs. Ronnie Upton registered the guests.

The bride's traveling attire for a trip into New Mexico was a brown tweed suit with brown accessories. Her corsage was an orchid. They returned December 2 and are now at home at 906 1/2 6th Ave., Canyon, where

MRS. KARL KING CRAIG

they both plan to continue their work at West Texas State College.

Mrs. Dwight Perkins Honored At Coffee

Mrs. Thomas Dwight Perkins was honored at a coffee in the home of Mrs. G. M. Brunner Saturday, Nov. 30. Calling hours were 10:00 to 11:30 a. m. A shower of wedding gifts were presented the honoree. Co-hostesses were Mrs. Brunner's daughters, Mrs. Marvin Montague of Silverton and Mrs. Dean

Burger, Pampa. Guests were received by Mrs. Brunner and presented to the honoree and Mrs. Frank Perkins, mother of the bridegroom. Mrs. E. L. Woodburn secured names for the register.

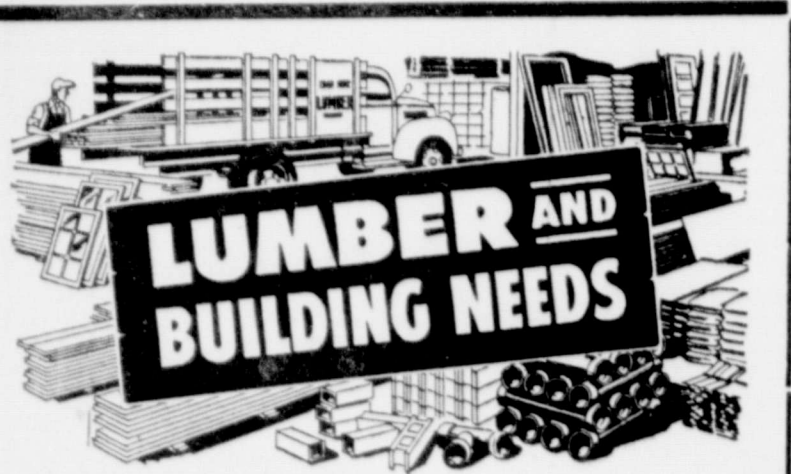

The dining table was covered with white linen cut-work and centered with an arrangement of pink carnations. The coffee service was of silver. Christmas decorations were evident about the entertaining rooms.

Presiding at the table were Mrs. Marvin Montague and Mrs. Dean Burger. Assisting in the houseparty were Meses. Buck Sams, A. F. Barker, Paul Cooper, N. E. Greer and Miss Mildred Thomas.

The Dwight Perkins are at home in Norman, Oklahoma.

HONORED AT WT — Miss Rosemary McDonald, left, senior student at West Texas State College, Canyon, has received many honors this semester. Recently she was nominated as a candidate in the "most beautiful" contest. The contest is sponsored by Le Mirage, WT yearbook and the top winners will be presented in the staff's "beauty dance" to be held December 7th.

Miss McDonald was also recently chosen along with 27 other students from WT to represent that college in the 1957-1958 edition of "Who's Who in American Universities and Colleges." The group was presented in assembly and will also be featured in Le Mirage.

Miss McDonald is the daughter of Mr. and Mrs. J. R. McDonald of Lockney. She is treasurer of Pi Omega social club, has been a member of the Student Senate and chaplain this year, was nominee for homecoming queen and WT beauty last year. She is a sociology major.

Pictured with Miss McDonald is Dan C. Baldwin of Plainview, who was also among the 28 students at West Texas State College named to represent WT in the "Who's Who." He is the son of W. W. Baldwin of Plainview and is a senior geology major.

Miss Joanne Taylor, student at Hardin - Simmons University, Abilene, spent the Thanksgiving holidays here with her parents, Mr. and Mrs. W. A. Taylor.

COTTON HARVEST SPEEDS UP, GRAIN CUTTING SLOWED

The cotton harvest in this section of Floyd County was speeding up this week and most gins were running fairly steady by Wednesday but the high winds blew down a good part of the grain last week caused grain harvest to slow down, elevator men say.

Gins at Lockney, Lone Star, Aiken and Sterley reported a total of 10,300 bales weighed in up to late Wednesday. This is more than double the total number reported by the same gins two weeks ago Wednesday. The four gins in Lockney have weighed in a total of 4,921 bales which is an increase of some 1,700 bales over the report two weeks ago.

Gin men say that most farmers are stripping their cotton and if the fair weather of the past 10 days continues to hold they may just about complete the cotton harvesting job by Christmas. The ginning rate is increasing with every day of sunshine.

Some of the cotton is pretty good, it was said while some cotton, especially that from the area southwest of town struck by a hail storm last June, is pretty sorry. The better cotton is turning out from 23 to 26 percent and will bring about 25 cents, The Beacon was told.

Grain Slow
High winds which hit this area the middle of last week, damaged grain fields considerably. Most of the grain which was standing at that time was blown down and the harvest has been slowed considerably. Elevator men say they are getting just about half as much grain as they did before the wind storms.

They estimated that from 50 to 60 percent of the grain was cut when the winds struck. Now they say that the harvest is about 70% complete but that it will probably take the whole month of December to complete it because the combines must move slowly in harvesting the grain that is down.

Yields are good however, and the combines with the special pick up attachments, Hesstons and other kinds, are doing a good job in getting the grain. Yields up to 7,000 pounds per acre are reported and 5,000 pounds per acre is not uncommon. The hybrids are yielding the best but this type grain sorghum was the worst to fall during the wind storms.

Macy farmers have been scrambling around seeking to locate the pick-up attachments, some finding them and others not being so fortunate. The work of the reel-type combine is just about done in this area and most of the remain-

der of the harvest will be done by combines with pick-up attachments.

Cost of harvesting the downed grain is considerably higher, of course. Some reports quote \$10 per acre while others report 20c to 30c per hundred pounds. The price varies with the combine operator. A combine may cut only 10 to 15 acres per day and the heavier the yield the slower the cutting.

Moisture content of the grain is good now although a few fields are still muddy.

Major C. McAdams Is Visiting Here

Major and Mrs. Carl McAdams Jr. are here visiting his parents, Mr. and Mrs. Carl McAdams. They arrived Monday from Alameda, Calif., and will report at the port of embarkation, Fort Dix, N. J., on January 12, when they will sail for Germany where he will be assigned duty with the U. S. Army.

Major McAdams has been serving with the Army since 1942. He spent the past two years in California and expects to spend possibly three years in Germany. He and Mrs. McAdams will visit relatives and friends in San Antonio and other points in Texas before they leave for Fort Dix in early January.

Mr. and Mrs. Ted Crager and children spent Thanksgiving Day here with his parents, Mr. and Mrs. Arch Crager.

Bob McCollum Is Named Head Of Amarillo Ass'n

Robert Willard (Bob) McCollum has been elected president of the Amarillo Association of Health, Recreation and Welfare Workers. He is director of Kids, Inc., in Amarillo and has been working with this type program there for several years.

Bob is the son of Mrs. J. H. Widener of Lockney and was reared here. He served in the Navy during World War II and has taught school.

The association is made up of professional staff members of the various welfare and civic organizations in Amarillo. Bob succeeds Krum Jordan, first president of the association.

Mr. and Mrs. Lloyd Williams and son, Jimmy, spent the Thanksgiving holidays here visiting her parents, Mr. and Mrs. Glen Smith and with relatives at Abernathy.

Mrs. M. Sandlin Is Back In Hospital

Mrs. Mildred Sandlin slipped and fell at her home Wednesday, Nov. 27 and broke her right leg. Mrs. Sandlin had been home only two weeks and was still in a wheel chair after spending the past eight months in hospitals recovering from a crushed leg and other injuries suffered in a car accident last March. The break occurred in the same place of the first injury in the right limb.

Rev. and Mrs. Quanah Jobe visited Mrs. Sandlin Monday night at Methodist Hospital, Lubbock where she is in traction. She is scheduled to undergo surgery Thursday of this week and the leg will be placed in a cast in which she will have to remain at least another six months, reports say.

Mrs. Sandlin, the mother of five children, lost her husband in January, 1955. Three of the children are at home, the other two are married. She had spent two months in Methodist Hospital and six months in Lockney General Hospital following the wreck.
