FFA Parent And Son Banquet To Be Friday Night

The annual banquet of the Lockney chapter, Future Farmers of America, will be held Friday evening of this week at 7:30 o'clock at the high school cafeteria. The affair usually attracts some 200 FFA members, parents and special guests.

Duane Griffith, a member and secretary of the local chapter, will speak to the group, his subject being "Future Farmers of America."

Special awards will be presented to local citizens who have been active in supporting FFA work. Chapter officers will make the presentations.

The invocation will be given by Ricky Collis and the opening ceremonies by the chapter officers. The president, Byron Brock, will introduce guests. The welcome will be given by Dan Smith. A musical number will follow.

The FFA creed will be given by Robert Holland and the president will introduce the program following the presentation of awards. Closing ceremonies will be by chapter officers.

John Hanst In Inter-Squad Game

Lubbock, Feb. 22 — At least six freshmen are expected to be in the starting lineups for Texas Tech's annual Red-White spring game here Saturday afternoon.

For the game, climaxing spring training, the squad is to be divided as equally as possible. Currently six sophomores are running on Tech's first two teams.

Among last fall's frosh tabbed for possible starting roles are tackle Larry Mullins of Snyder, tackle Pat Holmes of Del Rio, guard John Hanst of Lockney, halfback Bake Turner of Alpine, and two of these four — Herbert Pearce of Monahan, George Fraser of Llano, Don Jester of Austin, and Carl Gatlin of Waco.

Dr. Kirk To Speak Here

Dr. Luther Kirk, superintendent of the Plainview District Methodist Church, will preach at the First Methodist Church here Sunday morning. The service begins at 10:55 p.m. Everyone is invited to hear him, according to Pastor E. Lee Stanford.

At the evening worship service at 7 p.m. a motion picture, "Alaska, A World to Be Won" will be shown. This is the closing feature of the School for Christian Living which has been in progress each Wednesday evening during the month of February with a large attendance each week, Rev. Stanford said.

Program Set For Homecoming At Baptist Church Sunday

The program is all arranged for the homecoming at the First Baptist Church here Sunday, March 1. Some 200 invitations have been mailed out and a large number of former residents and a few former pastors are expected to be present.

Dinner will be served in the educational unit of the church at the noon hour with members bringing basket lunches.

Three main speakers for the day will be Rev. E. J. Cobb of Nogales, Arizona, former pastor, speaking at the morning worship service; Rev. Marcus Rexrode, a former resident and now pastor of the First Baptist Church of Haskell, speaking at the afternoon service and Rev. J. F. Nix of Lubbock, a pioneer preacher of this area, preaching at the evening worship service.

Sunday school will be held at the usual time Sunday morning, starting at 9:45. The worship service will be at 11 a.m. Dinner will be served at 12:15 and the afternoon program will begin at 2 p.m. That program has been announced as follows:

Song Service — led by Gary Sides, music director.

Introduction of visitors — Bert Bobbitt.

Duet — Debra Ferguson and Janice Huys.

Roll call of former pastors — Leslie Ferguson.

Memorial Service — Rev. Clay Muncy.

Special Music — Choir.

Message — Rev. Marcus Rexrode.

The afternoon program is expected to be concluded about 3:30 p.m. The training union will begin at 6:30 and the evening worship service at 7:30 p.m.

Rev. Cobb is a pastoral missionary at Nogales and previously was pastor of the North Tucson Baptist Church at Tucson, Arizona. He served as pastor of the Lockney Church from 1942 to 1952. Rev. Rexrode is the son of Mrs. L. A. Blair and the late W. S. Rexrode of Lockney. He was reared here and was at one time connected with the Sunday School Department of the Baptist General Convention of Texas. He has been pastor at Haskell for several years. Rev. Nix was pastor of the old Sunset Baptist Church, now South Plains, in this county and later held pastorates at Abernathy and in New Mexico. He observed his 50th year as a preacher last year.

Jr. High Cagers End Season This Week

Basketball season reaches the end of the trail for local junior high teams this week end. The eighth grade boys and girls are entered in the Kress Jr. High tournament scheduled for Thursday-Saturday.

Local teams see their first action in the meet Thursday when they battle Happy — the girls' game is at 3 p.m. and the boys' contest will follow. Lockney teams will play again Friday.

In the Tullia tournament last week end, the eighth grade girls captured third place and the seventh grade boys grabbed the consolation title in their division.

Lockney's girls eased by Dimmitt's seventh grade, 29-20, in their opening round game Thursday. They lost a heart-breaking, 28-27, game to Olton Friday in the final seconds but rebounded to down the Dimmitt eighth grade girls, 27-25, for third place Saturday afternoon.

The local girls would have played in the finals had they won Friday.

The seventh grade boys lost to Dimmitt in their first game Thursday. Saturday afternoon they toppled Happy for the consolation title.

Hereford beat the Shorthorns, eighth grade boys, Thursday before the locals came back Friday to down Olton, in the consolation championship clash Saturday afternoon. Hale Center beat Lockney.

Mrs. Curtis Kelly and Cheryl of Big Spring, and Miss Hope Cox of WTSC, Canyon, visited in the Marvin Cox home during the week end.

Mrs. C. E. Meredith, instructor in organ and piano from Wayland Baptist College, Plainview, visited her sister-in-law, Mrs. Clay Muncy and Mr. Muncy Sunday.

Troy Ingram Dies Monday

Word was received here late Monday that Troy Ingram, former Lockney High School teacher and coach, had passed away at Austin, Texas, where he and Mrs. Ingram had been living for the past year and a half.

Funeral services were held Wednesday at 2 p.m. at the First Baptist Church in Commerce. Burial was also there. Attending the services from Lockney were Mr. and Mrs. Walter Bean, Mr. and Mrs. Hilburn Casey and Mr. and Mrs. R. H. Ford.

Mr. Ingram had been in ill health for several years but his condition was thought to be improved in recent months. While teaching school here he underwent a brain operation for the removal of a tumor. He gradually lost his eye sight following the operation and his health failed until about a year ago when he began to improve. His death was a shock to friends here and very unexpected.

Mrs. Ingram has been employed as a physical education instructor at the University of Texas the past 18 months. Friends here had understood that Mr. Ingram was attending the School for the Blind in Austin.

Dimmitt Cagers In Region I Meet

Dimmitt's talented Bobcats worked their way into the Region I basketball tournament with a one-sided 78-56 victory over the Abernathy Antelopes Tuesday night at Monterey High School gym. Lubbock, Abernathy of District 2-AA and Dimmitt from 1-AA were battling for bi-district honors.

The Bobcats will meet Granbury at 11 a.m. Saturday in the first round of the Region I tourney. The surviving team will engage the Seminole-Stamford winner at 9 p.m. Saturday for the right to represent this region in state playoffs.

Seminole toyed with Floydada for a 73-54 victory in their bi-district tussle at Monterey gym Tuesday night. Floydada was the District 3-AA representative.

McAdoo, winner of the Lockney tournament and picked to go far in the Class B division, was upset by Turkey Monday night at Silverton in a bi-district contest. Prior to the game Coach Fabian Lemley's cagers had been beaten only by the Wayland College freshmen.

Another area team, Silverton, reached the Region I tournament with a thrilling 50-48 triumph over the Farwell quintet Tuesday night at Plainview. The Owls will battle Marfa at 8 a.m. Saturday with the winner taking on the Plains-White Deer champ in the finals at 2:30 p.m. Plains is defending regional titleholder.

Heart Fund Drive Goes Over Quota

The Heart Fund drive, made here Saturday and Sunday, has reached a total of \$415.80 compared to a quota of \$206.00. The Beacon was told Wednesday. Carroll Minor was chairman of the drive in Lockney. Mrs. Lozell Graham handled the business district drive and she with other members of the Rebekah Lodge made a house-to-house canvas Sunday.

Band Boosters Meet Tues. Night

A meeting of Lockney Band Boosters Club was held Tuesday evening at the Junior High building with Lavern Carthel, president, presiding.

The financial report was heard and discussions of a number of important matters were held. Members were reminded to turn in their cash sales slips for the Community Club Awards contest.

Announcement was made of the Band Boosters Club benefit show featuring "Vogel, the Magician" to be held March 17 in the high school auditorium. Pie and coffee were served to the group following the meeting.

HERE IS THE STATE'S "library on wheels" which on March 3 will begin bringing a one-year free sample of first-class mobile library service to residents of Crosby, Dickens, Floyd, Garza and Kent counties.

Schedule For Bookmobile Is Announced

Final arrangements were completed this week for the Texas State Library's 37-stop bookmobile run in Crosby, Floyd, Dickens, Kent and Garza counties, to be provided as a "free sample" for a period of one year beginning March 3.

The project, aimed at pointing the way toward permanent improved library facilities in areas of 10,000 population or less, is being administered by State Librarian Witt E. Harwell under the provisions of the Library Services Act.

The one-year demonstration of first-class rural library service, requested collectively by the Commissioners Courts of the five counties, will feature cooperative practices among existing libraries and point up the values of an interlibrary loan system.

Bookmobile Librarian Mary Jo Vines will be assisted by Dorothy Schiwetz, Regional Supervisor of the Rural Library Service Division of the State Library, during the first three-week run.

Following is the schedule of stops for the bookmobile in Floyd County. The bookmobile will circulate books from a stock of some 8,000 in the headquarters at Crosbyton.

Thursday, March 5: Lakeview (Grocery Store) 8:50-9:30; Sand Hill (Shurbet Grocery Store) 10:05-10:45; Harmony (Community Center) 10:55-11:35; Floydada County Library (for book deposits only) 1:00-2:30; Dougherty Baptist Church 2:55-3:55.

Tuesday, March 17: South Plains (Upton Grocery) 9:10-9:50; Cedar Hill (Eugene Gilly home) 10:10-10:50; Aiken (Paymaster Gin) 11:20-12:00; Providence (Lutheran Church) 1:10-1:50; Lone Star (Grocery) 2:00-2:45; Lockney Public Library (for book deposits) 3:00-4:00.

These stops will be repeated every three weeks.

Among the rules set out for using the bookmobile library are these:

Any resident may borrow books free for three weeks and renew them if not finished then; one member of the family may take for all; parents are urged to take books for their children who are in school; teachers may take books for their classrooms.

Boy Scout Drive To Be Friday

Lockney's annual drive to secure funds for the Boy Scouts will be made Friday of this week, according to Edgar R. Hays, drive chairman. A breakfast meeting will be held at 7 a.m. at Golden's Cafe to kick-off the drive.

Special effort will be made to secure sustaining members of the Boy Scout movement, in which individuals and business houses contribute \$1.00 per month through the local bank.

Members of the Lockney Rotary Club and the Lockney Lions Club, sponsoring organizations for the local Boy Scout and Cub Scout troops, will be making the fund drive.

Mr. and Mrs. Howard Cherry of Lubbock visited his parents, Mr. and Mrs. J. L. Cherry and son Sunday.

Mrs. M. W. Lackey of Spearman visited friends and relatives here Sunday.

Mrs. Copeland Is President Of TSTA Unit

Mrs. J. D. Copeland of Lockney, third grade teacher in Lockney schools, was elected president of the Floyd County unit of the Texas State Teachers Association in a meeting of the membership here Monday evening.

The meeting was a banquet held at the high school cafeteria.

Other officers named were Bob Copeland, Floydada, first vice-president; C. H. Cheves, Lockney, second vice-president; Mrs. Bob Davis, Lockney, secretary; Clarence Guffee, Floydada, treasurer.

Mrs. Pauline Clark of Plainview, a classroom teacher, spoke to the group on "School Legislation."

School Census Is Up 48 Over 1958

The census enumeration of scholastics in the Lockney Independent School District, just completed by School Secretary Mrs. Walter Bean, is up 48 over 1958. The census this year shows 977 white students and 76 colored students for a total of 1053. Last year there were 940 white students and 65 colored, totaling 1005.

The 1959 census showed a definite increase in first year students. The total number enumerated who will start to school in September of this year were 104 white and 11 colored, compared to 75 white and nine colored last year.

Miss McReynolds Resigns Position

Miss Pauline McReynolds, third grade teacher in the Lockney school system for several years, has presented her resignation in the local system effective March 1. She gave bad health as the reason for resigning. Supt. H. H. Nicholas said Wednesday that he had not secured a replacement as yet.

IN HOSPITAL

Mrs. G. C. Applegate was admitted to Lockney General Hospital Saturday and is being treated for a throat infection. She will be out of school all week. Her condition was showing improvement at press time Wednesday. Mrs. Applegate teaches English and Journalism in Lockney High School.

VEGETABLE MEETING WILL BE HELD AT FLOYDADA TUESDAY

Vegetable growing and marketing experts will appear on a program to be held at the district courtroom in Floydada Tuesday of next week, March 3rd. County Agent Cecil Lewis announced this week.

The meeting will begin at 8:50 and continue until 12 noon with a coffee break at 10 a.m. Mr. Lewis will be master of ceremonies.

The meeting is expected to draw farmers who will be looking for another money crop to take up slack acres.

Joe R. Cole, associate county agent, will discuss horticulture, results of a 1958 demonstration program, vegetable varieties and fertilizer practices, and suggestions for 1959 demonstration program.

Dr. Clyde Singletary, horticulturist, will speak on vegetable production and related

SPECIAL PROGRAMS WILL MARK PUBLIC SCHOOLS WEEK

Balloting On C-C Directors Is Underway

Balloting was being completed Wednesday on five new directors for the Lockney Chamber of Commerce and Board of Development. A ballot with 10 nominees was mailed out last week with Wednesday listed as the deadline for returning the ballot properly marked.

Some 80 ballots had been received up to Wednesday afternoon and more were coming in.

President Claude Brown said Wednesday that an organizational meeting will be held Monday morning at Golden's Cafe at which time new officers will be elected. Ketting directors are Brown, Kelton Shaw, Ike Johnson, R. C. Mitchell and J. B. Seale.

Annual Banquet
The program for the annual banquet is shaping up nicely and committees are functioning. Brown said Wednesday. The banquet will be held Friday, March 20, in the high school gym. Tickets for the banquet are now on sale at Byrd Pharmacy, Lockney Drug Co., Brown's Cleaners & Clothiers, Baxter & Smith Grain Co., and the Lockney Beacon. They are \$1.50 each.

Outstanding Citizen
"Rusty" Baccus, chairman of the committee to select the outstanding citizen, asked this week anyone wishing to make a nomination for this honor to write a note concerning the person they wish to nominate and mail or give it to him. He, along with representatives of civic clubs and other local organizations, will select the person to be honored and reveal the name at the annual banquet.

Cox And Shaw Will Run Again
Mayor J. E. Cox and Alderman Kelton Shaw will both seek re-election in the city election set for Tuesday, April 7th. The Beacon was told this week. Alderman Jimmie Hodel said Wednesday that he was "undecided" about running again.

Another vacancy will also have to be filled, that of Alderman Charles Baxter, who resigned recently effective April 7. Mr. Baxter's term has another year to run.

No one has filed as yet for any city office, City Secretary Juanita Thompson said Wednesday, Saturday, March 7th, is the deadline for filing.

Chorus To Sing Here Sunday

The Lubbock Christian College capella chorus will present a program at Main Street Church of Christ here Sunday afternoon at 2:30 o'clock. There are sixty members of the chorus on tour.

The program will consist of three phases: concert religious numbers, hymns, and the effective "Sermon in Song" with its theme, "In God We Trust."

The public is invited to hear the chorus of the new liberal arts junior college, it was said.

Brunnier Has One Operation, Will Have Another

G. M. (Bud) Brunnier, proprietor of Brunnier Lumber Co. here, underwent an operation on an artery in his neck Tuesday of this week at Methodist Hospital in Houston. He was reported to be doing fine Tuesday night by relatives. Information here was that he would undergo another artery operation, this time on his leg, within a few days. Mrs. Brunnier is with him there.

Farmers Meeting Tonight Here

A meeting of farmers of this area will be held at the Lockney high school auditorium tonight (Thursday) at 7:30 p.m. It was announced last week end by E. M. Quebe.

Bill Nelson, executive vice president of the West Texas Grain Sorghum Producers Association, and Frank Moore, president of the organization, will be present. Subject of the discussion will be the recently set support price on grain sorghum.

All farmers of this area are invited and urged to attend, Mr. Quebe said.

Special programs at the high school auditorium next week will mark Public Schools Week for the Lockney school district.

On Wednesday at 2:30 p.m. the seventh grade sections will present a panorama of the colorful history of Texas schools, depicting the era from 1845 to present date. Seventh grade teachers Mrs. Velma Cox and Mrs. Glenda Rhoten are directing and the program will last from an hour to an hour and a half. Everyone is invited to attend.

The high school Future Teacher organization will present a special program in the high school auditorium Thursday at 11 a.m. highlighting Public Schools Week.

Local citizens are urged and invited to visit the schools during the week, as well as attend the programs. Invitations have also been extended to eat lunch at the school lunch rooms during this special week. Those who plan to do so, however, should call the school and make reservations the day before or not later than 9 a.m. of the day they expect to eat there.

Of course, the reservation should be made at the school where you will eat lunch. Special times have been set for the various organizations to eat at the lunchrooms, according to High School Principal F. M. Smith. This schedule is as follows:

Monday — Rebekahs and Oddfellows at grade school cafeteria, American Legion and Legion Auxiliary at high school cafeteria.

Tuesday — O.E.S. and Masons at high school cafeteria.

Thursday — Rotaryans, Rotarians, Lions Club at grade school cafeteria, B.&P.W. Club, El Progreso Study Club and Lockney Volunteer Fire Department at high school cafeteria.

No special program is planned at the grade school but parents and friends are invited to visit school any time during the week and to eat at the lunchroom when they wish, Mrs. Alma Dutton, principal, said.

There will be no school on Friday, March 6, and local teachers will attend a district meeting of the Texas State Teachers Association at Lubbock. The Future Teachers Association will attend a meeting at North Texas State College in Denton.

Menu for March 2-5
Monday — Creamed chicken on dressing, candied yams, green beans, cranberry salad, milk, enriched bread, prune cake.

Tuesday — Tuna salad, buttered English peas, golden glow salad, deviled eggs, bread and butter sandwich, gingerbread, applesauce, milk.

Wednesday — Meat loaf, creamed potatoes, buttered carrots, lettuce wedge, whole wheat rolls, butter, milk, applesauce pudding.

Thursday — Frito pie, escalloped corn, tossed green salad, milk, crackers, spiced apples, cinnamon rolls.

Friday — Frito pie, escalloped corn, tossed green salad, milk, crackers, spiced apples, cinnamon rolls.

EDITORIAL

Jesus said unto him, If thou canst believe, all things are possible to him that believeth. — Mark 9:23.

"ALL THAT is necessary for evil to triumph is that good men do nothing." Public opinion is a powerful thing. Any time that the majority of the people want law enforcement they can have it. Any time the citizenship of this nation want corrupt unionism stopped they can get it stopped. Any time the people want traffic laws enforced they can get it done. Any time the people want the liquor laws enforced, either in Texas or Oklahoma, they can have that. Laziness and indifference by the majority of the citizenship is the reason for lax law enforcement, poor work by office holders, the ap-

pearance of corruption in office. Being a first class citizen is a pretty good job. Most of us don't measure up.

THE LOW support price on grain sorghums announced last week may be good news to ginner. From where we sit it looks like it might influence more farmers to select the "B" plan for cotton, increasing their acreage by 40 per cent. Floyd County, operating under the "B" plan would have a potential of some 130,000 acres of cotton. Of course, everyone won't select the same plan and the dry land farmers may not do as well this year as last.

THE FUTILITY of Mr. Benson's attitude is demonstrated in a news release this week. The release said that cotton, corn and wheat made up 85 per cent of the surplus commodities in storage. So Mr. Benson cuts down the price on grain sorghum resulting in additional corn acreage, adding to the already heavy corn surplus. We don't envy Mr. Benson's position but it seems at times that he is having a hard time thinking.

WHAT OF THE FUTURE in farm programs and farm surpluses? Farm experts say that we are operating our agricultural industry at only about 75 per cent of capacity while producing an all-time record supply of farm products. Our capacity to produce is being expanded at the rate of more than five per cent per year. American production per acre is double that of Russia, and per farmer it is eight times the Russian average. We are told that 30 million American and Canadian farmers produce more than almost half a billion Communist farmers. They starve for lack of production while we starve because we over-produce.

IN 1957, average family income in this country was \$5,000. About one-tenth of our 44 million families had incomes of \$10,000 or more, while two-fifths were in the \$5,000-\$10,000 range.

IMPORTANT!

With Our EXCHANGES

A GOOD PLAN

Congressman Jim Wright of Weatherford has a plan which, if followed long enough, eventually would liquidate the national debt.

Mr. Wright has introduced a resolution in the House which would express the desire of Congress that in each succeeding year the nation should pay on the principal an amount equal to not less than one per cent of the present national debt. He points out that the debt now stands at \$283,000,000,000 and that in the new fiscal year, we shall be paying \$8,100,000,000 annually in interest.

The Weatherford Congressman believes the only way the debt can be eliminated is by paying on the principal a definite amount each year, while keeping up the interest.

The plan makes sense. That is the way a family or a business firm gets out of debt. What works for a private debtor should work for the biggest debtor of all—the U.S. Government. — Lubbock Avalanche.

TEENAGERS FACE NEW WAY OF LIFE

Teenagers come in for a lot of discussion these days and, naturally enough, the opinions of their elders vary widely. When you summarize the situation, it points down to the fact that these citizens of tomorrow have a different

outlook on our American way of life.

The tendency of adults to find fault with each new generation seems to be an old, old story. This is possibly due more to the fact that we live in a changing world than any other thing. The man who now works on a 40-hour week had a father who thought nothing of working 12 hours each day—and a grandfather who toiled from early morning far into the night. The work week of the next generation is a projection which none of us today can visualize.

When you consider these facts, it is not unusual that our schools would feature physical education, a course which causes many of the older citizens to frown. And so it goes, along with a lot of other points on which many of us criticize the teenagers of today.

Meanwhile, the very people who worked harder in order that their children and grandchildren might "take things easier" are among the most severe critics.

For our part, today's teenagers are further advanced in general knowledge, more alert, deeper thinkers and have more potential as citizens than did the teenagers of any previous generation. This condition is fortunate, too, for as they seek their strata in society, they will definitely need every available resource in the world's most

complex civilization which awaits them in a few years. — Hereford Brand.

BREVITY THE SPICE OF LIFE

Someone has said, "Breathe through your nose, then you'll keep your mouth shut." The same idea could be paraphrased for column writers: "Use the typewriter with your feet and you'll stay out of controversial issues."

However, brevity, something seldom seen in this column, has a magical charm when dealing with people. Samson killed ten thousand with the jawbone of an ass. We lose most of our arguments and friends with the same deadly instrument.

We learn by listening and when we listen with interest we bolster the other person's ego. When a situation is tense, when someone is angry, when someone is argumentative, when someone is unhappy, listen! Let them talk it out and a service will have been performed.

Gonna try it sometime. — Cecil Waggoner in Claude News.

Dead Editor:

I see where an old boy over in England took his wife to a pawn shop and tried to get a \$56 loan on her, but got turned down.

This has been taken as a sort of personal affront by some wives around here, who argue that a good healthy wife ought to bring \$56 any time.

But my fact-founded neighbor says you can't blame the money lenders for shying off from this business, on account of the upkeep cost could run awful high if a man was to get caught with his hock shop full of unredeemed wives.

BUYS HIS WIFE GAS APPLIANCES!

Brahms and Brubeck... an unlikely combination? Not to the man who recognizes the "best of its kind," be it arpeggios or appliances. That's why, he insisted on a new GAS Clothes Dryer for his wife. He sees the advantages of instant heat (turn it on and it's on), and no heat hang-over (gas off, heat's gone). He's observed how gentle Gas heat blows moisture away instead of baking it out. Clothes come out fluffier, more wrinkle-free and easier to iron! They last longer, too. Yes, in every way—economy included—GAS gives you more. And where the finest is truly appreciated... Farmers Union Prexy Says New Farm Program On The Way

Alex Dickey of Denton, president of the Texas Farmers Union, was in Lockney Monday afternoon and met with a group of local members of the organization and business men at Golden's Cafe.

In discussing the farm program and the present farm situation, Mr. Dickey stated that he was in Washington two weeks ago along with a number of other Farmers Union representatives and discussed the farm situation with a number of Congressmen and Senator Gordon Johnson. Mr. Dickey noted Senator Johnson as saying that a new farm bill is being written and will be passed in the present session of Congress.

"The new bill is similar to

the old Brannon plan and is called the Talmadge-Humphrey bill," Dickey said here Monday.

"It is based on the production payment plan, in which the farmer is given a production quota instead of an acreage quota. His quota is on the bale, pound or bushel basis and his production is sold in the open market. If the market price does not afford the farmer a living wage, then a government subsidy will make up the difference.

"It is a proven fact that business, labor and all other segments of our economy receive subsidies in one form or another. Therefore we feel no hesitancy in asking that the farmer also receive some subsidy from the government," Dickey

PICTURED ABOVE is the five-man Board of Directors of the High Plains Underground Water Conservation District. The members are, standing left to right, T. L. Sparkman, Jr., Hereford; J. R. Belt, Jr., Lockney; John Gammon, Lazbuddie; and seated left to right, Roy McQuatters, Sr., Littlefield; and Elmer Blankenship, Wilson. Mr. Blankenship was elected to serve as President of the Board for 1959. Mr. McQuatters was elected Vice President, and Mr. Belt will serve as Secretary-Treasurer.

High Plains Water Board Organized

continued. "However under this bill we do not propose to fill granaries and pay storage on surpluses. We want to move the commodities to market and keep the quotas down to meet the needs.

"The bill will provide for a limit to the amount each farmer or organization can draw," Dickey said. "Under the present farm bill one large farm corporation drew more than a million and a half dollars in subsidies last year. This new bill will stop that. It is designed to take care of the family type farmer. The limit will be \$20,000 or \$25,000 per year."

When asked about a presidential veto on the new bill, Dickey admitted that the President would probably veto the bill. "Whether or not the present Congress can override a veto is a question," he said. "It will be very close but we have hopes that those interested in the farmers situation can get together enough votes to override the veto."

Taking a slap at another farmers organization, the Farm Bureau, Dickey said, "A lot of good people belong to Farm Bureau and don't know what it stands for. The heads of the Farm Bureau wrote the present farm program including the sliding scale provision. Secretary of Agriculture Ezra Benson has said on several occasions that this farm program is not his but the Farm Bureau's. The \$1.30 maize and the \$1.60 soy beans you'll sell this year

HERE ON FURLOUGH Jimmy Colson, who has just completed Radio School at San Diego, California, where he has been stationed with the Navy the past year, will arrive this week end to visit his parents, Mr. and Mrs. Cecil Colson and family. When his furlough is over Jimmy will be sent to Taiwan, Formosa, for a three year tour of duty.

Set the oven control at 350 degrees. Grease a shallow baking dish and arrange a package of partially thawed frozen fish fillet in it. Add a cup of milk and 2 tablespoons of sherry to a can of mushroom soup. Season with 1/2 cup grated cheddar cheese and 1/4 cup sliced olives. Pour over the fish fillets and bake for 25 to 30 minutes in the oven. Serve with baked potato, a spinach salad and hot gingerbread dessert. Serves 4.

Sand Hill News

By Mrs. James Jeffress

The cold weather continues and we still need a good rain. Lots of cotton ground has been listed and many wells are being started. Some plan to plant corn next month and a few fields of onions have been seen.

Sand Hill Club met Wednesday in the home of Mrs. James Jeffress. Mrs. Hollis McLain acted as president in the absence of Mrs. Lynn Miller who was in Glenrose attending the Recreation Roundup. Mrs. McLain reported on the Bookmobile. Mrs. Orlon Miller gave a talk on Consumer Education. Mrs. Ed Noel led recreation, then gave a demonstration on "Care of the Feet." Mrs. Orlon Miller was in charge of a discussion on "Corn Meal and Grits." Refreshments were served to Mrs. Bill Stringer, H. F. Jackson, Walter Knight, Hollis McLain, Ed Noel, C. B. Carmack, Orlon Miller, and two visitors, Mrs. Glen Kinard and Mrs. Gene Bloys. Next meeting will be March 4 with Mrs. H. F. Jackson as hostess. This will be Pollyanna day, with a program on Fire Prevention.

Rev. and Mrs. Bill Rowland are making plans to be in Ohio two weeks in March holding a revival. They plan to make the trip with Rev. Swanner of Plainview who will also hold a revival in Ohio.

Attending Workers Confer-

ence at McCoy Tuesday night included Rev. and Mrs. Bill Rowland and Molly Stringer.

Bud Pope was the lucky winner of a huge gold plated wall clock at the J. T. Spears farm sale Thursday.

Mrs. M. B. Swanner was hostess for a tea Thursday honoring her new daughter-in-law, Mrs. Gene Swanner, who had been visiting here the past three weeks. Present were Mmes. Olen Baird, J. T. Rowan, Bill Rowland, Gene Huckaby, J. T. Huckaby, Kirk Slater, Tom Thomas, Ed Noel, Dale Stringer, Bill Stringer, the honoree and the hostess. Several gifts were presented to Mrs. Swanner.

Happy birthday wishes go to Fred Jackson this week.

Miss Estalla Waytts of McCoy was week end visitor of Miss Sarrah Carey, Sarrah, Estalla, and Jim Carey all attended a basketball game in Lubbock Saturday night between Post and Floydada.

Sunday dinner guest in the home of Mr. and Mrs. C. P. Carey was her mother, Mrs. Ed Meeks of Floydada.

Milton Mickey is running around this week with a cast on his foot. His foot was broken while playing basketball at Lockney last week.

Mr. and Mrs. Jess Starkey and family visited Sunday with his brother, Mr. and Mrs. Charlie Starkey in Flomot.

Mr. and Mrs. J. T. Spears moved Saturday morning. We already miss them. Helping them load out Friday night were Mr. and Mrs. Fred Jackson, Mr. and Mrs. Ed Noel and James Jeffress.

G.A.'s has been changed from Tuesday to each Thursday at 5:30 p.m.

Rev. Rowland is teaching in a study course this week at Calvary Baptist Church, Floydada.

Soil Fertility Day

Soil Fertility day was a success. Attendance wasn't high but a lot of interest was shown in the topics on the program. We would like to thank everyone who had a hand in the program for doing an excellent job.

Vegetable Meeting

Do not forget the Vegetable meeting to be held in the District 3, 1959 in Floydada. The program will begin at 9:00 a. m. A good list of speakers is lined up and some valuable production practices and marketing will be discussed.

4-H Clubs

The Lakeview 4-H Clubs will be host Thursday night, Feb. 19 to parents and interested friends of 4-H at the Lakeview School house. The county agents will present a program on What is 4-H, The Objectives of 4-H and the 4-H Organization.

The Dougherty Community 4-H Club held Community night on February 20 at the Dougherty School house. The club presented the film "A Tenderfoot in Europe." There was approximately 75 4-H Club members, parents and friends attending.

There are four community 4-H Clubs in Floyd County at the present time. All of the clubs are planning community projects which they hope will make their community a better place to live.

Stock Show

4-H Exhibitors are busy putting the finishing touches to the animals which they will exhibit at the Lockney Community Show and at the County Jr. Livestock Show. They have worked long and hard feeding and fitting their animals to try to make the Livestock Show a better one.

Airman Leach To Labrador

Airman 2nd class Kenneth D. Leach, son of J. W. Leach of Lockney, left last week for McGuire Air Force Base, New Jersey, from which point he will fly to Goose Bay, Labrador, where he will be stationed with the Air Force. Leach has spent the past 20 months at Dover, Delaware.

BACK TO SCHOOL

Mrs. Bob Davis went back to her duties as teacher in Lockney High School Wednesday after missing several days due to illness. Mrs. Davis underwent minor surgery at Plainview Hospital last week and returned to her home here Sunday.

Dear Editor:
I see where the Red Chinese government is going to let up on its peasants a little, and hereafter nobody will have to work longer than two days and two nights without resting.

Which my bureau-beat neighbor says shows up another area where the Communists are getting ahead of us.

Says maybe this example will lead U. S. tax-inventors to slow down some, so fewer of us peasants will have to hold down two or three jobs so as to feed our families and assorted Washington and foreign spongers.

VITAMINS IN ENRICHED CORN MEAL AND GRITS

The Home Demonstration Clubs have had a short study of corn meal and grits this month. They were advised to look for enriched corn meal and grits when buying because of the extra food value at no added cost.

Food nutrients in enriched corn meal and grits contribute to good skin, good eyes, steady nerves, and general well-being.

Enriched corn meal has nearly five times as much thiamine, nearly four times as much riboflavin, over four times as much niacin and over two times as much iron as plain corn meal.

If you would like more information and some recipes using corn meal and grits, call or come by for a copy of the bulletin "Corn Meal and Grits."

DRAPERIES

I just spent Monday, Tuesday, and Wednesday of last week at Levelland at an agent training drapery workshop.

Charlotte Tompkins, specialist in housing and home furnishings pointed out that a great saving can be realized by making your own draperies instead

of having them made. It doesn't have to be a great stress to make drapery. Just has to have a little patience. If I can help you, let me know.

Now! Bleach safely, automatically in the new **MAYTAG AUTOMATIC WASHER with BLEACH DISPENSER**

No waiting or diluting. Maytag does both jobs for you. Just add concentrated bleach through dispenser opening; bleach remains in dispenser until washer has filled and washing action starts, and is automatically diluted before being introduced into the wash water. After washing action starts, bleach is added slowly to provide uniform bleaching action. Only Maytag provides this automatic delay and pre-dilution.

No bleach damage to clothes. By providing automatic dilution and properly timed injection, Maytag prevents heavy concentrations of bleach from coming in contact with clothes. Gone forever are the holes in clothes, the weakened fibres, the uneven bleaching associated with strong liquid bleaches.

No half-hearted detergents. Modern detergents contain brightening agents which are destroyed by liquid bleach when bleach and detergents are added to wash water at the same time. By delaying the introduction of bleach until after the washing action has started, Maytag preserves the full effectiveness of your detergent and clothes come out sparkling clean, white, and color bright, wash after wash after wash.

Bond Meeting Sets Plans For Promotion

A meeting at which plans were made to promote the sale of government savings bonds in this area was held at the Colonial House in Floydada Friday evening. Attending the meeting from Lockney were Joe Parrish, local bond chairman, Floyd Neill of the First National Bank and Edgar R.

Hays of the Lockney Beacon. Presiding over the meeting was J. M. Willson Sr. of Floydada, area bond sales chairman. Reports were given to show that Floyd County citizens purchased \$234,000 in savings bonds in 1957 and \$217,000 in 1958. The sales averaged 87.5 per cent of the county goal. The 1959 goal is \$263,000 for this county and \$182.5 million for the state.

Mr. Willson pointed out that 80 per cent of bonds bought in 1958 are still sold, showing the small amount of turn-over. The average life of the saving bond is seven years, he said.

Plans were made to promote the sale of bonds in this county especially during the months of December and January. Also a savings stamp program in the schools is planned.

Present for the meeting at Floydada were A. D. Leatherman of Dallas and Leonard Cowden of Amarillo, representing the Savings Bond Division of the U. S. Treasury Department. Representatives of Lockney, Floydada and Hale Center were also present.

Joe Gidden of Floydada is county bond sales chairman.

Grain Sorghum Conference Set, Grain Shipped To Brazil, Italy

What promises to be one of the most significant meetings in the history of Great Plains agriculture is scheduled March 3 and 4, at the Herring Hotel in Amarillo.

A Grain Sorghum Research and Utilization Conference designed to bring together research and development scientists from throughout the Nation, who are studying the utilization of grain sorghum through livestock, industry and export outlets, is the attraction.

Being held in connection with the two-day conference are meetings of the National Grain Sorghum Research Committee, the Grain Sorghum Utilization Committee and the annual meeting of the Grain Sorghum Producers Association.

A distinguished list of some of the nation's leading agricultural researchers will attend, according to Bill Neison, vice president of the Grain Sorghum Producers Association, who is chairman of the two-day program.

It is expected that the material presented by the researchers and grain industry leaders will be used as background material for the Association's domestic and foreign market development activities.

Grain Sorghum To Brazil
Over one and one-half million dollars worth of grain sorghum will be shipped to Brazil during the spring months according to Frank Moore, president of the Grain Sorghum Producers Association. The association signed an agreement with the Foreign Agricultural Service in December authorizing the promotion of grain sorghum abroad.

According to Moore the U. S. Dept. of Agriculture has issued a purchase authorization under Title I of Public Law 480 to Brazil to finance the purchase of \$1.7 million worth of grain sorghums from U. S. suppliers from current market stock.

The authorization provides for the purchase of approximately 40,000 metric tons of yellow grain sorghum, grade U. S. No. 2 or better, in bulk, grown in the continental United States.

The Comissao Federal de Anatecimento e Precos, (commissioner of Agriculture) Rio de Janeiro, Brazil, will make the purchases between now and May 30. All shipments are to be completed F.O.B. U.S. ports by June 30 under terms of the agreement.

The Grain Sorghum Producers Association shipped 2600 pounds of No. 1 show quality grain sorghum to Italy this week as part of an elaborate American feed grain exhibit. The exhibit, requiring three semi-trailer trucks to house and transport, will open at the 61st International Agricultural Fair at Verona, Italy, on March 8. Later exhibitions are planned for Cagliari, Bologna, Trieste, and other points in Italy and Poland.

The exhibit will depict grain sorghum production, marketing and utilization in pictorial murals taken in the Panhandle of Texas, heart of the grain sorghum belt. Principal theme of the total display will be "Feed Balanced Rations". Information is presented showing the value and economics of grain sorghum in balanced feeding programs.

J. T. Spears Moving To Lampasas

Mr. and Mrs. J. T. Spears of the Sandhill community are moving this week end or early next week to Lampasas. They are holding a farm sale today (Thursday). Mr. Spears will engage in the cattle and chicken business with his father, V. E. Spears, The Beacon was told. Mrs. Spears has been Home

Demonstration Council Chairman in this county for more than a year. Mrs. Elmer Norrell, vice-chairman, will preside at the next council meeting Saturday of this week.

A rope of spider's silk one inch thick would hold up a weight equal to 74 tons. According to The World Book Encyclopedia, the rope would be three times as strong as a one-inch rope made of iron.

RUPTURE

SHIELD-EXPERT, H. L. Hoffman of Minneapolis and Chicago will demonstrate, without charge, his "Lock-O-Matic" Shields in Plainview, Hilton Hotel Wed., March 4 from 10 a. m. to 3 p. m. Please come early. Mr. Hoffman says:

"After 30 years during which I have personally fitted over 20,000 cases of hernia, I have produced and patented the AMAZING Lock-O-Matic. Vastly superior to methods heretofore available Lock-O-Matic is setting a new standard for effective control and comfort. Why wear antiquated and unscientific trusses that always enlarge the opening. Remember: The Best is none too good, if you are ruptured." Caution: If neglected, rupture may cause weakness, backache, nervousness, stomach and gas pains. Those having large ruptures which have returned after operation or injection are especially invited.

Mrs. E. G. Norrell Elected Chairman Of H.D. Council

Mrs. E. G. Norrell of Floydada was elected chairman of the Floyd County Home Demonstration Council at a meeting in the Council room, Floydada, Saturday, February 21, at 2 o'clock. Mrs. Norrell replaces Mrs. J. T. Spears of Sand Hill who has moved to Lampasas. Mrs. Spears served as chairman the past two years.

Twenty-two women representing 10 clubs were present for the meeting.

The Providence Club had a very interesting display table setting carrying out the Geo. Washington theme and displays of children's clothing and Dresden paintings.

Miss Phyllis Roggendorf asked the clubs to plan to furnish 10 pies on one of the days set for the Junior Food Stock Show, March 9, 10, 11. A day will be assigned each club.

Miss Roggendorf also asked everyone who plans to refinish furniture at the next workshop on March 2 to have the pieces sanded and ready to paint.

Mrs. O. G. Mayfield reported that the new parliamentary rules book is now in the agent's office. Mrs. J. H. Barnard gave information on the five-county Bookmobile which starts in March.

Council meeting date was changed to the 4th Saturday in April which is the 22nd because of the Lighthouse Electric meeting being set the third Saturday.

Mrs. Johnnie Cates, assisted by three other women, gave a very interesting skit on "Enriched Corn Grits."

Mrs. James Jeffers was elected to attend the State Home Demonstration meeting. Those who are to attend the THDA District meeting at Plainview April 16 are Mrs. G. W. Smith, Mrs. Bailey Henderson and Mrs. L. B. Brandes.

Vocational Nurses Meet Here Thursday

Licensed Vocational Nurses organization of Division 28 met Thursday evening at 7:30 in the dining room of Lockney General Hospital.

Nineteen members from Lockney, Floydada and Plainview were in attendance.

Mrs. Winnie Dyson, president of the organization, presided and gave a report of a recent meeting of division presidents in Austin.

Members of the Lockney group served refreshments.

La Ventana Club Entertains Husbands

La Ventana Study Club entertained their husbands and other guests at a Valentine dinner in the home of Mr. and Mrs. J. L. Lovvorn Saturday night, February 14.

The serving table was laid with white linen and centered with a red and white heart outlined with fluted lace and banked with red carnations. Valentine napkins were used.

Jim Nance showed colored slides of France and Germany. Places were laid for Messrs. and Mmes. Clyde Baxter, E. J. Foster, H. E. Frizzell, Bailey Henderson, Albert King, Temple Lewis, J. L. Lovvorn, Raymond Teeple, Fred Drake, Jim Nance, Joe Reeves; and Mrs. Herman Huffman, Mrs. Clois King, Mrs. Ruby Merrick, Mrs. W. D. Nance, Mrs. Robt. Smith, Dimple McGavock, Malcolm Daniels of Floydada, Bud Nance, and B. T. Loftis, Amarillo.

The program entitled "Gems for Thought" was presented by Mrs. Wilson Kermickel, president, presided during a short business meeting.

Refreshments of pie and coffee were served to Mmes. Don Allison, Ted Carthel, Robert Daniels, Douglas Dege, S. A. Freeman, H. G. Hodges, Bobby Johnson, Wilson Kermickel, Douglas Meriwether, Jim Reynolds, Troy Stafford, Jimmie Stennett, Joe Taylor, Roland Watson, Joe Harris, C. W. Whiteley and J. M. Tye.

Plans for the next meeting include a salad luncheon in the home of Mrs. Dick Whiteley. Each member will bring her favorite salad.

Teepie Home Is Scene of Meeting

Lone Star Home Demonstration Club met February 17 in the beautiful new home of Mrs. Raymond Teepie.

Following a devotional from Luke 4:23 given by Mrs. Teepie, roll call was answered with interesting facts of a foreign country.

The program, "Enriched Corn Meal and Grits" was given by Mrs. Ruby Merrick. Mrs. Jim Nance told of "Care of Feet."

Refreshments of cake, coffee and punch were served to Mmes. Pauline Gregg, Bill Boiling, Fred Drake and Joe Foster, visitors, and the following members, Mmes. Meivin Brock, W. D. Nance, Hubert Frizzell, Bailey Henderson, Albert King, J. L. Lovvorn, C. L. King, Hoyette Hodges, Jim Nance, Raymond Teepie, A. O. Barrett and Ruby Merrick.

The next meeting will be March 3 in the home of Mrs. Hubert Frizzell.

Rotaryannes To Meet Friday

The Lockney Rotaryannes will have a dinner meeting Friday evening at 7:30 at Golden's Cafe. It was announced this week by Mrs. Wilson Kermickel, program chairman.

Mrs. Alma Holmes will be the speaker for the evening. All wives of Lockney Rotarians are invited and urged to attend. Reservations should be phoned to Mrs. Kermickel or Mrs. Edgar R. Hays by Thursday night.

Bailey Henderson Is Birthday Honoree

Mrs. Bailey Henderson honored her husband with a dinner on his birthday Sunday.

Present for the occasion were Mr. and Mrs. J. P. Henderson of Hale Center, Mr. and Mrs. Tommy Henderson of Sudan, Mr. and Mrs. Sidney Rogers and family of Plainview, Mr. and Mrs. Conrad Henderson and family, Mr. and Mrs. Deanie Henderson and Ginger, Mr. and Mrs. Larry McCormick and Bekki.

WSCS Meets Monday Afternoon

The Woman's Society of Christian Service of the Methodist Church met in the home of Mrs. Bobby McCormick for a social meeting Monday afternoon at 3 p. m. Following a prayer, Mrs. Hugh Counts brought a devotional on Prayer.

Games in the form of a television program were directed by Mrs. E. Lee Stanford. When a secret was disclosed on "I've Got A Secret" Mrs. Joe Foster introduced members of the newest circle of young women that had recently met at the parsonage for a get together.

The hostesses, Mesdames Ernest Tannahill, Georgia Myers, Hugh Counts, N. E. Greer and Bobby McCormick served lovely refreshments of cherry pie with whipped cream, coffee, and tea.

Mrs. Foster announced a District "Day Apart" program to be held at First Church, Plainview, February 26 at 9:45 a. m. and urged all women to attend.

Mrs. W. C. Eiland Birthday Honoree

Mrs. W. C. Eiland was pleasantly surprised Tuesday afternoon, February 24, when a number of friends and relatives gathered at her home to help her celebrate her 72nd birthday.

After gifts were opened and admired, refreshments of birthday cake, ice cream and coffee were served by Mrs. Orpha Eiland and Mrs. Bert Vernon to Mr. and Mrs. J. H. Weathers, Mr. and Mrs. C. V. Ford, Mrs. T. J. Word and mother, Mrs. Byrd, Mrs. Jack Warren, Mrs. Walter Green, Mrs. George Jeffcoat, Mrs. R. E. L. Stutta, Mr. and Mrs. W. C. Eiland.

Subject: EXPERTS

You've heard it said that an Expert is an ordinary workman . . . off somewhere else.

Which is perhaps the reason many of us are inclined to favor doctors, hairdressers, merchants, mechanics, and other service people who live and work in some larger city.

Yet they are just people, like their skilled fellow-craftsmen who live right here among us . . . no smarter, with no more training, experience or ability.

And these far-away experts can never offer us the real interest in, and familiarity with our particular problems that we get from the experts who live here in our own community.

Right here at home . . . within a few minutes of your door . . . are virtually all your needs in goods and services . . . like a vast and handy storeroom . . . ready to be called on at a moment's notice when—and if—you need it.

Mrs. Garvin Beedy was hos- tess Thursday at 7:30 p.m. for a surprise shower honoring Mrs. Don Bean.

The table, laid with white linen, was centered with a stork and a baby doll in a bassinet- te surrounded by pink net and flowers. Spiced tea, finger cook- ies and nuts were served from crystal appointments.

Assisting Mrs. Beedy in hos- pitalities were Mrs. John K. West, Mrs. Rex Smitherman and Mrs. Dub Mercer.

Seventeen guests were pre- sent including the honoree's mother, Mrs. Mary Cobb of Tulla, Mrs. Dub Mercer and Mrs. Walter Bean of Lockney, Mrs. H. P. Rampley and Mrs. J. K. Bean of Silvertown.

1-Lt. Terry Julian, son of Mr. and Mrs. Murray Julian, partici- pated Feb. 2-7 with the 4th Armored Division in Exercise Free Play, a large-scale 7th Army field training exercise in Germany.

We offer our sympathy to Mrs. Essley Yearly whose father, Mr. J. C. Phipps of Wellington, passed away in Vernon Feb. 11.

Mr. and Mrs. George West left Tuesday for a vacation in Phoenix, Arizona, Los Angeles, Calif., Disneyland, and other points of interest. They plan to be away for four weeks.

Junior Home Demonstration Club met Thursday in the home of Mrs. Larry McCormick with her mother, Mrs. Bailey Henderson of Lone Star, as guest. Mrs. Probasco presided and Mrs. McCormick gave the devotional. Mrs. Wood gave a talk on Enriched Corn Meal and Grits. Mrs. Probasco demon- strated Care of the Feet. Refreshments of tuna salad, Ritz crackers and cherry tarts were served to Mrs. Chester Hidalgo, Don Marble, Phillip Smitherman, Glen Wood, J. D. Webb, Don Probasco, Mrs. Hen- derson and the hostess. Next meeting will be at the home of Mrs. Don Marble Thursday.

Dear Editor:
I see where it is reported that the Sioux Indian chiefs have asked Russia for \$5 million aid to relieve distress among their people.

Seems Congress has been so busy relieving distressed Hottentots, foreign million- aires and other distant unfor- tunates that some home dis- tress has gone unattended, such as among Indians and taxpayers.

But my dark cloud artist neighbor says even if the Sioux get this aid money from Russia, Uncle Sam would take most of it away from them for income taxes, so they can't win.

TIPS FOR COOKING CEREALS

Cereal pans will be easier to wash if they are greased before starting the cooking. Use the amount of water recommended on the package and bring it to a full rolling boil over a high flame. You'll avoid lumps if you let the water boil merrily as you add the cereal. Reduce the flame after the cereal is added. Stir vigorously for a minute, then cut the heat to half the simmer flame. Cover the pan and cook according to package directions.

Tailored HEAT AT REDDY MADE PRICES

That's the nice thing about ELECTRIC heating—there's an electric heating unit to do the exact heating job you want done... from complete house heating, either warm air or radiant, to small spot heating with a simple, screw-in-socket heat lamp. And, like it says above — AT REDDY MADE PRICES. You see, you get the fit (like a tailored suit) at prices you pay for a ready made garment (good looking, functional and lower cost). If you've a cold spot you want to warm up, then stop in and talk to your Public Service manager — he has the solution for you.

Informative Program Features Annual Soil Day Meeting Here

A sparse crowd of approximately 150 attended the Eleventh Annual Floyd County Soil Fertility Day, held Friday in Plains Theatre here. Authorities on agriculture, livestock and weed control spoke during the informative program.

Lockney Chamber of Commerce sponsored a barbecue lunch during the noon hour in

the old Legion building. Jointly sponsoring the event were the local Chamber of Commerce, the Burlington Lines, the Extension Service, and the Soil Conservation District.

One of the most interesting talks was brought by Byron W. (Buck) Frierson, assistant manager of the Texas prison system at Huntsville in charge of re-

building the agricultural program. The prison system operates 11 farm units totaling 73,341 acres.

Frierson's talk on prison agricultural operations covered an eleven year period — from 1948 when the Texas Department of Corrections was reorganized until the present time. The Texas prison operation is now regarded as one of the top organizations in the nation.

In 1948 the department spent one quarter million dollars for meat to feed about 6,000 prisoners. Now feeding approximately 11,865 people, the prison system has purchased no meat since 1951. During the fiscal year ending last September 1, the department sold \$219,843.00 meat in excess of their need.

The Texas Department of Corrections had a hog count of 11,406 on January 1, 1959, compared to 2,136 on January 1, 1948. The beef stocker population has risen from 5,622 to 10,632 during the eleven year span. An increase has also resulted in dairy cattle during the period — 1,819 to 3,215.

Frierson stated that he has found no measured difference between the use of maize and corn in the hog feeding program. He added that he feels more pork can be produced in his area from an acre of grain than from an acre of grazing.

During 1948 the prison system had an income of \$650,957.00 from cotton and cottonseed. During the past eight years the income from cotton and seed has averaged more than \$2,000,000.00. However the cotton acreage has decreased from 7,160 to 6,724 since 1948.

The prison official said that while cotton was still king in their operation, livestock production has taken an increasingly important place in the planning, practices, and land usage.

Frierson concluded with these words: "Land, labor, and capital are considered by the economist to be the primary factors of productions. Insofar as management is part of labor, it appears to me that the limits which you as producers in this area may reach, will be limited by your use of your managerial ability."

Dr. William F. Bennett, agricultural chemist on the headquarters staff of the Texas Agricultural Extension Service, gave an interesting and informative talk on Soil Testing and Fertilizer Use.

Bennett pointed out that profit from fertilizer is not always a sure bet. Profitable fertilizer use is dependent on several things — fertility levels in the soil, physical condition of the soil, previous crop grown, past fertilizer use, length of time land has been irrigated, amount of water available and timeliness of application, insect and disease control, type and length of growing season.

He added that the effect of some of these factors is known and can be taken into consideration in deciding the fertilizer to use. These include soil test levels, past cropping history, past fertilizer use, length of time land has been irrigated, amount of water available for irrigation.

The speaker pointed out that there are three types of soils in the South Plains area and fertilizer as well as crop production practices will be different for each area. The different soil types include the hard lands, the mixed lands, and the sandy lands.

Farmers who have used fertilizer continuously over the past five years have made money some years and lost money in other years. Dr. Bennett added, however, they have probably profited over the five year period as a whole.

Prosperity in agriculture and livestock is fundamental to every business man in the Lockney area as well as to Burlington Lines, Cecil G. Kersey, executive assistant of the road from Houston, told the Soil Fertility Day group meeting.

Kersey expressed optimism for the future of the railroad industry because of utilization of technological advancements in diesel locomotives, cars with greater capacity, higher train speeds, heavier loads, and the new piggyback developments. "Railroads can haul products of farm and ranch more economically than any other overland transportation media," he said.

Freedom from governmental regulation to operate as a transportation agency using all kinds of vehicles, and freedom to price transportation in a competitive market are definitely needed to give the most efficient and economical service possible for agricultural products. This would definitely benefit all agricultural interests, he declared. Today a train can haul 125 cars with two truck trailers each or 250 truck loads piggyback with only one engine and one crew, he pointed out. Railroads seek freedom to provide piggy back service from areas they serve.

A. K. Hepperly, Agricultural Agent for the road, cooperated with the local committee in bringing the program to Lockney.

Shelby Newman, of the Lubbock Experiment Station, speaking on "Methods of Increasing Irrigation Water Efficiency," emphasized the importance of proper planting date on grain sorghum. He stated that planting between June 10 and 20 had enabled many farmers to increase their production by as much as 40 per cent on the same amount of water. He also described the method of increasing the amount of lint cotton per acre by the use of cotton burs.

Dr. J. H. Davis of the High Plains Station at Halfway told of the station's experience with soybeans, castor beans, sesame and other crops.

The livestock panel, which closed out the meeting, was very interesting. Doyle Mount of Floydada described his method of growing grain sorghum and corn and grazing it with sheep instead of harvesting in the usual manner.

Dale Lacerwell of Lockney told his swine feeding program and of his experience in improving his feeding efficiency. Lacerwell stated that when he first started feeding swine he fed eight pounds of feed for

every pound of gain but is now able to put a pound of gain on a hog with 3½ pounds of feed.

Ernest Tannahill talked about his beef feeding program on his farm northwest of Lockney. Mr. Tannahill said that he feeds out heifers because it is possible to finish them faster and on less feed. He uses his home-grown feed in the program and finishes the beef to choice grade.

Mayor J. E. Cox opened the program by welcoming guests. John Key West and Chester Mitchell were chairmen for the morning and afternoon sessions.

Lockney Sailor On Pacific Tour

LONG BEACH — Curtis W. Davis, fireman apprentice, USN, son of Mrs. Willie B. Cole of Lockney, left Long Beach, Calif., Jan. 29, aboard the radar picket destroyer USS Henry W. Tucker en route to the Western Pacific and a tour of duty with the U.S. Seventh Fleet.

Before arriving in her operating area, the Tucker will make stops in Hawaii and Midway Island.

Veigels Give Floyd Land To Boys Ranch

A dormitory to house 36 boys and their immediate adult leaders will be constructed at Boys Ranch, starting March 1, the gift of Mr. and Mrs. Charles R. Veigel of Plainview.

Cost, based on construction of three similar units, is \$60,000. Its completion by July 1 is contemplated.

The fireproof building of one story will contain quarters for the boys and apartments for two families. One will be a man and wife with one or more children, and the other couple will be teachers.

Floor will be concrete, walls concrete blocks, faced outside with Colorado rock in keeping with other recent construction at the ranch. Girders will be steel.

To build this structure the Plainview couple are giving enough of the land of their Floyd County home place to meet the cost. It is located in the Providence community.

They also have been contributors to the Boys Ranch operating budget during the past five years.

The land that the Veigels are giving is part of their old home place in Floyd County, of which they have over 800 acres left.

Mr. and Mrs. J. O. Harris and Jimmy of Pampa spent last week end visiting relatives here. They were guests in the home of her brother, John L. Riley and in the home of his parents, Mr. and Mrs. E. R. Harris.

Floyd County Men Attend Weed Meeting

Robert Lee Smith, chairman of the Floyd County Noxious Weed Control District and Douglas Degge, supervisor of the district returned last Thursday from the 21st Annual Weed Supervisors Conference at Emporia, Kansas. Reports were given on the latest methods of control and results of experimental work with the new chemicals which are now on the market. With 21 years of experience behind them, Kansas supervisors still advocate that the best and cheapest method of control is prevention, by use of good cleaned and clean equipment. With spring coming on, a bindweed emerging by the millions this month, the Board of Directors in a meeting Tuesday authorized the hiring of an equipment operator to take care of an accelerated treatment program. Farmers are urged to locate infested areas and make application for treatment as soon as possible so that the schedule for treatment may be set up and the services of the operator may be utilized. To make application, contact Douglas Degge in Room 113 of the courthouse at Floydada, phone OLkon 3-3560, Monday through Friday or at Consumers Federation in Lockney on Saturday mornings. He may be contacted at home in Lockney, phone OLdfield 4-2595. The annual meeting of the Floyd County Noxious Weed Control District will be held in the District Courtroom at Floydada on Saturday evening April 25 at 7:30 p. m. Plans for the meeting are in the making and will be announced later.

Milton Mickey Mentioned On All-State Team

Milton "Moe" Mickey, star center of the Longhorn football team this season, has been mentioned on the All-State team. A senior honor student, Mickey scored 427 points in 20 tilts this season for an outstanding 21.4 average per game. Injuries kept the Longhorn star from attaining a higher average. "Moe" moved here from Lockney before his sophomore year. He was ineligible to compete on the varsity squad as a sophomore and played only in games as a junior before suffering an injury which sidelined him for the remainder of the season. Coach Troy Lemley has labeled Mickey "the best player ever coached". The Lockney star is considered a good college prospect. All-District and All-Region selections have not been released.
