LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, MARCH 26, 1959

VOLUME 57

NUMBER 51

MAA District Meeting To Be Held Here April 15th

Germania Mutual Aid Association representatives from the South Plains and part of the Panhandle will meet in Lockney on April 15, local officers of the association announced this week. The meeting will include local associations from District 16, which is composed of some 25 communities from south to north as far as Hereford, and from Caprock to the New Mexico border. The meeting will be held at Golden's Cafe starting 10 a. m. Lunch will be served at the noon hour and the business session will be held in the afternoon. Two representatives from each local will be present along with some state officers. Expected to be here are Paul Schwabe, state president, from Houston, Edward A. Dierring, state adjutant from Petersburg, O. F. Kitten, director of the 16th district, from Slaton.

OUTSTANDING CITIZEN — R. M. (Oley) Olsen receives the cup as Lockney's outstanding citizen of the year from Claude Brown, past-president of the Lockney Chamber of Commerce. Oley is local service man for Southwestern Bell Telephone Co. The award was given at the annual membership meeting and banquet of the local Chamber last Friday evening.

400 Acres Onions In This Area

Some 400 acres of onions will be planted in the Lockney area, the Beacon was told this week. Two brokers, Bob Dybruy of Zealand, Mich., and A. H. Vahlsing Co., of Laredo, are working with local growers. Some few acres have been planted but the big part of local acreage will be put in the ground next week.

Planting for Dybruy will be Hubert Frizzell with 40 acres, Raymond Rucker with 45 acres, Howard Mosley with 40 acres, Burl Holt with probably 43 acres, Hugh Marble with 20 acres, Bruce Whitlock with 10 acres and Jack Billington with 10 acres.

Growing for Vahlsing will be L. M. Reahimer, Pete Mosley, Gene Belt, Dick Ford, Arlon Miller, Revis Harris and Jack Billington. Individual acreage was not available to the Beacon, but estimates were that it would total around 200.

Some of the growers have planted or will plant Spanish Sweet's, White and yellow Grows will be put in the ground next week with plants expected to arrive Tuesday for the Dybruy growers.

R. M. Olsen Named Outstanding Citizen At Annual Chamber Meet

R. M. (Oley) Olsen, service man and chief switchman in Lockney for Southwestern Bell Telephone Co., was named the outstanding citizen for the community at the annual membership meeting and banquet of the Lockney Chamber of Commerce and Board of Development last Friday evening.

Olsen was especially cited for his work in organizing the Golden Anniversary parade last September on the first day of the Floyd County Fair and also an inspiring and impressive Christmas pageant-parade presented on Lockney's Main Street in December. The telephone man was largely responsible for the Christmas lighting in the business area of the city and aided in the recent Boy Scout fund drive here. In fact, Oley likes civic work so much that he spent his vacation time last December working on the Christmas program.

Olsen is a member and director of the Lockney Rotary Club. Presentation of the big golden loving cup was made by Claude Brown, past president of the Chamber. Olsen walked to the speaker's stand furiously wiping tears from the corner of his eye. He wanted to express his appreciation but apparently was unable to do so and returned to his seat amid applause from the some 200 present. Olsen will keep the cup this year and it will be passed on to another at the annual meeting next March. It is engraved with the names of those who receive it.

Brown extolled the civic virtues of the telephone service man, telling of his excellent work in carrying out the projects and his willingness to help on any kind of a civic matter.

"Rusty" Baccus was chairman of the committee, composed of representatives from various civic clubs and organizations, which selected the outstanding citizen.

Speaker for the occasion was Jack Lacy, executive vice-president of the Amarillo Chamber of Commerce, who kept the crowd laughing during most of the talk. In a serious vein, Lacy urged that it is time for people to stop and think of the future. He pointed out that civilization had moved faster and made more progress "in our lifetime" than at any time in history.

"We don't know what will happen next except that coming generations will dwarf our accomplishments," Lacy said. "Our future will depend upon our choice between opportunity and security."

Dr. Harold Loden of Paymaster Farm was master of ceremonies for the occasion. Invocation was given by Rev. E. Lee Stanford, local Methodist pastor. "The Harmonettes," a Junior high school girls quartet composed of Cheryl Rucker, Sandra Smith, Carolyn Belt and Jane Rhodes, entertained the group with several songs. They were accompanied by Janie Reynolds.

Claude Brown welcomed the group, introduced the outstanding citizens and expressed appreciation for the work done by

the various committees. President Fred Byrd introduced the other officers and directors of the Chamber as well as the retiring directors. Plans for the coming year were discussed by Director R. L. Knox Jr. Mr. Knox called attention to the list of accomplishments on the program, saying that many of these would be repeated this year. The accomplishments listed were:

One hundred and twenty-six paid memberships.

Promotion of growing and marketing vegetables.

City's Golden Anniversary barbecue and parade.

Maintained labor camp for transient labor.

Sponsored clean-up week.

Ordered and arranged for payment for eight large trash containers for business district.

Sponsored Christmas home lighting contest.

Sponsored Christmas pageant-parade.

Sponsored Christmas decorations in business district.

Sponsored and furnished prize money for Lockney Junior Fat Stock Show.

Co-operated with Floyd County Junior Fat Stock Show Association in auction sale.

Premiums to first bale of cotton ginned in Lockney and first bale ginned in Floyd Co.

Co-sponsored and furnished free barbecue dinner for Floyd County Soil Fertility Day.

Sponsored outstanding citizen award.

Aided in securing extension of rural telephone lines.

Set holidays to be observed by business houses.

"Rusty" Baccus is vice-president of the Chamber this year and Don Hatch was re-elected as secretary-treasurer. Directors are Leon Wofford, Dr. Harold Loden, Lester Carter, Clyde Briley, Willis Reynolds, Charlie Boedeker, Owen Thornton, R. L. Knox Jr., Dwight Jackson, Charles Duran, Hershel Carthel, Ernest Tannahill.

High winds on Friday afternoon and evening prevented some from attending the affair, especially a number of out-of-town people who had been invited. However an estimated 200 were present for the banquet meeting.

Corn Support Price Is \$1.19

Floyd County support price on corn has been set at \$1.19, County ASC office manager Thomas J. Hutchins said Monday. This is a raise of 10c per bushel over the 1958 supports and represents farm storage corn. Delivered at the elevator the support prices would net farmers about \$1.07 to \$1.09 per bushel.

The support price in this area has been raised to meet the level set in the corn belt because the corn belt voted down acreage quotas, Hutchins said.

On a pound basis, local elevator men figure this to be \$2.12½ per 100 pounds compared to the farm-stored support on grain sorghum of \$1.44.

Leslie Cox Resigns As City Officer

Leslie Cox has resigned his position as City Officer effective April 1. Mayor J. E. Cox said Saturday. Cox presented his resignation to a called meeting of the Council Saturday morning.

No one has been employed to replace Cox permanently, Mayor Cox said, but Ray Hardin will work temporarily in the place. Mr. Hardin is a former deputy sheriff for Floyd County and has made his home here for several months since moving back to Lockney from Anton.

Mr. Cox will go to work for Consumers Fuel Association here on April 1st, he said this week.

Safflower Meeting Here Tuesday Night At 8:00

BANK LETS CONTRACT FOR \$79,500 BUILDING HERE

Contract for a new bank building was signed by officials of the First National Bank here last Friday with Killingsworth Construction Co. of Dimmitt. President Charles Duran said Monday. Cost of the building is to be \$79,500 not including fixtures and parking pavement. Brick has already been unloaded on the site and construction is expected to start immediately. A completion date of Aug. 15 has been set.

The new building will be constructed on the southeast corner of the block at the intersection of North Main and Washington Streets, a location recently purchased from the Lockney American Legion Post. The old Legion building, sitting on the north side of the property will be sold and moved away.

The new brick and steel building will be spacious and beautiful with designs in the glazed brick walls on both the south and east sides. The floor will be covered with terra-zo. The building will be built in the northeast corner of the building, one containing a battery of safety deposit boxes. Rest rooms will be in the rear of the building.

A basement 25x40 is included in construction plans. The front of the building will have some glass and aluminum but will be mostly brick. A double entrance is planned with the night depository opening located in the 8-foot foyer. The outside door will be unlocked at all times allowing use of the night depository.

The entire building will be set off with a tower and clock on the southeast corner.

Plans for the new building have been underway for the past year.

Board To Call Bond Election

The trustees of the Lockney Independent School District, in a meeting Monday evening, voted unanimously to offer a bond issue for the erection of a new high school building.

Exact amount of the issue has not been determined but Supt. H. H. Nicholas said that the board was of the opinion the issue would have to be in the neighborhood of \$500,000. The amount will be set and the election order issued at the next board meeting when the school architect and building contractors will meet with the board.

The election will be called as soon as possible, Supt. Nicholas said. The school recently acquired title to a sizeable piece of land in West Lockney and it is presumed the building will be placed there. Mr. Nicholas said that it was his understanding that attorney's had passed on the title and that the school has a clear title now.

Lockney Odd Fellows Win High Offices

Two local members of the I. O. O. F. Lodge have been named to high offices in that organization following the recent annual meeting of the Grand Lodge of Texas at Waco.

Gene Hammit, Lockney farmer and business man, was appointed to the office of Grand Guardian of the State of Texas by Grand Master Roy Kreitzmeier. Mr. Hammit is a past Noble Grand of the local lodge and has been an Odd Fellow since 1953, all of that time in the local lodge. He has been very active in Lodge affairs and is largely responsible for its growth here.

Truett C. Bilbrey was named District Deputy Grand Master for District 7, by Mr. Kreitzmeier. He succeeds C. C. Reed of Lockney who held the post last year. The district is composed of lodges at Floydada, Lockney and Matador.

W. L. Strickland, who was a representative to the Grand Lodge at the recent state meeting, made a report to the local lodge at the meeting last Thursday. Mr. Strickland reported that 41 new lodges had been instituted in the State of Texas during the past year with a correspondingly large increase in membership. The Grand Lodge session will be held in Fort Worth in March of 1960.

Attending the meetings of the Odd Fellow and Rebekah Grand Lodges from Lockney were Mr. and Mrs. Hammit, Mr. and Mrs. Bilbrey, Mr. and Mrs. Strickland and Mrs. Dimple McGavock. Mrs. McGavock served as district deputy grand master for the Rebekah Lodge last year.

"Of course women make fools of men — but they get lots of cooperation."

W. C. Reeves Dies In California

W. C. Reeves, 74, passed away Friday morning at a hospital in San Bernardino, Calif., where he made his home. Mr. Reeves was a brother of Mrs. B. A. Howell and Joe Reeves of Sterley Community.

Reeves had been in a coma for 25 days following a stroke. He was reared near Lockney and was in business here a number of years prior to moving to California 39 years ago. He was engaged in the grocery business here with the late Zeb Reed and later was proprietor of the Page Dry Goods.

Survivors include one daughter, Mrs. Jim Ryan of Chicago, one sister, Mrs. Howell, Lockney, and two brothers, Joe Reeves of Lockney and Bob Reeves of San Bernardino, Calif.

Because of illness the local relatives were unable to attend funeral services which were held at San Bernardino Monday.

Revival Meeting At Cedar Church Begins Sunday

A revival meeting begins next Sunday, March 29th, at the Cedar Hill Baptist Church. Evening services will begin at 7 o'clock. Sunday starts at 10 a. m. and the morning worship service at 11 a. m. Services will continue through April 5th.

Preaching for the revival will be Rev. D. P. Maddox, Bible professor at Wayland College. Dr. Maddox is a fine preacher and evangelist as well as a Bible teacher. He was invited to participate in the Billy Graham London Crusade and recently went with a group from Wayland College Mission Band on a two-weeks mission tour through the western states and Canada.

Raymond Nasworthy, also from Wayland, will lead the singing at the meeting. A hearty welcome is extended to the public to attend the services.

Floyd Boys Win At Plainview

Randy Laceywell, Lockney 4-H club boy, showed the champion of breed in the fat barrow division at the Plainview Fat Stock Show Wednesday. His Chester White took first place in the light weight division and then went on to win champion of breed. David Mitchell, another Lockney 4-H club member, showed his Chester White in first place in the heavyweight division and reserve champion of the breed.

Still another Lockney 4-H club member, Warren Mitchell, took first place in the mediumweight Chester White class with his barrow.

Other 4-H club members and FFA members from this area won places but complete results of the show were not available when The Beacon went to press. Judging will be completed today (Thursday).

Board To Call Bond Election

The trustees of the Lockney Independent School District, in a meeting Monday evening, voted unanimously to offer a bond issue for the erection of a new high school building.

Exact amount of the issue has not been determined but Supt. H. H. Nicholas said that the board was of the opinion the issue would have to be in the neighborhood of \$500,000. The amount will be set and the election order issued at the next board meeting when the school architect and building contractors will meet with the board.

The election will be called as soon as possible, Supt. Nicholas said. The school recently acquired title to a sizeable piece of land in West Lockney and it is presumed the building will be placed there. Mr. Nicholas said that it was his understanding that attorney's had passed on the title and that the school has a clear title now.

Johnny Race Named Band Boosters Pres.

Johnny Race was elected president of the Band Boosters Club Tuesday night at a meeting held at the High School Cafeteria.

Other officers elected to serve for the next school term are Mrs. Melvin Potts, vice-president; Mrs. Elmer Lee Stapp, secretary; Mrs. Milton Ashton, treasurer and Mrs. Clark Harris, reporter. The band director automatically the second vice-president.

The club adopted by-laws and voted to continue to meet regularly each fourth Tuesday of the month.

Laverne Carthel is the retiring president.

EDITORIAL

As sorrowful, yet always rejoicing; as poor, yet making rich; as having nothing, and yet possessing all things.—II Cor. 6:10.

CHAMBER OF COMMERCE officials are pretty happy that so many attended the annual membership meeting and banquet last Friday evening in spite of the adverse weather. Conditions were such that most people could have been discouraged from attending but such was not the case and attendance was good. Needless to say, those who attended were well rewarded for their efforts, and the committees all did a fine job in preparing the affair.

SUCH LOYALTY as was exhibited in attending the C-C meeting Friday night is the kind of thing that builds towns. If we could all exhibit a little more of that loyalty in other phases of civic and community affairs maybe we would see more results. Loyalty to the community is one of the chief ingredients to progress and growth. The "that's for someone else" attitude is the thing that disrupts community growth and

progress, as well as the "it won't make any difference" expression.

WE GET a little unhappy with some government departments at times. Like last week when we tried to find out how many "B" cotton acreage signers there were in Floyd County. Thomas J. Hutchins, ASC office manager, told us that the Department of Agriculture prohibited the releasing of the figure. The same department refuses to release the county's cotton acreage quota when it is set in the fall until the news is so old it stinks. We don't know whether Mr. Benson is responsible for this state of affairs or not but it is an unhealthy condition when one department of the government seeks to hide its activities and its affairs from the people. There is no need for secrecy, unless the department heads are a little ashamed of something.

CONGRATULATIONS to The First National Bank in letting a contract for their new building. Spending some \$80,000 for a building is quite something in Lockney and we know that the community will be mighty proud. It's kinda nice that the bank would be moving into a new home just after celebrating its Golden Anniversary. Congratulations also to the local Masonic Lodge on their building program. Looks like we'll have a lot of building in Lockney this year.

WE'RE KINDA anxious for 1960 to come and the national census. Already there is considerable guessing going on about the population of the city and county. The Beacon plans to hold its usual guessing contest with some nice cash prizes to the winners. In the decade from 1940 to 1950 Lockney's population increased by 39% as we remember it. Probably we won't show that rate of increase this time but no doubt that the city is much larger than it was in 1950.

THE COMMUNITY physician is the most important man in cancer control, according to Dr. W. Kenneth Clark, vice president of the American Cancer Society. In his view: "If the community physician is not cancer-conscious, the specialist may come into the picture too late." The Society estimates that of 255,000 cancer deaths in this country, about 75,000 could be prevented by earlier detection and treatment.

WRITING IN THE New York Times, J. H. Carmichael says that the pressure of Soviet oil exports on the markets of the free world is steadily increasing. The flow approaches 300,000 barrels a day, and it has become the Russian's main economic weapon in many cases. Moreover, he adds that the prospects are that the drive on free world oil markets has only started.

HOW MUCH will it cost to send men into outer space? U.S. News & World Report places the price of a round trip ticket to the moon at \$50 million, or \$100 a mile. By way of comparison, flying around the world by airliner costs 7c a mile at tourist rates.

EASTER

With Our EXCHANGES

HOMETOWN DEALER HAS A HELPER

The hometown dealer represents a giant national manufacturer has the help of a partner that makes it possible for him to stay in business in spite of centralization of retail outlets.

The partner of the small dealer is the community newspaper. Far more than any other institution, the newspaper has a part in the continued survival of small city dealers.

As the major force which works to build and maintain a trade area, the local newspaper gives the small dealership its basis for existence. Through the newspaper, the people of a community are constantly reminded that they can obtain all brands of goods in their home town.

Of course it would be less trouble and more efficient for the big manufacturers to maintain a few dealerships in major cities. Apparently, some manufacturers have attempted to encourage such a trend by concentrating national advertising in metropolitan newspapers, magazines, and other general media.

Fortunately for small dealers the policy has been a failure. Sales volume has significantly dropped when manufacturers have attempted to centralize all national advertising.

Regional advertising does not finalize sales in the local community. The public simply reduces its buying when advertising is reduced on the local level. Thus, both manufacturer and the small dealer suffer when community newspapers do not carry a share of national advertising.

factor to place advertising in thousands of small newspapers. But the partnership between the small dealer and the community newspaper produces sales. This is why the small dealer and the community newspaper produces sales. This is why the small dealer is justified in insisting that his national advertising allocation be spent in his own community newspaper. — Quitaque Post.

'SINS' AGAINST CITIZENSHIP

A Boston preacher has listed ten "sins against citizenship" which the good gentleman points out are far too prevalent in this day and time. None of these are "sins" in the strictly moral sense, but constitute serious defects in behavior.

- Here is his list:
1. Indifference. "I'm not interested in politics."
 2. Laziness. "I'm too busy."
 3. "I don't want my character assailed."
 4. Greed. "I'm O. K. as things are."
 5. Prejudice. "I'll vote for him because he's one of our kind."
 6. False Pride. "I'm not going to get mixed up in dirty politics."
 7. Cynicism. "My vote won't make any difference."
 8. Hapless. "Pressure groups run the show."
 9. Ineligible. "I didn't register." (Or "I didn't pay my poll tax.")
 10. Why bother? "Politicians are all alike."

In considering these faults, one should always bear in mind that established here on this North American continent is a republic. This means that its people must conduct its affairs.

If they are indifferent, if they allow their government to be directed by second and third raters, that's the kind of government they will get.

Neglect of duty is never excusable, and these "sins" stand on a firm foundation. Now read them again.

— Ochiltree County Herald

TROUBLE AT HOME

The Federal Civil Rights Commission reports that some studies show there may be more residential segregation in large Northern cities than in Southern cities. The Commission cites New York, Chicago and Detroit as examples.

"Much of the vituperative propaganda against the South has come from prominent persons in these cities," says the Houston Chronicle. "It appears that they are more interested in condemning the South than they are in finding out what is happening in their own backyards."

That is because the race issue has become, for Northern politicians, a vote-getting device. It is much easier to win votes by pointing to the "sins" of the South than it is to clean up unsavory conditions at home. — Lubbock Avalanche.

St. Patrick, who "found Ireland all heathen and left it all Christian," founded more than 300 churches and baptized more than 120,000 persons, according to The World Book Encyclopedia.

Dear Editor:

I see where the Girl Scouts in San Francisco are in the Teamsters Union doghouse on account of they have been peddling non-union cookies.

My organized neighbor says if the Hoffasters manage to whip the pony-tailed little union busters into line, it will be a great day for the country.

On account of it will teach these future wives of union men to righteously avoid touching any item which does not have a union label on it, except portable money.

Chevy makes one for you...

and you'll want it for all its worth

The plain fact is Chevrolet builds so many different kinds of cars there's one to please just about everyone.

Say you want a stylish, spacious car that combines low initial cost with rock-bottom operating expense. You'll find what you want in the Biscayne 2-Door Sedan—one of the lowest priced of all Chevy models. And you can have Chevrolet's new Hi-Thrift 6 under the hood to stretch and stretch

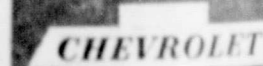

the distance between gas stops.

If, on the other hand, you're looking for a car of utmost elegance, you could hardly make a happier choice than the Chevrolet Impala 4-Door Sport Sedan. And, to go with it, Chevy's velvety V8 power teamed with triple-turbine Turbo-glide—one of the finest, smoothest automatic drives offered on any car.

These are just two examples of the dozens of different kinds of Chevrolets you can choose from.

It's almost certain—with models ranging from five beautiful, dainty station wagons to the unique Corvette—that Chevrolet builds your kind of car. Your dealer's waiting to help you pick it out.

*Optional at extra cost.

The smart switch is to the '59 Chevy!

Your Chevrolet choice includes the Corvette, the Impala Sport Coupe, the Nomad Station Wagon, the Bel Air 4-Door Sedan, El Camino, and the Impala Convertible—all shown above.

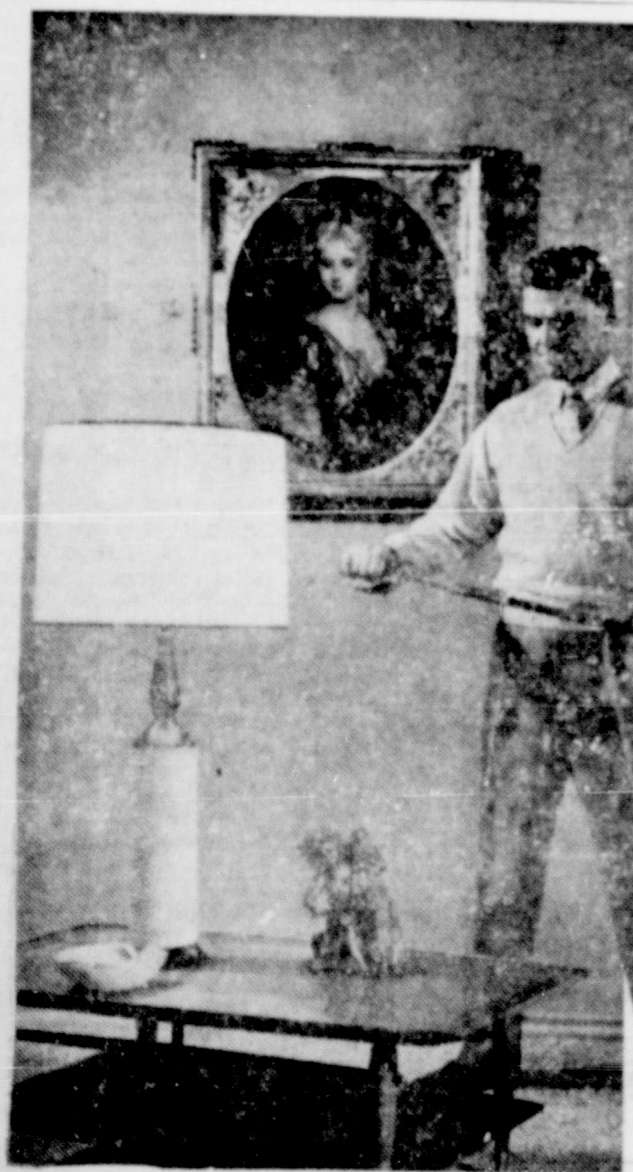

now—see the wider selection of models at your local authorized Chevrolet dealer's!

The Man who Appreciates the Finest

BUYS HIS WIFE GAS APPLIANCES!

There is often more to an object of art than the mere surface discloses. A man of discriminating tastes has an instinct for evaluating real craftsmanship. This is the kind of man who buys a GAS Range for his wife's kitchen. In appearance, anyone can see its cleanliness of line . . . glamour of design. Most ranges can claim this. But it's in Performance that a Gas Range achieves superiority! For here is a precision-engineered, automatically-controlled instrument that removes guesswork from cooking. Closed-door, smokeless broiling, instant ignition, and shut off with no heat hang-over . . . here is Performance that assures success in the fine art of cooking. Yes, in every way (economy included) Gas gives you more. And where the finest is truly appreciated . . . Gas belongs!

Vegetable Fertilizer Demonstration

A vegetable fertilizer demonstration is being conducted on the Raymond Rucker farm in the Pleasant Valley Community. Combinations of nitrogen, phosphorus, and Potash are being used.

This demonstration was conducted on the Lane Decker farm this past year. The best combination of fertilizer last year was 100-100-0 pounds per acre.

Also available in the County Agent's Office are results on fertilizers and varieties of the different vegetables grown in our area. Many of you might be interested in looking them over.

SAFFLOWER PRODUCTION

Safflower is an oilseed crop that many think might be a possibility for this area. The major problem has been marketing. Small acreages have been grown in the high plains in past years, but not with much success. The experiment station has conducted tests in our area with possible yields being about 1100 pounds per acre.

If you are interested in finding out more about safflower as a cash crop, there will be a meeting in Lockney, Tuesday, March 31, at 8 p.m. at the high school auditorium.

4-H CLUB WORK

Boys and girls from Floyd County are exhibiting animals in the Plainview Fat Stock Show this week. Seven steers, four lambs, and 12 barrows have been entered in the show by 4-H members. The following boys and girls are participating in the show: Billy Don Colston, Mark Merrell, Randy Laceywell, Lauretta Laceywell, David Mitchell, James McNeil, Darlene Mount, Larry Golden, Neil Mitchell, Francis Montandon, Melvin Lloyd, Warren Mitchell, Joe Ed Noel, Norman Ferguson and Stanley Abbott.

SOME 3,538 HANDICAPPED youngsters have found a summer full of happiness at the Texas Lions Camp for crippled Children at Kerrville. In this specially-designed pool many of the handicapped children are learning the joys of swimming for the first time. Governor Price Daniel has proclaimed this Texas Lions Crippled Children Camp Week to focus attention on the unique camp which is free to any blind, mute, deaf or crippled child in Texas between the ages of seven and sixteen. Any eligible boy or girl wishing to attend the camp should contact members of the Lockney Lions Club for further information.

Providence

By Mrs. Wilfred Stoerner

Mr. and Mrs. Paul Stuke, formerly of Cathage, Missouri, are now living here. They will farm the Paul Williams farm in Prairieview Community. We are certain glad to have them in the community. They have two sons. Mrs. Stuke will be remembered by all her friends as Clara Samman.

Will Fred Stoerner returned from Amarillo last week after undergoing surgery. He is recovering nicely. The Bookmobile was at Trinity Lutheran Church for this community's services and I must say was very disappointed in the poor response this community gave to such a fine project. The Bookmobile will return in three weeks. Please let's try to show some interest. The Bookmobile received the poorest response in this community it has been in so far. Mrs. Wilfred Stoerner prepared the noon meal for the bus driver, Miss Hinds, and her assistant from Austin.

Providence H. D. Club met at the home of Mrs. Ben Brandes Monday. Roll was about a foreign country. Mrs. Ben Quebe read the devotional. Mrs. L. B. Brandes, president, and Mrs. E. M. Quebe acted as secretary in absence of Mrs. Helmut Quebe. Mrs. Sam Jones gave a good council report. She reported ten pieces were given by our club for the 4-H booths at the stock show. We are always glad to help our young folks. We were reminded of the district meet to be held in Plainview in April. A White Elephant sale will be held at our next club meeting to help our treasury. Meeting will be with Mrs. Sam Jones. All ladies interested in Home Demonstration Club work are urged to come. Time is 2 p.m. Mrs. Bill Rogers was received as a new member. Miss Roggenhoff gave a demonstration and talk on Texas Food Standard, how to save your food dollar, and the ladies planned a meal for a day. Mrs. Ben Brandes, hostess, served cheese sandwiches, Texas Cream pie and coffee to Mrs. L. B. Brandes, Ben Quebe, Sam Jones, J. R. Turner, A. K. Windecker, Ted Boedecker, Everett Crume, Marvin Scheele, Bill Sammann, Bill Rogers, Wilfred Stoerner, and E. M. Quebe. Mrs. J. R. Turner led the group in a mock TV show "Top Dollar".

Mr. and Mrs. L. B. Brandes and girls visited Mr. and Mrs. J. M. Williams and daughter of Floydada Sunday afternoon.

Mr. and Mrs. Wilfred Stoerner and family were guests of Rev. and Mrs. Daniel Schorelemer of Amarillo Sunday. Their daughter, Janie, was confirmed in impressive Palm Sunday services at Beautiful Savior Lutheran Church of Amarillo. The Stoerners also visited Mr. and Mrs. Henry Kinslow of Amarillo.

Trinity Lutheran Church
A. K. Windecker, Pastor
Attendance Sunday School,
Sunday, March 22, 99; attendance divine worship, 135.

Calendar of week — Friday, divine worship, 10 a.m., holy communion will be celebrated; Easter Sunday, Sunrise Easter Service, 6:30 a.m. at Seale Drive in Theatre. The public is invited; Sunday school, 10 a.m., divine worship, 11 a.m., Easter egg hunt at 5 p.m.

AT TRAINING SCHOOL

Postmaster Jeffie Griffith attended a training school for postmasters held Monday and Tuesday at the Hilton Hotel in Plainview. Joe Kessenberg of Vernon was instructor and the school dealt with problems relating to proper dispensing of the mail.

Also attending was Kyle Glover, assistant postmaster at Floydada.

Mr. and Mrs. Al Willis and children of Grand Junction, Colo., are visiting relatives at Plainview and Lockney this week. They are former residents of Lockney.

Women's Clubs To Meet At Borger

A streamlined program filled with Federation Business engineered into a day and a half of activity, instruction, and reports has been planned for the 38th Annual Convention of the Seventh District Texas Federation of Women's Clubs to be conducted April 2 and 3 in Borger.

Program theme will be "Keys to New Evaluation". Mrs. A. T. Cocanougher, district president, has announced that the convention registration will begin Tuesday at 12:15 p.m. at the First Christian Church. The initial program will begin at 1:30 p.m. and end shortly after lunch, April 3.

All convention sessions will be held in the First Christian Church at 200 Bryan Street. Delegates, board members, new officers, and interested persons are expected from forty-nine counties with representatives coming from two hundred and thirty-six clubs consisting of 5200 members.

OFFICE SUPPLIES at The BEACON OFFICE.

VISITS RHODE ISLAND

C. R. Haggard returned Wednesday of last week from a two week visit with his son, Clinton Haggard at Warren, Rhode Island. The younger Mr. Haggard is a printer working for the Warren Review. Among the interesting points Mr. Haggard visited were Plymouth Rock, Slater's Cotton Mill, the first one built in the United States and located at Pawtucket, R. I., the old Roger Williams Church and other points.

CARD OF THANKS

I want to express my sincere appreciation to Dr. Williams and Dr. Mangold and their staff for their kindnesses to me during my stay at Lockney General Hospital. I also want to thank all my friends for the visits, cards, flowers and other thoughtfulness shown. May God bless each of you.

Mrs. Harmon Handley

TO HOUSTON

Grace Marshall left Wednesday for Houston where she will have a check-up at M. D. Anderson Hospital.

GO TO CHURCH SUNDAY.

LETTERS TO THE EDITOR

Dear Mr. Hays,
Enclosed find a check for \$2.50 to continue the Lockney Beacon. We sure enjoy the Beacon as we know so many good people in and around there. Tell all our friends we hope to see all of them, possibly the last week in April. I will get a week paid vacation from Air Research Manufacturing Company where I work.

We have been having summer weather here in Southern California the past week. It was 87 degrees one day last week. Hope to see you all soon.

Yours truly,
R. L. Tomme

Patricia Bayley WT Candidate For Personality Queen

Patricia Carolyn Bayley of Plainview is among 12 students vying for Personality Queen or King during the Personality Pageant April 11 at West Texas State College in Canyon. The Pageant will start at noon with registration. Students will be entertained by Buffalo Masquers with a one-act play. A Coke party is planned and the days' events will be climaxed by a dance that evening where the Personality King and Queen will be announced. Some 40 high schools are expected to send their personality representatives to the pageant. Pat, daughter of Mr. and Mrs. Spencer Bayley, former Lockney residents, is a sophomore social science major. She is a member of the Student, Alpha Delta Pi, women's social sorority.

Floydada Services For Mrs. Strickland

Floydada — Funeral services for Mrs. G. R. Strickland, 72, who died in Northwest Texas Hospital in Amarillo Saturday, were held at 10 a.m. Monday in the First Baptist Church here. The Rev. Ed Bowles, pastor, officiated. Burial was in Floydada Cemetery under direction of Harmon Funeral Home. Mrs. Strickland had been hospitalized in Amarillo one week. She came to Floyd County in 1920. Survivors include a daughter, Mrs. Ernest Carter, Floydada, and two sons, Reed Strickland, Amarillo, and Herwin Strickland, Abilene.

Tom Parrish Is Vice-President Of Wayland

Plainview — Tom Z. Parrish was named Wayland Baptist College's first vice president in its 50 year history and a budget of \$752,640 was adopted for 1959-60 at the March 17 meeting of the Board of Trustees, at which W. A. Mays, Amarillo, presided. More than half the \$76,000 increase over the 1958-59 budget will go into faculty and staff salary increases, according to President A. Hope Owen. "In Mr. Parrish's four years as director of development Wayland has shown unusual growth," says Shown Owen, who recommended that the trustees create the new office. "In recognition of the increasing responsibilities in the area of development with relation to the total program, Mr. Parrish has been named vice president of development services," says Chairman Mays. "He will implement the program, 'Bold Ventures: Design for a Decade', which we adopted in January to launch Wayland's second half century of Christian service in the Great Plains." Working with President Owen and other staff members, Parrish currently is developing a master plan for the campus and spearheading the drive to restore and remodel historic Administration Building, which involves the redesigning of the front campus by a landscape architect. The 10 year goal includes an increase in outstanding Christian faculty members with an increased salary scale; residence halls and classrooms to serve 1000 residence students, an increase of 50 new students each fall; Home Life Building, gymnasium, science hall, auditorium, small chapel, married student housing; an enlarged scholarship fund for high ranking students; and \$5 million in capital endowment to help implement the whole program. Parrish joined the Wayland staff in 1955, coming from Oklahoma where he had been pastor at Marietta. Previously he had been with the legal firm, Griffin and Morehead, Plainview. He is a graduate of Stephen F. Austin College and of the University Law School.

PRACTICAL—Handsome is as handsome does, and this resort ensemble in Fuller's all-cotton, wash-and-wear madras does very well, thank you. The ensemble by Alexander Shield shows a Caribbean influence.

Planting Early Helps Avoid Corn Borer

Research on corn was included in the program of the High Plains Station by the Advisory Council when they organized the Station in 1956. The wisdom of this action has been justified by the results obtained during the first two years of operation. Corn is expected to claim an increased number of acres in 1959.

One of the most serious hazards to corn production in the High Plains area is the Southwestern Corn Borer, which causes as high as 50% lodging (falling down). The High Plains Station conducted experiments in 1958 to find if this damage could be controlled or reduced by changing the date of planting. There is at present apparently no chemical method of a adequately controlling the Southwestern Corn Borer.

Early, midseason and late maturing varieties were planted April 9th and 24th, May 5th and 21st, and June 19th. In this test the April 24th planting proved to be the most satisfactory date, for the lodging was only 8.75%. Lodging increased progressively upward with the later planting dates to 58.68% on the June 19th planting. The average yield for the 5 varieties used in the test that were planted on April 25th was 93.2 bushels. The same varieties planted on May 21st had the highest yield of 119.6 bushels per acre but with 58.38% lodging on that date, and the increased harvesting cost, made the yield from the April 24th planting more profitable.

By using early or midseason hybrids and planting early, a farmer can harvest his corn with a combine using a corn header attachment before too much breakage occurs. Combines work best when the corn moisture is from 20 to 25 per cent which makes artificial drying necessary. This operation is profitable because it permits harvesting earlier, eliminating much less from lodging and normal picking operations. The increased yield from combine harvest would probably pay the drying cost.

The corn varieties used in this test were TRF 3, TRF 9, TRF 13, Texas 17 W and Funk 739W. All varieties and all dates of planting received 50 pounds of nitrogen, 100 pounds of phosphorus and 25 pounds of nitrogen sidedressed when the plants were 10 to 12 inches tall. However, 120 to 150 pounds of nitrogen should be sufficient fertilizer on Pullman Clay loam of average fertility. Early planting and early harvest before lodging takes place seems to be indicated for successful corn production, Douglas Owen, Assistant Agronomist, stated today.

Graham's Nephew Wins Citation

Olton Co-Op Gin Manager Lloyd Graham was named Texas Cooperative Ginners of the year at a recent Co-Op ginners meeting in Austin. He is a nephew of J. R. Graham of Lockney and visits often in the Graham home here.

Graham has been the manager of the Olton gin for the past five ginning seasons. During that time, the Co-Op Gin Company has handed out more than \$750,000 in cash dividends and has netted more than one million dollars.

The plant processed more than 22,000 bales of cotton during the 1958 ginning season, and was among the top 10 batteries in the country in that respect. Graham, who saw the building program of the gin, including the present twin battery, rise from the ground, grew up in Wellington and went to work for the Co-Op there in 1933 and has been in the ginning business since that time.

Graham is a Baptist deacon, treasurer for the First Baptist Church, and is a member of the Olton School Board. Mr. and Mrs. Graham have one daughter, Gayland, who is a senior at Olton High School.

The United States contains at least 100-million acres that have never been surveyed.

Thermos bottle corks that have been compressed by use can be restored to normal size by boiling them in a covered pan.

Mrs. Fred Dorman Is Bridge Club Hostess

Mrs. Fred Dorman was hostess for a meeting of the Town and Country Bridge Club at her home Tuesday night.

Refreshments were served to Mrs. O. C. Allison, Claude Brown, June Bybee, Donnie Bybee, Charles Duran, Jay McPherson, Carroll Minor, Kenneth Moody, F. M. Neill, Valca Thomas, Bobby McCormick, Dwight Jackson and the hostess.

Newcomers Enjoy Salad Luncheon Wednesday

The Newcomers Club enjoyed a salad luncheon Wednesday at 1:00 o'clock in the home of Mrs. Dick Whiteley. Mrs. Robert Daniels and Mrs. Joe Taylor were co-hostesses with Mrs. Whiteley.

Present for the occasion were Mrs. H. G. Hodges, Robert Daniels, J. M. Tye, Wilson Kermickel, Douglas Degge, Troy Stafford, Payton Powers, Douglas Meriwether, Jimmie Stennett, S. A. Freeman, Roland Watson, Jim Reynolds, Dick Whiteley, Joe Taylor and Ted Carthel.

Next meeting will be a luncheon at Golden's Restaurant, April 15 at 1 p. m. Mrs. Robert Lee Smith will review a book for the program.

Book Shower Held By SS Class Tues.

The T. E. L. Sunday School Class of the First Baptist Church held a book shower for the church library in connection with their regular monthly business and social meeting Tuesday afternoon in the Zack Cummings home.

Assisting Mrs. Cummings as hostesses were Mrs. E. A. McLeod and Mrs. E. J. Rodgers.

Refreshments were served to Mrs. Ella Casey, Earl McCready, T. B. Mitchell, F. S. Shearer, W. C. Singer, H. Cunningham, Fred Cooper, J. R. Richards, W. O. Whitehead, Ben McGhee, F. M. Smith, Guy Sams, Bob Taylor and the hostesses.

Betty Machen Weds Frank D. Ford In Church Rites

Miss Betty Machen, daughter of Mr. and Mrs. H. B. Machen of Fort Worth, exchanged wedding vows with Frank D. Ford, son of Mr. and Mrs. J. I. Pridgen, Sand Springs, Okla., Saturday, March 7. The double ring ceremony took place at 8 p. m. in the Sand Springs Methodist Church with Rev. H. Ray Baker, pastor, officiating. The Machen family are former residents of Lockney and Mr. Machen was postmaster here several years.

Mrs. Monte Box, organist, played the nuptial music and accompanied Mrs. Paul Wilson who sang "Because" and "Through the Years".

Given in marriage by her father, the bride wore a waltz length gown of white satin and lace. Her finger tip veil was attached to a Juliet cap. She carried a white Bible topped with an orchid.

Maid of honor was Miss Joan Miller, Alma, Arkansas, a former roommate of the bride when they attended the University of Arkansas. Bridesmaid was Miss Effie Griest of Tulsa. They wore blue taffeta dresses.

Patsy Swenson of Tulsa was flower girl.

Ring bearer was David McClain and his brother, Bill McClain, was candlelighter. They are sons of Mr. and Mrs. Wayne McClain of Bentonville, Ark., former Lockney residents.

John E. Deas Jr., served as best man. Ushers were Jess L. Bridgen Jr., brother of the groom, and Joe Cannon, all of Sand Springs, Okla.

A reception was held in the church dining hall after the wedding.

The bride attended Lockney High School for two years and graduated from Bentonville, Ark., High School in 1955. She attended Cottey College for girls in Nevada, Missouri, one year and the University of Arkansas one year. She is now employed as a hospital technician in the Oklahoma Hospital in Tulsa.

Her husband is attending Tulsa University and will receive his degree next spring with a major in Psychology. He is a veteran of the Korean War. The couple is now at home in Apartment 12, 420 West 11th, Tulsa, Okla.

Mr. and Mrs. Verdell Haws of Okemah, Oklahoma, are parents of a baby girl born Monday, March 16, weighing 8 1/2 pounds, eleven ounces. The baby has been named Tresa Lenice. Mr. and Mrs. J. R. Richards, Lockney, are the maternal grandparents and paternal grandparents are Mr. and Mrs. C. H. Haws of Shamrock. Mrs. Haws is the former Mary Richards.

Garden tools can be conveniently stored by sticking them in a box of sand mixed with a little crank case oil. Keeps them safe, clean and rust-free.

Mrs. Ruby Merrick Hosts La Ventana

Mrs. Ruby Merrick was hostess for a meeting of La Ventana Study Club held in her home Tuesday, March 24.

Program theme for the event was "The Atom Age." The motto was "Today is ours. Tomorrow is coming; prepare for it." Mrs. J. L. Lovvorn was program leader. Mrs. Raymond Teeple, president, presided.

Mrs. Albert King introduced Mrs. Truett Hilbrey, Vocational nurse at Lockney General Hospital, who spoke on the "Need for Nurses." Mrs. C. H. Huffman talked on "World of Tomorrow" and Mrs. J. T. Griffin discussed "You and the Obsolete Atom." Roll was answered with the name of a new drug.

Mrs. Gene Crank, Lockney, was also a guest at the meeting.

Members present were Mrs. E. J. Foster, H. E. Frizzell, J. T. Griffin, Bailey Henderson, Hoyette Hodges, Herman Huffman, M. S. Johnson, Albert King, J. L. Lovvorn, Charlie Merrick, W. D. Nance, Robert Smith and Raymond Teeple.

Next meeting will be April 28 when the club will observe the program topic "Texas Beauty Spots and Landmarks" by making a tour of the Museum and Palo Duro Canyon.

CARD OF THANKS

I wish to express thanks to my friends for their many kindnesses, the prayers and the pretty flowers and cards while in the hospital. Especially I want to thank the doctors and nurses.

Mrs. Hop Weathers GO TO CHURCH SUNDAY.

Seven Injured In Saturday Accident

Seven persons were injured, two seriously, in a car-pickup collision 2.7 miles northwest of Floydada on U. S. Highway 70 about 8 p. m. Saturday. Dale Johnson, 17, who lives near Lockney, was taken to Lockney General Hospital for treatment. Johnson was riding alone in the pickup.

All the occupants of the car were taken to Peoples Hospital in Floydada. They were Pedro Rodriguez, age 51; Thomas Reyes, 49; Thomasa Reyes, 33; Rosenda Reyes, 7; Raquela Reyes, 5, and Miguella Rodriguez, 42. The two who were badly injured were sent to a Lubbock hospital for further treatment.

Investigating officers, Highway Patrolmen Thurman Keefer and R. C. Dunn, said that apparently the Rodriguez car was heading toward Floydada and that the Johnson pickup which it hit was obviously involved in making a U-turn in front of the car. The front of the car collided with the right side of the pickup.

CALORIES IN PORK

Contrary to general opinion, pork is not as high in calories as some other meats. It is always served thoroughly cooked, and this fact insures the drain-off of excess fat, provided that good cooking procedures have been observed. Pork roasts are best when cooked in an oven at 325 degrees for at least 30 minutes to the pound.

Honor Society Present Program

The National Honor Society will present a program at 8:45 p. m. in the High School. Ted Carthel will be the speaker. Short talks will be given by members of the society.

Gary Lynn In Phi Eta

Gary Lynn, Lockney, is a member of the Phi Eta chapter of the National Honor Society. He was elected president of the chapter. The chapter is made up of the history and character, scholarship, and service cards will be given.

Mr. and Mrs. and children, Mark of Maywood spent Saturday afternoon visiting Mrs. Dow Colson and Potts, Mr. Crawford of a Church of Christ.

HERE FROM... Fvt. Lenel Foster, Sunday morning, Arkansas. He is weeks visiting and his parents, H. B. Foster in weeks to spend when he will be.

Trade in Lockney

... where service is more than a business

Free Insurance against Inconvenience... Wasted Time... Costly Delays

The folks who serve you here are your neighbors. You're important to them . . . not only as a customer . . . but as a friend and a co-worker with them to make this a better area in which to live . . . and to bring up our children.

"Free" is a badly misused word. Most of us hear it or read it with skepticism. We're rightly sure that we get very little absolutely Free.

Yet no other word quite describes the kind of insurance that is provided for us by the existence of this business community . . . where millions of dollars are invested in service facilities and stocks of goods . . . insurance against the cost and inconvenience of having to make long trips to distant supply centers as our pioneer forefathers did.

And this convenience . . . plus the prosperity that trade naturally brings . . . actually is Free to us. Because we pay no more . . . and often less . . . for the things we need than if we had to drive hundreds of miles to get them.

**It Pays to Buy
where you Live**

YOU get everything that your money pays for . . . merchandise AND a trade-invigorated community live in . . . when you buy from your home town merchants . . .

In the home of Mrs. Mildred Smitherman Thursday afternoon, 10 members and 13 children were present. Refreshments of Easter cake made like an Easter bunny, and lemonade were served to Mrs. Fred Marble, Larry McCormick, Sterling Cummings, Ed Blanton, Chester Hidalgo, Johnnie Wilson, Don Marble, Don Probasco, Philip Smitherman and Mrs. John Taylor. The next meeting will be April 2, with Mrs. Don Probasco and Mrs. Ed Blanton as co-hostesses.

Mr. and Mrs. Arby Mulder and children had as dinner guests Sunday, Mr. and Mrs. Grigsby Milton, Darla and Barbara, Mr. and Mrs. Tommy Edwards and daughter of White Flat, and Mr. and Mrs. Ernest Smitherman. The occasion was the joint birthdays of Arby and Grigsby on March 24. A big, decorated birthday cake was served as dessert.

The H. R. Marbles and the H. R. Hartmans are expecting their boys, Keith and James, home from Camp Chaffee, Ark., on Friday for 10 days. They have finished basic training and Keith will go back there for further study in advanced artillery training.
 Mother of Mrs. L. H. Parks, Mrs. J. C. Shearer of Amarillo, has been here visiting the Parks since Thursday. Other dinner guests Sunday in the Parks home were Mr. and Mrs. O. G. Shearer and daughter, Mrs. Mrs. Gladwin Paulsen, Quinn, South Dakota. Mr. and Mrs. Dave Sanders of Slaton and Mr. and Mrs. Z. D. Blaine of Amarillo.

Mrs. Bryant Higginbotham took Mrs. Mary Vardeman and 3, 4, and 5th grade room to Dougherty and J. M. Williams took his 6, 7, and 8th grade to Lakeview Wednesday afternoon for baseball games.

Mrs. Bryant Higginbotham and Mrs. Fred Fortenberry were among those from here who attended the come and go bridal shower for Mrs. J. C. Fowler, formerly Thada Lackey, which was given in the home of Mrs. Stanley Burleson Tuesday, March 17 from 2:30-5:30. The couple were married on March 6 and plan to make their home in Silvertown.

Mr. and Mrs. Grigsby Milton and Darla went to Fort Worth Wednesday staying until Thursday night after taking Donita there for a business conference. They attended prayer meeting Wednesday at the Normandale Baptist Church and later visited with pastor Larry Faus and family.

Community 4-H members met Thursday night with a program on Citizenship by Nathan Mulder. Larry Adams gave the 4-H pledge, and Gary Morrison sang the 4-H song. Roll call was announced.

Dear Editor:
 I see where Draft General Hershey don't go along with the theory that college learned draftees are too high-toned to be put on KP like common soldiers.
 But my far-sighted neighbor says it's reasonable that slide-rule chauffeurs are wasting their talents when working as pot moppers.

Says, though, it is going to be a fouled up world when the federalists get all of our schools aided and everybody gets too smart and important to cook, wash dishes or carry out the garbage.
D. E. SCOTT
 Crossroads, U.S.A.

served with "What I Have on That is Green," for St. Patrick's Day. Allan Adams gave the minutes, and Dale West led the group in games after which Mrs. J. K. West and Mrs. Arby Mulder served lemonade and cookies to Miss Roggendorff, J. K. West, Murray Julian, and Kathy Mulder, JoAnn Newton, Sue and Gary Wilson, Barbara Milton, Marilyn Kinnibrugh, Yvonne Karr, Tommy and Bobby Lamb, Bud Higginbotham, Dale West, Gary Morrison, Bruce Julian, Alton and Larry Adams, Dwight Teepie and Darlene Gillespie.

The Fred Marbles and the Glenn Woods left Friday for El Paso and Juarez, Mexico. They planned to come home by way of Carlsbad, N. M., where they would go through the Caverns on Monday. Mrs. Tye kept Mike while they were gone.

Rev. and Mrs. John Gillespie and girls took Mrs. Clyde Spann to Portales, N. M., Friday afternoon. They attended a revival meeting that night which was held by Rev. Clyde Spann.
 The George Weasts write from Hollywood, Calif., they are enjoying seeing the sights there such as TV shows, "Queen For a Day," "It Could Be You," and spending time at Long Beach, Calif.

The Young Married Couples Sunday School Class of the Baptist Church went to Plainview Friday night for a bowling party with hosts the Garvin Beedys and the Ed Blantons. Although the weather was snowy and cold, a good group attended. Those who went were Messrs. and Mmes. Thomas Pierce and children, Sylvan Kinnibrugh and Beth, Garvin Beedy, Philip Smitherman, Ed Blanton and children, Rex Smitherman, Mr. and Mrs. Johnnie Wilson.

Mr. and Mrs. E. M. Jackson and Lynn from McCoy were dinner guests Sunday in the home of her brother, Horace Marble. Other guests were Donita Milton, Arlis, and Marvin Wells. The Marbles visited during the afternoon with his folks, the F. L. Marbles, near Lockney.

Mr. and Mrs. Sterling Cummings were hosts for a forty two party Thursday night. Guests were Mr. and Mrs. Don Probasco, Mr. and Mrs. Garvin

Beedy and Mr. and Mrs. Philip Smitherman.
 The Fred Fortenberrys went to Tulia Friday to visit her mother, Mrs. N. C. McCain, who is ill. They also called on Rev. Brewster and Rev. Newkirk of Tulia, former pastors of Sterley Methodist Church where a dedication of the parsonage was held Sunday. Rev. J. J. Futch closed out a 10 day revival that morning.

Those who met for a hostess party in the home of Mrs. E. P. Pritchett Saturday afternoon were Mmes. Bryant Higginbotham, J. P. Taylor, L. T. Wood, Roy Bledsoe, E. J. Kinslow, L. N. Johnson, and Mrs. H. L. Marble, who planned a bridal shower to honor Mrs. Wayne Adams, nee Fleeta Carthel. The shower will be a come and go party, and will be at the Pritchett home on Tuesday, March 31, from 4-6 p.m. Miss Carthel, daughter of Mr. and Mrs. Aaron Carthel of Floydada, and Wayne Adams, son of Mr. and Mrs. R. H. Adams of South Plains, were married in Plainview Tuesday, March 17. They plan to make their home in South Plains, although they are now living in Floydada. Congratulations to the young couple.

Remember the piano and speech recital by pupils of Mrs. Yearly and Mrs. Hidalgo at 8 o'clock Thursday night of this week at the school auditorium. Everyone is invited.
 Mr. and Mrs. Frank McClure returned Monday from a two week visit to Houston.

Members of the WMU of the Baptist Church met Monday in the Gene Morrison home for a study of Stewardship with Mrs. Milton leading. Mmes. Grigsby Milton, Shelby Calahan, Sim Reeves, Bryan Karr, John Gillespie, L. T. Wood, Dock Jones and H. S. Calahan Jr. attended. WMU will meet next Monday for visitation. Cokes were served.

Mr. and Mrs. Loyd Deavenport went to Austin over the week end where Elizabeth took her State Nurse's Examination. Gene Morrison will go to Lubbock Tuesday to attend the Plains Ginners Association Meeting at Lubbock Hotel.

Senior Home Dem. Club members Tuesday afternoon in the home of Mrs. Early Pritchett with Mrs. E. W. Newton as co-hostess. Mrs. Milton presided for the program on Meal Planning. Mrs. Calahan called the roll on Foreign Countries. Mrs. Newton gave the invocation, and Miss Roggendorff met with the club and provided several pamphlets on Menu Planning with an eye to color in food, the Texas Food Standard, and ways to spend food money wisely. A days menu was planned with all the points stressed. Mrs. Taylor and Mrs. Wood led in games. A refreshment plate of sandwiches, spiced tea, coffee, fruit bread and olives were served to Mmes. Grigsby Milton, Leighton Teepie, L. T. Wood, E. L. Morrison, H. L. Marble, H. R. Hartman, Sylvan Kinnibrugh, E. J. Kinslow, J. K. West, Shelby Calahan, J. P. Taylor, M. M. Julian, and guest Miss Roggendorff. The next meeting will be held on April 8 in the home of Mrs. Bryan Karr with Mrs. Ernest Smitherman as helper.

Mr. and Mrs. M. D. Lynn left this week for Hot Springs, N. M., where they expect to spend several weeks.

GO TO CHURCH SUNDAY.

LOCKNEY BOWLING LEAGUE (Men)

Lockney Bowling League standings remained about the same this week with First National Bank holding first place. Flash-O-Gas pulled into a tie with Seale Drive in for second position.

First National Bank won over Crume Gin, Brown's Dept. Store edged Lockney Lumber, Flash-O-Gas downed Rowland-Gordon Oil Co., and United Elevators clipped Seale Drive in. All the winners took two contests in the game series.
 Jr. Lee of the Bank again had high game and series, 217-566. Other team highs: Crume Gin, Mac Howard, 182; Jack Favor, 401; Brown's Department Store, Joe Keeter, 169-470; Lockney Lumber, Cliff Hays, 162-407; Flash-O-Gas, Lonell Hays, 195-456; Rowland-Gordon, Bobby McCormick, 151; Doug Meriwether, 410; United Elevators, Helmuth Quebe, 148-398; Seale Drive in, Gail Wilson, 164-436.

God's Word — His Seed In the parable of the sower, Mt. 13:1-9, Jesus compared the sowing of seed on good ground to His word falling in good and honest hearts. In Luke 8:11 he said, "The seed is the word of God." Many important lessons are taught in this parable. One vital lesson is production after its kind. We all sown corn, wheat, clover, cotton or any other seed will produce after its kind. God's seed, the word of God, will always produce Christians only as it did in the days of the apostles. Did you ever think of what you would be religiously, in name, wanting, doctrine and practice if you followed the word of God only? WHY NOT LET GOD'S WORD ONLY (NO CREEDS OR HUMAN OPINIONS) GOVERN YOUR LIFE AND SEE WHAT THE OUTCOME WOULD BE. COULD YOU BE WRONG IN DOING THIS? By E. A. FREDERICK, Preacher. Listen to: EPH. 1:1-6, Monday Through Friday. Welcome to Services at the Main Street Church of Christ Lockney

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

USTIN, Tex. — Stakes are high and playing rough as the battle at the State Capital in spring moves into the summer and tongs' stage. High state officials are laying their careers on the line when they take a stand.

On one side is Gov. Price, who wants to obtain new revenue through a gram based primarily on the over abandoned property, changing the bookkeeping methods a bit and increasing ration franchise taxes, and gas taxes and certain sales taxes.

On the other side are a number of lawmakers, including Speaker Waggoner Carr, who call the governor's plan inadequate. They contend revenue needs are great and should be "spread thinly" on the least injury. Cited as possible solutions by Carr were nine-part omnibus tax by

ducers, not out-of-state users, as sponsors claimed. They contended it would increase the industry's burden to 43 per cent, seriously impairing ability to stay in business, let alone contribute to Texas' growth.

Several House committee members were openly hostile to the bill.

CITY BOYS HO'NSWOGGLED — In a couple of recent city vs. country votes in the House, the "city boys" were completely outdone by their country cousins.

This is not unusual in the frequent clashes over rural and urban interests, since rural area lawmakers now predominate. But with the cities growing so fast, the rural group fears that one more census and redistricting will tip the scales.

They hope to head this off in a constitutional amendment proposed by Rep. Will Ehrle of Childress that would limit any one county to nine representatives. Despite city protests, it passed the amendments committee, 10-6.

Cities lost again in the House floor vote on a bill which would allow farmers with 10 acres of land to "disannex" themselves from a city.

EASIER POND PERMITS — Farmers won, too, when the House passed a bill that would make it easier to get a permit to dam up a small pond for irrigation.

Rep. Murray Watson's bill would change the law governing ponds of less than 200 acre feet. These may be constructed without a Water Board permit for domestic and livestock use. For irrigation use, a permit is required which farmers complained was far too complicated, expensive and difficult to get.

Sen. Bill Wood of Tyler is sponsoring an identical bill in the Upper House.

ADVERTISING "PRO" URGED — Senators are studying two different approaches to putting into effect the new constitutional amendment permitting state-financed advertising in Texas.

Senator George Parkhouse of Dallas, an advertising man for many years, insists professional ad men should be at the helm of the program. He suggests a five-member state advertising council. Four members would be existing state officials; the chairman and executive director would be an advertising professional.

Original bill sponsored by Sen. Bruce Reagan of Corpus Christi would set up a Development Council of the governor and chairmen of the Highway Commission and Industrial Commission. Highway Commission would take care of luring tourists and the Industrial Commission would seek to attract new industry.

After Parkhouse protested this arrangement, Senate State Affairs Committee decided to give it some more study.

DEATH PENALTY ARGUED — "Day of the death penalty is over in most of the civilized world," say proponents of a bill to abolish it in Texas.

Rep. Ronald Bridges of Corpus Christi is sponsoring the bill which is being studied by a sub-panel of the House criminal jurisprudence committee.

Huntsville newsman Don Reid told the committee he had seen 157 persons executed and had decided "there must be a better way." He said he believed at least six or seven of those executed were innocent.

Representatives of organized labor and church groups joined in supporting the measure. Several said they thought chances of drawing the death penalty were greater for defendants too poor to hire top-notch lawyers.

VANISHING TRAINS — Why don't people "take the train" to get places these days? Spokesmen for rail unions and some lawmakers say it's because there practically aren't any passenger trains to take. Rail company men say it's be-

LONG, the unknown heirs of any of such persons who may now be deceased, their unknown heirs and legal representatives, and the unknown heirs of any of such unknown heirs who may now be deceased, their unknown heirs and legal representatives,

cause all their passengers took to riding in cars.

Rep. Clyde Miller introduced a bill which would require the Railroad Commission to consider "public convenience" before allowing discontinuance of a passenger line. Present law allows abandonment if the company can show it is losing money.

Railroad companies protested this could force them to pour millions into losing operations. Union men said the railroads could have more passengers if they would serve the public better. Bill has been sent to subcommittee for study.

Several House committee members were openly hostile to the bill.

Issued this the 18th day of February A. D., 1959.

County Show Association Changes Rules, Elects Officers Monday

The board of directors of the Floyd County Junior Livestock Show met Monday evening at Floydada, elected officers for the year and made some changes in the rules.

Elected to head the association the coming year were Ernest Lee Thomas, president; Chester Mitchell, vice-president; and R. L. Knox Jr., secretary.

Precinct and town representatives are: Precinct 1, H. G. Watts, 3 years; Tom Porter, 2 years; Precinct 2, Oscar Golden, 3 years; Precinct 3, Robin Fortenberry, 3 years; Precinct 4, Howe Hines, 3 years; Floydada, Doyle Mount, 3 years; Clay Henry, 2 years; Lockney, Don Hatch, 3 years.

Show dates for 1960 were set for March 7, 8 and 9th.

The following rules changes were made by the directors: Pen of three barrows and pen of three lambs have been deleted for next year's show.

A change in Rule 1 to include the following: Any 4-H or FFA member who moves in to Floyd County will be eligible to show provided the County Agent or Vocational Agriculture teacher writes a letter certifying that the boy or girl has complied with all the rules of the show. Any boy or girl who

moves from the county will be ineligible to show in Floyd County.

The maximum amount a lamb may weigh is 120 pounds. Any lamb weighing more than 120 pounds will be sifted.

Four classes of sheep have been set up and will be as follows: Class 1: Southdown and Southdown Crosses; Class 2: Finewool, Rambouillets, Delaines or a cross between the two.

Class 3: Medium wool, purebred Suffolk, Columbia, and Corriedale, the cross between them and the cross between these breeds and the finewool breeds.

Class 4: Other breeds, Shropshire, Hampshire, Dorset Horn, and Cheviot, the cross between them and the cross between the above breeds and the finewool breeds.

BROWN VISITORS

Dr. and Mrs. F. L. Wilshire of Albuquerque, N. M., were visitors in the home of Mr. and Mrs. F. L. Brown here last Wednesday and Thursday. Dr. Wilshire is a retired Methodist preacher. He went from here to Wink where he was to assist his son in a revival meeting.

NEW OFFICERS of the Lockney Chamber of Commerce and Board of Development are, left to right, Fred Byrd, president; "Rusty" Baccus, vice-president, and Don Hatch, secretary-treasurer. —Photo by J. Ed Parsons.

SUNRISE EASTER SERVICE TO BE PRESENTED BY LUTHERANS

Trinity Lutheran Church, Providence, will present their annual Sunrise Easter Service at Seale Drive In, four miles west of Lockney, Sunday morning, beginning at 8:30 a. m.

The service will highlight the Easter story through the presentation of scripture, music, narration and pageant. Music will be rendered by the Church's senior and junior choirs directed by Albert Scheele. Organist for the service will be Mrs. Jack Faver.

On a stage approximately sixty by twenty feet the Easter scene will be simulated, including the tomb from which Christ arose. The events of the Easter story will be re-enacted by players dressed in authentic Biblical costumes.

The Seale Drive In facilities will make it possible for those attending to remain in their automobiles. The service will be heard through the speaker system.

Ewald Quebe is serving as chairman of the committee making preparations for the Sunrise Service.

The public is extended a cordial welcome to attend the service, according to Rev. A. K. Windecker, pastor. Free coffee and doughnuts will be served prior to and following the service through the courtesy of Golden's Cafe, Knox Food Store and Morton Foods.

Trampoline Artist Slated For School Assembly Program

Harold Coates, a trampoline artist, will appear on an assembly program at the high school auditorium Thursday, April 2, at 8:45 a.m. Student admission will be 30 cents. The public is also invited to attend.

Mr. Coates is a national diving champion, and a collegiate national trampoline champion. He has been a feature comedian on the Ed Sullivan Show and the Super Circus. Included on the program will be piano, comedy, trampoline artistry and fun, according to an announcement from the high school this week.

Floyd Boys Have Several Winners At Plainview

Floyd County exhibitors fared well in the 24th Annual Plainview Fat Stock Show last week. Top winners were Warren Mitchell who placed first in light dry lot steer division, Randy Lacewell, David Mitchell and Warren Mitchell who blue ribbons in each of Chester White swine classes.

Lacewell showed his weight champion of the breed, Darlene Mitchell's heavy weight chosen reserve champion. Brown's Supply paid \$51 cents per pound for his 46 cent barrow, David Red Grain Co. for his reserve champion Chester White.

Exhibitors from this county who placed among the top in the steer classes include Medium wet lot—2nd, J. McNeil, Floydada; 4th, Dunavant, Aiken; 9th, Warren Mitchell, Heavy wet lot—Darlene Mount, Floydada; 1st wetlot—7th, Billy Don Colston, Lockney.

Heavy dry lot — 8th, Golden, Aiken. Light dry lot — 1st, Warren Mitchell; 5th, Ellis Montandon, Lockney; Warren Mitchell, Medium lot — 7th, Melvin Lloyd, Lockney.

Among the top eight placed in the swine classes were Light Chester Whites — Randy Lacewell; 3rd, Laura Lacewell, Lockney; Medium Chester Whites — 1st, Warren Mitchell; 3rd, Lauretta Lacewell; 4th, Randy Lacewell; Heavy Chester Whites — David Mitchell; 5th, Randy Lacewell.

Medium Durocs — 7th, Wade Merrell, Lockney; Heavy Durocs — 3rd, Mark Wade, Lockney. Light Poland Chinas — Neil Mitchell, Lockney; Medium Poland Chinas — 3rd, Billy Colston, Heavy Poland Chinas — 3rd, Neil Mitchell; 5th, Don Colston, Light Spotted Poland Chinas — 4th, D. K. Colston, Lockney.

Colston showed the place medium wool lamb the fifth place fine wool lamb. No other Floyd County exhibitor had an animal in the ten in lamb division.
