## EDITORIAL

Thou wilt keep him in perfect peace, whose mind is stayed on Thee; because he trusteth Thee. — Isaiah 26:3.

**GOVERNOR DANIEL'S** highway safety campaign in 1958 apparently resulted in the saving of some 300 lives and untold injuries over the previous year's highway toll but the campaign is over and 1959 is seeing a repeat performance of the 1957 toll as the number of dead and injured increase month by month. Deaths have increased by six per cent the first six months of 1959 over 1958, injuries have increased 20 per cent. Incidentally highway travel is up only five per cent so speed, carelessness or poor drivers must be the cause of some of the increase. Tighter enforcement of traffic laws on the highways is needed to cut the traffic toll.

**SENATOR LYNDON** Johnson, in his weekly letter, points out that during the last ten years, this nation has experienced two brief and relatively mild recessions but that prosperity has been the keynote over the long haul. In spite of that fact, there has been only three years of the ten when the Federal Government has lived within its income. The other seven, more money has been spent than came in, in spite of increase in tax burdens. He predicts that, with the help of the tax payers, a better fiscal record can be achieved in the next ten years. We certainly hope so.

## THE AMERICAN WAY

The Important Question

## With Our EXCHANGERS

### AUTO SALES

Last year was a very bad year in the U. S. automobile industry. Sales were far under both past and anticipated levels. There was but one exception — American Motors, with its Rambler car, whose sales zoomed an astonishing 80 per cent.

So something reported by Editor & Publisher in a late issue is of great interest.

The television people claim the world for their advertising medium. But American Motors, in setting its 1958 record, spent more than two-thirds of its \$6 million advertising budget in newspapers, and absolutely nothing on TV.

The other makes all spent large parts of their ad budgets on TV.

Editor & Publisher says: "It will be argued, of course, that 1958 was an unusual year, that too many other factors enter into automobile sales, and that these figures are meaningless. We disagree."

"It seems to us that the coincidence — the manufacturer placing the largest percentage of his advertising appropriation in television and having the largest percentage drop in sales together with the fact that the only manufacturer who spent no money in TV but had the only increase in sales — is too great to ignore."

TV is a great medium but nothing can supplant the newspaper. — Memphis Democrat.

### ON SPEEDING

Texas Dept. of Public Safety is going to start having the last laugh at the expense of the many speedsters in the state. From this term of the legislature forward, anyone who receives four tickets or more in a twelve month period or seven in a twenty-four

month period, will have his license revoked. Period.

There has been a law similar to this for a long time. We were snagged by dedicated patrolmen or three different occasions not long ago for driving 65, 70 and 73 miles per hour through radar traps. We received several warnings that if this intolerable situation of high-speed driving didn't quit existing, we would soon be doing our traveling on a bicycle.

Everyone who does most of his highway driving at 70 miles an hour or so can expect to be considered a "habitual violator" if he gets caught four times in a year.

If he isn't caught four times, it's just because he wasn't seen driving by the Highway Patrol four times.

We just thought we'd bring this up. We believe it would be safe to say that at least fifty per cent of the late-model car owners, who, incidentally, never have accidents, travel about 70 miles an hour or more on the open highway. And they're liable not only to fines, but losing their licenses under the law.

So far, we've heard no one say anything about MINIMUM speed limits. — Bascom Nelson in Castro County News.

### SPEAKING ENGLISH

We understand that plans are in the mill for a school to teach pre-school Latin-Americans the English language. We certainly hope this is so.

A little fellow going into a class room for the first time is at enough disadvantage, much less into a class room where a strange language is spoken.

Imagine yourself reporting to a Russian class room, for instance. You don't know how to speak Russian. Your instructor doesn't know how to speak English and neither do your class mates.

Your class mates are Russian and speak the language fluently. You are expected to keep up with the class in scholastics. Do you think you could do it? If you could you are so smart you

wouldn't need to go to school anyway.

The present language barrier is not only a hardship on the little Mexican children. It also works a hardship on the Anglo children as well.

A friend of ours in another town recently told us how his second grade daughter has to struggle to get her lessons. "Her teacher must spend so much time with individual Latin-American children," he explained, "that she simply does not have ample time to spend with our Susie." — Troy Martin in Olton Enterprise.

Dear Editor:

My out-dated neighbor says it used to be that folks would put up considerable of a battle — some even going so far as to save money — to keep off charity rolls.

But says there has been some change, and nowadays a man just living off his own labor, and not getting any kind of government check, is looked at as sort of queer and not hardly worth socializing with.

Says even some young folks planning their careers are favoring government checks over work, and dreaming of a publicly financed future in the soil bank or in Congress.

D. E. SCOTT

## Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

August 29, 1929

Derrell Dollar, 27, son of Mr. and Mrs. J. F. Dollar of Lockney, was killed in an auto accident one and a half miles north of Carlsbad, N. M., about 10 o'clock Sunday morning. Marsh Collins, son of Mr. and Mrs. W. M. Collins, and J. B. Downs of Hereford, Texas, were badly injured.

Floyd County, owner of the Lockney Produce Company, which recently burned, will begin in the next few days a new brick and tile building to house his produce company.

W. H. Crawford, farmer of Floyd County, is an irrigation enthusiast and has recently installed a new power pumping plant on his irrigated farm, replacing an old installation that he has used successfully for many years.

The Lockney Public Schools will open for the fall session of 1929 on Monday morning, September 9, at the old school building in Lockney. Faculty for the school this year will be:

High School — Superintendent, W. D. Biggers; Principal, High School, Wilfred Jones; Miss Alice Bridges, English; Miss Norma Thomas, English; Miss Naomi Halsey, English and History; Mrs. R. C. Heathcock, History; Miss Melba Thomson, Home Economics; Miss Ethel Rice, Science; Warner Reid, Coach and History; Donald Turner, Vocational Agriculture.

Grammar School — G. D. Steele, English; Miss Tom Wall, Arithmetic; Mrs. Roy Gilbert, Geography; Mrs. Chambers, Spelling and Reading; Miss Hilda Bradat, English; Mrs. Marvin Gilbert, 3rd grade; Miss Mollie Newman, 2nd grade; Miss Grace Honea, 1st and 2nd grades; Miss

According to Warner Honea, head football coach of Lockney team were never better. The team cap will begin on Sept. 1 and the Longhorns will play their first game on Sept. 12.

August 29, 1947

Floyd County with 60,000 bushels of wheat ranked 2nd in the Texas Panhandle in production among 23 counties.

The third annual School reunion will be held at the Amarillo Municipal Auditorium. The Meteor School, later changed to Aiken.

Coaches Curtis Kelly and John Hunsard issued a call for all high school athletes interested in football to meet at the high school gym on Monday afternoon at 1 o'clock. The boys should come prepared for a workout since practice will begin immediately.

The Commissioners Court regular meeting Monday night at Floyd's set the millage tax rate at 72¢ per \$100 dollar valuation.

Mrs. Dora Brian, 78, passed away in the local hospital Monday morning at 8:30. Her three daughters, Mrs. Norman of Lockney, Mrs. O'Connell of Texarkana, and Mrs. I. Stephens of Vernon, are one sister of El Paso.

**SHERILL VISITORS**

Mr. and Mrs. J. L. Sherrill, Sylvie Ann, and Jerry Dean of Bovina, Mrs. Juanita Yeager and Adis Moon of Lubbock, Darlene Garret of Hale Center, and Jane Smith of Plainview were visitors in the home of Mr. and Mrs. C. B. Sherrill over the weekend. J. L. Sherrill and Mrs. Juanita Yeager are children of Mr. and Mrs. Sherrill.

Dear Editor:

I see where a famous Negro diplomat took a notion to join a N. Y. tennis club, but got turned down by the club president who kind of thought he ought to wait to be asked, like everybody else.

Which faulty type of thinking cost the club president his job when Senators, editors, etc., commenced screaming about race prejudices.

My step-citizen neighbor

**Sand Hill News**

By Mrs. James Jeffress

Some of the grain is beginning to turn up this week, so it shouldn't be long before harvest. It seems the summer has flown by and Monday school will be starting. The children are wondering what happened to their vacation time this year.

Miss Billie Gail Holmes came home this week from El Paso where she spent the summer with her sister, Mr. and Mrs. Don Cornwell. She plans to spend a couple of weeks visiting in the home of her father, Mr. and Mrs. Jim Holmes then return to El Paso where she plans to work this winter.

Fair time is just around the corner, so we should all be thinking what we have to enter. The 4-H members should be sure to enter some of their projects this year.

Visiting in the home of Mr. and Mrs. James Jeffress and family over the week end were Mr. and Mrs. K. E. McConnell and Blake of Denton, Mr. and Mrs. Jim Holmes, Mr. and Mrs. Dan Watkins, Linda, Danna, and Nancy of Raikes, Mr. and Mrs. Bob Brown, Steve and Bobby of Lubbock, Mrs. Tom Brown Jr., of Lorenzo, and Mrs. Tom Brown of Eden.

The Sand Hill Baptist Revival began with Brother Tommy Nesbitt of Dougherty doing the preaching and Franklin Rainey leading the music. It will continue all through the week with services beginning at 8 p. m. each evening. Everyone is extended a special invitation.

Mrs. Frankie Rainey and son left Friday night to go to Houston to be at the bedside of her mother who has been ill. She plans to remain in Houston for a week or ten days.

Mrs. Dale Stringer underwent surgery in a Plainview hospital Tuesday morning. Her condition is reported as good and we are hoping she will be able to come home soon.

Mrs. Dorothy Rhea and son from Waldo, Arkansas, spent several days this week visiting in the home of her parents, Mr. and Mrs. Dale Stringer, and Stinson and her brother, Mr. and Mrs. Bill Stringer.

Mr. and Mrs. Forest White of Lubbock were Sunday visitors in the home of Mr. and Mrs. Red Sloan and family.

Maxie Sloan spent the week end in Carlsbad, New Mexico.

Mr. and Mrs. N. L. Cowen of Deavonne spent the weekend visiting in the home of Mr. and Mrs. J. M. Williams, Judy and Mrs. McKivben.

Mrs. James Jeffress, Beverly and Mary Starkey made a business trip to Lubbock Wednesday. They also visited in the home of Mr. and Mrs. Bow Brown.

**ATTEND HOUSEPARTY**

Mrs. Hilburn Casey, Mrs. Harmon Handley, Lockney, and Mrs. Sid Thomas, Bovina, were among those who attended the Baptist W. M. U. Houseparty at Baylor University in Waco this week. They left Monday and plan to return on Thursday.

**RETURN HOME**

Judy Ann and Cynthia Whitfill returned home recently after spending seven weeks here visiting their grandparents, Mr. and Mrs. Alvin Nichols. The Nichols took the girls home and spent the week end at Mathis and Corpus Christi. Mr. and Mrs. Glen Whitfill of Mathis are parents of the girls.

Clarence McCoy and his son, Tim, are here this week visiting friends. They are former residents of Lockney but now live at Irving, Texas.

MRS. C. L. TURNER

**Colleene Sherrill Is Birthday Honoree**

Miss Colleene Sherrill was honored on her 17th birthday Tuesday night, August 18, at the home of Mr. and Mrs. Hack Walls in Plainview. After games and records, the group enjoyed barbecued wieners and trimmings and punch served by Mr. and Mrs. Wall and Mrs. C. B. Sherrill.

Attending were Doris Faye, Martha and Darlene Garrett, Jane Smith, Sue, Gail, Charlene, and Colleene Sherrill, Ted Presley, Doyle Rodgers, Johnny Lomas, Ray Jones, Larry Stapp, Butch Landrum, Charlie Lee, Billy Ray and Charles Sherrill and E. M. Piles.

**Mrs. Walter Bean Is Shower Honoree**

Mrs. Walter Bean was honored with a layette shower in the home of Mrs. H. H. Nicholas on Thursday from 3:30 to 4:30.

Hostesses with Mrs. Nicholas were Meses. Quentin Adams, Henry Ford, Jr., E. C. Cope, and Elvin Lyon.

Approximately 30 teachers in the local school called.

**Miss Cleta Willis Becomes Bride Of C. L. Turner**

Miss Cleta Willis, Lockney, became the bride of C. L. Turner, Phillips, in a double ring ceremony performed Thursday, August 20, by Rev. Joe Stone, Assembly of God pastor, in his home.

Miss Willis is the daughter of Mr. and Mrs. J. C. Willis of Lockney. The bridegroom is the son of Mr. and Mrs. A. H. Turner of Phillips.

The bride wore a street-length dress of white embroidered organza with a fitted bodice featuring a wide collar and short sleeves, and a billowing skirt. She carried a white Bible topped with an arrangement of feathery white carnations in net with white satin streamers.

In tradition the bride carried as something old a handkerchief belonging to her grandmother, Mrs. W. G. Meeks; as something new, her wedding attire; as something borrowed, a Bible belonging to her sister, Jane Willis; and as something blue, a garter given by her sister-in-law, Mrs. Louis Willis.

Attendants for the couple were Mrs. Bill Strickland, matron of honor, Amarillo, and Bill Strickland, best man, Amarillo. Mrs. Strickland is the bride's sister.

After a short wedding trip to Carlsbad, N. M., the couple will be at home in Phillips.

The bride and groom are both graduates of Lockney High School.

**WARDS VISIT HERE**

Staff Sergeant and Mrs. Neil Ward and daughter, Carla, formerly stationed with the Air Force at Wichita Falls, Texas, visited with Mrs. Ward's grandparents, Mr. and Mrs. E. C. Stapp and other relatives here Saturday. They are enroute to California and will fly from there to Hawaii where Sergeant Ward will serve three years with the Air Force. Mrs. Ward is the former Wanda Stapp.

**SOCIETY**

**Class Of '59 Has Thursday Party**

The Class of '59 enjoyed a party in the home of Mr. and Mrs. G. C. Applewhite Thursday night, August 20.

Attending were Peggy Ford, Weta Kent, Aileen Musser, Mary Jones, Alvin Hays, Kenneth Callaway, Pat Ashton, L. T. Cooper, Pat McLaughlin, Bill Race, Ann Griffith, Bonnie Thornton, Ann Griffith, Ronnie and Ronnie Lotter, Don Schacht, Milton Mickey, LaSchacht, Taylor, Janice Hays, Grauna Graham, Byron Brock, Nancy Reeves, Mrs. Milton Ashton, Pat Sam Jones, Mr. and Mrs. G. C. Applewhite, Mr. and Mrs. E. C. Cope, Mrs. Owen Thornton, and Mr. and Mrs. Clark Harris.

Mr. and Mrs. Leslie Ferguson, Debra and Jonita, returned Monday after spending several days over the week end vacationing in Colorado.

GO TO CHURCH SUNDAY.

## Ballots Being Mailed For Wool Vote

Ballots for voting the September referendum on the lamb and wool marketing development program are now being mailed to producers in Floyd County. Chairman J. B. Robertson of the Floyd County Agricultural Stabilization and Conservation committee announced.

The referendum will determine whether or not deductions will continue to be made from producer payments earned under the wool incentive program. Funds collected are used by the American Sheep Producers Council to carry out a program of advertising, promotion, and related activities under an agreement with the Secretary of Agriculture.

The agreement, which has been in effect since the 1955 marketing year, will be extended for three years if approved in the September referendum. Producers having two-thirds of the volume of production represented in the referendum must approve if the agreement is to be extended.

Deductions from wool and lamb payments under the new agreement would not exceed one cent per pound for shorn wool and five cents per hundredweight for unshorn lambs. Deductions at these rates have been made from payments for each marketing year since 1955.

Producers may vote throughout September. The entire month has been designated as the voting period to encourage as large a turnout as possible. Any producer who believes he is eligible to vote and does not receive a ballot within the next few days should get in touch with the County ASC Office.

To be counted, ballots must be received by the County ASC office not later than September 30. Chairman Robertson urges producers to mark and return their ballots as soon as they are received.

## Rash Of Activity In Motley Co.; 11 Rigs At Work

Floydada.—A rash of drilling activity in the oil fields adjacent to Roaring Springs in the Motley County south central oil development, has resulted in 11 rigs in operation this week.

The drilling boom is sparked, the Matador Tribune reports, by the early termination of leases. The newspaper quotes observers as saying that most of the leases in the Roaring Springs area expire next month.

Thursday of last week eight rigs were either at work or were spudding in, counting the D. I. W. Birine test northwest of Matador. By Tuesday of this week the number had been increased to 11 rigs, at varying depths or spudding in.

The new oil activity, together with a road construction crew working on F-M road west from Roaring Springs to Dougherty, has made a "tight" situation in housing, both in Matador and Roaring Springs, and the demand for housing is sloshing over into nearby communities, including Floydada.

Motley County's oil history

**SHAKE HANDS, BROTHER!**—George Keller, former college professor who left his classroom to begin a new teaching career behind the barred walls of a wild animal cage, is showing "talking" to one of his star pupils. Keller, famed for his ability to control his collection of jungle killers by silent hand movements and without the use of whip or chair, will bring a large variety of these cats to Lubbock for daily performances of the Panhandle South Plains Fair, Sept. 28-Oct. 3. This wild animal act will be seen with other attractions of CASTLE'S 3-RING CIRCUS at the Fair Park Coliseum.

is only two years old. Despite the fact that Humble Oil Co. has been punching holes on the Matador lands for 15 years or more, no discoveries were made until Pan - American punched the first hole southeast of Roaring Springs on preemption land. A few dry holes have been drilled as the exploration widened but success in other ventures have served to keep interest alive and gradually swelling.

General Crude's deep test on the Birine land, described as No. 1-A Birine, Sec. 9, Block G, P. C & M Surey, was drilling below 5,339 feet in lime the first of the week. The test is for deep pay northwest of Matador.

## 20% Acreage Cut Needed To Remove \$50,000 Limitation

Acting Secretary of Agriculture Ervin L. Peterson announced August 6 that any producer of wheat for harvest in 1960 desiring nonrecourse price support in excess of \$50,000 must reduce his total acreage 20 percent below his 1959 acreage and otherwise be in compliance with price support regulations.

Secretary Peterson also warned large growers of other fall-seeded crops in probably surplus supply that a similar production cut may be required of them if they wish to avoid the price support limitation. The crops, fall-seeded in some areas, that might be affected are barley, oats, rye, grain sorghums, and flaxseed. The determination of surplus supply with respect to these crops as well as to spring-planted crops will be made later at the time the level of price support is announced for these crops.

The \$50,000 limitation applies only to nonrecourse price support. Loans will continue to be made in excess of this amount provided the borrower "shall agree to repay all amounts advanced in excess of \$50,000 for any agricultural commodity within twelve months from the date of the advance of such funds or at such later date as the Secretary may determine.

The limitation, Department officials emphasized, applies to individual "persons", not to individual farming units. A

## County Tax Roll Nears \$16 Million

Taxable values reflected in the rendition rolls of Floyd County for state and county taxes, closely approximate \$16 million.

These figures are revealed in the completed rolls submitted to the Commissioners Court, approved by them and forwarded to the State Comptroller by Assessor Collector T. T. Hamilton. Actual total values shown by the rolls are \$15,958,837.

The Commissioners Court in their regular session formally requested the Board of County and District Road Bond Indebtedness to forward the county \$31,615.93, accumulated in the fund at Austin in the year for the construction and improvement of lateral roads. Check for the amount of the county's part of the accumulated funds is usually forwarded in the early fall. It is sent the county only after formal request is made for it.

A new public road petition in the South Plains area, and a petition closing streets in east Floydada, outside the corporate limits, were acted upon by the Commissioners Court. Also the county auditor's annual report was received, approved and filed.

The auditor's report shows, among other things, that the county's collections of fines by the county judge and the two justices of peace put \$4,195.84 in county coffers, in the first six months of the year.

Acting on the petition for the closing of the streets in north-west Floydada the court ordered streets "between Blocks 5 and 7 on the west and 6 and 8 on the east from the North line of 5 and 6 to the south line of 7 and 8." Also closing the streets on the streets "between Blocks 5 and 6 on the north and 7 and 8 on the south, from the east line of 6 and 8 and the west line of 5 and 7. The affected streets are in Honerhea Addition.

A petition for slightly more than four miles of new public

road 60 feet wide, in the South Plains district, had been in the hopper since it was filed on July 2, was acted upon by the commissioners by appointing a jury of view to view out, and assess damages. This jury of view is composed of Lester McCormick, J. D. Webb, Otho Sanders, Bud Hinsley and Early Pritchett.

The petition asks for approximately two and one-eighths miles of road to be opened from the common south corner of Surveys 86 and 87, G & M Survey, north to the common corners of Survey 1, Block B6 and 14, Block B5; Also two miles of road 60 feet wide, running west from the southeast corner of Survey 1, Block B6, two miles to the southwest corner of Survey 2, Block B6.

The petition, signed by 16 free-holders, asks for 30 feet of the right-of-way to be taken from the land on each side of the proposed route. Signers are: Bill Beedy, E. J. Kinslow, Arby Mulder, L. H. Smith, M. M. Julian, Geo. D. Probasco, H. S. Calahan Jr., S. D. Kinnibrugh, Kendall Cummings, Grigsby Milton, L. T. Wood, C. L. Mullins, G. B. Johnson, Shelby Calahan, Sterling Cummings, Zach W. Cummings.

GO TO CHURCH SUNDAY.

## Piggyback Rail Service Set Up For Floydada

Floydada.—A piggyback convey rail service out of St. Louis to Floydada will be inaugurated as soon as facilities can be provided in Floydada, to take care of the business.

The venture will be a joint arrangement between the Frisco and the Quanah Route railways. The two roads have promulgated a rate for the freight service, and a third company, the Dallas & Mavis Forwarding Co., will be distributors from this point, agent Robt. Medlen said.

Medlen said the Q & P had acquired eight acres of ground adjacent to their lines west of the Lakeview Highway which will be used to construct the track and unloading dock.

First customer of the railroads and the convey line will be Chrysler Corporation. Floydada will be distribution point for piggyback convey shipments of Chrysler products to New Mexico and Arizona.

The automobiles will be loaded at the point of assembly on the cars for this destination. The distributing company will take over the convey trailers here and complete the distribution to dealers and warehouses. After the distribution is completed the empty convey trucks will be returned to the assembly plant to be loaded with cars and start another round trip.

How much new business the new service will channel through Floydada depends on how popular the new plan proves to be, said Mr. Baker. "We hope other customers will be interested also," he said, indicating that prospective clients are being contacted.

Mr. and Mrs. Gene Husky and children, Dana Paul and Debbie Sue, of Louisville, Texas, spent the week end here visiting her parents, Mr. and Mrs. R. E. Sparkman and other relatives. Mr. and Mrs. Arvin Husky of Amarillo also spent Sunday in the Sparkman home.

"About the only thing people have trouble affording in our present economy is the first of the month."—Pep Meallie.

## Want To Bowl?

The winter bowling leagues are now being organized for both men and women. The league starts bowling early in September and if you are interested in joining a league we ask that you contact one of the persons named below soon.

Entries may be made by an individual or a team.

**LADIES** — Contact Verna Newton at Fashionette Beauty Shop or Phone OL 4-2121.

**MEN** — Contact Jim Reynolds at Lockney Beacon or Phone OL 4-3318 or OL 4-2436.

It's fun to bowl. Get in a league and enjoy the fun of bowling with your friends.

Plainview

## TO THE PEOPLE OF THE LONE STAR COMMUNITY:

The time has come when we, not of our own choosing but of necessity, must terminate our business relations. For the past seven years we have honestly and earnestly strived to render you the best service possible, trying to the utmost to be of service to each of you and to the community as a whole, earnestly and sincerely having each individual's interest at heart, and we have been greatly rewarded by our relationship with you. It has indeed been a very pleasant relationship and by your acts of appreciation, your friendly smile, your most loyal support and patronage, the great confidence manifested in us by you, you have given us strength and courage and determination to serve you well and make life richer and better for us all.

We have tried to select for you as our successor a man who we think and consider a very capable and efficient man, a man of experience and with the best of references. He is Mr. Montague Staniforth, who we have every reason to believe will make every effort to render you the same kind of service we have attempted to render — The BEST. With the assistance of our former employees, who have been so wonderful to us, who have also had your every interest at heart, and have been of great assistance to us in our efforts to give you the service we have strived so hard to give, we are confident you will receive the best of service.

We see the sun at the close of a beautiful day sink beneath the Western horizon, but the twilight lingers long after the great Orb that gave it birth has passed away from view. So it is with our lingering and lasting impressions. They abide with us for many days to come. So as the sun of our business relations is sinking, may the impressions you have made by your friendly smile, your most valued support and confidence, your pleasant relationships linger on and on through the remaining days of our lives and be a guiding light to our pathways.

We thank you and may God in his infinite wisdom and tender mercy be with you and bless you all.

## Roaring Springs Tractor Contest

College Station. — Sammie McFee, county agent for Stephens County will represent the Central States Tractor Operator's Association in the 4-H Tractor Operator's Contest to be held on October 2 and 3 at Columbia, Missouri. McFee won the right to participate when he was named top tractor operator at the Texas 4-H Tractor Contest in June. The site of the contest will be the Stephens County show arena of Stephens College, nationally known girls' school. Host will be the Missouri Agricultural Extension Service. The 4-H tractor operators from 19 states are scheduled to participate. This event tests tractor driving skill and the participants' knowledge of tractor maintenance. Participants are graded closely on their driving habits when operating a tractor. The winners of the first four tractors will receive trophies and each state representative receives an expense paid trip to regional finals.

**LOOKING AHEAD**—Between games on Texas Tech's 1959 schedule, Coach DeWitt Weaver could be expected for watching construction on the Jones Stadium expansion to 40,000 capacity by 1960, when the Red Raiders first compete for the Southwest Conference football championship. Following this season, the present east stands will be moved back 200 feet, the field will be excavated 30 feet, and the ensuing slopes lined with seats. The pressbox and improvements under the west stands will be ready for the 1959 season, and athletic offices will be completed during the winter.

### Texas Tech's 1959 Schedule

Sept. 19—Texas A&M	at Dallas (N)
Sept. 26—Oregon State	at Lubbock (N)
Oct. 3—Tulsa	at Lubbock (N)
(Band Day)	
Oct. 10—Texas Christian	at Lubbock (N)
(Dads' Day)	
Oct. 17—Baylor	at Waco (N)
Oct. 24—Southern Methodist	at Dallas
Oct. 30—Tulane	at New Orleans (N)
Nov. 7—Arizona	at Tucson (N)
Nov. 14—Houston	at Lubbock
(Homecoming)	
Nov. 21—Arkansas	at Little Rock

## Red Raiders To Meet Five SW Teams This Fall

Lubbock. — Still a year away as far as official Southwest Conference title play is concerned, Texas Tech's Red Raiders face a schedule that would do credit to any of the other members this fall. Texas Tech meets all but two of the conference members — Rice and Texas. In addition, Coach DeWitt Weaver's Raiders engage a West Coast independent, Oregon State, two Missouri Valley teams, Tulsa and Houston, Southeastern Conference foe, Tulane and Border Conference member Arizona. Oregon State, being met for the first time in history, will be played in Jones Stadium at

9 p.m. Sept. 26. Other home games will be with Tulsa Oct. 3, Texas Christian Oct. 10, and Houston Nov. 14. The Houston contest is at homecoming. Road games will be with Texas A&M, Baylor, Southern Methodist, Tulane, Arizona, and Arkansas. Although the majority of games are away, the Raiders will play half or more of their future contests in Lubbock. In 1960, the expanded Jones Stadium will have six games. Texas Tech this fall will feature a wide-open attack, including a multiple wing, slot, and spread single wing, along with some split-T. Season tickets — for four home games — are available at the Texas Tech Athletic Office for \$16. Individual game orders are being taken at \$4 each. Checks or money orders, including a 25-cent mailing fee, are acceptable, according to Jimmie Wilson, business manager of athletics.

## Home Making Hints

by Phyllis Roggendorff  
County Home Demonstration Agent

**Children's Wear For Fall**  
The back-to-school season brings a return to the feminine, old-fashioned look in dresses, coats and sportswear. The old-fashioned look is seen in little girls' dresses. The fitted bodice and the bouffant skirt predominate. Sleeves are long or three-quartered. Many with fullness. The large puritan and double or triple collars are popular. The favorite trim for the old-fashioned look is rickrack which is used in new and interesting ways on collars, sleeves, and hems. There is also an abundance of embroidery and lace. Self fabric is often used for ruffles. Tiny buttons march in neat rows down the front of laced bodices and small bows are placed at the throat or waist for a completely feminine touch. Coats emphasize classic styling: with the boy coat, the fitted style with loose pleats and the fuller fashion with soft folds falling from a yoked back shown most often.

**Scoring Canned Vegetables**  
Have you wondered how the judge scores the canned food at

Dear Editor:  
I see where Louisiana's Governor Long says the only thing that can beat him in the next election is if some good man comes out.

My politically-apt neighbor says he don't figure the governor is much bothered on this point on account it being often proved that a good man is the easiest kind to beat in a political race.

Says Salt Creek is log-jammed with good men who tried a little dose of politics and found out that a tall promise has got more vote appeal than a high principle.  
D. E. SCOTT  
Crossroads, U.S.A.

the fair? Or why you missed getting a blue ribbon? This is the score sheet used by the judge. It may help you in picking out your canned vegetables to exhibit at the fair next month.

**CONTAINERS** — 15 points. Clean, polished standard jar, lid free from rust and corrosion, red, plain label placed 1-4 inch from bottom of jar. (If the jar leaks, disqualify entry.)  
**PACK** — 25 points. Practical but not fancy, uniform in size whether whole or in pieces, space in jar filled but not crowded, large proportions of vegetable to liquid, vegetable covered with liquid, 1-2 inch headspace in jar.  
**COLOR** — 30 points. Color of the freshly cooked product, not faded or darkened, liquid characteristic of product.  
**TEXTURE** — 30 points. Shape held, evenly graded, not over-mature, not mushy from over-cooking.  
Next week — score sheet on jelly.

**JAR FILL**  
If your black eyed peas come out of the canner with the water level in the jar too low — you may be canning with too little water in proportion to the vegetable. This vegetable contains starch which absorbs water during cooking. The more mature the peas, the more water that is required.

Research has been done with peas mature enough to shell easily but with pods not yet dry to determine a good fill. Dry-podded ones contain more starch so your fills would be obtained with these directions. Using the hot pack method: fill pint with peas to 1 1/4 inches from the top of the jar, level off (don't pack or shake down) and fill with water to 1/2 inch from the top. Fill quarts with peas to 1 1/2 inches from top and water to 1/2 inch from top. Using the cold pack method: fill pints with peas to 1 1/2 inches from top and water 1/2 inch. Fill quarts with peas to 2 inches from top of jar and water to 1/2 inch.

## NOTICE TO BIDDERS

Sealed proposals addressed to the Mayor and City Council of the City of Lockney, Texas will be received at the office of the City Secretary, City Hall, Lockney, Texas until 5:00 P. M. CST, September 8, 1959 for furnishing all necessary materials, machinery, equipment, superintendence, and labor to construct certain improvements to the Water and Sewerage System of the City. These improvements shall consist of approximately the following linear footages:

Class 150 water pipe:	2" - 1900'
	8" - 700'
Vitrified Clay Sewer Pipe:	6" - 1700'

Also, all valves, fittings, fire hydrants, manholes and other appurtenances as shown on the plans. Bidders shall submit their bid on the forms attached to the specifications and must submit therewith a Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of J. E. Cox, Mayor or the City of Lockney, Texas, in an amount not less than five percent (5%) of the largest possible bid submitted on the Project as a guaranty that the Bidder will enter into a contract and execute bond and guaranty in the forms provided within ten (10) days after notice of award of contract to him.

The Successful Bidder must furnish bond on the form attached to the Specifications in the amount of 100% of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the Owner.

All lump sum and unit prices must be stated in both script and figures. The Owner reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (Or Unbalanced) unit prices will authorize the Owner to reject the bid.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions under which the work is to be done. Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas, Page 91, Chapter 45, (Article No. 5159A Civil Statutes 1925) concerning the wage scale and payment of prevailing wage established by the Owner. There must be paid on this project not less than the following prevailing wage rates:

Mechanic, Workman or Type of Labor	General Prevailing on 8 hour working day	General Prevailing Hourly wage
Skilled	\$14.00 to 24.00	\$1.75 to 3.00
Semi-skilled	10.00 to 14.00	1.25 to 1.75
Unskilled	8.00 to 10.00	1.00 to 1.25

(Detailed Labor Classifications and Corresponding Wage Rates are set out in the Specifications.)

Information for bidders, proposal forms, specifications and plans, are on file at the office of the City Secretary, City Hall, Lockney, Texas and copies can be secured at the office of the Consulting Engineers, Roberts, Merriman, Bowden & Isbell, 1005 1/2 — 13th Street, Lubbock, Texas upon deposit of \$15.00 as a guarantee of the safe return of the Plans and Specifications. The full amount of the deposit will be returned to the Contractor on submission of a bonafide bid on the work, with such Plans and Specifications, or upon returning the Plans and Specifications immediately after examination of same but before the time of receiving bids and advising the Engineer that a bid will not be submitted, otherwise, the deposit shall be forfeited. Suppliers may secure copies of the Plans and Specifications as outlined above but will be given five (5) days after bids have been received to return said documents to the Engineer's office before the deposit shall be forfeited. No obligation is assumed to return the deposit under other conditions.

CITY OF LOCKNEY, TEXAS, Owner.  
By J. E. Cox, Mayor.  
ATTEST: A. Juanita Thompson, City Secretary.

2. Age 18-50 years. (Those over 50 accepted on an individual basis).
3. Character references and personal interview.
4. Aptitude tests prior to final acceptance.
5. Two years high school or its equivalent.

For further information contact Mrs. Elsie Sherman, business manager, Lockney General Hospital. Mrs. Wynona Lusk, R. N., director of nursing, will be available for interviews Monday through Friday.

Classes will open in September.

**WHY PLAN A "half-modern home" live MODERN... heat better ELECTRICALLY!**

ELECTRIC LIVING IS MODERN LIVING! LIVE BETTER ELECTRICALLY!

BEDROOM  
CLOSET  
KITCHEN  
GARAGE

Electric heating fits any new home or home remodeling plan. Electric heat offers you heating cables in the ceiling — baseboard units along the floor edge — wall heaters or panels — or the amazing heat pump that heats without fuel and cools without water. Absolute comfort — individual room control — cleanliness and convenience — no drafts or hot spots — no flames or fumes — these are electric heat advantages, too. Your family deserves the finest — electric heat. And if you have tykes and toddlers — you need electric heat.

Full house heating is more economical than ever. Ask about special heating rates now at your Public Service office. And ask about the informative booklet on electric heating — "The Inside Story on Electric Climate Control."

# Society News

## Parties Honor Jean Wofford

Miss Jean Wofford was honored with a Bridesmaids party in the home of Mrs. Hershel Carthel, Wednesday, August 19, at 8 p.m.

Hostesses for the dinner with Mrs. Carthel were Mrs. Ted Carthel and Mrs. Warren Mathis.

A red and white styrofoam cream home with a bride and groom standing in front was a part of the decoration scheme. The centerpiece for the table was a 25 year memory candle presented to the honoree. White carnations tied with aqua ribbon stood on either side.

Guests were Misses Hope Cox, Anita Durham, Carolyn Belt, Peggy Ann Jarrett, Gayle Rucker, Charlene Brown, Jann Wofford, and Mmes. Jerry Mickey, John Belt, Larry Hammitt, Bob Jarrett, Gene Belt, Kenneth Wofford, all of Lockney, Miss Kay Featherhill, and Mrs. Joan Lewis, Lubbock, Mrs. Eddie Joe Foster, Lake Charles, La., and the honoree.

Miss Wofford was also honored with a kitchen shower at the home of Mrs. Gene Messer in Lubbock on August 14 at

## Legion Auxiliary Plans "42" Party

The Lockney American Legion Auxiliary will be hosts at a "42" party next Monday evening at the Legion Home. The event starts at 8 o'clock.

The public is cordially invited to attend. Admission will be 50 cents per person. The Auxiliary will serve refreshments.

### ATTEND CAMP

Charles Smith and Donald Henderson attended the Methodist Junior Camp in Ceta Canyon last week.

2:30. Co-hostess was Mrs. John Belt.

The hostesses served white cake squares with fruit punch from a crystal service. An arrangement of kitchen gadgets served as the center piece and as a gift to the honoree. Miss Wofford was also presented a corsage of kitchen gadgets.

Miss Truday Jarrett registered the guests and Mrs. Bob Jarrett and Mrs. Gene Belt served. Mrs. Gene Messer presided in the gift room which carried the bride-elect's chosen color scheme.

MRS. LONELL HAYS

## Nancy Nix Is Bride Of Lonell Hays Thursday

The home of Mr. and Mrs. F. E. Nix, Tulla, was the scene for the marriage of their daughter, Nancy, to Lonell Hays, son of Mrs. Arvie Newton, Lockney, and Elmer Hays, Plainview, on August 20 at 6:30 p.m.

Rev. Robert Metzger, pastor of the First Methodist Church of Tulla, performed the double ring ceremony in front of an arch decorated with emerald and pink aristocrat roses. Wedding bells tied with a white bow topped the arch and candelabra decorated with the brides' chosen flowers stood on either side.

C. L. Record, Lockney, soloist, sang "O Promise Me" and "The Lord's Prayer". He was accompanied by Mrs. Record who also played traditional wedding marches.

Given in marriage by her father, the bride wore a regal gown scalloped in a redengote effect of French Chantilly lace combined gracefully with pure silk organza. A large bow gave back interest. The short sleeves were set into the sabrina neckline which was sprinkled with twinkling iridescent sequins. Lace mitts completed the bodice. Her veil of illusion was attached to a coronet sparkled with pearls and sequins. She carried a white Bible holding an arrangement of white butterfly roses and stephanotis.

Miss Myrna Hays, sister of the groom, was maid of honor, and wore a pink organza over taffeta, fashioned with a fitted bodice and a rounded neckline dipping to a V in the back. The full skirt was ballerina length and was accented with a nylon sash dropping from the waistline to the hem. She wore a pink picture hat and pink mitts, and carried a colonial bouquet of pink roses. Miss Ava Dow Wooten, Plainview, cousin of the bride, was flower girl. She was dressed identical to the maid of honor and carried a white basket of rose petals.

Serving as best man was Dee Nix, Tulla, brother of the bride. Ushers were Dan Griffith, Amarillo, cousin of the bridegroom, and Brannon Darnell, Lockney.

Mark Kelly, Fletcher, Okla., and Sydney Bain Wooten, Plainview, were candlelighters. They are both cousins of the bride.

The bride's mother wore a champagne beige lace dress with matching accessories and a pink carnation corsage. The bridegroom's mother wore a rose lace dress with matching accessories and a white carnation corsage.

Following the ceremony, a reception was held in the home. Centering the table was an arrangement of pink aristocrat roses and baby breath in a pink milk glass bowl. The cloth made of white net over pink and decorated with tiny pink satin rose buds, was designed and made by the bride's grandmother, Mrs. Cora Nix, Lawton, Okla.

Miss Sharron Williamson of Amarillo presided at the guest register and Misses Sue Reid, Glenda Cummings, Michael Reid, Tulla, and Glynell Hagggett of Perryton, served the guests.

For the wedding trip to Ruidoso, New Mexico, the bride chose an apricot cotton suit with brown accessories and a white rose corsage. The couple will be at home at 900 Broadway, Plainview, after August 26.

The bride attended Lockney High School and is a 1959 graduate of Tulla High School. The bridegroom is a 1957 graduate of Lockney High, attended West Texas State College at Canyon, and is now attending Watson's Business College at Plainview and employed by Hale Center Wheat Growers, Inc.

### CARD OF THANKS

I wish to thank all of those who sent flowers or cards or who spoke words of sympathy at the passing of my father. I certainly appreciate every kindness.

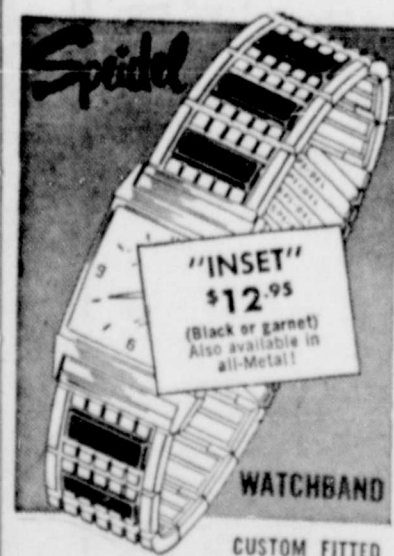

R. M. (Oley) Olsen

## Jovonne Taylor Weds Jack Calk Tuesday Night

Under an arch of white candelabra holding white candles tied with satin ribbon, Miss Jovonne Taylor became the bride of Jack Calk, in a double ring ceremony performed in the First Baptist Church on Tuesday, August 25, at 7:30 p.m. by Rev. Charles Broadhurst.

Miss Taylor is the daughter of Mr. and Mrs. W. A. Taylor of Lockney. Mr. Calk is the son of Mr. and Mrs. J. P. Calk of Del Rio, Texas.

Mrs. Fred B. Merrell of Monahans, accompanied by Mrs. C. L. Record, sang "O Promise Me", "Because", and "The Lord's Prayer". Mrs. Record also played the organ prelude and traditional marches.

Miss Bobby Calk, Del Rio, sister of the bridegroom, was candle lighter, and Miss Louise Tommy, Lubbock, registered the guests at the church.

The bride, entering on the arm of her father who gave her in marriage, wore a full length gown of silk organza

over taffeta with tiny satin embroidered flowers. Topping the fitted bodice was a square neckline which dipped to a low V in back. She carried a colonial of orchid carnations with white satin ribbon and streamers. A tiara made of white seed pearls and iridescent sequins held the fingertip veil of tulle with lace edging.

In tradition, the bride wore her mother's wedding ring for something old, her wedding attire as something new, the veil as something borrowed, and a garter as something blue. She also wore a penny with her birthdate in her shoe.

Mrs. Alton Smith, Odessa, matron of honor, and Mrs. David Hartman, Sylvester, bridesmaid, wore street length dresses of orchid silk organza with billowing skirts, square scalloped necklines and sheer sleeves. They carried white lace fans and wore tiaras of orchid and white iridescent sequins and pearls. The bride's dress and tiara, and the fans and tiaras of the bridesmaids were fashioned and made by the bride.

Allen Wright, Del Rio, served as best man, Dean Taggart, Grand Falls, as groomsman, and ushers were Don Taggart, Grand Falls, and David Hartman, Sylvester.

Mrs. Taylor, mother of the

bride, wore an orchid lace dress with beige accessories and a white carnation corsage. Mrs. Calk, mother of the bridegroom, wore a yellow two piece cotton brocade with beige accessories and a white carnation corsage.

For traveling, the bride chose a white silk organza over orchid taffeta with white accessories. After the wedding trip to Amarillo, the couple will be at home at 1816 C. Dillingham, Abilene, where the bridegroom is a senior student in Hardin Simmons University, and the bride will teach first grade in an elementary school there.

The bride is a graduate of Lockney High School and Hardin Simmons University. The groom is a graduate of Del Rio High School, attended Texas Tech, and will finish at Hardin Simmons this year.

## T. E. L. Class Has Social

The T. E. L. Class of the First Baptist Church met for their monthly social at the home of Mrs. T. B. Mitchell Tuesday afternoon.

After home movies were shown, Mrs. Mitchell served homemade cookies and soft drinks. Fourteen attended.

GO TO CHURCH SUNDAY.

## TO THE FARMERS OF THE LONE STAR AREA:

I wish to announce that I have bought the Cassel Bros. Gin at Lone Star and am anxious to give you the same good service you have received from the Cassel Brothers the past several years.

I will operate the gin under the same name this year — Cassel Bros. Gin — and will try to live up to that name in my dealings with you.

I will use the same crew and in every way we will do our very best to give you the same good service.

I have been in the gin business a good many years, having operated the Six-Point Gin south of Plainview until last year. I believe that I know the gin business and know how to operate to the best interest of my customers.

I am looking forward to meeting you soon.

# You Can't Buy It at Home

*when nobody at home has it for sale*

So . . . whose fault is it when this unfortunate condition prevails?

Well, you might say it's everybody's.

**SELLERS** are to blame . . . who don't keep up with what's new in their lines . . . and who want to keep store just like they did before highways and automobiles rescued buyers from having to take whatever goods it pleased their home storekeepers to carry in stock.

**BUYERS** are to blame . . . who don't keep neighborhood sellers informed about their needs and wants by the simple process of shopping the home stores regularly . . . and whose wide-ranging buying habits cut down the financial ability of local sellers to keep better assortments of goods.

Many of us fall into both of these categories . . . and don't let our right hands know where our left hands have been shopping

Shall we, then, **EACH** look inwardly . . . whether we are Buyer or Seller only . . . or a Buyer-Seller Blend . . . and consider what **WE** can do to better **OURSELVES** by enriching our home area's life blood . . . it's trade volume?

It's good pocketbook sense to help keep the community more prosperous where **WE** work and do business.

**It Pays to Buy  
where you Live**

**YOU** get everything that your money pays for . . . merchandise **AND** a trade-invigorated community to live in . . . when you buy from your home town merchants . . .

**Can You Stop In Time?**

It takes more than the distance between goal posts on a football field (100 yards) to stop a car traveling at 60 miles per hour under the best driving conditions, 4-H Club members point out. At 60 mph a car travels 88 feet per second. There's not much "time" to come to a dead stop upon approaching a tractor or other slow-moving farm machinery.

"Highway safety is everyone's responsibility," 4-H leaders declare, and during the summer when traffic is at its peak the obligation becomes greater. The devastating fact that three out of four traffic fatalities occur in rural areas makes the 4-H Safety program the "number one crop" for nearly a million conscientious club members.

Statistics reveal that there are more teenage drivers on the highways today than ever before.

It is also true that drivers under 20 years of age have a worse safety record than older drivers. So each 4-H boy and girl enrolled in the safety project is encouraged to become a "self-policing committee of one." These 4-H'ers make certain that the family car, truck, and tractor are in safe operating condition at all times.

For the past 15 years the 4-H Safety program has been supported nationally by General Motors, which among other things provides incentive awards for top ranking club members in each state. The awards consist of \$400 college scholarships, all-expense paid trips to the National 4-H Club Congress in Chicago, medals of honor, and plaques. The program is under the direction of the Cooperative Extension Service, United States Department of Agriculture.

**High Plains Field Day Is September 24**

The Third Annual Field Day of the High Plains Research Foundation will be held Sept. 24, at Halfway, Texas, 10 miles east of Olton and 15 miles west of Plainview on Highway 70, Dr. Thomas C. Longnecker, director of the Foundation, announced today.

Guided tours will begin at 1:30. Staff members and scientists from the Extension Service, Soil Conservation Service, Texas Experimental Station and agricultural representatives of commercial companies will be at designated stops to discuss the research being conducted. The tours will cover such experimental research as: cotton fertilization, grain sorghum varieties and fertilization experiments, irrigator efficiency on cotton, recharge well and bench leveling, cotton skip-row and interplanting, soybean fertilization and rate of seeding and row spacing tests, castor and variety and fertilizer tests.

The usual Bar-B-Que will be held at 6:30. Dr. Longnecker said everyone is cordially invited to attend this annual Field Day to observe the research being done to help agriculture maintain its role as the foundation for the continued growth of these Great High Plains of Texas.

**THE LOCKNEY BEACON, LOCKNEY, TEXAS, AUG. 27, 1959**

**F. H. A. Has Fewer Employees**

Farmers Home Administration will operate its program in Texas this year with 117 fewer employees than it had a year ago at this time according to a statement this week from Walter T. McKay, the agency's State Director. Since the break of the drought, the agency, statewide, has reduced its force by more than 27 per cent and had discontinued seven of its field offices on a full-time basis.

Insofar as the employees who lost their jobs, McKay said that in practically every case the training and experience they gained during their employment with Farmers Home Administration enabled them to step into jobs with banks, PCA's and other private and cooperative credit institutions — many of them at salaries better than they had with the Government.

In connection with the services available to farm families, there will be no change according to McKay. He said that during the past three years more than 12,000 farmers and ranchers paid their loans in full to Farmers Home Administration, and for the most part had reached or regained a position where private and cooperative sources can now handle their credit needs.

Farmers Home Administration will continue to make loans to eligible applicants for farm and home operating expenses; for the purchase of livestock and equipment needed to put their farm programs on a sound basis and to finance farm real estate purchases and improvements.

**EXPRESSION OF APPRECIATION**

May I take a little time to thank my many friends who have been so nice and still are nice, and for your sweet prayers, without them just what would I do. It proves you love me.

Sometimes I almost give up, but I say Lord, hold my hand. Let's pray God we will never lie down at night without having made someone happier by doing something nice and not trying to hurt their character. A noble deed is a step toward God. May someone get a thought from these few words that will help them to help the ones who are in trouble.

May God bless each and every one.

Mrs. Emma Lawson.

**MRS. TEUTON RESTING**

Mrs. E. D. Teuton has been moved from St. Anthony Hospital to the Twilight Rest Home at 1303 Lincoln Street in Amarillo, according to her son, Paul Teuton of Lockney. She is resting well but must remain in bed for some time yet. She fell recently and suffered a broken hip. She wishes to express her thanks to those who have sent her cards and letters and will be glad to receive others at the above address.

**HOW MANY APPLES IN A BUSHEL?**

Buy a bushel of apples while they are cheap, advises Margaret Spader, home service editor of the Gas Appliance Manufacturers Association. Depending on the size of the apples, a bushel contains 96 to 144 apples. Stored in a cool, damp, well-ventilated place they will keep for several weeks. Sort them occasionally and remove those with spots.

Crisp raw apples, eaten as is, serve as a natural toothbrush. They remove tartar from the biting teeth and give the teeth and gums good exercise.

Isaac Hull, on August 19, 1812, sunk the British frigate Guerriere with broadsides from the USS Constitution. Constitution lost seven men, the Guerriere lost 79.

TRY BEACON CLASSIFIEDS

**Keep Hogs Cool For Best Gains**

College Station. — Are you keeping your hogs cool? If not, says T. D. Tanksley, extension animal husbandman, you are losing money. Hogs do not sweat and their efficiency is seriously hampered by high temperatures if provisions are not made to keep them cool.

Fattening hogs will do their fastest and cheapest gaining when the temperature is around 60-75 degrees. The closer to market weight a hog gets, the cooler he needs to be to make the best gains, he adds. When the temperature rises to 90-100 degrees, the average porker will need about twice as much feed to put on the same gains as he needs at the lower temperature.

Recent work at Purdue and other universities has indicated that the use of water foggers on fattening hogs during hot weather will increase gains an average of 10% over those animals with shade alone. Adequate shade coupled with "shower-bath" provisions are doing an efficient job even on the hottest days, says Tanksley. The shower bath is provided by installing a nozzle that will produce a fine mist with normal water pressure (30-40 pounds), and have an hourly output of about two gallons of water.

### South Plains

by Mrs. Murray Julian

Rev. Fred D. Howard of Wayland College in Plainview began the South Plains Baptist revival services on Sunday morning and Gary Sides of Lockney joined him in the Sunday night services to take over the music. Rev. John Gillispie was here Sunday night after a week spent in revival services at the White Flat Baptist church last week. Visitors Sunday included Mr. and Mrs. Arlis Powell of Midland, Mrs. Woodrow Stewart and Clayborn and Mrs. W. H. Simmons of Truscott. Services are held at 10:30 each morning and at 8 each night. Each and everyone welcomed.

Revival services are going on this week also at the Sterley Methodist Church beginning at 10 a.m. and at 8 p.m. The Rev. Johnny Williams of Adrian is doing the preaching and everyone is welcome.

We are sorry to learn of the illness of R. H. Adams who became ill on Saturday and is in Lockney hospital with encephalitis. Sunday afternoon he was having severe headaches.

Rain last Monday afternoon left Grigsby Milton, Johnny West, Elmo Fortenberry, Orby Beard and others hurt by hail. Rain amounted to 2 inches at Billy Staniforths. John Wilson and Shelby Calahan received good showers both Monday and Tuesday.

Mr. and Mrs. Ed Blanton and children who have worked for the Don Probascos for some months, left this week for their new home in South Texas.

Mr. and Mrs. L. T. Wood are grandparents for the second time this month and the proud parents are Mr. and Mrs. Glen Wood whose first child, a son, was born at 9 o'clock Sunday morning at the Lockney hospital. He has been named Leonard Wayne and he weighed six pounds and eight ounces.

### Central States News Views

**WHERE'S THE FIRE?** Turtle mascot of Kansas City (Mo.) firemen makes haste (slowly, of course) to escape from embarrassing situation. Originally called Henry, name was changed quickly to Henrietta after "he" laid eggs shown here.

**A SEA** of 'nicer ice buckets' engulfs Ida Minolalo of B. F. Goodrich as she prepares to ship a record quantity of the Spongex-insulated containers to thirsty residents of Central States.

**TRAIL OF CLOTHING** tells complete story of what happened when this 1-year-old boy saw chance for backyard dip in Green Bay, Wis.

Grandparents are the L. T. Woods and Mr. and Mrs. Kelly Bowers of Plainview.

Mrs. John Gillispie and girls stayed Monday and Tuesday nights with the Sylvain Kinnibrughs and Tuesday night they went to White Flat to the revival services where Rev. John Gillispie was preaching.

Mr. and Mrs. George West left last Sunday for their cabin in Ruidoso, N. M. staying until Thursday enjoying a cool vacation. A guest with them was Mrs. Skeet Thornton.

Gary Wilson went to Lubbock with his folks on Friday to have some dental surgery done before school days are here.

Mrs. Roscoe Lackey of Lockney and grandchildren, Waverly, Ricky and Kenny Craft of Midland were visitors in the home of Mrs. Murray Julian on Friday afternoon of last week.

Frankie McClure of Houston, came last Monday with T. R. White, who was enroute to the Grand Canyon in Arizona. He is spending two weeks here with his grandparents, the Frank McClures. Granddaughters D'Ann and Donna McClure of Crosbyton are also staying with them this week.

Last Tuesday Mr. and Mrs. Junior Calahan and four children went to Durango, Colo. for a vacation and enjoyed a week in the mountains, arriving home Monday night.

They spent four days in Ouray, and went on several interesting trips to the Black Canyon near Gunnison and also visited an abandoned gold mine.

Joann Newton left this week end for Wichita Falls where she will spend this week with her cousin, Mrs. John Munselle, and also visit a girl friend, Jerry Woods of Everett, Wash.

Mr. and Mrs. Norman Muncy and Penny of Muncy were Sunday afternoon guests in the home of Mr. and Mrs. Fred Marble and Mike.

The Rex Smithers with Bryan and Kelly left Friday morning for Dumas where they will spend the week on a vacation visiting with relatives and seeing the sights of Dallas.

The first load of maize to come in to the Clubb Elevator, where Roy Bledsoe is manager, came on Friday and was delivered by Elmo Fortenberry.

Scattered showers dotted the south part of our area again on Saturday with J. D. Webb and Frank McClure getting around an inch and a half. Those near received smaller amounts, and the rest of our community had none.

Mr. and Mrs. Arlis Powell of Midland spent the week end here with her folks, the Grigsby Miltons and with his folks, the Parnell Powells of Floydada.

The Sylvain Kinnibrughs went to Truscott on Friday to take her mother, Mrs. J. R. Spivey, to her home after she had spent the past week in Earth, and Thursday here with the Kinnibrughs. Mrs. W. H. Simmons of Truscott came home with them to spend a few days here.

Mr. and Mrs. Raymond Upton and Jimmie left Friday morning to spend the week and the weekend in Ruidoso, N. M. While they are vacationing, Mrs. Harry Hartman, Mrs. Thos. Pierce and Ronnie Upton will keep the store and post office.

Bryan Karr took his mother, Mrs. J. H. Karr, back to Chillicothe, to visit her brother for a few days this Monday. He had been here over a week visiting with the Karr family, coming home with them from Fort Worth a week ago last Thursday.

Mrs. Walter Wood, Mr. and Mrs. L. T. Wood, Mr. and Mrs. Jack McCown, and Mike and Walt Wood attended a reunion of the Hazlewood families on Sunday. It was held at Klapp Park in Lubbock. Everyone carried picnic lunches which were served at noon. Around 75 were present. The McCowns spent the weekend here with

### Home Making Hints

by Phyllis Roggendorff  
County Home  
Demonstration Agent

There are lots of dishes that can be ready for the table in approximately 30 minutes. Meats that can be cooked on top of your range in 30 minutes or less include ground beef and ground lamb patties, barbecued ground beef, ground beef balls browned and heated with canned spaghetti, canned luncheon leaf slices, and pork chops. There are also "minute" steaks, Canadian style bacon, creamed chipped beef and sliced liver. Try some of these the next time you are in a hurry for a main dish for dinner.

**Scoring Jelly**  
The score card for jelly follows, so that you will be able to check your jelly before you take it to the fair.

her mother, Mrs. Walter Wood, and left for their home on Monday.

Mr. and Mrs. Robt. Turner of Lubbock are moving this Wednesday to Pampa where he has been transferred. Louise spent the weekend here with her folks, the Early Pritchett family, and they took her home to Lubbock Sunday night.

Among those from here who attended the wedding of Ollie May Williams and Donald Ray Wigington which was held at the Assembly of God Church in Balls on Sunday afternoon at 3 p.m. were Messrs. and Mrs. Marvin Wells, George West, Fred Fortenberry, Ernest Wells, R. G. Dunlap, and Mrs. Leighton Teeple and Sherlene. Marvin was best man, and Mrs. Dunlap served at the reception. The couple will go to Waxahachie where he will attend college this fall.

### Pink And Blue Shower Honors Two New Arrivals

Mrs. Karl Craig and Karla Kay and Mrs. James Teague and James Earl were honored at a pink and blue shower on Thursday afternoon in the home of Mrs. Early Pritchett on the Silverton Highway at a come and go shower between the hours of 4-6.

Mrs. Ernest Smitherman and Mrs. Fred Marble registered the guests, and Mrs. John Smitherman and Mrs. Arby Mulder were at the refreshment center. The table was laid with a white linen network cloth, and pink and white carnations were set amid a stork arrangement whose base contained pink bows and pink and blue baby shoes.

Pink and blue colors were carried out in the punch and decorated cake squares, and the entertaining rooms were filled with pink carnation petunias and pink rosebuds.

Hostesses for the party were Mrs. E. P. Pritchett, Horace Marble, Grigsby Milton, Fred Marble, Marvin Wells, Gene Morrison, Roy Bledsoe, Arby Mulder, Don Marble, Ernest Smitherman, John Wilson, Harry Hartman, J. P. Taylor, Bill Beedy, Lottie Stewart and John Smitherman.

The hostess gifts were high chairs for the new babies. About fifty guests called during the afternoon and many gifts were sent.

# STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — Texas will have a virtual "government on wheels" for the last part of this year. Thirty state agencies pick up their filing cabinets and move into the new State Office Building.

This is the second new headquarters building to be completed this year. First to be completed was the new Texas Employment Commission building, which was completed only a few weeks ago.

Transferring into the new State Office Building undoubtedly will be the biggest move since the state agencies since horse-drawn wagons moved the government into the present Capitol Building in 1888.

First to move will be a host of commissions, boards and divisions which have been in rented quarters scattered over Austin.

Later, probably October or November, another big move will take the Supreme Court, Court of Criminal Appeals, Attorney General's Department and Supreme Court Library out of the Capitol into the new State Courts Building. . . . third state building to be completed this year.

It has been the dream for some time of the Supreme Court's elderly Chief Justice John E. Hickman to stay on the

job until the day he could preside in the new Courts Building.

Built of granite similar to that in the Capitol, but with modern styling, the new buildings are to the north of the Capitol. Combined cost of the two buildings is some \$7,000,000.

With all the happiness over the prospect of splendid new quarters, there are some regrets. Many employees are worrying about where they'll park their cars once all the scattered agencies move into one building.

Supreme Court jurists feel a touch of sadness at leaving behind the historic walnut bench, inscribed with the Latin phrase, "As God was to our Forefathers, so may He be unto us." It has been in use practically since the memory of man. Replacement is a handsome marble piece which the judges compare to a soda fountain.

**PROGRESS AND PROPERTY** — A tingle of excitement, fear and hope runs through landowners and business people when they learn that a new super-highway is to come through their area.

Some residents fret over the prospect of losing the old home place. Others dream of wild profits. Businessmen worry whether the motorists will be able to get to their places.

As more and more expressways pierce the countryside, the State Highway Department is making every effort to explain the procedures for acquiring highway right of way.

Samples from recent official Department statements:

1. Although its first responsibility is to the public — the taxpayers and millions of highway users — the Highway Department "tries to create a minimum of private injury or inconvenience."

2. When private lands are needed for public roads, the law guarantees "adequate compensation" to the owner. Independent professional appraisers are hired, and an "approved value" figure determined.

3. Once the "approved value" is settled on, the Department negotiator can't "horse trade" with the landowner. This might reward the greedy and tough-minded at the expense of the timid or public spirited person. But a dissatisfied owner can have the matter settled in court.

4. When part of a piece of property is taken and the rest left isolated or of little value, the state will make payment for the loss of value.

5. Owners will be given ample time to move buildings to another site or find new buildings.

6. If an owner with a GI mortgage has to sell, the Veterans Administration will restore his GI loan privileges for getting a new piece of property.

7. An owner who sells property for more than he paid for it will not have to pay income tax on the profit, providing he uses the money to buy similar property within a year.

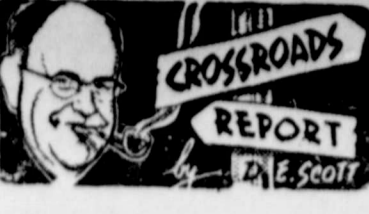

8. Controlled access highways cannot have an entrance and exit for every piece of property along the way. Real estate developers are urged by the Department to contact the local planning engineers before making any commitments based on access to the through lanes of a controlled access road.

**WATER FIGHT DUE** — State Board of Water Engineers has scheduled a hearing for Aug. 31 on the City of Houston's controversial bid for Trinity River water.

Houston seeks permission to build two reservoirs near the mouth of the Trinity, one near Livingston and one near Wallisville, and divert more than a billion gallons daily.

Trinity River Authority and a number of upstream cities — Dallas, Fort Worth, Huntsville, etc. — are protesting that Houston is trying to grab the water supply from the whole river.

**SLOW UP FOR HOLIDAY** — With Texas' 1959 traffic deaths running six per cent higher than last year, Gov. Price Daniel issued an urgent safety plea to Labor Day motorists.

I see where there is talk of some new laws whereby if a man gets drunk or reckless driving, he can keep on periling the highways until his appeal drags through higher courts.

My car-borne neighbor says on account of man being frail, it seems fair enough to give him a second, third, fourth, etc., chance.

But says, after legalizing these citizens' rights to a rematch, it would be nice to legislate up a deal to give each traffic victim another try for his life.

D. E. SCOTT

### Pvt. W. S. Simmons Completes School

Fort Belvoir, Va. (AHTNC) — Army Pvt. Walter S. Simmons, son of Mr. and Mrs. William S. Simmons, 129 W. Mississippi St., Floydada, completed the ten-week topographic surveying course at The Engineer School, Fort Belvoir, Va., August 7.

He received training in map and aerial photograph interpretation, mathematics and drafting which will assist him in providing ground control data for military photogrammetric mapping and artillery survey purposes.

Simmons entered the Army in February 1959 and completed basic combat training at Fort Chaffee, Ark.

The 22-year-old soldier was graduated from Floydada High School in 1955 and attended Texas Technological College in Lubbock. He is a member of Alpha Phi Omega fraternity.

**NOTICE FOR BIDS**

Sealed bids will be received until 8:00 p.m. August 28, 1959, covering the sale of the following property: Personnel of First Baptist Church at Silverton, recently damaged by fire, garage included.

Successful bidder must pay for property within three days after being notified and must take possession at the location and remove same from the lot by September 12, 1959.

Mail bids to First Baptist Church, Box 442, Silverton, Texas, or leave bids with the Rev. G. A. Elrod. 21 11.

He called on law enforcement agencies, civic organizations, safety councils and "most important of all, drivers, to help in this most important of all Texas efforts, the saving of human lives."

Department of Public Safety reported traffic deaths for the first half of 1959 at 1,097, compared to 1,032 for the same period in '58.

**SHORT SNORTS** — Texas range and pasture land is in the best condition since 1947, reports the U. S. Department of Agriculture. Good winter feed prospects for cattle are predicted.

Texas construction activity for the first half of 1959 totaled \$1,123,332,000, an increase of 11 per cent over last year. A 1959 pecan crop of 27,000,000 pounds is forecast for Texas by the U. S. Department of Agriculture. This would be slightly better than the 26,000,000-pound crop in 1958.

Governor Daniel has appointed Otha F. Dent of Littlefield to a new six-year term on the Board of Water Engineers. Dent is a former Lamb County judge.

J. T. Ellis Jr., former administrative assistant to Governor Daniel, has been appointed the top non-medical administrator for the State Department of Health. Ellis is a one-time state representative from Westlaco.

### Hill Is New Farm Bureau Field Man

The appointment of a new Texas Farm Bureau field representative to serve 22 South Plains counties has been announced by Millard Shivers of Waco, state organization director.

J. D. Hill, Jr., of Kilgore, a recent graduate of Stephen F. Austin State College, will move to Lubbock soon to assume his duties with the state farm organization replacing Jack Moore who recently resigned.

As area field representative for the Texas Farm Bureau, Hill will act as liaison between the state organization and county Farm Bureaus. His main job will be assisting county organizations in membership acquisition and in development and execution of Farm Bureau policies as well as other organization functions.

Organized counties in which Hill will work include: Cochran, Cottle, Crosby, Dickens, Fisher, Floyd, Foard, Hardeman, Haskell, Hockley, King, Knox, Lubbock, Lynn, Motley, Scurry, St. Newall, Terry, and Yoakum. He is part of a 12-man team of state and area TFB field representatives.

Hill, 33, is a native of Crumwell, Okla., but has lived most of his life in Kilgore and in Michigan. A graduate of Kilgore High School, he attended Tyler Junior College, East Texas State Teachers College,

and Stephen F. Austin State College where he received his degree in agriculture this year. He served with the Kilgore police department, while attending college in Nazareth, Pa. GO TO CHURCH SUNDAY.

### Local Breeders Win Places At Barrow Show

R. C. Mitchell and W. D. Lacey, both Chester White hog breeders of this community, won a number of places at the first Southwestern Barrow Show at Lubbock last week end.

The show was for breeders only and all breeds of swine were shown. Some 300 barrows and 160 breeding animals were entered representing six different breeds.

Laceywell showed a truckload of 10 market hogs which placed fourth and Mitchell's truckload placed fifth.

Mitchell had the first place light weight Chester White barrow, and the animal went on to be named reserve grand champion of the breed. Mitchell also showed the second place in the heavyweight class. Laceywell had the fourth and fifth place light weight barrows in the breed.

In the breeding classes, Laceywell showed the second place junior boar pig and Mitchell showed the second place senior boar pig. Mitchell had the second place senior gilt which was also named the reserve grand champion Chester White female. Laceywell showed the first place junior gilt.

### Eight Called For Induction

Eight men have been called to report for induction into the armed forces on September 9th. The call came from Local Board No. 45, covering Floyd, Hale, Swisher and Motley counties. The called included:

Floyd County — Cecil Junior Payne.

Motley County — Milton Stanley Brooks.

Swisher County — Robert Walter Goss.

Hale County — Leslie Melvin Thompson, Gary Don Stark, Gus Willis Shaw, William Robert Johnson, Alfred Robert Byrd.

Also the call included 12 men who are to report on September 8th for physical examination. They are:

Floyd County — Bruce Oliver Hinkson, Doyle Leon Crouch, Donnie Joe McConnell.

Swisher County — Lawrence Edwards Kitchens Jr.

Motley County — Donald Alfred Featherston.

Hale County — Lendall Irving Teague, Dwayne Deverall Maserang, Richard Wilson, Luther Thomas Birdsong, John Townson Swilling, Jimmy Ray Bishop, Marvin Lee Downing.

### Well—That's What They Told Us!

Seems that The Beacon was way off in our report last week on Fred Fortenberry's safflower crop. We reported that he had averaged 1700 pounds per acre when actually his yield averaged about 575 pounds per acre. We were unable to check with Mr. Fortenberry and took a report from another source as the basis of our story. Actually Mr. Fortenberry was grossing about \$17 per acre instead of 1700 pounds.

The safflower crop has been somewhat of a disappointment this year due to unfavorable weather conditions. At the local Patterson Grain Co. elevator, which is handling the safflower seed, The Beacon was told that the safflower harvest is about two-thirds over with and that no yields have been better than the Fortenberry crop and some have been much lower.

The first load of maize to the Lockney Co-op Elevator came in Monday from the R. C. Mitchell farm, southwest of town. Moisture was a little over 14 per cent.

An occasional load of grain sorghum is being received at the local elevators but harvest is still some days away for most fields. The Beacon was told.

### Carass Contest

The first two barrows in each class were slaughtered and the carcass data obtained to determine the meatiness of the animals. Mitchell's reserve champion barrow made the highest cutout of the Chester White breed and met all requirements for certification in the breed association. The animal had a better carcass record than the grand champion of the breed which beat him in the "on foot" judging.

Both Mitchell and Laceywell are outstanding Chester White breeders of the state. Mitchell represents the Chester White Association in Texas.

### FHA Committee Meets Monday

The executive committee of the Lockney High School Chapter, Future Homemakers of America, met Monday morning at the High School to plan the program of work for this school year and also to draw up by-laws for the local chapter.

The by-laws will be presented to the chapter for approval at its first meeting, according to Mrs. Quentin Adams, advisor. The committee is made up of officers of the chapter.

Attending the Monday meeting were Dee Dorman, Jane Carol Phillips, June Caldwell, Kim Mickey, Jackie Lou Frizzell, Ann Brown, Eleanore Baxter, Margaret Schacht and Mrs. Adams.

Lockney Public Library, Book Deposits, 3:00-4:00 p.m.

Mr. and Mrs. J. R. McDonald returned home last weekend after spending three weeks visiting their children and other relatives at Houston, Dallas, Sherman and Bluebird.

### Mrs. McDaniel Dies At Amarillo Tues.

Mrs. A. L. McDaniel, 83, mother of Mrs. Melvin Cooper of Lockney, died Tuesday evening about 7 o'clock at a rest home in Amarillo. She had been seriously ill for several months.

Funeral services will be held at the East Side Baptist Church in Amarillo today (Thursday) at 2 o'clock. A graveside service at 5 p.m. She was a member of the East Side Church.

Mrs. Cooper had been at her mother's bedside most of the time the past several weeks. Other survivors include two daughters, Mrs. W. A. Hanna and Mrs. C. E. Shannon, both of Amarillo; one son, Leonard McDaniel of Mena, Ark., six grandchildren and seven great-grandchildren.

Mrs. McDaniel had visited her daughter here several times and was known by a number of Lockney people.

### Queen Elizabeth II was the first British monarch who was outside of Great Britain at the time of succession to the throne.

The World Book Encyclopedia reports that Elizabeth was in Kenya on a round-the-world tour when George VI died.

### SOIL BANK CONTRACTS FOR 1960 HAVE BEEN ANNOUNCED

Floydada. — A new offer of USDA to accept land for the Conservation Reserve was announced Tuesday by J. B. Robertson, chairman of the Floyd County Agricultural Stabilization office, effective in this county for the period, Aug. 24 to Sept. 10.

The offer is also nation wide according to the Department's leaflet describing the 1960 plan only about 5 million acres can be accepted under the 1959 program, nearly 13 million acres was taken.

Farmers who wish to put crop land in the Soil Bank's 1960 conservation reserve must ask the county committee to set a basis annual rate per-acre for the offered land. Mr. Robertson's announcement states.

Continuing he said:

In setting the basis annual per-acre rate for land offered, the county committee will take into consideration the productivity of the land and the rate will be limited to the local fair rental value of the land based on the crops harvested from it during the past five years. When all the eligible cropland on the farm is offered for the conservation reserve, the rate will generally be set up 10 per cent higher than the date for only part of the eligible land.

After the basic rate has been determined, the farmer may apply for a contract at any figure below the basic rate

established for the land offered in the request for rates. If necessary, a priority system will be used to determine which offers are accepted.

Contracts under the conservation reserve may run for as long as 10 years. During the time of the contract, the farmer will receive an annual rental payment on the reserved land for the life of the contract, and he also will receive cost-sharing help in establishing an approved conservation practice.

Here are the answers to some of the questions that may arise in the minds of cropland owners, issued in a letter from the ASC this week by Thos. J. Hutchins, office manager:

**COUNTY AVERAGE RATE**

The rate for average land in Floyd County is \$13.00 per acre. All land, on which an application is received, will have a rate established for it by the county committee. The rate will be established entirely on the land, no irrigation or improvements will be considered.

**BID BASES:** The producers offered rate must be below the basic rate established by the county committee for the farm. Land offered for contract will be accepted on a bid bases with the land with the lowest bid taken first.

**LENGTH OF CONTRACTS:** Contracts may be signed for three to 10 years. The expense of establishing a cover on three

year contracts will be the expense of the farmer.

**PRACTICE PAYMENT:** The Federal cost-share establishment of a practice will be approximately 50 per cent of the average cost.

**LAND UNDER NEW SHIP:** Land purchased under any contract for a period of 10 years or longer is already under contract. The contract will be in effect unless the land has been contracted for at least 10 years.

**FARMS WITH TENANTS:** No 1960 contract entered into with tenants, including sharecroppers, will be accepted unless the land has been contracted for at least 10 years.

**TENANTS NOT REQUIRED:** If a tenant is shown on the original contract, the land will not be replaced, but the share of the annual rental will not be paid to the tenant.

**CASH LEASED LAND:** Leased land cannot be offered for more than 10 years for the cash lease.

"Everyone admits that who doesn't let grass grow under his feet — unless you lawn to your risk Bender."
