LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, OCTOBER 20, 1960

NUMBER 28

Joe Parrish To Receive 25-Year Service Award

Joseph W. Parrish, manager of Southwestern Public Service Company's Lockney office, will receive an award for 25 years service with the electric firm at the 12th annual service awards dinner. The affair is for the electric division and will be held Tuesday evening at the Hilton Hotel in Plainview.

Presentation of the awards will be made by A. R. Watson, executive vice president. L. L. Davis, division superintendent, will serve as master of ceremonies.

Top awards this year, for 35 years service, go to Mr. J. G. Gandy and C. O. Greene of Clovis, and B. Holland of Portales and S. Westoff of Plainview.

The 46 employees who will receive awards have a combined service of 395 years.

Absentee Voting Began Wednesday

Absentee voting for the general election began Wednesday of this week and indications are that the absentee voting will be heavier than usual due to unusual interest in the election. Absentee voting will continue through November 1.

Under the election laws of 1959 now in effect absentee voters are divided into three categories and strict regulations governing the casting of absentee votes must be followed. The categories are:

- Those in the County at the time of voting, who expect to be absent on election day. Such a voter must present himself at the County Clerk's office in person, after making sworn application, he will be furnished with a ballot; when he has marked the ballot, he leaves it in a sealed envelope, and returns it to the County Clerk.
- Those who, at the time they were to vote, are outside the County and cannot be present on election day. Such a voter must make an out-of-county postmark, to the County Clerk for receipt of such application. The Clerk will forward, by mail, a ballot which the voter marks, place in a sealed envelope, and return to the Clerk by mail.
- Those who, by reason of physical disability or sickness, are unable to go to the polls, may have a voter make sworn application, by mail, accompanied by a physician's certificate to his physical disability; or physical disability; County Clerk, on receipt of application and certificate, will forward to the voter, by mail, a ballot, which the voter marks and return by mail.

On election day, the Special Precincting Board will check all ballots to determine whether they are supported by proper application and, having done so, will count the ballots. As apparent from the foregoing, a sworn application must be made in every case, and in no case may a ballot be hand-carried to the voter.

Farm Bureau Elects Officers At Dinner

Floyd County Farm Bureau entertained the directors and their wives with a dinner Thursday night, October 13 in the dining room of Rogers Restaurant, Floyd County.

Following the dinner new officers were elected. S. J. Mcintosh was re-elected president; J. D. Hill, re-elected vice-president; Rex Smitherman, secretary-treasurer. The various organizational committees and their duties were discussed. Community members and chairmen will be named at a later date.

J. McIntosh gave a public information film presentation on a film entitled "I am a Farmer" with recorded narration.

Present were Mr. and Mrs. Q. D. Quebe, Mr. and Mrs. Herd Thornton, Mr. and Mrs. J. Ross, Mr. and Mrs. Sam Hett, Mr. and Mrs. S. J. Mcintosh, Mr. and Mrs. David Bateman, Mr. and Mrs. Rex Smitherman, Mr. and Mrs. Thomas J. Russell King, Lee Cooper, Jerry Cooper, Shirley J. D. Hill of Lubbock, field representative of Texas Farm Bureau.

Floydada Jr. High Starts Here Tues.

Lockney Junior High School will make their final home appearance of the football season Tuesday evening when the 7th and 8th grade teams come here.

The Lockney teams traveled Floydada two weeks ago they were out on the short end of scores in both contests.

The local lads are scheduled to meet their season Nov. 1 at a party.

Games at Olton the past Tuesday night were cancelled due to the field.

Sophomores Will Collect Scrap Iron

The Sophomore Class of Lockney High School will collect scrap iron on Saturday, October 22, for a money-raising project for the class members said this week.

Anyone having scrap iron should call Terry Mosley at 4-3501 or Jane Reynolds at 4-2184.

MR. AND MRS. F. U. PAYNE will observe their Golden Wedding anniversary Sunday with open house at their home five miles south of Lockney. Calling hours are from 2 to 5 p.m. Friends and relatives are hosts for the occasion.

PAYNES TO BE HONORED ON 50TH ANNIVERSARY SUNDAY

Mr. and Mrs. F. U. Payne of Pleasant Valley Community will observe their Golden Wedding anniversary this Sunday, October 23, with open house at their home, five miles south and three-fourths mile west of Lockney. Friends of the couple are invited to call between two and five o'clock.

Friends and neighbors, along with Mrs. Payne's sister and a niece, will act as hosts for the event.

Mrs. Payne was born Myrtle Miles, daughter of Mr. and Mrs. J. W. Miles, in Franklin County, Tennessee. When she was six months old she moved with her parents to Mobile, Alabama, where they lived eight years before moving to Johnson County, Texas, and lived two years. The family then moved to Hunt County where they lived until her marriage.

Mr. Payne was born in Hunt County near Royce City, Texas, where he was reared. He took Myrtle Miles as his bride in a ceremony performed at the home of the bride's parents near Josephine, Texas, on Sunday, October 23, 1910. The living room of the Miles home failed to accommodate all the friends who arrived for the wedding so the ceremony was performed under a large cottonwood tree in the yard. A reception honored the newly weds after the ceremony. The Paynes lived for six years three miles south of Caddo Mills before moving to Lockney where they have resided on the same farm for 43 years. Mr. Payne retired 10 years ago from his life-long occupation of farming but they continue to live at their original location. Their house was completely remodeled and enlarged eleven years ago.

Both Mr. and Mrs. Payne are active members of Lockney Methodist Church and Mrs. Payne has used her hobby of flower gardening by decorating the church with prize arrangements each Sunday morning for many, many years. She is well known in the area for her horticulture and has taken many awards at fairs and other flower shows. Another hobby of Mrs. Payne's is working with little children. She has taught beginner and primary age children in Sunday School here for approximately 40 years. She has been a member of the church choir about that long also. Mr. Payne's chief virtue has been his ceaseless patience in aiding Mrs. Payne in carrying flowers to the church, or to an ill friend and in chauffeuring her and patiently waiting on his wife, this all in addition to his farm activities until his retirement. He observed his 75th birthday Tuesday of this week.

The couple celebrated their silver wedding anniversary with a party in their home 25 years ago with 60 guests present.

TO SPEAK AT AIKEN

Dr. Joe Horn of Plainview will fill the pulpit at the Methodist Church, Aiken, next Sunday, October 23rd, it has been announced. The occasion will mark the observance of Laymen's Day. The public is invited to attend.

Salvation Army Fund Drive Today

The annual fund drive for the Salvation Army will be made in Lockney today (Thursday) according to announcement by Bob Miller, Chairman. Workers will start out at 1 p.m.

Goal for the community is \$1,000 and the solicitors are Joe Parrish, Edgar R. Hays, Buck Latimer, Barry Barker, Bill Race, Dan Teuton.

Floyd TSTA Banquet Set For Monday Nite

Floyd County unit of Texas State Teachers Association will meet for a banquet Monday night, October 24 at 7:30 in the Lockney High School cafeteria.

Bob Copeland of Floydada, president, will preside.

Speaker for the evening will be E. L. Galyean of the Texas State Teachers Association who will speak on the legislative program to be presented to the 57th legislature in January, 1961.

Approximately 100 TSTA members are expected to be in attendance at the meeting.

Annual Teacher Banquet Tonite

Tonight (Thursday) at 7:30 is the time set for the annual Teacher Appreciation Banquet sponsored by three Lockney civic clubs. Ticket sales were going slow Thursday and Bob Miller, chairman of arrangement committee, began an effort to push the sales and assure a good attendance at the affair. Tickets are on sale at Byrd Pharmacy and Lockney Drug Co.

Cal Farley, well-known Amarillo business man and founder of Boys Ranch, will be the principal speaker and he has a program that is well worth hearing. Miller said this week. Eulalia Sanders will furnish background music for the occasion. Supt. H. H. Nicholas will introduce the faculty and Kenneth Wofford, president of the school board, will make the awards. Twelve teachers and administrative personnel in the school system are due to receive pins. R. C. Mitchell will be master of ceremonies.

Sponsoring organizations are the Lockney Rotary Club, Lockney Lions Club and the Lockney Business & Professional Women's Club. However everyone is welcome to attend the affair, whether or not they are members of any of these clubs. Plates are \$1.50 each.

Abernathy To Battle Horns Here Friday

Lockney High School's grid warriors will be fighting to stay alive in the District 2-AA title race Friday night when they battle the rugged Abernathy Antelopes on Mitchell - Zimmerman Field here at 8 p.m.

Last week the Longhorns suffered a close 14-20 defeat at the hands of the Floydada Whirlwinds in their district opener. But the Big Red are definitely not out of the 2-AA picture and could claim at least a share of the championship.

While the Horns were going down before Floydada last Friday, the Abernathy gridders were walloping Morton's Indians to the tune of 37-6. Pre-season predictions rated the Antelopes near the top in 2-AA, but they have had trouble getting started. Last week they demonstrated the power they supposedly possessed.

Lockney will carry a record of three wins, two losses, and one tie into Friday night's tussle. The Abernathy eleven has posted a 1-4-1 mark.

Scouting reports indicate that the Antelopes rely on a wide-open offense, and seldom use the straight-T. Quarterback John Brown is a seasoned performer, and a good passer. Abernathy goes to their aerial game frequently.

Coach R. L. Rhoten of the Longhorns stated that the Antelopes have good size and good speed. Left halfback Stanley Joy is the fastest man on the squad.

Abernathy's forward wall is among the finest in this district. Four men — tackles Wilton Manley and Larry Florence, guard Ronald Barrick, end Neal Humphrey — are returning starters from last year's squad which trimmed the Horns 21-0. Manley, an All-District defensive choice in 1959, tips the scales at 210 and Florence weighs 205.

Coach Rhoten praised the Horn eleven for their play against Floydada. He thought the boys were "a little too high and tense" in the first half, but settled down and played well in the last half.

Bad weather has hampered the squad's workouts this week. Monday the hard rain forced the Longhorns off the practice field. They viewed films of their previous game. The gridders got in some contact work Tuesday even though the field was still sloppy.

Probable starting offensive line-ups for Friday night's contest:

ABERNATHY ANTELOPES

Position	Name	Weight
LE	Jack Waters	160
LT	Larry Florence	205
LG	Ronald Barrick	150
C	Randy Henson	163
RG	John Kiker	140
RT	Wilton Manley	210
RE	Neal Humphrey	155
QB	John Brown	180
LH	Stanley Joy	140
RH	Mike Ritchey	155
FB	Johnnie Adams	150

LOCKNEY LONGHORNS

Position	Name	Weight
LE	Billy Dan Rolling	150
LT	Rickey Collis	185
LG	Donnie Hanst	165
C	Wayne Cooper	180
RG	Clarence Ansley	165
RT	Mickey Mosley	180
RE	Ronnie Belt	170
QB	Johnnie Belt	160
LH	Bill Mangold	160
RH	Joe Allard	135
FB	Fred Gant	150

The Longhorn defense alignment will probably be: ends, Gant and Cooper; tackles, Russell Davis, 175, and M. Mosley; guard, Rayland Brotherton, 165; line-backers, Hanst and Ansley; corners, Allard and Jimmy Rushing, 150; halfbacks, Rolling and Kenny Clark, 135.

Annual Boy Scout Banquet October 24

Arrangements for the annual Boy Scout District Banquet has been announced by Raymond Aiken, chairman. The banquet is to be held on Monday evening, October 24th at 7:30 p.m. at the Estacado Junior High School cafeteria in Plainview. Tickets are \$1.75 per person and are available from Scout leaders in Lockney, including Robert McDonald and Edgar R. Hays.

Jim Word of Floydada, program chairman, has announced that a fine program is planned with a feature speaker and events of interest to all.

All registered Scout and Cub leaders, men and women are urged to attend. Some are due recognition which will be given at the banquet.

County-Wide Sugar Beet Meeting Set

With the purpose in mind of organization a county sugar beet association, a county-wide meeting for discussing sugar beet acreage has been set for next Tuesday evening, October 25, at 7:30 in the Floydada High School auditorium.

Present to speak to the meeting will be Jim Witherspoon of Hereford, an attorney for the sugar beet growers association of that area, and Joe West of Abernathy, who has been growing sugar beets in the Abernathy area for several years.

All farmers and others interested in the matter are urged to be present. The meeting is being sponsored by the Floydada and Lockney Chambers of Commerce.

Efforts have been underway for some time in West Texas to induce Congress to change the present sugar beet acreage law and allow additional acreage in West Texas. The county organization will join with other West Texas counties in seeking the acreage. The Beacon was told.

Most Beautiful, Most Handsome Chosen At LHS

Identity of Lockney High School's most beautiful girl and most handsome boy were revealed in general assembly at the school this morning (Thursday). They are Miss Carolyn Belt, daughter of Mr. and Mrs. J. R. Belt, and Donnie Hanst, son of Mrs. R. H. Ford.

Judges for the event were Tut Tawwater, Charlie Young and J. C. Oakley, all of Plainview. They made their selection by interviewing the students Wednesday afternoon.

First runner-up for the most beautiful girl was Mertie Lewis, a senior and daughter of Rev. and Mrs. Temple Lewis of Lone Star Community. Second runner-up was Kim Mickey, senior, daughter of Mr. and Mrs. Forrest Mickey.

First runner-up for most handsome boy was Lavon Baughman, a sophomore, son of Mr. and Mrs. Frank Baughman. Second runner-up was Warren Mitchell, a senior, son of Mr. and Mrs. Chester Mitchell.

Miss Belt, a sophomore student, has been popular in choral groups and is an active member of her class.

Donnie, a sophomore, is a member of Lockney Longhorn football team and is active in other phases of school activities. He was chosen as most handsome boy last year also.

Both students will be given a full page in the school year book "The Round-Up".

HAIL AND RAIN DAMAGE HEAVY ON AREA CROPS

With harvest in sight and bumper crops in the fields, heavy hail and rain the past five days has brought considerable crop damage to this section of Floyd County and delayed harvest at least two weeks. In addition to a destructive hail storm which struck the area south and southwest of Lockney Saturday morning, heavy rains falling Saturday, Sunday and Monday dumped up to 10 inches on the area and brought widespread damage to cotton and possibly to feed crops.

Focal point of interest Wednesday was how low the temperature was to drop Wednesday night. A hard freeze just at this time would add considerable more damage to crops, especially to unopened cotton. A freeze would also bring added danger of falling grain sorghum and might result in loss of considerable grain.

The Beacons' gauge showed 7.5 inches of rain here Saturday, Sunday and Monday. The measurement was 3 1/2 inches Saturday and Sunday, 3 inches on Monday and 1 inch Monday night. J. H. Harper and others in West Lockney measured the rain at 8.3 inches while east of town the measurement was 10.1 inches, according to Mrs. M. C. Cook. Floydada was reported to have had more than 8 inches. A small tornado hit the Floydada airport, damaging the hanger and one or two planes there.

Lockney streets were flooded Monday and some highways were formed by high water. All lakes in the area are completely full, reports say.

Farmers are saying that it will be at least 10 days, probably two weeks before any more harvesting can be done if there is no more moisture.

The worst hail storm of the year in this area struck around Barwise last Saturday morning.

JOE FOSTER, who lives five miles northwest of Lockney, reported to The Beacon Wednesday that he had some frost Tuesday night. He said that his cotton definitely showed to be nipped though not killed.

about 10 o'clock almost destroying crops on some farms and badly damaging others along the Floyd-Hain county line.

Horner Bartram, who farms about two and a half miles north of Barwise and a mile west, said that his cotton was damaged at least 50 percent and he might lose more if bad weather continues. He also lost half of his feed crop, with heads badly shattered and some stalks broken. He had been making 5500 pounds per acre from the grain sorghum and had cut almost half of it when the hail came.

Bartram reported that some farmers in his area were hurt much worse than he was by the hail. Reported to have crops practically wiped out by the hail were W. T. Cooper, Bert and Charlie Elam, Owen Cross, Eddie Joe Fortenberry, and possibly others in that immediate section. Also hurt by the hail were crops of Donnie Sybee, Joe Rogers, Andy Jolly, Gene Probasco, Harmon Handley, Also B. A. Robertson, Tommy Sneed, Doyle Mount, and others.

Apparently the worst part of the hail started in the Erick community, north of Barwise and moved south and southeast. Damage extended all the way to Petersburg on the south. The hail storm apparently skipped an area southeast of Lockney but damaged crops south of town and in the Floydada area.

Bartram reported that he had more than 8 inches of rain at his place.

MISS JANICE BOEDEKER IS 1960 HOMECOMING QUEEN

Identity of the Homecoming Queen was revealed at a bonfire Thursday night with Bill Mangold, president of the Student Council introducing the princesses and the queen, Janice Boedecker, senior, and daughter of Mr. and Mrs. Charlie Boedecker. Warren Mitchell presented the princesses with a charm disc with "Homecoming princess 1960 Lockney High School".

Queen Janice lit the bonfire and yells were led by the cheer leaders followed by speeches by Robert Lee Smith, president of the Ex-Students Association, football captains Wayne Cooper and Freddie Gant, the coaches and H. H. Nicholas, Superintendent of Lockney schools.

Crowning of the queen took place in a colorful ceremony at 7:45 just before the football kick-off Friday night. The Longhorn Band entered the field and formed a heart. They played "Let Me Call You Sweetheart" throughout the impressive event. At the top of the heart stood Nancy Webster, Student Council secretary, and Sandy Smith, Student Council treasurer, who pinned red velvetene glittered banners on each of the princesses and the queen as they entered the center of the heart one at a time. They had arrived on the east side of the field in two cars, one red and one white, each girl dressed in black. They were escorted across the field by young men dressed in dark suits.

As the couples neared the Lockney side of the field presentations of a coronet and nosegay of mums to the princesses, Miss Boedecker was presented a crown, a bouquet of mums and a red velvetene cape. After presentation the couples stood in a line in front of the home-town stadium as the band played the school song when the school flag was raised and "The Star Spangled Banner" as the national flag was raised. The queen and her court were seated on the sideline on white wrought iron lawn chairs.

Princesses Kim Mickey, daughter of Mr. and Mrs. Forrest Mickey, was escorted by Larry Elam, West Texas State College student, 1959 graduate of LHS.

Princess Mertie Lewis, daughter of Rev. and Mrs. Temple Lewis, was escorted by Ronnie Thornton, student of West Texas State College, 1959 graduate of LHS.

Princess Carolyn Harris, daughter of Mr. and Mrs. Clark Harris, was escorted by Freddie Gant, a senior, co-captain of Lockney Longhorn football team.

Princess Jackie Frizzell, daughter of Mr. and Mrs. Jack Frizzell, was escorted by Kenneth Holt, a 1958 graduate of LHS.

Queen Janice Boedecker, daughter of Mr. and Mrs. Charlie Boedecker, was escorted by Milton Mickey, a 1959 graduate of LHS and a student of Texas Technological College.

Robert Lee Smith, president of Lockney Ex-Student Association presented the queen a bouquet of mums and Bill Mangold, president of the Student Council, placed a crown on her head and a red cape over her shoulders. Class presidents making the presentations to the queen's court were Clair Schacht, Terry Mosley, Ariene Purcell and Wayne Cooper.

EDITORIAL

And ye shall know the truth and the truth shall make you free. — John 8:32.

POLITICAL ADVERTISING in this area sank to a new low last week in an advertisement placed in the Plainview Evening Herald by Frank Moore, Democratic Committeeman for the 30th District. In the advertisement Moore said, in effect, that some 17 Baptist preachers in the Plainview area were liars. Moore's own statements in the advertisement were completely untrue, of course. It is tragic when a man who is as well informed on most things as Moore would allow himself to be used as a tool to propagate false statements and attack and attempt to desmirc the character of these preachers of the gospel.

MOORE ATTACKS the preachers because they state their fear that the election of a Catholic for president of the United States would be a definite threat to American freedoms. Anyone who can read knows that the actions of the Catholic hierarchy, both past and present, give all Americans some reason to fear for their freedoms. It is fairly common knowledge to those who trouble to inform themselves that the officials of the Catholic Church do believe they have the God-given right to control legislation, that they do seek to control national, state and local governments, including schools, and that they use pressures, boycotts and other influences to get their way in areas where their numbers afford them the opportunity to do so. This is easily proven by documented evidence in the book, "American Freedom and Catholic Power" by Paul Blanchard. Other well-known books also support these facts. We have schools in our own area which are operated with public tax money and yet are under complete domination of Catholic officials. You have but to look around you to see them.

MOORE FURTHER displays either his lack of knowledge or his willingness to compromise the truth when he states there has never been a bill in the national Congress by the Catholic Church asking for aid for parochial schools. Senator John F. Kennedy himself introduced such a bill in the House of Representatives on August 1, 1949, it being H. R. 5838. If Mr. Kennedy didn't introduce this bill for the Catholic Church and at their urging we

can't imagine why he did it. —oOo—
PROBABLY the most obvious falsehood in Moore's advertisement was the statement that the discrimination against Protestants in Spain was not the fault of the Catholic Church. It is documented and public knowledge that the laws passed in Spain forbidding public worship by Protestant groups were passed under an agreement between Franco's government and the Vatican at Rome. We believe we can furnish Mr. Moore proof of this statement if he is interested in knowing the truth. It has also happened in other countries where Catholics are in the majority and even in the United States of America there are cities, counties and states where only a Catholic can be elected to public office.

THE ADVERTISEMENT by the preachers of the area was a simple statement of fact, made in a dignified manner, which pointed to the Catholic Church's actions in the past and drew a most obvious conclusion. Yet because these men are concerned about their own freedoms, they are subject to a vilifying attack by an official of the Democratic Party. Moore's slander of these men of God, in addition to being untrue, is extremely unmannerly and boorish.

WE COULD UNDERSTAND Moore's defense of Kennedy should he have chosen to make such defense. Kennedy has stated his position clearly as to separation of church and state and federal aid to church schools. We might mention that his position on these matters has not received the approval of the Catholic hierarchy and, in fact, he has been severely criticized by some Catholic publications for his statements along this line. But for Moore to attempt to defend the public record of the Catholic Church regarding governmental interference and pressures is utterly foolish. People have only to read to know the truth.

THIS IS NOT an attack upon Catholic people, their right to worship as they please or Mr. Kennedy's right to worship as he sees fit. Baptists are the original contenders for and have always stood strong for religious liberty for all people, creeds and races. As we have said before, it is not the way Mr. Kennedy worships that is causing opposition to his candidacy. It is the record of the church to which he belongs in forcing its will upon others when it has the opportunity. Simply stated, it is a matter of defending our liberties.

ACCORDING to The American Medical Association, an independent national survey completed by sociologists on the faculty of Emory University, Atlanta, Georgia, "emphatically proves that the great majority of Americans over 65 are capably financing their own health care and prefer to do it on their own, without federal government intervention." Among specific findings, the survey reveals that 61 per cent of the people interviewed considered their health was good; 29 per cent thought it fair, and only 10 per cent thought it poor. Ninety per cent could think of no personal medical needs that were not being taken care of.

With Our EXCHANGES

WHAT ABOUT SMALL BUSINESS?

Issues and questions have been flying thick and fast over presidential candidates, and the candidates have been talking a good deal about foreign aid, farm policy, defense spending and similar gigantic issues. But we hear nothing about one important subject close to the basic economy of this country — small business.

Small businesses comprise some 85 percent of the total number of businesses operating in this country today. To date neither candidate has expressed definite plans for treating small business on an equitable basis with the large corporations.

Specific points for the candidates to consider, and to voice their views on, should include: the bill still bogged down in congress that would give a tax break to small business men to enable them to accumulate a retirement fund; the present inequities in the social security system as it affects the small business man, the administrative load imposed by government paper work on the limited time of small business men; and the need for additional long-term loans for improvements and modernizations through the Small Business Administration.

There are a few matters that are of grave concern to the small business community. They are of interest to every citizen who depends on his local small business for most of his necessities, comforts and services.

It is time that small towns, such as Ralls, remind men asking for votes to give all their views on subjects that will affect them. Union ideas, big business and labor do not directly concern a town of our size, but farm policy and small business views and ideas certainly do. Let's ask for more specific information on these policies, items which neither candidate has been specific about. — Ralls Banner.

DEBATE WAS REVEALING

A great segment of the American people witnessed Monday night the historic debate between presidential candidates John Kennedy and Richard Nixon, with both men giving a good account of themselves and their party. The viewer had the feeling it was expressed by both men, that the general goals of both parties are the same, but the means are different.

After boiling it all down, both parties seem pledged to give medical care to the aged, to help the farmer, to be bold in foreign affairs, to raise the general level of prosperity in this nation.

Senator Kennedy and the Democratic Party would do this by pumping massive doses of federal money into the economy. He would put spendable income into communities all over the nation through public works programs. He cited the efforts of the party in Franklin Roosevelt's early days as the example.

Vice President Nixon would stimulate the economy by boosting private industry and business, relieving some of the tax load in order to encourage investment in new plants, construction of facilities and the creation of jobs through private enterprise. He would reduce the government's role in the economy instead of expanding it.

Throughout the debate Monday night, this fundamental difference cropped up between the two men and the two parties. Kennedy expressed strong convictions about a stronger role for the federal government if the country is to grow and prosper. Nixon expressed equally strong convictions that the role of the federal government must be lessened and private enterprise be encouraged if the country is to grow and prosper.

This seems to give the American people a clear-cut choice between the two candidates and the debate closed with statements to this effect between the two men.

Kennedy attempted to liken the

present situation to a wartime situation and called upon the people to tighten their belts, make sacrifices and work together to bring America to the forefront in world affairs.

Nixon maintained that America is not a second class power, but the mightiest nation in the world with adequate appropriations to provide adequate defenses. He pointed out that for a nation to spend itself into bankruptcy through fear of aggression would amount to surrender and accomplish the same aims for Russia.

The choice is there—Kennedy and big government; Nixon and less government. The American people will decide in November which they want. — Ochiltree County Herald.

Dear Editor: I see where a U.S. district court has decided a citizen need not have to be sick to get disability pay from Social Security.

Seems all it takes is a psychiatrist to certify that you are not able to work, and the disability checks start coming in.

My ebbing neighbor says now, instead of maybe thinking he has got a sprung back, a man can just think he has got, pernicious poopsitis, and enjoy a more active disability.

LOCKNEY HIGH HOMECOMING

LOCKNEY-ABERNATHY IN TOP CLASH Floydada, Olton, Abernathy Top 2-AA After First Week's Action

District 2-AA moves into the second week of action with the Whirlwinds, Floydada and Olton leading at home this week and the Muleshoe should rack up comparatively easy wins.

The Olton Mustangs hosts the Whirlwinds and the Muleshoe. The Olton team will probably do more than warm up for a game this week — the Lockney Longhorns. The game could be a bit harder than the Muleshoe who is off-and-on team. The Muleshoe also owns a victory in their first 2-AA outing, but travel to Lockney to tangle with the troublesome Longhorns. This could be the best match in 2-AA this week.

Floydada was hard pressed in their first 2-AA outing, but they defeated Olton last Friday when they faced the Longhorns. The "Winds" covered a Lockney fumble for the winning touchdown enroute to a 14 victory.

Olton outlasted Muleshoe in a close offensive battle, 35-22. A fumble which figured to be a game-changer, was recovered by Abernathy. The "Winds" won the game 37-6. Abernathy has been taking their lumps this

PIRATE HEADQUARTERS

LaFitte's Grove is just 8 miles west of Galveston, Texas. Established in 1817, this fort was the headquarters of the free-booter Jean LaFitte while he was pirating ships in the Gulf of Mexico.

This also was the site of the "Battle of Three Trees" between LaFitte's men and the fierce Karankawa Indians.

LOCKNEY'S LAST HALF RALLY SHORT AS 'WINDS WIN, 20-14

After being down 12-0 at halftime the fighting Longhorns came fighting back in the final two periods and almost caught up with the Floydada Whirlwinds Friday night. The Lockney eleven came within six points of the south Floyd County boys, but were behind 20-14 as the final whistle blew.

An overflow crowd of some 3,000 watched the two evenly-matched elevens open their District 2-AA campaigns. The attendance was boosted by ex-students and ex-teachers of Lockney High who attended Homecoming activities here Friday.

The turning point in the game came early in the fourth quarter when a Longhorn pitchout went wild and a Floydada lineman covered the free ball in the end zone for Floydada's third touchdown. That sent the Floydada boys ahead 20-6. The opening two quarters were dominated by the "Winds" but Lockney's crew held the upper hand in the last half of the tilt.

After a scoreless first quarter, the Whirlwinds took command of the game, scoring on the third play of the second stanza and again with only 1:48 remaining before intermission.

The determined Longhorns kicked off to Floydada to open the last half. Four plays later the "Winds were forced to punt. Wayne Cooper rushed through to block the punt and give the Big Red a first on the Floydada 37. Eleven plays later quarterback Johnnie Belt raced into the end zone for six points. Belt's kick for PAT was wide.

The Longhorns were now within six points of the "Winds. But disaster struck Lockney's spunky defensive held the "Winds on downs at the Longhorn 1 yard line. Halfback Bill Mangold drove for 2 and 3 yards, then a pitchout went wild and guard Melvin Lloyd fell on the pigskin in the end zone.

Yet the Longhorns were far from finished. Lockney's aggressive defense again took advantage of a break and trounced on a fumble on the Floydada 37. It took the Big Red six plays to move across the double stripe with a perfectly executed screen pass from Belt to Mangold working for 12 yards and the touchdown. Hard-driving fullback Fred Gant pushed across for the PATs.

With 3:50 showing on the clock the Longhorns kicked to Floydada. The mighty "Wind offense hung onto the ball until only 0:01 remained on the clock. The Big Red called a time out but the clock was started again before they could get off a play.

The game was a rugged, thrilling skirmish from the opening kickoff until the final whistle. Yet, both teams played exceptionally clean football with only one fifteen yard penalty, and that was for clipping.

Floydada's star quarterback Rodney Teague was sidelined after being injured the previous Sunday in an automobile accident. His replacement, sophomore Darryl Lindsey, did a commendable job as a signal caller and passer.

As usual Cooper turned in a tremendous performance. Sophomore Donnie Hanst was another key man in Lockney's defensive setup. Other standouts on defense included Clarence Ansley, Rayland Brotherton, Gant, Allard, Billy Dan Rolling and others.

Mangold turned in a fine performance as an offensive halfback. Gant and Allard also turned in fine efforts and Belt made good yardage on the quarterback keeper play.

For the Whirlwinds, Marler was the main cog. Big guns defensively for the Green and White were guard Don Davis, tackle Eddie Parks, and corner line-backer Van Stovall.

Floydada is in a good position to cop the district title. But, the Longhorns are far from finished in the 2-AA title chase. Many have stated that, in their opinion, no club can wade through the tough 2-AA schedule undefeated.

Summary of the game: Ted Allen gathered in Belt's kick on the F 14 and almost broke loose before being downed on L 47. Hanst covered a fumble on L 48.

Mangold gained 1, 5, Belt picked up a first on F 42. Gant and Mangold made 4, 2, Belt lost 12 on a pass attempt, Mangold punted 36 yards to F 12. The runback netted 9 yards.

The "Winds moved for one first, lost 7 yards on 3 downs, punted to L 39. Clark returned to L 42.

Two plays gained 1 yard for the Big Red, a pass fell incomplete, Mangold punted 25 yards and the ball was returned to F 45.

El Progreso Club Studies Virginia

In interesting program on the state of Virginia was enjoyed by El Progreso Study Club in a meeting held Wednesday, Oct. 12, in the home of Mrs. T. B. Mitchell.

Mrs. Clyde Briley, president, was in charge, and roll call was answered with an "Historical Fact About Virginia". "Reconstruction of Williamsburg, Virginia" was told by Mrs. Milton Ashton who brought out many interesting facts about the original city and its restoration by the late John D. Rockefeller. She stated that each house is located on one and a half acres of land and planted in orchards and flower gardens with seeds from flowers identical to those which grew on the location 300 years ago. Original buildings were restored and those that have been destroyed by fire or other means have been rebuilt and refurbished in its original form. A fire in 1699 destroyed the capitol building in Jamestown and Mr. Rockefeller had it duplicated at Williamsburg. Every detail, including the homemade imported furniture has been replaced. Famous buildings in the restored city include William and Mary College, the governor's palace, King Arm's Tavern, Public Pillary, House of Burgesses, the John Blair house and the Wren buildings. At the Bakers one may find an order for bread and call for it later since the flour is ground in the original fashion and baked in early day ovens. Refreshments were served from a dining table covered with lace. Mrs. Mitchell was assisted by her daughter-in-law, Mrs. Chester Mitchell in serving.

Martha Lee Sanders Honored At Nuptial Shower On Tuesday

A wedding shower given Tuesday in the home of Mrs. John Key West near South Plains complimented Mrs. F. G. Main, the former Martha Lee Sanders of South Plains. She taught music in Lockney several years before beginning graduate work at North Texas State College, Denton, last summer. Parents of the bride are Mr. and Mrs. Otho Sanders.

Miss Sanders and F. G. Main of Palestine, Texas, were married June 25 in Palestine where they are making their home. The bride, a graduate of Texas State School for the Blind, Austin, and North Texas State College with a major in music, is teaching music in Palestine and her husband is in business there. He is also a graduate of Texas School for the Blind, Austin.

Hostesses for the bridal shower were Mmes. West, Frank McClure, J. P. Taylor, Bill Beedy, Kenneth Bean, J. D. Webb, Arby Mulder, Sylvain Kinnibrugh, Early Pritchett, Grigsby Milton, Dock Jones and George West.

Refreshments were served from a lace covered table centered with an arrangement of dahlias. Coffee poured from a silver service was served with dainty sweet rolls to approximately 60 guests.

NEW ARRIVAL

Mr. and Mrs. Bill Strickland of Weatherford, Okla., are parents of a son born Friday night, Oct. 14, at a hospital in Thomas, Okla. The baby weighed 8 pounds, 11 1/2 ounces and has been named John LaWayne. The mother is the former Jean Willis of Lockney. The father, formerly employed as a barber here, is now attending Southwestern State College, Weatherford, Okla., where he is studying pharmacy. Grandparents are Mr. and Mrs. J. C. Willis, Lockney, and Mr. and Mrs. J. T. Strickland, Quitaque. The couple has a daughter, Teresa, three years of age.

hours were two to five o'clock. Among the sixty guests who called were Mr. and Mrs. H. S. Calahan, Lockney, grandparents of the honoree and hosts.

The Gillers left via plane Friday and Miss Cummings took a plane Sunday for the return trip to San Francisco. The Rose family left Sunday via car for Denver. This is the first time in three years most of the relatives had seen the Cummings daughters from California.

Cotton Harvesting
The final grade of lint cotton is determined by the condition of the seed cotton when it reaches the gin.
The cotton should be dry, loose and clean as possible when it reaches the gin. Picking early of a morning and late of an afternoon when the cotton is moist should be avoided. When moist cotton is pulled and carried to the gin the delay in ginning will cause the cotton to lose its good color and cause lower grades.
Tramping of seed cotton makes it impossible for the gin to clean the trash out that also causes grade losses.
You can help maintain quality cotton by harvesting it when it is dry and by keeping it loose and clean.
Cotton Defoliation
The defoliating or desiccating of cotton can make a producer money if it is used properly. It can lower yields and grades, particularly the micronaire if it is applied too early. The applying of harvest aid chemicals does not speed up maturity but aids in the drying out of cotton.
Bolls which are smaller than 1" in diameter will usually shed off. This is the same thing that happens when dry weather hits cotton and causes it to shed.
Be sure your cotton is mature enough before applying harvest aid chemicals.
The use of defoliant should be used when about 50% of the cotton is open and desiccants should be used when more than 60% of the cotton is open.
4-H Club Work
Several of the 4-H Club boys and girls will be exhibiting barrows, lambs, and steers at the State Fair of Texas. They will compete with boys and girls from all over Texas as well as those attending the State Fair. Honor Society Installs New Members Friday
Miss June Caldwell, president, presided as several new members were inducted into the National Honor Society of LHS in a ceremony performed during a general assembly of students Friday.
Taking part in the ceremony were Jackie Frizzell, Carolyn Harris, Jane Carol Phillips and Bill Mangold who lighted candles emphasizing the organization's qualifications, leadership, scholarship, service and character.
New members inducted were Judy Thomas, Arlene Purcell, Donna Sammann, James Ray Wofford, Paulette Kropp, Wanda Savage and Nancy Jo Schacht. Each was presented with a candle and a robe was placed on his shoulders.
Following the ceremony Virgil Thomas, assistant cashier of the First National Bank, Lockney, spoke on making a practical application of Honor Society aims and ideals.

Hail And Rain —

(Continued from page 1)

Aubrey Holt, whose home is on the location of the old brick school house, said that the hail did considerable damage to his crops on the north and east side of his place but little on the west. He figured his loss at less than ten percent. He had a little more than 7 inches of rain. He said that James Morris, who farms in the same vicinity, also had some crop damage.
R. C. Mitchell, who farms just west of the old Pleasant Valley school house, five miles south of Lockney, reported that he had a little hail damage and had measured nine inches of rain. He figured that rain and hail together will damage the area probably as much as 25 percent. He said that open cotton will be damaged at least one grade and whether or not it freezes within the next few days will determine to what extent the unopened cotton is hurt. Other farmers in his area also had some damage.
Mrs. Hall Ferguson, three miles south of town, said that they had 8.4 inches of rain and some hail as did W. H. Fields and Alvin Wilson, in their immediate area. Extent of damage is yet to be determined.
Johns Cox, who lives six miles southeast of Lockney, had no hail but did have 9.1 inches of rain. He reported that one dirt road in his area was under water for a quarter of a mile. He said that there is more water in the lakes than he has seen in a long time.
E. M. Quebe, who lives north of Aiken, had 7.2 inches of rain but no hail, and "Hoot" Edwards, just south of him measured more than 8 inches of rain. H. W. Schacht, just west of Lockney, also measured 8 inches of rain. One farmer said that the cotton farmers can work out of the lower grades fairly well if the weather will co-operate and they will wait until the other cotton opens before gathering their crops. Most storm proof cotton is not damaged as much as the more open type of cotton. Estimates of the amount of cotton open in the fields now ranged from 25 percent to 65 percent.
Grain sorghums are not hurt much except in areas which were struck by hail, elevator men say.
The biggest danger is a high wind which will blow the stalks over while the ground is still wet or a freeze which might make the feed fall. A few scattered instances of fallen feed have been reported but the majority of the crop is still standing well, farmers say. Elevator men estimate that probably 40 percent of the crop has been harvested and some will not be ready until after a frost.

A survey Wednesday showed that gins at Lockney, Lone Star, Sterley, and Aiken have ginned a total of 1279 bales compared to 6623 at the same time a year ago. The four gins in Lockney have turned out 779 of that total but had ginned 3302 this time last year.

James E. Whorton Retires From A.F.
James E. Whorton, brother of Mrs. E. M. Quebe, and grandson of the late Mrs. E. M. Whorton of Lockney, has retired from the U. S. Air Force after 20 years of active duty. He retired September 30 at Forbes Air Force Base, Topeka, Kansas, with the rank of Major.
Major Whorton is a graduate of Lockney High School with the Class of 1938. He entered the Air Force in 1940 and served through World War II, then decided to make the Air Force a career. Most of his service has been in the continental United States and the past three years he has been stationed at Forbes.
Major Whorton and his family have moved to El Paso where he will work with an investment firm. Their home address is 2709 Fir Street. The couple has two children.

A. B. Brown Dies At Lubbock

A. B. Brown, former resident of Lockney and at one time president of the Lockney First National Bank, died at 12:34 a.m. Saturday in Methodist Hospital at Lubbock. He entered the hospital more than a year ago for treatment of a malignancy.
Funeral services for Brown were held Sunday afternoon in Bowman Chapel at the First Methodist Church in Lubbock with Dr. Chess Lovern, pastor and Dr. J. O. Haymes, assistant pastor, officiating. Burial was in the City of Lubbock Cemetery.
He is survived by his wife; a daughter, Mrs. Dorothy Neil Hamblen, San Angelo, and a brother Henry Brown, 2215 20th St., Lubbock.

At the time of his death Brown was the last surviving member of the original board of trustees of McMurry College which had awarded him an honorary doctor or humans letters degree in May of last year. One of the founders of the institution, he joined with the late Dr. J. H. Hunt, who became the school's first president in establishing the Methodist college in 1920.
Brown had lived in Lubbock 31 years, moving there from Lockney. A former banker, he bought a controlling interest in the First National Bank of Lockney in 1919 and served as its president until 1929 when he sold his interest and moved to Lubbock.
At one time he was engaged in the dry goods business and later operated the Commercial Hotel here. In recent years he had devoted his time to managing farming, ranching and oil interests in the area.
He was a former president of the Chamber of Commerce in Lockney and served several years as a director of the West Texas Chamber of Commerce. He was a member of First Methodist Church, the Lubbock Kiwanis Club, was a Shriner and a 32nd Degree Mason.

He was born in Bridgeport, Aug. 8, 1891, and was married to the former Birtie Traylor in Malone in 1916. Before moving to Lockney, the couple lived in Amarillo and Plainview.

He was a former president of the Chamber of Commerce in Lockney and served several years as a director of the West Texas Chamber of Commerce. He was a member of First Methodist Church, the Lubbock Kiwanis Club, was a Shriner and a 32nd Degree Mason.

New Wayland Hall Named For Owen

Plainview. — Wayland Baptist College trustees in session Oct. 4 voted to name the 100-unit women's residence hall, for which ground was broken October 17, for President A. Hope Owen. This is the first project of Wayland Associates, an organization of West Texans for the promotion of Wayland which is headed by Ted Ferguson, Amarillo.

Owen Hall will honor Wayland's seventh president, who began his eighth year as president in July. Prior to becoming president Dr. Owen had served seven years on the Wayland

Board of Trustees while he was pastor of Plainview's First Baptist Church.

Mrs. Henry Heck, Plainview, reported on progress of the Home Life Building campaign being conducted by District 9 Women's Missionary Union. She stated that some \$80,000 is in hand and that under the leadership of Mrs. Ralph Davis, Abernathy, a concerted drive is being made this fall.

Ground will be broken for Allison-Conkright Hall, a married students apartment, and Owen Hall on Parents' Day, Oct. 17, according to Dr. Owen. These buildings will cost approximately \$375,000 and are included in the \$4,675,000 estimate. Allison-

LOCAL AND NATIONAL MAIL VOLUME CONTINUES UPWARD

The amount of mail handled by the local post office as well as that handled nationally continues to increase year by year, according to figures released by Postmaster Jeffie Griffith this week.

For the fiscal year ending June 30, 1960, the local post office had total receipts of \$31,295.26 compared to receipts the previous fiscal year of \$31,025.19 and receipts for the fiscal year ending June 30, 1953, of \$20,067.65. This is an increase for the past seven years of more than 50 per cent which exceeds the population growth of the city.

Nationally the fiscal year's total is estimated at 63.6 billion pieces of mail handled which includes one billion pieces of parcel post. This is an increase nationally of nearly 25 percent over the 1953 figure when the annual volume was 50.9 pieces of mail.

During this period the revenue of the Post Office Department has increased from \$2,091,714,000 in the 1953 fiscal year to \$3,276,800,000 for the year just closed.

"There is not much we can do about how much mail we have to handle from day to day or how many people are making use of the Postal Service," Postmaster Griffith stated, "but the whole Department keeps busy in devising ways and means for doing the job not only more efficiently but more economically. As I recall it, that was the way President Eisenhower outlined the principal objectives of the Department when Postmaster Gen. Arthur E. Summerfield was being sworn in back in 1953, and that's the way we have been operating ever since.

"We can't deny that we still make mistakes and that the human element still plays a vitally important part in daily operations, but the statistics in the Department's annual report offer positive proof that we are making progress on a nation-wide basis. As an example, while the mail volume showed an increase of 16 billion pieces handled annually, the employment increase during this same period amounted to only 11 per cent.

"By way of explanation, it should be mentioned that the employment figures — based on thousands of man-years — are first worked out under two separate headings, city carriers and 'all other', and then combined for the over-all percentage figures just mentioned for fiscal 1960.

"It should also be mentioned that there has been a steady and substantial increase in 'city carriers' each year as compared with 1953, ranging from 4.5 per cent in 1954 to 29.2 per cent in the latest estimates. This increase has been essential to keep pace with the ever-expanding growth of established cities as well as the establishment of new ones. City delivery service has been started in 800 communities in addition to the extension of literally hundreds of routes which were already in operation. This required the equivalent of 31,000 more letter carriers to serve approximately 9,000,000 more American families and upwards of 700,000 more business concerns.

"There is perhaps no better way of demonstrating the Department's ever-improving efficiency than by showing just how steadily the annual volume handled per man-year of employment — excluding city carriers — has been increasing since 1953. In that year the total handled by one man was 132,000 pieces of mail. For 1960 the corresponding figure was 157,000.

FORT BLISS
Historic old Fort Fort Bliss, established in 1848, was rebuilt by the city and county of El Paso in 1848. They built it as an exact reproduction of the original fort, but on a miniature scale.

This miniature fort now is on permanent display at the new Fort Bliss in El Paso.

Cockwright Hall is named for Wayland benefactors, J. R. Allison, Wayland trustee, Mrs. Allison, and Mrs. H. G. Conkright, Hereford.

Texans Asked To Reduce 1961 Potato Acreage

College Station. — Texas potato growers are being asked to reduce their 1961 spring acreage by 11 percent, reports Clyde Singletary, extension horticulturist. The recommendation is part of the acreage-marketing guides issued recently by the USDA for 12 southern states that grow spring potatoes.

The guides call for a total spring crop of 172,500 acres, 6 percent less than the 182,700 acres in 1960. Recommended for Texas are 850 acres in early-spring potatoes and 7,800 acres in late-spring potatoes.

These acreage-marketing guides are designed to assist growers in planning their production. Compliance is voluntary, but any USDA assistance to producers will be conditioned on compliance in areas in question.

"This is an effort to keep supply and expected demand in balance," Singletary explains.

"If these guides are followed, and if marketings follow a normal time pattern, supplies should be adequate to meet all requirements at a continuing high level of consumer demand," he said.

Floyd County Library News

By Mrs. A. T. Hull, Librarian

The Floyd County Library has received some 200 books from the State Library. Most of the books that have been received to date are non-fiction and children's books, but we do have some new fiction on the shelves.

"The Fiercest Heart" by Stuart Cloete is a new novel. It is a story of an exodus flavored by the immensity and grandeur of Africa. Mr. Cloete is a foremost authority on South Africa and this is a tale of that country in 1830.

"Walk Egypt", Vinnie Williams, is the story of a woman who wanted desperately to be a better person. It's setting is in the Georgia hills, and the title is from a climatic scene in a little church in Georgia.

"Flight From Ashiya", Elliott Arnold, a story of love and heroism was written from the author's knowledge of the Air Rescue Service of the U.S. Air Force. This service uses airplanes to save lives, not to destroy them.

"Don't Forget to Write", Art Buchwald, bears the classification: 817-Humor. This author is a shrewd observer of human nature and points his typewriter in the direction of actors, American tourists, film stars, fashion, politics and many other subjects.

In "A Long Row to Hoe", Billy Clark reminisces on a boyhood spent in roasting bullfrogs over an open fire in summer and trapping muskrat in the winter. The young hero of this book is a modern-day Huckleberry Finn, but

the author has caught something here that remains deep within us, a rustic tradition of a people who have grown up on the land.

"To Kill a Mockingbird", Harper Lee tells about two children in a small Alabama town exploring the variety of human nature among their family and neighbors. They come face to face with some large and disturbing mysteries. A book for grown-ups.

Other books are: "Sail a Crooked Ship" by Nathaniel Benchley; "The Hills Stand Watch", August Dereleth; "All Our Tomorrows", Josephine Lawrence; "Winter Solstice", Gerald Brace; "Hawaii", James Michener; "My Brother Michael", Mary Stewart and "Golden, Enjoy" by Harry C. Golden.

South Plains

By Mrs. Murray Julian

Days were warm last week, with a low of 44 degrees Friday morning. About 4:30 Saturday morning a cold rain blew in, and showers continued all that day and night, with fog and drizzle all day Sunday. 1 1/2 inches to 2 1/2 inches of rain were reported over our community, but nothing like the hard rain and storm in Floydada.

Only twenty-five were at church services Sunday morning. Rev. John Gillispie had an old-fashioned Sunday School class with all in the auditorium. Muddy roads and cold, foggy weather kept people home. No services were scheduled for Sunday evening.

Young folks of the Baptist church remember the youth meeting at the church next Sunday afternoon, Oct. 23, at 2:45 with Mrs. Oleta Bottoroff of Plainview in charge.

Keith Marble, youngest son of Mr. and Mrs. H. L. Marble, arrived home Sunday morning by plane from Oakland, Calif., after spending the past year with the armed forces in Korea. Keith will farm with the Marble Bros. in South Plains.

Mr. and Mrs. H. L. Marble celebrated the return of their son, Keith, at a dinner Sunday. Guests were Keith Marble, Miss Neta Robertson of Plainview, Mrs. Pierce King and Randle of Floydada, Mr. and Mrs. Don Marble and Donette, Mr. and Mrs. Marvin Wells, Mr. and Mrs. Fred Marble and Mike.

Mr. and Mrs. Sylvain Kinnibrugh, Marilyn and Beth, left Saturday to spend the week end in Truscott and Vera with his folks, the J. A. Kinnibrughs, and her mother, Mrs. J. R. Spivey. They were home Sunday night.

Price Pritchett, freshman at WTSC at Canyon, was home from Friday to Sunday with his folks, Mr. and Mrs. Early Pritchett and boys.

Roy Childress went to Pettit Friday evening where Mrs. Roy Childress teaches, to bring her home for the week end.

Most of our community went to Lockney Friday night to attend the Floydada - Lockney football game. It was homecoming for the Lockney Longhorns, and several from here attended ceremonies during the afternoon and evening.

Birthday Party
Mr. and Mrs. Sylvain Kinnibrugh were hosts at a birthday party Thursday afternoon honoring their youngest daughter, Beth, who was eleven years old. Games were enjoyed by the guests, who came home from school with Beth. Mrs. Kinnibrugh was assisted in serving by Mrs. Kendall Cummings. Refreshments of cup cakes, ice cream, lemonade and Halloween goodies were served to Beverly Pierce, Kathy Mulder, Reta Taylor, Kay and Kelvin Cummings, Mary Respondek, Beth and Jerry Calahan, Darlene Gillispie, and Vicki and Dian Calahan. Beth Calahan and Beverly Pierce spent the night with Beth.

Those from the South Plains Baptist Church who went to Lubbock with Rev. John Gillispie Tuesday night were Bill Thomas, Cherry Mullins, Bryan Karr, and Nathan Mulder. They attended the District Brotherhood Meeting.

Mr. and Mrs. Kendis Julian from Canyon were home with his folks, the Murray Julians, and her folks, the Poyner Roberts of Floydada. Mrs. Julian was initiated into Alpha Chi Honor society Sunday afternoon at West Texas State.

Mr. and Mrs. Bill Beedy were hosts at a family dinner Sunday. Due to bad roads and weather some of the guests were unable to attend. Mr. and Mrs. Charles Beedy and children of Stinnett, Mr. and Mrs. Bradford Beedy and boys of Lubbock, Mr. and Mrs. Eugene Beedy, Mrs. W. B. Wilson, and Mr. and Mrs. George Mize were among the guests.

The Womens Missionary Union met at the Baptist church Wednesday afternoon for Bible study with Mrs. Bryan Karr as the new Bible study teacher. "Sharing My Saviour in the Home," the first chapter in the new Bible study book was studied, with members taking part. Attending were Mmes. Bryan Karr, Grigsby Milton, Shelby Calahan, Ed Noel, John Gillispie, L. T. Wood, Dock Jones and H. L. Marble.

Hunter Beware
Hunting time is upon us. There is something about the thrill of the hunt, whether it be plinking rabbits and squirrels, shooting doves, or stalking deer, that is exhilarating and yet at the same time can be soothing. This paradox of emotions probably accounts for the tremendous popularity of the sport.

In 1958, there were 181 accidental deaths in Texas attributed to fire arms. In November, when hunting starts in earnest, normally sane men start blasting away at one another on deer leases or contrive intricate methods of suicide such as climbing over barbed-wire fence with their rifles off safety.

However, death from firearms is not the only way to die during hunting season. A good many hunters slip and fall over precipices while gazing off into the distance instead of watching their steps on unsure ground. Some get killed before they get to the deer lease in their frantic effort to get there fast, possibly combined with a few warming drinks on a chilly pre-dawn morning drive.

Common sense, starting with cleaning the rifle until you bring home the deer meat all wrapped up, will save a lot of heart breaks in a good many Texas home this hunting season.

What Kind Of Clothes Dryer?
You can buy a dryer to match your washer, both in styling and performance. Some dryers "feel" the clothes and automatically turn themselves off when the clothes are just right.

Other machines sprinkle the clothes for you to make them just right for ironing. Many models give you a 10 minute tumble without heat which removes

stiffness for a party Friday morning with Mrs. C. O. Denning of Floydada as demonstrator. Games were enjoyed and Mrs. Hidalgo served cinnamon rolls and coffee to Mmes. Ernest Smithman, Charles Pruitt, Don Probasco, Reuben Sessums, Grigsby Milton, J. P. Taylor, Neil Langley, Dan Brown, Philip Smithman and C. O. Denning.

Bridal Shower For Mrs. Martha Sanders Main
Beautiful multi-colored dahlias and a silver coffee service centered the lace covered table at the home of Mrs. John Key West Tuesday morning from 9:30 to 11:30 at a wedding shower given in honor of Mrs. Martha Sanders Main, who was married last June and moved from our vicinity.

Mrs. E. P. Pritchett registered the guests who came from Lone Star, Sterley, South Plains, Lockney, Aiken and Floydada and gifts came from Silverton. Mrs. Frank McClure and Mrs. J. P. Taylor were in the gift room. Mrs. Kenneth Bean served refreshments of coffee and little tea cakes to guests.

Hostesses with Mrs. West were Mmes. Frank McClure, J. P. Taylor, J. D. Webb, Arby Mulder, Sylvain Kinnibrugh, Early Pritchett, Grigsby Milton, Dock Jones and George West.

The hostess gift was an electric blanket and other individual gifts. About 60 called or sent gifts.

Mr. and Mrs. Murray Julian left Monday for Roscoe where they plan to spend the day and Tuesday with their children, Mr. and Mrs. Terry Julian and Dee. They plan to bring their granddaughter home with them for a few days. Bruce stayed with Bud Higginbotham while they were gone.

many wrinkles, after which some articles will require little or no ironing. Then there are those dryers with "sunshine" lamps to give the clothes a fresh smell. Infinite drying heats so that you can be as selective as you like, models that require only 115 volts (these models will take more time to dry your clothes) and of course you can select either a gas or electric dryer.

You are the only one who can say which is the best dryer for you. Study all brands sold in your area, select one that has the features you want enough

to pay for and will use, and be sure your dealer will furnish adequate service. Don't forget to mail the warranty or guarantee card as instructed.

Treasure your little book of instructions, and follow the advice it gives. Each manufacturer knows better than anyone else just how to get the best results from his machine.

Attend "J-Day" Saturday

Mrs. G. C. Applewhite accompanied two of her Journalism students to Lubbock Saturday where they attended Journalism Day on the campus of Texas Tech. Students attending were Carolyn Harris, editor of the Lariat, and Linda Poole, society editor for the Lariat. Those from the Round-Up attending were Mickey Mosley, Bobby Holt, Gladys Matthews, James Wofford and Marcia Minter. Approximately 300 had registered to attend the meeting but because of the weather, only half that number were present. Charles Guy, editor of the Lubbock Avalanche, was the keynote speaker. Panel discussions were presented by students from Pampa High School and Texas Technological College and sectional meetings were held for editors, advertising managers and photographers. Entrance fees have been paid for both the school paper and the year book, thus enabling the Lariat to be praised and criticized once each semester by the Tech journalism department and the Round-Up to be examined and appraised each year. The school is a member of the West Texas Press Association, an organization for high school students.

NEW ARRIVAL

Mr. and Mrs. Ewell Kelley of Lubbock are parents of a baby daughter, Cynthia Beth, who arrived Sunday, October 16, at Peoples Hospital, Floydada, weighing 7 lbs., 5 ozs. Mrs. B. A. Cunyus, Lockney, is the maternal grandmother. Paternal grandparents are Mr. and Mrs. Sam Kelley, Lubbock. The mother will be remembered here as the former Nell Cunyus. The Kelleys have one other child, a son, Greg, one year old.

Sand Hill News

By Mrs. James Jeffress

The rain measured 6 1/2 inches in the community and hail the size of marbles and larger covered the ground, along with lightning popping and thunder roaring. Everyone is wondering how much damage the hail did to the crops. Sand Hill 4-H Club met Monday night with the president, Warren Mitchell, presiding. David Bloys led the 4-H pledge and motto. Elaine Starkey and Beverly Pierce were appointed to start plans for the Christmas party. All project sheets are supposed to be turned in. Those who haven't decided on a project should be turned in to Mrs. Gene Bloys soon as possible. Reports were that our club has twelve records turned in. These will be eligible to attend the 4-H banquet in November.

Gene Bloys was in charge of the program. It was on the use of guns and wildlife. Others helping were David Bloys, Bobby Holt, Janice Miller, Beverly Jeffress, Warren Mitchell, Mary Starkey, and Norma Hollums. Recreation was led by Janice Miller. Refreshments were served by David Bloys and Judy Bullocks to Norma Hollums, Bobby Holt, Jimmy Huckabay, Elaine, Mary and Harold Starkey, Danny and Sammy Watts, Ronnie and Janice Miller, Beverly and Steve Pierce, Beverly and Jimmy Jeffress, Becky Miller, Neil and Warren Mitchell, Kelly and Robbie Becker, Willie and Randy Patterson, Rex Pope, Mr. and Mrs. Gene Bloys, Mrs. Pat Bullocks, Mrs. Lynn Miller, Mrs. Willie Patterson, Mrs. James Jeffress and Mrs. Tom Pierce. The next meeting will be Oct. 14 at 7:30 p.m.

Community Center Meets
 Sand Hill Community Center met Thursday night at 7:30 p.m. Gene Bloys called a short business meeting. The community building has had some work done on it and moneymaking plans were discussed. Mrs. Tom Pierce and Mrs. Earl Pierce were in charge of recreation for the children. Progressive 42 was enjoyed. Mr. and Mrs. R. L. Bullocks, Mr. and Mrs. Tom Pierce and Mr. and Mrs. Earl Pierce were hosts for the evening. Others present were Messrs. and Mmes. Glen Kinard, Gene Swanner and son, Tom Pierce, M. B. Swanner, Gene Bloys and sons, B. J. Wofford and Jimmy, Fred Jackson, Lynn Miller and Ronnie, Kirk Slater, Weldon Smith, Orlon Miller, Wayne Billington, Jim Holmes, Becky and Lynn Miller, Jimmy McGuire and family, H. F. Jackson, Earl Pierce and son, James Jeffress and sons. Next meeting will be Thursday, Nov. 10.

Miss Fern Sissney of Lockney spent Thursday night visiting in the home of Beverly Jeffress after they attended the homecoming bon fire at Lockney. Mrs. W. R. Billington and Mrs. William Mayo visited in Plainview Thursday with Mrs. Billington's parents. Mrs. Cora Pace of Floydada is still making her home with her daughter, Mr. and Mrs. Walter Knight since her illness. We wish her a speedy recovery. Mr. and Mrs. Bill Stringer and Christy left Saturday to spend the week end at Munday, visiting her parents, Mr. and Mrs. Joe Earp and Brad. We are looking forward to seeing the Earps at homecoming at Sand Hill Baptist Church Nov. 6. Grandmother Holmes is staying in the home of her son, Mr. and Mrs. Jim Holmes this week. She will probably be there for the

Fly To Seattle For Religious Crusade

Royce Vernon of Lubbock, son of Mr. and Mrs. B. B. Vernon of Lockney, and E. D. Morgan of Floydada, manager of the Plains Baptist Assembly, were among 17 area Baptist men who flew by commercial airliner from Lubbock to Seattle, Washington, Wednesday night of last week where they conducted a city-wide laymen-led religious crusade. Fifteen of the men, including Vernon, were from Trinity Baptist Church in Lubbock. Morgan is a member of the First Baptist Church of Floydada. The group returned home after services Sunday night. Made up of men from various professions, none of them professional religious workers, the group filled the pulpits of 17 Seattle Churches each night Thursday through Sunday. The invitation to conduct the crusade came from the Associational Brotherhood in Seattle. A group of 12 men from Trinity Church conducted a similar crusade at Estancia Valley, New Mexico, last year.

Visitors in the home of Mr. and Mrs. Alvin Nichols Friday night were his brother, Mr. and Mrs. Mark Nichols and T. Sube of Sweetwater. The visitors were enroute to Denver to visit the Mark Nichols' son, Bill Nichols, Assistant Supt. of the Martin Co.

Miss Janice Hays, student of Baylor University, Waco, spent last weekend here to attend LHS Homecoming and the Baylor-Tech football game at Lubbock. She was accompanied by a classmate, Miss Linda Ableson of Dallas.

next two weeks. Visiting Sunday in the James Jeffress home was Mrs. Jeffress' brother, T. B. Brown, who was returning home to Lubbock after spending several days in Kansas City, Mo. It had been more than a year since Mrs. Jeffress had seen her brother. Mr. and Mrs. Leroy Durham from Plainview visited in the home of Mr. and Mrs. Jess Starkey Sunday afternoon.

Ken Roberts of Floydada visited Beverly Jeffress Sunday. Everyone has started working on the Sand Hill Baptist Church homecoming which will be Sunday, Nov. 6. This will be an all-day meeting with dinner served at noon. Cards are being sent to all ex-members that their addresses are known. Anyone knowing any addresses please contact Mrs. Dale Stringer or Mrs. James Jeffress. Everyone is extended a special invitation to come. After the hail storm Saturday many of the phones have been out, and the electricity has been off a lot through Sunday. Worst hit was north and west of Sand Hill. The Barwise Community was almost completely wiped out, reports say Sunday evening we found many cotton bolls split by hail stones and just hanging by a little piece of stem. What these bolls will do is anybody's guess. Others hurt had were Earl Pierce, Gene Bloys, Glen Kinard, T. C. Hollums, Bill Stringer and many others that we have been unable to contact. Mr. and Mrs. J. R. Turner and Carmon of Providence spent Monday visiting in the home of Mr. and Mrs. James Jeffress.

The community was still water bound Tuesday morning. Water was over the highways anyway you tried to go. The lakes were so full the water was draining slowly.

Urges Donations To CROP Fund

J. C. Eiring, chairman of the Hale County Christian Rural Overseas Program, is urging farmers to remember C. R. O. P. with donations of products this fall. Cotton, maize and other crops will be accepted. They may be given through the gin or elevator which you patronize, who will be glad to handle the gift for you. A goal of 100 bales of cotton for the 23-county area surrounding Plainview has been set and farmers are reminded by Mr. Eiring to make their donations of cotton through the local gin. The State of Texas has a goal of \$80,000 in cash to be used in buying rice for children in the far East. Mr. Eiring points out that five cents will give eight hungry children a cup of milk a day for a month. Twenty-five cents will give 19 children bread and milk every day for a month and \$1.00 will give 15 children a cup of milk every day for a year. It was not known here this

UNION OF CHURCH AND STATE

For over 1,000 years Roman Catholicism held sway over the minds of men and kept them in complete spiritual ignorance. The Bible was kept hidden from the people and they were slaves to Papal Rome. The movement that finally crippled the power of Papal Rome was called the Protestant Reformation.

Efforts to reform Catholicism broke out in the early part of the 16th century A. D. in Germany, England, Scotland, France, Italy, Norway, Sweden, Denmark, Holland, Belgium and Switzerland. Some of the leading men protesting were: Luther, Calvin, Knox, Zwingli and many others. Out of these protests came, either directly or indirectly, the various protestant religious bodies of modern time. We need to remember that neither Catholicism nor Protestantism is found in the word of God and that though Catholicism is older than Protestantism, neither is old enough to be the church recorded in the Bible.

Watch next week for "Catholicism, Protestantism or Christianity — WHICH?"

CONGRESSMAN GEORGE MAHON

Says:

I AM VOTING DEMOCRATIC BECAUSE I BELIEVE THE DEMOCRATS WILL DO A BETTER IN DEFENSE THAN THE REPUBLICANS.

I AM VOTING DEMOCRATIC BECAUSE I PREFER THE KENNEDY - JOHNSON TEAM OVER OPPOSING TEAM. Nobody who hasn't been President has had any experience in the Presidency. There neither team has had that experience. The Democratic team is alert, able and experienced in the cult affairs of government. The Democratic team talk back to Krushchev with deeds, not words. Khuschev doesn't speak English and he doesn't understand words very well, especially English words, but he understands deeds and the determination and will of a people. This is the area in which democracy must triumph. And that's where I think Democratic leaders are strong.

I REPEAT, I THINK THE DEMOCRATIC PARTY AND THE DEMOCRATIC CANDIDATES ARE FOR TEXAS AND THE NATION.

— From a radio address by Congressman Mahon

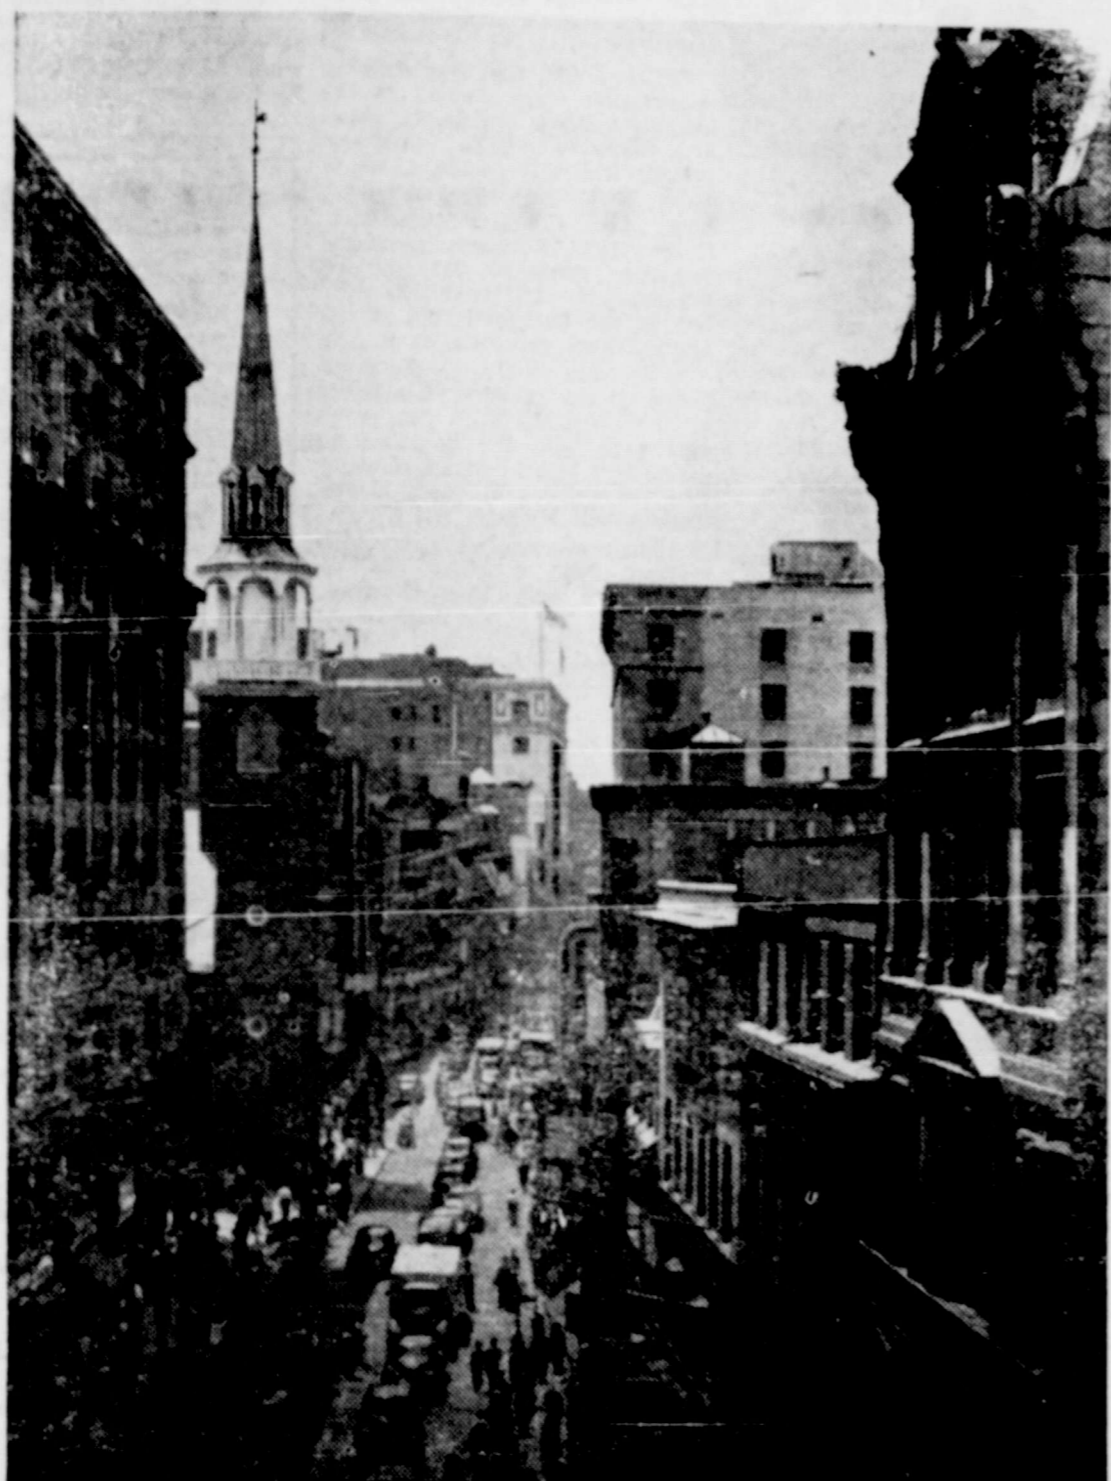

Congressman George Mahon is our own congressman. He has been in the Congress for 26 years. He is a statesman and Christian leader. He was elected by Washington newsmen as one of the most valuable men in the Congress. He is Chairman of the Military Appropriations Committee of the House of Representatives of the Congress. He knows as much about the defense of this country as any man in the Congress. He knows whereof he speaks.

THINK BEFORE YOU VOTE

VOTE DEMOCRATIC — THE WORLD MAY BE YOUR OWN!

The gong sounded! I dashed from the office into the crowded street, and hurried on into the fading sunlight. The bell in the familiar old church tower was striking five. I had made it again! I would reach the commuters' train and be in my suburban home at the usual hour.

As I rushed past the church, chimes sounded melodiously over the busy, struggling mass of humanity. Suddenly, I stopped in the midst of it. Why this mad rush day after day? Tomorrow and tomorrow and tomorrow would be the same. But today the chimes recalled to me a sense of peace and purpose, a satisfaction once experienced in the fellowship of worship and friendship.

The commuters' train was forgotten as I entered the vast, semi-lighted church. From far up at the marble altar came the words of a prayer: "O God, our Heavenly Father . . . the endless tide of business, toil, and care moves on around us. Go with us and bless us who have stopped within this holy place of prayer for one brief moment to be refreshed by thy love, and quieted by thy peace." The organ took up the response and the "Amen's" soared upward as I knelt in grateful prayer. "Never again," I resolved, "shall I deprive myself of the security and satisfaction of regular church attendance and worship. My place in the little suburban church shall be filled on each Lord's Day."

"...and give thee Peace"

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sen. Fulbright To Speak at Lubbock

Lubbock. — Sen. J. William Fulbright of Arkansas will speak at a \$15 a plate Democratic Party Fund Raising dinner in Fair Park Coliseum here Monday night. The meeting will begin at 7:30 p.m.

Fulbright, who is chairman of the Senate Foreign Relations Committee, will be introduced by U.S. Rep. George H. Mahon of the 19th Congressional District. Fulbright's visit is one of the few speeches he will make during the campaign, Travis Shelton, District Committeeman, and Dist. Judge Howard Davison announced.

"We feel we are fortunate to get Sen. Fulbright to come to Lubbock for his South Plains appearance," Shelton said, "for he has been kept at party headquarters in Washington for counsel on foreign relations during the campaign."

Judge Davison stressed "People outside Lubbock have joined up in this effort, and it isn't just a Lubbock affair. It's area wide, and we are expecting a big turnout."

John B. Stapleton, Floydada, Democratic Campaign Director for this area, is in charge of ticket sales here.

Tickets also may be obtained by writing Democratic Headquarters, 1010 Broadway, Lubbock. Please send check or money order.

Genghis Kahn forbade his people to wash clothes or bathe in running water during a thunderstorm.

VFW Will Furnish Transportation For Voters

Lockney Veterans of Foreign Wars Post will furnish transportation to anyone needing a way to go to the polls and vote in the General Election on November 8. It was announced this week. Transportation headquarters will be at Allison Electric, and those needing transportation are requested to call OL 4-2417. The VFW Auxiliary will sell buddy poppies on Saturday, Nov. 5, benefit of disabled veterans.

Band Boosters To See Films

Program for a meeting of Lockney Longhorn Band Boosters next Tuesday night at 7:30 in the band hall will be the showing of color sound films of last year's marching contest, also other movies of football halftime shows. Everyone interested in seeing these films are cordially invited to attend.

Young Farmers To Meet On Tuesday

The Lockney Young Farmers organization will meet next Tuesday evening at the ag building in Lockney. The group will meet at 7 p.m. and go in a body to the sugar beet meeting at Floydada, according to Ted Carthel, secretary.

The program from the National Cotton Council has been postponed until November 8, Carthel announced.

Student Council Has Busy Week

The LHS Student Council met Tuesday morning at 8:00 to discuss plans for forthcoming activities.

Mrs. McAda reported that the Council cleared at least \$90.00 selling Homecoming corsages. The Student Council really worked hard last week, especially on Friday. The twelve members helped register the exes and made the ribbons and crowns for the Queen and her Princesses.

The Student Council was also responsible for making the platform for the Queen and her court to sit on at the ballgame, and getting trailers for the cheerleaders to stand on at the bonfire. The public address system and lights were furnished by the Student Council. They sponsored the wood contest on Wednesday of last week, which the Junior Class won, and they will receive \$10.00 from the Student Council. The Student Council was also in charge of the coronation ceremonies at the game last Friday, with Mrs. McAda as Master of Ceremonies.

Scout Training Course Offered

A Girl Scout training course will be held at the American Legion Home October 24, 25, 27, Nov. 1 and 3 from 9 a.m. until 2 p.m., according to Mrs. Wayne Bramlet, one of the local leaders. The course is available to anyone interested in Girl Scouting. Mrs. T. E. Vestal of the Plainview Council will be here with a corps of workers to offer the training.

Officers Say Thanks For Help At Game

The city and county officers express their sincere thanks for the wonderful help given by six local citizens in helping park cars at the Lockney-Floydada football game here Friday night.

The officers had a terrific job in getting cars parked with so little space around Mitchell-Zimmerman Field and these men helped out immeasurably. The crowd was one of the biggest ever handled here, the men think. Helping care for the huge parking problem were Darrell Coulson, Ray Carthel, Raymond Redd, Wayne Williams, G. A. McAda and Gonzalo Gonzales.

Cub Scout Pack To Meet Tuesday

Lockney Cub Scout Pack No. 59 will have the regular monthly meeting next Tuesday, October 25, at 7:30 p.m. at the grade school lunchroom, it was announced this week. All Cubs and their parents are urged to attend.

STATUE OF POPEYE

A life-sized statue of Popeye, the sailorman of newspaper cartoon fame, stands at Crystal City, south of Uvalde, in Southwest Texas.

Why is it there? You guessed it. Crystal City is the spinach capital of the world.

HOMECOMING ATTRACTS MANY VISITORS HERE FRIDAY

About 150 out-of-town people were present along with hundreds of local residents at the homecoming of ex-students of Lockney Schools last Friday. The high school building was crowded most of the day with visitors and registration, a general assembly at 1:45 p.m. and class meetings along with visiting with friends kept the crowd busy.

Officers for the Homecoming Association were elected at the assembly. They are R. L. Knox Jr., Class of 1943, Lockney, president; Jim Reynolds, Class of 1955, Lockney, vice-president; Mrs. Ann Cooper McCormick, Class of 1953, Lockney, secretary-treasurer. Close to 400 attended the assembly and near 500 were fed at the barbecue held at the High School cafeteria at 5 p.m.

A decision to change the regularity of the meeting was made at the assembly with the group voting to hold the homecoming every four years instead of every five years. Thus the next Homecoming will be held in 1964.

Almost every class from 1930 forward held a class meeting during the day, most of them meeting in one of the class rooms in Junior High or High School, but some were held in homes or in public buildings in town.

Miss Janice Boedeker was crowned Homecoming Queen in a colorful ceremony at 7:45 p.m.,

just preceding the football game. Big event of the day was the football game Friday night which the Longhorns dropped to Floydada 20-14. Probably 3,000 fans from Lockney and Floydada crowded into Mitchell-Zimmerman Field to witness the annual gridiron battle.

Those who registered from among the first graduating classes of the Lockney High School were Mrs. Carl McAdams and R. I. Bennett from the class of 1910, and Mrs. Grace Livesay By-

A total of 233 ex-students registered during Friday, this figure not including non-ex husbands and wives of the ex-students. This number ninety of them were out-of-town people. In addition a number of ex-teachers registered.

Stone houses over 500 years old in Texas?

Yep, in our Texas panhandle. Nope they don't build 'em. They used to any more.

These were built by the Paleo Indians and were discovered in 1907. You can see them just 18 miles southeast of Pecos.

THINK BEFORE YOU VOTE!

Do you embrace Lodge's stand in favor of Federal aid to parochial schools? How does Nixon stand on the subject? Do you know? Senator Kennedy has stated that he is unequivocally opposed to such aid, and he has voted against it.
