RADIO KFBA is under a new general manager, Dick Bruce. He and his wife, Fany, and son, Dickie Jr. have made Floydada their new home. With big plans and high hopes this family is a welcomed sight to Floydada and Radio KFBA.

## New citizen makes big plans to entertain

BY HOPE WARREN

New people are always coming to Floydada for occupational reasons. Some to open new businesses, others for new professional practices. Dick Bruce and his family came for the "Voice of the Caprock Country."

The new general manager of KFBA radio assumed his duties on June 6, 1983.

Bruce, his wife Fany, and son Dick Jr., came to Floydada after he left his managing position at KTXO radio in Sherman, Texas. He was also manager of KTLK radio in Beaumont and KOLE radio in Port Arthur, Texas.

Bruce has been in radio and television for over 25 years. He has served in many areas of broadcasting. He was an announcer for two of the largest stations in the United States, WLW radio and television in Cincinnati, Ohio, for six years and WDSU radio and television in New Orleans, Louisiana, for six years. Bruce has also been an overseas correspondent with the Mutual Broadcasting System in Hawaii for two years. Bruce is also the former vice-president of Southwest Public Advertising in New Orleans. He held that position for eight years.

Movie Star Parade magazine and See magazine voted Dick Bruce second favorite announcer out of 2600 candidates in the United States. He was in New Orleans at the time of this honor.

He met his wife, Fany, while on an assignment for the President of Nicaragua. This assignment to him to Honduras, where she is originally from. They met there, then Fany moved to New Orleans to live with one of her two sisters. They worked together at South-

west Public Advertising in New Orleans. They have been married for six years. Fany was born Fany Hernandez in San Pedro Sula Honduras in Central America. She has been a Spanish teacher for ten years and would like to teach in the Floydada Independent School District. Dick and Fany Bruce have a three year old son, Dick Jr., or "Dickie" as they call him. Fany is not the only member of her family in America. She has a sister and two brothers in New Orleans.

Bruce was born in Sherman, Texas, on January 21, 1934. When he was a young boy, he and his parents moved to Cincinnati, Ohio. While in Cincinnati, Bruce graduated from the Ohio Military Institute and from journalism school in radio and television from the University of Cincinnati.

Bruce is a member of the Public Relations Society of America, National Association of Broadcasters, a member of the Rotary Club, and former board member of America Federation of Radio and Television Artist.

He says he is glad to be back in Texas. He says they like Floydada and are happy here. Bruce feels Floydada has a great future. His main ambition for this town is to produce a live country music show every Saturday night in Floydada. The show would be from 5-9 with singing groups from the entire Caprock. He would like to get Don Williams to come back to Floydada and kick off the first show. He reports he has already talked to one national sponsor, but not to Williams yet.

Dick Bruce is involved in this community and has many plans for it. Floydada is definitely on the rise with help from citizens like Dick Bruce.

## FHS cheerleaders attend and sponsor summer camp

BY HOPE WARREN

The Floydada High School Cheerleading Squad recently attended cheerleading camp June 20-23 at Howard County College in Big Springs, Texas.

While at camp, the girls received the spirit stick two nights and even brought it home to Floydada. By winning the spirit stick, it means your squad has the most spirit for a day. By bringing it home, they had the most spirit for the week. The Floydada squad also won four blue ribbons.

The camp, which was sponsored by NCA, hosted 31 schools with a total of 171 girls. The girls were taught dance and pom-pom routines, new chants and yells, jumps, and pyramids. They are planning to use the dance and pom-pom routines at the pep rallies.

Also accompanying the girls to camp was their sponsor, Miss Dana Stout. Miss Stout is entering her second year as a Floydada High School homemaking teacher.

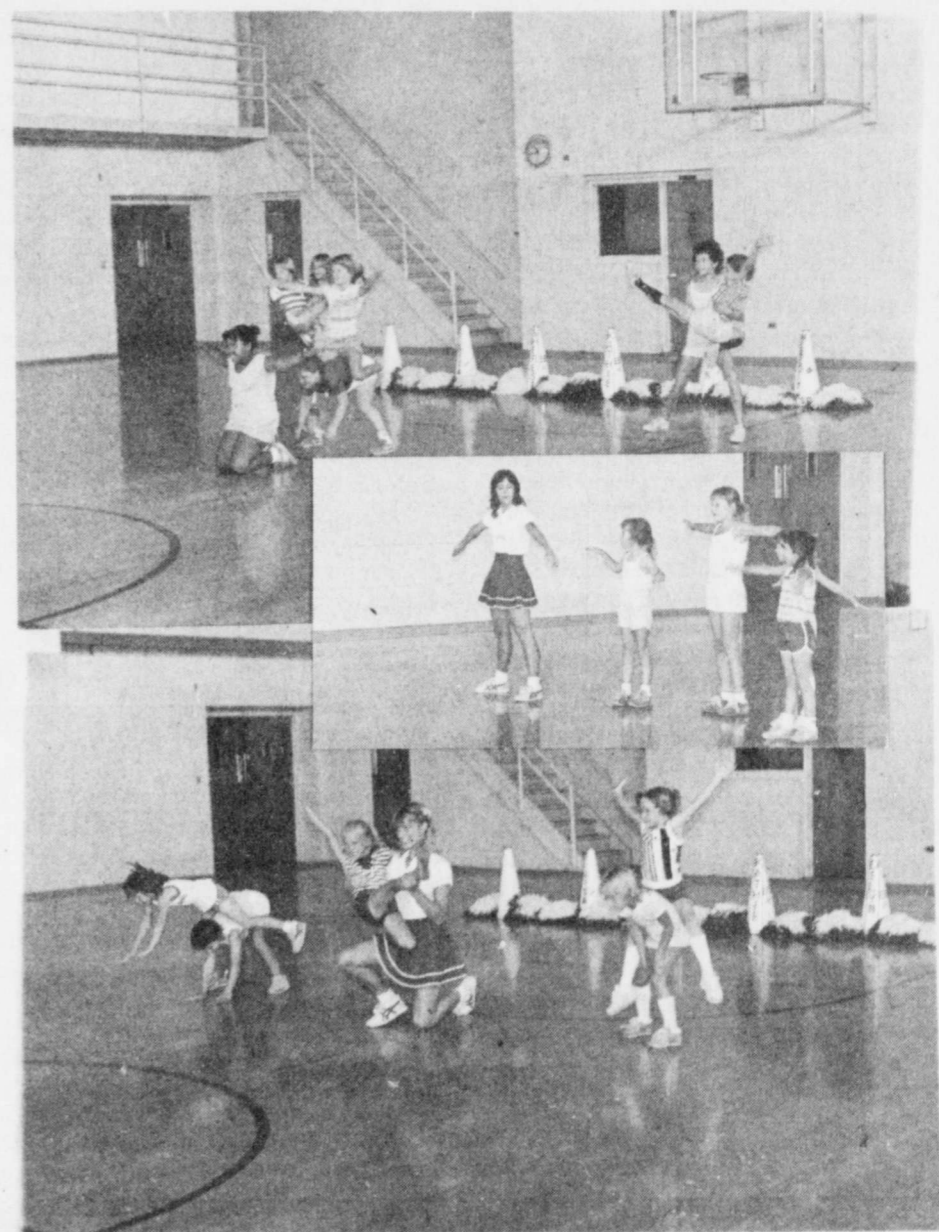

The cheerleaders are making many plans for the 83-84 school year. They are planning to sponsor a dance for the high school students, changing the pep rallies to the auditorium instead of the gym, get high school organizations involved

in skits for the pep rallies again and adding the color gray to the school colors of green and white.

They have also held their annual summer clinic for the little girls ages 5 and up. The clinic started on June 27 and ended with a pep rally on June 30. Approximately 22 girls attended the week long clinic held from 9:30-11:30 each morning. About 70 parents and neighbors attended the pep rally. The girls were taught yells, chants, jumps and pyramids and demonstrated their skills Thursday.

The cheerleaders for the 83-84 school year are De Lyn Ramsey, Sr., Head, daughter of Mr. and Mrs. Dallas Ramsey; Sherese Cannon, Sr., daughter of Mr. and Mrs. Jerry Cannon; Kathie Battey, Sr., daughter of Mr. and Mrs. Jerry Battey; Meredith Kitchens, Jr., daughter of Mr. and Mrs. Ronald Kitchens; Melissa Bigham, Jr., daughter of Mr. and Mrs. James Bigham; and Lisa Smith, Jr., daughter of Mr. and Mrs. A.O. Smith.

These girls are very excited about the next year and are asking the town to continue to sponsor the youth of Floydada and would like to thank Miss Stout for her encouragement and support.

THE FLOYDADA HIGH SCHOOL CHEERLEADERS held a clinic for girls five years old and up June 27-June 30. The future cheerleaders learned yells, chants, and jumps. The clinic was held in the high school gym. On June 30, parents and friends were treated to a Pep Rally where the little girls demonstrated all they learned.

# Lakeview News

BY JOYCE WILLIAMS

Roxanne Lloyd and her sister, Cynthia Chamber of Lubbock came over Saturday morning and spent the night with their parents, Mr. and Mrs. Fred Lloyd. Joyce has been hoeing tomatoes, trying to keep them alive in the hot, dry winds that have blasted the South Plains the past week.

A little bit of moisture did fall in midweek, last week. On Wednesday, after Verlon Wright had finished cutting wheat, a storm blew up and lightning set the wheat stubble afire in his field. The rain put out the fire and it burned itself out.

Mr. and Mrs. Robert Pyle and children were July 4th weekend guests of Robert and Louis' aunt, Mrs. Iona Adkins, at her cabin at Lake Kemp. Louis and Virginia Pyle, Iantha Smith, David Pyle, Michelle and Scott Smith were among the guests. They returned home Sunday.

The Wayne McHams joined other relatives for a Neagle family reunion Sunday at a park in Lubbock. The Neagles are the family of Mrs. Alvin McHam, mother of Wayne. Others there included Tommy and Judy McHam and three children; Dennis and Patti McHam and son, Lance; Mrs. Alvin McHam and daughter, Peggy.

Mr. and Mrs. Monte Williams and Mrs. O.D. Williams attended a Jones family reunion at their uncle's ranch near Dumas Saturday and Sunday. Wheat harvest was in full swing. The young men of the family either came in to greet the visitors in shifts or requested their meals be brought to the fields by the pretty teenage girl cousins.

A harvest crew from England was helping also. Harvest was averaging from 90 to 100 bushels per acre.

At Tulia, triple rows of cut wheat are dumped for two blocks near the elevators, which are full of last year's crop.

Judge and Mrs. Choise Smith and children, Jody, Hunter and Dean, stayed last weekend in Lubbock at the Grandada Royale. The occasion was in celebration of Hunter's birthday and Choise and Kay Dean's anniversary.

Recent visitors in the home of Mr. and Mrs. Verlon Wright, during Cindy's wedding festivities, included Mrs. Nell Crenshaw and two children, Missy and Kelly McCullough of Kilgore, and a friend Joe Wilson. Also Mr. and Mrs. John Horn of Lubbock, Mr. and Mrs. Leon Wright, Charlotte Wright and son, Kenneth, of Waco, was here for the wedding and visited her brother, Joe Wayne, in Lubbock. Kelly McCullough, age 15, is spending the summer here helping Verlon on the farm.

Mrs. Viola Brown visited with the Billy Joe Hambrights Sunday. Kathy and Jerry Green and daughter, Heather, all of Lubbock were there. Todd Hambricht and guest, Terri Pigg, of Lubbock were also present. They grilled hamburgers for a cookout, but the heat of the day made them eat indoors.

Mr. and Mrs. David Hart, daughters Salinda, Sara Jane and Sandy, and new baby son, Paul were here on Father's Day to visit Mr. and Mrs. Fay Hart.

A century plant is blooming in the yard of Mrs. Viola Brown. The plant was given to her about five years ago by Mr. and Mrs. A.M. Darsey. As the blooms burst open up and down the

stalk, the honey bees are swarming all over it daily.

The Rex Harrisons celebrated the 4th with hamburgers and homemade ice cream.

Mr. and Mrs. Fred Lloyd visited in Lubbock Thursday with her parents Mr. and Mrs. Lee Keese, and played cards. On Friday, Joyce Lloyd and her daughters, Nancy and Cynthia, shopped in Lubbock.

Jason Pyle, who played on Lon Davis T-shirt league team, and his teammates played against the All Stars last week. They enjoyed a picnic before the game at the park.

Judge Choise Smith, commissioners Jack Lackey and Thomas Warren traveled to Austin last week to meet with the Highway Commission for funds to repair the damage on the Baker community road. Last winters snow, ice and freezing temperatures caused the paving to crumble and disintegrate. It's dangerous for a school bus to travel on. They took along statements and petitions from local residents and the Floydada school.

Mr. and Mrs. Tom Taylor and children of Crosbyton visited the James Williams last Tuesday evening.

Mrs. Verlon Wright went to Lubbock Tuesday to see Mrs. John Horn who had surgery at West Texas Hospital and she and Verlon also went back Sunday to check on her aunt.

Mr. and Mrs. R.T. Bunch of Arlington visited their aunt and uncle, Mr. and Mrs. W.H. Bunch, from Thursday through Monday. It was too hot outside, so they visited inside the nice cool house.

Houseguests at the Bobby Kendrick's farm have included their grandchildren, Ginger and Jana Sterling, children of Becky and Richard Sterling of El

Dorado; also Dinah and Jason McDougle, children of Katherine and Warren McDougle of Kerrville. They arrived in Lubbock on the bus last Wednesday. Katherine and baby Condice came by Tuesday and took them all home, dropping off the Sterlings in El Dorado, leaving Thursday. Jean took everyone to Roaring Springs, nearly every day for swimming and playing in the creek. The children especially enjoyed watching the aerial maneuvers of the spray plane as it sprayed their grandfather's sun flowers just about sundown. Earl and Thelma Crawford came out for coffee Monday.

Steve Moore and friend Nancy, came home from Kilgore for July 4th. The Dean Watsons had them as their guests at Roaring Springs. Also present were Cindy and Rick Fuller, and Bill Moore.

## South Plains News

By Mrs. Murray Julian

South Plains, July 4th:

Independence Day here at South Plains is windy and hot with a 90 degree temperature. Flies and mosquitoes have been bad, too, the past week as heat sent them to cool back porches, and around trees and bushes. We have been looking for showers here, but only light sprinkles have fallen around South Plains. This is the day for picnics, get-togethers, time at the lakes and outdoor camping. The wind has blown so hard the past few days that boating has not been good on the lakes, and neither has fishing been the best.

The South Plains Baptist Church with pastor Cecil Osborne, pianist Mrs. Darla Chappell, song leader Kendis Julian and others of the church, Mr. and Mrs. Grigsby Milton, Jerry Chappell, Mr. and Mrs. Sterling Cummings, and Mrs. Bonnie Julian went to Lockney Sunday afternoon at 3:00 p.m. to hold services for the men and ladies at the Lockney Convalescent Home. It was a hot day as the temperature rose to 108 degrees, that is what our thermometers here said. It is a privilege to minister to those at the Lockney Convalescent Home.

The King Family Annual Reunion will be held this coming Saturday, July 9th, in Floydada at the MAC Center, for an all day visiting time, and getting to see family members again. Each family will be bringing food.

Mrs. Nancy Marble had the pleasure of having her twin sister and two boys of Marengo, Illinois, near Chicago, here in June. Mrs. Patsy Holland Musser, and Jim and Joe, came on June 17, to visit with Nancy and Patsy's mother, Mrs. Nita Holland of Lockney and with the Don Marbles of South Plains. They visited here and with other relatives and left last Monday for their Illinois home.

Mrs. Ruby Higginbotham spent the past week-end and Monday in Amarillo with her sister, Mrs. Edith Guggenheim and they spent part of this time on a trip which took them to Wichita, Kansas to visit other relatives. Mrs. Higginbotham will be back at home Tuesday.

Kelly Marble was home with his parents this past week-end from Texas Tech at Lubbock where he is working at a florist shop and is also attending Tech classes. Sunday night Carolyn and Fred Marble received an overseas call from daughter, Cindy, who is with the People-to-People program of which there are 26 students. The group is traveling over Europe and Cindy called from Florence, Italy where the group was staying. They are scheduled to be

back home July 20th.

News of Mrs. Alvin Nichols who moved to Sweetwater last year from her home near South Plains came to us, and she has been ill the past few weeks, we are sorry to hear. We hope she soon gets back to feeling well. She is looking forward to her granddaughter, Mrs. Judy Allen of Virginia Beach, Virginia, and Daveyonna, her daughter, coming to visit in Sweetwater the latter part of July.

Mr. and Mrs. Fred Cox of Arlington were here last week-end where they visited Mrs. Cox's brother, Mr. and Mrs. Ernest and Ruth Smitherman on Friday and that night. They went from here to Dimmitt where they planned to visit Mrs. Jack (Aileen) Smitherman who formerly lived here in South Plains. The couple planned then to go on and visit in Colorado before returning home to Arlington.

Houseguests here with Carolyn and Fred Marble for the coming week-end and the King Reunion will be Mr. and Mrs. June and Marvin Wells, Jill and Kay from Denton, Mrs. Maydell Lee of Beaumont with her two daughters and

The Hamm's are taking them to Amarillo this Tuesday where they will visit another daughter, Mr. and Mrs. Pat and Jeanne Huff and Duane, and then the Berkes will fly home to Arlington. A treat from the Berkes garden which Mike brought with him were tomatoes, squash, green peppers and black eyed peas which they had grown.

## Letter to the Editor

Gentlemen:

I must write to your community concerning one of the most vital needs of any community, that of first rate care of the elderly and the ill. In your community you are extremely fortunate to have the Floydada Nursing Home as well as the Caprock Hospital.

My father-in-law (law) passed away recently in the Caprock Hospital. He received such tender care from the nurses and Dr. Hong. You are very blessed with Christians in the medical field in your town and area.

Now my letter concerns the Floydada Nursing Home. Oh, what a place!! I spent most of three weeks in and out (mostly in) the "Home" during our loved one's last weeks to live. Never could there have been such love and attention from the **whole crew** anywhere else. I mean from Housekeeping to Aids, Nurses to Supervisors, Cooks to Managers. And I certainly would not leave out the Social Director nor the owners, the lovely Westbrooks! Not one time was there anyone cross to us. That is the hardest working bunch of people I have ever seen in one place!

The only complaint I have is toward people who put their loved ones in any institution and forget them. I witnessed older people whose minds appeared to be gone that were 99% better when some of their families came to visit. I would admonish you if you have been to see someone in the "Home" and found them fastened in their chairs with their wheels tied. **GO MORE OFTEN!** IF you smell an offensive odor, it is because many of those forgotten people exercise no control. **Some** who are ill have no control. But constant care is given to housekeeping and patient changes. I know, I was there around the clock. The work goes on day and night, as well as tender loving care.

I cannot express enough our gratitude to the Floydada Nursing Home for each act of love and thoughtfulness, not only to the residents, but to those like our family who are so far from home. They are a very special, dedicated, qualified and Christian bunch of people. We pray God's richest blessings upon them and your community!

Sincerely,  
Mrs. E.M. Goolsby (Frances)

## Home garden, site of wedding ceremony

Donna Lynn Reid and Victor L. Kraybill were named husband and wife, during a 10 a.m. wedding ceremony, July 2, 1983 in the garden of the bride's parents. Lee Crouch, pastor of the First United Methodist Church of Vernon, read the marriage vows.

The couple are the children of Mr. and Mrs. Charles W. Reid of Floydada and Paul V. Kraybill and the late Mrs. Kraybill of Putman, Oklahoma.

The garden and circular patio area were decorated with barrels of flowering pink geraniums, hanging baskets of Swedish ivy, colcus and assorted plants. The ceremony was performed in front of three wooden plant stands, which held green plants with geranium pink accent flowers. The stands were made by Carrick Snodgrass, grandfather of the bride.

Wedding music was presented by Mrs. Carolyn Cheek of Floydada, pianist, and Mrs. Mark (Gay) Hall of Wolforth, flute soloist.

Presented in marriage by her father, the bride's gown was of Venice lace with ribbon insets. The blouson Victorian bodice was accented with lace at the cuffs and neckline. The three quarter skirt was finished with a lace flounce, the gown was finished with a satin sash. Her bouquet, designed on a candlelight lace fan, consisted of candlelight and pink roses, tiny pink rosebuds, geranium pink tufts, geraniums and candlelight angel lace. Bows and streamers were fashioned of shades of geranium pink satin picot ribbon and candlelight and pink satin ribbon lace.

Following tradition, the bride had, tied in her bouquet, a gold wedding band, belonging to her maternal great-grandmother, as something old; something new was a gold watch, which was a gift from the groom; something borrowed was a diamond pendant, belonging to her mother; and something blue was her garter. She also wore pennies in her shoes, minted in the year of the groom's and her births.

Serving as maid of honor was Vicky Jo Johnson of Oklahoma City, Oklahoma. Bridesmaids were Cindy Day of Weatherford, Oklahoma and Mrs. Max Libby of Beaver, Oklahoma.

Bridal attendants wore petal pink dresses with a scooped neckline, accented with an organza bib edged with pink ribbon and short puffed organza sleeves trimmed with matching ribbon. The tea length skirts had three rows of petal pink ribbon ascending from the hem.

The waist was accented by a pale organza rose and satin ribbon. Attendees carried long stem clutch bouquets of candlelight roses accented with pink rose buds, geranium petals and champagne angel lace. These were tied with shades of geranium pink picot satin ribbon bows and streamers.

Karel and Kasey Kraybill, both of Burns Flatt, Oklahoma, were flower girl and ring bearer, respectively.

Attending the groom as best man was Ron Ferrell of Stillwater, Oklahoma. Joe Reid, brother of the bride of Kilgore, Texas and Mark Clinard of Midwest City, Oklahoma were groomsmen.

A brunch followed the ceremony in the home of the bride's parents.

Assistants for the brunch were Mr. and Mrs. Bobby Rainer, Mr. and Mrs. Irvin Seymour, Mr. and Mrs. Tom Powell, Mr. and Mrs. Bill Tye, Mrs. Chloma Williams, Mrs. Larry Stovall, Mrs. Doris McLain, Mrs. Bill Dawson, Miss Shanna Seymour and Cliff McLain.

Mrs. Larry Stovall presided at the register.

Both the brunch and cake tables were draped with candlelight cloths, edged in pink lace. Hanging plants adorned the patio. Tables featured geranium pink arrangements. Crystal and silver appointments were used. The site was also accented with a flower arrangement in shades of geranium pink flowers, made by the grandmother of the bride, Mrs. Carrick Snodgrass.

The three-tiered wedding cake, decorated with shades of pink roses, was a gift from the bride's great aunt and uncle, Mr. and Mrs. Everett Miller.

Following a wedding trip to Cozumel, Mexico, the couple will reside in Stillwater, Oklahoma after July 10.

The bride is a 1978 graduate of Floydada High School and a 1982 graduate of Southwestern Oklahoma State University in Weatherford. She will be employed by Stillwater Medical Center after July 11.

The groom, a graduate of Thomas High School, has attended Southwestern Oklahoma State University and the John Ringling Institution of Art in Sarasota, Florida. He is presently a homebuilder, residential designer and Sales Associate of Hayes-Kraybill Realtors in Stillwater.

## Floydada Nursing Home Happenings

### BY WINONA JACKSON

As always, this has been a busy week at the Nursing Home. Steve took Irene to Lubbock one day to be fitted in preparation for an artificial leg. Irene says she is going home when she gets her new leg. There is a lot of discussion among residents, staff, and resident's families of how we are going to prevent this...we may all go with her!!

Judy Roberts was able to return to her home this week. It is always good when residents can return to their homes, but we certainly miss them when they do. We miss you, Judy!

On Monday, everyone enjoyed the lovely flower arrangement which the family of Ura Robertson shared with us. Rev. Jim Guess and our friends from Assembly of God Church were here with their delightful music and fellowship on Monday morning, and Kim Sherman was here Monday afternoon with her music therapy for the residents. Music makes us all feel better.

On Tuesday, Rev. Earl Blair led devotions for us. We will be looking forward to Rev. Blair's devotion next Tuesday also. You have made some new friends here at the Nursing Home, Earl. Thank you. There was good attendance at Bible study on Tuesday afternoon. Emmitt, Irene, Roxie, Hallie, Vera, Bennie, Una, Mr. Wester, Bob Stanley, Mrs. Birnie, and Alta shared their faith and insights in studying God's word.

On Wednesday, nine volunteers from City Park Church of Christ led the singing of hymns with us. Bro. Zumwalt is on vacation. There were three tables of bingo players on Wednesday afternoon. Una and Emmitt were the winners of three games and Bob, Addie, Bennie, Vera, Lura, Ann, Ruth, Judy and Hallie won one game each. There was a three-way tie for blackout winner. Sue, Hallie and Ruth each got to choose a prize from our special prize box.

On Thursday, Bro. Bunjes and four volunteers from First Christian Church led devotions for twenty-three residents. The bus was almost full on Thursday afternoon. Evelyn drove Emmitt, Iva, Bennie, Una, Addie, Vera, Mrs. Birnie, Lura and myself to Matador. The trip was especially meaningful for Emmitt, Mrs. Birnie, and Bennie as Matador is "hometown" for

them. They each shared delightful times and information about the area with the rest of us.

On Friday, Mary Corley brought devotions for twenty-three residents and she also brought homemade cake for everyone to enjoy. The cake was so good...I did not have to sweep up a single crumb. Everyone ate the crumbs...too! Thank you, Mary. Friday afternoon was spent watching two movies...with popcorn...again! Movies are just better with POPCORN!

Next Tuesday, the 12th of July, there will be a covered dish dinner at noon for the residents, their families and staff. Members of the resident's family will bring a special dish. The Nursing Home will provide the meat, breads and drinks and we will all share lunch together.

Thank you, visitors and volunteers: Justin Marble, Micah Marble, Mrs. Watson Jones, Mrs. Dorothy Hurst, Mrs. Duff Johnson, Andre Brown, Hazel Bradley, Gene Baird, Jo Walker, Buster Mooney, Greer and Ruth Christian, Jennifer Windom, Mr. and Mrs. O.J. Lawrence, Helen Breed, Charley L. Berry Sr., Mrs. Edd Muncy, Jo and Hollis, Payne, Ira Sullivan and Dr. James Wester.

## Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas, effective August 1, 1983, unless otherwise determined by the Commission.

A complete copy of the new rate schedule is on file with the Texas Public Utility Commission (PUC) at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell's rate application.

As a result of the settlement of a lawsuit brought by the U.S. Department of Justice against AT&T, Southwestern Bell, on January 1, 1984, (or as otherwise ordered by the United States District Court) will no longer be a part of the Bell System, but will be owned by public shareholders. Under the terms of the settlement, Southwestern Bell has identified 15 areas in the state within which it may provide service, and the federal court with jurisdiction of the settlement has tentatively approved these areas, called LATAs (Local Access and Transport Area). On or about January 1, 1984, Southwestern Bell can not provide service between these LATAs, and in addition, must transfer to AT&T customer premises equipment that it leases to customers.

Southwestern Bell has filed a proposed revised rate schedule with the PUC reflecting these changes. These rates would become effective August 1, 1983, if they are not suspended by the PUC; however, it is expected that they will be suspended and that the rates ultimately set by the PUC will become effective on or about January 1, 1984. If the rates were to become effective as filed, they would produce a 48.2% increase in Southwestern Bell's unadjusted test year revenues (or a 76.36% increase in Southwestern Bell's test year revenues adjusted to reflect the effect of Southwestern Bell's divestiture from AT&T). Any change in the rates for any interLATA services offered by AT&T or a subsidiary after January 1, 1984, could affect customers of Southwestern Bell Telephone Company.

### Notice to Customers of Other Telephone Companies

While Southwestern Bell has proposed no increase in rates for intraLATA interexchange toll services, any change in those rates could also affect customers of other telephone companies. Southwestern Bell is proposing changes in the structure of the present private line and foreign exchange services. Changes in these rates may affect customers of other telephone companies. Any change in the rates for any interLATA services offered by AT&T or a subsidiary after January 1, 1984, could affect customers of other telephone companies.

## Aviso Público

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel de tarifas para servicio de teléfono en Texas, con vigencia a partir del 1o de agosto de 1983, a menos que la Comisión haga otra determinación.

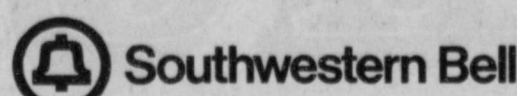

Una copia completa del nuevo arancel de tarifas se ha archivado en las oficinas del Public Utility Commission (PUC, ó Comisión de Servicios Públicos) de Texas en Austin, Texas, al igual que en cada municipalidad afectada y que es servida por Southwestern Bell, y dicho arancel está disponible para inspección pública en todas las oficinas de Southwestern Bell en Texas. En el pasado, la Comisión ha sostenido que toda tarifa está sujeta a cambios cada vez que Southwestern Bell solicite un cambio en dichas tarifas.

Como resultado del arreglo judicial al cual se llegó tras el proceso legal entablado en contra de AT&T por el U.S. Department of Justice (Departamento de Justicia), Southwestern Bell dejará de formar parte del Bell System (Sistema Bell) a partir del 1o de enero de 1984 (ó en la fecha que disponga el United States District Court — Tribunal Federal de Distrito), y llegará a ser posesión de accionistas públicos. Bajo las condiciones de dicho arreglo, Southwestern Bell ha identificado 15 regiones dentro del Estado de Texas en las cuales puede proporcionar servicio, y el tribunal federal con jurisdicción en el arreglo ha dado su aprobación provisoria a estas regiones, que se denominan "LATAs" (Local Access and Transport Area, ó Regiones Locales de Acceso y Transporte). A partir de fecha 1o de enero de 1984 aproximadamente, Southwestern Bell no podrá proporcionar servicio entre dichas LATAs, y además deberá ceder a AT&T todo equipo ubicado en premisas de clientes y alquilado a los mismos.

Estos cambios se han incluido en el propuesto arancel de tarifas de servicio revisado que Southwestern Bell ha archivado con la PUC. Dichas tarifas tendrían vigencia a partir del 1o de agosto de 1983, a menos que fueran suspendidas por la PUC; sin embargo, se espera que si serán suspendidas, y que las tarifas que en último caso establezca la PUC entrarán en vigor a partir de fecha 1o de enero de 1984 aproximadamente. Si las tarifas entrarán en vigor tal y como se han archivadas, aumentarían en un 48.2% los ingresos no-ajustados de Southwestern Bell para año de prueba (unadjusted test year revenues), ó sea un aumento de 76.36% en los ingresos de Southwestern Bell para año de prueba, ajustados para reflejar el efecto del despojeamiento entre Southwestern Bell y AT&T. Cualquier cambio en las tarifas para cualquier servicio tipo-interLATA que proporcione AT&T ó una compañía subsidiaria después del 1o de enero de 1984 podría afectar a los clientes de Southwestern Bell Telephone Company.

### Aviso a los Clientes de Otras Compañías de Teléfono

Aunque Southwestern Bell no ha propuesto un aumento en las tarifas para servicios tipo "intraLATA interexchange toll", cualquier cambio en dichas tarifas también podría afectar a los clientes de otras compañías de servicio telefónico. Southwestern Bell está proponiendo cambios en la estructura de los servicios actuales de línea privada (private line) y de intercambio extranjero (foreign exchange). Cambios en las tarifas para dichos servicios podrían afectar a los clientes de otras compañías de servicio telefónico. Cualquier cambio en las tarifas para cualquier servicio tipo-interLATA que proporcione AT&T ó una compañía subsidiaria después del 1o de enero de 1984 podría afectar a los clientes de otras compañías de servicio telefónico.
