

GOOD WHEAT CROP IS EXPECTED HERE

CONDITIONS MOST FAVORABLE OF PAST FEW YEARS.

Plenty of Rain and Snow and an Early Freeze Always Precedes Big Wheat Crop.

"We can expect to reap a bumper wheat crop next spring," was the expression of one farmer here Saturday. "I have never seen conditions more favorable since I have been in the West than they are at this time. I remember about five or six years ago we had very much the same conditions, and the rains came about like they are doing this fall, and there was more wheat raised here than the people harvested. Early rains, cold weather and snows are a sure sign for a wheat crop, and they have set in earlier than I ever knew before."

The snows and rains of the past two weeks as reported in last week's issue of the News, was followed by a good half inch rain on last Saturday night. Since that time the weather has been fair and the moisture which fell during the past two weeks has been soaking deeper and deeper. The foundation for a big wheat crop could not be better. Those who have been in the wheat business for a number of years say that when we have early rains and snow and the ground is frozen early in the fall, there is always sure to be a record breaking crop the following year, especially an enormous wheat crop.

With more than three and one-half inches of moisture within two weeks, and the ground thoroughly soaked by the melting snow and gently falling rain, it is no wonder that the farmers and business men alike are happy and looking forward to excellent business conditions for the coming year. Come to the Panhandle, the best country on earth.

Normal Notes.

There has been a large number of new magazines added to the library. The best magazines published are now found in the library.

The Sesame and Cousins will have a musical recital Monday night, Nov. 20, given by Profs. Herrmann and Peterson.

The walks from the front of the building to the sidewalk in front of the Conner residence was completed yesterday afternoon.

The work of planting trees will begin next week or the week following.

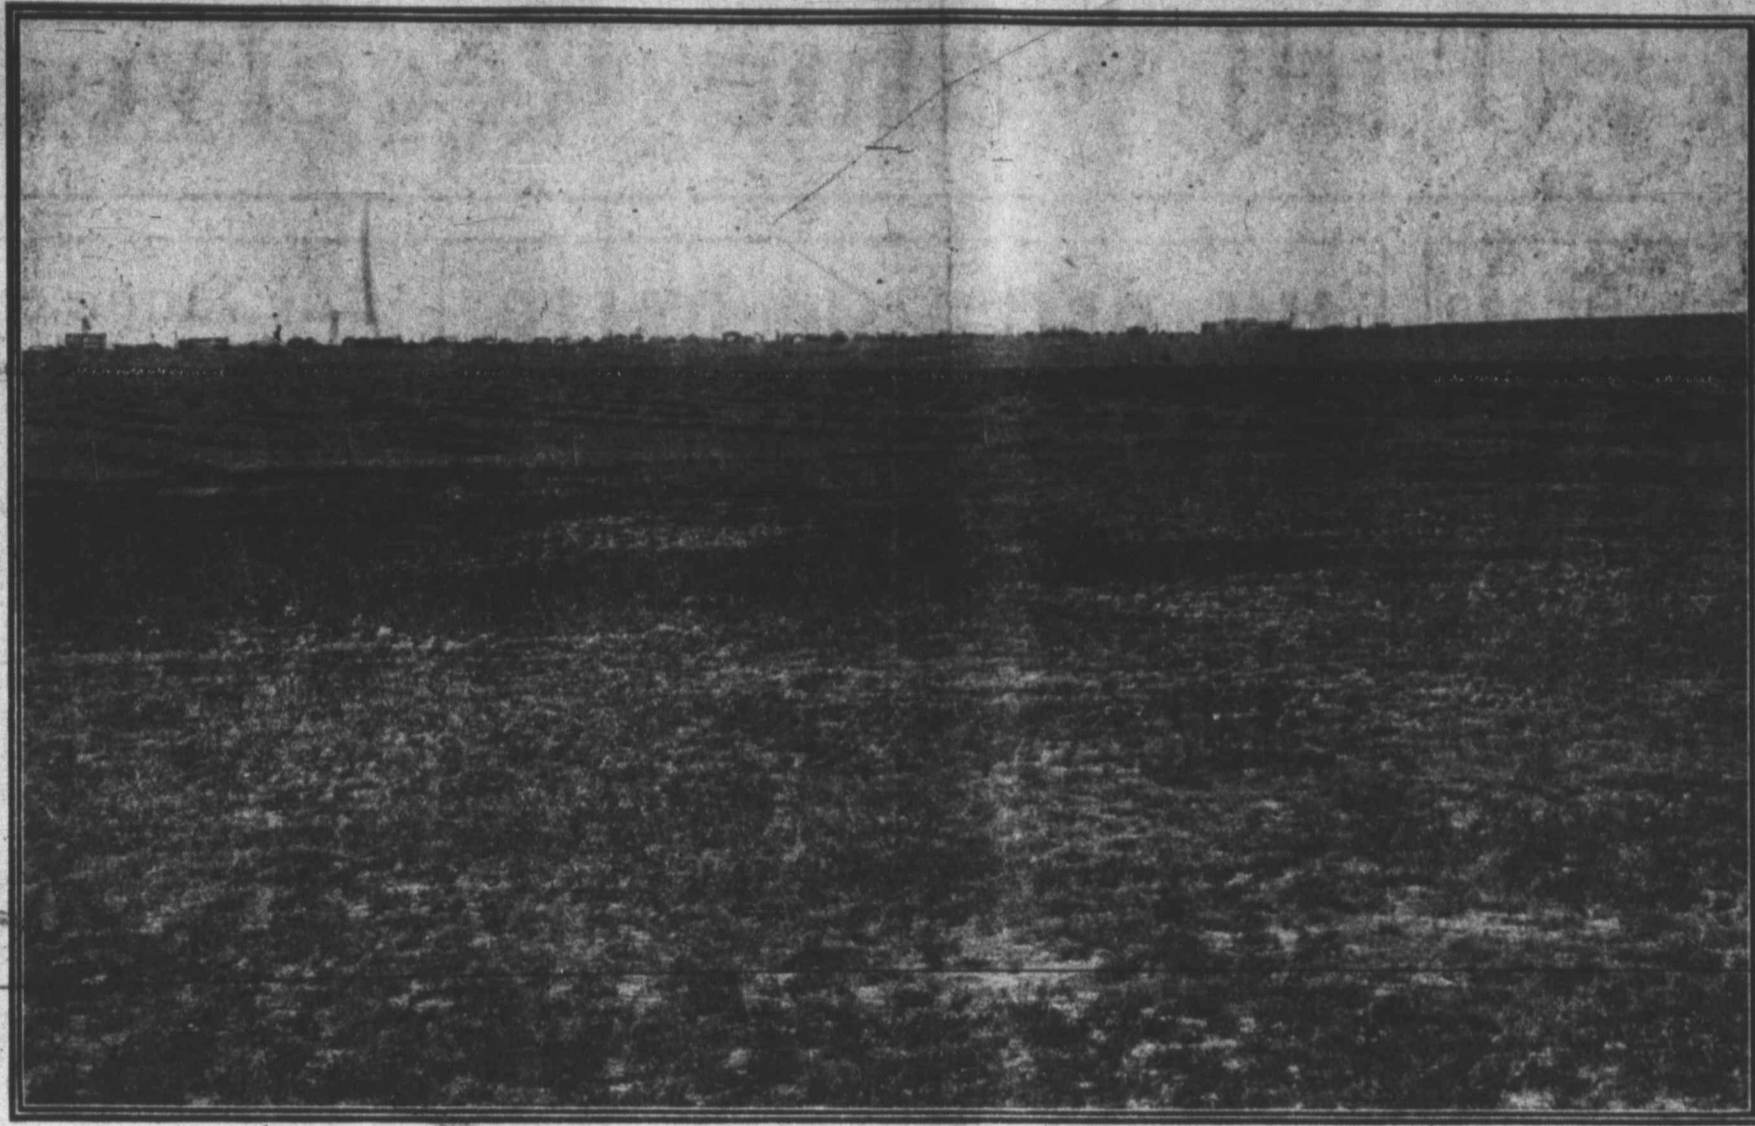

The first test of a number of the sub-irrigation lines was made this week.

The new art teacher, Miss Olive M. Denman, arrived this week from Houston and has begun her work.

The attendance to date is 278, seven having registered this week.

Arrangements have been made for an assistant-librarian and the appointment is expected to be made soon.

A deal was made this week whereby W. J. Flesher bought the Canyon City Abstract Co. from A. S. Rollins. Mr. Flesher has been manager of the company for the past year and is thoroughly acquainted with the abstract business.

View of the rich alfalfa farm of C. R. McAfee, showing Canyon in the distance. Mr. McAfee netted \$78 per acre from this 25 acre field during the past season. This is only one of the fine alfalfa farms which are to be found in Randall county, near the center of the Panhandle of Texas.

GIRLS WIN FROM WAYLAND.

Teams Take Trip to Plainview. Play Seth Ward and Wayland Football and Basketball Monday.

The girls' basketball team of the Normal won its second game of the season from Wayland College at Plainview by a score of 21 to 6 last Monday. After the experience of Saturday night with Goodnight, the local team played "circles around" the Plainview bunch, putting up fine team work and good individual staving. For Canyon, Spires, Lair and Fulcher were the stars; Spires making 11 points and Lair 10. Shropshire made all the points for Wayland. Canyon made 8 fouls, 2 of which were thrown; Wayland made 15 fouls, only 3 of which were made good. The girls report the Wayland people a loyal bunch, giving them an informal reception Monday night.

Line-up for Normal: Forwards Lair and Spires; guards, Moreland and Fulcher; centers, Mahoney and Thomson.

FOOTBALL TEAM LOSES GAME.

The Normal football team were sadly defeated in their game with Seth Ward at Plainview by the one-sided score of 47 to 0. Several of the squad could not make the trip and the Normal eleven was greatly weakened by the loss of Conner, Cowling and the two Baird boys. Seth Ward made a 65 yard dash for a touchdown from their first down and the Normal lost heart. "Doc" Turner and "Bill" Black kept up the fighting spirit for the Normal and time and again broke up forward passes, stopped end runs and did nearly everything on the defense as they did not have a chance on the offense.

Upon arrival in Plainview the local squad were "taken out for a small sized walk" of about 5 miles, and before they left traversed about ten miles of the scenery in and around Plainview. Outside of the walk they were treated loyally. Rev. Harder and Geo. Hutchings entertained most of the team Monday night.

There was no meeting of the Epworth League at the Methodist church Sunday afternoon on account of the union services in the evening, but the regular meeting will be held next Sunday afternoon at 4 o'clock.

DISPLAY IS SENT TO CHICAGO SHOW

CANYON'S EXHIBIT WILL BE ONE OF THE BEST.

Farm Products were sent last Saturday—Other Panhandle Counties Sending Displays.

That the Panhandle will be well represented at the Chicago land show in December is the opinion of every one in Canyon who saw the display that was sent by F. P. Luke last Saturday. The exhibit from this county will be entirely farm produce, and consists of samples of wheat, maize, white maize, broom corn, kafir and sorghum. All of these products have been very fine in the Panhandle this year and will make the older states take notice of the excellent farm products that can be raised in the Panhandle.

Secretary Walter E. Gunn, of the Texas Panhandle Publicity association, has made arrangements to have all the Panhandle displays shipped to Amarillo where they will be assembled, without being opened, and packed in a Santa Fe car for Chicago. The Santa Fe has kindly expressed a willingness to refund charges on exhibits for the land show on a written assurance from exhibitors that the material carried will not be sold but will be returned, given away or destroyed if unfit for return. This is allowable under provisions of the Interstate Commerce law.

Dynamites Orchard.

T. M. Palmer has been performing a very interesting experiment in dynamiting a piece of ground in which he intends to plant an orchard. With an inch soil auger, he bored some 18 inches into the soil. Into this he placed one-third of a stick of dynamite, and exploded it by the usual fuse and cap. The result was to lift up and tear up the ground to a depth of three feet and some six feet in diameter. At each point he will plant a tree and expects to get good results from the experiment.—Hereford Brand.

MANY FOULS LOSES GAME.

Goodnight Girls' Basketball Team Defeated by Normal 15 to 11 Saturday Night.

Saturday night before a large crowd of basketball enthusiasts, the girls' basketball team of the Normal defeated the Goodnight team by the score of 15 to 11 and winning the first game of the season. The contest was played in the Normal gymnasium and throughout the entire game, the visiting team worked at a disadvantage since they had been used to playing on the ground. It was for this reason that the game was lost, for although the Goodnight team played the superior game, they were unable to keep from fouling on account of the smooth floor. Then again, they showed that they had not had the strict training and coaching on the finer points of the game as had the Normal team.

It is interesting to note the exceptional record of the visiting team. They have been playing together for the past two years and out of the seven games this season, this is the first to be lost.

In the first half Goodnight outplayed the local bunch and at the end of the half the score stood 8 to 1 in their favor although they fouled 13 times. Canyon was more careful and fouled only 3 times. But in the second half Canyon came back with blood in their eye and with two field goals and excellent basket throwing by Fulcher, the game was won. In this half Goodnight fouled 8 times and Canyon 4.

During the whole of the game Goodnight fouled 21 times, Fulcher making good 11 free throws; Canyon fouled 7 times, Storm getting 3 good ones. Canyon made two field goals and Goodnight four.

For the local team Thomson and Mahoney at center put up by far the steadiest game, although the opposing centers were rough and greatly outweighed them. The two forwards, Fulcher and Spires, did good work, each of them getting a field goal. Fulcher did excellent work in the last half throwing baskets. Moreland and Brown at guard were very greatly outweighed and were unable to understand the tactics of their opponents until the second half when time and again they kept the forwards from scoring. The

POULTRY SHOW ON DECEMBER 21, 22

L. L. JOHNSON, OF SANTA FE RY., WILL BE THE JUDGE.

Membership and Prize Committees are Appointed.—Great Interest in the Show.

The second annual show of the Randall County Poultry association will be held on December 21 and 22, according to arrangements made last Tuesday night at a meeting attended by a few of the members who are strongly working for the organization. The time selected is on Thursday and Friday. The object in having a two days show this year is to enable the poultry to be scored and judged the first day and to have them on exhibition for the benefit of the public on the second day.

T. J. Cochran was selected as the show room superintendent.

T. H. Stewart and C. W. Warwick are the committee on prizes.

H. E. Muldrow, Dr. U. T. Miller, W. J. Flesher and Earl Hunt are the membership committee.

The members of the association are hard at work for a big show and ask the hearty cooperation of the citizens in this undertaking.

The following was the line-up:

Canyon	Goodnight
Fulcher	F. Storm
Spires	F. Landers
Thomson	C. Storm
Mahoney	C. Fulcher
Moreland	G. Davis
Brown	G. Pracher

Officials: Tom Lair, referee, Hunt, umpire; George and Cavet, time keepers; Holden, score keeper. 15 minute halves.

More Cattle Coming.

Dr. J. M. Black left Wednesday for Canadian where he has bought from Wm. Campbell 200 dry cows, which he will bring to Randall county. Mr. Black contemplates selling these cows out to farmers who are in need of stock.

F. M. NEAL IS NEW METHODIST PASTOR

COMES HERE FROM THE PASTORATE AT CLAUDE.

is Well Known in the Panhandle and has Made Great Success at Different Places.

At the conference at Plainview this week, the appointment for the Canyon church is Rev. F. M. Neal, who has been pastor of the Claude church for the past two years. Mr. Neal is known by a number of Canyon citizens and is spoken of very highly as a preacher and pastor. His work at the neighboring town has been very satisfactory, as it has been at other pastorates he has held. Mr. Neal will arrive in the city the latter part of this week and will preach his first sermons next Sunday.

WALLACE TO BOVINA.

John A. Wallace, of this city, was urged by Presiding Elder O. P. Kiker to accept a pastorate and he agreed to supply the Bovina charge until a permanent pastor could be secured. Mr. Wallace will not remove to Bovina, but will make the trip there every Sunday to fill the pulpit.

Rev. M. E. Hawkins, who was in Canyon two years ago, was returned to Canadian. The Canadian Record of last week gave an extended comment on the work of Mr. Hawkins and praised him very highly for the many splendid things he had done for the church and town.

Rev. L. A. Webb, who was in the past year, has been transferred to the Central Texas Conference, and will receive his appointment next week.

The following are the appointments for the Amarillo district:

O. P. Kiker, P. E.; Amarillo, Polk Street, E. E. Robinson; Houston and Buchanan Street, W. I. Caughran; Bovina, John A. Wallace; Canyon, F. M. Neal; Channing, T. E. Graham; Daltart, J. W. Mayne; Dumas, J. T. Howell; Glazier, Thos. Hanks; Hansford, B. J. Osborne; Hereford, J. M. Sherman; Ochiltree, D. W. Hawkins; Panhandle, P. G. Huffman; Plemons, G. B. Carter; Stratford, J. P. Lowrey; Texline, Geo. Smallwood; Wildorado, W. J. Land.

Union Services.

Last Sunday evening at the Methodist church the first union service of the young people's societies was held. On account of the bad weather a large number on the program were unable to be present.

The following was the program as rendered:

Topic—The Young Peoples' Work in the Church.
Leader—Lola Word.
Hymn No. 21.
Prayer—Peoplestanding—Bro. Groves.
Scripture Reading—Leader.
The B. Y. P. U. Work in the State—Miss Ritchie.
The Christian Endeavor Work of the Christian Church in the State—Earlene Garrison.

Canned Watermelon:

What next? Yes, a real watermelon, rind and all, in a can, but the melon is longer than the can and projects out at each end. An average size peach tin can with both ends melted out found its way into W. L. Sain's patch, where a wandering vine grew through said can. Nature started a melon about the center of the tin and the result is a melon, filling the can full, besides a good sized round ball at each end, giving the "freak" the appearance of a large dumb bell. This canned melon will be exhibited at the Chicago land show.—Hereford Brand.

Minstrels of Ye Olden Times.

Away back in the feudal ages when the old feudal barons ensconced themselves in their castles minstrelsy was their favorite form of amusement. In days of peace, having nothing but leisure time would have hung heavy on their hands indeed but for the wandering minstrels who came with their instruments to play and sing. Many were the gay scenes within the grim old castle walls, when lords and ladies fair sat around the big old fireplaces with flagons well filled listening to the merry minstrel.

As wine improves with age, so minstrelsy has come down thru the ages, richer and better. It has undergone many changes since the day of the grotesquely costumed troubadour of the middle ages to the smiling circle of a modern first part. Each in his time and place entained by wit and charm and voice and nimble feet.

Richards & Pringle's Famous Georgia Minstrels have retained the old time flavor in a new and beautiful setting.

High School Notes.

Florence Money of the Junior class has stopped school.

Will Dickinson was enrolled in the Sophomore class Monday.

James Webb will leave in a few days for his new home. His going away will be a distinct loss to all the school and his many friends wish him well.

Saturday will be Tag Day, the proceeds of which will go toward the piano fund.

The chapel period on Friday morning will be devoted to the study of wireless telegraphy. A piece of apparatus has been secured which will illustrate the principle involved. Prof. Yoe will make a talk on its construction, use and invention.

The Mothers' Club met Monday evening. The attendance was good and Mrs. Hill, president, made a short talk in which she outlined the future work and spoke a few words of encouragement to the mothers. After this there was an open discussion of several questions which were of interest to the club. During the business meeting, Mrs. C. C. Miller was elected secretary and treasurer, and it was decided to

have a business meeting on the first Mondays and a program on the third in each month.

The Current Literature Club will give a literary entertainment Friday, Nov. 10. Everyone is invited to be present.

Two new pupils, Jack Miller and Lavert Avent, have entered the Freshman class.

The Freshmen have organized a basketball team with Cleve Wells as captain.

Miles Stoddish will be presented to the public by the freshmen on Thanksgiving for the benefit of the library.

J. JOE MAKES MONTHLY REPORT

TOTAL ATTENDANCE LAST MONTH IN SCHOOL 300.

Interesting Facts Pointed Out by Superintendent in Regard to School Conditions.

To the Honorable Board of Trustees, Canyon Public Schools. Gentlemen:

I beg to submit to you the following summary of the schools for the month recently closed.

No. of pupils of scholastic age enrolled, male 139, female 134, total 273.

No. of overs enrolled, male 2, female 8, total 10.

No. unders enrolled, male 10, female 7, total 17.

Total No. all ages enrolled, male 151, female 149, total 300.

No. of cases of tardiness for the month, 83.

REASONS VS. EXCUSES.

All pupils, who for any cause may be absent or tardy, are required to bring written excuses from their parents, stating the reasons for such absence or tardiness. We believe the reason for this rule is plain. But there is a vast difference between a reason and an excuse. To be absent or tardy on account of sickness is a good reason, but to be tardy because an errand must be run before starting to school is an excuse. Help us to give the child a right conception of the importance of his school work and the necessity for punctuality and the regularity of attendance. More pupils fail because of irregular attendance at school than for any other cause.

PATRONS' DAY.

On Wednesday, Nov. 29th, from one o'clock until five, the pupils and teachers will hold open house to all patrons and friends of the school, at the high school building.

The best of the daily work of the pupils, besides some special work prepared for the occasion will be on display in the various rooms and halls. In addition, a musical program will be rendered by the high school pupils and refreshments served—the proceeds going to the library and picture funds. No admission will be charged and every friend of the schools is urged to attend.

ART DISPLAY.

During the week of Dec. 11th the Elson Art Co. will have a very fine display of over two hundred mounted pictures—reproductions of the world's masterpieces. These will be on exhibit at the school building and a small entrance fee of ten cents charged to defray expenses and purchase, at least, one good picture for each room in the building. But if we are only able to defray expenses, the week's stay of the pictures in the building will be worth while to the children.

LITERARY SOCIETIES.

I must make some public mention of the splendid spirit shown by the high school pupils in the work of their literary societies. Each class has rendered a program and not one has failed to respond with credit to himself and his society. A joint session program is being arranged for the last meeting before the holidays. This and all other meetings of the societies are open to all friends and patrons.

WILL HEAR REV. DAILY.

Report that Noted Catholic Lecturer is Coming Arouses Much Interest in Canyon.

The report published in the News last week that Rev. John Daly, of Milwaukee, was coming to Canyon soon to give one of his famous lectures has caused a great deal of favorable comment. A number of Canyon residents have heard the speaker and are highly pleased to think he can be secured in our city.

Father Daly is a gifted orator and will please all who hear him. He will speak on some popular subject, which will be announced in the near future. Rev. J. A. Campbell, of Umbarger, has the matter in hand, and as soon as Rev. Daly arrives in December the subject and date of the lecture will be announced. He is a great speaker and deserves a big audience.

by members of other classes, is preparing to give "Miles Standish," as a Thanksgiving offering for the benefit of the piano fund. Mrs. Shinn has the play in charge and this fact of itself guarantees a pleasant and profitable evening.

MOTHERS' CLUB.

The year's work as outlined by Mrs. Hill, President of the Mothers' Club, promises to be helpful and interesting. We are very much gratified over the interest the members have manifested and the spirit with which they have begun the work. Let every mother set apart two afternoons of each month to this. It may seem that it requires a sacrifice but I am sure you will reap good from it, by coming in closer contact with your child and his work.

AFFILIATION.

The first steps toward securing affiliation with Texas University, Baylor, Southwestern, T. C. U., Trinity and A. & M. Colleges have been taken. We hope to be able to report affiliation in some subjects with all of these institutions before the present term closes. Whether this shall be accomplished depends not so much upon the teachers or the amount of equipment the schools possess but upon the thoroughness of the work done by the pupils.

MEXICAN GETS 5 YEARS IN PEN.

THIRD WEEK'S BUSINESS OF DISTRICT COURT.

Sanford Case is Tried—Few Other Cases are Tried—Most of Business Now Completed.

Louise Hernandez, the Mexican who shot Tom Cooper at Umbarger recently, was convicted last Friday of assault with intent to murder and was given five years in the penitentiary by the jury. The defendant did not deny that he shot Cooper, but plead aggravated assault. Had it not been for the blood on his clothes and the gash on his head the Mexican would no doubt have received a longer sentence. He has not been ordered by the court to be taken to the penitentiary, but the order will undoubtedly come soon.

SANFORD CASE.

The case of J. M. Sanford, administrator, vs. Anna Lee Taylor was tried Tuesday and Wednesday. This was a case brought by J. M. Sanford, administrator of R. H. Sanford, to regain certain property which was deeded to Miss Taylor a few days before Mr. Sanford shot himself last June. On Wednesday afternoon the law in the case was discussed for three hours before the court and the following preemptory charge was presented by the attorneys for the plaintiff to the court and was accepted: "Gentlemen of the jury: You are instructed that under this case there is no question of fact for the jury to determine. You will therefore return a verdict in favor of the plaintiff for the cancellation of the deed in question." The jury therefore returned a verdict in compliance with the accepted request, and the plaintiff will recover the property in the case, the deed being cancelled.

Rollins to Amarillo.

A. S. Rollins has announced his intention of moving before January first from Canyon to Amarillo. Mr. Rollins does this on account of the broader field offered in our neighboring city for law practice. Mr. Rollins for several years has been one of the leading attorneys of Canyon and his list of friends includes every business man in the city. He has been active in every phase of municipal and county activities and has always been a leader in every progressing measure before the people. Mr. Rollins and his excellent wife will be greatly missed in Canyon but best wishes of every citizen in Canyon goes with them to their new home in Amarillo.

Postal Savings Bank.

The postal savings bank opened Monday with a thriving business. A good number of deposits were made by the citizens of Canyon. R. A. Terrill procured the first deposit slip of the savings bank and Chas. Hunt the second one. It is thought the bank will do a good business here.

CANYON TRIMS TULIA'S TEAM

BASKETBALL SCORE WAS 47 TO 11 MONDAY NIGHT.

Thad Lair is Star of the Game, Throwing 13 Baskets from the Field Good Team Work.

The Canyon basketball team won their first game of the season Monday night, defeating the Tulia team by a score of 47 to 11. The game throughout was fast and at times very rough. While few fouls were called on the players, there was a disposition on the part of both teams to play the roughest game within the limits of the law.

Canyon outclassed their opponents in every feature of the game. Their team work was good and each member of the team showed a superior knowledge of the game over his opponent. They were quicker on their feet and succeeded in recovering the ball practically every time it went within dangerous territory.

The Tulia boys put up a courageous game, but after the first few minutes of play, they saw that they were greatly outclassed and that the score against them would be large. Each man was very much smaller than his opponent on the Canyon team.

The scoring machine of Canyon was started to work after one minute of play when Thad Lair tossed the ball in the basket for the first score of the game and the first of the season. After that at regular intervals the score was increased until at the end of the first half Canyon had made 25 scores while Tulia had registered but 3. In the second half Canyon increased their score to 47, while Tulia threw 4 baskets, making a total of 11 points.

Every man on the Canyon team played a good game. The two Lair boys showed their usual form at throwing baskets, but Thad outstripped his brother by making 28 points while Tom made 9. Cavet was at center and played his usual good game. At the toss up, the Tulia center seldom got his fingers on the ball. Reeves played an exceptionally good game at guard. He shows the greatest development over last year of any man on the team. He followed his man closely and seldom allowed the ball to pass him. His guarding was the best ever seen on the local floor. Captain Hunt played his usual steady consistent game. He was always in the game and was responsible for one of the prettiest field goals of the game, throwing the basket from the center of the field.

For Canyon Thad Lair threw 13 baskets, Tom 4 and one foul, Cavet 3 and Hunt 2.

For Tulia Morrison threw 3 baskets, Burgess 2 and Scott 1 foul.

Six fouls were called on Canyon and 9 on Tulia.

J. C. Black, of Canyon, was referee.

Wheat Looking Fine.

Reports from every hand indicate that the Panhandle is having the best possible wheat weather. Those who sowed early before the rains report that their crop is growing rapidly. The wheat planted after the rains is out of the ground and is doing very fine.

See "Miles Standish" next Wednesday night.

NEW METHODIST PASTOR.

REV. F. M. NEAL.

Rev. F. M. Neal, the new pastor of the Methodist church, will preach the annual Thanksgiving sermon at the Baptist church next Thursday morning at ten o'clock. A committee composed of Dr. S. L. Ingham, Misses Anna Lee Howren, Florence Money and Pearl Gilliam, have arranged for special music for the occasion.

Herrmann-Peterson Recital.

Fredrick A. Herrmann, of Plainview, and Eugene W. Peterson, of Amarillo, gave a recital at the Normal auditorium Monday night under the auspices of the Sesame and Cousins societies. This was Mr. Herrmann's first appearance in the city, and his excellent numbers on the piano charmed the audience. He is recognized to be one of the leading pianists in this section of the state and the local audience was given a great treat in the display of his great talent. Mr. Peterson is well known in Canyon, as he has appeared before local audiences a number of times, and his singing never fails to cause very great favorable comment among the music lovers of the city. The recital was fine and deserved a much better patronage than it received.

More Light Wanted.

There has been much complaint the past week on account of so few street lights being burned. It is reported that for the past week but three lights have been on from the square to the depot, one in front of Keiser's office, one at the J. H. Hall residence and one at the Joe Foster residence. The nights have been dark and those who must meet the 10:10 train are compelled to stumble around in the dark hunting the sidewalks and keeping out of ditches. There has even been no lights on the public square. The matter should be looked into by the city officials and remedied. Canyon has good lights and should use them during the dark nights.

Mother's Club.

At the high school building Monday evening the mother's club held their semi-monthly meeting, at which a program was given. The attendance at the meeting was not large, but the interest of those present show that the mothers' club will soon become an important factor in school work. The paper by Mrs. Guenther was highly praised by those present.

Births.

J. C. Black has cause to smile. Mr. and Mrs. Black are the parents of a daughter, born on Saturday.

Mr. and Mrs. J. W. Taylor are the parents of a son, born Monday.

We need more farmers.

FINE BIG DOLL AND TOILET SET

NEWS WILL GIVE AWAY PRIZES IN SUBSCRIPTION CONTEST.

Doll Goes to Girl Under 13 Years and Toilet Set to Girl or Lady Over 13 Years.

In connection with our raise in subscription rates as mentioned on page four, we are going to give two prizes away during the month of December to the girl and lady who get the most votes in our subscription contest. By special arrangement we are going to put the toilet set in the business men's contest as a special prize but the doll will be given in a separate contest. We are going to give the contestants in the business men's contest extra votes during the month of December for each \$1 procured on subscription only. This does not include job work or advertising.

The toilet set will arrive in the city within a few days and be on display at the News office. It is one of the best on the market and will make a handsome gift to some lady who is anxious to add a useful article to her dressing table.

The doll is a big dandy. Every little girl in the city will want it, and some little girl is going to receive it free of charge. All it takes is a little effort.

Here is the plan for both prizes. Come to the News office and get a receipt book and take a look at our subscription list. Take the names of any who you wish to see in regard to the paper, and notice who are not subscribers now. See these parties and get their dollar and here are the number of votes we will give you:

FOR OLD SUBSCRIBERS.

- \$1, one year 1,000 votes
- \$2, two years 2,500 votes
- \$3, three years 4,500 votes
- \$4, four years 7,000 votes
- \$5, five years 10,000 votes
- \$10, ten years 80,000 votes

FOR NEW SUBSCRIBERS.

- \$1, one year 2,000 votes
- \$2, two years 5,000 votes
- \$3, three years 9,000 votes
- \$4, four years 14,000 votes
- \$5, five years 20,000 votes
- \$10, ten years 80,000 votes

All of these votes will count on the special prizes in the business men's contest and count for the diamond ring as well as counting for the toilet set. Every contestant will call at the News office and get full information and a receipt book before starting their campaign.

We hope to see a dozen girls at our office before December 1st to learn more about the doll contest and to get a receipt book for the contest. Get to work early and you can easily win.

Mission Circle.

The Mission Circle of the Baptist church will have their monthly meeting in the home of Mrs. Alice Davis, Tues., Nov. 28, at 3 p. m.

Leader, Mrs. Jett. Song, "Count your many blessings."

Prayer. Bible lesson, 103 Psalm, read responsively.

Quotation in answer to roll call, A favorite verse of praise and thanksgiving.

Paper, Missions east of the Mississippi river, Mrs. Allen. Poem, Song of Man, Mrs. Burroughs.

TO OUR CUSTOMERS

To show our appreciation of your trade we have added to our line a complete stock of guaranteed jewelry, which we will sell according to the following plan:

1. We issue a 10c coupon with each 50c worth of trade, on any goods in our store. These coupons are good for one-half the regular selling price of any article of jewelry in our stock. Thus, an article which sells for \$1.00 regularly you may buy for 50c in coupons and 50c in cash.

2. Each 10c coupon, when traded back over the jewelry counter, is good for one estimate as to how long the big candle will burn, and the one whose estimate is the nearest will receive a 17-jewel, 20-year hunting case Elgin Watch or jewelry to the amount of \$30.00 free

3. In addition to the above, the firm whose goods we handle authorize us to give to every Baby under one year of age that is brought to our store during this year, a gold ring free so don't forget to bring the baby.

The candle and watch are on exhibition in our window, and due notice will be given of the burning. Get in your estimates.

That Ordinance.

There was quite a roar of pro-
test in Canyon and vicinity last
week when the issue of the News
reaches the readers on account
of the ordinance passed by the
town council forbidding the sale
of merchandise, candy and food
produces on the streets of the
city. Most of the readers con-
strued this article to mean that
no person could sell any produce
whatsoever. However, this was
not the meaning and intent of
the article. If it were, it would
be contrary to the state law, as
no power can forbid any person
selling the produce they raise on
the streets. This ordinance did
not intend to say that the farmer
could not bring his produce to
town and sell it on the streets,
nor does it prohibit persons
raising stuff in town to sell it on
the streets. Saying this would
make it contrary to the state
law and hence it would become
void. It merely says that parties
cannot buy and bring pro-
duce to the city in competition
to the merchants who live here.
There is talk among the council-
men of repealing the noxious
phase of the ordinance and in-
serting a more clearly stated
clause so that there can be no
misunderstanding of the ordi-
nance. This cannot be done, how-
ever, until the next regular
monthly meeting.

Patrons' Day.

Next Wednesday from 1 until
5 o'clock will be patrons' day at
the public school building. The
pupils have been hard at work
during the past few weeks and
will be greatly disappointed if
there is not a large attendance
to see the excellent results of
their labors. The display will
be in the nature of daily and
special work along art and liter-
ary lines. A great treat has
been prepared for the parents
and all others who go to the
school building between 1 and 5
next Wednesday.

Tax Rolls Approved.

The county tax rolls have been
approved by the state officials
and Tax collector Worth A. Jen-
nings reports that collections
are now being made. Few local
taxes will come in this month,
but he has a large number of
letters from non-residents ask-
ing for the amount of their taxes

Art Exhibit.

The public schools have made
arrangements to bring to Can-
yon next month an Art Exhibit
from Boston which will contain
copies from artists of world-
wide renown. The exhibit can-
not but please those interested
in art. The pictures will be on
exhibit in the high school build-
ing early in December and the
faculty and students wish to
urge every person in Canyon to
see them.

WILL RAISE RATES.

Beginning on January 1, 1912, the subscription price of the Randall County News will be \$1.50 per year. Running a newspaper is like running any other kind of a business—when you are selling your goods at a loss, raise your price. Every commodity on the market has raised in price during the past few years, many of the staples being as much as double their former price. The price of print paper, of material and of labor has increased for the publisher at practically the same ratio. The publisher must, therefore, charge more for his paper than formerly or in the long run he will be compelled to hand his business over to a more progressive man who will charge the price and be able to stay in business. It is for this reason that we are compelled to increase the price of the paper.

We are going to give you an opportunity to take advantage of the old rates from now until January 1st by allowing you the privilege of paying as far in advance as you wish. If you are in arrear and do not pay up before January 1st, we will have to charge you at the rate of \$1.50 per year for the time you are behind with your subscription. For your own benefit we ask you to look up the standing of your paper at once and attend to the matter before the first of the new year.

See our announcement in regard to votes on the contest which we are giving.

There should be more silos in Randall county. They have been tried and the prove conclusively that kafir corn and milo maize make an ensilage equal to, and, in many cases, better than Indian corn can produce. Of course, everyone is familiar with the fact that ensilage doubles the value of products put into them, leaves the land in ideal condition for fall wheat and enables the farmer to do his plowing in the fall, which is a much better time than the spring. It is interesting to note that practically the same acreage of kafir corn and maize will fill the silo just as successfully as Indian corn does in the north, and no one should overlook the fact that

KEEP THE KIDNEYS WELL.

Health is Worth Saving, and Some Canyon City People Know How to Save It.

Many Canyon City people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health—the slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has cured thousands of kidney sufferers. Here is a Canyon City citizen's recommendation.

F. P. Simms, R. F. D. No. 1, Canyon City, Texas, says: "I used Doan's Kidney Pills and I found them good for lumbago and lameness across my joints. This remedy was obtained at the Cassles Drug Co. and I have been convinced that it is alright. Several of my acquaintances have told me that they have used Doan's Kidney Pills with benefit.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States.

Remember the name—Doan's—and take no other. 33-2t

Panhandle acres, while they have a better ensilage than those of the north, cost but one-sixth. The winters of the Panhandle are so mild that feeding ensilage is nothing more than pleasant work. The day is not far distant when the northern man will cease to buy cattle and ship them away to be fed on Indian corn ensilage. This has been a profitable business, but cattle can now be kept in the Panhandle on cheap lands during the summer and in the winter fed on cheap ensilage.

If diversification would be of any benefit to the Panhandle farmers it certainly will be for the coming year. There has never been a brighter outlook for a wheat crop than there is at this time. From every indication the winter is going to be ideal on the small grain crop, and, if this be so, it will mean a good crop of all kinds next year. This is acknowledged to be a cotton country proper, but if the price of cotton is to be raised to fifteen cents next year the acreage will have to be reduced. Neither can the farmers expect the cotton growers of the East to reduce all the acreage. It must start at home. Plant the farm in as many kinds of products as it will grow, raise every thing possible at home, and another fall will find you in a great deal better circumstances financially. —Paducah Post.

All of us here in the lower latitudes of Texas admire the Panhandle and esteem it a glorious portion of our resplendent domain. Still we hate to take our winter weather from there. We prefer the Panhandle wheat. —Dallas News.

Panhandle winters are the best on the market, save when a norther comes from the realms of ice. If the News man would only see a little real Panhandle winter he would become infatuated with it, and move to the garden spot of Texas. Panhandle weather is like Panhandle wheat—the best to be found. Come to the Panhandle and see.

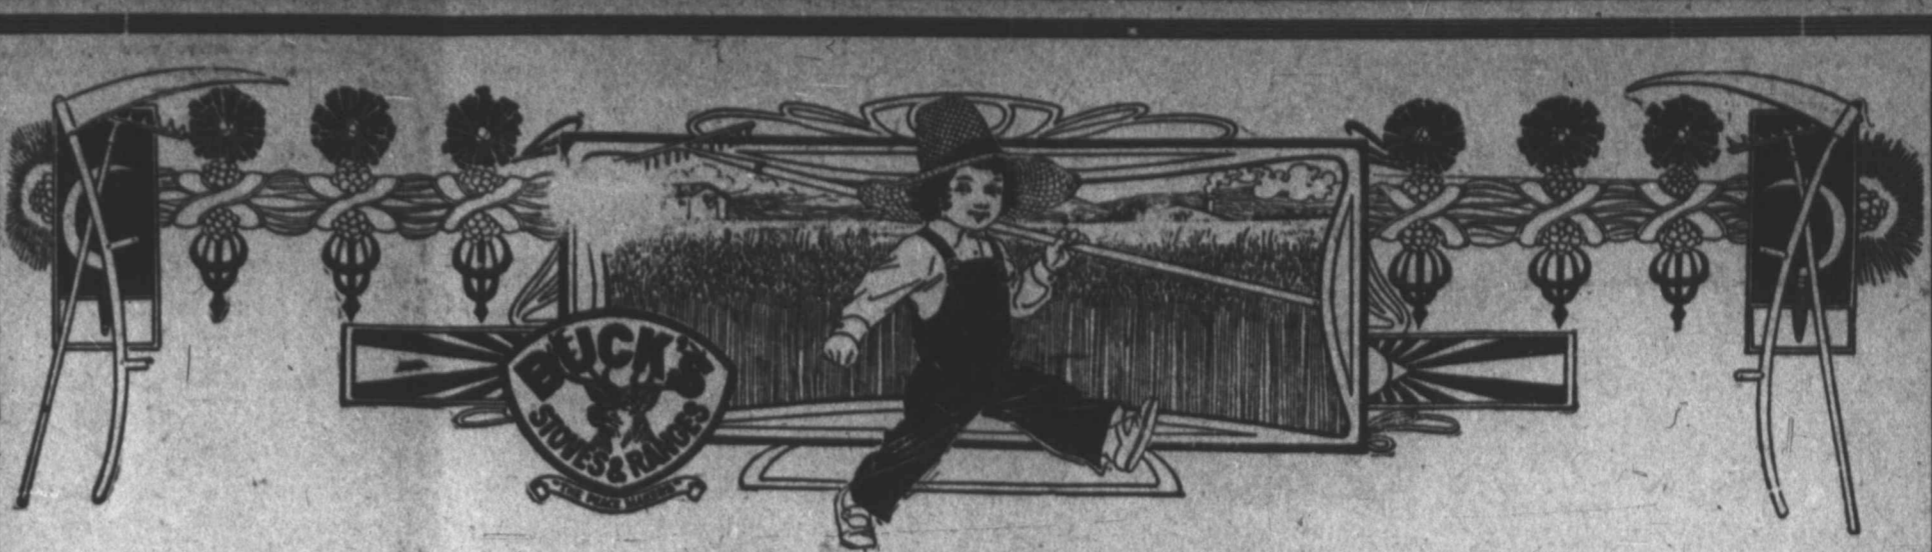

A farmer at Canyon has demonstrated that flax can be successfully raised, so successfully, indeed, that he will devote two thousand acres to that plant next year instead of two hundred, this year's acreage. This is another lesson in diversification for the Panhandle farmer. The excellent crops of milo maize, kafir corn, peanuts and broom corn and cotton produced this year are other lessons. —McLean News.

It appears to one reading accounts of the selection of jurors for the McNamara trial that the man who reads the newspapers or has a mind of his own upon any kind of question is not fit for the jury box. In other words, the more ignorant the man, the better juror he makes in such cases of great importance as is the one to be tried. On account of this absurd practice the American jury system is becoming the laughing stock of nations.

We heard a traveling man say Monday that you could buy all the booze you wished in Amarillo, even though the saloons were closed by law last Wednesday. We hope the good people of Potter county will get together next year and elect officers who will see that the law is enforced and to indict every bootlegger who is now at work there.

The vacant seats in our churches should be filled. It would look less heathenish to be occupying a pew than standing around on the street or lazily loafing around home.

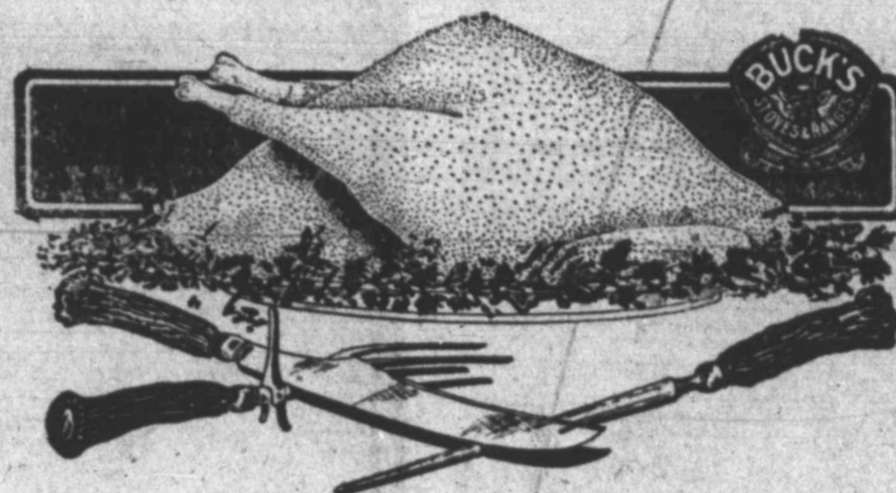

If you do not wish to help in a good cause, for goodness sake keep the opening in your face bridled.

THANKSGIVING AT OUR STORE

will be celebrated on account of the fact that we are thankful for the high grade of goods we are able to furnish our patrons and because our patrons realize that we are furnishing them the best goods on the market at the lowest prices.

We have carving sets, the best on the market, which we ask you to call and examine. Come and see us before Thanksgiving and you will have reasons for a joyful Thanksgiving together with the rest of our many patrons.

were treated to three plays last week, all of them good ones too.

No one is good at remembering names as a politician would like to be.

Next Thursday is Thanksgiving and next Friday is the first of December.

The football boys will have their last chance to get killed on Thanksgiving.

The farmer with hogs is the farm well equipped financially. Raise more hogs.

Monogram stationary makes a very fine Christmas present. Get some printed at the News office.

It is about time to begin thinking seriously of your Christmas shopping—and paying your poll tax.

If you must be superstitious, entertain those superstitions that won't interfere with your business.

The market price of wild oats is pretty high for those who buy them, but they won't sell for anything.

The Congressional Record will soon begin to make its daily appearance. Congress soon begins the annual December session.

Of course you are going to exhibit your poultry at the December show. Every poultry raiser is expected to have his poultry there.

The grand jury says that seventy five per cent of the crimes in this county are attributed to liquor. That's putting it low.

Again we ask that you send the News home after you have read it. Tell the people of the old states about the wonderful opportunities in the rich Panhandle.

Plant trees, but plant them far

enough from the sidewalk in order that they may not become a nuisance. On Evelyn street, the trees have been planted so that the passerby invariably must brush against them. This is hard on the churchgoers religion, especially when passing down the street on a dark night.

There will be a large number of sugar beets shipped from Hereford this year. This is another big industry which should be encouraged all over the Panhandle. With the assurance of becoming the sugar-beet-land of the southwest, the Hereford country can now sing "The Sweet Bye and Bye," with a new zeal.

Hereford Plays Here.

The Hereford football team will be in the city Thanksgiving to play their third game this season with the Normal team. Hereford has a clean record so far this year and the Normal team has improved so much since their recent game that a splendid contest is expected next Thursday. Arrangements are being made for a basket ball game for Thanksgiving night. Either the Hereford girls or the Goodnight team will be here to play the Normal girls. The Normal team has not been beaten this year.

Come to Canyon to live.

THE FOUNDATION OF THANKSGIVING JOY Is A GOOD BANK ACCOUNT =

The Foundation of every success, business or professional, is money. Save your money and a good OPPORTUNITY for you to make a profitable business investment will surely come. Begin saving and KEEP ON saving, and you will get ahead. There is no other way to do so.

CANYON CITY, TEX.

I have a choice collection of farms in Randall
and adjoining counties. These farms range from
eighty acres up, improved and unimproved. The
improved farms are rented to good northern farm-
ers and will pay good interest on the investment.
They are all within easy reach of markets and
railroad, are all of the same deep and fertile soil
characteristic of this section of the Panhandle, and
every acre of each farm can be put into cultivation.

These lands are all clear of encumbrance and I
can sell them on terms to suit the purchaser, at a
low rate of interest and at a price which is bound
to make him money.

For any further information desired, write either
of my offices, or call on the local agent in your

Building Notes.

The Leverton house near the Normal was completed last week and C. M. Thomas moved into it this week. This house has fourteen rooms, the first floor being occupied by Mr. Thomas and the second by Mrs. Montier, who moved here recently from Sweetwater.

Geo. A. Brandon reports that his new home will be completed by December first and that he will move the following week. Mr. Brandon has a very fine new home.

Work on the C. O. Keiser home is progressing rapidly and the contractors promise that the building will be ready for occupancy before Christmas. The home will be one of the finest in the city when completed.

The residence E. H. Ackley is building on Chestnut street is progressing rapidly.

B. T. Johnson has put the finishing touches on his new cement block building on the west side of the square. The building has not been rented as yet.

WISE TURKEYS TRAINING DOWN FOR THANKSGIVING

If only turkey birds were wise they'd read the sporting pages, Discovering there the secret rare of lengthening out their ages. By training down instead of up they'd so reduce their meat That when Thanksgiving day comes round they'd not be fit to eat, And when the buyer came along to talk with Farmer Jones He'd say, "Why, I these birds can't buy---they're only skin and bones!"

THANKSGIVING.

FOR the fields that gave their harvests, rich with wheat and rye and maize. We have sung our songs of praise For the joy of merely living; Through the tawny autumn days Now, when 'tinging birds have vanished down the shining southward ways, When the leaves have fallen, When the voice of winter hushes Where the grapes once hung in clusters, Shall we drop to cheerless lays?

LET new songs for this new season, caught from yonder sturdy pine, Green despite the year's decline, Praise the power that now lies hidden Till at last by springtide bidden It awakes the life divine, And the captured dew and sunlight that once bloomed upon the vine, Now transmuted into wine, With its magic shall inspire A few friends around the fire Where the warm flames dance and shine!

As the psalm of our Thanksgiving for the harvest gathered in, For the crowded crib and bin, Floats across the country places, Over sleepy, snowy spaces, The little white flakes spin A soft covering of wonder, where, safely folded under, The new life waits within For the plowing and the sowing And another harvest growing When the soft spring rains begin. —Robert Gilbert Welsh in St. Louis Republic.

AN OLD TIME THANKSGIVING

An aged lady recently contributed to the Brooklyn Citizen this description of a New England Thanksgiving three quarters of a century ago, when life was simpler and saner than today: The house was cleaned from the roof to the cellar the week before, as Thanksgiving in New England was a greater holiday than Christmas or New Year's and it must be observed by everybody. The house was full of nice odors. One day it was mince pie and fried cakes, then it would be sweet pickles and election cake, then pumpkin pies—my sister Persis counted ten in a row—then plum pudding and Wednesday night a chicken pie that would almost crowd the top of the oven and would come on to the table a piece of it, I mean, warmed up every Sunday till the next year. It held the plumpest chickens and sweet apple quarters that had been half dried, and the meat and gravy were sweet as the apples, and spices and other goodies, and all in a large milk pan, with a flaky crust at top and bottom a quarter of an inch thick. To make that crust Persis and I had to burn clean corncocks in an iron kettle and gather up the ashes, and mother poured hot water on them, then strained the liquid and stirred it into some buttermilk, and that made it bubble and fizzle just as soda nowadays. Thursday morning we were up bright and early, and mother read a chapter in the Bible. Then we all stood up while father prayed for us, and I felt almost like crying. It was so solemn, but I forgot all over the nice breakfast and the walk of a mile to the church and the music and the return at noon to a dinner smoking hot on the table. Mother had arranged a party for us that evening, but we could not wait for that, so our sleds were brought out, and we climbed the long hills with a group of girls and boys and seats ourselves, letting one boy ride with us on each side to steer it. The parlor was all in order. The floor was covered with white sawdust swept into curves. The woodwork was a bright blue, white sash curtains at the windows and a plain stand with a green burecloth on it and a large Bible resting on that. Six wooden chairs and a stiff backed rocking chair composed the furniture of the room. Stiff and formal as it looked, that was not the place for party or party games. The next room was for our pleasure ground. It was large and roomy.

The Contest.
We are not giving the standing of the votes in the business men's contest as tonight ends the second month and the locket and chain goes to the one getting the most votes since Oct. 24.

Saved Many From Death.
W. L. Mock, of Mock, Ark., believes he has saved many lives in his 25 years of experience in the drug business. "What I always like to do," he writes, "is to recommend Dr. King's New Discovery for weak sore lungs, hard colds, hoarseness, obstinate coughs, ja grippe, croup, asthma or other bronchial affection, for I feel sure that a number of my neighbors are alive and well today because they took my advice to use it. I honestly believe it is the best throat and lung medicine that's made." Easy to prove he's right. Get a trial bottle free or regular 50c or \$1.00 bottle. Guaranteed by Cassles Drug Co.

"Look Before You Leap"

Is an old saying that holds good in starting a bank account.

Before You Place Your Money in a Bank Look for the Following Safeguards:

Notice the character and ability of the men who have charge of the bank; see that the officers are experienced bankers and the directors are responsible business men. The bank should have ample capital, the larger the capital, the greater protection for the depositor. A large surplus and profit fund is also an additional protection. Read the bank's statement; notice whether or not they carry a good reserve in cash and demand loans; also notice if the bank is prospering—if a bank don't make money, it is not a safe bank.

All the above mentioned security is afforded our customers; if safety for their funds, with liberality and courtesy is what they want.

High School Notes.

Miss Ara Stafford has been absent for the past few days on account of sickness.

Rev. J. M. Harder of Plainview visited the schools Friday and conducted chapel exercises.

Monday morning the Sophomores responded to the roll call in chapel with quotations from Tennyson.

The physical geography class was highly entertained Friday night by an entertainment with the Balopticon, after which 42 and other games were engaged in.

The high school literary societies elected the following officers for the joint session to be held Dec. 20: Will Ward, pres.; Tommie Emma Foster, sec., and C.O. Edwards, Louis Hix, Edythe Eakman and Bernie VanSant, committee, to arrange the program.

Lee Foster and Alton Abbott have entered the sixth grade.

On Wed. 29 there will be a public exhibit of the high school work. Refreshments will be served and a basket ball game between the Junior and Sophomore girls will be played in the evening.

The mothers' club met Monday evening. A fine program was rendered by the members assisted by a few of the students. The next meeting will be a business meeting.

Miles Standish will be presented to the public on the night of Nov. 29 at the Normal auditorium by the freshmen class assisted by a few others.

Below is a cast of characters: Miles Standish, Arthur Gober. John Alden, Clarence Thompson.

Priscilla, Willie Mills. Big Chief, Cas Brooks. Messenger, Indians, soldiers, Puritan maids, minister and ship captain.

Howells to Ft. Worth.

H. A. Howell and Rev. M. E. Hawkins left yesterday in Mr. Howell's car for Ft. Worth. The Howells have rented their home in Canyon and in a few weeks Mrs. Howell will join her husband in Ft. Worth to make their future home. It is with deep regret that their many friends in Canyon learn of their departure, but hope they will soon return to their old home.

Meat Market Sold.

A deal was made Tuesday whereby the Canyon Meat Market was traded to L. B. Lay and C. H. Churchill, of Hereford. Both of these gentlemen are well known in Hereford and come to us as business men with wide and successful experience. Mr. Lay has been in the business for a number of years and knows the necessities of an up-to-date market. Mr. Churchill is a well known business man of Hereford. These gentlemen contemplate moving their families from Hereford very soon in order to give their children the benefit of the Normal.

Society Notes.

Will Word was the victim for a birthday surprise dinner on last Sunday. The arrangement worked out entirely satisfactory to the Word family who had the matter in charge. The dinner was given to his friends who attended Trinity university when he was a student there. The following guests were present: G. C. Nobles, of Amarillo, N. C. Hix, of Tulsa, R. L. Campbell, Randolph Carter and Joe Black.

Mrs. S. R. Griffin was hostess yesterday to sixteen ladies at 42. The rooms were decorated with Thanksgiving emblems and each guest was presented with a small turkey as a souvenir. Salad course, chocolate and cake were served. Pink carnations were the favors.

Football Tomorrow.

The Normal football team will play Amarillo high school in Canyon tomorrow afternoon at 3 o'clock. A good game is expected.

Stores Will Close.

Next Thursday is Thanksgiving and a general holiday will be observed in the city. All of the business houses will be closed in observance of the day.

Mrs. C. M. Thomas returned Friday from Dallas where she has just completed a course in undertaking. Mrs. Thomas reports that she enjoyed her work there very much.
