MEETING OF SCHOOL CHILDREN AT COURT HOUSE TOMORROW

All school children of Canyon are urged to be present at a meeting to be held in the court house tomorrow evening under the direction of Miss Leah Harris Home Demonstration agent. The purpose of the meeting will be to promote the organization and enlargement of the different clubs doing work in gardening, canning, sewing, and poultry raising.

There will be a big Boys and Girls Agricultural Club Fair here in the fall. For the girls there have already been offered prizes of scholarships in the C. I. A. at Denton, 4 free trips to the Dallas Fair and for the boys \$25 in cash has been offered for the best Hereford calf in the Beef Club and a silver trophy cup will be awarded for the winning team in a stock judging contest.

In July there will be a short course in Home Economics on plain cooking to be held in Amarillo. A large and interesting entertainment will be offered those attending and the only expense will be transportation to and from Amarillo.

A second estimate was made by the Commissioners' Court of the work being done on the Highway No. 18 and it was ordered that \$5,149.52 be paid out of the road fund to Rice-Babcock and \$171.78 to Hess & Skinner.

In the last session of Commissioners' Court John Battenhorst, Wm. Ash and Wm. Lichtwald were declared elected trustees of School District No. 11 after the votes have been canvassed.

Marriage License.

A marriage license was issued on April 18th to W. H. Stevens and Miss Edna May Smith of Ochiltree. This couple were here from Ochiltree attending the interscholastic meet.

dames: Clark, Ives, Buckholtz, Garth, Morelock, Johnson, Dufflot, Milloo, Sheffy and Misses Walker and Aiken. Adrean.

Ernest Atkins—fifth and sixth year.

Madge Rusk—Senior.

Joy Mills—Junior.

Harper Allen—Sophomore.

Madge Day—Freshman.

The Y. M. C. A. and the Y. W. C. A. had a joint meeting on Miss Ritchie's lawn last Thursday evening. There was a good representation from both the Y. W. and Y. M. After a short program arranged by the Y. W. social committee, Dan Sanders was elected yell leader and a few college yells filled the atmosphere about the east end of town.

Miss Olive Owen of Clarendon spent the week-end with Florence Smith.

Miss Winnie Mae Word of Amarillo visited the Normal Saturday.

Cupid has been exceedingly busy with his arrows lately. Among the latest victims are Mr. J. H. Quattlebaum and Miss Anna Butterfield, a graduate of the Normal. They were married last Sunday at Estaline and are now visiting at the bride's home in Canyon.

Miss Helen Mann spent the week-end at her home near Happy.

Miss Evelyn Monahan accompanied by Miss Lora Kibbe spent the week-end at Miss Monahan's home in Leland Goodwine and several friends from Friona spent the week-end with Lucy Goodwine.

Among the Frionians who entered the meet were Margaret Reid, Bulah Schlenker, Leland Goodwine, Cyril Smith and Pool Hodges.

On April 28-30 in Amarillo there will be a meeting of Home Welfare Division of the Extension Department of the University of Texas. Misses Graham Rambo and Bell appear on the program. After the meeting in Amarillo, Miss Graham will make visits to six colleges in Texas and Oklahoma where she will speak on Summer community work for college girls.

The Y. W. C. A. class in manual training had its first meeting Tuesday afternoon at 4:30. On the same day the Industrial club met at Huntleigh Hall at 7:30 and worked on raffia baskets and candy. The club will meet every Monday evening from 7:30 to 8.

Next Friday afternoon at 4:30 the canning and poultry club girls will meet with Miss Leah Harris, County Home Demonstrator for the purpose of organizing their clubs.

Signor Cleofonte Campanini, Managing Director of the Chicago Opera Association, says: "Frances Ingram has the best American contralto voice I have ever heard."

COURT HOUSE SQUARE WILL PROBABLY BE PAVED IN THE NEAR FUTURE

A committee from the city council appeared before the last Commissioners' court and asked that the county assist the city in paving the court house square. After considering the proposition the Court ordered that if the city would force the property owners around the square to pave their third, the county would take care of paving the court house block out to the property line, build a sidewalk around said block and then pay fifty per cent of the remainder of the pavement.

This order from the commissioner's Court practically insures that paving of Canyon's court house square and is the beginning of what will probably be extensive paving operations. This is one of the most progressive moves yet made by Canyon, and the paving will add much to the appearance and property values of the town. The plans which have been advanced on the paving of the square have included strips of parking in the center for flower gardens; and shrubbery.

Rural Carrier Examination.

The United States Civil Service Commission has announced an examination for the County of Randall, Texas, to be held at Canyon on May 24 to fill the position of rural carrier at Canyon and vacancies that may later occur on rural routes from other post offices in the above-mentioned county. The examination will be open only to citizens who are actually domiciled in the territory of a post office in the county and who meet the other requirements set forth in Form No. 1977. This form and application blanks may be obtained from the offices mentioned above or from the United States Civil Service Commission at Washington, D. C. Applications should be forwarded to the Commission at Washington at the earliest practicable date.

RANDALL COUNTY TO HELP ERADICATE CATTLE SCAB

A proposition was laid before Commissioners' court to employ a man to assist the government inspector in stamping out the scab among cattle in the Panhandle. It was ordered by the court that Randall county employ a man at \$150 per month to work under the government inspection for a period of time to be determined by the court, said man not to be employed unless all other adjoining counties employ a man for like services.

A. Murke of Ardmore, Okla., and C. A. Sigfried of Tulsa, Okla., Oklahoma oil drillers were here the first of the week to sign a contract for drilling a test well near Canyon. If the acreage is accepted and contract signed, drilling will start immediately.

MEETING OF FARMERS WILL BE HELD SATURDAY TO PROMOTE DAIRYING

County Agent C. F. Walker has called a meeting of the farmers of this county for Saturday afternoon to be held in the Court House, to discuss promoting the dairying industry in this county. Mr. Stinnett, an Amarillo banker, will be at the meeting to discuss dairying. There are many small herds of scrub cattle in this county and it is planned to replace these with first class dairy stock. All farmers should be present.

Simple Facts On Victory Loan.

There are two kinds of notes being issued. Both mature in three or four years, as the Government chooses later. The first kind bear 4% per cent interest yearly, payable every six months. These are free from State and local taxes, except estate and inheritance taxes, and from the normal Federal Income taxes.

The second kind bear 3% per cent interest and are free from taxation as the others are, but in addition are free from super-taxes and every other form of taxation, except the usual estate and inheritance taxes.

Notes of either kind can be changed for those of the other issues, at the wish of the buyer.

The notes of both series will be dated and bear interest from May 20, 1919, and will mature on May 20, 1923. Interest will be payable on December 15, 1919, and after that on June 15 and December 15, and at maturity. The dates upon which payments will be required on the notes are as follows:

Ten per cent with application on or before May 10.

Ten per cent on July 15.

Twenty per cent on August 12.

Twenty per cent on September 9.

Twenty per cent on October 7.

Twenty per cent on November 11 with accrued interest on deferred installments.

Payment in full can be made on May 20, the ten per cent required with application having been duly paid on or before May 10. Payment can also be completed on any installment date with accrued interest.

This accrued interest is the money you refund the Government on account of the fact that it pays you interest on the full amount of your Bond from May 20, whereas it does not have the full use of your money until you have paid the last installment. This amounts to very little, of course.

Injured In Runaway.

S. A. Shotwell was unloading a car of hay at the depot the first of the week when his team became frightened and ran away throwing him from the wagon. He was badly bruised but injuries have not proved serious.

NEWSPAPER MEN HOSPITABLY ENTERTAINED AT VERNON

The News man returned Sunday morning from a two-days' session of the Panhandle Press Association at Vernon.

Friday, the first day of the session, seemed too short. The day was crowded full with the interesting sessions, entertainments and banquet. In the evening Hon. Marvin Jones addressed the convention meeting in the auditorium of the Corbogie library building in the interest of the Victory Loan, and told many a stirring tale of the days when he was close to the firing line in France, and the American boys were going forward.

Miss Hamner of Clarendon read a historic document she had prepared giving a detailed account of the growth of Journalism in the Panhandle, in which Canyon and her early newspapers figured. At five in the evening the visitors were given an automobile trip over the country surrounding Vernon where drilling for oil is in progress. The crop prospects in Wilbarger county were never better and there are 75,000 acres planted to wheat which is, in some fields, beginning to head.

This county is certainly doing its part toward feeding the world. Vernon has many beautiful residences and public buildings and many miles of paved streets. There is not a more pretty town on the Denver road.

The evening session was held in the Christian church where the newspaper men were given a musical treat when two young local artists gave solos on the violin and trombone. After this session the body adjourned to the Bailey Hotel where a banquet was tendered them, and there were many short happy speeches. Amarillo was chosen as the next meeting place. Buford O. Brown of the Vernon Record was elected president, J. W. Cheney of the Amarillo Plainman, vice president, Sam Braswell of the Clarendon News was re-elected secretary and treasurer and Editor Loomis of the Canadian Record was continued as the Association poet.

The association went on record as favoring the passage of the \$75,000,000 state roads bond bill for the improving of Texas highways.

Saturday was taken up with a trip through the oil fields. At Frederick, Okla., a delegation of citizens with a brass band met the party and rode them about the town while waiting for the Katy train for Wichita Falls. Frederick was a town of about 4,000 inhabitants and was growing rapidly. It supported a daily paper and about eight miles of paving was being done. The Katy was late and was later by the time we reached Wichita Falls. Burkburnett could hardly be called a town. It was just an unsightly conglomeration of oil derricks, shacks and people. The derricks fringed the sky-line like the teeth in a fine comb, and the five minutes stop of the train across the street jammed the crowd of "oil johnnies" and trucks as far back as the street extended. A traffic cop from Broadway, N. Y., could not have straightened it out in several hours.

And the more we look at this stopping place of men and fortunes the more we liked our little town of Canyon and we can now tell you we have some town.

A banquet was laid for the party at Wichita Falls by the Chamber of Commerce but the train was so late the Panhandle delegates turned their back on the feast and made a run for the Denver train, sending back their regrets later.

Notice To The Public. In the recent clean-up many people formed the idea that the city would clean out their stables and carry away the manure, accordingly piling it in the alleys. This is not the city's work and individuals must remove it at once, before fly season is here.—J. D. GAMBLE, Mayor.

AIRPLANES WILL VISIT CITY DURING CAMPAIGN

ONES SELLING AND BUYING THE MOST BONDS WILL BE TAKEN UP IN MACHINES

The News this morning received the following telegram from Publicity Manager Clayton of the 11th Federal Loan District: Canyon News, Canyon, Texas.

The division of military aeronautics has today sent the following telegram to commanders of all flying fields: "This is your authority to give a flight to the man or woman purchasing the greatest amount of bonds; also to the man or woman selling the greatest amount of bonds when ships are sent to the various towns on various loan flights. Civilian passengers to be carried only as previous instructions and signing release as requested by order number eleven dated this office April twelfth mailed to stations menoper." The order referred to is one freeing the war department from claims for damages. Clayton.

The Victory Loan Campaign began Tuesday morning, 22, in this county as the banks were closed Monday, San Jacinto Day. Randall county's quota has been assigned at \$44,200, which is \$6,300 less than the Fourth Loan quota. The first subscriber in the county was George Frank, a German living in the Umbarger neighborhood who took \$500 in bonds. The subscriptions have been coming in quite rapidly and it is thought this county will have no great difficulty in going over the top. All seem to realize this is an honor loan and are anxious to fulfill their obligation to the boys who won the fight.

County Chairman C. R. Fleisher states that the loan committee will leave it up to the people of the county to voluntarily come forward and subscribe the quota, but an accurate record is being kept and if the loan seems to be falling behind the list will be checked over.

It was reported this morning that Potter county was nearing its quota. Detroit, Mich., went over the first day and Des Moines county, Iowa, went over Saturday before the campaign opened. Iowa was the first state to subscribe its quota and the nation reports a subscription of a half billion independent of pledges unpaid.

The county clerk has received a new soldier's discharge record in which to record the soldiers' discharges. In making application for a bonus, it is required that a soldier accompany his application with his discharge and it is a safe plan to have them recorded with the county clerk to guard against loss. The discharges of Dave Hutchinson and Floyd Fletcher have been recorded this week.

B. B. Brown, driller for the Palo Duro Oil Company was in Canyon yesterday and states that the derrick was completed yesterday on the site in Palo-Duro canyon fourteen miles east of Canyon. As soon as the casing arrives actual drilling will commence. Saturday night the shares in this company will double in value, their local representative tells us and will sell at \$20.

C. F. Walker, county agent and Miss Leah Harris, home demonstration agent were in Canyon Monday to arrange for several meetings here Friday and Saturday and went to Happy in the afternoon where a Home Welfare club was organized. Miss Addie Graham, Y. W. C. A. secretary in W. T. S. N. C. accompanied them.

WILSON DEFENDS MONROE DOCTRINE

PRESIDENT TELLS LEAGUE COMMISSION IT IS BULWARK AGAINST ABSOLUTISM.

Paris.—The league of nations commission has completed its considerations of the league covenant. No sections were included granting the Japanese and French demands, but Japan and France announced that they would reserve the right to bring up the desired amendments before the plenary session of the peace conference.

Paris.—Discussion of the Monroe doctrine, amendment by the league of nations commission is described by those present as having been of a dramatic character, concluding with a speech by President Wilson deprecating the opposition which had been expressed and upholding the doctrine as one of the great bulwarks against absolutism. Ten sections altogether were approved.

The British attitude had been in doubt, but Lord Robert Cecil turned the scales by announcing that he saw no objection to the amendment in the form presented by the president. M. Larnaude of the French delegation followed Lord Robert with objections to inserting the Monroe doctrine.

The Chinese, also offered objection to the amendment on the ground that its language was so extended that it might validate certain principles and claims affecting Chinese affairs.

The president paid the closest attention to the opposition to the amendment and jotted down notes for a reply. In his speech the president spoke with great earnestness and with some evidence of feeling.

He declared that the Monroe doctrine was enunciated to combat the Holy Alliance and to hold back the threat of absolutism which was then menacing Europe and seeking to spread its absolute power to the western hemisphere. It served its purpose in keeping this absolute power from the western world.

One of its great purposes, he said, was to maintain territorial and political integrity, and having served its great purpose in the western world, it has now been brought to the lands which had felt the hand of absolutism and militarism. It was a source of surprise and discouragement, the president said, to hear opposition expressed to such a doctrine and such a purpose.

The president's speech closed the discussion. There was no vote and when there were no further remarks the chairman of the meeting said the amendment would be considered adopted.

GENERAL ZAPATA KILLED BY GOVERNMENT TROOPS

REBEL CHIEF SLAIN IN STATE OF MORLOS, HIS STRONGHOLD SINCE 1909.

Mexico City.—General Emiliano Zapata, the rebel leader in southern Mexico, has been killed by government troops, according to announcement made by the Mexican war department.

The message says that a part of the fifth regiment serving under General Pablo Gonzales of the Carranza army has returned to Cuatula, General Gonzales' headquarters, with the body of the rebel chief.

The rebel chief is said to have been killed in an unnamed part of the mountains of southern Morelos by troops under command of Colonel Guajardo. The war department has promoted the colonel to a generalship for his feat.

At the height of his power several years ago, General Zapata figured as the possible head of the Mexican government.

Railroad Men Given Wage Increase.

Washington.—Wage advances aggregating \$52,000,000 have been ordered by Director General Hines for 400,000 railroad engineers, firemen, trainmen and conductors—members of the big four railway brotherhoods—retroactive since Jan. 1, 1919. The brotherhood demands for time and a half pay for overtime was granted for men engaged in yard service and for the others this question was referred to the railroad administration's board of adjustments No. 1.

TRANSPORT ORDERED TO BREST AT ONCE

BELIEVED WORK OF PEACE CONFERENCE IS NOW NEARING AN END.

COVENANT NEARLY FINISHED

Peace Conference Commission Will Hold Another Session for Its Consideration.

Washington.—Specific instructions from President Wilson that the sailing of his steamer, the George Washington, be expedited immediately, have been received at the navy department through Admiral William S. Benson, chief of naval operations at Paris. As a result the vessel will leave New York for Brest at the earliest opportunity. Admiral Benson's message gave no reason for the president's order, and the White House professed to have no information on the subject, but interpreting it in the light of press dispatches from Paris telling of the president's determination that delays at the peace conference must end, most officials regarded it as significant. Added importance also was given by the fact that this was the second message from the president regarding the ship's departure, the first received having inquired as to the time the vessel could get under way.

Admiral Benson's cablegram to the navy department was summarized in this statement by Acting Secretary Roosevelt:

"Acting Secretary of the Navy Roosevelt has received a cablegram from Admiral Benson at Paris requesting that the sailing of the U. S. S. George Washington be expedited at once by direction of the president. The U. S. S. George Washington will, therefore, leave New York at the earliest opportunity."

By fast steaming the George Washington should reach Brest by April 17.

Late press dispatches from Paris indicated that a more hopeful view as to the progress of the peace negotiations was entertained than had been for several days. This view was reflected in a cablegram received by Secretary Tumulty from Rear Admiral Grayson, who reported the general situation had improved slightly.

The peace conference has been finished and the revision contains 27 articles, and another meeting will be held this week to consider it as a whole.

"FATHER" BUCKNER DIES AFTER BRIEF ILLNESS

FAMOUS PHILANTHROPIST WHO FOUNDED ORPHAN ASYLUM HAD BRIEF ILLNESS.

Dallas.—Dr. R. C. Buckner, famous Baptist minister and philanthropist and "Father" Buckner to more than 12,000 orphaned boys and girls of Texas who have been inmates of the home he founded five miles east of Dallas, died at the Baptist Memorial sanitarium, in this city Wednesday morning. Death followed an illness of less than three days. He was 88 years old Jan. 3, last.

Famed as a philanthropist, through whose untiring efforts thousands of orphaned children had been given their start in life, many of them having made their marks in Texas and other states, "Father" Buckner, as he was affectionately known to all, was one of the most revered workers of the Southern Baptist church. Distinguished alike as a minister, as an editor and as a practical philanthropist of great accomplishments, his entire life had been devoted to the upbuilding of the Baptist church and its institutions, and especially to the Buckner orphans' home.

In 1873 he took the first subscription for the proposed home, and he realized therefrom \$16. The home was established in 1879. But from that modest beginning, by dint of perseverance and his own undaunted enthusiasm, he gradually built it up, increasing the number of children it could care for and educate until today it is one of the largest institutions of its kind in the United States, with 650 inmates, forty-four buildings and properties, including 2,000 acres of extremely valuable suburban lands east of Dallas, whose value runs into the millions of dollars. It is estimated that the home has had more than 12,000 inmates.

U. S. Soldiers in Russia Dispirited.

Washington.—The war department has made public a paraphrase of a message from the American commander at Archangel dated March 31, reporting the refusal of a company of infantry to proceed to the front line until definite assurance had been received from Washington as to when the American troops would be withdrawn from Russia.

White Rose Grove Wins Medal.

Dallas.—The first formal meeting of the Woodmen Circle opened here with the announcement of winners in the competitive drills of the preceding afternoon and the awarding of medals and prizes to the winners. The White Rose Grove of Denison won the state medal. The medal for northeast Texas was awarded to the H. A. Thomas Guards of Fort Worth; for northwest Texas to the Stamford team; for southeast Texas to the Beaumont team.

THE CITY PHARMACY

Had a Big Rabbit Drive

With a very good attendance of town sportsmen the rabbit drive held at the Johnson school Community, Wednesday, resulted in 415 bunnies and jacks being killed. The hunters scattered over a distance of three miles and each man was more than a hundred yards apart. When the rabbits jumped they were killed with shotguns.

All who participated in the drive felt the effect of the work that evening but Thursday found the town fellows so sore they could hardly walk. The greatest number of rabbits killed by one person was thirty-six and J. B. Johnson won the honor.—Childress Index.

LAMARINE WAFERS

For Constipation—Biliousness

Pleasant to take and gives pleasant action. 50c per box at all drug stores. Mfg. by Lamarine Laboratories, Atlanta, Ga.

Burburnett would make the finest place in the world to raise hogs. There is enough slop and mud to make them thrive and oil enough to keep the mange killed.

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quart pint of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.

You Just Try NR For That Indigestion

Get your organs of digestion, assimilation and elimination working in harmony and watch your trouble disappear. NR does it or money back.

One Day's Test Proves NR Best

The stomach only partly digests the food we eat. The process is finished in the intestines where the food is mixed with bile from the liver.

It must be plain to any sensible person who realizes this, that the stomach, liver and bowels must work in harmony—if digestive troubles are to be avoided or overcome. This fact also explains why sufferers from indigestion, also suffer more or less from headaches, biliousness and constipation.

If you are one of the many unfortunate persons who cannot eat without suffering afterward, if you are constipated, have bilious spells, headaches, coated tongue, bad breath, variable appetite, are nervous, losing energy and feel your health slipping away, take this advice and get a box of Nature's Remedy (NR Tablets) right today and start taking it. Give it a trial for a week or two

and just see how much better you feel. See how quickly your sluggish bowels will become as regular as clock work, how your coated tongue clears up and your good, old-time appetite returns. See how splendidly your food will digest and how your energy, "pep" and "ginger" revive.

Just try it. You take no risk whatever for Nature's Remedy (NR Tablets) is only 25c a box, enough to last twenty-five days, and it must help and benefit you to your entire satisfaction, or money returned. Five million boxes are used every year—one million NR Tablets are taken by ailing people every day—that's the best proof of its merits. NORMAL NOTES.

(Too late for last week)

Following was the program for the Cousins Literary Society on Saturday, April 19th.

Debate: "Resolved, That Cotton should have a fixed price during the year of 1919." Aff.—Geo. Ritchie, Wesley Allen. Neg.—Virgil Dodson, Chas. B. Moore.

General discussion—Justice and injustice of tax on luxuries.

Miss Monnie Cannedy spent the week-end with home folks in Panhandle.

Bill Burns, formerly of the A. E. F. in France, visited Rosa May and Goldia Jones the first of the week.

Carl Maurer visited last week-end at his home in Friona.

On account of the track meet here Friday and Saturday the Sesame Literary Society will not have its regular meeting.

Miss Thelma Rogers is spending a few days at her home in McLean that she may enjoy being with her brother who has been in the A. E. F.

Norbert Goebel spent the week-end with his parents in Abernathy.

The Interscholastic League for this district will meet here Friday and Saturday. Mr. Duffot, chairman of the committee has received letters from most of the counties in the district saying they will bring representatives.

Miss Elsie Hall entertained her brother, Lieut. Neal Hall of Ft. Bliss, Tuesday evening.

Miss Ora Marrow, on account of ill health, returned to her home in Princeton recently.

Pvt. Clarence A. Scott formerly of the A. E. F. is visiting Miss Susie Stanley this week.

Helen Mann spent last week-end with home folks at Happy.

Misses Lynn Dobbs and Mabel Tidale were Amarillo visitors last Saturday.

Messrs. Shirley and Terrill returned from Lubbock last Sunday. They were judges in the Interscholastic meet for the Lubbock District.

The Baptists led again in Normal student attendance at Sunday School last Sunday. The following is the report:

The Strong Withstand the Winter Cold Better Than the Weak
You must have Health, Strength and Endurance to fight Colds, Grip and Influenza. When your blood is not in a healthy condition and does not circulate properly, your system is unable to withstand the Winter cold.
GROVE'S TASTELESS CASH TONIC Fortifies the System Against Colds, Grip and Influenza by Purifying and Enriching the Blood.
It contains the well-known tonic properties of Quinine and Iron in a form acceptable to the most delicate stomach, and is pleasant to take. You can soon feel its Strengthening, Invigorating Effect. 60c.

Swine Breeders Should Advertise
Constructive advertising is needed in the swine business—both for the benefits of the individual breeder and for the breeds. There are great possibilities in such advertising from an educational standpoint. Many persons need enlightenment as to the requisites for a good hog, and breeders can give this information in their interest and to the interest of the breed. There will be some advertising of this character done in the year of 1919 and we believe that it will prove interesting and profitable reading.—The Swine World.

Influenza Again
The influenza has been giving us another round this and last week. First of this week there were reported to be near fifty cases in town, but we understand it is in a much lighter form this time and most of the patients are recovering rapidly. The present epidemic has not been affecting the school very greatly and many of the students expect to be back in school again next week.—Miami Chief.

Jordan and Horney sold a bunch of 750 head of young steers Monday. They are short twos and brought \$62.50 per head, for May delivery.—Elida (N. M.) Enterprise.

Habitual Constipation Cured in 14 to 21 Days
"LAX-FOS WITH PEPSIN" is a specially-prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and Regulates. Very Pleasant to Take. 60c per bottle.

Easter week and reconsecrate his life to the great holy purposes to which God has called us. For this reason, we are stopping to pray.

Buford Palmer and Frank Gyles of Hereford made their weekly visit to their friends in Canyon.

J. B. Elliston of Hereford spent Friday night in Canyon.

Rev. Baker of Hereford, was in Canyon Tuesday.

Girdie Hooker, who has been attending the Normal will return to her home at Hale Center Saturday. Her ill health will not permit the continuance of her work.

At a class meeting Tuesday evening, the Seniors talked over the pageant. Parts were assigned, and costumes discussed.

Charles S. Mann of the 8th Cavalry visited his sister Helen last Saturday between trains.

The Y. W. C. A. cabinet were recently elected for the coming year. Those elected were: Chairman of Social Committee—Ruth Knight; Chairman of Social Service—Alma Guenther; Chairman of Finance Committee—Madge Day; Chairman of Program Committee—Lois Bumgardner; Chairman of Membership Committee—Carmen Bureau.

Miss Graham entertained the new cabinet last Thursday and plans for the coming year were discussed.

On last Thursday the girls of the Y. W. C. A. organized an industrial club. The object of the organization is to teach the girls some things they can do at their homes during the summer. Basket weaving and several other things will be taken up.

Mr. Donald will have a class in Manual Training to teach the girls of the club how to make useful things for their homes and school.

On last Friday, at the Canyon Cafe Miss Rambo gave a six o'clock dinner complimentary to Mr. Ross McGrew of Lewistown, Ill. Plates were laid for Messrs. Bob Donald, Frank Day, Ross McGrew and Misses Michel, Margaret Guenther, Mary Meador, and Rambo.

The Training School Notes.
The seventh grade, chaperoned by Miss Goodrich and Miss Olean Baumgardner, went picnicing last Monday to the six mile crossing.

The Training School is cooperating with the other classes of the Normal in beautifying the campus. The pupils are bringing shrubbery and seeds to be planted on the east campus.

The Junior Y. W. C. A. Cabinet was entertained by Miss Graham on Tuesday afternoon.

Chinese Newspaper in France.
Paris, April 21, 1919.—One more journalistic by-product of this war is a Chinese newspaper—a Chinese newspaper, with a paid circulation of almost two thousand, and which is edited under the auspices of the Y. M. C. A. Educational Department by Mr. Y. G. James Yen, who worked for sometime with the Chinese laborers at Boulogne.

This paper which is rather extraordinary for several reasons aside from the fact that it is the first paper to be printed in Chinese in France before or during the war, makes it possible for the 150,000 Chinese laborers working with the French, British and American forces to get the news of the world. It is known as "The Red Triangle for Chinese Laborers Residing in France."

The really extraordinary thing about this paper, something which the Anglo-Saxon eye could never get without aid from a Chinese reader, is that it is the first paper of its kind to be printed in unofficial uniliterary Mandarin.

Most of the Chinese literature and all written Chinese for that matter, is written in what the Chinese call Wen-li—the old classical written language, packed with archaic allusions stereotyped in certain old set forms and phrases, indirect and antique. Mandarin, on the other hand, the spoken language of the greater part of China, is a living conversational

thing; in this medium, in direct contradiction of all practice and tradition, the Y. M. C. A. man has printed this paper.

Therefore in the four pages of Chinese picture-like script which go out each week from the offices at 76 rue du Faubourg - Saint-Honore, there is compressed by Mr. Yen, the publisher, a digest of the week's news. On the first page in addition, he runs perhaps five hundred words of editorial-explanation of the paper's policy, or some generally interesting subject.

Five hundred words in Chinese characters, it may be remarked, occupies about three square inches of space. The editorial was followed in a recent number by a short article on China—which would interest the working Chinese; and on the last and inner pages, reports from the Peace Conference, the present state of Germany the Balkans, Russia, the latest news from America—in which the Chinese are most interested—and most important of all, the news from home.

Panhandle Hogs Top K. C. Market
"A feature of the Kansas City hog market today was the sale of Texas hogs at the top, outside of a carload bought by a speculator. C. P. Galley of Hereford, Texas, was the owner and raiser of these hogs, 67 head weighing about 230 lbs., which brought \$20.50. Mr. Galley was pleased to think that he could bring hogs from the plains of the Panhandle country which were good enough to command a price as high as the corn belt product.

"Four years ago Mr. Galley made his start in raising hogs. In that part of the Panhandle territory shallow wells on which pumps are used supply water for irrigation, and on Mr. Galley's farm a well is in use. As a result he raises alfalfa, on which his hogs run all summer. With a very little grain they can be finished, and at a nominal cost. The country has always been free from hog cholera, and the general expense of raising hogs under these conditions make them profitable.—Drovers' Telegram.

Coming Events
Cast Their Shadows

Prepare Now to Withstand the Crisis.

Do not anticipate with a shuddering dread the beautiful event of childbirth. You can avoid discomfort during the period and strain at the crisis by preparing your system and putting yourself in splendid condition to meet the time.

For just this purpose women all over the land, in every walk of life, have used for over half a century the time-honored and famous remedy, Mother's Friend. It is prepared to give the mother-to-be that direct help she needs. The muscles, nerves, tendons and cords are made and kept soft and elastic. Thus strain is avoided, and as a result, nervousness, nausea, bearing-down and stretching pains are avoided.

The abdominal muscles expand easily and gently when baby is born. Naturally, pain is less and the hours are fewer. The system is prepared and the crisis is one of much less danger.

Write the Bradford Regulator Company, Dept. M, Lamar Building, Atlanta, Georgia, for their helpful Motherhood Book, and obtain a bottle of Mother's Friend from the druggist today. It is just as standard as anything you can think of.

And remember, there is nothing to take the place of MOTHER'S FRIEND.

CALOMEL SALIVATES AND MAKES YOU SICK

Acts like dynamite on a sluggish liver and you lose a day's work.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tonic—a perfect substitute for calomel. It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can't salivate. Children and grown folks can take Dodson's Liver Tonic, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tonic instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tonic acts better than horrible calomel your money is waiting for you.

Editor Lee Satterwhite, of the Panhandle Herald has launched the boom of Hon. R. E. Thompson, of El Paso, for United States Senator to succeed Senator Culberson. Mr. Thompson was speaker of the House of Representatives in the last Legislature and is an able man. However, as his home is in the West we are doubtful of his election should his broom reach that proportion. All our United States Senators have come from East Texas, and it seems rather a difficult undertaking to change this precedent. The Beacon will be found ready to line up for a West Texas man, whether it be Speaker Thompson or some other able man. We would not be adverse to the idea of promoting Marvin Jones to this position. He is by far the strongest man in the West—Lockney Beacon.

It is high time West Texas should have a representative in the U. S. Senate. This section has had to pay for East Texas development long enough. West Texas is now organizing her forces to combat this discrimination. We believe East Texas is beginning to realize that we are entitled to representation and a United States Senator from this section would go far toward remedying the matter. We too, would like to see Marvin Jones go to the Senate.

"My cream checks for March totaled \$125.00, and \$40.00 was the total for eggs sold during the same month," said S. S. Pullin in conversation with the Herald editor last Saturday.—Panhandle Herald.

The possibilities of cream and poultry in the Panhandle is unlimited. The industry is just in its infancy when this industry reaches its height we will have a very important industry in the Panhandle equal that of developed stock raising and farming. It would not be extravagant to predict in a few years to see the dairy industry in the Panhandle equal that of Illinois. The poultry industry is growing by leaps and bounds, and it is already considered the backbone of our commercial activities.—Lockney Beacon.

Several Randall county farmers are now receiving handsome returns from their cream and the coming year will probably see great development in dairying here. Farmers are coming to realize that scrub cattle are a losing proposition while dairy stock affords weekly checks the year round in addition to the increase. Bankers are only too glad to help the farmers purchase good dairy stock.

CANYON HAS SOME DOWNRIGHT HARBOILED OFFICERS

We have learned that Canyon has some hardhearted officers who are bloodthirsty in the extreme. We haven't learned their names but this will probably be cleared up in an investigation. Some kindhearted stick-up men halted a returning sailor and asked him for his money. When the sailor explained to them that he only had a little over a hundred dollars, they permitted him to keep his change and go his way unmolested. The unappreciative tar immediately notified the local officers, and what did they do but shoot down in cold blood two of these conscientious highwaymen, and the other was forced to flee for his life. These officers did not even report the incident probably leaving their victims where they fell. It remained for The Lubbock Avalanche to scoop the story from this sailor boy whose veracity cannot be questioned and make the expose. Here is the story which ran in the Lubbock Avalanche last week:

W. H. Crow, recently discharged from the Navy, after serving four years, arrived here the first of the week to visit with his parents. When questioned about his numerous voyages and other experiences by the reporter, he gave the most exciting one to him which he will try to tell.

"I have traveled on most of the different seas, both here and foreign, I have seen many exciting incidents that made me shakey, but after these four years service and after I had started here, is where the real hair raising excitement took place. I stopped off at Canyon to visit with my bother, and in going to the depot to take the train to this place, three men halted me, and asked to let them have what money I had. I set my baggage down and told the men that \$118.00 was all that I had, with me, for some reason or other they told me to go on, and they wouldn't bother me. So I proceeded and met men whom I at once took to be officers, and reported my little experience to them, and went back with the officers to where the men were still standing. Evidently the robbers recognized the officers and started off. They were told to halt, but instead began shooting, which ended in the death of two of the robbers. This shooting occurred near the depot at Canyon Tuesday night." Mr. Crow does not know the names of any of them.

—Any soprano would have been at a disadvantage placed in such direct contrast to the glorious voice of Frances Ingram, who sang "La Cieca." Her voice is one of the richest, warmest of contralto we have ever heard.—Chicago Evening American.

The Blue Triangle in West Texas.

A little boy of five had just heard that the person who told him stories was going away. It was just after Christmas, just after that mystifying season when people spell out their secrets before small boys of five. "And what is she going away for?" he asked. "She is going to be a Y. W. C. A. Secretary, John," his mother explained. "Now, Mother," he answered impatiently, "you know I can't spell. Y-W-C-A. What does that spell?" Perhaps he would have been satisfied with the explanation, "Young Women's Christian Association;" but, being a small boy, perhaps he would not.

These four letters, with its sign, the Blue Triangle, are being translated into the languages of all the world, wherever there are girls; and it is spelling out for them the things that make a girl's life rich in beauty, in happiness, in friendship and service and right living. But, as the employed secretary of the Young Women's Christian Association at the West Texas State Normal College at Canyon, I am writing practically about what the Y. W. C. A. can mean and is meaning much to its two hundred and fifteen members here, and it is not enough that it stop there. This Y. W. C. A. is important to every girl in every community to which the girls who are studying at this Normal shall go out to teach. It will have failed in its purpose unless its members go out to your community to help with recreation, community music, libraries, Sunday School classes, the growing of flowers and trees and gardens, girls' canning and poultry clubs, and other clubs that girls may need.

It is for such definite results as the above that we are working here. Knowing that it is not enough for a teacher to go out and just teach school we are trying to help them find the way to larger living in a community. To accomplish this, such things as these is a part of our program. Today, at our meeting the County Home Demonstration Agents who are holding their district meeting here, will meet with the Y. W. C. A. and discuss their work, showing how teachers may help in it. Day before yesterday, we gave fifteen dollars toward the lunch that served the hungry students who took part in the Campus Clean Up Day. Last week we sold about two hundred pots of flowers to students here. We made no money from the flowers. I will not say that we lost any either, for as one student said, "We did not lose that extra money we paid to get the flowers here, we just invested it in West Texas girls and in West Texas." To make them love growing things and to help them see that things will grow in West Texas. These are just illustrations of the things we are busy about.

But the important part of this article is this: If the teachers here are to be really prepared to work with you in your community things, we must know what you want to have them help you with. It would be better if they could know while they are still in school with all this equipment at hand. Would it be possible for our Y. W. C. A. to be the medium through which your desires could be voiced? Could you and would you write us your suggestions? If you want pictures for your school room, or flowers or books or a girls' club

We Shall Not Sleep.

"In Flanders Fields the poppies blow
Between the Crosses row on row,
That mark our place, and in the sky
The larks still bravely singing fly,
Scarce heard amidst the guns below.
We are the dead, short days ago
We lived, felt down, saw sunset glow
Loved and were loved and now we lie
In Flanders fields.
Take up our quarrel with the foe,
To you from falling hands we throw
The Torch be yours to hold it high;
If ye break faith with us who die,
We shall not sleep the poppies grow
In Flanders fields".

In Memory of N. A. Croson.

When the news came to Canyon that N. A. Croson was dead, our hearts were saddened and you could hear people say, "another good man is gone, and he surely will be missed". Yes, Mr. Croson was a good man, and that carries with it, that he was a good husband, a good father, a good citizen and a good Christian.

Mr. Croson had a smile and a kind word for everybody and "Daddy Croson" (as he was familiarly known) was loved by his family and all who knew him. He was always ready to lend a helping hand to anyone. He bore his sickness with patience and fortitude never murmuring at his trials. We pray the richest blessings upon his bereaved family and may they say, our loss is his gain, and may they trust in God as a husband to the widow and a father to the orphan, for the Lord giveth and the

start in life, many of them have made their marks in Texas and states, "Father" Buckner, as he affectionately known to all, was of the most revered workers of southern Baptist church. Distinguished alike as a minister, as an editor and as a practical philanthropist great accomplishments, his entire life had been devoted to the upbuilding of the Baptist church and its interests, and especially to the Bucknaphans' home.

1873 he took the first subscription for the proposed home, and led therefrom \$16. The home established in 1879. But from modest beginning, by dint of persistence and his own undauntedness, he gradually built it up, lining the number of children it care for and educate until today one of the largest institutions of kind in the United States, with inmates, forty-four buildings and erties, including 2,000 acres of exely valuable suburban lands east Dallas, whose value runs into the tens of dollars. It is estimated the home has had more than 12, inmates.

One Day's Test Proves NR Best

The stomach only partly digests the food we eat. The process is finished in the intestines where the food is mixed with bile from the liver. It must be plain to any sensible person who realizes this, that the stomach, liver and bowels must work in harmony if digestive troubles are to be avoided or overcome. This fact also explains why sufferers from indigestion, also suffer more or less from headaches, biliousness and constipation. If you are one of the many unfortunate persons who cannot eat without suffering afterward, if you are constipated, have bilious spells, headaches, coated tongue, bad breath, variable appetite, are nervous, losing energy and feel your health slipping away, take this advice and get a box of Nature's Remedy (NR Tablets) right today and start taking it. Give it a trial for a week or two

and just see how much better you feel. See how quickly your sluggish bowels will become as regular as clock work, how your coated tongue clears up and your good, old-time appetite returns. See how splendidly your food will digest and how your energy, "pep" and "ginger" revive. Just try it. You take no risk whatever for Nature's Remedy (NR Tablets) is only 25c a box, enough to last twenty-five days, and it must help and benefit you to your entire satisfaction, or money returned. Five million boxes are used every year, one million NR Tablets are taken by ailing people every day—that's the best proof of its merits. Nature's Remedy is the best and safest thing you can take for biliousness, constipation, indigestion and similar complaints. It is sold, guaranteed and recommended by your druggist.

Mrs. B. T. Johnson celebrated her Fiftieth birthday anniversary Tuesday with an all-day service with the B. W. M. W. in Childress. There was a large attendance present and it was a great meeting. At the close a handkerchief shower was attended Mrs. Johnson, one for each year, of 50 handkerchiefs were presented by the associational auxiliary.

PERSONAL MENTION

C. N. Harrison was in Fort Worth on business Friday.
Grady Holland has returned from a trip to Fort Worth.
Frank Shotwell of Amarillo visited at his parental home over Sunday.
Mr. and Mrs. Vince Reeves spent Sunday in Canyon. They are now living in Memphis.
Mrs. John Holst arrived from Chicago to visit with her sister-in-law, Mrs. H. J. Kraemer.
Mrs. J. L. McReynolds has returned home from an extended visit in Ft. Worth and Dallas.

Mr. and Mrs. C. D. M. Showalter of Ronoake, Va., are here this week looking after land interests.
Mrs. Lucy Thomas attended Easter services in Amarillo Sunday morning and evening and reports a nice time.
Dr. and Mrs. F. M. Wilson left this morning for Eureka Springs, Arkansas, where they will take several weeks vacation.

C. H. Jarret has been appointed as Fire Marshal for Canyon to succeed T. C. Thompson who was elected city alderman in the last election.

Grady Oldham went to Fort Worth on business the latter part of last week. He will return by way of Sweetwater where his wife has been visiting.

Judge B. Frank Buie returned yesterday from a two weeks visit with his family in Boulder, Colo. He reports that Colorado got none of the blizzard we had here.

H. L. Long has purchased a nine-passenger bus which cost new \$1125, and a pair of blood bays to pull it, which were picked from a group of artillery horses. The bus is one of the finest in the country and Mr. Long will furnish the people of Canyon with an efficient transfer service.

T. C. Thompson returned yesterday morning from a trip to Markham, Bay City and other Texas points where he has been visiting relatives. While gone he fished in the gulf and visited the Big Hill sulphur mines, where the sulphur is melted from the bottom of springs by super-heated steam. He reports an exceedingly interesting trip.

MRS. D. M. STEWART
It is reasonable that death should give us pause and reflection. It would be spiritual stupidity to see no significance in the earthly termination of a personality that God has endowed with such high qualities, as capacity for character, power to make history, spiritual aspiration and fellowship with Himself.

When death invades the ranks of our friends, two currents of thought set up in our minds. One has to do with the past, its history, its incidents, the way by which they have come. The other runs on into the future. Under those two lines of thought we come now to consider the life of Mrs. D. M. Stewart, who a few days ago completed her earthly career.

Sister Stewart's maiden name was Katie Gertrude Mills. She was born in Louisville, Denton County, Texas, July 21, 1872. In the bounds of Denton County she was reared to womanhood. She was educated in the public schools of the county and at the Normal college at Denton. During and after her student life she taught school herself, her teaching experience covering in all a period of five years. At 18 years old she received an appointment as student at Sam Houston Normal at Huntsville, but had it transferred to her younger sister who finished at that institution. Her marriage to Dr. D. M. Stewart took place upon her birthday, when she was twenty-five years old. To this union were born five children, Kathleen, Paul, Rose and Ruth, and Danny Mack, all of whom are living. This home over which she presided was an unusually happy home. She was a true companion to her husband and a wise and tender mother to her children. How they will miss her at every turn. And yet how as a benediction her counsel and influence will abide upon them.

The work of this tireless woman as President of the local chapter of the Red Cross is well known in this community. She was never too weary to go on. Her heart was ever with the brave boys in the service of humanity on this and the other side of the sea. When the end came her life was still full of plans for them. She has doubtless greeted some of them from Flanders fields on the other side.

At the age of 13 she professed faith in Christ during a camp meeting at John's Wells in Denton County and joined the Methodist church, of which she remained a consistent and useful member until her death. She was easily responsive to religious influ-

ences and frankly based her life upon the services of her church and was active in its life. Her religion was real to her. She believed in its promises and was not afraid to risk its resources. And when death came she was not afraid to die. She talked frankly with her husband upon this subject when she believed death was imminent. She said she would like to live until she had raised her baby girl to older years but if this was the end it was all right. So much for her life and labors. What shall we say of the future? This Christian woman had known many hardships. Most people who attain high character have. Her mother was left a widow while she was yet in her girlhood and she early learned how to grapple with the rougher forces of the world. For a number of years she was in a very imperfect state of health but resolutely she went on. And now it is all over. But of those who had fought successfully through the tribulations of this life the old Mystic St. John says one the elders about the throne proclaimed unto him "therefore are they before the throne of God and serve him day and night in his temple and the Lamb which is in the midst of the throne shall feed them and shall lead them to living fountains of water and God shall wipe away all tears from their eyes". I should be surprised if upon that coronation day of which the old seer here is speaking I should fail to find those lofty and unselfish spirits that have blessed us here. Among this company of the redeemed I shall expect to find sister Stewart on the great coronation occasion.

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freezone costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottom of feet, then lift them off. When Freezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

"Nervous Breakdown!"

When your nerves fail your whole body suffers—headaches, stomach disorders, sleepless nights, make you miserable indeed. The experience of Mrs. H. G. Redman, of New Haven, Conn., is an example. Read what she says:

"For months I suffered from extreme nervousness. My nerves were completely unstrung and I suffered distressing pains across stomach and chest. Doing light housework left me completely fatigued, and loss of sleep made nights long and tiresome. I began taking DR. MILES' NERVINE and the first night slept soundly. I continued using the medicine and soon all the unpleasant symptoms were gone."

Thousands of sufferers from nervous disorders have found relief in DR. MILES' NERVINE. This wonderful nerve soother is non-alcoholic and contains no harmful or habit-forming drug. Your druggist can tell you of its merits and effectiveness. Keep a bottle always on hand.

Test Seeds for Planting.
 Many thousands of dollars are lost every year in this state thru the poor germination of farm seeds. A poor stand in the field is generally caused by a poor germination of the seed planted. And such a stand means wasted time and money in planting, cultivation and even in the buying of the seed. Corn that will not germinate over 90 per cent is worth but little more than feed prices and the same may be said of kafir and maize.

Seed may be very easily tested. Perhaps the easiest way of testing seed is by the use of blotters. Place 100 seeds to be tested on a blotter which has previously been dampened, cover with another blotter, put these on a plate, cover with another plate. Keep the blotters moist in a place where the temperature is not below sixty degrees. The test should be completed within 5 to 7 days.

Prospects for dry farm crops are brighter than they have been for many years and farmers should take many years and farmers should take seed. Plant as many acres of crops as possible, store all feed not needed this year in a silo, and with filled silos the stockmen may smile at winter snows and summer drouth.—L. P. Briggs, Baca County (N. M.) Agent.

Boys Kill 6-Foot Rattler
 A crowd of youngsters gathered in front of the Tribune-Chief office Saturday evening to let this scribe gaze upon the biggest rattlesnake he has seen for years. The reptile measured over six feet, and Charleston Griffith and Joe Foster Griffith, respectively thirteen and eleven years old, claimed the credit for killing it. The boys had been to the McBride crossing on Groesbeck, when they came across the big snake that reared up in front of them, and rattled ominously. They had a 36 bore shotgun, and put four loads into it before they were able to tie a wire around its neck, and drag it back to town.—Quanah Tribune-Chief.

Cheaper to Ship by Truck
 When the railroads are turned back to private ownership a serious condition will confront them. Naturally they must be operated for a profit, or else they are not going to run very long. Freight rates have been raised till the shippers won't stand much more. One man tells us that he paid \$1,100 for a car load of machinery from New Mexico to Quanah the other day, and that shipping it by heavy trucks might not have cost him as much.—Quanah Tribune-Chief.

Flu Again Rampant.
 The unusual headway gained by the second (or is this the third?) epidemic of influenza in Claude and Armstrong county made it expedient that some action of a public nature again be made in order to safeguard the health of the people. At a meeting of the City Council Monday night the subject was discussed and County Health Officer Carrol was ordered to quarantine every case of influenza within the city limits.—Claude News.

Child Burned To Death in Fire.
 The little eight months old child of Mr. and Mrs. John McCormick was burned to death and another daughter twelve years old, is in a serious condition as a result of burns received when the family home near Nazareth was entirely consumed with all its contents, by fire Tuesday afternoon at about five or six o'clock.

The fire started when the twelve year old daughter filled the oil stove and lighted it preparatory to the evening meal, while the mother was in the yard, only a short distance away, and her father at work in the garden some seventy-five yards distant. It is supposed that instead of filling the stove with coal oil it was filled with gasoline. A bad explosion occurred and the house was instantly in flames. The baby was on a cot in the same room in which the explosion occurred and the body could not be removed until the building burned when it was found that a considerable portion of the charred body remained.

The mother rushed in to try to rescue the child but the flames and the horror of the situation caused her collapse. Mr. McCormick, hearing the explosion, ran to the house but too late to do any good except to save his wife, who had fallen on the floor. The older daughter was, severely burned and was taken to a hospital in Amarillo Wednesday morning. Mr. McCormick and family have the sincerest sympathy of the people of the entire county in this sad calamity.

Later: The oldest daughter died in St. Anthony's hospital at one o'clock Wednesday.—Tulia Herald.

Backache is a Warning
 Canyon People Should Not Neglect Their Kidneys.

Backache is often nature's most frequent signal of weakened kidneys. To cure the pains and aches, to remove the lameness when it arises from weakened kidneys, you must reach the cause—the kidneys. If you have pain through the small of your back, urinary disorders, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy.

Doan's Kidney Pills have been proved good and are especially for weak kidneys. Doan's have been used in kidney trouble for over 50 years. Read Canyon testimony.
 Mrs. A. R. Crank, W. Evelyn St., says: "At times my back was weak and ached constantly and my kidneys were disordered. I was bothered this way terribly until I began using Doan's Kidney Pills. Now it is very seldom I have any of these symptoms and when I do, I use Doan's and always get good results."
 Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Crank had. Foster-Milburn Co., Mfgs., Buffalo, N. Y. 26-2t

Considerable Loss of Cattle.
 During the blizzard of Tuesday night of last week there were considerable losses of cattle in the southwestern part of the county. We are told that Otis Trulove lost twenty-eight cows and several yearlings and calves; the cows had just been dipped that day, and were not sheltered at night. On the Hudgins ranch the loss is said to have been even heavier.—Plainview News.

Those of us who are past middle age are prone to eat too much meat and in consequence deposit lime-salts in the arteries, veins and joints. We often suffer from twinges of rheumatism or lumbago, sometimes from gout, swollen hands or feet. There is no longer the slightest need of this, however, as the new prescription, "Anuric" is bound to give immediate results as it is many times more potent than lithia, in ridding the impoverished blood of its poisons by way of the kidneys. It can be obtained at almost any drug store, by simply asking for "Anuric" for kidneys or backache. It will overcome such conditions as rheumatism, dropsical swellings, cold extremities, scalding and burning urine and sleeplessness due to constant arising from bed at night.

Send to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for a 10c. trial package.

MADIRA, CAL.—"I recommend Doctor Pierce's Anuric very highly. I have suffered for the last three years with catarrh of the bladder, having tried every remedy I heard of but without relief. I saw Anuric advertised in the paper, and like a drowning man grabbing at a straw I thought I would try it also, which I did with great success, as it relieved me almost immediately, before I had taken all of the trial package, and having great confidence in the remedy I immediately sent to the drug store and bought a full-size package. I can say to all suffering from any disease of the kidneys or uric acid troubles, try this remedy and suffer no longer. I have great faith in Dr. Pierce's medicine."—S. F. Henshaw.

WAYSIDE WARBLINGS.

Delightful spring weather Sunday. It was ideal in every way. Sunday School at the usual hour, led by D. L. Adams, Supt.

Rev. Hardesty of Silverton gave us a most excellent discourse Sunday afternoon. A fair congregation out to hear him. Announcement was made that Rev. B. F. Fronbarger of Canyon would preach for us next Thursday night, April 24. We bespeak for him a full house.

A large crowd of neighbors and friends gathered Sunday, last, at the home of Mr. and Mrs. G. W. Mayo. Estimated more than 150 people out. They are expecting to move to Clarendon soon. Well filled baskets finished the surprise for three good people. A large number of Easter eggs furnished the little folks much enjoyment.

Misses Niasson and May planned a most enjoyable Easter egg hunt Friday afternoon on the school grounds. All the little folks of the neighborhood were invited to participate with the school children. Quite a number of outsiders attended. Delightful souvenirs suitable for Easter were provided for all the little folks, while lovely carnations were presented to the older.

Little Robert Adams is the proud possessor of a beautiful Shetland pony presented by his father—a 2-year-old and calls him Tony.

J. S. Sluder made a trip to Plemoms Friday and Saturday, accompanied by

his sister Grace who finished her term of school at Plemoms on the 18th.

The store building of W. J. Sluder which has been delayed in moving on account of rains was finished being moved Monday. Payne Bros. and H. H. Gillham did the work with gas engines.

UMBARGER NEWS.

The weather is warm and every thing is getting green which makes the farmers smile. Mr. and Mrs. E. J. Friemel went to Hereford Monday on business.

Canyon shoppers last Wednesday were Joe Friemel and family, Ed. Evers and family, V. Skipala, Joe and Chas. Beckman, Fritz Friemel and Rudie and Anna Friemel.

Clem Friemel and Miss Lois Skipala were in Amarillo Tuesday. Joe Friemel sold some hogs in Canyon Saturday, Walter Beckman and Tony Erdman went for their Easter shopping to Canyon and Amarillo Tuesday. Clem Friemel and Henry Skipala went to Hereford Thursday on business.

The young folks of Umbarger gathered at the Joe Beckman home Sunday. The time was spent in hunting Easter eggs, and cake and candy were served to the following present: Ernest, George, Minnie and Cathrine Frank, Tony and Kate Erdman, Chas., Walter, Clarence, Henry and Frances Beckman, Henry August, Louis and Frances Skipala, An-

na, Berndine, Canilla Dorothy Weismiller, Billie Friemel, Henry Batenhorst and Otilia Paeffel. All had a dandy good time.

Miss Minnie Frank spent over Sunday with home folks.

Miss Frances Beckman spent Saturday night with Miss Otilia Paeffel. Walter and Chas. Beckman spent Sunday morning in Amarillo.

Those who went to Nazareth Monday are Mrs. John Bedink, Mrs. E. J. Friemel, Paul Arthur and Rudie and Anna Friemel.

Henry Skipala spent last Sunday night with Ernest and George Frank.

Mr. and Mrs. Bedink of Wildorado spent Saturday with Mr. and Mrs. John Bedink.

Mr. and Mrs. Otto Patzmeny called on Henry Skarke last Monday.

Mr. Wallie Hess returned Thursday from Camp Bowie where he was discharged from the army.

C. Friemel is the proud owner of a new Ford car.

CAMPBELL NOTES.

Vernon Vansandt who has been visiting Mr. and Mrs. Holloway returned to his home in Mission Sunday.

Charlie Dowlen and family spent Sunday at T. A. Dowlen's.

Oscar Brown and family were visiting Mr. and Mrs. Townsend Sunday.

Will A. Foster and family have moved on the Anderson place.

Campbell school will close on the 28th of April.

Mr. and Mrs. Frank Machen entertained a number of friends Sunday Easter. Those present were Mr. Dalton of Herford, Mr. and Mrs. Grant Belles and Miss Vashli, C. Gordon-Cumming and family of the Campbell neighborhood and Mr. and Mrs. Graham and Beville and Emzy Grimes of Amarillo.

T. A. Dowlen sold a hog to S. M. Downing last week which weighed 560 pounds and brought \$98.00.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, Liver and Bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

Farmers' Interests are Our Interests

This bank is interested in farmers in more ways than simply taking care of their financial end of their business.

We want to see them continue to prosper—to make a fair profit for their work in peacetime as in wartime.

We want to see them get a square-deal on every hand and to help make their position in the industrial world more generally understood and appreciated.

To this end we shall continue to advance their interests in every way possible at every opportunity.
