M. S. PARK DIED SATURDAY MORNING

Was County Commissioner for Twenty Years-Funeral Services Held Sunday in Amarillo.

The people of Canyon were shocked and deeply grieved Saturday morning to hear that M. S. Park had passed away that morning at three o'clock. He was taken ill only the Sunday before with la grippe. He was pronounced to be improving until Thursday when pneumonia developed and he steadily lost to the disease.

Mr. Park had lived in Randall county for 27 years. During 20 years of this time he was a commissioner from precinct No. 4. Randall county has had many men upon the Commissioners. > > PICKED STRAWBERRIES FROM GARDEN SATURDAY MORNING

We claim that B. T. Johnson holds the record for strawberries in Randall county.

On May 15th Mr. Johnson picked the first strawberries from his patch. Saturday morning he went to the garden and found about three dozen nice, fine strawberries in the vines Some of them he brought to town to show just what Randall county could produce when snow and ice were more common than strawberries.

Second down, and the gain was five yards. Third down: not a man missed; but each tackled low on the fruit salad, cheese wafers, pumpkin pie, and cafe noir. Two yards gained. Fourth down, one yard to go! This time the squad took the aerial route for the grapes and apples. Quarter-back Shirley called time out for the men to blow for a few minutes. During this time some effective rooting was done by such enthusiastic fans as President Hill, Messrs Shirley, Terrill, Mahan, Superintendent Sone, Coach McCorkle, and Captain Durham. After these speeches the squad felt that the faculty, students, and town were behind them whether they won or lost, just so they played the game "fair and square" according to the highest football standards.

The team felt that high class athletics which they had fought for was at last finding its place in the institution. Presdent Hill mentioned a few G plans, "he had in mind," which would be completed within two years. With these additions the West Texas State. Normal College team will be ranked with the leading teams of the state. The boys vigorously applauded the plans President Hill mentioned. Thus the last and biggest game of the season ended. The final score was a football training camp for next September, and a unanimous rising vote of thanks to the Home Economics department for preparing the delightful supper.

Antlers Defeat Cousins In a football game played between teams representing the Antler and Literary Societies, Saturday December 4, the Antlers defeated the Cousins by a score of 17-0. During the first five minutes of the game Simms recovered the ball on a fumble and carried it thirty yards for a touchdown. No other score or spectacular play was made during the first half. A field goal kicked by Bivens in the third quarter brought the Antlers' score up to ten, and a touchdown made by Tucker at the end of the third quarter made it 17. The game ended on the Cousins forty-five yard line.

The Ford Sedan

An all-weather car-this pretty thoroughly describes the Ford Sedan.

In rain or cold weather it is a cozy, comfortable, enclosed car; in warm weather an ideal Touring car. The plate glass windows are raised or lowered in a minute's time. The Ford Sedan is always in accord with your wishes. Finely upholstered; equipped with electric starting and lighting system; demountable nims and tire carrier in rear; instrument board on dash; the Sedan is a car of convenience and class, and has proven a favorite family car. Yet, the reliable Ford chassis and motor are a part of the Ford Sedan and that means low upkeep cost, ease of operation, and durability. The Ford Sedan is just as popular on the farm as in the city. It fits family needs everywhere./

Come in and see the Ford Sedan. If you want one, place your order now. Orders are filled in the same sequence they are received. Make us your Ford headquarters, as we are experts with the famous "Ford After-Service."

Get More Butter

Mrs. Hattie Meece of Glenn, Missouri, says "I was not making enough butter from my cow's milk production for a family of two. After using Dr. LeGear's Stock Powders a short time, she gave a half/ gallon more milk a day, and a pound of butter a day."

Dr. LeGear's Stock Powders give to milk cows just what is needed to keep the digestive organs in proper condition, so that they get the most possible good from their feed. Give equally wonderful results when used for horses, hogs, and sheep, because they are a tonic, appetizer and worm expeller.

I It matters not what ailment you may have among your stock or poultry, it will pay you to get the proper Dr. LeGear Remedy from your dealer. They are the Doctor's personal prescriptions, compounded during his 28 years of Veterinary Practice and Expert Poultry Breeding. They must satisfy you, or your dealer will refund your money.

OMET ABOUT **AT OLYMPIC THEATRE, DEC. 24-25**

From the story by Jeanie Macpherson

Another superb screen sensation, by the brilliant creator of "Male and Female" and "Why Change Your Wife?"

Amazingly different from any other photoplay DeMille has ever made.

A tale of plain folk and bare realities, unfolded with a power and heart-grip that only "The Miracle Man" has approached.

A tale of green lanes and gay streets, of blind youth and grim reckoning, of love, luxury, beauty-and something else that has never before appeared in a motion picture.

Destined to cause more public discussion than any other drama ever screened.

Yet first, last and always an eye-filling, heart-filling, gorgeous entertainment, that every soul who is human will eagerly want to see.
