

A. A. McNEIL GIVEN ONE YEAR; WEAVER AND BOHNE INDICTED BY GRAND JURY; DISTRICT COURT OVER

The Busiest Session of District Court in Years Comes to Close Saturday Night—H. C. McNeil Case is Moved to Potter County.

The case of A. A. McNeil, charged with violation of the liquor law, went to trial last Wednesday morning, the case going to the jury late Thursday night. After being out twenty minutes the jury returned a verdict of guilty and assessed the penalty as one year in the penitentiary. A motion for a new trial was over-ruled Friday, after which notice of appeal was made, and Mr. McNeil released on bond of \$2500.

The case against H. C. McNeil was moved to Potter county. This case has been twice tried during the present term of court, both trials resulting in a hung jury.

Indictments were returned by the grand jury Friday against J. B. Weaver and A. L. Bohne for violation of the liquor laws.

Two indictments against H. J. Collum were dismissed. Collum pleaded guilty to forging a check the first week of court and was sentenced to two years in prison.

In the case of J. M. Conner vs. C. R. McAfee, which was won the first week of court by the defendant, the plaintiff Friday asked for a new trial, which was denied. Notice of appeal was made.

Mrs. Emilie O'Hare vs. W. E. Bates et al, the plaintiff was given judgment Friday.

A motion to set aside the fine of \$100 assessed against E. T. Miller for contempt of court was over-ruled Saturday, but the court reduced the amount of the fine to \$25.

District Court started in Amarillo Monday of this week.

BUFFALOES PUT UP A PLUCKY GAME WITH T. C. U.

OUTCLASSED AND AGAINST A HEAVY TEAM—SCORE 30 TO 0.

Normal Team Highly Praised for Showing of Opening Contest—Clarendon Game Friday.

Four hundred followers of the Buffalo trail stood up and cheered faithfully for their team which struggled through mud and rain on the Amarillo field Saturday afternoon, against the greatest odds any Normal team ever faced. Every rooster was well pleased with the showing made by the team, and came home with a feeling that it is going to be a great football season for the Buffaloes this year.

T. C. U. had the Normal boys outclassed, both as to weight and experience. The team which the Buffaloes faced Saturday is practically the same team which represented T. C. U. in the big state games of last year. Many of the Normal team have had but little experience until coming to the training camp this year. The game was a decisive victory for the Normal in spite of the apparent defeat.

The first quarter was lopsided, all in favor of T. C. U. After this quarter the Normal team buckled up, and contested every inch of the ground. The visitors from down-state had but little on the Plains boys once the latter got over their stage fright and started in to put up a real battle.

T. C. U. received, and marched steadily down the field with line smashes and short end runs to within six yards of the goal line. The Normal team held like a stone wall and had not the officials become mixed in the number of downs, the ball would have gone to the Normal team. The head linesman mildly protested the decision of the referee, but allowed the play to continue although T. C. U. was allowed five downs right at the goal line. This was the only incident during the game when the officials disagreed. It took five minutes to make this touchdown.

The Normal again kicked off and the visitors made another steady march ending in a thirty yard run for another touchdown. Goal failed, score T. C. U. 43, Normal 0.

It took but one minute to make the second touchdown and 3½ minutes to add the third, increasing the T. C. U. score to 20 to 0.

The Normal received the next kickoff on the 42 yard line. On the first play no gain was made; T. C. U. penalized 5 yards; 8 yard gain; 1 yard lost; 1 yard gained. A punt was called, the kick going to the 15 yard line. The punting for Normal averaged ten yards longer than that of T. C. U., while the kickoffs for the Normal averaged 12 yards longer. The ball was carried back to the 40 yard line where the quarter ended.

During the second quarter the ball was carried to the Normal 18 yard line where it was fumbled, the Normal recovering. A punt placed the ball back of the T. C. U. 29 yard line. They were unable to gain and kicked to the Normal's 40 yard line. After failing to gain on two plays, the Normal again kicked. T. C. U. opened up with open plays, but failed four out of five trials on the forward pass. The ball was carried on short end runs to the Normal's 15 yard line where the quarter ended.

A rain fell before the game started; the last part to the first half was played in rain and during the intermission rain made the field very heavy.

When the second half opened the Normal team marched out on the field with a renewed determination to start something. They received east. Gains were made 2, 2, 1 yards. A kick carried the ball to T. C. U.'s 12 yard line, the receiver being downed in his tracks. In the first play T. C. U. was thrown for a loss to their 3 yard line, and a kick was made behind their own goal line. The kick went only to the 28 yard line, and unfortunately the visitors intercepted a forward pass on the first play. The Normal line held and the visitors were forced to kick after being thrown for a loss.

Given the ball on their own 45 yard line the Normal made two and one yard gains, forward pass failed. T. C. U. penalized for tripping, Johnson made 5 yards, Normal penalized 5 yards, when another forward pass was intercepted, and the ball carried on short gains for the last touchdown. Score T. C. U. 27, Normal 0.

The Normal received, made three short gains and punted. After gain-

RANDALL COUNTY FAIR OPENS WITH EXHIBITS OF GREAT MERIT

ing first down the Normal held and T. C. U. had 10 yards to go on her 4th down. A fake kick failed and the ball went to the Normal. Three short gains were made, and another kick made. T. C. U. unable to gain, and returned the punt. Short gains made and Normal punts. T. C. U. penalized 15 yards, but made steady gains to the 20 yard line where a place kick was put over making the score 30 to 0.

There was only 1½ minutes to play and no large gains made during the remaining part of the game.

The outstanding feature of the game so far as the Normal is concerned was the way the right side of the line held. Few gains were made through Johnson's tackle. Sanders at center stopped everything that came his way. There was little fumbling by either team in spite of the wet field. T. C. U. was continually off-side.

The following was the Normal lineup: Sanders, c.; Bird, lg; Whitaker, rg; Golden lt; Johnson, rt; Henry le; Lancaster, re; McLean, q; Studer, lb; Golden, rb; Burson, f.

The team goes to Clarendon Friday to play Clarendon College.

Dairying Pays at the Normal College Farm

About a year ago Prof. Ives, head of the Normal Agricultural Department, started in the dairy business. He wanted to prove to the students that the dairy business would pay in the Panhandle. The first herd consisted of nine cows and a young bull. The milk was sold to the College Dormitory at customary prices. The most of the milk brought about forty cents per gallon. At present the number of cows are eight, one having been culled from the herd. The total feeding expense, including feed ground and purchased amounted to \$261.50 or an average of \$29.05 per month per cow. The total labor for the twelve months, which has been done by students at thirty to forty cents per hour, came to \$518.40. The sales of milk for the twelve months amounted to \$1,201.07, which leaves after subtracting the cost of feed and labor a profit of \$421.17. Each cow has paid better than forty five dollars profit for the year. The Normal dairy has not been run for a show herd, but has been run as any farmer would run his dairy, namely, to make money from the cows.

Salvation Army Gets \$240 From Canyon

Not quite one-half of the quota assigned to Randall county for the Salvation Home Service was raised last week in the drive that was put on through County Chairman W. J. Flesher assisted by Baron Auriemma.

The Baron is working this week in Amarillo.

The recital at the Methodist church Sunday afternoon was attended by about 450 people. The work of Mr. Auriemma was highly appreciated and praised by those in the large audience.

McQueen Drug Co. Making Improvements

J. W. McQueen, owner of the McQueen Drug Co., is just completing a complete remodeling of the building occupied by this popular drug store, and now has one of the prettiest and most up-to-date stores to be found in West Texas.

After buying this business two months ago, Mr. McQueen started in to completely overhaul the store room. All of the walls have been painted, the furniture revarnished, new signs put on the outside, and a cozy corner built in the southeast part of the room with booths for serving the patrons of the fountain. The improvements add much to the looks of the building and are appreciated by the many customers of this drug store.

COLLINS RESIDENCE SOLD

J. W. Collins of Amarillo has sold the residence west of the Normal occupied by Mrs. Lucy Thomas to R. A. Warren of Gatesville, father of W. A. Warren of this city. Mr. Warren hopes to close out his possessions so as to move to Canyon next spring.

HOG SHOW ONE OF BEST EVER HELD IN SOUTHWEST—STRONG COMPETITION IN ALL CLASSES—FAIR WILL CLOSE FRIDAY NIGHT.

The Randall County Fair opened yesterday with a splendid exhibit in all departments. Visitors who have attended other county fairs this year state that the Randall County Fair will compare favorably with any held in Northwest Texas this year.

Today will be a big day at the Fair. The attendance yesterday was good, but today is expected to be a record breaker.

The six rodeo stunts were pulled off yesterday, and will be repeated today and tomorrow.

Without a doubt the hog show at the Fair is one of the best shown in the Southwest this fall. Yesterday evening there were 177 hogs in the new sales pavillion, and a number are coming this morning from the Plainview Fair. Fifteen pens are entered from Tulla, several of which did not arrive yesterday. A visit to the Pavillion to see this exhibit of hogs is well worth coming many miles.

Among the exhibitors, who were in place yesterday were the following: J. C. Frye with 11 head from Tulla; R. E. Foster, John Knight, John Vetsch, C. V. Griggs of Claude, J. W. McCrerey of Wayside, H. C. Roffey, J. A. Price, Henry F. Miller, W. L. Deege, H. E. Fulton, D. N. Redburn, G. D. Walker of Happy, Ludwig Irbeck of Happy, Forrest Burton, N. H. French of Tulla, and about fifty pigs in the Pig Club show.

A number of sheep were on exhibit yesterday.

The horses will be judged today, with a good number entered.

T. A. Dowlen, A. N. Burgan, Geo. Bishop, G. R. Stratton, C. F. Walker and six Club Byes are showing Herefords. Dairy cattle are being shown by the Normal, R. G. Oldham and John Knight.

A rest room for women and children is maintained in the agricultural building. Women are welcome to go there and make themselves at home. The Better Baby exhibit is in connection with the rest room. Very interesting pictures and charts are shown at this place.

The agricultural department was very well filled up yesterday, with more expected today.

The County Women's Club is in charge of the woman's department. The exhibit of fancy work and canned goods is attracting much attention among the visitors.

The poultry department is larger than last year. There are some exceptionally fine birds on display, which are attracting much favorable attention.

Four exhibits of farm implements are being shown on the grounds.

Frank G. Evans, staff correspondent for the Star-Telegram, was here yesterday and today covering the fair for his paper and taking photographs of the fine stock.

Those who have not been to the Fair Grounds should not fail to make a visit there today or tomorrow.

672 Students Are Enrolled in Normal

The attendance at the Normal up to last night was 672 students. Secretary Shaw states that this attendance is considerably larger than the attendance of the second week of last year.

BUGS HIT TOWN

Millions of green and brown bugs hit town Tuesday night, and created havoc with all who tried to keep lights burning in their homes. The drug stores had to close early as the bugs came through the screens in such numbers. These bugs make their appearance annually about this time, but seem to be here in larger quantities than usual this year.

AN ERROR

In last week's paper, a list of this year's possible graduates was given and due to a mistake of the writers, six names were omitted. They were Billy McClure, Kermit Schrauma, Ola Robinson, Sydney Todd, Gladys Campbell, Doyle Gregory. A lengthy article will appear soon giving all the results of Class, Chorus, and Literary organizations.

REV. HOLFIELD RETURNS

Rev. and Mrs. Ted P. Holfield returned Tuesday from Clovis, N. M., where Mr. Holfield was very sick for nearly a month following his trip to the east. Mr. Holfield is still very weak, but able to be about, and will preach next Sunday at his church.

BUYS LOTS FOR HOME

Mrs. Theo Seay of Tucuman was here Friday and bought lots across the street south from the L. T. Lester home. She will move here and build a duplex house.

LAST DAY CITY TAXES

Tomorrow is the last day to pay city taxes. Collector J. B. Hensley stated yesterday that taxes were coming in well, but there was still a good amount on the rolls unpaid.

Come to Canyon to live.

Registered Sale at Pavillion on Saturday

Plans are completed for the sale of registered hogs to be held at the new Sales Pavillion on the Normal grounds next Saturday.

C. F. Walker states that about forty head will be entered in the sale of registered hogs.

About half of the hogs in the sale are being donated to help pay for the new building. There will be other things in the sale donated to pay the expense of the building. Mr. Walker urges that all who have something to donate toward the sale to bring it in Saturday and leave it with him at the sale Pavillion.

The breeders are highly pleased with the sale show building which has been erected on the ground, and indications are that a number of good sales will be put on in this building during the fall and winter.

REID LEASES OIL LAND

J. W. Reid and family returned Friday from Mexia where they have been for the past month. Mr. Reid was called to his father's bedside at the family home in South Carolina while away. His father is not expected to live long.

Mr. Reid has owned 117 acres of land near Mexia for several years. The oil boom started there some time ago, and within the past few weeks has developed into the biggest oil field in the southwest. Mr. Reid's land is within 1½ miles of two of the big wells. Naturally, the oil men were anxious for a lease on his place and while away Mr. Reid sold the lease.

HAZELWOOD BUILDING HOME

W. T. Hazelwood has started a seven room house east of the Wilford Taylor home on West Houston street.

WELL CONTRACT LET

A contract has been let to Leo McDade to drill a 400-foot well for the Normal College. This well will double the water supply of the college, which President Hills says "Will guarantee ample quantity to irrigate the campus and otherwise take care of needs along that line."

GOOD FIRE RECORD SAVES CANYON PEOPLE \$3,312.00 YEARLY PREMIUMS

The following letter has been received by Mayor J. D. Gamble from the State Fire Insurance Commission at Austin regarding Canyon's fire rates:

Austin, Texas, Sept. 19, 1921.
Hon J. D. Gamble, Mayor,
Canyon, Texas.

Dear Sir:
I am giving you below a statement showing the amount of savings to the people of your city, due to the "Good Fire Record Credit" and the 15 per cent reduction under Amendment No. 111, to the General Basis Schedules, which reduction became effective Feb. 1, 1921. The 15 per cent reduction, as set forth in Amendment No. 111, applies to the following classes:
1st. Dwellings and furniture, owner, frame.

2nd. Dwellings and furniture, tenant, frame.

3rd. Dwellings and furniture, owner, brick.

4th. Dwellings and furniture, tenant, brick.

5th. Barns, stables and outhouses, private.

6th. Automobile garages, private.

The reduction of 15 per cent, referred to above, applies to either or all of the Classes, 1 to 6 inclusive, wherever located, whether it be in city, town, village or on the farm or within or without the corporate limits of such city or town. The Good Fire Record Credit is, in a sense a contingent credit and can only be allowed by this Department to those cities and towns that

(Continued on page five)

High School to Play Claude High Friday

The game of the Canyon high school football team with Tulla team was cancelled by Tulla last week, and a game with Claude was assured for Friday.

This was a disappointment as it was hoped that the Canyon school might join in the school day at the Fair today. The Canyon public school has been granted a holiday for tomorrow, and will take in the County Fair and the football game as the guests of the Fair.

Golf Meeting Called For Saturday P. M.

Golf enthusiasts have failed to enthrall much over the great international game during the heat of the summer. The golf grounds have not been in the best of condition—which is ascribed as one of the main reasons for little or no playing this summer.

With cooler weather and a chance to rid the grounds of weeds, the members are thinking again of golf. Several tournaments for West Texas are being talked up, and Canyon wants to have a team entered.

A meeting is called for Saturday afternoon at 4:30 o'clock at the C. N. Harrison office of all members of the Canyon Golf Club that plans may be made for the future.

HILL TO DALLAS MEETING

President J. A. Hill has been asked to represent the Association of Texas Colleges at the Texas Chamber of Commerce, which meets in Dallas, Oct 13 and 15.

President Hill has also accepted the invitation to speak to the Parent Teachers association at Crosbyton next Saturday.

STORK SPECIAL

A son was born to Mr. and Mrs. Paul E. Foster at their home at Wayside Sunday. Paul is the son of Mr. and Mrs. G. G. Foster of this city and is teaching the Wayside school this year.

EASTWOOD BUYS HOME

A. R. Eastwood has bought the Geo. Starns residence on East Cedar street.

Will Boost Home Papers November 7-12

"Subscribe to your home town paper." This is the slogan of a new national movement backed by the National Editorial Association and other agencies.

The movement has back of it far more than a selfish desire on the part of newspapers to acquire increased circulation, for it is, in effect, a step toward the perfect unification of America by the strengthening of ties that bind every one to his native soil.

The campaign is, moreover, an excellent opportunity to boost the home town. The men and women who were born and reared here have, some of them, been away for many years and many important changes have taken place—changes in which they would be greatly interested. It is more often the case than not that private correspondence overlooks these changes, however carefully one might attempt to write "the news" in a letter.

The newspaper, on the other hand, prints all the items of interest, large and small, and is the ideal medium through which to keep in touch with in the old home town.

Do You Feel Lucky? Get Free Subscription

About two hundred people registered at the Randall County News booth at the Fair Grounds yesterday to try for the five free subscriptions which are being given daily at this booth to those who register. When the drawing was made at six o'clock, the following were the lucky ones to get the five yearly subscriptions:
Curtis Brown.

Mrs. R. A. Campbell.
Chas Taylor.
Dean Crawford.
P. J. Meyers.

If you did not register yesterday, do so today and maybe you will get one of the five to be given away today. Another five will be given Friday.

A large number of people are taking advantage of the special Fair week subscription offer of \$1.50 per year.

Mrs. H. C. Roffey was a caller in Amarillo Tuesday.

Foreign Advertising Representative
THE AMERICAN PRESS ASSOCIATION

Secretary of Labor Davis has pointed out that whereas there are 5,735,000 men unemployed today, there were 7,000,000 men, heads of families, unemployed in 1914. Today most of the unemployment is among men without families. A Denver reporter spent two weeks among the 8,000 unemployed of that city. He found that two-thirds of the men who applied to the city officials for work never went back to find out whether a position had been found. In seven hours he found six jobs which were permanent. He states that a majority of the idle men today in Denver demand peak war prices and will not work unless they get it. Unemployment in the west seems to be that of choice; a choice between accepting work at a reasonable price or demanding war prices, which no industry can afford to pay.

The Lubbock Spirit is certainly a winning spirit. Last week the Avalanche published a 128-page edition devoted to the natural advantages of Lubbock. The edition was possibly the largest ever printed by a country newspaper, and was well edited. The Avalanche is one of the best weekly newspapers in the southwest. Its regular edition seldom runs less than 16 pages. The business men of Lubbock are alive to the need of advertising their business and take half, full and double page ads regularly in the Avalanche when merchants in other towns are overlooking the drawing power of advertising and are therefore crying hard times. The spirit of the business men of Lubbock will build a city of that town.

Winking at law breaking and law breakers is a bad policy. If laws are not worthy of enforcement, they should be repealed. If officers are not going to enforce the law, they should be impeached. Citizens who know of law violations and refuse to disclose this information to the officers are not good citizens. The only way to stop law violations is for every citizen and officer to get in the game and do his duty.

A good idea that is not put to work will hardly get the originator any place. Ford had a big idea, but he had to sweat and suffer and sacrifice in order to make it work. So had Edison. So had Rockefeller, Schwab, Woolworth, Harriman, Hill, Carnegie, Armour, Swift, Pullman, McCormick, Goodyear and a whole string of other national characters. Ideas are worthless unless pushed. Most of us are too lazy or indifferent about our ideas to reform and better the country.

The farmers and stockmen who are expecting government aid are going to be sadly disappointed in the results. Government aid is not going to help any individual or industry very much. Washington is flooded with representatives from different kinds of industries seeking government aid. Time alone will heal the industrial ills of this country. Fortunately for all, conditions are fast improving.

A Canyon man who has just returned from an extensive trip says that Canyon is about the dirtiest town he has seen with all of the weeds on the vacant lots. This doesn't sound good. Clean up those vacant lots. Hundreds of tourists see Canyon every week. The dirty vacant lots give us a bad name.

The big Randall County Fair is on. If you have not attended the Fair, go this afternoon or tomorrow. Every citizen of Randall county should see the Fair exhibits.

10,000 Mile Tires

The Hydro-Toron Tire is guaranteed 10,000 miles. It is as big as a cord and better. Costs no more than any standard fabric tire.

E. BURROUGHS Sells Them

Ray Batteries

Large Mail Order House Reads All Country Papers

"We have a bureau whose duty it is to read each week the country newspapers from all over the country. There is not a paper of any consequence in our trade territory that our bureau does not get. This bureau looks over these papers and when we find a town where the merchants are not advertising in the local paper we immediately flood that territory with our literature. It always brings results far in excess of the same effort put forth in territory where the local merchants use their local papers," said Herman Rosenfield, advertising manager for Sears, Roebuck & Co.

Another American who believes that "it is disarmament or bust" is George W. Norris, governor of Philadelphia's Federal Reserve Bank. The American family which was taxed \$33 before the war is now taxed \$224.80, according to the banker's figures. A writer in the financial world declares it is disarmament or confiscation. Before the war the combined debt for 12 of the principal nations was under 26 billion dollars. Now the debt of Great Britain is more than 37 billions, of the United States 24 billions, of France 48 billions and of Germany an amount so great that the German mark is worth about a cent. Yet the crippled and probably bankrupt world goes on with armament.—Plainview News.

The attendance at the Normal is highly gratifying. It was feared that the number might fall below last year's enrollment owing to the financial condition, but instead of this there has been a healthy increase. The recognized colleges are all enjoying a good attendance this year.

Treat all seed wheat for smut. It is more profitable to raise a good crop of wheat next year than a bad crop of smut.

Thanks. Many nice things have been said about the edition of the News printed last week. Boquets are appreciated.

Duties are not obligations but opportunities.

An Indian named Man-Afraid-of-Nothing married a white woman in Montana not long ago, and in one week after the wedding he applied to his tribe to have his name changed.—Boston Transcript.

W. E. Heizer and family spent the week end in Wellington.

Miss Lucile Gill left Sunday morning for Austin where she will attend the State University.

County Agent Walker and Prof. Mowery of Lubbock acted as judges for the Hereford Pig Club boys Saturday. They were well pleased with the class of stock shown. The prize pig will be shown at the Randall County Fair this week. It is understood that the boy winning first place at Hereford will be sent to the Dallas Fair by their Chamber of Commerce.

E. C. Dodson went to Decatur Tuesday morning on business.

Mr. and Mrs. I. D. Cole of Amarillo spent the week end at the J. W. Wyatt home.

Mrs. R. P. Price was a caller in Amarillo Thursday.

Mildred Livingston and mother were callers in Amarillo Thursday.

S. B. McClure and family were callers in Amarillo Saturday.

Mrs. George Jones was in Amarillo Saturday.

W. J. Flesher and family and Miss Dewey Foy were callers in Amarillo Saturday.

Mr. and Mrs. Ed Gerald and son were callers in Amarillo Saturday.

Grady Oldham was in Clayton, N. M., last week on business.

G. W. Johnson and daughter were callers in Amarillo Saturday.

Mrs. C. L. Carson and daughter were callers in Amarillo Saturday.

F. E. Burch of Tulla visited relatives here Sunday.

Mrs. John Fry and daughter were callers in Amarillo Saturday.

Mr. and Mrs. Floyd Golden of Friona spent the week end here visiting at the J. S. Pool home.

When the gay days of winter rolls around there will be no end of pleasant summer days to dream over, for society has put on her best gown, decked herself with blossoms and held high carnival throughout the entire season. Among the pleasant events gracing the past week's social calendar was that given Thursday afternoon by Mrs. O. N. Gamble for the Merry Maids and Matrons. A profusion of garden flowers adorned the rooms to welcome the guests and fill the air with their sweet fragrance. 42 was chosen as the afternoon pastime. About four o'clock covers were laid for a dainty salad course.

Miss Birdie Lee Burkhalter went to Amarillo last week for a small operation on her eye. She was accompanied by Mrs. Marrs, the College nurse.

Mr. and Mrs. J. W. McQueen and daughters were callers in Amarillo Saturday.

LOCAL NEWS

Nester Gass of Hereford was a caller here Sunday.

The Vocational Agricultural Class at the Normal has been getting real vocational training the past week. They have been helping with the buildings for the fair.

Mrs. W. H. Henry and children who have been visiting at the C. R. Holland home, returned to their home in Amarillo Saturday.

Misses Catherine and Victoria Wilson of Hereford, who are attending school here, visited home folks the past week end at Hereford.

RAY BATTERY—the only battery guaranteed unconditionally two years.
E. Burroughs. 273

Misses Lorena Frieze and Blanche Croson were callers in Amarillo Saturday.

Leo Abbott of Amarillo was a caller here Sunday.

O. I. Smith and daughter Ellen and Miss Minnie Pearl Pierce were callers in Turkey Monday.

Miss Mattie Foster and Mrs. Ewing Prichard were callers in Amarillo Tuesday.

Cecil Jones of Amarillo was a caller here Sunday.

Miss Dewey Foy was a caller in Amarillo Sunday.

Miss Mildred Johnson was a caller in Amarillo Saturday.

Mr. and Mrs. Frank Giles of Hereford visited relatives here Sunday.

Mrs. Burt Rhodes of Amarillo visited at the J. A. Guthrie home Sunday.

Brace Barnett left Monday for Krum to teach school.

Mr. and Mrs. Mayo and daughter of Clarendon visited friends here Tuesday.

Mrs. Ivey Moon returned to Hale Center this week after visiting at the parental Smith home.

Mr. and Mrs. Ball and baby returned home Monday to Krum after visiting at the parental J. C. Barnett home.

Clyde Davis and Misses Dewey and Esther Foy were callers in Amarillo Tuesday.

Mrs. Lela Ellis returned to her home at Snyder Saturday after visiting at R. C. Mowery, Vocational Agricultural teacher of the Lubbock High School, spent the week end as the guest of Frank Phillips of the Normal. Mr. Mowery was delighted with the class of stock found around Canyon. He visited the farms of H. C. Roffey, John Knight and Park Lewis. Mr. Mowery represented the A. & M. College at the International Live Stock Show in Chicago last winter and Lubbock is fortunate to get such a man to train her agricultural boys.

Reduction Sale

FOR TEN DAYS

STARTS THURSDAY, SEPT. 29--ENDS SATURDAY, OCT. 8

FOR CASH ONLY

Right here in the beginning of the Fall Season, you have an opportunity to buy your Winter Goods at reductions of from 10 per cent to 50 per cent. We don't expect any further declines this season, in fact, Cotton Goods of all kinds have advanced around 20 per cent in the last three weeks, and we will be forced to advance our present prices on all Cotton Goods, including Work Clothing of all kinds, as soon as our stock is exhausted. Regardless of these facts, we must turn \$15,000.00 worth of merchandise into CASH in the next ten days, and are putting prices on these goods that will surely move them. Don't overlook this opportunity. The reduction touches every item in our Dry Goods Department. You cannot afford to miss it. Come first day of the sale if possible; choice will be best then. The cream of the stock will go first.

BRING THE CASH—IT TAKES IT TO GET THE DISCOUNT DURING THE SALE

50 PER CENT OFF
On One Lot of Ladies' Suits and Coats.

25 PER CENT OFF
On One Lot of Ladies Suits.

25 PER CENT OFF
On One Lot of Men's Suits

20 PER CENT OFF
On all Trunks, Bags and Suit Cases

20 PER CENT OFF
On all Men's and Boys New Fall Suits, Overcoats, and Odd Trousers

20 PER CENT OFF
On all Ladies' New Fall Suits and Coats, Waists, Skirts and Millinery

10 PER CENT OFF

\$1.50 PER YEAR

Big Subscription Offer SEPT. 25th TO OCT. 1st

In spite of the fact that print paper is 200 per cent above prewar prices; printer's ink is 300 per cent above pre-war prices; labor is more than 200 per cent above pre-war prices; everything that goes into making a newspaper is more than double pre-war times, the Randall County News increased the subscription rate only 50 cents, or 33 1-3 per cent, per year. This little increase has been willingly paid by the subscribers, but we are trying our best to get back to a pre-war basis. This will be impossible until the paper trust is smashed—and that seems to be a very remote time.

During the Randall County Fair Week, Sept. 25 to Oct. 1st, we are making a special subscription bargain offer for the paper for only \$1.50 per year. You may pay for as many years as you like at this rate.

ANOTHER BIG SPECIAL

You can buy the Randall County News for one year and the Amarillo Daily News for one year, both for \$7.90—the same price you pay for the Amarillo paper.

Or you can buy the Randall County News for one year and the Amarillo Daily Tribune for one year, both for \$6.50—the same price you pay for the Amarillo paper.

FREE SUBSCRIPTIONS

During the Randall County Fair, Sept. 28, 29, 30, we will give away DAILY five yearly subscriptions to the Randall County News. All you have to do is to register at our booth at the Fair Grounds, giving your name and address. Each evening five numbers will be drawn and these will be given a year's subscription to the Randall County News.

GOOD FIRE RECORD SAVES CANYON \$3,312 ANNUALLY

(Continued from page one)
are able to qualify under the rule permitting us to grant it. This credit is based upon the loss ratio of the city or town for the three years, preceding the calendar year during which the statement is filed with the State Fire Insurance Commission. For each five per cent, or fraction thereof that the losses sustained by fires are less than fifty five per cent of the premiums received a credit of three per cent will be allowed with a maximum credit of fifteen per cent.

The total amount of savings over the entire State for the year 1921, to the insuring public, under Amendment No. 111, covering the six classes, above outlined, will amount to approximately, \$1,232,005.98.

The total savings to the citizens of those cities and towns enjoying a good fire record credit, two hundred and fourteen in number, for the year 1921; will amount to, approximately \$1,599,313.22, which would mean a total saving of all policies written or renewed during the year 1921, of approximately \$2,831,419.20.

The saving to your city, under the Good Fire Record Credit for the year 1921, amounts to \$2,547.91, while the savings due to the 15 per cent reduction on the dwelling classes (1 to 6 inclusive) as enumerated in Amendment No. 111, would amount to \$704.37, or a total saving under both reductions of approximately, \$3,312.28.

As an incentive to your citizens to strive to save their property from destruction from fires, and in this way maintain the maximum credit of 15 per cent for Good Fire Record, which they are now enjoying, permit me to offer the suggestion that the information, herein disclosed, be given to the press of your city.

If the premiums received by the companies are not sufficient to pay the losses, expenses and permit them to earn a reasonable per cent profit for their services, they must accept either one of two alternatives—refuse to write such a class, or increase the rates sufficiently to enable them to pay the losses, expenses, and have a little left for their trouble.

Proper fire protection, and fire prevention, practically applied by every citizen, without fear or favor are two of the most essential methods to bring about a reduction in fire insurance rates.

Very truly yours,
T. M. SCOTT,
Commissioner-Secretary.

UMBARGER NOTES

Tom Rix and family moved into the Rehker house just north of the depot. Two young men, Mr. Seiner and Mr. Bohl of Nebraska have been visitors at the John Brandt home for some time, but left for their old home last Friday.

Mr. Skypala and Paul Artho were business callers in Canyon Saturday. The baby of Ernest Fricmel was taken home from Amarillo last week, being in the sanitarium sick with typhoid fever. It is improving slowly.

The little boy of Hugo Skarke was on the sick list last week. On account of the nice weather a big part of the row crop is already cut.

Good news was sent to Nick Hollenstein, from his wife and boy in Switzerland, where they are visiting.

Sometimes a movie hero is one who sits through it.—Newspaper Enterprise Association.

For Sale or Trade—Waterloo Boy Tractor, 3 bottom, P. & O. Plows with sod attachments, at my ranch 15 miles northwest of Canyon, price \$650. Address O. K. Higgins, Mineral Wells, Texas. 2794

Figure This Out

Electricity is the Cheapest Power You can Buy

Electricity is no longer a luxury to be enjoyed by the few. It is now within the reach of the many. Read the following figures based on the average rates for electric current.

A nickel's worth of electricity will:

- Run a 12 in. fan for 10 hrs.
- Run a sewing machine motor for 10 hrs.
- Play an electric piano for 5 hrs.
- Pump 500 gallons of water 100 ft. high
- Clip 3 horses, groom 5 horses
- Grind 2 1/2 bushels of oat corn
- Crack 10 bushels of corn
- Thresh 7 1/2 bushels of barley
- Grind 400 lbs. of so. sage
- Clean 2200 sq. feet of carpet
- Churn 50 lbs. of butter
- Separate 3500 lbs. of milk
- Milk 25 cows
- Operate grindstone for 15 hrs.

and do many other useful things.
Let us show you where electricity will help YOU

R. O. C. Brumley was here yesterday from Amarillo. He states he and his wife and daughter will leave this week for Redland, California, where they will spend the winter.

Listed among the most charming of many social events of the past week was the delightful party given Monday night at the S. B. McClure home in honor of the eleventh grade of high school. Garden flowers were used in abundance through the entertaining rooms, and following an evening of music and series of interesting games a tempting refreshment course was served to the guests. Much to the surprise of the class every one was present.

Miss Helen Lamb returned to Greeley, Colo., last Sunday after a visit of three weeks with her sister, Miss Mary Adaline Lamb. Miss Lamb accompanied her to Amarillo.

Mrs. L. S. Carter is visiting her brother, H. C. Dillahunt at Higgins this week.

Lary Carter of Corpus Christi is visiting his parents, Mr. and Mrs. L. S. Carter.

The J. A. Guthrie home.

Z. G. Fogerson is in Tullia this week on business.

J. A. Hill was in Amarillo Monday on business.

J. R. Bassett and family were callers in Amarillo Monday.

C. E. Dodson transacted business in Amarillo Monday.

F. L. Easley of Chillicothe is here this week looking for a location.

Mrs. G. G. Foster is at Wayside this week to see her new grandson.

HERE FOR FAIR

Wm. Bach of Rulo, Neb., arrived this morning to attend the Randall County Fair. He states that after reading last week's issue of the Randall County News regarding the Fair he could not resist the temptation of coming. Mr. Bach was here last year for the Fair. He owns land near the city and has great faith in the future of Randall county.

HAPPY HAPPENINGS

A. J. Newberry and John Toles attended the Shriners parade in Amarillo Saturday.

W. L. Townsend's moved into their new home Friday.

Among those from here who attended the Fair and Sunday School parade at Tullia Saturday were: J. D. White, W. C. White, O. M. Fowler, B. J. Mulkey, C. W. McNeely, Tom Bandy, J. H. Stephenson, A. E. Alkman, E. F. Arnold, Wm. F. Miller, Mrs. A. L. Harrison, Mrs. Tom Mitchell and their families, Mr. and Mrs. P. J. Neff, Mr. and Mrs. M. S. Arnold, Misses Essie and Elsie Martin, Mildred Zoellars, Grace White, Mrs. Goodnight and daughter Merle, S. C. Whitman, W. C. Woodburn, A. Wallberg and family, S. T. Whitman and family. There were over 600 in the parade led by the Tullia band. They met at the different churches and marched from there down town to the south corner of the square where they lined up to have pictures made.

Miss Joanna Elliott of Canyon was visiting friends here Saturday and Sunday.

Mrs. Glade McNeely and children of Tullia visited this week at the C. W. McNeely home.

Miss Lorraine Flesher returned Friday from Canyon where she has been in school, with a severe case of tonsillitis.

Mrs. Adelia Foster entertained a few of the young folks Saturday night. Owing to the rain only a few were present.

Dr. Hunt of Abilene will preach the dedication sermon at the Methodist church Sunday morning. Everyone cordially invited to attend.

Mr. and Mrs. W. C. Newberry of Tullia visited here Saturday.

Mr. and Mrs. Teische Goschle and son of Chicago, Ill., and Mrs. Wolf of Gaston, Wis., are visiting their brother N. W. Uselding and family.

The Epworth League was invited to a social given by the Tullia League at the home of Miss Vera Porter. An enjoyable evening was spent. Refreshments of two kinds of sandwiches, pickles, salad and tea were served. All left after thanking their hostess for a pleasant evening. Those who went from here were: Rev. and Mrs. C. W. McNeely, Mr. and Mrs. Earl Cowan, Misses Mildred Zoellars, Ella Alkman, Grace White, Minnie and Pauline Grounds, Gladys Bandy, Vellie Dison and Annie Crawford; Messrs. W. C. Woodburn, T. C. McKennon, Van Foster and Emmitt Grounds.

Mr. Casey, the field secretary of the Epworth League of the N. W. T. C. will be with the League Sunday night and everyone is cordially invited. All the young folks are urged to attend.

MICKIE SAYS—

WHEN A FELLER WANTS SOMEBODY ELSE BAWLED OUT IN 'TA PAPER BUT SAYS, "DON'T MENTION MY NAME," I FEEL JESY LIKE CRACKIN' HIM ONE!

B. M. U. MEETING

The Baptist Women met in their regular Missionary study on Tuesday, September 27. Mrs. Atkins was the hostess for the occasion, and thirteen women were present to enjoy the hospitality of this good home. The lesson was a synopsis of our woman's work in the Southern states. We have reason to be proud of the fact that the B. Y. P. U. of the south is the largest woman's organization in the world. Our local auxiliary has grown until it is deemed wise to divide into two circles, east and west, being divided at the square. Mrs. Humphreys was elected general president, Mrs. Rusk, President of the east side and Mrs. Williams President of the west side. After the interesting program and business was attended to, our physical selves were refreshed by delightful cream and cake served by Miss Lillian Atkins and our spirits were uplifted by beautiful music played by Miss Bowman.

MOTOR DIGEST

England has 853,900 motor vehicles. Brooklyn has one-tenth of the automobiles in New York State.

Farmers in the United States had a total of 2,146,512 automobiles in 1920. A regular automobile service was recently established by the postal ad-

ministration between Rovaniemi and Sodankyla in Finnish Lapland. Gasoline consumption in New York city averages more than 700,000 gallons per day.

During the world war more than 1500 passenger automobiles were operated by government officials in Washington, D. C.

A horn, invented to be carried on the rear of an automobile, is sounded automatically when the car is moving backward.

A new tool has been invented for motorists, small enough to be carried on a key ring, and serves as an adjustment spark, igniter breaker point, file

Pertinent Questions

Banks are required to keep a certain amount in reserve in order to comply with the law and the demands of safe, conservative banking.

If reserve funds are a good thing for a bank, why wouldn't they be a good thing for you? Why not keep some money on deposit with our bank, as a reserve in case of emergencies? It will be safe there until you may need it.

No better time than NOW to start.

The First State Canyon Bank Texas

State Guaranty Fund Bank A GOOD COMBINATION Member Federal Reserve System

(THE ONLY GUARANTY FUND BANK IN RANDALL COUNTY)

and spark plug cleaner.

In the last fiscal year the American public spent \$1,675,703,500 for motor vehicles, as compared with \$2,008,665,000 in 1920.

A French woman, Mademoiselle Calvert, who was a lieutenant in the French ambulance service during the world war, holds a record of driving an automobile on a dirt track in fifty-seven seconds.

The automobile horn has replaced the ring of school bell in summoning thousands of pupils to rural districts of New Jersey, where the motor busses transport children to consolidated schools.

With the First Autumn Days Comes An Insistent Need For New Fall Suits

The A. B. C.'s of Suit Styles for Fall include: Appropriateness, Beauty and Conservative Cost, for styles are versatile—they will cleverly meet any occasion requirement—they are beautiful in fabric, color and trimming, and the price tags respectfully concede to the Dollar its birthright.

WAYSIDE ITEMS

Rev. Nelson Smelser and his bride of 10 days were at Wayside Sunday for his regular appointment, his last time with us until annual conference, which is to be held at Amarillo next week. He is to attend school at Clar- endon this winter.

Prof. Paul Foster and wife are en- tertaining a boy at their home, born Sunday night.

Several are expecting to attend an- nual conference at Amarillo beginning October 5th.

Mr. and Mrs. Wm. Payne entertained the following Sunday for dinner: W. J. Sluder and wife, W. R. Franklin and family, D. J. Graham and family, Rev. Smelser and wife, J. S. Sluder and family, M. C. Sluder and Mr. Jones, D. L. Adams, wife and son, Robert, motored over in the afternoon. John Stöcker has lately purchased a Jersey cow.

Mr. and Mrs. J. W. McCreery are having their house remodeled.

Miss Flora Carter, who has been vis- iting her aunt, Mrs. R. E. Brooks, near Texhoma, has returned home.

W. I. Lane and family visited rela- tives at Canyon Saturday night and Sunday.

Carroll Sumeroll left Friday for the cotton fields.

Mr. and Mrs. W. J. Sluder are vis- iting with their daughter, Mrs. Wm. Payne this week.

PRESBYTERIAN CHURCH

There will be services at the Presby- terian Church next Sunday as follows: Sunday School at 9:45 with all offi- cers and teachers in their places. There is a class for you with a competent teacher and we invite you to join us in the study of the Bible.

The pastor is back and will preach at the 11 o'clock service. It is hoped that we may have a good service and that the membership will be praying and expecting the blessings of God and His holy presence.

The pastor does not feel able to preach at the two services Sunday so there will not be any preaching ser- vice at our church on Sunday night.

The Endeavor will meet at the usual hour.

You will find a cordial welcome at our church.

TED P. HOLLIFIELD, Pastor.

DOWN-TOWN BIBLE CLASS

Mark Foster, Secretary-Treasurer. Ted P. Hollifield, Teacher.

We are going to meet on next Sun- day morning. Mr. Hollifield is back and will be there and we hope that there will be a good showing at this meeting of the class. This will be more of a get-together meeting. Make an especial effort to be there. The place of meeting is the American Legion Hall and the time of meeting is 9:45 a. m.

If you are a young man in our city without any Sunday School affiliation we shall be glad to welcome you into our class.

WE THANK YOU.

Price Bros. wish to thank you very much for the fine business which we enjoyed during our ownership of the Normal Barber Shop. It shall be our pleasure to see you give this shop your business as you have in the past.

E. BURROUGHS, Sells Them "We Charge Batteries"

The Wonders of America

By T. T. MAXEY

THE HIGHEST HIGHWAY IN THE WORLD.

PIKE'S PEAK is, without question, the most-talked-of, most-written-about-and consequently most-famous mountain in America. Fittingly indeed has it fallen heir to the name "Monument of the Continent," for it has played an important part in the history and romance of our fascinat- ing and wonderful West. Now its im- portance as a landmark, situated on the dividing line between the great plains on the east and the mountain kingdom on the west, has been fur- ther increased, because of the ability of the public to ascend it comfortably and quickly and enjoy the panoramic view of five or six states which is vis- ible from its snow-clad summit, 14,100 feet high.

The most marvelous highway build- ing achievement of the age is the con- struction of an automobile highway from Colorado Springs and Manitou to the summit of this peak. The fearless thought that conceived and the daring which executed the work of building this, the highest highway in the world, absolutely stun the average individual. It is about 16 miles long, from 20 to 50 feet wide, smooth as a boulevard, and has a maximum grade of 10 1/2 per cent.

While this serpentine road turns and twists and winds and zigzags up, to an elevation seldom reached in this world under any circumstances, the visitor is treated to indescribable views of immeasurable space and into immeasurable depths and receives a se- ries of new thrills and sensations. Looking up, one may see cars moving in opposite directions on different levels of this road, yet both are going the same way—up.

Another thing that delays the return to normal is the theory that business is equipped with a self-starter.—Boston Post.

Will that unemployment conference take up the cases of the Democratic ex-office holders?—Nashville Southern Lumberman.

All the railroads but one are worry- ing about motor competition. That one belongs to Henry Ford.—Cleveland Plain Dealer.

The success of sharpers indicates that the buyer's strike has not yet been extended to bogus securities.—New York Telegram.

Our idea of retribution is the ar- rangement that requires one Congress- man to listen to another's speeches.—Cleveland News.

Now if Russia gets a square meal, do we get a square deal?—Brooklyn Eagle.

The greatest enemy of child life is the tape worm. It destroys health and vitality. The greatest enemy of the tape worm is White's Cream Ver- mifuge. One or two doses does the work. Price, 35c. Sold by Jarrett Drug Co. 2345

City Pharmacy THE REXALL STORE

The German business man probably will not regard a filled order blank as a "scrap of paper."—St. Louis Post-Dispatch.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. Catarrhal Deafness requires constitu- tional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an in- flamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entire- ly closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous sur- faces of the system, thus reducing the inflammation and restoring normal condi- tions.

Fordson TRACTOR

\$625 F. O. B. Detroit
"Yes I've more Time for Myself Since I Got a Fordson"
The Fordson Tractor is taking much of the drudgery out of farm life; it is solving the labor problem; it is reducing the cost of preparing land by almost one half of what it was with horses; and it is saving one third to one half of the farmer's time; and making farm life more attractive. The Fordson will run your threshing machine—and at the most opportune time for you. It will operate the milking machines, saw your wood, fill your silo, pump the water, and take care of every kind of belt work— And don't forget—it will plow six to eight acres in a ten hour day, handling two plows with ease. Thus the Fordson is the ideal year-round tractor. It will pay for its fall and winter keep in many ways. There's a big story to tell you about the Ford- son—and a true one—come in and get the facts. Or, if you prefer, telephone or drop us a card and we will bring them to you.

High Rent vs. High Taxes
The man who pays high rental, only in exceptional cases has a moral right to kick about it. The man who pays high taxes is receiving its benefits. Being a party to taxes is being a partner in a great enterprise. What does the rent payer get back for his money? For what reason has he to expect more than a shelter for his family, to whom his every instinct should urge him to own his home? The man who will deny his family the pride of home-ownership is, unconsciously maybe, but nevertheless tearing away the basis of our government, society and civilization.
This may be pointed, but it's true. Let us help you build a home.
CANYON LUMBER CO.

HENPECKED MEN ARE COMMON THROUGHOUT CHINA, ASSERTS WU

There are quite as many henpecked husbands in the republic of China as elsewhere in the world, according to Wu Ting Fang, former Chinese minister to the United States. Moreover, women of this part of the Orient bob their hair short, wear tight trousers and go their Occidental sisters one better in many ways.

The Hon. Mr. Wu, who is frequently called the world's best-known Chinaman, tells many startling and interesting things concerning the women of his country in an article published under his signature in the *Delineator*. The author admits that he took his pen in hand with considerable trepidation, as anything he might say would "surely be rewarded with more kicks than than's," but that he finally decided to go ahead because he was quite sure his article would never be republished in China.

The Hon. Mr. Wu was induced to undertake this task at the personal solicitation of Mrs. William Brown Meloney, editor of the *Delineator*, who knew him when he was Chinese minister to America. He says that a cautious henpecked husband would avoid discussing the subject at issue, but he intends to treat it impartially. One of Wu's greatest assets is a fine sense of humor.

The writer states that a great change has occurred in the women of China during the last fifteen years. It was then that they discarded what he terms the "pedestrian bandage" meaning the tiny shoes in which their feet were confined. When they kicked off these shoes they discarded with them many traditional shackles.

The real turning of the worm, after many false attempts, came when the women bombarded parliament, as suffragettes have bombarded lawmaking bodies in this country and in England. They were more successful there than either here or in Europe, according to Wu, because "the members of parliament did not dare call for police interference. They consider that the better part of valor is discretion and left the house to avoid them." A repetition of such an incident occurred about ten days ago.

Wu says that it is untrue that Chinese women have no choice in their home. Not only do they control the house, but they accompany their husbands upon the streets and actually take part in public gatherings. They are even known to attend dinners and excursions unaccompanied by male escorts, and "instead of being shy and timid, maintain their positions very properly and gracefully."

One of the greatest changes has to do with marriage. In the good old days, before the women kicked off their "pedestrian bandages," girls married men selected by their parents and whom they had never seen. Nothing like this happens nowadays. If a young lady is not permitted to pick out her own spouse, she adopts the Occidental expedient of eloping. This occurs even in conservative families. "They have not as yet adopted the swift method of motor cars or aeroplanes, as there are not many of these in China, but they effect it just as easily," says the former minister. Wu goes on to talk entertainingly

of education, beginning now with kindergartens and ending in high co-educational institutions. He tells of the employment of women and many other facts not generally known here in the western world.

MRS. ADAIR DIES IN LONDON, ENGLAND

Clarendon, Sept. 22.—The death of Mrs. Cornelia Adair, owner of the famous J. A. Ranch, which occurred this morning in London, England, was announced in a cablegram received here today. Mrs. Adair was 84 years and five months old. Mrs. Adair and her husband were among the earliest settlers in this section, and their ranch property near here, known as the J. A. Ranch, is one of the large ranches of the county. The owner spent a portion of her time on the ranch, and knew personally practically all of her employees.

The old stone house which was the home of Mrs. Adair on the ranch is furnished with the conveniences almost of a town home, and there Mrs. Adair was delighted to visit every year, but during late years her health and age would not permit extended visits. It is here that many distinguished persons of England and other countries, as well as this country, have visited and been honored guests.

James W. Wadsworth, United States senator from New York was a nephew of Mrs. Adair, and for many years was manager of the ranch interests, living on the ranch and in Clarendon during the time. At the present time T. D. Hobart of Pampa, is general manager, and J. W. Kent of Clarendon is ranch manager of the J. A. properties. Mrs. Adair was the donor of the Adair hospital and the Y. M. C. A. building in Clarendon, and the hospital is kept up by a fund set aside for the purpose by Mrs. Adair.

DEEDS FILED LAST WEEK IN COUNTY

The following deeds as furnished the News by the Randall County Abstract Company, have been recorded in the County Clerk's office:

T. J. Morris to Burgess Campbell, lots 6 and 6, block 10, Normal Add to Canyon. Consideration \$125.

Ida Rayzor to C. R. Burrow, lot 2, block 55, Canyon. Consideration \$150.

Mrs. Nannie T. Stringfellow to H. E. Hume, lots 7 and 8, block 58, Canyon. Quit Claim Deed.

S. H. McCarty to Annie V. McCarty, Guardian, lots 14 and 15, block 3, Ballard Add to Canyon. Consideration \$4,000.

S. H. McCarty to Annie V. McCarty, section 32, block B-5. Consideration \$1.00 and love and affection.

BE RID OF THE ACHE

"If you are a sufferer with lame back, backache, dizziness, nervousness and kidney disorders, why don't you try the remedy that your own neighbors recommend? Ask your neighbor!"

Mrs. C. R. Correy, Canyon, says: "My back and kidneys had been causing me a lot of trouble for a long while. My back ached steadily and there was lameness and soreness in it which made it hard for me to stoop over to do my housework. I would get dizzy and black specks would float before my eyes. Then again I would have headaches and my kidneys were inflamed and irregular in action. I was advised to try Doan's Kidney Pills and bought some at the Holland Drug Co. Three boxes fixed up my kidneys and relieved my back."

Much Suffering Caused by Waste Products in the Blood

What Science Knows About the Matter and How It Is Best Treated.

The blood is more important than any of the organs. It is thru the blood that the whole human body is directly or indirectly nourished. The blood gets its nourishment from the intestines. The intestines also contain waste products—undigested foods, acids, gases and refuse, which sometimes get in the blood.

When waste products get in the blood, nature will strive to cast them out. If your resistance is strong enough, nature will probably succeed. But if you are "below par," weak, run-down, and nervous, nature will begin to show signs of distress.

As a result, you will have that feeling of fatigue. You will lack the energy you need for the day's duties and pleasure. Minor ailments will begin to affect you—pimples, blackheads, and boils.

If the waste products are not gotten out of the blood at this point, it is possible a more serious skin eruption or disease will begin to show itself.

It is not infrequent for waste products to settle in the muscles and joints and cause rheumatism.

Listen to nature's warning. Your blood is your fountain source of energy—therefore keep your blood rich and pure.

For over 50 years, thousands and thousands of men and women have relied on S. S. S. to clear their blood of waste products.

S. S. S. will improve the quality of your blood by relieving you of the waste products which cause impoverished blood and its allied troubles—skin disorders, rheumatism and a lowered vitality.

Get S. S. S. at your druggist. Beware of substitutes. Write Chief Medical Director, Swift Specific Co., D-720 S. S. S. Laboratory, Atlanta, Ga. for special medical advice (without charge). He is helping people every day to regain their health and strength. Ask him to send you his illustrated booklet, "Facts About the Blood"—free. S. S. S. is sold by all drug stores.

Fine Watch Repairing
HUGH WHITCOMB
402 Polk St., Amarillo

ONE BRAND-ONE QUALITY-One Size Package

All our skill, facilities, and lifelong knowledge of the finest tobaccos are concentrated on this one cigarette—CAMEL.

Into this ONE BRAND, we put the utmost quality. Nothing is too good for Camels. They are as good as it's possible to make a cigarette.

Camel QUALITY is always maintained at the same high, exclusive standard. You can always depend on the same mellow-mild refreshing smoothness—the taste and rich flavor of choicest tobaccos—and entire freedom from cigaretty aftertaste.

And remember this! Camels come in one size package only—20 cigarettes—just the right size to make the greatest saving in production and packing. This saving goes straight into Camel Quality. That's one reason why you can get Camel Quality at so moderate a price.

Here's another. We put no useless frills on the Camel package. No "extra wrappers!" Nothing just for show!

Such things do not improve the smoke any more than premiums or coupons. And their added cost must go onto the price or come out of the quality.

One thing, and only one, is responsible for Camels great and growing popularity—that is CAMEL QUALITY.

The Latest and Best

We offer the Case 15-27 Kerosene Tractor as the king of them all. It is creating a sensation all over the country. It is the result of 77 years of experience of the famous J. I. Case Threshing Machine Company.

It pulls three plows in hard plowing—four plows under favorable conditions. It has abundant reserve power. It burns kerosene successfully and economically.

This sturdy tractor is adaptable for all kinds of drawbar and belt work. It drives a 26x46 Case Thresher with Feeder and Wind Stacker. Its pulley is properly placed for convenient "lining up."

It is small and compact and built for accessibility. No tractor is finer. You should become acquainted with its many superiorities, which we will be glad to explain. Don't buy before you see this better tractor.

Famous Titan 10-20

At Lowest Price Ever Quoted

\$900

All former price advances are wiped out by the big reductions made on this three-plow tractor. We believe this is the best buy on the tractor market.

This is the lowest price ever quoted on the Titan, considering equipment now included (formerly sold extra). March 1, 1921, the price was \$1,200. Now it is \$900. As this price disregards manufacturing costs, we do not know how long it will be maintained. International 8-16 and 15-30 tractors are also lower than ever before. The 8-16 now sells for \$900 complete. The new low price on the 15-30 is \$1,750.

All prices f. o. b. Chicago. We can arrange suitable terms. These prices certainly justify the immediate purchase of a tractor. Get yours in time for the horse-killing work of hot weather plowing and the fall and winter belt work.

Thompson Hardware Co.
