

ARMISTICE CELEBRATION IN CANYON MONDAY

BOND ELECTION CALLED BY THE SCHOOL DISTRICT

DOES NOT MEAN INCREASE IN THE TAXES OF DISTRICT.

Money Asked for Furniture and Fixtures for the New High School Building Just Completed.

An election was ordered this morning by the trustees of the Canyon Independent School District for the purpose of voting \$15,000.00 in bonds to complete the furnishing and equipping of the new high school building.

This election does not mean an increase of taxes in the district, but it means the saving of two and one-half per cent interest on the indebtedness caused by the purchase of furniture for the new high school building.

The district is now \$13,000.00 in debt on the furniture and fixtures for the new building. It is necessary to pay eight per cent interest on the outstanding notes. These notes must be paid off in two and three years. The school has practically no equipment for the manual training and domestic science departments. To vote additional bonds in the amount of \$15,000 will wipe out all debts of the district on the furniture and fixtures, and give the district money at 5 1/2 per cent interest which is now costing 8 per cent.

In spite of the present bond market, a small issue of \$15,000.00 can be sold at par, as the district lacks nearly one hundred thousand dollars of reaching its bond limit.

S. B. McClure circulated the petition yesterday for the calling of this election. Those of the business men to whom the proposition was explained, believed it to be only a good business policy to use the cheaper rate of interest of five and one-half per cent rather than continue to pay eight per cent on notes.

SHIPPED DAIRY COWS

Chas. Harter and Wilford Taylor returned last week from Wood county where they purchased two car loads of fine Jersey cows. While there they bought the famous McCrary herd of registered Jerseys for W. J. Flesher and have just delivered the same to him. This is one of the best herds of Jersey cows in the state.

Mr. Harter has shipped in six car loads of dairy cows into Randall county during the past year. He has studied the conditions, and has great faith in Randall county as a dairy county.

LOST FINGERS YESTERDAY

S. R. Thompson lost two fingers in the power saw, at the new Methodist Church building yesterday, when his right hand went into the saw while cutting lumber for the window frames. Both middle fingers were taken off at the second joint, and the first finger was badly cut at the end.

Mr. Thompson is a carpenter on the new church building job.

FEW MORE OF SPECIALS

The News has a few more copies of the City and County Improvement Edition of October 25th.

We ask that all who reserved copies of the edition please call for them this week, as they will not be held longer.

Record Made Testing Cows in Canyon, According to Landrum

Dr. Landrum of Amarillo was in the city Tuesday testing dairy cows for tuberculosis. Mr. Landrum believes that Canyon has more cows belonging to individuals which have been tested than any town in this section of its size. More than sixty-five cows have been tested, outside of the commercial dairy herd. W. F. Jameson has had sixty cows in his dairy herd tested.

The people of Canyon has taken a great interest in testing cows during the past year owing to the program of education which has shown the danger of using milk from cows not tested. A large percent of the 85 cows belonging to individuals are not used for selling milk, but the owners wanted to make sure of protecting their families from tuberculosis.

Two Distinguished Soldiers to Speak At College Sunday

General Hoffman of Oklahoma City and Col. Ernest O. Thompson will speak at the College at the Armistice Day program Sunday morning at 11 o'clock.

Col. Thompson is well known in Canyon. He is owner of the Amarillo Hotel. General Hoffman was runner up as a candidate for National Commander of the American Legion last year and is considered one of the strongest men of the Southwest. General Hoffman is accompanying Col. Thompson to this city. He makes the principal address at the Armistice Day celebration in Amarillo Monday.

All Ex-Service men are urged to attend the services Sunday morning, and will meet in Room 105 of the College building fifteen minutes before the services start.

FINISHING EIGHTH HOUSE

Rev. J. T. Burnett is finishing work on his eighth house in Canyon, all of which have been erected during the past three years.

Mr. Burnett has built more houses than any other individual in the city, and plans many more houses after No. 8 is completed.

TAKES ART PRIZE

Miss Lillian Thompson took third place with the exhibit of her pictures at the Dallas Fair. She was entered in the Amateur Artists Class. Miss Lillian has been studying art for the past few years and has many beautiful pictures to show.

Sunshine is Good After Long Period of Continuous Rain

The sun is shining! The sun has been shining since Saturday morning about ten o'clock. The rain attempted to stage a comeback Sunday night, but only succeeded in getting a sprinkle out of a big black cloud.

Two rains fell this week. During Thursday there was .58 of an inch and during Friday .09 of an inch.

The total rainfall since August 16th is now 24.62 inches. The total rainfall in Canyon since April first is now 35.15 inches.

There was no official gauge in Canyon during the first three months of the year, but Amarillo reports the following: January, none; February, 1.71 inches; March, 2.97 inches. If Canyon had as much rain as did Amarillo during these months, then the total for Canyon since January first is now 39.83 inches. The highest previous rainfall in this section was in 1885 when there was 37.07 inches. In view of the fact that there was likely no government gauge, this amount may be considerably off. Some old cowpuncher may have used his boot for an official gauge.

At any rate, the rainfall of 1923 will break all known records in this section.

COL. THOMPSON FOR CONGRESS

Childress Index: Grapevine telegraphic reports are that Col. Ernest O. Thompson of Amarillo, will make the race for Congress against Hon. Marvin Jones, present congressman. Both men are from Amarillo and a lively fight it will be if that report is true. Both are excellent speakers, young and ready to clash swords upon any ground.

NEWSPAPER ADVERTISING IS THE BEST FOR BANKERS

Newspaper advertising is the surest way for a bank to increase its business. W. R. Morehouse, vice-president of the Security Trust and Savings Bank, Los Angeles, California, said in an address before the saving bank division of the American Bankers' Association in convention at Atlantic City. "Newspapers go into the homes," he said, "and by their use as a medium, the people of a whole community may be reached in a single day. Because a bank cannot trace a large volume to newspaper advertising does not prove that the medium is ineffective as a business builder. Because you do not see readers studying your advertisements is not sufficient evidence that they are not read."

Children's Book Week To Be Observed at the College on Nov. 11-17

November 11th to 17th has been designated as Children's Book Week, and a number of interesting features are being planned for that week at the college.

Children's Book Week is becoming recognized by schools, public libraries, newspapers, and bookstores the country over as the one week of the year when combined efforts should be made to place before boys and girls the best books to read and enjoy.

It is interesting to note that the children's room in the library at the college now has 2,000 volumes on its shelves. This number includes biographies, histories, books in science, and fiction, besides books of shorter stories covering a wide range of subject material for younger children.

The mothers of the town and all others interested are invited to visit the Children's Library (Room 213) at any time Friday afternoon, November 16, from 1 to 4:30.

On Thursday and Friday afternoons in Room 105, the following program will be given at 4:30:

- Thursday
 1. Stories for Small Children—Miss Lowes.
 2. Stories for children, ages 8 to 12 years—Miss McClesky.
 3. Bible Stories for boys and girls—Miss Richardson.
- Friday
 1. "Literature for Children"—Dr. Munson.
 2. Stories for older boys and girls—Miss Brown.

Highways Will Be Put in as Good a Condition as Possible

County Commissioner W. C. Baird has the road outfit dragging the highways this week. The main highways will be looked after as fast as possible.

Owing to so much rainfall, the roads have never been in worse condition. Very little work except dragging can be done until the water disappears. The road grader will have to be used on all of the fifty miles of highways as soon as the machine can get into the ditches.

Mr. Baird states that the highway will be put in as good condition as possible between now and January 1st when the State Highway Department will take over the roads.

REMODELS OFFICE

S. B. McClure is remodeling his office building which was recently moved to the north side of the square. A new roof was put on, and the outside walls are now being stuccoed.

BUILDING NEW HOME

John L. McCarty has completed a new home southwest of the Lockhart home, and has moved into the same.

STORK SPECIAL

A daughter was born to Mr. and Mrs. P. R. Tate, Nov. 5.

REMODELS HOME

J. B. Hensley has just completed remodeling his home.

Savage and Orton Elected Members of Board of Trustees

At the meeting of the school trustees Tuesday night at the News office, F. E. Savage and S. B. Orton were elected to the board, taking the places of R. P. Jarrett and Jno. Fry, both of whom have resigned.

Mr. Savage is a member of the College faculty. He was superintendent of the Tulla public schools before coming to Canyon. He is highly interested in the public school problem. Mr. Orton is well acquainted with the problems of the Canyon schools. He has lived here for thirteen years and taken a great interest in school affairs.

Grain Crop Not So Badly Hurt by Wet Weather as Thought

Several farmers have reported during the past few days that the grain crop is not so badly damaged as was thought last week. A careful examination shows that there is a world of good feed in Randall county, and the price is fine.

The early crop which was in the shock is damaged more than any other crop. Fortunately there was not a great amount of this crop this year. The crop which has suffered most is row crop which would not likely to have made grain even with the most favorable weather.

The most optimistic farmers believe that with two weeks of dry weather there will be a large part of the good grain saved. Wheat planting will start as soon as the row crop is out of the way.

There has been little freezing this fall. There is frost every night, but this is greatly assisting in maturing the grain after the continued rainfall.

The cotton crop is damaged slightly in places, but is said to opening fine since the sun started to shine Saturday.

Somehow the homeopathic system of medicine doesn't appear to work very well in Oklahoma politics.—Tacoma Ledger.

ANNUAL RED CROSS ROLL CALL STARTS ARMISTICE MORNING AND CLOSES ON THANKSGIVING—ANSWER ROLL CALL

The Annual Red Cross Roll Call will start Sunday morning, Armistice Day and will close on Thanksgiving Day.

The Red Cross is a too well known organization to need an introduction to Randall County people. Its work during the War endeared the organization to every American citizen. Its work is not completed—in fact never will be completed, because it is not primarily a mere war organization. It is working for humanity every day of the year. It is feeding the starving; relieving the distressed; clothing the poor; giving aid to the suffering. The entire world has been touched by the finger of the Greatest Mother of Them All.

O. N. Gamble, Chairman of the Randall County Red Cross Chapter, has appointed various committees to solicit members for the Red Cross during the coming year.

You can give to no more worthy cause than to take a year's membership in the Red Cross, and it costs just One Dollar.

EX-SERVICE MEN OF RANDALL COUNTY WILL LEAD IN THE CELEBRATION OF ARMISTICE DAY IN CITY NEXT MONDAY

BUSINESS HOUSES AND SCHOOLS WILL BE CLOSED MONDAY—BIG PARADE STARTS AT 10:00 A. M.—SPEAKING FOLLOWS—CARNIVAL AT LEGION HALL—GREAT PROGRAM OF ENTERTAINMENT ARRANGED.

The Palo Duro Post of the American Legion and the Women's Auxiliary will stage the biggest Armistice Day program in the Panhandle next Monday in Canyon.

The big program will start at 10:00 o'clock a. m. with a big parade. The parade will be followed by a short program of speaking in front of the Legion Hall. Then comes a day of amusement and frolic, such as Canyon has never before seen.

The Ex-Service men of Randall County are urged to join in the celebration and to come in uniform.

Mayor Harrison Issues Proclamation for Holiday Monday

Canyon, Texas, Nov. 7, 1923.—Owing to the fact that Armistice Day falls on Sunday this year, and Monday will generally be observed as a legal holiday;

It is right and fitting that the people of our town and community set aside a special day of celebration and a memorial to those of our boys who gave their lives in the World War;

Therefore, I, C. N. Harrison, Mayor of Canyon, Texas, proclaim that Monday, November 12th, shall be a legal holiday in Canyon, and ask all who can do so, close their regular places of business and join with the American Legion and the Woman's Auxiliary in the celebration of Armistice Day.

C. N. HARRISON, Mayor of Canyon, Texas.

EX-SERVICE MEN ATTENTION

All Ex-Service men are urged to meet at Room 105 in the College building Sunday morning in order to attend the services in the auditorium in a body.

CHURCHES DISMISS SUNDAY

There will be no preaching services Sunday morning in the churches owing to the Armistice Day service at the College Auditorium.

Beavers Returned As Pastor of Local Methodist Church

Rev. M. M. Beavers was returned by the Bishop presiding at the conference of the Northwest Texas Methodist Conference as pastor in charge of the local Methodist church for the coming year.

Rev. Beavers was transferred from the Hereford charge a month before conference last year owing to the transfer of Rev. John T. Hicks to the faculty of Southern Methodist University.

Rev. G. S. Hardy continues as Presiding Elder of the Plainview District.

The line of parade will start from the American Legion Hall promptly at ten o'clock. The parade will be headed by the College Band, and following will be the order:

- The Band.
- Color Guard.
- Civil War Veterans.
- Spanish-American War Veterans.
- Ex-Service men in uniform.
- Ladies Auxiliary.
- Floats in honor of the dead.
- The Canyon Eagles in uniform.
- The Perryton high school team in uniform.
- The College Yearlings in uniform.
- The public school grades.
- The training school grades.
- The College students, headed by the Pep Squad.
- Pupils from the rural schools.
- Floats of business houses and organizations, and decorated cars.

Prizes will be offered as follows: Most unique float in the parade—three prizes in gold; \$10.00, first; \$5.00, second; \$2.50, third. These floats may represent either a school, business house, a club, or any kind of organization.

Another prize of \$5.00 is offered the organization or class or club which has the largest number of floats in the parade.

After the parade ends, the street in front of the Legion Hall will be roped off and the following program will be given:

- Prayer—Rev. F. B. McDowell.
- Patriotic Address—President J. A. Hill.
- The Red Cross Roll Call—J. W. Reid.
- Benediction—Rev. Lyn Claybrook.

The Woman's Auxiliary will sell poppies on Saturday and Monday.

At the close of the program, the Woman's Auxiliary will start a Carnival. The proceeds of which will be used to erect in Canyon a Memorial in honor of those from Randall County who gave their lives to their country during the World War.

A dozen booths are being arranged. Lunches will be served; there will be many useful articles for sale; booths of various kinds of sports will be run.

The Carnival feature will be the biggest ever conducted in this section of the state.

A dance will be held, commencing at 8:00 o'clock.

BURNETT BUYS LAND

S. B. McClure closed two land deals this week, selling another quarter section of land north of the city belonging to J. T. Burnett to T. S. Gerald of Gatesville. Mr. Gerald is a brother of Ed Gerald.

Mr. Burnett on Monday bought 440 acres of land from A. N. Burgan west of the city.

AMARILLO ELECTION FAILS

The election held in Amarillo Saturday to increase the tax rate for water purposes failed to carry. There is talk of a contest of the election.

Meets Tuesday p m

The Commercial Club will meet next Tuesday night at Luncheon at the Palace Cafe at 7:00 o'clock. Let every Canyon booster attend this meeting, and complete the organization for a bigger Canyon.

The announcement of the candidacy of J. W. Reid for the State Senate is meeting with great favor over the new 31st district. The people of this district has been pleading for big men to offer for state office. Mr. Reid is not seeking the office of his own volition. Big men are not seeking petty offices of their own accord, unless they may be personally benefited from the office. Mr. Reid was forced into the race by his friends, on account of the opportunities in the office, and the great good he may be able to accomplish in the office for the people of this district and the good he may do the state as a whole. We doubt whether there is a man in the district better equipped to fill the office than is J. W. Reid. He was a school teacher. He made a success of his job. He has been a school superintendent. He put the job over. He was in Austin in the education department. He was a success. He was head of the Chemistry Department of the West Texas State Teachers College. His students testify of the great success of his work. He has been in business, being connected with two of the leading firms of Canyon, and in his connections he is making a great success of his work. He is as good a business man as he is a school teacher. The News man can testify to his business ability as he was a director in this newspaper for five years while it was published by a corporation. It took a long time to get Mr. Reid to see that he was called to this office. Once he saw the opportunities of the office, and the great service he could do for Texas, he became enthusiastic, and once J. W. Reid gets enthusiastic, his whole heart is in the job before him. There is no doubt of his election, if his friends will support his candidacy as enthusiastically as they supported the effort to get him into the race. Those who have been demanding big men for our state office see in Mr. Reid a solution to our demands of the past few years.

There is no reason why every citizen of Canyon should not be a member of the Chamber of Commerce, or whatever name that is finally adopted for the organization. The man with only a house and lot is as much interested in the development of Canyon as is the man with a \$50,000 business. The man with the house and lot will profit in proportion as Canyon prospers and grows. The purpose of the budget now being raised is to take care of the various appeals that are being made in the community. Every so often a committee has to get out to solicit funds for the Poultry Show, the County Fair, the Dallas Fair, the Amarillo Fair, and for a score of other things. The budget hopes to take care of all these funds, just as does the Community Chest does in the big cities. There is no real reason why every business man in Canyon and every citizen in Canyon should not contribute to the funds of the Chamber of Commerce. There is every reason why each business man and each citizen should be a regular contributor to the fund. Kick in. Let's put over a big program for Canyon.

The Dallas News is asking all newspapers of the state to give free publicity to candidates seeking state office. There is justice in the contention. State offices pay practically nothing. State offices pay practically no salary. Really big men cannot afford to run for state offices if they are engaged in business, or must rely on the salary of the office for support. A man cannot spend \$10,000 for an office that will pay him only \$4,000, unless he has a motive in the race. A newspaper exists only through its advertising. But our newspapers are demanding that bigger men run for office. We can get few bigger men into the campaigns so long as it costs so much therefore, it looks like the newspapers are going to be forced to give publicity to the candidates if we are to improve upon the quality.

Help Get Canyon Clean!

REGARDING OUR SPECIAL EDITION

Pampa News: The Randall County News came out with a 48-page Improvement Edition last week, which is a credit to both Canyon and Editor Warwick of the News. Brother Warwick has published a number of excellent special editions in the past, but this latest one is in all probability his best to date. It was profusely illustrated with scenes of Canyon homes, streets and business houses, as well as farming scenes, fine cattle and a page devoted to Palo Duro Canyon, which was of especial interest. We congratulate the editor upon his untiring energy and masterful ability in publishing this fine special edition.

Southwest Plainsman: Editor Warwick has permission to do a bit of boasting concerning that splendid City and County Improvement Edition of the Randall County News which came out last week. It was by far the largest paper ever gotten out in Randall County, being 48 pages of "good dope," liberally seasoned with illustrations and well-set ads. As an example of the work of his new Optimus, the printing was unsurpassed and the entire issue gave evidence of painstaking care in every department.

Quanah Tribune-Chief: The Randall County News issued a special of 48 pages last week, which would have been a credit to a big city. When we remember that Canyon is a town of only 2,000 people, we marvel at such good advertisers, and such splendid paper. The town and county will receive great benefit from this issue.

Lubbock Avalanche: The Randall County News published last week its City and County Improvement Edition. The paper is the largest by far that has ever been printed in Canyon.

The News portrayed in a very effective way the great development of that section of the Plains and the growth of Canyon, and it is a wonderful achievement of the management of the paper. The newspapers throught the

Plainview's schools cost the taxpayers \$75,845 last year. The tax payers in Canyon paid a little less than \$28,000.00 in spite of the fact that Canyon has more than half as many pupils as does Plainview, and Canyon's high school numbers 275 as against Plainview's 440. Yet there are some people in Canyon who think that taxes are too high for school purposes. A little comparison will show that Canyon's tax rate for schools is no higher, and in many cases much lower than other towns on the plains. Canyon must have the best public school system on the Plains if we are to continue to boast of being the Educational Center of Northwest Texas.

The attempt to elect a president for the new Tech College at Lubbock ended in a deadlock. It is reported that the regents are disgusted with the attempt of politicians to dictate who shall be president. The easiest way to kill the prospects of a good school is to turn it over to the politicians.

Plainview News: Newspapers are urging a "business man for governor next year." That's fine talk for off years, but if the most astute, successful and eminent business man in the state were to become a candidate he would be defeated by some mediocre politician or lawyer. The people deserve just the kind of government the men they vote for deal out to them.

Childress Index: The Index has been advised that J. W. Reid of Canyon, has announced for the race for State Senator from the new Panhandle district, subject to the action of the Democratic primary next year. Mr. Reid is well known in the central part of the district as a business man and banker, having been in both the mercantile and banking business in Canyon for several years. For some years Mr. Reid was a member of the West Texas State Teachers College faculty. Those who know him are high in their praise of him. The fact that he is a successful business man speaks well for him, and having been a member of the faculty of the college at Canyon is better, as he will go to Austin, if elected, knowing something of the wants and needs of the schools of Texas. The Index awaits his platform.

Ben Smith of the Scurry County Times wonders how a young man can find any pleasure in kissing a modern girl because of the taste of lipstick and danger of painter's colic. That carmine decoration on the part of the girls to protect their lips is sort of like the old time red drops, more commonly known as whiskey killers, Ben. We don't see how any girl could stand to be kissed by a boy with a breath that is a combination of garlic and cigarettes. A cigarette breath is something fierce, especially second handed. The girls are justified in doing most anything to ward off that gas attack.—Colorado Record.

Plains country are above the average of the State, and are with one accord real boosters and town builders. They are often criticized, and made fun of for the statements they make regarding the country, and are very often accused of "stretchin'" things when they get to telling about the growth of their town and the development of their country, but as a rule they are very conservative and what they say can most always be verified. The average newspaper man is optimistic, and writes in an optimistic strain. They look far into the future and study the conditions, and work on the theory of development. They often figure out things that will occur in future years, and make mention of it, and the fellow who does not take time to look deep into the what-is-to-come, but just lives in the present or past, sometimes gives the editor the laugh, and afterwards lives to see the things that the "little editor" told about by actual living, active realities. The development edition of the News is a good one, and though it might have been more liberally patronized by the people of Canyon, it carried a message that will be read by many people with great interest and the good effect will never all be known. The Avalanche congratulates the management in the good edition that they produced.

Dear Mr. Warwick:
I have before me a copy of your special edition of October 25th containing 48 pages, and six sections, and want to compliment you in getting out such a wonderful edition. This edition certainly is a credit to the city of Canyon, and I am sure the merchants appreciate your efforts by the support they have demonstrated in the edition.

It is always a pleasure for us to deal with men that are progressive and always on the job promoting their own business as well as helping build the town. Please accept our congratulations and also extend to the employees who made up and printed the paper in such a commendable manner our very best wishes.

My dear Mr. Warwick:
I have just received and read the County and City Improvement Edition of the Randall County News. It is certainly a creditable piece of work and would do credit to any town in Texas of 10,000 population or more. In the pages of the paper are reflected the resources, the business enterprises, the social and religious organizations, and the educational institutions and facilities of your city and county. The Edition is certainly a splendid advertisement of Canyon and Randall County. I congratulate you on getting out the Edition and I congratulate the people of Canyon and Randall County on living in such a splendid community and great county.

Very truly yours,

Dear Clyde:
That great big splendid paper has just been received, and I would promptly begin to express admiration and mention in detail the wonderful success of your effort, were it not that you are so well acquainted with me that you would say, "That's some more

of that hot air." Face to face, I could tell you more about it and convince you of my sincerity.
In all truth, it is a splendid edition and, no doubt, one that your friends and patrons are proud of. When my eyes fell on those half-tone cuts, I wondered what charm you had used to produce such excellent results; but later, I find your equipment has been improved with an Optimus Press, which partly explains it. But even an Optimus cannot be given all the credit for this good work on news print.
Here's my sincerest regards and hope for continued prosperity.
Sincerely yours,

Childress Post: The Post wishes to commend the editor of the Randall County News on his special edition that came to us Sunday. It was called the Home Beautifying Edition and there were six sections, or forty-eight pages. We consider it a work of art, both in make-up and in subject matter.

Snyder County Times: The Randall County News brought out last week 48-pages in their City and County Improvement Edition. The edition was jam-up in every particular, both as to editing and a typographical make-up. The Randall County News with C. W. Warwick as editor is one of the best weekly newspapers in the Panhandle, and is published in a rattling good college town.

Clarendon News: Clyde Warwick's 48-page City and County Improvement Edition of the Randall County News of Canyon, was a masterpiece of country journalism and sets a high mark for the other Panhandle boys to shoot at. Clyde is one of the best newspaper men in Texas and is making money in a town that takes pleasure in supporting his aggressive ability.

Geo. Close Sprints 103 Yards For Bulldogs' Touchdown; Buffaloes Injured.

BY J. E. MALIN

Strange are the happenings of Fate. Sometimes Fate is kind, and then we are elated, on other occasions Fate acts contrary to our hopes and predictions, and causes many heartaches and much lamenting.

So it was at Clarendon last Friday when the Buffaloes, outplayed, outgeneraled, and bested the Bulldogs in every department of the game, only to be held back time and again from making several touchdowns. To those of you who did not see the game, it would appear that the Bulldogs held the Buffaloes to a six to six score, but they did not, the proverbial hand of Fate, that Mistress of Lady Luck, actually and skillfully governed the game. Lead on by the furious and determined rushes of Grady Burson, who was easily the outstanding star of the game, the Buffaloes repeatedly marched down the muddy field and time after time it seemed that victory was sure to come. But Lady Luck always intervened snatched victory out of deserving team's hands.

Every Buffalo fought as they had never before fought and the only reason that they did not decisively defeat the much heralded Bulldogs was purely a case of unadulterated, unsophisticated, luck on the part of the Bulldogs. The field was muddy and slick while a drizzling rain continued almost throughout the entire game, which slowed up both teams considerably.

Starring along side of Grady Burson was Captain Barto Johnson. Barto literally steam-rolled the Bulldogs line in front of the vicious attacks of Burson. Joe Lancaster and Odus Mitchell were taken out on account of injuries, and Law Sone and Finis Vaughn replaced them and fought as only a true Buffalo can.

Perhaps my statement that the outcome was due to luck will be contested by a few persons, if any one is in doubt let them glance over the evidence play by play.

First Quarter

Capt. Close won the toss and decided to defend the West goal. Jenkins kicked off 33 yards. Bourland returned 13 yards. First down Slaton gained one yard but fumbled ball when tackled. Barto Johnson recovered ball, Buffaloes ball. First down Burson gained 4 yards around right end. Second down Herm gained 4 yards through line. Third down Burson plunges through tackle for 8 yards, ball goes over for the Buffs first down number one. First down Bivins tried but failed to gain around left end. With a terrific plung Burson gains ten yards through tackle and ball goes over for Buffs second 1st down. The ball on ten-yard line, first down-Burson gains five yards around right end. Second down Bivins no gain. Third down Herm no gain. Fourth down, free fumble, recovered by Bulldogs, First

Buffaloes to Meet Roswell Cadets in Roswell on Monday

The Buffaloes will travel to Roswell Monday to engage the Cadets of the New Mexico Military Institute.

Under ordinary conditions, the battle would not look suspicious, but in the present light, it is doped by Coach S. D. Burton to be the hardest battle confronting the Buffaloes. By comparative scores, the Cadets have a team just about equal in strength to the Buffaloes when all hands are on the job. But Mitchell is out with a smashed nose. The Goodwin twins will not be in the line-up. Some of the men are not in the best condition after the Clarendon fracas of last Friday.

The Cadets beat Wayland 38 to 0; Clarendon defeated them 7 to 0, but the Cadets were stuck in a mud hole all the night before the game; the Cadets beat the N. M. School of Mines 19 to 3, and in turn the School of Mines beat the New Mexico University 3 to 0.

The Coach is taking no chances, and will have every available man in uniform at the Roswell game.

THE ILLITERATE'S LETTER

One of the most pathetic figures in the Great War was the soldier who could not read or write. In Moonlight Schools Mrs. Cora Wilson Stewart tells how one illiterate soldier was wont to "write home."

"Will you address a dozen envelopes for me to my mother, please?" one man said to another at a Y. M. C. A. hut in France.

"Certainly," was the reply. "But why a dozen? Are you planning to write to her every day? You must be a dutiful son!"

"No, these are to last me a year," said the first soldier. "I promised my mother that I'd get some envelopes addressed and that once a month I'd slip a dollar bill into one and mail it to her, and by that she'd know that I was still alive."

CANYON EAGLES ELIMINATE HEREFORD HIGH IN FASTEST GAME OF THE SEASON SATURDAY BY SCORE OF 29-0

EAGLES WILL MEET PERRYTON HIGH SCHOOL NEXT MONDAY ON LOCAL GROUNDS AT 3:30 O'CLOCK—PERRYTON HAS NOT BEEN DEFEATED SO FAR THIS SEASON—EAGLES ARE CONFIDENT OF VICTORY.

The Canyon High School Eagles eliminated the Hereford High team Saturday from the Interscholastic League contest by a score of 29 to 0. The Eagles have met four conference teams this season and eliminated each of the contenders. McLean, Dalhart, Tulla, and Hereford have all been victims of the Eagle machine.

The game Saturday was the fastest and hardest the Eagles have played this year. Hereford was handily defeated in a practice game early in the season, but it was a different team which Coach Webb's pupils faced Saturday on their own grounds. It was a heavier and a faster team than played here. The Eagles were playing the same men as started the season, but the boys had likewise greatly improved in strength.

The Eagles and Perryton are the only teams in the district with a clean bill of health so far. Canyon defeated McLean, and McLean held Amarillo to a scoreless game. Amarillo has not been defeated, but was unable to score on the McLean team, which Canyon had defeated.

Canyon and Perryton will play Monday afternoon at three o'clock at the Buffalo Park. The team will arrive in Canyon Sunday in order to get a good night's rest for the game Monday. It is going to be the hardest game the Eagles have gone into this season. Coach Webb had to guarantee \$150 to get the Perryton team here. He expects Canyon to give him the right kind of support in this game on Armistice Day. The Eagles have played just one conference game at home—the one with McLean, and this proved disastrous owing to the hard rain, which kept the crowd away.

The score Saturday of 29 to 0 against Hereford was the result of splendid team work on the part of a fighting organization. The ground was in fair condition, but the wind was high. The team work was the best of the season.

The line held fine. Wooten is said to be at his best in the line work Saturday. Hill played against a much heavier man, but did fine work. The back field was in every play, and did excellent work. Hereford's team was much heavier than the Eagles.

Key made most of the scores for the Eagles, owing to the splendid team work in opening holes in the line for him. Most of the gains of the game were made through the line. Not much passing was attempted by the Eagles.

The success of the Eagles this season has caused great interest among the citizens of Canyon in the team. With Perryton eliminated in the game Monday, a game will likely be arranged soon with the Amarillo high team. The backers of the Eagles are confident that the Canyon boys will win the district championship, and will be matched against the winners of the Lubbock-Floydada team for the bi-district championship.

The game Monday afternoon will be worth seeing for every citizen of Canyon.

Lipscomb County Boys Organize Basketball Team

Six boys in school at Canyon from Lipscomb County have formed a basketball team and are issuing a challenge to any team in Texas that is composed of boys from any one county. Five of the six boys are from Lipscomb, Texas, and the sixth is from Higgins.

Nay and Alex Hale, Lewis, Gilbert, and Vester Hill, and Bruce Parker compose the team. Nay Hale and Lewis Hill are forwards on the West Texas State Teachers College basketball team, and have been mentioned by many coaches for the all T. I. A. A. team. Last year Hale was said by many to be the best forward in Texas. Alex Hale, Vester Hill, and Gilbert Hill are just out of Lipscomb High School, where they have played for several years. Parker has been a member of the College second team for the past two years. The Hale brothers and the Hill brothers have attracted considerable comment over the Panhandle as to their unusual ability as athletes.

According to Nay Hale the team desires games with any team in Texas from any one county, composed of either high school or college stars, between now and January 1st.

A Texas attorney was delivering a Fourth of July address. He had held forth prosily for nearly an hour, apparently without getting anywhere. At length he stopped, and then said in impressive tones: "I pause to ask myself a question."

Enrollment in Departments of Science Grows

According to Prof. T. B. McCarter, Head of the Department of Physics, there is a considerable increase in enrollment in the natural science departments this year over all previous years. A total of 183 students are enrolled this quarter in the three departments. Seventy-four are enrolled in the Department of Biology, 59 in the Department of Chemistry, and 50 in the Department of Physics.

Mr. McCarter says that the increase is to be expected though because new equipment and new courses are being added to enable students to major in these departments.

There has been a great demand from the high schools of this section for teachers of science in the past few years. Last year the local Teachers Employment Bureau was unable to fill many good places for science teachers.

NOTICE OF SCHOOL BOND ELECTION

STATE OF TEXAS,
County of Randall,
Canyon City Independent School District.
To the Resident Property Taxpaying Voters of Canyon City Independent School District.
TAKE NOTICE that an election will be held on the 11th day of December, 1923, within said district, in obedience to an order duly entered by the Board

of Trustees on the 8th day of November, 1923, which is as follows:

On this, the 8th day of November, 1923, the Board of Trustees of Canyon City Independent School District convened in regular session with the following members present:

G. G. Foster, President,
C. W. Warwick, Secretary,
A. J. Arnold,
F. E. Savage,
A. N. Burgan,
and among other proceedings had by said Board of Trustees was the following:

There came on to be considered the petition of J. M. Vetsok and 29 other persons, asking that an election be ordered upon the question of issuing bonds of said school district for the purpose of purchasing equipment for the High School Building; and

It appearing to the satisfaction of the Board of Trustees that said petition is signed by at least twenty qualified property taxpaying voters of said school district, and is otherwise in conformity with law, the Board is of the opinion that said election should be granted, and said election as prayed for should be ordered;

THEREFORE, Be It Ordered By The Board of Trustees of Canyon City Independent School District: That an election be held in said Canyon City Independent School District on the 11th day of December, 1923, which is not less than thirty days from the date of this order, at which election in accordance with said petition, the following proposition shall be submitted to the resident qualified property taxpaying voters of said school district for their action thereupon:

"Shall the Board of Trustees of Canyon City Independent School District be authorized to issue bonds of said school district to the amount of Fifteen Thousand (\$15,000) Dollars, to become due and payable Forty Years from their date, and bearing interest at the rate of Five and One-half (5½) percent per annum, payable semi-annually, for the purpose of purchasing equipment for the High School Building, and if there shall be annually levied and collected on all the taxable property in said district for the current year and annually thereafter while said bonds, or any of

them, are outstanding, a tax sufficient to pay the current interest on said bonds and to pay the principal thereof, as the same becomes due?"

The said election shall be held at the Court House in said Canyon City Independent School District, and the following named persons are hereby appointed officers of said election:

S. V. Wirt, Judge,
John Nickson, Joe Black and T. V. Reeves, Clerks.

The ballots for said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF THE BONDS AND THE LEVYING OF TAX IN PAYMENT THEREOF."

"AGAINST THE ISSUANCE OF THE BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."

Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote.

None but resident qualified property taxpaying voters of said Canyon City Independent School District shall be allowed to vote at said election.

The Secretary of this Board of Trustees shall forthwith issue a notice of said election stating in substance the contents of this election order and the time and place of said election, and said Secretary shall post a copy of such notice at three different places within the boundaries of said Canyon City Independent School District, which posting shall be done not less than three weeks prior to the date fixed for said election.

Immediately after said election has been held the officers holding the same shall make returns of the results thereof to the Board of Trustees of said School District, and return the ballot box to the Secretary of said Board of Trustees for safekeeping.

The manner of holding said election shall be governed, as near as may be, by the General Election Laws, of this State, except as modified by Chapter 24, of the General Laws passed by the 37th Legislature at its Regular Session 1921, and this Board of Trustees will furnish all necessary ballots and other election supplies requisite to said election.

AUTOMOBILES AND GOOD ROADS

Any man that drives an automobile and votes against a road bond hasn't half as much gumption (is there such a word and how do you spell it) as the bird that cuts off his nose to spite his face. He pays for good roads either way. If the good roads are built he pays for them in the form of added tax. If they are not built—he pays as much or more to the garage and repair men.

The broken spring bill for the average county—if you count the time lost, and other items in the total, will pay more than half the interest on a reasonable bond election—not to mention the shorter life of the automobile and the other repair parts traceable to bad roads.

The wealthiest section of the United States have the most paved roads—and they made their wealth AFTER they paved and did not wait until they were wealthy to pave.

It is time the Plains Counties got busy. The State and Federal Governments pay two out of every three dollars that go into county highway improvement over the state—and we pay our part of that two dollars. There is only one way to get it back—and that is to vote bonds for our one third and let some of the other counties help us do our paving and highway improvements.—Plains Agricultural Journal.

ELECTRICITY SAVES FOUR YEARS OF HOUSE WORK DAILY

Homes of the people in the United States are using more than twenty million electric labor saving appliances. The investment in these devices by the people who own and use them is about eight hundred million dollars.

If it is assumed that each device saves only ten minutes of housework a day, it would mean nearly four years of hard work saved daily to the women of the homes, or more than thirteen centuries of drudgery saved every year.

The electric household appliances, in the order of their numbers are listed as follows:

Electric Irons	7,000,000
Electric cleaners	3,850,000
Electric fans	3,500,000
Electric washing machines	2,915,000
Electric heaters and radiators	1,260,000
Electric toasters	1,000,000
Electric percolators	500,000

THE TONGUE FOLLOWED HAND

The children of the second grade were busily employed on the writing lesson when Susie raised her hand. "Please, Miss Wright, Johnny Phipps isn't doing the lesson right." "What do you mean, Susie?" asked the teacher. "Why the lesson is capital S's, and he's making L's." "How do you know, Susie? You can't see his copy book." "No'm, but I can see his tongue."

OPERA IN AMARILLO FRIDAY AND SATURDAY ATTRACTING ATTENTION OF THE ENTIRE PANHANDLE SECTION

ANNA FITZUI
Mimi in La Boheme

Under the auspices of Prof. E. F. Myers, the San Carlo Grand Opera Company will appear in Amarillo Friday night, Saturday afternoon and Saturday night of this week at the new municipal auditorium. The opera company carries one hundred and five people, among whom are some of the leading opera stars of this country.

On Friday night at 8:00 o'clock Madame Butterfly will be presented. On Saturday afternoon at 2:30, Cavalleria Rusticana and Pagliacci will be given. The program closes Saturday night with La Boheme.

All of these operas are well known to

TAMAKI MIURA
As Madame Butterfly

most of the people of this section, as the music is very popular.

The bringing of a big opera company from New York is one of the biggest things ever attempted by any individual in the Panhandle, and Prof. E. F. Myers is to be congratulated upon this big thing he is doing for the people of this section. It is reported from Amarillo that the seat sale is good, and that with favorable weather Friday and Saturday the auditorium will be largely sold out for each performance.

TED REID ATTACKED

Farwell Tribune: Last Wednesday about one o'clock, Prof. Reid, Superintendent of the Farwell schools, was attacked on the streets of Farwell, in front of the Texas State Bank Building and badly cut up and bruised about the head and face.

After the attack he was rushed to Dr. Clark's office in Texico, and there it was found that he had thirteen or fifteen cuts and had to have between thirty-five and forty stitches taken to sew up the wounds.

It is alleged that J. A. Aldridge and his son Sam made the assault. The trouble is said to have come up over punishment that Sam had received at school that morning. It is alleged that the weapons used were a rock by Sam and a pistol by his father.

Mr. Aldridge and son waived the examining trial and were put under a \$2,000 bond each, to await the next grand jury.

Prof. Reid is confined to his home and it is said it will be several days before he will be able to get out.

RANDALL COUNTY DOES CARE!

One time each year there is a drive for funds with which the American Red Cross of Randall County can console, feed and care for the sick, hungry and poor.

The drive for this year is just a few days off. Begin now to consider those unfortunate souls.

RED CROSS ROLL CALL
November 11th to 29th
Join or Renew Your Membership

Imagine====

Your loved ones penniless, sick, without food, cold, no medical attention, no friends.

In times of good fortune, it's the wise man who prepared for a future that might hold ill-fortune for his family and loved ones. He gets his house in order so that his loved ones will be protected regardless of what happens.

But Suppose Something Should Happen===

Lives are always snuffed out when least expected. A series of calamities could happen to you, whereby your family would be left out in the cold with no home, no money, no loved ones to care! Picture your wife left alone in the world with the care of the little ones on her hands. Picture things going from bad to worse—sometimes they do; it never rains but what it pours, you know. See her sick, hungry and cold in a hovel in a room, from which poor shelter she may even be ejected because the rent cannot be paid. See your little ones, helpless, hungry and ragged, as she kneels beside the bed and wonders WHY NOBODY SEEMS TO CARE ABOUT HER PRAYERS!

You think it couldn't happen? It COULD! It has happened time and time again. Suppose—Nobody cared for these unfortunate souls—

Loyal Order of Red Men Organized as a College Pep Squad

A committee of six men, representing the men interested in the pep squad, met in President Hill's office Saturday before last at four thirty. At this meeting it was agreed to limit the number of the squad to twenty-five men, and Jerry Mallin was unanimously elected leader of the temporary organization. At President Hill's suggestion a motion to have all members sign a pledge of faith was proposed and seconded. The committee worked in perfect harmony with President Hill and it is the purpose of both to start an organization of which the college and town of Canyon will be proud, and also one that will have as its responsibility the task of conveying the spirit of W. T. S. T. O into the hearts of everyone connected with the school.

Those on the committee were Jerry Mallin, Archibald Lang, Claire Miller, Tony Vaughn, Ray Daniels, Elmer Marshall and Chase Condrey, who acted as secretary.

Pledge Adopted

The committee has adopted the following pledge which all men must take before becoming members of this organization:

"I love my team because it is fighting valiantly for my Alma Mater. Its members have been willing to forego personal pleasures, have deprived themselves of many privileges, and are fighting like real men that the maroon and white may not be trampled in the dust of defeat. Their record this year is a matter of pride to every loyal West Texan who follows athletic history. I want to share their sacrifices, stimulate their efforts, strengthen their morale, and increase the glory of their achievements.

"Realizing the value of a vigorous college spirit and my duty to promote it in every legitimate way, I hereby make application for membership in the Loyal Order of Red Men—a 'Pep Squad' at the West Texas State Teachers College. In joining this organization I pledge myself to attend every meeting of the 'Red Men' unless hindered by illness; to co-operate wholeheartedly with its members; to learn thoroughly its songs and yells; and to be present at every inter-collegiate contest staged on or about my college campus, and assist in arousing and maintaining a virile college spirit. In all my conduct I will faithfully adhere to many ideals, uphold the accepted traditions and moral standards of my college, and seek to promote the spirit of good sportsmanship.

"In Witness Hereof, I cause my signature hereto to be marked with my own blood. So help me God."

Wayside Items

All are grateful for the bright sunny days we are having. Frosts are heavy, but not all vegetation killed yet. Flowers still blooming nicely. Farmers are making the best use of their time but unable to do much on account of wet fields. Volunteer wheat spreading itself.

Unusual noises were heard by a number of people at Wayside and others some distance away last Monday morning. Three distinct shocks or explosions. Some thought it might be dynamite explosions, others thought possibly land slides in the Palo Duro Canyon, caused by the long continued wet spell. We are still wondering what it might have been.

Sunday School at the usual hour last Sabbath, led by H. H. Gillham. Only a few in attendance. We've had few services in the last two months on account of rain and muddy roads.

R. B. Rogers and wife from Happy made an extended visit with Wayside kin, returning home last Friday.

W. H. Hamblen crossed Palo Duro Canyon Saturday looking after business interests. All concerned will rejoice when that new road is made across the big canyon.

D. L. Adams returned Friday from Claude where he had been attending court.

M. C. Sluder carried the mail Tuesday. Carrier D. J. Graham has had ill luck with his car carrying the mail over muddy roads.

Apples of fine flavor and size have been grown and harvested by M. L. McGehee and W. J. Sluder this fall; several bushels each.

Stork Special: Born to Mr. and Mrs. Johnny Bird, Nov. 3, a son, both mother and babe doing well.

J. S. Sluder made a business trip to Amarillo Tuesday. He plans to move five miles beyond Amarillo in the near future.

D. H. Hamblen and family have moved to Lubbock, Jack Webb has moved on and will have charge of his place.

Bill Stocket and wife returned to Canyon Tuesday afternoon, after a visit at the parental G. T. McGehee home.

Mrs. Emma Franklin spent Monday with her daughter, Mrs. Bonnie Sluder. Mrs. Fannie Franklin and Fannie May visited with her parents, W. J. Sluder and wife, Tuesday.

President and Mrs. Hill Entertain

President and Mrs. J. A. Hill were hostesses to about eighty faculty members and wives of faculty members last Saturday evening from 7:30 to 11:00 at the President's home.

Among the entertaining features of the evening were readings by Misses Mary Morgan Brown and Vernita Stewart and a solo by Prof. J. J. Powell. A general get-acquainted hour was held for the benefit of the new members. Refreshments of tuna salad, toasted crackers, hot spiced punch, and wafers were served.

Jack Huppertz Spoke to C. E.'s Friday Evening

On Friday night, November 2, Mr. Jack Huppertz, Field Secretary of the Young Peoples Christian Endeavor, spoke to a group of both old and young people at the Presbyterian Church.

The devotional services were led by Miss Looney after which she introduced Mr. Huppertz, more familiarly known as "Jack" Huppertz.

With his humor he drew the attention of the audience, and then he emphasized the importance of the church backing the young people's work and what the young people mean to the church.

At the close of the meeting everyone formed a circle around the room of the church for the mizpah benediction. After this a group stayed for a few minutes to sing some of the pep songs that Mr. Huppertz brought with him.

Manuals that he wanted each member to buy, and he would have a class twice a week. It was decided that we should meet Tuesday and Thursday nights at 7:00 o'clock at the home of our pastor.
 Our membership is growing rapidly; four new members joined Sunday evening. We had an interesting program, which was enjoyed by all.—Reporter.

A THOUGHT FOR THE WEEK

People love a leader. They love courage and they love unselfishness. When there is work to be done and a man of courage does it and without personal gain to himself, people will follow him anywhere. But first you must be as hard on yourself as you are on others. To have discipline, you must first discipline yourself. I am very hard on myself.—Benito Mussolini, Premier of Italy.

DON'T TAKE A CHANCE

Canyon People Should Act in Time. If you suffer from backache; if you have headaches, dizzy spells; if the kidney secretions are irregular. Don't delay—likely your kidneys are sick. Thousands recommend Doan's Kidney Pills. And hundreds reside right in this locality. Read the statement of this nearby resident:

John Clift, 1001 N Grant St., Amarillo, Tex., says: "I had kidney trouble and there were symptoms of gravel. My back was sore and lame through the small part and when I bent, a pain shot through my back and shoulders and I became dizzy. My kidneys didn't act right. A friend advised me to try Doan's Kidney Pills, so I took two boxes. Doan's cured me, but I still use a few to keep me in good shape."

Physical Health means Beauty!

HEALTH and beauty go hand in hand. Where the system is run down—the face drawn and haggard—the body limp and lifeless—beauty is missing. Looks of pity supplant those that might have been gazes of admiration.

Restore your health and beauty will take care of herself. S. S. S.—the rich blood builder—rekindles the spark of health and lights the blaze of beauty by building red blood cells. The nerve power of your system finds life in these very blood cells. Build more red blood cells and your nerve power will increase. S. S. S. builds them. Rich blood will tingle through your system. That lost charm will return. Your entire system will be repaired. You will be ready to cope with the impurities and blemishes that handicap beauty.

As physical health means beauty so, too, does S. S. S. mean beauty. For S. S. S. means systems that are free from impurities—pimples, blackheads, acne, boils, eczema, rheumatism—S. S. S. and good health go hand in hand.

McCullough, for the sum of Eleven Hundred, Ninety-three & 85-100 (\$1193.85) Dollars, and costs of suit, in Cause No. 643, in said Court, styled V. C. Nelson versus J. W. Sparks, J. M. King, First National Bank of Canyon, Texas, a Corporation, T. M. Bruner, R. F. Ricks and C. P. McCullough, and placed in my hands for service, I, W. C. Black as Sheriff of Randall County, Texas, did on the 7th day of November, 1923, levy on certain Real Estate situated in Randall County, Texas, and described as follows, to-wit:

South One-half of Section No. Seventy-one (71), Block No. K-14, Certificate No. 411, Tyler Tap Railroad Company, original grantee, containing 320 acres of land, and levied upon as the property of J. W. Sparks, J. M. King, First National Bank of Canyon, Texas, a corporation, T. M. Bruner, R. F. Ricks and C. P. McCullough.

And on Tuesday, the 4th day of December, A. D. 1923, at the Court House door of Randall County in the town of Canyon, Texas, between the hours of Ten a. m., and Four p. m., I will sell said real estate at public vendue for cash, to the highest bidder, as the property of said defendants J. W. Sparks, J. M. King, First National Bank of Canyon, Texas, a corporation, T. M. Bruner, R. F. Ricks and C. P. McCullough, by virtue of said levy and said Order of Sale.

And in compliance with law, I give this notice of publication in the English Language once a week for four consecutive weeks immediately preceding said day of sale, in the Randall County News, a newspaper published in Randall County, Texas.

Witness my hand this 7th day of November, A. D. 1923.
 W. C. BLACK, Sheriff,
 3214 Randall County, Texas.
