

## CITY IS READY FOR C. E. CONVENTION FRIDAY TO SUNDAY

LOCAL WORKERS HAVE PLANNED EXCELLENT PROGRAM.

Christian Endeavor Convention Delegates Will Be Given Varied Entertainment By Canyon People.

Canyon on April 4-5-6 will open her heart and her homes to the big convention of Panhandle Christian Endeavor societies. Enthusiastic reports from neighboring cities indicate that the goal of the convention—three hundred registrations—will be reached this year.

Miss Berta May Looney, registration chairman, attended rallies in Amarillo and Tulsa recently and found both cities eager to carry off the attendance banner. Plainview is out for the same trophy. Registration headquarters have been established at the Christian church, where the guests will be received on Friday afternoon and assignments to homes made.

The local Christian Endeavor societies and a number of interested students of other religious organizations of the city held a rally Sunday evening in preparation for the meeting.

### Will Be Special Features

Friday afternoon at 5:30 the District Council Dinner will be given in the Home Economics dining room of the College. After the Friday evening services every one will go to the Christian church to "get acquainted." A special chapel program has been arranged for the entertainment of the convention on Saturday morning. Saturday at noon there will be a Fellowship Luncheon at the Christian church, with accompanying songs, yells, and pep speeches. A hike, with lots of "eats," is scheduled for 4:30 Saturday afternoon.

### Noted Speakers on Program

Austin D. Bryan, Associate Field Secretary of the Texas Christian Endeavor Societies, will be one of the principal speakers of the convention. Other speakers on the program are Rev. Milo Atkinson, Amarillo; Rev. Gordon Lang of the College faculty; Paul J. Merrill, Hereford; Dr. R. Thompson, Amarillo; Rev. J. R. Sharp, Hereford; Rev. Solon Johnson, Tulsa; Rev. John M. Peyton, Friona; and Rev. Garland Shell, Childress.

The convention theme is: "Friends of Christ;" the text, "Ye are my friends if ye do whatsoever I command you;" the motto, "Whatsoever." All meetings unless otherwise stated, will be held at the Presbyterian church. The complete program follows:

### Friday Afternoon

Receiving of guests at Registration Headquarters, Christian church and assignment of homes.

### Friday Evening

5:30. Dinner for District Council, Convention Committee and speakers—Home Economics dining room of the West Texas State Teachers College.

7:15. Pre-convention Prayer Service, leader, Mrs. E. K. Hutsey, Tulsa.

7:30. Song Service, Paul J. Merrill, convention song leader.

Devotional Scripture Reading, Rev. Solon Johnson, Tulsa.

Prayer.

Greetings-welcome.

On behalf of the town—Louis F. Hart, Sec. Chamber of Commerce.

On behalf of the College—D. A. Shirley.

On behalf of the churches—T. C. Thompson.

On behalf of the Local Union—Miss Mattie Swayne.

Response—One minute messages from each society.

Special music.

Announcements.

Appointment of Committees—Place, Resolutions, Nominations.

"What are We Here For?"—District President, Hally Hutchinson, Tulsa.

Song.

Address "Whatsoever for Others"—Mrs. T. C. Delaney.

Mizpah.

9:20. Social hour—"Get acquainted" at Christian church.

10:45. Goodnight.

### Saturday Morning

8:00. District Council Meeting.

8:30. Quiet Hour—Louise Walker, leader.

8:45. "Always Atcher Service." "Helpful friends ready to assist You"

Austin D. Bryan, Associate Field Secretary.

9:05. Visit chapel exercises of West Texas State Teachers College. Delegates are requested to meet immediately after the exercises at the West entrance to return to the church.

(Continued on last page)

## Buffalo Grocery and Confectionery Burns Early Yesterday a. m.

The Buffalo Grocery and Confectionery burned at 3:30 yesterday morning. Nothing was saved from the stock, and the building is a total loss. Tom Knighton and Ray Campbell are owners of the business. They estimated yesterday that the total loss is \$9,500, with insurance of only \$5,100.

These young men have owned the business for about a year and were doing a fine business. They stated yesterday that plans would likely be made at once to rebuild.

The fire started in the back of the building and the entire south end was on fire when it was discovered. There is no clue as to how the fire started, but those who were at the scene early state that indications are that it was from the outside of the building.

## State Aid Granted to the Rural Schools by State Department

Prof. Coon, representing the State Education Department, was here this week and inspected the schools asking for state aid in company with Judge R. L. Lester.

Judge Lester states that aid was granted the schools in sufficient amount that all of the schools of the county will be able to run for the full year's work.

Another inspector from the state department recently visited the schools of the county to investigate the class of work being done in the schools, and makes a report favorable to the work being done here.

## Harrison, Thompson and Jarrett Elected the City Commission

The city election held Tuesday was very quiet, and the most harmonious election ever held in Canyon.

There were fifty votes cast in the election, and every vote went to the three men whose names appeared on the ballots.

The city commission for the coming two years will be composed of C. N. Harrison, Mayor; T. C. Thompson and C. H. Jarrett, Commissioners.

### AND THE WIND BLEW!

The wind blew Friday! In fact, it blew considerable. It started to blow early in the morning and didn't get through until late at night.

When the wind blows in the Panhandle, it does a good job of blowing—no half hearted, foolish stuff about that brand of blowing.

There wasn't a great deal of loose dirt to move, but what was loose, moved.

In spite of the recent rains and the deep moisture, the wind picked up enough dirt and dust to make the air full of dust, and the sun as it attempted to smile through the clouds looked like a ball of green cheese.

No particular damage was done, although several window lights were blown out, a few chimneys dumped over and a few windmills smashed up.

The News office didn't get enough ventilation, so the wind took out one of the front plate glass windows.

Old time residents of thirty or more years state that never have they seen the wind blow as hard with so much moisture in the ground. We hope they never see another blow like that one Friday.

## Dr. S. P. Brooks Will Speak Here Friday on \$75,000,000 Campaign

Dr. S. P. Brooks, president of Baylor university, and a noted Baptist layman, will be in Canyon Friday on his tour of West Texas in the interest of the Baptist \$75,000,000 Campaign.

Dr. Brooks will speak at the chapel period of the College Friday morning at 9:30 o'clock, and at the close of his talk to the student body, the program will open for the Stock Judging Contest, with two of the A. & M. College professors speaking.

Dr. Brooks will speak at 10:30 o'clock at the Baptist church to the members on the subject of his tour.

Buy, Build, and Live in Canyon.

## PLANS DEVELOPED FOR INTERSCHOOLASTIC LEAGUE

FIVE TO SIX HUNDRED BOYS AND GIRLS COMING APRIL 11-12.

Director General W. E. Lockhart Issues Definite Information to All of the Contestants.

The following detailed announcement has been issued by W. E. Lockhart, Director General of District No. One, Interscholastic League, for the schedule of events that take place in the meet of this district on Friday and Saturday, April 11-12:

Announcement and Program for Interscholastic League Meet, District 1.

### Friday, April 11, Forenoon

Registration of Contestants and payment of fees, 8:00 to 11:00.

General assembly, Room 208, for announcements, 11:00 to 12:00.

### Friday, April 11, Afternoon

Preliminaries in Girls' Debates, begin at 1:00 p. m.

Preliminaries in Junior Declamation—Junior Boys and Junior Girls in Class A and Class B; Junior Boys and Junior Girls in Rural Division, begin at 1:00 p. m.

Tennis Tournament—All contestants, Boys' Doubles, Girls' Doubles, Boys' Singles and Girls' Singles, meet Mr. Willett in Room 104 to draw for places at 1:00 p. m. Play will begin in as many contests as possible at 1:30 p. m. The Tennis Tournament should be finished by 12:00 Saturday.

### Track Athletics

Preliminaries in Track Events to begin at 2:30 p. m.

1. Class A, 120 yd High Hurdles, each man to run one heat, first and second places to qualify.

2. Class B, 120 yd High Hurdles, same as Class A.

3. Class A, Second Heat, 120 yd High Hurdles.

4. Class B, Second Heat, 120 yd High Hurdles.

5. Class A, 100 yd Dash, enough heats to reduce the number of contestants to six. First and second place to qualify.

6. Class B, 100 yd Dash, enough heats to reduce the number of contestants to six. First and second place to qualify.

7. Class A, 220 yd Low Hurdles. Enough heats to reduce the number of contestants to eight.

8. Class B, 50 yd Dash. Each contestant to run one heat, first and second places qualify.

9. Class A, 220 yd Dash, each man to run one heat, first and second places qualify.

10. Class B, 220 yd Dash, each man to run one heat, first and second places qualify.

Note: There will be no preliminaries in any field event, nor in any running event for a greater distance than 220 yards. In the 440 yards dash, 880 yards run, and 1-mile run, the contestants may be divided in groups and required to run against time.

### Friday Evening, April 11

Finals in Girls' Debate, College Auditorium, 7:30 p. m.

Finals in all Junior Declamations, 8:30 p. m.

Music by the College Band, between the events.

### Saturday, April 12, Forenoon

Preliminaries in Boys' Debates begin at 8:00 a. m.

Preliminaries in Senior Declamations, all classes, begin at 8:00 a. m.

Tennis Tournament completed by noon, and to begin at 7:30 a. m. if necessary. (This will depend upon the number of matches played off on Friday afternoon.)

### Track and Field Events

#### CLASS A

1. 120 yards high hurdles.

2. Pole Vault.

3. 100 yards dash.

4. Shot Put.

5. Mile run.

6. Discus throw.

7. 220 Low hurdles.

8. High jump.

9. 440 yards dash.

10. Broad Jump.

11. 220 yards dash.

12. 880 yards run.

13. 1-mile run.

#### CLASS B

1. 120 yards high hurdles.

2. Discus throw.

3. 100 yards dash.

4. High jump.

5. Mile run.

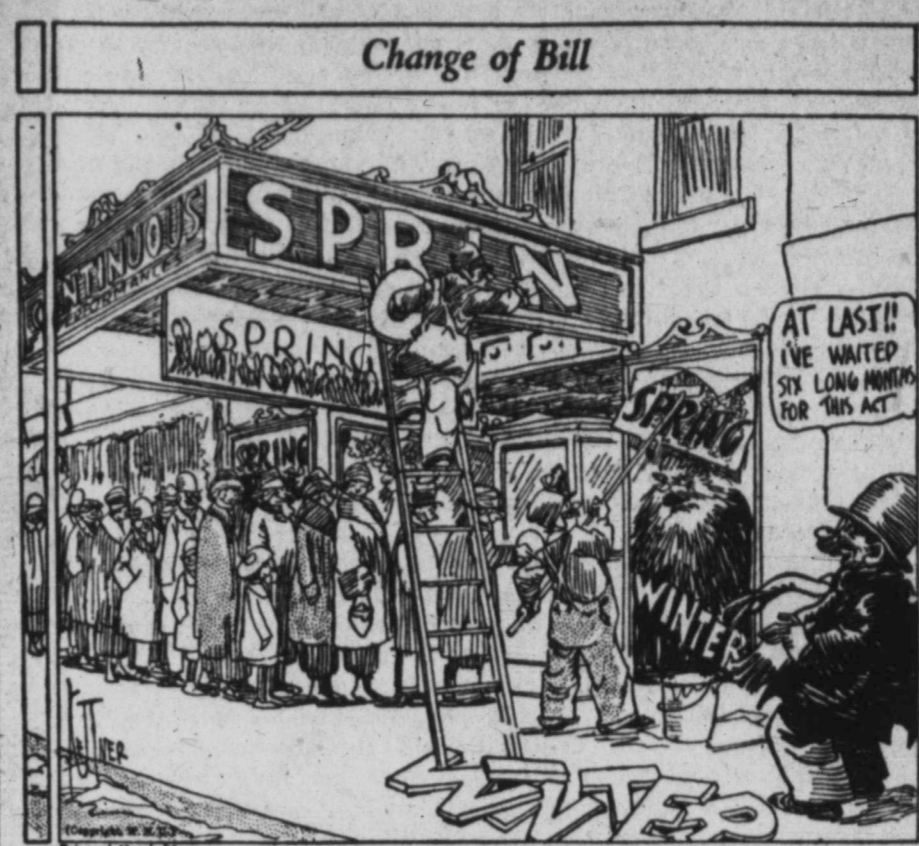

6. Pole vault.

7. 50 yards dash.

8. Broad jump.

9. 440 yards dash.

(Continued on last page)

## School Survey Committee to Visit the College Middle April

The committee to make a survey of the College will reach here about the fifteenth of April. The committee is headed by Dr. C. M. Hill, President of the Southwest Missouri State Teachers College, Springfield, Mo. Dr. Hill is in charge of the survey for all of the Teachers Colleges of the state.

Advance material has been sent to President J. A. Hill, containing sixty blanks which covers all phases of the work of the College. These blanks, making more than five hundred sheets of paper, will be filled in by various offices of the College—the President's office, Secretary's office, the Dean's office, the Registrar's office and the Librarian's office.

Every possible phase of the College's business, scope, aims, and every possible information regarding the student body is sought in the survey blanks.

## Hill Will Attend Important Meeting in Austin This Week End

President J. A. Hill left yesterday for Austin where he will attend a number of important meetings.

Today college representatives are meeting at the call of the State Education Department to discuss teachers' certificates.

Friday morning the Teachers College Presidents will meet with Dr. Works, head of the educational survey of the state.

Friday night Mr. Hill will be dinner guest of the University, discussing the graduate work in the university for Masters Degree in Education.

Friday and Saturday is the annual educational conference at the university in which teachers from all parts of Texas participate. The theme is "Educational Administration."

Saturday night a meeting will be held of the Teacher Colleges Presidents, to work out plans for the coming year.

### HAYNES TO MIAMI CHURCH.

Rev. A. B. Haynes and sons left Friday for Miami where Mr. Haynes accepted a call from the Presbyterian church two months ago.

Elzie Price is managing Mr. Haynes' farm south of the city.

### STORK SPECIAL

A daughter was born to Mr. and Mrs. Jim Johnson Sunday morning.

## Steals Palace Hotel Cash Register and Gets 60c in Stamps

When Judge A. N. Henson, owner of the Palace Hotel, came down to the lobby yesterday morning he discovered that his cash register was missing. He had taken all of the money out of the register the night before, and did not fear any loss, excepting that he wanted the register back. This he discovered in the alley back of the Britain Studio. The drawer of the register had been opened and 60 cents in stamps taken together with a set ring which had been found in one of the hotel rooms a short while ago.

It is presumed that the work was done by boys.

## Change of Bill

## County Will Spend \$200 Per Mile on the Highways This Year

Under the terms of the contract of Randall county with the State Highway Commission, \$200 per mile will be spent on the highways this year for maintenance purposes. This means that practically every cent paid to the Highway Commission by Randall county will come back to the county for the highways.

Commissioner W. C. Baird states that the culverts are now being cleaned out and that the highways are being put in first class condition. About three miles per day of the highways are being rebuilt.

### BAIRD FOR COMMISSIONER.

W. C. Baird authorized Tuesday the News to announce his candidacy for re-election to the office of County Commissioner of Randall County, precinct number one.

Mr. Baird has served this precinct as commissioner during the past nine years, and was urged insistently by his many friends to get into the race for another term.

Mr. Baird states that he is willing for his record while a commissioner to stand as his qualifications to serve the people of this precinct and the county. He has carefully studied the problems of the county and tried to carry on the business in the most economical manner, spending the taxpayers' money to the very best advantage. The work of the commissioners court has become more and more complex each year, but Mr. Baird has given careful study to these problems and his friends are convinced that he has assisted the other commissioners in the very solution of these problems.

## Edward Gerald Wins Typwriting Contest Held at the College

Edward Gerald, of Canyon and a student in the College, has just received a medal from the Underwood Typewriting Company for speed and accuracy in typing. Students in the Commercial Department take the tests which are sent out each month by the company. They write for fifteen minutes, and from the total of words written ten words are deducted for each mistake. Only those whose papers average over forty words a minute receive medals. Mr. Gerald made an average of fifty-two words a minute.

Edward Gerald graduated from the Canyon high school last year, and was editor of the high school annual publication.

Buy, Build, and Live in Canyon.

## GETTING READY FOR 300 BOYS AT JUDGING CONTEST

ALL AGRICULTURAL STUDENTS COMING FROM TWO SCHOOLS

School Boys Will Represent Twenty-Five Schools—Excellent Programs Have Been Planned.

For two or three hundred boys from twenty-five schools of the Panhandle-Plains, Friday and Saturday of this week will be great days. The high school boys will gather at the College on those days to take part in the Annual Stock Judging Contest of this section. The Lubbock team, which took off the honors last year, is expected to have much strong competition, as each of the twenty-five stock judging teams are coming to Canyon with the purpose of placing in the contests.

Taylor White, agricultural teacher at Muleshoe, wrote yesterday that he was bringing all of his agricultural students, twenty-five in number, since he wanted all of them to see the work of the contest. Only a small part of this number will get into the judging. Farwell is sending seventeen boys of school who are taking agriculture. Several other towns will send a larger number than the boys who will take part in the judging contest.

Cotton will be the main feature of Friday's program. Frank R. Phillips, head of the Agriculture Department of the College, cordially invites all farmers interested in cotton to be at the programs in general, but especially those dealing with the cotton industry.

The poultry judging contest, to be held along with the stock judging, is the first of its kind ever held in this section of the state. Much time will be given on the program to discussions on cotton culture. Also, swine breeders will find numbers on the program that will be of interest to them. In fact, the two days will be of much value to any farmer or to any boy who expects to be a farmer or a stock raiser.

Much entertainment will be furnished the visitors other than the program numbers and the judging, which will take place on the second day. A barbecue, arranged for by Louis F. Hart, secretary of the Canyon Chamber of Commerce, will be tendered the visitors Friday evening at six o'clock at the Fair Barn, north or the power house. The College Band will render a 45-minute concert in the College auditorium, beginning at 7:15. Sleeping quarters for the boys have been arranged for.

O. D. Dinwiddie of Panhandle is superintendent of the stock judging contests, and S. S. Reynolds is vice-superintendent. The contest is being put on under the direction of Prof. Frank R. Phillips, head of the Department of Agriculture.

Judges in the various contests will be: Beef Cattle, Fred Hale, Santa Fe Agricultural Agent; Hogs, Prof. S. C. Evans, A. & M.; Dairy Cattle, H. A. Ferguson, Amarillo, and J. R. Edwards, A. & M.; Poultry, Dr. W. H. Duke, Amarillo; Grain, Harmon Benton, Potter County Agent, and A. K. Short, A. & M. County Agent J. W. Jennings will have charge of the arrangements.

Towns that will be represented in the contest are: Texline, Panhandle, Miami, Pampa, Spearman, Dalhart, Silverton, Farwell, Dimmitt, Muleshoe, Tahoka, Clarendon, Paducah, Quanah, Harold, Oklaunion, Tulsa, Kress, Happy, Bovina, Hereford, Kaffir, Littlefield, Lubbock, Sudan, and others.

Farmers of this section are cordially invited to attend all of the meetings at the College. T. O. Walton will speak especially to the farmers.

The following will be the program:

### Friday, 10:00 a. m.

Auditorium of the College—

Address of Welcome—President J. A. Hill.

Cotton Production in West Texas—J. R. Edmonds, Texas A. & M. College.

Cotton for Panhandle Farmers—O. B. Burnett, Dumas.

2:00 o'clock p. m.

Cotton in a place of Panhandle Rotation—T. O. Walton, A. & M. College.

Live Stock Farming—S. C. Evans, A. & M. College.

### Friday Night.

Barbecue at 6 p. m. at Fair Barn, College Campus.

Band concert, 7:15 p. m.

Address—T. O. Walton, A. & M. College.

Cotton Address—A. K. Short, A. & M. College.

THE AMERICAN PRESS ASSOCIATION

The other day while on a pleasure trip on his yacht, in mid-ocean J. P. Morgan loaned a hundred million dollars to France, the transaction being closed by radio. Shades of Columbus! How that discoverer of this wild domain must marvel, if he can look down on the world and get a glimpse of the thing he discovered 431 years ago and dubbed "America." The idea of one man having that much money in his control would dumbfound Columbus. The idea of any one spending a vacation on a private ship in the middle of the ocean that took him months to cross would add consternation. The fact that this man, hundreds of miles from land, need only speak and his voice would be heard, and that he could receive messages from all parts of the world, would send poor old Columbus to the hospital a nervous wreck. Furthermore, the fact that one man would turn loose more money than most of us will likely ever see in a life time, merely upon word of honor without the scratch of pen, is another advancement in the world. The world trusts more than ever those in whom we have confidence. Columbus would see a lot of interesting things if he could visit our land and re-discover America. But perhaps Columbus has discovered another land which today would make America ashamed of his back-woody methods.

Killing the chickens who molest you is the surest chicken ordinance.

Harry W. Daugherty was asked to resign by the President. Daugherty claims to be a victim of his enemies, who were continually after him during his administration. The republicans of the senate lost confidence in Daugherty some months ago, and asked the President to dismiss Daugherty. The President replied that Daugherty would stay until time necessary for a thorough investigation was given. Evidently the President is assured that Daugherty is guilty, or the letter of dismissal would not have been written. Two cabinet members have fallen within a short while. It is going to have a bad effect upon the ideals of the American people for their officials.

Al Jennings, ex-outlaw but now an evangelist, claims that Jake Hamon bought the nomination of Warren G. Harding for a million dollars. Al is more of a liar than anything else in this particular statement. Jake Hamon did not have a million dollars at that particular time, and in the second place, no man could buy the nomination in either the republican or democratic national conventions for a million dollars. Al Jennings is simply seeking notoriety as an evangelist, and like all professional evangelists will stop at no means of getting publicity.

The wind was fierce in the Panhandle last Friday, and many an old timer as well as new-comer swore that if they ever lived through the day, most certainly they would take the first train out Saturday. But it was a different story when the news came in that a score or more people had been killed in neighboring towns and that the property loss was in the millions. The wind knows how to blow in the Panhandle, and does so occasionally, but you may rest assured that when it is blowing here, some place is getting a worse storm than we are having. Great is the Panhandle of Texas—even its winds are great!

Canyon will have in our midst during the coming few weeks a large number of visitors, attending several big meetings. Give the visitors a hearty welcome. Make them feel at home. Keep the old town clean so that we can make a good appearance. It pays to treat our visitors fine.

The News has a birthday today—twenty-eight years old. One was unknown in this neck of the woods when the News came into existence, but we believe that this newspaper has carried out to a certain extent the Frenchman's preachment of getting better and better. Here's hoping, at least.

**THE POWER OF THE COUNTRY PRESS**

Let none regard lightly or slightly the influence of the so-called country press in the United States. The "home" newspaper is looked to in many a community as the mentor and guide when the time comes to make an important decision. The editor of the country paper, usually unassuming, is a leader in shaping the decisions of his townspeople in those progressive undertakings which effect the common welfare. No matter if the people of the rural sections are coming more and more to look to the city papers for their news of world happenings—they still depend for friendly counsel and advice upon the judgment of someone within their own community circle who has proved himself dependable and wise.

So it is a matter of little importance, considering the magnitude of the subject, that the country press of the United States has enlisted itself whole heartedly to fight the battle of temperance and law enforcement. The issue will be interesting if not spectacular. Allied with the destructive liquor interests are many of the larger daily and weekly papers published in the cities. For some reason which the editors and owners of these papers of larger circulation have not publicly disclosed, they have persisted in their efforts to discourage a complete enforcement of the prohibition law. Many of them have allotted generous space to news detailing the manner in which the law is violated, and not a few have, by editorial comment, sought to popularize the campaign of nullification.

Now comes the country editor and his thousands of clear thinking and unprejudiced brethren throughout the length and breadth of the land, ready to defend and uphold the law which it has been sought to destroy. They have no selfish motive in this enlisting on the side of right. They are committed to the cause of their realization that the interests of themselves and of the people and industries which they seek to protect demand that the Constitution and the laws be unhesitatingly obeyed. The tainted money of the bootlegger and the brewer has not influenced them to betray the people whose confidence they have gained and desire to keep. They feel a personal responsibility. They are not tempted to sell, at any price, the friendships of a lifetime.

The inclination is to believe that no evil influence is powerful enough to sway the sentiment of the great mass of voters in the United States against so powerful an ally of national righteousness. It was the strength of the moral forces in the agricultural states that made possible the early enactment of the law which the enemies of society are now seeking to nullify. This same courageous electorate will see to it that no backward step is taken. No editor of a country paper need apologize to his patrons and friends for his stand in support of the law. They are with him, just as the loyal and progressive people everywhere are steadfast in support of good government and civic decency.—Christian Science Monitor.

**Wayside Items**

"Winter lingers in the lap of spring." The weather man is furnishing us with a variety, a few springlike, sunshiny days, then with a little snow, and on Monday and Tuesday plenty of ice. Too early to tell how the prospects are for fruit. Every body is hoping cold has not got it.

Friday's wind from the west was bad all day and all night. J. W. McCreery's, J. W. Sluder's and Cabel Brooks' windmill wheels were torn up.

Declamation contest of the Wayside School was postponed from Friday night until Saturday night on account of the high winds. Mr. and Mrs. Mack Gillham of Canyon brought Miss Jennie Ritchie, Mrs. J. J. Powell and Mrs. Tommie Montfort of the Teachers College who acted as judges. Wayside felt proud of the compliment paid her by these worthy ladies, and return thanks to Mr. Gillham for his kindness. Pupils winning first place were: Junior girls, Alline McGehee, Cecie McCreery second, Vivian Walker third. Senior girls: Marvell McCreery first, Lorine Watson second, Hazel Knox third. Junior boys: Guy Watson first, Homer McGehee second, and Irvin Lane third place. Teachers and pupils winning are planning to go to Claude Friday next.

M. L. McGehee failed to make a trip intended to Slaton some time ago, but went the past week, returning with six Holstein heifers. He was on the road the windy Friday and says he knew the dust was worse down there than here.

Judge Stallings and J. P. Miles of Claude were at Wayside Monday on business.

W. I. Lane made a business trip to Amarillo last Thursday, returning Friday.

An immense crowd assembled at Wayside Thursday last to attend the funeral of Mrs. Tennie James, who

died at Happy in the early morning of the same day. Mrs. James formerly lived near here and was well and favorably known. She has been a great sufferer for months. She will be greatly missed by loved ones and neighbors. A large number came from Happy. The floral offerings were beautiful, covering the elegant casket.

Mesdames Annie and Ella Heisler and Bessie Lane called on Mrs. Ida Sluder Sunday afternoon.

J. C. Payne made a business trip to Amarillo Monday visiting Mrs. Emma Payne and returning same day.

Isle Royale, located in the heart of Lake Superior, and containing 132,000 acres, may become a national monument, according to a statement from Secretary of the Interior Work. Evidence of prehistoric mining has been uncovered in three sections of the island. Harbors and bays range in depth from two to seventy-four fathoms. It is estimated there are 1,800 moose and 400 woodland caribou on the island. Also the only sharp tailed grouse found in Michigan are located in this area. It has twenty-one inland lakes and several swift-flowing trout streams in the interior.

It is rumored that a New York millionaire has sailed away in his yacht in search of buried treasure believed to have been buried on Cocos Island by Captain W. L. Morgan, the British buccaneer. The treasure is rumored to consist of solid gold and gem-encrusted ornaments, the ravished riches of the Inca Indians, looted from Peruvian churches.

A hydroelectric project now under consideration contemplates the sending of power by wire from Isle Maligne on the Saguenay River in Canada, a distance of 550 miles, into New York City. It is believed that 2,000,000 horsepower will be developed here.

Of the total population of the continental United States 10,500,000 are Negroes, including Mulattoes; 14,000,000 are foreign-born and 23,000,000 native-born with one or both parents foreign born.

Two thousand, four hundred and fifty-two men were killed by accidents in coal mines in the United States in 1923.

### Plans Developing For Big Adobe Walls Celebration in June

At last the spot where those 23 valiant men and one intrepid woman fought so gallantly to make the Panhandle a safe place for civilization is to be marked.

When the Adobe Walls celebration is held June 27, a concrete monument about 20 feet high will be unveiled to mark the place of the famous Adobe Walls fight.

A big picnic and barbecue will be held on the Turkey Track ranch about 10 miles from Plemmons on the site of the white men's fight with the Indians.

Every person in the Panhandle who wishes to have a part in this belated honor to the heroes of this bloody battle is offered an opportunity to contribute any amount from 50 cents up, to the monument fund. This paper has been designated by the general chairman of the publicity committee to receive subscriptions. People who wish to have a part in honoring the Adobe Walls heroes are asked to bring or mail their checks or money to this office. A list of all donors to the Adobe Walls monument fund will be published.

Mrs. Billy Dixon, widow of the famous Indian scout, Billy Dixon, of Miami, Mrs. W. T. Coble of Amarillo and the Turkey Track ranch on which the Adobe Walls battle was fought, Mayor F. P. Reid of Pampa and Judge Thomas F. Turner of Amarillo, president of the Panhandle-Plains Historical Society compose the financial committee.

Concrete slabs are to be placed at the corners of the five acre tract given to the Panhandle-Plains Historical Society by Mr. and Mrs. Tom W. Coble. Concrete markers will also be placed on the site of the buildings which stood in the old stockade and head stones will be placed on the graves of the victims of the Indian massacre buried there.

The picnic and barbecue to be given in June is the celebration of the fiftieth anniversary of the Adobe Walls fight. It is expected that several thousand people will be gathered on the Turkey Track ranch from all sections of the Panhandle and southern Oklahoma. A rodeo, dance, music, speaking and other events are planned.

Chairman F. P. Reid and Mrs. Dixon will be mainly in charge of raising funds in the North Plains. They have already started work, as it is planned to have the monument and marking slabs placed before the picnic is given.

A bill which would prohibit the teaching of Darwin's theory of evolution in the schools and colleges of Mississippi was introduced in the lower house of that state recently.

Coal is being mined in Spitzbergen in the Arctic.

### Economics Work of Girls Shows Much Interest

Newspapers and speakers use a great deal of space and time talking about the modern flapper. The girls and young women who are learning to do useful things are so many more in number than the flapper type that they receive no attention. The severest critic of the modern girl will find food for thought in the work which is being done by the students of the Home Economics Department of the West Texas State Teachers College.

Most of the young women who enter this work during the freshman year of their college experience know little or nothing about handwork, selection of garments, or cooking. During the first year of her course, every girl is required to learn to make all the garments necessary in a complete set of wearing apparel. Simple undergarments are first constructed, followed by lingerie waists, tailored skirts, two-piece dresses, and finally by a few weeks intensive study of the old fashioned arts of patching and darning.

Miss Elizabeth Cox, who has charge of the sewing classes, believes that every girl should be interested in doing something for someone else as well as in fashioning clothing for her own use. Therefore, every member of the class makes at least one child's garment during her first year's work. Many small sisters and brothers are gladdened by the dresses, middie suits, and real boy garments which they receive from their sisters in college.

More than this, every girl learns to use commercial patterns, as well as to make simple patterns for her own use and to make practical tests for determining the quality of materials which she must buy.

Last but not least, the sewing machine becomes a genuinely useful tool to these young women. They learn to use all of the attachments in such a way as to accomplish a maximum amount of work with minimum effort and time. The girls who are taking the home economics course may, almost without exception, be picked out in the student body because of their better taste in the selection of their clothes, the suitability of the accessories which they use, and the greater poise which they possess as a result of knowing that they are properly garbed.

Miss Helen B. Burton is head of this department; and she, together with Miss Elizabeth Cox and Miss Berta May Looney, conducts the class work.

### SHE FOOLED 'EM ALL

"Before we were married you used to beg me to sing."  
"Well, you were making a fool out of me, too."—Judge.

## THE RICHARDS CO.

WHERE WOMEN WHO DRESS BEST BUY  
AMARILLO, TEXAS

### AN EVEN SCODE

Dining with his bride at a continental hotel, a young Englishman was angered to find on his bill a charge of 10 francs for fruit. Calling the manager he protested the item.

"Ah," replied that worthy, pointing to a large dish of fruit upon the table, "but the fruit is there. It is not my fault that you did not eat it."

The Englishman said no more, but on paying the bill he counted out all but 10 francs, and seeing the look of inquiry on the manager's face, he remarked calmly, "that is for kissing my wife."

"Kissing your wife!" exclaimed the other, aghast. "But I have not kissed your wife."

"No," said the Englishman, "but she was there, wasn't she? It is not my fault if you did not kiss her."—Boston Transcript.

Nineteen per cent of the people in Mexico are classed as pure white stock, forty-three per cent as Indian, and the remaining thirty-eight per cent as mixed. The total population is approximately 15,000,000.

A strange creature is the sucker fish which clings to larger fish and to hulls of vessels by means of "vacuum cups" at the back of its head, solely for the purpose of stealing a ride. It is found off the coast of Australia.

### BACKACHE IS DISCOURAGING But Not So Bad If You Know How to Reach the Cause.

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys. Canyon people recommend Doan's Pills. Ask your neighbor! Read this case:

Mrs. G. A. Jones, Canyon, says: "Through the small of my back was a steady, bearing-down pain and it was so sore I could hardly stoop to pick up anything. At night my back was so sore and ached so I couldn't sleep at all. I also had awful dizzy spells and headaches. My kidneys were weak and troubled me, too. I bought Doan's Pills from the City Drug Co., and three-boxes cured me of every symptom of the trouble."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Jones had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

### Haynes Dairy Herd Is Added to Accredited Herds of the County

A. B. Haynes received notice Friday that his dairy herd had successfully passed the tuberculosis test and had been awarded a certificate to that effect.

In order to be an accredited herd, the cows must pass a tuberculosis test three times in a year and shown no reaction.

The College dairy herd, and the herds of Dr. C. F. Donnell and T. M. Dowlen have recently been given a certificate by the government inspectors.

### Ford Motor Company to Put on Demonstration Here on Monday

The Ford Motor Company is sending to Canyon next Monday factory representatives who will demonstrate the Fordson tractor, the two-row lister and planter, and the three-row cultivator.

The demonstration will be held on the G. G. Foster land, west of the city water place, and across the highway south of the McReynolds home.

The demonstration is put on under the direction of Kuehn & Farlow, local Ford dealers.

German troops in the World War failed to reach Amiens in March, 1918 because the soldiers discovered large stores of red wine whose demoralizing effect on the exhausted German soldiers prevented their attaining their objective, according to a German professor, writing in the German temperance periodical, the Christian Advocate.

**HIS ESTIMATE**

"Dad," said the young hopeful, who was thinking of branching out in the world, "whadda you think of the chicken business for me?"

"Well," said the wise one, "I dunno, son. It costs a lot to feed 'em and if you ever start using taxicabs you'll go broke."

Mitchell—Come in and tell me what you think of my loud speaker.

Albertson—Should love to, old man, but I promised faithfully to meet mine at seven o'clock sharp.

Cattle will be killed by electricity by the Cudaby Packing Company, of Omaha, Nebraska. This will replace the present system of clubbing the animals over the head.

Utilizers of electric light poles in California find it necessary, in many instances to impregnate the entire pole with cresote to prevent serious damage by termites, to the tops and cross arms.

The total value of mah jong sets which Shanghai sent us in 1923 was \$1,505,000, which was \$176,247 more than the value of declared exports of hair nets.

### Revival Services at the Baptist Church Growing in Interest Daily

The revival meeting in progress at the Baptist Church is increasing daily in interest, with a very good attendance.

Rev. Skinner will preach Sunday morning at the 11:00 o'clock hour on "How to Overcome Trouble and Financial Reverse." At 7:45 Sunday night he will preach on the subject "The Peril of Instability in Religion."

A cordial invitation is extended to all of the services during this special revival meeting.

**GOES TO PRESS MEETING.**

Oliver E. Hinkle, managing editor of The Prairie, will leave Monday for Dallas where the Texas Intercollegiate Press Association will be held at Southern Methodist University.

Mr. Hinkle will represent the College and The Prairie in the meeting.

A number of newspaper contests will be held, and The Prairie editors have entered into these contests.

A block of coal, nine feet high and four feet square was shipped from near Elkhardt, Maryland, to Milan, Italy, where it is to be put on display at an industrial exposition.

**C. P. MONEY VERY SICK.**

C. P. Money is very sick at his home in Happy. He suffered a stroke of paralysis last Saturday, and is reported to be in a serious condition.

Mr. Money has been in poor health for some time, and was visited by his son, Edgar, a day before the latter's death last week. Mr. Money was unable to attend Edgar's funeral owing to his illness.

An authentic Titian, owned for many years by an artist who never suspected its worth, has been sold to a Los Angeles art collector for \$100,000. The artist who sold it bought it at an auction in Florence, Italy, while he was studying art there in his youth. He paid the equivalent of \$150 in American money for the masterpiece.

The originals of the Declaration of Independence and the Constitution have been placed on public view in a specially constructed shrine in the Library of Congress where they may be viewed by the general public. The shrine is of marble and the papers are in cases covered with specially prepared gelatine films to exclude all light rays that might fade the historic documents.

Upon the advice of physicians Albert B. Fall does not read newspapers and sees only close friends. He is in seclusion on his ranch home at Three Rivers, New Mexico, where he intends taking a long rest.

What is believed to be a moecasin print on rock has been found in Virginia on Bolecamp Creek. The rock is flat and level, approximately eight or ten feet in dimension. The track is about six or seven shoe size and represents the right foot. A rim about the edges of the track would indicate pressure of the foot before the hardening had taken place.

It has been charged in the French Chamber of Deputies that of \$5,000,000,000 francs paid in claims for war damages, only 15,000,000,000 went into the pockets of the genuine victims of the war.

### Wind Friday Holds the Crowd to Small Number for Hi School Play

Owing to the bad wind Friday which continued into the night, the attendance at the high school play was small. In spite of the great interference on the part of the weather, the play was enjoyed very much by those attending.

The following was the cast of characters:

"Aunt Mary" Watkins—Dalma Fry.  
Jack Denham—Mason Anderson.  
Burnett (Robert)—Clint Faulkner.  
Mitchell (Hubert Kendrick)—Robert Foster.  
Clover (H. Wyncoop)—J. D. Gamble, Jr.  
Mr. Stebbins—Wallace Buster.  
Joshua—John Vetsak.  
James—Winfield Miller.  
Betty Burnett—Frances Croson.  
The Girl from Kalamazoo—Iris Mitchell.  
Lucinda—Ruby Combs.  
Daisy Mullins—Lura Oliver.  
Eva—Faye Mangum.

### Jennings Says Test Grain Sorghum Seed For Germination

The rush is now over in the testing of cotton seed for germination, and I wish to again remind our farmers that Milo, Kafir, Feterita and in fact all of our grain sorghum seeds are apt to show a percentage of germination as poor as that of our locally grown cotton seed. Most of these grains were affected by the same conditions before maturity and had to take much more rain than did the cotton, as most of it was not gotten out of the shock until January. We will be glad to run tests on any seed that may be brought us to be germinated.

J. W. JENNINGS, County Agent.

### MAH-JONGG SPECIALS AT RANDALL'S DRUG COMPANY.

At last you can get a nice Mah-Jongg set at a reasonable price. Randall's Drug Co., 422 Taylor St., Amarillo, is offering a special set for \$3.50, drop front box, with removable trays. Double green stamps given on purchases every day.

### DISPLAYS LARGE EGG.

J. S. Pool brought to the News office Saturday an egg which was 3-4 inches around one way, 8 1-4 inches the largest and weighed one-fourth of a pound. The egg was laid by one of Mr. Pool's Langshan hens, which are noted for their large eggs and large egg production.

"I am for an immigration policy truly American, drawn by Americans, administered by Americans, for the benefit of America today and in the future."—James J. Davis, Secretary of Labor.

Vigilant Officer: Sam, what have you in that grip?

Sam: Ten pounds of sugar for my coffee.

V. G.: Sam, what have you got in that other grip?

Sam: Ten pounds of sugar for my tea.

V. G. (drawing back): Well, Sam, here's a lump for your cocoa.—Punch Bowl.

Stalled Motorist: Can you give a fellow a tow, old man?

Passing Tourist: No, but if you're really hungry, I'll give you a sandwich.—Awwwan.

PLANT SOME TREES—NOW!

### William G. McAdoo to Speak in Amarillo on Wednesday, April 9th

Announcement is made that William G. McAdoo, candidate for the nomination of president of the democratic party, will be in Amarillo next Wednesday, April 9th, and will address the votes at the auditorium at six o'clock p. m.

He—Why do blushes creep over girl's faces?

She—Because if they ran they would kick up too much dust.—Answers.

The Gould seat on the New York Stock Exchange purchased thirty-nine years ago for \$25,000 was sold recently for \$85,000.

## Of Course—A Suit for Easter

Who can resist a Suit when they are so very, very smart this Spring. Even all the clever new accessories that dame fashion has introduced this Spring have been especially designed for the new Suits. It is indeed a Suit Season.

\$10.00 \$19.50 \$29.50

### SILK FROCKS FOR EASTER

Of course there is nothing like a silk Frock to step forth in Easter morning. Our new display offers a wonderful selection. There are satin, alpaca, and printed crepe Frocks in all the Spring's loveliest colors such as caramel shades, rust tones, powder blue, brick dust and almond green. The very short sleeves of the Bishop sleeves are smartest. The scarf lends itself perfectly to many new treatments on these Frocks. Shirrings, apron fronts, and little white satin vestees add to their beauty.

Especially charming Frocks in almond green alpaca have straight boyish lines and mannish white tucked vestees. Little white gardenias on their shoulder add the right finishing touch.

Do come in early while our assortment is at its best. Easter will soon be here and it will be a great relief to have no last minute shopping to do.

\$13.75 \$21.75 \$35.00

Mr. and Mrs. P. V. Winstead and daughter were Amarillo visitors Saturday.

We are handling the APEX CLEANER. Come in and let us explain our small down and monthly payments. Atkins Furniture Store. 5112

J. F. Shelton, who is working in Amarillo, spent the week end here with home folks.

Jack Jones spent the week end here with his family.

Miss Sallie Bell Brown, who is teaching at Friona, spent the week end here.

**Holcomb's Transfer, phone 28 or 238**

Mrs. W. F. Baird is in Amarillo this week visiting her daughter, Mrs. John McCarty.

**Get our prices on a new spring Hart Schaffner & Marx or Styleplus suit. That's all we ask. Canyon Supply Company.**

Mr. and Mrs. J. C. Pipkin left Tuesday for Eastland where they were called by the serious illness of their son, Jesse, who has been in bad health for a number of years.

Wallace R. Clark went to Lubbock Monday where he was judge in a music memory contest Monday and Tuesday.

Thomas Hagood, Clarence Anderson and Carl Hearst visited in Amarillo Friday.

Leo McDade is home this week from his work with the Denver railroad, being laid up with a badly sprained leg as the result of an accident last week.

Mr. and Mrs. Ray Vernon of Amarillo were week end visitors at the Chas. Flesher home.

C. O. Keiser was in Amarillo Tuesday on business.

Mrs. Fulton Brown and two daughters, Corinne and Sallie Bell, visited in Amarillo Saturday.

O. W. H. Cook was in Dallas and other points from Friday to Tuesday on business.

**We are sending merchandise right into Amarillo every day. Our prices bring the business. Canyon Supply Company.**

G. G. Foster and J. B. Fox were at Endee, N. M., Tuesday on business.

Mr. and Mrs. Oscar Gano returned this week from a two weeks visit in Bisbee, Arizona.

Rev. R. N. McCallhan of Amarillo was in the city Sunday.

R. B. Red of Lamesa was here Sunday visiting his daughters, who are attending the College.

Warren Smith and Mr. Richardson of Wichita Falls were in the city Saturday night and Sunday visiting with friends.

**JACKIE COOGAN in "A Boy of Flanders," taken from "The Dog of Flanders," at the Olympic Theatre, Friday and Saturday, April 4-5. Admission 10c and 50c.**

The athletic letter men of the College had a banquet at Cousins Hall last night.

Mr. and Mrs. D. A. Shirley were called to Amarillo Tuesday by the death of Mr. Shirley's cousin, Carl Shirley of Amarillo, who died in the Amarillo hospital.

J. T. Coffee is recovering from having a nail run into his foot four weeks ago. He is able to bear the weight of his foot to the floor now.

Mr. and Mrs. J. J. Green left Wednesday to visit their daughter, Mrs. Price, at Abernathy.

Roy Tate returned home Friday from Dallas where he has been for some time.

Mrs. M. A. Biggers was hostess Wednesday afternoon to the Jolly Eighteen Club. The continual chatter and laughter of the crowd along with the needle work only brought the afternoon to a close too soon. Delightful refreshments were served by the hostess.

One giant redwood tree, recently felled near Portland, Oregon, yielded sufficient lumber to build fifty ordinary five-room bungalows.

**Dogs Killed More Than Eight Head of Sheep at Stock Pens Last Night**

W. T. Hazlewood lost more than 80 head of fat sheep at the stock pens last night, when dogs got into the bunch he was going to ship this afternoon.

This bunch of sheep was a choice fat lot which Mr. Hazlewood had had in the feed pens all winter, and would have bought him \$11 to \$13 per head on the market.

Eight head are picked up, and many are so badly injured that they will not do to ship.

The loss will run from \$1000 to \$1200

The 1924 Needle Club met with Miss Lyda Ash, Friday afternoon, from 4:30 to 6:00 o'clock. A picnic had been planned instead of the needle work, but owing to bad weather, plans had to be changed. Games were played in the house and later the dining table was laden with goodies. Of course everyone did their part at this time. After which each member departed for their various homes wishing many more good times like that one.

**THE SUPPLY AND DEMAND OF TEACHERS.**

From 5,000 to 6,000 teachers are added to the profession every year in Texas, according to a statement made during the meeting of the executive committee of the State Teachers' Association in Fort Worth last week. The News has seen other statements which put the annual recruitment of teachers even higher. During the meeting of the presidents of the State Teachers' Colleges in Dallas two or three weeks ago, one of the gentlemen attending said that there are 27,000 public school teachers in Texas and that there is a turnover every four years. That would make the number needed every year merely to fill vacancies only a little short of 7,000. To that something is to be added for the need that arises from the steady increase in the number of pupils and of schools.

There has long been a widespread suspicion in Texas that we have more teachers' colleges than there is need of. That may be true; that nearly 7,000 new teachers are needed every year does not necessarily disprove it. Yet that fact at least questions the soundness of that suspicion and urges those who hold it to be less positive. We have seven of these institutions and soon will have another in operation. The number may be large, but the annual demand for their product is also large.

That one-fourth of our army of teachers quit the service every year has long been a matter of lament. Since experience adds something to the efficiency of even the best trained teacher, undoubtedly we do suffer a loss in this heavy annual retirement that justifies the regret it occasions. The loss, though, is not so unmitigated as is probably supposed. Most of the teachers who quit the profession are women, and most of those who do so quit to become wives and mothers. The knowledge and training they got in preparing to be teachers is by no means a net loss in the social sense when they are transplanted from the schoolroom to the home. The home has been shifting its duties onto the school steadily for a long time. There are many who think that the defects of our educational system are largely ascribable to that fact. Whether that is so or not, it must tend to arrest that tendency to put teachers in the homes.

It is of course not the fault of the teachers' colleges that the average term of service in the teaching profession is so short. It would undoubtedly be shorter but for these institutions, and the requirements of which they are the agency. Teaching is more apt to become a vocation to those who make the expenditure of time and money necessary to get into the profession than it would be if it were more easily accessible. This is true of both men and women, but probably more of men than of women. A man who has spent four years in preparing himself to be a teacher and then perhaps as many years in teaching has, in most instances, probably come to an age which discourages a change of pursuit and even makes it somewhat difficult. That teachers serve longer because of these institutions than they would be likely to do otherwise is a considerable credit to be entered into our account with the teachers' colleges, and one which is not often considered.—The Dallas News.

In the Baku fields of Soviet Russia the production of crude petroleum for 1923 increased more than twenty per cent over the previous year.

**MAH-JONGG SPECIALS AT RANDALL'S DRUG COMPANY.**

At last you can get a nice Mah-Jongg set at a reasonable price. Randall's Drug Co., 423 Taylor St., Amarillo, is offering a special set for \$2.50, drop front box, with removable trays. Double green stamps given on purchases every day.

**SCHOLARSHIP SOCIETY PLANS ITS FIRST ANNUAL BANQUET**

Plans for the first annual banquet of the Lloyd Green Allen Scholarship Society are being considered by a special committee of the organization. The banquet will take place several weeks before commencement if present arrangements are carried out. A prominent man will deliver the principal address on a subject related to scholarship. The speaker has not yet been named.

The motto of the local organization will be that of the state body—"Ye Shall Know the Truth and the Truth Shall Make You Free." A parchment shingle, on which the name of the local society, classification of member, and other data will be written, will be given to each person admitted to the organization. All members will be allowed to wear the official pendant. The pendant is a key and shield design with a lamp on the face of the shield. On the back of the pendant will be engraved the name of the college and of the person holding membership, and the date of the organization of the Texas Scholarship Societies. Only members of the Scholarship Society may wear the badges.

Questions of membership and policy were discussed by Miss Zelma Red and Dean L. G. Allen at the last meeting of the local organization. Both speakers told of the excellent entertainment provided by Baylor College during the convention of Texas Scholarship Societies.

Protracted researches into the nature of the Aurora Borealis, known as the "Northern Lights," lead Professor Vegard of Christiania University to believe that its essential character is nitrogen, and say that the green line which is the chief feature of it consists of small particles of frozen nitrogen in the highest part of the atmosphere. This line appears when frozen nitrogen is exposed to electric rays.

A signature book containing signatures of the parents, guardians and others is used by a teacher of the Porterville, California, high school. It is proving to be a terror to those students who would play hooky and write their own excuses.

A six weeks' course for prospective bride-grooms is given at the Central Y. M. C. A. in Brooklyn. The course takes the form of lectures covering all aspects of married life, from the parts to be played by the relatives to the proper ages at which to marry and the sort of wife to choose.

**THE AIM OF THIS BANK— SERVICE TO THE COMMUNITY**

A community like an individual, that does its business through a bank is on the road to prosperity.

Every person in the community, no matter how great or small his financial standing, should have a bank account if for no other reason than the prestige it gives himself and his community.

Service and safety are prime essentials in a bank. We offer you both.

### Deeds Filed This Week Transferring Randall County Land

The following deeds as furnished the News by the Randall County Abstract Company, have been recorded in the County Clerk's office.

G. M. Peet to A. C. H. Tanner, surveys 28 and 37, block G. Consideration \$15,500.

E. L. Knight to D. M. Stewart, lot 14, block 61, Canyon City. Consideration \$25.

Titia French to A. B. Holt, north half section 25, block 2-Z. Consideration, \$4,000.

A. B. Holt to E. G. Bryan, north half section 25, block 2-Z. Consideration, \$1,480.

J. T. Burnett to C. J. Williams, lot 10, block 12, Conner addn to Canyon City. Consideration \$125.

Geo. H. Gattfried et al, to J. T. Burnett, lots 1 to 9 inc., block 68, Canyon City. Consideration, \$600.

C. R. Holland to G. E. Nance, 786.91 acres sections 117 and 118, block 6. Consideration, \$15,000, cash.

Fred McDorman to W. D. Smith, lot 8, block 51, Canyon City. Consideration \$75.00.

A. L. Seymour to A. F. Ward, lots 3 and 4, Maxwell's suburban addn to Canyon City. Consideration \$1,000.

### WILL ROGERS ONCE PUNCHED IN THIS SECTION

Plainview Herald: A bit of the history of the old Plains as a cattle country is brought to mind by an experience of Mr. and Mrs. F. W. Clinkscales and Judge and Mrs. E. Graham in California. Judge and Mrs. Graham have just returned from California.

While driving by the Roach studios in Los Angeles Mr. Clinkscales recognized an actor as Will Rogers, famous humorist, whose writings are syndicated and published in a number of the metropolitan papers, and who has become famous as a motion picture actor.

The Plainview visitors made themselves known to Mr. Rogers. "Are you from Plainview?" he said. "Why I know that town. I recall a number of years ago when just a lad of 14 or 16 years I was coming out of Oklahoma into Texas and landed at Amarillo with nothing but scant clothes, a half starved pony and an unsatisfied appetite. I was hungry.

"Looking for employment I overheard a ranchman with a herd of cattle tell a man he was trying to employ that he would have to hurry if he got the job. The man had a lot of things to do before he could commence work, so I made bold to ask for the job as a cow hand with a herd of 2,500 cattle headed for Liberal, Kans. The cattle belonged to Slaton & Knight of Plainview and A. L. Knight was with the herd.

"How long will it take you to get ready?" I was asked.

"Just long enough for me to get on that pony yonder," was my eager reply.

"I got the job and made the trip to Kansas with the herd."

This was the last herd driven from Plainview by Slaton & Knight and was on the fulfillment of a Spanish-American war contract, about 1898. L. A. Knight of Plainview vividly recalls the trip with the herd of cattle, but he does not remember the incident of the employment of Will Rogers.

### GENEROUS BOY

Dear, Editor:

After taking my girl to a dinner, the theatre and a taxi home, should I kiss her good night?

Answer:

No. You've done enough for her.

### HE OUGHT TO KNOW

Diner—That lobster you served me was not fresh.

Walter—What makes you think so.

Diner—I have inside information.—Portland Express.

### S.S.S. stops Rheumatism

"MY Rheumatism is all gone. I feel a wonderful glory again in the free motion I used to have when my days were younger. I can thank S. S. S. for it all! Do not close your eyes and think that health, free motion and strength are gone from you forever! It is not so. S. S. S. is waiting to help you. When you increase the number of your red-blood-cells, the entire system undergoes a tremendous change. Everything depends on blood-strength. Blood which is minus sufficient red-cells leads to a long list of troubles. Rheumatism is one of them." S. S. S. is the great blood-cleanser, blood-builder, system strengthener, and nerve invigorator.

S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.

**S.S.S. The World's Best Blood Medicine**

## CHAMBER OF COMMERCE

LOUIS F. HART, Manager

Your manager reports to you at this time the passage of a month in which considerable has been accomplished, which, though not of a highly spectacular nature, he feels has been, and will be, of real effort in the upbuilding of the city.

To begin with, there has been much routine work. Your manager has written 146 personal letters to prospective students, from lists furnished by West Texas State Teachers College, inviting them to choose this school and welcoming them to the city. In addition he has compiled an alphabetical list of all prospective students dating back to November 1. This has been done, of course, for the convenience of the merchants who are sending out similar letters of invitation to prospective students.

One of the notable projects of the month was the sending of an exhibit to the Southwestern Exposition and Fat Stock Show at Fort Worth, March 8 to 15, which was done at a cost to the Chamber of Commerce of only \$40. A 12-foot booth directly opposite that of the West Texas Chamber of Commerce and very near that of the United States Department of Agriculture was maintained by the Chamber during the whole of the exposition and was seen by practically all of the 180,000 persons who attended the show. In addition, seven articles relative to this exhibit and a three-column cut of the booth itself appeared in the Fort Worth newspapers. Already inquiries regarding the school or city have come in from counties in the Fort Worth territory as a result of the display.

In the matter of general newspaper publicity your manager has not been idle during the month, notwithstanding the loss of several days time during the trip to the exposition. Besides articles in the Canyon and Amarillo papers, he has obtained publication of 90 inches of unpaid publicity in the Fort Worth dailies alone which, if it could be bought at advertising space rates, would have cost not less than \$200. This advertising, however, was of a type which could not be bought with money.

Satisfactory progress has been made during the month on the several projects in which the Chamber has concerned itself, notably the gin, brick plant, and similar enterprises, and

positive developments should be ready to be announced some time in April. In addition, your manager is working on a number of projects for obtaining publicity for Canyon which should bear fruit before June 1.

### Umbarger Notes

Clem Friemel took a car load of hogs to Fort Worth last week.

We did not have much March wind until last Friday. The wind was strong from the west. Some wheat fields blew out, and much property was damaged.

Miss Marie Jensen is here to visit her brother and friends who live here.

The hole in L. Wick's pasture was completed last Tuesday. The lake was drained and the road will again be passable as soon as it dries off. The hole is now 70 feet deep.

Mr. B. Hess spent Sunday with Mrs. Hugo Skarke.

The small grains that have been sown are now coming up nicely.

A little snow fell Sunday evening.

The old ship Discovery, which carried Captain Scott on the expedition which ended in his reaching the South Pole, is now being fitted for an expedition into the Far South to investigate means to save the whaling industry, which is being threatened by extermination of the whales east of the Falkland Islands and South Hebrides.

To prevent repeating in voting in San Juan, Porto Rico, each voter is given back of the right ear and is required to stick his finger in a pot of indelible ink. Formerly the voter was treated with indelible ink alone but an enterprising voter obtained a quantity of ink eradicator which he distributed to others.

The world's largest ball, measuring seven feet in diameter, is being pushed northwest from Chicago to the seaboard, south on the coast, across the continent and then back to Chicago to advertise and arouse interest in the citizens' military training camps. Army officials have said that the idea is to have the ball pushed along the route by students and their friends. It is expected that eighteen months will be required for the trip.

## Smart Apparel For Easter

Not in years have we been able to assemble such a wonderful assortment of Coats, Wraps, Suits, Dresses and Millinery.

Every New and Colorful Style is here ready for your choosing. It's none too early to select your Easter costume.

You'll find at The Regent at this season not only a wide variety of styles, but that reasonable prices prevail throughout the store.

**THE PASSING DAY**

By Will H. Mayes, Department of Journalism, University of Texas.

By far the most important and significant undertaking that is now under consideration in Texas is the proposition to hold a monster Texas Centennial celebration within the next few years to appropriately celebrate the first one hundred years of Texas progress and development. Unquestionably Texas has a history that appeals to the pride of every patriotic citizen and that, when properly understood, makes everyone glad to share even in a remote degree the glorious heritage received by us from our forefathers, but it is not so much the victories of battlefields that we would celebrate; the greatest achievements of Texas have been those victories of peace and of progress that have made ours the richest State of the Union, a development achieved in the short period of a century. It is now proposed to show first to Texans and then to the entire world the beginnings and the progress of Texas history and development in such a way that every one may be properly impressed with the greatness and resourcefulness of the State.

In spite of the magnitude of this proposal for a proper Texas celebration, it is surprising that so little interest has yet been shown in the efforts being made to secure a committee or commission with a vision big enough to make the Centennial what it should be. We are so busily engaged in our personal affairs and in petty politics that we are likely even to forget that on April 12th conventions will be held in every county in the State to select delegates to senatorial district conventions that in turn will be expected to select the commissioners from these districts to handle this great event. The exposition proposed, if it does justice to Texas, must be on a grand scale, equalling in extent any World exposition ever held, and if this is done the ablest citizens of the State must be enlisted. Brains and executive ability must be commandeered for this purpose, and every Texan should be interested in securing the best.

If one may judge from newspaper reports the practice of influence has become a great profession in this country, of such magnitude to threaten our governmental system. Lawyers especially have flocked to Washington in recent years and have thrived, not so much because of their legal talent as because of their ability to influence government officials. One of the favorite fields of the "influence" is in securing the refund of Federal taxes. In 1923, 263,320 persons secured refunds from the treasury amounting to \$123,962,820.40 on claims of excessive taxation, according to a report made by the House Ways and Means Committee. The largest refund, amounting to \$9,368,548.00 was made to Whitney Payne and associates. Of course, no one would charge that the treasury is unduly influenced in making these refunds, but parties having such claims naturally prefer to have them presented by persons of recognized influence.

Mail order business is growing in this country at a tremendous rate, and especially are the small towns suffering from the encroachment of this kind of trade. The mail order houses send out attractive catalogues, quote close prices, and keep the buying public constantly reminded that they can buy through the mails as satisfactorily as in the stores. The greatest efforts are made to secure the business of those places where the merchants do the least advertising, and the richest returns are reaped from such communities.

The mail order business would die in a few months if the mail order firms were not persistent in keeping their business and their prices before prospective buyers. They know that perpetual vigilance is needed to build and hold trade. They spend money as freely for advertising as for rent or clerk hire, and would no more try to do business without it than they would to run their places without capital or help. Local merchants who advertise liberally, persistently and in-

**Pepsinated Calomel Is Better than the Old-Time Sickening Kind**

It is gentle, imported English Calomel, combined with Pepsin and other helpful ingredients. It is mild but certain, causing no harshness or unpleasantness and will absolutely relieve indigestion, biliousness, bad colds, constipation and sick headaches. And best of all it does it at once—quickly and pleasantly. Take one small tablet at bed-time and you will get up hungry and feeling fine. Recommended by Jarrett Drug Company

telligently have no reason to fear the mail order concerns. Those who do not, have only themselves to blame when the mail order people get the business and the profits that should stay at home.

The members of a church at McCoy, near Floydada, have rented 75 acres of land and are going to plant and cultivate it in cotton co-operatively, the money to be used to build a church. The plan should succeed, and it goes to show that where there is community effort and hearty co-operation almost anything can be accomplished. Any town, any community can do almost anything it really wants to do. All that is needed is an all-together pull.

Many counties in Texas are erecting hospitals at public expense. The churches everywhere are turning their attention more and more to the care of the sick. Soon Texas will be or should be pretty well supplied with hospital facilities easily accessible to people of both the cities and the country. There is a feeling, that hospital fees and charges are too high for people of moderate means. The rich need give but little attention to the cost of hospital services, for whatever the charges, they can afford to pay them. The extremely poor, if not too proud to accept a gratuity, are exempt from any charges. Many, though, prefer to suffer rather than accept a charity. The family of moderate income is often too poor to pay large medical and hospital fees and consequently is not privileged to have hospital attention and service. If the public is to be taxed to build and sustain hospitals, and if the churches are doing the same thing as a proper work of religion, the fees should be such that the largest number of people may be able to avail themselves of hospital service. Of course private hospitals may charge whatever fees the business will stand, but public and institutional hospitals should not be operated for profit.

A San Angelo news report tells of an actress who came there to see her sick four-year old boy, arranged for his funeral, kissed him good bye, and went to join her company and fill her engagement. There was something in the news report of commendation for the actress' action in tearing herself away from her dying boy in response to her business obligation. I am old-fashioned enough to feel that her highest duty was to the suffering child. Perhaps she could have done nothing to alleviate his pain or to stay death, but it is a strange conception of motherhood that would separate any mother from her own child at such a time, even though to stay with him might mean the sacrifice of a life work.

The Grapeland Messenger carries these words under the masthead: "An ad in the Messenger is worth two on the fence." That may have been all right in years gone by, but in this day of rapid transit by train and auto, an ad in a newspaper is worth twenty on the fence or on the bill board. People passing swiftly along a road get but a fleeting glimpse of the road signs, and as half of them are of firms long out of business, a sign has to be fresh, attractive and expensive to get as much notice as the mile-posts along the way.

Appointment and promotion of teachers in New Zealand are based on a Dominion grade list of teachers, the best qualified—individual securing appointment in any part of the Dominion irrespective of the district in which he or she was previously employed.

Approximately 40,000 children received milk at the mid-morning recess in 47 cities and 41 villages of New York during 1923.

**Changes are Made in Football Rules at New York Meet**

New York, March 22.—Abolition of all mud or artificial kicking tees and advancement of the kick-off from the forty yard line to the center of the field were among changes in the grid-iron playing code adopted today by the National Interscholastic football rules committee.

Other changes included increased penalty for excess time out and a decision to place the ball on the three yard line instead of the five for the try for point after touchdown.

Despite a recommendation by the coaches' association that the rule against the flying tackle be abolished on ground that it is admittedly seldom enforced, the committee after a lengthy debate, declared not to do so.

The elimination of all kicking tees was adopted to place a greater premium on this feature while the advancement of the kickoff from the forty yard line to the center of the field was described as a natural consequence of the former rule.

"Heeling" the ground to make a groove for the ball on the kickoff or place kick will be permitted under the new rule.

In an endeavor to discourage delays the rule permitting three "time outs" during a half, with two yard penalties for each in excess was changed so that a team will be allowed four "time outs" with a five yard penalty for each period over that number.

The rule to guard against interference with the forward pass by an ineligible player on the offending team was clarified to read: If an ineligible man on the attacking team touches a forward pass, in an endeavor to keep it from being intercepted but it is recovered by the defense before it touches the ground, the player catching the ball may run with it and retain whatever ground he may have gained instead of claiming the penalty for interference by ineligible player.

**MAIZE SHIPPED TO TURKEY FOR EXPERIMENT**

Floydada Hesperian: A consignment of maize seed, consisting of several hundred pounds left Floydada the first of this week for Philadelphia, Pa., and from that point will be re-consigned to a point in Turkey, where it will be tried out in that climate on an experimental farm.

J. M. Massie, of this city, made the shipment, which goes to Edgar B. Howard, one of the Howard Brothers, who are owners of the Howard lands in Floyd, Briscoe, Hall and Motley Counties. Mr. Howard is interested in a commercial enterprise in Turkey where the experiment with maize culture will be made.

Attack on the Oregon law requiring attendance at public schools has been made in the form of an application for injunction brought by Hill Military Academy, of Portland, against Oregon State officers to prevent them from executing the law. The application was argued in the Federal court at Portland, and decision was taken under advisement. The law is scheduled to become effective September 1, 1926.

### Entertainment to Be Given Thursday For Hall Benefit

Aspirin won't cure spring fever! But there is a real remedy for the disease that is available for every sufferer who lives within a twenty-five mile radius of the college; indeed, very serious cases may come from a still greater distance with perfect assurance of a cure. This powerful panacea isn't Tanlac; it isn't a habit-forming drug; it is the tonic of a ripping good time at the Festival Box Supper to be given by the Ex-Students Association of Randall County Thursday night, the proceeds to go to the Mary E. Hudspeth Hall fund.

A special feature of this occasion is to be a beauty contest, with votes at one cent each. The literary societies and other organizations of the college and of the town are planning to enter candidates in the race. It is whispered about by the folks who are always up on the latest gossip that a contestant from out-of-town is to be entered and that her good looks are practically unbeatable.

The Expression Department will give a one-act play, "The Case of Mrs. Kantsey Know," with an all-star cast. Most important of all, is a genuine old-fashioned box supper. Mr. D. A. Shirley and Mr. R. A. Terrill will sell the boxes at auction, while Mr. Travis Shaw acts as cashier. Dr. C. A. Pierle and Mr. T. V. Reeves are also "in" it, but just what they plan to do is as mysterious a secret as has ever been kept.

All college and high school students, and towns people, are invited to come for a truly enjoyable affair. Boys may bring their girls, and girls may bring their beaux, and all are urged to buy or bring boxes.

o'clock by the Y. P. M. S. of the Methodist church at the home of Mr. and Mrs. Tom Bandy. The evening was spent in playing amusing April Fool jokes and games. Refreshments of cookies and hot tea were served to about forty guests. At a late hour the guests departed for home, each expressing an enjoyable evening.

Mr. and Mrs. W. T. Townsend and children spent Saturday night and Sunday with relatives in Tulla.

Mrs. Ruth Grounds spent the week end at the C. L. Grounds home west of town.

Mr. and Mrs. J. E. Toles and little daughter Charlotte spent Sunday at the J. I. Penrod home in Canyon.

**In Memory of Mrs. H. James**  
On Wednesday night, March 26, at 2:00 a. m., the death angel visited our little city and claimed for his own one of our most beloved friends, Mrs. Tennie James, wife of H. James. She had been in failing health for several years. Besides her husband, she leaves one daughter, three sons, and a host of friends and relatives to mourn her death. To know her was to love her. After a long and suffering illness, God saw fit to take her from this world of care, but we must live to meet her in those mansions fair.

Death will call on us some day and may it only be said we passed away with as willing a heart as she whom we are grieving as dead. We shall miss her sadly, miss her, for empty is her chair. We look into her silent room but no she is not there, 'tis very hard to give her up, our dear departed friend. How hard it is for us to say, "Thy Will, Oh God, be done." 'Tis sweet to know she is at rest and Heaven is her resting place. How very happy we shall be when we meet her face to face. We looked on her pale sweet marble brow as she lay, so still, so white and cold and thought may we live such a life as she had. That when we are called to go we will meet her in heaven free from sorrow, sin and woe.

When at last the long journey is o're  
May we clasp hands on the other shore

### WRIGLEY'S After Every Meal

It's the longest-lasting confection you can buy—and it's a help to digestion and a cleanser for the mouth and teeth.

### BILL BOOSTER SAYS

"GOLLY, THERE'S NO PLACE LIKE HOME, BUT A FELLER HAS TO SPEND A FEW DAYS IN A BIG, DIRTY NOISEY CITY TO APPRECIATE IT! THIS CITY STUFF MAY BE O.K. FOR MILLIONAIRES, BUT GIVE ME A PEACEFUL FRIENDLY TOWN LIKE THIS, SEZ I!"

All our dear friends there we'll see  
Then what a glad meeting there'll be  
So happy to know that heaven is gained  
A reward for our sorrow, trials and pains,  
So happy to leave this sad world of sin  
The bright gates of heaven to enter in.  
—A FRIEND.

A factory on the bleak northwest coast of Australia will convert into soup and other table delicacies the thousands of turtles that swarm the beaches there.

## How Mothers Friend aids Expectant Mothers at Child-birth

THERE are thousands of expectant mothers who undergo much useless suffering for months before, as well as at the moment when delivery occurs. These months of suffering, with nerves and vital organs weakened, leave their effect upon the child. An eminent physician found the way to stop much of this unnecessary suffering—the same easy way which thousands of mothers have used for three generations.

Mrs. Walter S. Hadley, Bridgeport, Ind., says: "Before my little boy came I was so paralyzed in my hips and limbs I could hardly walk, and some days after a little extra exertion I couldn't walk a step. I felt it coming on this time; in fact, I could hardly get up when I sat down, but now, after using one bottle of Mother's Friend, I am so much better. I feel that I almost owe my life to Mother's Friend."

Mrs. C. J. Hartman, Scranton, Pa., says: "With my first two children I had a doctor and a nurse, and then they had to use instruments, but with my last two children I used Mother's Friend and had only a nurse; we had no time to get a doctor, because I wasn't very sick—only about ten or fifteen minutes."

"Mother's Friend" contains no narcotics or harmful drugs. It is safe. For three generations "Mother's Friend" has relieved expectant mothers of much useless suffering. Mother! you must avoid more greases and useless substitutes. Begin using "Mother's Friend" today. It is sold at drug stores—everywhere.

### FREE BOOKLET ON MOTHERHOOD

Don't let false modesty keep you from this duty to yourself, to your child and to your home. By all means, you should have our valuable illustrated book, sent free. Send for your copy now to Bradford Regulator Co., EA-71, Atlanta, Ga. Get "Mother's Friend" from your druggist today.

### TRACK TEAM IS TRAINING HARD

TEAM GOES TO ROSWELL FOR MEET SATURDAY WEEK.

Buffaloes Track Team is Strongest in the History of the Teachers College.

With only two weeks left until the meet at Roswell, Coach Burton is fast rounding his cinder men into shape, and prospects are bright for the Buffaloes carrying off a fair quota of the day's honors.

The meet at Roswell on April 12 will be a triangular affair between New Mexico Military Institute, New Mexico A. & M., and the Buffaloes. So far, nothing is known of the strength of the other teams, but it is certain that both will put strong teams in the field. Coach Burton will take the strongest track team in the history of the school to the meet. There are fifteen men working out daily and every man looks good.

In the track events, Jo Bob Golden, Roy Golden, Davis Hill, Virgil Head, Foye Terry, Gordon Butler, Finis Vaughn, Roger Pearson, Lem Sone, and Ray Bivins are showing up well. Hill and Terry are doing good in the hurdles, both high and low. In the dashes, both Golden, Terry, Vaughn, Pearson, Sone and Bivins are working in fine shape. Roy Golden, Head, Butler, and Bivins are the distance men and are showing up fairly well.

In the field events, Mitchell and Fuller are vaulting eleven feet easily, and will be hard to beat. Davis Hill and Fuller are going good in the high jump, leaving the sod for about five feet and nine inches. Ed Gerald and Joe Bob Golden are working on the broad jump and are making good progress. Boatright, Bivins, and Jennings are throwing the javelin exceeding well. In the weights, the Goodwin twins, Roy Golden, and Bivins are showing real stuff.

It looks like a big day for the Buffaloes at Roswell.

Five hundred small farms were auctioned off recently in Arkansas at a Federal receiver's sale to satisfy tax assessments levied against the land for the construction of highways.

Airships equipped with skis instead of wheels for taking off and landing on the snow are seen in the mountain districts of Switzerland.

A New York church is being built in the form of a skyscraper. The intention is, of course, finally to close the gap between America and heaven—Punch (London).

#### NOTICE OF ELECTION.

Notice is hereby given to the voters of the Canyon City Independent School District that the annual election of school trustees will be held on the first Saturday of April, 1924, the same being the fifth day of said month. Four trustees shall be elected in this election, taking the places now held by G. G. Foster, A. N. Burgan, T. V. Slack and F. E. Savage. S. V. Wirt is hereby appointed to hold said election. By order of the School Trustees, C. W. WARWICK, Secretary

#### AMARILLO MAN NAMED JUNIOR-NAVAL HEAD

Governor Neff has appointed Ernest O. Thompson of Amarillo, as State commandant of the United States Junior Naval Reserve for Texas. The appointment was made upon invitation of Edward A. Oldham, executive director of the Junior Naval Reserve, headquarters in New York City. The Governor also has been requested to appoint some citizen as national councilman from Texas.

One of the principal purposes of the Junior Naval Reserve, which is not to be confused with the Boy Scouts, is to place the American flag on every American factory and in every home. American boys above the age of 14 are eligible to membership.

Bicycling is the most popular form of locomotion in France. Recent tax returns show that there are more than five million bicycles in the country—many more than there were in any earlier year.

Fort Cralo, where the British Army surgeon, R. Schukbury, wrote "Yankee Doodle" to poke fun at the American colonists, the old historical fort at Rensselaer, New York, may be preserved as a Revolutionary relic. It was built in 1642.

### Tennis Contest

To Be Finished Next Wednesday

Because of the severe sand storm Friday and Saturday the local tennis tournament was not finished as scheduled. However, class eliminations were practically completed last week. Inter-class places will be determined early this week. Selection of teams to represent the college in intercollegiate meets will have been completed by Thursday—if there is no further interference on the part of the weather.

Hard fighting and high class sportsmanship among the players denote an increased interest in tennis as a major sport in local college athletics. The Freshman class will be represented by Jennings in singles; Jennings and Delaney in doubles. McClure and M. Jenkins will fight to maintain the Sophomore ideals in doubles; M. Jenkins in singles. The Junior class will be led by Herm and Haley in doubles and by either Herm or H. O. Smith in singles.

Joe Lancaster will represent the Seniors in singles, and be with Frank Hill in doubles.

From the number of strong men on the list the finals promise to be hotly contested. Class rivalry is running high.

We are advised that in China the people work from twelve to eighteen hours a day. At least we can understand how Mah Jongg became to be considered a game.—Kansas Legionnaire (Wichita).

(Continued from page one)  
10. Shot put.  
11. 220 yards dash.  
12. 880 yards run.  
13. 1-mile run.  
The above events will begin promptly at 1:30 p. m. It will be noted that the order of events is that prescribed by the constitution and rules, except that the field events alternate with the track contests. This is done to enable the contestants to rest between the most strenuous events. Two or more contests will be conducted at the same time, and it is hoped that all events will be finished by 4:30 p. m.  
Finals in Boys' Debate, College Auditorium, 7:30 p. m.  
Finals in Senior Declamations, all classes, 8:30 p. m.  
Announcements of winners in all contests and presentation of cups and medals.  
Music by the College Orchestra.

**Board and Room**

Prof. T. M. Moore is chairman of the Committee on Boarding Places. He will maintain an office in the front hall of the College building and will have a list of places to recommend. It is hoped that many people in Canyon will open their homes to the visiting boys and girls from the schools of the Panhandle. We recommend that bed and breakfast be furnished in such homes for \$1.00 per person per night, and that the visitors can secure meals in the restaurants and boarding houses at regular prices.  
Mrs. Delaney and a committee of Young Women's Christian Association girls will serve as an information bureau. They will be glad to answer all questions and direct the visitors to the different contests.  
Contestants should arrive in Canyon as early as possible Friday morning in order to register and pay fees before the general assembly at 11:00 o'clock. There will be no Music Memory Contest this year.  
General admission will be 25c to each

event, or a season ticket may be bought for 50c which will admit the holder to any and all events.  
The District Officers are:  
W. E. Lockhart, Director General.  
D. A. Shirley, Director of Athletics.  
F. E. Savage, Director of Declamations.

Miss Mary Morgan Brown, Director of Debates.  
Miss Jennie C. Ritchie, Director of Essay Writing.

**JUDGING CONTEST STARTS AT THE COLLEGE FRIDAY**

(Continued from page one)  
**Saturday Morning, 9:30 O'clock**  
Marketing Cotton—Judge L. Gough, Amarillo.  
Dairy Cattle—H. A. Ferguson, Amarillo.  
Poultry—Dr. W. H. Duke, Amarillo.  
**Saturday, 2:00 O'clock p. m.**  
Cotton for Randall County—Harmon Benton, Amarillo.  
Report of Cotton Seed Testing—J. W. Jennings, Canyon.  
Marketing—M. D. Ramsey, President Grain Sorghum Growers, Amarillo.  
**Saturday Night Meeting**  
How I Placed the Hogs and Why—S. C. Evans.  
How I Placed the Dairy Cattle and Why—J. B. Edmonds.

**WILL DISCUSS POLITICS.**

A political meeting will soon be held in Canyon for the purpose of discussing the issues of the day. Representative Lee Satterwhite and Senator J. W. Reid will be the speakers on this occasion. It was planned to have this meeting during this month, but owing to so many things happening in Canyon during April the meeting will probably be held later.  
Practically all of the ten candidates for governor have written indicating their intention of coming to Canyon during the campaign.

**MAKING COLLEGE BUDGET.**

President J. A. Hill has been called upon by the State Board of Control to furnish that board the budget for the College for the two years, commencing with September 1st, 1925. The budget must be completed by the middle of May.  
The Board of Control will make recommendations to the legislature when it meets in January.

**BAPTIST SERVICES**

10 a. m. Sunday School, John S. Humphreys, Supt.  
11 a. m. Sermon, "How to Overcome Trouble and Financial Reverse," 2 p. m. Sunbeam Band.  
6:45 p. m. B. Y. P. U.  
7:45 p. m. Sermon, "The Peril of Instability in Religion."  
A welcome is extended to all.

A new feature of the meeting of the department of superintendence at Chicago was a series of radio talks by educational leaders. The talks were broadcast by one of the daily papers of Chicago.

About 1,000 additional certified teachers are required in New Zealand schools, and the Education Department proposes to bring a number of teachers who are now out of employment in England and Scotland to fill positions in the country schools.

Pupils of foreign stock in the New Haven (Conn.) public schools number 22,631 out of a total enrollment of 31,131, according to an official chart dated December, 1923. In all, 48 children of American stock there are nationalities are represented. With 9,131 11,518 of Italian stock.

**Four Members Board of School Trustees to be Elected April 5th**

The election of trustees for the Canyon Independent School District will on Saturday of this week, at which time there will be four trustees elected.

A ticket has been submitted of three trustees for re-election and one new man—T. V. Slack, A. N. Burgan, F. E. Savage and Burt Newlin. The first three are now members of the board of trustees.

Mr. Slack and Mr. Burgan are serving their first term in this office. They were elected at the time of the consolidation of the two common school districts with the independent district, and have been very valuable members of the board. Mr. Savage has been a member of the board since last September when R. P. Jarrett resigned. Mr. Savage has been very valuable to the board on account of his knowledge of teachers who are seeking places in the schools. Mr. Newlin has never served in a public office. He has been a member of the Thompson Hardware Company force for several years and is one of the progressive young business men of the city. He can be a very valuable member of the board of trustees.

No other suggestions have been made for members of the board of trustees.

**PARENT TEACHERS MEET**

The Parent Teachers Association will meet Friday afternoon at 3:15 o'clock.  
Devotional—Mrs. Harvey Cash.  
Leader—Mrs. Robert Graves.  
Music.  
Your Child's Property Rights—Miss Vivian Coffman.  
Reading: "Can't, Won't and Try"—Virginia Leatherman.  
Business Session.  
All members of the Association are urged to be present, this being the time to elect officers for the coming year.

**NO COUNTY MEET TO BE HELD**

Saturday will be the date for the county meets in District No. 1 to send representatives to the district meet next week. There will be no county meet in this county owing to the fact that Canyon high is the only school in the county which will have representatives in the district meet.

**HOG CHOLERA AT PLAINVIEW.**

Hog raisers are warned that cholera has been found in two herds at Plainview. Every possible attempt is being made to keep the disease from spreading. Cholera is almost unknown on the Plains, but four or five years ago there was an epidemic which cost the swine breeder's thousands of dollars.

**MAH-JONGG SPECIALS AT RANDALL'S DRUG COMPANY.**

At last you can get a nice Mah-Jongg set at a reasonable price. Randall's Drug Co., 422 Taylor St., Amarillo, is offering a special set for \$3.50, drop front box, with removable trays. Double green stamps given on purchases every day.

Health Hint to Motorists: A lightning bug is about the only one that can get along with just a tail light.

**Burglars Rob Farm Homes**

Newspapers every few days record victims of the bandits who tour the agricultural districts and rob farm homes.

It is a dangerous practice for a farmer to keep money secreted anywhere about the farm because these desperadoes find it even if they have to torture their victims into telling where it is.

Keep your money deposited in this strong bank and pay your bills by check. This is the safe and sensible method. Deposit your money NOW. You may be the next victim.
