

SPRING FESTIVAL AT COLLEGE IS VERY ENJOYABLE

FOUR PROGRAMS ARE HIGHLY PLEASING.

Dean Butler as "Elijah" a Prominent Feature—Little Symphony Orchestra Pleases.

The Annual Spring Festival of the College came to a close Saturday night with a splendid program by the Chicago Little Symphony Orchestra under the direction of Ramon B. Girvin.

From the opening program on Thursday night until the final number of the orchestra's program Saturday night, the musical festival was highly pleasing to the large audience which attended all programs.

Dean and Mrs. Harold L. Butler of Syracuse University gave a very pleasing program Thursday night.

Mr. Butler is no stranger to Canyon audiences, and his splendid recital of last summer brought out a large crowd on Thursday night to hear him once more.

Mrs. Butler proved to be as interesting and attractive reader as Dean Butler is a baritone soloist.

The Elijah was presented Friday night to a large and appreciative audience. The College chorus and orchestra under the capable direction of Wallace R. Clark presented this great work as their contribution to the work of the music department for the year.

Dean Butler sang wonderfully the part of Elijah, while the other three solo parts were taken equally as effectively by Miss Ada Clark, soprano, Mrs. C. A. Pierle, alto, and J. J. Powell, tenor.

The coming of the Little Symphony Orchestra was the first appearance of a like organization in Canyon. The orchestra was true to its reputation, and the two programs were especially high class and greatly enjoyed by the big audience.

The Festival this year was the largest ever attempted in Canyon. Its success will warrant plans for a larger production next year.

DECORATIONS PRAISED.

The system of decorating Canyon by the use of flags in front of the business houses is being highly praised by visitors to the city. The decorations are easily and quickly put out, and the streets are very attractive when lined with flags.

The effectiveness of the decorations would be greatly increased by inducing residents on Fourth and Fifth Avenues to buy flags the same as the business houses have on the square.

SEVERAL LOCAL SHOWERS.

There have been several local showers over the county the past week, but not sufficient rain to do much good.

The ground needs a little rain to put the top in good working condition, but only showers are needed owing to the fine deep moisture.

Farm work is going on rapidly, and the grain crops that are planted are doing exceptionally fine.

WINS WITH SHORT STORY.

Mrs. T. V. Reeves won second place in the Short Story contest at the meeting of the Panhandle Pen Women's Club held in Amarillo last week.

Mrs. Reeves, Miss Moss Richardson and Mrs. J. A. Hill attended the meetings.

Mrs. Reeves is head of the Public Service Bureau of the College.

BUILDING PHOTO GALLERY.

W. H. Younger is building a new business house west of the one he sold recently for a grocery store, and a photo establishment will be located there.

College Band Will Go to Brownwood With Amarillo Delegation

The College band will go with the Amarillo delegation to the meeting of the West Texas Chamber of Commerce at Brownwood May 12, 13, 14, leaving on the 11th on a special train.

The Amarillo delegation invites those from Canyon who wish to make the trip to Brownwood to join the special train which leaves here on the morning of the 11th. The cost of the railroad and pullman fare, and use of the pullman while in Brownwood will be \$32.50. Eats for the trip will be extra.

Those wishing to make the trip on this train should see Louis F. Hart at once.

The train will stop at several places enroute where the band will give concerts.

County Committee Is Named for Highway Amendment Election

Ernest Albright was in the city Tuesday organizing forces in the interest of the highway constitutional amendment to be voted upon next year.

Mr. Albright spoke at the College in the morning and at the high school in the afternoon.

Only a few gathered at the court house in the afternoon when a county organization was perfected with the following officers:

J. A. Guthrie—Chairman.
J. W. Reid—Vice Chairman.
Louis F. Hart—Secretary.

Mr. Albright states that Randall county's assessment is \$200 to pay for the big educational campaign that will be put on in the interest of this highway amendment.

Texas will lose all federal aid on highway construction after 1926 unless this amendment is carried. Texas and Alabama are the only states in the union which have not met the federal requirements of this amendment. Alabama lost federal aid this year.

Mr. Albright is a candidate for congress against Thos. Blanton and left yesterday for Abilene to open his campaign.

Second Troop of Boy Scouts Organized by Local Scoutmasters

A second troop of scouts is being organized in Canyon by Scoutmasters Irby Carruth and Emmett Hazlewood.

Troop No. 1 is under the direction of Mr. Carruth, while the new Troop will be under the direction of Mr. Hazlewood.

Troop No. One now has thirty-two members, and sixteen had been enlisted in Troop No. Two up to yesterday.

A meeting of all Scouts will be held tonight, at which time Leroy White and T. H. Nelson will speak to the Scouts, and arrangements will be made to start the drive for the fund of \$600 which has been under discussion.

The committee in charge of this \$600 fund is composed of D. A. Shirley, W. J. Flesher, W. J. Wooten, J. W. Reid and Irby Carruth.

Arrangements have been made for a permanent camp ground for the Scouts on the Durham place northwest of the city. The Scouts will spend many week-ends on this place.

Bush Here Working in Interest of Highway from City to Amarillo

James Bush of Amarillo was in the city Monday afternoon discussing with a number of business men the possibilities of a paved highway between Canyon and Amarillo.

A committee has been appointed in Amarillo and President T. C. Thompson is asked to appoint one from Canyon to have this matter in hand.

Mr. Bush stated that his committee realized that the time was not ripe for this paved road project, but he wanted the towns to be ready to start action when the time was deemed advisable.

Mr. Thompson will soon name the committee from Canyon.

PRECINCT CONVENTION CALLED

To the Democratic Voters of Precinct No. One, Randall County:

A convention of the Democratic voters of said precinct is hereby called to meet at the court house in Canyon at two o'clock, Saturday, May 3, 1924, for the purpose of electing delegates to the County Democratic convention which is to meet on Tuesday, May 6th, 1924.

C. D. LESTER, Chairman Dem. Ex. Com. Prec. No. 1.

TO HAVE NEW SCHOOL HOUSE.

The Keenan school district east of Canyon was divided by the county board of trustees, and a new district created. The old district will retain its number, 14, while the new district, which is composed of the south half of the district is given No. 24.

CLASS VISITS THE NEWS.

R. A. Terrill brought eight members of his printing class in the College to the News office yesterday afternoon where on hour was spent in inspecting the various machines.

FROST DID NOT HURT.

The frost of last Wednesday night did not hurt the fruit as much as was expected. The old adage about frost in the light of the moon seems to have worked again.

BUFFALOES BREAK EVEN IN BASEBALL SCHEDULE—McMURRY COLLEGE HERE FOR GAMES TODAY AND FRIDAY P. M.

The Buffaloes are now fifty-fifty on the games won and lost for the season. McMurry spring a surprise by taking the game yesterday at Buffalo Park by a score of 8 to 6.

The Buffaloes won two games from McMurry at Abilene on Monday and Tuesday of last week and lost to A. C. C. Wednesday.

The Buffaloes won from A. C. C. on Thursday afternoon.

The games went to Simmons on Friday and Saturday. Simmons had the benefit of nearly two months' more practice than the Buffaloes, owing to the late spring and bad weather on the Plains.

Tulsa Independents were defeated by the Buffaloes Tuesday afternoon at Buffalo Park by a score of 5 to 2.

McMurry will play the Buffaloes today at 4:00 o'clock and again tomorrow at Buffalo Park at the same time. The big intercollegiate track and field meet will be held Saturday afternoon.

SETTING OUT NEW TREES.

The county is having about sixty trees set out on the court house lawn to replace the trees that were cut down which had been destroyed by the bores. D. N. Redburn is making the plans for setting out the trees.

MANY ATTEND FESTIVAL.

A large number of Canyon people are attending the Spring Festival held in Amarillo this week. More than fifty season tickets were sold to Canyon people, while many are going for just one or two performances.

TEACHING THE OLD THE SHOOT.

Teaching the young idea how to shoot may be somewhat of a job, but Captain Henry Gamble will probably have a bigger one in teaching the old head how to shoot on the new rifle range.

Hale is Building New Pleasure Park on Baird Place North of City

Wm Hale has leased fifteen acres of the W. C. Baird place adjoining is establishing a new pleasure park on the creek.

A new dam was started yesterday. The swimming pool will be one of the largest in this section. Camp shacks will be built, and a commissary established. A light line will be run from the city in order that the grounds may be thoroughly lighted.

SWEETWATER MAN PLANS NEW HISTORICAL SOCIETY

The secretary of the Panhandle-Plains Historical Society has received inquiries from R. C. Crane, Sweetwater, Texas, asking for the constitution of the society and other information.

Mr. Crane is one of a group of men who hope to organize a historical society in the Sweetwater-Abilene region. The purpose of the new body will be to save historical material for that region as the Panhandle-Plains Historical Society is doing for this region.

The Panhandle-Plains Historical Society is three years old and has museum materials worth more than \$5,000, and manuscripts that cannot be valued.

T. F. Turner of Amarillo is president, and Mrs. T. V. Reeves of Canyon is secretary. Miss Tennessee Malone of Canyon is custodian.

Dr. Pierle Still Investigating Tooth Stains

It is to be deeply regretted that lack of co-operation on the part of the student body prevented Dr. Pierle and the local Dental Association from making a thorough investigation of tooth stains.

Of the six hundred students who received blanks to fill out at the chapel exercise only three hundred and forty five were handed in. A few of these students were requested to appear for a free examination of their teeth but only fifty per cent responded.

The data thus far obtained, though incomplete, reveals some very important facts. The examinations show that tooth stains may be classified into three groups, brown, chalk white, and mottled; that forty five per cent of the students examined were affected; and that Floyd and Potter counties ranked highest in percentage of tooth stains.

As the information is incomplete Dr. Pierle is unable at present to arrive at definite conclusions concerning the cause and remedy of the disease, although he believes that shallow water in some localities is greatly responsible.

Perhaps the student body was not adequately impressed with the seriousness of the investigation, or perhaps shyness prevented their giving full information, anyhow, there are yet many hidden facts about tooth stains that are of vital importance to this section of the country. Reports from reliable sources point to the fact that many families have moved away from this country and others have refused to come here because of this menace. The seriousness of the problem cannot be over emphasized.

Dr. Pierle and his co-workers deserve hearty congratulations for what they have done in this matter, and should they at any time in the future call upon the student body for co-operation it is hoped that a more satisfactory response will be given.

RE-BUILDING HIGHWAY.

The highway between Canyon and Amarillo is being rebuilt and placed in first class condition following the hard usage it received last fall and winter during the continued rains.

The state highway department is paying the county to do this work.

MARRIAGE LICENSES.

A marriage license was issued Saturday to Truman McCollum and Miss Cecil McElroy.

Band Gives Concert Saturday Night at the High School Building

The College Band will give a concert at the high school auditorium Saturday night for the benefit of the stage scenery fund.

The Band will give one of its popular programs which have so greatly pleased the people of several Panhandle towns.

Supt. Payne states that the banquet which was planned for May 1st has been postponed until a later date owing to so many conflicts at this time. The public schools will close May 16.

COLLEGE INVITATION MEET WILL BRING STRONG TRACK AND FIELD TEAMS HERE SATURDAY—COLLEGE HAS GOOD TEAM

Civilian Rifle Club Elects Officers for the Coming Year

Members of the Civilian Rifle Club met at W. J. Flesher's office Wednesday night and elected the following officers:

G. A. Farlow—President.
Hud Prichard—Vice President.
W. J. Flesher—Secretary.
Lee Foster—Treasurer.
Grady Oldham—Executive officer.

There are now fifty members of the Rifle Club, and it was decided to take in as many as 65 members.

The annual dues were set at \$1.00. The specification and lease for the range were sent to the commanding officer at Fort Sam Houston last week, and it is expected that they will be approved and returned by the end of this week.

Equipment will be shipped as soon as the equipment is received, which includes indoor as well as outdoor arms and ammunition.

Paving on Third and Sixth Avenues Being Considered by Citizens

Since the paving program for Fifth Avenue is under way, there is a movement on for paving on both Third and Sixth Avenues.

The citizens on 22nd street are also contemplating paving this street between Fourth and Fifth Avenue.

Harry Mathes is going back to Lubbock as soon as all the curbing is in as there is not sufficient brick on the ground to start this part of the paving. Mayor C. N. Harrison is after the brick company trying to speed up the shipment of brick. The big roller for the paving will be brought from Amarillo, and it is therefore not advisable to bring this machine and lay a little pavement without being assured that brick will come fast enough to keep the job going.

Special Train Leaves Tuesday With Panhandle Contestants

A special train will leave next Tuesday for Austin bearing the Panhandle contestants in the Interscholastic League meet which will be held at the University commencing on May 1st.

D. A. Shirley, A. D. Payne and Miss Laura V. Hamner of Amarillo will accompany the contestants to Austin this year and look after them while they are at the University.

THREE INJURED IN CAR WRECK.

Saturday evening as Mr. and Mrs. F. K. Williams and Mr. Dalley were returning from Amarillo their car turned over about seven miles from Canyon. Mrs. Williams was hurt more than the other two, having her right arm broken and her left arm cut. Mr. Williams was unconscious until just before reaching town, but no bones were broken. Mr. Dalley escaped with only a few scratches.

HARDWARE PROGRAM OUT.

The annual meeting of the Panhandle Hardware and Implement Association will be held in Amarillo May 12, 13, and 14. The program for the convention was printed this week by the News.

C. L. Thompson of this city is secretary-treasurer of the association.

PIPE LINE TO AMARILLO.

Amarillo is soon to have a pipe line from the oil field north of that city. From the number of wells being brought in and the fact that the pipe line is assured, there is no doubt of being a big oil field on the North Plains.

FLETCHER NOT GUILTY.

Lloyd Fletcher was tried Monday in county court on a charge of drunkenness while an officer of the law. Mr. Fletcher is district attorney.

The jury returned a verdict of not guilty within a few minutes after receiving the case.

PLANT A FLOWER—DON'T STEAL ONE.

BIG TRACK AND FIELD MEET HERE SATURDAY 2:00 P. M.

SEVEN COLLEGES TO TAKE PART IN MEET.

Buffalo Team is Training Hard For Contest; Hopes to Win Honors.

The Annual Great Plains Track and Field meet will be held this coming Saturday, April 26, at Buffalo Park with eight colleges participating. The Buffaloes will be hosts to McMurry College, Abilene; Clarendon College, Clarendon; Wayland College, Plainview; N. Mex. Mil. Inst., Roswell, N. M.; Panhandle A. & M., Goodwell, Okla.; Montezuma College, East Las Vegas, N. M.; Southwestern Teachers, Weatherford, Okla.

So far, nothing is known of the strength of any of the teams with the exception of New Mexico Military Institute Cadets. They succeeded in defeating the Buffaloes in a dual meet on April 12 by the score of 64-44. They will in all probability be one of the strongest teams that the Buffaloes will have to face. Southwestern Teachers College of Weatherford, Okla., won the cup last year and it is almost certain that they will bring a strong team to the meet.

From the present outlook, however, it looks as if the Buffaloes have a fair chance at the cup. Since their defeat at Roswell, the team has been undergoing some strenuous training and the weaknesses being worked out.

No definite announcement has been made as to who will enter the different events for the Buffaloes, but in all probability the line-up will be:

- 100 yd. dash—J. B. Golden, Terry, Sone.
- Discus—Goodwin Twins, Bivens, Herm.
- Mile Run—Butler, Head.
- Pole Vault—Mitchell, Fuller.
- 220 yd. dash—Terry, J. B. Golden, Sone, Vaughn.
- 16 lb. shot—Goodwin Twins, Roy Golden.
- 440 yd. dash—Vaughn, Pearson, Roy Golden.
- 220 yd. hurdles—Terry, Sone, Hill.
- High Jump—Mitchell, Hill, Fuller, Harrison.
- Half mile run—Bivens, Head, Roy Golden, Pearson.
- 120 yd. hurdles—Hill.
- Broad Jump—Mitchell, Harrison, Fuller.
- Javelin—Boatright, Jennings, Herm.
- Relay—Sone, J. B. Golden, Pearson, Roy Golden.

BAND UNIFORMS RECEIVED.

Fifteen additional uniforms for the College band were received this week, and are now in use. This makes forty uniforms for the band, and takes in most of the musicians.

The band played yesterday one program of the Panhandle Musical Festival in Amarillo.

The band will accompany the Amarillo boosters on the trip to Brownwood next month for the meeting of the West Texas Chamber of Commerce meeting. Stops will be made at all of the towns along the line.

REPAIRING COURT HOUSE.

The plastering on the court house has fallen off in several places, and is being repaired this week by the commissioner's court.

Reward of \$1,000.00 for Capture of Fire Bug is Made by City

Business men in Canyon have subscribed to a fund of practically \$1,000 which is offered for the arrest and conviction of the party or parties who set fire to Randall Hall last week and are presumed to have burned the Buffalo Confectionary.

Sheriff W. C. Black has been investigating the case since the fire, and has in his vault the underclothing on which there is a laundry mark.

A watchman has been on duty at Randall Hall every night since the fire but no suspicious characters have molested the Hall since the fire.

THE AMERICAN PRESS ASSOCIATION

The Amarillo newspapers carried several scare heads last week regarding a proposed Methodist College to be located in that city. It seems that the college is built in the minds of a district conference attended by a handful of Methodist preachers and a few laymen. The district conference is as far as the Methodist College will likely get for a number of years to come. It costs money to run a College—more money than the Methodists of Northwest Texas have to put into another venture at this time. A few years ago practically every town in this section had some kind of a denominational college. All but the most fit died. Of recent years the denominations have been trying to make something of the colleges that survived. The Methodists let two or three colleges die in West Texas. A new one was started at Abilene last year. There is a good Methodist College at Clarendon, which will take care of the needs of the church for many years to come. It would be folly to place another Methodist college in Amarillo to kill off the Clarendon College, as most certain would be the case—just as S. M. U. at Dallas is killing Southwestern. It is likely that the new college is being boosted by some preacher who wants a job as president of the proposed institution. The laymen of Northwest Texas who will be expected to dig up for this proposed college should look into the matter very carefully before putting their hard earned money into such a venture. Build Clarendon College as it should be built, before another institution is started. We would say the same thing for Wayland if the Baptists proposed to put another Baptist college at Amarillo.

Governor Neff is doing the right thing in fighting the idea of an instructed delegation to the national convention, no matter what his motive may be. McAdoo, Underwood and Al Smith are the only prominent candidates before the party, and all three are rejected by Neff. We agree with the objections raised by Governor Neff against all three of these candidates. None of these candidates will go to the national convention with sufficient votes pledged to win the nomination. Unless there is a decided change, conditions during the past few weeks indicate the entrance of a "dark horse." The Texas delegation should be free to vote for whom it pleases in the national convention, rather than being hog tied to McAdoo, who if the party should unfortunately nominate, will easily be defeated in November. The party machine is going to try to carry the Waco convention next month for McAdoo. Governor Neff will be there in battle array to send an uninstructed delegation. A hot time is promised at this convention.

The United States Senate has passed the Jap exclusion bill. While we are of the opinion that our people as a whole are unduly wrought up over the terror of the Jap immigration, yet on the whole, Americans are strictly in favor of the Jap exclusion. The bill might not have passed in its present form had it not been for the threatening letter written by the Jap ambassador. The ambassador should have had more sense. He certainly has not been long in the United States or he would have known that he could not drive the senate, or any other body of Americans, far with a letter of threat. He might have lead the senate with a few sugar coated pills, but did not get far with a clap. The leader of Japan does not want war with the United States. A bunch of silly sentimentalists in this country and the war party in Japan have been fanning the war flames, but we trust that the conflagration shall never burst out.

Randall county will have only one vote in the state convention in Waco next month, but we believe that we should send that vote uninstructed. Many things can happen in the course of a month's time, and to pledge the support to a candidate who is fast on the decline would be unwise.

Spring time is here. Clean up!

Since Canyon voted by a large majority a few years ago to maintain the high school up to standard, the school problem has increased rapidly each year. The attendance in the school has nearly doubled in three years. There are nearly as many high school students as there are pupils in the grades. The Canyon schools have less teachers per capita—attendance than any school on the Plains, and the high school classes are nearly twice as large as any educational authority would recommend. Canyon has a real school problem because people are attracted to Canyon on account of the schools. To make the schools the best on the Plains, as should be the case, is prohibitive owing to the lack of finances. To make the schools good and substantial in every way is all that can be expected. The school does not meet the requirements of the state educational department in the number of teachers and the amount of equipment, but the trustees are putting in long hours working that the schools may be the best with the money available.

Arthur Brisbane says, "Each of five Paris newspapers has a million or more circulation because all parts of France look to Paris for news, while in this country only one daily circulates a million copies, because Americans feel the real newspaper is one in their own neighborhood. That's good for America." No country so large as the United States could ever have been developed with all its people in every nook and corner fully informed on local, state and national questions without the 14,000 country daily and weekly newspapers which give immediate information to rural communities on all subjects. America's country newspapers are the safeguard of its democratic institutions.—Pampa News.

According to recently published figures, one city dwelling is destroyed by fire in the United States every four minutes. Farm buildings are burned at the rate of one every seven minutes. One hospital, five churches and five school houses burn down every day. Every day 41 persons lose their lives and 47 are injured by fire. The prosperity of a country is determined quite as much by the amount of its needless waste as by the amount of its accumulated wealth.—Pampa News.

The average taxpayer does not object to taxes, unless he knows that his tax money is being wasted. There is great need of public officials working for the greatest economy in the administration of public affairs. It costs more to carry on public business now than in the past, but that need not be the excuse for wastefulness. Taxes will remain high, simply because the public demands greater service of the public institutions, but every institution and public official should work for the greatest economy.

There are more members of the senior class in the Canyon high school than there are members of the first grade in school. In the average school, the high school attendance is about one-third of the grade attendances. In Canyon practically fifty percent of the public school pupils are in the high school. Canyon has the highest per capita high school attendance in the state of Texas, according to State Superintendent S. M. N. Marrs. A high school is more costly to run than the grades. Canyon will therefore always have an expensive school system on account of this big high school attendance.

The gin will be ready in Canyon by the time the first load of cotton pulls into town. Messrs. Hogan and DeGarrimore are experienced gin men who are going to give the farmers the best possible service.

There will be many weeds in Canyon this year owing to the continued fall rains. All rubbish should be removed so that the weeds may be cut more easily this year.

TH' OLE GROUCH

NEP, THEN CALL ME 'TH' OLE GROUCH" BUT I'LL KISS A PIG EF I AINT A BETTER CITIZEN THAN 'YH' BIRD 'AT GOES 'ROUND TALKIN' NICE 'Y' FOLKS FACES AN' SNEERIN' AT 'EM BEHIND THEIR BACKS!

Don't overlook the fact that there is very little good maize, kaffir or sorghum seed in the country, and that this seed should be tested before planting. While the row crop may safely be replanted and yet have time to produce, there is little use in wasting time and money in planting bad seed when these seed may be found by testing. It is time to have these seed thoroughly tested.

Education is Canyon's chief business. It would be a tragedy and a blot upon the good name of the town to have it said that whereas we have one of the leading Teachers Colleges of the Southwest, that our public school system was not up to standard. Canyon must be in the education business if we expect to maintain our reputation as a school town.

Clarendon News: That's a fine thing that the Canyon Chamber of Commerce is doing—taking the responsibility for the special Pullman to Austin for the boy and girl winners in the District Field meet at Canyon last week. Canyon has an up-and-doing commercial body, and their secretary is putting Canyon much in the limelight, and deservedly so.

The freeze of last week did not do as much damage as was generally supposed the morning after the frost. The old adage of frost in the light of the moon seems to have worked again, as much as we like to make fun of the fellow who "does his work in the moon."

It is an uncomfortable feeling to know that a fire bug is in our midst, but the evidence is very strong, and the guilty party should be searched out and properly punished. Every citizen of Canyon should be ever alert in assisting the officers to find the guilty party.

Wouldn't it be a fine thing if the wet weather last fall killed all of the weed seed, just as it killed the cotton and row crop seed? But hardly a chance.

SAY IT WITH A SMILE
"Come, come, my man, you have been looking around a long time without buying. What do you want?"
"Guess I want another floorwalker," stated the gentleman addressed, "I'm the owner of this outfit."

Wilson Dots

W. H. Hicks and George Frank made a business trip to Amarillo Wednesday.

W. H. Hicks was in Hereford on business Friday.

The ladies of the Wilson community gave Miss Cone a surprise dinner Tuesday.

Mrs. R. A. Thomas is on the sick list this week.

Catherine Frank gave Anna Tucek a linen shower Thursday.

The farmers are through planting oats and are busy discing the ground for row crop.

W. F. Mayfield and family gave an egg hunt at their house Sunday.

Mrs. Hugo Skarke is improving nicely.

Mrs. Buchanan's sister is visiting her for a few weeks.

W. H. Hicks made a business trip to Dimmitt last week.

Mr. Frank was in Dimmitt one day last week.

There was an Easter egg hunt at the Wilson school house Monday.

Mr. and Mrs. Buchanan's daughter is visiting them for a few days.

PUFFICKLY USELESS

Sam boarded a trolley and, after a few words with the motorman, shuffled to the rear door.

"Whatcher gettin' off so soon for, Sam?" asked the conductor as he took his passengers' nickel and watched him prepare to alight. "You've only gone a block."

"Well, sah, Ah wants to go to Twenty-second Street on Cedar Avenue, but de moter-man gennelman says dey ain' no Twenty-second Street an' Cedar Avenue."

"Well, there isn't."

"Well, den, what's de use o' me goin' there?"

Regardless of the fact that the earthquake in Japan destroyed the warehouses, shippers have continued to consign merchandise to Yokohama and Aokio owing to the demand for goods. This merchandise is being landed and stored in the open, and steamship companies have issued an announcement to the effect that they can assume no responsibility for goods after discharge from steamer. At this writing there are more than 120 vessels discharging or waiting to discharge at Yokohama.

WHAT HAPPENED THEN?

Woman Customer: "I want to get corset to put on around the house."
Absent-minded Clerk: "How large is your house?"

in Boston, Massachusetts.
A cordial invitation is extended to all.

THE PASSING DAY

By Will H. Mayes, Department of Journalism, University of Texas.

From an acquaintance with Texas towns extending over a period of about forty years, I have learned that those places whose citizens keep some community work under way all the time are the places that enjoy the greatest prosperity and the most substantial development. Towns whose citizens are inactive soon become stale and uninviting as homes of people of progressive ideas. It doesn't matter so much what is undertaken just so it keeps the people meeting and working together for their common good. Whether it is a county fair, a poultry show, a clean-up campaign, a tree-planting, building a factory, a good-roads movement, a school building campaign—whatever it may be, large or small—does not matter so much— if only it is carried to a successful finish. The good comes as much from the team work of the citizens as from the accomplishment of the thing in hand.

Many places make the mistake of putting through some one undertaking to their credit and stopping with the single achievement. When something else is to be undertaken the work of organization has to be done all over again. The result is that there are long intervals of community inactivity in which the town loses practically all it has gained by its progressive spurts. The business of town development is just like that of the individual. The merchant who would close his store for a rest after a big sale would certainly fail. The town that does only occasional things makes little progress. Unless your community improves, your business is not likely to improve beyond certain fixed limits. The way to help the town is to keep something doing all the while for the good of the place. In that way you will help yourself.

Brownwood is this year doing about the biggest thing of any place in its class in Texas in entertaining, May 13-15, the West Texas Chamber of Commerce in its annual convention. The estimates are that 25,000 people will be there, and Brownwood is going to spend \$22,000 in giving them a good time. The town's enterprise is shown in the erection of an \$80,000 auditor-

ium, built on a bond issue, in which the convention will be held. This building is a permanent structure, and was erected as a memorial to the Brown county soldiers of the World War. A town with a spirit like Brown, good is showing can't be kept from growing. All people with life in them like to be among others who are alive.

Several thousand visitors from thirty East Texas counties are expected at the East Texas Singer's Association meeting at Athens, June 13-15. There will be many vocal artists from different places in Texas, some celebrities from out of the State, and the rest will be just plain East Texas singers. These East Texas singing conventions have brought about a renewed interest in vocal music all over that part of the State, and people are always the better for singing. Singing may not be a permanent cure for all the ills of mankind, but it does make those who do the singing forget their troubles for the time, whatever the effect may be on others. Community singing under good leadership brings about a close fellowship, and when people sing together in the real spirit of song, hatreds, bickerings and jealousies are likely to be forgotten.

Farm life is much easier now than it was in the days of our fathers. In no other field of labor has machinery come any more to lighten labor if only the farmer will go to the expense of the pains of equipping his farm as it should be. Of course, no farmer can get all the machinery he would like to have, but many do not use that which is available. On farms where wood is used as fuel the work of chopping or sawing the wood by hand is back-breaking, but seldom necessary. Most farmers now have automobiles. By jacking up the back of the car and attaching a saw the winter's fuel supply can be sawed in a short time. The saw attachment costs but little. Dozens of other cheap labor-saving devices are available to most farmers and farmers' wives. By providing them and making farm work lighter, the boys and girls will be more likely to stay on the farm.

Writing from Chicago to his friend, Thomas Carlyle, in 1866, Ralph Waldo Emerson, in a letter recently found, said: "This new hotel is built on a scale which one certainly does not expect. It is lighted with gas and so unlike the English tavern, there is no charge for candles. I am told there is a bath room on every floor and the hotel is four stories high. These bath

rooms are at the disposal of guests, nominal charge being made for towels and soap." What would Emerson think if he could look in now on the modern city hotel of twenty or thirty stories, with baths in every room and the whole place a blaze of electric lights? Surely the world moves.

WHITEWASH RECIPE

Slake "quick lime" with enough water to make a thick paste. While it is slaking add, for each bushel of lime, a pint of lard or other grease and a cupful of salt. Add the water slowly to the lime, but do not flood it. After the lime is reduced to a white powder by heating, add enough water to bring the solution to a thin, creamy consistency, and strain through a piece of burlap. It is advisable to add four ounces of some coal tar disinfectant to each gallon of the mixture. Have all surfaces clean before applying.

SHIFTING RESPONSIBILITY

A merchant, unable to sleep tossed fitfully on his couch. His wife asked why the insomnia. He replied: "You should expect me to sleep when my note to Cohan in the bank comes due tomorrow for \$5,000, and there's only \$2,000 to meet it."

"It is?" she replied. "Then I tell you what I should do, lkey. You should get up and go over to Cohan's house and tell him, and then come back and go to sleep. Let Cohan stay awake."

Old pioneers of the western towns are complaining that the film producers are not sticking to historical facts in many of their pictures taken on the old stamping grounds of the heroes of the plays. They contend that writing of picturing events without the aid of the men who lived through the times in which the stories are given tends to give a crooked slant to history.

French theater managers will allow critics to have their say only after theater patrons have manifested their sentiment, instead of inviting the critics to the first night's performance. The critics will receive their invitations for the third or fourth performance.

After a survey of the premises of a farmer, in Virginia it was found that the housewife, to obtain water for her work, was walking 140 miles a year and expending enough energy to do the work of two horses in plowing eleven acres of land. A small hydraulic ram, overhead storage tank, kitchen sink, and waste pipe were installed at a cost of about fifty dollars, which put running water into the kitchen.

PHONE THE NEWS.

The Randall County News is very anxious to get all of the news of Randall county. Much valuable news is liable to escape if you do not assist us a little. We will appreciate it very much if you will phone us all of the news during 1924. This would mean a better newspaper and a more valuable newspaper for Canyon and Randall county.

Gizzard stones from dinosaurs have been found by a scientist connected with the United States Geological Survey. They are of quartz and agate, varying from less than an inch to more than three inches in diameter. They are entirely foreign to the geological formation in which they are found in the oil-sands of Wyoming. They were found among dinosaur skeletons.

RUPTURE

EXPERT COMING TO AMARILLO

Will Give Free Demonstration on WEDNESDAY AND THURSDAY May 7 and 8 at ELK HOTEL

from 10 a. m. to 4 p. m. TWO DAYS ONLY They Come Many Miles to See Him

On above date the noted rupture appliance expert, C. F. Redlich, will give a free demonstration.

You will at once realize the difference between his highly efficient and modern appliances and your mail order inefficient and harmful elastic bandages or ill-fitting steel or wire trusses with their obnoxious leg straps. These mostly make the rupture worse instead of better until at last it gets beyond control, whereas Mr. Redlich's special appliances will give you security and comfort for years to come, mainly because these effective devices are scientifically applied by an expert in person.

Recent, often curable cases and especially old, neglected, painful ones, should probably avail themselves with this opportunity for relief, before work becomes impossible and eventually the surgeon's knife an urgent and immediate necessity.

Remember that demonstration is free on above dates only, and that a visit may mean a great deal to you and those dependent on you.

SALE

The Leader

Canyon, Texas

No Goods Charged. No Exchanges.

No Take Back.

Every Sale Must be Final. Spot Cash.

The Leader's Great Actual Cost Sale is a big Success and it continues with unabated activity and success. Great crowds gather daily at The Big Busy Store to buy their Early Spring and Summer wants and needs at Actual Cost. When you can buy good dependable staple Standard Brands and makes in all that is new and interesting in the Dry Goods line at Cost "Why Pay More?"

Our reason for this Great Actual Cost Sale as stated in our last week's ad, we need the money to pay our bills. Our Creditors expect it of us, and in order to make good our obligations we would rather sell our stock at Actual Cost for a few days and get the money to pay with than to borrow the money, so if you are skeptical about an Actual Cost Sale, come look us over and you will be convinced at a glance that we are doing just what we advertised to do. We are not offering just a few items at Cost, this entire stock is marked to go in this Sale at Actual Cost without reserve. Come look us over.

Remember this Sale will Continue just as advertised Friday and Saturday of this week and all of next week, closing Saturday night, May 3rd. If you are at all anxious to save money you will not delay, but come and buy all you need at Actual Cost before this Sale Closes, and Remember it Positively Closes Saturday Night, May 3rd.

We would not forget to thank you one and all for your most liberal patronage during this Sale and we have reason to believe that you appreciate the Values you bought during this Sale. We confess that we have not made a cent; on the other hand we are glad to get the Cash that we needed and now that we got it we are all benefited and have profited by having put on one of the most successful Sales ever held in Canyon. Come and Come Again!

Happy Happenings

Mrs. Smith and daughter of Stratford visited in the J. H. Stephenson home last week.

Mr. and Mrs. Clyde Bray of Littlefield are visiting with Mrs. Bray's mother, Mrs. Marion Dillon of this place.

Mrs. W. H. Brown was in Tulla Monday having dental work done.

Misses Madie and Lois Whitley of Amarillo spent the week end with friends and relatives here.

Misses Winnie, Pauline, and Lucile Grounds spent Sunday with Louise and Hazle Brown.

Misses Pearl Hampton of this place and Elizabeth Tompkins of Silverton were Amarillo callers Saturday.

O. M. Fowler and children left Monday for Temple where they will visit with his mother.

Miss Joe Cates of Floydada is visiting her sister, Mrs. O. M. Fowler this week.

Miss Ethel Sanford, who is attending school in Canyon spent the week end here.

Rev. Orion W. Carter who helped conduct the Methodist Revival meeting of this place, returned to his work Saturday in Stamford.

Rev. and Mrs. David J. Bryanoff are the proud parents of a baby boy born Tuesday.

Dr. F. Q. McElroy was called to Littlefield on business Tuesday.

Van Foster of Tulla was seen in Happy Sunday.

Misses Pearl Hampton, Audry Lee Markham and Fayre Lash left Tuesday to attend the Home Economics conference in Galveston.

C. P. Money has been quite ill for the past week. He is better at this writing.

Mr. and Mrs. G. T. Miller and children, Owen and Odell, of Canyon were visiting relatives here Sunday.

L. D. Townsend and Steve Williams were here Tuesday on business.

Mrs. Reuben Rogers, died in her home here Wednesday night. Mrs. Rogers had been in poor health for sometime. She had been in Wellington for several weeks, having returned to her home about a week before her death. Mrs. Rogers is well known around Wayside as well as here. The body was laid to rest Thursday afternoon in the Wayside cemetery. Rev. Bryanoff conducted the services.

Mr. and Mrs. Emit Loral and children of near Tulla and Mrs. Ethel Wesley and children of this place spent Sunday in the R. B. Gist home.

Mr. and Mrs. F. C. Scott and son,

Fonce, were Tulla callers Sunday.

Thursday morning about thirty young people of this place went out to Mr. W. C. White's farm on a Sunrise breakfast. The crowd left town about six o'clock and returned about eight o'clock. An enjoyable time was spent by all.

A program will be given Friday night by the 4th and 5th grades of the Happy School. Everyone is invited to attend.

Gladya Bandy, Loral Baynard and Vincent Shuman spent Sunday in the C. S. Dison home.

Campbell Notes

Mr. and Mrs. Clarence Kropff, Mrs. C. R. Herrington and Kathlene Gordon-Cumming of Amarillo spent the week end at the Gordon-Cummings home.

C. D. Covington has a new Chevrolet car.

O. S. Brown and family visited with Frank Machen and family Sunday.

Mrs. Gus Thomas gave an Easter egg hunt party Sunday. Those who attended were Mr. Burris and family, Raymon Moore and family, Mrs. B. A. Rhodes and family, Mr. and Mrs. Johnie Price of Amarillo and those of Mr. Rix's children that are well.

Mr. and Mrs. Jack Rix's son, L. A., is slowly improving from a serious case of catarrhal fever.

Mr. and Mrs. G. R. Stratton, Mr. and Mrs. O. S. Brown, Mr. and Mrs. C. D. Covington and Mrs. Gordon-Cumming motored to Amarillo Tuesday.

Goldie Bell and Annie B. Gibson, of Pleasantview, visited Rev. Dowell and family Sunday.

The Singing Class was entertained at Dawn Sunday at the church house with a turkey dinner. Those attending from here were: C. D. Covington and family, G. R. Stratton and family, Misses Eunice, Gladys, Bertha and Ruth Dowell, J. Lovvorn and family, Misses Goldie Bell and Anna B. Gibson.

PLANT A FLOWER—DON'T STEAL ONE.

Stock Judging Team Goes to College Station

Prof. T. M. Moore, of the Agriculture Department, left the first of the week, via Ford, for College Station. He was accompanied by George Love, Artie Baldwin, Reagan Sherman, and Harold Shanklin, who compose the stock judging team of W. T. S. T. C.

These boys will participate in the big stock judging contest sponsored by A. & M. next week. Every man on the team ranked among the highest at the stock judging contest here last Wednesday and are confident that they can hold their own with the best that the state has to offer.

This contest is one of the biggest, if not the biggest thing of its kind to be held in the South this year. Contestants from all the leading schools of Texas will gather and there is no doubt but that competition will be extremely stiff.

Other teams entering from this section are Panhandle, Silverton, Dumas, Farwell, and Lubbock, the latter team winning the contest at this place last week.

On the way to College Station our boys will stop at Childress and Hillsboro for the purpose of inspecting some fine cattle and hogs at these places.

At College Station the team intends to enter in the beef and dairy cattle, hog and chicken judging. They will probably be gone about two weeks.

On April 16 the expression department presented a very interesting play at the Dramatic Club, entitled, "The Rose." It was under the able direction of Helen White Moore. The other characters were Verle Fletcher and Mavis Smith. It was altogether an enjoyable little play; the mood of the whole scene was excellent. "Indian Summer and Pearls," a play written by Bessie Walker, will be given at the next meeting of the Dramatic Club.

PLANT A FLOWER—DON'T STEAL ONE.

Miss M. Moss Richardson received word some time ago from the State Department of Health, that her "Health Hints and Jolly Jingles" which was published by the Health Department in 1920, is shortly to go into second edition.

George Grimm has bought half interest in the Joe Friemel store at Umberger. Inventory will be taken tomorrow.

O. R. Bridges of Happy was a business caller in the city Saturday.

Hall Insurance. S. B. McClure.

H. H. Gillham of Wayside was in the city Saturday on business.

Mrs. Chas. Spencer and son left Tuesday for their home in Denver after a month's visit at the parental B. A. Stafford home.

Mrs. M. S. Bishir made a charming hostess Wednesday afternoon to the Jolly Eighteen Club where the hours were informally spent with needle work. Tempting afternoon refreshments were served at the close of the sewing session.

In accordance with the request of Mr. Hill the Y. W. C. A. will co-operate with him and the committee in making the Mother's Day program a success. They are planning to have cut flowers, especially red and white ones, at the College on Saturday before Mother's Day for the accommodation of the students, the faculty, and friends who desire flowers for that occasion. Orders will be filled for flowers to be sent to parents elsewhere. No prettier custom exists than the growing habit of remembering parents on some definite occasion which shall belong specifically to them, and there is no better way to do this than to "say it with flowers."

HELP FOR THE OLD FOLKS
Old Age Should Be Happy—Not a Time of Sickness and Suffering.

Too many people begin to suffer at middle age with constant backache, urinary ills and rheumatic pains and aches. Weak kidneys are usually the cause and, if neglected, there is danger of hardened arteries, dropsy, gravel or Bright's disease. Help your weakened kidneys with a stimulant diuretic before kidney disease gets a firm hold! Use Doan's Pills. Thousands of old folks recommend Doan's.

Here is Canyon proof:
T. F. Robeson, ret'd. minister, 1906 3rd Ave., says: "Nights, my rest was disturbed as I had to get up so many times to pass off the kidney secretions. My back was sore and stiff and the pains were so sharp and cutting, I couldn't stoop. Mornings I had dizzy spells and little spots blurred my sight. I began using Doan's Pills and in a short time, they rid me of this trouble."

Advice and Experience

There are many things which cannot be taught that we grow into by experience.

But, every mature person realizes had they, in their earlier career set out to make preparation for future opportunities they would have been in position to embrace them instead of having to let them pass.

Youth most often is impatient—expects results today or tomorrow. By experience we know to bring about a desired result requires work and sacrifice.

Then, we would think this one thing good advice: Preparation is necessary for success.

Use our bank to build an opportunity account.

The News is authorized to announce the candidacy of the following candidates in the Democratic Primary in July, 1924:

- For State Senator, 31st District:
J. W. REID, of Randall County.
- For County Judge:
RECTOR L. LESTER
WORTH A. JENNINGS.
- For Sheriff and Tax Collector:
JNO FRY.
JOHN A. WILSON
- For County Treasurer:
G. R. (BOB) REID.
- For County and District Clerk:
MRS. ETHEL WOODS.
- For County Assessor:
TOM REDDELL.
- For Commissioner, Precinct No. 1:
J. C. PIPKIN.
W. C. BAIRD.
- For Commissioner, Precinct No. 2:
A. P. THORNTON.
PARKER D. HANNA.
- For Commissioner, Precinct No. 3:
J. J. BAUER.
- For Commissioner, Precinct No. 4:
W. E. BENNETT.

SHERIFF'S SALE.
STATE OF TEXAS,
County of Randall.
By virtue of an Order of Sale issued out of the Honorable District Court of Randall County on the 5th day of April, A. D. 1924, by the Clerk thereof, in the case of D. E. Covington, versus W. L. Hutcheson, L. L. Berry and John Davis, No. 989, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the first Tuesday in May, A. D. 1924, it being the 6th day of said month, before the Court house door of said Randall County, in the City of Canyon, Texas, the following described real estate, to-wit:

All of the South Half of Section No. 50, in Block M-S, Adams, Bently & Monilton Survey; and the North Half of Section 49, in Block M-S, Certificate 871 issued to Adams, Bently & Monilton, situated in Randall County, Texas.

And by virtue of said order of sale and execution directed and delivered to me as aforesaid, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the first Tuesday in May, A. D. 1924, it being the 6th day of said month, at the improvements situated on the land and premises above described, the following described personal property, to-wit:

One 15-27 Case Engine; One five Disc Eng. plow; one eight foot International Tandem Tractor Disc; One Superior wheat drill; One wagon; Two one row go-devils; two smooth mouth grey mares; one three year old grey horse; thirteen sows; one boar; twenty seven pigs; two sets of leather harness, levied on this 7th day of April, A. D. 1924, as the property of W. L. Hutcheson, by taking possession thereof as required by law.

The real estate hereinabove described was levied on this 7th day of April, 1924, as the property of W. L. Hutcheson to satisfy a judgment amounting to \$2863.77 in favor of D. E. Covington and costs of suit.

Given under my hand, this 7th day of April, A. D. 1924.

W. C. BLACK, Sheriff,
Randall County, Texas.

HINKLE IS NEXT PRAIRIE EDITOR

IS WELL PREPARED TO HANDLE COLLEGE NEWSPAPER.

Has Been on Prairie Staff For Four Years: Member of Scholarship Society:

Olin E. Hinkle of this city, will be the next editor-in-chief of The Prairie. This recognition of the high type of work which he has been performing in connection with the college paper comes only as a just reward for his long, conscientious, and efficient service.

Hinkle was born in a log-cabin somewhere in the state of Missouri. He turned aside from the usual path that tradition says the native Missourian travels. Instead of "having to be shown" he has been going about in his quiet, unassuming way "showing" other people how to write for a college newspaper.

Five years ago Hinkle entered the normal school. He is now a member of the Junior Class and a prominent worker in many branches of student activities. He is a member of the Lloyd Green Allen Scholarship Society, and last year his scholastic record won for him the Board of Regents Scholarship. His devotion to his studies is rivalled by but one other thing, and that is his consecration to newspaper work. He has worked with The Prairie for over four years, and at one time or another he has served in almost every capacity of the paper work. He has been sports writer, reporter, business manager, and for the past two years has served as managing editor. Not only has he studied the college newspaper work thoroughly, but he has had experience in the print shop, and is well acquainted with all phases of the work.

Hinkle's editorials and news stories have attracted wide attention. His editorial entered in the Texas Intercollegiate Press Association Contest won first place, and his news story took first place in its class. The following editorial gave Mr. Hinkle first place in the state contest:

POVERTY IN CONVERSATION
If ordinary conversation may be taken justly as a criterion of mental development—and few will deny the direct relation—students of today might profitably consider their speech.

Far more extensive and basically more significant than mere paucity of diction is the prevalence of unworthy subject matter in conversation. When the "small talk" artist becomes the society lion, conversation ceases to be truly cultural and no one dares suggest a thought-provoking idea lest he be considered a bore. It is then that seriousness is taken to mean any sense of responsibility in matters political or social and reflective attitudes are relegated to the province of our elders.

Now morbid seriousness in speech, is not a becoming trait in any person, but very few indeed are the students to whom this characteristic may be attributed. Willingness to discuss real problems and to attempt logical conclusions is much too rare. The whole trend of society is toward the other extreme. If independence is put in conversation, it is done with much risk; therefore host and hostess plan incessant entertainment—to prevent conversation! Moreover, in this age of equality there is no very good reason why men should almost invariably pursue an uncharacteristic, light-hearted discourse when in the presence of ladies.

"Shop talk," even though the shop be a college, is rightly avoided. Yet how many "acquired" facts be related to life, if not through the medium of conversation? How may one merit his enfranchisement if he does not take a keen interest in public questions before reaching the age of political responsibility. Man has no greater boon than the power of speech. The exchange of ideas

IS NEXT EDITOR OF THE PRAIRIE

OLIN E. HINKLE

builds up common ideals; those ideals engender feelings of brotherhood and are translated into progressive movements. Obviously, however, popular discussions may be also neutral or even negative in effect. Student conversation should be centered around worthy subjects. And though the wit and genius of modern man suffice much, a spark of fire from Burns, an immortal truth from Shakespeare, a bit of philosophy from the ancient classic are considered invaluable possessions by the scholar.

Clean wholesome thought from mind
To mind doth flow like some
Clear brook in fertile fields;
Refreshingly and enriching
As it goes.

Art Department Work on Display

Variety of work done in Miss King's department is being featured by the art exhibit which is now on. Members of the Freshman class are exhibiting their problems of conventionalized birds and decorative landscape. Another very attractive feature in the display of the Freshman class is the jolly garden marker. The Sophomores have on exhibit work in batik, or the wax resist process of dyeing, and the dye work, wooden boxes decorated with refier, beads made of permadello decorated with enamelac, and basketry in raffia and reed.

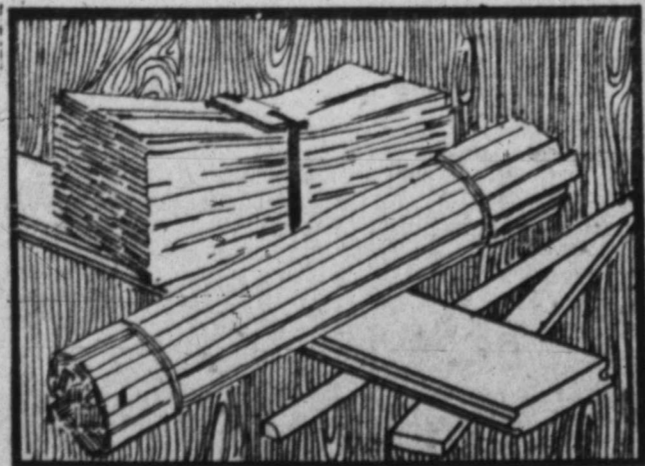

THE UNADVERTISED PRODUCT

- I am the ruler of retail reverses.
- I am the Lord High Potentate of Failure.
- I am the reason for that downward slant of your profit curve.
- I am the cause of that silent sickness that sills your cash register bell.
- I am the origin of dissatisfied customers and loss of trade.
- I am the leaven of uncertainty in the midst of certain profits.
- I am the element of chance that turns a winning business into a losing gamble.
- I am the fountain head whence springs the majority of your trouble and worry.
- I am the why and the wherefore, the direct and approximate cause, the germ and the genesis of unsuccessful merchandising.
- I am the unadvertised product.—Ex.

A Federal agent in New York City recently upset by accident a can of alleged Turkish paste in the appraiser's storehouse, revealing opium hidden under the paste. This led to the seizure of between \$60,000 and \$100,000 worth of the drug hidden in other consignments to Abraham D. Lake, radio merchant.

Hall's Catarrh Medicine is a Combined Treatment, both local and internal, and has been successful in the treatment of Catarrh for over forty years. Sold by all druggists.

Art Collection of Miss Helen Hyde Being Exhibited

Miss King, of the art department, has secured a collection of woodcuts and aquatints of Helen Hyde, from the American Federation of Arts, and will exhibit them in room 105 this week. These charming prints make up one of the most popular collections that the American Federation circulates, and are of great educational and inspirational value to all school people. We are fortunate to have such an opportunity and should give as much time as possible to the study of these prints. They include Mexican, Chinese, and Japanese wood cuts, and Japanese aquatints, besides native American subjects and a group of miscellaneous scenes.

The following article from the pen of one of Miss Hyde's most intimate friends gives us a deeper insight into the life and work of the artist:

"There died in Pasadena, May 13th, 1919, a noted American artist, Helen Hyde. Of cosmopolitan education and training, she was a pioneer in this country in colored etchings, an original and interesting worker in water colors, but her most notable achievement was in the field of wood prints. Many years of study in Japan gave her the Japanese technique, a sureness of drawing, a fine sense of decoration, but the spirit, the tenderness, the charm which she departed to her prints were all her own. But to those who loved her, the distinguished personality, the loyal and generous friendship, the high courage with which life was faced meant even more than the very distinct accomplishments in the field of Art.
A. G. R."

Hours of display will be posted later. No admission charge being made.

NOTICE OF SALE
THE STATE OF TEXAS,
County of Randall:

In the District Court, Moore County, Texas.

Whereas, by virtue of an order of sale issued out of the District Court of Moore County, Texas, on a judgment rendered in said court on the 29th day of January, 1924, in favor of First State Bank of Dumas, and against C. T. Word and M. E. Word, in cause No. 355 on the docket of said court, I did, on the 10 day of April, 1924, at 8:30 o'clock a. m., levy upon the following described tract of land, to-wit:

The southeast quarter (SE 1/4) of Block 17, of the Heller Addition to the town of Canyon, Randall County, Texas, (situated about 1 mile from the court house in said county).

And, on the 6th day of May, 1924, being the first Tuesday in said month, between the hours of 10 o'clock a. m., and 4 o'clock p. m., on said day, at the court house door of said county, I will offer for sale and sell at public auction, for cash, all of the right, title and interest of the said C. T. Word and M. E. Word in and to said property.

Dated at Canyon, Texas, this 10 day of April, 1924.

W. C. BLACK, Sheriff,
Randall County, Texas.

'BEWARE THE BUFFALOES'—GOODNIGHT

Sentiment Approved by Several T. I. A. A. Contenders

In a recent letter from Mr. Goodnight, President Hill received valuable warning concerning the handling of the buffaloes which he passes on to the faculty and student body. Mr. Hill advises that everyone should give due consideration to this warning, and has expressed his personal gratitude to Mr. Goodnight for his kindness in this matter. The letter is as follows:

Goodnight, Texas, March 20, 1924.
Prof. J. A. Hill,
Canyon, Texas.
My Dear Mr. Hill:

Your letter of the 18th and the accompanying photograph of the buffalo show that you have taken especially good care of them. They have made a fine growth. You must bear in mind that it is not always best to have them too gentle. There is a small percentage of them that, like jerseys, become very vicious when too gentle.

There is a case on record of a man by the name of Holt, living near Yellowstone Park, who had a pet buffalo that was very large and gentle. This man had a habit of riding the buffalo bareback. The account goes that the buffalo ran his horns through the man one day and that the body was not removed until the man's wife went several miles to get a neighbor to kill the animal.

MASCOT OF THE COLLEGE

So as the buffalo get older you had better have them people to be careful. I have had them here to become dangerous.

I remain Yours,
Signed: C. GOODNIGHT.

time. Let every member of the church from the poorest to the richest and from the oldest to the youngest have a part in this joyous privilege. Brethren, this offering will do certain things:

1. "It will show how sterling our Love is." 2 Cor. 8: 8.
2. "It will make others praise God for the way we have come under the Gospel of Christ." 2 Cor. 9: 13.
3. "It will draw others to us, who will pray for us." 2 Cor. 9: 14.
4. "It will lead the lost to Christ, who going before us to our eternal home, will receive us, when we are called hence, into eternal abode." Lu. 16: 1-13.

Let every Baptist in Canyon take heed of this announcement, come to church next Sunday and bring an offering that he will not be ashamed to meet when he gets to the Judgment for we will face what we do at God's great Judgment. All together now, let's raise \$2,624 next Sunday for Missions.

COLLEGE'S CLOVER PATCH FURNISHES GOOD PASTURE

Prof. Frank R. Phillips, director of agriculture at the West Texas State Teachers College, states that a patch of sweet clover at the college has furnished more pasture than any other crop. This same statement has been corroborated by experiments conducted by the experiment station at the University of Illinois.

According to the agricultural authorities at the college, sweet clover not only furnishes a desirable pasture, but is the earliest pasture under Panhandle conditions. At the present time the clover which was sown last spring, is from six to eight inches high, although dairy cattle, hogs and chickens have been permitted to run on it since it first came through the ground. The theory that certain animals do not care for sweet clover has been proven false by every type of animal which has been turned in on the college plot.

King George has installed in his palace a radio receiving set with two stages of radio frequency amplification and three stages of audio amplification. The British Broadcasting Company broadcast the songs of the nightingale in its native haunts this spring.

Deeds Filed This Week Transferring Randall County Land

The following deeds as furnished the News by the Randall County Abstract Company, have been recorded in the County Clerk's office.

Rowland H. Stittler to William H. Flamm, et al, southeast quarter section 89, block 2, Consideration, \$4800.

Mary Elizabeth Lester to Ray S. Daniel, lot 4, block 4, Normal addition to Canyon, Consideration \$100.

J. A. Wilson to W. T. McDonald, lot 13, block 39, Canyon City, Consideration \$742.50.

A proposal has been made to change the name of Manhattan Square in New York City to Roosevelt Square and the proposal contains the suggestion that space in the square be reserved for a Roosevelt memorial.

Prior to 1912 there was not a single labor organization in Japan; today there are nearly seven hundred unions with a total membership of a quarter of a million.

Marino House, Clontarf, Dublin, the old historic residence of the earls of Charlemont, is about to be demolished to make way for fifteen hundred workmen's houses.

Child-birth

HOW thousands of women, by the simple method of an eminent physician, have avoided unnecessary miseries through many months and up to the moment Baby has arrived, is fully explained in the remarkable book, "Motherhood and the Baby." Tells also what to do before and after baby comes, probable date of birth, baby rules, etc., and about "Mother's Friend," used by three generations of mothers, and sold in all drug stores everywhere. "Mother's Friend" is applied externally, is safe, free from narcotics, permits easier natural adjustment of muscles and nerves during expectancy and child-birth. Start using it today. Mrs. E. E. Kerger, Slayton, Minn., says: "It pulled me through." Send for book today, to Bradford Regulator Co., P. O. Box 76, Atlanta, Ga. "Mother's Friend" is sold at all good drug stores—everywhere.

Thompson Hardware Co.

Baptists Attention!

Next Sunday, April 27, is the last Sunday of our "Denomination's Fiscal Year." The books of all the Denominational Boards close Wednesday night, April 30th. If we get in our offerings to World Wide Missions or The 75-Million Campaign for this year we must do so at once. Next Sunday, therefore, has been set apart at which time all members of the First Baptist Church are to be given the opportunity to make a great offering to "World Evangelization." What greater privilege could any Christian have than that of helping our Dearest Friend know, to those who know Him not. Let no one forget that we enjoy the blessings of the Christian Religion because others before us were missionary at heart and made the sacrifice that the "Sweet Story" might be made known in regions beyond. Are we glad that the Gospel was preached to us? Let us not withhold it from those who have it not for to do so is the greatest sin of a "Child of God." The following classes of our membership ought to have a part in this offering:

1. Those who made pledges to the 75-Million fund and are behind on their pledges. Brethren, cut what you lack in two and pay at least half of what you lack next Sunday. Christ's cause needs it now.
2. Those who made no pledges to the campaign, but who devoutly believe in Missions. Let all such make a sacrificial offering next Sunday.

3. Some have been enabled by the blessings of God to pay all of their pledges already. What a beautiful thing it would be for them to make a great thank offering over and above their pledge Sunday.

Some did not pledge enough in the beginning perhaps. Such ought to increase them now and have an easy conscience.

5. Many have been saved through Christ since Victory Week. Oh! how these ought to rejoice to make a worthy thank offering for what He has done for them that it may be passed on to others.

The First Baptist Church, Canyon, pledged \$13,517.50 to the 75-Million Fund. \$8,270.33 of this amount has been paid. This leaves a balance of \$5,247.17. Why are we this much behind? Mainly, because of "Procrastination." Brethren let us stop putting off the Lord. Our Boards must be relieved now. We must send in \$2,624 this spring. If we do we are sure that we can go over next fall on the other half, but if we put off paying our pledge this spring the chances are very much against us that we will be able to meet the rest of our pledges this fall. Besides our Boards must be relieved of some of their burden of debt now or the cause of Missions will suffer all along the line. Some are wanting to know how the offering will be taken Sunday. Here is the answer: An envelope. This will eliminate all embarrassment and make it possible for the young people to get in on this great opportunity as well as the older people. Lets make it unanimous this

Announcement

On or about May 1st, I will open a first-class Automobile Paint and Sign Shop, second door East of the Service Lumber Company, on 4th Avenue. I will be equipped to do as good work as you will find in the West.

"Where Your Dollar Buys Double"

Wayside Items

Easter Sunday was a perfect day. A
good crowd at Sunday School, led by
Supt. W. D. McGehee. After services
were over, a greater part of the Sun-
day School gathered at the J. W. Mc-
Creery home where a picnic dinner
was served and enjoyed by all partic-
ipating. After dinner the little folks
had a big Easter egg hunt.

A gin meeting of our people was
held on Saturday night to consider a
proposition from Mr. Clark of Amarillo.
A committee composed of A. E. Fairy,
W. D. McGehee and W. H. Hamblen
were appointed to act for the commu-
nity.

Born to Wm. and Emma Payne, a
son, Richard Lynn, the 16th of this
month. They formerly lived at Wayside,
but are now residing near Amarillo.
Mother and babe are doing very
well.

Mrs. Mary Rogers, wife of Reuben
Rogers of Happy, formerly of Wayside,
died suddenly Wednesday night, April
16 of heart trouble. The altitude of the
Plains was too high for her. She
had recently returned from Wellington
where she had spent several weeks
with her daughter, Mrs. E. O. Watson.
She was laid to rest at the Wayside
cemetery, Thursday. A large concourse
of people attending the burial. Rev.
Bryanoff of Happy conducted the
funeral services.

Mrs. L. J. McGehee and Ida
Sluder visited with Mrs. Emma Payne
last Wednesday. The latter returning
Sunday, the former remaining some
time longer.

D. J. Graham and wife, accompanied
by W. J. Sluder, motored to Wm.
Payne's last Sunday, returning same
day.

Prospects for fruit crop is good at
present.

W. R. Stockett and wife and Dewitt
McGehee of Canyon made a visit to
Wayside Sunday.

J. T. McGehee and wife, J. R. Stock-
ett and family, W. R. Stockett and wife
enjoyed the hospitality of A. E. Fairy
and family Easter Sunday.

Miss Irene Crawford visited with
home folks the past week end. She
had the misfortune to sprain her left
ankle last Friday on the school grounds.
Dr. McFarling treated it Saturday aft-
ernoon. Has given her considerable
trouble.

R. L. Grigsby's father and brother
have been visiting him for some days
now at Happy.

M. C. Sluder and J. C. Payne made
a business trip to Amarillo Tuesday.
The latter marketed 140 dozen eggs.

Easter Services at the Churches

An interesting and inspiring program
was given by the Juniors of the Meth-
odist Sunday School at the regular
class hour Sunday morning. The spirit
of Easter was beautifully conveyed in
fitting songs and readings by the mem-
bers of the several classes.

A series of revival services began at
the eleven o'clock hour with Rev.
Beavers as speaker. The meeting will
continue through the week and Dr.
Munson will assist the Pastor by fill-
ing the pulpit at part of the services.
A special invitation was extended to
people of other denominations to take
active part in the work.

Special music was furnished by the
choir under the direction of Miss Mary
Clark. As an offertory Herschel Coff-
ee played a violin solo in his usual
impressive manner.

TO THE MUSICAL PUBLIC

Let no one deceive you. I shall be
in Canyon the early days of July to
meet you again, and to see personally
the tuning of your pianos. Let no
tuner make you believe I am not com-
ing, for surely I shall come, and will
guarantee satisfaction in my line.
Hold your Piano work for me.
Yours truly with pleasant memories,
C. DAUGTRY.

How to build up your Weight

TO be under weight often proves
low fighting-power in the body.
It often means you are minus nerve-
power, minus red-cells in your blood,
minus health, minus vitality.

That's why S.S.S., since 1875, has
meant to thousands of underweight
men and women, a plus in their
strength. Your body fills to the
point of power, your flesh becomes
firmer, the age lines that come from
thinness disappear. You look
younger, firmer, happier, and you
feel it, too, all over your body.
More red-blood-cells! S.S.S. will
build them.

S.S.S. is sold at all good drug
stores in two sizes. The larger size
is more economical.

fice supplies, furniture and fixtures.

THE DECISION IS UP TO YOU!

When you get paid will you spend it all and then when
misfortune befalls will you have to look for a job—or will
you save a part each pay day and be ready with a good cash
balance to meet any bad luck with a smile.

Then, too, if you have saved, and an opportunity comes for
a good investment, you may be able to make yourself
financially independent.

WILL YOUR PLANTING SEED GERMINATE?

This is a very important thing to find out at this time as some tests
of Cotton Seed raised ON THE PLAINS this year show a germination
test as low as 10%.

YOU CANNOT RAISE A COTTON CROP WITH SEED OF THIS CHARACTER

We have on hand several cars of Selected Gin-Run Seed—Re-cleaned
and Culled for Planting Purposes. These Seed were grown in West
Texas, above the Boll-weevil District but below the Cap Rock.

GERMINATION TEST RUNS FROM 78% TO 95%

These Seed are put up in three bushel bags—Price \$1.25 per bushel
delivered to your station—freight prepaid.

Our interest is in your getting good Planting Seed—Not in the mere
sale of Seed.

Telegraph or write us your order.
