VOL. 14. BAIRD, CALLAHAN COUNTY, TEXAS, FRIDAY, DEC. 7, 1906

T. E. Powell wants Your Trade. Honest Goods, Honest Prices, and ONE PRICE TO ALL.

Thanksgiving!

To the People of Callahan County.

Never in the history of Baird has goods been sold at prices now prevailing in my house, almost a sacrifice to say the least. I am compelled to help myself to money, and in order to explain my motive must give you a little history as to why I am pursuing this course.

In 1892 I failed in business (through no fault of mine—and the reason thereof, there is no use to explain here) ever since that time I have been paying my old debts, with one view in mind, and that is to get my honest name back, I am about to succeed, (thanks to my Maker and the people of this county,) but need a few hundred dollars more to accomplish this long cherished hope. While the winter has hardly begun yet, we nevertheless give and offer extraordinary inducements to one and all at this early season of purchasing your winter supplies at unheard of prices, from a well selected stock, which after examination must convince you of the truth of our statement.

Another appeal—Those whom we stood by and accommodated in years gone by, let me beg of you to help me in this my first appeal for help, cherishing the hope that it will not be in vain, help me to get my name back for which I shall everlastingly be grateful.

In conclusion I beg to extend to all those who have stood by me in the past and present, and those new customers I made this fall, a hearty thank you, assuring you all a fair treatment in the future as in the past, I remain with the highest hope of success for my name. Respectfully,
H. SCHWARTZ.

KINDERGARTEN ENTERTAINMENT.

The entertainment given by the "Wee Tots" of the Baird Kindergarten at the Athletic Hall Tuesday evening was a grand success from beginning to close. The Hall was crowded, and there is no doubt the largest audience of the season. The program was well rendered throughout, each little fellow playing his part to perfection. Every place was largely applauded. The evening's entertainment was closed by the Juvenile Black-face Minstrels, and the gags, jokes and cake-walks these little fellows did recited the widest applause, and everyone seemed to be well pleased with the evenings program.

Miss Maude Simmons, the teacher of the Baird Kindergarten deserves much credit for the way in which she conducts these little fellows, and there is no doubt but the people of Baird appreciate her efforts as it is shown by the patronage of the Kindergarten and the hearing they gave her little folks' concert.

NEW CROSSING.

The T. & P. Ry. Co. have opened up a new crossing at the west end of the yards at Baird, on Belle Plains—Cottonwood road. This is a much safer crossing than the one now in use, as the old crossing. This route will be used by those who do not like to cross the bridge. We would like to see the old crossing removed, and have a railroad company have done well as could be expected under the circumstances.

DIED.

Texas Cattle Captures a Number of Ribbons of Honor.

In the southwest district, which included Arizona, New Mexico, Oklahoma, Texas and Old Mexico, the Channing syndicate XIX carried off several prizes, and the red.

In the southern division, where all cattle are bred in that part of the United States and Mexico, the United States quarantine line, A. C. Panfill of Kaufman received the second premium.

MRS. F. J. LYNN GRAND RAPIDS, MICH.

Mrs. F. J. Lynn, 214 1/2 Division street, Grand Rapids, Mich., writes: "Gentlemen—I earnestly recommend Peruna to any suffering woman as it cures quickly. I had a most persistent cough which nothing seemed to cure. Two bottles of Peruna did more for me than all the doctors seem to do. In a couple of weeks I found myself in excellent health, and have been enjoying it ever since. Hence I look on Peruna as a true friend to women."
