WHEAT KING at the Tri-State Fair in Amarillo last week was Stephen Acker (left) of the Nazareth 4-H Club. Also placing high in the youths' wheat exhibits were Norman Acker (center), seventh, and Bob Behrends, eighth. Stephen and Norman are

the sons of Mr. and Mrs. David Acker, and Behrends is the son of Mr. and Mrs. Clarence Behrends of Frio. County Agent Charles Hottel, who accompanied the boys, noted that Castro County youths always win or place high in the Wheat King contest.

County racks up awards

Castro Countians won top awards in Amarillo's Tri-State Fair last week and got off to a bang-up start this week in the early stages of Lubbock's South Plains Fair.

LON KEEL of the Dimmitt FFA chapter showed the grand champion barrow at the Amarillo fair. He took home the championship trophy and \$125 in prize money.

Keel is showing his barrow in the South Plains Fair this week.

THE 1972 Wheat King at the Tri-State Fair was Stephen Acker, son of Mr. and Mrs. David Acker of Nazareth. For his winning exhibit, Acker took home \$75 in prize money.

Also placing from Castro County were Norman Acker, son of Mr. and Mrs. David Acker, seventh; and Bob Behrends, eighth.

COUNTY winners in the Tri-State Fair textile and food divisions were:

Mabel Heard — First, cotton quilt.

Catherine Hochstein — First, pears and grape jelly; Second, centerpiece, blouse, bean pickles and grape juice.

Sharon Brockman — Second, apples, tomato juice and grape jelly.

Mary Acker — First, mint jelly and peach preserves.

MRS. O. C. FRYE — Second, appliqued quilt and embroidered quilt.

Agnes Acker — First, peach preserves, apricot preserves, vanity set, skirt, suit cotton or blend, blouse; Second, pineapple, plum jelly and mint-pineapple jelly.

Elaine Acker — First, pickled okra; Second, peach preserves, apricot preserves, pillow case and tea towel.

Debbie Acker — Second, dresser scarf.

Patti Hochstein — Second, pears, wool suit and pickled beets.

Carol Hochstein — First, pears and plum butter; Second, chow chow, dress, suit cotton or blend and skirt.

Carnival coming here next week

Strate's Midwest Shows will bring its carnival back to Dimmitt next week, under the sponsorship of the Castro County Activities Committee.

THE CARNIVAL, which features 14 rides, will open Tuesday night and run through the following Saturday night at the Panhandle Compress & Warehouse yard on East Halsell Street. The carnival site is across the street from the vegetable plant operated by La Mantia, Cullum, Collier and Co.

Ticket booths will open at 7 o'clock each weenight and 2 p.m. Saturday. Tickets will be 35 cents each or three for \$1.

Members of the county's clubs, organizations and communities will operate the ticket booths for the County Activities Committee. Local proceeds will go into the Castro County Roundup fund for next year.

THIS WILL be the second appearance of Strate's Midwest Shows in Dimmitt this year. The carnival appeared at the Castro Co-op Gin yard in July, sponsored by the Kiwanis Club.

VINCENT BRADDOCK of Nazareth dominated the Brown Swiss show Monday at the Panhandle South Plains Fair. He and his six sons won 23 of 26 classes in the show, capturing all grand and reserve championships in both bull and female divisions.

Championships captured by the Braddocks included:

Duane Braddock — Champion junior Brown Swiss.

Cecil Braddock — Reserve Champion junior Brown Swiss.

Vincent Braddock — Grand and Reserve Champion bull, open Brown Swiss class; Grand and Reserve Champion female, open Brown Swiss class; premier breeder and premier exhibitor.

Braddock's main challenger was Winston Waggoner's Brown Swiss herd from Sunnyside. Waggoner and Braddock together brought home nearly every top prize awarded in the Brown Swiss show.

WINNERS from the county in fine arts and textile classes at the South Plains Fair include:

Mrs. Naomi Brown of Dimmitt — Item of merit in the embroidery classification.

Willie Mae Sadler of Dimmitt — Monochrome in the china painting classification.

The county commissioners' court today begins its call for construction bids on the new Castro County Library.

THE CONTRACT — expected to be in the neighborhood of \$150,000 — will be awarded after the commissioners' court and library board open sealed bids at 2 p.m. Oct. 17.

Final approval of construction plans and specifications for the new resource center here came Friday from the Texas State Library. This notification was the final step in the planning phases that started in mid-1970.

Under terms of the state's approval, the county commissioners' court and library board have until Nov. 4 to award the construction contract, and until June 30, 1974, to complete the project.

THE 110 x 70 ft. library building will be built on a two-to-

site at the corner of West Bedford and Southwest Second Streets. Work started last week on demolishing the building that sits on the inside lot of the site.

Library Board Chairman Jack Miller said the total project budget is \$207,500. This includes \$150,000 for the building, \$125,000 for the lots, \$20,000 for equipment and furnishings, a \$10,500 architect's fee and \$2,000 for miscellaneous fees and expenses.

The project will receive \$50,000 in federal matching funds, administered through the Texas State Library, leaving \$157,000 as the local share.

LESS THAN \$32,000 of the local share needs to be raised through a fund drive, Miller explained. The balance of the local share is secured by stocks donated in May 1970 by Mrs. Ralph Perry of Plainview. Mrs. Perry's gift of stocks was what originally kicked off the library project.

Mrs. Perry's stocks had a face value of \$93,000 when she donated them, but their value had climbed by last week to \$116,639.50, Miller said. Two years of dividends from the stocks, coupled with cash which Mrs. Perry also donated, makes her total gift now worth "well over \$175,000," Miller noted.

Money raised locally will go mainly for books, so much of the \$32,000 budgeted as the local share can come in the form of book donations instead of cash, Miller said.

"We've just about doubled our number of books in the past year, but the books will have to go through a culling process in accordance with state library specifications. That's a big job we still have ahead of us," Jimmy Rcss, fund drive chairman, reported that cash donations locally have been "pretty slow" so far, with \$4,145 contributed to date.

GOP slates open house

Castro County Republicans will host an open house Sunday from 2 to 5 p.m. to celebrate the opening of their new headquarters in the office adjacent to the Rawlings Hotel on Bedford Street.

ON HAND for the public reception will be Congressman Bob Price of Pampa and State Senator Henry Grover of Houston.

County GOP personnel will be responsible for hospitality. They are Helene McFarland, county GOP chairman; Mary Flynn, Tower committee chairman; and Opha Burke, chairman of Women for Tower.

The headquarters will be open afternoons Monday through Friday. The telephone number is 647-3296.

DHS Homecoming is in full swing

Dimmitt High School Homecoming week activities will reach a climax with a bonfire and pep rally tonight (Thursday) and Homecoming game Friday night.

THE FLAME KING and **QUEEN** will be crowned at the bonfire at 7:45 tonight. The high school student body elected the king and queen Wednesday, but results will remain secret until the bonfire and pep rally.

Candidates for honors are Melissa Moore and Larry Shugart, freshman class; Tonya Clark and Shannon Truelock, sophomore class; Guinia Sheffy and Roger Underwood, junior class; and Sylvia Nino and Lonnie Strickland, senior class.

During a pep rally at 3:15 Friday in the high school gymnasium, the Homecoming Queen will be crowned to reign over the evening activities.

QUEEN contestants are Sandra Carpenter, freshman; Cindy Dyer, sophomore; Sherri Burrous, junior; and Patti Jackson, senior.

A registration table for exes will be set up in South Elementary School at 4 p.m. Friday. Ex-Students Association President Garnett Holland said it will serve as a gathering point for exes to visit and move to the supper and game together.

The Future Homemakers will serve a pre-game supper of barbecued ham to the public Friday. Tickets are \$1.50 for adults and \$1 for students 11 and under. The serving line will be open from 5 to 7 p.m. in the east side of the elementary cafeteria.

Highlight of the evening will be the game against the Lockney Longhorns at 8 p.m. in Bobcat Stadium.

MH-MR center aiding 150 here

As many as 150 Castro County residents are now receiving help through the Central Plains Mental Health-Mental Retardation Center in Plainview.

THEY ARE being treated, both as inpatients and outpatients, for problems involving emotions, alcohol, drugs, and other mental health problems resulting from the pressures of life at today's pace.

The statistic was revealed Friday night by Bill Dillard, director of the center, at a banquet and "report session" at the Colonial Inn. Staffers of

the center met with 70 or more local representatives of city and county government, schools, churches, hospital and press.

Dillard explained that Castro is one of nine counties served by the new MH-MR center, which is part of the Central Plains General Hospital complex.

DILLARD said the regional MH-MR center is designed to help people overcome their mental health problems in their home environments, since the environment often is a contributing factor. Too often, he said, patients are committed to far-away institutions or hospitals where they are clinically cured in artificial surroundings, only to have their problems crop up again when they are put back into their home environment.

Dillard introduced two local "outreach workers" who serve as liaisons between the patient at home and the center in Plainview. They are Phyllis Murphy, LVN, Dimmitt outreach worker whose job is to communicate the center's services to the public here; and Betty Fowler, RN, who works out of Dimmitt to carry the center's outreach program to mental health patients in all nine counties.

Mrs. Murphy, who works out of her home and the office of her husband, Dr. B. D. Murphy, urged all interested people here to visit the Plainview Center "and take advantage of it."

DILLARD explained that the center's operations are governed by a board made up of the nine county judges and one judge-appointed trustee in each county.

Dillard praised Castro County's trustee, Noel Gollehon "who has been with our center from the start, through all the trials and tribulations."

These local people—outreach workers, judges and trustees—work with a resident staff of 32 specialists to provide treatment and services for residents of the area, Dillard said.

THE CENTER leans heavily on the team treatment approach, Dillard said. "We expect 1,200 new people next year with mental health problems," he explained. "It's a widespread thing and takes many forms. To treat larger numbers of people, we treat them in groups of people who have similar problems."

Ernest Waggoner rites set today

Funeral services for Ernest Waggoner, 78, of Kerrville will be held today (Thursday) at 2:30 p.m. in the Sunnyside Baptist Church.

MR. WAGGONER died Tuesday at 1:15 p.m. in Kerrville. Officiating will be Rev. Murle Rogers of Shamrock, assisted by Rev. Mack Turner, pastor of the Sunnyside church, and Rev. Randall Ball of Big Spring.

Burial will be in Castro Memorial Gardens, under the direction of Dennis Under the Home.

Mr. Waggoner was born in Sulphur Springs Oct. 23, 1893. He had come to Castro County in 1924 and farmed at Sunnyside until he retired and moved to Dimmitt in 1960. He moved to Kerrville four years ago.

He is survived by his wife, Katy; two sons, J. Paul of Sunnyside and E. R. of Dimmitt; a daughter, Claudia Sparkman of Kerrville; a brother, Odis of Los Angeles; a sister, Mrs. John Arledge of Kerrville; five grandchildren and four great grandchildren.

ESP, hypnotism on tap tonight

The Dimmitt Rotary Club will sponsor a public showing tonight (Thursday) of the popular "Windows of the Mind" program, which delves into extrasensory perception (ESP), mental telepathy, hypnosis and clairvoyance.

THE SHOW will be in Dimmitt High School auditorium, and will begin about 8 p.m., when DHS's student body completes its Homecoming bonfire and pep rally.

Admission will be \$2 for adults and \$1.25 for students. Preschoolers will be admitted free.

"Windows of the Mind" is a demonstration of unusual powers, presented by three trained psychologists—Don and Wilva Edwards a husband and wife psychic research team, and Bill Riddle, a master hypnotist. All three of the show's participants live in Lubbock.

MR. AND MRS. Edwards have experimented with ESP and investigated psychic phenomena from coast to coast, and in the islands where Voodoo is practiced. They will demonstrate mental telepathy, mind reading and clairvoyance, and also plan to demonstrate that members of the audience have the ability to communicate telepathically.

Pine Street mixup

Yesterday here was there, but today it's here

One of the biggest headaches in moving is getting the mail to follow you—especially second and third class. Magazines require at least six weeks to get the address corrected; then credit card companies, friends alumni lists etc. all have to be changed too.

ENOUGH to make you never move isn't it?

But residents along Pine Street in Dimmitt will tell you that you don't have to move to become acquainted with the change-of-address headache.

The city notified residents on the north side of the 700 block of Pine Street that their house numbers were incorrect and would have to be changed. So all those homeowners got the mail-switch headache without ever packing a box or emptying a closet.

HOW DID this incorrect numbering happen?

The News talked with some of the residents the city, the post office and the Bob Huckabays who are developing property in that addition.

"Pine Street is in the Clearing Addition and building

sites in it are sold by the front foot not by lots" Huckabay said. "The block was platted but more lots were sold than the

original plat. "THE FIRST house on that side of the street was built on the west end of the block so

the house numbering started backwards. I assume they took the original plat map and counted the lots and arrived at a

MR. AND MRS. BOB CADDELL OF 722 PINE ST. ... Ooops! Make that 724!

number. Then as each house was built they figured their house back from the corner.

"Now that we're developing the lots on the east end of the block we've run out of 700 house numbers" Huckabay explained. "To number the last two houses on the east it would have had to drop into the 600's. So the city notified residents of the renumbering which began at the east end of the block."

"This same numbering problem has developed in other parts of town too," Huckabay said. "On Eleventh and Twelfth Streets the builders assigned numbers to the house upon completion. That number is the one FHA requires us to close under. We knew a lot of the numbers were wrong so we warned buyers that the number on the loan papers probably would not be their true house numbers."

ANOTHER place a numbering problem exists is along Front Street south of West Jones. A half block exists between Sixth and Front that is also part of the next block. Some of the 600-block streets intersecting with Front start with 600 and others begin with

603 and 604. Does changing a house's number count as a move with the US Post Office?

"As far as the Post Office is concerned it doesn't count as a move," Assistant Postmaster Bill Sava said.

"The city notified us of all the changes and the Post Office will assume the responsibility of forwarding the mail without charge for a period of two years," Sava explained.

"This time will enable residents to change their mailing address on magazines, bills and personal mail. It would help us, though, if these people would file a change of address card with us although it is not required."

"The Post Office has no responsibility in the numbering of houses" he said. "Residents notify the city of their house number, then they put up their own house number and mail box and tell us to deliver the mail."

CITY Manager E. B. Noble said the city notified residents that renumbering of Pine Street's 700 block was necessary and requested that they change their house numbers.

Football games, club meetings keeping everyone busy

By MYRTLE SHEFFY
Football and the clubs are the "in things" now, either on TV or going.

THE Tulla Garden Club sends us all an invitation to see the Flower Show in the Willie Room Saturday, Oct. 7, 2 till 6 p.m.

Don't forget the Dimmitt football game Friday with Lockney. This is homecoming time and a big barbecue supper will be served at the South Grade cafeteria.

Mrs. Goodwin Miller and her cousins Anita Morris and Allie Mae Willis went to Clinton and Hobart, Okla. to visit kin, then on to the City to see the Fair and the big flower show that Jennie's sister Ione Davis will judge.

SEVERAL Dimmitt people went to watch the WTSU Buffs whip Colorado State 41-14. These are the folks I heard of who went—Mr. and Mrs. Charlie White, Mr. and Mrs. M. E. Cleavinger, Mr. and Mrs. Frank Wise, Mr. and Mrs. Kenneth Cleveland, Mr. and Mrs. Glenn Ratchler, and Mrs. N. F. Cleavinger.

And half the town went to Springlake-Earth for the Bobcat and Wolverine game. This was 14 to 13, their game. They played best the first half Bobcats best the last half. But don't we have a good time listening to the bands? Also we ate their good Mexican food.

'DIG' THAT FROG!—Potatoes grow so abundantly in the soil here that sometimes they grow off in all directions and shapes. For instance, would you believe a frog? Nita Kyle, manager of the Colonial Inn Restaurant, shows the frog-shaped potato which she dug from her garden recently. She went to her button box to get the eyes, nose and mouth for it.

Josie Bradford came in high last Friday during the weekly CCCC Bridge Club play with a score of 4,040. Dee Williams, chairman of the local game group, came in second with 3,000; Loretta Hucks was third with 2,540; and Cletha George was fourth with 2,290 total.

DOROTHY Elder was hostess for last week; with my wife, Jon Nell, hostess for Friday.

My spouse tells me that she has had several inquiries for a night session for ladies and men who work. Anyone interested in getting together one night a week (or two nights a month, or whatever) please call her at 647-4555.

Rumor has it that Rosalie Gilbreath took our 'formula for doubling' to heart last week. But what has eating two doughnuts got to do with it?

BRIDGE TIP: A rebbidab suit is a suit holding which is of sufficient strength for the bidder to bid that same suit more than once without having been supported in the suit by partner. Four-card suits are definitely not rebbidable, regardless of strength, unless supported by partner in that suit. A rebbidable five-card suit must be headed by at least two honor cards. Any six-card suit must be headed by at least two honor cards. Any six-card suit is rebbidable.

JOE CARVER, CCCC President, presented Bobby Vilas with the 1972 City Golf Title trophy Sunday night during the LGA awards dinner. Vilas defeated Polly Holland 6-5 in a tough-luck 'rim lipping' match Carver said, with Amy Glover defeating Maxine Childers two-up for championship consolation.

Ole Mae Trimble captured top honors in the First Flight with a 6-4 win over Bernice Hill. Trimble also overcame odds by taking the coveted medalist trophy with an 18-hole score of 86. First Flight consolation went to Kathy Thomas. Vaudine Giles grabbed the spotlight in the Second Flight

by defeating Juanita Bruegel 4-2; Neva Hickey won consolation.

JOANIS Robertson stopped talking about her new grandson long enough to defeat Rosalie Gilbreath 4-3 for the Third Flight title. Consolation went to Doores Baldrige.

Maxine Childers, 1971 Defending Champion, received the honorary trophy for Best Sport.

A chicken dinner was catered by Laverne Bates for 29 contestants and guests.

Boat owners not obligated on USMM fee

According to the Texas Parks and Wildlife Department, the state's 400,000 boat owners are candidates for the "touch" by a spurious organization known as the "United States Merchant Marine, Marine Registry."

THE department maintains a master file containing the names and addresses of all Texas boat owners. The information contained in the file is considered public information and may be obtained by anyone who pays the cost of reproduction.

Using the names for its own mailing list, the USMM asks for a \$6 registration fee of boats and motors and promises only the services of an information center in Washington. This is followed up by a second notice in more imperative tones stating the importance of returning the forms and money immediately. The USMM does state in fine print at the bottom of the forms, "This form does not exempt applicant from State or Federal registration requirements."

The only boat registration Texans have to worry about is the one required by the Texas Water Safety Act and administered by the Texas Parks and Wildlife Department.

THE USMM is a private organization and is not connected to any federal or state agency. Located in Washington, D.C. it uses official looking stationery for its mailings to boaters.

IN THE major six-state cattle feeding report, which includes Texas, Arizona, California, Iowa, Nebraska, and Kansas, number of cattle on feed totaled 7,551,000 head. This is a three percent decrease from a month ago, but 17 percent more than for the same time in 1971. Iowa is the second ranking cattle feeding state with a total of 1,476,000 head as of Sept. 1 on feed.

Lookingbill service held

Final rites for L. B. Lookingbill, 74, of Summerfield were held at 10 a.m. Tuesday in the Summerfield Baptist Church.

MR. LOOKINGBILL who came to Summerfield in 1920 from Tulia died Saturday in Deaf Smith County Hospital in Hereford.

Rev. Neal Foster, pastor, officiated at the services. Burial was in the Rest Lawn Memorial Park in Hereford, directed by Gililand Funeral Home.

Mr. Lookingbill was the owner and operator of the Summerfield Store and Post Office. His wife, the former Eva Noland, served as postmaster of Summerfield from 1927 until her retirement last July. Mr. Lookingbill was named officer in charge at that time.

SURVIVORS include his wife, Eva; four sons, Fred of Summerfield, Bill of Hereford, Jim of Povina and Bradley of Amarillo; a daughter, Ann Clearman of Lawn, five brothers, David of Hereford, Cecil of Amarillo, Alton of Twin Falls, Idaho, Frank of Loco, Okla., and Harry of Black; and two sisters, Fieff Crow of Tulia and Ruth Adams of Bullhead City, Ariz.

The family requests that memorials be to the American Cancer Society.

CPAs explain political gift tax benefits

This year, for the first time, contributors to political campaigns may obtain income tax benefits in the form of either a credit against taxes owed or a deduction from taxable income.

WOULD AN eligible taxpayer be wiser to take the credit or the deduction?

It depends upon the amount contributed, whether the taxpayer is filing an individual or a joint return, and most of all his tax rate, according to the Texas Society of Certified Public Accountants.

The credit is allowed for one-half of the amount contributed, up to a maximum of \$12.50 (\$25 on a joint return), a Texas CPA spokesman explains, while a deduction can be taken for the full amount contributed, up to \$50 (\$100 on a joint return).

PERSONS in higher brackets gain greater benefits by taking the deduction, say the CPAs. For example, a person in the 60 percent tax bracket filing a joint return who treats a \$100 contribution as a deduction reduces his taxes by \$60, whereas if he takes the credit his savings is only \$25.

Who should take the credit instead of the deduction? Generally say the CPAs, persons with a tax rate under 25 percent, which includes most people whose taxable income on a joint return is less than \$16,000. If in doubt, the CPAs suggest that tax results be computed both ways to see which brings the greater benefit. If the taxpayer takes the standard deduction, he cannot claim the political contribution as a deduction, but he can take it as a credit.

Not all political contributions are eligible for the tax credit or deduction. The contribution must be to a national political party, or to an announced candidate for national, state or local office (or to an organization set up to help elect him).

In the case of contributions to a candidate rather than a party, the money must be for use in the campaign. Contributions to political action groups having functions other than electing candidates are not eligible.

The CPAs recommend that receipts, cancelled checks and other evidence of political contributions be retained, since the Internal Revenue Service requires that the taxpayer must be able to document such gifts.

IT IS again time for the garden check list.

1. Caladium tubers should be dug, cured, and stored before frost. Dig the tubers without removing the leaves. Wash the tubers with a hose to remove soil and debris. Place in a basket, slotted tray or other container allowing good air circulation. Allow to cure in a dry well ventilated area. In about two weeks, remove the dry foliage and store tubers in dry sand, perlite, peatmoss or vermiculite. Place some of the material between each layer of tubers. Store tubers at 60 degrees until spring planting time.

2. Watch lawn areas for the first sign of brown patch. If certain areas have had a past history of this disease, treat the area before it appears. Terraclo (PCNB) is the best control presently available.

3. IN AREAS where chinch bugs are active, it may be necessary to make a third application of Diazinon, Aspon or Trithion to prevent large numbers of this pest from overwintering in your lawn.

4. A fall application of fertilizer to the lawn area will benefit both the grass and the woody plants in the lawn area. Apply about two pounds of actual nitrogen per 1,000 sq. ft.

Christmas Fair scheduled Friday; cake decorating workshop Tuesday

By IRENE KEATING
Remember the Christmas Fair Friday from 10 to 12 and 1 to 5 in the assembly room of the courthouse. You can get ideas for decoration and gift items. Now is the time to get started if you plan to do anything so you won't be so rushed. We'll also have a recipe sheet with some holiday food ideas.

TUESDAY is the day for the cake decorating workshop. There will be two sessions; come to the one of your choice. We'll meet and leave from the courthouse at 9 a.m. and 4:30 p.m. to go to Mrs. Nita Beavers' home for the training. Anyone who wants to know how to make more attractive cakes is urged to attend.

Next week I'll be attending the National Association of Extension Home Economists meeting in Denver. I plan to get many new ideas to share with you.

I want to thank the Home Demonstration Council for letting me represent the agents at the state THDA meeting in Houston recently. Also, I enjoyed being with Nell Ingram, Sue Tischler, Margaret Womack and Oneida Hutto at that meeting. I appreciate all the club members in the county. You are doing an excellent job and making a tremendous contribution to our communities.

1. Stake mums to protect from wind and rain storms.
2. Prepare for pansy plants.
3. FLOWERING annuals to sow this month include cornflower, California poppy, snapdragon, bluebonnets and Drummond phlox.

4. Clean up tools and get them ready for use next spring before you store them for the winter.

5. SEASONAL memberships are available through Froehner and are \$10 for adults and \$5 for students. Membership in the association admits holders to the National Ballet of Washington and a Broadway musical to be presented this year in Harrel Memorial Auditorium.

6. CONCERTS drive is in final week. This is the final week to buy memberships in the Plainview Community Concerts Association, according to Nolan Froehner, local coordinator.

7. PATIENTS IN HOSPITAL: Ruby Jewel Patterson, Effie Dodd, Gene Cotton, Cleo Castenada, Lela Dodson, Etie McDermitt, Minnie Simpkins, Marvin Shifflet, Homer Hamilton, Birdie Fite, Mitchell Henderson, Lester Limicy.

8. PATIENTS DISMISSED: Burt Andrews, Dean Smithsin, Ruth Skinner, Clifford Murphy, Pat Barrios, Alice Smith, Bobbie Richburg, Jaci Johnson, Norma Smith, Jimmy Duke, Richard Gonzales, Ola Murphy, Allen Webb, Dora Enriquez, Arlia Pando, Todd Touchstone, Roy N. PHOTO CONTEST WINNERS—The Donald T. Schilling family of Dimmitt was one of 13 winning families in the Treflan "Field & Family Clic-A-Pic Contest" conducted this summer by Elanco Products Co. in the southwestern states. The Schillings won an expense-paid weekend in Dallas for sub-

mitting the best entry from this area. The entry included pictures of the family and a crop field. The Schillings and the other winners were treated to a weekend of fun at Six Flags Over Texas, Seven Seas and other attractions recently.

Lomenicks buy Hereford drive-in

Mr. and Mrs. Neal Lomenick, owners of the Arrowhead Drive Inn in Dimmitt for the past two years, have purchased the Arrowhead in Hereford.

THE LOMENICKS will move to Hereford, and will assume management of the drive-in there Monday. However, they will continue to own the Dimmitt Arrowhead.

Lomenick announced that Mrs. Earl Buchanan will be the manager of the Arrowhead here, effective Monday.

The Lomenicks purchased the Hereford drive-in from Gerald Turnbow, former owner of the Arrowheads in both Dimmitt and Hereford.

AS OF Sept. 1, there were 2,095,000 head of cattle and calves on feed for slaughter in Texas. Compared to a year ago, this is 32 percent higher. Placements into Texas feedlots during August totaled 381,000 head; this is 28 percent above a year ago. Marketings of fat cattle during August totaled 406,000 head. This is 16 percent above last year.

Interstate road system is Texas success story

More than 80 percent of Texas' 3,176 miles of designated Interstate Highways are improved and open to traffic.

ACCORDING to a report by the Federal Highway Administration, Texas had 2,525 miles of the Interstate system under rubber on June 30. That is more miles than any other state will have when the system is completed in the late 1970s. California, the second state in designated mileage, had 1,941 miles of its 2,288-mile system completed.

The system in Texas already is paying big dividends. Travel is proving to be twice as safe on Interstate Highways than the old travel facilities they replace.

While the benefits in safety and convenience derived from better highways are readily apparent, economic benefits often are overlooked.

ECONOMISTS estimate that the highway users will have saved \$37 billion more than the total cost of the system by the time the network is finished. That does not include real savings in travel time for drivers and passengers.

One highway improvement dollar invested results in \$2.50 spent in related industries: road material, suppliers, equipment, fuel, oil, tires, etc. Another \$2.50 is spent for consumer goods—food, clothing, recreation—purchased with wages or profits earned in the construction-related industries. Further, another \$2 will be invested as new developments along the improved highway.

THE TEXAS Highway Dept. is making it easier for motorists by improving milepost markers and exit signs along the state's Interstate highway facilities.

The familiar little green signs with the white numbers can help a driver if his car breaks down or runs out of gas. The motorist can report the nearest milepost to a service station or garage. The Highway Patrol uses the markers to pin-

point accidents and to describe accident locations—and the department uses the reports to analyze highway hazards.

Mileposts are numbered in increasing order from the southern and western ends of Interstate highways in Texas.

Cattle Feeders name executive

The Texas Cattle Feeders Association, headquartered in Amarillo, has named Charles E. Ball of Dallas as its new executive vice-president, effective Nov. 1.

TOM HERRICK, president of the association, made the announcement following a recent TCFA executive committee meeting in Amarillo.

"Now that Texas is the No. 1 cattle feeding state in the nation, we feel fortunate in having someone with Charlie Ball's knowledge and experience in public relations, promotion and organization," he said.

For the past 20 years, Ball has been Southwest regional Editor of Farm Journal, the Largest farm magazine in the nation. In that capacity, he traveled extensively throughout the US and abroad, searching for new and profitable ideas to pass on to Farm Journal's 2,400,000 subscribers.

BALL IS a native of Lamar County, Texas, where he was a national 4-H Club winner. Later, he attended Texas A&M and Iowa State University. In 1960, he was selected as Outstanding Farm Magazine Writer in the nation by the American Seed Trade Association. And more recently, he has served as president of the Texas Agricultural Workers Association, the Agribusiness Council of Texas, the Dallas Agricultural Club and the Southwest Section, American Society of Agricultural Engineers.

The Texas Cattle Feeders Association, organized in 1967, now has 900 members who will feed over 4 million cattle this year.

NUECES, Smith, Trinity, Victoria and Walker counties have been added to the list (now numbering 36) under imported fire ant quarantine federal regulations.

Mrs. Es Noble describes Canada-New England trip

By MRS. ESTER NOBLE

We returned Sept. 12 from a 25-day 10,000-mile trip to Canada and the northern states. SOMETIMES we go afar and miss the scenic things close to home. We left Dalhart the morning of Aug. 19 and went to Clayton, N.M. I was reading highway signs and noticed one about the extinct volcano in the Capulin mountains. We turned back and made our first sighting stop there. I had never known a volcano was that close to home. It was interesting and pretty. I believe it was the coldest place we were at the entire trip. Sunday we drove into Wheatland, Wyo., and spent about two hours with our oldtime friends, Isola (Talley) and Sister Cobb. We found another unexpected sight just outside of Wheatland—the Natural Bridge of Wyoming. We had taken our food with us, so we ate lunch in the beautiful park close to the bridge. We ate nearly all our lunchtime meals at parks on the way up, and enjoyed the outdoors.

We took a snowmobile ride on the glacier and on up to Jasper. In Jasper, for the only time we were gone, we could not find a place to spend the night. So we spent one night sleeping on the couches in the lobby of a lodge and napping the next morning in the car. Both the Banff and Jasper National Parks were very pretty. We went back to Calgary, where we turned east across southern Canada, making many stops along the way. At Amherst we took the ferry to Prince Edward Island in the Gulf of St. Lawrence. After spending the night, we returned to the mainland, then went on to Halifax. IN HALIFAX we took a three-hour sightseeing tour. Two of the interesting things the driver pointed out were the place the Titanic sank and the site

of another shipping explosion—in 1935, I believe. Then we went to the northern part of Nova Scotia to Cape Breton and drove the lovely Cabot Trail. From the Trail we drove into the New England states.

We stopped in New Hampshire and drove to the top of Mt. Washington, the highest peak in the White Mountains. It is not as high as our western mountains, but it was a scary drive. FROM THERE we drove to Fairfax, Mo., Ester's birthplace. We visited his cousins in and around there and the cemetery and church where his family is buried. We enjoyed our trip immensely.

Nelson to head CCAC during '73

Don Nelson is the new chairman of the Castro County Activities Committee. HE WAS elected at the committee's September meeting to succeed Carl Bruegel, who has headed the last two annual Roundup celebrations. Elected vice-presidents were Harley Wilke of Hart and Gary Gerber of Dimmitt. Jo Behrends of Dimmitt was re-elected secretary-treasurer. A vice-president from Nazareth is still to be elected.

Nelson said he would call a meeting later—probably after harvest—to organize and set goals for the committee for 1973. THE COMMITTEE is composed of representatives of all communities, clubs and organizations in the county. It works with these organizations and with public officials to coordinate Roundup and other county-wide activities during the year. NATURE is grand until the weeds begin to grow.

V.F.W. NEWS

By GERALD BROADSTREET
Greetings Comrades, These cool snappy mornings mean our summer is just about over, and the harvest activity sure is picking up. It won't be long till there will be spooks and goblins invading the area "trick-or-treating." Seems like time sure is flying by this year. WOULD you believe next Monday is our regular meeting night? That's how close we are to October. Please keep this in mind and don't forget to call two other Comrades and remind them of our meeting. On meeting nights, the post home is closed and members only will be admitted. The post home will open at 7:30, one hour before meeting time, see you there.

I WANT to be sure and remind you that when you send me your 1973 renewal fees it will be \$8.25. The new rate increase I've been telling you about has just now gone into effect. Our membership renewals have been coming in real good, and I'm very proud to report that we have 103 members as of today. Thanks to one of our good hearted members, Dr. J. E. Wohlgenuth, we now have a post card size duplicating machine. I'll be putting it to use as soon as I get the proper supplies. Thanks again Doctor, I sure do appreciate it. Don't forget, every Wednesday night we have Game Night activities at the post home. Starting time is 8:30 and usually we are finished by 10:30. Come on out and bring the family with you, you'll all enjoy it I'm sure.

County Demos gain posts during state convention

Castro County Democrats were named to four district and state party posts last week at the Texas Democratic Convention in Houston.

COUNTY delegates to the post-primary "governor's convention" were Carl King, Oscar Wylie, Bill Graham Jr. and Bobby Ebeling. Also attending were Mrs. King, Mrs. Wiley and Mrs. Graham. The county's two other elected delegates, B. M. Nelson and Bob DuLaney, were unable to attend.

Nelson was confirmed as the alternate Democratic presidential elector from the 31st Senatorial District. If voters in this district favor the Democratic presidential ticket, he will help "ast the district's vote in the National Electoral College after the November general election.

Also, the Castro County delegation elected Nelson as its member and Ebeling as its alternate on a new state advisory committee to the State Democratic Executive Committee. Delegates elected Andy Shuvall of Hereford chairman of the new advisory committee. The new body will assist the district's state Democratic committeeman and committeewoman in organizing voter registration drives, precinct and county conventions, Young Democrat clubs, membership drives, etc. WYLIE served on the rules committee of the 31st District caucus.

District delegates re-elected Joe Batson and Ruth Osborne of Amarillo as the state Democratic committeeman and committeewoman from the 31st District. King, as Castro County Demo-

cratic chairman proposed a wheat-rebate resolution that was adopted in the 31st District caucus but did not come to a vote in the general convention.

KING'S resolution called for the state convention to endorse the Bentsen-Purcell Bill, which

would adjust wheat certificate payments in light of the price received in the recent US wheat sale to the Soviet Union. The bill has been introduced in the US Senate by Sen. Lloyd Bentsen of Houston and in the House by Rep. Graham Purcell of Wichita Falls. King's resolution was referred to the state party's platform committee.

King also proposed a resolution aimed at changing the "McGovern Rules" that govern state and national Democratic conventions this year. His resolution called for county chairmen to recommend changes in the party rules.

"This was one of my main purposes for being there," King said, "but the resolution bogged down."

KING REPORTED that Sen. Bentsen urged the election of a Democrat-controlled Congress again in November. He said that if a Republican-controlled Congress is elected, a lot of important committee chairmen from Texas will be replaced by Republicans," King said. "These include such men as George Mahon, chairman of the House Appropriations Committee; Bob Poage, chairman of the House Agriculture Committee; and Graham Purcell, vice-chairman of the Agriculture Committee."

Main purposes of the "governor's convention" were to elect state and national executive committee members, establish party rules for the upcoming administrative term, and adopt or amend the platform proposed by Dolph Briscoe, the party's nominee for governor.

TEAMWORK succeeds when both horses pull.

WTSU coach will talk here today

A member of West Texas State University's coaching staff will outline the Buffaloes' football program and prospects today (Thursday) at the noon meeting of the Castro County Jaycees.

COACH Gene Mayfield's Buffaloes bounced back from their opening-game loss to potent Drake University by scoring a decisive victory over Colorado State University Saturday. Today's luncheon meeting will

be in the Colonial Inn Restaurant, and is open to the public. Leslie Clary is the program chairman.

WHEAT seeding is active from the Edwards Plateau to the northern High Plains. Seeding for the state is about 20 percent complete.

SOYBEAN production is now estimated at 5,670,000 bushels compared with 2,781,000 in 1971.

The '73 Ford LTD. 65 decibels at 60 mph. Quiet is the sound of a well-made car.

At 60 mph a '73 Ford LTD rode quieter than an airborne glider.

On July 27, 1972, General Radio Co. tested a '73 LTD against an airborne glider. Both at 60 mph and with identical sound level meters. The result: the Ford was quieter. But the new LTD is more than just quiet. It is well made from its power front disc brakes, power steering and automatic transmission, standard equipment, to its luxurious, comfortable, roomy interior. There are 16 new Ford models to choose from and each will convince you that quiet is the sound of a well-made car.

A '73 Torino rode so smooth, a high wire artist kept balance on a road of 2x4's.

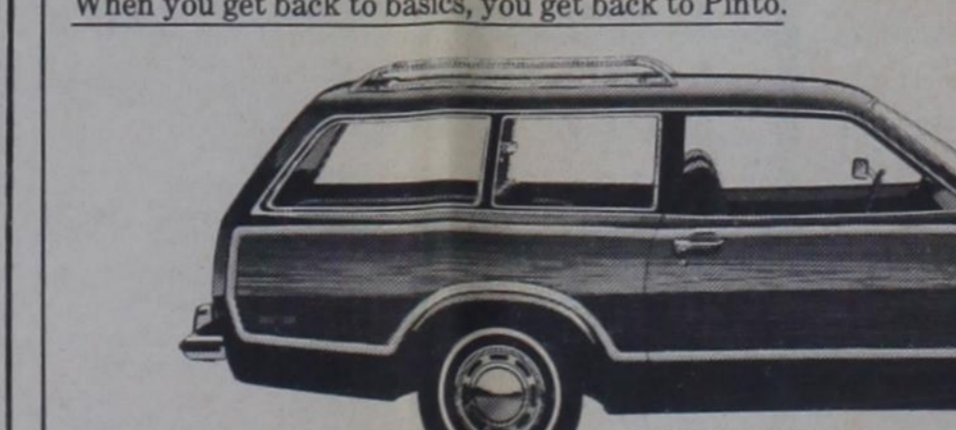

Chances are you won't try to balance yourself on top of your new Torino. But, when you're riding inside, you'll still appreciate Torino's refined suspension—because it helps to cushion bumps, absorb road vibrations and reduce body sway. You feel solidly in control while you ride in comfort and luxury. The solid mid-size Torino. Smooth riding, strong and quiet.

'73 Pinto: When you get back to basics, you get back to Ford.

Ford, the company that built the first basic, solid, reliable car seventy years ago—has built today's basic, solid reliable car: Pinto. It's become America's top selling economy car for more reasons than economy. Here are some of those reasons: A 1600 cc. engine developed and perfected in over 10 years of actual driving. Rack-and-pinion steering. Solid welded body, electrocoated to fight corrosion. 4-speed transmission—lubed for life. Everything we've learned in seventy years of car making—all the basics—we build into every Pinto Wagon, Runabout and Sedan. When you get back to basics, you get back to Pinto.

THE 1973 PINTO WAGON (shown with Squire Option, luggage rack, Deluxe Bumper Group and whitewall tires).

Three join mountain foliage tour

By TEENY BOWDEN

Mr. and Mrs. L. B. Bowden and Mrs. Ed Thompson took a foliage tour into the Twin Spanish Peak area of the San Isabel National Forest in Colorado and in the Taos, Tres Ritos area of New Mexico Friday and Saturday. It is a very beautiful two day drive this time of year.

MR. AND MRS. Hershel Wilson, Lonnie Daneen, Randy Ball, Linda Slayder, and Cindy Sadler attended the youth rally at Muleshoe Monday night.

Mrs. Noble Armstrong was dismissed from Plains Memorial Hospital in Dimmitt last Sunday afternoon.

Mrs. E. R. Sadler visited in University Hospital Monday with her dad and Mrs. M. H. Fowlkes. She spent Monday night with Dr. and Mrs. Myles Sadler and Gregory. Gregory came home with her and stayed until Sunday. His parents came for him Saturday night and spent the day Sunday.

Mr. and Mrs. L. B. Bowden visited in Canyon Monday afternoon with Ben Loudder and his daughters. They also attended the Tri-State Fair and the Roy Clark show in Amarillo Monday night.

MR. AND MRS. Thomas Parson returned home last Sunday night from a one-week vacation and fishing trip to Proctor Lake near Brownwood.

Rev. and Mrs. Mack Turner returned home Tuesday from the allergy clinic in Oklahoma City.

The Baptist Young Women met at the church Tuesday for Mission Action.

Mr. and Mrs. Floyd Ivey received word Wednesday that their daughter, Mrs. Curtis Pruitt of Lamesa and their granddaughter, Dawn Pruitt had been put in the hospital Tuesday with a virus that was causing a very high temperature.

MRS. IRVING KING went to Amarillo Wednesday to spend a few days with Mr. and Mrs. Francis King and other relatives, and to attend the fair.

Mr. and Mrs. Dewey Ball of Olton and Mr. and Mrs. Leroy Powers and girls of Hale Center visited Wednesday with Mrs. Bob Ball and the Garner Ball family. Mrs. Beulah Newton of Earth and Colleen Campbell of Olton visited with them Thursday. The GA's and Mission Friends also visited Wednesday afternoon.

Noah Spencer spent Thursday night and Friday with Mr. and Mrs. Chuck Lay and Chris who have recently moved to Andrews.

Lisa Orr and Lesa Morgan have been chosen to appear in the cast of the Springlake-Earth senior play scheduled for Oct. 17. Vickie Head will serve as a student director.

TOMMY HAMPTON became a new member of the Springlake-Earth 4-H Club at their meeting Monday in Earth. Michael Graham spoke on entomology and Tommy Graham

spoke on electricity at the meeting.

The Springlake-Earth "B" team won over Dimmitt 24-8 Thursday night with the varsity team winning over Dimmitt 14-13 Friday night. Edwin Fuller, Lonnie Wilson and Danny Merriott play on the Wolverine team. Larry Duke, Keith Calhoun, and Florencio Acevedo play on the Bobcat team.

Mrs. L. B. Bowden worked at Plains Memorial Hospital on library books Wednesday afternoon. Mrs. Winston Waggoner has become a new member of the auxiliary.

The Day Bible Study group met Thursday afternoon for their monthly meeting. Mrs. L. B. Bowden group leader was in charge.

VETERANS' SERVICES

By BEDFORD W. SMITH
Veterans' Service Officer

First off, we wish to thank the Castro County News for publishing what we intend to make a weekly report on a few highlights and benefits for veterans, their dependents and survivors, as administered by the Veterans Administration.

Next, we wish to make a correction as to office hours at the courthouse. They will be on Wednesdays and Fridays at 8:30 to 12 and 1 to 4:30, as well as on other times as needed by emergencies or by appointment. Once again, the office phone is 647-4666, and our residence phone is 647-4368.

INCOME limitations for non-service connected disabilities for veterans (less exclusions) have been raised to \$2,600 for those without dependents and \$3,600 for those with dependents. To qualify for one or more of the four kinds of pensions under the new law, the veteran must have had 90 days' active, honorable, wartime service or a disability directly incurred in wartime without benefit of presumption.

The four categories of disabilities are Permanent and Total, Housebound, Aid and Attendance, and Aid and Attendance while hospitalized.

Factors considered for Total and Permanent are age, disability, education and occupation.

Veterans over 65 years of age are presumed to be 100 percent disabled by Public Law 90-77. From ages 60 to 64 veterans rated 50 percent disabled, those 55 need one 60 percent disability or one rated 40 percent plus others to total 70 percent. Unusual cases under age 40 need special rated recommendations by the Washington central office, and over 40 may have entitlement if recommended by the rating board and the adjudication office.

See me for conditions for the other three kinds of pensions; and for compensation, or service-connected benefits.

THE VIETNAM Veterans' GI Bill does not give them eligibility for business loans, as is given to those of the Korean War and World War II, but information is available on preferential consideration by the Small Business Administration.

Vietnam veterans' deadlines to remember following separation include: 10 days to report to your Selective Service Board your address change or 30 days to register if you have not previously done so; one year to report for dental care; 90 days to apply for re-employment by former employer; 120 days to convert insurance to a private commercial insurance company; and eight years to complete training under educational assistance, etc. See me concerning veteran benefits.

Go to Ivey Insurance Agency to give Selective Service information.

of Olton, Mr. and Mrs. Ray Caviness of Carlsbad and Mr. and Mrs. Ruben Powers, Rusty and Dianne of Olton visited Friday with Mrs. Bob Ball and the Garner Ball family. Mr. and Mrs. Lewis Ball of Hart Camp visited Saturday night.

Mr. and Mrs. J. Paul Waggoner and Mr. and Mrs. Mickey Waggoner and Jason of Houston left for Kerrville Saturday after receiving word Friday night that Ernie Waggoner was worse again.

Mrs. Gale Sadler took her father, E. E. Lewis of Mount Vernon, Mo. to Lubbock Wednesday and visited with her brother and family there.

Cindy Sadler and Resa Carson attended the Dimmitt FHA Installation of officers last Sunday afternoon. Mrs. Lillian Carson and Mrs. Gale Sadler also attended.

Mrs. Gale Sadler, Cindy and Susan visited with M. H. Fowlkes in University Hospital in Lubbock Saturday.

DEBBIE WILSON and Renee Jones participated with a Lay

Witness Mission team in a Lay Witness Mission in the 10th Ave. Baptist Church in Odessa over the weekend. They gave a report to the church during the evening service.

Mrs. Harold Bischoff, Scott and Tressa of Canyon spent Saturday night and Sunday with her parents, Mr. and Mrs. Eldon Lilley.

Martin Lefevere was home from Tech Saturday and Sunday.

MR. AND MRS. Weldon Bradley, Mr. and Mrs. Carl Bradley and boys, Mr. and Mrs. Ezell Sadler, Mr. and Mrs. James Powell and children of Dimmitt, Mr. and Mrs. Gale Sadler and girls and Daneen Wilson and Mr. and Mrs. Phillip Jones Rory and Jeffery attended an annual friendship reunion in the park at Clovis Sunday with Mr. and Mrs. Cleo Widner of Melrose and Mr. and Mrs. Dale Widner and Jatou of Farwell.

Mr. and Mrs. James Powell and children had supper with Mr. and Mrs. Ezell Sadler Sunday night.

Mrs. Warrick's mother dies

By MRS. OWEN ANDREWS

Mrs. Addie Bingham of Valliant, Okla., died Saturday night at a hospital at Idabel, Okla. Mrs. Bingham was the mother of Mrs. Billy Warrick, who had been there with her since she suffered a stroke five weeks ago.

Eugene Warrick stayed a week with his grandmother before coming home to enter WT-SU for his sophomore year. Billy and Raymond went Sunday afternoon.

Funeral services were held Monday afternoon at Valliant. Mrs. Bingham had often visited the Warricks here, and lived here with her daughter several months one year during a serious illness.

VISITING the Sam Ogan family Saturday were Mr. and Mrs. W. L. Baldree of Borger. They have been friends since the Ogan's pastored Bunavista Baptist Church at Borger, where the Baldrees were members. Mrs. Baldree is also related to T.

L. Sparkman Sr. The Sparkmans and Mrs. Owen Andrews also visited with the Baldrees in the Ogan home Saturday.

Mrs. H. M. Mobley recently flew with her daughter, Mrs. Earl Reno of Midland, and her sister, Mrs. George Bentley of Monahans, to Houston to visit a niece who was critically ill. They remained about three days before flying back to Midland.

Visiting the John Simpsons are her sisters, Mrs. Cassie Silver and Mrs. Harold Wickard, and also Mr. Wickard, all of Murietta, Calif. Weekend visitors also were the Simpsons' granddaughter, Mrs. Ronnie Ford and her daughter, Kandi, of Wellington, and Mrs. Elmer Garner of Clovis.

MR. AND MRS. Billy Gene Cotton and family are now living on Live Oak Street in Hereford. Occupying the Cotton farm home are the Mike Sooters, who are employed with Cotton's business.

Emergency tillage usually good for two hard blows in this area

By DAYNE M. GOLIGHTLY
Emergency tillage is the roughening of the soil surface by such means as a rotary hoe, listing or chiseling. This is just for an emergency or trying to hold the soil when there is not a well established vegetative cover in the field. It is not for long term benefits.

TILLAGE such as this should last for maybe two hard wind storms, but if there is some rain or snow involved this process might not work for the second time. So the procedure would have to be followed out again.

Emergency tillage for sandy soils may be effective only for a short time.

On sandy land one can list the first time four inches deep. It should be done when the soil is moist if possible. Later listings should be done at progressively deeper depths. If there is some row crop stubble, list between the rows leaving the stubble sticking up on top of the ridges. This helps a great deal in stabilizing the

soil. The effects of emergency tillage last longer on medium and sandy soils, because the cloddy surface on these soils is usually rougher and the clods last longer. Chiseling is the best way to turn up the kind of clods that control blowing of these soils.

LISTED RIDGES within the tilled strip will not be spaced wider than 42 inches. When the field is strip chiseled, the spacing should not be wider than 24 inches on medium textured soils and 36 inches on fine textured soils. When field is chiseled solid, spacing of chisels should not exceed 54 inches.

Emergency tillage operations will be generally at right angles to the prevailing winds. Emergency tillage operations that result in ridges and furrows will be on the contour as near as possible, consistent with prevailing wind directions.

IF ROW crop is to be planted, chisel field in planned row direction or perpendicular to planned row direction.

PREVENT SEPTIC TANK CLOGGING! ONE TREATMENT LASTS FULL YEAR!

Kern Plumbing & Electric 101 Main St. Nazareth, Texas 79063

TRAVIS HAMPTON JR., Dimmitt's sophomore split end, makes a diving catch in the second quarter of Friday night's game against Springlake. The little speedster made half a dozen outstanding catches in heavy traffic during

the game to keep the Bobcats' drives alive. However, the host Wolverines won the game by a whisker-close 14-13 margin.

280 attend KC steak supper

By MRS. AGNES BROCKMAN
The Knights of Columbus had another steak supper Sunday

evening and had a large turnout, around 280. Quite a number of folks came from out of town.

After dinner a crowd was entertained by Doug Britten and Debby Cooper. The money made and donations were given to the Albert Gerbers.

★ WE WERE sorry to hear of the death of Sister Marcella's mother, who died last week.

Mr. and Mrs. Lon Brockman drove to Muleshoe Sunday and visited the Don Rempes' and Phil Brockmans.

The Nazareth seventh, eighth graders and freshmen went to Amherst Thursday and won the game 35 to 6.

The high school team went to Amherst Friday and won the game, 13 to 0. This was their second victory in district games.

★ JIMMY Brockman was home from West Texas State University over the weekend.

Many folks from Nazareth enjoyed the fair in Amarillo last week. Lots of school children went too.

Ed Wilhelm is still in an Amarillo hospital and is very sick. Some of the family are sitting up with him all the time. Let's hope he will soon get well.

The Alfred Schachers and Margaret Acker spent a few days in Colorado visiting their children.

Pat Acker left Wednesday for

Alabama, after spending two weeks at home with his folks.

★ A BABY shower was given for Linda Kendrick, daughter of the Leroy Pohlmeiers, in the home of Mrs. Charlie Hill Sunday afternoon. She received many nice gifts.

Mr. and Mrs. Gib Frazier visited with the Pohlmeiers and Max Acker Sunday. They informed us that Ted Jakim, husband of Viola Miller Jakim, passed away Sept. 11, in Lima, Ohio. Viola was the daughter of Sadie Miller Frazier, formerly of Nazareth.

Mr. and Mrs. Albert Schulte also Brigitta Dobmeier went to Nebraska for a wedding and to visit relatives.

Mrs. Helen Backus spent a few days in Dumas visiting her son Edmund and family.

★ MR. AND MRS. Eugene Hochstein are the proud parents of a baby girl born last week. She

has four brothers and two sisters.

Quite a number of people have begun harvesting their corn and it looks like it will turn out quite well this year. We need plenty of nice warm weather.

The Powder Puff football teams have started practice and the play offs will start Oct. 8.

★ JOHN STEFFENS and the Conrad Melchers came out from Slaton to visit the Ralph and Bud Steffens families and to celebrate Mr. Steffen's 83rd birthday. Hope you have many more Mr. Steffens.

Mrs. Margaret Stultz from Plainview, Mrs. Neva Hahn from Kermit, and Helen and Sue Burt are leaving this Wednesday to visit the Burt's relatives in Mississippi. They will also visit sights of interest, etc. while on their trip.

TEXAS cotton production for this season is estimated to be more than one million bales above 1971. The Texas Crop and Livestock Reporting Service estimates Texas' production this year now at 3,800,000 bales. This would be an increase of 1,221,000 bales over 1971 production. Yield, based on Sept. 1 conditions, is expected to average 356 pounds per acre. Only 263 pounds per acre were produced in 1971.

HARVEST is virtually complete in the Lower Rio Grande Valley. Harvest in south Central is more than one-third complete. Blackland cotton harvest is now reaching full momentum with a good to excellent yield reported. Cotton on the High and Low plains is making good to excellent progress.

The view from your library

By MARY EDNA HENDRIX

Jack Miller, chairman of the library board, received a letter from the Texas State Library stating that they had approved the plans for our new library. The board members and all of us here at the library are so excited about this report. We hope to be in the new building by early summer.

ON THURSDAY afternoon some representatives from the Central Plains Community Mental Health and Mental Retardation Center of Plainview made a tape for my library radio program. Mrs. Phyllis Murphy invited them to do this since she is a representative for this area. Noel Gollehon has worked with this center for several years and he was the master of ceremonies at the meeting that was held at the Colonial Inn on Thursday night. Bill Dillard, who is the Executive Director and Joe Meador discussed the alcoholic problems, and Roy Nichols and Bill Zeke discussed the drug abuse in this area. Mr. Dillard showed some slides of the center and some of the patients and staff members.

Saturday, Mary Acker, Hazel Merritt, Lynn King and I went to Elk City, Okla. to look at a collection of books that were for sale by a Catholic school which had closed and did not need the books. These were all easy and junior level books and were in good condition. Father Melten met us there to show us the books and discuss the price. Mary had been there last weekend and discovered these books were for sale so

she bought 30 books to bring back to show the board members.

When we came back by Mary Acker's Saturday afternoon, her son was excited about the trophy he had won at the Tri-State Fair in Amarillo. Mary gave us some sauerkraut that she had made. If you will notice in the paper, the David Acker family is always doing things. We are proud to have Mary on the library board.

I WOULD like to thank Edna Riley, another board member, for helping Irma Salinas in the library Saturday while Mrs. King and I were out of town. Edna and her husband, Ray, entertained the board members and the librarians last summer with an ice cream supper.

Sunday, Hazel Merritt invited Lynn King, Maggie Boren, and Yours Truly out to her country home for dinner after church. Hazel has several bookshelves filled with books and she is certainly library minded. We are fortunate that we have so many on the board who are concerned about the progress of the library. Jack Miller, Leora Little, and Jackie Armstrong are three more board members who have worked hard to help the library accomplish higher standards.

A book is a garden, an orchard, a storehouse, a party, a company by the way, a counsellor, a multitude of counsellors.

Tulia Garden Club plans flower show

"What Time Is It?" a standard flower show will be presented by the Tulia Garden Club Saturday, Oct. 7 in the Willie Room of Swisher Electric Cooperative in Tulia. The public is invited to view the show from 2:30 to 7 p.m. Admission is free.

AMATEUR growers or arrangers are invited to exhibit. They do not have to be members of the Garden Club or any other organization, according to Mrs. Oscar Hewitt president.

Entries will be received between 7:30 and 10:30 a.m. on show day. Judging will begin at 11 a.m. and will be done by nationally accredited judges.

Horticulture exhibits include roses, dahlias, chrysanthemums, marigolds, zinnias, celosia (both crested and plumed), and any other, also geraniums. King size pop bottles, provided by the exhibitor, are to be used for these specimens.

Pot plants include African violets, other flowering plants, foliage plants, cacti and succulents. There is also a division for stemmed material, both flowered and berried, as well as those with foliage only.

ARTISTIC divisions (arrangements) are named "Time to Reminiscence," "Time to Say Good Morning," "Time for Tea," "Time for Dinner," "Time for Harvest," and "Time to Arrange in the Seventies."

"Time to Grow in Gardening" is the title of the educational exhibit. Mrs. Robert Gardner is chairman of this exhibit.

General chairman for the flower show is Mrs. Newt Redmon. Other chairmen are Mrs. A. D. Parker, schedule; Mrs. S. D. Nelson, staging; Mrs. W.

V. Swinburn, judges; Mrs. C. L. White, properties; Mrs. Waymon Featherston and Mrs. Oscar Hewitt, artistic division. Also, Mrs. Bayard Sadler, Mrs. Parker, Mrs. Nelson, horticulture; Mrs. Robert Devin and Mrs. Leo Gardner, clerks; and Leila Petty, publicity and hospitality.

Garden club members should be contacted for specific rules regarding entries.

WMU convention slated next week

The Llano Alto Association's annual WMU meeting will be held next Thursday in the First Baptist Church of Littlefield from 9:30 a.m. to 2:30 p.m.

MRS. Horace Landlin of Lubbock, promotional vice-president of the Texas WMU, will be the guest speaker for the morning program. The afternoon program will consist of workshops for each age level of the WMU, under the leadership of the associational directors.

The noon meal will be furnished by the host church, and a nursery will be provided.

Auxiliary fetes graduate nurses

The Plains Memorial Hospital Auxiliary held a reception for the graduating class of the hospital's Vocational Nursing School recently. Mrs. Goodwin Miller was in charge of the reception.

Miss Webb

Nov. 18 date set

Mr. and Mrs. Carroll F. Webb of Dimmitt announce the engagement and approaching wedding of their daughter, Carol Diane, to Carter Glenn Townsend, son of Mr. and Mrs. Otis L. Townsend of Jackson, Miss.

WEDDING vows will be exchanged Nov. 18 in the Highland Church of Christ Chapel in Abilene.

Miss Webb is a graduate of Dimmitt High School and will be graduated from Abilene Christian College in December with a major in psychology and social work. She is employed by the Abilene Area Mental Health-Mental Retardation Center.

Townsend, a graduate of John W. Provine High School in Jackson, Miss., was graduated from Abilene Christian College with a biology major in August. He is now attending the college and is employed by Grigsby's of Abilene. He served in the US Army from 1968 to 1971.

Pink Ladies hold workshop

The Plains Memorial Hospital Auxiliary held a workshop in the home of Mrs. J. C. Gilbreath Sept. 18.

Seven members attended to make stuffed toys for the Auxiliary's Christmas Bazaar scheduled Dec. 1.

Newlyweds home in Lubbock

Mr. and Mrs. Bobby Don White are now at home at 1901 32nd St. in Lubbock following their Sept. 2 wedding in the First United Methodist Church in Rotan.

THE BRIDE is the former Frances Edmonia Baugh, daughter of Mr. and Mrs. Sam A. Baugh of Rotan. The groom is the son of Mr. and Mrs. Charlie M. White of Dimmitt.

Given in marriage by her father, the bride wore a gown fashioned of Cluny lace and voile lace with a high neckline outlined in Venice lace. The highrise waistline was accented with a wide grosgrain sash tied in back to define the waist. A tucked voile bib accented the bodice and the circular skirt extended to a full chape train. The gown's hemline was outlined in Venice lace. Her three-tier elbow length veil was attached to a matching Cluny lace Camelot cap. She carried a bouquet of white miniature carnations.

Bridal attendants were Kathy Allen of Rotan, maid of honor, and Barbara Keeley of Rotan, bridesmaid. They wore blue slipper satin princess gowns with scooped necklines and white lace accents. Their head-dresses were blue satin bows trimmed with blue nylon net. They carried nosegays of blue cornflowers and white pompon mums.

Homemakers start new year

The Dimmitt Young Homemakers Club started its new year last Thursday evening with a foreign foods supper and a style show.

THE VILLAGE Shop provided the fall fashions modeled by Beth Odom, Carolyn Watts, Maretha Smithson and Linda Ellison. Reta Welch narrated the show.

The club presented the DHS homemaking department with an air conditioner, as one of its service projects for the current year.

The club will meet next Thursday at 7:30 p.m. in the DHS homemaking department. New ideas in sewing will be the topic of the program. The meeting will be open to all interested women.

CHARLIE WHITE JR. of Dimmitt was best man, and Larry Helms of Rotan was groomsmen. Candelighters were Larry Helms and Mark Cleavinger of Dimmitt. Cleavinger also served as usher.

Rev. Albert Cooper, pastor, read the vows before graduated white columns that were flanked with greenery and arrangements of white miniature carnations, pompon mums and candles.

Mrs. Tom Collins was organist, and Mrs. Stanley Nowlin was soloist.

THE WEDDING reception was held in the Baugh ranch home north of Rotan. The bride's table was covered with a floor-length white cloth of polyester and cotton with a shadow stripe of small white flowers. The bride's attend-

ants' bouquets formed the centerpiece. A three-tiered wedding cake and champagne punch were served by Mrs. Larry Rakes of Dimmitt and Jodi Helms of Rotan.

Vicky Rushing of Rotan registered the guests. The bride is a graduate of Rotan High School and is a junior physical education major at Texas Tech University. She is a member of Delta Psi Kappa honorary sorority.

White is a graduate of Petersburg High School and attended Texas Tech University before serving in the US Marine Corps. He is employed by Globe Life and Accident Insurance Co. in Lubbock.

Mr. and Mrs. Charlie White hosted the rehearsal dinner in the Silver Spur Restaurant in Roby.

... Family name now spelled differently

Tucson man gets his first look at city named for his great-uncle

As a boy in Indiana, Richard "Dick" Dimmitt heard the story many times as it was handed down in his family—that a city in Texas had been named for his grandfather's brother, a preacher.

LAST THURSDAY, Dimmitt got his first look at the city that (almost) bears his name. He was on vacation from Tucson, where he is associated with a large lumber company.

"My dad told me about the town here named for his uncle," Dimmitt said. "I've heard about it all my life, but this is my first time here."

Was he sure he had the right family of Dimmitts, considering the difference in spelling of the name?

"ALL THE branches of my family spelled it differently," Dimmitt explained. "I'm sure all the descendants of W. C. Dimmitt spell it with an 'i', but most of my people back in diana spell it with an 'e'. I had one uncle who spelled it 'Dimet.' He always argued that it was a French name, and the others thought it was Scotch-Irish."

The city was named for the Rev. W. C. Dimmitt, a Presbyterian minister who was a member of the Bedford Town & Land Co., which established the town. Rev. Dimmitt also was the brother-in-law of H. G. Bedford, the company's agent and the town's developer.

Incidentally, Rev. Dimmitt never did live here. He only visited the town once.

"W. C. DIMMITT was the brother of my grandfather," Dick Dimmitt explained. "There were 13 boys in the family. Most of the brothers became farmers in Indiana; my grandfather farmed in Warrick County, near Evansville."

Two of the 13 brothers started for Texas, but one turned back when they got to Arkansas. W. C. Dimmitt came on to Texas and became a minister. Incidentally, three of his nephews back in Indiana—Theo-

Concession stand explodes at Hart

An explosion in the Hart Football stadium concession stand kicked a 40-gallon hot water heater 50 yards Tuesday afternoon.

SUPT. Ted Averitt said the explosion, which leveled the concession stand and the fence behind it, apparently was caused when pressure built up in a newly installed hot water heater.

"The used hot water heater was installed Tuesday morning," Averitt said, "but it didn't have a pop-off valve, and it just exploded."

Reports have reached the superintendent's office of debris from the concession stand falling 100 yards to two city blocks from the football field.

"WE WERE lucky no one was hurt," Averitt continued. "The football team was working out on the practice field, and someone would surely have been hurt if they had been on the game field. The hot water heater landed on the 50-yard line, and the concession stand is at the east end of the field."

Averitt estimated the cost of replacing the concession stand, rest rooms and damaged fence at \$3,000.

ed at the center so far have ranged from 11 to 96 years of age, he said.

"We try to make our services available to everyone who needs them, regardless of their ability to pay," Dillard said. "We have a sliding scale that ranges from \$1 to \$25 per hour for treatment. No one who needs help, though, is ever turned away."

TWO OF the center's busiest branches, he said, are emergency services for drug abuse and alcoholism. Anyone suffering from an overdose or DT's can find help at the center, he said.

Staff members who work in the drug-abuse and alcoholism programs at the center reported these facts:

—A recent drug usage survey conducted among public school students in this area was virtually identical to a survey used in Houston, and showed the same general trends of usage. For instance, in both urban and rural areas, the top drug user was the white, Anglo-Saxon Protestant 10th grader with a car and a relatively high weekly allowance.

—ALCOHOLISM is still the No. 1 mental-health problem in the nation. There are over 3,000 alcoholics in this nine-county area. Of these, some 300 will seek help from state institutions, and many others will seek help from such private organizations as Alcoholics Anonymous and churches. But the Central Plains Center this year has cut by one-third the number of alcoholics from this area going away to state institutions for help.

—The Central Plains Center is available for drug seminars at the school or community level.

DHS schedules 'College Night'

Vocational School and College Night for Castro County high school students has been set for Oct. 26 in Dimmitt High School, Kenneth Ringo, DHS counselor, announced this week.

RINGO SAID all county high school students and their parents are invited to attend the program to get acquainted with schools of higher education.

The program will have three 30-minute time periods for students and parents to visit with three institutions of their choice.

Ringo said a survey of junior and senior students here showed that they were most interested in hearing representatives from Texas Tech University, West Texas State University, South Plains Junior College, Abilene Christian College, Texas State Technical Institute and Draughans Business College. He said these schools would be invited, along with other vocational schools and colleges.

SEN. Wayne Connally of Floresville will be governor for a day Oct. 7.

A 'FIRST' for DIMMITT was recorded last week when Jack Edwards (left) became the first new attorney ever to take his official oath of office here. Most attorneys undergo their swearing-in ceremonies in Austin or at one of the state's law schools. Here, District Judge John T. Boyd admin-

isters the oath to Edwards. A May graduate of the three-year-old Texas Tech Law School, Edwards passed his bar examination June 20. While awaiting the result of his bar exam, he moved to Dimmitt to join the law firm of Burkett & Ross.

Jack Patton is named 'Kiwanian of the Year'

Jack Patton was named the Kiwanian of the Year at the Dimmitt Kiwanis Club's annual installation banquet and ladies' night Tuesday.

HE WAS presented the plaque as the top Kiwanian by Elmer Berryhill, awards chairman.

Patton, who owns and manages the Carlisle Theater, is a charter member and past president of the local club, helped organize the Dimmitt High School Key Club, has worked on 21 club projects during the past year and has served as chairman of interclub activities. He has a two-year perfect attendance record at Kiwanis meetings.

WALTER SPINHIRNE was installed as the new Kiwanis president at Tuesday night's banquet in the Colonial Inn Restaurant. He succeeds Wayne Lindley in the top post.

Other officers installed were Randall Craig, first vice-president; Carl Bruegel, second vice-president; Gene King, secretary; Joe Nelson, treasurer; and directors Bob Crozier, Ted Robb, Bob Murdock, Floy Driver, Berryhill, Lindley and Patton.

The installing officer was

Bartley Dowell of Hereford, lieutenant governor of the new Kiwanis District 33.

BERRYHILL presented two-year attendance awards to Patton and Craig, and one-year perfect attendance awards to Crozier, King, Lindley and Nelson. He also presented a gift to the club sweetheart, Donna Hudson.

Before turning over the president's gavel to Spinhirne, Lindley commented, "I've had a

very rewarding year... I've been places and met people that I wouldn't have otherwise, and I really appreciate the Kiwanis Club and its members."

Special music was provided by a vocal quartet of Dr. Bill Murphy, Dr. Charles Vandiver, Dan Nelson and Don Nelson.

Approximately 60 Kiwanians, wives and guests from Hereford, Tulia and Dimmitt attended.

Stolen car is recovered here

The Texas Highway Patrol recovered a stolen car between Dimmitt and Nazareth Monday.

THE CAR, a 1972 Olds sedan belonging to Brent Mikeska of Wingate, was stolen between midnight and 7 a.m. Sunday from Concho County.

Patrolman Dyrle Maples noticed the car parked one-fourth mile east of Vincent Gugge-mos' home on State 86 and radioed the sheriff's office to send the license plate number to the Dept. of Public Safety record center in Austin via direct teletype.

Maples said he received word back via computer within five minutes that the car was stolen and should contain clothing and credit cards. Officers recovered all the missing articles along with the car.

The car's owners arrived Monday night to take their car home.

Future Teachers install officers

Eight officers of the Future Teachers of America chapter at Dimmitt High School were installed recently in a formal ceremony. Serving as master and mistress of ceremonies were Lee Cole and Katy Thomas.

NEW OFFICERS are Janet Smithson, president; Karen Sims, vice-president; Judy Birdwell, secretary; Dawn Parker, treasurer; Patti Jackson, parliamentarian; Tanya Horton, historian; John Brooks, reporter; and Nancy Vardell, photographer.

Each officer's duties was symbolized by a flower, and when all were combined they formed a large bouquet.

Five members of the local chapter attended a scrapbook and yearbook workshop at Tascosa High School recently.

Car drives in at liquor store

A car driven by Valentin Flores of Hale Center created a new drive-in front at Elmer's Liquor Store on State 86, five miles east of Nazareth, Monday morning.

PATROLMAN Dyrle Maples reported that Flores pulled into the store's parking lot to inquire about a job in the area. But he was unable to stop his car and it crashed into the front of the store, knocking out a plate glass window and part of the brick wall.

He told Maples later, his brakes didn't work.

Elmer Klemm, the store's owner, estimated the store's damage at \$1,500. Damage to the car, a 1967 Ford, was termed slight.

Flores was cited for failure to stop at a proper place and for driving without a driver's license.

Pupils to attend 'das Musikfest'

Dimmitt fourth, fifth and sixth grade choral students will attend the Young People's Concert in the Civic Auditorium in Amarillo Saturday.

BUSES will leave North Elementary School at 1 p.m. and will return at 5:15 p.m.

The concert, "Das Musikfest," will feature the music of Richard Strauss, Johann Strauss and Ludwig van Beethoven.

Two numbers will be sung by the audience with orchestra accompaniment. The concert will close when the audience of 2,500 area youngsters sing the national anthem.

Local students participating are from the music classes of Dwight Joiner and Harold Dutton. Preparation for the concert included familiarization with the songs, composers and instruments.

'Radar gun' gets 30 local drivers

Approximately 30 motorists were reminded the hard way last week that the city has a radar gun, Police Chief W. W. Jones reported.

"WE WANT to remind city residents that the radar unit is being used day and night," Jones said. "Officers will be using it anywhere and anytime to enforce the speed limits."

Among the 30 speeders stopped last week, three were found to be unlicensed drivers, and other violations also surfaced, Jones said.

"Most speed limit violators were 8 to 10 miles per hour over the posted limit," Jones continued. "The fines averaged \$10 or more, depending on the circumstances involved in each case. Under law, a driver can be fined from \$1 to \$200 for violations."

The speed limit within the city limits is 30 mph unless otherwise posted.

Mom throws lye on son in fight

A Dimmitt man was admitted to Plains Memorial Hospital early Sunday morning after strong lye water was thrown in his face and eyes during a fight, according to Police Chief W. C. Jones.

JONES SAID officers Fred Moulton and Ronnie Belle were called to the home of Mrs. Erma Limicy of Dimmitt about 1:05 a.m. Sunday.

When officers arrived they found that Mrs. Limicy and her son Luster, had been fighting and that Mrs. Limicy had evidently thrown strong lye water on him.

Mrs. Limicy signed a complaint against her son. Officers are still investigating the incident.

United Lions to host governor

Lions District Governor Raymond White will make an official visit to the Dimmitt United Lions Club today (Thursday).

JULIAN FALCON, United Lions president said anyone interested in the Lions program is invited to hear White speak.

HOLD ON!—Dimmitt's Travis Hampton Jr. (10) has a grip on the shoulder-pad of Springlake's Luis Palacio and he isn't about to turn loose as he attempts to halt the Wolverine runner on a crucial third-down play late in the fourth quarter of Friday night's game. Seconds later, Dimmitt's Terry Powell closed in to help Hampton stop Palacio for no gain. As a result, the Wolverines were forced to punt away the ball, giving the Bobcats one last chance to overcome a 14-13 deficit. But a pass interception in the final minute dashed Dimmitt's hopes.

Unbeaten Horns top Morton by 1

By KIPP BURNETT

The Hart Longhorns won their first game against a Class AA school Friday night as they came from behind to squeeze past the Morton Indians, 14-13. The win boosted the Longhorns' record to three wins and no losses.

AS THE Indians rambled on to the field it was clear that the Longhorns were a 25-pound-per-man smaller team, but the Longhorns didn't let this bother them as they kept their poise and put their defense to the task of stopping the Indian offense. Stanley Dyer, David Barham, John Robinson and Barry George led the Hart defense in holding the Indians to only one touchdown drive.

Morton took the ball on its own 49 after stopping the first Longhorn drive. The tribe then punched the ball down to the Hart 8, then halfback Jimmy Harvey sprinted to paydirt to put the Indians on the scoreboard. Jerry Silhan's kick for the extra point was partially blocked, leaving the Indians with an early 6-0 lead.

THE LONGHORNS returned the kickoff to their 26, then worked the ball out to the 45. There, they attempted the option play that had helped them defeat Shallowater the previous week. But when quarterback Dirk Rambo pitched to Jimmy Brown he didn't see Morton's Jimmy Harvey closing in. Harvey plucked the ball from the air and raced 40 yards for his second touchdown to hike the Indians' lead to 12 points.

Silhan connected on the extra-point kick, giving Morton a 13-0

lead at the end of the first quarter.

Hart kept trying to move the ball in the second period but the Morton defense wouldn't budge. The two teams settled into a punting contest until, with 1:49 remaining in the first half, Brown finally managed to break away on an 18-yard touchdown run.

BROWN ALSO carried on the conversion attempt and outran all defenders for the two points that turned out to be the deciding factor in the game. The first half ended with Hart trailing, 13-8.

The third quarter was a battle of defenses again. But in the first minute of the fourth period—with 11:50 showing on the clock—Brown took a handoff from Rambo and scampered eight yards for his second TD to put the Horns ahead for the first time, 14-13.

Brown again tried a two-point conversion on a run, but was stopped short.

FROM THAT point, the Longhorn defense held the desperate Indians at bay to insure the victory.

Brown boosted his personal totals to nine touchdowns and more than 600 yards rushing. As a result, he was chosen the Class A "Player of the Week" by the Amarillo Globe-News.

Other outstanding players for the Longhorns in their first victory over a Class AA foe were Stanley Dyer, John Robinson, Dennis Hill, Barry George, Erasmo Castillo, James McLain and Danny Carson.

This week the Longhorns will be at home, facing the Anton Bulldogs at 8 p.m. Friday.

Swifts extend record to 3-0

Nazareth's Swifts penned up the winless Amherst Bulldogs Friday night, 13-0, to remain unbeaten, untied and unscorred.

THE HARD-NOSED Nazareth defense played a key role in the victory, with Amherst fumbles leading to both Swift touchdowns.

In the first quarter, the Swifts pounced on a Bulldog bobble at the 35, then drove home in four plays, with Junior Joiner running the final five yards into the end zone. The initial period ended with the Swifts owning a 6-0 lead.

Denise Kern and Kevin Gerber teamed up to give Nazareth its second TD. Kern blocked an Amherst punt and Gerber recovered it in the end zone. Joiner took the extra point to hike Nazareth's lead to 13-0. That's how the first half ended.

THEN THE Swifts settled down to their patented game—a scoreless second half. The Nazareth defense held the Bulldogs to 55 yards on the ground

and 34 in the air, while the Swift offense cranked out 215 yards—all on the ground.

Leading ball carriers for Nazareth were Pete Gonzales, 61 yards in 16 carries; Joiner, 60 yards in 18 totes; Kent Birkenfeld, 47 yards in eight carries; and quarterback Bernie Huseman, 44 yards in eight carries.

Denise Kern was Nazareth's defensive standout. He was a one-man gang as he blocked two punts, dropped the Amherst passer twice, caused three Bulldog fumbles and made nine unassisted tackles.

THE VICTORY gave the Swifts a 3-0 record for the season and a 2-0 mark in district play.

Coach Clayton Neal's Swifts will get their toughest test so far when they travel to Wilson Friday night for a District 2-B showdown. Wilson, the pre-season conference favorite, suffered its first loss of the season Friday night—a 6-0 verdict to Sundown—and will be trying to rebound.

Booster Club

Hampton is 'Bobcat of Week'; Truelock, Powell also praised

Sophomore end Travis Hampton was named "Bobcat of the Week" by Coach Brown L Smith at Monday night's meeting of the Boosters Club. He had the squad's highest grades on defense plus a good offensive game, including two fine catches.

SPEAKING of Friday's loss to Springlake Smith said the Bobcats really played two games—the first half was all Springlake, while the Cats dominated the second half. The team is still making too many mistakes, but is getting better with each game, Smith said. Other players cited for outstanding efforts were Shannon Truelock and Terry Powell.

Last week the seventh grade team defeated Hereford LaPlata by a score of 22-0. Leon Glover and Thompson Mayberry

turned in very good performances on offense and the entire defensive unit played a fine game.

The eighth grade contest was won by LaPlata, 36-6. Tuesday they will take on Olton here.

THE FRESHMEN will travel to Hale Center today (Thursday) for a game at 5 p.m. while the B team plays Muleshoe at home, starting at 6. Following these games, fans are invited to attend the Homecoming bonfire and pep rally at 7:45.

Friday's 3:15 pep rally will feature the crowning of the Homecoming Queen and announcement of winners of the hall decoration contest. Then the Bobcats will meet Lockney at 8 p.m. in the Homecoming game.

PRIZES in the "Pick the Winners" football contest were awarded to Kenneth Ringo, first, and Travis Hampton second.

What's cooking at the schools

Here are the school lunch menus for the coming week at the Dimmitt public schools.

TODAY (Thursday) — Meat loaf, mashed potatoes, cabbage slaw, sliced peaches, rolls, butter and milk.

Friday — Fish fillets, spinach, rice, pickled beets, lemon pudding, corn bread, butter and milk.

Monday — Hamburgers, lettuce, onions, pickles, tomatoes, blackeyed peas, prune cake and milk.

Tuesday — Green enchilada casserole, lettuce and tomato, baked beans, sliced peaches, cornbread, and milk.

Wednesday — Chicken pot pie, broccoli, gelatin salad, peanut butter, cookies and milk.

NEXT Thursday — Texas hash, green beans, sliced tomatoes, applesauce, rolls, butter and milk.

Friday (Oct. 5) — Tuna salad, green peas with carrots, banana pudding, batter bread and milk.

3-AA sidelines

Chiefs fall from unbeaten ranks at 3-AA teams have long Friday

Renaming the 1972 football season "The Year of the Wildcat" drew another round of support around District 3-AA last week, as the Littlefield Wildcats were the only team in the league to come out on top.

THE WILDCATS made Slaton their third straight victim, posting a 37-11 victory at home. And after three games, the Wildcats, defending co-champions, are averaging just over 36 points per game.

Rest of the way, the league had a long Friday night. Muleshoe ruined Friona's unbeaten season 14-0. Lockney held off Olton 14-6, and Dimmitt and Morton came out on short ends of 14-13 scoreboards. Dimmitt bowed to Springlake-Earth and Morton lost to Hart at home.

The squeakers came down to extra points, naturally, and in both contests, the losing teams held the upper hands in yardage.

"WE WENT for the win," admitted Dimmitt Coach Brown L Smith. "When we scored the second time (a five-yard keeper play by quarterback Terry Powell), there was no choice. We went for a two-pointer, the win. And we just missed it by inches (on a running try). It took a little while for the officials to give the sign that we didn't make it; it was that close—just inches."

Turnovers hurt the Bobcats, who were down 14-0 at half-time and battled back to come within inches of victory. They lost four fumbles—all in the first half—and an interception.

"We only had the ball for three downs in the first quarter," said Smith, "and only nine plays in the second. But, we're coming on. We're making mistakes but we're improving every week."

FROM THAT 14-0 deficit, the Bobcats rebounded and Albert Ewing scored on a one-yarder in the third period. Rick Wright booted the point to cut the margin to 14-7, and Powell's run cut the gap to one point.

"We outgained them 176-95 total offense," said Smith.

IN CONTRARY fashion, Morton built its point total in the first period, then saw Hart battle from behind to win. Jimmy Harvey scored both offensively and defensively for Morton.

In the opening minutes, Harvey ripped six yards for a touchdown but a kicking try for extra point failed. Later Harvey raced into the Hart backfield and intercepted a misplayed punt and zipped 45 yards for his second TD. The kick left Morton leading 13-0.

But Hart scored in the second and third periods and ran over a two-point conversion after the first TD for the winning margin.

JIMMY BROWN, a speedster who rushed for 316 yards the previous week, was held under control as the entire Longhorn team had only 147 yards rushing. Morton's offensive output was 229 yards, all except 15 yards coming on the ground.

Pat Henderson, with 12 points and 120 yards rushing, paced the Littlefield win over Slaton. The Wildcats built their 37-point total in three quarters, and only in the fourth period was Slaton able to score.

This week, however, the Wildcats will face their stiffest test in unbeaten Muleshoe. The Mules are playing an unofficial 3-AA schedule, having beaten three members (Dimmitt, Olton, Friona), and will host Littlefield Friday and play Morton two weeks hence.

Lockney never trailed in besting Olton. Although the Mustangs pulled within 7-6 in the third period on Tim Givens' seven-yard run. But later in the same quarter, Lockney fullback Robert Delgado went over from the one for the final margin.

Dimmitt tries Lockney this week, and Friona takes on Springlake in an exchange of district foes. Morton will be at Frenship, and Olton takes on undefeated, untied Floydada, which shared the 3-AA title with Littlefield a year ago.

DISTRICT 3-AA STANDINGS Team Pts.—Op. Littlefield (3-0) 109-17 Friona (2-1) 60-34 Dimmitt (1-2) 45-40 Morton (0-3) 13-48 Olton (0-3) 20-47

Last week's results—Springlake-Earth 14, Dimmitt 13; Muleshoe 14, Friona 0; Littlefield 37, Slaton 11; Hart 14, Morton 13; Lockney 14, Olton 6.

Friday's schedule—Lockney at Dimmitt, Friona at Springlake, Littlefield at Muleshoe, Morton at Frenship, Olton at Floydada.

SCORING LEADERS Henderson, Littlefield—38 Johnson, Littlefield—30 Lee, Friona—28 Ewing, Dimmitt—18 Bandy, Friona—12 Acevedo, Dimmitt—12 Givens, Olton—12 Harvey, Morton—12 Hobratsch, Littlefield—11

DJHS, La Plata split two games

Dimmitt's junior high football teams split a double header with La Plata Junior High of Hereford last week at Bobcat Stadium.

COACH Joel Reese's seventh grade Bobkittens defeated their Hereford visitors, 22-0, while Coach Gerald Durham's eighth graders lost to La Plata, 36-6.

OVER!—The referee signals Dimmitt's first touchdown as tailback Albert Ewing (24) punches through the pile-up and falls across the Springlake-Earth goal line in the third quarter of Friday night's game at Springlake. This touchdown and Rick Wright's extra-point kick brought the Bob-

cats within seven points of the Wolverines at 7-14. Dimmitt scored again in the fourth period, but missed by inches on a two-point conversion run and came up on the short end of a 14-13 score.

Bobcats miss out by inches, 14-13

By JOHN BROOKS

Dimmitt's Bobcats were stopped a foot short of victory Friday night as they failed on a two-point conversion gamble and lost to the Springlake-Earth Wolverines, 14-13.

ALTHOUGH the game's outcome boiled down to that one play, it was fumbles that played the major role in the Cats' loss. The host Wolverines sealed the victory for themselves by capitalizing on Dimmitt's miscues and putting on an impressive offensive show in the first half.

The Wolverines chalked up all 14 of their points during the first half, and also made most of their yardage during the first two periods.

Springlake pounced on a Dimmitt fumble at the Bobcat 9-yard line and marched in for their first TD enroute to a 14-0 halftime lead.

THE BOBCATS caught fire and won the second half, only to lose out on their conversion gamble as they went for the win after their second TD. On paper, the Bobcats had a

big edge in both rushing and passing, but the Cats gave up the ball three times on fumbles, suffered a crucial interception in the waning moments, and were penalized six times for 65 yards.

After receiving Albert Ewing's opening kickoff, the Wolverines drove the ball deep into Bobcat territory. However, the Cats held for three downs, and when the Wolves tried a fake field-goal pass to the end zone, quarterback Larry Thomas overthrew his intended receiver and the Bobcats took over.

BUT ALMOST as soon as the Cats regained the football, they lost it on a fumble at the 9. Three plays later, Brian Sanderson scored from eight yards out. Nicho Triana kicked the ball true for the extra point and the Wolverines were off to a 7-0 lead.

The Bobcats could not get a big drive going, and were forced to punt.

As the second period started, the Wolves were in the midst of their second big drive. It was capped off when Thomas

threw five yards to Louis Palacio in the end zone. Triana again kicked the pigskin through the uprights to lengthen the Springlake lead to 14-0, and there the score stood when the intermission buzzer sounded.

The Bobcats came out of the dressing room at the beginning of the third quarter looking like a new ball club. They drove to the Wolverine 1, where Ewing carried it in for the score. Rick Wright kicked the extra to alter the score to read Springlake 14-Dimmitt 7.

It was not until the fourth quarter that the Bobcats got going again. With less than five minutes left in the contest, quarterback Terry Powell kept and rambled across the big stripe from five yards out for another six for the Bobcats. But on the try for the winning two points, Ewing came up—to quote one Bobcat—"one inch short."

After the kickoff, Dimmitt threw up a fortress defense that forced Springlake to punt. The Bobcats launched a desperate drive as the clock ticked away,

but a Wolf intercepted a Powell pass to kill the Bobcats' hopes.

Muleshoe frosh top Dimmitt 14-0

Muleshoe's freshmen struck for touchdowns in the first and fourth quarters to defeat Dimmitt's freshmen, 14-0, in Bobcat Stadium last Thursday.

THE VISITING Colts, coached by Raymond Schrader, chalked up a touchdown and a two-point conversion in the first period for an 8-0 lead which they held through most of the game. Muleshoe added its insurance TD in the final period but muffed the extra-point try.

Coach Don Parker listed Steve Stanton and Kyle Touchstone as Dimmitt's offensive standouts, and Daniel Montiel as the top Cat on defense.

"Our boys keep improving every week," Parker commented. "With more experience they will be football players. They just need to be tougher and more aggressive."
