#### K. K. K. HELPS CALLAHAN POOR

Baird's Ku Klux Klan, as to the existence of which there has been much speculation, made itself manifest last Monday night, when a special delivery letter reached The Star office addressed: "W. E. County Judge J. R. Black, to whom, as directed by the donors, the editor of The Star turned over the \$200.00 contributed by Baird Klan No. 169, Knights of the Ku Klux Klan, "to be distributed to the needy poor of Callahan county," writes to The Star regarding this

"As I do not like to have full responsibility of distributing this money, I am going to ask the following citizens of Callahan county to act as a committee to distribute the same:

"For Baird Section-Dr. R. G. Powell, John H. McGowen and Dick Mayfield

"For Clyde Section-L. D. Boyd, M. Y. Anderson. "For Putnam Section-Prof. Ben

"For Southeast Portion of County-O. D. Strahan, R. G. Jones, Rev. R. D. Carter.

"In connection with the above committees I will apportion this money out to be used by said committees. Whether we believe in the Ku Klux Klan or not, we all know We stand for the down trodden that this is a worthy purpose and if other persons and organizations will contribute to this fund we can bring joy to the hearts of many people who otherwise would not be able to enjoy Christmas. I suggest that the committee in each section try to raise some money to augment this fund. The above committees, if they deem it necessary, can appoint some one to help them.

W. W. Bruton, who has been ill for several years, died at his home for several years, died at his nome near Belle Plaine, Friday, Decem-ber 2, and was buried in Belle Plaine cemetery the following day. While his death was not unexpected, it was with deep sorrow that we heard of his death.

Mr. Burton was an ex-Confederate soldier and participated in some of the great battles of the Civil War, one of them Chickamauga, considered one of the bloodiest battles of the war. The casualty list on both sides was nearly 40,000.

#### "FOUR HORSEMEN" AT THE SIGAL

The long awaited Rex Ingram production of "The Four Horsemen of the Apocalypse.' which marks a new record for the screen and has smashed all records, will be shown at the Sigal Theatre, each afternoon and at night, Monday and Tuesday December 19 and 20 and reserved seats are on sale at the Holmes Drug Store.

This is the picture that cost Metro \$1,000,000 to make and, from all accounts, the \$1,000,000 was well spent, as critics agree that all other efforts at production on a grand scale have been surpassed and record runs have been made in New York, Chicago, Boston, Pitts. burg, Detroit, Los Angeles and oth. er cities where the picture has been previously shown.

Fifty principals and 2,500 extras were engaged in the filming of the photodrama, an entire French village and an elaborate chateau were erected to be destroyed under the artillery bombardment of the Ger. man invaders, and more than 125, -000 tons of masonry, steel, lumber and furniture were used in creating backgrounds that are said to reproduce with absolute fidelity the stirring panorama of the story.

The appeal of the story itself has already been proved through the success of the novel by Vincente Blasco Ibanez, upon which the pho todrama is founded. Itssalethrough out the world runs into the millions, but millions more will probably have it revealed to them the first time through the medium of the screen production. This production is reported to have followed the epic o' human passion, against the back ground of the Great War, as related by Ibanez.

#### FOUR K. K. K. GOBLINS INDICTED

A press dispatch dated Atlanta, Georgia, December 4, declares that the discharge of four grand goblins in that city, was followed by warrants charging three of them with larceny after trust and by a \$50,000 damage suit filed in behalf of the fourth.

Edward Young Clarke, imperial kleagle of the order, swore out warrants charging three of them with larceny after trust for F. W. Atkins, Philadelphia; Lloyd P. Hooper, New York, and A. J. Padon, Jr., Chicago, it being alleged they had failed to turn in certain funds to the treasury.

Some time ago the Dallas News got off the following:

"Every time the Klu Klux the Kleagles Korral the Kale!"

In this case it seems that the Grand Goblins gobbled the kale before it reached the Grand Kleagle; hence, the rumpus among the higher.ups in the "Invisible Empire."

#### BREEZY CHATTER FROM PATSIE

Eula, 12-11-'21.

Well, Uncle Bill, I am finding time to drop in and write a few lines. You know news is scarce out in these parts. We have had a few cold days-just enough to kill hogs, and you know there were lots of them killed.

Well, we are still dry as Christ mas is going to be.

Farmers are not doing a thing, but spending some money as they go along.

Stock is going into winter quar-ters fat. The fields have been good. I would sure like to see a good rain. Stock water is scarce out this way.

Well, I see a few candidates com. ing out. I am like you, Uncle Bill, about Mr. Corn. I think he has made us a good sheriff and, as far as Patsie is concerned, he can have 2.06 it two more years.

> I am for Judge Blanton for Uni ted States Senator.

I guess next year will be a warm ear for the candidates. Come boys, Uncle Bill can use that \$10 now as easy as next summer.

Well, Christmas soon will be here and I hope we all will have a good dry Christmas at heart and a wet one under foot.

I am glad to see the oil business looking up, for we will need some of the greasy money.

W. B Ferguson and son, Willie, were in Clyde trading Saturday.

W. P. Miller went to Abilene last week and brought home a new car, George T. Duncan has sold his farm and moved to Abilene. George is a good man and I hate to see him

Merry Christmas to the Star force. Patsie.
